HEREAFTER Central Office cannot accept ante-dated subscriptions to the *ARROW* to include the *History*. The reason for this is obvious. It would certainly not be fair to give a *History* and three other issues of the *ARROW* for the regular subscription price of \$1.50 when we must charge \$2.00 for the *History* alone—this price for the *History* has been set in accordance with the cost of publication and very few copies are available.

For the year 1935-36, the Fraternity will offer one graduate fellowship with a value of \$500. This fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university, either in this country or in Europe, which offers special opportunities in graduate work along the particular line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-round development of character with its resulting ability worthily to represent the Fraternity. Each applicant must state definitely the university which she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of the applicants, transcripts of college grades, credentials from college professors, and other recommendations must be in the hands of the Grand President not later than January 1, 1936.

All material should be collected by the applicant and submitted as a whole. Blank forms for applications for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Hereafter, on account of lack of space, it will be impossible to use in the news pages of the *ARROW* announcements of European tours sponsored by Pi Phis, or similar business enterprises of members of the Fraternity. Such notices belong properly in advertising pages and rates for such space may be had by application to the business manager of the *ARROW*.

The \$7.50 price for life subscriptions to the *ARROW* will be continued until further notice. All subscriptions are to be sent to the Central Office.

REMEMBER THE PI BETA PHI ENDOWMENT!

The enthusiasm with which Convention contributed to the Endowment brought the total of gifts and pledges to within approximately \$12,000 of its goal. Surely 26,000 Pi Beta Phis can complete the \$50,000 by next Convention! Give now! The May *ARROW* will list all contributors, giving the total of each club's, chapter's, or individual's gifts. Send your contribution or pledge to your province representative or to the treasurer of the committee, and help give the fraternity now the endowment which will mean added prestige for Pi Beta Phi.

For the year 1935-36 a prize of \$25 is offered for the best chapter history submitted to the National Historian, who will be the judge of their excellence.

Hereafter, senior dues from chapters are to be sent to the province president instead of to the province vice-president.

THE ARROW OF PI BETA PHI

SEPTEMBER, 1936

VOLUME 53

NUMBER 1

EDITORIAL

OUR CONVENTION in Chicago will live always in the minds of some one thousand people who were privileged to attend as an experience almost too great to be realized while it was going on! Just to see so many Pi Phis gathered together was in itself startling proof of the strength of the Fraternity; to meet and talk with as many of them as possible was to feel that not only have we strength in numbers, not only are our chapters initiating attractive girls, but that from the intellectual standpoint our membership is most interesting. We who have the privilege of serving the Fraternity as its officers thrilled with pride over the gathering. We may never again have one so large since this one drew its attendance from a territory where Pi Beta Phi has long been very strong, with many chapters and many alumnæ clubs within easy driving radius. It was a Convention long to be remembered.

* * *

Those who came to Convention were more than proud and pleased with the display made by the Arrow Craft Shop. The articles were beautifully designed, well chosen for saleable qualities, and through the kindness of the Edgewater Beach Hotel, they were placed in a prominent glass-enclosed shop directly off the main lobby. The new designs shown were the work of Miss Redding and Mrs. Snow; but by far the greatest part of the credit must go to Ethel Weaver Snow, Iowa Gamma, director of Arrow Craft, who has done so much in the short time that she has worked there. She is making Arrow Craft attractive in every way, and financially successful besides. To her the Fraternity at large owes most grateful thanks and appreciation. We are proud of her.

* * *

We have here, as usual, the complete record of the business of Convention, the reports of officers, and the reports of clubs and chapters for the interim between Conventions just ending. You will find it a notable record of achievement in difficult times for the college world, and of financial stress for the country at large. It was with joy that Grand Council, in its annual meeting which preceded Convention, reviewed the records of the chapters of the Fraternity. Scholarship has shown a definite advance, and everywhere the chapters seem scholarship-conscious. The competition for the Balfour Cup was unusually close. There were fourteen chapters in the Fraternity holding first place in scholarship on their campuses for the period under consideration; there were twenty chapters having better than ninety per cent in the standardization and survey report from Central Office. The awards appear elsewhere in these pages, as does the final decision in the Amy B. Onken Award for the most outstanding girl in the Fraternity. In deciding the latter the records of the girls winning the awards in the thirteen active provinces are considered by Grand Council, and this year all thirteen were so nearly perfect, the girls themselves so remarkable in personality and attainments, that a fair decision was very hard. There is much in this number of the ARROW to add to our pride in Pi Beta Phi, and we hope you will read it with interest and enthusiasm.

* * *

We should all have a vital interest in Panhellenic matters especially in these days when there have been whisperings of unrest on some campuses. The report of our delegate to the National Panhellenic Congress which is given in full in this issue, offers an interesting exposition of the situation which is being created by the adoption of the quota system on many campuses. We who were at Convention heard it with great interest and we hope it will be carefully read. We are unusually fortunate in having as our delegate a person who so thoroughly understands the fraternity world as does Miss Onken.

One of the editor's ambitions has always been to get out an issue of the magazine in Menasha with the George Banta Publishing Company—an ambition realized this summer, but not exactly as planned! Fate, perhaps kind, perhaps unkind, placed her this time in a hospital within one mile of the plant of the Publishing Company, but still as far away as ever from actually following the magazine through the process of printing. The work on this number has been done partly in the editor's room in Theda Clark Memorial Hospital in Neenah, Wisconsin, and partly in a corner of the sun porch of the hospital which was converted into a temporary office, all this because of an automobile accident which crippled her temporarily while on a business trip to Menasha. For any mistakes or inaccuracies in this number, we crave indulgence. It has been done without files for reference, and with mail forwarded from California irregularly, and consequently with many late reports.

* * *

A pleasant feature of the summer has been the faithful and always interesting visits that the editor has enjoyed from the Pi Phi in the vicinity of Menasha. Among us we have decided that there is almost material for a new alumnae club in the Fox River Valley, and we hope some day there may be one.

* * *

The editor wishes to offer most grateful thanks to her friends in the George Banta Publishing Company for their great kindness to her personally, following her accident. Their constant thoughtfulness and anticipation of every wish throughout an experience which might otherwise have been most unhappy has been one calculated to restore one's sometimes flagging faith in the goodness of human nature, and the kindness of one's friends. She wishes also to thank the Pi Phi all over the country whom it has not been possible to thank directly because of the lack of the use of a right hand, for the wonderful letters which have made the Fraternity mean more than ever before.

Adelle Taylor Alford

Two thousand Cook Books have been distributed!

At fifty cents apiece surely every Pi Phi will want one for herself, for Christmas gifts, shower presents, and bridge prizes.

The Pi Phi Cook Book is a national project. Alumnae clubs may make money for the Settlement School by buying the book in two dozen lots or more at a special price of thirty-five cents apiece, and selling them at fifty cents apiece, making fifteen cents on each book.

Send your order to Miss Helen Hurd, 4359 Victoria Park Place, Los Angeles, California.

Minutes of Thirty-Second Biennial Convention

Edgewater Beach Hotel, Chicago, Illinois

June 21-27, 1936

FIRST SESSION, SUNDAY, JUNE 21, 1936, 8 P.M.

THE Thirty-second Biennial Convention of Pi Beta Phi Fraternity was formally opened by the Grand President, Amy Burnham Onken, at the convention hall, Edgewater Beach Hotel, Chicago, Illinois, on the evening of June 21, 1936. After the entrance of Martha Nutter Kimball, former Grand Treasurer and the Honor Guest of Convention, escorted by Julia Ellen Rogers, former Grand Secretary, the Anthem was sung. Following the reading of the Ritual and the invocation by Laura Storms Knapp, Theta Province Vice-President, the Grand President introduced Miss Kimball, who spoke of the meaning of Pi Beta Phi; the National Officers; the President Emeritus; Assistants to Grand Council members; the Supervisor of Chapter Accounting; the Province Presidents and Vice-Presidents; the Director of the Magazine Agency; both the outgoing and incoming chairmen and members of the Settlement School Committee; the chairman of the Committee on Endowment Fund; the Director of Central Office; the chairmen and members of standing committees in attendance; former officers; the Convention Guide, her assistant and committees; and the editor of the *Daily*. Grand Council honored as pages Helen Sharp, Texas A, of the Balfour Cup chapter, and Betty Banning, Manitoba A, of the Stoolman Vase chapter.

A demonstration of Convention attendance

showed that the Grand President was the only person present who had been to twelve conventions. A demonstration was then called for Pi Beta Phi mothers and daughters, both in attendance at Convention, also for Founders' daughters and granddaughters present. Scholarship demonstrations showing both individual and chapter honors, such as Phi Beta Kappa and Phi Kappa Phi followed; at least seven-eighths of the delegates represented chapters who had received such honors in the interim of Conventions. Eight chapters, in the demonstration for first places in scholarship on their respective campuses, showed that they had held first place for all three semesters since the last Convention. There were also activity demonstrations showing individual members and chapters who had gained Mortar Board, "Who's Who for College Students," and other extra-curricular leadership recognition on their respective campuses. A demonstration of beauty, prom, carnival, and engineering queens followed, as well as the showing of elections as the most popular girls on their respective campuses. Miriam L. Chapman, Michigan A, led the singing of the Pi Beta Phi Evening Song. After adjournment of the first session, Beatrice Edmonds, California A, entertained Convention most delightfully with a reading of "First Lady."

SECOND SESSION, MONDAY, JUNE 22, 1936, 9:30 A.M.

THE meeting was called to order by the Grand President. Following the "Anthem," the Ritual and the invocation by Frankie Cochran Hill, chairman of the Settlement School Committee, the Founder, Fanny Whitenack Libbey, was escorted to the platform by Nina Harris Allen, former Grand Vice-President, and Betty Stoolman Julian, Illinois Z. The Grand Secretary reported for the Committee on Credentials that the delegates of all active chapters, with the exception of South Carolina A, and all national officers, with the exception of the National Historian, were in attendance; and recommended that the Founder, Fanny Whitenack Libbey, be seated; that the National Supervisor of Chapter Accounting be seated; and that all regular delegates be seated.  Reports of other officers and committee chairmen
 Recommendations from Grand Council
 Recommendations from other reports
 New business

Special orders of the days were announced as follows:

Thursday, June 25—Morning: Discussion groups
 Afternoon: Extension; Discussion groups
 Friday, June 26—Morning: Address on Leadership
 Afternoon: Discussion groups

After some announcements were made, Frankie Cochran Hill read a letter from Governor James V. Allred of Texas in which he appointed the members of Grand Council Texas Centennial Rangers.

Betty Stoolman Julian, Illinois Z, daughter of the Grand Treasurer, and Betty Smith, California I, daughter of the Grand Vice-President, were introduced as pages for this session.

The Grand President announced the personnel of the Committee on Nominations as follows:

Assistant to the Grand Vice-President, Chairman
 Illinois Z
 Colorado A
 California I
 Kentucky A

and the appointment of the following committees:

Committee on Chapter Exhibits—Ruth Mitchell Deeds, Indianapolis Alumnae Club, Chairman; Jean Dayton West, Des Moines Alumnae Club; Lois Wilkinson Christianson, Ann Arbor Alumnae Club; Enid Van Alstine Hayward, Los Angeles Alumnae Club.

Committee on Attendance Award—Florence Hunt Webster, Assistant to Grand President, Chairman; Mary Alice Witt, Tennessee A; Patience Sewell, Oklahoma A; Clover Johnson, Virginia I; Barbara Kimbrough, Washington B.

Committee on Resolutions—Charlotte Martin Fox, President Alpha Province, West, Chairman;

Hazel Murdock Murkland, Vice-President Eta Province; Ohio A, New York A, Florida B.

Committee on Most Constructive Delegate—Jessie Lockett, Decatur Alumnae Club, Chairman; Mildred Hood, Boston Alumnae Club; Katherine Riegelhuth, Reno Alumnae Club; Nell Anderson Spruce, Washington, D.C., Alumnae Club; Edna Garvin Brewer, Columbia, Mo., Alumnae Club.

The report of the Grand President was read and was accepted upon motion of California A, seconded by Maryland A. The report of the Grand Secretary was read and was accepted upon motion of California A, seconded by Missouri A. The report of the Grand Treasurer was read and was accepted upon motion of Florida A, seconded by Missouri B. The report of the ARROW Editor was read and was accepted upon motion of Nova Scotia A, seconded by Florida T. The report of the Assistant to the Grand President was read and was accepted upon motion of Wisconsin A, seconded by Colorado B. The report of the Assistant to the Grand Treasurer was read and was accepted upon motion of California A, seconded by Colorado A. The report of the Chairman of the National

Board of Trustee Funds was read, and upon motion of Missouri B, seconded by Vermont A, was accepted. The report of the National Supervisor of Chapter Accounting was read and was accepted upon motion of Kentucky A, seconded by Vermont B. The report of the Delegate to the National Panhellenic Congress was read, and upon motion of California T, seconded by Ontario A, was accepted. The report of the Director of Central Office was read and, upon motion of Michigan A, seconded by New York A, was accepted. The Director of the Pi Beta Phi Magazine Agency requested that the delegate for the Detroit Alumnae Club be allowed to read her report. At this time, in order to give Convention some idea of the number of Pi Phis who are on the mailing list for the ARROW, a huge cylinder of paper ribbon giving the name and address of each subscriber was unrolled; the ribbon reached around the Convention Hall several times. The report of the National Historian was deferred. Upon motion of Texas A, seconded by Oklahoma B, the report of the Magazine Agency was accepted. Pennsylvania B and Minnesota A were tardy. The meeting adjourned.

THIRD SESSION, MONDAY, JUNE 22, 1936, 3 P.M.

THE meeting was opened by the Grand President. Announcements. Tennessee A's trio sang two songs. The Grand President introduced the speaker of the afternoon, Maria Leonard, Indiana T, Dean of Women at the University of Illinois, who addressed Convention on "Standards." An informal discussion of Standards of Pi Beta Phi followed

the address.

The Grand Secretary suggested a rising vote of thanks to Dean Leonard and to the Grand President and the Grand Treasurer for securing the speaker for this address.

The meeting was adjourned.

FOURTH SESSION, TUESDAY, JUNE 23, 1936, 9:30 A.M.

THE Grand President called the meeting to order with the reading of the Ritual. Marie Freeman Palmer, former Supervisor of Chapter Accounting; Vera Kirkpatrick, former Iota Province President; Edna Westfall Foster, former Theta Province President; Mr. W. M. Dewey, Manager of the Edgewater Beach Hotel; and Mr. L. G. Balfour, official jeweler to Pi Beta Phi, were introduced. Greetings from Alpha Phi; Phi Mu; and Mary Bartol Theiss, Pennsylvania B, former Grand Secretary and ARROW Editor, were read. The alternate of District of Columbia A was seated upon motion of Michigan A, seconded by Illinois E. Announcements were read.

The report of the Committee on Extension was read and, upon motion of Texas A, seconded by Utah A, was accepted. The report of the Committee on Scholarship was read and was accepted upon motion of Manitoba A, seconded by New York A. The report of the Committee on Social Exchange was read and was accepted upon motion of Oklahoma A, seconded by Alberta A. The report of the Committee on Fraternity Music was read and, upon motion of Arizona A, seconded by Missouri T, was accepted. The report of the Committee on Chapter Finances, House Building, and Plans was read and was accepted upon motion of Maine A, seconded by Montana A. The report of the Committee on Chaperons was read and, upon motion of Indiana A, seconded by Tennessee A, was accepted. Although the Chairman of the Committee of Fraternity Study and Examination was not present, it was moved by California A, seconded by Florida T, that the report be read. Upon motion

of California T, seconded by Kansas A, the report was accepted. Upon motion of Oklahoma B, seconded by California A, the report of the Committee on Transfers was deferred until the arrival of the chairman of the Committee. The report of the Committee on Undergraduate Loan Fund was read, and, upon motion of Wisconsin B, seconded by Vermont A, was accepted.

At this time Laura Killgore Epperson, Colorado A, and her three Pi Beta Phi daughters, Almina, Marian, and Louise, were presented to the Convention.

Upon motion of Florida T, seconded by Kansas B, the alternate for Michigan B was seated for the session. Upon motion of Vermont A, seconded by Iowa B, the alternate for Iowa Z was seated. Upon motion of Washington B, seconded by Illinois B-A, the alternate for Arkansas A was seated.

Business turned to the consideration of the recommendations of Grand Council. Grand Council recommended:

1. That it be the policy of the fraternity that in advance of any building or extensive remodeling, house associations submit to the Committee on Chapter House Finances, House Buildings and Plans, their building and financing plans. Adopted as read, upon motion of California A, seconded by Idaho A.

2. That in order that there shall be an adequate historical record of each Pi Beta Phi chapter, the National Historian shall appoint an alumna historian for each active chapter to serve during the coming interim of conventions. By November 15, 1936, each alumnae advisory committee chairman shall send to the National Historian one or more nominations for this office. The National Historian shall appoint these chapter alumnae historians from the persons nominated, when the nominations are received by the specified date. The National Historian shall also make the

appointments for inactive chapters. Adopted as read upon motion of Ohio A, seconded by Illinois A.

3. That Arkansas be taken from Kappa Province and placed in Epsilon Province, for convenience of official contacts. Kentucky A moved and South Dakota A seconded that the recommendation be adopted. Following a discussion of the recommendation, Colorado A called for the question. The motion was lost.

4. That the present arrangement in Alpha Province, which divides the active chapters into Alpha Province East and Alpha Province West, be continued. Upon motion of Ontario B, seconded by Maine A, the recommendation was adopted.

5. That Pi Beta Phi endorse the proposed additions to the National Panhellenic Congress Standards of Ethical Conduct to read: "It is beneath the standards of fraternity women: (5 D) To approach any rushee who has signed a preference for a fraternity other than the one they represent, with a proposal to refuse to accept the bid indicated and to wait for another bid." Upon motion of Oregon A, seconded by Utah A, the recommendation "5 (d)" was adopted.

6. And (5 E) "To fail to observe during exchange visits as guests, the rules, regulations, and customs of the colleges, dormitories, and chapter houses which they are visiting." Upon motion of Kansas A, seconded by Iowa F, 5 (e) was adopted.

7. That the Constitution be amended by inserting Statute IX, Section 24, National Panhellenic Delegate, to read: "Beginning July 1, 1938, the National Panhellenic Delegate shall be the Grand President." Upon motion of Florida A, seconded by Idaho A, the recommendation was adopted as read.

8. That the Constitution be amended by inserting Statute III A, Section 4 K, Duties of the Grand President, to read: "To serve as the delegate to National Panhellenic Congress." Upon motion of West Virginia A, seconded by Missouri B, the recommendation was adopted.

9. That the fraternity present a certificate of merit to each chapter holding first place in scholarship rating on its campus for an entire college year. Pennsylvania B, seconded by North Carolina A, moved to accept this

recommendation. Colorado A, seconded by Colorado B, moved to amend the recommendation by inserting after the word merit, "to be the permanent possession of the chapter." The amendment was carried and the recommendation as amended was adopted.

10. That chapters adopt a uniform penalty for failure to attend convention after initiation under the dispensation which permits late initiation in order to attend Convention. Tennessee A moved and California B seconded that the recommendation be adopted. Indiana A, seconded by California F, moved to amend by adding "the penalty to become effective in 1938." California B called for the question. The amendment was lost, and the recommendation was adopted as read.

11. That chapters maintaining houses owned by their respective house corporations shall be required to bond the treasurers of said corporations for \$2,000.00 each. The bonds shall be arranged for by the Grand Treasurer, who shall bill each chapter annually for this protection. Chapters maintaining houses for meeting purposes only shall be exempt from this requirement. Upon motion of Wisconsin A, seconded by Kansas B, the recommendation was adopted.

12. That the Committee on Social Exchange be continued. Upon motion of Indiana B, seconded by Iowa F the recommendation was adopted.

13. That the responsibility for reporting Pi Beta Phi's transferring from one college campus to another on which there is a Pi Beta Phi chapter shall be placed upon the original chapter. Upon motion of California A, seconded by Missouri A, the recommendation was adopted.

New business was taken up at this time. Washington B, seconded by Wyoming A, moved that Statute IV, Sec. 32, "RESTRICTION UPON CHAPTER OFFICERS' REIMBURSEMENT. Officers shall serve their chapters without any form of reimbursement. Deviation from this policy is permissible only with the approval of the Alumnae Advisory Committee concerned and with the consent of Grand Council" be stricken from the Constitution. The motion was lost.

Adjournment.

FIFTH SESSION, THURSDAY, JUNE 25, 1936, 9:30 A.M.

AFTER the singing of the Anthem and the reading of the Ritual, the Grand President opened the meeting with announcements. Greetings from Kappa Delta; Phi Gamma Delta; Indiana F; Minnesota A; Indiana B; Oregon B; Gail De Wolf, Iowa Z, former Grand Secretary; Kay Finney, last year's Fellowship appointee; and Frances Evans Ives, former Grand Secretary, were read. Flowers from the Sigma Kappa Alumnae Club of Chicago were presented. The Grand President introduced Mary Thompson Reid, Michigan B, an early ARROW Editor, and Agnes Wright Spring, Wyoming A, the National Historian.

A committee to draft the regulations concerning a uniform penalty for failure to attend convention after initiation under the dispensation which permits late initiation in order to attend convention was appointed by the Grand President as follows:

California A, Chairman
South Dakota A
Indiana A
Kentucky A
Vermont A

In accordance with the order of the day, the discussion groups were held with the delegates as follows: (1) Pledge Supervision and Training,

led by the Grand Vice-President assisted by the Eta Province President, the Mu Province President, and the Theta Province President. California A moved and Michigan B seconded that a committee be appointed to consider a change in the ceremony of pledging. The motion was carried. The Grand President appointed the following to act as this committee:

Michigan B, Chairman
Oklahoma A
Ontario B
Colorado A and Agnes Wright Spring,
Maryland A

Oklahoma B, seconded by Texas B, moved that the second discussion group be made the special order of the day following the extension program in the afternoon. Carried.

Representing chapters which had received honorable mention in the Balfour Awards of 1934-35, Jean Crayton, Ohio B, and Phyllis Rasp, Michigan A, served as pages for this session.

A motion by Kansas A that the opening hour of the afternoon session be set at two o'clock was seconded by Nebraska B and carried.

The meeting was adjourned.

SIXTH SESSION, THURSDAY, JUNE 25, 1936 2 P.M. MICHIGAN ROOM

AFTER singing led by Miriam Chapman, the Grand President called the meeting to order. Gabriella Royal Robertson, Iowa Z, granddaughter of Nell Custer Swisher, former Grand President,

and Irene Margaret Anderson, Colorado A, granddaughter of Libbey Brook Gaddis, were presented as pages. Ida Griffith, Kansas A, daughter of Ida Smith Griffith, former Grand Treasurer, and Hattie

Cochrane Dayton, Iowa Z, mother of five Pi Beta Phi daughters, two of whom were in attendance, were introduced. Announcements.

For general information, the Grand President reported the personnel of the Nominating Committee for the Alumnae Department.

As Extension was the special order of the day, a résumé of the expansion policies of other N.P.C. fraternities and of Pi Beta Phi was given by the National Historian. Convention then turned to the consideration of the group presenting a petition for a charter. The petition of Pi Beta of Louisiana State University was presented by Isabel Camp Jackson, Texas A. The Grand Secretary moved that Pi Beta Phi grant a charter to Pi Beta at Louisiana State University. The motion was seconded by Louisiana A. The inspecting officers, the Grand Secretary, and Kappa Province President spoke in support of the group. Louisiana A and Alabama A, representing the chapters from which inspectors had gone, also endorsed the group. Favorable comments were made

by the Grand President and other Pi Beta Phis who had intimate knowledge of conditions. The Grand President appointed as tellers for the vote the delegates from Missouri A, Nova Scotia A, and Illinois E.

During the counting of the ballots, greetings were read from Icie G. Macy, Virginia A, and Leona Baumgardner, Kansas A, former Pi Beta Phi Fellows.

The tellers' report was presented to the Grand President who announced that a charter had been granted to Pi Beta of the Louisiana State University.

In accordance with decision of the morning session, discussion groups were the special order of the day. The discussion on "The Relationship between Chapters and Alumnae" was led by the Assistant to the Grand President, assisted by Alpha Province, West, President, and Delta Province President.

The meeting was adjourned.

SEVENTH SESSION, FRIDAY, JUNE 26, 1936, WEST LOUNGE, 9:30 A.M.

AFTER singing led by Miriam Chapman, the Grand President called the meeting to order in the West Lounge and introduced the presiding officer, Ruth Wilson, Kentucky A, former Epsilon Province Vice-President. Jane Collins, Colorado A, daughter of Iota Province Vice-President, honored by the Grand Treasurer, and Margaret Jacoway, Arkansas A, honored by the Grand Secretary, were introduced as pages.

Upon motion of Lambda Province Vice-President, seconded by California A, Phyllis O'Day was seated as the delegate for Washington B. Upon motion of Arizona A, seconded by Kansas A, Patty

Dalzell was seated as the delegate for Arizona A. Upon motion of Florida A, seconded by Florida I, Betty Seamens was seated as delegate for Alabama A. Upon motion of Missouri B, seconded by Kansas B, Betty Levec was seated for the remainder of the Convention as the delegate for Missouri A. Nova Scotia A was excused on account of illness.

The Grand President introduced Dr. Esther Lloyd-Jones, Illinois E, of Columbia University, who spoke on the subject "Developing Qualities of Leadership." Following a ten minute recess, there was an informal discussion on leadership.

The meeting was adjourned.

EIGHTH SESSION, MICHIGAN ROOM, FRIDAY, JUNE 26, 1936, 2:30 P.M.

THE Grand President called the meeting to order in the Michigan Room. Announcements. Upon motion of Colorado A, seconded by Illinois B-D, Mary Barton was seated as delegate for Colorado A. The discussion on "Chapter Meetings and Programs" was led by the Grand Secretary, assisted by Beta Province President, Epsilon Province President, and Alpha Province East, President.

Convention voted to convene the Saturday morning session at 9 A.M. Following further announcements, the Grand President adjourned the meeting.

NINTH SESSION, SATURDAY, JUNE 27, 1936, 9 A.M.

THE Grand President called the meeting to order. Announcements were made, and Ida Griffith, Kansas A, daughter of Ida Smith Griffith, former Grand Treasurer, honored by the Grand Treasurer, and Betty Jo Reardon, Arizona A, honored by the ARROW Editor, were presented as the pages for the session. Dean Mary Lockwood Matthews, Indiana A, of Purdue University, and Idele Egbers Parks, I. C. Sorosis, and her daughter, Clara Dell Parks, Missouri B, hostesses for the annual Arrow Point Pi Phi picnic, were introduced

to Convention.

The report of the Historian was read and, upon motion of Manitoba A, seconded by Iowa B, was accepted. The report of the Committee on Transfers was read and, upon motion of North Dakota A, seconded by Iowa I, was accepted.

Upon motion of Epsilon Province President, seconded by Kentucky A, Joan Stealey was seated as delegate for Missouri A.

The Grand President called for new business. Wisconsin A moved that the third (3rd) paragraph

of the Standards Letter, which reads as follows: "The standard of Pi Beta Phi is absolutely opposed to the drinking of alcoholic beverages by active members and pledges and no chapter may accept a violation of this standard," be changed to read: "The standard of Pi Beta Phi is opposed to the drinking of alcoholic beverages by active chapter members and pledges, and, if misconduct should arise due to violation of this standard, it shall be prosecuted." The motion was seconded by Michigan B. Following discussion Arizona A called for the question. The motion was lost.

California I moved that the Pi Beta Phi house rules be changed to allow house members to admit themselves with keys until closing hours. After the Grand President explained the interpretation of the present rule, the motion was withdrawn.

Recommendations from the Alumnae sessions were presented as follows:

1. That all reports except those of the Grand Council and the Settlement School Committee, given in regular session, be limited to five (5) minutes. The Assistant to the Grand Vice-President, seconded by Michigan B, moved that the recommendation be adopted. Carried.
2. That there be a definite policy governing the rushing and pledging recommendations of chartered alumnae clubs to active chapters. No person living in a town where there is a chartered alumnae club of Pi Beta Phi shall be invited to membership by any chapter until it has received the consent of a standing committee on recommendations from the Alumnae Club in the town from which she comes, refusal to grant such consent being subject to overruling by the Grand President and the Province President of the chapter concerned. Failure to reply within two days from the time of the receipt of the request for such permission shall be considered consent. The Assistant to the Grand Vice-President, seconded by Colorado B, moved that the motion be adopted. Carried.

California A moved to amend the Constitution Art. V, Sec. 1 A, by adding 4A to read: "No person living in a town where there is no Pi Beta Phi chapter, but where there is a chartered alumnae club of Pi Beta Phi in the town from which she comes shall be invited to membership by any chapter until it has received the consent of a standing committee of that alumnae club; refusal to grant such consent being subject to overruling by the Grand President and the province president of the chapter concerned. Failure to reply within two days from the time of the receipt of the request for such permission shall be considered consent." Texas A seconded the motion. Maryland A, seconded by Vermont B, moved that the recommendation be amended by adding: "to be effective June 30, 1937." California A, seconded by Michigan B, moved to amend the amendment by striking out the words, "June 30, 1937," and inserting the words "January 1, 1937." Amendment to the amendment was carried. The amendment as amended was carried and the motion as amended was carried.

Oklahoma A, seconded by District of Columbia A, moved that a chapter which employs a paid accountant other than a member of the active chapter receive no perfect grade on its relations with the Supervisor of Chapter Accounting. Carried.

California A, seconded by Maryland A, moved that Convention be a committee of the whole for an informal discussion of the Busey System of Bookkeeping. Carried. Upon motion of California A, seconded by Ohio B, the Committee of the Whole was dissolved.

The Grand Vice-President moved, seconded by the President Emeritus, that special greetings from Convention be sent to the Founders, Margaret

Campbell and Inez Smith Soule. Carried.

California A, seconded by Kentucky A, moved that Convention become a Committee of the whole to discuss the restriction of privileges because of low scholarship. Carried. Following the discussions, upon motion of Washington B, seconded by Alberta A, the Committee of the whole was dissolved.

The Committee on Uniform Penalty for pledges especially initiated for Convention attendance made the following report:

The Committee on Uniform Penalties for pledges especially initiated for Convention attendance recommends:

That the Chapter President have in her possession a permission slip signed by the parent or guardian of the pledge in question before a dispensation request is made to Grand Council.

In case a girl fails to attend Convention after special dispensation for initiation has been granted by Grand Council, she shall have her pin held by the Chapter President for the college term following that convention, and shall have no voice or vote in chapter meetings. Should the girl fail to return to college, she shall have her pin withheld for two consecutive college terms following convention.

In case of emergencies a special explanatory letter from the parent or guardian to the Province President shall be required. The Province President shall consult the Assistant to the Grand President whenever she cannot decide a case.

A doctor's certificate shall accompany the explanatory letter of parent or guardian if the case is one of illness.

These recommendations shall apply to pledges initiated for Convention of this year—1936.

Respectfully submitted,

California A, Chairman
Kentucky A
Indiana A
Vermont A
South Dakota

California A, seconded by Colorado B, moved the adoption of the report. The Assistant to the Grand President moved that "Assistant to the Grand President" be stricken out and "the Grand President" be inserted. The amendment was carried. The motion as amended was adopted.

The Alumna Delegate from Washington, D.C., on behalf of District of Columbia A and the Washington Alumnae Club invited the Fraternity to hold its next Convention in Washington, D.C.

The report of the Committee to Consider the Separation of the Pledging and Sponsor Service was read as follows:

The Committee appointed to consider the separation of the pledging and sponsor service with the attendant difficulties arising from local custom, Panhellenic ruling, or rushing conditions, recommends:

1. That the pledging and sponsor service should not be separated, because: (a) the two are basically connected, and in some measure, their value would be decreased by a separation; (b) the reply by the sponsor increases the dignity of the office of sponsor, and impresses said position upon the sponsee.

2. That pledging be within one week, and, if possible, within one or two days, after the list of pledges is received and the colors put on, dependent upon local Panhellenic rules and the circumstances governing the rushing of the individual chapters, because: (a) such a length of time is sufficient for choosing the sponsors; (b) this would eliminate, to a certain extent the so-called "dirty rushing" on those campuses where it is a problem; (c) in the opinion of the committee pledging should be as soon as possible in order to impress upon the girl her affiliation with the chapter and the Fraternity.

3. That individual sponsors be considered before the pledge list is received, at the time the bids are given out, by those chapters which must pledge immediately after the receipt of their pledge lists, because: (a) this would provide for the reply by the sponsor in the pledge service; (b) this would allow for more consideration of the sponsor of the pledge than if it were deferred till after the list were received.

In conclusion, the committee advises that the individual chapters follow these recommendations as well as local conditions allow, but that lee-way must necessarily

be given to those chapters which are restricted by local Panhellenic rules and by the local rushing situation. In the opinion of the committee, however, it is wise to continue the constitutional ruling of the combined pledge and sponsor service.

Respectfully submitted,

Michigan B, Chairman
Colorado A
Oklahoma A
Maryland A
Ontario B

Michigan B moved, seconded by Ohio A, that the recommendations in the report be adopted. Carried.

Oklahoma B moved, and Utah A seconded, that it be permissible for a chapter president to have a silk robe if her chapter so desires. Carried. Washington B, seconded by Vermont A, moved that the specified material for initiation robes be saten. Carried. The Grand President announced that robes may be purchased through Central Office upon two weeks' notice.

Telegrams of appreciation from the Pi Beta group and the Baton Rouge Alumnae were read.

The report of the Committee on Nominations was presented by its chairman, the assistant to Grand Vice-President.

Nominations from the floor were called for. Adele Carlin Fix was nominated as Lambda Province President. Upon motion of Washington B, seconded by Manitoba A, nominations were closed. The Grand President appointed as election tellers:

New York A
Indiana F
Florida F
Illinois A
Wyoming A

While the ballots were being counted, the ARROW Editor and the National Historian spoke of the favorable impressions the Pi Beta Phi delegates had made upon hotel guests and staff members during Convention.

The Committee on Resolutions presented the following report:

REPORT OF COMMITTEE ON RESOLUTIONS

WHEREAS, The 32nd Biennial Convention of Pi Beta Phi Fraternity will this day adjourn, and

WHEREAS, It desires to express a deep appreciation for the largest convention in the history of the Fraternity, for the months of careful planning and consecrated work on the part of its officers, committees, and individual members who have been responsible for the great success of this Convention, for the renewal of old friendships and the making of new friendships which this Convention has made possible, therefore

Be it Resolved, That we, delegates and guests, have been honored by the presence at this Convention of our beloved Founder, Fanny Whitenack Libbey. We have regretted keenly that our other two Founders, Inez Smith Soule and Margaret Campbell, could not be with us to share the inspiration of this impressive gathering of Pi Beta Phi. Each year brings to every member of the Fraternity a deeper feeling of love for these treasured Founders.

That we have been grateful for the opportunity of having with us our well-loved Pi Phis, May Lansfield Keller, President Emeritus, Emma Patton Noble, past Grand President, Nina Harris Allen, former Grand Vice-President, Julia Ellen Rogers, former Grand Secretary, Jo Coates Marshall, former ARROW Editor, Kate King Bostwick, former National Historian, and Lillian Freund, former Cataloguer.

That the presence of our honor guest, Martha Nutter Kimball, former Grand Treasurer, has been a great joy to every delegate.

That the initiation of Lucile Wheeler Adams into the Fraternity has given us a sister of whom we shall all be proud.

That to Amy Burnham Onken, our cherished Grand

President, we wish to express our lasting indebtedness for her great leadership, her selfless service to Pi Beta Phi, and her fine ideals which have reflected in the high standards of our chapters everywhere. We are grateful for her unflinching loyalty to our beloved Fraternity, her wisdom and understanding in directing its affairs, and her acknowledged influence in Panhellenic relations.

That to Ruth Barrett Smith, Grand Vice-President, we offer our great appreciation for her splendid service to the Fraternity in carrying on the work of the Alumnae Department with such outstanding success; and for her efforts in the arrangement of the inspiring banquet program of Convention.

That to Nita Hill Stark, Grand Secretary, we express recognition of her devoted and efficient service to Pi Beta Phi and our pride in the honor which has recently come to her and to the Fraternity in the award of the honorary degree of Doctor of Laws from Baylor University, Texas.

That to Lois Franklin Stoolman, Grand Treasurer, we acknowledge her great contribution to the Fraternity in the wise and efficient handling of the finances of our organization.

That to Adele Taylor Alford, we extend our great thanks for her noteworthy work as ARROW Editor. We are proud of the fine position which our periodical holds in the Fraternity world and grateful for the inspiration it brings to every Pi Phi.

That to Florence Hunt Webster, Assistant to the Grand President, we give our recognition of her fine service to the Fraternity, particularly for her constructive work with the active chapters.

That to Marianne Wild, Assistant to the Grand Vice-President, we express our thanks for her capable work in the Alumnae Department and her invaluable assistance to the Grand Vice-President. We are also extremely grateful for the service she has rendered in the position of Chairman of the Nominating Committee.

That we extend to Sarah Fisher, Assistant to the Grand Treasurer, expression of gratitude for her work in conducting so ably, the affairs of her office.

That we are sincerely appreciative of the efficient conduct of Central Office by Beatrice Stephenson Purdunn and of her many contributions to the success of this convention.

That we are particularly grateful to Agnes Wright Spring for her noteworthy gift to the Fraternity in the form of the splendid "Pi Beta Phi History" which will be treasured by all members. Her consecrated devotion to this work and the great personal sacrifice which it entailed call forth our deepest appreciation.

That we thank Nell Weaver Will, National Supervisor of Chapter Accounting, for her fine work in helping chapters solve their financial problems.

That the service of our Province Presidents and Province Vice-Presidents is recognized in the growing strength of our chapters and our alumnae clubs.

That we extend grateful thanks to Frankie Cochran Hill for her hours of faithful untiring work as Chairman of the Settlement School Committee. We recognize the real progress which has been made at the school under her direction and while we regret sincerely that she is not to continue in that office, we feel particularly fortunate in the choice of Lillian Beck Holton as her successor. That to the other members of the Settlement School Committee, including Lillian Beck Holton, Josephine McCleverty, Charlotte Cropley Brown, and Mary Wallinhan Gibson, and to Eunice Sheldon Weaver and Ethel Weaver Snow we express earnest appreciation for the part they have had in the successful administration of the school. That we extend our thanks to all who had part in arranging and conducting the beautiful exhibit of Arrow Craft products at Convention.

That the splendid work of Cecil Rigby Nussbaum, Chairman of the Endowment Fund, and her committee, in advancing this fund so substantially is a source of deep satisfaction to the Fraternity. We feel grateful for the generous gifts to this fund made during the inspiring drive conducted by Mrs. Nussbaum at Convention.

That our thanks are due Ruth Heseltine, Chairman of the Committees on Undergraduate Loan Fund, and her assistants for their faithfulness in the discharge of their duties; to Edith U. Stephenson for the progress of the magazine agency which contributes so much financial assistance to the Settlement School; to Margaret Willis Smith and her Committee on Scholarship; to Betty Stovall, Committee on Transfers; to Ruth Mitchell Deeds, Chairman on Fraternity Study and Examinations and her assistants; to Edna Graham and her Committee on Social Exchange; to Margaret Kellenbach, Chairman, and the Committee on Fraternity Music; to Sybil Bates Gutterston and the rest of the Committee on Chapter Finances; to the National Board of Trustee Funds; to Jessie Lockett, Chairman of the Committee on Chaperons and to Mrs. Phelan and her committee on Alumnae Suggestions. Spe-

cial thanks are due the members of the Nominating Committees for their very important work.

That our sincere gratitude goes to Helen Pierce Bang, Convention Guide, for her ceaseless efforts in behalf of this Convention. Our grateful thanks go also to her assistant, Hazel Schelp Taylor, and to her splendid committee chairmen who have helped so ably in the tremendous task of putting on this great meeting. We are earnestly appreciative of the gracious hospitality extended to the delegates and guests by 25 Alumnae Clubs and 12 active chapters, hostesses to the Convention. To each of the many committees, the Hospitality, Recreation, Entertainment and every other committee, to each of the various committee chairmen, to every individual who has helped to make this gathering of Pi Phis such an outstanding success, we extend sincere thanks. The delightful tea given by Illinois E was a high light of the week. We express appreciation to the North Shore Alumnae Club for the beautiful corsages given to Grand Council at the banquet of Convention and to the active chapters of Eta Province for the gift of the gardenias to the guests of the banquet. The visitors to Convention will ever have pleasant memories of the warm welcome they received from the many Pi Phis in this vicinity.

That we wish Mr. Max Goodsill and the Northern Pacific Railway Company to be informed of our appreciation for the fine service given to the delegates traveling to and from Convention; also Nina Harris Allen to be thanked for her efficient and untiring effort in making possible a great saving in the cost of transportation.

That we feel deeply grateful for the inspiring addresses of our honored Pi Phis, Dean Maria Leonard, Welthy Honsinger Fisher, and Dr. Esther Lloyd-Jones. Their charm and their messages will long be remembered.

That we appreciate greatly the opportunity of meeting at the Panhellenic banquet so many outstanding leaders in the Greek letter world and so many Pi Phis holding positions of distinction among the Deans of Women of the country.

That we appreciate the presence at Convention of many former officers, former members of Grand Council, descendants of our Founders, Pi Phi mothers and daughters. That we are grateful for the flood of greetings from other fraternities and from outstanding Pi Phis, including our beloved Carrie Chapman Catt. That we feel grateful for the message from the Governor of the State of Texas who honored the members of Grand Council with membership in the Texas Centennial Rangers. That we appreciate the many gifts of flowers, favors and prizes to Convention and the many courtesies extended to the guests by individuals and organizations.

That we express our pride and our pleasure in the work of our own Beatrice Edmonds, California A, in her reading of the play "First Lady" during Convention. Miss Edmonds made the trip from California especially to entertain Convention and every Pi Beta Phi will long remember her brilliant performance.

That we express our pleasure and our thanks to Rosemary Moorehead of the Pi Beta Phi Settlement School for the play written and presented by her and other members of Illinois H during Convention.

That we appreciated the great pleasure of having Katherine Brown Cramer, Illinois Z, sing for us during the banquet. That we also appreciated and enjoyed the skits and songs of the various actives during Convention.

That to Mr. L. G. Balfour we feel truly grateful for his interest and generosity to Pi Beta Phi and for the many prizes contributed to the Convention.

That to the Edgewater Beach Hotel we express our real appreciation for the fine hospitality extended by the management. We thank the hotel for the united effort of its staff to make every guest happy and comfortable and to insure the success of the Convention. We especially thank Mr. W. M. Dewey and his assistants, Mr. Noble MacFarland, Mr. E. R. Andrews and Mr. D. J. Korp, for their many favors and for the prizes donated by the hotel.

That we give to our newly chartered chapter at Louisiana State University a most cordial welcome and assure them of our friendship and our loyalty.

That we thank the girls who served the convention so ably as pages. That we express to Dorothy Duell our

appreciation of her service as Editor of the Convention Daily, *The Beach-Comber*, and that we thank every girl who assisted her.

That we express our very real joy in the addition of seventeen chartered alumnae clubs throughout the country, during the interim of conventions.

That we extend to the Los Angeles Club our thanks for the splendid new Cook Book containing recipes from Pi Phis from all over the country.

That we thank Laura Storms Knapp for her direction of the fine Pi Beta Phi art exhibit at Convention and that we thank the individuals who contributed to this exhibit at great personal cost and effort.

And finally that we express our enthusiasm that this Convention has been of inestimable benefit and inspiration to everyone of us; that it has given us a greater appreciation of our Fraternity, a renewed zeal and a reconsecration to the high ideals of Pi Beta Phi.

Respectfully submitted,

Charlotte Fox, Alpha Province, West, President,
Chairman

Hazel M. Murkland, Eta Province Vice-President

MINUTES OF PRE-CONVENTION MEETING OF GRAND COUNCIL

THE ANNUAL meeting of Grand Council was held at the Edgewater Beach Hotel in Chicago, June 12-21, 1936 with all members present. Reports of the national officers, the province presidents, the province vice-presidents, and the chairmen of standing committees were read and discussed, and policies were formulated.

The recommendations of the Committee on Extension were considered, and the following decisions were made:

That the Fraternity further investigate the extension possibilities at Willamette University, Connecticut State College, University of Georgia, McGill University, Kansas City University, Wesleyan College, University of Maryland, Mississippi University, Washington University, University of British Columbia, University of New Mexico, North Carolina State College, Lake Forest at Chicago, and Creighton University.

After studying the report of the Committee on Standardization and Survey and the recommendations of the province presidents, Grand Council voted to award the Balfour Cup to Iowa Γ , the Stoolman Vase jointly to Ohio β and Michigan β , and honorable mention to Colorado β .

Conferences were held with the province officers and with chapter representatives who asked for them.

Grand Council voted:

1. That in order to encourage the singing of

new songs, the $\Pi B \Phi$ Song Books be offered for \$.50 per copy plus the postage.

2. That all chapters which are last or next to last in the scholastic rating on their respective campuses be under the supervision of the Chairman of the Committee on Scholarship.

3. That in order to qualify for Balfour Cup nomination, a chapter must rank in the upper third on its own comparative list or have a grade of thirty or above in the fraternity's grading.

4. That in order to make the Constitution conform to the laws of Illinois governing such corporations as $\Pi B \Phi$, the Constitution be amended by striking out Art. I, Sec. 3, and inserting a new Section 3 to read:

"The organization of $\Pi B \Phi$ as a corporation under an Act of the Legislature of the State of Illinois, entitled 'An Act Concerning Corporations,' approved April 18, 1872, and in force July 1, 1872, known as the 'Not for Pecuniary Profit Act,' dates from the Certificate of Organization of the corporation issued by Isaac M. Pearson, Secretary of the State of Illinois, under date of October 14, 1889."

Grand Council formulated recommendations for action by the thirty-second biennial convention, and completed final arrangements for convention.

NITA HILL STARK,
Grand Secretary

Following the Convention in Chicago, a post-convention meeting of Grand Council was held, all members being present.

The province presidents, province vice-presidents, the assistants to the Grand President and the Grand Vice-President, as well as the Director of the Central Office, the Supervisor of Chapter Accounting and the Chairman of the Settlement School Committee met in joint sessions with the Grand Council.

Plans for the coming year at the Settlement School were discussed with the incoming chairman.

It was voted by Grand Council:

1. That the fraternity be divided into four districts to handle the magazine subscriptions,
 - District 1 to include the provinces Alpha, Beta, Gamma and Zeta.
 - District 2 to include the provinces Delta, Epsilon, and Eta.
 - District 3 to include the provinces Theta, Iota and Kappa.

District 4 to include the provinces Lambda and Mu.

2. That the cost for issuing the bulletin to alumnæ be paid from the Contingent Fund.

3. That former pledges, who during the period of pledgeship met all initiation requirements but for legitimate reasons failed to be initiated, shall be considered eligible for special dispensation for initiation.

4. That in order to facilitate supervision of chapter accounting, chapters be divided into four districts; the National Supervisor of Chapter Accounting to head the group of supervisors and to supervise her own district; and

District 1 to include the provinces Alpha East and West, Gamma and Zeta.

District 2 to include the provinces Beta, Delta and Eta.

District 3 to include the provinces Epsilon, Theta and Iota.

District 4 to include the provinces Kappa, Lambda and Mu.

Plans for official visits to the chapters by the National Officers were formulated. The meeting of Grand Council adjourned.

Annual Reports of National Officers To the Thirty-second Biennial Convention of Pi Beta Phi

MESSAGE OF THE GRAND PRESIDENT

IN THE three living Founders whom it is privileged to cherish as it begins the seventieth year of its existence, $\Pi B \Phi$ has a perfect expression of the ideals and standards upon which it was established, and a challenge, obligation, and inspiration for a rededication to the principles of beautiful living which they embody. The future of fraternities is no longer to be determined upon the basis of outside opposition or internal organization, but instead upon the basis of their adherence to the fundamental ideals which are their cornerstone. Perhaps never before since fraternities for women began in 1867 has there been a greater menace to their future than the present tendency of society at large to substitute the things that "are accepted"—that "get by"—for these which are truly acceptable. The relations of fraternity chapter life are so close and so cherished that their possibilities for good and evil in the lives of their undergraduate members are unlimited—but they will mean either good or evil; they cannot mean both. No other organization today reaches the hearts of college women as a fraternity does, and on many campuses no other brings them ideals and helps them work toward attaining these. If, during this time of uncertain public standards, fraternities stand fast for the things which are ageless and always vital because they are right and wholesome and fine, they will make for themselves an unassailable place in the educational world. If they cease to stand for these things—if they make concessions and substitute customs for standards—they will become not an asset but a liability to any campus and they not only will but should cease to be a part of college life. The editor of $\Delta A \Pi$ recently said: "The last few years have been hard for practically every fraternity in existence and the solution of their common problem is no more than the time-worn, oft-repeated and oft-disregarded force—ideals. We must make our ideals something more than a mere babbling of pretty words; something active—aggressively active in fusing the organization in a fighting drive to achieve its aims. Remember—we have ideals that work!" No one who has worked with college girls of the type which is attracted to $\Pi B \Phi$ can fail to believe that they have ideals and that they want to find in their fraternity an influence which will strengthen their sometimes rather deeply hidden but almost without exception sincere desire to maintain them. No fraternity has stood more firmly for the things which mean true friendships, worthy service, constructive and fine influences, and beautiful living than has $\Pi B \Phi$, but $\Pi B \Phi$ can stand only as we, its members, individually and personally stand. Our heritage in the fraternity which we received from the past is a priceless one; we shall determine the heritage of the future. We cannot escape our responsibility; let us meet it worthily! Let us at this Convention rededicate ourselves—and so, our fraternity—to a living of the ideals of $\Pi B \Phi$,

so that we may pass on to those who will follow us a fraternity which deserves to be loved and served because it is true to the things which have made it a fraternity without a superior—because it has proved that it has "ideals which work!"

During the past two years, college registrations have shown an interesting increase. So many abnormal factors have entered into this increase, however, that it is hard to know just what it means for fraternities. Registrations which have been built up by federal aid for students or by carefully planned and expensively executed campaigns to "buy students" through the giving of scholarships so liberal that the whole financial structure of the institutions has been weakened seem to have been too artificially stimulated to mean any permanent increases in student bodies. Restrictions upon students receiving federal aid have varied surprisingly but on the whole, they have meant a decrease in available fraternity material and, with the quota system, have built up an increasingly large non-fraternity group of students who, under normal conditions, would have been fraternity members. The situation is one which no fraternity can afford to ignore and one which must definitely enter into its plans for the future. On the whole, however, it seems that during the interim of conventions general fraternity conditions concerned with membership have improved enough to give one confidence that their most critical aspect is in the past. It is with very keen pride that $\Pi B \Phi$ cites the fact that during years when students have weighed as never before the relative values of all fraternities before affiliating with any, $\Pi B \Phi$ has, each year, increased the number of its initiates and has more definitely established its position as a leader in the fraternity world.

Confidential reports from deans of women confirm the reports of province presidents and chapter delegates which tell of the high service which chapters are giving their campuses and of the distinction with which they are representing $\Pi B \Phi$. Surely officers of the fraternity find full payment and more for all that they can give in service when deans of women will write of their chapters: "The chapter has been outstanding in its 'good citizenship' this year"; "The Π Phis on this campus are as near perfect as we officials have any right to expect of young human beings"; "Your chapter has built up such a strong unit that it is an inspiration to work with the girls"; or "We are filling out your questionnaire under the caption suggested of 'very good.' I should really like to put 'very excellent' down instead of the milder term. I think the chapter is having one of the finest phases I have ever known it to have. It is not so spectacular in some ways—that is, in some major offices on the campus—but they are so well-rounded and are taking substantial responsibilities in every phase of college life!" A fraternity must both attract excellent material and develop it wisely before it can

merit or receive such recognition from college authorities. Not all chapters, of course, have so satisfactorily lived up to their possibilities, but $\Pi B \Phi$ can face with confidence any comparison of the strength of its chapters as a whole with that of the chapters of any other fraternity. No chapter is always at its best; a strong fraternity is one which is able to keep its average high and to make the variations downward which come inevitably to all chapters of all fraternities at some time as slight and as short-lived as possible. $\Pi B \Phi$ has considered the problems of each chapter as individual and personal and not as routine and identical. During the interim of conventions, methods successfully used in solving problems of chapters have included help with rent, assistance with rushing, payment of tuition for key actives who could otherwise not have been in college, and special local supervision by local alumnae to whom executive power was granted. Always there has been a definite effort not to carry responsibility for chapters but to make it possible for them to carry it successfully for themselves.

The financial condition of the fraternity continues to be reason for extreme gratification, even though income from securities has unavoidably decreased as interest rates have fallen and securities bearing high rates of interest have been called for replacement by those yielding lower returns. The security of trust funds is, of course, always the thing of the greatest importance and $\Pi B \Phi$ may well be proud of the list of its investments. It is probable that few members of the fraternity are fully conscious of the heavy responsibility which its Grand Treasurer must carry. Only rare financial ability and utter devotion to the fraternity in its Grand Treasurer, Lois Franklin Stoolman, could have brought the fraternity thus far through the universal financial crisis in a condition so unquestionably sound. It seems worthy of mention that when she went into office in 1925, the endowment funds of the fraternity totalled \$113,000.00 and the total assets were \$125,000.00 and that for the year just ended the endowments totalled \$394,139.56 and the assets, \$505,886.26. With the completion of its special \$50,000 Endowment, which will come since the fraternity has never yet failed to do any right thing which it has attempted, $\Pi B \Phi$ should face the future confident that it will be able to maintain its present high standard of internal efficiency and its prestige as a fraternity whose service to its chapters and alumnae clubs is exceptional. Every one of the approximately 23,500 subscribers to THE ARROW has had personal reason, during the past two years, to be grateful to the Grand Treasurer whose careful supervision of fraternity finances made it possible to publish "The Directory" and "The History of Pi Beta Phi" as regular issues of THE ARROW and to provide these without additional cost to 90 per cent of the living members of the Fraternity.

The two new chapters chartered by the 1934 Convention—Nova Scotia A and Ontario B—were installed by the Grand President in the fall of 1934 and have taken their places as strong chapters of the fraternity. Both new chapters and chapters with special problems have, as usual, been under the special supervision of the Grand Secretary, Nita Hill Stark, whose personal interest and assistance have meant much to them. It is a pleasure,

also, to speak of the devoted work of the local supervisors who have worked so closely with these chapters, under Mrs. Stark's direction.

Although it is the province of the Grand Vice-President to speak of the Alumnae Department, the Grand President cannot refrain from expressing her conviction of the continued truth of the oft-repeated comment of officers of other fraternities that $\Pi B \Phi$ holds the active interest of its alumnae in a truly remarkable way. During the past winter, an inter-fraternity publication commented on the exceptional record of $K K \Gamma$ in having enrolled something less than 4,000 alumnae in its alumnae department. At that time, $\Pi B \Phi$ had only slightly less than 6,000 paid members in its alumnae department. The number of paid members is, of course, no final indication of the number of deeply interested alumnae, since each year there are personal circumstances which take some individual alumnae from the list and put others on it. The things done by alumnae for the Settlement School, the Loan Fund, the active chapters, and the alumnae clubs themselves speak more loudly than any words can speak of the fact that loyalty to $\Pi B \Phi$ is a vital part of life for those who are its members. The ability and the vision of the Grand Vice-President, Ruth Barrett Smith, are reflected in the increasing strength of the department whose service she has directed.

Illness and outside responsibilities have necessitated several changes in official personnel during the years since the last convention, changes which have taken from the list of officers the names of Katherine Leutwiler Sloan, Assistant to the Grand Treasurer; Helen Jo Roop Adkisson, Supervisor of Chapter Accounting; Florence Barnes Ingraham, Chairman of the Endowment Fund Committee; and Louise Sale Cassidy, Mary Hornaday, Adair Taylor Aiken, Elizabeth Carpenter Buxton, Florence Allen Smith, Emma Drury Sippel, Hilda Beggs Henry, Ruth Nicholas Sutton, and Dorothy Hunt Dengel, province officers, and have placed there, as their successors, Sara Fisher, Nell Weaver Will, Cecil Rigby Nussbaum, Vida Peene, Charlotte Martin Fox, Margaret Glass Altwater, Isabel Clark, Ann D'Aulè, Sallie Belle Weller Sydnor, Winifred Smith Paige, and Hazel Murdock Murkland. In losing officers whose devotion had been proved by constructive service, the fraternity has gained new officers who have carried on successfully that same high service. For the devotion which its officers and committee chairman and members give so unstintingly, $\Pi B \Phi$ has a debt too great to be measured or repaid. The work of the Director of the Central Office has been an important contributing factor in the efficiency of the fraternity's internal functioning, and her cooperation and service have been unfailingly prompt, accurate, and cheerful! It is a pleasure to share with Convention the fine tribute to the internal organization of $\Pi B \Phi$ which came to the Grand President, during the past few months, from the president of a chapter on whose campus there was some anti-fraternity agitation. This chapter president wrote: "It is wide-spread that $\Pi B \Phi$ has the best internal organization and cooperation of all the chapters on the campus. I have had innumerable chapter heads come to me this year asking for advice and the secret of our success in maintaining such loyal and supporting members. But you know as well as

I know that without our national organization behind us we would be in the same position as the other fraternities here. Their officers are installed from one year to another without any training or apparent knowledge of the functioning of their chapters. From what I can gather they do not maintain an organized filing system and the material they receive from their nationals is not kept or is not of such a nature as to warrant careful consideration and study. But this I can hardly believe is true. Of course, there is no fraternity with as fine a functioning Central Office as $\Pi B \Phi$. It is this lack of internal organization (possibly National, I'm not in a position to say), group support and loyalty to which I attribute the greater part of the agitation."

The fraternity has held to its policy of issuing organization material as printed or mimeographed publications, and during the past two years, it has issued new and revised manuals, instruction sheets, and so forth, as these have been needed. The outstanding publications—"The Directory" and "The History of Pi Beta Phi"—are lasting memorials to Beatrice Stephenson Purdunn and Agnes Wright Spring! It seems fitting that there should be special mention, too, of the Fiftieth Anniversary Issue of *THE ARROW*, which reflected such honor upon the Editor, Adèle Taylor Alford, who has made each issue a thrilling presentation of $\Pi B \Phi$.

The required annual meetings of the Grand Council have been held during the interim of conventions as follows: in 1934, immediately after convention, at the Grand Canyon Hotel, Yellowstone Park; in 1935, at the Settlement School; in 1936, immediately before this convention, at the Edgewater Beach Hotel, Chicago. The 1934 and 1936 meetings have included conferences with province and other national officers. All meetings have been or will be reported in Information Numbers of *THE ARROW*. Perhaps it is worthy of comment that, so far as can be learned, $\Pi B \Phi$ is the only fraternity which distributes generally for its members to read and study all official annual reports and convention minutes. It would seem wise for the fraternity to continue a practice which makes it possible for it to have the best informed personnel of any fraternity on matters of organization, functioning, and accomplishments.

The fraternity finds very gratifying the continued financial soundness of its chapters, and expresses its appreciation to the Supervisor of Chapter Accounting and to all chapter treasurers and finance members of Advisory Committees whose careful and efficient work has made this condition possible. In spite of general conditions of financial stringency during the past two years, California A, New York Γ , and Oklahoma B have done extensive remodeling and have added greatly to the convenience, adequacy, and attractiveness of their houses. Florida B plans an addition to its house during this present summer, and both Iowa Γ and Texas A are considering building in the near future. Indiana Γ , this spring, moved into its beautiful new house, the first to be owned by the chapter and one so wisely financed that it should never represent a burden to it. Maine A found its bungalow poorly adapted to its use during the cold New England winters and has given it up. Montana A also gave up its house in order that it might move into the

exceedingly attractive and desirable new house built for it as a part of the federal housing project on the campus. At present, forty-five chapters own their own houses, whose total value is approximately \$2,000,000.00, and eight chapters rent houses for living purposes only one of which is definitely inadequate. Massachusetts A's long-standing problem of adequate accommodations for its few members who did not live at home and for its chapter meetings was solved in a most gratifying way, this past year, when the national fraternities represented at Boston University made it possible for the Panhellenic group to purchase the former Wellesley College town house. Each chapter has its own chapter room and the use of the spacious living rooms, kitchen and dining room, and a few members of each group may live in the house. The resulting increase in fraternity interest in the Boston section has made the purchase of this house seem a wise investment from every standpoint. It is a pleasure to express again for $\Pi B \Phi$ its appreciation of the splendid, cultured, capable, and attractive women who are serving its chapters as their chaperons. Almost universally today, positions with fraternity chapters are attracting women really capable of filling them.

In accordance with the decision of the last Convention, the fraternity has recently placed on the graves of its honored, deceased Founders bronze markers whose dignity and beauty have been in keeping with their purpose. $\Pi B \Phi$ is indebted to Hallie Chapman Collins for the impressive ceremony which has been used at the time of the dedication of the markers and to the local members of the fraternity, active and alumnae, who have given such loving attention to the details of the ceremonies.

The fraternity's great memorial to its Founders, the Settlement School, has had two splendid years. Under the able direction of Eunice Weaver, conditions at the school have been marked by an efficient and economical administration, by a delightful and happy home life for the staff and the dormitory pupils, by close and harmonious relations with the community, by increased assumption of responsibility by local organizations like the Parent-Teacher Association, the Weavers' Guild, and the Gatlinburg Business Men's Association, and by a gracious and cordial hospitality which has been a joy to hundreds of visiting Pi Beta Phis. The place which the school holds in the hearts of the local people is very adequately expressed in the words of Squire Maples, who said, last summer, "The school has never had a better year" and "So long as I live, I am a friend of the school," and in those of Mrs. Elder Ogle, who in a letter to the Committee wrote: "Pi Phi came here in the nick of time to save the folks from this modern ruination which has struck Gatlinburg like a thunderbolt, in the past few years. $\Pi B \Phi$ has always been one source of strict decency. The entertainments have been useful and above reproach. $\Pi \Phi$ has as a whole been a fit example for young folks. Once I told our new Pastor that he need not tell us not to do anything the school did for we would copy them regardless. Pi Phi has fanned back to flame the dying art of handicrafts which today is the main source of mountaineers' income. As much as everybody used to rave about the Park furnishing jobs for those poor, downtrodden mountaineers, very few

of them have jobs of much pay—the fellows who draw the checks are folks from other parts of the country. Our mountain men swing the pick and shovel in the ditches while the women weave for $\Pi \Phi$ and strive to keep the children in school." Surely the fraternity needs nothing more than this to make it realize that, today, its responsibilities and its opportunities for the finest type of social service are not less but increasingly great!

It is never an easy thing or a slight responsibility to serve as a member of the Settlement School Committee. Income is always uncertain while expenses are always certain and conditions over which the Committee can have no control must be taken into consideration as they affect the school. To be willing to accept the chairmanship of the Committee at a time when many local changes were in progress, when world-wide financial conditions were chaotic, when the school had a big indebtedness which it would have to repay from diminishing income, and when the work must be that of continuing at a high level already established departments and not that of setting up conspicuous new projects, called for the highest type of unselfishness and devotion to the fraternity. Frankie Cochran Hill had that devotion and she has had with her on her committee, since the 1934 convention, other Pi Beta Phis with the same high vision of what fraternity service should be—Mary Cooper Frost, Mary Walihan Gibson, Charlotte Cropley Brown, Josephine McCleverty, and Lillian Beck Holton. With an income from alumnae clubs and chapters cut from \$25,112.03 in 1931 to \$13,159.07 in 1935, the Committee has carried on the work of the Settlement School without giving up a single department (except for the closing for one year of the dormitories) and with the efficiency and effectiveness of each department at the highest level in the history of the school. The reopened dormitories have meant a deficit for each of the last two years but their value to the community is so great that it is unthinkable that it would not be possible in the near future for alumnae clubs and chapters to increase their contributions to the point where the dormitories, which give so much in class-room, industrial, social and moral training, would no longer present so serious a problem for the Committee. Surely to the incoming Chairman, Lillian Beck Holton, and to her Committee whose new members will be Marie Bacon Hagee, Missouri B, of St. Louis, and Jeffries Green Pace, Virginia A, of Philadelphia, the fraternity will pledge a support in keeping with its appreciation for the service of the Committee and its pride in the greatest altruistic project of any fraternity!

In 1934, the Balfour Cup and the Stoolman Vase, highly prized recognition for splendid service to one's university, national fraternity, and own chapter were won by Illinois Z and Colorado A, respectively, and in 1935, by Texas A and Manitoba A. Honorable Mention was given in 1934 to Missouri I and California I and in 1935 to Ohio B and Michigan A. The Amy Burnham Onken Awards for individual qualifications of scholarship, personality, fraternity service and student activity participation, made for the first time in 1935, were given to Faith Arnold, Vermont A, winner of both province and national awards; Josephine Baker, Ohio B; Elsie Scott Lawrence, North Carolina A; Ann Osburn, Michigan B; Jocelyn Taylor, Missouri B; Eleanor White Jones, Florida I; Mary Jane

Chandler, Illinois Z; Elizabeth Fuller, Iowa Z; Calista Cooper, Nebraska B; Marietta McGregor, Texas A; Margaret Hartson, Washington A; and Charlotte Gibner, California A. The Province Awards for 1936 have been made to Eleanor Martin, Massachusetts A; Frank Zingerle, New York A; Maxine Hengst, Ohio B; Mary Alice Shackleton, Virginia A; Margaret Hiscock, Michigan B; Mary Alice Witt, Tennessee A; Sarah Wilson, Florida A; Ethyl Lou Docekal, Illinois E; Lucile Frech, Iowa I; Frances Farrell, Kansas B; Betty Price, Oklahoma B; Mary Frances Hartson, Washington A; and Marion Colm, California B. All national awards for the current year will be announced at the Convention banquet. The Pi Beta Phi Fellowship for graduate study was held in 1934-35 by Christina Meredith, Pennsylvania I, and in 1935-36, by Katherine Finney, Arkansas A; for 1936-37, it has been awarded to Frances Farrell, Kansas B.

As National Panhellenic Congress delegate, the Grand President has sincerely endeavored to contribute to the promotion of the best interests of all fraternities and to represent acceptably those of Pi Beta Phi.

When, in a recently published article, "What Do Council Officers Do," Margaret K. Banta, Grand President of Kappa Alpha Theta, said: "The Council of Kappa Alpha Theta travels because it is earnestly believed that our national officers can better understand the functioning of the college chapter by living in the houses or dormitories with the girls for a number of days at a time. By the same token, it is valuable to meet with alumnae groups and to work out their plans with them locally rather than by mail," she expressed a conviction which has long been held by Pi Beta Phi. It is not possible adequately to express the inspiration which the Grand President has gained from the privilege which has been hers of knowing on their own campuses or in their own cities eighty-two active chapters and ninety-seven alumnae clubs. This exceptional opportunity which has been hers seems to give adequate background for her conviction that there is no other fraternity whose place on college campuses is so high, which is attracting finer pledges or developing stronger active members, or which is including as its alumnae more truly representative college fraternity women. During the past two years, she has had the pleasure of visiting officially District of Columbia A, Maryland A, Virginia A and I, North Carolina A and B, South Carolina A, Iowa A, B, I, and Z, Kansas A and B, Nebraska B, Wisconsin A and B, Illinois Z and H, Missouri A, B, and I, and the alumnae clubs nearby; of attending the state conferences of Iowa and Florida, the province conferences at Evanston and Hinsdale, Illinois, the Panhellenic Conclave at Boston and the Urban Panhellenics Conference at Columbus, Ohio; and of being the special guest of Ohio B, Illinois E, and the Detroit and St. Louis Alumnae Clubs. To express her appreciation for heart-warming hospitality and for evidences of deep fraternity loyalty is impossible, heartfelt though it is.

The Grand President wishes to speak of the happiness which has been hers in working especially closely with her Assistant, Florence Hunt Webster, and with the Province Presidents, whose cooperation has been so strengthening and whose friendship she will always cherish.

For the untold riches of fellowship in Pi Beta

Phi, for the privilege of service as a member of Grand Council, for the encouragement, cooperation, and kindness which are typical of Pi Beta Phi, and for the joy of dear friends which are hers because of the Fraternity, the Grand President can give

only the small return of a loyalty, a love, and a desire to serve which will never end.

Respectfully submitted,

AMY BURNHAM ONKEN

GRAND VICE-PRESIDENT

AS THE thirty-second biennial Convention convenes, one hundred seventy-six alumnae clubs attest the sustained interest in their fraternity and the continued strengthening of the alumnae department. The women of the earlier days of the alumnae department builded better than they knew, perhaps. The foundations upon which they built, loyalty, friendship, and service have stood every test since 1892 when the first alumnae secretary was appointed and should support an ever expanding superstructure for many years to come.

At National Panhellenic Congress last November, alumnae officers of other fraternities endeavored to learn the secret of our alumnae progress. Our Alumnae Department far outranks that of any other women's group in membership and Pi Beta Phi is envied for an alumnae membership of almost six thousand.

The Grand Vice-President set as a goal for the Province Vice-Presidents and their clubs this year, several definite aims. Among these was at least one new alumnae club for every province. Though every province did not succeed in locating a group for chartering, the results have been gratifying. Seventeen new clubs have been added since June 1934. They are distributed as follows: in Alpha Province, London, Ont., Canada, Westchester County, New York and Portland, Maine; in Beta Province, Charleston, West Virginia; in Delta Province, Terre Haute, Indiana, Flint, Michigan, Southwestern Michigan and Gary, Indiana; in Epsilon Province, the Little Pigeon Club of Gatlinburg, Tennessee deserves particular mention because of the unusual service it can and does give to the Settlement School, in addition to supporting other fraternity projects; in Zeta Province, Daytona Beach, Florida; in Theta Province, Council Bluffs, Iowa; in Kappa Province, Corpus Christi, Texas, Fort Worth, Texas, San Antonio Texas, Tyler, Texas, and Baton Rouge, Louisiana; in Lambda Province, Olympia, Washington. Two clubs, Western Massachusetts and Clarksburg, West Virginia, have disbanded since the last Convention. Though these alumnae have ceased to function as active groups, the Fraternity continues to count on their cooperation and support.

This leads to a pertinent problem in the alumnae department, today—the serving of those alumnae having neither club nor active chapter contact. Though our alumnae membership outranks that of other Panhellenic groups, the fact that we have 5613 paid alumnae memberships out of almost twenty thousand living alumnae presents a wide field for further endeavor. Shall this be left to the clubs as now, to special officers or shall an approach be made through the chapters? Here is an interesting research problem and when satisfactorily solved will give us still greater alumnae interest. The field for expansion is not exhausted. Each year, through the gatherings to honor our Founders and the resulting friendships, new clubs material-

ize. How fine that continued fraternity activity beyond college years is spreading! The Grand Vice-President would like to see greater emphasis upon alumnae possibilities laid before the active girls while they are in the chapter, in order that the induction into the alumnae department become a natural path and that each active anticipate and then share the joy of continued work for the fraternity. While the Senior Farewell ceremony, with the accompanying payment of first year alumnae dues, is a splendid thing it has not yet accomplished, entirely, the above transition for which it was intended.

More frequent contacts between alumnae and active girls mean much in an education to that end. Several clubs, Shreveport, Houston, Sabine District, El Paso, and San Jose, not located in college towns and missing the active contacts, have adopted nearby chapters. Your vice-president heartily endorses this idea and wishes more clubs would realize the mutual satisfaction in this plan. A sponsor from an alumnae club for the local chapter often makes for better understanding, also.

The alumnae department maintains its official relations with the clubs chiefly through personal appeal and not through the more definite requirements possible with active chapters. The cooperation with province and national officers by the clubs these past two years has been splendid; only two province vice-presidents report failure of one club each to respond to their monthly letters. The cry of "too much red tape" fades into the distance as the clubs become educated to the fact that only such requests are sent out as will create greater efficiency in the department or enlarge the alumnae scope. That their cooperation increases is evidenced by the fact that one hundred sixty-six clubs (more than ever before) have sent their officers' lists on time while the receipt of one hundred fifty-three annual reports from club presidents insure these clubs proper credit for their efforts. The provinces of Gamma, Epsilon, Eta, Theta, and Iota were one hundred per cent in this.

The universal problems for all clubs seem to be those of securing and holding memberships and of raising money for the Fraternity projects. It has been the desire of the Province Vice-Presidents that these subjects have full discussion at this Convention and that, from these discussions every club may receive some help. From a careful study of the questionnaires, it is apparent that those clubs which stress national viewpoint, friendliness, a time of meeting convenient for the greatest number of members and programs of wide variety usually show the greatest degree of success in mastering these problems.

In the larger city clubs, the adoption of a group system has proved workable. There is the geographical system which permits the members to attend all meetings with the least travel inconvenience and there is the departmental method

which allows the members to work in smaller units of Drama, Book Reviews, philanthropy, or Bridge. Still another method is the plan of meeting in two units, one to accommodate those who find it difficult to meet at night and the other to satisfy the business woman or teacher who has only her evenings free. However, for all these separated units, there should be some gatherings for all Pi Phis together.

An effective Executive Committee which disposes of routine affairs and leaves the meetings for sociability, the consideration of interesting fraternity questions and a good program is an asset. To have each member participating in club activity makes for enlarged interest and attracts the newcomer and the young alumna. Age lines and chapter distinctions should *not* be encouraged. Giving a club a chapter name almost automatically limits the membership and gives the appearance of excluding other chapter alumnae, though it is unintentional. Alumnae clubs are intended to include alumnae from everywhere and to encourage their fraternity activities.

The major burden of the routine work of the alumnae department falls upon the Province Vice-Presidents whose untiring efforts the past two years have brought the present fine results. Each Province Vice-President set for herself the goal of every club and chapter of her province contributing to the Settlement School, the Loan Fund and the Endowment and to those clubs and chapters which have succeeded, all praise is due. Last year, three provinces, Delta, Epsilon, and Lambda held perfect records in these donations for both clubs and chapters; Theta province clubs were one hundred per cent contributors. This year, Delta, Epsilon, Theta, Iota, Lambda, and Mu Province clubs and chapters have donated to these three projects one hundred per cent.

The national Fraternity is particularly grateful for the continued support of the Settlement School these past two years when most incomes have continued at the same depression-averages. Since 1910, when Emma Harper Turner and the Washington, D.C., alumnae first presented the idea of a national project to hold the interest of the alumnae, our philanthropy has been of paramount interest to alumnae clubs. Active chapters take a similar pride in the help Pi Beta Phi offers to the mountaineers of Tennessee. A quotation from a recent chapter letter is of interest as an example of the feeling among many active chapters. After commenting on her pleasure in serving her chapter as its president, this officer continues, "We all feel that we have accomplished a great deal in our paramount desire—by being able to contribute substantially to the Settlement School." As long as there continues to be room for expansion in Tennessee, our work is not concluded and every club and chapter should find some Ways and Means to contribute to the school's support. Something should be budgeted from every chapter and every club, every year, though the amounts necessarily would vary according to the club or chapter's affluence that year. Everyone rejoices at outstanding donations such as the \$1100 from the Los Angeles club, the \$900 from the Cleveland club or the \$460 from the Philadelphia club, which represent herculean effort but no one is less appreciative of the amounts received from the smaller clubs or chapters whose per capita contribution

represents fully as much in energy and sacrifice. A shining example of this is the donation of the Chicago North Alumnae Club of \$350, with a membership of but twenty-five members. All donations, large or small, help materially.

