Arrow Contributors: MARGARETTA SPENCE DRAKE; FLO LELAND THOMPSON; HOPE KIMBROUGH McCROSKY; MARY ELIZABETH LASHER.

HOW TO ORDER

MAGAZINE SUBSCRIPTIONS

The Pi Beta Phi Magazine Agency offers you a fine opportunity to do your Christmas shopping without worry about packing or shipping problems. And by so doing, you help the Settlement School directly, enriching the lives of those who depend on it. Please enter your Christmas subscriptions, though, by November 25 this year.

There are some restrictions on magazines this year, but by consulting the price list below and using the form indicated by order blank, you will have no trouble.

In some cases, one-year subscriptions are not acceptable. These have a blank space in cost column under "1 year." In other cases, new subscriptions are not acceptable (only renewals). These are indicated by asterisk (*).

Address orders and make out checks to Pi Beta Phi Magazine Agency, National Bank Building, Decatur 16, Illinois.

THE ARROW OF PI BETA PHI

SEPTEMBER, 1944

VOLUME 61

NUMBER 1

EDITORIALS

Of Information

So we begin another college year—one which will have to be a very successful year indeed to beat the record of the one just past. Read the reports of officers in this issue, if you would share in the pleasure with which Grand Council reviewed the work of clubs and chapters for the year. Here is the story of continuing enthusiastic support for the traditional projects of Pi Beta Phi, and in addition the inception and successful operation of the new War work of the Fraternity, the scholarship awards for Physiotherapy training. Mrs. Koehler's report tells of the work of her committee, and lists the young women now making the most of the opportunity for training which the generosity of Pi Phis has made possible. This report and all the others deserve careful reading by all members. Pi Beta Phi is still the only woman's fraternity to offer to its membership any such complete report as is yours in this Information issue of the ARROW. Please read it all! and you will have an inspiring picture of a great organization geared to war-time living and working.

Of Journeys

For the Editor of the ARROW this has been a year of varied fraternity experience. Perhaps she has wandered too far afield for the purely mechanical good of the magazine! but from her long and often difficult travels has come fresh inspiration to make it easy to carry on for the coming year with an enthusiasm which might well have been dampened by the deepening black horror of war anxiety. National Panhellenic meeting last November, visits to the Indiana chapters and clubs, and in the Spring, visits to Kappa Province chapters and clubs—then the installation of Maryland B (an unforgettable experience, with the Grand President initiating the new chapter!), a meeting with the Settlement School Committee at Gatlinburg, Grand Council meeting; and last the sadness of checking over with the president of Mu Province the fraternity property of California A after the withdrawal of its charter—all these brought with them richness of fraternity experience never to be forgotten. Most of all was it helpful and hopeful to find splendid Pi Phis all along the way working hard on fraternity projects with zeal undiminished by the added demands of war time.

To the Pi Phis everywhere who made her travels happy, the Editor says "thank you," from her heart.

Farewell

The full story of the loss of our chapter at Stanford University will come in our next issue in the form of a statement from the Panhellenic fraternities involved. To those who have known and loved California A through many years, the loss comes as a blow; how much harder must that blow be to alumnæ of California A! As someone said, "There must be many of them with heavy hearts," over the loss of their chapter.

Hail

On the happy side of the picture are the opportunities for fine extension, with their accompanying evidence of the appreciation which college authorities at fine institutions have for the value of the fraternity system, as related in Miss Onken's message and in the report of the Committee on Extension. As a result, we have two new chapters to present, Oregon Γ at Willamette University, at Salem, Oregon, and Maryland B at the University of Maryland, at College Park. The stories of their installation must wait for later issues. Meantime, the Fraternity gives hearty welcome to the two groups.

What Of the Men's Fraternities?

There came to our desk lately a report of the Alumni Participation committee of the National Interfraternity Conference, which pictures interestingly what the men's fraternities are doing to insure that when the war ends, their now-inactive chapters may be restored to full service. Back of the report is a fine determination that the strength of the great fraternities shall not be permanently destroyed by their present difficulties as to membership and maintenance of chapters. All are keeping in close touch with their men now in the Services through publications and personal letters; all are promoting alumni strength through tighter organization of clubs; all are providing for the financial integrity of chapter property, in most cases by putting chapter financial affairs in the hands of one strong graduate, and by promoting instruction and encouragement of alumni advisers for chapters which continue to exist. To quote the last in a series of recommendations reported by the committee, "that fraternities make careful plans now for the renewal of full activity when peace comes. It goes without saying that the processes of rehabilitation, revival, or restoration of normality can be tremendously facilitated, hastened, and consolidated by alert and energetic alumnæ assistance and advice."

Fortunate indeed are the women's fraternities that they are not faced by such problems, doubly fortunate that most alumnæ set-ups provide already for that type of guidance. Time may change the picture as far as the women are concerned, if the war should be long-continued; such a situation would constitute a test for which years of fine alumnæ work should offer adequate preparation.

Attention Officers

Please read the Directory Pages for new addresses and note carefully the officers to whom reports and funds are to be sent.

Here's to a successful year for all active chapters and alumnæ clubs.

Odile Taylor Alfors

Announcements

Grand Council announces the following awards:

The Balfour Cup, to Texas A (for the third successive year).

The Stoolman Vase, to Colorado B.

The Philadelphia Cup, to Oklahoma A.

The National Amy Burnham Onken Award, to Jane Cheatham, Texas A.

The Pi Beta Phi Fellowship for 1943-44, to Charlotte Herman, Illinois Z.

→ → →

The blank for voluntary service to the Fraternity is included in this issue—please make use of it, if you have time to devote to Fraternity work.

→ → →

The special rate of \$7.50 for Life Subscription to the ARROW will be continued for this year. All subscriptions should be sent to Central Office.

→ → →

Grand Council announces the appointment of a new Director of Central Office—Louise Bresee Shappert, Illinois Z. The address of the office will remain the same as for the past year, 206 National Bank Building, Decatur 16, Illinois.

Report of Grand Council Meeting

June 26-July 4, 1944 - 9 days

THE annual meeting of Grand Council was held at the Inman Hotel, Champaign, Illinois, June 26-July 4, 1944 with all members in attendance.

Previous to Grand Council meeting, all members except the Grand Treasurer attended the final two days of the Settlement School Committee's annual meeting in Gatlinburg, Tennessee. In this joint session it was possible for Grand Council and the members of the Settlement School Committee to discuss matters of Settlement School policies and administration, to evaluate present methods of functioning, and to consider future plans for the School. Opportunities were afforded for making personal contacts with the mountain people and for gaining first-hand knowledge of present conditions in Gatlinburg and its vicinity. The boundaries of the School property were "walked," and Old Timers' Day was attended.