With the widened distribution of the products of the Tennessee mountaineers through the Arrowcraft Shop, interest in the Settlement School has been furthered. Twelve thousand dollars worth of business from the alumnae clubs, not to mention that of the chapters, many individuals and gift shops, has been done this year. An open club meeting or tea with a sale of these handsome articles is strongly recommended as a fine way to spread the knowledge of the mountaineer work.

The very generous response of many clubs to the appeal of the Magazine Agency for subscriptions has also meant more income for the school. Every club should have its agent and avail itself of this very effective manner of helping the Settlement School. The two other projects to which all clubs are asked to contribute are the Loan Fund and the Endowment. Our active girls use the donations to the Loan Fund to complete their educations. Alumnae clubs have sent \$804.20 to this fund during the past year. The income from the Endowment Fund will mean added fraternity development in many lines. Were every alumna to make even a small contribution, this Fund, completed, would be of greater service toward internal strengthening of the Fraternity.

This report may seem to dwell too strongly upon the monetary side of alumnae functioning but there has been constant evidence of spiritual progress as well. Within the past two years alumnae have enjoyed Founders' Day celebrations everywhere. Particularly might be mentioned the state and province gatherings which help to weld alumnae and active interests and which further alumnae response. Alpha Province alumnae enjoyed three such gatherings this year; at the opening of the new Panhellenic house at Boston University, many New England Pi Phis joined in honoring Miss Onken on her visit to the Panhellenic conference at that time; in April, the Hartford alumnae gathered sixty New England Pi Phis together for the celebration of Founders' Day and in Toronto, other alumnae of Alpha province and the Cleveland club met for a two day conference which included Founders' Day with Ontario Alpha and Beta chapters at Hamilton, Ont.; another such gathering will be held in the state of Maine this summer. Last year, the actives and alumnae of Florida gained much good from their state conference at Orlando; another was planned for this spring but had to be given up, at the last minute. Both years the state of Indiana has assembled its actives and alumnae for Round Table discussion and honor to the Founders, in Indianapolis. The Michigan alumnae and actives, similarly met in Detroit and Ann Arbor for get-togethers. In 1935, an Eta Province conference was held in Evanston and this year, many alumnae of the province met in Hinsdale, Illinois as guests of the Chicago West Suburban club. In June of last year Kappa province had a very successful two day conference in Shreveport, Louisiana. This year 175 Texas Phis met in Austin to celebrate Founders' Day. Both northern and southern California had large Founders' Day luncheons combining several clubs and active chapters. The fact that the national fraternity is willing to

send a national officer to these conferences, when desired, is a point worthy of notice.

Clubs have enjoyed the personal contacts with the national organization brought to them through the visits of the Province Vice-Presidents, in addition to their monthly correspondence. These visits have widened the knowledge of fraternity activity, nationally and have brought an awakening of their individual responsibility to the fraternity. The Province Vice-President feels these visits invaluable to her for she learns clubs' problems at first hand and the ensuing correspondence can be more beneficial, in consequence.

Since the 1934 Convention, the following changes in the personnel of the alumnae department have been necessary, through illness or change in residence. In Gamma Province, Sallie Belle Sydnor of Richmond, Virginia, succeeded Emma Sippel of Baltimore, Maryland; in Zeta Province, Winifred Smith Paige of Atlanta, Georgia, accepted the vice-presidency upon the resignation of Hilda Henry of Atlanta; in Eta Province, Ruth Sutton resigned in the summer following Convention to be succeeded by Dorothy Dengel of Milwaukee, Wisconsin; upon Mrs. Dengel's resignation because of illness this year, Hazel Murdock Murkland accepted the office. Sue Winton Fletcher of Seattle, Washington, succeeded to the responsibility of Lambda Province upon the resignation of Juanita O'Day of Pullman, Washington. To all of these, as well as to those Province Vice-Presidents who have served the full two years, the Grand Vice-President expresses her own and the Fraternity's gratitude for their fine work for the alumnae department. It is certain each will say she has been repaid by the fine loyalty and support of the clubs within her province.

Every year national and province officers ask for suggested ways for improving the functioning of the Fraternity. This year Grand Council authorized the appointment of a special national committee to receive suggestions offered for the improvement of the alumnae department. The committee will present its report and its recommendations to this Convention. Whether the number of suggestions presented will justify the continuance of this policy is a matter for Convention to decide. That there are more alumnae delegates (eighty-nine) present at this Convention than at any previous one assures a full discussion of alumnae responsibilities.

Visits to clubs by national officers, in addition to the prescribed visits of the Province Vice-Presidents, were authorized at the last Convention. In a few instances clubs felt financially unable to entertain an additional officer but whenever possible the Fraternity sent a member of the Grand Council or her assistant to club meetings. Your Grand Vice-President has had the pleasure of many of these contacts and from them has received far more than she gave in inspiration and encourage-

ment. Everywhere she found the alumnae cooperative and interested in national fraternity affairs.

It has been the privilege of the Grand Vice-President to visit, officially, the following chapters in the interim of Conventions: Alberta Alpha, Montana Alpha, Idaho Alpha, Washington Alpha and Beta, Oregon Alpha and Beta, Ontario Beta, Oklahoma Alpha and Beta, Massachusetts Alpha, Maine Alpha, Manitoba Alpha, North Dakota Alpha, Minnesota Alpha, Michigan Alpha and Beta, South Dakota Alpha. Several others were visited unofficially. None of these chapters has failed to sense her obligations to the Fraternity nor to respond to the suggestions offered. The fine characters and the types which make up the active chapters of our Fraternity made a definite impression.

Attendance at National Panhellenic Congress in November, 1935 brought a new and delightful experience. It was gratifying to meet and confer with other fraternity officers. Your Grand Vice-President left the Congress with increased pride in this Fraternity, its methods of functioning and its capable representative in the Congress, Amy B. Onken.

This office has had the complete and satisfactory aid of the Assistant, Marianne Wild, at all times. Due to her many letters concerning Founders' Day celebrations, foundations were laid which will result in new clubs in the future. In addition, Mrs. Wild has been ready, always, to render assistance as asked.

Mrs. Hill and Miss McCleverty of the Settlement School Committee, Mrs. Weaver and Mrs. Snow at the Settlement School, Mrs. Purdunn of Central Office, Mrs. Stephenson of the Magazine Agency, Mrs. Phelan and her committee, all have contributed to the greater effectiveness of this office. To them and to Laura Payne, California Delta who, as her fraternity contribution, has handled all mimeographing for this office for two years, the Grand Vice-President expresses her gratitude. Most of all to those many alumnae, whose untiring energy, loyalty, and constructive criticisms have meant the success of the national alumnae department, deep appreciation is here expressed. On some basis of continued and active service, your Grand Vice-President would recommend some award of merit or recognition for them.

The experience of serving on Grand Council as your alumna officer has been a rare privilege. At all times, the Grand President has given of her understanding while the helpful cooperation of each member of the Council has been enjoyed beyond measure. As the mantle of responsibility falls to her successor, the Grand Vice-President hopes for her, the same degree of happiness or added pleasures in fraternity associations and responsibilities.

RUTH BARRETT SMITH

GRAND SECRETARY

DEEPLY mindful of the privilege and the responsibility of serving Pi Beta Phi for the past two years, your Grand Secretary has tried to fulfill to the best of her ability the duties of this office as outlined in the Constitution. It was her custom to do, and to be willing to do, all other

tasks which have been assigned her.

During the past two years the following chapters were visited officially by her: In 1934 and 1935 Alabama A, Florida A, Florida B, Florida F, California A, California B, California T, California Δ, and Arizona A; in 1935 and 1936 Indiana A,

Indiana B, Indiana T, Indiana Δ, Illinois A, Illinois B-Δ, Texas A, Texas B, and Maine A. No one ever inspected a chapter without gathering inspiration and these visits proved no exception to the rule.

Between conventions she was asked to be the guest of alumnae clubs around Los Angeles, San Diego, Tucson, Orlando, Miami, Lakeland, De Land, Tampa, St. Petersburg, Denver, Bloomington, Franklin, Indianapolis, Lafayette, Galesburg, Dallas, Houston, Austin, and the state meeting at Austin. Too much praise cannot be given these clubs for their good work and interest in the Fraternity.

Pi Beta, the petitioning group at Louisiana

State University, was assigned to the supervision of the Grand Secretary, who has enjoyed many visits as their guest in the past two years.

Louisiana A was hostess to the Grand Secretary for two delightful social occasions. Oklahoma A and Colorado A each entertained her.

Since your Grand Secretary has been conscious always of this honor and responsibility bestowed upon her, she wishes to thank each member of Grand Council, the committee chairmen, the fraternity officers, and the active chapters for their contribution to her happiness.

Respectfully submitted,

REPORT OF THE GRAND TREASURER

August 8, 1936

TO THE GRAND COUNCIL OF THE PI BETA PHI FRATERNITY: We have made an Audit of the Cash Receipts and Expenditures of your Grand Treasurer, Mrs. Lois F. Stoolman, from July 21, 1935 to July 27, 1936.

The cash receipts from all sources have been entered of record, placed to the credit of the several funds and deposited in Banks. The Expenditures were evidenced by checks properly entered of record and passed through the Banks. The balance of Cash on Hand was reconciled with the amount as shown on deposit by the Banks.

The securities belonging to Endowment Trust Funds were verified by statements from depositories, and all other securities and notes were examined and found correct. These securities are all carried on the records at cost

value.

The Schedules attached hereto, as a part of this report, have been prepared from the records as closed, and we believe they are in such form as to be self-explanatory.

From our examination of the records, we are warranted in certifying that the Cash Receipts and Expenditures have been properly accounted for during the period under review, and that the attached Balance Sheet represents the true financial condition of the Pi Beta Phi Fraternity on July 27, 1936.

Respectfully submitted,

Porter Hamilton & Co.,

ARROW EDITOR

THE TWO years just past have been very interesting ones in ARROW history. The first was distinguished by the publication of the Directory of the fraternity as a regular issue of the magazine. The success of this number we owe entirely to the efficiency and splendid work of the Director of the Central Office and her assistants.

In the spring of that year THE ARROW was fifty years old. At the 1934 Convention the alumnae of the Fraternity had voted an appropriation to make it a memorable number, and this was spent in an enlargement of the issue, and the publication of a supplement in the form of a facsimile of the first number of THE ARROW. It was received with such enthusiasm and so genuine an interest in the historical aspect of the Fraternity was shown that we were encouraged to go further into the complete history of the Fraternity.

Accordingly, a revision of the History, on which the Historian had been working since the last Convention, was issued as the February number of THE ARROW and placed in the hands of all ARROW subscribers. It has been received with the delight that it deserves. The Editor can say this since it was written entirely by Agnes Wright Spring, as you know who have read it. It is a real history, arranged in chronological order for the story of the formative years of the Fraternity, and proceeding from cause to effect, from proof to fact.

On account of the fact that we have had only two open issues in each of the last two years it has been difficult to include in THE ARROW all the material desired, and we have been far from doing so. Some solution of the space problem must be found. The fraternity wants chapter letters, alumnae letters and personals, but either their space must be cut down or the number of pages must be increased. The latter involves, of course, increased expense—the former will not meet the desires of the Fraternity. The Editor feels that the magazine should include each time at least one article on a topic of serious fraternity interest besides general news about our alumnae members and about the active girls, and our regular departments, and with ninety-six pages as our standard size and sixty-five of them given over to letters and personals, this is not possible.

This year a marked change for the sake of economy was made in the form of the Information ARROW. A cheaper paper was used, a less expensive cover, and much material was compressed into six point type. As a result it cost about one half as much as the corresponding issue of the previous year. That was, of course, the unusually large one of the year of Convention, but even allowing for that, the saving was a considerable item. The Editor strongly recommends that the same form be used this year. It seems wise that since a saving must be effected, it be largely made up in the issue which goes only to our own family, as it were. Further economies, if they are necessary, would have to come in cutting size and quality of the open issues.

The Editor cannot commend too highly the excellent service she has received from the Banta Company. Their cooperation has been fine and always helpful, especially during this past spring when the delay in the appearance of the History threw two issues of the magazine into their hands at once. We have been notified that there will be a slight increase in the price of paper for next year,

which they warned us last year would probably come. We are now using the least expensive type of paper which will take engraving at all well.

The Editor owes grateful thanks to the Fraternity for the privilege of attending N.P.C. and the Editors' Conference. The discussions at the latter's two meetings were most interesting and helpful in many ways. It was constantly brought home that our much larger circulation of over 22,000 makes our problem entirely different from that of any of the other magazines of our own class. Our problem is one of size, theirs gives more chance to concentrate on quality.

The Editor has during the past two years visited nine chapters officially, and seven others unofficially and briefly, Colorado A, Colorado B, Wyoming A, Utah A, Nevada A, West Virginia A, Pennsylvania B, Pennsylvania I, California A, California B, District of Columbia A, Louisiana A, Texas A, California I, California A, Arizona A, and has made visits to all alumnae clubs along her routes. This seems a very valuable and important part of her work, and has made possible a very close connection between THE ARROW and the Fraternity at large.

The work of giving a magazine to the Fraternity requires much cooperation from officers and committee chairmen, much work with Central Office. The Editor wishes to thank all who have so generously helped her, Grand Council and Central Office, especially.

The Editor would like to put THE ARROW in the hands of every single member of the Fraternity, and to that end, recommends the continuance of the \$7.50 rate for life subscription, with a renewed effort next year to reach all non-subscribers—perhaps a circular letter enclosing a subscription blank, or a return postcard might again be used.

During the last few years several schemes for attracting advertising to the Fraternity magazines have been tried and have failed. Quite recently a new one has been put before us, and this one appears to have a better chance of success than the others ever had. The men who are working on it include some very well known men in the fraternity world, as well as in the field of advertising.

News items have come in in great numbers this last year, and are adding much to the general interest of the magazine. The Editor has tried to acknowledge every one of them—if she has failed it has not been for lack of appreciation. She is glad always to have suggestions and criticisms. THE ARROW reflects the life of the Fraternity truly only in proportion as every member is interested in it and wants to help—even if that help is only shown by reading the magazine. The Editor's favorite nightmare is of a stack of unopened ARROWS in a chapter house somewhere—truly a dreadful thought to one who knows the care and hard work that the production of the magazine means.

The present ARROW staff is a splendid group of women, and the various departments come in to the Editor on time and in splendid shape, requiring little final editing. The fraternity owes much to the fine service of the staff and the contributors.

It is a privilege to serve Pi Beta Phi in any capacity, but especially so in THE ARROW work. The Editor is grateful to the Fraternity for the opportunity that has come to her.

Respectfully submitted,

ADÈLE TAYLOR ALFORD

ASSISTANT TO THE GRAND PRESIDENT

OUR Grand President once said that there is no greater inspiration than that which comes from personal contacts with women like our founders. To this the Assistant to the Grand President would like to add "and the inspiration from the personal contacts with active girls." Although reports and figures these last two years show that the Fraternity has prospered in every aspect of its life, these contacts with active chapters have shown me the real reasons for our pride.

The routine duties of this office have been performed these last two years. For the first year these included the supervision of pledge supervisors and Alumna Advisory Committees through letters sent out at the beginning of each semester and others that were necessary with the resulting correspondence. The supervision of rush captains was added this last year. This addition has resulted in a better understanding of each chapter's pledge situation, gained from the knowledge of each one's rushing problems. Further knowledge of chapter conditions was obtained from the chapter presidents cooperating in answer to a questionnaire each spring and in sending copies of their chapter letters to the parents of pledges. These questionnaires gave corrected figures for the number of pledges for the closing college year.

Chapter officers have answered promptly and given splendid cooperation on the whole. Each time an answer was necessary three or four replies were missing. It is noticeable that the same few chapters failed to reply each time. This situation is true also of Advisory Committee correspondence. Advisory Committee members are usually very busy women who give most generously of their time. Their unflinching cooperation is greatly appreciated but it is also most necessary for the development of strong chapters.

During these two years the Assistant to the Grand President has had more pleasure than she can adequately express in her contacts with chapters, clubs, and individual Pi Phis when making chapter visits. And she is most grateful for their

cordial and gracious hospitality. In the interim of convention she has visited officially Ontario A, New York A, New York I, New York A, Vermont A, Vermont B, Nova Scotia A, Maine A, Massachusetts A, Illinois E, Ohio A, Ohio B, Ohio A, Kentucky A, Tennessee A, Arkansas A, Louisiana A, Wisconsin A, and Wisconsin B. She was delightfully entertained by the alumna clubs of Toronto, Buffalo, Syracuse, Ithaca, Boston, Hartford, Westchester, New York City, Long Island, Chattanooga, and Little Rock. She had the pleasure of attending the Founders' Day for Michigan at the invitation of the Detroit Alumna Club, and part of the Eta Province Conference as the guest of Illinois E. Wisconsin B invited her for its formal rushing day and in December of 1934 she had the added inspiration of acting as representative for the fraternity at the Greek Conference at Delaware, Ohio, as the guest of Ohio A.

Again this year, as last, the survey of pledging and initiation statistics shows continued growth in numbers. The number of initiates has been over twelve hundred each of these past two years. Until this time 1179 had been the maximum.

The total pledges for this year was 1842; last year it was 1852.

The total initiation for this year was 1237; last year it was 1281.

66% of all pledges were initiated; last year it was 62%.

59% of this year's pledges were initiated; last year it was 60%.

There were 1472 new pledges this year with 860 initiated and 1449 last year with 861 initiates.

For the very real joy that close association with the Grand President has brought, for the friendship and cooperation of those with whom she has worked, and for the pleasure of serving Pi Beta Phi, the Assistant to the Grand President is most grateful.

Respectfully submitted,
FLORENCE HUNT WEBSTER

ASSISTANT TO THE GRAND VICE-PRESIDENT

AT THE beginning of the year, your Assistant to the Grand Vice-President and the Province Vice-Presidents set for themselves the goal of a new club for every province. While this goal was not reached, the average number of clubs chartered for each of the past four years has been maintained. Seven new clubs have been chartered since June 1935—two in Alpha Province, two in Delta Province, one in Epsilon Province, one in Zeta Province, and one in Kappa Province. The fact that some provinces do not have a new club is in no way a reflection on the Province Vice-Presidents concerned, for the field for club extension is far greater in some provinces than in others.

Throughout the year all possible contacts were made, and letters were written in the spring to Pi Phis in eighty-five different localities urging the celebration of Founders' Day and the formation of a club. In the campaign for new clubs the suggestions and advice of Mrs. Smith have been invaluable and the formation of many of the clubs is due directly to her efforts.

Letters of welcome have been written to all new clubs and an effort to work closely with them and the clubs chartered last year has been made.

This office worked with Central Office in attempting to complete and correct the Alumna Directory in THE ARROW.

Early in the year a statement of the aims and policies of Pi Beta Phi was prepared and sent to all Mothers' Clubs together with a letter expressing our appreciation of their interest in the various chapters of the fraternity.

Due to illness in Mrs. Sippel's family and later her resignation, this office handled the work of the Gamma Province Vice-President from October through February; and for the same reason also handled the work of the Eta Province Vice-President from December through February.

Mrs. Smith's regular letter to the Province Vice-Presidents was written for her in March while she was making fraternity visits.

The work of the Army and Navy Auxiliary is under the general supervision of this office. Mrs.

Lingo, the chairman of the Auxiliary has been compiling a list of fraternity members who are members of service families.

It was the privilege of your Assistant to the Grand Vice-President to make some club visits as Mrs. Smith's representative. She wishes again to thank those clubs for their gracious hospitality and the inspiration thus gained.

Several clubs asked for help in planning their programs for the year, others asked for suggestions for Founders' Day programs. This officer is very glad to be of all possible help to clubs.

She also hopes that she has been of some as-

sistance to the Grand Vice-President with whom it has been her great pleasure to work, and to whom she wishes to express her appreciation for her consideration and helpful suggestions at all times. This report would not be complete without mention of the cooperation of the Province Vice-Presidents, who have faithfully fulfilled all requests; or without an expression of deepest gratitude to all of the members of Grand Council for their inspiration and help.

Respectfully submitted,

MARIANNE REID WILD

ASSISTANT TO THE GRAND TREASURER

AGAIN I thank you for the trust imposed upon me as an appointed officer. Since the Constitution was amended at the Asbury Park Convention in 1931, I have acted in this capacity with the exception of one year, namely 1934-35. The duties of the officer are centered mainly around the receiving of jewelry orders; checking money sent with orders; and forwarding orders on to L. G. Balfour Company, Attleboro, Massachusetts, to be filled.

My esteem for Grand Council has grown more this year than ever before.

After working with Mrs. Stoolman, I realize that she has given unstintedly of her time, thought, and patience to build the finances of Pi Beta Phi to their enviable place today.

Respectfully submitted,

SARAH J. FISHER

NATIONAL HISTORIAN

THE History Number of THE ARROW was published in February, 1936, after two years of research and writing. It is hoped that it will serve as a basic groundwork upon which to build a more complete and much larger history in future years.

Due to the lack of time and space much data was necessarily omitted from the History which will appear in future issues of THE ARROW or elsewhere, such as the list of 500 prominent Pi Phis, the list of Phi Beta Kappas, and honor graduates, and the individual chapter histories.

After discovering that the chapters did not for the most part, have as much data assembled as I had presumed, it was felt wise to postpone the publication of the individual chapter histories until they could be made accurate, uniform, and complete.

I feel that the writing of the chapter histories should be done by the alumnae, with one alumna responsible for each chapter history. This recommendation is made because I feel that the chapter historian has enough to do to record the events of the current year and does not have the necessary time to do research work relative to past history.

Much valuable data and many splendid chapter histories have already been submitted to the Historian, but a number are still entirely lacking.

During the past year the Historian has obtained twenty-five copies of charters out of the twenty-eight lacking from the files. The remaining three are expected soon.

It was necessary to solicit some 200 photographs for use in The History. These will be returned to the owners at the earliest possible time.

Chapters and individuals are urged to present to the National Archives early record books, letters, photographs, etc., for permanent preservation in the national fireproof cases.

Many interesting things happened in the course of the compilation and the writing of the history

outstanding among which was a trip made by the late Nell Custer Swisher, Grand President in 1885. Mrs. Swisher cheerfully made a trip through snowdrifts some six feet deep along the roads from Iowa City to West Liberty, in 20 below zero weather, in order to get an early photograph of herself with which to complete the collection of Grand President's photographs being used in the History.

Loyal Pi Beta Phis, old and young, in every state, in Canada, and even in Europe gave devoted cooperation and assistance which I greatly appreciate. I regret that space does not permit me to acknowledge the assistance received from each individual in this work.

Following is a list of accessions from July, 1935, to July, 1936:

Photographs of charter members of Iowa B, Elizabeth Cooke Martin.

Photo of Convention 1888 and 1923, Georgina Rowland.

Butler chapter house and writeup, Mrs. E. B. Hall.

Photograph of Convention, 1892, Ida Van Hon.

Box of material containing very valuable papers such as the Incorporation papers, early songbooks, clippings, etc., Amy B. Onken.

Birthday celebration and 2 Playlets, Nebraska B.

Papers from old Monmouth Record Book, Song Pamphlet, Pi Beta Phi Waltzes, The Arrow March Two-Step, Mary Bartol Theiss.

A copy of the History 1915.

Play: Up the Little Pigeon, North Carolina A.

Set of Convention Daily, 1915, and other valuable papers, Frances Carpenter Curtis.

A Constitution and Some Extension Material, Mary Frost.

Valuable Data and Newspaper Clippings, Karl W. Fischer, Beta Theta Pi.

Settlement School Data, Rebecca Downey White.

I wish to take this opportunity to call to the attention of the Fraternity, the superior photography work done for the History number by Mr. Grant Eddy of the Multigraph Service of the Colorado Agricultural College, whose special equipment, experience, and extremely reasonable prices made the photographs possible.

I also wish to comment upon the ideal cooperation of the George Banta Publishing Company and especially of their representative Mr. H. J. Bachmann, who was assigned especially to the work of publishing the History Number of THE ARROW. Mr. Bachmann and the Banta Publishing Company gave us much in interest, cooperation, time, and

fine mechanical performance that was not stipulated in the contract.

Again I wish to acknowledge the invaluable assistance given me by the Grand President and THE ARROW Editor who worked untiringly through the months to assist in bringing the History to printed form.

I beg your indulgence for the omissions and mistakes which I know too well exist. I rejoice in the splendid foresight of the Grand Council through which the History was made a possibility. It has been a rare privilege to do this most fascinating piece of work for Pi Beta Phi.

Respectfully submitted,

AGNES WRIGHT SPRING

DIRECTOR OF CENTRAL OFFICE

THE QUESTION "what do you do in the Central Office" is one that is heard not only in non-fraternity circles, but also in Pi Beta Phi gatherings. The routine work of the Central Office is of course the most important part of the work of this office, and so in explaining the functions of the Central Office it is always necessary to give the routine projects of the office. Below is a list of the most important routine projects that were handled in the Central Office this year.

1. Sending out supplies to chapters and alumnae clubs throughout the year.
2. Changing addresses on the file cards and plates, and keeping the mailing list up-to-date.
3. Collecting money from chapters and alumnae clubs for supplies purchased.
4. Compiling the Standardization and Survey and other reports.
5. Running the mailing list for THE ARROW.
6. Mimeographing material for chapters, clubs, and officers.
7. Filling printing orders.
8. Writing up THE ARROW personals.
9. Handling new initiation work, which consists of sending out Directories and embossed initiation certificates to the new initiates, and of making cards for them in the files.
10. Endeavoring to find the "lost" members.
11. Entering data contained on such blanks as inactive, active, officer, and change of address blanks.
12. Distribution of blanks to the proper officers.

Other special projects handled in the Central Office this year were as follows:

Five chapter officer manuals were completely revised in the summer of 1935, and were backed with bright colored covers, and sent out to the chapters in the fall.

Seven hundred copies of the Constitution, including the amendments, were mimeographed at the Central Office and distributed to all national officers, alumnae clubs, alumnae advisory committees, and active chapters. This was the largest mimeographing project the Central Office had ever handled.

Every other year the Pi Beta Phi Central Office sends out postal cards to the Fraternity's entire membership. These cards request that the members fill out the blanks on the card, asking for correct addresses, correct names, and other information that would be of interest to the fraternity. All chapters were billed for these cards in December and

\$695.20 was collected from the chapters to pay for the cost of this project. Chapters located in the United States are charged three cents per alumna, and chapters in Canada are charged four cents per alumna. The cards were sent out in January, and the return cards began coming back immediately. The handling of these cards will be completed this summer. After the files of the Central Office are revised with the data contained on the return postal cards, they are sent to the active chapters for correction of their files.

The other large mailing handled by the Central Office this year was the Endowment Drive letter which was sent out to the entire membership. This work was begun on March 20 and completed March 26. The letters were folded, sealed and then addressed on the Addressograph machine. The cost of this mailing was as follows:

Second class permit	\$ 10.00
Postage (including foreign postage)	252.34
Printing	50.00

TOTAL

From August 1, 1935, through May 31, 1936, the Central Office has collected \$1,653.79 from chapters, individuals, and alumnae clubs in payment of publications, stationery, supplies, and ARROW subscriptions.

From August 1, 1935, through May 31, 1936, the operating expenses of the Central Office were as follows:

Salaries (two employees and Director of the Central Office)	\$2,741.25
Rent	250.00
Express and Postage	773.34
Miscellaneous expense and supplies, including ribbon and robe purchases ..	1,010.76
Telegrams and Telephone bills	52.21
Bank charge23

TOTAL

The Fraternity has 1,237 new initiates for the year. Last year 1,281 members were initiated, but that number included the initiation of the alumnae of the two new chapters.

Subscribers to THE ARROW will notice that the return postage guarantee does not appear on THE ARROW wrapper except on the Information, History, and Directory issues of THE ARROW. It is therefore, more necessary than ever that you notify

the Central Office when your name or address is changed.

The "lost" in the files of the Central Office has been reduced, due undoubtedly to the fact that the postal cards were sent out, asking for new addresses. However, the number of lost, 1,501, is

far too large.

The Director is grateful to the members of Grand Council, to the national officers, to the active chapters, and to the alumnae clubs for the fine cooperation she has had from them this year, 1935-36.

BEATRICE STEPHENSON PURDUNN

ARMY AND NAVY AUXILIARY

MANY inquiries have come to me from friends as to the object and reason for organizing within Pi Beta Phi. It seems that the need for further direct contact with members associated with the military services challenged the attention of Grand Council with the resultant creation of the Auxiliary.

The project is new and because of the constant changes in the Army and Navy the members have not all learned of the survey in every active chapter directed by Mrs. C. M. Purdunn through Central Office to learn the number connected with the military services.

Up to and including August 7, twenty-five chap-

ters had replied, since then nine more have responded and supplied the desired information. No doubt all chapters will respond eventually either with names and addresses or with the statement no members are so connected.

The Auxiliary was begun as an alumnae movement but of course any Pi Beta Phi, active or alumna, qualified to enroll will be welcomed and listed.

The survey resulted in twenty-eight names of active girls of Army and Navy families. The chairman has received eight names by letter or otherwise making a total of thirty-six names to date—May 31, 1936.

The *Army and Navy Journal and Register* gra-

ciously offered to print without expense in their respective weekly magazines along about January 20, 1936, that Pi Beta Phi, oldest woman's college fraternity, has established an Army-Navy Auxiliary and desires all members connected with the military services to forward their names and addresses to the chairman.

It was thought more advantageous after consideration to postpone acceptance of this friendly gesture until July 1 or thereabouts when the greater percentage of Army transfers are authorized by the Government. This does not usually apply to the Navy since ship movements are arranged differently from troops.

The list of names already received will also be augmented during the summer since the chairman will, upon recommendation of the Assistant to the Grand Vice-President, Mrs. Wild, check the last issue of Pi Beta Phi Directory with recent issues of Army and Navy orders in hopes of securing additional names for the Auxiliary Directory.

Elizabeth McKelvey Houck (Mrs. Jonathan Houck, District of Columbia A), U. S. Military Academy, West Point, New York, has consented to check all names of Pi Beta Phis reporting for duty at West Point. It is hoped to secure a successor to Irene Huse Murray, District of Columbia A (Mrs. Charles I. Murray), U. S. Naval Academy, An-

napolis, Maryland, recently transferred to sea duty with the Pacific Fleet, thus securing any names resident with the Naval Academy.

This is only the beginning of the Auxiliary and to become an integral part of Pi Beta Phi, each member must realize the privilege of close contact with the Fraternity, subscribe to the Settlement School, the Endowment Fund, attend alumnae club meetings, read THE ARROW, and pay dues to the alumnae club of her present affiliation or if not, then mail direct to the Army or Navy sub-chairman, *not to the chairman*. All Auxiliary dues are to be forwarded by the sub-chairman to Mrs. Robert S. Wild, Assistant to the Grand Vice-President, Route 16, Box 14, Indianapolis, Indiana.

The object of the Auxiliary is to bring closer contact with the Fraternity, and if in process of development, a new and concrete object is desired in addition, I suggest members send in suggestions to the chairman or to Mrs. Wild.

The time has been spent mostly gathering and attempting to gather names of members, but with a beginning I feel sure the work will progress and become productive of added strength through cooperation with fraternity activities and with the goal of choosing one more worthy project in the name of Pi Beta Phi.

MARIE TUNSTALL LINGO

Emily Lou Linsley's book of verse for children, *Singing Leaves*, will come out the first week in September. The publisher is Fleming H. Revell, 158 Fifth Ave., New York, N.Y. The poems are for young children. They are written with simplicity and directness, and have an imaginative strain dear to the heart of a child. Mrs. Linsley's maiden name was Emily Leavitt, initiated into Ohio I chapter. She is at present a member of the Hartford Alumnae Club of Pi Beta Phi.

Province Presidents' Reports

ALPHA PROVINCE EAST PRESIDENT

AFTER an interim of seven years it was a pleasure to return to province work. I looked forward to seeing four of my old chapters again, and to meeting the one in Nova Scotia which this year celebrated its first birthday. While visiting all these chapters in the early fall I was very happy to renew so many former friendships with Pi Phi all over the province.

I soon realized that in the last few years the organization of chapters had been well advanced, so that my reaction was not to spend too much time in emphasizing the duties of the various officers and chairmen. There did, however, seem a real need to encourage chapters to enjoy their fraternity. In order to do this it was necessary to stress the importance of planning ahead for their meetings—to have programs, social affairs, and happy times.

To this program planning, which included speakers, book reviews, and musical evenings, can be attributed much of the success of the meetings this year. In each of the five chapters there has been a steady growth in fraternity development and interest. One chapter, Vermont B, has definitely contributed to a finer Panhellenic spirit on its campus. It took several attempts before the chapter succeeded but the girls persevered and have been greatly praised by the dean of women.

Eleanor Martin of Massachusetts A has won the Amy B. Onken Award for our province. She has been a very thoughtful and inspiring leader to her chapter as well as outstanding in academic and college honors.

All chapters show an increased average in scholarship over last year and Maine A again heads the list in this respect on her campus. Several Pi Phi received signal honors. Arlene Merrill, Maine A, won the scholarship for graduate work at Merrill Palmer. Arlene is the highest ranking student on the Orono campus. Elisabeth Ballem, Nova Scotia A, received the Malcolm Honor Award, the highest honor that can be conferred on a student at Dalhousie. Two of the four girls winning distinction in their final examinations at Dalhousie

were Pi Phi. Rosemary Cahill, Vermont B, won the French Fellowship for study in France next year.

As for college honors, we have five new Phi Beta Kappas in the province, three of whom belong to Maine A. These three girls are also Phi Kappa Phi. Other honorary societies are also generously represented in the chapters. Four Pi Phi belong to Mortar Board. It is surprising how many of the girls are on debating teams or editors of their college papers!

The chapter room situation is the same in all cases as last year with the exception of Massachusetts A. Last fall, along with six other national fraternities, the Pi Phi moved into a most attractive new Panhellenic House. It is very centrally located and admirably suits the needs of fraternity women. Quite a fine Panhellenic spirit is growing up there.

Most of the chapters had the benefit of visits from national officers during the year. Massachusetts A was also fortunate in that the New England Panhellenic Conference was held in Boston in the fall. Seven actives from Burlington motored down to the Pi Phi celebrations that were connected with it. Vermont A and Vermont B united in observing Founders' Day. Such privileges of being together are of the utmost importance in fostering a national point of view.

Most of the chapters sent me weekly letters. From these, a composite letter was made by me and sent to Miss Onken and the chapters every month, so that before long we had a very lively province spirit.

It has been a joy to work with the advisory committees. I found them as invaluable as ever—both to the chapters and to me—and wish to take this opportunity of thanking them for their splendid cooperation.

It has been an interesting year for me in the Fraternity. My contacts with the actives, the alumnae, and, above all, the national officers have been an experience of lasting value.

VIDA H. PEENE

ALPHA PROVINCE WEST PRESIDENT

IT is gratifying to be able to report considerable progress among the chapters of Alpha Province West during the past year, as well as a greater feeling of unity and interest in each other. My trips to the five chapters were made before Christmas, with the exception of my visit to New York A which was made in March. Two trips were made to New York A, as well as New York F.

On the whole these chapter visits were delightful and, I feel sure, profitable. In every instance the contacts with the various deans of women were very interesting and helpful. Some of these deans had high praise for Pi Phi, individually and collectively. I especially enjoyed my contacts with the alumnae, too, and I am convinced that these loyal Pi Phi have much to do with the strength of our various chapters.

At the beginning of the year I asked each chapter to write me each week, the president to write one very informative letter by the fifteenth of the month, the others to be written by girls appointed by the president. It has pleased me to see how well the chapters have kept to this schedule. I wrote only the absolutely required form letters, the rest of my letters being entirely individual for each chapter or chapter officer. The regular letters have been supplemented by a number of round-robins, compiled from the different chapter letters. This direct approach has been much more effective than mere form letters could be. The round-robins delighted my chapters and have resulted in groups adopting good ideas from other groups. They have also created a much greater interest in other chapters and the Fraternity at large.

The two Ontario chapters, A and B, have worked closely during the past year and have exchanged girls for various parties. The two chapters celebrated Founders' Day together with the alumnae at Hamilton, Ontario, and found it a great inspiration. Twenty girls from New York Δ came to Syracuse Founders' Day to celebrate with the New York A chapter and the alumnae. I hope that these joint celebrations will become more and more common in this province. They not only help the chapters to become closer but also tend to bring about a closer feeling between alumnae and actives.

All five chapters contributed to the Settlement School Fund, the Loan Fund, and the Endowment Fund this year.

The Ontario A chapter continues to hold a high position on the University of Toronto campus. Some of the offices held by members of this chapter are: secretary of the First and Second Year, musical director of the Women's Undergraduate Association, publicity director of the Student Christian Movement, treasurer of the S.C.M., treasurer of the First Year. The vice-president of the Players' Guild Committee of the University, a very active organization, is a Pi Phi. One of our girls is a member of the intercollegiate championship debating team and won the public speaking contest. Another girl is treasurer of Panhellenic. Of the four freshmen on the First Year Executive, three are Pi Phis. Two of these three have been re-elected for next year. In March five members of the chapter were elected to office, three on year executives and two on the Women's Undergraduate Executive.

This year Ontario A has made quite a few improvements in the chapter apartment in the way of new drapes, new studio couch, rug, and fresh coats of paint for some of the furniture.

Ontario B continues to lead the campus at the University of Western Ontario. The scholarship of the chapter is splendid and our girls hold many very prominent offices. A Pi Phi holds the most important women's office in the university, that of Sub-Prefect. Incidentally, Pi Phis have held this office for the past three years. Two of our girls are members of the Students' Administrative Assembly, two are members of the honor society of the university. Other offices held by members of the chapter are those of the senior vice-president, secretary of the University Student Commission, secretary of the senior year, badminton representative to the Women's Athletic Directorate, president of the Women's Athletic Committee, secretary of the Commerce Club, and tennis representative to the Women's Athletic Council.

Ontario B gave a faculty tea this year, the first group on the campus to do this. They were also the first group to give an intersorority tea.

New York A has made very great progress during the past year. The chapter holds sixth place in scholarship in the list of twenty-two sororities on the campus. Two members of this chapter were elected to Eta Pi Upsilon, the first time we have had any girls elected to this honorary in a number of years. These same girls were elected to Theta Sigma Alpha, honorary. Other honoraries electing Pi Phis to membership were: Lambda Tau Rho, Sigma Chi Alpha, Phi Kappa Phi, Sigma Alpha Iota. Three of our girls made Alpha Epsilon Epsilon. The president of Women's Chapel Board is a Pi Phi. This is one of the very highest positions

on the campus and the chapter was very happy to have a Pi Phi elected to this position this year. The same girl was elected president of Sigma Upsilon Alpha, the honorary fraternity of the College of Architecture. She is the only woman member of the Syracuse chapter and the only woman ever to be president of this chapter. She was also elected by the Chapel to represent it at the annual Silver Bay Conference this summer. Another Pi Phi was elected delegate to the Theta Sigma Phi convention in Texas this summer. This girl is also vice-president of that fraternity. A Pi Phi has the honor of being the only woman elected to Phi Beta Kappa this year. A Pi Phi is on the first cabinet of Chapel and on the second cabinet there are five Pi Phis. Members of the chapter are on the executive committees of each of the four classes. The chapter has a number of girls holding important positions on *The Daily Orange*. Other positions held by members of the chapter are: secretary of the sophomore class, secretary of Women's Student Senate, secretary of City Women's Club, chairman of Panhellenic Blue Book Committee, president of the Home Fire Division of Future Wars, tennis manager, W.A.A. Board, freshman debate team, R.O.T.C. Sponsor, *Onondagan* staff, tennis doubles champion, president of Tau Sigma Delta, secretary of Sigma Upsilon Alpha. Six girls in the chapter are on the dean's list. A Pi Phi was chosen as one of the seven junior beauties.

New York Δ reports a definite improvement in scholarship over last year. The chapter has also made further improvements in the chapter house, by purchasing studio couches for the second floor rooms, and they expect to purchase desks for some of the rooms this summer. This chapter is using money received from fines to start a library for the chapter house.

Frank Ruth Zingerle of New York Δ received the very high honor of winning the Amy B. Onken Award for Alpha Province West. Frank is president of Balch dormitories and holds many other honors on the campus. New York Δ has one member of Mortar Board who has also been elected women's editor of the *Cornell Daily Sun*. Two Pi Phis are vice-presidents of college dormitories, one of Sage College and the other of Risley Hall. A number of the girls are active in dramatics and Pi Phi has been well represented on class committees and teas. Pi Phis are active on the soccer teams of the freshman, junior, and senior classes. The chapter has a member of Kappa Delta Epsilon, honorary fraternity. The vice-president of the Cornell United Religious Workers is a Pi Phi, as well as a secretary of the organization. This chapter is sending both its delegate and the alternate to convention.

The chapter house of New York Γ has been entirely remodeled and is now very attractive, and should be a great help to the chapter. A number of Pi Phis hold high honors on this campus. Three girls in the chapter are members of Kalon, an honorary comparable to Mortar Board. The chapter has a member of Phi Beta Kappa, president of Women's Athletic Association, treasurer of W.A.A., president of Slu Club, manager of varsity basketball, member of Women Students Government Association. The co-ed editor of the *Hill News* is a Pi Phi and this same girl is a member of the university debate team. This year the chapter won the intersorority basketball trophy. This

chapter and the other two New York chapters are very fortunate in having fine chaperons who are conscientious in their efforts to strengthen their respective chapters in every way.

As the year draws to a close, I should like to thank all my chapters for their many courtesies and for their cooperation during the year. I have

enjoyed the experience of working with these chapters, with Grand Council, and particularly with Miss Onken, whose wise counsel and sympathetic understanding make the position of province president a joy.

Respectfully submitted,
CHARLOTTE MARTIN FOX

BETA PROVINCE PRESIDENT

EVERY province officer must feel, as I have come to feel, that nowhere can there be a finer group of girls than those in her chapters. I have derived much pleasure from my work with the chapters of Beta Province—the pleasure that comes from contact with growing things. Regardless of present accomplishments, each is striving for improvement in some respect.

Since my chapters had the privilege of visits from Mrs. Alford and Mrs. Webster in the fall, my visits necessarily were made during the second semester. Up until that time I had been able to keep in close touch with the groups through our system of correspondence which we installed last year. Through letters and through contacts during my visits I feel a real spirit of cooperation among my girls with a willingness to receive suggestions which will solve their difficulties, and an eagerness to carry on with each other and with me. This cooperative spirit has been commented upon by all deans of women in Beta Province. They have expressed their appreciation of the help which Pi Phi has given in the furtherance of those campus activities which the college authorities wish promoted. All deans of women have shown a real interest in each member's participation in activities as well as her scholastic achievement.

Scholarship, ever a problem, is not all it should be in some of the chapters. However, the evident concern over ratings and the earnest constructive methods to improve which are being tried should bring results. Pennsylvania Γ and Ohio B hold first place on their campuses, and the rank of all other chapters has been raised in some degree this year. Perhaps soon we shall realize our desire for first place on each campus.

Each chapter has well represented our Fraternity on its campus and many signal honors have come to the groups and to individuals. Ohio B, our honor chapter of last year in receiving honorable mention, is again in the first rank with fifty-eight different girls participating in activities, many of them receiving several honors. As a whole the province has been well represented in dramatics, journalism, athletics, and popularity contests along with the following honors: seven Phi Beta Kappas; eight Mortar Board members; two Pi Lambda Thetas; one Degree with Distinction; three Delta Phi Deltas with one president; nine Kappa Delta Pis with one president; four Chimes; three Wheel and Chain; five Matrix; four Forum; four Orchestras; one member *Who's Who Among College Stu-*

dents in U.S.A.; three presidents of W.S.G.A. with three vice-presidents, three treasurers, and two secretaries; one vice-president of Y.W.C.A. with two treasurers, one secretary, and thirteen cabinet members; one president of Mortar Board; one or more members in Chi Delta Phi, Theta Sigma Phi, Alpha Delta Theta, Phi Mu Epsilon, Tau Sigma Delta, Alpha Alpha Kappa, Alpha Kappa Delta, Sigma Tau Delta, Delta Phi Alpha, Theta Alpha Phi; and eight presidents of other campus organizations.

As chaperons in our province we are fortunate in having women who are charming in manner as well as genuinely interested in helping the girls to feel that their chapter houses are truly chapter homes. Only three of the chapters maintain houses. One has a suite in a dormitory and two have attractive apartments for chapter meetings and for entertaining.

Advisory boards in all instances have shown real interest and a keen desire to make their chapters superior in every way. They are vital to chapter progress, and I believe that their splendid work is rewarded by the knowledge that they have given of themselves to further the ideals of Pi Beta Phi.

I feel that the chapters in Beta Province have generally improved this year, and I believe that the girls themselves have a feeling of having progressed. They all are vitally interested in the Settlement School and each chapter has contributed liberally to it and to the Loan and Endowment Funds this year. All groups seem to have a keener realization of the Fraternity nationally, and they are anxious for contacts with other chapters and with national officers. Our province round-robin may have had some influence upon them, as most certainly did the contacts with Mrs. Alford and Mrs. Webster. The cooperation given me has been a real inspiration which I have tried to give back to the chapters as we have carried on through the year together.

My three years as president of Beta province have been full of rich experiences and valuable contacts and I shall always be grateful to the Fraternity for this opportunity which I have enjoyed. Miss Onken has helped me over many uncertain places and I feel very thankful for her patience and guidance through these years. To her and to all of the national officers I wish to express my thanks for this contact with Pi Beta Phi.

Respectfully submitted,
LOIS SNYDER FINGER

GAMMA PROVINCE PRESIDENT

IT WAS with a feeling of great trepidation that I took over the duties of province president last fall following the fine work of my predecessor, and it is with keen regret that I find I will not

have the time to give to this interesting office that is due the chapters. The contacts I have made through visits to the chapters in the fall, and through correspondence with various officers have

been delightful, and I shall cherish some sweet memories of young friendships through the years to come.

I have been impressed with the earnestness of our Pi Phis, and their willingness to discuss situations and to seek advice. I feel that they have made progress this year, and trust that this goes on and on. There has been evident an interest in the national fraternity that is encouraging.

Only two of the chapters visited have maintained homes and these are charming, and under splendid chaperonage.

Scholarship throughout the province has improved in some cases,—in others has dropped a few points. One chapter holds first place for the second time, and boasts of a Phi Beta Kappa. Another chapter has risen from eighth to third place. In each chapter there are scholars of high average.

Activities are well distributed in the majority of cases. Honor societies on every campus number among them our Pi Phis. Some of the outstanding honors which the chapters hold include two members of Phi Kappa Phi, several members of Chi Delta Phi, president of sophomore class, president of Economics Club and of French Club, chairman of May Day, vice-president of student government, a representative of a college in "Who's Who in American Colleges and Universities," several officers and members of Alpha Kappa Gamma, honorary leadership fraternity, president of Christian Association, Editors of weekly papers, chairman of social standards and many others. All of the chapters are well represented in the literary and dramatic organizations as well as in the field of sports.

Conferences with the respective deans of women proved very interesting. On some campuses the deans are not in sympathy with fraternities and

only know the chapter by the individual girls; in these cases our Pi Phis were well spoken of, and in no case did I hear that Pi Phi chapters or the individual Pi Phis failed to cooperate with administrations. On the contrary, the impression was left with me that Pi Phis could always be depended on.

In some of the chapters rushing was very successful, and in cases where few were taken in, the active chapters were anxious to improve their scholarship standing and felt that it could best be done by careful selection of rushees.

The majority if not all of the chapters, have contributed to the causes dear to Pi Beta Phi.

New rushing rules are to be put into effect on one campus this fall, and it is to be hoped that Panhellenic will be improved by them.

The chapters have, as a general rule, had the warm support of their alumnae. The advisory boards have worked unanimously with the chapters and too much cannot be said in their praise. Personal conferences with the respective boards have exhibited a deep interest in the chapters and the fraternity and the members have given of their time and interest freely.

The *Arrouette*, Gamma Province's inter-chapter publication, has been edited by four chapters, each showing very original ideas. It is hoped that another year will see all of the chapters participating in this delightful means of promoting fellowship between the chapters of the province.

Cooperation on the part of the chapters has been excellent. I am deeply appreciative of the opportunity that has been given me and leave the work with sincere regret. However my deep interest in Gamma Province will never wane.

DAIR TAYLOR AIKEN

GAMMA PROVINCE PRESIDENT

THIS MONTH and a half during which I have been fortunate in serving Pi Beta Phi as Gamma Province President has been a busy time. My contribution to my Fraternity has been negligible, but its contribution to me has been great indeed. For the first time I have been able to see very clearly the whole picture of our great organization. It is my earnest desire that this may be brought to each Pi Phi.

My knowledge of Gamma Province chapter conditions has been gained from the informative letters and reports of the chapters and of Mrs. Wyatt Aiken, whose loss as president is most unfortunate for the province.

The seven chapters in this province vary in their conditions, living arrangements, and schools about as much as any chapters could, despite their geographical grouping. There is one thing in common: their desire to uphold Pi Phi aims and ideals and to develop themselves along the lines of scholarship, campus activities, and social recognition. Some, of course, are more successful in their accomplishment of these things than others.

These chapters are located in state universities and privately endowed schools. There are two women's colleges, Goucher College and Randolph-Macon Woman's College. George Washington University, College of William and Mary, and the University of South Carolina are coeducational. The University of North Carolina accepts only

women of junior and senior standing. At Duke University women have the advantages of a private woman's college and of a coeducational school. Some of the deans of women on these campuses seem to refuse to consider any fraternity as such, others are warm in their praise.

The living conditions also vary greatly. Only two chapters have members living in a Pi Beta Phi house. One chapter owns a lodge, two rent apartments, and one has an attractive room in the Panhellenic house.

Due to several misfortunes with a rented house one chapter finally resorted to meeting at the home of a town member the latter part of this year.

The chapter enrollment ranges from fourteen in the smallest chapter to thirty-one in the largest. The largest pledge group this year was seventeen, the smallest, four.

There are active alumnae clubs, whose support is invaluable to the chapters, in four of the seven college towns in Gamma Province where there are Pi Beta Phi chapters. Each chapter is fortunate in having an interested active alumnae advisory committee. Great credit should be given the loyal Pi Phi alumnae who serve so faithfully.

While there are not yet statistics available for the scholastic standing of all the Gamma Province chapters for the close of this school year, one might say the scholarship is fair except in two instances. North Carolina A has led all fraternities

on its campus for the last two quarters. Virginia I holds second place at William and Mary.

Each chapter seems to have tried to participate in extracurricular activities, with good results. There have been numerous chairmen of various important student social functions such as the Junior Sing-Song at Goucher, Panhellenic Prom at George Washington, May Day at Randolph-Macon, and Social Standards at Duke. There are three members of Mortar Board, including a president and secretary of that organization at William and Mary, and seven members of similar organizations, an annual editor, a literary magazine editor, a golf champion, president of a Christian association, president of an economics club, a vice-president of Student Government, the president of a sophomore class, a dormitory president, maid of honor in a May Court, and seven members of various May Courts, and one student listed in

Who's Who Among Students in American Colleges.

In addition to these Pi Phi have their share of minor class officers and good representation on the Student Councils, school publications, in dramatics, literary societies, athletic associations, and glee clubs.

The province is 100 per cent in its contribution to the Endowment Fund, Settlement School, and to the Loan Fund.

Five of the seven chapters have published numbers of the *Arrowette*, Gamma Province's inter-chapter publication. These booklets are both unique and informative, helping to bring a closer relationship among the Province chapters.

I am grateful for my brief contact with these Pi Phis, and to Miss Onken, whose patience and wise counsel have been inspiring.

Respectfully submitted,

MARGARET GLASS ALTVATER

DELTA PROVINCE PRESIDENT

ANOTHER year of delightful contacts with the chapters of Delta Province has come to a close, bringing to Delta Province President a renewed belief in the value of college fraternities in general and in Pi Beta Phi in particular. Three of the chapters were visited in the fall and three after the holidays and again I was inspired by the willingness to accept suggestions and the desire on the part of the members to improve the chapters.

Cooperation has been excellent and the monthly reports have given me much more than the needed information concerning the chapters. The attitude toward scholarship has been wholesome in five of the groups although the comparative standing on individual campuses has not been as high for some chapters as we would like it to be. Michigan Alpha carries off the honors for the province by having for the seventh consecutive semester, the highest average for women's fraternities on its campus. We have had one member of Phi Beta Kappa and a member of a similar organization and three Phi Kappa Phis. One of our seniors graduated *magna cum laude* and received a cup for having had the highest average for the four years.

As a result of a successful rushing season our splendid pledge groups ranged in size from nine to thirty, with a total of one hundred eleven. Michigan Alpha was fortunate enough to initiate for the second consecutive year, all of its pledges remaining in school for the second semester. Pledge supervisors were well chosen and gave to their groups constructive training. Three of our campuses have quota systems and all chapters have had pleasant Panhellenic relationships.

Indiana Gamma has had the pleasure of completing and moving into its new chapter house this spring. This chapter had not owned a house previously and the realization of this dream has meant much to both actives and alumnae. Michigan Alpha and Beta, Indiana Beta and Delta have maintained their attractive and comfortable houses, with freshmen housed on each of their campuses in freshman residences. Indiana Alpha has a suite of rooms in the college dormitory, the chapter room of which was beautifully redecorated last fall. We began the year with but one new chaperon, Mrs. Margurite Turner, a Pi Phi mother, with Michigan Beta. We deeply regret that Mrs. Ralph Cheadle, Indiana

Delta's chaperon for the past ten years, will not be with them again. The chapter is very much indebted to her for her interest and wise guidance.

The alumnae of Delta Province have been very active and helpful. Although Alumnae Advisory Committees vary in methods and effectiveness, it is indeed gratifying to know that so many alumnae are willing to give so much in time and service to the active chapters. The Michigan chapters held individual Founders' Day celebrations while all Indiana chapters joined the alumnae of the state in observing the day in Indianapolis. We have three active Mothers' Clubs, the Indiana Gamma Mothers' Club being largely responsible for the furnishings of the new house.

Conferences with Deans of Women were very satisfactory. All had many words of praise for the actives and alumnae of Pi Beta Phi. Only one criticized in any way the chapter on her campus. Our finances are excellent and all chapters have contributed to the Settlement School, Loan and Endowment Funds.

Delta Province has had the pleasure of entertaining two members of Grand Council during the past year. The Grand Vice President visited the Michigan chapters and the Grand Secretary visited Indiana chapters. Each group gained an inspiration and a deeper appreciation of the Fraternity from these members of Pi Beta Phi who give so much to it, and the province grew in national viewpoint as a result of this contact.

A complete list of activities and honors for the six chapters would be a long one. Some of them are, Editor of the college paper, editor of a literary magazine, president of glee club, outstanding woman on one campus and outstanding senior woman on another, secretary of Woman's League, six members of Mortar Board and three of similar organizations, a representative of the student body at Founders' Day banquet. We have had a chairman of May Day, chairman of Junior Girls' Play, members of University debate teams on two campuses, four members Y.W.C.A. cabinet on one, a Relay Queen, Sophomore Sweetheart, Cadet Colonel of R.O.T.C., members of student council, a director of an all university musical production, a French government decoration for proficiency in the French language. We have officers and members of Theta Sigma Phi, Mu Phi, Taps, Pleiades, Alpha Lambda

Delta, Tau Sigma Delta, Pi Lambda Theta, Undergraduate Club, Epsilon Delta Alpha, German Club, Wyvern, German Club and class honorary organizations. Only one chapter needs to put greater stress on participation in extra-curricular activities.

Surely no girl has gone out from an active chapter of Pi Beta Phi, no matter how brief the contact, who has not had some vision, who has not had some practical social experience that will be

of value all her life. This belief makes the work of an alumna a real pleasure. I am indeed grateful for the close contact which I have had with the fraternity during the past two years and the hospitality of the actives and alumnae of Delta Province will always be a precious memory. I am happy to have had some small part in the work of Pi Beta Phi.

HELEN SCOTT

EPSILON PROVINCE PRESIDENT

THE THREE years I have spent working with the five chapters in Epsilon Province will always stand out in my mind as happy ones. They have deepened my appreciation of Pi Phi, have brought many interesting experiences, and a host of new friends. I only hope I have been able to return a little of the inspiration for fraternity work and ideals that the girls have given me.

In the interim of conventions all five chapters in Epsilon Province have had their full quota of official visits, and Missouri A has had two additional unofficial visits during their two rush weeks. Missouri A, Missouri B, and Missouri F were visited by Miss Onken. They gained much in inspiration and broadened vision from our Grand President. Tennessee A and Kentucky A were visited by Mrs. Webster. They were inspired by her conception of our Fraternity ideals. My visits to Missouri A, Missouri B, and Missouri F were made in the early fall, and my visits to Tennessee A and Kentucky A were made in February. My delightful day at the Settlement School, as the guest of Tennessee A, will always stand out in my memories.

Rush season was most successful for all of the chapters. Pledge supervision was very good and a large percentage of pledges was able to be initiated.

There has been some improvement in scholarship in the province during the past year. Tennessee A holds first place on its campus, Kentucky A ranks third, Missouri A ranked eighth at the end of first semester, Missouri B came up to seventh, and Missouri F ranked second on its campus. Epsilon Province has two new members of Phi Beta Kappa, one at Missouri A and one at Missouri B.

Many honors have come to members of the five chapters, but I shall enumerate only the major ones. Work in extracurricular activities has been well scattered. Tennessee A leads the province with two members elected to senior honorary similar to Mortar Board; president of W.A.A.; president, vice-president, and treasurer of Y.W.C.A.; president of Les Independent (French honorary); secretary and the treasurer of the senior class; secretary and also treasurer of junior class; secretary of Student Body; six members in Theta Alpha Phi; one member elected to Pi Gamma Mu; two elected to Gamma Sigma Epsilon; one elected to International Relations Club (the only fraternity woman taken this year); one elected Miss University of Chattanooga; one elected the most popular co-ed; one selected for *Who's Who in American Colleges* (the only girl selected from the university); and the president of Panhellenic. Kentucky A has: vice-president of the Y Club; secretary of the sophomore class; vice-president of the junior class; freshman representative on Student Council; secretary of Chemistry Club; treasurer of Woman's League; the Campus Valentine; and leads in several plays. Missouri A won these honors: one

elected to Phi Beta Kappa; one member of Mortar Board; one elected to Kappa Tau Alpha; secretary-treasurer of Student Council; representative from Arts and Science on Student Council; Homecoming Queen; and a *Savitar* Beauty Queen (yearbook). Missouri B announces these honors: one Phi Beta Kappa; one elected to Mortar Board; president of W.S.G.A.; one on Freshman Commission; vice-president of Thyrsus (dramatic); one elected to Tanea (literary); two elected to Eta Sigma Phi; three elected to Sigma Phi Epsilon; one elected to Kappa Beta Pi; vice-president of W.A.A.; junior class secretary; and first place in the interfraternity sing. Missouri F announces: two elected to Skiff (similar to Mortar Board); secretary of senior class; three elected to Freshmen Tenth (highest fourteen freshmen in scholarship); president of Drury Lane Troupers; two elected to Pi Gamma Mu; one elected to Sigma Tau Delta; member on Y.W.C.A. cabinet; May Queen; Senior Beauty Queen; and the lead in the senior play.

Missouri A, the only chapter in Epsilon Province living in a chapter house, is still very proud of their lovely house which is now six years old. They are most fortunate in retaining Mrs. Curtis Hill as chaperon. She has been with the chapter since 1926. She is an excellent chaperon and is well liked by the girls. Missouri B is very proud of their room in the Woman's Building which was completely redecorated this year by their alumnae. Missouri F has added new furnishings to their apartment which is located close to the campus. Tennessee A's alumnae have made their bungalow more attractive this year. Kentucky A has added new slip covers and made their apartment very attractive.

Without exception, the deans of women have spoken highly of Pi Beta Phi. In every instance the deans spoke of their reliance upon our chapters and the high position the chapters held on the campus.

A report would not be complete without mentioning the advisory boards, for they play such an important part in chapter life. All of the chapters in the province are fortunate in having active, interested, and efficient boards, composed of splendid women who are giving liberally of their time and thought to help Pi Phi maintain its high position on every campus. Alumnae and mothers' clubs continue to prove themselves a vital force in the constructive development of their respective chapters.

All five of the chapters contributed generously and unselfishly to the Settlement School, the Endowment Fund, and the Loan Fund, and in many other ways have shown their real interest in the Fraternity.

I want to express my appreciation of the loyalty and cooperation of my chapters. These happy ex-

periences with such charming Pi Phis will never be forgotten.

I am glad for the opportunity of serving Pi Beta Phi as Epsilon Province President. I want to

thank Miss Onken and all other officers of the Fraternity for their constant help and inspiration.

Respectfully submitted,
AGNES HILDEBRAND DANIEL

ZETA PROVINCE PRESIDENT

THE YEAR 1936 has been the stage for a great many changes of scenes and events in the theater of Zeta Province. There have been problems, some successfully met and some which will be better judged in the coming years. But on the whole the chapters have had a well-balanced year. They have cooperated well and have proven worthy chapters of the Fraternity.

In the main, her chapters have had efficient officers and much of the progress in each group is attributable to their wise and able leadership. I regret that the state convention had to be postponed this year for it would have been a valuable experience.

In the matter of scholarship, two of the chapters, Florida B and Florida G, have showed decided improvement, raising themselves into the upper fourths on their respective campuses. Alabama A and Florida A went from first to second place in scholarship on their respective campuses. They held first place during the first semester of the year's term. In each chapter a study hall system has been employed for those making grades below a "B" average.

The rushing systems have improved slightly. There are changes being made in three of the colleges of the province which will upset the systems even more. The quota idea is being adopted at Florida B, Florida G, and Florida A. In the last mentioned chapter there will be second semester rushing this fall. The chapters have the reputation in each instance of "clean rushing."

Conferences with the deans of women have been most enjoyable and helpful. It was indeed gratifying to know that in none of the institutions was there a lack of cooperation with the college or Panhellenic. Three of the deans of women ranked Pi Beta Phi as first on their campuses and the other ranked the Fraternity first in many respects and among the best from all standpoints.

The two chapters living in houses have been

fortunate in having splendid women to chaperon them. Their work and interest for the actives cannot be too deeply appreciated. Their cooperation at chapter inspection periods was most helpful.

Interest and participation in activities has continued to improve in the province during the year. More of the members are taking part rather than relying on a few more outstanding girls to carry the laurels for the group. Many honors have come to the chapters this year, far beyond the achievements of last.

The financial status of the chapters has paralleled the improved conditions of the times. There have been fewer delinquencies since before the "economic stress." Each of the chapters contributed to the Settlement School and, in addition, to either the Endowment or Undergraduate Loan Fund.

Florida A and Florida G have been cooperating more closely this year. They shared Founders' Day together and had a social gathering after one of the intercollegiate football games. We hope that this year we have laid the foundation for an inter-province magazine for next year. The state convention will likewise bring the alumnæ and actives into closer contact.

It is difficult to measure or express the depth of affection Zeta Province President feels for these four chapters. Their love of the Fraternity and desire to make its ideals their own has made this position a rare privilege. Each chapter has been outstanding in some measure and I am proud of their achievements. As always, it is impossible to thank Miss Onken for her advice, assistance, and encouragement in terms adequate to do her justice. And to all the members of Grand Council I wish to express my sincere appreciation for their constant guidance. It has been a memorable experience to have served Pi Beta Phi in the capacity of province president.

Respectfully submitted,
LUCY CORNELIA POPE

ETA PROVINCE PRESIDENT

ALL BUT ONE chapter was visited by Grand Council this year, so my visits were later in the year. Miss Onken visited Wisconsin A, Wisconsin B, Illinois Z, and Illinois H. Mrs. Stark visited Illinois A and Illinois B-Δ. Illinois E was the only chapter that did not have the inspiration of a Grand Officer's visit this year, but Miss Onken visited them last year, and they still feel, from that contact, the desire to build in character a chapter based on Pi Beta Phi ideals. I was ill and unable to visit Wisconsin A and Wisconsin B but Mrs. Webster, Assistant to the Grand President, made these visits, and since she was province president three years the girls welcomed her with delight.

Last year I boasted of three chapters who were first on their campus in scholarship. This year I can boast of only two. They are again Wisconsin B and Illinois B-Δ. However, Illinois Z was third

and Illinois E fourth, both competing with more than twenty others, a splendid record. The other three chapters were low in rank, but only fractions lower in grades. Every chapter has a working supervision of scholarship, and if they remain scholarship-minded as they are now, their grades can always be high.

Every chapter in this province is prominent in activities. There is little possibility of comparison, as the largest school has 12,917 students and the smallest school only 425. Four girls have been elected to Phi Beta Kappa, two on campuses without Phi Beta Kappa have received their school's highest scholastic scholarship honor. Five have been elected to Mortar Board, and three schools without Mortar Board had girls elected to the equivalent on their campus. Five of the seven chapters have editors of college publications, which I feel is a

splendid record. One has the president of Y.W.C.A. and three have the president of W.A.A. I will not begin to list the many important committees they were on, and the great number of minor honors that came to them.

The chapters in this province have given 100 per cent to the Settlement School, the Endowment Fund, and the Loan Fund. The chapters and the alumnae advisory committees work harmoniously, and I do feel that much credit should be given to these women who give of their time and thought. The chapters need their help and do appreciate it.

The housing situation is much the same this year. Wisconsin B has had some redecorating done, and Illinois A, with the help of their alumnae,

has redecorated and refurnished its room. Illinois Z has made its chapter room attractive by decorating it in wine and blue, and Illinois H has had its whole house beautifully redecorated.

The dean of women on every campus had a good report of Pi Beta Phi. All of the chapters seem to cooperate with the college and on every campus Pi Beta Phi is ranked as one of the strongest groups.

We all have confidence in our Fraternity; respect and admiration for our Grand Council; and I speak for every chapter in Eta Province when I say we are grateful.

Respectfully submitted,

INEZ WEBSTER

THETA PROVINCE PRESIDENT

UPON the resignation of Elizabeth Carpenter Buxton, Theta Province President for four years, in October, I took office and visited the Iowa chapters, Minnesota A, and North Dakota A in November and December, thereby having personal contact almost immediately. Manitoba A I left until January. Since Pi Phi contacts for us in Winnipeg are somewhat limited, it was a privilege for me to meet so many members, alumnae, actives, and pledges of our Fraternity. The kindness shown by everyone impressed me greatly.

Three chapters Manitoba A, North Dakota A, and Minnesota A, were visited by Ruth Barrett Smith this spring and were greatly benefited and inspired.

Five of the chapters maintain houses, one of which hopes to have a new one within the next year. All the chaperons were the same as previously. The other two chapters have rooms; one chapter, due to college regulations, the other because all the members are town girls.

The importance and number of possible activities differs with each group. There have been many high honors won throughout the province, among which are four Mortar Boards, one of whom is president; two Phi Beta Kappas; the two highest offices on one campus and three members of Morons, an honorary literary organization; ten on Y.W.C.A. Cabinet, one of whom is president; president of W.A.A.; business manager of college paper; Homecoming Queen, five representative

women. In addition, there have been many other presidencies of clubs of all kinds, other offices, and committee positions.

Scholarship has improved. One chapter stood first for spring and fall semesters in succession. Another chapter was first for 1934-35; the actives and pledges combined were first in fall quarter examinations. Three chapters raised their places on the campus, one raising itself from eighteenth to third place. Two other chapters are working hard to regain former high places.

At the time of this report, all but one chapter had contributed to the Settlement School and the Loan Fund, while three chapters were yet to contribute to the Endowment Fund.

The advisory boards of all chapters have been very active, helping the individual needs of each chapter. They have all worked diligently and the results have been clearly shown.

As the year closes, I wish to express to the girls of this province my appreciation for the way in which they have cooperated, and received and carried out suggestions. I have thoroughly enjoyed my associations with them and am very grateful for such a privilege.

To Miss Onken and to Grand Council, I owe sincere gratitude for being given this opportunity to serve in our Fraternity and for the help offered at all times.

Respectfully submitted,

ISABEL A. CLARK

IOTA PROVINCE PRESIDENT

THIS SECOND year as Province President has meant renewed friendships and continued pleasures in this work.

Iota Province President visited all of the seven chapters early last fall. South Dakota A was the only chapter in this province to have a Grand Council visitor, and they entertained Mrs. Smith this spring. The chapters have all been very conscientious about reports, requests, and so forth, and have cooperated with this office 100 per cent.

Scholarship reports are very much better this year. South Dakota A, Colorado B, and Wyoming A are first on their campuses. Kansas A made the biggest gain and is now in third place. Kansas B moved up three places, and Colorado A came from

tenth to fourth place. Nebraska B is the only chapter that is not in the upper half on its campus.

The extracurricular activities in Iota Province are worthy of note. South Dakota A had a member in Mortar Board, "Miss Dakota," president (national and local) of Guidion, three Alpha Lambda Deltas, and three Phi Sigma Iotas. Nebraska B had a representative on A.W.S. Council, Theta Sigma Phi, and two Sigma Alpha Iotas. Kansas A had president of Theta Sigma Phi, three members on W.S.G.A., Mu Phi, Mortar Board, Y.W.C.A. Cabinet, president of Panhellenic, Relay Queen, and two beauty queens. Kansas B had a Phi Kappa Phi, Omicron Nu, Mortar Board, Theta Sigma Phi, three on Y.W.C.A. Cabinet, Honorary Colonel,

and two queens. Colorado A was represented in Mortar Board, Theta Sigma Phi, Phi Chi Theta, President Y.W.C.A., and junior prom queen. Colorado B leads the list in the number of members elected to Kedros (organization petitioning Mortar Board) with three old members and four new members this spring; three on Student Council, president Y.W.C.A., Engineer Queen, and "D" Queen. Wyoming A holds cups for scholarship, athletics, and dramatics, were represented in Mortar Board, Phi Kappa Phi, president and treasurer of A.W.S., president Panhellenic, president Phi Sigma Iota, junior prom queen, and most popular girl.

Living conditions are adequate at every chapter except South Dakota A; and they are hoping to build some time in the near future. The chaperons in all places are delightful women and an influence

for good. The reports of the deans of women are most gratifying.

All of the chapters in Iota Province have reported gifts to the Settlement School, Loan Fund, and Endowment Fund for this year.

The alumnae advisory boards continue their keen interest in the active chapters and are ready and willing at all times to serve them.

It is impossible for Iota Province President to express in words her feeling toward the chapters. She is proud of their records and achievements, and will always carry the happiest of memories of the girls who made her chapter visits so enjoyable. To Miss Onken and the members of Grand Council she is most grateful.

FAITH MARTIN HANNA

KAPPA PROVINCE PRESIDENT

AS I END my first term as province president I realize how fortunate I have been to have had the opportunity of being so closely associated with the six splendid chapters of Kappa Province. Although the office has required a great deal of time and thought, I feel that the efforts put forth on my part have only in a small way compensated for what I have gained in rich friendships and fraternity vision.

The cooperation which I have received from my chapters has been gratifying indeed. I have kept in very close contact with each, first, through my annual visit early in the year, then later with monthly reports and weekly letters.

It has been interesting to watch the growth of national viewpoint in this province. This has been stimulated by contacts with national officers of the Fraternity. Each chapter has been fortunate during the past two years in receiving visits from members of Grand Council. Oklahoma A and Oklahoma B received an official visit from Mrs. Smith, Grand Vice-President; Texas A and Texas B, from Mrs. Stark, Grand Secretary; Arkansas A and Louisiana A from Mrs. Webster, Assistant to the Grand President. Besides these official visits, it has been the pleasure of each chapter to entertain Mrs. Stark at least once. Texas A also entertained Mrs. Webster and Mrs. Alford, while Louisiana A had the rare privilege of entertaining all the members of Grand Council as they returned from Biloxi, Mississippi, where they attended National Panhellenic Congress. Through the efforts of Mrs. Williamson, Province Vice-President, and the Shreveport Alumnae Club, the Kappa Province Conclave was held in Shreveport, Louisiana, in June 1935. Our Grand Vice-President, Mrs. Smith, was the honor guest and her presence was an inspiration to both the actives and alumnae. Each chapter is proud of the great honor that has come to the province through the Balfour Cup Award to Texas A and is making a valiant effort to gain national recognition also.

Scholarship for the past two years has had its ups and downs. Texas A, the largest chapter in the province, now ranks second on her campus, being preceded only by a very small chapter. Oklahoma A has stayed at the top on her campus for eight consecutive semesters, ranking from first to third, and now ranks second. Oklahoma B and Arkansas A, both of which ranked first last year, have dropped to fifth and sixth places, respectively.

I am especially proud of the record of Texas B which has come from ninth place last year to fifth place this year. Louisiana A ranks somewhere in the middle of the nine groups on her campus.

Four chapters maintain houses while two are only allowed chapter rooms. Oklahoma B's house has been remodeled and attractively refurnished during the past year. Both Arkansas A and Oklahoma A have handsome, substantial houses which are entirely adequate for the chapters' needs. Texas A is completing plans for a new house which is to be built in the near future. Louisiana A is fortunate in having chapter rooms in a bungalow adjoining the Newcomb campus. It is to be hoped that some provision will soon be made on the S.M.U. campus for chapter rooms which will be more convenient for Texas B.

No change has been made in chaperons. The four chapters having houses have been unusually fortunate in having in that capacity women who are well chosen. They have been loyal in their service and each group reflects their fine influence.

The chapters have been outstanding in extra-curricular activities, with interest and cooperation growing each year. Since last Convention, there have been nine Phi Beta Kappas, or its equivalent; eleven Mortar Boards, or similar honors; eleven Alpha Lambda Deltas; four W.S.G.A. presidents; one state Y.W.C.A. president; two presidents of Panhellenic, and one Sigma Xi. Each chapter has also been well represented in other honorary organizations, departmental clubs, athletic organizations, and has had its share of queens, class officers, editors, and student committee positions.

My conferences with the deans of women have been interesting and helpful. In each instance they were sincere in their praise and constructive in criticism that was occasionally offered.

Rushing has been generally successful, especially this year. There has been a tendency in three chapters to pledge too many, but this is due to the wealth of good material that is offered by the six colleges in this province and the rapidly increasing obligations of each chapter. Two chapters are handicapped by the quota system.

Too much credit cannot be given the alumnae advisory committees. They have been effective in their organization and have given the active chapters invaluable assistance.

Each chapter has a thorough appreciation of

our national projects, and I am happy to say that this year the contributions to the Endowment Fund, the Loan Fund, and the Settlement School are 100 per cent.

To Grand Council I wish to express my appreciation for the inspiration and assistance they have given me. It has been a pleasure to serve my

Fraternity under their guidance. I am deeply grateful to my chapters for their splendid cooperation and to the alumnae for their support and kindly interest. It is with genuine regret that I end this term as president of Kappa Province.

Respectfully submitted,

GLADYS HAYES SCIVALLY

LAMBDA PROVINCE PRESIDENT

THIS THIRD year as Lambda Province President has been a very happy and gratifying one for me. There have been only a few minor problems in the chapters and, with the aid of the members and of the alumnae advisory committees concerned, these difficulties have been mostly overcome. All of the delegates to Convention have been so well chosen that I feel certain that they will return to their schools in the fall with an enthusiasm and a broader national viewpoint which will be of inestimable value to their chapters.