Recommendations on policy formulated by the Committee were presented to Grand Council for approval at its meeting which followed immediately.

The regular session of Grand Council convened the morning of June 26, 1944.

Grand Council wishes to thank all officers and committees for their full reports of work done and for their frank discussions and constructive criticisms and suggestions. After careful consideration of all reports and recommendations, with special regard for problems resulting from conditions of war, plans were made for internal strength in chapters, generally, and for extra help to those needing special supervision; conditions and suggestions of alumnae clubs were discussed and provisional plans were made for interim visits of province vice-presidents within their provinces; and general policies for increased efficiency in all lines of fraternity work were outlined.

Acting upon the suggestions and recommendations of officers and committee chairmen, it was decided:

"That the National Historian be instructed to investigate methods and costs of restoring and preserving articles of historic value to the Fraternity.

"That final annual reports of the Supervisors of Chapter Accounting be due July 1.

"That for the coming year, one mailing of supplies be sent to chapters and clubs.

"That the due date of the Chapter Annual Report be changed to May 15, and that this report be revised and shortened.

"That the Magazine Agency continue the current system of prizes for magazine subscriptions to clubs and chapters.

"That if Franklin Square Agency does not repeat its offer of \$50.00 toward prizes, the Magazine Agency contribute the entire amount of \$100.00 for the coming year.

"That beginning with May 16, 1944, the Magazine Agency pay salary expenses for the actual time given to the Magazine Agency work, in addition to paying the expenses which it has previously met.

"That the house rules for Holt House, as submitted by the Chairman of the Holt House Committee, be approved.

"That the chairman of the Transfer Committee be empowered to continue her plan of contacting transfers during the coming year.

"That the annual letter to chapters on the drinking

standard of the Fraternity be sent to all chaperons.

"That the chairman of the Publicity Committee obtain from the chairmen of the committees for War Work, Holt House, Settlement School, and Loan Fund written information about their work, such information to be distributed to clubs and chapters for publicity use.

"That the Music Committee compile the songs submitted by chapters for the new song book, the compilation to be submitted to Grand Council for approval.

"That the Social Exchange Committee compile and issue a third bulletin dealing with campus war activities—the 'War Bulletin' to be published in December, the 'Founders' Day Bulletin' in February or March, and the 'Rushing Bulletin' in April or May.

"That chapters should establish, locally, suitable protection for bonds and other securities held by them; that where this is not possible, chapters may contact the Grand Treasurer who will arrange for such protection.

"That no grade be recorded for any chapter whose college uses the plan of releasing no grades, whatever, to students; that the Standardization and Survey Report include a notation to this effect; that in a case where no individual grades are issued by a college, thereby making scholarship standing impossible to estimate, this fact shall not automatically disqualify the chapter concerned for national recognition.

"That supervisors of chapters in the upper third on their campuses be allowed to use their discretion about correspondence with these chapters, requiring reports at least at mid-semester and at the close of the semester.

"That scholarship blank #1 be sent whenever a new chapter scholarship chairman is elected.

"That the time for each province conference be determined by the Province President.

"That the Fraternity continue the dispensation allowing initiations at any time during the college year, disregarding the usual requirement that initiations be held at least six weeks before the end of the year.

"That it be recommended to chapters that they set up a monthly 'Pi Phi Night' with definitely planned programs for discussion, inspiration, and fellowship.

"That, for the coming year, the Fraternity continue the practice of allowing bills to the maximum of \$25.00 incurred by a province officer for typing or mimeographing regular monthly letters.

"That province presidents and province vice-presidents submit reports of receipt of money from clubs and chapters, only on December 1 and on March 1.

"That Statutes VII, Section 7, d, be amended by striking out 'three-fifths' and inserting 'one-third' so that the section shall read 'One-third the expense of the Central Office.'

"That for the coming year the Fraternity continue the policy of including the Physical Therapy Fund in place of the Loan Fund as one of the three projects for which 100% support is urged from clubs and chapters.

"That the Fraternity establish the policy of appropriating, annually, from the Contingent Fund sufficient money to supplement the income from the Fel-

lowship Fund to bring the total to \$500.00, the amount required for the Graduate Fellowship Award.

"That further investigation be made of groups petitioning for chapters at Miami University and Toledo University; that petitioning groups at Gettysburg College and at Calvin Coolidge College be discouraged."

The National Amy Burnham Onken Award was given to Jane Cheatham, Texas A.

The Balfour Cup was awarded to Texas A; the Stoolman Vase to Colorado B; and the Philadelphia Vase to Oklahoma A.

Announcement was made that a generous gift of \$500.00 had been made to the Fraternity by a former winner of the Fellowship Award, with the suggestion that the gift be used for a Pi Phi needing help in graduate work. Grand Council made this a Special Fellowship Award and it was given to Lois Jennings, Alabama A.

As an incentive for continued fine scholarship, the Fraternity will continue, for the coming year, the custom of presenting the scholarship ring to the chapter member making the highest average for the year.

Grand Council accepted with regret the resignation of Adele Murphy as Director of Central Office.

Louise Bresee Shappert, Illinois Z, was appointed to fill the vacancy.

The schedule of official visit to chapters for the year 1944-45 was arranged as follows:

Grand President—Mu Province.

Grand Vice-President—Gamma Province.

Grand Secretary—Alpha Province West; Wyoming A; Colorado A and B.

ARROW Editor—The Iowa chapters.

Reports from all officers and committees indicated that clubs and chapters, almost without exception, are in exceedingly good condition, and that the ideals and traditions of the Fraternity are being carried on along with duties and demands of war service. Individual contributions to the war effort in money and in "man hours" were reported in amazing proportions, and to this individual record must be added the great contribution of clubs and chapters, during the year, to the Physical Therapy Scholarship Fund in the amount of almost \$9,500.00. For their support of this Fraternity effort and all other projects of Pi Beta Phi, Grand Council expresses appreciation to Pi Phis everywhere.

LOIS SNYDER FINGER
Grand Secretary

Ohio University Will Help Reestablish Chapters:

Ohio University is developing a definite postwar program for fraternities. Dr. Walter S. Gamertsfelder, president of the University, has appointed the Fraternity Advisory Committee to assist the dean of men in planning for the reestablishment of closed chapters and the rehabilitation of all chapters after the war. He also appointed the Student-Faculty Committee on Social Activities for Fraternities and Sororities, which is to plan for the social life of the Greeks for the duration. All the events will be of the "dateless" variety.