The scholarship of the province has not been as high as we had hoped for. We have three of the chapters in the upper third, two in the middle third, and one in the lower third. At the University of Alberta, there is no comparative grading of the various groups. There have been seven girls in the province with straight "A" averages.

With one exception, I have had splendid cooperation from the chapters this year. The officers were very well chosen and have worked for the Fraternity and with me in every way possible. My contacts with these girls have been pleasant ones.

These seven chapters, with one exception, experienced very successful rushing seasons. The increased enrollment in the various schools gave such a wealth of material from which to choose and Pi Phi was most fortunate in pledging many fine freshmen. A few did not make sufficient grades to be initiated which emphasizes to the chapters the fact that they must pay particular attention to a rushee's high school record. Our fine pledge supervisors have worked faithfully toward training these pledges for future active Pi Phis. There was no report of any Panhellenic difficulty.

The finances throughout the province are in excellent condition. With all of the chapter houses full to capacity, our worries of a few years ago have disappeared. All of the chapters, with the exception of Alberta A, are living in their own homes. Montana A moved into their lovely new chapter home this fall. They occupy one of six units that were constructed with government funds. With the central kitchen supplying food for the six various units, it is a most interesting experiment here in the northwest, and I am happy to report that it is working out so successfully.

The deans of women were very complimentary and felt that Pi Phis were decidedly a power for

good on their respective campuses. In each instance the dean spoke of the fine cooperation that she and the other college authorities had from the chapter.

Lambda Province has been fortunate this year in having such superior women for chapter house chaperons. Their gracious manners are reflected by the feeling of real hospitality that one encounters in the chapter homes. We are expecting each one to return to her chapter this fall.

This has been a banner year for extracurricular activities and honors. We have two presidents and one vice-president of A.W.S.; one vice-president, and one secretary of Associated Students; one president and one secretary of W.A.A.; two receiving the Mortar Board Award for the most outstanding junior women on the campus; one junior receiving a cup for the most outstanding girl on her campus; a queen of the junior prom; eleven Mortar Boards; nine Phi Kappa Phis; one Phi Beta Kappa, and many in other honoraries such as Psi Chi, Phi Chi Theta, Omicron Nu, and many others. One of the seniors has received a scholarship to Mills College for research work in psychology.

The alumnae advisory committees have given the chapters such splendid supervision and, with one exception, have cooperated with me in every way possible. The amount of time and thought that these women have put on the welfare of the chapters is shown by the fine results that they have obtained.

It makes me very happy to report that each one of my seven chapters has contributed to the Settlement School, the Loan Fund, and the Endowment Fund.

With Convention coming this June, I know the officers who visit the chapters next year will find them with an enthusiasm that can only be gained from those benefiting by the inspiration of Convention.

It is with regret that I end my three years' work with Lambda Province. I wish to express to Grand Council my appreciation for their assistance and guidance; to the chapters for their fine cooperation; and to the Pi Beta Phi Fraternity for the privilege of serving as Lambda Province President.

Respectfully submitted,

LILLIAN MACLEOD RUSCH

MU PROVINCE PRESIDENT

DURING the last year the work with the chapters in Mu Province has been a delightful experience which has given the province president a new insight into the scope of our great organization and a deeper love and appreciation for its accomplishments.

The majority of the chapter visits were made

early in the fall which made the correspondence, which followed, a more personal matter. The province president was impressed with the able manner with which the officers of the chapters carried out the duties and the policies required by the organization. Gracious hospitality was extended by all chapters and the earnest desire to cooperate

with national and province officers were plainly evident.

Scholarship in the province has improved during the year. It is not possible to boast of any Phi Beta Kappas, but in most cases the average of the various groups has been raised. The greatest improvement is shown in the California Δ chapter. This is due to the hard work of their chapter scholarship committee who held weekly meetings and conferences with girls deficient in their standing. The improvement in California B and Utah A is also pronounced.

All the chapters in this province own their own houses and are in a splendid financial position. California A is enjoying the new addition which was built last summer and it adds so much to the comfort and enjoyment of the girls. California Γ and Δ were able to do considerable redecorating and refurnishing which makes their houses more attractive. Utah A is talking of an addition to their house and this is badly needed as they have such a large chapter. Arizona A had more house girls than they could accommodate and were forced to lease a second house to take care of the overflow. Nevada A is well taken care of with the lovely house the alumnae financed for them.

At each university the dean of women gave splendid reports concerning Pi Beta Phi and expressed appreciation for the cooperation and school loyalty shown by the chapters.

The housemothers in this province are charming women who are most loyal to the Fraternity. At California Γ , Mrs. Arthur has just completed her twentieth year. The chaperon at California A, Mrs. Gardner, has also served faithfully for a good many years. She was ill at the time of the province president's visit to that chapter and much to her

regret it was impossible for them to meet. Mrs. Kingsbury at Arizona is just completing her fourth year while Mrs. Scheid, at Utah, her second. Mrs. Preston at Nevada A, Miss English at California B, and Mrs. Marbury at California Δ have been with the chapters but one year.

The majority of the chapters in this province need no urging to enter activities as is evidenced by the many outstanding honors won by the girls. The offices are so numerous that only the most noteworthy can be mentioned such as vice-president of Associated Student Body; president, Cap and Gown; president of Phrateres; two Mortar Board members; two Phi Kappa Phis; two presidents of Associated Women Students; one vice-president of Associated Women Students; four members of Amazon; three members of Ace of Clubs; president, Delta Chi Alpha; junior prom queen; and business manager of a yearbook.

This report would not be complete without a word of appreciation for the splendid help given the province president by the advisory boards. These women have worked diligently and given a great deal of time and interest to their work. A great deal of the credit for the success and improvement of the chapters should be given these women.

Mu Province President wishes to take this opportunity to thank the chapters for the many courtesies shown her during her visits and for the cooperation given by both the chapter and the alumnae. To Miss Onken and Mrs. Smith she expresses her gratitude for the help they have so generously given her in solving some of the problems of the year.

Annual Reports of Province Vice-Presidents

ALPHA PROVINCE VICE-PRESIDENT

THE SEASON of 1935-36 has been a most interesting one in Alpha Province. Convention year is always a busy one for alumnae clubs and this has been particularly so, due to the appointment of a National Committee for Alumnae Reorganization. Many of the Alpha Province clubs sent in suggestions to Mrs. Phelan, the chairman. However, they felt the need of discussion over the changes which they thought necessary to the existing constitution, and that demand resulted in a Province Conference on April 16, 17, and 18, with the Toronto Club as hostesses. Delegates were present from London, Ontario, from Buffalo, Syracuse, New York and Westchester, New York and the Cleveland Club in Beta Province was represented by their president Mrs. Kingsley. Resulting from the conference, several suggestions in the form of motions for amendment to both the active and alumnae constitutions were drawn up and sent to all members of Grand Council, to all province vice-presidents and to the clubs in Alpha Province which did not send delegates to the conference.

Many of the clubs are sending delegates to Convention.

In December, I visited the London Club and attended the Ontario B initiation and the banquet which followed. In February, I visited clubs in Boston, where I was a guest at the Massachusetts A initiation banquet, in Westchester, Syracuse, Rochester and Buffalo, New York. I also met with

the executive committee of the New York City Club and was their guest at the monthly Panhellenic dinner at Beekman Tower. I also met with a group of Montreal Pi Phis and hope to see a club there when there are enough resident members.

Alpha Province has added two new clubs to her list this year, at Albany, New York, and at Portland, Maine, and Halifax alumnae have organized and will, I hope, be a chartered club before next fall.

All of the clubs are meeting their various problems to the best of their ability and their executives have spared no effort to maintain the interest of their members in the Fraternity and its projects. Many help their active chapters in a very substantial way. All but three supported Settlement School, six sent contributions to the Loan Fund, and seven contributed to the Endowment Fund. Of the active chapters, seven gave to Settlement School, six to the Loan Fund, and two to the Endowment Fund.

I am very grateful to the clubs in Alpha Province for their helpful cooperation with me in my efforts to serve them as their vice-president and I appreciate their friendship and their loyalty and hope that I have fulfilled the purpose of my office which is that of a contact between the clubs and their Fraternity.

Respectfully submitted,

MARY HERDMAN SCOTT

BETA PROVINCE VICE-PRESIDENT

OF THE twenty clubs in Beta Province, I have visited nineteen during the two years I have been in office, five of them this year. Most of them are well organized and are functioning satisfactorily. This year, extreme cold, almost unprecedented snow, ice, floods—more than one Pi Phi family has been literally driven from home by raging rivers—have conspired to keep down attendance and activities of many clubs; dances have been canceled because roads were impassable. Following the havoc wrought by floods, calls for relief, immediate and imperative, have in many districts lessened financial gifts to fraternity projects yet interest has not flagged, and the clubs are planning

next year's work enthusiastically.

Correspondence with clubs has been interesting and invaluable; letters from Miss Onken, Mrs. Smith, and Mrs. Wild have frequently been real godsend, for I have my discouraged moments; and it has been a satisfaction indeed to know that all of Grand Council, Mrs. Purdunn, and all those with whom I have official correspondence, were standing by, ready with aid when I should ask for it. A Pi Phi need not work alone! I am most appreciative of having been given the privilege of serving my Fraternity as Beta Province Vice-President.

CANDACE CLOYD JOHNSON

GAMMA PROVINCE VICE-PRESIDENT

SINCE I have not had the opportunity to visit the alumnae clubs of Gamma Province in the busy three months I have been its vice-president, my report must necessarily be based on correspondence and the statistics gathered therefrom. Most of the clubs have been prompt and regular in their correspondence and in meeting their obligations.

In Gamma Province there are 1,084 resident Pi Phis and only 171 paying national dues, a few of the latter being too far removed from the nearest alumnae clubs to belong to them.

Four clubs had special Founders' Day celebra-

tions. The Baltimore Club held their banquet with Maryland A on April 23. The Washington, D.C., Club held its banquet April 28 with a very interesting program including "Pi Phi Remembrances" by Emilie Margaret White. In North Carolina the two active chapters joined with the alumnae from both Durham and Chapel Hill in celebrating the occasion. Every alumna in the state was invited and thus their interest in Pi Phi was increased. In Richmond a delightful banquet was held on Wednesday, April 29, at the most fashionable club in the city, and the occasion was made more memo-

rable by an informal talk by Dr. Mary Harris. Dr. Harris had been the guest speaker that day at the literary luncheon of the Woman's Club of Richmond.

As to meetings, the clubs have followed different plans. Both Washington and Richmond have had the idea of some afternoon and some evening meetings and separating the business and social meetings. It has worked so well that the Richmond Club intends following the same plan again next year, as Washington has done for some time. In Baltimore the program for one interesting meeting was given by men relatives of club members. The bridge benefit with style show staged by Woodward and Lothrop, sponsored by the Washington Club, was very successful socially and financially. Three clubs will have delegates at Convention this June.

The clubs have contributed a total of \$390 to the Settlement School. Four clubs made contribu-

tions to the Endowment Fund; three to the Loan Fund; and two have given aid to active chapters located in the same city. Our active chapters have the splendid record of having contributed 100 per cent to all funds. This is most encouraging for the future, since actives feeling such a sense of loyalty to the Fraternity, will most probably develop into loyal alumnæ and be a great help in the alumnæ clubs with which they will certainly affiliate.

I have enjoyed my short term of office with Gamma Province very much, and wish to express appreciation of the privilege of knowing our national officers better and of again serving the Fraternity that was so dear to me through college days. I hope that my successor will enjoy the work as much as I have.

Respectfully submitted,
SALLIE BELLE WELLER SYDNOR

DELTA PROVINCE VICE-PRESIDENT

A GAIN the vice-president of Delta Province feels very proud of the clubs and chapters in her province. In almost every respect there has been a gain of some kind in every club. A wonderful spirit of cooperation and helpfulness is evident everywhere.

Two new clubs were added to our happy family. Southwestern Michigan organized with Pi Phi's joining from Battle Creek, Marshall, Albion, and Kalamazoo. Gary, Indiana, also joined our ranks just before Convention. One inactive club became active again this year so Delta Province can now claim sixteen enthusiastic clubs.

For the third year, Delta Province is 100 per cent in contributions from both clubs and chapters to the various funds. The Settlement School, Endowment and Loan Funds, and Magazine Agency all show increases in the contributions sent from Delta Province.

Membership in the clubs shows a province total of eighty-four more than last year. Three clubs are 100 per cent in membership—Fort Wayne, Flint, and Calumet Regional.

The grading system which has been carried on in our province has been continued. The prize award, a beautiful gavel, was awarded to Ann Arbor, Michigan, Club this year. This club not

only doubled their membership but sold more Arrow Craft goods than any club in the province, was first with all reports, prompt with monthly correspondence and showed a splendid spirit of cooperation in other ways. Several other clubs came within "inches" of winning.

Several clubs have had the pleasure of visits from Grand Council members. These clubs are fortunate indeed to have had this contact and it is hoped that every club may have such a privilege next year.

Each club has received each month a club letter in which the province vice-president has tried to include interesting news from the Settlement School, other clubs, and national officers, aids in forming programs, and in making money. Correspondence with individual officers was also a pleasure.

It has been a pleasure to work with groups so interested, grateful, and cooperative as those of Delta Province. The friendships gained among clubs and national officers will always be cherished as delightful memories. I am grateful to those who have helped me and borne my shortcomings. I shall be indebted forever for the opportunity to have served as Delta Province Vice-President.

ELSA BARKER ESKEW

EPSILON PROVINCE VICE-PRESIDENT

FOR THE second consecutive year, every club in Epsilon Province has contributed to the three projects of Pi Beta Phi, the Settlement School, the Undergraduate Loan Fund, and the Endowment Fund. It is with pardonable pride that this officer submits this statement as an indication and evidence of the spirit and interest shown by the ten clubs of the province.

The total amount of donations to the Settlement School is smaller than it has been in the past, owing to the fact that the two largest clubs were not able to make their customary large gifts. However, three clubs, Memphis, Nashville, and Chattanooga increased the amount of their gifts this year. Epsilon Province gave more to the Loan and Endowment Funds than it did last year.

No report of the commissions earned on magazines can be made until the director of the agency makes her report. Realizing the possibilities there are for making money for the Settlement School in this way all but one club has been very active with magazines this year.

The real problem in Epsilon Province continues to be that of membership. There are too many Pi Phi's living in towns where there are clubs who are not members of these clubs. Almost all of the clubs are making a sincere effort through varied programs to interest these alumnæ in participating in the activities of a Pi Beta Phi Alumnae Club. Four clubs did make gains in membership this year, and two others have the same number of active members as last year.

Epsilon Province is particularly happy to welcome a new club this year—the Little Pigeon Alumnae Club—with its seventeen members, eleven of whom live in Gatlinburg. This club should be a model to all the others, for its members have worked hard and enthusiastically for all Pi Phi projects. Of course their interest in the Settlement School should and does come first with them.

The Epsilon Province Vice-President wishes to thank the active chapters in the province for their cooperation and willingness to support the Settlement School, the Undergraduate Loan Fund, and the Endowment Fund. All five contributed generously to these projects, and one chapter, Missouri A, this year increased the amount sent to all three.

ZETA PROVINCE VICE-PRESIDENT

MY FIRST year as Zeta Province Vice-President has been a most inspiring one. I have always been very proud of the privilege of being a $\Pi \Phi$, but after this year I feel an even keener love and loyalty for the Fraternity.

It was very fortunate for me that this was the year for the province vice-president to visit the clubs. I have never before been treated so royally, and I feel that I have made life long friends.

From all of the clubs I have had splendid cooperation. There has been considerable increase in contributions received this year over last year, which is most gratifying. More articles from the Settlement School than ever before have been sold. Lakeland is to be especially congratulated on their

The chapters paid senior dues for thirty-three girls.

In spite of the fact that Epsilon Province failed to send as much money to the Settlement School as it is accustomed to sending, the Province Vice-President feels that progress has been made this year. Many clubs laid the foundations for increased growth next year. Sometimes results do not show in one year.

It has been a joy to serve as Epsilon Province Vice-President. The fine way in which the clubs have cooperated has made the work of this office a real pleasure instead of a task. The help given by Grand Council and Mrs. Wild has been of inestimable value both to this office and to the clubs.

KATHARINE KIBLER LYONS

large contribution of \$123.25 to the Magazine Fund.

A new alumnae club was chartered at Daytona Beach, Florida. Five other clubs have shown an increase in membership. The Atlanta Club is very proud of having had as a member for many years Mrs. F. M. Robinson, who was an I.C. at Iowa B.

The clubs in Florida were disappointed not to have a state convention this year as planned, but they hope to have one next year.

The contacts made both personally and through correspondence have been most pleasant, and I consider it a great privilege to serve $\Pi \Phi$.

WINIFRED S. PAIGE

ETA PROVINCE VICE-PRESIDENT

ALTHOUGH Eta Province Vice-President has been in office but three and a half months, she has already visioned the magnitude and the scope of the national work of $\Pi \Phi$ as she had not previously done, and she has a great appreciation of the privileges and opportunities which she enjoys and the pleasure which she has derived from her small participation in the work of the Fraternity. Because of the brevity of her tenure of office, she submits her annual report with some misgivings, since it must cover the work of the entire year.

In spite of the interruption of the work caused by changing vice-presidents, Eta Province seems to have forged ahead, and come through with a year of fine achievement. Many clubs have increased their membership, and also their donations over last year. Monmouth Alumnae Club is 100 per cent in membership this year, including several isolated and nearby Pi Phis in its roll of members; while Decatur, Chicago West Suburban, and Milwaukee have increased their paid memberships to a marked degree. Although it was our goal to have all clubs 100 per cent in donations to national projects, we have fallen short of the mark; however, all but four of the twenty clubs in the province are 100 per cent in contributions to the three projects of $\Pi \Phi$. To one club in particular should laurels go, Chicago North Club, for, with only twenty-five paid members, it contributed \$350.00 to the Settlement School, and increased its magazine subscription sales to \$103.70. Mention should be made of those clubs which had marked success with Arrow Craft sales and displays: Champaign-Urbana, with

forty-six members, sold \$330.00; Madison, with thirty members, sold \$262.17; Chicago West Suburban, with thirty-seven members, sold \$206.51; and Du Page with only twelve members, sold \$154.59. Total sales of Arrow Craft products increased in the province from \$1,037.40 last year to \$1,460.85 this year. Magazine subscriptions, gross sales, increased from \$208.40 to \$375.45 this year. Du Page, in addition to its regular donations, sent a Christmas box to the Settlement School; Decatur, Galesburg, Milwaukee, and Oak Park-River Forest gave to local causes or charities; and a number of clubs in towns with or near chapters gave those active chapters gifts, and aided them with food, and flowers for rushing.

Although we have had a slight decrease in senior dues from active chapters, these same chapters are all 100 per cent in donations to the three national projects. Illinois Z tops the list with its donations of \$100.00 to Settlement School, \$25.00 to the Undergraduate Loan Fund, and \$50.00 to the Endowment Fund.

Eta Province had an experimental conference this year at Hinsdale and Western Springs, Illinois, April 24-25, sponsored by Chicago West Suburban Alumnae Club, which club was, also, hostess to delegates who attended. Thirteen of the twenty clubs in the province were represented by delegates, and many other club members were entertained. The conference was most fortunate in that it had two national officers present: Miss Onken as guest of honor, and Miss Webster, Province President, to correlate the work of active chapters, since

this was an alumnae conference. I believe that it was the unanimous opinion of delegates that the conference was a great success in that it stimulated effort and created enthusiasm, besides creating an opportunity for sectional contact between clubs and members.

As Eta Province Vice-President, I have appreciated the fine cooperation which I have had from officers of clubs; I have read their letters with great

pleasure. It is with the cordial, friendly help of these officers, and with the generous consideration, and timely advice of Miss Onken, Mrs. Smith, Mrs. Wild, Mrs. Dengel, former Province Vice-President, and other national officers and committee chairman that Eta Province Vice-President has completed the year.

HAZEL M. MURKLAND

THETA PROVINCE VICE-PRESIDENT

THETA PROVINCE is very proud of the report which it is able to make this biennium. Our clubs are 100 per cent for both years in philanthropic gifts, we have an annual increase in membership, we show an annual increase in gifts to each national project, and we report the organization of a new club.

Theta Province is forming the habit of being on the honor roll when it comes to gifts to the national projects. We not only each give to each project, but the annual total is larger each year, which shows the presence of a good national spirit in our states. In 1935 we gained eleven members and in 1936, forty-nine members, making a total gain of sixty paid members for the biennium.

Duluth, Minnesota, has the honor of being our 100 per cent membership club this year, while Sioux City, Iowa, held that honor last year. Minneapolis made the largest gain in members, having an increase of twenty-nine for this past year. Winnipeg shows an increase of nineteen for 1936. In 1935 Indianola, Iowa, gained nineteen members.

Our new club was organized in Council Bluffs, Iowa, in the fall by twenty-four Pi Phis who had been members of the Omaha group but who felt that they could do better work for the Fraternity in a smaller club. They are an enthusiastic group of young women, almost 100 per cent in membership for twenty-four out of the twenty-eight Pi Phis in the city are active in this group.

We have visited all the clubs in the province during this biennium: St. Paul, Minneapolis, Duluth, Winnipeg, Grand Forks, Des Moines, Ames and Indianola in 1935 and Mount Pleasant, Burlington, Iowa City, Cedar Rapids, Sioux City, and Council Bluffs in 1936.

We also had luncheon with the Davenport, Moline, and Rock Island Pi Phis one day in November and had hoped that this group would be an organized club before Convention. There are about

twenty Pi Phis in the Tri-Cities who have been meeting for social affairs for about two years. This group represents many different chapters, are most congenial, and we covet their interest and help for the national fraternity. Ottumwa, Mason City, and Waterloo, all in Iowa, should also have chartered clubs. Our active chapters are asking for the cooperation of organized groups in these cities.

We had the pleasure of celebrating Founders' Day with Ames and Iowa Γ , later with the Des Moines Pi Phis when some members of the Ames and Indianola clubs were present, and early in May with the Council Bluffs Club. These occasions are a needed source of inspiration and the contacts which these visits bring are compensating factor for national officers.

Our monthly correspondence with each of our fourteen clubs gives us that close touch which an officer needs if she is to be of any value to her groups.

We have found that several clubs have successfully adopted the plan of having a short program at each meeting, in many cases using an outside speaker who brings something of current interest.

Next year we hope to have a Province Day held jointly with our chapters, as we feel that this would be of unlimited value to the work which we are trying to accomplish.

We are disappointed that the chapters could not be on the honor roll this year. Failure in five cases to send gifts to the philanthropies is responsible for this. We have found the chapters improving in their response to the requirement for the payment of senior dues. Our official contacts are a great pleasure and a matter of personal gratification. We express appreciation to all whose cooperation and courtesies have made the year's work a joy.

LAURA STORMS KNAPP

IOTA PROVINCE VICE-PRESIDENT

THERE IS an old German rhyme which, translated, runs something like this:

"Winter farewell. Partings are sad things.
But at parting with thee, my heart with laughter sings."

With a slightly different interpretation, the above quotation might apply to the close of a club year. There is regret, tinged with sadness perhaps, over the breaking up of close companionships formed in the working out of common interests; yet there is happiness and satisfaction in the realization of a dream fulfilled or a purpose accomplished.

Iota Province Vice-President feels that this has

been a year of improvement in many respects. There has been a slight gain in membership in spite of the fact that the number of resident alumnae has decreased in six towns in which clubs are located.

The number of 100 per cent clubs has increased to three. They are: Cheyenne, Colorado Springs, and Manhattan. Twelve of the fourteen clubs supported all $\Pi B \Phi$ activities, and all clubs, in some way, contributed to the support of the active chapters, thus revealing a growing national consciousness among all the clubs, a closer bond of friendship within the clubs themselves and between the clubs and chapters.

That there is a keener interest in, and a deeper consciousness of responsibility for the Settlement

School is evidenced by the fact that there was an increase in the total amount contributed to the school and that four clubs—Colorado Springs, Denver, Lawrence, and Manhattan—increased their gifts. With one exception, all the clubs in the province took some part in the handling of the Arrow Craft products. There was a commendable increase in the amount contributed to the Undergraduate Loan Fund and the Endowment. The clubs are coming more and more to appreciate the value of the Magazine Agency and are enriching the Settlement School treasury with ever-increasing funds derived from that source.

The chapters continue their loyal support of the $\Pi B \Phi$ projects with generous contributions and, on the whole, have been more punctual in sending their senior dues. Iota Province Vice-President wishes at this time to thank them for the hospitality they have extended to her whenever she has visited at their chapter houses and for the unflinching courtesy they have shown at all times.

The correspondence with the clubs has been a very pleasant and valuable experience and through it the Province vice-president has been able to keep informed upon the activities of the clubs, and has been able to pass on to them, in turn, news concerning national projects and policies.

Four clubs were visited by the province vice-

president in 1934-35 and five clubs during the past year. She wishes to express to all her appreciation of their hospitality. It is indeed a rare privilege to be entertained in homes that so definitely express a cultural and educational background of the highest type. In and through such homes as these lies the Fraternity's best hope of maintaining and developing those fine qualities of moral integrity and principles of Christian ethics handed down from its Founders.

In closing, Iota Province Vice-President wishes to express to the members of Grand Council her appreciation of the help they have given her whenever she has sought their counsel or advice. Their comprehensive understanding of the ideals and aims of the Fraternity make them ever generous and sympathetic in their estimate of others. Their friendship is to be cherished and their opinions valued because they have, through years of fine living and intelligent thinking, won the good opinion of all who come in contact with them. It is an inspiration to work with women such as they, whose loyal devotion to $\Pi B \Phi$ has done much to make it a fraternity that is respected and admired by those who seek the True, the Beautiful, and the Good.

HALLIE COLLINS

KAPPA PROVINCE VICE-PRESIDENT

IT is with extra special pride that I, as Kappa Province Vice-President, give my report for this year. The first point of interest to announce is that there are now twenty-one clubs in Kappa Province, which makes it the largest province in number of clubs in the alumnae department. The interest in the entire province has increased this year due to the reaction of the province conclave which was held in Shreveport last summer. A splendid representation was present for the two-day meeting, and with Mrs. Smith and Miss Scivally both present, I am sure those alumnae who were fortunate enough to hear them speak on the problems of alumnae clubs, received much inspiration and help from the valuable suggestions that were offered. Ten clubs were represented and all of the active chapters sent several representatives. The meeting was most enjoyable and every one left with helpful suggestions for her club.

Every club has been contacted monthly by letters carrying news and every suggestion that will be a help to the clubs in functioning in a more satisfactory manner. There have been many follow-up letters, presenting the different phases of the Fraternity's work, and encouragement has been offered to those clubs who are new and not thoroughly familiar with the routine of the alumnae work.

When the work in the province has been analyzed, it is found that the clubs have been actively at work; increasing the membership and striving to do their part by the Settlement School, Endowment, and Loan Funds. The membership in the clubs has, in many instances, increased, and many of the groups have increased their contributions over last year. The membership of the province is 524, just twenty-nine more than last year. The Okmulgee Club is 100 per cent in membership as well as in contributions. This has been a 100 per cent group for several years. The Corpus

Christi Club is another 100 per cent club in membership. I have looked forward to a 100 per cent province, but even if all could not make it, the chart will show that about fifteen are 100 per cent in contributions to the national projects. Those in this group are: Austin, Fayetteville, Dallas, Fort Smith, Houston, Little Rock, Muskogee, New Orleans, Okmulgee, Oklahoma City, Sabine District, San Antonio, Shreveport, Stillwater, and Tulsa. The active chapters are 100 per cent in donations to the Settlement School; Oklahoma A and Texas A sending \$50 each. The total is approximately \$902.59.

All but four clubs have remembered the Endowment Fund, Sabine District sending \$25. Texas A steps out in front again with a \$50 contribution.

The Loan Fund has received some attention from the hands of nearly all of the clubs and all but one of the active chapters. This is such a worth-while project; it should be considered more seriously when budgets are being made.

The New Orleans Club had the rare privilege of having the entire Grand Council for a visit in December. The Council was in Gulfport, Mississippi, for National Panhellenic Congress and came to New Orleans and to Baton Rouge for a visit, to inspect the state university and the local group on that campus. The visit with the Grand Council was very helpful and the value of these contacts is priceless.

There were other clubs in the province which received visits from some member of Grand Council; Mrs. Alford visited Austin, Houston, San Antonio, Dallas, and Sabine District; Mrs. Smith was a visitor to San Antonio; and Mrs. Stark was in Dallas for a visit. Mrs. Smith paid visits to Norman, Oklahoma City, and Fort Worth clubs last spring, so, all told the province has had its share of Grand Council visits for one year.

As the year closes it brings to an end four of

the happiest years that I have had. It has been filled with the joys and pleasures of working with a splendid group of women. Their interest and coöperation has made it indeed a wonderful experience—one I shall not forget very soon. My work as province vice-president could not have been as enjoyable and as successful as it has been,

had it not been for the untold help and constant readiness to assist of the Grand Council in its entirety and the different committee chairmen. It has been a rich experience serving $\Pi \Phi$ and knowing her leaders, and I am truly grateful for this privilege.

CARRIE WILLIAMSON

LAMBDA PROVINCE VICE-PRESIDENT

IT WAS especially fortunate that my first year as Π province vice-president was the year for club visits; the acquaintance with the personnel of the province and an understanding of the different club conditions, problems, and accomplishments has been of greatest value. I am assured that these personal contacts are mutually beneficial, and the work between the province vice-president and the club officers and members has been that of the happiest coöperation and friendliness.

Surely no province could have more wonderful Π Phi than we have here in the Northwest; they are national-minded, and realizing their importance in the national organization and their obligation toward it, are giving generously of their time and enthusiasm in carrying out the programs of the Fraternity. Each club is actively interested in one or more chapters and their achievements in this direction are far-reaching and creditable.

My visits included ten of the twelve clubs. Edmonton Club had the pleasure of a visit with the Grand Vice-President, Ruth Barrett Smith, and Lambda Province President, Lillian MacLeod Rusch, visited Edmonton and Calgary clubs; it is hoped that I may meet with these Alberta Clubs early in the fall.

All alumnae clubs and all active chapters are contributing to the Loan, Endowment, and Settlement School Funds. Eight clubs have had successful Arrow Craft sales, and there is an increasing interest in the Settlement School. All clubs are planning Arrow Craft sales next year as well as a more constructive program for raising funds for this worthy cause.

Four clubs, Corvallis, Edmonton, Eugene, and Seattle, have active chapters located in the same towns; in each case close affiliation and understanding exists; and these alumnae clubs are of immeasurable value to the chapter.

Sincere effort has been made by the clubs to interest all resident Π Phis and the membership has been increased in seven of the clubs. Last year Lambda Province reported 290 paid members—of these 275 were in clubs and fifteen were isolated members; this year there are 336 paid members—291 in clubs and forty-five paid members of the national alumnae department. Spokane has the largest gain in new members, while Seattle has the largest paid membership; Corvallis increased

her membership of eight last year to thirteen this year. Wenatchee, with a paid membership of twelve, and Corvallis are two of the small clubs of the province but are 100 per cent paid membership and contributions to all funds.

Perfect response has come from all active chapters in sending in senior dues for the national alumnae department; many of these outgoing seniors will be located in towns where there are clubs where they will receive a very warm welcome next fall. Fifty-two seniors will be graduated this June from our seven chapters.

Lambda Province has the signal honor of having as an active member of one of its clubs, our beloved Founder, Inez Smith Soule; Tacoma is the fortunate club, but Seattle and Washington A chapter also have the privilege of knowing her intimately, and Founders' Day each year is made more real and impressive by her presence as guest of honor at the celebration held by the three groups. Mrs. Soule is truly a living example of the ideals upon which our Fraternity was founded, and fortunate indeed, are those Π Phis who live near her and are constantly inspired by her beautiful character and personality and her loyalty and devotion to Π Beta Phi! She is *young* and interesting at the age of nearly ninety years. Perhaps the living of Π Phi ideals is the "Secret of Youth!"

Founders' Day was celebrated by all clubs and chapters; on this day the Nancy Black Wallace Club of Salem had the honor of sponsoring the memorial service and unveiling the bronze marker given by the fraternity for our Founder, Nancy Black Wallace; the ceremony was most inspiring and impressive and was attended by members of Mrs. Wallace's family and alumnae and actives from Oregon clubs and chapters.

As a province officer this year, it has been an added joy in my fraternity life to have had the privilege of greater service to Π Beta Phi, and it is with sincere appreciation that I think of the generous assistance given me by national and club officers and the splendid coöperation and hospitality of province Π Phi. May I at this time thank you for your courtesousness and help throughout the year?

Respectfully submitted,
SUE FLETCHER

MU PROVINCE VICE-PRESIDENT

IT IS with great pride that I bring to a close the alumnae club activity of Mu Province for the year of 1936. It has been outstanding in the case of each alumnae club, and has been marked with improvement and achievement in all departments of fraternity functioning.

There is an increase of around forty members, and although that is not as large as it should be,

it is a start for the future. Mu Province has many isolated Π Phis. There is a paid membership of 641 out of a resident alumnae of around 2,500. The past year has found the clubs of the province very conscious of the fact, and with their coöperation in the future, it is hoped that we can contact many loyal Π Phis who have not been reached in the past.

I am most proud to report that the clubs of the province are 100 per cent in donations to the Loan Fund, the Endowment Fund, and the Settlement School. The Los Angeles Club, with the aid of California Γ and California Δ, gave a Settlement School tea and raised between them \$1,300.00. The one check from the Los Angeles Club is the largest single donation ever received for the Settlement School. I wish to thank the members of the club and the efficient officers for this splendid achievement.

I have been most gratified by the way the clubs and chapters have responded to the Endowment Fund. In many cases the amount donated doubled last year's, and in many others it was a new item on the budget.

This year also marked a happy experience in my life. I visited sixteen of the nineteen clubs in Mu Province. Each club stands out with its own personality, its own pleasures, and its own problems; but all, large and small, with the same true Pi Phi spirit—to work for the ultimate goal—the realization of the ideals of Pi Beta Phi. I wish to thank each club for its hospitality and for the

many pleasures they afforded me. They were and are my inspiration to carry on for Pi Phi in no matter what capacity I find myself.

I wish to thank the members of Grand Council and Marianne Wild for their fine assistance. Their inspiring letters and aid at times of distress have helped me greatly. To Ann D'Aulé I extend my thanks for her splendid cooperation in helping me with the active chapters of the province.

To the club officers and committee members I also extend my thanks. Without their assistance, the record of the province could not be attained.

All in all, it has been a real pleasure to serve the Fraternity as Mu Province Vice-President, and what progress has been made is due to the cooperation of these splendid women who have given their time and enthusiasm to the achievement of the plans of the Fraternity.

To Mu Province as a whole I gratefully express my thanks for all you have given to Pi Beta Phi. May it all be returned to you in the riches that have been mine in this last year of contact with you.

ETHEL LUNSFORD FROST

CHAIRMAN SETTLEMENT SCHOOL COMMITTEE

Community

AT THE close of my four years' work as chairman of the Settlement School Committee, I am happy to make a report to the Fraternity. It is most gratifying to feel and to know that this last year has been the best for the school during my term of office. The most outstanding feature of the year was the addition of the third year to the high school. This fact increased the enrollment and the students, as well as the staff, took a keener interest in their work. I have written twice within the past year to the alumnae clubs and active chapters, and I tried to picture as best I could the activities of the school.

Mrs. Eunice S. Weaver, Illinois Z, continues to serve as director. She has endeared herself to the staff, to the children, and to the entire community. She is doing a splendid work for the Fraternity in the position she holds. She has created an atmosphere of charm and hospitality at the school for every one who comes—whether for a short visit, or to work for a year. Many of the visiting alumnae and friends commend her for her interest in their visits to the school. Unless one spends a while at the teachers' cottage, it is impossible to realize the great number who are interested in seeing the work Pi Phi is doing.

Mr. William King has completed five years as principal of the school. He has lived in the boys' dormitory and has meant much in training them. He has worked with the children in school and out; he has been the coach for athletics, assisted by Ben Fleming. Our boys' basketball team has had a most successful season, and the girls' team, while not always victorious, was most creditable to a school the size of ours. Two ex-students of our school, Stella Huff and Ben Fleming, were teachers in the high school. Their recent articles in the *MAY ARROW* reflect their love for the school and their appreciation of the work Pi Phi has done for the mountain children. The Smith-Hughes agriculture and home economics teachers have continued the vocational work which our school has

done for many years. The Pi Beta Phi chapter of Future Farmers of Tennessee has held its regular meetings, and our boys have won various prizes in the county fairs. The home economic girls have similar meetings and join the Future Farmers of Tennessee in their social gatherings. It was my pleasure to enjoy the January party and I have never seen a more entertaining group of children nor a party where every one had a better time.

The grammar school building was crowded again this year. Eleanor Brabson and Miriam Swann, two east Tennessee girls, were our primer and first and second grade teachers. They have been faithful to the school and the children for seven and five years, respectively. The third, fourth, fifth, and sixth grades were taught by Pauline Campbell, Oregon B, Mary Louise Durkee, Nevada A, and Rosemary Moorehead, Illinois H. These Pi Phis came to us with great enthusiasm and were faithful in their work. It is always a great joy to the committee to know that our active chapter girls are thinking of our school and want to come there to work. Visiting in the classrooms is a delight and one recognizes at once that the teachers are eager to train the children and give them every opportunity to develop personality, as well as to teach them the three R's. This year I found many new songs being sung to our beloved Pi Phi tunes—these new teachers had busied themselves in writing new words and had taught them to the children for their Christmas and Thanksgiving programs. Both of these performances are to be commended—the audience acclaimed them the best the school has ever given. An outstanding feature in the grammar school was the work of the verse choir, which was trained by Rosemary Moorehead. The teachers have been most vigilant in visiting the homes of the absent children—the truant officer is not so helpful.

The Jennie Nichol Health Center continues its wonderful work in ministering to the physical needs of the school and the community. Two nurses have served during the past year, Virginia Moore

left in December to assume a position with the State Health Department, and Mrs. Marjorie Chalmers of Galesburg, Illinois, is her successor. She is already beloved by the children as well as by all the families in the ten-mile area she serves. This past year a small room in the high school building was fitted up to be used as a clinic for the children during the morning recess. There was never a day that the nurse did not find children clamoring for a dressing to be put on a cut, for an aching tooth to be relieved, or for some other ailment to be doctored. The usual inoculations for typhoid, diphtheria, scarlet fever, and so forth were given. Dental clinics were held at the hospital and numbers of the children had tonsils and adenoids removed. The community in the vicinity of Gatlinburg has become so populated that the work of our nurse is very strenuous.

Mrs. Mary Ella McDonald has completed another year of service as housemother. She has been director of the dormitories as well as supervisor of the boarding department. Too much praise cannot be given her for her untiring work. A peep into her pantry in the late fall is proof enough of the hours she spends during the summer in preserving and canning the fruits and vegetables which come from our gardens and orchards. The children look to her as a mother and the staff are ever ready to partake of her tempting repasts.

The Arrow Craft Shop has completed its tenth year of business, and I may also add that it has surpassed all years in the amount of sales. Mrs. Ethel Snow, Iowa I, has been director for eighteen months, and to her goes much commendation. The weaving supervisor is Miss Winogene Redding, and she has added a number of beautiful new articles to our stock during the past year. Miss Redding came to the shop in the beginning and has served more than half of that time as weaving director. The building which was given to the Fraternity by Mr. Louis Voorhies five years ago has been utilized this year by the weaving department. The looms are placed in the largest room in the building and here the weaving classes for the eighth grade girls are held, and the Weavers' Guild, which is composed of the more than eighty women who weave for the shop, holds its meeting. These weavers' meetings are well attended and are most profitable to the women, as interesting programs are prepared by the weaving supervisor. Miss Redding has started a library for her women, and quite a large collection of books and magazines is placed in her office. For the first time in its history, the Arrow Craft Shop can claim adequate display and storage space. Mrs. Georgie Duffield continues to be in charge of the shop in the Mountain View Hotel. The newness of the Smoky Mountain National Park brings many visitors to Gatlinburg. Miss Pauline Requarth, Illinois H, has completed her first year as bookkeeper for the school. Her work has been most satisfactory and the committee as well as the staff are delighted that she has come to join our staff of workers.

During my term of office we have succeeded in reducing the \$10,000 mortgage to a small amount, and before June 30 that debt will be wiped out completely. The debt to the Endowment Fund has also been reduced \$1,500 during my régime. The high school building and the teachers' cottage have been re-roofed; several buildings have had coats of paint; the floors in the teachers' cottage have been refinished; new living room furniture has also

been added there. Concrete flooring has been put in the barn, and new walks have been placed between the houses. An electric refrigerator has been put in; the furnace has been bought for the girls' dormitory, and minor repairs have been made wherever necessary from year to year. The Woodcraft Shop has been remodeled to be used by the weaving department. A car—a Ford V-8—has been bought for the use of the staff. The Sugarland Teachers' Cottage was sold for \$3,500, and this money was applied to our mortgage. The outstanding progress in the life of the school was the changing from a two-year high school into a four-year high school. The third year has been added this year and the fourth will be added the following year. This will make the third four-year high school in Sevier County. The prospects for an increased enrollment are very bright. The local organization of P.T.A. has given much help to the lunch room which is now fostered by the school. There is also a local committee of five members to assist Mrs. Weaver in local matters. The formation of the Little Pigeon Alumnae Club in June, 1935, has also added new life among the staff who are Pi Phi's, and among Pi Phi's in Knoxville and nearby towns.

The continued support of the Settlement School presages the loyal interest of the alumnae clubs and active chapters. To Los Angeles and Cleveland Alumnae Clubs go the blue ribbons for the largest donations. Los Angeles gave \$1,050 and Cleveland \$908. The following active chapters have contributed \$100 each: Colorado A, California A, Illinois Z, Florida B, and California F. On behalf of the Settlement School Committee I want to commend these clubs and chapters and I want to extend the deepest gratitude for the donations from every club and chapter. We know they represent work, hard work, and hours of devoted service to the Fraternity. If you know the intimate workings of the school, you will feel well repaid for your efforts, as they are reflected in its accomplishments. Thank you—and again I say you have not labored for naught. The Settlement School deserves the best efforts of every member of Pi Phi.

It has been a joy to work with my committee this year, and each of my four years of service. To me one of the greatest joys of working for the Fraternity is the deepening of friendships which we form in our work together. I shall have an abiding love for every member of the committee from 1932 to 1936—shall I name them? Helen Tottle, Grace Post, Mary Frost, Mary Gibson, Charlotte Brown, Josephine McCleverty, and Lillian Holton. Each one has given generously of her time and has done her work well. The members of the staff from year to year have shown loyalty and cooperation, and without these helpers the school could not have progressed as it has during these four years which have not been easy ones for the altruistic schools and colleges. We have not lost step in our forward progress which has marked each year in the school's history. My greatest thanks go to the members of Grand Council who have so stalwartly stood behind the committee and who have given their counsel in everything we have tried to do. Words cannot be spoken which could express my appreciation for this honor which has been mine. I yield my chairmanship to my successor, Lillian Holton, and to her I give my best wishes for as happy years of service as

I have enjoyed. I shall ever love the Settlement School and shall continue to be interested in every phase of its life. It is a wonderful tribute to our Founders, an institution which should hold the

interest and loyalty of every wearer of the Wine and Blue.

Respectfully submitted,
FRANKIE C. HILL

DIRECTOR OF THE SETTLEMENT SCHOOL

Community

THE YEAR 1936 found Gatlinburg with a number of changes. Since much of the government road construction in the Smoky Mountain National Park was completed, many government employees and their families and the C.C.C. camp at Elk-mont moved away.

The few mountain families still lingering in the Sugarlands and upper Baskins were forced to move elsewhere by January 1, and finding other homes in or near Gatlinburg was quite difficult in mid-winter.

The young mothers in the government-employed families who were so helpful in P.T.A. work for the past two years, with their interest in improving the school and their efforts in helping to furnish funds for the noon lunches in the grade school, have been greatly missed.

A Business Men's Association was organized for the purpose of improving living conditions and promoting the completion of the highway from Knoxville through Gatlinburg to the Park. Road signs showing school zone and speed limit give us reason to hope for fewer accidents. A campaign has been on foot for the last six months to beautify the "Burg" and sanitary officers have been influencing the people to make improvements. The P.W.A. loan for water-works was not approved. The organization of a private water company has been proposed, but has not yet materialized.

The Pi Beta Phi Alumnae Club which was organized a year ago with a membership of twenty extending from Gatlinburg to Sevierville, Norris, and Knoxville, has been and will continue to be a benefit to the school. The club celebrated Founders' Day with a dinner in the Mountain View Hotel. Ten different chapters were represented by the fifteen Pi Phis present, and three other Pi Phis who happened to be stopping at the hotel came into the dining room before we had finished.

The amateur contest, sponsored by the alumnae club, will not soon be forgotten by the people of the community. Gatlinburg has splendid talent, and those who took advantage of the chance to perform afforded an evening of rich and rare entertainment. There were twenty-five applicants, and but for the stormy night, I fear the auditorium would not have held the audience for there was scarcely standing room left. We hope to make this a yearly event, for it is not only good entertainment for the community but gives the talented ones a chance for expression.

Our school building and grounds have been open, as usual, to Old Timers' Day, harp singings, the farm women's organization, and the customary social events peculiar to our community.

The influence of a full time minister at the little Baptist Church is felt in the community life and the whole place shows signs of progressive spirit.

In spite of the fact that Gatlinburg has grown and appears, along the highway, much more enterprising, the school's influence seems just as necessary and is as deeply appreciated as ever.

School

We opened school on August 19 this year with a third year class added to our high school. This required an extra teacher. A former student of the Settlement School, Ben Fleming, who had just graduated from Tusculum College, was chosen for the position. Both the school and the community soon realized the necessity for a four-year high school, and if we are fortunate enough to have seventy-five students attending high school next year we are promised still another teacher for the fourth-year class by the County School Board.

Mr. King, our principal, put special emphasis on athletics this year. We thoroughly enjoyed the basketball season which was the most successful the school has ever had. Only one game was lost during the regular playing season and eighteen games were won. Our team went to the semi-finals in the district tournament and one player was awarded a place on the all-tournament team. For this occasion, nice looking sweaters were furnished the players by the business men interested in them. A girls' team was experimented with, playing a light schedule.

Measles and such snowstorms as have not been known in Gatlinburg for many years kept the attendance down in midwinter. Other mountain schools did close for two weeks. The total enrollment was 364 and sixty-five of these were high school students.

Our Christmas entertainment was, as usual, the principal function on our entertainment list. Checks and boxes of toys and clothing were received from clubs, chapters, and individuals to help in making this a wonderful experience for the children. During the year plays were given by the seventh and eighth grades and high school classes. Even a beauty contest was held. A verse choir composed of twelve fifth and sixth grade children was a real novelty. In their little choir robes, led by their teacher, Rosemary Moorehead, the members recited many kinds of poems and were in great demand.

Our library has had good care. Two girls have received six dollars per week from the National Youth Administration fund for two hours' work each day spent in caring for the library.

The grade school basement where the small children have their lunches at noon, has been freshly painted by the Parent-Teacher Association.

Our closing exercises, because of the additional high school class, were somewhat changed from the regular commencement activities, only the eighth grade pupils receiving diplomas. Judge Paine of Sevierville, an old friend of the school, delivered an excellent address. The F.F.T. boys presented their silver cup to the outstanding high school girl and the Pi Beta Phi Alumnae Club awarded a cup to the outstanding boy.

The staff for 1935-36 was:

Eunice Weaver, Illinois Z, director.
William King, principal.
E. F. Kite, vocational agriculture.
Gussie Smith, home economics—later Lula Lee

Carlock.

Stella Huff, English, history.

Ben Fleming, math, French.

Rosemary Moorehead, Illinois H, 5th and 6th grades.

Mary Durkee, Nevada A, 4th and 5th grades.

Pauline Campbell, Oregon B, 3rd grade.

Miriam Swann, 1st and 2nd grades.

Eleanor Brabson, primer.

Winogene Redding, weaving supervisor.

Ethel Snow, Iowa F, Arrow Craft Shop manager.

Georgia Duffield, hotel shop.

Pauline Requarth, Illinois H, bookkeeper.

Marjorie Chalmers, nurse.

Mary Ella McDonald, dormitory and house manager.

Lura Ownby, weaving assistant.

Veatress Parton, Arrow Craft Shop assistant.

Ambers Ogle, farm.

Arlie Watson, farm.

Bess McCarter, cook.

Dormitory

Contrary to the usual run of attendance in the dormitories there were twelve boys and eight girls. One-half the number of boys were third year high school students, as were three of the girls. Mrs. McDonald was, as usual, in charge. There has been a fine spirit of harmony and cooperation and the scholarship average of these students has been better than that of the school as a whole, some making straight A's.

We ask five dollars a month in cash, the balance of the thirteen and a half dollars for their room and board to be worked out. Some students, however—often the worthiest are not able to pay even the five dollars, and for them plans are made for extra work during the summer months. The fact that they work to pay for the greater part of their way in school does not seem to interfere with their extracurricular activities. We have been truly proud of these students.

Mrs. McDonald lived in the dormitory with the girls; Mr. King and Mr. Kite stayed in Stuart College and the place had quite the air of a men's club, with all the boys living there, too. The boys and girls never seem to lack amusement, for when working hours are over sounds of music, old ballads sung with guitar accompaniment, can be heard very often. Mrs. McDonald is a splendid task-master, for in encouraging good work, she always sees that a reasonable amount of recreation is allowed.

Due to our close family life, we become strongly attached to each other during the year, and sorry when school is over. It is a deep pleasure to the staff members to feel that we have had a part in the developing of their characters and personalities, and the boys and girls seem thoroughly appreciative of the advantages the dormitory life affords them.

Home Economics

In the department of home economics, Miss Gussie Smith, a graduate of the University of Tennessee, held the position of teacher until February 15, when she was offered a position of Home Demonstration Agent for Jefferson County, Tennessee. The girls adored Gussie and showed great

interest in every phase of the work.

In her first year class which consisted of fourteen girls, beginning with home courtesies and personal grooming, the problems of clothing, foods, and planning and furnishing homes were taken up. This was followed by instruction for both classes by the nurse in child care and health of the family. The class of eleven sophomore girls took up canning and preserving, and later, clothing, ending with a fashion show at assembly for the whole school. Each girl had a tailor made dress. They planned, prepared, and served a dinner to the whole staff, the first year girls making favors and decorations. This was a wonderful occasion and showed originality.

In March Lula Lee Carlock of Knoxville took over the work and carried out the regular program for the rest of the year.

The home economics classroom is the busiest spot in the high school building. One is apt to find, outside of regular class hours, neighborhood women receiving instruction in dressmaking and other problems, costumes being made for some coming entertainment or perhaps a County Demonstration Agent explaining a new cooking gadget or attempting to interest the women in starting a wayside market.

One of the greatest treats of the year for the girls is the trip to the University of Tennessee on Open House Day in the home economics building. The trip is made in the school truck and the greater part of the day spent in seeing the exhibit of the school of home economics and practice.

In addition to her regular classes, the home economics teacher must be actively interested in the P.T.A., giving menus for the noon lunches. Also she gives a day each week to helping the nurse in the hospital.

The school receives compensation from the state according to the number of hours she spends on adult work. Miss Smith accomplished 100 hours of outside work. Several programs for entertainment were given by the Home Economics Club for assembly.

Agriculture

Elmer Kite, graduate of the School of Agriculture, University of Tennessee, has been in charge of vocational agriculture the past year. His time has been divided between his classes in school, doctoring sick cows and horses in the community, answering inquiries along the line of crops and gardens, and conducting outside classes.

As usual each boy had a project which was carried out at home or on the school farm. One day unit class of seventh and eighth grade boys was taught at Banner School in the fall to stimulate an interest in agriculture class work and induce them to come to school. Part time classes were taught in fall and spring, made up of boys of high school age who were not in school. These classes met one night each week.

Due to a dry fall and a severe winter, very little use could be made of winter pastures; consequently, more feed had to be bought than usual. The dairy herd was increased and milk production was good. Livestock, farm, and shop work were exhibited at the county fair, and six prizes were taken.

A livestock judging team was taken to the University of Tennessee and the boys made several field trips visiting the best dairy herds in the county.

For the first time we were represented in the F.F.T. speaking contest. Jimmie Hatcher won first place in the district contest—his subject "Soil Conservation." He also entered the East Tennessee contest, and, although he did not win, he made a very good showing.

Future Farmers of Tennessee

The Future Farmers' organization held their meetings twice a month having fifteen members. They gave one party and had two picnics. A minstrel show was given to obtain funds so that four delegates could be sent to the state F.F.T. convention at Nashville this spring.

Arrow Craft

There is a steady growth in Arrow Craft. Alumnae clubs are in closer contact with it than with any other department of the school. Mrs. Snow, the shop manager, reports that 119 clubs, fourteen shops, sixty-seven individuals, and two active chapters handled Arrow Craft products this year.

The branch shop in the Mountain View Hotel has been enlarged, making it possible for the manager, Mrs. Duffield, to display her stock to a better advantage.

There arose a need in the Southern Handicraft Guild in which we hold membership, for an organization for promoting a larger market for its products. A corporation was formed in May, 1935, called the Southern Highlanders, Inc. Membership is composed of schools, philanthropic institutions, groups, associations, and individuals who are producers of handicrafts. Two shops were established—one at Norris Dam and one in the Rockefeller

Center in New York City. In these two places, as well as at Allandale in Asheville, our articles are sold with those of the other handicraft centers, and it is hoped that the Smoky Mountain Park concession may also be obtained.

The weaving department is now installed in a building of its own. This has made it possible to take care of more weavers, furnishes comfortable room for the weaving meetings, and room for the bulk of the Arrow Craft stock. Mr. Voorhies, who gave this building to the school, is greatly pleased that it is so useful for the weaving, and he was helpful in putting it in order for that purpose.

Gene Redding, the weaving supervisor and designer, has been eight years with the school. This has given her close acquaintance with more than one generation of weavers. Three courses of weaving lessons were given to the weavers during the year, and fifty-five took these lessons. The eighth grade girls attended a weaving class every afternoon from 1:45 until 2:45. Their last project of the year was making woolen material which they made into graduating dresses.

Among the woven articles sold in the shop, one of the most popular was the Smoky Mist scarf. The gay colored fans made nice favors for parties. Recently at an A.A.U.W. convention dinner in Knoxville, our fans were used as favors. A card attached to each fan said:

"Deep within the purple iris,
Lies a heart of purest gold;
So within our Smoky Mountains
Countless beauties may unfold.
Nature's treasures for the seeking
For the traveller who sees.

Hospital

On December 1, Virginia Moore, who had been with us for the past four years, gave up her position here to be Public Health Nurse in Clarksville, Tennessee. Marjorie Chalmers of Galesburg, Illinois, then took up her work.

Her seven years of experience in family relief, child welfare, and kindergarten training, aside from her regular nursing experience, have given her an ideal background for this position. Quoting from her report: "All sick or emergency calls have been answered either to aid the doctor, to give prescribed treatment, or to make sure that home care was properly understood. School inspections and inoculations were completed, pre-school and chest clinics were held, and a great many follow-up calls were made. We have tried to keep up all pre-natal and infant welfare work, for we realized the importance of a proper start in childhood.

"Health education has been carried on by classes in anatomy and physiology, home hygiene and care of the sick, by classroom health talks, by distributing literature, and by friendly visits at home or in the office.

"Many surgical dressings and treatments have been given, hospital equipment loaned in time of need, trips with patients to Sevierville, Knoxville, or Maryville have been made when necessary. When this could not be paid for by the patient, the fund from the Friends of the Mountain Children was used.

"Each morning from 8:30 to 9:30 and each Friday afternoon, the hospital is open for dressings, weighing, inoculations, and advice. The fourth Saturday of each month continues to be a busy day for dental service."

Due to better sanitation and better preventive measures and treatment of disease, community health is at a higher standard than formerly. Stu-

dents in their homes, after having lived in the school, are responsible for much of this improvement.

The County Health Department Blue Ribbon Day is a great incentive for keeping well. Children try to outdo each other in the matter of teeth, tonsils, inoculations, keeping clean, so as to be able to go to Sevierville and march in the parade on Blue Ribbon Day. We took first prize among the larger schools this spring, having 178 blue ribbons.

Dr. Conroy, resident doctor, has taken a share of the responsibility from the shoulders of the nurse, especially in cases of pregnancy. The Health Center remains one of the most important phases of the business and service of the school, a worthy accomplishment.

Office

The office work has gone very smoothly and efficiently. Pauline Requarth, Illinois H, Decatur, Illinois, has been the bookkeeper the past year. The new system of cost accounting started in 1934 in Arrow Craft has been continued, and there has been no confusion in handling the accounts of the various departments. Keeping within the Arrow Craft and school budgets is the bookkeeper's foremost aim, and so far this year almost every account has been kept within its specified limits.

With the cooperation of the alumnae chairmen of Settlement School and their committees, many old accounts on the Arrow Craft books have been straightened out, and most of the accounts opened this year have been very successful.

To you—committee and Council, officers and loyal Pi Phis—we are truly grateful. Your constant, warm-hearted interest and thoughtfulness have made it possible to continue this work of which we are so proud. It is almost too much to express in words, but as one of our smallest boys said to the nurse, "We'uns couldn't hev it, 'thout you-all to help."

PI BETA PHI SETTLEMENT SCHOOL—REPORT ON AUDIT TREASURER'S ACCOUNTS YEAR ENDED JUNE 30, 1936

August 7, 1936

Miss Josephine McCleverty, Treasurer
Pi Beta Phi Settlement School
Seattle, Washington

DEAR MISS MCCLEVERTY:

We have completed the audit of your accounting records as Treasurer of the Pi Beta Phi Settlement School for the year ended June 30, 1936. We have received a copy of the audit report of Messrs. Homer K. Jones & Co., Certified Public Accountants of Knoxville, Tennessee, covering the operations of the Settlement School and Arrow Craft Shop for the fiscal year as reflected by the books that are kept in Gatlinburg, Tennessee. We have given effect to the figures contained in this report on your books, and have prepared therefrom the attached Financial Statements showing the combined results of your operations for the year.

BALANCE SHEET—EXHIBIT 1

Cash on deposit at the Seattle-First National Bank was verified by checking receipts and disbursements in detail and reconciling with the bank's statement. The remaining Current Assets

were taken from the report of Homer K. Jones & Co.

Endowment Fund Investments, listed in Exhibit 5, were verified by correspondence with Mrs. Lois F. Stoolman, Chairman of the National Board of Trustee Funds, and with the Harris Trust & Savings Bank, Trustee. Your books were adjusted to reflect changes in the investments and cash held in the Endowment Fund during the fiscal year.

Fixed Assets are shown in detail in Exhibit 6, at cost and net depreciated values. Live stock is stated at inventory value as reported from Gatlinburg.

The Mortgage has been reduced by payment of \$1,000.00 and a contribution from Mrs. H. Lutchter Stark of \$325.00 to a balance of \$500.00 on June 30, 1936. Interest was paid in full to June 30, 1936.

NET WORTH

The General Surplus is stated separately in Exhibit 2, showing the charges and credits during the fiscal year, resulting in an increase from \$82,963.83 to \$93,741.10 on June 30, 1936. Total

Net Worth after adding the Reserve for School Endowment Fund (\$35,926.33) was \$129,667.43.

SETTLEMENT SCHOOL INCOME & EXPENSE

The combined results of your activities at Gatlinburg and the activities of the Settlement School Treasurer are stated in Exhibit 3, showing a net income of \$222.68, which is carried to Surplus, Exhibit 2.

ARROW CRAFT SHOP INCOME & EXPENSE

The business of the Arrow Craft Shop resulted in a Net Income of \$4,629.94, as shown by Ex-

hibit 4. This amount is carried to Surplus, Exhibit 2.

CHAPTER CONTRIBUTIONS

Exhibit 8 is a summary and accompanying detailed lists of contributions by Alumnae Clubs and Active Chapters during the fiscal year.

We found the books well kept. All necessary adjusting and closing entries have been made on your books to bring them into agreement with this report and to close the books as of June 30, 1936.

Respectfully submitted,
R. C. MOUNSEY
Certified Public Accountant

REPORT OF THE NATIONAL PANHELLENIC CONGRESS
DELEGATE FOR PI BETA PHI

WHATEVER the past two years may have meant for fraternities individually, they seem to have meant for fraternities as a whole a more honest and open facing of facts and a greater willingness to work together for common goals. The meeting of National Panhellenic Congress held last December at Edgewater Park, Mississippi, had an atmosphere of friendliness and mutual confidence which had been markedly missing from the immediately preceding conference and which gives a renewed confidence in the ability of the fraternity system not only to continue but to become increasingly strong. Where two years before there had been a tenseness which seemed to emanate from fear that weaknesses would be discovered, this past year there were frank admission of weaknesses and open desire for help in correcting them. Some fraternities are stronger than ever before, it is true, but some have met such serious loss of ability to initiate that their future presents grave problems. While the delegate for Pi Beta Phi believes that each fraternity should accept responsibility for developing its own chapters rather than expect other fraternities deliberately to weaken their own groups, not just temporarily but for the future, in order to take care of unwisely placed or developed chapters of other fraternities, she could not be a believer in the value of fraternity membership without wanting her own fraternity to give its best towards a right and sane and fair attempt to make it possible for all present N.P.C. fraternities to continue to find a place on college campuses. This place will be assured, she believes, when fraternity women—and perhaps most of all, members of the strongest fraternities—have a true appreciation for the things which all fraternities give to those who love and serve them, have enough knowledge of the organization, achievements, and personnel of other fraternities to know that every fraternity has much of which its members may be proud, admits to herself and to others that size and age are of themselves no sure indication of strength, and acts upon a be-

lief that choice and not competition should be the basis for placing chapters and for bidding girls. Much of the difficulty of the less well-established fraternities can probably be traced to the fact that they have preferred to establish themselves on campuses already too well filled and that their chapters, so placed, have believed that they must draw their members not from women students as a whole but from the much smaller group of women rushed by the better established fraternities. To ask for a quota system to limit the number of pledges which strong groups may take when approximately sixty per cent of the women students on the campus are without fraternity affiliations of any kind and when each girl pledged to any fraternity had been rushed by an average of five fraternities—these are actual statistics for one campus, this year—seems to indicate that there, at least, invitations to membership had been given too largely on the basis least wise for any group—competition. It is probable that there is no chapter of any fraternity which has not, at some time, found that its strongest and most valuable active member has been not the most sought-after "prize rushee" but a less well-known and less conspicuous rushee whose true worth became increasingly evident upon acquaintance. May Pi Beta Phi's representative call upon the members of this fraternity to meet their responsibility not to love their own fraternity less or to feel less keen a pride in its strength and prestige but to make that affection and pride basically sound because they are founded upon a realization of the strength, true worth, and fine personnel of other fraternities as well as their own!

The most emphasized problem of fraternities continues to be that of saving chapters which have become so weak that they are unable to attract enough members to insure their future. That this is a real problem is evident from the fact that during the two years between the last two National Panhellenic Congresses, forty chapters were withdrawn and only thirty-one were installed by N.P.C.

fraternities. The quota system, which has been presented as a solution for this problem, is being increasingly forced upon college Panhellenics even though National Panhellenic Congress as such took no stand whatever in regard to the system but apparently attempted to gain the same objective by issuing a statement that fraternity relations are possible only within certain definitely stated numerical limits. In speaking at National Panhellenic Congress on the statistics collected by the Committee on College Panhellenics, L. Pearle Green, Kappa Alpha Theta, chairman of the committee said: "These figures confirm the conclusion of the National Association of Deans of Women at its February 1935 meeting: that the quota system has not attained the hoped for end—an equal distribution of pledges." She went on to say that the committee next tried to answer the question as to whether the alleged reason for adopting the quota system, which was the wide difference between the number of pledges to groups, was a new thing or only one brought into the limelight by the depression. The committee collected figures for six years—1929 to 1936. These figures were complete for many campuses and more than 50 per cent complete for over half the campuses, and showed that there was never a year of the six when there was not a wide divergence in the number of girls pledged different fraternities on any one campus. The committee also found that there were seldom two consecutive years when the chapter of the same fraternity had either the largest or the smallest group of pledges. The dangers which Miss Green said the quota system had emphasized were:

1. Willingness to alibi failure to secure pledges, to blame other groups instead of carefully analyzing the rush and one's own mistakes, or facing squarely the chapter's handicaps on that particular campus.

2. Friction within chapter and with alumnae, because many quota systems lead to omission of legacies.

3. Weakening of prestige on campus for any group short the quota system on pledge day (even if such shortness is by preference).

4. Growth of anti-fraternity sentiment among independents, by the talk of embittered girls that the quota system prevented receiving invitations from the groups they desired to join.

5. Strengthening the undemocratic charges against fraternities, because outstanding girls are not pledged; girls whom the community does not know preferred independence to joining any group quota restrictions gave them a chance to join."

Pi Beta Phi's delegate continues to urge the fraternity to stand against a system which discounts years of conscious effort to achieve results worthy of recognition in ability to attract the best type of college girl, which is basically unsound because it is unfair not only to well-established chapters but also to rushees, and which has been proved

not to do the thing for which it was originally promoted—make it possible for the weakest groups on a campus to pledge enough and strong enough girls to enable them to continue, regardless of the wisdom used in placing the chapters on the campus or in developing them after they had been established. Surely a wiser and more lastingly safe solution is the one of building up a finer spirit of interfraternity appreciation and friendliness and of getting away from the apparent goal of success in strictly competitive rushing.

This Convention, like those of other fraternities, is being asked by National Panhellenic Congress to approve additions to the Standards of Ethical Conduct which will mean that fraternity women will go on record as believing that "It is beneath the standards of fraternity women to approach any rushee who has signed a preference for a fraternity, other than the one which they represent, with a proposal to refuse to accept the bid indicated and to wait for another bid" or "To fail to observe during exchange visits as guests, the rules, regulations, and customs of the colleges, dormitories and chapter houses, which they are visiting." These standards are only those of clean rushing and right living which Pi Beta Phi has long held before her own members; it should welcome the opportunity to take an open stand for them in its Panhellenic relations. The latter statement represents the first new stand taken by National Panhellenic Congress in many years for fine standards of living: if it can be and is followed by other united stands for the things which mean character and so, rightly represent the ideals of fraternities, National Panhellenic Congress will become at last the power for good which it could and should be. What no fraternity will accept will not be done by fraternity members!

During the interim of conventions, Pi Beta Phi's delegate has served first as a member of a special committee to make a survey of rushing costs and at present as a member of the Committee on City Panhellenics. She attended the twenty-fourth National Panhellenic Congress as official delegate and had the very great pleasure and gratification of being able to present there all other members of Grand Council. She believes that the increasingly common practice of fraternities to have all Council members present at National Panhellenic Congress means increased strength for the Congress, for college Panhellenics, and for each fraternity whose officers are thus given an opportunity to know other fraternities through personal contacts with their officers and who is able to be known through these same contacts with its own officers.

She has tried to make evident Pi Beta Phi's sincere desire to be a constructively contributing, co-operating and friendly fraternity.

Respectfully submitted,

AMY BURNHAM ONKEN

REPORT OF COMMITTEE ON EXTENSION

THE Committee on Extension presents the Pi Beta group of Louisiana State University for the consideration of convention. This group was organized by members of Pi Beta Phi and has the enthusiastic support of active and alumnae members of the Fraternity who know them. All province

and national officers who have visited the group are endorsing them. Pi Beta is located in an institution which is considered so favorably by rival fraternities who are aggressive in extension that Kappa Kappa Gamma recently chartered a group by colonizing. In presenting Pi Beta we offer a well

organized and carefully selected group which is a real opportunity to the Fraternity for a continuation of our constructive but conservative policy for expansion.

Since last convention we have had many inquiries from interested groups representing various sections of the country and many types of colleges and universities: Willamette University of Salem, Oregon; Lady of the Lake College of Texas; Washington College of Maryland; University of Toledo of Ohio; University of Virginia; San Diego State College of California; Baldwin-Wallace College of Ohio; Creighton University of Nebraska; Florida Southern College; Arkansas State College; and Lake Forest College of Illinois. Because of the established policies of the Fraternity some of these groups had to be discouraged while others are being investigated more carefully.

Alumnæ who are interested and zealous in their efforts to preserve and extend the recognized leadership of Pi Beta Phi have communicated with the committee concerning the University of New Mexico, the University of British Columbia, McGill University, University of Tennessee, University of Georgia, University of Akron of Ohio, and the University of Alabama. After investigation the committee has found some of these campuses overcrowded while others may have something to offer

us for future consideration.

Since the Gamma Sigma group at Connecticut State College has been mentioned in previous reports perhaps we should suggest here that this committee awaits the academic recognition of the college, which is required by Pi Beta Phi.

To maintain Pi Beta Phi's outstanding prestige as the foremost woman's fraternity a well balanced extension program seems advisable. Pi Beta Phi has adopted one of the most conservative policies of growth among rival fraternities. Only groups of outstanding merit and/or representing sections of the country where Pi Beta Phi has few chapters are being considered. The Extension Committee bespeaks again your most earnest and thoughtful consideration of Pi Beta of Louisiana State University.

My illness of the past few months has made it necessary for all my responsibility for supervision of Pi Beta to be shifted upon the shoulder of the Grand President. Her cheerful spirit in assuming additional work for the Fraternity when her responsibilities were very heavy already, is a lesson in service for all of us. Since this report is necessarily abbreviated the committee will welcome any questions or suggestions.

Respectfully submitted,

MILDRED TINGLEY BEISEL

COMMITTEE ON SCHOLARSHIP

WITH the completion of my second year as National Scholarship Chairman there are certain definite developments to report. Last year was one principally devoted to the reorganization of committee work and the preparation of the manual and blanks. This year has been the first complete year of operation under the new system. We can now observe to some extent the success with which the new system is working, although the chapter ratings, which will not be available until next fall, will reveal this more clearly.

The scholastic average of the whole Fraternity has been raised from 24 or 60 per cent in 1933-34 to 26 or 65 per cent in 1934-35. This means from 10 to 15 per cent above all women's fraternity average. This shows a definite improvement throughout the fraternity. There were fifteen chapters standing first on their campus last year as against eight the previous year. There were four other chapters who stood second on their respective campuses with a very small rating below first. In 1933-34 there were two chapters standing at the bottom in scholarship on their campuses, both of which raised their scholarship to the first third last year. Last year there was only one chapter which was lowest of women's fraternities on its campus. We see from this that the average trend of the

Fraternity is above that of two years ago. The improvement in scholarship is shown in graphic form on pages 210 and 211 of the May issue of THE ARROW for 1936.

The committee has kept strictly to the regulations set forth in the new manual as to monthly letters, with very satisfactory results. These monthly reports have made it possible to keep in closer contact with the chapters and have proved quite satisfactory. The reports are supplemented by scholarship blanks 1, 2, 4, and Form A which have all proved of definite value. Only a few minor changes for these blanks have been suggested and might be carried out another year. The revision of the manual has made cooperation with the chapters a great deal easier and has proved definitely constructive.

I desire to express my thanks and appreciation to my committee for their cooperation and constructive work, and to Grand Council for their prompt action in considering suggested changes in the organization and work of the committee. I have enjoyed my work on the scholarship committee and wish to thank Grand Council and Miss Onken for the opportunity of serving the fraternity and the inspiration of working with them.

MARGARET WILLIS SMITH

CHAIRMAN COMMITTEE ON TRANSFERS

THE graciousness and interest in transfers reflected by the letters of hostess chapters is most encouraging and indicates a growing understanding of what transfer relationships should be. In most cases, transfers are extended all chapter privileges except voting. They may attend chapter meetings and social functions, including rush parties; and they are generally encouraged to take their meals

at chapter houses and often to live there where there are adequate facilities. Many chapters in addition, plan special parties and meetings for the express purpose of getting better acquainted with the new girls. It is especially interesting to note the often-expressed appreciation for the helpful ideas which transfers bring from their original chapters.

Figures concerning transfers are about the same as those for last year:

Transfers reported	129
Largest number from a single chapter.....	12
Chapters reporting no transfers.....	35
Chapters failing to report.....	7

The procedure this year, also, followed very closely that of last year. In September letters were sent to all chapters (with follow-up later in case of no reply) asking for lists of transfers to and from their campuses as well as the names of advisory board members in charge. At the same time they were reminded of their responsibility toward the new girls and encouraged to cooperate in every way to make them feel at home. When these lists

were correlated chapters were informed of any girls whom they had not located. The help of the responsible advisory board members and of the province presidents was also solicited in furthering transfer contacts, and the many interesting letters received from them indicate that they have more than fulfilled their obligations.

Following suggestions included in answers to a recent questionnaire, it is hoped that several changes may be made in the procedure which will bring even better results next year. Any additional suggestions or criticisms will be greatly appreciated.

In closing, my sincere thanks to the Grand Secretary, the Director of Central Office and others who have helped so willingly this year!

BETTY STOVALL

The Loan Fund has had a very successful year, both as to service to the girls and the support we have received from clubs and chapters. We have 6 provinces that are 100%. All but five active chapters contributed to the fund this year. May I take this opportunity to thank every one who helped us in any way this year?

SOCIAL EXCHANGE COMMITTEE

THE PURPOSE of this committee is to obtain material for a publication, *The Social Exchange Bulletin*, which contains descriptions of clever stunts, rushing parties, homecomings, floats, and suggestions for celebrating Founders' Day. The descriptions are written up clearly and simply, and it is hoped that these ideas are helpful to the chapters of the Fraternity. If chapters have any original ideas for the above headings, please let the committee know about them. *The Social Exchange Bulletin* is the key to this puzzling question, "Where can we find a clever idea for this season's rushing party,

or stunt night?" Now just consult our publication, ready to assist you!

The results of this year are satisfactory, but we want to see every province obtain 100 per cent. The honor provinces for this year are: Alpha, Beta, and Gamma. Next in order come the provinces with one delinquent chapter: Delta, Epsilon, Zeta, Theta, Iota, and Kappa.

The committee is very enthusiastic and helpful. They spend their time, freely and cheerfully, compiling their material for our publication. Congratulations are due them!

COMMITTEE ON FRATERNITY MUSIC

THE Committee on Fraternity Music wishes to report that another year of most interesting contacts has been completed. Letters have been exchanged between the members of the committee at intervals, and the chairman has taken care of correspondence with other individuals when occasions demanded. Questions came in on various phases of fraternity music.

An effort was made to compile a pamphlet for rushing songs but the idea was dropped when not enough interest was shown by the chapters to warrant the expense.

The song contest was held before convention as usual. Fourteen songs were submitted, most of

which were written out more carefully and in better form than usual. The four songs chosen as the best by the committee members were sent to convention for final voting.

Mrs. Douglas Malin was awarded the prize of \$20.00 (a gift of Mrs. Stark to the Fraternity) for the best Memorial Hymn. It is such a lovely song that we want to have it in THE ARROW next fall if possible. It is appropriate for funerals and memorial exercises.

We send most cordial greetings to Convention.

MARGARET L. KELLEBACH

ADVISORY COMMITTEE ON CHAPTER FINANCES HOUSE BUILDING AND PLANS

THE CHAIRMAN of the Advisory Committee on Chapter Finances, House Building, and Plans has spent a great deal of time this year in checking chapter budgets. The 1935-36 budgets have been compared with those of 1933, '34, and '35. In 1933 suggestions were made to over thirty chapters for corrections and revisions of their budgets. Many chapters have followed those suggestions with the result that a large percent of our Pi Phi chapters have better balanced budgets than formerly.