Pi Beta Phi Fellowship

For the year 1945-46, the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1945.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Annual Reports of National Officers

ANNUAL MESSAGE OF THE GRAND PRESIDENT

MANY YEARS ago, Fra Giovanni said: "There is a radiance and glory in the darkness could we but see and to see we have only to look." Surely, the joy and comfort of the friendships of Pi Beta Phi and the inspiration and help of its ideals have gained special radiance as they have been seen in the darkness of these years of war which "try men's souls." Because Pi Beta Phi is being true to itself, it is measuring up in an unprecedented way to the exceptional responsibilities and privileges of service which it faces today. It is not chance but instead is the definite consequence of the service of the fraternity in keeping high in its chapters morale and character, the "will to serve," and the consciousness of an obligation to get from a college experience the most of the best of what it has to offer, which has led one Dean of Women—representative of the many who have expressed the same idea in different words—to say: "You may be sure that we count on Pi Beta Phi girls to take the lead in the absence of the men in keeping alive and making effective all that is best in our traditions of democracy and service!" What a heavy responsibility—and what glory to Pi Beta Phi in the way in which it has been met and will be met!

There are more spectacular ways of serving one's country well during such fateful years as these but there can be few if any more lasting important ones than that which comes to Pi Beta Phi in its privilege of influencing, assisting, and moulding the lives of its active chapter members. Many groups serve the under-privileged; the college fraternity is practically alone in serving successfully the highly privileged and vitally important group of college girls who must and will be leaders of tomorrow. No message to Pi Beta Phis, today, would justify itself if it failed to call every member of the fraternity to a deeper appreciation of her privilege of being a Pi Beta Phi, and to a fuller giving of herself to the purposes of the fraternity.

The decision of the active chapters again to cancel convention plans, in conformity with the urgent request of the Government that all such gatherings be done away with because of the need of the War Department for all possible transportation equipment, represents a war service of great significance. Alumnae, actives, and officers share the responsibility of keeping high fraternity understanding, service, and enthusiastic loyalty during these years when it is not possible to add to them through the joys of convention contacts. The record of the year just ended proves conclusively how well this responsibility has been met and gives unquestionable promise for the year ahead. Surely through the sacrifice now of personal desires, Pi Beta Phis are hastening the day when a convention can again be held, not under the shadows of war but in the sunlight of world peace!

As officers of the fraternity read or hear of the way in which individual Pi Beta Phi, chapters, and alumnae clubs are giving of themselves and their money to war service, they long to have it possible for every member of the fraternity to know of the contributions of every other one. Think of one single alumnae club whose members have given more than thirty-six thousand hours to one only of its several war projects; of one chapter which has had five members graduating from the course for Nurses' Aides

at one time and eight others beginning it; and of countless other groups whose records are almost unbelievable when one realizes that each Pi Beta Phi has carried these special responsibilities in addition to her usual personal, professional, and family ones. Every chapter and alumnae club is urged to report fully to its province officer on war service so that the fraternity may have as nearly complete as possible a record of the gifts of time, labor, and money which are being made by its members.

It does know, of course, of the truly remarkable way in which gifts have poured into the fund for the fraternity's special war project, the Physical Therapy Scholarships, and here, too, its pride in the will-to-do of its members is immeasurable. Already thirty-three carefully selected, specially qualified young women have been helped with the training which will make them a part of the still too small, inexpressibly badly needed, and invaluable group of Physical Therapy Aides for military hospitals! How deeply gratifying it is, too, to know that the service which these young women give will not end with the immediate needs of war but will mean peace-time rehabilitations for countless men, women, and little children. It is with humility as well as pride that the Grand President calls attention to the fact that the outstanding contributions of Pi Beta Phis to these fellowships have been made while support of the regular projects of the fraternity has not just equalled but has excelled that of the previous year!

The Settlement School has had a good year and confidently looks forward to an increasingly splendid service to its community as the plans of the efficient and devoted members of the Settlement School Committee and staff are put into effect. The way in which the County Board has cooperated in the conduct and management of the school proper and in the care of the leased property is proof again of how deserving these people are of our help and confidence. The Arts and Crafts program, begun last year in the grade and high schools as a special Pi Phi service, already gives promise of being a truly effective means of stimulating and developing creative artistic ability which will eventually greatly affect the handcraft program of the School. It was with deep gratification that the Committee, at its meeting this summer, found it possible to authorize as a new community service the recreational director who has been so greatly needed for so long. Only those who know both the Gatlinburg of "Main Street" and the Gatlinburg just off the highway can understand how vital such help in readjustments is for a wide-flung community which must reconcile in its people, young and old, conflicting conditions and changing perspectives. The good judgment and the vision of the Settlement School Committee insure for the fraternity's beloved memorial to its Founders both a constructive present and a broadening future.

Holt House, the lovely, gracious memorial to Pi Beta Phi's founding, holds to its high place among the fraternity shrines of America and with the coming of peace will be ready to welcome again the members of all fraternities whose interest turns constantly to it. Plans to center there more and more of the priceless and irreplaceable historical archives of Pi Beta Phi and to arrange for their security will be executed

as promptly as present restrictions upon labor and materials allow. It is gratifying to know that the guest room which is to be available for visiting Pi Phi and for the parents of Monmouth College students will be furnished and ready for use, this fall, and that Holt House has, this year, given a very splendid civic service by acting as hostess for approved community organizations to whom the privilege of its hospitality has been given.

The annual meeting of the Grand Council was held late in June at Champaign, Illinois, at which time the usual study of the past year and planning for the coming year were given careful attention. The reports of province and national officers and of standing committee chairmen will speak for themselves of the splendid way in which active chapters and alumnae clubs are meeting changing conditions and demands and are bringing the fraternity constantly forward in achievements and prestige. Conflicting opinions of persons supposedly qualified to speak for the future plans for advanced education make it difficult to determine just what will follow the present adjustment of college schedules and curricula to war-time pressures, but it is hoped that not too many of the things of cultural value will be lost. The need for the things which fraternities alone now give to college students will scarcely be less great, however. In a recent editorial in NEWSWEEK on "The Navy as an Educator," Raymond Moley said:

"The Navy's insistence upon mental, physical, and moral discipline has had a tonic effect everywhere. The personal qualities that make a good naval officer are abundantly needed in every walk of life. It has not been amiss to remind the colleges once more that their job is to make strong and responsible as well as learned men."

Fraternity members need, perhaps, to be more conscious of and more vocal about the part which fraternities have long played in making "strong and responsible" the men and women whose learning has come under college direction!

The decision of the Board of Trustees of Stanford University that chapters of national women's fraternities might no longer exist on its campus was one of which Pi Beta Phi learned with very great regret, and with a definite conviction that future generations of Stanford women were being arbitrarily deprived of contacts life-long and invaluable in their broadening influence, treasured friendships, and inspiration. The national fraternities whose chapters were concerned will issue a complete report of the Stanford situation and of the factors which were responsible for the eventual official action. Since this report will appear in an open issue of THE ARROW, no attempt is being made to discuss the matter in detail in this report. It is essential, however, that fraternity women clarify their own thinking and then speak openly the truth about fraternities. There is nothing undemocratic about fraternities; they exist only in democracies and are a direct product of democratic ways of life. Peter Druecker has said:

"The right to organize socially is one of the vital rights in a democracy," and fraternity members should point out the fact that

"under the broader interpretation of our country's Constitution that right is guaranteed under the 'right of assembly.'"

The first act of a dictator like Hitler is to forbid all such voluntary groupings.

The Grand President of Chi Omega, in a letter to Dr. Tresidder, President of Stanford University, ex-

pressed the convictions of all informed and thinking fraternity members when she said:

"It has always been my belief that a college campus should be the total society in miniature. If young people have not acquired a sense of justice, the spirit of respect and tolerance for the rights of others before entering college, then somewhere should be the responsibility for teaching these attitudes. Persons who leave college with the point of view that what they do not share or control must be destroyed are not helpful to our total culture, even though they use much publicity or may lead the parade of criticism. . . . I am interested in the total culture of our democracy and the way in which it can best be improved over the slow processes of time. Of one thing, I am certain—that small wholesome groups must be maintained and that the mass situations, whether on a campus, in a church, or in a community, are not best for human needs. . . . I will defend the right of critics among your students to be as vociferous as they wish in the denunciation of Greek-letter societies, but equal justice and intellectual integrity on their part require that the right of other students to organize be recognized."

Pi Beta Phi has lost an active chapter which has given to it many loyal, devoted members, but it has not lost these members or their devotion and it is counting on their continued loyalty, service, and love.

The Pi Beta Phi Fellowship for 1944-45 has been awarded to Charlotte Herman, Illinois Z, who having completed her undergraduate work at the University of Illinois and her graduate work in science at Iowa State College, will enter the Medical School of the University of Illinois for training as a physician. Because an earlier Pi Beta Phi Fellow, remembering with deep gratitude the help which the fraternity's Fellowship meant to her, made a gift of \$500 this spring, Grand Council has had the privilege of awarding a second fellowship which has been granted to Lois Jennings, Alabama A, who, too, will become a physician. She will receive her professional training at the Medical School of the University of Alabama. Applications for the \$500 Graduate Fellowship for 1945-46 should reach the Grand President by January 1, 1945. Application blanks and full information about procedure may be obtained from her at any time. The fellowship is open to any graduate Pi Beta Phi and may be used at any recognized university.

Because the awards of the fraternity are given for such outstanding achievements and such special qualities, Grand Council has unlimited pleasure, each year, in announcing them. This year, for the third consecutive time, the Balfour Cup has been awarded to Texas A, giving that chapter the privilege of keeping this particular cup permanently; the Stoolman Vase has gone to Colorado B; and the Philadelphia Vase, to Oklahoma A. That many chapters presented records of exceptional excellence makes the internal strength of Pi Beta Phi unquestionable. The Amy Burnham Onken National Award for individual excellence in scholarship, service to campus and chapter, and character, was given to Jane Cheatham, Texas A. The Province Award winners were:

Alpha East.....	Hope DeMore, Connecticut A
Alpha West.....	Nancy Fraser, Ontario A
Beta.....	Martha Adams Wood, Ohio B
Gamma.....	Jacqueline Bernard, Virginia A
Delta.....	Josephine Bowers, Michigan A
Epsilon.....	Mary Elizabeth Banks, Missouri B
Zeta.....	Cornelia Banks, Alabama A
Eta.....	Margie Bitzer Taggart, Illinois Z

Theta.....	Gretchen Young, Iowa F
Iota.....	Jill Peck, Kansas A
Kappa.....	Jane Cheatham, Texas A
Lambda.....	Nancy Ames, Oregon A
Mu.....	Mavis Mahan, California B

Increasing pressure of personal responsibilities has meant the deeply regretted loss to Pi Beta Phi, through resignation, of officers whose devotion to the fraternity and whose high service to it are reason for great pride and deep appreciation. Adele Murphy, who has given so greatly of herself to the complicated work of the Director of Central Office, will be succeeded by Louise Bresee Shappert to whom the fraternity promises its full cooperation and help. Elizabeth Harvey Murray, Alpha West Province President; Mary Jane Hill Trowbridge, Epsilon Province President; and Miriam Williams, Eta Province President; will be succeeded by Charlotte Martin Fox, A West, Carroll Bonney, E, and Georganna Rundall Sears, H. The Grand Vice-President will speak of the changes in official personnel in the Alumnae Department where, too, the fraternity has had to lose loved and efficient officers.

As Pi Beta Phi's N.P.C. delegate, the Grand President served until November, 1943, as Treasurer of National Panhellenic Congress, and she is now serving, through automatic accession, as Secretary. She attended the biennial meeting of National Panhellenic Congress in Chicago in November and had the pleasure of having Ruth Barrett Smith, Grand Vice-President, and Adèle Taylor Alford, Editor, share the responsibility of representing the fraternity at a Congress where such representation was limited to three officers. A return to the earlier policy of allowing all past and present members of Grand Councils to attend N.P.C. will, it is hoped, mean that at the 1945 Congress, Pi Beta Phi may again have its entire Grand Council present.