The item most frequently out of balance was that of rent. Quite a few chapters were paying as rent to their house associations, as high as one-third to one-half of their total collected income. The proper proportion is one-fourth or less. In 1933 more than fifteen chapters were paying \$4,000 or more as rent, or as rent and furniture funds; today only six chapters are paying over that amount. Only three chapters are paying more than one-fourth of their income as rent. The number of girls living in chapter houses has greatly increased this past year, and this will help chapter finances.

The food allowances have been sharply increased this year due to increased costs. Chapters should check their food expenditures at end of year carefully as several chapters have allowed excessive amounts for food.

This committee has had very little correspondence with chapters relative to building this past year, but as mortgage money is again available for new construction, chapter house building will undoubtedly increase. We urge groups contemplating new building to work out their finances carefully before starting their project. This committee will gladly help with budgets for house associations.

This committee receives calls for chapter house plans every now and then. It is very difficult to get releases of plans of new buildings as all plans remain the property of the architect and are called in upon completion of the work. It is seldom that a plan will give any help to another group due to varying climatic conditions, varying building laws in the different states, and the very different needs of the groups themselves.

In closing, we feel that chapters have improved their budgets materially, and are now getting real help from them. With continued business recovery, chapters who have had financial difficulty will be able to have their finances in order again and we hope will have benefited by past mistakes.

Respectfully submitted,

SYBIL GUTTERSEN

COMMITTEE ON CHAPERONS

A REPORT of diminishing returns is usually not welcome; but I hail it with enthusiasm when it applies to chaperon cards NOT in October 1. Tardy secretaries, I am happy to say, grow fewer

and fewer. And all but one of them responded promptly to my S.O.S. reminder, usually adding a courteous "Excuse it, please; I'm sorry." I appreciate the promptness, carefulness, and courtesy

of the many. May the few about-face and follow the many's example! Remember October 1, send one card and one data blank—and all will be well.

Fifty-three chapters now maintain houses. In only twelve were there new chaperons last September; however three of these changed again before the end of the year. So many staying on from year to year argues well, I think, for both chapter and chaperon. During the five years that cards have been in use, only three chapters have changed almost yearly and sometimes semi-annually; that is I think, either due to a mistake in choice or to unfortunate conditions within the chapter.

Chapters are demanding, more and more, women of superior ability for chaperons. The rumor of Pi Phi standards seems to have gone abroad. One applicant this spring wrote, "I understand that Pi Beta Phi requires—" and then she listed a college degree, fine personal appearance, fine personality, social prestige, and all virtues—even those possessed only by saints. She said she qualified. (I knew I didn't!) Of our new chaperons all have high school or private schooling; there is a graduate of Columbia, one from Stanford, one from Ohio Wes-

leyan, one a Master from Wellesley, one from Hamilton College, and one from a State Normal. If their personality matches their educational attainments, they are indeed fit to help chapters keep up Pi Phi standards; to maintain in the house that "atmosphere" which our *Bulletin* says they more than any other one are responsible for and to make the house a home of gentlewomen. Pi Phi is indebted to Grand Council for embodying these standards in our House Rules, Rules for Chaperons, and *Bulletin* on Relations between Chapter and Chaperon. A campus recently thought so highly of our rules that it borrowed quite freely when formulating its own.

Nine of our chaperons are Pi Phis; many others belong to other college fraternities, to P.E.O., to fraternal organizations, and to women's clubs.

Each month I am thankful to Mrs. Stark, head of our standing committees, for culling from our monthly letters bits of interest to all and for adding so much general information that keeps us alive to national affairs. To Grand Council, I am deeply grateful for their ever-present support and inspiration.

PI BETA PHI MAGAZINE AGENCY

THE Magazine Agency has closed a strenuous and triumphant year. We are now preparing to launch another year with its intensive campaign of Magazine subscriptions.

As will be seen in the financial report of the Agency, we have sent a total of \$1,450.00 to the Settlement School. Of course, with the amount of business we have carried on our expenses have increased somewhat; then, with the loss in commissions and bonuses from Time, Inc., it is very simple to see we would with them have had another \$2000.00 year.

If any club would like to increase their proceeds to the Settlement School, they will find this project a most easy and pleasant way in which to earn money for our school. You will be amazed how simple it is to secure subscriptions, to any magazine.

Pi Beta Phi Agency is authorized to accept subscriptions for every magazine and periodical published in any language on the face of the earth!

There's a magazine covering every profession—every hobby—every industry—every taste and every age. Pi Phi can handle subscriptions to *all* of them. Really, for gifts, a magazine subscription is now recognized as the most tasteful and satisfactory gift. It's not looked at—laid aside—forgotten. It is actually 12 separate gifts in the case of a monthly and 52 gifts in the case of a weekly.

Gift suggestions have a great appeal to our busy friends of today, for Christmas gifts, Anniversaries, Birthday gifts, Wedding gifts, Valentine, Easter, Mothers' Day, Fathers' Day, Bridge Prizes.

There are thousands of persons who would gladly subscribe through our Agency if they know of its merits, special low prices, and prompt service.

We have 176 alumnae clubs, 79 active chapters, besides the many individuals who cooperate with this Agency. Our Grand President, Miss Onken, not only lends her moral support, but sends in over \$100.00 worth of orders.

Our Agency covers a large area and reaches out to every corner of the United States and Canada, and even is prominent in far away places, such as

the Philippine Islands, Alaska, Hawaii, Newfoundland, and Mexico. Many chairmen are making a marvelous record and should assist others in this work in their club, in every possible way by giving them new leads and pointers in increasing their amount of sales.

One prominent chairman, Mrs. Armin Thebus, of Denver whose club has had first place for several years said to me, "I intend to send out a campaign letter late this summer, then follow this up with personal contacts wherever possible in place of telephone calls. My active committee of ten girls contacts every Pi Phi in Denver." This leader is also planning a contest next year which should be most successful.

We have these suggestions from the Detroit club, which has always been a leader. Their very capable chairman, Mrs. W. K. Groff says, "More of our members are interested in this work this year than ever before. We stress the Christmas prices and are able to obtain most of our business then. We also receive a large number of our orders from the schools and clinics where some of our members are teaching. Magazines for all-year gifts are proving very popular in our club," also writes Mrs. Groff.

As we proceed from this interesting year's work, our scope of business has enlarged and developed to include large bids from schools, clinics, and libraries. We have used these contacts with great success. Also, we are entering the professional and business field most successfully. The doctor, dentist, lawyer, and hairdresser are proving to be our finest customers.

We must bear in mind magazines may be placed in

1. *Every Home.* Magazines will interest every member of the family,
2. *Every Club.* Doctor's and dentist's office, etc. Magazines are ideal for a moment's or an hour's relaxation.
3. *Every School.* Magazines are a liberal education for all students of history, geography, natural history, current events, etc. Magazines give reality

to the most solemn text books.

4. *Every Hospital, Clinic & Library.* Magazines are eagerly read by all who visit the periodical rooms.

5. *Every Hairdresser & Gift Shop.* Ready-to-wear shops and many others are all among the list of our important customers."

We wish to challenge each Pi Phi with our slogan—"At least one order from every Pi Phi the world over." If every member were to place at least one subscription our profits would be the greatest in history.

Mr. Forsythe, Sales Manager of the large Franklin Square Agency, with whom we have always dealt impressed this fact upon me: "We have met with marvelous success but we haven't even scratched the surface! One person cannot do it

alone; neither can one group. It must be the result of the concerted sincere efforts of every member."

As Director of the Agency, I wish to thank the Grand President, Miss Onken, members of Grand Council, every club chairman, and every member for their sincere and untiring effort and the wonderful cooperation that they have extended to me this year. The work has been difficult but with their kindness and praise, the Agency has carried on most successfully. We are greatly happy that such large proceeds have been sent to our school in Gatlinburg.

We will gladly cooperate with you to make this an easy and profitable work, well worth your while. Just write us for further details in regard to this project.

Reports of Active Chapter Delegates

ALPHA PROVINCE, EAST

MAINE ALPHA

I. *Membership:* 1934-35: Initiates 6, active members 26, 1935-36: Initiates 1, active members 12, resident active members 10, resident alumnae 7—total membership up to May 1, 1936—166.

II. *Honors:* 1. Phi Beta Kappas 4; Phi Kappa Phi 4; honor students and graduates 4, 2.2 class executive councils; 1 commencement week committee; 3.1 column editor on *Campus*; 3 reporters for *Campus*; 8 Y.W.C.A. members; 2 Y.W.C.A. cabinet; 2 Sigma Mu Sigma; 3 French Club; 2 Omicron Nu; 4 Der Deutsche Verein; 1 Sigma Delta Zeta; 3 All Maine Women—1 president A.M.W.; 5 Contributors Club; 3 Sodalitas Latina; 6 Home Economics Club; 4 Neal Mathetai; 1 graduate fellowship in German; 2 W.S.G.A.; 3 W.A.A.; 1 assistant hockey manager; 1 tennis manager; 2 Maine Masque; 2 A.M.W. Pageant; 1 highest ranking university student; 1 Portland alumnae watch award.

III. *Scholarship:* Maine A has held the first place in scholarship among the other sororities for the years 1934-35 and 1935-36. At regular chapter meetings roll call is answered by giving grades received during the past week. Any girl with an average less than 2.2 is under restricted ruling. The scholarship chairman is in charge of this. Pledge and chapter average that we require is 2.0 for pledges and 2.4 for actives.

IV. *Chapter Work:* The pledges meet each week and their own officers conduct the meetings. They learn the chapter roll by degrees and other questions are looked up. They assist on committees for the various social functions with members of the active chapter. This spring they gave a picnic for the actives. One member from each class and a representative of the financial committee make up the executive council, which has weekly meetings with the president. The chapter assisted the Y.W.C.A. in its local philanthropic work this past year.

V. *Entertainment:* Each fall Maine A has an informal dance; this year it was in the form of a barn dance. In the spring it is customary to have a formal at the Penobscot Valley Country Club. Our allotted three rushing parties were a scavenger hunt, barn party, and a pirate party. Maine A gave several teas this year to have members of other sororities meet visiting delegates. The chapter is entertained at tea each year by its patronesses.

VI. *Chapter House:* It was necessary for us to sell our log cabin this past year, because we were unable to meet financial requirements on the mortgage. It is now a coffee house, open to all university students.

VII. *Maintenance of Alumnae Interest:* The chapter is always in close contact with the advisory board at regular chapter meetings, and the board meets once a month with the executive council. The Alumnae are organizing throughout the state into groups, all of which are affiliated with the Portland club. There are no Pi Phi transfers on campus.

Malcolm Honor Award (character and scholarship) 1.

III. *Scholarship:* Beginning one month before examinations the scholarship committee requires a minimum of 15 study hours a week. A record is kept and in case of failure more hours are required. An initiation average of 60 per cent is required. The chapter imposes no fines. Rank of the chapter on the campus: 1935-36 first term: first place; second term: first place.

IV. *Chapter Work:* Pledges and actives hold meetings

once a week. The Pledge Supervisor in addition to preparing the pledges for their examination makes use of the personality chart, the activities chart and the Study Guides. The Executive Council which consists of the chapter president and two seniors and two juniors, meets once a month with the advisory board. The alumnae have given interesting talks to the pledge group and the actives on the Settlement School, on the standard and ideals of the fraternity and on current events. Pledges and actives go twice a week to the Lost Mission where the chapter has formed an Arrow Girls' Club among the young children; a prize was offered for the best Arrow Girl. Presents are donated to the Mission at Christmas and the chapter also contributes to the Goodfellows' Club, a local charitable organization. Pi Phi sell poppies on the campus for Remembrance Day. Interest in activities is stimulated at meetings and each active and pledge is expected to take part in as many activities as she has time for. Nova Scotia A sends donations to the Loan Fund, to the Settlement School and to the Endowment Fund. There is no chapter publication.

V. *Entertainment:* 1934-35: Fall rushing consisted of an afternoon tea and a formal dance. In November the chapter entertained Miss Onken, Mrs. Scott, Mrs. Cassidy, and delegates from Ontario A, Maine A, and Massachusetts A at its installation into Pi Beta Phi. During the year the chapter entertained at two informal dances and one formal. Mrs. Webster was a guest of the chapter in February. The Senior Farewell Banquet was held at the Nova Scotian Hotel after which the girls attended the Supper Dance. Founders' Day was celebrated by a cooky-shine at Mrs. Smith's, 1935-36. Miss Peene, Province President, visited the chapter in October. Fall rushing consisted of a tea party and a formal dance. Our pledges entertained for the pledges of Alpha Gamma Delta at an afternoon tea. The chapter during the year entertained at a scavenger party, and Christmas party, one informal and one formal dance. An Easter tea was given for freshmen not eligible for rushing this year. An initiation banquet followed the initiation ceremony in January. The Senior farewell ceremony and banquet were held at the Nova Scotian, followed by supper dancing. Founders' Day was observed by a tea given the chapter by one of its patronesses. Cooky-shines were held once a month.

VI. *Chapter House:* University regulations do not allow women students to live in fraternity houses, but the chapter in 1934-35 was very privileged in having the use of the home of Mrs. Wilson Smith, Missouri A. In 1935-36, the chapter rented a furnished room, where cooky-shines could be held. The girls living in the city offer their homes for parties.

VII. *Maintenance of Alumnae Interest:* The alumnae attend the active meetings frequently and take an active interest in anything connected with Pi Phi. An alumnae club is now ready to be formed. There have been no transfers.

III. *Scholarship:* Scholarship cup awarded to initiate

with highest average. This year, sophomore showing greatest scholastic improvement from end of freshman year to end of sophomore year received Pi Beta Phi ring; next year award goes to member having highest scholastic average. When replying to roll call at each meeting, members report cuts taken and marks received in preannounced tests. Scholarship committee aims to provide help for any member having difficulty with her studies. A pledge must secure an average of 78 for initiation. Class having lowest average gives party to class having highest average. Rank of chapter among socially competing fraternities for women for year 1934-35, was third; 1935-36 (first semester) sixth—there are six women's fraternities on campus.

IV. *Chapter Work:* The pledges meet once a week for pledge study under the instruction of a senior who has charge of this work. Each sponsor keeps in close contact with her pledge, watches her marks, her extracurricular activities, and her general standing on campus. It is tradition for the pledges to send home-made candy to their sponsors at Christmas to show their appreciation and friendship. The executive council consists of the president, vice-president, treasurer, and one representative from each of the four classes. The members are elected by ballot and meet once a week. Small red stockings are given out at Christmas to be filled with spare change during the vacation, and the total amount is sent to the Settlement School. A rummage sale conducted by the freshmen adds to the chapter contributions to the Loan Fund and the Pi Beta Phi Endowment Fund. Every Christmas a small contribution is sent to a Pi Beta Phi mother.

V. *Entertainment:* 1934-35: Panhellenic tea for freshmen, two rushing parties (slumber party and arrow cake ceremony), report by chapter delegate of the National Convention at Yellowstone, pledge supper in the rooms, national visitor gave a talk on the founding and meaning of Pi Beta Phi, musicale at the Kappa house with all sororities invited, sophomores' party for freshmen, formal dance, outing to cottage of an alumna at Lake Dunmore at which was held Senior Farewell Ceremony, alumnae tea. 1935-36: Panhellenic tea for freshmen, province president as visitor—special meeting for discussion with her. Two rushing parties (black and white, and arrow cake ceremony), tea dance, breakfast and dance during Winter Carnival, initiation supper, reading of all the past histories of chapter (social and business—and general interesting facts), reading of some of Leacock's novels, a reading of Edgar Allan Poe, a Settlement School program, a talk by one of first Pi Phi here at Middlebury, a program in honor of Mrs. Grace Coolidge, formal dance, Senior Farewell Ceremony.

VI. *Chapter House:* Chapter houses not allowed on campus. Rooms are in business block in center of the town. Two new rugs, a new studio couch, and three new lamps for rooms.

VII. *Maintenance of Alumnae Interest:* Alumnae are invited to one meeting a month besides entertainment evenings. There is monthly calling on the alumnae for informal tea. By rotary system each member at end of year has called on each alumna. The alumnae are invited to initiation and initiation banquet. They join with the chapter on Founders' Day, spring house party, and Senior Farewell Ceremony. One unaffiliated transfer in last two years. Transfers are invited along with freshmen to rushing parties. They are asked to come to "open house" held by each women's fraternity before the actual rushing period.

III. *Scholarship:* Reports of cuts and marks received in hour tests taken regularly at meeting. Ten cent fine on cuts which is deposited in house fund. A Recognition Pin is given to the girl who raises her marks the most during the preceding semester. This is a traveling award. Girls with marks lower than seventy-five per cent are required to hand in study cards each week. Pledge Supervisor directs freshman study. Panhellenic rules that pledging average must be 75 per cent. Chapter requires the same average for initiation. Previous to 1935 the required initiation average was 77. Rank of chapter on campus has been, 1933-34, first semester, first with 84.37; 1933-34, second semester, fourth with 81.42; 1934-35, first semester, fourth with 80.383; 1934-35, second semester, sixth with 78.97; 1935-36, first semester, sixth with 77.95.

IV. *Chapter Work:* The pledge supervisor directs the work of the pledges and meetings are held regularly every week before chapter meetings. Each pledge has a sponsor, an upperclassman, who serves as her special adviser. Executive council consists of the president of chapter (an ex-officio member), the chairman, the recording secretary, and representatives from each class, all elected by nomination from the floor by the chapter. Chapter gives \$20 yearly for the Settlement School, \$3 for the Loan Fund, and \$2 for the Endowment Fund. A silver loving cup, called the Pi Phi Character Cup, is given to the girl who by the vote of the chapter most nearly lives up to the ideals of Pi Beta Phi and is most representative of the chapter. A Posture Contest was conducted this past year within the chapter, an award being given to the girl improving the most. A library fund has been started. A chart is kept on which the activities of each individual are recorded. A Christmas party was given for some poor children of the town.

V. *Entertainment:* 1934-35: Visit of Florence Hunt Webster, assistant to the Grand President, Kake Walk week-end and pledge breakfast. Open House breakfasts, Fall Informal. Initiation cooky-shine. Rushing; open house, formal tea, and final party (combination of a Prison Party at Song Song Penitentiary and a formal party). Pledge banquet at the Hotel Vermont, initiation banquet at the house. Founders' Day celebrated at the house with the alumnae. 1935-36: Visit of Miss Vida H. Peene, Alpha Province East President. Tea and cooky-shine. Interfraternity breakfast. Informal discussion group led by Prof. Evans to which all women's fraternities, deans, and housemothers were invited. Tea Dance, fall informal. Initiation. Open house for all freshman women in the fall. Eta Sigma Phi and Blue Stockings held their meetings at the house. Rushing; invitation tea, formal dinner in chapter room, entertainment centered around goat, as mascot. Pledge cooky-shine, pledge banquet at Hotel Vermont, initiation banquet in Roof Garden. Entertained Vermont A and alumnae on Founders' Day. Six actives made trip to Boston last fall to Panhellenic meeting.

VI. *Chapter House:* The chapter house, which was completed in February 1932, is owned by the incorporated alumnae to whom the actives pay rent. The house is valued at \$29,797.30. The floors have been re-done each summer, and the bathroom re-tiled. New curtains and chair upholstery in the chapter room, donated by seniors.

VII. *Maintenance of Alumnae Interest:* The alumnae hold their meetings at the chapter house frequently and on several occasions the actives have been invited to attend their meetings. Actives assist the alumnae with rummage sales and Settlement School sales. The alumnae are always welcome to attend regular meetings and are invited to the pledge luncheon, initiation banquet, Founders' Day, June Spread, and the various dances of the years. Mothers' Club also uses house for meetings. 1935-36: No affiliated or unaffiliated transfers.

III. *Scholarship*: All grades and cuts are reported at each meeting. An average of C is required of all pledges. The chapter is divided into two teams, the one with the lower scholastic average giving a party at the end of the semester for the other team. The alumnae club is giving awards to the upperclassman and to the freshman with the highest grades, and also an award to the girl who shows the most improvement. For the year 1934-35 the chapter ranked fifth on the campus.

IV. *Chapter Work*: The rush captain has charge of pledge study. The organization of the meetings is similar to that of the active chapter. They have their officers, report marks and cuts, and use pledge ritual. Each week they are quizzed on two provinces for the chapter roll. Each girl has a sponsor to help in her preparation for fraternity life. The Executive Council consists of the president (ex-officio member) the treasurer, a senior, a junior, and a sophomore. The chapter treasury contributes to the Loan Fund, Endowment Fund, and Set-

tlement School. We assist in Christmas parties and in contributions to settlement school children about Boston.

V. *Entertainment*: 1934-35: Rush party and tea, tea for Mrs. Cassidy, formal pledge dance, initiation dance and banquet, tea for Mrs. Webster, informal spring dance, Panhellenic tea dance, Founders' Day luncheon with alumnae, spring house party. 1935-36: Rush party and tea, formal pledge dance, tea for Miss Peene, Panhellenic formal dance, tea for Mrs. Smith, formal initiation banquet and dance, Mothers' tea, Founders' Day luncheon with alumnae, Panhellenic tea dance, spring house party.

VI. *Chapter House*: 1934-35: College restrictions made it necessary to have only two furnished rooms, a fifteen minute walk from school. 1935-36: Seven national women's fraternities bought a house, just a short distance from school, and deeded it to Boston University for fraternity use. Here each fraternity has a chapter room, and on the fourth floor are dormitories, with provisions for two girls of each fraternity to live there. The alumnae have given us great assistance in furnishing our room. The house may be used also for social functions, and is promoting great Panhellenic spirit.

VII. *Maintenance of Alumnae Interest*: Once a month the alumnae advisory board meets with the executive council, and at least one member attends the active meeting. Founders' Day celebration is with the alumnae, as is our initiation banquet in February. Frequently we have alumnae visitors at our meetings. Three members have Pi Phi mothers, two have Pi Phi sisters, and two have Pi Phi aunts.

Social Honors: 1 Junior Beauty; 1 R.O.T.C. Sponsor; 1 Freshman Beauty; 1 Candidate Winter Carnival Queen.

III. *Scholarship*: Last year we were able to raise ourselves from seventeenth to sixth place on the scholarship rating for sororities on the campus. As an incentive for improvement in marks and better marks, we have instituted a system whereby a girl is given two points toward a recognition pin for a B average and 3 points for an A average. The girl who makes the most improvement during the year is given 5 points, which is the number of points required each year.

IV. *Chapter Work*: Each pledge is given a sponsor on the night of formal pledging. The pledges hold regular meetings at the same time as our chapter meetings on Monday night. Before each meeting there is an executive council meeting which is composed of the president, vice-president, pledge supervisor, one junior and one sophomore. Our chapter instituted a new system this year in an effort to raise our scholarship and activities. A point system was devised whereby a girl gained points for her activities and scholarship. Each girl must earn five points a year for a total of twenty at the end of her senior year in order to receive a recognition pin. An activity bracelet is awarded to the freshman having the

most activities. The girl having the highest scholarship in the chapter receives a ring. Every Sunday night we have tea for the pledges and actives at which time we have skits, entertainment, and singing of Pi Phi songs. We contributed money from the chapter treasury to the Loan Fund, Pi Beta Phi Endowment, and the Settlement School. Several of the girls bought articles from the Settlement School. Our chapter also contributed to the Student Emergency Loan Fund here at Syracuse and to the Syracuse Community Chest.

V. *Entertainment*: 1934-35: Rushing consisted of informal, formal parties, teas, and open houses. Girls from each class were entertained by the alumnae; attended chapel in a body; buffet suppers; three gang dates; Christmas party; pledge dance; Christmas formal; Panhellenic banquet for all sororities; faculty tea; Mothers' Day tea; faculty members entertained at dinner; Founders' Day celebration with the alumnae; initiation banquet at Hotel Onondaga; Spring formal. 1935-36: Rushing season started with formal and informal parties, teas, and open house; pledge dance; dinners given by the alumnae for the different classes; buffet suppers; Panhellenic Banquet; attended chapel in a body three times; faculty tea; Christmas party; Christmas formal; Winter Carnival; attended marriage of Pi Phi in a body and then came to her reception at the chapter house; tea for Mrs. Fox, Alpha Province President; Mothers' Day tea; gang date; Founders' Day with Cornell chapter; Spring formal.

VI. *Chapter House*: Our chapter house is rented from the alumnae. Since May 1, 1934, two bedrooms have been furnished in Stickley furniture. The alumnae gave us a lovely set of china and the pledges some new ash trays. Several chairs and some bedroom furnishings have also been added.

VII. *Maintenance of Alumnae Interest*: Once a month we hold joint meetings for the executive board and advisory council of the alumnae at which affairs of the local chapter are discussed; the alumnae entertain the members of each class at a dinner once each year. Founders' Day celebration is held at the chapter house for the actives and alumnae. There have been no affiliated or unaffiliated transfers on our campus during the past two years.

III. *Scholarship*: Scholarship committee, headed by a junior, investigates grades and confers with delinquent students and their professors. Study hall is held three times a week for those whose scholastic average is below 70 per cent. A record of each person's average and marks is kept and checked over by the alumna on scholarship. The number of one's activities is limited according to scholastic average. A definite schedule of quiet hours with increased number during finals is enforced. A freshman with the highest average during the first semester is given a Pi Beta Phi charm; the active member with the highest average is awarded the scholarship ring. Pledge average is 70 per cent, no failures. Chapter average is 70 per cent. The chapter ranked in 1934-35, first semester, second; second semester, third; 1935-36, first semester, fifth.

IV. *Chapter Work*: Weekly meetings are held under the leadership of the pledge supervisor and the president of the pledges, while the active meeting is taking place, preparations for chapter examinations, informational talks by the supervisor and members of the alumnae advisory board, occasional social gatherings with the whole chapter complete the work. Executive council is composed of the chapter president, a member from each class, and a member at large. The chapter sent contributions to the Settlement School, the Loan Fund, and the Pi Beta Phi Endowment. Dinner exchanges between the sororities and non-sorority groups were held monthly.

V. *Entertainment*: Rushing consisted of a reception, three open houses and a formal banquet. A pledge tea was given to present the pledges to the campus. The annual Christmas party, Founders' Day Program, and May Day breakfast were held for the patronesses and alumnae as well as the chapter members and pledges. Alumnae luncheon and cooky-shines, initiation banquet were given for the active members and alumnae. The dances of the year consisted of a fall informal, winter open house, winter formal, and a spring formal.

VI. *Chapter House*: The house valued at about \$15,000 is owned by the alumnae and is rented by the active chapter. Within the last two years the house has been renovated entirely. The kitchen and dining room have been extended and remodeled. There are new hardwood floors on the first floor and the second floor hall. The house-mother's quarters have been made into a suite. Four new bedrooms and a dormitory have been added. The reception room has been re-papered and furnished in Victorian style.

VII. *Maintenance of Alumnae Interest*: Alumnae are invited to all entertainments, cooky-shines, and chapter meetings. Once a month the alumnae advisory committee meets with the executive council. At each informal chapter dance, alumnae are invited as guests. In June the chapter holds an alumnae luncheon during Commencement Week. There have not been any unaffiliated or affiliated transfers in the last three years.

We have no social honors on this campus; 1 second place in intersorority song contest.

III. *Scholarship*: There is a scholarship committee composed of one member of each class and a member of the advisory committee. This committee checks the marks of each member. A recognition pin is given to the initiate having the highest average. A file is kept of old examinations to which all can refer. The pledge average is an average of 70 without any failures. For the year 1933-34 the chapter ranked ninth in scholarship among 13 women's fraternities, for the year 1934-35, seventh, and for the year 1935-36, seventh.

IV. *Chapter Work*: The pledge supervisor uses THE ARROW extensively in her work. After the quiz of the chapter roll and the constitution the meetings are open for discussion on phases of Pi Phi tradition. The pledges are encouraged to go out for activities, but still keep up their marks. There are special meetings to help train the pledges for their exams. The Executive Council consists of president, ex-president, one senior, two juniors, one sophomore, and one from the house at large. There was 100 per cent contribution to the Red Cross. The chapter also sends annual contributions to the Settlement School, to the Loan Fund, and to the Endowment Fund. Supper is served at the chapter house every Monday preceding meeting. We have had bull sessions and discussions to determine what is wrong with the chapter and how to correct it. We also have installed a system of telephone duty for the pledges and initiates.

V. *Entertainment*: Formal rushing which consists of eight teas, an informal dinner, and two formal dinners takes place in the fall. A pledge breakfast and a pledge formal dance, and a pledge party for the pledges of other sororities follow. There is a dinner-dance for the members living in the house, and a spring formal. An alumnae tea, a student tea, a formal faculty reception, and a senior farewell supper complete the formal forms of entertainment. The chapter hostess invites professors and their wives to dinner on Sundays.

VI. *Chapter House*: The house is owned and is valued at \$20,000. In the past three years we have had the entire inside of the house repapered and painted. The kitchen and bathrooms were done over with new fixtures. We also got new drapes for the living room and studio couches for each bedroom and new furniture for the dining room.

VII. *Maintenance of Alumnae Interest*: The chapter has an alumnae advisory committee which supervises our rushing, scholarship, expenses, etc. The chapter is entertained by the alumnae at cooky-shines. We have had one unaffiliated transfer. She has come over to Monday night suppers and has helped us entertain. There have been no affiliated transfers in that time.

III. *Scholarship*: Alumnae Advisory scholarship chairman meets with Executive Council to discuss chapter scholarship. Aid is given to those members who require it by an active or an alumnae. Each sponsor helps her sponsee in scholarship if necessary. A recognition pin is awarded the freshman attaining the highest scholarship standing, a cup to the sophomore, and a shield to the junior achieving such an honor. A minimum of 30 hours a week is required of each member and these hours are read out by the scholarship committee during the weekly

meeting. These, together with monthly and semester marks are posted on a scholarship chart. Failure to meet with the required number a week is penalized by two hours' extra study for each hour lacking. There is also a fine of ten cents an hour under the required amount. A pledge must have an average of 60 per cent for her Christmas examinations before initiation. An active must have the same average otherwise she is deprived of holding office in the fraternity. Ontario A presents a scholarship cup to the fraternity ranking first on the campus for the year. For the year 1934-35 we ranked third, for the year 1935-36, fifth.

IV. *Chapter Work:* The pledges meet weekly under the direction of the pledge supervisor, a senior in the chapter. They elect their own officers who make reports to the Executive Council. A portion of the chapter roll and the history is learned during the week and written out during the meeting. The supervisor discusses topics of general interest to Pi Beta Phi. The pledges attend the weekly cooky-shines and all social functions of the chapter. A sponsor has charge of one pledge to give her assistance in fraternity life. The Executive Council consists of the president, vice-president, corresponding secretary, treasurer, one sophomore, and one freshman. Subscription dances and bridges have been held and these proceeds along with those from the magazine agency are contributed to the Settlement School, Loan Fund, and Endowment Fund. Contributions are also made to the local Settlement School and the Y.W.C.A. Members volunteer their assistance during the year to the Settlement School and each Christmas stockings are prepared by both the actives and the alumnae for these children. Assistance is given on special tag days sponsored by philanthropic organizations in the city. Each member is given some office in the fraternity to prepare her for any future responsibility in the chapter. At the close of each year there are two memorial awards presented, one to a senior and one to a freshman, who have best fulfilled certain necessary qualifications. After each regular meeting a talk is given by a person outstanding in literary, artistic, or other interesting activities.

V. *Entertainment:* 1934-35: the regular rushing teas, luncheons, suppers, and evening parties, a pledge dance and theater night, an invitation banquet and dance, the Mothers' Tea, the fraternity birthday party, an evening party for Miss Onken, a subscription bridge, the annual dance, the Panhellenic banquet and dance, Founders' Day high tea in Hamilton with Ontario B, a Senior farewell luncheon and the annual house party at the close of college. 1935-36: the rushing teas, luncheons, suppers, and evening parties, a pledge luncheon and the theater party, the invitation banquet, the Mothers' Tea, a subscription dance, a bridge tournament with Delta Gamma, the fraternity birthday party, the Panhellenic banquet and dance, the annual dance, Founders' Day high tea in Hamilton with Ontario B and the Buffalo alumnae club, a senior farewell luncheon, and the annual house party at the close of college.

VI. *Chapter House:* The house is a rented lower duplex situated near the university. Since 1934 all the rooms have been painted. New draperies, slip-covers and a studio couch have been purchased. There are new draperies, a slip-cover for the couch and a coat rack in the pledge room. There are several new prints on the walls.

VII. *Maintenance of Alumnae Interest:* There is a close contact between the alumnae and the actives. At least one alumna attends the weekly cooky-shine and meeting. There is a meeting of the executive council and alumnae advisory committee every month. During rushing the alumnae pour tea, help in the kitchen and also aid in rushing the girls. They attend the birthday party, the invitation banquet, the annual dance, and the Founders' Day celebration. Many of the alumnae are present at the annual house party, one of whom is the chaperon. Both the actives and the alumnae prepare the Christmas stockings for the poor. The actives attend a few alumnae meetings which are of special interest to them.

III. *Scholarship:* A grade bulletin for both pledges and actives is posted in a prominent position, which tends to inspire those with lower standing. The Scholarship Chairman and alumnae members speak to the pledges and actives to inspire them to greater efforts. There are no fines, social regulations, or rewards. At least a third-class average is demanded by our chapter. For the year 1934-35 Pi Beta Phi ranked first on the campus. (Information for 1935-36 standing not available.)

IV. *Chapter Work:* Weekly pledge meetings are held under the supervision of the pledge supervisor, during the active meeting. The pledges elect officers and conduct their meetings in a formal manner. Their work is apportioned through the semester, in preparation for the pre-initiation examination. At each meeting written or oral quizzes cover the assignments, with a final review before the examination. Each sponsor keeps in close contact with her pledge and notes her marks and her extracurricular activities. The Executive Council consists of the president, two seniors, two juniors, and one sophomore. The council is elected by the chapter. Every year, five dollars (\$5.00) is raised by the chapter for each of the following funds: the Settlement School, the Loan Fund, and Pi Beta Phi Endowment Fund. Each Christmas baskets are donated to poor families. The chapter is also active in Child Welfare work.

V. *Entertainment:* Each year there are ten formal rushing parties, six informal rushing parties (three teas and three dinners), open house, an annual formal dance, an intersorority tea, a faculty tea, cooky-shines, a tea for mothers and townspeople, Founders' Day high tea, and a Panhellenic Banquet.

VI. *Chapter House:* Our house is rented and is situated quite near the campus. Two large rugs, curtains, lamps, and two wardrobes have been purchased.

VII. *Maintenance of Alumnae Interest:* The alumnae members are present at all social functions, initiation and Founders' Day celebration. They attend many of the active meetings and cooky-shines and are represented at all the rushing parties. There have been no transfers on the campus in the last three years.

III. *Scholarship*: Awards: chapter ring given to the girl graduating with the highest grades. Pi Beta Phi diamond pin given to the girl who raises her point average the most in one semester, to wear for one semester. Pi Beta Phi sapphire pin given to the initiate who has the highest grades of her pledge class, to wear for one year. Diamond set recognition pin awarded to the sophomore who has maintained the highest interest in worthwhile activities. Alumnae award a diamond set recognition pin to the junior girl who fills the requirements for the Amy B. Onken Award. This pin was given by the alumnae advisory board and is awarded every Founders' Day. The alumnae club presents a cup to the chapter upon which is engraved the name of the girl graduating with the highest grades. Pledges are regulated in their studies by active assistance and by study tables. They are required to study every night at the house from seven until ten. There are special tables for all girls who have an average lower than a C. The actives are included in this last item. For initiation a girl must maintain a C (1 point) average for at least one semester. After she becomes an active she must maintain this average and must forfeit her pin for six weeks if she does not. 1934-35 Pi Beta Phi ranked fourth; 1935-36 (first semester), Pi Beta Phi ranked third.

IV. *Chapter Work*: Pledge meetings are held at the same time as active, every Monday night. The pledges are trained in work concerning the history of the national fraternity and of our own chapter. Meetings are planned so as to be interesting as well as instructive. Executive Council—is composed of the president, a representative from the senior class, a representative from the junior class, a representative from the sophomore class, and a member at large. Settlement School—contributions raised from "pin-money" saved by the pledges and actives. Endowment Fund and Loan Fund—the chapter sends annual contributions to these two funds. Chapter publications—each year a Founders' Day paper is published which reviews the work and social events of the preceding year. It is mailed to alumnae and all national officers. Plans for development—next year we hope to concentrate on activities and scholarship. Our province has a new system of rating the activities and we are certain that it will be very successful.

V. *Entertainment*: Chapter entertainment consists mainly of rushing parties, chapter affairs, and parties for the faculty. 1934-35: Four rushing parties (Arrow team, picnic, Pi Phi wedding, and the acceptance banquet), pledge dance, intersorority pledge party, luncheon for sorority presidents, tea for Patronesses and the Advisory Board, Christmas dance, dinner parties for the various members of the faculty. Winter formal, Spring rush parties, initiation banquet, Founders' Day banquet, banquets, teas, and parties for visiting officers, Spring formal, chapter picnic, rush picnic, picnic for alumnae, cooky-shines, buffet supper once a month, Senior Farewell. 1935-36: The same.

VI. *Chapter House*: Rented. Furniture (chairs, davenport, etc.) re-upholstered. Purchased two new tables, two new lamps, six new dressing tables, two new maple double-decker beds. We are moving into a new house next year, which will also be rented, but we will be able to house more girls and have better facilities. We hope to have the decorating done by an interior decorator assisted by the advisory board.

VII. *Maintenance of Alumnae Interest*: The alumnae are invited to attend meetings, they are invited to the rush teas and parties, the chapter and alumnae have combined picnics, Founders' Day celebration, initiations, and the initiation banquets. We have one unaffiliated transfer. She is invited to all parties and eats dinner at the chapter house three nights a week. We have had no affiliated transfers during the interim of convention.

III. *Scholarship*: The scholarship chairman of the alumnae advisory board cooperates with scholarship chairman of the active chapter in checking the grades of the pledges twice during each quarter and advises those whose scholarship is low. Individual help is given to those whose grades are low. The Mothers' Club has donated a plaque upon which is engraved the name of the active who has received the highest scholastic average of the entire year. Each year at the Founders' Day banquet, two pins are awarded in the active chapter and two corsages in the pledge chapter; one pin to the active having the highest grades for the first two quarters and one corsage to the pledge having the highest grades for this time, and a second pin to the active who showed the greatest improvement over the first quarter and a second corsage to the pledge who shows the greatest improvement. The chapter demands that a freshman shall complete thirty hours with a 2.3 or C+ average in order to be initiated, while an upperclassman must have completed forty hours with a C average in order to be initiated. In 1934-35 the chapter ranked first among twenty-eight national Panhellenic fraternities. The ranking for 1935-36 has not yet been determined.

IV. *Chapter Work*: Weekly pledge meetings are held and are supervised by an upperclassman, with the president of the pledge chapter presiding. In these meetings they are given material with which they prepare for initiation. Before pledge meetings weekly spreads are held for actives and pledges. The personnel of the Executive Council consists of the president, the treasurer, the pledge adviser, the rushing chairman, one sophomore, one junior, and one senior elected by the chapter. Both years we

have contributed to the Settlement School, Loan Fund, and the Pi Beta Phi Endowment Fund. By raffling a dress the chapter raised money to send one girl in addition to the delegate to Convention. The pledge chapter gave a benefit bridge to send one of the newly-initiated freshmen to Convention. Twice a year a chapter paper, *The Ohio Beta Arrow*, is published. This paper tells of the activities, social events, and other interests of the year. It is sent to Grand Council, to our province president, and to the alumnae.

V. *Entertainment*: 1934-35: Three formal dances, a tea for our new chapter, a Fathers' Day dinner, a Homecoming tea, a Christmas party, a bridge party for our new chapter, a Founders' Day dinner, and a Mothers' Day tea. 1935-36: Three formal dances, a Fathers' Day dinner, a Homecoming tea, a Christmas party to poor children, a Founders' Day dinner, and a Mothers' Day tea.

VI. *Chapter House*: Our house is owned and valued at \$20,000. Since May 1, 1934, we have made the following additions and improvements: 2 new dressing tables, 1 chair, 2 davenport re-upholstered, 3 chairs re-upholstered, 1 glider, new Congoleum for the cloakroom, new Pi Beta Phi dishes, 2 new double blankets, 6 new sheets, 2 new chairs, 1 new divan, 1 new awning, new plumbing in the bathrooms, 1 new breakfast table, 1 new silver service, 2 new mirrors, and 2 new wall hangings.

VII. *Maintenance of Alumnae Interest*: Our alumnae are very much interested in our chapter. We have a joint spread with them each year. They chaperone our dances and many are kind enough to lend their homes for rushing parties. The *Ohio Beta Arrow* is sent to each alumna. Joint meetings of the alumnae advisory board and the executive council keep the alumnae actively interested. We have had two unaffiliated transfers on our campus in the last two years. They have been invited to luncheons, dinners, dances, and meetings of the chapter. We have had two affiliated transfers in the last two years.

III. *Scholarship*: Study cards are made out and followed by those active members whose grades are less than average. Supervision of little sisters scholarship is an obligation of all big sisters. All pledges are required to make out study plans with the help of their big sisters. These must be handed to the Scholarship Chairman each week. At the Commencement Banquet a Pi Beta Phi bar pin is awarded to the freshman with the highest average, a recognition pin to the freshman who has improved her average most from the first to the second semester, and a ring to the senior with the highest four-year average. The alumnae club gives an award to the active member who has raised her average most from the first to the second semester. Marks are posted in the chapter rooms by the Scholarship Committee. Pledges must have an average of 75 per cent before being initiated. Any active whose average drops below 75 forfeits all social privileges, vote in meeting, chapter office, and pin. In 1934-35 the chapter ranked first among women's fraternities; and in 1935-36 (first semester), second.

IV. *Chapter Work*: Pledges meet weekly in the fraternity rooms, under supervision of the pledge instructor. Short meetings of actives and pledges are held before regular chapter meetings. Every effort is made to establish and keep the best of little sister-big sister relationships. The pledges are organized and conduct their own meetings. The supervisor assigns work and gives tests on work previously assigned. The Executive Council consists of 3 seniors, 2 juniors, and 1 sophomore. Proceeds from benefit bridge, tea dances, and Arrow-Craft displays, amounting to \$45 were sent to the Settlement School. The chapter contributed \$20 to the Endowment Fund. Five dollars was contributed to the Red Cross for flood relief. The chapter publishes each year at commencement time a magazine which tells fraternity and campus news, describes social activities, gives honors won by the chapter and by individuals, and pays special attention to the seniors in the chapter.

V. *Entertainment*: 1934-35: Pledge tea to introduce pledges to faculty wives and patronesses, formal pledge

dance, informal tea for all freshman girls in fraternity rooms, Christmas party, spring formal dance, formal tea in honor of seniors, 1935-36: Panhellenic tea for all freshman girls, tea to introduce the pledges, formal pledge dance, tea given by pledges for all other freshman girls, Panhellenic dance, Christmas party, spring formal dance, spring tea in honor of the seniors.

VI. *Chapter House*: Rooms are rented across from the campus. The rooms were done over in the spring of 1935. New kitchen utensils and several small articles for the living room have been bought.

VII. *Maintenance of Alumnae Interest*: Alumnae are invited to attend all meetings, and are also invited to all social affairs. Chapter magazine is distributed at commencement time to all alumnae. There have been 8 unaffiliated transfers on the campus during this period. Most of them have been extended social privileges. Individual contacts have been carefully made. There have been no unaffiliated transfers in this period. NANCY HENDRIAN

III. *Scholarship*: All members of Ohio Delta are required to hand in scholarship cards once a month recording all grades which they have received. These cards are kept on file for future reference. Study tables for pledges are conducted previous to initiation time, and actives aid pledges in those subjects in which they need help. Any active who makes a point average lower than 1.2 (initiation requirement) is required to forfeit her pin for a six-weeks probation period. Pledge requirement for initiation is 1.2 (3 point basis), or 1 point for two consecutive semesters in the case of an upperclass girl. The active member who raises her point average the most from one semester to the next annually has her name engraved on Ohio Delta's scholarship cup. The active chapter owns a crested ring which is always worn by the member of the senior class having the highest general point average of her class. The ring is given at the end of a girl's junior year in college, and is passed down from year to year. The rank of Pi Beta Phi among the seventeen socially competing fraternities for women for the first and second semesters of 1934-35 was fifth; for the first semester of 1935-36, fifth.

IV. *Chapter Work*: The pledges are organized at the beginning of the year, elect their own officers, and meet formally once a week with the pledge supervisor, who is generally a senior. Their work is apportioned throughout the semester in preparation for the pre-initiation examination. Each meeting written or oral quizzes cover the assignment. Each year the model pledge of Ohio Delta is presented with a recognition pin at the initiation banquet. This pin is awarded on the basis of scholarship, activity participation, and service to the fraternity. The Executive Council consists of the president, recording secretary, pledge supervisor, and one member from each

class. Once a month the executive council meet with alumnae advisory board, which consists of five alumnae members, three elected annually by the chapter, and two elected annually by the Delaware Alumnae Club. Every year the chapter holds several rummage sales, the proceeds of which are sent to the Settlement School. The chapter contributed to both the Loan Fund and the Pi Beta Phi Endowment Fund. Every member of the chapter also sent an individual contribution to the Pi Beta Phi Endowment Fund. At Thanksgiving and Christmas time, the chapter furnishes two or three needy families in Delaware with baskets of food and groceries. Each year the chapter contributes a large basket of flowers for decoration of the chapel for the annual Mothers' Day convocation service. At the close of each college year the chapter publishes a paper called the *Delta Arrow*. The paper tells of activities, social events, and other matters of interest which have occurred throughout the year. The *Delta Arrow* is distributed to all members of the chapter, all local alumnae, and graduate alumnae within the last two years. A copy is also sent to the Province President and members of Grand Council.

V. *Entertainment*: 1934-35: 4 rushing parties and 2 teas; luncheon for pledges; winter formal dance, open house tea at homecoming for alumnae and parents; Panhellenic bridge by pledges entertaining a representative from each of the other pledge classes; Panhellenic tea for Mrs. Webster and Mrs. Finger; formal initiation banquet; spring informal dance for rushees; Founders' Day Banquet; monthly chapter dinners; 1 chapter dinner and entertainment given by pledges for actives; class dinners; alumnae breakfast; breakfast for mothers and guests on Monnett Day, 1935-36: 4 rushing parties and 2 teas; luncheon for pledges; spreads for transfer rushees; formal winter dance; open house tea at homecoming for parents and alumnae; Panhellenic breakfast given by pledge class for one member from other pledge classes on the campus; Panhellenic tea for Mrs. Finger; dinner and cooky-shine for Mrs. Webster; formal initiation banquet; Founders' Day luncheon in Columbus with Ohio A and Ohio B; chapter dessert bridge in honor of local alumnae; monthly chapter dinners; class dinners; informal spring dance for rushees; breakfast for mothers and guests on Monnett Day; alumnae breakfast.

VI. *Chapter House*: Ohio Delta rents a seven room apartment, located upstairs on the street on which the majority of sorority rooms are located. It includes a chapter room, 2 living rooms, bedroom, chaperon's room, kitchen, bathroom, and screened in porch. This last year the chapter was fortunate in receiving a gift of two new indirect floor lamps, and money toward a new set of chinaware. The entire apartment is being redecorated this summer by an interior decorator from Columbus. Improvements include Venetian blinds throughout the entire apartment, new draperies, re-upholstered furniture, new lamps, etc. Improvements will be completed by the opening of the school year in the fall, in ready use for the launching of our rushing season.

VII. *Maintenance of Alumnae Interest*: Ohio Delta is fortunate in having active and close contacts with its alumnae members as well as the Delaware Alumnae Club. Alumnae are invited to all rush parties, banquets, pledgings, and initiations. The chapter also entertains in their honor once a year. There have been two unaffiliated transfers on our campus during the last two years. The chapter has invited them to dances and dinners. There have been no unaffiliated transfers during this period. DORA LOUISE PATTON

WEST VIRGINIA ALPHA

I. *Membership*: 1934-35: 14 initiates, 32 actives; 1935-36, 11 initiates, 32 actives. Resident active members, 7; resident alumnae, 33; total membership May 1, 1936, 228.

II. *Honors*: 1. Scholarship: one 3-year scholarship to Western Reserve School of Nursing. 2. Class officers: 1 Junior Class treasurer, 1 Senior class vice-president. 3. of West Virginia University; 4 Beauty Section of *Monticola*; 3 attendants to Junior Prom Queen; 3 attendants to Senior Ball Queen; 7 attendants to May Queen.

III. *Scholarship*: Methods for improving scholarship are: Study table for those failing to make a 1.0 average; supervised study, big sister supervises the study of her little sister; social regulations causing girls to lose dating privileges. Failure to make 1.0 average restricts a girl the first four nights of the week. Failure to make a 1.3 average restricts a girl two nights out of the first four. Special awards are given to the pledge and to the active who makes the highest average. An award is given to the best all-round initiate. For the breaking of scholarship rules a fine of \$2.00 is imposed and all dating privileges are withdrawn. A 1.0 average is required for the pledge and active chapters. Rank of chapter among socially competitive fraternities: 1934-35, third.

IV. *Chapter Work*: Weekly pledge meetings are held under the direction of the pledge master. The pledge master plans programs concerning fraternity history and phases of fraternity and campus life. Their work is apportioned throughout the semester in preparation for the pre-initiation examination. Personnel of executive council: president, vice-president, treasurer, senior representative; junior representative, sophomore representative, Helen Fisher, a Pi Beta Phi from Indiana Gamma, was brought to Morgantown by the alumnae and actives of West Virginia A. Miss Fisher cut silhouettes of town people and students. The money made was sent to the Settlement School. West Virginia A donated to the Settlement School, the Endowment Fund, and the Loan Fund both in 1934-35 and 1935-

36. A contribution was made this year to the local Red Cross for relief in the surrounding flooded areas. The chapter publication is called the *May Day Sun*. It is published each spring and sent to other chapters and alumnae. It contains the accomplishments of the chapter as a whole as well as its members.

V. *Entertainment*: 1934-35: Pledges gave a tea for other pledges on the campus; dinner in honor of province president to which pledges, actives, and alumnae were invited; several faculty members invited to dinner twice a month; Mother's Day tea; informal dance; formal dance; Founders' Day luncheon, 1935-36: Tea for ARROW editor; several faculty members invited to dinner twice a month; buffet supper for pledges twice a month; informal dance; formal dance; Mothers' Day tea; cooky-shine, celebrating Founders' Day.

VI. *Chapter House*: House is rented from a resident of Morgantown, W. Va. The entire first floor of the house was remodeled last fall. The furniture was reupholstered, new lamps and hangings bought, woodwork refinished, new draperies bought, and new linoleum bought for the kitchen.

VII. *Maintenance of Alumnae Interest*: Alumnae are invited to all rush parties, to pledging, and initiation. The *May Day Sun* is sent to all alumnae. West Virginia University has a Homecoming weekend each fall to which all alumnae are invited. West Virginia A entertains visiting Pi Beta Phi alumnae at that time. The alumnae advisory board has been especially active the past two years and has been helpful in maintaining alumnae interest.

ELEANOR HASTINGS

GAMMA PROVINCE

MARYLAND ALPHA

I. *Membership*: 1934-35: initiates, 10; active members, 17. 1935-36: initiates, 7; active members, 17. Resident active members (at present), 16; resident alumnae, around 100; total membership up to May 1, 1936, 344.

II. *Honors*: Scholarship: 1 departmental honors in History. Class offices: 1 senior class secretary; 1 junior class vice-president; 1 sophomore class sergeant-at-arms; 1 sophomore class president; 1 junior class sergeant-at-arms. Campus Honors: 1 editor-in-chief of *Donnybrook*; 1 member of *Donnybrook* board; 1 editor-in-chief of *Kalends*; 1 assistant managing editor of *Weekly*; 2 *Weekly* reporters; 1 member of Press Board; 1 president of Christian Association; 1 corresponding secretary of Christian Association; 12 members of Christian Association; 2 Also-Rans; 1 treasurer of Students' Organization; 3 members of Students' Organization; 1 head of Silver Bay delegation; 2 Silver Bay delegates; 6 members of Glee Club; 1 Glee Club librarian; 4 members of Choir; 1 member of Boatride Play cast; 1 member of sophomore class swimming team; 1 manager of sophomore swimming; 1 member of varsity baseball team; 1 member of varsity volleyball team; 2 members of May Day committee; 1 chairman of Junior Sing Song; 1 member of Junior-Senior banquet committee.

III. *Scholarship*: The scholarship program for the active chapter consists of a recording by the scholarship chairman of grades and cuts each week along with a report on the number of hours of study. This year a change in the program for the pledges was made, with study hall compulsory four nights each week during the second term. Actives took charge of these study halls. College and fraternity requirements demanded during the first and second terms at least nine hours of C grade and not more than six hours of D grade for initiation. This requirement was lowered during the third term by agreement of all of the fraternities on the campus to at least six hours of C grade and not more than nine hours of D grade. There are no special social regulations set up by the fraternity but each girl is expected to abide by the regular college regulations. The Scholarship Cup was awarded to Virginia Thomas for the year 1934-35. It has not yet been awarded for 1935-36. The scholarship standing of Pi Beta Phi with the seven other national fraternities on the campus is as follows: 1934-35, third term, 8th; 1935-36, first term, 3rd; second term, 5th. The rating for the third term will not be computed until next fall.

IV. *Chapter Work*: Each week the pledges meet with the pledge supervisor for a formal meeting, using the pledge ritual, and for fraternity study. Every few weeks quizzes are given to test the pledges on their work. Each sponsor tries to keep in close contact with her pledge, helping her and advising her about activities, college work, and attitude. The pledges are included in all chapter activities except active affairs and are asked to help in planning the social activities. Executive Council consists of the chapter president, a member from each of the three upper classes, the chapter treasurer, and the pledge supervisor, making six in all. Each year the chapter has held a benefit brace

to raise its contribution to the Settlement School. The chapter also contributed to the Loan Fund, the Endowment Fund, and to the Goucher United Campaign Fund. Maryland A publishes annually one of the seven *Arrowettes* of Gamma Province.

V. *Entertainment*: 1934-35: Pledge banquet and theater party, Panhellenic dance, fraternity dance in the spring, houseparty in the fall, Christmas party, Founders' Day banquet, tea for the faculty, tea for friends of the chapter and a tea for parents and alumnae. 1935-36: Pledge banquet and theater party, Panhellenic dance, fraternity dance, houseparty in January, Christmas party, a scavenger hunt for the chapter and friends, tea for the faculty, and a tea for parents, alumnae and friends.

VI. *Chapter House*: The chapter rents an apartment at 2111 North Charles street only a few blocks away from the main college buildings. There are two large rooms, a hall, a kitchen, and a bath. Last year the doors in the back room were painted white and new curtains were made. One of the alumnae presented the chapter with two lovely photographs of the country near the Settlement School. An upright piano was one of the most important additions to the rooms.

VII. *Maintenance of Alumnae Interest*: Alumnae advisory committee meets with executive council once each month and there is an alumna representative at Panhellenic meetings. One member of the alumnae club is particularly responsible for helping with rushing and others attend the rush parties and offer their homes for parties which can be held in the city. The alumnae club has entertained the chapter each year in some delightful way, giving everyone an opportunity to become better acquainted. The alumnae are always welcome at chapter suppers and there is always an alumnae chaperon at houseparty and dances. There have been two unaffiliated transfers on campus in the past two years.

JEAN CRITCHLOW

DISTRICT OF COLUMBIA ALPHA

I. *Membership*: 1934-35: initiates, 14; active members (including initiates), 36. 1935-36: initiates, 9; active members (including initiates), 27. Resident active members (at present), 23; resident alumnae, 90; total membership up to May 1, 1936, 396.

II. *Honors*: 7 graduates (no honor organizations on campus), 1 freshman class social chairman, 1 member Senior Council (historian), 1 member Columbian Council (secretary), 7 members of annual staff (editor, 2 years), 3 on paper staff; 3 members Hour Glass (honorary activity and scholarship), 2 members Gamma Eta Zeta (journalistic), 1 member Sigma Delta Phi (honorary speech arts fraternity), 1 member Alpha Lambda Delta (freshman scholastic fraternity), 1 member Pi Gamma Mu (honorary social science), 1 member Sphinx (honorary scholarship, president), Treasurer of Panhellenic Council, 4 members Delphi (honorary inter-sorority), 4 members Glee Club, senior manager golf, class tennis manager, 1 member varsity hockey team, 2 members class hockey team, 2 members class basketball team, 1 member varsity rifle

team, winner (1) riding show, 2 members W.A.A. (vice-president), 1 chairman intramural board, 3 leads in dramatic productions, 1 director of publicity, 1 secretary, dramatic organization; 1 member Hall of Fame, Chairman Panhellenic Prom, 3 chorus members (musical production); prize for booth at Fiesta.

III. *Scholarship*: Daily supervised study for pledges and for actives on probation up until February, 1936. A bracelet is awarded to the freshman maintaining the highest average. A chapter girl who does not have an average of 75 per cent must forfeit her pin for two months. A pledge must have an average of 75 per cent to be initiated. In February, 1935, Pi Beta Phi was ninth among women's fraternities; and in February, 1936, seventh.

IV. *Chapter Work*: Weekly active and pledge meetings are held on Monday nights. Pledge business meetings are conducted by their own officers and supervised by the pledge instructor. Executive Council is composed of the chapter president, 1 member of the senior class, 1 junior, 1 sophomore, and 1 member at large. Both years a benefit has been given for the Settlement School, the Endowment Fund, and the Loan Fund. At Christmas time each year we provide a dinner for a poor family and we also participate in an all-university food drive to provide Christmas dinners for poor families in the city. Each year the chapter supported the University Fiesta which is given to raise money for the university band.

V. *Entertainment*: The social season began each year with a tea given by the Panhellenic Association for all freshman women with fraternity women acting as hostesses. A week following the tea, rush week begins and we always include the Arrow-cake ceremony which is peculiarly symbolic of the ideals of the fraternity. During the year, various members of the faculty were entertained at dinner and many members of the faculty and administration attended the annual spring open house. A dance was given each year in honor of the new pledges and the pledges reciprocated by giving a tea for the actives. The local alumnae association gave a luncheon for the pledges each year. The annual Christmas and senior dances were held. Founders' Day banquet was celebrated with the alumnae. There is an annual scholarship luncheon to which are invited the active and pledge having the highest scholarship average. The annual luncheon for seniors is an official farewell for them at which time tokens of remembrance are presented.

VI. *Chapter House*: A suite of rooms is rented on the third floor of a university building. The rooms were repaired and redecorated this fall and we bought two white leather chairs with money given to us by the Alumnae Club. We have also been given a victrola, a lamp, a small table, and a Pi Beta Phi banner. Because of fire regulations we can no longer occupy this building and next year will probably occupy a similar apartment in a university building. The university is making plans to build a Panhellenic apartment house, but this will probably not materialize for a few years.

VII. *Maintenance of Alumnae Interest*: The alumnae advisory council meets with the chapter monthly. Our alumnae are invited to all social and official functions. Founders' Day banquet is held with the alumnae annually. The alumnae entertain at a luncheon at which the pledges are presented. During rushing the alumnae are actively interested and are most helpful to the chapter. There have been unaffiliated transfers at the university during the last two years. All transfers are invited to attend the weekly dinner and meeting and are given invitations to all chapter social functions. Two transfers have become affiliated members of the chapter.

III. *Scholarship*: The grades of the members and pledges are read at the chapter meetings after every quarter. Any member who makes an average below 80 loses the right to wear her pin, to vote, and to use the house until the average is raised. The name of the sophomore who makes the highest average is engraved on the chapter scholarship cup, and a small loving cup is awarded to the freshman having the highest average. Local Panhellenic requires for initiation six semester hours of "B," and nine semester hours of "C." No compulsory study hall is held, but the members help the pledges in those subjects in which they are most proficient. The chapter ranked eleventh in scholarship for 1934-35, and fifth for the first semester of 1935-36.

IV. *Chapter Work*: The pledges are organized with their own president and secretary-treasurer. They hold weekly meetings at the house with the pledge supervisor, often followed by dinner and informal talks by some of the upperclassmen. Through these meetings, and through the sponsor relationships, an endeavor is made to make the pledges feel their part in the fraternity, and to help them adapt themselves to the college community. Each member and pledge is required to record at least two activities every week on the activity chart. Every other Sunday the chapter has closed house for the pledges, and dinner once a month at the house following the chapter meeting. The executive council, composed of the chapter president, one senior, one junior, one sophomore, and one new initiate, meets with the alumna advisory committee every month. The chapter has contributed \$25 to the Loan Fund, \$25 to the Endowment Fund, \$25 to the Settlement School. This year we also have pledged a minimum of \$50 to the erection of the new science building. The chapter has published two issues of the Gamma Province *Arrowette*, one in December, 1934, and one in December, 1935.

V. *Entertainment*: Each year we had open house for new students, followed by two rushing teas. After pledging in the fall, and after initiation in February, cooky-shines were given. The pledges entertained at tea for the faculty, and later for the freshman class. House is held every other Sunday, either as breakfast or as supper after Vespers, for a general get-together for pledges and members. At the annual Christmas party, stockings are given to the pledges, and the chapter presents its gift to the house. The chapter has a picnic every fall. We celebrate Founders' Day with a formal banquet at the Boonsboro Country Club. Open house is held on May Day for friends of the chapter. A Panhellenic coffee was given for Miss Onken when she visited us in 1934. The pledges give an annual entertainment and supper for the chapter the week preceding initiation.

VI. *Chapter House*: Our house is owned by the chapter; it is a bungalow on the campus in the fraternity "Pines." The house is made up of two living rooms, sun parlor, kitchen, and chapter room. It is valued at \$5,000. The chapter's gift to the house this year was the conversion of the never-used dining room into a second living room. In September, 1935, we had concrete steps built from the sidewalk down the hill to the chapter room. New kitchen equipment and linens have been added each year.

VII. *Maintenance of Alumnae Interest*: Alumnae living in town are invited to all initiations, cooky-shines, and Founders' Day banquets. The alumnae advisory committee meets with us once each month. It has given us invaluable assistance in the past few years. We have had two unaffiliated transfers in the past three years. They are invited to all of our suppers and "houses." They attend chapter meetings, and have given us many ideas and suggestions that we hope to use next year. There have been no affiliated transfers in this period.

MARIAN LEE CARLISLE

VIRGINIA GAMMA

I. *Membership*: 1934-35: initiates, 9; active members, 20; 1935-36: initiates, 14; active members, 27; resident active members, 1; resident alumnae, 8; total membership to May 1, 1936, 126.

II. *Honors*: 1. Scholarship: Phi Beta Kappa (2); Phi Kappa Phi (2); 2. Class offices held: poet freshman class (1); historian freshman class (1); 3. Campus honors: *Colonial Echo* staff (3, 1 associate editor); *Flat Hat* staff (8, 1 assistant managing editor; 2 social editors; 2 assistant social editors; 1 women's managing editor); Y.W.C.A. (16, 2 freshman cabinet members; 3 senior cabinet members); Mortar Board (2, 1 president, 1 treasurer); Clayton-Grimes Biological Club (3, 1 secretary; 1 treasurer; 1 president); Thomas R. Dew Economics Club (3, 2 presidents); J. Leslie Hall Literary Society (9, 1 treasurer; 1 vice-president); Kappa Omicron Phi (3, 1 treasurer, 1 president); Kappa Delta Pi (4, 1 treasurer); Delta Psi Kappa (1, no longer functioning); Theta Alpha Phi (2, 1 president, 1 secretary); Eta Sigma Phi (2, 1 president); Sophomore Tribunal (1); Women's Student Government Association; senior nomination committee (3), honor council (3, 2 senior members, 1 junior member); Judicial council (4, 2 presidents of sorority court, 1 sophomore representative, 1 freshman representative); Executive council (1, 1 representative-at-large); varsity basketball (3); varsity fencing (1, 1 co-manager); varsity hockey (2); freshman basketball (6); freshman hockey manager (1); sophomore assistant to hockey manager (1); Maryland State Archery Champion for 1935 (1); Old Dominion Archery Champion for 1935 (1); French Club (4, 1 vice-president, 1 president); Spanish Club (3, 1 secretary); Psychology-Philosophy Club (3, no longer functioning); Dramatic Club (3, 1 president, 1 secretary); Library Science Club (1); Freshman Orientation Committee (5); Glee Club, Choral Union and College Choir (9); Member dramatic casts (3); Debate Council (1); Intramural Council (1); Monogram Club (1). 4. Social Honors: 2 among the 18 most beautiful women on the campus; 2 members of the May Court.

III. *Scholarship*: Rank among socially competing fraternities for women, 1934-35, first; 1935-36, first. Through constant stress on scholarship, Virginia I has pulled itself up to first place on the campus and has held this position for two years, winning the scholarship cup for both years. If this cup is won 3 times in succession the fraternity may keep it permanently. We are sincerely trying to make it our own this June. Panhellenic set the minimum initiation average at 2; our requirement is 2.3, and we are planning to raise it to 2.5 in the fall with the idea of continuing to stress scholarship. Each active must make the initiation average to keep her pin. If a pledge has a noticeably low average, she is reprimanded by her "big sister," who keeps her under close observation until such time as a marked improvement is shown. The actives are very willing to offer their services to those girls who need help.

IV. *Chapter Work*: In the regular pledge meetings, the history of one fraternity is read each week in addition to the regular lessons on the history of Pi Beta Phi. Brief quizzes are given at the beginning of the meeting on some phase of the fraternity with which the pledges should be familiar. The chapter holds joint meetings with the pledges in order to impress upon them the importance of scholarship and activities. The actives seek to hold ever before the eyes of the under-classes the ideals and aims of the group. A better understanding is reached and there is a wonderful spirit of cooperation present. Saturday night parties are given for the pledges when they come over, and the actives provide entertainment and refreshments. The executive council includes the chapter president, the treasurer, one senior, one junior, and one sophomore. The chapter gave \$16 to Settlement School, \$10 to Loan Fund and \$10 to Pi Beta Phi Endowment Fund. To raise money for Settlement School, the chairman of the Settlement School Committee has cigarettes and candy on sale at the house. This has proved a very successful means of raising money. She has also crocheted collar and cuff sets and sells them. The chapter gave \$5 to the Red Cross and \$5 to the Flood Relief. The last two issues of the *Arowette* of Virginia I have been most attractive. The issue of 1934-35 was in the form of a newspaper which was circulated widely among the alumnae. This year's issue went nautical and was very original, done in silver blue with everything ship-shape. On a Health and Activity chart, is kept a record for each member and pledge. Personal appearance is stressed as well as general health. Each individual is made to realize, that as a member of Pi Beta Phi, she is regarded as representative of the fraternity as a whole. An activities committee composed of three seniors and two juniors has functioned very successfully this year. They have compiled a list of all campus activities and their qualifications and have made this available to underclassmen. The committee has endeavored

to help underclassmen to get started in activities for which they are suited.

V. *Entertainment*: 1934-35. Rushing started on September 11th and September 21 a formal reception was given for rushees, and September 27 the chapter entertained with a party carrying the idea of Pi Phi as a ship. Following pledging a cooky-shine for the new pledges was given.

After the fall initiation a banquet was held for the initiates. Various teas and receptions were held throughout the year for visiting officers, patronesses, initiates, pledges, and faculty.

On December 19 the annual Christmas party was given. Our patronesses and alumnae were present. One of the girls dressed as Santa Claus, distributed gifts. The party terminated with the singing of carols and fraternity songs.

Following the February initiation a banquet was held. On April 28 a very attractive Founders' Day banquet was held.

We had a scholarship party in which the chapter was divided into two groups, the group with the higher average was entertained by the others.

1935-36. Rushing started on September 20. A very original rush party in the guise of a carnival with hot dogs, pop corn, pink lemonade, booths in one room, and gaming tables with prizes for favors in another room. One of the girls told fortunes, and a display of fraternity materials was in another room.

The preferential party was a lovely Cinderella affair. It was very beautiful and simple with all the actives dressed in soft pastel shades.

Usual teas, receptions and banquets were held. The two outstanding different entertainments by the chapter were a very informal open house after a football game and a house party at Virginia Beach. Both were very successful and enjoyable.

In the late spring of both of these years, Virginia I gave its annual serenade when we sing to each fraternity and sorority on campus. This is always one of the most pleasant events of the college year.

VI. *Chapter House*: The house is owned by the college administration and rent is paid per semester by the fraternity as a whole. A new living room suite, a new porch glider, and a piano are the most notable additions to the house. New draperies, pictures, lamps, pillows, luncheon and table cloths, have greatly improved the appearance of the house. A silver service, two sets of silver and various dishes were presented to the chapter this year by friends, alumnae, and seniors. The college administration polished and waxed the downstairs floors and papered and painted the second and third floors last summer. This summer they expect to make further repairs. These were much needed improvements.

VII. *Maintenance of Alumnae Interest*: There have been no unaffiliated transfers on our campus in the last three years. There are two affiliated transfers. Yearly an alumnae letter is sent out by the chapter, re-establishing contacts of strengthening the bonds of the fraternity. A reunion in 1939 has been planned. To see Pi Phis who have been gone for several years seems to inspire the chapter to work and strive for the highest aims.

I. *Membership*: 1934-35: initiates, 16; active members, 8. 1935-36: initiates, 12; active members, 12. Resident active members, 8; resident alumni, 16; total membership up to May 1, 1936, 180.

II. *Honors*: 1 Phi Beta Kappa; 5 honor students; 1 Beta Pi Theta (honorary French); 2 Sigma Tau Delta (honorary English); 3 Alpha Kappa Delta (honorary sociology); 4 Alpha Kappa Gamma (honorary leadership); 1 Elisha Mitchell Scientific Society; 1 vice-representative of the junior class; 1 president of Spencer Hall; W.S.G.A., 2 vice-presidents; 2 town representatives; 1 recording secretary; 1 member of the handbook committee; Y.W.C.A., 5 cabinet members, 1 art chairman, two committee members; 2 presidents of Panhellenic; 2 secretary-treasurers of Panhellenic; Woman's Athletic Association, 1 secretary; 2 cabinet members; 3 tennis managers; 1 archery manager; 3 athletic monograms; 11 unit basketball players; 3 varsity hockey; 6 bowling team; 7 tennis unit; 3 archery team; 3 on staff of annual *Yachety Yach*; 4 on staff of *Buccaneer*, humor our magazine; 1 *Carolina Magazine* staff member; 4 Carolina Playmakers; Glee Club, 1 vice-president, 1 treasurer, 5 members; 2 on honor code committee; 2 on dance committee; 2 French club; 1 University club; 2 presidents of Newman club; 1 senior week committee; 2 advisory committee to student council; 1 chairman of art for student-faculty day; 1 chairman of exhibits for student faculty day; 1 Phi assembly committee; 1 New Jersey club member; 1 secretary of student vestry; 1 chairman of co-ed fashion show; 3 fashion show models;

1 May court maid of honor; 4 May Day attendants; 1 chairman of costumes and dresses; 1 chairman of co-ed dance; 1 committee member; 1 junior prom dance leader; 5 cotillion leaders.

III. *Scholarship*: A scholarship chairman is elected who has charge of averaging the grades of actives and pledges. If a C average is not obtained by the actives and pledges they must study two hours a day. If the pledges do not receive a B average they must study an hour a day. The big sisters of the pledges have interviews with the professors of the pledges to find out the best way to help them with their studies. A C average must be obtained before a girl may be initiated. In chapter meetings scholarship is stressed. North Carolina A has ranked first in scholarship, leading all men's and women's fraternities on campus for five consecutive quarters, 1934-35, 1935-36.

IV. *Chapter Work*: For pledge training, careful consideration is taken to elect an active member who is best fitted to train and supervise in fraternity work, to criticize constructively, and to build up personality and ideals among the pledges in accordance with that of the fraternity and campus. Meetings of the pledges are held regularly once a week. A fine of fifty cents if absent and twenty-five cents if late is imposed on them to assure regular attendance. The pledges are organized with their own president, secretary, and treasurer, and cooperation among them is encouraged. In order to form closer contact among the actives and pledges, the pledges are asked and encouraged, but not required, to come to the house once a day. After most of the pledges were initiated in winter quarter of this year, there were still several pledges who had taken their examination but were unable to be initiated due to finances or grades. For these girls an hour meeting was held each week at which time the pledge supervisor had some planned program on fraternity information. The executive council is composed of the president, the vice-president, the corresponding secretary, the recording secretary, and the house president. Big sisters are appointed by the council to work with the little pledge sisters and to help them in any way concerning fraternity life. In order to raise money for the Settlement School, a Pi Phi vs. Chi Omega basketball game was held and the proceeds went to the Settlement School. The Pi Phi won for the third consecutive year entitling us to keep the cup. Our chapter gave ten dollars to the Y.W.C.A., and five dollars to help finance May Day.

V. *Entertainment*: 1934-35: Rush parties, including teas, picture shows; bingo party, progressive dinner party, initiation banquet, pledge dance. Teas for Chi Omega sorority; nonfraternity girls; graduate students; and alumnae; Christmas party, initiation banquet, pledge dance; cooky-shine for spring initiation party; house dance; scavenger hunt, Founders' Day banquet with Duke chapter and alumnae, and with the candlelight service.

VI. *Chapter House*: The chapter house is rented, furnished completely. It is very satisfactory, accommodating all of the actives and two pledges. The location is very good, being half a block from the women's dormitory, near the campus and downtown business section. We have an attractive yard with a lawn, shrubbery, and flowers.

VII. *Maintenance of Alumnae Interest*: The chapter and the alumnae club maintain a close contact. The alumnae are always welcome at our chapter meeting, initiation, and parties. Three teas were given for the alumnae this year, and two last year, and the alumnae gave us a tea in return. We celebrated Founders' Day together this year.

man organization), 1; Explorers' Club, 4; Forum Club, 2; Theta Alpha Phi, 1; Dramatic Casts, 4; Freshman Adviser, 1; May Day Court, 1; dancers, 5; Social Standards Committee, 4, chairman, 1; secretary, 1; Sponsor of football game, 1; Sponsor of Southern Conference track meet, 1.

III. *Scholarship*: All pledges are required to attend a supervised study hall six hours a week. Actives tutor individual pledges who need help in particular courses. Any active whose average is below C must attend the pledges' study hall. A file of examination questions and papers is kept for the use of the entire chapter. A recognition pin is awarded the pledge making the highest grades. A C average in 15 hours' work is required for initiation. Rank of chapter among other chapters on campus in 1934-35 was 4th place, in 1935, first semester, 7th.

IV. *Chapter Work*: The pledge supervisor is carefully chosen from the active chapter with regard to her ability, personality, and leadership. The pledge group meets once a week. They elect a president, secretary, and treasurer, and conduct their own meetings with suggestions from the supervisor. Actives give talks on the Settlement School, National Viewpoint, and similar subjects, and the pledges give reports. Once a month the pledges are asked to come into the active meeting for informal discussions. Joint teas are given by the pledges and actives; the pledges entertain the pledges of the other women's fraternities at a tea, and give a party for the graduating seniors. Before initiation the pledges entertain the actives with a party and stunt-night. The pledges who are not initiated at the end of the fall semester continue to hold regular meetings throughout the year. The chapter executive council is composed of the president, a member from the senior, junior, and sophomore classes, the pledge supervisor and a member-at-large. The university does not approve of the women's fraternities conducting any money-making projects on the campus. Our contribution of \$25 to the Settlement School, \$15 to Loan Fund, and \$10 to the Endowment Fund was taken from the treasury. The members of the chapter contributed to local charity work at Christmas and Thanksgiving, and gave clothing to a Y.W.C.A. project in behalf of underprivileged N.C. mountain children. The internal organization of the chapter is greatly improved. Standing committees on scholarship, social functions, and buying for the house have been established. There has been excellent cooperation and harmony within the chapter. An *Arrowette* was published in February with the story of an opera as its theme.