During the year, the Grand President had the privilege of installing Massachusetts Beta Chapter at Massachusetts State College and Maryland Beta Chapter at the University of Maryland, chapters which

will, she is confident, prove fully worthy of their places on the fraternity roll, and of visiting officially Alabama A; Georgia A; Florida A, B, and F; Nova Scotia A; Maine A; Vermont A and B; Massachusetts A; Connecticut A; Kansas A and B; Nebraska B; and South Dakota A. Her appreciation for the warm welcome and the gracious, thoughtful hospitality of these chapters and their alumnae cannot adequately be expressed. She treasures, too, her memories of her visits with the alumnae clubs of Birmingham, Orlando, DeLand, Halifax, Middlebury, Burlington, Boston, Hartford, and Manhattan, and of the special visit with New York A and the Syracuse Alumnae Club. At Manhattan, on Founders' Day, she had the thrill of seeing the Assistant to the Grand Treasurer, Lillian Beck Holton, burn the mortgage on the Kansas B chapter house! She wonders how a national officer who never has the opportunity to know her fraternity's chapters and alumnae clubs—and in some fraternities, Council members do not make regular official visits—knows how to be of service to them or finds the inspiration which she needs to carry her heavy load of responsibility and which Pi Beta Phi's Grand President finds so fully in these cherished personal contacts.

The Grand Vice-President was the installing officer for the fraternity's third splendid new chapter, Oregon F of Willamette University. The fraternity is especially indebted to the Pi Beta Phis who have worked closely with each petitioning group and who have played so big a part in its success, and to the Province officers and active chapter representatives who gave special assistance at the time of the installations.

Again the Grand President tries to express in words the things of the heart which can never truly be so expressed when she speaks of her gratitude for the opportunity to serve Pi Beta Phi, of her thankfulness for its abiding friendships, and of her deep desire to be worthy of the part which she is privileged to have in its development and progress.

Respectfully submitted,
AMY BURNHAM ONKEN

ANNUAL MESSAGE, GRAND VICE-PRESIDENT

To the Alumnae of Pi Beta Phi:

THE writing of an annual message such as this is a particular privilege for it is primarily a recountal of the accomplishments of others. Were Pi Beta Phi awarding pennants for continued, meritorious production and service in the custom of the moment, how many recipients among our alumnae clubs there would be! Every club member has her share of worry and responsibility, in the family and in the community, yet, as a respite, the association and activities of her fraternity offer tremendous appeal. Small wonder a former national president of another fraternity asked, "How do you Pi Phis hold the interest of your alumnae!"

Every province but one increased its membership and that, Theta, holds an equal record with last year. All chapters have not reported their graduating seniors but latest over-all figures show 6606 paid memberships of which 634 are Senior dues. To hold those graduates as future interested alumnae is a challenge to every club. Live membership committees have worked successfully upon their inactive resident lists and upon the near-by isolated Pi Phis, Lakeland, Florida, Illinois Fox River Valley, Manhattan, Kansas, Vermillion, South Dakota, Calgary, Alberta, and Corvallis, Oregon, merit commendation for each has every resident a paid member.

Special attention should be focused on the great numbers of Pi Phis who, because of the war, are temporarily nomads. The friendly attentions which a club can offer are appreciated by those far from home. The Army-Navy Auxiliary has not met this problem with the success anticipated. It had been hoped that a complete record of Pi Phis whose husbands are in the service could be maintained; in addition, it was hoped that a contact for each with the national fraternity through an alumna membership would assure the member an entree into any club in the country. Knowing herself a part of the alumnae department would make her less reticent in approaching a club where she was unknown, especially when the club itself did not know of her. Workable suggestions would be welcomed by Mrs. Custer or Mrs. Wild who have the auxiliary in hand.

Every club should have on hand and use the new transfer blanks for members who move to a new community where an alumnae club is located. This assures them early welcome.

Four new clubs have been chartered this year. In Beta province the alumnae of Cleveland found it more expeditious, particularly because of transportation problems, to have two clubs; Cleveland West was organized with forty-seven charter members. Charles-

ton, West Virginia, was chartered with fourteen original members. Delta province boasts of a new club in Lansing-East Lansing, Michigan, where its twenty-five members eagerly support the prospect of a new chapter. In Eta Province, the alumnae of Aurora and surrounding territory have organized as the Illinois Fox River Valley club with eighteen paid members. The enthusiasm of these new clubs means future strength for the Fraternity.

The roster now stands at two hundred seven alumnae clubs of which nine have felt it necessary to become inactive for the duration. Soon again we shall anticipate hearing as fine reports of progress from Charlotte and Tri-City, North Carolina, Southwestern Michigan, St. Petersburg and Tallahassee, Florida, Tyler, Texas, Billings, Montana, Moscow, Idaho, Ogden, Utah, and Santa Barbara, California, as from the rest. The assistance of the province vice-presidents, and of national officers is vital in maintaining the enthusiasm of all clubs for Pi Beta Phi and its projects and in restoring to activity those clubs lying dormant now. Meanwhile their inactive status does not affect the province ratings.

The club questionnaires were shortened to one page this year as a conservation of both paper and the time of busy club presidents. In consequence all of the information normally received is not available. One hundred sixty-one have been received at this writing. Some clubs cut the number of meetings to the four constitutionally required, yet others report as many as twelve for the year. As one president wrote, "More meetings, better programs, more letters (to and from officers), and in consequence more people, greater enthusiasm, and greater results."

Printed programs have been fewer. The actual programs may have been simplified and frequently confined to talent within the club but the comments seem to indicate there have been "no uninteresting meetings." They have enjoyed hearing of other clubs and their activities through transient members. Several have felt meeting time well spent in doing some form of war work while a book review or friendly chatter lightened the task. The Settlement School film has had tremendous appeal to all using it. Some clubs have decided to become singing groups and have emphasized the learning of Pi Phi songs. Others have laid special emphasis on the social side as an antidote for the heavy duties carried elsewhere.

Because of the many requests last year for special programs planned for the four required meetings, the Assistant to the Grand Vice-President took over the assembling of such material. It should be in the hands of all club presidents by this time and of great help in planning those particular programs for next year.

Chapters and clubs both benefit when relations are friendly. Clubs' interest this year manifested itself in parties for pledges, new initiates, officers, or Seniors; gifts of all kinds; financial help in refurbishing or financing the chapter house; awards for scholarship or other honors; and rushing assistance. Several clubs again adopted near-by chapters or are taking the chapters of the province in turn for some special attention.

Every alumna can improve active-alumnae relations by making honest, sincere recommendations of all good rushing material. It must be borne in mind, however, that constitutional rulings require that official recommendations be sent from the alumnae club through the Rushing Recommendations Committee. The clubs' chief plaint is that chapters must ask for the official recommendations well in advance of rushing to permit the committee adequate time for investigation; also they ask that chapters use greater care in

reporting back to the committees the outcome on girls recommended. On the other side, active chapters find it most helpful when the rushing recommendations committees send complete lists of all recommended material far in advance of the rush period; this is fairer to the girls considered and much easier for the chapter's rushing chairman.