V. *Entertainment*: 1934-35: rush parties, including 2 evening parties and 4 afternoon teas, in the regular rushing season. A dance to introduce the pledges. Several informal rush teas during the year. Suppers in the chapter room every second Sunday night for the actives given by the pledges. A tea for Miss Onken. A cooky-shine at Christmas, and one after initiation. A coffee after dinner for a visiting Kappa Kappa Gamma adviser. Founders' Day banquet at the Washington Duke Hotel. Cabin party for the actives and pledges. 1935-36: rush parties, including 4 afternoon teas and 2 evening parties in the formal rushing season. Tea for the faculty and staff in the new chapter room. Open house on the occasion of opening the Panhellenic House. Hors d'oeuvres before Thanksgiving dinner for several faculty members who had dinner with us. Tea for Mrs. Aiken, our province president. Christmas party. Reception for Nino Martini, who sang here as a favor to one of the actives. Cooky-shine after initiation. Founders' Day banquet with North Carolina A chapter at the Carolina Inn in Chapel Hill. Spring cabin party. Several rush teas for Durham High School seniors and other rushes.

VI. *Chapter House*: This year the women's fraternities moved from the chapter rooms in the dormitories to a new Panhellenic House. This brick building contains 10 large chapter rooms, 2 kitchens, equipped with electric stoves and frigidaire, and lounges. There is no chaperon or housemother. All regulations are made by the Panhellenic Council. On three nights in the week the rooms are open for dating; members of the Panhellenic Executive Council act as proctors. This project has proven an unqualified success. It has resulted in closer cooperation of the ten fraternities and has given Panhellenic a very high rating on the campus. The Pi Phi room is on the third floor, and has five large windows. It is furnished with blue green rugs and chair and sofa coverings, coral drapes, and incidental pieces in white. The furniture is of the Empire period, and is done in mahogany and white leather. Much of the furniture was bought this year.

VII. *Maintenance of Alumnae Interest*: Our alumnae have an open invitation to all chapter meetings. Regular contact is insured by the executive council meetings each month, and by additional meetings when the need arises. They are asked to all social functions of the fraternity. We have felt our alumnae relationships to be unusually good. Two unaffiliated Pi Phi have been on this campus during the past three years. Every effort was made to gain

their interest. They were asked to chapter meetings, invited to social functions, and visited by girls in our chapter. One of these transfers had planned to affiliate. She left school in December and therefore had no opportunity to do so. We have had three affiliated transfers in the past three years.

III. *Scholarship*: 1934-35: study halls held for members failing in one or more subjects. Pledges required to report number hours studied per week. Study halls held for pledges before examinations, with members of the active chapter rotating in supervising this work. Sponsors were required to supervise the pledges' study. Recognition pin awarded to the initiate making the highest average during her pledgeship. Members failing to make a C average fined \$1.00. C average required for initiation by registrar and chapter. Rank of chapter on campus has been: first semester 1934, second (first among sororities); second semester, 1935, third (second among sororities); first semester 1935-36, fifth (third among sororities).

IV. *Chapter Work*: Pledge meetings are held once a week during the first semester and once every two weeks during the second semester. Pledge organization is similar to that of the active chapter. They report their activities,

number hours studied, and their grades. At the first of the year each pledge graded herself on her individual personality chart, and her big sister did the same. At the end of the year, the chart was checked to see the improvement made. Members from the active chapter at different intervals talked to the pledges, explaining the activities of the sorority. Also members prominent in campus activities spoke concerning requirements of membership and other items of interest. Each week the pledges are examined on the chapter roll and sorority material preparatory to the pledge examination. The Executive Council is composed of five members: the president, treasurer, and one representative from each of the three upper classes, elected by the chapter. Money is raised for Settlement School by the sale of articles from the school. Individual gifts are made to community Christmas and welfare work. In 1935 the chapter contributed to the Loan Fund, to the Endowment Fund, and to the Settlement School fund. In 1936 contributions were given to these three funds. Because of financial difficulties, the chapter has been forced to give small contributions. The chapter contributed in 1935 to the University Swimming Pool Fund.

V. *Entertainment*: House dances are given at regular intervals to which rushees and members of each fraternity are invited. Also, "drop-ins" are given, to which fraternity members are invited. After pledging ceremonies, the new pledges are entertained with cooky-shines. Formal banquets are given to the initiates. Teas are given during the visits of national officers to the chapter. An annual Christmas spend-the-night party is given to the actives and pledges. Each year, the chapter has a house party at the beach. In 1936, a Valentine party was given for rushees and pledges. "Pi Hour" is held once a week in order that the pledges, actives, and alumnae may become better acquainted. Once a month a party is given for the alumnae, with the actives and pledges acting as hostesses. Picnics and supper parties are given throughout the year at Lake Murrell. In May, 1936, we entertained with a formal dance. Members of the faculty and their wives, patronesses, parents, alumnae, and friends in town were invited as chaperons. Preceding the dance, a reception was held. Members from each fraternity, friends throughout the state, and members of the girls' Panhellenic were invited. All-State luncheon is held for Founders' Day. Rushing consists of a formal tea, circus parties, swimming parties, garden parties, picnics, boating, football parties, chatter-box parties.

VI. *Chapter House*: The chapter had a club room in 1934-35. In 1936 a house was rented but was given up because of undesirable location. Since April a room located two blocks from the campus has been maintained. In 1935, new living room furniture was bought.

VII. *Maintenance of Alumnae Interests*: A representative from the alumnae advisory board attends a chapter meeting once a month. Executive council meets with alumnae advisory board once a month to discuss mutual problems. A party for the alumnae is given once a month. Alumnae are invited to banquets, teas, pledgings, initiations, dances, and house parties. The alumnae helped a great deal with the formal in May, 1936. The alumnae and actives unite to celebrate Founders' Day. There have been no unaffiliated transfers on the campus in the last three years. There have been no affiliated transfers.

outstanding girls, 2 most popular girls, 2 best athletes; 2 in National *Who's Who of American Students*.

III. *Scholarship*: Report of Scholarship Chairman at each meeting. Scholarship chairman and assistants obtain grades each 6 weeks for actives and pledges. All actives and pledges with averages below a B— are required to spend 4 nights a week in study hall under the supervision of scholarship chairman. A scholarship ring is presented to the girl with the highest average to be worn for the ensuing semester. Scholastic average is also considered in awarding the pledge bracelet to the best all-round pledge. An average of 6.5 or C plus is demanded of actives and pledges. First semester 1934-35, first place among social sororities and fraternities; second semester 1934-35, first place; first semester 1935-36, first place; Pi Beta Phi has now stood in first place for 5 consecutive semesters.

IV. *Chapter Work*: The pledges organize and elect officers who conduct formal meetings under the supervision of a pledge master, who directs pledge study. There is an alumnae speaker for the pledges once each month, and an active speaker twice each month. In order to orientate the girls into campus activities, a very prominent girl speaks to the group on "Campus Participation." In this talk the activities on campus are related to the different fields in which the girls are interested. A girl with an average of B or above is required to participate in at least 2 activities per week; a girl with an average below B is required to participate in at least one activity per week. Each pledge keeps an activity chart which is divided into three sections—campus activities (clubs, etc.), social activities (parties, alumnae and patroness calls, teas, etc.) and church. Activities are not to be concentrated in one division. A talk is given on personality which is followed by personality charts devised by pledge supervisor and pledge sponsor. Each girl's personality is analyzed in the chart, and this forms a basis for an interview between each pledge and the pledge supervisor.

Each sponsor has charge of a merit chart on which is recorded deeds of her pledge which warrant recognition. Merit charts, activity charts, and chapter opinion are considered in awarding the Pi Phi bracelet to the "Ideal Pledge."

In addition to the fraternity material, a study is made of the outstanding sororities—their characteristics and pins; this is followed by a study of the Greek alphabet.

Executive council is elected by the chapter and is composed of the chapter president, the retiring president, 1 senior, 1 junior, 1 sophomore, and 1 freshman.

\$10 was given to the Settlement School, \$10 to Loan Fund, and \$10 to Endowment Fund; \$5 to Red Cross.

The *Chain*, a chapter publication, contains interesting articles about each active and pledge, and also describes the year's most memorable occasions.

V. *Entertainment*: 1934-35: Formal rushing dinner, rushing tea, collegiate pledge tea for campus pledges, tea for chaperon, Homecoming luncheon, all-college tea for province president, Armistice informal dance, Christmas dance, banquet for football team, Jougli dance, Spring formal dance, tea dances for every fraternity, Mothers' Day dinner and breakfast, Founders' Day Luncheon, faculty tea, Commencement luncheon and breakfast, faculty guests entertained at dinner one night each week, A.A.U.W. luncheon, banquet for M.I.A.A. championship basketball team. 1935-36: Formal rushing dinner, rushing tea, Homecoming luncheon, collegiate pledge tea, football banquet, faculty guests at dinner each week, 2 open house dances, 2 informals, Spring formal, all-college reception for Grand Vice-President, Mothers' Day banquet and breakfast, Founders' Day buffet supper.

VI. *Chapter House*: The house is owned by the college and operated as a dormitory. The lower floor is furnished by the Pi Phis and resident alumnae the upper part and outside is taken care of by the college. The value of the property is \$50,000. 16 new beds with Simmons mattresses have been purchased for the sleeping porch. The kitchen and dining room have been redecorated, and a new linoleum was laid in the kitchen. The furniture in the dining room was repainted and a new linen chest was added to the room. A new chair, lamp, and nest of tables were purchased for the living room. The smoking room has been redecorated with brown corduroy. Each Christmas, every member buys some useful article for the house; the 1935 pledges presented two India rugs to the house. The college washed the exterior of the house and it will be painted in the summer of 1936.

VII. *Maintenance of Alumnae Interest*: Alumnae advisory committee meets with executive council the first week of each month. Once each month an alumna speaks at chapter meeting. Alumnae and actives always meet to observe Founders' Day together. Alumnae are cordially invited to pledging, initiation, initiation banquets, cooky-shines, and chapter meetings. Alumnae are invited to Homecoming and Commencement banquets, cooky-shines, and Wossily-Woo. The chapter frequently has alumnae guests for dinner and for parties. Alumnae feel free to use

the house at any time. There have been no unaffiliated transfers on campus in the last three years; 1 affiliated transfer in the last three years.

McCormick scholarship of \$100.00; 1 recipient of Seymour Beach Conger scholarship of \$100.00; 1 leader of Interfraternity Ball; 1 leader of Military Ball.

III. *Scholarship*: The scholarship committee of the chapter is composed of a senior chairman and a junior and sophomore member. It is the duty of this committee to keep a record of the grades received by the members of the chapter during the semester, and to assist those whose marks seem to be falling below the standard. This is done by distributing cards at each meeting on which the girls record the grades which they have received during the preceding week. The committee then inspects the cards together, noting any deficiencies, and deciding on a plan of assistance. This may take the course of tutoring, consultation with the professor involved, direction of study habits or any other advisable method. However, an attempt is first made to urge the girl to improve her standing on her own initiative. Scholastic average is important since it in one way determines the sorority's rating, and is also one of the three bases on which rooms in the house are allocated. Supervision of the scholarship of the pledges is even more strict than that of the active members, since initiation depends upon the successful completion of 15 hours with 15 honor points. An active's average must not fall below this standard. The sorority mothers of the pledges consult often with their daughters, and aid the scholarship chairman in many ways by familiarizing themselves with the situation. There is competition among pledges for the highest marks, since the girl earning the best grades receives the scholarship ring. If she happens to be an upperclassman, a prize is also given to the best freshman. The sorority conforms to the campus regulations in regard to closing hours, and quiet hours. For the year 1933-34 the chapter stood second among National Panhellenic Women's Fraternities on the campus. The chapter ranked seventh in 1934-35, while the averages for this year have not yet been computed.

IV. *Chapter Work*: The pledge meetings are held at the same time as the active meetings under the direction of a pledge supervisor, who has been trained by her predecessor. At each meeting the pledges are given a portion of the chapter roll and questions on the fraternity, which they are required to learn by the next meeting. They are instructed and informed about different phases of the fraternity work by members of the alumnae group or by the pledge supervisor. It is a custom to

invite the pledges to enjoy the privileges of the house as much as possible. The chapter mothers often invite their daughters to spend weekends at the house in order to become better acquainted with the chapter and the active members. The duties required of the pledges are few. They have telephone duty approximately every three weeks, and aid in preparing the Sunday tea twice a semester. The aim of the chapter is to incorporate the girls into the membership and to make them feel a part of the fraternity organization. This function is partly taken care of by the mother-daughter arrangement, and group feeling aroused by pledge meeting and occasional meetings of the actives and the pledges together. The Executive Council is composed of the president, vice-president, treasurer, and one representative from each of the four classes. Each active member of the fraternity contributes \$3.00 per year to the Settlement School. In addition to this, the chapter, in cooperation with the alumnae club, sponsors a sale of Settlement School goods each year. The chapter has given \$20.00 to the Loan Fund, and \$200.00 to the Endowment Fund in the past two years. It has been our policy to contribute as a group to charities sponsored by campus and two organizations. This includes Galens (hospital organization for the benefit of crippled children), the University Fresh-Air Camp for underprivileged children, the Children's Theatre (providing tickets for poor children), and the local Community Fund. We have also contributed to the Burton Memorial for the erection of a carillon. A majority of the chapter is active in League work, the aim of which is, at present, to establish three undergraduate and one graduate scholarships. The chapter is so organized that each individual has some type of responsibility. Those who are not chapter officers have some duty in house management, and such duties are given to the initiates as soon as possible, in order to give them an active part in the chapter.

V. *Entertainment*: 1934-35: It is a custom of the chapter to entertain after all the home football games. During the fall season the pledges entertained pledges from other sororities at a tea. Other functions of the year included four faculty dinners, three dances, a dinner for the Dean of Women and her staff, a Christmas party, a breakfast after Panhellenic ball, a cooky-shine for the cast of Junior Girls' Play, an initiation banquet, a cooky-shine for the visiting province president, a joint Founders' Day luncheon with Michigan A and the Detroit Alumnae Club, and a luncheon for the Michigan B Association at their annual meeting. 1935-36: Again the football games served as an occasion for entertainment. The active chapter cooperated with the alumnae club in giving a large tea, at which there were over three hundred guests including faculty and townspeople. We also had two faculty dinners, three dances, cooky-shines for the Junior Girls' Play cast and for the seniors, a Mothers' Day house party, a Christmas party, a cooky-shine for the visiting national officer, and an initiation banquet. The fraternity cooperated with the Michigan League in promoting exchange dinners with other sororities, and for foreign students.

VI. *Chapter House*: The house is owned by the Michigan B Association and is valued at \$48,000. Improvements and furnishings since May 1, 1934, include complete refurnishing of all but two bedrooms, a Duncan Phyfe dining room suite, three chairs and a coffee table in the living room, one rug and one chair for the music room, draperies, bedspread and matching chair cover for the chaperon's room, and lawn furniture. Items bought for the kitchen are a large dripolator and mixer. Dinner cloths, napkins, and luncheon doilies were added to the linen supply.

VII. *Maintenance of Alumnae Interest*: The effort and the interest which the alumnae have taken in the active chapter have brought the two organizations very close together. The chapter tries to keep in close contact with its alumnae through personal contact; by calling on them at their homes; by inviting them to chaperon our dances and other entertainments; by including them in faculty dinners whenever this is possible; and by advising them with in regard to chapter affairs. Each year the chapter sends its alumnae Christmas greetings, celebrates Founders' Day with them, and entertains them at their annual Association meeting. Those girls whom we do not affiliate we attempt to keep in contact with by inviting them to come to our dances and certain other fraternity functions. In the past two years there have been twelve Pi Beta Phi transfers on campus, six of whom we have affiliated.

GRACE SNYDER

INDIANA ALPHA

I. *Membership*: 1934-35: Initiates, 8; active members, 29. 1935-36: Initiates, 13; active members, 29. Resident active members, 11; resident alumnae, 71; total membership up to May 1, 1936, 452.

II. *Honors*: *Magna cum laude*, 1; *cum laude*, 3; Alpha, 1. (2) Class officers, 1. (3) The *Almanack* (yearbook staff), 6; the *Franklin* (college paper) staff, 5; all mem-

bers belong to Y.W.C.A., 2 officers; Gold Quill (corresponds to Mortar Board), 4, 1 officer; Theta Alpha Phi, 1; Pi Kappa Delta, 1; Wigs and Cues, 6, 1 officer; W.A.A., 14, 6 officers; Student Council Executive Board, 3; Senior Board, 2; won swimming meet for four years; won tennis tournament for three years; dramatic casts, 3; intersorority debate 6; choir, 6; 1 officer; Prom Queen, 1; attendants to May Queen, 3; second in State Oratorical Contest; History Club 8, 3 officers.

III. *Scholarship*: Most of the low grades this year have been made by the pledge group and we have used several methods for improving this condition. The pledges who do unsatisfactory work are required to be on the campus from 7:45-12:15; from 1:30-3:30; and on study table from 7:00-9:00. In some cases we have had pledges turn in outlines of their daily lessons to their sponsors. In our black mark system, we give black marks for late work. Pledges may have no dates during final week, and they must remain on the campus the hours that have been stated. In one of the rooms we have a scholarship chart on which each girl's record is placed if she is making below a C in any subject. We have two scholarship awards given by the chapter. A diamond recognition pin is awarded to the pledge who has the highest average, and a scholarship ring is given to the senior having the highest average for the four years. We require a C average for initiation of pledges, and a C average for vote in meeting. There was no comparative rating for 1934-35. However, we rank fourth for 1935-36.

IV. *Chapter Work*: Pledge meetings are held weekly, conducted with opening and closing rituals, and a business meeting in parliamentary order. Indiana A has a custom which we think is a good one. After active meeting the pledges come into the room at which time announcements are made by the actives. Then each pledge is asked to give some bit of information concerning Pi Phi or some other information that is of interest to fraternities as a whole. We feel that this custom brings the actives and pledges closer together and unifies the chapter. The executive council consists of: president, vice-president, corresponding secretary, treasurer and class representatives. Each year at Christmas we send clothing for babies to the Settlement School. We contribute money to the Settlement School Fund, the Loan Fund, the Endowment Fund and to the local good cheer fund.

V. *Entertainment*: Each year our social functions are the same. The first social function in the fall is an initiation dinner the night of that occasion. During rush week we have an informal tea, a formal dinner, the cooky-shine, and open house. The pledges give a party for all freshman women immediately after rush week. We have teas for the Mothers' Club, patronesses, and faculty women and wives. In November we have a formal dinner-dance, and in the Spring we have our Annual Spring Drive. The pledges give a dance sometime in the year for the actives. We have a Christmas party each year at which we wrap gifts for the Settlement School. Annually we give a May breakfast for the faculty, and the alumnae dinner is always the night of Commencement. This year the chapter entertained Mrs. Lutcher Stark, Miss Emma Harper Turner, and Mrs. Jasper P. Scott.

VI. *Chapter House*: Sororities do not have houses on this campus, but the college furnishes each of the four with a suite of rooms in the dormitory. We have redecorated our rooms since May 1, 1934, through the help of our patronesses, the Mothers' Club, the alumnae club, and the active chapter. We have a committee whose purpose it is to plan improvements for the room with a definite idea of adding to and changing the furnishings each year. The committee consists of members from the Mothers' Club, the alumnae club, the patronesses, and the active chapter, who work with an interior decorator.

VII. *Maintenance of Alumnae Interest*: Monthly spreads are given by the alumnae, and each time the alumnae entertain one class. The alumnae advisory board meets with the chapter once each month, and our closest contacts are with it. The alumnae are extended invitations to meetings, pledgings, and initiations. The alumnae club of Franklin, due to its size and length of life, has become very alive in Franklin. This year the alumnae club has chosen an alumnae sponsor for each member of the chapter, and both actives and alumnae have entertained their sponsors. We feel that this arrangement has probably done more toward bringing the active chapter and its alumnae closer together than anything that has previously been used. We appreciate their interest in us and their attempt to know us better. We have had no transfers to this campus.

INDIANA BETA

I. *Membership*: 1934-35: Initiates, 20; active members, 38. 1935-36: Initiates, 27; active members, 52. Resident active members, 9; resident alumnae, 26; total membership up to May 1, 1936, 635.

II. Honors: 1 Phi Beta Kappa; 8 Alpha Lambda Deltas; 1 secretary of senior class; 1 secretary of junior class; 2 A.W.S. Council members; 1 A.W.S. treasurer; 7 Panhellenic Council members; 10 members of W.A.A.; 1 Mortar Board; 8 Pledges members; 1 Pleiades president; 2 Pleiades treasurers; 1 Pleiades social chairman; 3 Phi Chi Theta members; 1 Phi Chi Theta president; 5 freshmen received Mortar Board recognition; 1 Tau Kappa Alpha; 1 member varsity debate team; 4 members of Chi Gamma; 1 member of Classical Club; 6 members of Le Cercle Francais; 2 members of Omicron Nu; 6 members of Home Economics Club; 1 member of Oceanides; 1 member of Terpsichorean; 12 members of University Chorus; 3 members of Pi Lambda Theta; 1 member of Euclidean Circle; 4 members of International Relations Club; 1 President of History and Political Science Club; 1 member of Iota Sigma Pi; 3 Glee Club members; 4 members of *Arbutus* staff; 2 sophomore assistants on *Arbutus* staff; 5 members of *Daily Student* staff; 10 members of *Bored Walk* staff; 1 representation in *Folio* Magazine; 3 Theta Sigma Phis; 3 members of Theta Alpha Phi; 1 treasurer of Theta Alpha Phi; 1 social chairman of Theta Alpha Phi; 15 members of Taps; 1 member of Senior Peace Pipe Committee; 1 member of Senior Invitations committee; 1 member of Rawles Memorial Fund committee; 1 member of Student Government committee; 5 members of Orientation committee; 1 in *Jordan River Review*; 12 in *Frills and Furbelows*; 2 directors of *Frills and Furbelows*; 15 in *I.U. Review*; 1 in *Garrick Gaieties*; 5 members of University Theatre; 1 assistant business manager of University Theatre; 1 assistant business manager of University Theatre; 3 in "East Lynne," 3 in "No, No, Nannette," 4 in "Heloise and Abelard," 1 in "Little Women," 2 in "Good News," 2 in "First Mrs. Fraser," 1 in "Hoosier Schoolmaster," 6 in Cabaret Shows, 1 in "Ladies of the Jury," 2 exhibitors in Big Ten Art Exhibit; 3 *Arbutus* recognition; 1 I.U. representative in Drake Relay Beauty contest; 1 winner of Niesser medal for debating; 30 members in Y.W.C.A.; 5 members of Y.W.C.A. Cabinet; 1 vice-president of Y.W.C.A.; 5 R.O.T.C. sponsors; 3 R.O.T.C. colonels; 1 *Bored Walk* Beauty queen; 1 freshman university princess; 4 *Arbutus* beauty queens; 1 attendant to the queen of the Olympic trials.

III. Scholarship: In order to help the pledges make the initiation average of C, we have study table every week night from seven until ten. It is supervised by upperclassmen, and those upperclassmen who do not maintain a C+ average are required to attend also. The freshmen are required to be in the library during the day from nine in the morning until noon and from one until four, when they do not have classes. In order to create greater interest in scholarship for actives, there is the rule that every active must have a C average or forfeit her Arrow. If all work is passing by mid-term, the pin is returned. As a reward for achievement we have scholarship cups for the freshman and upperclassman making the highest average during the year. The scholarship committee enforces study hours, directs the tutoring system, checks on grades, and keeps a record of those who need help. Rank: 1934-35, fourteenth place; 1936, eighth place.

IV. Chapter Work: Our executive council consists of: the president, vice-president, rush captain, pledge supervisor, and a representative from the upper classes. Pledge meeting is held every Tuesday night, at which time the pledge supervisor gives the freshmen their instruction. The first part of the semester the meetings are devoted largely to pledge study and examination, but also many programs were conducted by alumnae and visitors who were outstanding, many of them leaders on this campus. The pledges elect their officers each fall. We made the following contributions: Settlement School, \$20; Loan Fund, \$10; Endowment Fund, \$20; Red Cross, \$10. In previous years we have had no chapter publication. This year we have made plans for a chapter paper to foster closer cooperation between the alumnae and the active chapter, and we hope to carry our plans out next year.

V. Entertainment: We started our social functions with the annual Bowery dance in the fall. We also have a winter formal and spring rush dance. Formal dinners are held for the Dean of women and her assistant, and the freshmen and the upperclassmen each have a formal date dinner. At Christmas the freshmen give a cooky-shine for the upperclassmen. On Mothers' Day we entertain the parents at dinner. We have a formal dinner for our visiting officers, this year entertaining Mrs. Stark and Mrs. Scott. A breakfast is given in the spring in honor of the seniors. This spring we held an informal tea for our alumnae. Each Wednesday night and Sunday noon dinner is open for friends and faculty.

VI. Chapter House: Our chapter house is owned and managed by the alumnae. At present its estimated value is \$35,000. In the past two years, interior refurbishings have been made amounting to \$3,000. The plans are

now being completed for our new house for next year to be built on our present location.

VII. Maintenance of Alumnae Interests: We invite our alumnae to our rush parties, initiation banquets, and have different ones chaperon our different dances. Once a month the advisory board meets with the executive council. We entertain various members of the alumnae club at informal dinners. Representatives from the alumnae frequently visit our fraternity meetings, and always help us especially with rush work. We have had four unaffiliated transfers on our campus during the last three years, all of whom have been invited out to dinner, to our dances, and to visit the house whenever they wished. We affiliated one transfer in this period.

MARJORIE RICE

INDIANA GAMMA

I. Membership: 1934-35: Initiates, 20; active members, 36 first semester and 31 second semester; 1935-36: Initiates, 19; active members 28 first semester and 24 second semester. Resident active members 40; resident alumnae, 193; total membership to May 1, 1936, 473 (also 2 affiliates).

II. Honors: 2 Phi Kappa Phi; 2 graduates with magna cum laude; 4 honor students; 3 class officers; 5 contributors to literary magazine; 3 official positions on *Collegian* (college daily) staff; 100 per cent membership in Y.W.C.A. and Women's League for 1934-35 and 1935-36; 2 Y.W.C.A. Cabinet members; 4 members in Scarlet Quill (senior honorary); 1 officer in Scarlet Quill; 2 members in Chimes (junior honorary); vice-president of Chimes; 7 members in Spus (sophomore honorary); 1 member in Phi Chi Nu (freshman scholastic honorary); 4 members in Theta Sigma Phi; 1 officer in Theta Sigma Phi; 3 members in Glee Club; 100 per cent membership in Conversational Club; 1 Urban Panhellenic Congress delegate; secretary-treasurer and president of Panhellenic; 3 members in Kappa Delta Pi (home economics honorary); 7 members in Blue Gills (swimmers' club); 7 members of intramural basketball team; 4 members of Women's Athletic Association; 1 officer in Women's Athletic Association; 9 members of Thespis (dramatic organization); 7 members in Spanish Club; 2 members of Butler Indoor Relay committee; 2 members of Student Council; representatives on all class and class dance committees; 1 relay queen; 2 sophomore cotillion sweethearts; 1 relay queen attendant.

III. Scholarship: The chapter has tried to improve scholarship by concentrating on the beginning of the semester. Due to the inadequate facilities of the school library we can not use the study table system. If either a pledge or an active fails in any subject we have a tutoring system, made up of upperclassmen, whereby the girl can get special help in the particular subject in which she fails. Also any girl failing must arrange an interview with the scholarship adviser (who is a professor at the university) and the latter tries to discover the basis and the solution for the problem. There are no fines or social regulations for low grades except the weekend before and the week during final examinations. Each year a scholarship dinner is given at which two gifts are awarded. A large old-fashioned arrow is given to the girl who has increased her grade average the most during the preceding year. A ring is given to the senior having the highest average for four years. An outstanding pledge is allowed to wear the diamond recognition pin for one year after her initiation. The pledge average must be 1.3 (approximately B-) for 15 hours for one semester. The active average must be a C or she loses her vote in chapter meeting. Indiana Gamma ranked sixth the first semester of 1933; sixth in 1934, and fifth the first semester of 1935.

IV. Chapter Work: The pledge supervisor allows the pledges with their officers to conduct their own business and guides them mainly in decisions of chapter importance. Alumnae often come to talk to the pledges on important phases of the fraternity. Each pledge is obliged to take a subject pertaining to Pi Phi (Settlement School, Convention, etc.) and make an oral report on it in active and serve a spread before each meeting.

Executive council is made up of two representatives from each of the three upper classes plus the president, treasurer, rush captain, and pledge supervisor. The chapter pledges \$25 to the Settlement School each year.

A pledge of \$25 to the Loan Fund is made by the chapter.

Tuberculosis Christmas Seals are bought by the chapter. Great quantities of clothes and canned goods were given to the Butler Clothes Drive. Indiana Gamma has only one publication during the year and that is the *Dart* which appears at the annual June dinner-dance. It carries a record of the honors of the year plus a general humorous account of the doings of the girls during the year. An activity dinner is held late in the college year at which the girls with the lowest grades and activities prepare and serve a spread for the others and the girl with the most activities is honored.

V. *Entertainment*: Yearly events: open house, Christmas dance, June dinner-dance, pledge dance, Mothers' Day breakfast, Dads' Day, Senior Christmas party, final formal rush dinner, fall rush tea, 2 spring rush teas, spring rush breakfast, alumnae luncheon for chapter, Mothers' Christmas party for chapter, and breakfast for seniors by Mothers' Club. Other events: Tea and dinner for national officer dedication dinner for the new house; open house for Pi Plus; campus open house for the new house; hard times dance for years 1934-35; dinners to include all the faculty; farewell dinner for chaperon; Exchange dinners with other campus organizations; monthly Mothers' Club meetings at the house.

VI. *Chapter House*: The house is owned. It is valued at \$35,000. Since May 1, 1934, a new house has been completed for Indiana Gamma two blocks from the campus. All the furnishings were new and are valued at \$5,000.

VII. *Maintenance of Alumnae Interest*: We have alumnae-active participation in practically all of our activities. We support their annual play 100 per cent and they support the Mothers' Club bridge party, the proceeds of both of which go to the chapter house and furnishings. Alumnae participate in our rush activities to a very helpful and successful degree. They attend our meetings and 2 actives represent the chapter at each alumnae club meeting. There have been no unaffiliated transfers on our campus in the last three years. There were only two transfers and both affiliated.

Since Butler is so small we have no trouble at all in contacting any transfers.

JANE BEASLEY

INDIANA DELTA

I. *Membership*: 1934-35: Initiates, 12; active members (including initiates), 32. 1935-36: Initiates, 17; active members (including initiates), 40. Resident active members (at present), 15; resident alumnae, 27, total membership up to May 1, 1936, 248.

Class offices have been discontinued. Campus honors: 1 member of Mortar Board; 2 assistant co-ed editors of *Debris* (yearbook); 2 members of business staffs, 5 members of editorial staffs, 1 co-ed editor of *Exponent* (daily paper), 2 associate editors, 12 members of editorial staff; 1 member of editorial staff of *Pharmacist* (Pharmacy School publication); 2 vice-presidents of Y.W.C.A., 1 secretary, 1 treasurer, 10 members of cabinet, 46 members; 16 members of W.A.A., 1 secretary, 7 members on council, 8 heads of sports; varsity teams; 4 on baseball, 1 on basketball, 4 on hockey, 2 on rifle, 2 on tumbling, 4 on volleyball; class teams; 3 on archery, 5 on baseball, 3 on basketball, 7 on hockey, 6 on rifle, 2 on soccer, 6 on swimming, 3 on track, 6 on volleyball; 6 members of Life Saving Corps; 2 members of Purdue Sportswomen; 3 members of Philalethian Literary Society; 2 members of Anonian Literary Society; 4 members of Virginia C. Meredith Club (home economics), 1 secretary-treasurer; 6 members of Gold Pepper (for interest in campus athletics—booster organization); 4 members of Student Senate; 17 members of Purdue Memorial Union committees, 1 vice-president; 4 members of rush rules committee; 46 members of W.S.G.A., 1 member on judicial board, 5 members on executive board, 1 chairman of office committee, 1 chairman of social committee, 1 chairman of May Day committee, 1 member of residence committee, 3 members of May Day covers, 20 members participated in May Day pageant; 3 members of Glee Club; 3 members of University Choir; 2 members of Concert Choir; 5 members participated in "Bright Young Things" (Union show); 6 members participated in "Camita" (Union show); 4 members of Playshop, 2 members on board, 1 secretary, 1 chairman of make-up committee, 2 members had leads in Playshop productions, 5 members had minor parts, 1 member of Purdue Military Band; 1 sophomore debate manager; 1 member on varsity debate team. Social honors: 1 Maid-of-Honor to the May Queen; 3 beauty contest winners.

III. *Scholarship*: Supervised study hall is held for pledges living in the house four nights a week from seven o'clock until ten o'clock with a fifteen minute recess at eight-thirty. Study hall is compulsory five nights a week if the pledge is failing in one subject and six nights a week if she is failing in two or more subjects. Pledges must spend all free hours during the day studying in the Purdue library. No girl is initiated who does not have a point average of 4.0. Members have no chapter vote if grades fall below their initiation requirement, and they are denied the privilege of voting until the average is

raised. Active members failing in one or more subjects must attend study hall four nights a week until the grade is raised. Actives study in their rooms three nights a week. A scholarship ring is awarded to the senior having the highest average throughout her four years. The name of the freshman having the highest scholarship average is engraved on a silver loving cup which was presented to the chapter by the alumnae. At homecoming the alumnae advisory board presents a \$5.00 award to the sophomore with the highest scholastic rating during her freshman year, and \$5.00 to the girl showing the greatest improvement in scholarship over the previous semester. We have no system of fines for scholarship. 1934-35; Pi Beta Phi ranked fifth the first semester and fifth the second semester, 1935-36; Pi Beta Phi ranked fourth the first semester. There were seven sororities on the campus during the year 1934-35. This year there were six.

IV. *Chapter Work*: Pledges meet each Monday evening while active meeting is being held. They are well organized and have their own officers while a pledge sponsor maintains the connection between the active and pledge members. The order of the meetings is followed as outlined in the pledge manual. Activities are encouraged and at the end of the year a jeweled recognition arrow is given to the girl who has proved herself most deserving. Executive council meets once a week in the interim of regular meetings. It is elected by popular vote and is composed of the chapter president, one senior, one junior, one sophomore, and one member at large. In 1934-35 we sent \$18.50 to the Settlement School, \$12.50 was sent to the Endowment Fund, \$12.50 was sent to the Loan Fund, \$1.00 was contributed to the Red Cross. In 1935-36 we sent \$25.00 to the Settlement School, \$25.00 to the Endowment Fund, and \$25.00 to the Loan Fund, \$3.00 was contributed to the Red Cross. Many girls do local settlement school work under our local Y.W.C.A. The *Tiny Arrow* is issued in the spring of the year as a means of contact between the chapter and its alumnae. During fall rush a pamphlet containing a short history of Indiana Delta was given as a favor at the formal tea. As a help to all a file is kept of valuable material used in University courses, namely, tests, examination questions, and review suggestions.

V. *Entertainment*: 1934-35: 3 luncheons, 4 dinners, 1 formal tea during fall rush; wiener roast; informal pledge dance; annual homecoming open house for alumnae; cooky-shine and alumnae association meeting at homecoming; 4 advisory board dinners; formal dinner before Gold Digger dance; birthday spread; Settlement School tea; Dads' Day dinner; faculty dinner; 2 radio dances; formal Christmas dinner and all night party; dinner for province president; formal dinner dance; fraternity picnic; faculty tea; 2 Mothers' Day dinners; spring formal supper dance; tea for national officer; dinner for national officer; 12 informal rush dinners; 4 fraternity teas; dinner for patronesses; tea for alumnae and Mothers' Club; senior farewell dinner; cooky-shine before commencement, 1935-36: 3 luncheons, 4 dinners, 1 formal tea during fall rush; spring rush dinner; dinner for mothers of town pledges; 3 fraternity teas; wiener roast; informal pledge dance; birthday spread; Mothers' Club tea; dinner for ex-province president; annual homecoming open house for alumnae; cooky-shine and alumnae association meeting at homecoming; formal dinner before Gold Digger dance; Dads' Day dinner; Settlement School tea; dinner for province president; formal Christmas dinner and all night party; 2 open houses for fraternities; 2 fraternity exchange dinners; 2 fraternity buffet suppers; radio dance; formal supper dance; dinner for patronesses; dinner for Dean of Women; faculty tea; senior farewell dinner; cooky-shine before commencement.

VI. *Chapter House*: House owned by Indiana Delta of Pi Beta Phi Association of Purdue University, Inc. Valued at \$20,000. Purchased in spring of 1926; remodeled from brick duplex. New furnishings and improvements are: Upstairs completely furnished; silverware; casseroles; linen dinner napkins; lemonade glasses and spoons; card table; world globe; 2 electric fans; book cases in one end of south parlor; library started which has been dedicated to Mary L. Matthews, Dean of the School of Home Economics; rug for chaperon's room.

VII. *Maintenance of Alumnae Interest*: Alumnae are invited to teas and dinners; alumnae advisory board is invited to attend chapter meetings; alumnae are invited to all initiations, pledgings, and other special services. There has been one unaffiliated transfer on the campus in the last three years. She lived in the house. Unaffiliated transfers have full privileges of the chapter house, come to all social functions, and seem very much as if they belong here. There have been two affiliated transfers during this period.

Social honors: 2 Savitar Queens, Homecoming Queen and Homecoming Greeter, Men's Queen, Barnwarming Queen's Attendant, St. Pat's Queen Attendant, 4 Campus Favorites.

III. *Scholarship*: Supervised study is held for freshmen four nights a week from 7:30 until 10:30, with a fifteen minute recess. All actives making below an M average also attend study hall. A card index is kept for actives and pledges. These cards are gone over several times a semester by the Advisory Board Chairman and the active Chairman of Scholarship. There are separate awards for the actives and pledges making the highest grades. We have no system of fines for scholarship. The chapter demands that an M average be maintained by both actives and pledges. For the year 1934-35 Missouri A ranked first out of fourteen. For the year 1935-36 Missouri A ranked eighth at the end of the first semester.

IV. *Chapter Work*: Pledge meetings are held regularly each week under the supervision of the pledge sponsor. The meetings are devoted largely to pledge study and examination but they are interspersed with talks by certain alumnae, chairmen of committees and chapter officers. Scholarship and activities are particularly encouraged at the beginning of the year. The Executive Council consists of president, vice-president, recording secretary, corresponding secretary, treasurer and rush captain. These officers represent all four classes. Subscriptions for magazines are made and the money contributed to the Settlement School. An annual contribution of ten dollars is made to the loan fund. Each pledge and active pays one dollar monthly to the Pi Beta Phi Endowment Fund.

V. *Entertainment*: 1934-35: 1 formal and 3 informal dances, tea for alumnae, Mothers' weekend, highschool weekend, tea in honor of visiting alumnae and guests at homecoming, Christmas party and tea of rushees from Stephens and Christian Colleges. 1935-36: 1 formal and 2 informal dances, Mothers' weekend, Fathers' weekend, Pi Beta Phi Club tea, tea for pledges, tea for visiting alumnae and guests at homecoming, Christmas party, tea for Zeta Sigma, tea for rushees from Stephens and Christian Colleges, tea for visiting journalists, Journalism School tea, five informal rush teas, and exchange dinners with other sororities.

VI. *Chapter House*: The chapter owns its house which is valued at \$56,000, lot valued at \$15,000 and furniture valued at \$10,000. Since May 1934, the house has been painted, rooms repapered and all small defects repaired, leaving the house in excellent condition.

VII. *Maintenance of Alumnae Interest*: The alumnae and active chapter of Pi Beta Phi are held together by the weekly advisory board, monthly meetings of the Pi Beta Phi Club, alumnae Panhellenic Board and cooperative work during rushing. The alumnae attend many of our "Cooky-shines," parties, pledging, and initiation, besides other special functions and dinners. There have been four affiliated and seven unaffiliated transfers on the campus in the last three years. Unaffiliated transfers are allowed

to eat all meals at the house, attend parties with small charge, and to participate in all activities.

III. *Scholarship*: Freshmen receive their grades each month and report them to the pledge sponsor, all the pledges are required to study in the library a certain number of hours weekly. Their hours are recorded on cards which are signed by an active at the time they arrive and leave the library. Individual actives help any pledge having trouble in a special subject. Pledges may have no dates two weeks before, or during, final examinations. To the pledge, most outstanding in respect to grades, activities, and fraternity spirit a diamond recognition pin is awarded. A "C" average is demanded for initiation. The active grades are posted each semester. All those having a grade average below "C" have to spend a certain number of hours in the library, and have their pins lifted for six weeks. A Pi Phi ring is presented each year to the active with the highest grades. For the semester September 1934 to January 1935, we ranked seventh; for the semester January 1935 to June 1935, eighth; for the semester September 1935 to January 1936, seventh.

IV. *Chapter Work*: An active, the pledge sponsor, has charge of the pledges. The pledges elect their own officers and conduct their own meetings, the active merely being there to instruct and advise. As the pledge meeting is held the day following the active meeting the sponsor is able to give pledges chapter news and criticism. For many of the pledge meetings, the sponsor obtains some speaker who offers helpful hints and Pi Phi information. Each week a committee is appointed to take care of the room, and likewise one for the cooky-shine to wash dishes and to entertain. Every pledge mother writes a letter to the mother of her pledge daughter. The Council is composed of the president, the treasurer, the pledge sponsor, and two members at large, however, there must be one representative from each class. This last month we decided to have the vice-president on the Council as it is easier for her to get information for the alumnae meetings. We sent \$30 to the Settlement School, and toys at Christmas. At this year's Founders' Day banquet

some of their work was used for decorations on the tables. We have given \$20 to the Loan Fund and \$25 to the Endowment Fund. We have given to the Community Fund, the United Relief, and the Tuberculosis Society. The active chapter has assisted the alumnae in selling tickets and ushering at their benefit shows. Several scrap-books of chapter interest are kept by actives. The chapter usually enters intramural sports and has placed in swimming the last two years. Cooky-shines are held approximately every two weeks throughout the year, at most of which we entertain prospective rushers. Daily, cars owned by girls in the chapter are used to take groups out to lunch. We have two house parties a year and usually some slumber parties. The Mothers' Club is interested in our work. Last year they had a three piece set in the room recovered, and this year presented us with a radio.

V. *Entertainment*: In 1934-35: pledge dance, formal dinner dance, spring formal, barn dance given by pledges, 1 house party, 1 slumber party, Founders' Day banquet, homecoming tea, historical cooky-shine, Christmas cooky-shine, special cooky-shines after pledging, initiation, and Senior ceremony (with alumnae), several rushing teas, special teas, five formal rush parties (one afternoon party), a "hotel" party, a dance, a school, and a radio party. In 1935-36: pledge dance, formal dinner dance, spring formal, dance given by pledges, 2 house parties, 1 slumber party, Founders' Day Banquet, homecoming tea, inter-sorority sing and tea dance, Christmas cooky-shine, special cooky-shines after pledging, initiation, and Senior Ceremony, five formal rush parties (an afternoon party, a dance, a "ship" party, a slumber party, and a "hotel" party).

VI. *Chapter House*: Instead of sorority houses, Washington University has a Women's Building, the second and third floors of which are devoted to rooms for each sorority. In our room which is located on the second floor directly above the entrance, we entertain, hold our meetings, and keep all our equipment. This last year our room was modernized. The floor was carpeted in turquoise blue, all the furniture was recovered or replaced with new. Above the couch was placed a large six by six foot mirror which makes the room look double its normal size. To complete this grouping a coffee table, two white leather chairs and two octagon tables with white lamps were artistically arranged. All the trimmings are white.

VII. *Alumnae Interest*: The alumnae of St. Louis are very interested in the welfare of our chapter. They take care of the Founders' Day Banquet, prepare all the food at our pledging and initiation cooky-shines, and the Senior Ceremony. We have splendid assistance from the alumnae in rushing. They offer us their homes, and help with the kitchen work. At present there is a committee of ten (five actives and five alumnae) that have been planning all the rush cooky-shines and are now planning fall rush parties. The alumnae have benefits for the Settlement School each year. They are welcome to attend our meetings and all social functions. The advisory board keeps in close touch with our chapter. Two of the members are elected for two year terms. The chapter vice-president attends all alumnae meetings and reports the chapter activities. There has been one affiliated transfer, and one unaffiliated transfer who has taken a very active part in the chapter this year but as yet hasn't made the proper grades to become affiliated. The chapter contacts transfers by inviting them to our cooky-shines and social functions.

II. *Honors*: 5 cum laude degrees; 4 departmental honors; 7 student assistants; 9 members of freshman tenth; 1 secretary of Senior class; 1 president of Sophomore class, 2 minor class officers; 2 staff members of the *Sou'wester* (yearbook); 2 staff members of the *Drury Mirror*; 5 cabinet members of Y.W.C.A.; 1 president, 13 board members of W.A.A.; 5 members of Skiff (Senior women's honorary society); 1 president, 2 secretaries of the Women's Administrative Council; 1 president of the Student Body; 5 members of the Student Senate; 8 members of Rock Hounds (honorary Geological society); 1 vice-president, 1 secretary of the Liberal Club; 1 president, 1 vice-president, 1 secretary, 6 members of the House Council of Wallace Hall; 10 members of the Drury Players; 1 president, 1 business manager, 1 production manager of Drury Lane Troupers; 4 leads in plays, 1 lead in Senior class plays; 8 members of French Choir; 2 members of A Cappella Choir; 1 member of Alpha Mu Omega (honorary musical society); 5 members of Sigma Tau Delta (honorary English society); 2 members of Pi Gamma Mu (honorary social science society); 1 beauty queen, 1 beauty queen attendant, 1 sophomore candidate, 1 May Queen.

III. *Scholarship*: The scholarship chairman keeps a complete record of each girl's average for each semester. We

have a plan for scholarship which we plan to use next year and hope will prove to raise our scholarship average back to first ranking. This is to give required reports on the amount of hours spent during the week on studying. At the end of the year the alumnae club awards a recognition pin to the pledge having the highest average, and to the active who has raised her average the most from the preceding semester. Each pledge mother keeps an accurate account of her daughter's grades, and sees that she obtains help in the subjects needed. The pledges report at every meeting their grades at the time that they receive them. This includes different grades obtained during the week. During final week the pledges are allowed no dates at all except on week-ends. Our average for initiation is 2.4. The average required by Panhellenic for initiation is 2.0. In 1934-35 our chapter ranked second, in 1935-36, our chapter ranked second in scholarship.

IV. *Chapter Work*: Our pledge groups are well organized and active in their work. They meet once a week in the rooms for meetings and luncheon. The pledge mistress, a senior, meets with them to help them with any problems that might arise. Different actives or alumnae meet with them to talk to them on interests of Pi Phi. Again this year we have used the black mark system which proved effective last year; after five black marks a girl's pledge is broken. We still have the plan of adding two dollars a month to the pledge due as payment toward their initiation fee. In chapter meetings we invite different speakers from the campus to talk to us on subjects of campus interest. This provides a program that is entertaining as well as helpful. We contributed fifteen dollars to Settlement School for each year. Every year the alumnae give a tea just before Christmas and sell Arrow Craft products. We contributed to the Loan Fund, fifteen dollars for both years. We contributed to the Pi Beta Phi Endowment twenty dollars for both years. We contributed to local charities, seven dollars in 1934-35, in 1935-36 we gave ten dollars.

V. *Entertainment*: 1934-35: rushing, annual pirate party, freshman tea, faculty reception, annual spring dance, tea for our mothers, informal dance for pledges, alumnae and patronesses tea, open houses on Sunday. 1935-36: rushing, luncheon, formal tea, freshman tea, tea for mothers, pledge dance, chapter informal dance, annual spring formal dance, Christmas party for chapter members when gifts are exchanged, Sunday night suppers, Founders' Day banquet, reception for Miss Onken.

VI. *Chapter House*: Women's fraternities on Drury campus are not permitted to have houses in which the members live. We have chapter rooms that are in the same location as at the time of last convention. The rooms are located directly facing the campus. The rooms are completely redecorated. The kitchen has been painted as has the hall and stairway. We have collected some new furniture in maple for the front room. There are two new chairs, gifts of the pledge groups, some new draperies, and a new maple desk. We have a Sinking Fund to take care of the house and furnishings.

VII. *Maintenance of Alumnae Interest*: We invite our alumnae to almost all social functions. They come to active meeting quite often, and to initiation, pledging, and to cooky-shines and receptions. We have a regular monthly meeting of the Advisory Board with the Executive Council at a luncheon, the actives providing for the food one time and the alumnae the next. There has been one unaffiliated transfer on our campus since the last three years. She comes to our social functions and to meetings. She comes to the rooms often and we have tried to make her feel at home.

I. *Membership*: 1934-35: initiates, 10; active members, 21. 1935-36: initiates, 16; active members, 27. Resident active members, 25; resident alumnae, 110; total membership, 137.

II. *Honors*: 1 vice-president junior class; 2 secretary of sophomore class; 1 vice-president of freshman class; 1 on the staff of *Cardinal* (school paper); 2 society editors of *Cardinal*; 35 members of Y.W.C.A.; 1 vice-president of Y.W.C.A.; 2 committee heads of Y.W.C.A.; 4 members of Pallas Club (similar to Mortar Board); 3 members of Theta Chi Delta (honorary chemical); 1 secretary of Chemistry Club; 1 treasurer of Women's League; 2 representatives on Student Council; 1 head of basketball of the school; 1 head of swimming; 10 members on varsity hockey team; 3 members on varsity basketball teams; 1 championship of volleyball; 5 in major productions of U. of L. players; 1 head usher; 1 wardrobe mistress; 1 Freshman Sweetheart; 1 Campus Valentine; 1 Betty Co-ed; 1 Band Sponsor; 2 most beautiful; 1 best dressed; 1 most sophisticated.

III. *Scholarship*: The pledges and actives are given scholarship pamphlets with helpful hints for studying. In pledge meetings every week report is made of any progress in grades during the week, and discussion of any

difficulties, either with studies or professors. If any pledge is having difficulty, her sponsor tries to help in any way possible. Files of all grades are kept, and these grades are discussed by the scholarship chairman and the advisory board chairman at certain intervals. The advisory board chairman made grafts of the grades for the year 1934-35. One entire active meeting is turned over to the scholarship chairman a semester. The chapter gives a recognition pin to the pledge with the highest grades at initiation. Pledges are made to work off black marks by 2 hours a day in the library under supervision. A one standing is necessary for initiation. Kentucky A ranked second for last semester 1934, third for first semester 1935, first for second semester, and third for first semester 1936.

IV. *Chapter Work*: Personality charts were made for every pledge. These are graded at the beginning of the semester by the pledge, her sponsor, and the pledge mistress. This chart is again marked before initiation, to check any improvements. Each pledge made a map showing the provinces and places of chapters for aid in learning the chapter roll. A special program was worked out this semester for the carry-over pledges. One meeting was devoted to the history of the Founders as was presented in the anniversary ARROW. At another meeting the Manual of Social Usage was read. The history of the local chapter was studied, as well as the alumnae who are making good. The pledges learned the Greek Alphabet and gave reports on all National Panhellenic fraternities and local ones. The report of National Panhellenic Congress was read. Much time was spent on the study of the Settlement School. Robert's Rules of Order were studied. The Executive Council is made up of the president, vice-president, recording and corresponding secretary, treasurer, pledge mistress, and a representative of any class not already on it. Kentucky A gives \$35 a year to the Settlement School, \$5 each year to Loan Fund, \$30 to Endowment Fund since Convention, \$10 a year to Community Chest, 3 baskets last Christmas, \$1.25 twice to U. of L. Nursery School, \$10 to Fowler Memorial Fund, A Mothers' Club has been organized which has already done much for the chapter.

V. *Entertainment*: Rush 1934-35, lawn party, buffet, formal banquet; initiation banquet, Christmas dance, Christmas open house, spring formal. Rush 1935-36: Monte Carlo party, formal banquet, buffet; initiation banquet and dinner for Mrs. Webster, open house after a football pep rally, Christmas dance and open house, initiation banquet carried out in Convention decorations, small dance for pledges, father and daughter silver tea given by Mothers' Club, tea given by mothers for daughters, spring formal.

VI. *Chapter House*: Five room apartment, rented. Additions: the chapter room was done over into a lounging room. The alumnae helped furnish a dining room with a new table, chairs, dishes, glasses, and the Mother's Club gave plated silver. A new studio couch and lamps were bought. The old piano was traded in on a victrola-radio. The kitchen was painted and new linoleum was bought. Two new rugs, chair coverings, curtains, and table were purchased.

VII. *Maintenance of Alumnae Interest*: The alumnae club holds its meetings at the house every month and two members of the active chapter attend. They are together at initiations banquets and Founders' Day. Alumnae are invited to active meetings. The two work together on social affairs. The alumnae help with rushing. We have no transfers.

III. *Scholarship*: Scholarship committee composed of one member from each class with an elected chairman; actives report on grades received and number of hours studied at each meeting; chairman reports on grades every quiz period. Actives and pledges are fined 50¢, \$1.00, and \$1.50 for each semester grade of D, E, F, respectively. A study table was held three afternoons a week for pledges with an active supervising. The Scholarship Committee Chairman has kept a list of the semester grades of each active from the time of her entrance in school up to date and has arranged this in chart form so that a comparison of each individual's work can be made. The Alumnae Club offers a prize of \$3.00 to the active making the greatest improvement in her scholarship each semester. A rule was passed requiring the lifting of all pins from actives who fail to make at least 12 hours of "C" with no "E's" or "F's." The same rule applies to pledges for initiation. In 1934-35 first semester average was 1.33, tied for first place; 1934-35 second semester average was 1.33, second place; 1935-36 first semester was 1.41, first place.

IV. *Chapter Work*: The pledges have their own organization and officers, and conduct regular weekly meetings under supervision of pledge captain with pledge supervisor's manual followed as a guide. In 1935-36 a pre-initiation week was instigated. Actives and pledges met at the house every day for luncheon and the pledges recited and were graded on previously studied questions; such as, Pi Beta Phi history, Founders, Settlement School, Awards, Funds, Outstanding Pi Beta Phis, local charter members, recognition of other sorority and fraternity pins, fraternity songs, and local honors. At the Founders' Day Banquet a cup is presented to the best all-round pledge. A prize is given to the pledge with the highest scholarship. The Executive Council for 1934-35 was composed of the fraternity president (chairman), vice-president, pledge supervisor, treasurer, and 1 representative from sophomore, junior, and senior classes; 1935-36, the fraternity president (chairman), treasurer, and 1 representative from sophomore, junior, and senior classes. This council meets once a week before each chapter meeting and once a month with alumnae advisory board. 1934-35: \$25.00 to Settlement School, \$15.00 for Loan Fund, and \$25.00 for Pi Beta Phi Endowment. Each year individual donations to Community Chest; Christmas and Thanksgiving baskets to the poor; contributions to American Red Cross, and flowers for Annual Hospital Day. 1934-35: \$10.00 University Endowment Fund.

V. *Entertainment*: 1934-35: for rushees, flower tea, travel party, and banquet; dance for actives given by pledges; buffet supper for initiates; open-house for student body; Christmas party; entertainment for Province President; faculty tea; spring formal; luncheon for rushees; formal tea for patronesses; Mothers' and Fathers' Day Tea on Mothers' Day; spring rush house party; senior farewell ceremony; 1935-36: for rushees, topsy-turvy party, travel party, banquet; dance for actives given by pledges; Christmas party; buffet supper; entertainment for assistant to Grand President; faculty tea; entertainment for Province President, which included a delightful trip to Gatlinburg; spring formal; tea for patronesses, mothers, and fathers on Mothers' Day; bridge-breakfast for rushees; spring rush house party; senior farewell ceremony. Birthday cooky-shines once a month in honor of those with birthdays that month were initiated in 1934-35. Inexpensive comical gifts are presented to honorees with suitable verse accompanying presentation.

VI. *Chapter House*: Chapter house, valued at \$1,500.00 is owned by alumnae club and rented by active chapter for \$15.00 per month. The house has been redecorated each spring and painted on outside last spring. A new stove for kitchen was bought, as well as coffee urn, chair covers, cushions, lamps, radio, curtains, and new decorations for dressing room. Mothers' Club gave actives a kitchen shower, and also presented them with gifts of silver, crystal, and linen. Alumnae club gave active chapter new burglar-proof screens and locks for all windows and doors.

VII. *Maintenance of Alumnae Interest*: The alumnae are invited to rush parties, dances, cooky-shines, Founders' Day celebration, pledging, and initiation. The alumnae club generally gives the active chapter at least two parties a year; an initiation cooky-shine, and a formal tea during rush season. The last two years they have also given a party in honor of the seniors at Fairyland Club, Lookout Mountain. The active chapter sends one member to the alumnae meeting once a month.

ALABAMA ALPHA

I. *Membership*: 1934-35: initiates, 9; active members (including initiates), 25. 1935-36: initiates, 15; active members, 27; resident active members (at present), 23; resident alumnae, 58; total membership up to May 1, 1936, 99.

II. *Honors*: 2 honor graduates; 30 on honor roll; 2 class secretaries, 1 class treasurer; 4 members on Annual staff, 12 members on newspaper staff; 25 members Y.W.C.A., 4 members on the Y.W.C.A. cabinet. 7 members on freshman commission; 2 members on Mortar Board; 7 members Alpha Lambda Delta (honorary freshman scholastic fraternity); 2 members and 1 vice-president of Phi Sigma Iota (honorary language fraternity); 7 members, 1 treasurer, and 1 vice-president of Le Cercle Français; 5 members and 1 vice-president of Pi Gamma Mu (honorary social science fraternity); 24 members, 2 treasurers, 1 secretary and 1 vice-president of Belles Lettres (literary club); 1 member of Eta Sigma Phi (honorary Latin fraternity); 3 members of the Classical Club; 10 members of International Relations Club; 5 members of Paint and Patches (dramatic club); 2 members of Beta Beta Beta (honorary biological fraternity); 7 members, 1 president, 1 treasurer of Alpha Gamma (hobby club); 2 members and 1 treasurer of Theta Sigma Lambda (honorary mathematical fraternity); 1 member Mu Alpha (honorary musical fraternity); 4 members Delta Phi Alpha; 5 members and 1 secretary of Amazons (intersorority club); 3 members and 1 vice-president of Co-ed Council; 4 members of Panhellenic Council; 1 member in cast of *Mary the Third*; 2 maids in May Court 1 member in Annual beauty section, 4 members in favorite section of Annual; 6 cotillion leaders; 1 winner of German prize.

III. *Scholarship*: If Alabama Alpha's rank of first place in scholarship is lost, active members and pledges who do not have a B average are required to attend a study hall for two hours, four afternoons a week supervised by the chapter scholarship chairman. A scholarship cup is awarded at each initiation ceremony to the initiate who has maintained the highest scholastic average during her pledgship. The official Pi Beta Phi scholarship ring is awarded to the active member who receives the highest grades during a college year. Fines for being late to study hall are 25¢ and for being absent 50¢. One must have a C average for the immediately preceding year to be initiated. Alabama A ranked first in 1934-35, first (for first semester) in 1935-36 among social competing fraternities for women in scholarship.

IV. *Chapter Work*: The pledge meetings of Alabama A follow the form in the *Pledge Manual*. The pledge president presides at all meetings, appoints members to clean the chapter room and kitchenette. A program on different phases of sorority life or sorority interests (such as the Settlement School) is given by different chapter members. In this way the pledges are instructed for active membership, and at the same time, interest is kept alive between the actives and pledges. Especially inspirational was the talk given to the pledges by Lucy Pope, Zeta province president, during her visit in November. The personnel of the Executive Council consisted in 1935-36 of 1 senior, 2 juniors, and 2 sophomores due to the limited number of active seniors. Usually, however, this council consists of 2 seniors, 1 junior, and 1 sophomore. Alabama A sent \$15 to the Settlement School in 1934-35 and \$15 in 1935-36. In 1934-35 \$15 was sent to the Loan Fund as well as in 1935-36. \$30 was sent to the Endowment and \$10 was given to local charities during the 2 years. For the years 1934-35 Alabama A has worked especially hard toward betterment scholastically and socially.

V. *Entertainment*: 1934-35: rush parties, formal dance, formal banquet on Founders' Day, progressive dinner party, Halloween party, cooky-shines, masquerade party, steak fry, dinner-theatre party, Sunday afternoon tea for faculty and friends, parties given for chapter by members. 1935-36: rush parties, formal dance, formal banquet on Founders' Day, Sunday afternoon tea for faculty and friends, parties given for chapter by members, parties given by pledges for pledges of other sororities, Christmas party, steak fry, monopoly party, cooky-shines.

VI. *Chapter House*: Alabama A rents a suite of rooms in the Stockham Women's Building on the campus. This building houses all sororities at the college. New pictures, chairs and other furnishings are being added continually.

VII. *Maintenance of Alumnae Interests*: The Executive Council meets regularly with the alumnae advisory board, whose advice and interest are invaluable. Alumnae are invited to all rush parties, initiations, initiation banquets, pledgings and cooky-shines; and the active chapter support their activities. Founders' Day is also celebrated with the alumnae. This year the alumnae gave a cooky-shine in honor of the active chapter, and the actives gave a tea in honor of the alumnae.

I. *Membership*: 1934-35: initiates, 15; active members, 33. 1935-36: initiates, 16; active members, 38. May 25, 1936, resident active members, 10; resident alumnae, 30; total membership up to May 25, 1936, 275.

II. *Honors*: 2 members of Torch and Scroll (local honorary scholastic); 4 members of Phi Society of Phi Beta Kappa, 1 treasurer; 9 honor students; 1 honor graduate; 3 members of Mu Omega Xi (scholastic); 4 Theta Alpha Phi (dramatic); 1 Gamma Sigma Epsilon (chemistry); 4 Mu Society (junior organization of Mu Omega Xi); 1 member of Pi Kappa Sigma, president and treasurer; 2 Phi Beta (music). 1 vice-president of Senior class; 1 vice-president of Junior class; 1 secretary and 1 treasurer of Sophomore class; 1 vice-president and 1 secretary of Freshman class; 1 vice-president and 1 secretary of Student Body; 3 Student Council, 1 president and 1 vice-president; 4 on Panhellenic Council, 1 vice-president and 1 secretary; 2 Homecoming officers; 2 City Hostesses; 4 on Annual Staff, 1 editor; Young Woman's Association, 6; Woman's Athletic Association, 10, 1 class manager; 1 Handbook editor; 8 Dramatics, taking leading parts in all plays; 4 Glee Club; 1 Debating; 7 Football Sponsors; 3 on Dean's List; 3 Honor Society; 7 attendants to May Queen; 2 May Day solo dancers; 1 best looking girl; 1 most popular girl; 1 most representative girl; 3 All Star basketball team; 2 tennis team; 1 athletic director; 4 Stetson pep squad.

III. *Scholarship*: The scholarship committee is appointed by Executive Council. This committee has charge of card-file of grades, checking grades with Registrar each six weeks period and at the end of each semester. At the end of each six weeks period the committee reports to the chapter the names of each active and pledge not having a C average. A list of all grades, active and pledge, is given to the member on scholarship of the alumnae advisory board at the end of each semester. Florida A requires a C average for initiation—and a recognition pin with one pearl is awarded at the initiation banquet to the pledge with the highest scholastic and fraternity grades. Actives must have a scholarship average free from condition or failure at the end of each six weeks period or forfeit their pins until a C average is maintained. Each year a scholarship ring is awarded to the active having the highest scholastic average. We do not use study tables but our pledges are required to attend study hall for one hour each night during their pledge period. This study hall is supervised by an active. Florida A ranked first among socially competing fraternities for women for 1934-35; and second for first semester for 1935-36.

IV. *Chapter Work*: Pledges hold their meetings at the same time as the active chapter every Wednesday night, under the instruction of the pledge supervisor. They have their own organization, a president, vice-president, secretary, and treasurer, and activity chairman. The pledge supervisor helps the pledges to study for their fraternity examination by giving them oral and written tests. The activity chairman keeps a card file of the activities of each pledge and with the help of the chapter from this file the most representative pledge is chosen and awarded a small gift at the initiation banquet. This award is based on the number and variety of activities and cooperation with the chapter. The pledges pay monthly dues of 50¢ each to their own treasury; this fund is used for their general running expenses. Pledges are given an opportunity to show their talents by entertaining the chapter at least twice a month by original skits and short talks on assigned fraternity subjects and etiquette, giving them an opportunity to participate in our fraternity life. This year saw the revival of a Scrap Book in which is kept all the programs, place cards and similar material used during the year at rush parties and other entertainments given by the chapter. The Scrap Book, kept by the pledges, serves not only as a memory book but as a file for future reference. We have found that individual sponsors have been a great help in getting pledges acclimated to college life. Chapter Executive Council is composed of the chapter president, one representative from each class, and one representative at large. Florida A generously contributes to the Settlement School, the Endowment Fund, and the Loan Fund. We cooperate with the alumnae club in its annual bridge for the benefit of the Settlement School. When contributions were asked for the Flood Relief Fund this year Florida A cooperated 100%; we also participated in the activities for raising a scholarship fund for Stetson University. Last year the chapter sponsored a play at the Little Theatre on campus; this year through cooperation of the manager of the Athens Theatre in town we sponsored a movie. The receipts from these plays plus the interest on the government bonds owned by the chapter enabled us to dispense with local dues for the last semesters of the past two years. Our Panhellenic representatives were responsible for the introduction of second semester rushing and the

quota system of pledging to be put into effect this fall. Under this system our rush parties will be given the first two weeks of the second semester; and each fraternity will be allowed to pledge 12 girls.

V. *Entertainment*: 1934-35: rushing parties, annual progressive dinner—carrying out idea of season, Christmas, Easter, Fourth of July, and the Day You Go Pi Phi; tea in fraternity room; 2 Pledge Day buffet supper; 3 script dance with Pi Kappa Phi Fraternity; 4 homecoming cooky-shine; 5 Christmas party in fraternity room; 6 initiation banquet; 7 faculty-patroness tea in honor of Nita Hill Stark, Grand Secretary; 8 annual dance; 9 house party at Daytona Beach; 10 Founders' Day luncheon at Daytona Beach; 11 informal gatherings frequently in fraternity room, 1935-36: rushing parties, annual progressive dinner—theme, tour around the world; Chinese informal party; 2 pledge day buffet supper; 3 faculty-patroness tea; 4 Homecoming cooky-shine; 5 tea dance given by pledges; 6 buffet supper honoring Lucy Pope, Zeta Province President with Florida P as guests; 7 party in fraternity room after meeting for Miss Pope; 8 farewell breakfast for Miss Pope; 9 interfraternity dance; 10 initiation banquet; 11 buffet supper honoring Miss King, Dean of Women; 12 annual dance; Founders' Day luncheon with Orlando alumnae club and Florida P. 13 frequent informal gatherings in Fraternity Room.

VI. *Chapter House*: Florida A maintains a large room on second floor of Carnegie Library. Last year the chapter appropriated a sum of money to a committee of the De Land alumnae club and they refurbished the room for us, making it much more attractive and certainly more comfortable. This year, after the university had remodeled the second floor of the library, changing our room only slightly, we added several new pieces of furniture, and upholstered a studio couch and window seat cushions.

VII. *Maintenance of Alumnae Interest*: We invite our alumnae to all initiation and pledging ceremonies, meetings and social functions. For our local alumnae we have several buffet suppers in the fraternity room during the year. At Homecoming we send out programs of events and invitations to attend our cooky-shine to all the alumnae throughout the state. The local alumnae have always helped us in every way possible, particularly in offering their homes for any social functions we might give. During rushing the De Land alumnae club takes over a course of our annual progressive dinner, in addition to other active work at this season. We are very grateful for the interest the alumnae throughout the entire state have shown in us during rushing season, they have been most helpful by writing letters of recommendation and also by entertaining the girls in their own towns. There have been no affiliated or unaffiliated transfers.

III. *Scholarship*: Initiation requirement on campus is a "C" average. All below this average are put on academic probation by the college. This automatically limits their social privileges. All members of the chapter making below a "C" average are put on chapter probation with the possibility of losing their pins for an indefinite length of time if the grades are not raised in a semester's time. These delinquents must take part in all chapter functions but

have no voice or vote in chapter meeting, and are forbidden all but a very few social privileges. They are required not to leave college for a week-end until grades come out again and they have raised them to the required "C" average. All freshmen are required to attend a regular study hall held five times a week and supervised by upperclassmen with "B" averages. After initiation, all those not making a "B" average must continue to attend this study hall. Special supervision is given those girls not making the initiation requirements. Teachers are contacted and ways are worked out whereby the freshmen may do better work. All initiated members not making a "B" average are required to attend study hall in the library two hours every week night. They are put on their honor to attend, and are allowed three absences a month. The average demanded for the active members and the pledges is a "C." The following awards are given—scholarship cup for pledge making highest grades, scholarship bracelet for active raising her grades the most during one semester, and scholarship ring for active making the highest grades during the year. The chapter average for 1934-35 was 1.110, with the group average 1.35. For 1935-36 chapter average was 1.395 with the group average 1.398.

IV. *Chapter Work*: Pledges have their own meetings once a week in which they are trained in fraternity study and requirements by the pledge sponsor who is chosen for her ability to get along with girls. At the time of initiation a bracelet is awarded to the best all-round pledge. The Executive Council is composed of the president, treasurer, and one representative from each class. The chapter gives \$50 yearly to the Settlement School (\$100 this year), and \$50 yearly to the Undergraduate Loan Fund (\$100 this year). At our annual Christmas party actives and pledges contribute toys and clothing which are given to local charity. There are no contributions made for college funds for endowment or buildings. Eight chapter meetings each year are devoted to lessons in parliamentary procedure. There is a chart to be checked to insure mailing of weekly letters to Province President.

V. *Entertainment*: 1934-35: Teas and rushing parties for rushees; formal banquet for pledges; open house at Thanksgiving; Christmas party; tea dance during Junior-Senior Prom week-end; breakfast during Sophomore Hop week-end; tea for Mrs. Stark; monthly after dinner coffees for faculty; monthly cooky-shines; initiation breakfast; breakfast following Founders' Day ceremony. 1935-36: teas and rush parties; formal banquet for pledges; monthly after dinner coffees for faculty; monthly cooky-shines; formal dance Thanksgiving; tea for Miss Pope; Christmas party; initiation breakfast; open house Sophomore Hop week-end; open house Panhellenic week-end; buffet supper Junior-Senior Prom week-end; breakfast following Founders' Day Ceremony; farewell reception for chaperon.

VI. *Chapter House*: Florida B owns the chapter house and it is valued at \$15,000. It is located on College Avenue one block east of the college. House repainted and shingled for protection. Chapter room was repainted and redecorated. Occasional pieces of furniture, draperies, and rugs added to rooms when needed.

VII. *Maintenance of Alumnae Interest*: Alumnae are invited to all initiations, cooky-shines, ceremonies, and social functions. The monthly joint meetings between the alumnae advisory board and Executive Council have been most helpful as they have advised us and offered useful constructive criticism. There have been two unaffiliated transfers during the past two years.

III. *Scholarship*: The scholarship committee reads chapter grades at meetings following each of the three semesters. A member must keep a C average to retain her voting privilege. If her scholarship is low the second

term, she forfeits her pin. The pledge grades are approved by the office, the grades being given in statement form rather than in numerical number or letters. Pi Beta Phi stood fifth for 1934-35 and fourth for 1935-36. In the fall term of 1935 there were 3 Pi Phis on the honor roll of twenty. If grades are low the student is required to attend study hall on two nights a week.

IV. *Chapter Work:* Our pledge trainer is elected by the chapter and she is chosen for her ability to get along with girls, temperament, and fraternity knowledge. The pledges elect their own officers and hold meetings each week under the supervision of the trainer. They have a written test at each meeting over the work learned and different members of the chapter give talks on the aims of the fraternity, Settlement School, Loan fund, Endowment fund, and other interesting facts of the fraternity. A recognition pin is presented to the most outstanding pledge. The executive council is composed of the chapter president, vice-president, the treasurer, one member of the senior class, one junior, and one sophomore. Usually a benefit bridge is given each year for the Settlement School, the Endowment Fund, and Loan Funds. At each Christmas time baskets of food and clothing are provided for two or three poor families. Pi Beta Phi offers five dollars for a dramatic prize to be given to the person contributing the most to the dramatic department. We also give fifteen

dollars which is combined with the same amount with the Phi Delta Theta fraternity for the Sprague Oratorical prize which is given each year in the memory of Dean J. H. Sprague.

V. *Entertainment:* We give a tea each year in honor of our Pi Beta Phi officers. Other teas are given during the year for visitors, alumnae, and faculty. We have several informal dances at the chapter house and at the end of the year, we give a formal all-college dance in honor of our graduates. A buffet supper is usually given in the beginning of the year for the faculty and the new students. The pledges entertain all other fraternities and sorority pledges, and also give a dance for the actives and their guests.

VI. *Chapter House:* Florida F does not own a chapter house, but the college maintains a house on the new unit cost plan.

VII. *Maintenance of Alumnae Interest:* The alumnae are invited to all meetings, initiations, cooky-shines, ceremonies, and social functions. Our alumnae advisory board is composed mostly of alumnae from Orlando and therefore are in close touch with the chapter and are able to keep us informed of the activities of the Orlando Alumnae Club. Since May 1, 1934, we have had two transfers affiliated with the chapter.

III. *Scholarship:* Panhellenic Council abolished study hall as an all-university requirement, but for the last five years we have held study hall for all pledges and actives whose grades at mid-semester are lower than 1.3. Study hall meets every Tuesday, Wednesday, and Thursday from seven until nine. Every sponsor takes a personal interest in helping her pledge daughter keep up in her grades and aids her whenever she is able. To be initiated a pledge must have a 1.3 average, the university requirement is 1.00. The highest ranking girl in the chapter receives the scholarship ring and the highest ranking initiate a recognition arrow. Pi Beta Phi pays the way every year for all its eligible members to the Freshman Scholarship Banquet; and when a girl is unable to afford initiation dues into Phi Beta Kappa, the chapter takes over the expense. The chapter ranked third first semester 1934-35 with an average of 1.956; second semester, third, with the average 1.945. First semester 1935-36 Pi Beta Phi ranked

sixteenth with an average of 1.574.

IV. *Chapter Work:* The pledges, having elected their officers at the beginning of the school year, govern their own meetings. The president opens and closes the meetings and conducts such business as arises. The pledge supervisor acts only as a supervisor, sitting in on meetings and advising when necessary and examining them on fraternity study. Members of the active chapter and the advisory board usually give inspirational talks at each weekly meeting. The executive council consists of the president, 2 senior representatives, 2 junior representatives, and 1 sophomore representative. Annual contributions are made to the Loan Fund, to the Endowment Fund, and to the Settlement School. Annual local contributions are made to the Student Loan Fund, to the Community Chest, and to Mrs. Greeley's (Dean of Women) personal fund for needy girls. Besides these contributions "bread meals" are served for several days, and the difference between the minimum cost for the meals, and the regular cost is given to the summer school for Industrial Workers' Fund. Tickets are bought each year for the Matrix Dinner for their scholarship fund, and no dinner is served at the house that night. In 1934 we started "Tips from the Arrow," a publication that comes out 4 times a year. We send this little paper to all Wisconsin A alumnae and find it quite helpful in contacting them. Our library and exam files for actives and pledges has grown extensively in the last few years. Group attendance is always encouraged and girls get their tickets together for football games, Haresfoot, and Wisconsin Theatre.

V. *Entertainment:* Annually we give a tea at our house for the members of the faculty and also frequently invite them over for dinner during the year. Our pledges entertain the pledges from other sororities at a tea every year. A week or so after pledging we hold open house and invite all the fraternities as a group to meet our new members. There are many other functions, including buffet suppers after football games; dinner and entertainment at Mothers and Fathers Weekend; 4 formal dances in 1934-35; and 5 formal dances in 1935-36; annual senior farewell banquet; Founders' Day banquet; pledge picnic given for the actives; slumber parties with cooky-shine for pledges; Thanksgiving and Christmas dinners; and Fusser's dinners.

VI. *Chapter House:* Our chapter house is owned by the resident alumnae and is valued at \$40,000. The mortgage was paid off in 1934 and Pi Phi house has received A-rating by the inspectors for the last four years. A rating this high is seldom given. Twenty-four girls live in the house, which has been repainted and to which 3 new bedroom suites have been added. Our alumnae are seriously considering buying us a new house. The actives and pledges are assessed for it monthly. If the present plans of our alumnae go through, we expect to move into our new house next September.

VII. *Maintenance of Alumnae Interest:* Our alumnae are invited to the chapter house for all functions, particularly rushing, Founders' Day, faculty and sorority teas, and the dances. The alumnae occasionally give a dinner or a tea for the active chapter, and this year one of them had open house on Sunday of Mother and Fathers Weekend. Frequently our alumnae come over to chapter meetings to speak. Seven transfers have been on our campus in the last two years, three of whom have been affiliated and

live in the house. The other transfers usually come over Monday nights, for transfer dinners, to dances, to initiation, and are invited to all functions of the chapter house.

III. *Scholarship*: A chapter by-law requires all members having Ds to spend as many hours in the library as they have hours of D, and a fine of fifty cents is imposed for every hour of D, the money to be refunded when the grade is improved. Pledges and actives must maintain C averages. Pi Beta Phi ranked first among women's fraternities in the first and second semesters of 1934-35, and first in the first semester of 1935-36. The scholarship committee keeps close account of chapter grades and offers help and suggestions as the occasion demands.

IV. *Chapter Work*: The pledges meet once a week with the pledge supervisor, who instructs them in their duties. They elect their officers who cooperate with the chapter officers as far as possible. Active chapter members talk to the pledge group at different meetings, and help them to become acquainted with the fraternity. The Executive Council is composed of the president, pledge supervisor, and 1 representative from each class. Each year we give a certain amount, raised by sandwich sales, etc., to the Settlement School, Endowment Fund, and Loan Fund. The "Arrowette," our chapter publication, is issued twice a year, positions being passed around so each girl has some contribution to make to it.

V. *Entertainment*: Three rushing functions are given each fall, plus three major ones during the summer. At different times during the year we entertained the other groups on campus, Delta Gamma, Delta Delta Delta, Kappa Delta, and the independent girls, at evening sings. We held breakfasts for our mothers and fathers during their respective week-ends here, as well as a Homecoming breakfast for alumnae. A yearly event is the tea for the faculty members and their wives. Panhellenic teas for the various other sorority officers have been held at the Pi Phi house, and our own visiting officers have been entertained at supper sings. Mrs. Webster, Miss Webster, and this year, Miss Onken have honored us with their visits. We have four parties a year, two informal and two formal, a Christmas dance at the Edgewater Beach Hotel in Chicago, and several other parties, such as a hayrack ride and a bob sled ride. Each Commencement an alumnae banquet is held, and before school is over the final supper sing of the year is given for the seniors.

VI. *Chapter House*: The chapter house is owned by the Beloit House Corporation to which active members pay fifty dollars during their four years in school. At the end of that time each girl becomes a member of the House Corporation and secures a part ownership in the house. It is valued at ten thousand dollars. During the summer of 1935 we redecored the front part of the house, the kitchen having been done the year before. A new davenport and chair, new lamps, new drapes, venetian blinds, a rug, freshly painted woodwork and walls were added. The Omaha Mothers' Club has given us a lovely etching and at Christmas we presented ourselves with a lace tablecloth. The pledge class gave us eight card tables and an electric clock.

VII. *Maintenance of Alumnae Interest*: Our alumnae are actively interested in us and show their interest in various ways. They meet with the Executive Council once a month and entertain its members once a year at a dinner. During rushing they take charge of the food for our fall supper sing and the function at high school week-end. They are interested in the girls personally and willingly help in solving any problem we may have. There are no transfer students on the campus.

I. *Membership*: 1934-35: initiates, 7; active members, 22. 1935-36: initiates, 9; active members, 20; resident active members, 3; alumnae (resident), 16; total membership up to May 1, 1936, 224.

II. *Honors*: Sigma Omicron Mu (petitioning Phi Beta Kappa), 1; *Ravelings* staff, 2; *Oracle* staff, 6; Y.W.C.A. president, 1; cabinet, 5; Tau Pi (senior women's honorary), 3; president, 1; Crimson Masque, 9; program chairman, 1; National Collegiate Players (honorary), 3; secretary-treasurer, 1; Pep Club, 4; officer, 1; Women's Upper Class Council, 2; officer, 1; Panhellenic, 6; W.A.A., 4; officer, 1; Women's Glee Club, 8; college choir, 6; Pi Kappa Delta, 1; Sigma Tau Delta, 1; May Fete: queen, 1; attendants, 3; manager, 1; committee, 6.

III. *Scholarship*: The scholarship committee is composed of the girl from each class who has the highest grades. The committee averages grades, and reports twice a semester. The chairman gives talks in meeting. A recognition pin is awarded to the active with most improvement, and a scholarship ring for the active with the highest grades. The pledge with the highest grades receives a bracelet. Any pledge or active with grades below C has supervised study. Pledges must have a C average for initiation. The ranking of Illinois A among other fraternities for women was: 1934-35, first semester, 4; second semester, 4. 1935-36, first semester, 4.

IV. *Chapter Work*: Pledges are organized under their own officers, with a pledge captain. They pay dues, carry on meetings, and conduct study hours. They have frequent conferences and special contacts with their sponsors. Each year the pledges give a tea for the actives, sponsors, and alumnae, and a dinner dance for their own group. The Executive Council is made up of the president and one representative from each class. We budgeted fifteen dollars for the Settlement School and have given five dollars to the Loan Fund. Lately in our chapter meetings we have been sponsoring ten minute programs and find that they add to the interest and the worth of the meeting.

V. *Entertainment*: 1934-35: Held a bridge cooky-shine for a "re-acquaintance." Entertained the new Kappa Kappa Gammas at a tea in October and enjoyed a Homecoming luncheon with the actives and alumnae. Our two rush parties followed, one a dinner-dance, the other a progressive dinner which included "the wedding of Pi Beta Phi to her pledge." The traditional Twelfth Night winter formal was held at Christmas. The annual initiation banquet was held early in the spring. Founders' Day was celebrated by a dinner party of actives and alumnae. The spring party, a dance and buffet, was held at the Country Club. Miss Webster, Province President, visited with the chapter and was entertained at dinner and tea. 1935-36: monthly cooky-shines and "sings" were held, also two initiation banquets. Two rush parties, a formal tea and a progressive dinner dance, came in the fall after the annual Homecoming Luncheon. The pledges innovated a new custom by entertaining all of the other sorority pledges at tea in January. The chapter was honored and pleased to have Mrs. Nita Hill Stark as its guest for two days in February. A dormitory dinner, a tea for all sorority girls and a special cooky-shine were included in her program. As usual, our Twelfth Night dinner dance was our fall party. On Founders' Day, a group of Illinois B-D Pi Phis joined us at our banquet. Miss Webster was our guest in the spring and among other entertainment was a tea with the Kappas in honor of both our province presidents. On May 29, the spring party was held at the Country Club, and on June 10 a breakfast and tea for visiting alumnae and mothers closed our year.

VI. *Chapter House*: There are no sorority houses allowed on the campus but Illinois A has had a chapter room for the past six years, five years longer than any other group. This year the room was completely redecored in wine, silver blue, and white with gold appointments.

VII. *Maintenance of Alumnae Interest*: The chapter holds regular meetings once a month with the advisory board. Alumnae often attend chapter meetings. Pledges and actives make calls upon the alumnae. The alumnae entertained us at a cooky-shine for Mrs. Stark, and gave us a cooky-shine after pledging. They are entertained at the dormitory for dinner and tea in the fall. There are usually some alumnae at every important social affair. Active members are guests at each alumnae meeting and the alumnae have a standing invitation to the active meetings.

On Monmouth campus we have had no affiliates and only one girl has affiliated with another chapter in the last three years.

III. *Scholarship*: To promote better scholarship within the chapter there is a scholarship chairman in the chapter and one on the advisory board. Pledges are required to study two hours in the library each day. Pledges report their grades for the previous semester at a chapter meeting after the opening of the following semester. Pledges for whom a D or an F is reported at the end of the six-weeks period have dates on Friday and Saturday nights only, and have two hours of supervised study each night. The scholarship chairman reports Ds and Fs after the first six-weeks period. Grades of all chapter members are read at mid-semester. The index required by the chapter for initiation is 3.00 (or a straight C average). A fine of fifty cents is imposed for each hour of D or F received. Each year a junior scholarship cup is given to the junior having the highest scholarship average and a sophomore scholarship cup to the sophomore with the highest scholarship average. These cups are kept for one year. Among socially competing fraternities for women on this campus Pi Phi ranked first in 1934-35; first for first semester 1935-36.

IV. *Chapter Work*: A pledge supervisor is placed in charge of all pledges. She attends and directs their weekly meetings. Each senior and junior girl is the sponsor of one or more pledges. The pledges meet weekly and have their own officers. The pledge supervisor gives them their pledge work at these weekly meetings. The executive council, which is elected by the chapter, consists of the president, the treasurer, one senior, one junior, and one sophomore; the class members and the officers are sometimes combined. Each year the chapter and the town alumnae unite to give a Pi Phi Benefit Dance; the profits go to the Settlement School. Ten dollars is budgeted each year for the Loan Fund and ten dollars for the Pi Phi Endowment. The chapter supports the Y.W.C.A. charity contributions, tag day sales, Christmas seal sales, and Christmas and Thanksgiving charities. By taking away much of the disciplinary treatment of the past we have made the pledges feel more a part of the group of actives. This has aided much in our internal development both during the period of pledgship and after they have become actives.

V. *Entertainment*: There are many social affairs given together such as picnics and theatre parties, luncheons, teas in the summer; a final fall rushing party, a formal dinner with stunts given by the actives; a homecoming cooky-shine for actives, pledges and alumnae; the benefit dance for the Settlement School; a faculty tea with the other sororities (Panhellenic tea); a Founders' Day banquet, usually formal, after which awards are presented and stunts given; Mother's Day cooky-shine which the fathers may attend; a winter formal; a spring party preceded by a cooky-shine to which we also take our escorts; one cooky-shine a month including those given after pledgings and initiations. In an effort to make Mrs. Stark's visit to us this winter as pleasant as possible we entertained her as an honored guest at a tea and at a cooky-shine. One representative from each other social sorority on the campus was invited to the tea to meet Mrs. Stark. We also invited our patronesses, our advisory board, our alumnae club officers, our Province President, Miss Webster, Mrs. Webster, and Mrs. Britt, wife of the Knox President, to the tea.

VI. *Chapter House*: Knox College does not permit any sorority houses. We are allowed to use the K.A.W.S. room in Whiting Hall, the women's dormitory, for our chapter meetings.

VII. *Maintenance of Alumnae Interest*: We invite all our alumnae to attend our formal, our spring party, and

all pledging and initiation services. They may also attend cooky-shines if they so desire. The advisory board meets with the executive council once a month for the purpose of watching and aiding in the progress of the chapter. One member of the advisory board visits chapter meeting once a month. Last year the alumnae entertained the juniors in order to become better acquainted with them. Each year we strive to make closer contacts between the alumnae and the active chapter. We affiliated one transfer last year; there are no unaffiliated transfers on the campus.

Show; 1 May Queen Attendant; 1 Navy Ball wing leader; 2 Senior Ball wing leaders, 1 Junior Prom wing leader; 2 third place and one second place in Intersorority sing awards; 1 Shi-Ai Bridge Tournament cup; 3 *Syllabus* beauty queens.

III. *Scholarship*: There are supervised study hours for pledges every day and periodical check on grades. Tutoring is offered by the actives and beginning next fall, the University is arranging a system for regular tutors in the women's quadrangles. The local alumnae club presents an award to the pledge and active with the highest grades and the chapter has an award for the active showing the greatest improvement in scholarship. The initiation average required is at least "C" and actives must maintain a "C" average or else lose their voting privileges. Out of twenty-one women's fraternities, the chapter has ranked 11th, 7th and 4th in the past three semesters.

IV. *Chapter Work*: This last year particular effort was made to foster the best feeling between the pledges and the actives. Sorority mothers and daughters at Fraternity Dinner together each week and really became close friends. Entertainment was planned by the pledges in groups of five. Pre-initiation was just a good get-together. All the pledges moved into the house. Of course there were special duties for each pledge, such as separating records, cleaning out the library, keeping certain rooms tidy, polishing cups. They arrived on Tuesday and Tuesday night there was a costume party. The prize winners were the Dionne quintuplets. There was also a song contest of original Pi Beta Phi songs and a bag of potato chips was awarded to the winners. Wednesday night there was a serenade and cooky-shine, and on Friday we had initiation. During pledge meetings, the pledges studied the scholarship pamphlet, learned the history of Pi Beta Phi from the manual and were read articles from the *Arrow*. Much more was accomplished by having nothing that was destructive but all constructive work. The executive council includes three seniors, one sophomore and two juniors. Among these are: the president, scholarship chairman, pledge supervisor, treasurer, and rushing chairman. The active chapter assists the North Shore Alumnae Club at their annual bridge party to raise money for the Settlement School. Children from the Northwestern University Settlement School are entertained at Christmas every year in the chapter house. Last fall a dance was held to raise money for a Northwestern Union building. The chapter publication *The Whir of the Arrow* is sent to all alumnae of the chapter.

V. *Entertainment*: 1933-34: 2 open houses, 1 tea for house mother, 1 tea for mothers, 1 tea for visiting officer, 1 dance for pledges, 1 winter formal at the Sovereign hotel, 1 postprom dinner for men, 1 interfraternity ball dinner for men, 1 exchange sorority dinner, 1 party given by the pledges for the actives, 1 informal party given for the initiates, 1 spring formal at Exmoor Country Club, 1 senior farewell. 1934-35: 2 open houses, 1 Dad's day luncheon, 1 tea dance given by the pledges for the actives, 1 mother and daughter luncheon, 1 sleigh-ride party, 1 winter formal at the Drake hotel, 1 tea dance given for Eta Province Conference delegates at the Orrington hotel, 1 postprom dinner, 1 interfraternity ball dinner, 4 faculty dinners, 1 spring formal at the Windsor-Raeburn Golf Club, 1 senior farewell. 1935-36: 2 open houses, 1 Dad's day luncheon, 1 informal party for the initiates, 4 faculty

dinners, 1 party given by the initiates, 1 winter formal at the Drake hotel, 1 junior prom dinner, 1 interfraternity ball dinner, 1 sorority exchange dinner, 1 mother and daughter luncheon, 1 spring formal at Skokie Country Club, 1 senior farewell, 1 tea for Pi Beta Phi Convention guests.

VI. *Chapter House:* The chapter house is valued at \$80,000 and is owned by Illinois E House Association. In 1934, the living-room was refurbished. During the summer of 1935 the house was painted outside and inside and the smoking-room was refurbished. A front-porch awning and glider were added in the spring of 1936.

VII. *Maintenance of Alumnae Interest:* The chapter house is always open to alumnae. The alumnae advisory board meets once a month with the Executive Council and the House Board also comprised of alumnae holds monthly meetings in the chapter house. A tea is given for the alumnae of the chapter at Homecoming and in the spring they give a luncheon in honor of the seniors. The Founders' Day luncheon is given jointly with the alumnae. There have been six unaffiliated transfers on the campus in the last three years. They are invited to chapter meeting, fraternity dinner and to social functions. Six transfers have been affiliated.

III. *Scholarship:* Our chapter has tried this year to maintain its high scholarship record; each girl reports her weekly cuts at chapter meeting as well as an estimate of her grade in each subject. Supervised study is required from eight until three during the day and from seven-thirty until ten at night. If a pledge or an initiate receives a "D" at the end of a grade period, she is required to spend two hours of supervised study in the library during the week-end. The girl is required to do this for approximately eight weeks. A pledge is required to make a three point average before she may be initiated; each active is required to maintain that same average in order to wear her arrow—if she falls below that average she is not allowed to wear her pin for an eight weeks' period. At the Senior Breakfast each year, the senior having the highest average during her Pi Phi career receives the official scholarship ring, the highest junior and the highest sophomore each get a crested bracelet. Pi Phi ranked first both semesters of 1934-35 and the first semester of 1935-36 our chapter ranked third among socially competing fraternities for women.

IV. *Chapter Work:* The personnel of the Executive Council is as follows: president, vice-president, representative from the junior class, from the sophomore class, pledge supervisor, and a town girl. The rushing chairman is often called in for a conference although she is not an official member, the same is true of the scholarship chairman. Our yearly contribution to the Settlement School is \$100; to the Loan Fund, \$25; to Pi Beta Phi Endowment, \$50; and to the local Community Chest, \$25.

V. *Entertainment:* Each year our chapter gives a faculty tea; each girl submits to the house social chairman the names of her instructors so that invitations may be sent. Another yearly event is a dinner given for the parents of the town-girls, they are personally invited by our social chairman. Dad's Day is celebrated by the entire campus during the week-end of one of the important football games, so many campus activities are planned for that time that the sorority has no big event other than a huge banquet. Mother's Day which is usually celebrated on the national Mothers' Day, is similar to Dad's Day with the addition of a cooky-shine which adds a personal note to the week-end's activities. A pledge dance is given each year soon after school opens. In the early spring a formal dinner-dance climaxes our social functions.

VI. *Chapter House:* Pi Beta Phi Corporation owns the chapter house, the value is, approximately, \$85,000. The chapter room has been attractively redecorated with wine and blue, the walls are blue and the furniture is wine.

VII. *Maintenance of Alumnae Interest:* At Founders' Day each year the alumnae club comes to the chapter house to join in the dinner and program. During the summer months the alumnae and the town girls give a rushing

party for girls whom they are interested in pledging in the following year. In the last three years there have been 16 unaffiliated transfers on our campus. They have been invited to attend dinner on a definite night every other week. The transfers as well as the alumnae have been notified and invited to our initiation service. We have affiliated no transfers during this period.

III. *Scholarship:* Pledges are required to study fifteen hours a week in the library providing they have not made the required average (2.3 or C+). On Tuesday, Wednesday, and Thursday nights, pledges are required to study at the house from 7:30 to 9:30 under the supervision of the actives. Friday night dates are forfeited by freshmen making a D in any subject; Sunday night may be substituted for this. Actives who fail to make the required 2.3 average are advised to study at the house week nights. Actives majoring in the different departments see the professors of the freshmen in those departments, fill out cards concerning their grades and progress, and report to active meeting every two weeks. A scholarship committee will take over these duties with a chairman from the senior class and a member from each of the underclasses. This year the college changed its method of scholarship ranking, and our comparative rating with other women's fraternities is not available this year nor will it be in future years. However, for the year 1934-35, the chapter stood third among national Panhellenic women's fraternities at Millikin University, the difference between second and third place being .8 of a point.

IV. *Chapter Work:* Pledges are organized and have weekly meetings independent of the regular active meetings. A pledge supervisor directs their fraternity study and examinations, and reports penalties for cut studies, classes, etc. Each pledge chooses an upperclassman as her sponsor, her purpose being to act as a counsellor and guide to the pledge, and to grant her special privileges when necessary. A house manager is in charge of posting and checking on all pledge duties. Executive council is composed of the chapter president, and one member from each class, elected by the chapter. The alumnae advisory board and the house chaperon meet with the executive council once a month before active meeting. Bakery sales, benefit bridges, and benefit movies have been given to increase the fund earned by the sale of magazine subscriptions for the benefit of Settlement School, the Loan Fund, and the Pi Beta Phi Endowment Fund. \$5 is donated annually to the Endowment Fund; \$5 annually to the Loan Fund; \$20 annually to Settlement School; and a gift of \$5 annually to the Decatur Community Chest. For the past several years, the Christmas party and exchange of gifts in the chapter has been deferred in favor of giving the money to a needy family.

V. *Entertainment:* 1934-35: Rushing; summer house party for rushees, open-house tea, gambling party, formal dinner, and pledging banquet; pledge dance; Christmas dance; spring formal dinner-dance; spring tea; Founders'

Day luncheon; June breakfast with alumnae; pot-lucks throughout the year with alumnae, russhes, and college guests; pot-lucks with Delta Delta Delta and Alpha Chi Omega; homecoming dinner and stunt program, 1935-36; Rushing—fall house party for russhes, open house tea, cabaret preferential dinner, formal dinner, and pledging banquet; all-college tea; Thanksgiving pledge dance; spring formal dinner-dance; Founders' Day luncheon; June breakfast with alumnae; Mothers' Day banquet; Fathers' Day banquet; Sweetheart dinner; pot-luck with Delta Delta Delta and with Alpha Chi Omega; entertainment for high school seniors during the week-end at Millikin for scholarship tryouts; pot-lucks and cook-shines with alumnae throughout the year.

VI. *Chapter House*: The chapter house is owned by a corporation of active and alumnae stockholders and is valued at \$18,000. The furniture is owned by the corporation, of which Miss Jessie Lockett, house chaperon, is the treasurer. In the summer of 1935, the house was re-decorated with new wall-paper, the floors were refinished, and the rooms upstairs were re-painted and decorated by

the girls. Each girl was assigned a room, and she furnished the room according to her own taste. The house is to be re-painted in the summer of 1936.

VII. *Maintenance of Alumnae Interest*: Alumnae have an open invitation to attend active meetings, and several times during the year, different alumnae speak at active meetings on such topics as Settlement School, scholarship, fraternity responsibilities, etc. The list of resident alumnae is called for invitation to initiations, cooky-shines, rushing parties, pledging, formals, etc. The advisory board brings together active and alumnae thought and experience. Especially in the last several years there has been a wonderful spirit of cooperation between actives and alumnae, and at rushing time the alumnae are indispensable. It is our custom to put an active in charge of each rushing party with a group of alumnae working on each committee. Alumnae and actives always combine their observance of Founders' Day, and they also have a June breakfast together where the senior members are honored.

III. *Scholarship*: The scholarship chairman, elected by the actives, keeps a record of each girl's study hours. These are handed in weekly on charts. The required number of study hours for pledges and actives are 18 for all faculties, with the exception of Home Economics, which is 12. One week is given to make up any back hours and if at the end of this time there is still a delinquency the restriction is just two nights out, including the meeting night. If at the end of this second week a girl is still behind she is brought up before the alumnae advisory. Those with an average over 75% are not compelled to make up skipped classes. Anyone getting a supplemental is required to study one hour extra per supplemental. Pledges failing to get their average must study two hours more per week. The alumnae and actives help the pledges in any subject they seem to find difficult. Classes are usually held Saturday mornings. A recognition pin is given to the active with the highest average for the year and also to the active who shows the greatest improvement in average from first to second term. The alumnae present a gift to the pledge obtaining the highest average. The pledge average is 60% with one four unit supplemental allowed. The active average is 65% (local Panhellenic) which the chapter must get as a whole with the alternative of being debarred from all social functions. The rank of the chapter for 1934-35 was third and for 1935-36 sixth.

IV. *Chapter Work*: Pledge meetings are held once a week with an active pledge supervisor in charge and an alumna as her assistant. Each pledge has an active and an alumna sponsor who keep in touch with her and give her any help they can. The pledge class have their own officers to correspond with the active chapter and constantly keep in touch with the actives. Active meetings are held Tuesday nights and are preceded by an executive meeting. The executive is composed of the president (ex-officio), treasurer (ex-officio), 2 seniors, 2 juniors, and 1 sophomore. (If the treasurer is a senior or junior only one

other girl is elected). We contributed \$5 to the Loan Fund and \$10 to the Settlement School for each year. Last year we sent \$30 to the Endowment Fund, the larger sum being proceeds from our rummage sale. This year the donation was \$18.30. For the past two years the actives have held a rummage sale the returns from which have been used for the philanthropies and further furnishing of the suite. The alumnae have undertaken a kindergarten for a few days a week and are helped by any active or broken pledge who has the time to spare. The actives have been knitting mitts for the small children.

V. *Entertainment*: For the past two years our alumnae have published the *Quiver* and distributed it at the Founders' Day luncheon. Last year actives worked on the publication. 1934-35: Formal dance for pledges, New Years' reception, formal dance, tea for Mrs. Buxton, Founders' Day luncheon, Mothers' tea, Sisters' tea, Sunday teas every other week. 1935-36: Informal dance for pledges, New Year's reception, formal dance, Initiation Banquet, Founders' Day luncheon, formal reception at which we were honored to have Mrs. Smith, Sunday teas whenever the girls wanted one, mothers' and sisters' tea, tea for our Province President, Miss Isabel Clark; a week-end was held at Lake Winnipeg with actives, alumnae, pledges and broken pledges present. Rushing—1934-35: Turkish tea, Autumn tea, reception, night club formal. 1935-36: Autumn tea, gypsy tea, deep sea tea, reception, southern formal.

VI. *Chapter House*: 1934-35: suite in a block in the business section of the city, opposite a large department store. 1935-36: We had a large room in a very fine old house in a good residential district. We are starting a sinking fund for the time when a house might be possible. The pledges have given the actives twin pictures for the suite and a drop-leaf table in the past two years.

VII. *Maintenance of Alumnae Interest*: The alumnae are invited to all functions, teas, pledgings, initiations, formals. The alumnae phoning committee informs the girls. We are very fortunate in having such a large number living in the city. Talks are given by the alumnae at active meetings during the year on Scholarship, Settlement School, etc. In rushing we are constantly helped by the alumnae and couldn't do without them. A party is given every year by them for the pledges. The alumnae are in full charge of the Founders' Day luncheon and Initiation banquet. The alumnae advisory and active executive have a supper meeting together once a month. An alumna is on the rushing committee. One rushing affair is looked after by the alumnae. No transfers have taken place on this campus.

III. *Scholarship*: Previous to the second semester of this year, it has been the custom to hold study table every week night for three hours for all pledges. This has been under the supervision of the scholarship chairman or an active appointed by her. This last semester a change has been made. Each active rooms with a pledge, and it is her duty to see that the pledge does her studying and is in bed by 11 o'clock. In this way study table has been eliminated, and each active is responsible for the scholarship of the pledge with whom she rooms. A girl with a deficiency notice, active or pledge, is placed on a scholarship campus for a period of six weeks. A jeweled badge is presented to the initiate with the highest average, and a recognition pin is given by the alumnae to the girl showing the greatest improvement in scholarship. A girl going out the night before an examination is fined \$10. Each pledge and active is required to obtain her own grades, and these are read at the first meeting following the end of the six weeks' period. The required pledge average is 1.3 and the required active average is 1.0. For the first semester of 1934-35, North Dakota A ranked second among women's fraternities. We ranked seventh the first semester of 1935-36.

IV. *Chapter Work*: The pledges meet each week at the same time the actives hold their meeting. They are under the supervision of the pledge supervisor, but they have their own officers who are elected at the first meeting of each semester. The first part of the meeting is devoted to quizzing on the assigned lesson, and the latter part is devoted to business. At one joint meeting a month, a pledge gives a report on material pertaining to national viewpoint. Pledges are given responsible positions on scholarship, activities, social, and rushing committees, and our assistant rush chairman for this year has been a pledge. They have a social chairman within their group who works with the chapter social chairman. The big sisters offer kindly criticism whenever necessary and also help with their school work. The pledges, on their own accord, had a rummage sale this winter, the proceeds of which were turned over to the active treasury to buy various household articles. The Executive Council consists of the president, treasurer, and a representative of the senior, junior, and sophomore classes. We have contributed \$5.00 to the Endowment Fund, \$5.00 to the Settlement School, and \$5.00 to the Loan Fund. The alumnae hold an Arrow Craft sale at which articles from the Settlement School are sold. The proceeds from this sale are sent to the School. Pi Phi has contributed to the local Red Cross drive and to the Christmas Seal sale. This summer we are to put out another issue of the *Arrowette*, a biennial publication which is sent to alumnae, actives, and pledges and which contains chapter and university news as well as rushing news. Two charts are kept by the chapter, one of chapter activities, and the other of extra-curricular activities.

V. *Entertainment*: North Dakota Alpha's traditional social affairs include: freshman tea given by the pledges for all freshman girls; "Shindig," a dress-up party; North Dakota Alpha's birthday party to which patronesses and alumnae are invited; a Christmas party to which alumnae, patronesses, and mothers are invited; patroness and patron dinner; mothers', fathers', and brothers' dinners; homecoming luncheon and dinner; Founders' Day formal banquet; spring picnic given by the alumnae; senior farewell breakfast; spring formal; open house dances for each fraternity on the campus; radio party for the pledges given by the actives; alumnae dinner for the graduating seniors given by the alumnae; senior farewell supper given by the Mothers' Club. During rush week we had luncheons, dinners, teas, an informal and a formal party. We have dinners for various faculty members, the Dean of Women, and out-of-town guests including visiting parents and college students. A pre-Military Ball dinner was given at the house honoring the honorary cadet colonel who was a Pi Phi. Formal dinners were given for both Mrs. Buxton and Miss Clark. A formal reception was given in honor of Mrs. Smith, national vice-president.

VI. *Chapter House*: The chapter house was built in the

summer of 1928 and is owned by the Pi Beta Phi House Association, from whom it is rented. The house is valued at \$28,000, the lot at \$1,500, and the furniture at \$4,000. Special gifts and additions during the past few years include a studio couch, glassware, linen, radio stand, china, and several lamps. A few pieces of furniture were re-covered, and several rooms were redecorated.

VII. *Maintenance of Alumnae Interest*: The alumnae are given charge of the formal rushing tea and the formal dinner during rush week. Advisory Board meets with Executive Board once a month at the chapter house, and one member is invited to the active meeting which follows. Alumnae are invited to initiations, parties, dinners, and cooky-shines. Three members of Advisory Board hold positions on the campus which permits very close contacts between the active chapter and the alumnae. There have been no unaffiliated transfers or affiliated transfers on the campus during the past three years.

I. *Membership*: 1934-35: initiates, 21; actives, 50. 1935-36: initiates, 16; actives, 47; resident actives, 30; resident alumnae 192 in Minneapolis and 56 in St. Paul; total membership up to May 1, 1936—365.

II. *Honors*: 1 *Magna Cum Laude*; 1 *Summa Cum Laude*; 2 Phi Beta Kappa; 1 secretary, 1 president of Pinafore (sophomore organization); 1 president of Cap and Gown (senior organization); 4 each year in the *Skismab* drive; 5 each year in the *Gopfer* sales; all the members of the chapter belong to the Y.W.C.A.; 4 members each year in the Y.W.C.A. finance drive; 1 member of the Fortnightly cabinet; 2 members of the freshman cabinet; 2 members of Mortar Board; 2 members of the Arts Board; 2 members of the all University Council; 1 member of the Board of Publications; 2 members of the University Singers; 3 members each year as Panhellenic representatives, 1 secretary, 1 vice-president; 1 member of the University Debaters; 8 members of the Business Women's Club; 1 member of Alpha Alpha Gamma; 2 members of Zeta Phi Eta; 2 members of Masquers; each girl in the chapter is a big sister; 2 members of the Trailers Club; 3 members of the W.S.G.A. Board; 15 girls were on Freshman Week committees; 9 girls were on Homecoming committees; 1 member of Architectural Society; 3 girls were elected as Representative Minnesotans; 2 members of Eta Sigma Upsilon; 1 member of Theta Sigma Phi; 2 members of the Y.W.C.A. cabinet; 1 vice-president; 1 third-place in the Military Ball; 1 fifth place in Junior Ball; 1 first place and 1 sixth place in Senior Ball; 1 first place and 1 third place in Interprofessional Ball; 1 third place in Sophomore Ball.

III. *Scholarship*: We have a supervised study table in the library. The actives and pledges who have not made their averages are required to hand in study charts signed by the study hall supervisor. We have a sponsor assigned to each pledge to help her with whatever problems she may have. A girl who has not made her average may not make dates during finals. Two scholarship bracelets are given each quarter, one for the highest average and one for the most improvement. The freshman girl who has the highest average has her name engraved on the Scholarship Cup. A C average is demanded from both pledges and actives in our chapter. Minnesota A ranked third place on the campus in 1934 to 1935, and for the fall quarter of 1935-36, we ranked third again.

IV. *Chapter Work*: The pledges meet every week at the same time as the active meeting, under the supervision of an active. In the pledge meeting, part of the time is spent on chapter history study. The rest of the time is devoted to learning the Pi Phi songs, giving reports of other sororities, and discussing class activities and scholarship. The officers, elected at the first meeting, preside at this time. They prepare skits for such occasions as the Mothers' Day luncheon, the Fathers' Day luncheon. The Executive Council consists of the president, the treasurer, the scholarship chairman, the senior representative, the junior representative, sophomore representative, the pledge supervisor. Minnesota A has contributed to the Settlement School, the Loan Fund, the Endowment Fund, the Minneapolis Community Chest, the Dr. Sigerfoos Fund, and Thanksgiving baskets were given. An assistant scholarship chairman is appointed from the newly initiated class. Several times during the year we have open meetings where we discuss social, political, and foreign customs led by well-informed speakers. We send one girl to the Y.W.C.A. camp at Lake Geneva each year.

V. *Entertainment*: 1934-35: One week of formal rushing parties; a slumber party on pledge night; an informal party in the fall for the pledges; an informal party given by the pledges for the actives; Dads' Day luncheon; Christmas luncheon; a Snowball Formal; Founders' Day banquet; Mothers' Day luncheon; Spring Formal; the alumnae gave a tea for the graduating seniors. 1935-36: one week of formal rushing parties; a slumber party on pledge night;

an open-house on Homecoming for the pledges; a Dads' Day luncheon; an informal party given by the pledges; a Christmas party given by the alumnae; an informal party; a Snowball Formal; a Founders' Day banquet; Mothers' Day luncheon; Spring Formal; house party; a tea for the graduates given by the alumnae; pledges give a tea for the pledges of other sororities.

VI. *Chapter House:* The house is owned by the alumnae and rented by the active chapter. It is valued at \$45,000. It accommodates 20 girls and chaperon. Improvements have been made by the active chapter, the alumnae, the Mothers' Club. A room was made to accommodate four girls on the third floor. It was furnished by the alumnae. The alumnae and the active chapter bought new furnishings for the chapter room. The Mothers' Club has given us a mirror, a linen chest, a chair, and a lace tablecloth. The alumnae have also given us china, glassware, vases, and a map.

VII. *Alumnae Interest:* The alumnae give one dinner during the fall rushing period. They give a Christmas party for the actives, and join with the active chapter at a luncheon at the Christmas period. The alumnae are invited to come to cooky-shines and to meetings. The alumnae are invited to all active chapter parties and a few of them are called upon to act as chaperons at each party. The Advisory Board meets at the house once a month to give suggestions to the active chapter and to maintain a close contact between the active chapter and the alumnae. We have had eight unaffiliated transfers and one affiliated transfer in the last two years. All transfers are invited to come to the house for lunches, for cooky-shines, and for active parties.

III. *Scholarship:* Supervised study hours. Library hours required for all pledges. Pledges with grades lower than "C" restricted to a study table. Scholarship committee investigated class grades each month, two points above "C" average required for initiation. Chapter is required to have same average. One scholarship ring given annually. Iowa A ranked second among national women's fraternities for 1934-35, 1935-36 ranking will not be available until fall.

IV. *Chapter Work:* Personality charts were used for each pledge, special talks were given at each pledge meeting by an active and representatives of other sororities. The executive council consists of the president of the chapter and a representative, from the other classes excepting the freshman class. This council meets before each chapter meeting and discusses important chapter problems. The chapter has sponsored Settlement School sales. Thirty dollars have been given to the school by the active chapter in the last three years, and twenty dollars have been contributed to the Endowment fund. Five dollars was budgeted for the Loan fund. This year the chapter issued a bulletin on Homecoming, giving the alumnae news of the active chapter. Etiquette is read at each meeting.

V. *Entertainments:* Open-house for faculty, the fraternities and sororities of the campus, dinner for province president, Christmas party for men, monthly cooky-shines for actives, May Serenade, Mothers' tea, reception for faculty, spring party for men, rushing breakfast, senior breakfast, spring picnic, fall parties, formal rushing dinner, Founders' Day banquet.

VI. *Chapter House:* Iowa A rents an apartment of two rooms and kitchenette three blocks from the campus. A wicker furniture set, radio, and breakfast set have been added to the rooms.

VII. *Maintenance of Alumnae Interest:* Iowa Alpha's alumnae are very interested and active in the development of the chapter. They are invited to attend meeting once a

month, attend pledgings and initiations, are invited to the spring formal, entertain for the pledges and actives early each fall, attend senior farewell ceremony, attend Commencement breakfast, and a Founders' Day dinner for actives and pledges each year.

II. *Honors:* 1 Epsilon Sigma (honorary scholastic); 1 annual honors; chapter ranks first on campus in scholarship; 1 class vice-president; 1 class secretary-treasurer; 7 members *Zenith* staff (annual); 6 members *Simpsonian* staff (weekly); 2 Y.W.C.A. presidents, 9 Y.W.C.A. cabinet members, 100 per cent Y.W.C.A. membership; 3 Sigma Tau Delta (honorary English); 1 vice-president Pi Gamma Mu (honorary social science), 5 members Pi Gamma Mu; 1 Pi Kappa Delta president, 2 Pi Kappa Delta members; 2 Alpha Psi Omega presidents, 3 Alpha Psi Omega members, 6 Alpha Psi Omega pledges, 2 Alpha Psi Omega play leads; 3 Zetaethan (literary society) presidents, 10 Zetaethan officers, 30 members of literary societies; 2 Home Economics presidents, 4 Home Economics members; 2 members of the varsity debate squad; 1 president and 1 vice-president of the student body; 1 W.A.A. president, 5 W.A.A. officers, 30 W.A.A. members; first in intramural baseball; 1 in Madrigal choir; 2 in college symphony orchestra; 2 in college band; 15 members Methodist Church choir; 2 in Elementary club; 3 representative women; 1 May queen attendant; 1 Relay queen; 1 candidate for Drake Relay queen; 6 campus beauties.

III. *Scholarship:* The alumnae club gives an award to the active girl who has raised her grades the greatest percentage from one semester to the next. This award is a diamond recognition arrow to be worn the following semester. The chapter awards a box of Pi Beta Phi stationery to the pledge having the highest grades her first semester. A list of good grades is read each Monday evening in general meeting. Unsatisfactory grades are reported every six weeks. The girls reported on this list must meet with the alumnae scholarship chairman and the scholarship committee for suggested methods of improvement. Those reported must hand in a list of the hours studied for the following six weeks. Quiet hours are observed throughout the day by both the girls living in the house and those coming in during the day. Our scholarship requirements for initiation are: a "C" average with at least two hours of "B." The actives in the chapter must maintain this initiation requirement each semester. The chapter's rank among socially competing fraternities for 1934-35, the first semester was third, with an average of 2.47; second semester's rank was first, with an average of 2.31. In 1935-36 the first semester's rank was first with an average of 2.34. If Iowa B is first for the second semester, the Panhellenic grade cup which it won three times in succession will become a permanent trophy of the chapter.

IV. *Chapter Work:* Our chapter meetings are held every Monday night. The executive council, composed of the president and two members from each upper class, meets first to make plans for the chapter meetings. Both the actives and pledges meet together in general meeting, and then the pledges are dismissed to hold their pledge meeting while the actives have their active meeting. The pledge supervisor conducts pledge instruction over fraternity material. Each pledge is directly supervised by a sponsor who aids her in fraternity life and in making adjustments to college life. Money was sent to the Settlement School, the Loan Fund, and the Endowment Fund. The alumnae sponsored a safe for Settlement School articles. For the last two years the chapter has used a chart and merit system for each pledge. The pledges are graded each month by the actives on items which pertain to college and chapter activity. Each year the most representative pledge has her name engraved on the representative pledge cup.

V. *Entertainment:* Summer house party, fall rushing parties including a formal preference dinner, dinners, teas and picnics are given for rushees. The alumnae and chapter entertain the new pledges and the new initiates with a pledging and initiation dinner. The chapter and alumnae have a Christmas dinner together; the chapter has a traditional cooky-shine each Christmas. The pledges give the active girls a party, and the actives entertain the pledges at a breakfast just before initiation. The chapter holds three dances each year. The pledges entertain the other sorority pledges with bridge and dancing. Open house with dancing was held for the fraternities on the campus. Special guests on the campus are entertained at dinners at the chapter house. The new president of the college and his wife were honored by the chapter at a formal dinner. We gave teas and dinners for Mrs. Buxton, past

Province President, Miss Clark, our new Province President, and Miss Onken. Founders' Day is observed each year. The Mothers' Club entertained the chapter at a luncheon.

VI. *Chapter House:* Our house is owned by a corporation made up of Iowa B alumnae. The value is \$15,000. The general upkeep of our house has been good. We have a new sleeping porch, new guest room furniture, and a new studio couch. As a present to the house, the seniors are redecorating the guest room.

VII. *Maintenance of Alumnae Interest:* The alumnae advisory board meet at the house with the executive council, and with the house mother once a month. The alumnae attend pledging and initiation and the spring formal dance. This year we cooperated with the alumnae in observing Founders' Day. Each year out-of-town alumnae return for a commencement day dinner with the chapter and the local alumnae. We have had no affiliated or unaffiliated transfers on the campus in the last three years.

II. *Honors:* 1 Phi Kappa Phi; 7 honor students, 11 on honor roll; 1 highest average in Home Economics Division; 1 second highest average in Industrial Science Division; Associated Women Students scholarship cup; 1 secretary junior class; 1 Homecoming award; 1 award for Veishea float; 1 award for Veishea Vaudeville skit; 2 intramural cups; won the *Bomb* sales two years; 1 on *Bomb* publication board; 1 on *Student* editorial board; 6 on *Home-maker* staff, 1 business manager; 1 on *Sketch* editorial board; 40 members Y.W.C.A., 9 on cabinet; 4 Mortar Board, 1 president; 9 Phi Upsilon Omicron, 1 secretary; 4 Omicron Nu, 1 secretary, 1 vice-president; 2 Sigma Alpha Iota, 1 secretary, 1 treasurer; 1 Iota Sigma Pi; 2 Chi Delta Phi; 1 Theta Sigma Phi; 2 Delta Phi Delta; 8 A.W.S.; 2 Cardinal Guild (governing body); 8 Jack O'Lantern, 1 president; 8 Iowa State Players; 10 Mixed Chorus; 11 Glee Club; 1 lead in Veishea Night Show; 2 Campus Sister Chiefs; 5 Health Council, 1 president; 3 Industrial Science Council, 2 secretaries; 7 Home Economics Council, 2 presidents; 4 W.A.A.; 2 presidents of Intramural Board; 1 *Green Gander* staff; 1 society editor *Student*; 2 elected to Merrill Palmer School; 35 on Veishea committees; 2 on Veishea Central Committee; 7 Naiad; 2 members Memorial Union Council; 3 delegates to national conventions; 4 (out of 8) *Bomb* beauties; 1 Engineer's Lady; 1 Pep Queen; 1 candidate for Drake Relay Queen.

III. *Scholarship:* Quiet hours are observed after 7:30 on week nights and all throughout the day during final examination periods. Girls with any grade as low as a D cannot have dates on week nights. Pledges with less than a 2.66 average are required to spend all their free school hours at the library. All pledges are forbidden to go to the Union during school hours or after 7:30 at night. The official scholarship ring is given each year to the active with the highest grade average. (If the same girl should get this award more than once, the set is changed in the ring.) A jeweled recognition pin is given each year to the girl who makes the greatest grade improvement over the preceding year. A plain recognition pin is awarded to the most outstanding pledge, who is chosen partly because of her scholarship. Our house mother each quarter has given five dollars to the active who has made the greatest improvement in her grades over the preceding quarter. A 2.0 average is required for initiation and 1.5 for living in the house. Any active who makes less than 1.5 forfeits the right to wear her pin until her grades are brought up again. Rank among socially competing fraternities for women for the year 1933-34: fall quarter, 6; winter, 3; spring, 8; 1934-35: fall, 1; winter, 3; spring, 4; 1935-36: fall, 1; winter, 3.

IV. *Chapter Work:* Since pledges are not allowed to live in the house, special arrangements are made to have them here regularly. Pledge meetings are held once a week, and the girls stay for dinner on alternate Tuesdays. They also come on Fridays for their pledge duties, which consist of typing for the officers, making charts, and answering the telephone. After initiation the new girls come over for the regular house meetings. Pledges are included in all social functions and have several functions of their own. One week-end each year the house is turned over entirely to them. It is difficult to obtain cooperation when they cannot live in the house, and we feel that this last year has been exceptional in the spirit and cooperation between the pledge chapter and the active chapter. We have made a special effort to acquaint ourselves with them and to create a more friendly attitude. The Executive Council consists of the president, vice-president, corre-

sponding secretary, treasurer and pledge supervisor, and if each class is not represented in this group, class representatives are elected. This group meets weekly, immediately preceding chapter meetings. A Settlement School tea is held each year just before Christmas, at which Settlement School handwork is sold. We sent \$15.00 to the Settlement School, \$10.00 to the Loan Fund, and \$10.00 to the Pi Beta Phi Endowment Fund. Last year the chapter published *The Dart*, which was sent to all alumnae and was used in rushing. Since the pledges were so enthusiastic about its rushing value, they have been in charge of its publication this year.

V. *Entertainment:* 1934-35: Rushing parties; Homecoming open house; winter formal at Sheldon-Munn Hotel; pledge tea for all other pledge groups; Christmas party; cooky-shine; Founders' Day luncheon; Alumnae Club luncheon for pledges; spring formal at Country Club; reception for Miss Onken; entertainment for province president; dinner exchanges; dance exchanges; swimming party. 1935-36: Rushing parties; homecoming open house; winter formal at MacKay Auditorium dinner exchanges; dance exchanges; pledge tea for all other pledge groups; pledge informal dance; Christmas party; entertainment for province president; dinner for Carrie Chapman Catt; spring formal at Country Club; pledge buffet supper and entertainment for actives; luncheon for all mothers during Veishea, annual college exposition; Sunday night waffle supper for actives and their escorts; Founders' Day dinner; cooky-shine; picnic at the Ledges; Alumnae Club luncheon for pledges. Thursday nights are set aside for entertaining faculty guests at dinner. We plan on making the luncheon for mothers during Veishea an annual affair.

VI. *Chapter House:* The chapter house is owned by the Pi Beta Phi Investment Company, valued at \$30,000. The Investment Company has purchased a lot, and construction on a new house will be begun upon the sale of the present house. The president's room has been completely redecorated modernistically. A new rug for the downstairs and several pieces of furniture have been bought. The furniture on the side porch was redecorated by the pledges during their probation.

VII. *Maintenance of Alumnae Interest:* Alumnae assist in rushing and serve as chaperons for all social functions. The Advisory Board are guests at dinner once each month and stay for chapter meetings, Cooky-shines, Founders' Day banquets and the annual alumnae luncheons for pledges and for seniors are our best ways of maintaining interest in the alumnae club. The *Dart* establishes a bond between the active chapter and all chapter alumnae. In the last three years there have been five unaffiliated transfers on the campus. They have been invited to all social functions and initiations. There has been one affiliated transfer.

I. *Membership:* 1934-35: Initiates, 14; active members, 45. 1935-36: Initiates, 20; active members, 44. Resident active members, 6. Resident alumnae, 30. Total membership up to May 1, 1936, 590.

II. *Honors:* 4 on freshman honor roll, 3 on sophomore honor roll, 3 on junior honor roll, 1 Pi Gamma Mu, 1 honorary journalism organization, 3 members of Mortar Board, 2 members of Union Board, 1 member of University Senate Committee on Social Organization and Affairs, 1 president of Sigma Delta Chi, 1 director of winning state contest play, 2 Freshman Orientation leaders, 1 society editor of the *Daily Iowan*, 1 campus editor of the *Daily Iowan*, 7 members of the staff of the *Daily Iowan*, 1 president of Y.W.C.A., 5 members of Y.W.C.A. Cabinet, 2 members of Zeta Phi Eta, 1 member of Theta Sigma Phi, 10 members of the staff of the yearbook, 8 members of the staff of the humor magazine, 20 members of University Chorus, 1 member of Orchestra, 9 members of Seals, winners of the yearbook sales contest for 1935 and 1936, 9 members of all-university party committees, 2 campus beauties, 1 Dolphin Queen, 1 ideal co-ed, 1 Mecca attendant, 2 *Friol* beauties.

III. *Scholarship:* All pledges are required to spend four hours a day in the library, and study hall is kept from 7 to 9 four nights a week, and on Saturday afternoons. Any member, active or pledge, who receives notice of delinquent work must keep 8 o'clock hours for the following week, and must attend study hall until the delinquent is removed. During the semester examination period no men are allowed in the house except on one week-end night, and quiet hours are kept continuously, except for meal hours. Every senior girl maintaining a "B" average since affiliation with the local chapter receives a recognition arrow. A four year girl receives one set with a diamond, a three year girl one set with an emerald, and a two year girl one set with a ruby. Any girl raising her average more than .6 above the initiation requirement receives a recognition arrow, and every girl having a "B" average wins a recognition arrow, to be hers as long as that average is maintained. A crested ring is awarded to the

active member who maintains the highest grade in the chapter for the full school year. A "C" average is required for both actives and pledges, and anyone failing to meet this requirement through hours of failure is not permitted to live in the house the immediately following semester. An average of the last three years finds the chapter in the middle one-third of women's organizations.

IV. *Chapter Work:* Through our pledge training we attempt to emphasize cooperation in the furthering of national and local standing. Joint meetings of the active and pledge groups have been very helpful in promoting this unity. A series of illustrated talks on Emily Post and 4 o'clock teas each Friday afternoon have been most successful in developing the poise and social grace necessary to a true spirit of hospitality. The Executive Council is composed of the chapter president, the house president, 1 senior, 1 junior, and 1 sophomore girl all of whom are elected by the chapter. The chapter has contributed to the Settlement School, the Loan Fund, and to Pi Beta Phi Endowment. Contributions are also made each year to Mortar Board for the purchase of roses given to visiting mothers on Mothers' Day, to the Community Chest funds, and to other soliciting organizations which the chapter deems worthy. *The Dart* is published each Convention year for alumnae and friends.

V. *Entertainment:* Four parties are given each year, a party in the fall at which the actives entertain the pledges, a formal dinner-dance just after the Christmas holidays, an informal party given by the pledge group for the actives, and a Spring formal, to which rushees are invited. An Open House is held in September to which all men's fraternities are invited in order to introduce the new pledges. On alternate Wednesday nights through

the winter months faculty members are entertained at dinner at the chapter house, and an informal discussion follows the meal. Alumnae are welcomed at Homecoming, and a buffet luncheon and dinner are served to guests. Founders' Day is observed at a formal dinner at the Memorial Union at which time an appropriate program is given by alumnae and actives. All initiations are followed by formal banquets, and special dinners mark Mothers' Day and Senior week-end.

VI. *Chapter House:* The chapter house is owned and is valued at \$60,000. Each year complete new furnishings are bought for two bedrooms and the necessary furniture and rugs for the downstairs. A complete redecoration of our recreation room was the main project of the last year. A black and white scotile floor, chromium and black furniture, a glass tiled fireplace and indirect lighting have helped to make it the most popular room in the house.

VII. *Maintenance of Alumnae Interest:* A member of the Advisory Board is a guest at chapter meeting once a month, alumnae are invited to dinner at the house at all times and at Christmas a special scholarship banquet is held at which time the alumnae give the awards. The chapter cooperates in the giving of the Settlement School tea at the chapter house each fall. Local alumnae chaperon all chapter social functions and are invited to all functions held for visiting officers: In the last three years we have had 14 transfers on the campus who were not affiliated with the local chapter. None of these girls have affiliated, but they are guests at all chapter social functions and several of them take all of their meals at the chapter house.

III. *Scholarship:* Under the supervision of the scholarship chairman, study hall is held for pledges on Monday, Tuesday, and Thursday evenings from 7:30 o'clock until 10:30 o'clock. Pledges are not allowed dating privileges in the daytime. When mid-term grades are averaged those pledges not having an average of at least 79.5, the average required for initiation, must forfeit Wednesday and Sunday nights' dating privileges. A diamond recognition pin is awarded to the pledge having the highest average the following year. Each girl is required to spend two additional hours in the library each day. A fine of fifty cents is levied on each girl for non-attendance. A fine of fifty cents is levied on each girl for every unexcused absence from any class. The average required by other national fraternities for women and by the University is 76.5 but we require 79.5 for initiation and 81.5 to be maintained by active members. Our ranking in scholarship on the campus for 1934-35 was first; and for the first semester 1935-36, first.

IV. *Chapter Work.* A pledge supervisor is elected by the chapter to act as adviser in pledge meetings and to supervise pledge instruction. The pledges hold a meeting the same night as active meeting. They elect their own officers and conduct their own meetings carrying out cere-

mony and business. The supervisors check their activities, scholarship, and fraternity obligations. Chapter and alumnae officers give talks from time to time to the pledges on various phases of the fraternity. The pledge supervisor takes advice and criticism directly from the active chapter to the pledges. Each active has a pledge daughter for whom she is responsible. Personnel of Executive Council: chapter president, one senior, one junior, one sophomore, and after initiation one freshman, and the pledge supervisor. Last fall we held a bridge tea for alumnae and patronesses at which we sold articles made at the Settlement School. Each year we contribute to the Loan Fund and to the Pi Beta Phi Endowment. Each year the Vermillion alumnae publish a news letter including chapter and alumnae news. Each year the chapter publishes the *Arrow*, a small paper giving the highlights of our year's activities and telling something of Pi Beta Phi nationally and locally. We use this *Arrow* for rushing purposes.

V. *Entertainment:* Each year the chapter has a formal pledge banquet, open house for freshmen, initiation banquet, Founders' Day banquet, fall and spring informals, winter formal, teas for alumnae and patronesses, Christmas party for first grade poor children of Westside school, informal dinners for Pi Phi guests, homecoming dinner for alumnae, dinner by pledges for actives, Mothers' Day banquet, Panhellenic dinner, faculty dinners, and a sweet-heart dinner.

VI. *Chapter House:* Our house is rented. Last year we completely refurnished our south living-room. We repapered our two living rooms and dining room and all of the second and third floors. We bought new dressers and chiffoniers for our bedrooms. This year the house was painted on the outside. We furnished a new chapter room in the basement. We recovered two chairs, bought new lamp shades, table ware, and a new radio.

VII. *Maintenance of Alumnae Interest:* We have had a bridge tea for our alumnae each year for the past two years. We invite our alumnae to all pledging and initiation ceremonies, to our fall and spring informals, and to our winter formals. At least one alumna attends each chapter meeting. Our advisory committee is located in Sioux City, where we meet with them once each month. We observe Founders' Day with them each year. We have one affiliated member this year from Minnesota A.

I. *Membership:* 1934-35; Initiates, 21; active members, 40. 1935-36; Initiates, 21; active members, 42. Resident active members, 17; resident alumnae, 45; total membership up to May 1, 1936, 574.

II. *Honors:* 2 Pi Lambda Thetas; 10 honor students; 3 student council members with presidency; 3 members on A.W.S. board; 1 W.A.A. presidency; 3 on the *Cornhusker* staff (yearbook); 3 on the *Daily Nebraskan* staff; 1 *Augwan* staff member; 26 members of freshman com-

mission; 2 Y.W.C.A. staff members; 1 Mortar Board; 4 Tassels (local girls' pep club); 1 Psi Chi; 2 Sigma Alpha Iotas; 1 Nebraska Sweetheart; 1 beauty queen; 2 Co-ed Counsellors; 2 University Players; 4 Panhellenic members; 10 regimental sponsors; 2 May Queen attendants; 1 Delta Omicron; 1 Theta Sigma Chi.

III. *Scholarship*: Study hall is kept for freshmen under the supervision of an upperclassman, and the direction of the scholarship chairman. If pledges or actives are reported delinquent they relinquish Friday and Sunday night dates and attend study hall from 9-12 Saturday morning. Actives' week night privileges are also removed. The pledge having the highest average during the first semester is given the award of having her name engraved on the scholarship cup. The pledge average of 80 per cent for initiation is held as exemplary and was maintained in 1934, but not in 1935-36 when a 72 average was required. The rank of the chapter among socially competing fraternities for women for the year 1934-35 was 16; 1935-36, 20.

IV. *Chapter Work*: The pledges are well organized under the guidance of a pledge supervisor. They elect their own officers and conduct their own meetings the same night as fraternity meeting, carrying out ceremony and business. Various leaders in the chapter or alumnae give talks from time to time on fraternity, campus activities, scholarship, etc. The supervisor checks weekly their activities, scholarship and fraternity obligations. The fraternity mothers take a personal interest in their daughters by seeing to their happiness and in helping them to make adjustments to fraternity and school life. The executive council is elected by the chapter and consists of the chapter president, vice-president, one senior, one junior, one sophomore, the corresponding secretary, the pledge supervisor and the scholarship chairman. The chapter yearly contributes to the Community Chest fund. We contributed \$5.00 to the Endowment Fund this year, \$5.00 to the Loan Fund, and \$15.00 to the Settlement School. \$100.00 was contributed to the University of Nebraska for the Student Union Building Fund. At Christmas time we give clothes to the Lincoln Welfare society to be distributed among the poor, as well as the inexpensive gifts we exchange at our annual Christmas party.

V. *Entertainment*: The chapter gives several house dances a year, in addition to two larger parties. One of these is an informal supper dance held at the house, and the other a formal dance given at one of Lincoln's hotel ballrooms. Each year the freshmen give a traditional dinner for the active chapter followed by a house dance. Open house is held a number of week-end nights for many of the fraternities. Wednesday night is set aside as guest night and many friends and faculty members are invited throughout the year. The Founders' Day banquet has been held for the past two years in the Cornhusker and Lincoln hotel ballrooms. Thanksgiving and Christmas dinners are given each year. Every year a Christmas party is given for the children of the alumnae. The pledges always prepare a program for special entertainment. Once a month the Lincoln Mothers' Club lunches at the chapter house. Annual dinners are given honoring the seniors in the chapter and also for the parents on Mothers' Day.

VI. *Chapter House*: The house is owned and is valued at about \$80,000. This year the whole first floor was redecorated; new lamps, rugs, drapes, and furniture were added. The dining room and the second floor sitting room were also redecorated.

VII. *Maintenance of Alumnae Interests*: The alumnae advisory committee which works with the house council is a link between the active chapter and the alumnae. They meet monthly with the whole chapter. Each year the freshmen are invited to an alumnae club dinner and the seniors are given a farewell luncheon by the alumnae. Local alumnae are advised of pledging and initiation ceremonies and are also invited to all teas and social functions. An alumnae committee has been formed by the advisory board to aid the chapter during rush week and summer rushing is done in cooperation with alumnae throughout the state. There have been no unaffiliated transfers and only one affiliated transfer in the last three years.

III. *Scholarship*: In order to raise our scholarship standing we have been enforcing rigid study rules. Study hall is held every evening from 8 until 10 o'clock for pledges. In addition to that each pledge or initiate is required to spend 10 hours in the college library a week, which is supervised by an active member. All of those having F's are deprived of one week-end date privilege. Quiet hours are observed from 1 until 3 o'clock except on week-ends. For high scholarship, special privileges are given. Freshmen who attain B averages are given some active privileges. To the freshman who receives the highest scholarship for the year is awarded the scholarship cup at the annual

Founders' Day banquet. A scholarship ring is given to the senior receiving the highest grades for two consecutive semesters before graduation. A pledge must have a C average to be initiated. Kansas B ranked seventh among socially competing fraternities for women in 1934-35; in 1935-36, Kansas B ranked fifth.

IV. *Chapter Work:* Pledge meeting is held immediately after active meeting. They are under the supervision of an active member and an alumnae supervisor. Each pledge has a fraternity mother. The executive council consists of the president, the pledge supervisor, one sophomore, one junior, and one senior. An advisory board composed of four alumnae meets monthly with the executive council. Each year the chapter raises money for the Settlement School by rummage sales, and an annual auction. Each year Kansas B gives five dollars to the Loan Fund, and to the Pi Beta Phi Endowment Fund. At Christmas time the chapter gives a party for the poor children of the four grade schools in Manhattan. A Christmas bulletin is sent each year to all alumnae concerning chapter affairs. In the fall or late summer, a rush sheet called "Pi Phi News" is sent to the rushees. The alumnae are extremely interested in chapter activities and affairs. They attend active meeting regularly and are always willing to give advice or suggestions when they are called upon.

V. *Entertainment:* 1934-35: Rush week parties; open house for new pledges; freshman dance for upperclassmen; football banquet; Christmas dinner and party; Christmas party for poor children; cooky-shine for new initiates and alumnae; Mothers' Day dinner; Founders' Day banquet; brothers' dinner; dinner for Dean of Women; dinner for patrons and patronesses; spring dance; house party for rushees; senior farewells. 1935-36: Rush week parties; open house for new pledges; freshmen dance for upperclassmen; football banquet; Christmas dinner and party; Christmas party for poor children; tea given by freshmen; cooky-shine for new initiates and alumnae; Founders' Day banquet; dinners for mothers, fathers, brothers, patronesses and patrons; spring dance; house party for rushees; senior farewells.

VI. *Chapter House:* Kansas B owns her house. It is valued at \$48,000. New house furnishings include: a stove, living room and downstairs rugs, drapes in living room and dining room, and some furniture both downstairs and upstairs.

VII. *Maintenance of Alumnae Interest:* Town alumnae approve all girls before initiation and also all town girls before pledging. They are invited to attend parties and pledge and initiation services. Two actives are invited to alumnae meetings.

III. *Scholarship:* Since the downfall of Colorado A, from first place to last place, there has been a rigid study table enforcement which proved to be profitable in that the scholarship of the fraternity was brought up to fifth place. The advance was tremendous, and the chapter hopes to bring the average up to first place in the immediate future. Fifth place in our rank among campus social fraternities in scholarship was a big jump, and the chapter, even though in the fifth place was only tenths of a point below those of the other groups. We enforce the most rigid study table practice ever in effect in the chapter—every girl, regardless of class distinction or average, is required to come to afternoon study table for two hours. Night study table is held for two hours for every girl not busy with campus activities. Night study table for freshmen is held in the dormitory for every girl who does not have an average of 85. Freshmen with conditions must come to three hours of study table on Saturday morning, and those who incurred failures must come to study table for two hours on Sunday evenings. Our chapter is now at third place at the end of the winter quarter. Previously we have held an afternoon study table for about two hours for every girl with an average below chapter average, approximately 82; in addition to this, every freshman with an average below 85 must go to two hours of night study table, and those with conditions or failures are under the same regulations as stated under the first method. No freshman is allowed to date before 4 o'clock in the afternoon of school days. The sixth week, every member reads her grades in answer to roll call. A cup is awarded to the freshman having the highest average for the year. A fine of five dollars is imposed upon anyone who fails a course for excessive overcuttings. If any girl over-cuts required study table, the privilege of attending the quarterly dance is taken away from her. In addition to this, the freshmen are assigned extra duties. Freshmen are required to make a C average before they may qualify for initiation, with no conditions or failures. Among socially competing fraternities, our chapter ranked fifth place, 1934-35.

IV. *Chapter Work:* We have a pledge sponsor who is elected by the chapter. Her duty is to adjust the pledges to their new environment and to teach them to act for the best wishes of Pi Beta Phi. Each of the pledges has a sorority mother, who exerts every effort to better the scholarship and conduct of her daughter, and to see that she participates in campus activities. Pledge meetings are held not only on Monday night, but also during the week when the freshmen feel there is a special need. In these meetings they help each other to do better, and aid in creating the best feelings in the chapter by planning special parties and stunts for all of the members. The alumnae take a great deal of interest in the pledges, and their stories of early Pi Phi days, and the Settlement School are an added incentive to the freshmen to make the most of their college days. Major officers, two seniors, 2 juniors, and one sophomore compose the executive council. They realize their responsibilities and are willing to give their time and energy to the development of the chapter. At Christmas time, this chapter contributes to the Christmas fund to help make the poor and unfortunate children have a happy Christmas and make the visit from Santa Claus real. The money is an annual gift that is a part of the funds set aside for Community welfare. The Settlement School fund is another annual fund that is the biggest enterprise of Pi Beta Phi here in Boulder. Last year, we gave a bazaar, and articles from the Settlement School were sold. This year, \$100 dollars was contributed to the

Settlement School as a gift and the chapter will give a Spring sale of the articles of the Settlement School to raise more money to give to the Settlement School. To the Loan Fund, we give five dollars a year. We have paid \$35.00 toward the \$100 that is to be paid for the Pi Beta Phi Endowment fund in four years. Our chapter keeps a family of seven supplied with food; in addition to this we give \$25.00 to the Community Chest of Boulder every year. This year we gave \$75.00 to the University Scholarship Fund. This year we held a "clean up" day for the chapter, and every member was kept busy cleaning the grounds, rooms, etc. At noon a picnic lunch was served on the lawn. It is an annual function. We have made an effort to improve our chapter singing this year, and have held a singing practice every Monday evening before meeting.

V. *Entertainment:* 1933-34: Rushing parties, Mothers' Day luncheon, tea dance for pledges, two formal dances, dances for fraternities, tea for the chaperon, prom breakfast, cooky-shines, buffet suppers, Brothers' dinner, senior breakfast, Thanksgiving dinner, announcement parties—are all annual affairs. 1934-35: Little sisters' parties, advisory board dinner, guest night for other sorority members every Wednesday night, rushing parties, announcement parties, and dinner attended by the Beta Theta Pi freshmen, while our freshmen attended a dinner at the Beta Theta Phi house, teas for other sororities, Mothers' Day luncheon, tea dance for pledges, tea dances for fraternities, buffet suppers, faculty dinner, Christmas party, Halloween party, chapter fry, prom breakfast, cooky-shine, three formal dances, tea for the chaperons, brother dinner, senior breakfast, and a little sister fry for local girls, were the major events of the social calendar. 1935-36: Open house on Colorado U. Day, freshman formal dinner, announcement dinners, tea for pledges, rushing parties, teas for other sororities tea for chaperons, three formal dances, prom breakfast, Christmas party, Halloween party, Thanksgiving dinner, buffet suppers, brothers' dinner, Mothers' Day luncheon, little sisters party, advisory board dinner, guest night once a week, tea dances for fraternities, faculty dinner at which Colorado A entertained the prominent poet who is now teaching at the University of Colorado, Professor Davidson, cooky-shine, senior breakfast, Founders' Day Convention, Panhellenic "Round-Robin" exchange dinners, and entertaining delegates of various conventions such as the Associated Women Students' convention.

VI. *Chapter House:* Our chapter house is owned and valued at \$60,000. Two years ago the study was made over into a modernized smoking room. The decorations are in light green and the furniture is strictly modern, being done in black with chromium finish. The Pi Phi house is one of the few on this campus where smoking is allowed in one room only thus preventing a dangerous fire hazard. The room is lovely for entertaining guests and is an added attraction to the already beautiful house. This year, we are planning to remodel the down stairs of the house. New mattresses were furnished by the Mothers' Club and the rooms were redone with new draperies and rugs. The Mothers' Club gave the house a new lace tea cloth which was made in our own Settlement School. This summer, the house will be redone and the next addition will be a new radio for the down stairs.

VII. *Maintenance of Alumnae Interest:* We try to cooperate with our alumnae in every possible way. They are welcome to come to any function in the house. They are invited to our teas, our formal dances, and all other occasions in which we feel they would be especially interested. This summer we are having a tea in Denver for all of our alumnae. All meetings of the advisory board and scholarship committee are held in the chapter house, and one meeting of the finance committee. The Boulder alumnae give a party for the freshmen and for the senior classes every year.

We have had eight unaffiliated transfers on our campus in the last two years; we do not affiliate girls from other chapters. However, they have their meals at the chapter house; and when the house is not too crowded, they may live in it. Although they are not required to come to chapter meetings, they generally do attend. This year we have two unaffiliated transfers, whom we like very much, and who seem to be very happy here.

I. *Membership:* 1934-35: 10 initiates, 45 actives (10 pledges); 1935-36: 19 initiates, 54 actives (19 pledges); 49 resident active members; 204 resident alumnae members; 524 total membership from establishment to May 1, 1936.

II. *Honors:* 3 Sigma Phi Alpha; 2 class vice-presidents; 15 members on the annual staff; 5 members on the newspaper staff; 54 members in the Y.W.C.A.; 6 offices on the Y.W.C.A. Cabinet; 9 Kedros (similar to Mortar Board); 4 Alpha Lambda Delta; 10 Mentors; 9 Parakeets; 18 Press Club; 17 Co-ed Journalists; 3 Poetry So-

ciety; 1 president; 6 Drama Club; 5 Philosophical Academy; 7 Kappa Delta Pi; 5 Alpha Zeta Pi, 1 president, (now Phi Sigma Iota); 8 Psi Chi; 20 Women's Athletic Associations; 3 Rilling Athletic Club; 2 Co-ed D Club; 3 Leaders' Council; 4 Women's Student Council; 3 Alpha Sigma Chi, 1 president; 5 Alpha Nu, 2 officers; 2 Pi Gamma Mu; 1 A.W.S. president; 1 school president; 3 Interscholar Council; 2 Pioneers; 3 Beauty queens; 1 May queen attendant; 1 D Club dance queen; 2 Engineers Ball queens; 1 Junior Prom queen; 5 in dramatic casts; 10 in the operettas, 1 lead; 4 debaters.

III. *Scholarship:* The methods for improving scholarship included the requirement that pledges use study report cards which the actives signed in the Library, and the parents signed at home. The pledges had to study five hours a week in the Library, and ten hours a week at home, or the equivalent. We require no study tables, and have no social regulations or fines pertaining to scholarship. The scholarship awards are two in number: a senior scholarship ring, and the Sophomore Scholarship Cup upon which is engraved the name of the girl having the highest scholastic record for her first two years in college. The scholarship requirement for initiation is three C's; the actives are required to maintain the average for initiation or they lose all active member privileges. For the year 1934-35 we ranked first among the socially competing fraternities for women; for 1935-36 we ranked third.

IV. *Chapter Work:* The methods for pledge training used in the past so successfully have been continued during the past two years. Each week the pledge meetings are devoted to a short talk on various topics pertaining to the fraternity, given by an active or alumnae member or a pledge. The pledges take over the running of their own pledge duties, taking this responsibility completely off the shoulders of the pledge sponsor. Each meeting is concluded with a test writing of the material learned the previous week for the Pledge Examination. The personnel of the Executive Council is: President, vice-president, corresponding secretary, recording secretary, treasurer, rush captain, two censors, and the social chairman. Each year our chapter gives a book review and tea the proceeds of which go to the Settlement School. This year the tea could not be given, so the chapter contributed \$50 from the treasury. \$10 was sent in for the Loan Fund, and the same amount for the Endowment Fund. The Santa Claus Shop each year is held for the benefit of the poor of the city, and Pi Beta Phi serve as the clerks and sales-girls one day during its existence. In previous years we have held a Pi Phi Little Show and Vaudeville, the proceeds of which went to the Student Union Building fund. With the opening of this building in January, 1935, this activity was discontinued. We have contributed \$5 to the Dean Shuler Loan Fund. We have no chapter publications. We have shortened the period devoted to business in active chapter meeting, and have held very interesting and helpful discussions of various phases of etiquette and personality development, together with talks about numerous projects of the fraternity, etc.

V. *Entertainment:* The most outstanding social events of the school year are the three dances which the chapter gives. The fall dance, held during the Thanksgiving weekend, is given by the pledges for the active members. At Christmas time, the chapter usually joins with Colorado A in a Christmas formal. In 1934 this dance was postponed because of the untimely death of Mary Morgan, one of the active members of the chapter. In 1935, the Denver Alumnae Club sponsored a Christmas dinner dance which took the place of the active chapter dance. We hope to revive the former custom this year. To wind up the social affairs of our chapter, we give a Spring formal dinner dance. Every year we give a series of luncheons honoring the members of the faculty. Being an urban chapter, the only occasions we have for formal entertaining are the dinners held at the sorority house each Monday night. One night was given to the entertainment of the girls' fathers, and on the day after Mothers' Day we entertained the mothers in a like manner. In the fall of each year, after the beginning of school, we hold a series of fraternity suppers at which the pledges are introduced to the fraternity men on the campus. Once a month we hold open-house to provide an opportunity for the pledges to meet and know the fraternity men. The pledges give a tea for the pledges of the other women's fraternities on the campus which helps to keep the intersorority relationship amicable. Our Book-Review Tea is given for the Settlement School and many alumnae, relatives, and townspeople attend. On Founders' Day Colorado B alternates with Colorado A in entertaining the active chapters and the alumnae. This year Colorado B was hostess.

VI. *Chapter House:* The house is rented. The Mothers' Club last year gave us a beautiful silver service, and this year has given us a complete new set of chinaware and glasses.

VII. *Maintenance of Alumnae Interest:* The interest of

the alumnae has been maintained through the past two years by contact through the Alumnae Advisory Board. The alumnae are welcome at any of our meetings and are always included in social affairs—dances, teas, and luncheons. They offer us the use of their homes for rush parties. Alumnae and actives are frequently placed on committees to work out fraternity problems and functions. Actives are asked to come to alumnae meetings of special interest to the chapter. This past year the alumnae gave a lovely Christmas dance to which the actives were invited. The active chapter holds open-house and supper for the alumnae on Homecoming Day. During the past three years there have been six unaffiliated transfers on our campus. Every effort has been made to form contacts with them, such as frequent invitations to luncheons and dinners at the sorority house, attendance at chapter meetings, and invitations to all of our social affairs. During this period one of the transfers affiliated with the chapter, while one of the girls was a graduate student.

III. *Scholarship*: During fall quarter all pledges were required to spend ten hours a week at the library study table in addition to eight hours a week at evening study table at the chapter house. Actives having an average below 3.00 were placed on probation without chapter vote or social privileges. During winter quarter all pledges with an average below 2.00 were required to spend ten hours at the library study table. Again this quarter all actives with an average below 3.00 were deprived of all chapter and social privileges until written statements were obtained from the instructors indicating that the grades

were satisfactory. Failure to comply with the above chapter scholarship regulations resulted in forfeiture of a date night. Each year the name of the freshman having the highest average for the entire year is engraved on our freshman scholarship cup. Actives are placed on probation for six weeks for failure to maintain an average of 3.00; pledges are placed on study table for failure to maintain an average of 2.00. For the year 1934-35 Wyoming A ranked first among the socially competing fraternities with an average of 2.21. During the year 1935-36 Wyoming A again ranked first with an average of 2.34.