Founders' Day is, and rightfully should be, the high spot of the year. It is the occasion when we pay special homage to those who brought our fraternity into being and who gave us the foundations in ideals and loyalties upon which we base our strength today. Particularly when actives and alumnae are able to celebrate together does it become a real event. It should always be a day when our twelve Founders, their interests, their personalities, their aims for Pi Beta Phi, and their place in our hearts are honored in song and story. Since none may now speak for herself we must carry on for them their extreme devotion to Pi Beta Phi and things worth while. This year luncheons, teas, buffet suppers, dinners and desserts were the accepted procedure. Outstanding celebrations were the Indiana State luncheon and the Michigan State luncheon, both in Delta Province. At the former, all Indiana chapters together with alumnae from over the state gathered in Indianapolis two hundred ninety strong. Lois Koehler, National War chairman, was the guest speaker. At this luncheon a special memorial for Emma Harper Turner, former Grand President and a charter member of Indiana A, was announced. The Michigan luncheon had as hostesses the newly organized Lansing-East Lansing club with Marianne Wild as speaker.

Over and above the Constitutional requirements for chartered clubs is the constant aim to have every club participate in every fraternity project. For the year 1943-44 Grand Council considered as one hundred per cent those clubs and chapters giving to the Settlement School, the Holt House, and the Physio-Therapy Scholarships and the same plan will be followed next year. Ten Provinces, Alpha West, Beta, Gamma, Delta, Eta, Theta, Iota, Kappa, Lambda, and Mu show an increase in the number of contributing clubs; one, Alpha East, has the same number; one, Zeta, shows a decrease of one; Epsilon Province had no figures for last year with which to compare. We honor those clubs which have continued or attained their hundred per cent rating this year.

Our philanthropies are a source of pride to every Pi Beta Phi and what we accomplish reveals that pride to outsiders. The Settlement School has long been closest to our hearts and for its successful continuation most clubs exert their major efforts. This year a decided increase in the number of donations as well as total amounts means added help for the School. Careful reading of the Information Arrow will reveal the exact figures for all clubs and chapters but we would red letter here Alpha East and Gamma, each of whose clubs gave to the Settlement School and the seven provinces, Alpha East, Gamma, Epsilon, Eta, Kappa, Lambda, and Mu, whose chapters were one hundred per cent. These figures are from the Settlement School Committee Treasurer to July 1 and prove the importance of having donations in on time in order that proper credit may be given.

The most sizable donations for the year were:

1. Kansas City, Mo.\$700.00
2. Cleveland East 650.00
3. St. Louis 500.00
4. Denver 400.00
5. Boston 375.00

Were the combined donations of Cleveland reported they would again stand first and since the division of the original club did not take place until late spring, it seems only fair to mention it.

Settlement School donations through the official channels of Province Vice-President and Settlement School treasurer have been supplemented by the additional gifts ranging from money to books and boxes of toys sent direct to the Settlement School during the year and by the ever-increasing profits in magazine commissions. In spite of almost daily curtailment of available subscriptions by the publishers due to paper shortages, our commissions reached a new high. Successful competitors for the best efforts on magazines were *Denver* for the largest commissions earned, *Bloomfield Hills, Michigan*, for the highest per capita, and *Du Page County, Illinois* for the greatest percentage increase. Congratulations are due them and the many others responsible for \$6779.03 earned by the magazine agency this year.

The growing circle of admirers of our Arrowcraft products has been almost too much for the staff at Arrowcraft this year. Unavoidable lack of material and fewer workers curtailed supplies and disappointed many. According to the report of the Director, total sales could have been doubled had materials been available and after the years of building sales it was heart breaking to disappoint so many fine customers. The sales, figured from actual money received by Arrowcraft from July 1, 1943, to July 1, 1944, for the ten top ranking clubs (and there were as many more in the six hundred dollar bracket) are:

1. Lawrence, Kan.\$2414.30
2. Berkeley, Calif. 1513.68
3. Los Angeles, Calif. 1486.23
4. Champaign, Ill. 1249.60
5. Denver, Colo. 1109.33
6. Dallas, Tex. 1012.04
7. Boston, Mass. 991.70
8. Portland, Ore. 818.35
9. San Francisco, Calif. 775.56
10. Cleveland 645.63

Rather significant is the fact that the Lawrence club has a membership of only thirty-three and that a year ago this spring was dubious as to what success their first sale would have. Lovely special displays and sales were arranged at the Brooks Memorial Gallery in Memphis (an annual event) and at the Art Museum

in Dallas. Mu Province with seventeen clubs selling Arrowcraft this year tops the rest with a total of \$6520.12. Nine clubs in Iota Province totaled \$6300.72. When one considers that these amounts, like those of other provinces, included club sales as small as twelve dollars one recognizes how helpful every sale can be.

Holt House as a second and perhaps more intimate monument to our Founders is important as one of our projects. Contributions this year came from half again as many clubs with an increase in the size of the donations as well. The continued flow of money and furnishings has meant a more finished, charming Holt House. Next year will see a fireproof vault built there for the protection of some of the fraternity's most valued archives. Pi Beta Phi clubs and chapters will be proud to have shared in the development of this memorial in Monmouth.

Physio-Therapy Scholarships have come into their own as our war activity. Five provinces, Alpha East, Gamma, Eta, Theta and Iota donated one hundred per cent and in all the fraternity only eighteen clubs failed to include it in their budget. To read the report of the National War chairman makes us all grateful that the fraternity shares so handsomely in this type of war work and leaves us with a determination that another year will find even better records. For our clubs and chapters to have given close to \$9500 to the training of these specialists in Physio-Therapy is indeed an accomplishment for one short year.

In addition to our national war project many clubs have worked as units in the war and civic programs of their communities. U.S.O., Red Cross, Foreign Relief organizations, the Bond drives, Children's homes and orphanages, and many others all have benefited through Pi Beta Phi. Individual Pi Phis, actives as well as alumnae, have given of their time toward bringing the war to an early conclusion. Many of our girls are now in uniform and we salute them all.

The Loan Fund was omitted from the fraternity projects to be emphasized this year since demands upon it are not as great as formerly and the need for Physio-Therapy nurses in the army is immediate. However, sixty-one clubs and thirty-five chapters contributed over six hundred dollars. The same lessened emphasis will be followed for 1944-45 but it goes without saying that a continuance of interest in this fund is most pleasing. Eleven loans were made during the year.