IV. *Chapter Work*: Pledges meet with their supervisor once a week when fraternity and campus problems are discussed. At some time during the year each member of our Alumnae Advisory Board discusses her phase of supervision, thus becoming acquainted with the new girls. This year our girls were interested in the personality charts. When it is deemed wise and necessary pledges attend parts of the active chapter meetings at which time helpful suggestions and criticisms are offered. Whenever possible individual problems are solved with the assistance of the fraternity mother. The personnel of the Executive Council is the president, pledge captain, and one representative of the senior, junior, and sophomore classes. During the past two years the active chapter has contributed approximately \$50.00 to the Settlement School and sent toys to the children at Christmas time; \$10.00 has been contributed to the Endowment Fund and several small amounts given to local charities.

V. *Entertainment*: 1934-35: Rush parties; open houses for fraternities; pledge dance; alumnae tea at homecoming; pledge return dance, Christmas party, Mothers' Day tea; dinner for brothers and sons; supper for seniors of all Greek letter groups; senior luncheon and handkerchief shower; entertained patronesses and parents at dinner; faculty tea; cooky-shine; Founders' Day banquet; pledge tea; May formal dinner-dance; tea in honor of Mrs. Alford; 4 initiation banquets, 1935-36: Rush parties; open houses for fraternities; alumnae tea at homecoming; pledge dance; Christmas party; Scavenger Hunt; pledge return dance, entertained patronesses and parents at dinner; faculty tea; Founders' Day cooky-shine; pledge tea; tea in honor of Mrs. Young; tea in honor of Mrs. Hanna; dinner for brothers and sons; Mothers' Day tea; senior luncheon and handkerchief shower; supper for senior women of Greek letter groups; May formal dinner-dance; Easter breakfast; 3 initiation banquets; buffet supper after Panhellenic formal.

VI. *Chapter House*: Our house which is the only one as yet built in Fraternity Park is owned by the alumnae Pi Beta Phi House Corporation. Its valuation is \$50,000, and payments are covered by a \$400 a month rental from the active chapter. Recent improvements include a large gas range, electric mixer, and attractive table and lamp given by the Mothers' Club.

VII. *Maintenance of Alumnae Interest*: Our alumnae have entertained for all our freshman girls and at their last meeting included all senior girls who upon graduation will join the ranks of the alumnae. This contact, the association at the Homecoming tea, the Founders' Day Celebration, and the direct assistance of the Advisory Board have been very successful. In addition, the annual fashion show and card party given jointly by the active chapter and the alumnae club furnished an opportunity for becoming better acquainted. There have been four unaffiliated transfers on our campus. Two of these girls have lived in the chapter house and every courtesy possible has been extended to them. During this period there have been no affiliated transfers.

Executive Council; 2 vice-presidents League of Young Democrats; 3 members Spanish Club; 6 members French Club; 12 members English Club; 1 secretary English Club; 6 members El Modiji (honorary art); 3 members Thalian (honorary speech); 2 Psychology Club; 2 Social Service Club; 1 Advertising Club; 4 Orchestra (honorary dance); 3 Racquet Club (honorary tennis); 5 members Newman Club (Catholic); 3 members Glee Club; 3 members History Club; 1 Eta Sigma Phi (honorary language); 1 Kappa Delta Pi (honorary education); five leads in Playhouse productions; 1 Phi Mu Epsilon (honorary mathematics); 2 members Psi Chi (honorary psychology); 2 winners Badminton Plaque W.A.A.; 1 delegate national Mortar Board convention; 1 delegate national W.S.G.A. convention; 1 Engineers' Queen; 1 Band Queen; 12 *Sooner* beauty queens; 10 R.O.T.C. sponsors; 1 president Panhellenic; 1 secretary Panhellenic.

III. *Scholarship*: A resident tutor has complete supervision of chapter scholarship. She supervises study hall

for pledges on five days a week for four hours each day. She assists both members and pledges. She interviews professors of girls making low grades and provides tutors for these girls in instances where she herself is unable to help them. Members failing to make the initiation grade average are required to attend study hall ten hours each week. In addition to this penalty these members forfeit their vote and give their pins in custody to the president. Pledges who make low grades have all or part of their dating privileges suspended. A fine of \$5.00 is assessed for every hour of F of both members and pledges. In the chapter room is a silver plaque on which the name of the member making the highest grade average each semester is engraved. The pledge making the highest grades in her class is awarded a scholarship ring. To any girl gaining membership in a national honorary organization the chapter presents the pin of that organization. The pledge and member average demanded by the chapter is twenty points or a B— average. The chapter scholarship rank on the campus was third for both semesters of 1934-35, and second for the first semester of 1935-36.

IV. *Chapter Work:* This year the chapter revised its policy in regard to pledge training. A large measure of responsibility was delegated to the pledge class itself in enforcing rules. The pledge class organized itself with a president, secretary, treasurer, activity chairman, scholarship chairman, and social chairman. The pledge president had complete charge of assigning pledge duties and of seeing that they were carried out. A point system for pledge duties was worked out and awards were given to the two pledges having the highest number of activity points. A recognition pin was given to the pledge having the highest number of activity points. The chapter discarded the demerit system it had formerly used. The attempt was made to train the pledges by a system of rewards rather than penalties. The new plan developed a much better pledge spirit. Executive council is composed of the president, two seniors, two juniors, and one sophomore. During the past two years Oklahoma A has given \$75 to the Settlement School; \$65 to the Pi Beta Phi Endowment; and \$20 to the Loan Fund. Oklahoma A gave \$10 to the A.A.U.W. relief project; \$10 for Red Cross Christmas seals; and \$10 to the Dean Gittinger Memorial Fund. A chapter newspaper, *The Sooner Target*, is published each year for Founders' Day. The paper describes the chapter activities of the past year. Contributions are made by both members and pledges. The most notable internal development this year has been the increased feeling of responsibility of all the members toward their chapter obligations.

V. *Entertainment:* 1934-35: Annual pre-rush banquet; seven rush parties during formal rush period; formal luncheons in honor of pledges; cooky-shine for formal pledging; Dads' Day luncheon; Homecoming luncheon; buffet supper for local alumnae; open house in honor of pledges; formal Christmas dinner; dansant and buffet supper; Brothers' dinner; Founders' Day dinner; buffet supper for initiates; buffet supper honoring Mrs. Smith; Mothers' Day dinner; and faculty guest night each Wednesday, 1935-36: Pre-rush banquet; seven rush parties during rush period; formal luncheon for pledges; cooky-shine at formal pledging; two buffet suppers for initiates; open house in honor of pledges; dansant; Homecoming luncheon in honor of charter members of Oklahoma A; formal Christmas dinner; spring dansant and buffet supper; W.S.G.A. tea; Founders' Day dinner; buffet supper honoring Mrs. Stark; Mothers' Day dinner; Senior breakfast; faculty guest night each Wednesday.

VI. *Chapter House:* Oklahoma A owns its house, which is valued at \$48,000. The lounge of the house was refurbished this year in attractive modernistic furniture of red, yellow, and blue. The pledges presented the house with a modernistic bookcase with a built-in radio. The chapter has just purchased an encyclopedia, and twenty new books including classics, and modern poetry and fiction. This year house telephones were installed on four floors.

VII. *Maintenance of Alumnae Interest:* Letters are sent to all state alumnae clubs inviting them to initiation and homecoming. This year the charter members of Oklahoma A were invited to a luncheon in their honor. Active members solicit the aid of alumnae in rushing in their home towns. On Founders' Day Oklahoma A unites with the local alumnae club and the Oklahoma City Club in celebration of the occasion. After the banquet, which is held in the Student Union, the chapter entertains the alumnae at open house. There have been 18 unaffiliated transfers on the campus, the largest number, according to the ARROW, on any campus. The chapter has remained in close contact with all of these girls. While there is not room to invite them to live in the house, each one was invited to have all her meals in the house, and to attend chapter meetings. The transfers have been invited to all social functions of the chapter. Because of the large size of the chapter and because of the large number of transfers, none have been affiliated during the past two years.

RUTH L. CLARK

OKLAHOMA BETA

I. *Membership:* 1934-35: Initiates, 15; active members, 37, 1935-36: Initiates, 18; active members, 33. Resident active members, 24; resident alumnae, 20; total membership up to May 1, 1936, 306.

II. *Honors:* 1. Scholarship: 28 on Dean's Honor Roll in last three years; 2 Kappa Delta Pi; 1 Chi Delta Phi; 4 Orange and Black Quill (honorary organization made up of ten selected Junior women); 4 Orange Quill (Sophomore honorary organization); 3 members of Achafoa (petitioning Mortar Board); 1 Phi Kappa Phi; 1 chosen as most outstanding girl and awarded silver loving cup; 17 graduates. 2. Class offices held: 1 Sophomore vice-president; 1 Junior vice-president; 1 Freshman secretary; 1 Freshman treasurer; last three years Oklahoma B has had the Education Senator. 3. Campus honors; 4 members on annual; 1 on paper staff; 1 president of Y.W.C.A. in 1934-35; 1 president of Y.W.C.A. in 1935-36; 1 state president of Y.W.C.A. in 1935-36; 30 members of Y.W.C.A. 3 in Achafoa; 1 president of W.S.G.A. 1933-34; 1 president of W.S.G.A. 1935-36; 2 on Executive Board of W.S.G.A.; 2 on Judicial Board of W.S.G.A.; 1 delegate to National W.S.G.A. Convention; 2 on debate team; 1 vice-president of D. & O. Social honors: 1 Queen of Queens; 3 Beauty Queens; 1 Band Queen; 2 Engineering Queens.

III. *Scholarship:* Study hall is held for pledges from 4 to 5:30 in the afternoon, and from 8 to 10 at night with a tutor in charge. Members making a letter D, I, E, or F, are required to attend one study hall a day. There is a fine charged for being absent or tardy to study hall of \$1.00 an hour. Each failure costs \$5.00 at the end of the semester. The pledge making the highest grades receives a diamond recognition pin. The member making the highest grades has her name written on a plaque which hangs in the office. Pledges are required to make 20 grade points for initiation. Members are required to be making 20 grade points or forfeit their vote in chapter meetings. Rank of chapter among competing fraternities for women for the year 1934-35: first semester, first; second semester, second; 1935-36: first semester, fifth.

IV. *Chapter Work:* The pledges are organized and meet once a week for pledge study, which is under the direction of an alumna. Lessons on the history of Pi Beta Phi, Settlement School and Robert's Rules of Order are studied. The Executive Council consists of five members; the president, the treasurer, and one representative from the senior, junior and sophomore classes. Executive Council meets each week before the regular chapter meeting to check over the material to be discussed in meeting. Contributions are made each year to the Loan Fund, Pi Beta Phi Endowment Fund, and the Settlement School Fund. Pi Beta Phi is in charge of the Panhellenic Christmas Project each year, when baskets of food and clothing, which have been donated by the fraternities and sororities, are distributed among the poor. At the Founders' Day Banquet small comedy newspapers were given to all those present. This little paper was written by the active members telling of the year's work in a humorous way.

V. *Entertainment:* Pi Beta Phi entertains each of the twelve fraternities at dinner some time during the school year. We also entertain each of the other sororities at luncheon during the year. In the fall we hold open house for the men of the college, and a month later we hold open house for the sororities and serve tea. Each year we meet with our alumnae from over the state at the College Shoppe for our Founders' Day Banquet. We have one alumnae tea in the fall, and have the Stillwater alumnae all to dinner during the year. We have one faculty tea in the fall. After each formal pledging we have a cooky-shine, and after each initiation we have our formal banquet. This last fall (1935) we had the first house dance that we have given in several years, which proved to be a glorious success. At intervals during the year we entertain rushees with slumber parties, dinners, and shows. In the spring of each year we have our Pi Phi family picnic, at which time the mothers prepare the food and all the families meet. Our last entertainment of the year is the Senior Farewell Breakfast.

VI. *Chapter House:* The chapter house is owned by the alumnae club, and is valued at \$27,000. In the fall of 1935 many improvements were made in that the house has six additional rooms, including a sun room, three new bed rooms, a new house mother's room and dressing compartment, and a new kitchen. The downstairs has been completely remodeled and the color scheme is wine and blue. New furniture to carry out the color scheme has been bought. The woodwork has been redecorated, and the house is truly beautiful.

VII. *Maintenance of Alumnae Interest:* The alumnae are intensely interested in anything that has reference to the

active chapter. Once a month the Alumnae Advisory Board meets with the Executive Council to discuss the chapter problems. The alumnae are very helpful during rushing season, and many of them come back for our various entertainments. There have been two unaffiliated transfers on our campus in the last three years. Both girls have been asked to rush parties, dinners, etc., that the chapter has had.

III. *Scholarship:* All pledges are required to study at the University Library on week nights until ten o'clock. Those making a three point average may leave at nine-thirty. During the week of any examinations no pledge is allowed dates or initiate allowed to have dates in the house. For exceptionally low grades a pledge is put on probation. For the pledge making the highest grade above a four point a diamond recognition arrow is given. Seniors are allowed as many dates as they wish, junior initiates, two special dates (during the week), sophomore initiates, one date, pledges and freshmen six specials during the semester. The first semester a pledge is required to make a 2.35 grade point for initiation. The second semester a 2 point is required. Initiates are required to maintain the grade point average for initiation. For the fall semester of 1934-35 our rating among the socially competing fraternities for women was third, for the spring semester of 1934-35 our rating was first, and for the fall semester of 1935-36 our rating was sixth.

IV. *Chapter Work:* Pledge meetings are held every Monday night under the supervision of the pledge sponsor but presided over by the pledge president. Parliamentary procedure is respected. Business of the meeting consists of such discussions as interests them as pledges of the chapter, programs of fraternity history, and often a study of Post's rules of etiquette. To stimulate better cooperation between pledges and actives a loving cup is presented upon initiation by the chapter to the girl chosen as model pledge. The Executive Council is composed of the chapter president and one representative from each class. Annual contributions have been made to the Settlement School, to the Loan Fund, and for the Pi Beta Phi Endowment Fund. This year's donation for the Endowment Fund being \$69.00. Growing strength and development of the chapter is typified by the early and enthusiastic plans made by fraternity officers, members, and pledges alike for the coming year.

V. *Entertainment:* 1934-35: Summer house party for rushees, annual rush parties, two formal dances, open house for pledges, Christmas party, Founders' Day banquet, cooky-shines, tea for Mothers' Club, formal dinner for Dean Leonard of the University of Illinois, faculty dinners, formal dinner honoring Mrs. Nita Hill Stark, Grand Secretary of Pi Beta Phi. 1935-36: Summer house party for rushees, annual rush parties, one formal dance, open house for pledges, Christmas party, Founders' Day

banquet, cooky-shines, faculty dinners, dinner party honoring Mrs. Florence Hunt Webster, Assistant to Grand President.

VI. *Chapter House:* House is owned and valued at \$41,000. Last fall the chapter room was retinted and chairs recovered. We have a new electric ice box, radio, and set of china. Many new shrubs and flowers have been planted to beautify the grounds.

VII. *Maintenance of Alumnae Interest:* Alumnae are invited to social affairs of the fraternity, their advice is sought and respected, we have good alumnae attendance at initiations, fraternity meetings, and entertainments. There has been one unaffiliated transfer. She was invited to participate in socials as well as to attend business meetings of the fraternity. There have been no affiliated transfers.

Cotton Boll. Blue bonnet belle nominees, 21.

III. *Scholarship:* Every pledge who is reported in a subject at Thanksgiving must attend a two hour study hall three afternoons a week. No freshman student is allowed to have more than three dates a week until Thanksgiving, and if she is reported in a subject at this time, the restriction remains until January. Every pledge failing to make initiation grades in January must attend study halls. No boys are allowed inside of chapter house before four o'clock on week days and before two o'clock on weekends and holidays. A recognition pin with a pearl is given to the outstanding pledge or pledges who best fulfill the standards as set forth by the chapter for this award. A 50¢ fine is levied on each pledge for each time she misses study hall or pledge meeting over her allotted 3 absences. A pledge must make an average of "C" before she can be initiated. An initiate must maintain an average of "C" for voting privileges. Texas A ranked second on the campus among the competing sororities. We differed from first place by .3 of a point.

IV. *Chapter Work:* The pledge supervisor dictates questions and answers for fraternity study at each meeting. The following meeting the pledges are quizzed on the questions given them at the previous meeting. The personnel of the Executive Council consists of: the president, the treasurer, and a representative from the sophomore, junior, and senior classes. In 1934-35 Texas A donated \$50.00 to the Settlement School. In 1935-36 Texas A donated \$50.00 to the Settlement School. This fund was taken out of the treasury. About twice each year displays are held in the chapter house to sell the products of the Settlement School. Texas A gave \$10.00 in 1934-35, and \$10.00 in 1935-36 to the Loan Fund. Texas A gave \$50.00 in 1934-35 and \$50.00 in 1935-36 to the Pi Beta Phi Endowment Fund. Donations are given to these enterprises every year. Texas A does not give to local charity funds. Texas A gave an electric refrigerator and three beds to the cooperative house which is a college enterprise. We have no chapter publications.

V. *Entertainment:* 1934-35: Weekly coffees from 7-8 P.M. honoring each boys' fraternity on campus, formal dance in spring honoring new initiates, breakfast during Round-up for Alumnae, Mothers, Fathers, and visitors, Founders' Day banquet on April 28, rush tea in February, rush week activities in fall consisting of six parties, tea for faculty, cooky-shines after fall and spring initiations, buffet suppers at chapter house once a month for both pledges and initiates, tea for new house mother, Christmas tree for pledges and initiates, dinner for Mrs. Scivally. 1935-36: Rush week activities in fall as in 1934-35; fall tea dance honoring pledges. Founders' Day banquet during Round-up weekend for all Pi Beta Phi. Tea for Mrs. Stark, Grand Secretary, dinner for Mrs. Webster, Assistant

to Grand President, dinner for Mrs. Alford, ARROW Editor, buffet luncheon for Mrs. Stark and pledges, cooky-shine for Mrs. Scivally, cooky-shines after the fall and spring initiations.

VI. *Chapter House*: The Texas A's house is owned and it is worth \$30,000.00. Since May 1, 1934, the entire house has been repapered and repainted, closets have been added to the third floor, and the bath room enlarged, new porch furniture was bought, and the downstairs furniture was done over. Plans are now being considered for the building of a new house. It is hoped that it will be ready for occupation by February, 1937.

VII. *Maintenance of Alumnae Interest*: The alumnae have lunch at the chapter house once a month. They gave a breakfast during Round-up for all visiting alumnae at the chapter house. The advisory board meets with the Executive Council once every month to settle all important questions. They always assist us at any social undertaking and are cooperative in every possible way. Certain alumnae always attend all initiations and cooky-shines. There have been 4 unaffiliated transfers on this campus during the past three years. Transfers are contacted and invited to all meetings and social activities. They are specially invited over to dinner or luncheon at the beginning of the school year and urged to return as soon as possible. There have been 4 girls affiliated with Texas A during this time.

MARJORIE ARCHER

TEXAS BETA

I. *Membership*: 1934-35: initiates, 22; active members, 33. 1935-36: initiates, 36; active members, 43. Resident active members, 25; resident alumnae, 180; total membership up to May 1, 1936, 288.

II. *Honors*: 1 Alpha Theta Phi (maintains regulations and standards of Phi Beta Kappa), 6 Alpha Lambda Delta (honorary freshman scholastic for women), 20 honor students, 6 honor graduates, class offices: 1 president, 1 vice-president, 5 secretaries; campus honors, 3 reporters, 1 newspaper editor, 1 associate newspaper editor, 2 society editors; 100% membership in Y.W.C.A., 1 social chairman of Y.W.C.A., 1 vice-president of Y.W.C.A., 4 members of Mortar Board, 9 members of Alpha Rho Tau (art), 3 members of Beta Pi Theta (French), 6 members of Delta Chi Delta (commerce), 1 president of Delta Chi Delta, 1 member of Delta Phi Alpha, 1 president of Delta Phi Alpha, 1 member of Sigma Delta Rho, 1 secretary of Sigma Delta Rho, 2 members of Eta Sigma Phi, 5 members of Mu Phi Epsilon, 1 treasurer of Mu Phi Epsilon, 1 member of Beta Beta Beta, 1 treasurer of Beta Beta Beta, 1 member of Pre-Medical Society, 1 member of Theta Sigma Phi, 2 members of Zeta Phi Eta, 2 members of Psi Chi, 4 members of Mustang Sports Association, 5 members of Home Economics Club, 1 member of Gamma Sigma, 1 member of Alpha Zeta Pi, 1 secretary of Student Body, 3 Student Council members, 5 members of Glee Club, 12 members of the Dramatic Club; Social Honors: 3 Sweethearts of S.M.U., 1 Sweetheart of the Band, 4 Rotunda Beauties, 12 Rotunda Favorites, 2 representative Mustangs, 11 "Mustang" Awards, 2 representatives to Mardi Gras.

III. *Scholarship*: We require both initiates and pledges to attend study hall. The pledges must go 8 hours a week and the initiates according to their grades. Those with a B average are required to study 4 hours a week; those with a C+ average, 6 hours; those with a C average, 8 hours; those with a C- average, 10 hours; and those with a D average, 12 hours. For initiates with an average of B or above, study hall is not compulsory. Initiates not maintaining a C average are not allowed to come to Pi Phi parties. The Dallas Alumnae Club each year gives a ring to the freshman in the chapter making the highest average. The chapter itself owns a diamond pin which is presented each year to the junior making the highest average, to be worn during her senior year. The chapter also gives a recognition pin to the girl who shows the most improvement. Another award given is the loving cup, which is given to the senior with the highest average for 4 years. For initiation we require the pledges to make a C average the first term, a C+ average the second term, and a B- thereafter. No Fs can be included in these averages. Among socially competing fraternities for women Texas B of Pi Beta Phi ranked 9th for 1934 and 1935, and 4th for 1935 and 1936.

IV. *Chapter Work*: Pledges hold weekly meetings under the supervision of a pledge sponsor. They make reports to the active chapter on honorary organizations in school, and the outstanding problems of the school. This educates both actives and pledges. The actives gave the pledges talks on the Settlement School, and other Pi Phi work. The pledges give their impressions of rush week, and at group meetings better methods of rushing are discussed. The Executive Council is made up of the president, rush captain, corresponding secretary, vice-president, recording secretary, and a representative from the senior class. In regard to the Settlement School, we help the alumnae in

their annual Settlement School luncheon, and buy Settlement School products. We contribute to the Loan Fund, and the Pi Beta Phi Endowment Fund. At Christmas time we donate to local charities. We help with the annual Panhellenic show, the proceeds of which go for a scholarship of a non-sorority girl. We also contribute to the Earl Moreland Fund for little S.M.U. in Brazil. Texas B gives a \$25.00 prize each year to the junior music student making the best grades. Our publication is a weekly column called "Pi Phindings," which tells of the activities of the chapter. The chapter officers describe their duties and how they are carried out. Every year the Dean of Women comes to dinner and gives us a talk.

V. *Entertainment*: 1934-35: Open house for new pledges, cooky-shine after pledge services, initiation banquet fall and spring, mothers' and fathers' tea, faculty tea, Founders' Day banquet, 3 large dances including representatives from other sororities, senior luncheon, one picnic, 1935-36: 2 dinner dances for members and guests, 1 large dance with representatives from other fraternities, 1 "Vice-Versa" dance (pledges honoring the initiates), Founders' Day celebration, Senior luncheon, mothers' and fathers' tea, open house for new pledges, 2 slumber parties, 2 picnics, 2 cooky-shines. The university has recently inaugurated a new system which includes a social calendar. We are required to follow this calendar, so therefore cannot entertain at will.

VI. *Chapter House*: S.M.U. does not allow women's fraternities to have chapter houses, but the question of building lodges is still before the University Board. We have rented an apartment 3 blocks from the campus. We have reupholstered our chairs, put up new wall paper, and added new curtains.

VII. *Maintenance of Alumnae Interest*: The alumnae are invited to attend chapter meetings, one of the actives usually goes to the alumnae meetings, and the advisory board meets with the executive council monthly. We have our Founders' Day celebration with them, and invite them to our dances and parties. We also have an alumnae tea annually. We have had five unaffiliated transfers on our campus in the last three years whom we have invited to our meetings and included in our parties. Three became active as soon as the required average was made.

LOUISIANA ALPHA

I. *Membership*: 1934-35: initiates, 13; active members (including initiates), 31. 1935-36: initiates, 16; active members (including initiates), 34; resident active members, 20; resident alumnae, 35; total membership up to May 1, 1936, 97.

II. *Honors* (for the combined three years): Phi Beta Kappas, 1; class offices, 8; the annual, 3; the weekly publication, 1; Alpha Sigma Sigma (corresponds to Mortar Board), 2; student body offices, 4; positions on athletic teams, 38; glee club and dramatic casts, 49; officers in these clubs, 4; debating, 15; May Court, 7 (one queen); beauty section in the annual, 6; dance courts, 12.

III. *Scholarship*: Fines and study hours enforced on averages below eighty. One dollar fine for each subject conditioned. Twenty-five cent fine for each subject under eighty. Recognition pins and bracelets awarded highest scholastic averages among both pledges and actives. Rank among socially competing chapters. 1934-35, twelfth. 1935-36, sixth.

IV. *Chapter Work*: Inspirational talks by alumnae to pledges. Cup award to the outstanding pledge. Point system affords impetus to pledge spirit. Personnel of Executive Council: President of the chapter, recording secretary, two members of senior class, one member of the junior class. Settlement School Work, Pi Phi Endowment and local charities. Charity Ball, \$40, rummage sales, benefit bridges parties. Pi Beta Phi Award in chemistry. This award is given by Louisiana A each year to the senior graduating with highest average in chemistry. It consists of ten dollars.

V. *Entertainment*: Aside from rushing parties and sorority dances and picnics, Louisiana A endeavors to keep in touch with the mothers of the girls by means of Silver Teas and bridges. Interfraternity lunches are held.

VI. *Chapter House*: There are no sorority houses on the Newcomb campus, but Louisiana A is fortunate in having a small bungalow. This bungalow is worth \$8,000 and \$4,000 of this sum has been paid. Right now the active chapter is endeavoring to raise the needed money by selling bonds. The house is located conveniently at the edge of the campus.

In 1934-35 various improvements were made on the house. It was completely renovated within and refurbished. New awnings were purchased for the porch, and the old furniture was repainted. Today Louisiana A has the distinction of having one of the most attractive meeting places of all the sororities on the campus.

VII. *Maintenance of Alumnae Interest*: In the past three years Louisiana A has had only one unaffiliated

transfer and this was because she failed to meet the scholastic requirements of the college and the fraternity. In this present session Louisiana A has one affiliated transfer. Louisiana A always finds its alumnae willing and ready to help in any activities that the active chapter may

desire. The alumnae have been especially helpful in the payment of the debt on the house, in furnishing clothes for rummage sales, in attending benefit bridges, and assisting in rushing parties.

I. *Membership*: 1934-35: initiates, 19; active members, 25. 1935-36: initiates, 7; active members, 27. Resident active members, 6; resident alumnae, 24; total membership up to May 1, 1936, 78.

II. *Honors*: There are no honorary fraternities or similar organizations on this campus. 2 members won scholarships for pre-university work, which pays their tuition fees; 4 honor graduates; 1 class historian; 3 class officers; 3 class executives; 2 members on *Evergreen and Gold Year Book* staff; 5 members on the *Gateway*, bi-weekly paper; 3 members of Blue Stocking Club; 1 member of Clio Club; 1 vice-president of Students' Union; 1 president of Women's Athletics; member of the Students Council; 1 chairman of Women's Disciplinary Committee; 2 executives of Wauneita Society, an organization of all women students; 2 executives on Wauneita Reception Committee; 2 members of House Committee; 1 member of Constitutional Enforcement Committee; 2 presidents of Dramatic, executives of Literary Society; 1 vice-president of Dramatic; 1 executive of Dramatic; 2 feminine leads in Inter-Year Plays, one the winning play; 1 best actress in Inter-Year Plays; 2 leads in Alberta Dramatic Festival entry; 1 secretary-treasurer of Philharmonic Society; feminine lead in "The Mikado," Philharmonic Society production; 2 Literary "A" awards; 1 Athletic "A" award; 1 Bakewell Athletic Trophy winner; 1 vice-president of Commerce Club; 1 secretary-treasurer of School of Education Society; 1 executive of School of Education Society; 2 presidents of Household Economics Club; 1 secretary-treasurer of Household Economics Club; 2 executives of Household Economics Club; 1 secretary of Women's Medical Club; 1 president and manager of Women's Track; 1 president and manager of Women's Athletics; 1 president of Women's Tennis; 1 manager of House League Basketball; 4 members of Women's Hockey Team; 1 chairman of Social Directorate.

III. *Scholarship*: Each month the scholastic chairman reports to the Executive Council on the work of the actives and pledges, and those members with poor marks are given extra help in organizing their study hours by the scholastic member of the Advisory Board. There are special regulations of study hours for the pledges. Social regulations and date restrictions are the same as those imposed on women students in residence. This year the chapter is offering a scholarship ring to the active making the highest standing in her final examinations. The girls are required to have a four-fifths pass in order to pledge and be initiated. This spring first year rushing was obtained and the girls are now required to have a 65% high school average in order to pledge. The university authorities on this campus do not allow a comparative rating of fraternities, but the scholastic is well above the average.

IV. *Chapter Work*: Pledge meetings are held at the same time as active chapter meetings, the pledges later joining in the cooky-shines. Alumnae and actives give talks on such subjects as scholarship, Settlement School, national viewpoint and Convention. The Executive Council consists of the president, the treasurer, the corresponding secretary, the scholarship chairman and one member from each class. Contributions have been sent to Settlement School, the Loan Fund and the Endowment Fund each year. At Christmas time the chapter takes a family and prepares a hamper for it.

V. *Entertainment*: The Panhellenic Banquet has become an annual affair. Rushing tents and parties are held during the summer months, and the period of open rushing in the fall. The chapter entertains annually at a tea to which prominent faculty members are invited. An informal dance is held in the fall, and in the spring a formal dance is held. The Edmonton Alumnae Club entertain the actives each year at a Mother and Daughter tea. The Founders' Day Banquet and the Senior Farewell Ceremony are combined and held the same day.

VI. *Chapter House*: In 1934-35, the chapter rented a house and six girls lived in it. This past year the chapter was able to rent a house very close to the campus and fourteen girls lived in it. The chapter is gradually accumulating house furnishings.

VII. *Maintenance of Alumnae Interest*: The chapter is well supported by both the Calgary and Edmonton Alumnae Clubs, which are composed chiefly of Alberta A graduates. The Advisory Board is very active and is a great assistance to the chapter, and also forms a link

between the active chapter and the alumnae. There have been no transfers on this campus as yet.

I. *Membership*: 1934-35: initiates, 15; active members, 31. 1935-36: initiates, 19; active members, 37. Resident active members, 9. Resident alumnae, 24. Total membership up to May 1, 1936, 204.

II. *Honors*: Five members of Phi Kappa Phi; thirteen honor students; seven honor graduates; one class officer; eight members on annual staff; eighteen members on paper staff; three members on magazine staff; six members of Mortar Board; one president of Mortar Board; one vice-president of Mortar Board; two secretaries of Mortar Board; eight members of Eurodelphian (fine arts honorary); eight members of Delta Phi Delta, honorary art fraternity; one president of Delta Phi Delta; two secretaries of Delta Phi Delta; one treasurer of Delta Phi Delta; one historian of Delta Phi Delta; one member of Phi Upsilon Omicron (honorary home economics fraternity); one treasurer of Phi Upsilon Omicron; two members of Lambda Phi Kappa (honorary secretarial fraternity); five members of Alpha Lambda Delta (scholastic honorary for freshman women); one secretary of Alpha Lambda Delta; thirteen members of Spurs (sophomore women's service honorary); two presidents of Spurs; one secretary of Spurs; two treasurers of Spurs; two historians of Spurs; two Women's Chairmen of High School Week; one Women's High Attainment Award; one Laist Award for outstanding student; one Wiggenshorn Award for achievement in forensics; two members chosen for Big Ten (ten outstanding seniors of class of '35); three members on High School Week Committee; two commissioners of social affairs on Student Senate; two commissioners of dramatics on Student Senate; three council members of Associated Women Students; one vice-president of Associated Women Students; one secretary of Associated Women Students; one member on Women's Athletic Association; one winning rifle team; one Ancency trophy for riflery; three Brown's medals for basketball; one tennis trophy; two winners of Bobcat athletic sweaters; three winners of Blue and Gold swimming suits; two members entered in athletic Play Day; twelve members of glee club; two members of college orchestra; eleven major dramatic rôles; seven in chorus of musical comedy; three in dancing chorus of musical comedy; one orator; one debater; two All School Queens; five attendants to All School Queen; one Queen of Agricultural Ball; one Queen of Engineers Ball; one Junior Prom Queen; six Prom Queen attendants; three Montanan Beauty Queens; one R.O.T.C. Battalion sponsor; three R.O.T.C. Band sponsors; three R.O.T.C. company sponsors.

III. *Scholarship*: An average of 76, as accepted by Panhellenic is required for initiation. Each pledge is sponsored by an active member who is personally responsible for the grades of her little sister. Study hours are held between 7:30 and 10:00 each evening under the supervision of the house president. Special study table for pledges and actives whose grades are below average is held between 7:00 and 9:00 under the supervision of the scholarship chairman. There is a special award of a recognition pin made to the pledge receiving the highest scholastic average before initiation. The scholarship ring is awarded to the upperclassman maintaining the highest scholastic average for the year. A fine of one dollar is imposed for each credit of E or F received. Among socially competing fraternities the chapter ranked third, first and third in the three quarters of 1934-35; and ranked third and second in the first two quarters of 1935-36.

IV. *Chapter Work*: The pledges are organized, have their own officers, and hold meeting on Tuesday night of each week. They are under the supervision of a pledge mother and a pledge assistant elected by the chapter. Each pledge has a sponsor. The executive council is composed of the members of the advisory board, the chapter president, the chapter vice-president, the chapter treasurer, the pledge mother, and one sophomore representative. For the last two years the chapter has contributed five dollars to the Settlement School; five dollars for the Loan Fund; and five dollars to the Pi Beta Phi Endowment. Due to the expense of moving into a new chapter house, it was necessary for us to lessen the amount of our contributions. Contributions to college funds are made individually.

V. *Entertainment*: The outstanding social affairs given each year are: self-service dinner the first Tuesday of each month for all members and pledges; annual Mothers' Day chocolate; annual Dads' Dinner; informal fall dance; formal winter dinner-dance; informal spring party; informal firesides at chapter house; informal teas and open-houses; annual Founders' Day banquet, at which all chapter honors for the year are announced; and exchange dinners with other campus social fraternities. At various times throughout the year, the president of the college, faculty members, heads of departments, and deans are entertained at dinner at the chapter house. Once a year the annual Panhellenic banquet is held which is attended by both acts and pledges of all women's social fraternities. At the last meeting before commencement, the annual Senior Farewell party is held.

VI. *Chapter House*: In the fall of 1935 the chapter moved into a unit of the new campus quadrangle. The quadrangle consists of three buildings of two units each. The unit provides living accommodations of the most up-to-date type for twenty-two girls and the house chaperon. The quadrangle was built with the aid of government P.W.A. money, and the chapter holds a sixty year lease upon the unit. The buildings are exempt from taxation. The unit is furnished entirely with new furniture, and is an ideal home for the sorority girls.

VII. *Maintenance of Alumnae Interest*: Alumnae attend chapter meetings and self-service dinners frequently, and are invited to attend initiations, pledgings, banquets, and all parties, both formal and informal. Once a year the chapter sends a news letter to the alumnae and in this letter states the amount due on pledge notes. While not organized, the local alumnae hold a social meeting once a month, and our new chaperon has been instrumental in organizing a Mothers' Club which meets once a month and has presented the chapter with many lovely and useful gifts. There have been no unaffiliated transfers on our campus in the last three years. There have been two affiliated transfers.

Social honors: Maid of Honor to May Queen; second place in intramural song fest.

III. *Scholarship*: An older member supervises study table for all pledges and initiates from 7:30 to 9:30 each night of the week except Friday and Saturday. A five-minute recess is observed at 8:30. All initiates and pledges keep library hours during the week from 8:00 to 12:00 and from 1:10 until 3:00. Those making below a 4.5 average (between B and C) must stay in the library until 4:00 on week days and must give up one date for the weekend. All old members not making their 4.5 average and all initiates and pledges must spend three hours in the library over weekends. Girls with a 5.0 average (straight B) are excused from study table. During the week quiet hours are observed in the house from 8:00 A.M. to 12:00 and from 1:00 P.M. until 3:00 and from 7:30 P.M. to 11:00 when everyone must be in bed. The grade average required by our chapter is 4.5, which is between B and C. The highest possible average is 6.0. The scholarship committee, composed of one member from each

class and one adviser from our alumnae group, makes and enforces the above rules. An extremely strict enforcement of the above rules is really what brought our house average up for the fall semester of 1935-36. No special awards are given by our chapter for scholarship achievement. A fine of 25¢ is levied for each class a girl cuts. Ranking of Pi Phi with other women's fraternities on the campus: 1934-35, seventh; 1935-36 (first semester), third.

IV. *Chapter Work*: Successful methods for pledge training and meetings: the pledges have an organization in their own group, with the offices of president, vice-president, and secretary-treasurer. They meet once a week with the pledge supervisor who instructs them in Pi Beta Phi fraternity work, social regulations and requirements, a study of other sororities and fraternities, house rules, etc. Each pledge is provided with a big sister in the fraternity who helps her with any difficulties she may have, and who advises her at all times. A personality chart is used as a guide for these big sister, little sister relationships. The social training of pledges is promoted by having them entertain the members at a rush party and a formal dinner. The executive council consists of president, vice-president, corresponding secretary, treasurer, pledge supervisor, and a representative from any class not represented by one of the above offices. In 1934-35 we sent \$25 to the Settlement School (raised by a tea at which we sold articles from the Settlement School), and in 1935-36 we sent \$25. We sent \$10 to the Endowment fund each year and \$10 to the loan fund. Nothing was done for local charities.

V. *Entertainment*: 1934-35: Annual rushing parties, informal dance in honor of pledges, formal dinner and reception in honor of Grand Vice-President, Halloween party for members given by pledges, tea for townswomen to view Settlement School goods, annual Christmas fireside for alumnae and patronesses, informal Christmas dance, formal dinner for province president, mid-year rushing party, birthday party for housemother, initiation banquet, informal dance in honor of initiates, dessert for I.K. national convention, formal dinner dance, senior breakfast, spring rushing party. 1935-36: annual rushing parties, informal dance in honor of pledges, open house for alumnae and friends during homecoming, dinner for fathers on Dads' Day, formal dinner and reception for province-president, formal dinner given members by pledges, annual Christmas fireside for alumnae and patronesses, tea for townspeople and faculty honoring our housemother, birthday dinner for housemother, initiation banquet, informal dance for initiates, dinner for several visiting mothers on Mothers' Day, formal dinner dance at which several Pi Phi daughters, sisters, and alumnae were present, fireside honoring two seniors who gave a music recital, senior breakfast. In addition to the above, we give on the average of six dinners each year for faculty members.

VI. *Chapter House*: Our house is financed by a corporation known as Omega Phi Alpha. Its present value is \$35,000. During the summer of 1935 the reception hall and guest room were remodeled, and the whole house rekindled. We bought new rugs for the living room, reception hall, and housemother's room. Several new items of furniture were purchased—chairs, pictures, lamps, etc. In the spring of 1936 we had plumbing improvements made, a lattice fence across our back yard, and several pieces of lawn furniture were bought. Also new dishes were purchased.

VII. *Maintenance of Alumnae Interest*: We invite town alumnae to all social and fraternity functions. We keep in close touch with our alumnae advisory board, meeting with them at least once a month. We send to our alumnae each spring, letters telling them about the chapter, the school, and enclosing recommendation blanks for rushees. We have had one unaffiliated transfer. She was allowed to live in the house during the year she was on the campus. We have affiliated no one.

III. *Scholarship*: (1) Scholarship plans for 1935-36, as worked out by the scholarship committee, have been based on the assumption that regular hours for study in relation to the subjects being taken are most effective when worked out in the time-budget system by the individual and the scholarship chairman. This averages two hours a day in the campus library for all freshmen and those below 2.5 average. (2) Evening study hours in the house are from 7:30 to 10:00 P.M. each girl being allowed to study in her own room supervised by her roommate, who is an upperclassman. (3) A graph is posted showing the house average for each quarter. A graduated list of individual averages is posted each quarter. (4) Letters are written to parents of town girls to gain their cooperation, explaining study rules, their daughter's average in relation to the house average, and our attempt for higher scholarship standing. (5) Individual conferences are held once a quarter by the scholarship committee and adviser, with freshmen and those below initiation average. (6) Date privileges are taken when necessary. (7) Closed weekends at the end of each quarter. A Pi Phi recognition pin is presented each year at the Founders' Day Banquet by the scholarship adviser to the freshman and the upperclassman having the highest grade average for the immediately preceding three quarters, and also one is given to the girl who has shown the greatest scholastic improvement for two quarters. Girls making Phi Beta Kappa have their names engraved on the Pi Beta Phi loving cup. We have no fines for poor scholarship, the chapter found them unsuccessful in improving scholarship. A grade point average of 2.3 is demanded as initiation average. In 1934-35 Washington A had a grade point average of 2.5 ranking twelfth in comparison to twenty-three socially competing fraternities for women. The average for 1935-36 has been 2.78 but the comparative lists have not yet been made.

IV. *Chapter Work*: Pledge meetings are held once a week under the supervision of the pledge trainer. At these meetings a definite study of fraternity organization and history is made. Several times during the quarter an active talk on various aspects of fraternity, house, and campus life, and there is a general discussion by pledges and trainer as to duties, and suggestions regarding cooperation, conduct and attitude in the house and on the campus. The pledges have occasional meetings of their own. Sponsors have monthly meetings in which each pledge's difficulties and improvements are presented individually by each active to her sponsor. Executive Council consists of the chapter president, pledge trainer, and one member from the senior, junior, and sophomore classes. We find this system successful because it gives a representative cross-section of the chapter, especially if there are members to represent both the town and house-girls. In this way all the chapter problems are presented, and many suggestions for improvement are made. The budget prescribes a definite amount of money from the treasury for the Settlement School. The chapter assists the alumnae in giving a Settlement School tea. The Loan Fund and the Pi Beta Phi Endowment are cared for by the budget. The chapter gives annually to the Community Chest. We give an annual Christmas party at the chapter house for needy children. Toward the end of the year open discussions are held, in place of the formal chapter meetings, to plan for rushing, activities, standards, and pledge training for the following year. In this way new ideas are accepted, old ones discarded, and the whole house unified in its plan of action. Early in her freshman year each girl is placed on committees to teach her value of responsibility and function in the chapter. This trains her for later years when she will be individually responsible for the chapter's internal development.

V. *Entertainment*: 1934-35—Rushing parties, pledge-night dance at the home of an active, cooky-shine, Y.W.C.A. waffle breakfast, informal given by an alumna for the pledges, tea for mothers and alumnae. Homecoming buffet supper, Black and White informal, children's Christmas party, faculty dinner, dinner for Mrs. Smith, tea honoring Mrs. Smith, Founders' Day Banquet, Mothers' Club Luncheon, Father-Daughter Banquet, winter informal, eight exchange dinners, spring formal dinner-dance, senior breakfast, Mortar Board dinner. 1935-36—Rushing parties, open house for pledges, cooky-shine, fall informal honoring pledges, tea-dance given by pledges, Hades idea informal, Mothers' and Alumnae Club tea honoring Mrs. Rusch, cooky-shine for Mrs. Rusch, chapter birthday party, four exchange dinners, Founders' Day Banquet, Mothers' Club luncheon, chapter birthday party, Homecoming open house, Father-Daughter Banquet, dinner for new and old Mortar Board officers, spring formal dinner-dance, senior breakfast.

VI. *Chapter House*: Washington A owns a \$42,000

house. Since May 1, 1934 some wonderful changes have been wrought in the house. The exterior was repainted, shutters were added to the front windows, the entrance was removed from the immediate front to the side of the front porch, making wonderful space for a garden of new plants and shrubs. The entire first floor was re-decorated. The kitchen was completely renovated, and an electric fan, electric dish washer, and two electric refrigerators were installed. On the second and third floors linoleum was laid in the halls and in the rooms, wall paper in all the rooms, and wood-work painted. These changes were made possible by money raised by the Mothers' Club and the Seattle Alumnae groups, by individual donations and by money turned in on the building bonds by many of the holders.

VII. *Maintenance of Alumnae Interest*: Some of our successful methods of keeping alumnae interest are through rushing, Founders' Day Banquet, alumnae-chapter birthday party, alumnae dances, an annual letter sent to all alumnae, asking the alumnae to be patronesses at chapter dances, Settlement School tea, chapter alumnae association, homecoming dinner, and Advisory Board. There have been about ten unaffiliated transfers on this campus in the last three years. We have a transfer committee that contacts these girls when they come to this campus. They are asked to lunch, Founders' Day Banquet, and other chapter social affairs. There has been only one affiliated transfer during this period, and the reason we don't have more is that they are unable to meet our initiation average, for the most part, or else they come here in their senior year and don't care to affiliate.

III. *Scholarship*: A scholarship committee composed of a representative from the sophomore, the junior, and the senior classes takes charge of the daily study table for freshmen and members whose grades are below initiation average, from 7:30 until 9:30 P.M. Freshman members are excused from study table for four week night dates each semester in accordance with the college ruling, but attendance is compulsory each night for pledges. There is supervised study table from 10:00 to 12:00 on Saturday mornings for all freshmen, including those not living in the house, and on Sunday morning for members and pledges who have received delinquents. At the beginning of each semester the scholarship committee works out with each freshman a plan whereby she can best make use of her time when studying. At the time of initiation, a plain badge is given each year to the initiate making the highest scholastic record for the previous semester. The initiation average required by the chapter is that of the college Panhellenic, 83. Pi Beta Phi ranked second and fifth among women's national sororities for the two semesters of 1934-35. The first semester of 1935-36 the chapter rose to third place among women's national sororities.

IV. Chapter Work: Weekly pledge meetings are held under the leadership of an upperclass adviser and the pledge president. At these meetings a definite study of fraternity, organization and history is made; various phases of the fraternal, house and campus life are discussed; pledges are instructed as to their duties, and suggestions are made in regard to conduct, cooperation and general attitude. An effort is made to interest the new girls in extracurricular work through talks by the activities chairman. During pre-initiation week the pledges are organized into a model fraternity with their own officers. They plan an instructive group project for each day, including a rushing party, a Settlement School meeting, a Panhellenic meeting, preparation for a national officers' visit, and so forth. The Executive Council is composed of the president and vice-president, a representative from each of the sophomore, junior, and senior classes and the pledge adviser. Contributions of \$10 each to the Settlement School, Undergraduate Loan Fund, and Endowment Fund were provided for in the budget each year. Donations have also been made each year to the Red Cross and Community Chest. This year Washington B is furnishing a room in the new Women's Gymnasium and Health Center in memory of Florence Johnston, chapter vice-president, who was killed in an automobile accident when returning from Christmas vacation. Pi Beta Phi has contributed \$15 each year toward a scholarship fund sponsored by the Associated Women Students to bring a student from some other country to our campus for graduate work. This year a charming Japanese girl has been here. The only chapter publication is the letter printed annually and sent to each Washington B alumna. Participation in extracurricular activities is stimulated by requiring three activities for initiation, and new honors are reported at each chapter meeting by the activities chairman. An activity meeting, devoted to talks on different campus organizations and activity opportunities, is held each year.

V. Entertainment: 1934-35: Rushing parties, pledge dance, dinner for fathers on "Dads' Day," Homecoming dinner, tea for Mrs. Ruth Barrett Smith, Christmas party for resident alumnae and children, Christmas dance with campus guests, rushing parties, tea for Mrs. William Rusch, province president, formal dance, guest dinners, high school weekend, Mothers' weekend, Senior Breakfast, tea dance, tea for housemother. 1935-36: Rushing parties, pledge dance, tea for housemother, Dads' Day dinner, Homecoming dinner, dinner for Mrs. Rusch, Christmas party for resident alumnae and children, Christmas dance, rushing parties, Valentine's dance, guest dinners, high school weekend, faculty tea, Mothers' weekend, Senior Breakfast, tea dance.

VI. Chapter House: Washington B owns its chapter house, which is valued at \$40,000. The chapter room was refurbished, the living room redecorated, and the entire house calcimined during the summer of 1934. The entrance hall, the dining room, and the housemother's room were redecorated in the summer of 1935. At that time a new electric range was purchased and the kitchen was repainted. In the summer of 1936 the entire house will be calcimined, the woodwork stained and enameled, the outside of the house painted, the roof stained, and the hardwood floors refinished. New floors will be laid on the second and third stories, the shower rooms will be remodeled. Some more interior decoration will be done in the living room and reception hall.

VII. Maintenance of Alumnae Interest: Many of our resident alumnae are members of Washington B and so take a great interest in the chapter. Our Advisory Board, composed of five resident alumnae, a scholarship chairman, rushing chairman, financial adviser, chairman of fraternity study and examination, and pledge adviser, is a very strong link between our active members and our alumnae. Each year we send an invitation to every Washington B alumna asking her to our annual Senior Breakfast. Later in the year we send out a news letter telling of chapter activities and honors received. Resident alumnae are always included in social functions. Alumnae living in nearby towns are extended invitations to return to our initiations and formal banquets each year. We have had no transfers during this period.

III. Scholarship: Scholarship is regulated by the house Scholarship Chairman, who is a member of executive council. Study table is conducted by an upperclassman four nights a week from seven-thirty to nine-thirty. Freshmen must be on the campus, going to classes or studying in the library, from eight in the morning to four in the afternoon, with the exception of the lunch hour. All members not making a 2.10 average (above a "C") must forfeit their pins, must attend study table, and lose all mid-week dates. Both pledges and active report cuts and grades before house meeting each week. For two weeks prior to final examinations social privileges are restricted. A five dollar fine is imposed for every course which is failed. An award of a jeweled Pi Beta Phi pin is given to the pledge having the highest grades fall term. A Pi Beta Phi ring is awarded to the member having the highest grades during the school year. The other scholarship award is the freshman scholarship cup on which is engraved the name of the freshman who has the highest average in the freshman class. An average of 2.10 (above a "C") is required for initiation and of active members. Our scholarship rating is: 1934-35: fall term, 3; winter term, 2; spring term, 4; 1935-36: fall term, 2; winter term, 2.

IV. Chapter Work: Pledge meetings are held by the pledge supervisor every Monday night after house meeting. Cuts and grades are reported to the pledge supervisor. Fall term the pledge supervisor conducts an orientation course, sponsored by A.W.S. Pledge study is administered at every meeting. Executive Council is composed of the president, the vice-president, corresponding secretary, treasurer, pledge supervisor, and a representative of the senior class. Contributions have been given to the Settlement School, to the Loan Fund, and to the Pi Beta Phi Endowment Fund from the chapter treasury. Each year contributions are made from the individual girls and from the chapter treasury to the Salvation Army and to the Red Cross. In 1936 contributions were made by the house towards funds for the local A.W.S. rooms and for the Browsing Room to be built in our new library. The chapter is making an effort to help its need and worthy members by helping them financially, by finding them jobs in and out of the house.

V. Entertainment: 1934-35: Dinner for faculty, Christmas party, pledge dance, winter formal, spring formal, dinner for province president, dinner for national vice-president, Founders' Day banquet with Oregon B. Mothers' Day banquet, Fathers' Day banquet. 1935-36: House birthday banquet, Christmas party, pledge dance, winter formal, spring formal, underclass and upperclass preference dinner; faculty dinner, Founders' Day banquet, exchange desserts with fraternities, Mothers' Day banquet, Fathers' Day banquet.

VI. Chapter House: The chapter house is owned by the chapter and the house and lot are valued at \$42,000. A great deal of improvement has been made in the house with the assistance of the Eugene and Portland Mothers' Clubs and the alumnae club. We have had many valuable gifts: dishes of all kinds, pictures, a vacuum sweeper, stair runners, rugs, sun-room furniture, a davenport and chair, four dozen soup bowls, and four dozen dessert plates.

VII. Maintenance of Alumnae Interest: The alumnae are invited to teas, dinners, chapter affairs, and dances. We cooperate with them at the Founders' Day banquets, and we join together for vacation dances. Homecoming is especially planned for them and they are invited to come that week-end. Close contact is maintained with the Eugene Alumnae Club through the advisory board, and through their entertainments for the freshmen and the seniors. We have had three unaffiliated transfers on our campus in the last three years. Two of them have boarded at the house, and all of them are asked to our dances, teas, and other such affairs. We have had one affiliated transfer in this period.

III. *Scholarship*: Scholarship is under the supervision of the scholarship chairman and a committee composed of a member from each class. Study table is held for pledges and freshmen from 7:30 to 9:45 four nights a week, and is supervised by alternating upperclassmen. Absolute quiet is maintained in the house from 7:30 to 9:45 on week nights and from 10:00 to 12:00 A.M. and 2:30 to 10:00 P.M. on Sundays. All girls not attending study table are required to study in their own rooms. Freshmen are allowed one night library permission a week, sophomores two a week. Girls going to the library at night must be there by 7:30 and remain until 9:15. Pledges and members are required to study at least two hours in the library every Saturday. Social privileges are restricted during the weekend previous to final examinations. Midweek date privileges are granted to members maintaining a grade average of 3.00 or above. Campus leave is restricted to one week-end per term for girls having averages below 2.5. A \$5.00 fine is imposed for violating this rule. The name of the graduating senior who has maintained the highest scholastic average is engraved on the chapter scholarship cup. To be eligible for initiation a pledge must have completed at least 14 credits with an average of 2.50 or above. Pledges and members whose averages are below 2.50 lose one date each weekend and are required to study four hours for that period. Our scholarship rating for 1934-35 was

6th; for 1935-36; 17th fall term, raised to 9th winter term.

IV. *Chapter Work*: Weekly pledge meetings are held every Monday night under the direction of the pledge supervisor. Meetings follow the general outline in the pledge manual, with half an hour devoted to informal discussions on general campus topics, such as honoraries, social activities, and college life. Pledges are graded on appearance, conduct, cooperation, grades and pledge work. A general discussion is held previous to grading so that pledges may clearly understand the different points. Executive Council consists of the president, pledge supervisor, treasurer, vice-president, and representatives from the three upper classes. The chapter conducts a rummage sale each spring to raise funds for the Settlement School. Contributions are made to the Endowment and Loan Funds and to the local Red Cross. An informal letter filled with chapter activities, descriptions of new pledges and campus happenings was sent to the alumnae fall term. An activity chart is kept in the library showing the activities of each girl.

V. *Entertainment*: 1934-35: Rushing parties, formal preference-night banquet, tea for new pledges, cooky-shines, informal dance, tea honoring Mrs. Warren Smith, Christmas party, Founders' Day banquet, weekly dinners for various faculty and alumnae members, "exchange" dinners with men's fraternities, winter informal, spring formal, Easter breakfast, entertainment for mothers on Mothers' Weekend, class dinners with men guests, dinners with men guests before plays and campus affairs. 1935-36: Rushing parties, formal preference-night banquet, tea for new pledges, cooky-shines, dance honoring pledges, alumnae and faculty dinners, dinner with men guests before Mortar Board hall, Christmas party, winter informal honoring initiates, Easter breakfast, "exchange" dinners spring formal, entertainment for mothers on Mothers' Weekend.

VI. *Chapter House*: Oregon B owns its home which is valued at \$35,000. Improvements include the re-decoration of the "beau" parlor with new wall treatment and furniture, a new cabinet which was built for formal clothes, gifts of silverware from alumnae and the Portland Mothers' Club, a Frigidaire given by the Mothers' Club, a new carpet for the living room, and new lamps. Plans are now being made to refurnish the library.

VII. *Maintenance of Alumnae Interest*: A long yearly letter is sent to all alumnae telling them of our chapter life and work. A monthly letter keeps us in close contact with the Portland Alumnae Club. Local alumnae attend chapter meetings, initiations and dinners. They help establish friendly contacts by giving dinners and picnics for the various classes and pledges. Rush parties, dances, firesides and chapter parties are all open to alumnae. Founders' Day is celebrated with alumnae. There have been no transfers on the campus in the last three years.

III. *Scholarship*: The scholarship chairman keeps a chart in which grades and hours are entered weekly. Girls having a scholastic average below C are denied full social privileges and are required to study a certain number of hours each day in the house study hall. Pledges enter grades and hours on cards weekly and are tutored in weak subjects. A "C" average is required for initiation. Recognition pins are rewarded to 3 girls each year: one to the girl with the highest average in the house, one to the girl who has improved most, and one to the freshman girl with the highest average. For 1934-35 we ranked 4th among women's fraternities; for 1935-36 we are 3rd.

IV. *Chapter Work*: Pledge meetings are held once a week by the pledge supervisor, pledge captain presiding. At each meeting a house officer or prominent alumna speaks on subjects outlined in the pledge manual or pertaining to campus activities. Pledge study is written in individual notebooks each week. Telephone and Sunday night supper duty are required. A strictly organized sponsor system is enforced and meets weekly to discuss problems. The Executive Council consists of the president, vice-president, treasurer, pledge supervisor, and one representative from each of the three upper classes. The contributions of actives for the last 2 years are: \$25 to the Settlement School, \$25 to the Endowment Fund, \$5 to the Undergraduate Loan Fund; \$100 to the Convalescent Home Drive; Thanksgiving Baskets, Christmas Toys, and Red Cross Fund. Sophomore duties are posted weekly and fines or curtailments of social privileges serve as penalties. The Activities Chairman keeps a record of each girl's activities on her chart. Each girl (including pledges)

is required to have one major and one minor activity.

V. *Entertainment*: Fall quarter a series of teas are held for new women at Stanford. Open house is held on football game days. Two Fashion teas were given in the fall; organization and modeling were the work of actives. Six faculty dinners are given a year, a special one each quarter for the Dean of Women. Exchange dinners with fraternities and sororities promoted good feeling. On birthdays, Valentine's Day and Christmas, special house dinners are held. A tea is given once a year for our housemother; faculty wives attend. Our pledges give a tea each spring in honor of the pledges on the campus. On pledge night there is open house and a jolly-up. This year pledge night included a barbecue at the mountain cabin of an alumna. A treasure hunt is given for the pledges in spring quarter. The annual Spring Initiation Formal is held at the Del Monte Hotel just outside of Monterey. The newly organized Mothers' Club of Pi Beta Phi gave a reading for the benefit of the house. Volleyball games on our court bring members of other living groups, both men and women, to the Pi Phi house.

VI. *Chapter House*: The house is owned by the House Association, which pays for the major repairs from the rent and dues collected from each member. The chapter house is valued at \$37,000. Improvements made last summer included: hardwood floors throughout, a new annex (dining room, den, study hall, housemother's suite, 3 bedrooms, sleeping porch, and bathrooms); complete interior redecoration.

VII. *Maintenance of Alumnae Interest*: Alumnae attend all open house functions and cooperate with the Mothers' Club activities. The entire Advisory Board comes to dinner once a month. House officers keep in close contact with their advisers. Alumnae assist during rushing and give dinners in honor of the pledges. There have been four affiliated transfers who lived in the house, two graduate students who transferred to Stanford one of whom lives in the house, and 2 unaffiliated transfers. We contact transfers and ask them to enjoy house hospitality and meals. They are invited to special house functions.

I. *Membership*: 1934-35: Initiates, 13; active members, 33. 1935-36: Initiates, 19; active members, 40. Resident active members, 18; resident alumnae, 189; total membership up to May 1, 1936, 420.

II. *Honors*: Honor students, 4; honor graduates, 1; vice-president sophomore class; executive committee, 1; sub-chairman Freshie Glee; Annual, 3; magazine, 2; paper, 1; officers in Y.W.C.A.; Cabinet, 1; members, 6; secretary Senior Week; Senior Week committees, 12; Prvtanean, 1; Torch and Shield, 4; Ace of Clubs, 7; reception chairman, Intersorority; Treble Clef, 1; Little Theater management, 6; Delta Chi Alpha, 3; president, 1; Phrateres, 15; Thalian, 3; Personnel, 3; counseling, 3; Intramural sports, 14; chairman eligibility, 2; assistant swimming manager.

III. *Scholarship*: A scholarship committee, consisting of a chairman (a senior) and a member from each class is in charge. It is the purpose of this committee to arrange scholarship discussions in pledge meetings and in chapter meetings. All grades for the week are recorded at the regular meeting both of the pledges and of the active chapter. Every underclass woman attends study-table two hours each evening. Reports of scholastic standing are received from the University twice during the semester. If any girl has failed to maintain a C average, she is given special study-table and, where deemed necessary, special privileges are curtailed. Each semester three recognition pins are given for scholarship: one to the initiated member receiving the highest average, one to the pledge with the highest average, and one to the girl who has shown the greatest improvement. A 1.2 average is required for initiation and for a member to maintain her class privileges. If a member falls below a 1.2 average, her social standing is one year below her academic standing, for example, a junior is placed on sophomore standing. Fines are imposed for failure to attend classes. The rank of the chapter among national Panhellenic women's fraternities 1934-35 was 18th; for 1935-36 the average has not been computed by the Dean of Women but an improved standing is definitely indicated.

IV. *Chapter Work*: Weekly meetings in charge of the pledge supervisor and conducted by officers elected among themselves by the pledges, are held for the purpose of instructing the pledges. In these meetings they are quizzed on the chapter roll and on information obtainable in the pledge manual. Talks on campus activities, scholarship, and Pi Beta Phi fraternity are given. The executive council is composed of the president, vice-president, supervisor of pledge instruction, and a representative from each class. The treasurer and rushing chairman are invited to attend. The active chapter helps the Mothers' Club and

Alumnae Association in an annual rummage sale, half of the proceeds of which are given to the Settlement School. In addition, special social functions are given to benefit the Settlement School. Contributions to the Loan Fund are provided for in the budget, and \$50 will be pledged this year for Pi Beta Phi Endowment. Local charities supported are the Student Loan Fund, the Y.W.C.A. drive for the Community Chest, and other special charities which require help during the school year.

V. *Entertainment*: Open house is held each semester in the chapter house for the purpose of introducing our new pledges to the campus. Two dances are held by the chapter each year, a formal dance in the fall and an informal dance in the spring. Each year the fathers are entertained at a dinner. This has been particularly enjoyable in the past two years and has been conducted in such a manner that every father attending has met and talked with every girl, making a warm and affectionate tie between the fathers and the chapter as well as the mothers and the chapter. Every month the Mothers' Club meets at the house. After their meeting, tea is served and there is an informal discussion with the girls. A faculty dinner is held each semester and exchange dinners with other campus sororities are held. Open house is held for luncheon before major football games for alumnae and their friends. At the close of each semester a farewell party is given for the seniors. In the fall it is the Christmas party and in the spring, a Senior Breakfast to which alumnae are invited.

VI. *Chapter House*: We own the house, which is valued at \$50,000. The Mothers' Club has each year done something to improve the house. To this the active chapter and the alumnae contribute. Our Mothers' Club is one of the strongest factors in our house and as such deserves a great deal of credit and praise. Minor improvements are met from the chapter treasury. Last year it was necessary to build a new sleeping porch to accommodate eight, for there was a decided increase in the number of girls living in the chapter house. This addition, together with additional bath and closet facilities, was given to us by the House Corporation.

VII. *Maintenance of Alumnae Interest*: In the past two years there has been an increase in the closeness of the relationship between the alumnae and the active chapter. With their cooperation, we are able to do things which would be otherwise impossible. The annual initiation banquet given each fall, and the Founders' Day luncheon bring the active chapter and the alumnae together as a group. The alumnae are invited to Monday night dinners and meetings whenever they desire to attend—the house is always open to them. In addition, there are special social functions in which the alumnae participate. Our inability to locate transfers on the campus has been one of our great problems. The campus is so large that unless we have been previously informed of their attendance at the University, finding them accidentally in classes and on the campus is our only recourse. Once located, they are invited to the house for luncheon, dinner, meetings, and special functions, and made welcome whenever they desire to use the facilities of the house. There is no way of knowing how many unaffiliated transfers there have been on the campus in the past three years. One transfer has been affiliated and she herself let us know that she was going to be in attendance at the University.

III. *Scholarship*: Every Monday, both in active and pledge meetings, the weekly grades are recorded by the scholarship chairman and pledge supervisor, respectively. When the grades seem to be lowering or "cinch" notices are received, a study table is maintained in the library at specified hours, with supervision for those girls whose grades are low. Attendance at the study table is compulsory. The chapter scholarship chairman, the chapter president, and the advisory board scholarship chairman speak to the pledges as a group at their meeting, stressing the importance of grades. The advisory board scholarship chairman speaks at one of the chapter meetings. The advisory board deals individually with girls who have too many cuts and have received "cinch" notices. The sponsors of the pledges also stress the importance of grades and in an effort to find the fault of poor grades, confer with the various professors. To the freshman in the pledge class receiving the highest average, the Glendale Alumnae Club awards a recognition pin each semester. To the girl receiving the highest average for her four years in college the Los Angeles Alumnae Club awards Settlement School bookends. Actives and pledges are required to make an average of 1.25. Our standing among the national Panhellenic women's fraternities on this campus went from third in the fall of 1934 to first the following spring. The average went down to sixth the fall of 1935.

IV. *Chapter Work*: Pledge meetings are held each Monday under the direction of the pledge supervisor. The business meeting is conducted by the president of the pledge class, and then it is turned over to the supervisor who instructs the pledges in regard to the Pi Beta Phi history, songs, and pledge duties. A cooperative spirit between the actives and pledges is furthered by a "Pledge Day." On this day the pledges assume the parts of actives, and the actives are pledges, beginning the first thing in the morning, and continuing the entire day. The Executive Council is composed of the president, treasurer, pledge supervisor, rush chairman, sophomore, junior and senior executives. Each year seventy-five dollars is sent to the Settlement School. An exception was made this year, and one hundred dollars was sent. Twenty-five dollars was contributed to the Loan Fund, and ten dollars to the Endowment Fund. At Christmas, food, clothing and toys for six families were supplied. A ten dollar chair was given by the chapter to help furnish the new Town and Gown tower.

V. *Entertainment*: Once a year a special luncheon is given for the faculty of the university. Also, a formal dinner is held honoring our Dean of Women. Every spring an informal dinner is given for the fathers, with the Dean of Men as honored guest. During the year we have several luncheons for the various fraternities and sororities on campus. We also have luncheons with the Mothers' Club once a month. Two formal dances are held each year, one in the Christmas season, the other in the spring, and there is an annual house party each spring for an entire weekend. During the fall, each Saturday preceding the football games, a guest luncheon is given at the chapter house, and each semester at the culmination of pledging, a formal tea is given presenting our new pledges. Two luncheons are served at the chapter house each week, one restricted to the members, the other including guests. Several parties are enjoyed with California Delta each year. Senior Breakfast is held on the Sunday morning preceding the last week of school.

VI. *Chapter House*: The house is now owned by the House Corporation, and is rented from them by the active chapter. It is now valued at \$12,000. Several of the bedrooms have been painted and repaired. A large tile bathroom has been added to the third floor. The kitchen has been remodeled. The dining room has been repainted and papered. New venetian blinds and a new new dining room set have been added. The chapter room has benefited by painting and the addition of some furni-

ture. New chairs and lamps have been added to the living rooms. The study room has been relegated to the basement, and the old room is now a bedroom.

VII. *Maintenance of Alumnae Interest*: Alumnae and members are kept in closer conduct with each other through Founders' Day, Settlement School benefits, rushing, and social functions at the chapter house. The Los Angeles Alumnae Club helps us with our rushing, and the Glendale Alumnae Club invites our officers to be their guests at their annual Christmas party. In the past two years there have been six unaffiliated transfers on the campus, and we had one affiliation. The transfers are invited to luncheon once a month, and once a semester to Monday night dinner and meeting. This year they were our guests at our Spring Formal.

III. *Scholarship*: Supervision of the maintenance and improvement of scholarship is entrusted to a scholarship committee composed of five members whose duties are to govern and supervise study table, to keep careful record of mid-term and final grades, and to deal with each individual problem concerning scholarship. All pledges are required to spend six hours each week at study table. Members with less than a C average are required to attend study table for the same number of hours and to act as proctors. At the weekly meeting of the scholarship committee, pledge sponsors report the grades of the pledges. Each pledge and member needing individual attention is called before the committee for a discussion of her problem. Freshmen and sophomores are restricted to two week-end dates. Juniors and seniors use their own discretion unless their individual scholarship problems make social supervision by the committee advisable. Each year a recognition pin is awarded the freshman initiate with the highest average and her name is engraved on the chapter scholarship cup. We have no fines levied for scholarship delinquencies. A ring is now given to the girl with the greatest improvement in scholarship from year to year. The ranking on campus, 1934 to 1935, first semester, 8th among socially competing fraternities; second semester, 13th; 1935-36: 7th for first semester.

IV. *Chapter Work*: The pledges meet once each week with the pledge captain to study fraternity history and to discuss their mutual problems. They are required to learn one Pi Phi song each week. The weekly duties of the pledges are supervised by the pledge captain and the pledge sponsors. Reprimands are administered by a black-mark system. Fixe black marks automatically bar the pledge from initiation. Executive Council is composed of the

president, vice-president, treasurer, and representatives from each class. Each year California Δ, California Γ, and the Los Angeles Alumnae Club give a benefit for the Settlement School. The chapter has contributed to both the Loan Fund and the Pi Beta Phi Endowment. It has annually provided the Dean with a fund for the use of needy students and has contributed to the Community Chest. There is no chapter publication. Each year the house rules are reprinted and a copy is given to every girl. Activities are carefully checked by means of both an activity book and a chart showing the relative standing of each girl.

V. *Entertainment*: 1933-34: Rushing parties; two pledge presentations; two faculty luncheons; Christmas kid party; scholarship dance; two initiation dances; a tea for the housemother; Panhellenic exchange luncheon; fathers' and mothers' dinner; spring formal. Dinners for National and Province Officers; alumnae reunion dinner, dinner for Delta Upsilon fraternity. 1934-35: Rushing parties; scholarship dance; two initiation dances; five-way Christmas formal; two faculty luncheons; a tea for the housemother; three teas for friends of the chapter; spring formal; senior breakfast; two dinners with California Γ; Panhellenic formal; junior-senior house party. 1935-36: Rushing parties; scholarship dance; two initiation dances; five-way Christmas formal; two faculty luncheons; a tea for the housemother; three teas for friends of the chapter; fall and spring formals; senior breakfast; two dinners with California Γ; Panhellenic formal; junior-senior houseparty.

VI. *Chapter House*: The chapter owns its own house which is valued at \$40,000. The living room has been refurnished completely. New rugs have been placed on the dining room and living room floors, also in the front and back stairways and the upstairs hall. The transient room has been completely refurnished, including new draperies and rug. All bedroom furniture was completely repainted by actives during the summer of 1935. There were two new porch swings donated for the patio. There is also a new three piece reed porch set in the patio. One of the chairs and the couch in the library have been recovered.

VII. *Maintenance of Alumnae Interest*: The first Monday night in every month is designated alumnae night. We are fortunate in possessing the active interest of a great number of the alumnae who take advantage of this opportunity to make the acquaintance of the new members of the chapter and to renew old friendships. Alumnae are always welcome at our meetings, cooky-shines, and social affairs. There have been many unaffiliated transfers on the campus in the last three years. They have been welcomed upon every social occasion and at the daily luncheon at our house. Transfers are invited to lunch regularly on our guest day. All transfers on campus have been contacted and invited to the house. We have two unaffiliated transfers living in the chapter house. We have no affiliated transfers.

III. *Scholarship*: A charge of \$1 is made for ordinary delinquent notices; a charge of \$2.50 is made for delinquents caused by cuts. Besides this, girls who have received delinquent notices must attend a study table in the house or at the library three nights out of every week. Unless the grade is raised, the girl loses social privileges. A grade book is kept in which every girl writes her grades each week so that the scholarship chairman may check them. A tutor system is also maintained so that any girl

may call on any other girl for help in the subject which the latter girl has volunteered to tutor. Any girl who makes above a 2 average is allowed to sign the scholarship book at the Founders' Day banquet. The girl who makes the best average for the complete year receives a scholarship ring; the pledge making the best average is given a framed Symphony. Any girl who fails to make at least a 2.5 average goes on probation by losing her vote. Scholarship rating has been for the year 1934-35: December, 1934, first of six; May, 1935, second; December, 1935, second; and May, 1936, third.

IV. *Chapter Work*: Pledges and actives meet together at least once a month for a supper meeting. Sponsor-ship dinners are held at various restaurants from time to time. A merit system is kept by the pledge supervisor. At the end of semester the pledge who has earned the most merits through work in the house is given the jewels for her pin. The personnel of the Executive Council are: one representative from each class, the president, the vice-president, the treasurer, the pledge supervisor and the scholarship chairman. The house as a whole has been unable to contribute to local charities, although the girls have taken an active part in the Red Cross Drive and in selling poppies for the American Legion. We gave a fashion show for the benefit of the Settlement School, and we have been taking up a collection at every meeting for the same purpose. Other indications of internal development are the appointment of a sort of house manager to bring attention to the problems of the house girls before the Executive Council, and the promotion of fraternity dinners twice monthly to give the girls experience in acting as hostesses and in planning and preparing dinners. We feel that this experience will be valuable to us during rushing.

V. *Entertainment*: The outstanding social events were the two Tin Can dances and the two formal spring dinners. Besides these there were three informal dances, two pledge dances, two Christmas parties, three showers for engaged girls, three open houses, four cooky-shines, and a slumber party. Fraternity dinners were given twice a month and exchange dinners at odd intervals. The mothers were entertained at tea, and since then have been holding their own luncheon meetings every month. Twice new pledges were entertained at large formal presentation teas, and after their initiation they were honored by initiation banquets. There have been two luncheons for alumnae and members of the active chapter on Homecoming Days. The campus has been entertained in the house at four open houses, one of them immediately following the presentation tea. Probably the greatest social event of the year for the fraternity is the Founders' Day banquet. During the past two years this banquet has been particularly well attended by the out-of-town alumnae. During the past two years we have entertained at about nine organized rushing parties.

VI. *Chapter House*: The house is owned by the alumnae club and is rented by the active chapter; its value is \$30,000. Additions to the house are a new radio, several new lamps, some new silver, and more shrubbery for the yard.

VII. *Maintenance of Alumnae Interest*: The maintenance of alumnae interest is not a problem in our chapter. The alumnae are very much interested in the active chapter, and they visit active meetings very frequently. The alumnae take complete charge of initiation banquets, Homecoming luncheons, Founders' Day banquets, and last semester they cooperated splendidly with the active girls in presenting a fashion show for the benefit of the Settlement School. The interest of the alumnae is furthered by the interested part the Advisory Board takes in the chapter's policies and activities. There have been no affiliated nor unaffiliated transfers to this campus during the last three years.

III. *Scholarship:* A scholarship committee appointed by the Executive Council, with a senior member as chairman, supervises the chapter's scholarship activities. If a girl falls below the average maintained by the fraternity, she is compelled to attend study table for a designated number of hours a week. The girls who are below a "B" average but still above the probation average, are also compelled to attend study table for at least five hours a week. The girls are put on their honor as to their attendance to the study table. Cards are passed out for the recording of the hours spent in studying at the table. Probation rules are strictly enforced for the girls falling below the average upheld by the fraternity. The half of the chapter with the highest average for the preceding quarter is entertained at dinner, by the other half with the lower average. The ruby and pearl arrow, to be worn until the next honor dinner, is presented to the active with the highest average for the past quarter. Each year a recognition pin is presented to the initiate who maintains the best average the quarter preceding initiation. The average demanded by the chapter for initiation and at all times after is a 1.5 (C-B), and for pledging a 1. (C) average. The rank of the chapter among socially competing fraternities for women, for the year 1934-35, fifth; 1936, ranking not released, yet, but will probably be first.

IV. *Chapter Work:* The pledges have their own organization with executive officers and committees. The use of the pledge ritual has been most successful in developing in the pledge group a definite fraternal feeling. They hold their weekly meetings during active meeting. The pledge supervisor is elected by vote of the active chapter, on the basis of her general understanding of the problems of pledgehood, tact and insight. She brings suggestions to active meeting from the pledges including their complaints and problems; and also, carries messages from the active chapter to the pledges. The supervisor also conducts a systematic plan of study for the fraternity examination. In answering roll call, cuts in classes are reported in both active and pledge meetings. Black marks are given to pledges who do not do the work assigned to them, or those who do not conduct themselves in accordance with fraternity standards. If the conduct is good for a month, the black mark is automatically cancelled.

The Executive Council consists of the president, the treasurer, and a member of the sophomore, junior, and senior classes. It meets weekly with three members of the advisory board. The proceeds from the bridge tea and fashion show of last year and the alumnae and active formal dance of this year and the pledge's earnings are placed in a general chapter fund from which the chapter makes its annual Settlement School, Loan Fund and Pi Beta Phi Endowment Fund contributions. Utah Alpha contributes 100 per cent to the community chest each year. The chapter entertains underprivileged children at a Christmas party each year.

V. *Entertainment:* 1934-35: Bridge tea and fashion show, "Devils Hop" an informal dance, Christmas children's party, Christmas formal, Spring formal, Pledge informal dance, Mothers' Day tea, Fathers' breakfast, faculty tea, tea honoring the founding of Gamma Phi, cooky-shine honoring Mrs. Alford, Founders' Day banquet, Senior farewell banquet, tea introducing new housemother, summer formal, 1935-36: "Devils Hop" informal dance, cooky-shine for visiting girls from Colorado A. Christmas children's party, Christmas formal, pledge informal dance, Mothers' Day tea, breakfast for the fathers, faculty tea, honoring the founding of Gamma Phi, Founders' Day banquet, initiation banquet, senior farewell banquet, and swimming party.

VI. *Chapter House:* Chapter house is owned by the Pi Beta Phi Holding Corporation and is valued at \$10,000. We have had the hall recarpeted and also the stairs. We have a few new pieces of furniture in the living room and the smoking room furniture has been re-covered and painted. We also have a new mirror, fire screen in the living room.

VII. *Maintenance of Alumnae Interest:* The alumnae have an open invitation to meetings and once a month an alumnae representative attends an active meeting to offer suggestions for chapter improvements. A bond of interest between actives and alumnae is maintained by the Pi Beta Phi Holding Corporation in which name the chapter house is owned. Each year the alumnae and the active chapter give a party together. The alumnae are invited to attend all social functions. We have had one unaffiliated transfer. We contacted her and invited her to attend all social functions and also gave her the privileges of the use of the house. We have had one affiliated transfer.

III. *Scholarship:* Supervised study table is held for pledges Monday, Tuesday Wednesday, Thursday and Friday at the University Library for two consecutive hours in the afternoon and at the house from 7:30-10:00 P.M. except Friday; an additional two hours for actives and pledges on Saturday mornings. Each active must study two hours daily in the University Library. Weekly reports of study hours are made in meeting along with the number of cuts. Weekly grades are recorded on cards. If a pledge has at the mid-semester an average of 2.0 she may have one ten o'clock night a week. A fine of \$2.50 is imposed for each unit of five. The scholarship committee and the sponsors stress efficient study. Sunday night study table is held for all those on the delinquent list. Pledges must make 3.00 average for initiation. The rank of the chapter among the 8 socially competing fraternities for women for the year 1934-35 was first first semester, first second semester, 1935-36 was fourth first semester.

IV. *Chapter Work:* The pledge captain supervises the pledge chapter according to the manual, the pledge officers take charge. The programs consist of a thorough study of Pi Beta Phi history, discussions taken from *Baird's Manual* on other social fraternities on this campus, and also a survey of national and local Panhellenic questions. Each pledge has a sponsor who aids her in getting adjusted and then progressing in college life. Second semester pledges are given special attention with every possible aid. Weekly skits are given on meeting nights by the pledge group. The Personnel of Executive Council is composed of the president, the treasurer and house manager, a senior member, a junior member, and a sophomore member, one of whom is the pledge captain. Teas for the display of the Settlement School work and contributions have been given each year; \$5.00 in 1934-35, \$5.00 in 1935-36, \$5.00 in 1934-35 and \$5.00 in 1935-36 was sent to the Loan Fund.

V. *Entertainment:* 1934-35. Tea dance for pledges, pledge dance for the actives, Devil Dance, spring formal dinner dance, Exchange dinners with fraternities, faculty members for informal dinners, 1935-36 tea for Mrs. Alford, Spider Dance given by the pledges, Cords and Cotton dance, High School Breakfast, Tea Dance for pledges, spring formal dinner dance, exchange dinners and coffees with other fraternities, faculty members and parents at informal dinners.

VI. *Chapter House.* The chapter house, lot and furnishings are owned by the Arizona A Pi Beta Phi Building Association, the value is \$35,000. Additions to furnishings consist of new refrigerator, automatic hot water heater, library redecorated, new gas stove.

VII. *Maintenance of Alumnae Interest.* This seems to be most successful through cooky-shines, Founders' Day banquets and initiation banquets. The use of the chapter house for alumnae meetings and social functions aid in forwarding the spirit of cooperation. Alumnae members are invited to meetings, informal dinners, and many of the social events given by the active chapter. This year an Alum-Active tea was given just for the purpose of getting acquainted. There have been 6 unaffiliated transfers on campus in the last three years. The chapter has made every effort to make them feel welcome. Number of affiliated transfers in this period is 3.

ALUMNAE CLUB LETTERS

Edited by LOTTA JOHNSON WEIR

Lafayette Club asks for suggestions of specific phases of alumnae club problems that might be used as subjects of club letters.

The Honolulu Club is always glad to welcome visiting Pi Phi's.

Corpus Christi Club writes: "In order to help contact new Pi Phi's who might come to town, we wear our arrows always."

ALPHA PROVINCE

BOSTON CLUB

In addition to holding four regular club meetings and monthly suburban group meetings we were fortunate enough to entertain Miss Onken, Mrs. Webster, and Mrs. Scott. The meetings took the form of luncheons at the Boston University Women's Council House, followed by programs of unusual interest. An informal discussion on International Relations by Malcolm Knowles and Fredelle Keyes, who is the daughter of a Pi Phi and a student at the Fletcher School of Diplomacy, proved most stimulating. The feature of the Settlement School meeting was a speaker on Mountain Melodies. Most appropriately the spring meeting was devoted to a lecture on fashion and color. Founders' Day was celebrated by a luncheon with the active chapter.

This year we have had 44 paid members and an average attendance of 43. Our contribution to the Settlement School was \$53 and we gave \$26 to the active chapter, and \$5 to the Endowment Fund.

Two new suburban groups have been launched during the year, one composed of residents of Belmont and Arlington, and the other a metropolitan group of the younger alumnae. The latter group plan to meet the second Monday of each month for a social evening.

Other activities included a banquet in honor of Miss Onken which was attended by more than 100 alumnae and actives, a very successful bridge party, and attendance at Initiation Banquet.

VIRGINIA CROOKER

BUFFALO CLUB

The Buffalo Club has held eight regular meetings this year, the majority being luncheons. There are twenty-seven members and an average attendance of twenty-one.

Late in October an exhibit and sale of Settlement School products was held at the Park Lane. It is hoped to establish a precedent with this exhibit so the people in Buffalo will look forward to it each year. We have sold more than \$550 worth of School products during the past year. Slides from Little Pigeon were shown at the October meeting, followed by a description of the Club by one of our members who recently visited there.

December was a delightful month of parties for the club including a bridge dinner for husbands and friends, a tea for Pi Phi mothers, pledges, actives, and a few rushees.

Mrs. Scott, our Province Vice-President, visited the club in February. Ruth Miller was sent as a delegate to the Alpha Province Conference held in Toronto in April. About half of the club journeyed to Hamilton, Ontario, to a high tea, at which both Ontario A and B chapters were present as well as the Toronto Alumnae Club and other club representatives. Founders' Day was celebrated with a cooky-shine.

Helen Leonard, president of the club, was sent as a delegate to Convention.

ERMA R. LEWIS

HARTFORD CLUB

Founders' Day was celebrated in the Hartford Club with a tea and formal banquet to which near-by clubs and chapters were invited. At the tea seventy-five enjoyed the apple blossoms in Mabel Scott Brown's garden

and discussed the recommendations of the Toronto conference. Twenty chapters responded to the roll call at the banquet held at the Town and County Club. Mrs. Brown officiated as toastmistress. After the president, Mrs. Roy Eblen, greeted the guests, the following toasts were given: Daisies in Alfalfa—Elizabeth Motycka; Green Pastures for the Goat—Actives; Mountain Laurels—Charlotte Cropley Brown; Bachelor's Buttons and Orange Blossoms—Dorothy Wulp; Rosebuds—Elizabeth Moyle; Wine Carnations—E. Louise Richardson; Pot-Pourri—Emily Lou Lindsley. The loving cup ceremony ended the banquet.

Our last meeting was a picnic to which the husbands were invited. This was so successful that it will probably be an annual event hereafter. We decided to contribute at least twenty dollars to the expenses of our delegate to Convention, Mrs. Roy Eblen.

The club has no budget but we have sent \$52 to the Endowment Fund, over \$100 to the Settlement School, and \$5 to the Fellowship Fund. We have a paid membership of twenty-one, and the average attendance at meetings this year has been twenty. The money was secured through voluntary contributions, sale of Arrow Craft, and a lecture on Hawaii with colored movies given by Mrs. Brown.

Mrs. Lindsley announced at the banquet that a book of her poetry for children has been accepted for publication and that some of the profit would go to the Settlement School.

Our program for next year will include ten regular meetings, some of which will be supper meetings and others luncheon gatherings in order to accommodate as many as possible. The Settlement School box will be packed again as that is one of the most enjoyable and informal meetings of the year. We are glad that our president will go to Convention and we anticipate the ideas and inspiration that she will bring to the meetings.

ERMINIE L. POLLARD

NEW HAVEN CLUB

The New Haven Club members, who number eleven, are grateful for their privilege of forming a link, however small, in the great chain of fraternity friendships.

Our small number, and the pressing demands on the time and interests of each one prevented any organized drives for money, so our contributions have come from individual channels. Ten dollars was sent to the Settlement School, five dollars to the Endowment Fund, and five dollars to the Undergraduate Loan Fund.

Our fall meeting was devoted chiefly to the Settlement School, but another feature of the evening was a talk by one of our members on the problems of the personnel worker, with illustrations of her own experiences in connection with one of our large business concerns.

The winter meeting was devoted to a study of the constitution and allied topics, and the spring gathering, to business matters of the club.

Since no member could attend the Alpha Province Conference at Toronto, we were glad to hear the discussions of it at the Alpha Province tea at Hartford in May. Thoroughly enjoyable and inspirational was the banquet planned in the evening in commemoration of Founders' Day.

MARY L. TOLMAN

NEW YORK CLUB

The New York Alumnae Club has just closed a very successful year in which the emphasis in meetings has been placed on informality and good fellowship. There were two cooky-shines and two informal teas in the homes of members among the eight meetings held during the past season.

There has been a continued upward trend in membership which this year was seventy. This number includes forty who were also members in 1934-35 and thirty who have recently come to New York. Fifty members of the Fraternity not previously reached by the club have been communicated with during the year either by telephone or letter by the membership committee.

The club has had excellent success with sales of Settlement School handicraft. As a result of four sales, a total of \$382.76 was realized. In addition to our profits from the sale of Settlement School products, the contributions from club members have netted \$213.07.

The magazine agent has received \$213.00 in total year's business with over half of this new orders.

There have been eight regular meetings of the club during the year, and in addition the "Debs," the special group of young members out of college three years or less, sponsored a dance in May to help raise money for the delegate from the club to Convention. One of the outstanding events was a banquet given at Beekman Tower in honor of our Founders on the evening of April 28. At this time we were privileged to have as our honor guests Lowell Thomas and his wife, a Pi Phi from Colorado. Another delightful occasion was the February meeting at the Evangeline House, a noted residence and clubhouse for young girls which was built and sponsored by the Salvation Army. The directors are Mrs. Harold Smith, Massachusetts A, and her husband. She entertained us that afternoon with a most vital and interesting talk of various aspects of her work as director. This was followed by tea and a tour of the building, which has many unusual features.

Two enjoyable cooky-shines were held during the year at each of which members had an opportunity to chat with their friends, and business was kept at a minimum. The first was held at the home of our president, Helen McKendrew, and Mary DeGarmo Bryan opened her home to the club for the second.

The December tea which was our annual Panhellenic affair attracted a large number of Pi Phi new in the city, many of them here for study at various universities.

At the January meeting devoted to the constitution, there was a full discussion of the matter of alumnae reorganization, and various suggestions were made.

Marjorie Haynes, representative in the New York City Panhellenic, has again served ably and kept the club in touch with their interesting programs. The climax of the year was their Panhellenic Ball in February. Pi Beta Phi was well represented with twelve patronesses. At their philanthropic meeting in January, Annette Burkelman spoke for Pi Phi, and illustrated her talk with a display of Settlement School handicraft. Our project seems to have been the model for subsequent mountain schools which other groups have started. There were some interesting exhibits which the Panhellenic sponsored during the year, such as the Aylwards' showing of marine and French scenes in crayon. Also, a hobby show in which our own Sophie Woodman exhibited her beautiful photographs of Yellowstone. The club has established a Scholarship Fund of \$500 which will be awarded for post-graduate study during 1937 to a member of a National Panhellenic fraternity.

The Long Island group of the New York Alumnae Club held four meetings during the year. These included a sale of Settlement School products in December at the home of Lillian McElvare of Port Washington. In May they gave a desert-bridge-knit at the home of Mrs. Van Nostrand of Floral Park for the benefit of the fund to pay expenses of our club delegate to Convention.

Frances Briggs is going to represent the club this year at Convention. Helen McKendrew, our president, and Sophie Woodman, our representative on the Panhellenic House Association went to the Alpha Province conference held in Toronto in April.

The president, other officers, and committees for the new season wish to take this opportunity to urge all visiting Pi Phi's to attend meetings during their residence in the metropolitan area.

RUTH HANCORNE NEWLAND

PORTLAND CLUB

The Portland, Maine, Alumnae Club was rechartered this Spring after several years of inactivity. Of the former little group only three members were left, but there were nine new Pi Phi residents. Beginning with a mild pro-

gram in view, we soon found that a more vigorous one was needed if we were to help Maine A. Now we have meetings the first Tuesday night of every month, and usually have some "off the record" ones.

Our first real meeting was in January; Mildred Norwood, Ontario A, was our hostess. Eight of us had a delicious supper and then talked business. Before that, since our small number was hard to find all in local residence at once, we had considered organization impossible. However, we had a Thanksgiving party for actives and transfers with Phyllis Johnson, Maine A, as our hostess. Ruth Barrett Smith stopped on her way to the University of Maine to have luncheon with us. We feel most grateful to Mrs. Smith for the stimulus and encouragement of her visit. At Christmas, Hazel Sawyer, Maine A, was hostess at tea.

Following the January meeting at which we organized, Helene Daniels, Maine A, was hostess in February for a formal business meeting, and in March hostess at a tea for alumnae, undergraduates, and prospective undergraduates. In April we celebrated Founders' Day with a dinner followed by a program based on fraternity history. In May we had several business meetings. Early in June at Miss Sawyer's home we were treated to an exhibition of exquisite Chinese costumes and objects. About that time we began working on the detail of the State Convention. That same month we had a luncheon in Bath, and with the Pi Phi's there went on planning for a convention.

In July there was a beach picnic for rushing, and another to welcome Freida Prouty and Lucille Daggett. July 26, all the Pi Phi's in Portland and Miss Vida Peene, the representative from the National Fraternity, went to Belgrade Lakes to our first state convention. This month, August, we are having two rushing parties.

The program for the next year reads: September, devoted to nearest chapter; October, Settlement School exhibit and bridge; November, book and guest night; December, cooky-shine; January, rushing party; for next year's freshmen; February, study of the constitution; March, open; April, rushing party; May, Founders' Day celebration and discussion of the history; June, open; July and August, rushing parties.

Our emphasis this year is upon Maine A and rushing, but we hope to make a beginning at wider co-operation.

HELENE DANIELS

SYRACUSE CLUB

Looking back over the year that is just behind us, we note several outstanding facts: though we have had a membership of but 54, we have raised a budget of \$621, of which \$285 has been placed in our house fund.

First of our money-making projects was our yearly rummage sale under Elizabeth Jordan's direction; with the help of her committee, we cleared \$161.

Second, Katherine Wille Grant headed a committee which sold books of chances on trips to Bermuda clearing \$285. The thanks of our whole club goes to these two sisters, for our entire budget was raised by means of these two projects.

We have given \$100 to the Settlement School, \$10 to the endowment fund, \$10 to the loan fund, and we have had a successful winter with the Settlement School products, selling \$124 worth of them, with a new order to be sent in. We have bought new dishes for the chapter house.

Founders' Day was celebrated with our actives and the Cornell actives and one of their alumnae as guests.

We have finished the year with \$37 in our treasury, one-half of which, according to our custom, we have placed in our sinking or house fund.

By the time this is printed, Syracuse Alumnae Club will be deep in plans for next winter, again under the able leadership of Ellen Beall.

CHARLOTTE N. CHAFFEE

TORONTO CLUB

On the whole, the year 1935-36 has been a most satisfactory one for the Toronto Alumnae Club. We have a paid-up membership of seventy, the largest to date, and the meetings have averaged an attendance of fifty-one. We attribute this increase in numbers and dues to the interest in the group system which was inaugurated this year and which will be continued by next year's executive. The list of Pi Phi alumnae living in Toronto was divided into seven chronological groups and each meeting was in complete charge of one of these groups. The eighth, which was the annual meeting, was taken over by the executive. Our meetings were held usually on the first Tuesday evening of each month.

At our first gathering in the fall, we had a most interesting and vivid description of life in Labrador by Miss Laura Bailey who has done a very notable work there.

As a result of her talk, several Pi Phis collected clothing and food, and a very generous bale was sent to these isolated people.

The second meeting was a bridge party which was well attended and very much enjoyed.

We had the pleasure of welcoming Miss Marion Ferguson, Dean of Women, and all national officers residing in Toronto, as well as the presidents of the various alumnae clubs here and our own active girls to our birthday celebration. At this time Dorothy Brandon gave a fascinating talk on her trip around the world in a ninety-two foot schooner. Her adventures were further described and illustrated with slides at a later meeting.

As in the past two years, with the actives, we again contributed thirty-five Christmas stockings to the children of the out-patients at the Toronto General Hospital. Through the chairman of Altruistic Work, Maude Jenkins, our fraternity has endeavored this year to have all fraternities in Toronto support a local philanthropy. This idea has already been proposed to them but more time is necessary before such a large step forward is to be actually taken.

Under the stimulating enthusiasm of our Province Vice-President, Mary Herdman Scott, on April 16-18 our alumnae club was hostess to a Province Conference at which alumnae reorganization and the Settlement School were discussed. We were delighted to meet so many interesting delegates. These conferences are of great value in broadening one's point of view and reviving interest in the Fraternity. It ended with a most successful high tea to celebrate Founders' Day at the Ancaster Golf and Country Club, the arrangements being undertaken by the Hamilton Pi Phis. Nearly 150 were present from a number of American chapters and many parts of Ontario. It was a very enthusiastic and happy gathering.

It has been a pleasure to have so many Pi Phis from other chapters at our meetings this year. Our final social gathering is to be a luncheon for the seniors in June, the day after their graduation.

VIDA H. PEENE

WESTCHESTER CLUB

Mrs. Phillips B. Nichols entertained the Westchester Alumnae Club at her home in White Plains on May 18. The occasion was the final business meeting of the year. Mrs. James L. Fri (Florence Parks), our new president, presided. Mrs. George B. Sprick (Margaret Morton) gave an interesting report of the Toronto Conference, to which she was our delegate. Mrs. Randolph H. Guthrie (Mable Welton) was elected a delegate to the Chicago Convention. Mrs. Fri outlined a tentative program for the coming year. After the business meeting, tea was served.

Mrs. Francis B. Sisson, one of our past Grand Presidents, again opened her beautiful home in Yonkers for a benefit bridge in behalf of the Settlement School. Mrs. Walter Free (Adele Mallon) and her committee made this party a big success. Mrs. Edwin B. Shumate (Elizabeth Chapin) had an attractive display of Settlement School products for sale at the party. Mrs. S. Murray Jones (Norma Hopson) is to be in charge of the sale of these items next year.

The New York Alumnae Club gave us a cordial invitation to join with them at their Founders' Day banquet which was held in Beekman Tower, New York City. We were privileged to hear an interesting address by Mr. Lowell Thomas, prominent radio commentator, whose wife is a Pi Phi.

Our bridge group met this month at the home of Mrs. Lewis Ray Love, Pelham Manor. These meetings have been well attended and are to continue, once a month, throughout the summer. Mrs. Free, chairman for the last year, tendered her resignation. The new chairman is to be Mrs. John West (Judith Rhoads). The next meeting will be held on June 8 at the home of Mrs. S. Murray Jones.

Our membership committee, headed by Mrs. James S. Bigsby (Betty Shannon), will start another membership campaign in the fall. We expect a large increase in our membership at that time.

AKRON CLUB

The Akron Alumnae Club has just completed a successful year. Out of 45 listed alumnae we had 33 paid members. Seven meetings were held during the year and a picnic for the husbands was given in October.

The year began with a luncheon meeting at the Portage Country Club. The November meeting was a dinner at the Woman's City Club in honor of Mrs. H. C. Johnson, Province Vice-President, who gave a very interesting talk. The meetings in January and February were regular business meetings. In March, however, we had a very interesting program given by Mrs. Howard Ellis, an outside speaker, who talked on "Modern Women Poets." Founders' Day was celebrated by a cooky-shine at the home of Mrs. Johnson in Barberton. Our final meeting was held in May, at which time the officers for the following year were installed.

Under the very able chairmanship of Mrs. Ray Crisp and the enthusiastic support of the whole club, we were able to raise \$150 to send to the Settlement School. Our rummage sale in November was our most profitable money-raising project.

By individual contributions Mrs. U. M. McCaughey, chairman of the Endowment Fund Committee, sent in \$55. A sale of Arrow-Craft was held in December.

Plans for the summer, which include a picnic in honor of the retiring executive board, a rushing tea, and several individual benefit bridges, will keep us busy until our first meeting of the fiscal year in September.

LOUISE SHOOP KIRCHNER

CLEVELAND CLUB

The Cleveland Alumnae Club has enjoyed an interesting and profitable year. A total of \$932 was sent to the Settlement School to which the rummage sale was the largest single contributing factor. However, two of the very profitable money-making projects this year were the sponsoring of an exhibition of Towle silver and the sale of Remenyi Lecture Course tickets sponsored by the local Y.W.C.A.

The contribution to the Undergraduate Loan Fund was \$10.

To celebrate Founders' Day a banquet was held at the Cleveland College Club on the evening of April 28. After several delightful musical numbers the evening's program featured a clever skit originated and produced by

twelve of the younger members of the club who represented our twelve Founders.

Frances Carpenter Curtis retired as treasurer of the club this year. In honoring her long and tireless service she was sent a letter of appreciation, a flowering plant, and a life membership in the Cleveland Club.

Mrs. Kewley's annual bridge luncheon took place this year on May 22. This is one of the outstanding events of the year.

The club season ended with a luncheon on June 6 at the home of Mrs. R. T. Kelsey. Our president, Mrs. Kingsley gave a report of her trip to Toronto and the results of the Alpha Province Conference held there.

There was also a discussion of plans for Convention.

DOROTHY P. TOWNSEND

MORGANTOWN CLUB

In addition to holding regular meetings, members of the Morgantown Alumnae Club, through individual members and the advisory board, have assisted the chapter in many ways during the year.

Programs have been varied, with about twenty Morgantown and Fairmont alumnae participating. The opening function was a dinner party at the country club in September with Eleanor Stone, president of the Alumnae Club, and Mrs. Arthur V. G. Upton (Elizabeth Glenn), member of the advisory board, in charge. At this time Mary Jane Baker, chapter president, explained rushing rules to the group.

Mrs. Perley Isaac Reed (Elizabeth Frost) spoke on "Current Fiction" at the October meeting held in the home of Eleanor Stone, with Mrs. Ward D. Stone (Dorothy Brand) and Mrs. Nelson Swink (Kathleen Wilson) as assisting hostesses.

When Mrs. Adèle Taylor Alford, ARROW editor, made her official visit to the chapter in November, the club held a dinner in her honor at the country club. Mrs. Charles Ambler (Helen Carle), president of the advisory board, was chairman. Mrs. Charles Hodges (Florence Conant) sang several selections.

Dorothy Stone was in charge of arrangements for the meeting, whose theme was "Music Hath Charms," held in January at the home of Helen Ambler, with Helen, Elizabeth Upton, Stella Gregg, and Frances Hutchinson as hostesses. At this time Miss Susan Maxwell Moore told the members about the musical events she attended during her trip to New York at Christmas time.

"Graegstan," the home of Elizabeth Reed in Hopecrest was the scene of the February meeting which dealt with the study of the fraternity constitution. Anna Traubert and Mrs. Charles Wade (Bessie Beatty) were assisting hostesses.

Morgantown members journeyed to Fairmont in March to be the guests of the Fairmont members in the home of Mrs. Wayne Shuttlesworth (Varina Wilson). Hostesses included, Varina, Mrs. L. L. Bailey, and Edith Humphrey. An interesting and helpful talk on "Posture" was presented by the head of the physical education department at the Fairmont State Teachers' College.

Alumnæ entertained the actives at the Founders' Day cooky-shine in April.

The advisory board composed of Helen Ambler, Anna Traubert, Elizabeth Reed, Elizabeth Upton, and Eleanor Stone held monthly meetings with the executive council and Mrs. McCulloch and entertained with a dinner at the Hotel Morgan for Mrs. Ray H. Finger, province president, who visited the chapter during the year.

In the fall Mrs. Benjamin Reeder (Angie Friend) was in charge of arrangements for silhouette cutting which was done at the house by a visiting member of the Fraternity.

Before school closed the alumnæ entertained twelve seniors at a tea in Elizabeth Reed's home.

ANGIE FRIEND REEDER

NORTHERN NEW JERSEY CLUB

In February Betty Bethell was hostess at her home in Montclair. Madame Barnovv of New York gave reviews of popular Broadway plays.

On March 18 we had an afternoon of bridge at Betty Carson's home in Westfield.

Instead of one regular meeting in April, we gave a benefit bridge for the Settlement School at the Maplewood Women's Club. Sixty-eight tables were in play. There was an exhibit and sale of Settlement School products. Vella Jacobs was in charge of the party.

We celebrated Founders' Day with a dinner at the William Pitt Tavern in Chatham on April 18. "The Wishing Well," a short play by Edna Bossler Neely, Illinois E, was presented by members of the club. Gladys Mathew, opera star from Colorado A, entertained us with her beautiful voice. Elizabeth Pyle was in charge of arrangements for the dinner.

WASHINGTON CLUB

Many new friends have been welcomed this year to the meetings of the Washington Alumnæ Club which has enjoyed a membership of over one hundred active members.

The October meeting, always a popular and enjoyable one as a social get-together after summer vacation, was preceded by a supper at the home of Mrs. Arthur E. Nesbitt.

In November we had a real treat in the visit and talk of Adèle Taylor Alford, who spoke about the Settlement School.

A Christmas tree and presents for the chapter rooms were a happy feature of the party given in December for the actives of D.C. A.

Dr. Lowell Ragatz of George Washington University gave a most able and interesting discourse on "The Ten Most Important Events of the Year from a Historian's Point of View" at the January dinner.

The Panhellenic luncheon in February took the place of our regular monthly meeting.

In March, two of our interesting Pi Phis, Lorene Nelson, a teacher in the Indian village of Alaska, and Mary

The annual meeting with election and installation of officers was held May 18 at the home of Hester Dodson in Madison.

CHARLOTTE M. JORDAN

OHIO VALLEY CLUB

The club held annual elections in April, and at the May meeting installed the officers for the year of 1936-37.

Also at the May meeting, the club celebrated Founders' Day with a very enjoyable luncheon at the Scottish Rite Cathedral.

On June 11, a picnic for the alumnæ, the actives, and their husbands or friends, was held at Wheeling Park. It was enjoyed so much that every one agreed that another picnic should be held later in the summer.

Plans are now under way for the annual rushing party to be held at Monument Place in the first week of September. Mrs. J. R. Cook as social chairman has charge of this party.

The club was happy to receive Mrs. Wm. Ertel of Illinois B-D as a new member.

MRS. R. C. GRIFFITH

SOUTH HILLS CLUB

The South Hills Alumnæ Club of Pittsburgh has met regularly on the third Tuesday evening of each month in the homes of members. It has been a happy and a successful year and our increase in membership has been gratifying.

In January, at our meeting devoted to Settlement School, compresses were made and sent to the school.

Mrs. H. C. Johnson, Province Vice-President, met with us in February to review the Constitution. Her recent news of the Settlement School was most enlightening. Her visits with us are always helpful as well as enjoyable.

It was most interesting to see scrap books which were compiled by members for the Children's Hospital and their delivery to the hospital assured happy times for many a tiny shut-in.

April found us re-living our own college days at the traditional cooky-shine held this year at the home of Mrs. Herbert Kimball.

Our last meeting was an evening bridge at the home of Mrs. T. M. Cox.

MARY B. MONTGOMERY

GAMMA PROVINCE

Badger Wilson, novelist, gave enjoyable talks. Ruth McGowan introduced them in her usual clever way. Officers were elected.

One hundred Pi Phis gathered on the night of April 28 at a dinner in honor of our Founders. Historical tableaux of important events in Pi Beta Phi were arranged by Mrs. Thomas Magruder. Attics for miles around were searched to obtain the dresses of yesteryear.

The May supper meeting and installation of officers was held at the home of Mrs. Wilson Compton.

Afternoon bridge parties and teas have become increasingly popular judging from the attendance at the seven parties held this year. These are a comparatively new addition to the evening meetings and were in charge of the vice-president.

This year has been a financial success as well as a social one for the club has contributed \$10 to the Student Loan Fund, \$25 to the Endowment Fund, \$275 to the Settlement School, and presented D.C. A with \$50. Over \$150 was raised at a benefit card party and fashion show given this spring. The club has voted to pay the expenses of a delegate to future Conventions. Nell Anderson Spruce will be our representative in Chicago.

BERYLE EDMISTON PLEDGER

DELTA PROVINCE

DETROIT CLUB

The Detroit Club has had an enjoyable year. On the business side we are proud to have seventy-two active members. We have been able to send \$200 to the Settlement School, \$25 to the Endowment Fund and \$10 to the Loan Fund. Our magazine subscription profits come to a goodly total.

On the social side each of our three groups has entertained at tea, one of these being our Founders' Day celebration. We have had two luncheon meetings and a dinner dance.

On the side of gainful occupation, we have had the Towle silver display, sale of Settlement School products and a subscription bridge luncheon, all of which has helped to fill our treasury.

MARY THOMPSON BAUMANN

LAFAYETTE CLUB

The last guest having departed from our annual May dinner party for the graduates of the Purdue active chapter, we alumnæ settled ourselves in a circle to review

ST. LOUIS CLUB

The St. Louis Alumnae Club held ten meetings this year ending with an outing at the country home of Mrs. Arthur Proetz, as is our custom. Our regular meetings, held every second Tuesday afternoon of each month, consisted of business meetings, suppers, and varied programs. The financial projects for the year were a series of lectures together with a silver display by which we earned

money for the Settlement School.

We hold no summer meetings but several members attended Convention. We cooperated with the active chapter at Washington University in their summer rushing parties.

Election of officers took place at the April meeting. Mrs. Lewis Thomas is our new president, and we anticipate a successful year under her direction.

CATHERINE WOOD

ZETA PROVINCE

LAKELAND CLUB

Our club has held its twelve monthly meetings the third Monday of each month for the past year with an average attendance of twelve out of eighteen members present, seven of these being out-of-town members. The meetings have been held in Lakeland except for the August meeting which was held in Bartow and the October one in Winter Haven and the May session in Haines City.

Mrs. Paige, our province vice-president paid us an inspiring visit in December. Founders' Day was celebrated with a cooky-shine at the home of Kathleen Battle with fifteen members and one guest present. Officers were elected for the coming year.

At the May meeting reports were read and the club was proud to learn that more than a hundred dollars had been earned for the Settlement School from magazine subscriptions.

A neat sum was cleared from the sale of Arrow Craft articles. Several bags and fans were donated as prizes at the Panhellenic party.

MILDRED H. CONIBEAR

MACON CLUB

A group of Macon Pi Phis gathered for an informal observance of Founders' Day at the Hotel Dempsey Coffee Shop for luncheon. Although the Atlanta Alumnae Club sent out invitations to us for their banquet on Saturday, April 25, only two were able to attend, Doris Onderdonk Jelks, New York A., and Edwina Peckham Nims, Kansas A.

Besides Mrs. Jelks and Mrs. Nims, those attending our own celebration were Martha Hardy Anderson, Virginia A., Frances Watson Mathews, New York A., and Susan Porterfield Rogers, Ohio A. One absent was Cynthia Chappell Birdsey, Louisiana A.

Although we do not have enough to form a chartered organization we are frequently associated together and hope some day to be able to have a real alumnae club.

SUSAN PORTERFIELD ROGERS

MIAMI CLUB

The Miami Club has decided to meet the first Wednesday of every month. Two members entertain together. We have a business meeting, luncheon, and bridge for those who remain.

The club entertained Panhellenic last year. We had a

Founders' Day luncheon, a benefit bridge party, and one rush party recently.

We are planning two more rush parties, a tea in July, and a dinner in August.

The club is stronger now than it has been for some time. New members are joining all the time. Everyone is cooperating until now the club is on a running basis.

We have sent in back dues, donations to the Settlement School and Endowment Fund, which is a much better showing than last year.

MRS. GEORGE B. ROMFH, JR.

ORLANDO CLUB

The Orlando Alumnae Club is still thriving. The past year has been a happy and profitable one. Under the guidance of Miss Mary Lanier, our retiring president, we have had nine cooky-shines held at different homes, the average attendance of which has increased from 18 to 25, including one joint meeting with Florida F at the chapter house, two rush teas at the chapter house, and our annual Christmas dance for the benefit of the Settlement School. This occasion was so successful that we were able to increase our donation to the Settlement School more than 50% over last year's amount. Founders' Day was celebrated by a luncheon at Perrydell in Orlando to which two nearby chapters and the De Land and Lakeland Clubs were invited.

It was a great disappointment not to have the State convention this spring as planned at the 1935 meeting, but we are looking forward to another in the near future and hoping to again have the honor of welcoming one of our national officers on that occasion.

The club has established a permanent rush chairman to organize and stimulate our efforts in that field and we are hoping to make a real contribution in this way. Also, next year we are promising ourselves the satisfaction of trying very hard to accomplish a successful sale of Arrow Craft goods.

The club directories including an advance calendar for next season will be published in the fall. We are anxious to include all Pi Phis in this district in the directory and would welcome most heartily any new names.

Our work this year has been a pleasant experience, and we are all eager for next year's program to begin with Mrs. William Ellis as leader.

And now, let us be thankful for the good work that has been done by our national officers, we feel greatly indebted to them and particularly so, at this time, to Agnes Wright Spring and the ARROW Editor for the History Number of the ARROW.

DAMARIS WILSON

ETA PROVINCE

BELOIT CLUB

The Beloit Club has held seven meetings during the past year, exclusive of the June Reunion banquet. The average attendance has been thirteen. The monthly meetings have been preceded by dinner followed by the business meeting and a social hour.

In October a dinner in honor of Miss Onken was given by the Rockford and Beloit clubs. The members of the executive council of the active chapter and the seniors were the guests of the alumnae in April, and the graduates were entertained at the June Commencement banquet. These contacts with the actives are most beneficial in establishing and maintaining satisfactory relationships between the active chapter and alumnae club.

DOROTHY JORGENSEN

DES MOINES CLUB

In June the club had a picnic luncheon at the summer cabin of Miss Grace Gabriel, thus closing a pleasant year. We have sent \$20 to the Endowment Fund and \$10 to

the Loan Fund. Our commissions from magazines subscriptions was \$22. We had two sales of Arrow Craft products this year which amounted to more than \$350.

We plan to add interest to our monthly meetings next fall by including some of our talented musicians on our programs. We plan also to have some outside speakers. There are several new Pi Phis in Des Moines and we hope they will join our club this fall.

HENRIETTA S. BROWN

CHICAGO NORTH CLUB

The Chicago North Alumnae Club has completed a successful year.

In October, a cooky-shine was held at the home of Mrs. H. E. Davis. Settlement School articles were displayed and Mrs. Leon Pescheret gave an interesting account of her travels in England.

By the sale of several gross of vanilla, Christmas wrappings, and a rummage sale, the two groups in Chicago North were able to make splendid profits.

A drive for increased membership was sponsored by

our achievements of the past year and give constructive suggestions for improvements in next year's program. Reports showed a decided gain in membership and funds for the year. Our aim in membership next year is to interest alumnae in small towns near Lafayette in coming to our meetings. As to finances we hope to eliminate local dues, and to concentrate all efforts on the November Settlement School Tea so as to reach our quota from these proceeds and have the remainder of the year free from money making worries.

Several of our local Purdue alumnae instigated a reunion during gala week of the members of Delta Rho, the local sorority which was organized twenty years ago and went Pi Phi five years later. Over twenty attended this reunion and declared themselves highly repaid for their efforts in returning.

RHEA E. WALKER

SOUTHWESTERN INDIANA CLUB

The Southwestern Indiana Alumnae Club has held monthly meetings for the past year with an average attendance of 18. The meetings were preceded by buffet suppers at the homes of the members.

At Christmas, the active Pi Phis who were home for vacation were entertained with a luncheon at the Hotel McCurdy and many out-of-town alumnae were present.

The club sponsored a rummage sale in October making \$21.

Founders' Day was celebrated with a cooky-shine.

The year's activities were closed with a meeting at the summer home of Mrs. J. C. Glackman, Rockport, Indiana, and plans for next year are already under way.

RAGENE WILLIAMS

SOUTHWESTERN MICHIGAN CLUB

The group of Pi Beta Phis, known as the Southwestern Michigan Club of Pi Beta Phi, had its first official meeting at the home of Marie Winsor Stebbins, on October 29,

1935, at Marshall, Michigan. Pi Phis from Battle Creek, Coldwater, Lansing, Homer, and Hillsdale were guests, and the Marshall members served a buffet supper. This was followed by singing of our fraternity songs and a most informative talk on the Settlement School by Miss Anna Marshall, after which a business meeting was held. A charter had been applied for, and officers elected. Tentative dues were placed at \$1.25, one dollar of which goes to the national treasury. Kalamazoo, Lansing, and Hillsdale decided not to come in at this time, since the distance between towns seemed to make it inadvisable.

In December Mrs. Stebbins had a display of "Arrow Craft" in which she was assisted by Miss Anna Marshall.

On March 25 Battle Creek members entertained at the home of Mrs. Floyd Parsons. Dinner was served followed by a business meeting and a program on the history and the constitution. Margaret Mustard read selections from the Pi Phi play. Mrs. Parsons talked on the constitution.

On April 11, Michigan A of Hillsdale entertained at a luncheon to meet Ruth Barrett Smith, National Vice-President. We enjoyed their hospitality and found Mrs. Smith charming. Her informal discussion of fraternity problems was interesting and informative.

Founders' Day was celebrated with the Hillsdale chapter, with supper at the chapter house, singing by members of the active chapter, and the ceremony of the Loving Cup.

The club was well-represented at a state meeting with Michigan B at Ann Arbor, which was a pre-convention get-together. Mrs. Philip Eskew, province vice-president, presided.

On May 26, Mary Jane Cummings entertained at the Battle Creek Country Club at tea, assisted by Mrs. Harry Becker. Mrs. Stowell Stebbins, club president, presided over the business meeting. Funds were voted for the Endowment and Loan Funds—the Settlement School money had already been sent—and for the Convention delegate's registration fee. Mrs. Stebbins was named as delegate, with Margaret Mustard as alternate.

ELSIE ZIEGLE WELCH

EPSILON PROVINCE

MEMPHIS CLUB

The Memphis Alumnae Club opened the year's activities on September 18 with a luncheon meeting. Plans for the year were discussed, hostesses for the meetings were assigned, and a year-book committee appointed. Plans for entertaining Panhellenic, later in the month, were also discussed.

Our club, together with the alumnae of Sigma Kappa, Kappa Kappa Gamma, and Alpha Xi Delta, entertained the city Panhellenic with a tea on September 28, at the Nineteenth Century Club. Preceding the tea, Rev. Edward Loring-Clark gave a most enjoyable and interesting review of "The Inquisitor" by Hugh Walpole.

The October luncheon meeting was our Settlement School day. Plans for a rummage sale to be given in the Spring were discussed. We enthusiastically adopted the suggestion of having a punch board, containing 500 chances.

The November meeting was purely a social one, our annual evening party, at which the husbands and escorts are the honored guests.

In January, we had a regular luncheon meeting. This was our day set aside for the history and constitution. Another part of the day's program was a most interesting discussion of Current Events. It dealt mostly with politics, the A.A.A. and other issues. This was quite a heated one, because so many sections of the country are represented in our club.

Our February meeting was a luncheon. This day was set aside for news of active chapters. The biggest thrill of the year occurred at this time. The remaining chances on the punch board were taken and the lucky number was disclosed. A family in West Memphis won. Bridge was enjoyed for the rest of the afternoon.

We called our March luncheon meeting Endowment Fund meeting, since there is a special drive on now to complete our \$50,000 Endowment Fund by June. The club voted to double last year's contribution and send \$10.00. Another surprise was in store for us at this meeting. Mr. Brankstone, the husband of one of our members, took some rummage to his lumber yard and has been selling it for us. We expect to realize about \$18.00 from that. Mrs. John Wellford gave a most graphic and interesting review of the new Pulitzer prize novel, "Honey in the Horn" by Davis.

Founders' Day was celebrated with a delightful fried chicken luncheon in Marion, Ark., as guests of Mrs.

Marion Koser and Mrs. Robert Brankstone. Mrs. Gerald Marshall, one of the charter members of our club, gave an interesting history of it. After the Loving Cup was passed, we sang several Pi Phi songs. Bridge was enjoyed for the remainder of the afternoon.

We closed the year's activities with a luncheon on May 20, as guests of Mrs. Sam Chapin, at her home, Judd Hill Plantation, near Truman, Ark. Our business was concluded, and newly elected officers installed. We spent the remainder of the afternoon, lounging around in the lovely yard and playing croquet.

The club had 14 paid members this year and had an average attendance of 11 or 12.

ELIZABETH MARKHAM

NASHVILLE CLUB

The Nashville Alumnae Club has enjoyed a successful year under the leadership of Mrs. Lawrence Wilkerson. The first meeting in the form of a cooky-shine was held at the home of Mrs. Lee Hunt. In November a Settlement School tea, where Arrow Craft products were sold, at the home of Mrs. Gilbert Marshall, proved to be the only money making project of the year. In December we included the husbands in a social evening of bridge at the home of our president, Mrs. Wilkerson. Again in February, the husbands were invited and a spaghetti supper contributed to the success of the occasion at the home of Mrs. Fred Colby. In March Mrs. Henry G. Hart entertained the club at her home at which time Mr. Hart, Vanderbilt University, lectured on Russia. This was graphically and interestingly illustrated by moving pictures. The October and January meetings were devoted to the study of the history and constitution, and our nearest chapter, Mrs. Fitzgerald Parker and Mrs. Davis Bryan were the hostesses for these meetings. Founders' Day was one of our most outstanding meetings. Pi Phis from nearby towns came and added greatly to the success of the evening.

We have enjoyed the friendship and association of Mrs. Orville McPherson (Grace Parker, Arizona A) this year. She is a former Mu province president—and has been a source of inspiration to all of us. We regret she will not be in Nashville next year to be with us.

In all, 1935-36 has been a year of happy associations, and is now a very pleasant memory.

ELIZABETH MARCH MARSHALL

Mrs. C. E. Grippen. All Chicago Pi Phis were contacted on the North side of the city, with the result that a new group will be organized this fall, composed of these new Pi Phis who have previously been unaffiliated in alumnae club groups in Chicago.

In March, the board members entertained Chicago North club members at a luncheon at the home of Mrs. H. E. Davis. Election of officers took place at that time. On April 17, the club sponsored a successful benefit bridge party.

The club was represented at the Eta Province Conference by Mrs. F. J. Linane and Mrs. R. E. Bard.

During the year 1935-36, Chicago North sent \$350 to the Settlement School, \$10 to the Undergraduate Loan Fund and \$10 to the Endowment Fund which represents a splendid record for 25 paid members.

LYNORE ANDRESS BARD

CARTHAGE CLUB

The Carthage Club celebrated Founders' Day with a dinner at a country home near Carthage. A social hour followed and a short business session at which officers were elected for the following year.

At the May meeting Mrs. J. W. Williams and Miriam Williams told about a delightful visit they had made at Gatlinburg and the Settlement School recently.

MIRIAM E. WILLIAMS

CHAMPAIGN-URBANA CLUB

The first meeting of the year 1935-36 was held in the chapter house in honor of Mrs. Madge Young who was moving to Laramie, Wyoming, to become chaperon of the Pi Phis at Wyoming A. Mrs. Young was presented with two lovely gifts, a diamond recognition pin and a leather travelling bag, from the alumnae and active chapters.

Miss Onken was our honored guest at our November meeting held in the home of Mrs. T. E. Lyons. Our program consisted of a description of the scenes and customs in and about Mexico City presented by Mr. Charles Kiler, Reka Kiler, and Eccellia Kiler.

Miss Onken, in her usual charming manner, gave us a very thorough description of the beginning and progress of our Settlement School.

The club decided to give a reward to those members who had paid their dues by March 15. This idea brought very good results.

In December we gave a Settlement School tea at the chapter house to which friends of alumnae members were invited. Many chose this opportunity to purchase their Christmas gifts.

Mrs. George Clark entertained the club at their January meeting. Mrs. W. G. Palmer was in charge of the musical program which consisted of two vocal solos by Mrs. Hobart, folk songs by Mrs. Clark and piano solos by Mrs. Acton.

Due to adverse weather conditions many members were absent at our February meeting which was in the home of Mrs. Frank Murphy. Mrs. Hobart entertained us with descriptions of the latest New York plays which she had just attended.

At our March meeting the seniors were entertained for dinner and were asked for reports on their campus activities. It was suggested that our incoming President be sent to the National Convention as a delegate. At this meeting the Club was proud to have forty-five paid members.

Founders' Day was celebrated with the Actives at the chapter house. The program was in charge of Mrs. Robert Cady who cleverly dated our respective classes by the chapters which were most popular at the time.

We were pleased to have Miss Inez Webster, Eta Province President at this event.

Our May meeting brought to a close a very enjoyable and prosperous year for the alumnae club of Champaign-Urbana.

ANITA B. WOOD

MILWAUKEE CLUB

The Milwaukee Alumnae Club closes another year of interesting activities with a June picnic at the country home of Mrs. Harold Koch in Pewaukee.

In May, Mrs. Norman Dengel entertained at a luncheon and garden party. At this meeting, it was the club's pleasure to have as a visitor, Mrs. Hazel Murkland, the province vice-president.

The meetings have been well attended throughout the year. There have been six luncheons and four dinners. The programs have been of interesting variety.

Regarding contributions made by the club, the October rummage sale netted \$200.00, which was sent to the

Settlement School. A gift was given to the Wisconsin A and B chapters. Five dollars was contributed to the Loan Fund. In addition to the five dollars sent by the Milwaukee Club to the Endowment Fund, members have been taking part in the special drive to raise individual donations and, up to date, there has been sent in approximately six hundred dollars. The sale of Settlement School products amounts to \$167.80 this year. There has been an increase in magazine subscription sales.

A large group from the Milwaukee Club plan to go to Chicago for Convention. The president, Mrs. C. Ray Cook, is convention delegate with Mrs. Selby Brown as alternate.

HELEN METCALF CROWELL

NORTH SHORE CLUB

Place: Evanston, Resident alumnae—287. Members of club—65. Average attendance—60.

During the summer two informal meetings were held; the first, a luncheon-bridge at the home of Mrs. E. C. Wampler in Highland Park; the second, a luncheon and swimming party at the home of Mrs. John Sharon in Glenview.

Regular meetings have been held on the third Friday of each month beginning in September. The program for the year included a review of several current books by Mrs. E. L. Middleton; a description of conditions in Germany by Mrs. Hope Graham who traveled in that country recently; a talk on the Cradle by its founder, Mrs. Walrath; and a walking rehearsal of a current play, directed by Mrs. John Monk.

In addition two bridge parties were held. At the last meeting of the year a study of the constitution was held and officers for the coming year were installed. One open meeting was held at which more than a hundred dollars worth of Settlement School products were sold. A rummage sale in the fall and a benefit bridge were the methods used for raising money for the Settlement School.

Founders' Day was celebrated by the club and the active chapter at Northwestern at the Shawnee Country Club. The program was centered on Convention with a talk by the Guide, Mrs. Homer Bang.

HELEN BOGUE DICUS

PEORIA CLUB

The activities of the Peoria Alumnae Club for the last few months of the 1935-36 season have been devoted for the most part to the raising of money to send a delegate to Convention. Food sales were held at our last two meetings and on the first of June a picnic was held with a charge of one dollar per couple. From these sources enough money was obtained so that we were able to send our new president, Mrs. Robert M. Brown, as a delegate to the Convention.

Our president for the past year, Mrs. Carl Triebel, has been an unusually capable and energetic leader and our meetings have all been interesting. At Christmas time a party was given for the active girls home for vacation, and this was deemed mutually beneficial and instructive. Our March meeting was made noteworthy by the presence of the Assistant to the Grand Vice-President, Mrs. Marianne Reid Wild, whose visit we all enjoyed.

The club was fortunate in being able to send our president as a delegate to the Province Conference held April 24 and 25 at Western Springs, Illinois. The report of this Conference was highly interesting and instructive and inspired the members with renewed interest in the coming Convention.

RUTH GILLAN GOBBLE

WEST SUBURBAN CLUB

The West Suburban Alumnae Club closed the year with a picnic May 22 at the country home of Mrs. W. E. Hockey in Downers Grove. The other eight meetings have combined business, charming programs, and bridge. In December Mrs. George Berry of Hinsdale entertained at the children's Christmas party, which is an annual event with us. Average attendance at meetings has been 25. Out of 51 members, 37 have paid dues.

On April 24 and 25 West Suburban Club members were hostesses at an Eta Province conference. Delegates from eleven clubs were present; about twenty-five other Pi Phis from the various clubs also attended. We were happy to have Miss Onken with us as well as Inez Webster, Mrs. Murkland, Mrs. Ford G. Allen, and Mrs. Van der Vries. Mrs. Berry opened her home to us Friday evening for a cook-shine. Saturday morning was devoted to interesting discussions. The conference closed with a Founders' Day luncheon.

Means of raising funds this year have included a raffle

on a knit suit and a benefit bridge. Our Arrow Craft sale was very successful with a record of sales amounting to \$190.56. \$87.50 has been sent in by the Magazine Subscription Committee. We have sent \$10 to the Endowment Fund, \$5 to the Loan Fund, and \$40 to the Settlement School. Mrs. Berry will represent our club on the na-

tional convention hospitality committee, to which fund we have sent \$5.

West Suburban Club is sending Mrs. E. P. Gale as alumnae delegate to convention. Mrs. R. C. Trow will be the alternate.

CHARLOTTE H. WATSON

THETA PROVINCE

DULUTH CLUB

The last meeting of the year was held at the home of Ruth (Mrs. C. F.) Russell, New York A. Margie (Mrs. Roderick) Dunn, New York A, was the assisting hostess. It was, as usual, a luncheon meeting, and after luncheon we had a short meeting at which plans were made for our annual picnic at the summer home of Genevieve (Mrs. W. C.) Lounsbury at Lake Minnesuing, Wisconsin. This is one of the high lights of the year in our Pi Phi activities and is usually held on the first Saturday after the fourth of July.

Our club apparently does not grow in numbers, but it does grow in enthusiasm and congeniality. As we look back at the year just past we cannot help but feel satisfied that it was a very pleasant and happy one, and, although our program chairman may have had some worried moments on account of the irregularity of our meetings, we carried out our schedule fairly well and accomplished our purpose which is, after all, to further the friendly spirit of Pi Beta Phi.

RUBY BURTNES OLMSTEAD

INDIANOLA CLUB

The Indianola Club met in October for a pot-luck luncheon at the home of June Slocum Cox and planned a yearly program. Pot-luck dinners were held each month with the following programs: October Program—study of the revised constitution; November—prominent Pi Phi; December—Christmas party with the actives; February—Settlement School; and March—initiation dinner with the actives.

We were invited to share the observance of Founders' Day with the Des Moines Alumnae Club with a luncheon at Younker's Tearoom. In May we met at the home of Anna Buxton and chose Betty Carpenter Buxton as our delegate to convention with Sara Sigler, as alternate. During Commencement week a dinner was held at the chapter house with the mothers of the senior girls as guests. About fifty out-of-town alumnae were present.

KATHLEEN MAYNARD

IOTA PROVINCE

BOULDER CLUB

The Boulder Club has a small but congenial group who are faithful in attendance at every meeting. These meetings have been mainly in the form of buffet suppers for which each member pays fifty cents.

Founders' Day was celebrated in Denver, Colorado B being the hostess chapter this year. The annual May party for the seniors was given at the home of Mrs. McAllister.

Colorado Alpha rejoices that its house is entirely free of debt. A large recreation room which is to be built this summer will be a great addition to the house.

Mrs. Shrive B. Collins, Iota Province vice-president, often attends our club meetings and offers valuable suggestions.

Ida L. Swayne, a member of Colorado University faculty, who is on leave of absence for a year, is studying for her doctorate in chemistry at the University of Chicago. Miss Swayne has been chosen as our delegate to Convention.

Our club has contributed to all of the national projects. Just now we have a gypsy basket going the rounds. As each member receives the basket filled with something good—a pie or cake, two or three dozen cookies, or perhaps a casserole—she puts into the bank which accompanies the basket what the food is worth, then fills the basket and sends it on to someone else. We and our families enjoy the treat and the bank is getting heavy.

At our May meeting officers were elected for the coming year.

LOU H. McALLISTER

CASPER CLUB

The Casper Club held the final business meeting of the year at the home of Mrs. Arthur Schulte at which time officers were elected for the coming year. Founders' Day was celebrated at the April meeting and the club enjoyed an interesting review of the founding of our fraternity by Irene Sprecher. Our rating at the end of the year was 100% because we have contributed to all Pi Phi projects.

LUCILLE LOVE KIDD

COLORADO SPRINGS CLUB

Our 1935-36 season was started with a luncheon for rushees, held on August 27, 1935, at the Broadmoor Hotel. This was held in conjunction with the Pueblo Alumnae Club and we enjoyed the attendance of the Pueblo Pi Phi and rushees, as well as local members and rushees. Mrs. James B. Smith, President arranged the party and much credit is due her for its success.

Mrs. J. Ray Lowell, Jr., was elected president in October, to fill the vacancy left by Mrs. Smith's departure.

The principal interest of the club has been Settlement School work. We all are very proud of the results, under

the chairmanship of Miss Lucile Adams. The Settlement School tea was held at the home of Mrs. J. Ray Lowell, Jr., on December 13, 1935. The total sales were \$112.45. We also displayed Settlement School articles at a meeting of the A.A.U.W.

Founders' Day was enjoyed with the Denver Alumnae Club and the active chapter.

We feel that this, our second year, has been a most successful one, and are delighted that we have qualified as a 100% Club.

MARGOT ANDERSON

DENVER CLUB

The Denver Alumnae Club has had seven meetings this year alternating between Saturday luncheons and Monday evening suppers. Colorado B was the hostess chapter in charge of Founders' Day with Betty Pollard managing, and a lovely luncheon and meeting was enjoyed by 141 Pi Phi. Miss Helen Anderson was the toastmistress and the Colorado A and Colorado B active chapters each presented a stunt.

At the May meeting, held at the home of Mrs. Robert Stovall, reports of the year's work by all the committees were given and election of officers took place. At that time too, Betty Stovall was elected convention delegate.

Our achievements this year have been: a membership of 147, \$270 raised last summer at a theater benefit, \$125 raised from a spring fashion show and card party, \$75 from a display of silver, over \$500 worth of magazines subscribed for, \$503 worth of Settlement School goods sold, 220 garments presented to the needlework guild, \$100 presented to our two active chapters and \$400 presented to the Settlement School.

Our summer theater benefit at Elitche's Gardens will soon take place and our hopes are to make as much or more than we did last year. Some time during the summer we will have a picnic meeting and then resume our regular meetings in the fall.

LOLITA S. PROUTY

LINCOLN CLUB

The Lincoln Alumnae Club held its first meeting early in September at the fraternity house to make plans for assistance in rushing. The redecoration of the second living room and the study, financed by the Lincoln and Omaha alumnae, in addition to our active participation in rushing helped greatly, so the actives insist, to carry off the honors of rush week.

Monthly meetings following either a luncheon or a buffet supper were held throughout the year except during the subzero weather in January. Mrs. Shrive B. Collins was the guest of honor in October. At the November meeting the freshmen were invited and told briefly the aims and ideals of the fraternity, and the seniors were our guests at the May meeting.

A bridge benefit given in cooperation with the actives, sales of vanilla, Christmas gift wrappings and profits from magazine subscriptions enabled us to make substantial contributions to the Settlement School, the Loan and Endowment Funds, retire a bond on the chapter house, give financial help in rushing, and make some necessary improvements on the house.

The Founders' Day banquet was held at the Lincoln Hotel with Mrs. Jasmine Sheriaden Metz as toastmistress. The program included toasts, both serious and flippant, and several songs by the freshmen.

MARIAN BECKER IRELAND

MANHATTAN CLUB

The Manhattan Club is closing the year with the hope of being a 100% club. The thirty members have all cooperated splendidly and our meetings have been worth while.

The money-raising projects were three rummage sales, a benefit bridge, a white elephant sale and a sale of Settlement School articles. All members of the club are given an opportunity to work on some project and they all feel that they are doing their part when the work is divided into separate committees.

The club celebrated Founders' Day at the Wareham Hotel with the actives of Kansas Beta. We were all happy to learn that Frances Farrell received the \$500 Pi Beta Phi Scholarship prize and will study next year at Simmons College in Boston. She also received the Amy Burnham Onken award for Iota Province.

ELIZABETH HILL SCOTT

OMAHA CLUB

The increased membership and enthusiasm of all members has made this year most successful for the Omaha Alumnae Club.

KAPPA PROVINCE

CORPUS CHRISTI CLUB

Much to our regret we have lost two members, but with the boom that Corpus is having with so much oil activity, we hope to have a much larger group next year. To help contact the new Pi Phis who might come to town, we wear our arrows always.

This summer we plan to continue our meetings once a month. Also we plan to have one or two rush parties for those girls who graduated from high school this year.

MARY PITTMAN

DALLAS CLUB

During the current year the Dallas Club has held nine meetings, five of which were business and four luncheons.

In March the alumnae entertained with a tea at the home of Mrs. E. F. J. Puckhaber on Turtle Creek Lane in honor of Mrs. Lutcher Stark.

Founders' Day was celebrated with a cooky-shine at the home of Mrs. C. S. Potts. One of the outstanding events of the year was the Pi Beta Phi Settlement School benefit which took the form of a luncheon. Neiman Marcus store favored the club and their guests with a fashion show at the luncheon which was held on the Peacock Terrace of the Baker Hotel. Six hundred and fifty tickets were sold.

DELLA STEPHENS

NEW ORLEANS CLUB

The New Orleans Alumnae Club has had a most successful year under the able leadership of Mrs. Jean Mason-Smith our president for 1935-36. The first meeting of the year was taken up with the discussing of rushing and the planning of the alumnae parties for the rush season. Two were decided on—a Baby Party and a Progressive Dinner. The Baby Party was held in September at the home of Mrs. Donaldson Caffery and was a huge success. Later in October the Progressive Dinner was held.

The active chapter was most fortunate in having Miss Onken and other members of Grand Council visit in December. The alumnae club took an active interest in the tea which was given in their honor at the rooms.

The March meeting was devoted to making plans for the annual Bridge Party, the proceeds of which go to the Settlement School. It was successful both financially and socially. The idea of raffling various gifts, as last year,

On October 8 Mrs. Shrive Collins was the guest of honor at a buffet supper at the home of Mrs. Henry Cox.

In November we sponsored a Towle silver display, the proceeds of which went for our Settlement School fund. February 21 and 22 we again presented Miss Beatrice Edmonds in a group of interpretative plays of current New York successes. In her honor we gave a very lovely luncheon at the home of Mrs. D. E. Bradshaw.

For our last meeting of the year a picnic is being arranged at which time we shall discuss plans for summer rushing. The club takes an active part in rushing, and we are looking forward to a happy and successful year.

KATHRYN RUEGGE RHODES

WICHITA CLUB

The Wichita Club meetings came to a close with a delightful cooky-shine on April 28 at the home of Mrs. Claude Lambe. Officers were elected for the coming year.

The final report of the magazine agency shows that the Wichita Club ranks second in the United States in magazine sales, which gives the club this honor for the third time. Over \$600 worth of magazines were sold, making \$118.56 in commissions for the Settlement School. The club ranks first in highest commission per paid member, with an average of \$5.93 per member. Much of the credit for this goes to Mrs. E. S. Stephenson who is the national chairman for the Pi Phi Magazine Agency, and to Mrs. Lee J. Hobbs, the local chairman.

The main activities during the year were a style show in the fall, a Christmas rushing tea, sending a Settlement School Christmas box, and celebrating Founders' Day.

Plans are being made for the summer rushing season which will include two large parties and several small ones.

HELEN HUGHES FAULCONER

helped greatly.

Toward the end of March a meeting was held to elect new officers. The new officers were to take care of the 1936 banquet to be held at the Orleans Club. The toastmistress was Miss Lynne Hecht. The theme she carried out was the one of the Wine Carnation. In the usual form speeches, toasts, and stunts were presented.

The closing meeting of the year was held in May. A telephone committee was formed. Also a hospitality committee. They were to take care of out-of-town visitors, pay calls, and provide entertainment, and call on new resident alumnae. The alumnae list which had heretofore been published in book form was to be revised.

We are looking forward to a most successful year starting in September.

CORA STANTON JAHNCKE

SHREVEPORT CLUB

The Shreveport Alumnae Club began activities in September at which time there were three new members welcomed into the club: Catherine Cline, North Carolina A; Helen Gray Solomon, Florida B; Sallie Pope Wood, charter member of Arkansas A. We have lost two members: Cecile Oliphant and Judy Reynolds moved away.

Last year's "Dollar Day" idea has proved so popular that it has become a regular custom.

Contributions have been made to the Settlement School, the Endowment Fund and Loan Fund making our club 100%.

We had a rummage sale in December which was so successful, that another is planned for this month.

A sale of Settlement School products, which is in progress, proves that the summer bags are most popular.

Our club's chief interest this year has been the local group, Pi Beta, at L.S.U. We will be happy to see a chapter there, as it will prove a great help to Pi Phi in north Louisiana.

MARY EVANS ELLIS

STILLWATER CLUB

The Stillwater Club held a rummage sale last February instead of the annual Settlement School sale. We raised approximately sixty dollars, and with that money were able to donate to the Endowment Fund, the Settlement School and the Loan Fund.

The latter part of the school year the Pi Beta Phi

Mothers' Club and the Alumnae Club gave the annual picnic for the active girls and their families. Many out-of-town guests were present.

The Senior Breakfast, given every year by the active girls in honor of the graduates, was held in the chapter house. All of the alumnae of Oklahoma B are invited and many were back. Margaret Tate Mauer (Mrs. R. W.), of Chicago, came the longest distance.

The Stillwater Club sponsored the picture show, *A Midsummer Night's Dream*, and raised sixt-seven dollars which was turned over in full to the Stillwater City Library. This money paid the retaining fee for an architect

for the new Library building that is to be built in the near future. The Pi Beta Phis received much publicity. The townspeople were pleased with the fact that a social fraternity would take an interest in helping toward the betterment of the city.

The City Panhellenic elected a Pi Beta Phi, Cynthia Diggs Berry (Mrs. T. E.), as its president for the next school year.

Two summer rush parties have been held to date—a theater party and a swimming party. The alumnae club furnished the refreshments.

CYNTHALICE DIGGS BERRY

LAMBDA PROVINCE

EUGENE CLUB

The Eugene Club has held regular monthly meetings through the year, from October to June, with an average attendance of sixteen members. During this past year we have had dessert meetings, at seven-thirty, and each attendant member contributes twenty-five cents to the treasury at each meeting. This has developed a very nice sinking fund for the Club as it is in addition to our yearly local and national dues.

In October we entertained for the twenty-two pledges of the active chapter at the home of Mrs. Basil T. Williams. The alumnae were invited to celebrate the birthday of Oregon A. at a special dinner at the chapter house. We had the pleasure of giving the chapter a set of pottery soup bowls at this time.

During the winter many Arrow Craft articles were sold increasing our contributions to the Settlement School, which is always a gratifying accomplishment. Mrs. John Warren, in charge of the magazine subscriptions, did a

good business at Christmas time. Mrs. Jason Bealls culled the best of our recipes for the Pi Beta Phi Cookbook.

Mrs. Howard G. Fletcher, our new Province Vice-President, visited us in February and told us so many interesting things about the changes at the Settlement School. Her visit was very profitable for us and we enjoyed it.

April brought Founders' Day of course, and with it a lovely memorial service for Nancy Black Wallace at Salem, Oregon, with a tea following at the home of her son Senator Wallace. Portland, Salem, Corvallis and Eugene Alumnae Clubs joined the active chapters, Oregon A. and Oregon B. in this inspiring occasion.

May found us entertaining the seniors of Oregon A. and Mrs. H. R. Croland was the hostess, aided by Mrs. Mildred Warren, Mrs. Stuart Hurd and Mrs. Jason Bealls. And our June meeting was rather an after thought inasmuch as it dealt chiefly with the changes in rushing rules on the campus at the University of Oregon.

DOROTHY DELZELL LEWIS

MU PROVINCE

BERKELEY CLUB

The Berkeley Alumnae Club has closed a very successful year, the last meeting being the Founders' Day luncheon held at the St. Francis Yacht Club in San Francisco. Mrs. LeRoy N. Briggs (Florence Ziegenfuss, California B) was a witty toastmistress, and the active girls assisted in the entertainment with songs and reports on the California and the Stanford chapters. Mrs. Harry Frost, Province Vice-President, gave a very inspiring talk at the luncheon and met with the board of the Berkeley Alumnae Club afterwards. We received many helpful suggestions from her as to how to improve our club and inspire more interest among the girls just leaving college. We greatly need the help and membership of the younger group.

The annual rummage sale was held in March and considerable money was raised for the Settlement School. There was also an unusually large sale of Settlement School products this year, due to the tireless efforts of the Settlement School chairman Mrs. W. S. Havens.

A husbands' dinner and dance is planned for April 18 to be held at the Women's Athletic Club in Oakland.

MARGUERITE EASTWOOD WELCH

EL PASO CLUB

The El Paso Club has been meeting regularly each month throughout the year. We are glad to welcome new members from other cities.

The September meeting was an informal tea at the home of Mrs. Roy Thompson. In October a Mexican supper was held in our president's home in honor of the Province Vice-President, Mrs. Frost. In November each member brought a jar of food stuff to be sent to Arizona A. In the spring a large display of Settlement School products was held and many articles were sold.

The May meeting was held at the home of Esther Arn who lives just outside El Paso in the Rio Grande valley. She served us a delicious luncheon enhanced by vegetables from her own garden and made especially attractive with enormous wine-red sweet-peas tied into individual corsages with silver blue ribbon. The annual election of officers was held at this meeting. Most of the talk centered around Convention. Two of our members, Frances Brown and Katherine McDaniel attended.

As our club is a very small one we are proud to report that we have contributed to the Endowment Fund, the Loan Fund and the Settlement School.

ETHEL M. SCHWARTZ

HONOLULU CLUB

Founders' Day was observed with a luncheon at Waialae Golf Club, on the beach out beyond Diamond Head, where horse-back riders out for a canter over the sands stop by for a breathing spell to listen to the music of the orchestra and glance over the diners who sit beneath gay awnings or in the cozy three-sided grass houses which surround the ballroom floor. Mrs. Mark O. Clement and Mrs. Robert Yates had charge of reservations. Pi Phi songs were sung with all the "variations" which are bound to appear when Pi Phi get together from chapters scattered from California to Virginia! Each member brought one dollar for the Settlement School Fund. This is the second year we have done this rather than hold a rummage sale or something similar. We out here on this tropic isle are not lazy, but it's just more fun to give a dollar and then spend the rest of the time in—I started to write "languid living"—only that isn't right; we seem to have more to occupy our hours here than in many places.

The Honolulu Pi Phis this year have given \$50 to the Settlement School, \$10 to the Student Loan Fund and \$10 to the Fellowship Fund.

In December Mrs. W. C. Pohlman entertained the club at her home up in Kaimuki. (Notice I write "up." In Honolulu one either lives up on a hill, down in a valley or at the beach! And everyone believes his chosen location to be the best!) At the January meeting we sat cross-legged on the floor and ate sukuyaki at the Manoa Valley home of Mrs. Walter Dunham when Mrs. Claude King was co-hostess.

February we met with Mrs. Herbert Bowers up on Wilhelmina Rise and studied the constitution before playing bridge. In March Mrs. Muriel Bergstrom, Mrs. D. G. Williamson and Mrs. Robert Yates entertained the club with a lovely bridge-tea on the lanai (we call it porch back in Oklahoma) of the Moana hotel on the beach at Waikiki.

We are always glad to have visiting Pi Phis at our meetings. Remember that, won't you, if you include Honolulu on your next trip?

MADELAINE BRADLEY WILSON

LOS ANGELES CLUB

The Los Angeles Alumnae Club has just finished a highly successful year. There was an increase in attendance of 20% over last year. The year was outstanding in many respects—there was an increase in magazine subscriptions,

more Christmas cards were sold and the Settlement School benefit was one of the most successful financially that the club has had. Enid Hayward was an excellent president and everyone who came under her jurisdiction admired and respected her greatly. There were seven meetings during the year, with the benefit in February and the Founders Day celebration in April. The average attendance was around 85. The book groups drew a good number, too, which were always a delight to everyone. The philanthropy group was organized this year and was ably conducted by Julia Wright. Nita Carman, Minnesota A, was responsible for putting out a most attractive cook book, filled with recipes sent in by Pi Phis which is being sold for the small sum of 50¢.

Our officers for next year have been elected and we have been very fortunate in securing Alice Livingstone, Minnesota A, as president. Many events are being planned and we anticipate an interesting year.

HELEN HIGGINS MOSHIER

PALO ALTO CLUB

That Palo Alto alumnae are not a group sufficient unto themselves is apparent from a résumé of the club's activities during the year. Fall meetings included supper at the Stanford chapter house with the actives, and a tea at the same place for Mrs. John Francis D'Aulè, Mu Province President.

A cooky-shine in January, which also served as a housewarming for Sally Callen Hinsey's beautiful new home on the campus, was attended by alumnae from Burlingame. In February the club served tea to the Stanford Mothers' Club as part of the Panhellenic program. The March meeting was a tea given in courtesy to the newly-formed Pi Phi Mothers' Club, of which Mrs. C. E. Steinbeck is president.

Founders' Day luncheon, held in San Francisco in April, brought together alumnae from that city with others from Oakland, Alameda, Berkeley, Burlingame, and Palo Alto, and with the two active chapters at Stanford and Berkeley. Mrs. Harry J. Frost, Province Vice-President gave a fine talk at this gathering.

May again found alumnae and Pi Phi mothers united, this time at a benefit reading sponsored by the Mothers' Club and held in the chapter house. Mrs. Hugh Brown read the Kauffman-Davton book, "First Lady," a delightful satire on Washington life.

SALLIE CALLEN HINSEY

SANTA MONICA CLUB

The final meeting of 1936 was held at the home of our out-going president, Mrs. Leigh Dunbar, making a fitting termination to a successful alumnae year. Thirty members

and guests were present to enjoy the cooky-shine followed by bridge and monopoly. Of additional interest was the presentation of gifts to Mrs. Dunbar, to Miss Clara Bacon for her assistance at the Founders' Day banquet, to Mrs. John R. Berry, who will make her future home in Boston, to Mrs. Claire Kneeland leaving for Portland, to Miss Helen Hill who sails soon for the orient, and to Miss Lucille Armstrong, a bride-elect. These gifts, according to our usual custom, were all articles made at the Settlement School.

FRANCES CONKLIN BAILEY

TUCSON CLUB

Tucson Alumnae Club held its last business meeting of the year in March at the home of Mabel Hill. A social hour followed. A report from the Arizona A chapter was given and plans were made for Founders' Day.

The active chapter and the alumnae club celebrated Founders' Day together at the Pioneer Hotel. Eighty-seven members were present. Mrs. Alford, editor of the ARROW, was our guest of honor and made a most inspiring talk. The banquet was concluded with the beautiful candle-lighting ceremony in honor of our Founders. Club officers for the ensuing year were installed after the banquet. The first meeting in the fall will be held the third Wednesday in September.

RUTH BENZIE BUSHNELL

UTAH CLUB

Utah Alumnae Club has enjoyed another successful year under the able leadership of Mary Caffey. An innovation introduced by her was the elimination of business discussion at the regular luncheon, tea or dessert meetings and the substitution of interesting programs in the form of musicales, book reviews and readings of plays.

\$50.00 was contributed to the Settlement School and \$5.00 sent to the Endowment Fund.

On Sunday, May 2, the graduating class of seven Pi Phis were entertained at breakfast at the Art Barn. Marian Hall substituted as chairman for Marjorie Richardson Pace.

Saturday evening, May 9 at the Hotel Utah, Founders' Day and the initiation banquet were combined with a representative group of alumnae attending as well as actives and the twenty-four initiates. Josephine Hall Jones was general chairman and Louise Isgreen, toastmistress. The theme was cleverly carried out with responses showing the relation of characters in Greek Mythology to our modern "Greeks."

Plans for the fall include an extensive membership drive.