After careful consideration Grand Council has felt it wise to provide for visits by the Province Vice-Presidents this coming year. With all the handicaps which we have with the lack of conventions, it is certain that these visits will be of mutual benefit to club and officer.

The fraternity regrets that other demands necessitated the resignations of Lois Vasek, Mary Greear, Dorothy Aultman, Helen Lloyd, Beatrice Purdunn and Marjorie Colvin at the close of this club year. The contribution each has made in her province should simplify the work of her successor and we express our appreciation for their fine help. Welcomed to their new responsibilities are: Beta Province—Edith

Hoyer Rankin, Ohio B, of Columbus; Gamma Province—Isabel Drury Heubeck, Maryland A, of Baltimore; Epsilon Province—Margaret Armstrong Foster, Maryland A, of Kansas City; Zeta Province—Jeanne Pickard Stallings, Kansas B, of Atlanta; Eta Province—Gertrude Scanlon Burley, Wyoming A, of Appleton; Iota Province—Gladys Kirchner Bunten, Kansas B, of Cheyenne. We hope for them happy and successful terms of office.

In spite of the ever increasing problems of travel, illustrated by the Grand Secretary and the Grand Vice-President sharing an upper berth out of Knoxville, the assigned visits of the year brought an increased appreciation of our fraternity and the magnificent fashion in which every club and chapter is meeting the present crises. Visits to active chapters included Alberta A, North Dakota A, Minnesota A, Michigan A and B, Oregon A and B, Washington A and B, Idaho A, Montana A, Tennessee A and B, Missouri A, B and G. In addition to meeting many alumnae along the way the special hospitality of the alumnae clubs in Edmonton, Grand Forks, Minneapolis, Lansing, Hillsdale, Ann Arbor, Lansing-East Lansing, Ann Arbor, Moscow, Eugene, Bozeman, Louisville, Nashville, St. Louis, and Salem was enjoyed. Special visits to the Michigan State College, East Lansing, and Willamette University, Oregon, as possible fields for extension brought new, delightful contacts. The courtesies of the Champaign-Urbana club during the Council meeting lightened the burdens and relieved the consciousness of high temperatures. The evidence of fine Pi Phi spirit everywhere will long be a most cherished memory.

Appointed as an alternate the Grand Vice-President shared the meetings of the National Panhellenic Congress in Chicago where Miss Onken became treasurer of the Congress for the ensuing two years and Mrs. Alford was chosen for the chairmanship of the national fraternity magazine editors' conference, two outstanding honors for Pi Beta Phi.

It was a very great privilege and joy to install the new chapter at Willamette University where fifty-five actives became charter members of Oregon G. The three day event, highlighted by the installation itself, the beautiful banquet attended by representatives of all chapters of the province and by alumnae from throughout Oregon, the presentation of the new chapter to the university and to the community at a tea held in the home of the university president whose wife, Eugenia Brooks Smith, Indiana I, was chairman of all installation arrangements, brought renewed fraternity loyalty to all in attendance.

To her assistant, Marianne Reid Wild, to her province vice-presidents, to the Director of Central Office, to the others of Grand Council and especially to the alumnae everywhere who have carried on the alumnae work to such successful conclusion in addition to the myriad extra duties demanded of them, the Grand Vice-President expresses her heartfelt appreciation. Continued fine cooperation will insure the best efforts of this year becoming better in 1944-45.

Respectfully submitted,

RUTH BARRETT SMITH

REPORT OF THE GRAND SECRETARY

IT SHOULD BE a source of pride, satisfaction, and thankfulness for the members of the Fraternity that during these days when the bodies and souls of all of us are being taxed to their utmost, the Pi Phis who make up the Standing Committees and the

Alumnae Advisory Committees are continuing to give of themselves to strengthen Pi Beta Phi.

In accepting appointment on these committees over five hundred women of the Fraternity pledge themselves to the responsibility of creating and fostering

in the chapters of Pi Beta Phi those forces which help to produce creditable chapters on our campuses and fine girls to assume places of importance in the future world. That Fraternity depends upon the influence and the judgment of these alumnae not only in guiding the chapters but in the reports they make on them, for the reflections of their reports recorded on the yearly Standardization and Survey Report are contributing factors in establishing the winners of the Balfour Cup, the Stoolman Vase, and the Philadelphia Vase.

The supervision of these committees is entrusted to the Grand Secretary. Contacts with Standing Committees are maintained through the publication, *THE LEADER'S DIGEST*, and by personal correspondence as occasions demand; with the Alumnae Advisory Committees by means of two sets of questionnaires during the year and by letters dealing with specific problems. In normal times the Manuals provided for all committees serve as monthly guides, and they are supplemented by personal letters and instructions. During the past year the Manuals have been followed as closely as changed school programs and campus conditions would permit, all unusual circumstances and problems having been given special and individual consideration.

During the year the Grand Secretary has supervised three new chapters,—Indiana E, Connecticut A, and Massachusetts B—and has had under her guidance chapters needing special Grand-Council supervision. All of these chapters have responded to the help

given them, Indiana E having completed the two required years of contact with the Grand Secretary. Added to this group will be the two newest chapters,—Oregon F and Maryland B.

Regular duties involved in acting as corresponding and recording secretary for the Fraternity have been carried out and other constitutional duties have been performed as required.

Personal contacts with active chapters, with Alumnae Advisory Committees and with alumnae clubs bring new inspiration and enthusiasm to an officer. This has been especially true for the Grand Secretary in her visits to Pennsylvania B and F; Ohio A, B and Δ; West Virginia A; Illinois A, B-Δ, E, Z and H; and Wisconsin A, B and F. It was a joy to see old friends and to make new ones in the Pittsburgh, Delaware and Decatur Alumnae Clubs, and to meet the Alumnae Advisory Committees, personally instead of by letter, at the time of each chapter visit. The visits with the chapters, themselves, are a source of many happy and interesting memories.

It is, indeed, a privilege as well as a responsibility to be an integral part of something which is secure and permanent, and worth preserving; which recognizes the importance of clinging to ideals and of cherishing friendships. All of this—and more—is Pi Beta Phi, and service in such an organization is a privilege and an honor.

Respectfully submitted,
LOIS SNYDER FINGER

REPORT OF THE GRAND TREASURER

Champaign, Illinois
September 1, 1944

To the Grand Council of the
Pi Beta Phi Fraternity

COMPLYING with instructions received, we have examined the records of Lois F. Stoolman, Grand Treasurer and Chairman of the Board of Trustees of Pi Beta Phi Fraternity for the fiscal year ended July 31, 1944, and have prepared therefrom and attach hereto statements setting forth the financial condition of the Fraternity as at July 31, 1944, and the result of operations for the year ended that date as disclosed by such examination.

Cash receipts from all sources were traced into the various funds in the Treasurer's records and were found to have been properly deposited in their respective bank accounts. Cash disbursed, as evidenced by cancelled checks, has been com-

pared with the Treasurer's records and found to be in accord therewith. Securities belonging to the various funds are carried on the books at cost price.

All securities and cash balances have been verified by actual examination or from certified statements of cash and securities on deposit prepared by the various depositories.

The records of the Grand Treasurer are in excellent condition and all entries have been made currently. It is my opinion that all transactions for the year under review have been properly accounted for and I believe the accompanying Balance Sheet fairly presents the financial condition of Pi Beta Phi Fraternity on July 31, 1944.

Respectfully submitted,
LELAND R. JACOBS
Public Accountant (Ill.)

LOIS F. STOOLMAN

Chairman of Board of Trust Funds

ARROW EDITOR

THE ARROW has had a war time face this year, using fewer pages, but with more words per page, and as a result we have been able to use almost as much material as in years past. Margins are half as wide as they were; articles are crowded, with smaller spacing between them; no change has been made in type, since we now get on a page the maximum number of words consistent with ease of reading. We returned to a blue cover with printing in wine colored ink, using as background the little carnation cut once designed by Mabel Scott Brown. The cover change seems to have pleased the fraternity, judging from comments received, and we may continue to use it, perhaps for the duration: it will however be subject to possible change, if we cannot get the cover stock in blue. The manufacture of these papers in many colors has already been discontinued, and more may be affected in the future.

We have again been seriously restricted as to paper consumption. Our large circulation requires the use of so much paper that we come under strict government restrictions which require that we use one fourth less paper than we did in 1942, making our allowance 65,000 pounds, or about 33 tons. With the bill for each issue now comes a statement as to the amount used for the year to date, including the amount available for the rest of the year, which is now counted from January to January. From this the next issue may be planned. We ended last year with a surplus of over 5000 pounds, which has helped on the year; it seems wise to keep at least that much margin ahead for possible emergencies as to extra material which must be included. We finished the May issue with enough paper to our credit to allow an Information issue of the same size as last year, 140 pages on the same thin paper as before, and a possible December one of 128 pages; but for safety's sake, these issues will be kept well within these limits. Paper can now be ordered for the entire year, but will be delivered only for each issue as required, and there is uncertainty as to the grade of paper and the color of the stock we can get. Our use of the lighter 50 pound paper began with the December issue, and so far we have been able to get all we could use, and in cream color.

The lighter weight paper does not allow as good reproduction of cuts as did the heavier kind, so again we must blame the war for a lessening in quality. All cuts used this year have been the best copper engravings, as our issue is now too large to continue the use of zinc, which wears out with use. Cut proof comes to the Editor on a very heavy type of book paper, and it is interesting to see how well the pictures look on that, and how greatly the lighter paper reduces their effectiveness.

Early in the year, Central Office made the suggestion that the alumnae personals and the directory pages be held a little longer than the deadline, then sent directly to Banta's, with a copy to the Editor. The printing of the ARROW has several times been a matter of great difficulty as a result of late material, and also because some material has been lost in the mails; these are things which cannot be expected and planned for, but are nevertheless hard to handle.

The Editor is happy to report that the fine ARROW staff has remained unchanged through the year. Mrs. Armstrong submitted her resignation in the spring for fear her husband's new Navy duty might make her work impossible. We are holding up her resigna-

tion for more definite news, since her service is too valuable to lose unless it is necessary.

During the year the Editor has had the privilege of attending the Editors' Conference held in Chicago at the time of National Panhellenic Congress; of this a report appeared in the March ARROW. On the same trip the Indiana chapters were visited. In the spring visits were made to Kappa Province; and later in the spring on the way to Grand Council meeting a visit was made to Menasha for conference with the publishers of the ARROW. On the same trip the Editor had the pleasure of having dinner with some of the girls of Wisconsin I and attended their meeting; and while in Washington attended the installation of Maryland B. The Editor wishes again to express her thanks to all those fine Pi Phi's for their courtesy and gracious hospitality.

On the Kappa Province trip the Editor made an important and inspiring visit to the National Historian and with her went through the national archives. As a result of that visit, the Editor wishes to make the following recommendations for future action as to the preservation of irreplaceable records of the Fraternity:

1. That a small permanent fireproof structure be erected at Holt House, with a vault for storage of most precious papers and relics.
2. That additional space be provided there for a museum of Pi Beta Phi articles.
3. That leather folders of simple design be provided for storing old papers.
4. That pictures of historical interest be simply framed at once for their preservation.
5. That a special case of some sort, fireproof if possible, be provided for the original copy of the constitution.
6. That uniform book cases be provided for the growing library of Pi Phi's authors.
7. That the complete ARROW file in the Historian's possession be bound in uniform style, perhaps later in leather.
8. That some form of separate permanent files be established for chapter histories.

These recommendations are made with the thought in mind that respect for tradition among new members may be cultivated if they know that our precious things are being given such treatment.

In connection with this visit, the Editor learned that the Muskogee Club is undertaking the indexing of the ARROW file.

Again this year the Banta Publishing Company has worked under the handicap of war conditions. Of the 125 Banta men who went into the service, only 8 have been returned from the service. Government regulations bear heavily on the printing business, and some companies doing no government printing have been forced out of business. Banta's is called a "critical industry," because a high percentage of its work is done for the government such as the *Blue-jacket's Manual*, besides many school text books. At the main plant they have continued to give preference to their fraternity magazine work, and besides have several leased plants.

Cost of printing the ARROW is included in the report of the Grand Treasurer, and as usual is not repeated here, except to say that the cost per copy figures to a little over twelve cents.

Again this year national officers and alumnae everywhere have been most helpful in sending in

material about Pi Phi activities. The Editor must apologize for the fact that lack of space, never lack of interest, has forced the omission of much valuable material.

Fraternity Magazines, Associated, has returned to activity with Stewart Howe's release from the Navy, and he is again making an effort to interest advertisers

in our medium.

Again the Editor wishes to express her gratitude to her staff, to Grand Council, and to Mr. Bachmann at Banta's for much assistance during the year. It has again been a privilege to serve the Fraternity.

Respectfully submitted,

ADÈLE TAYLOR ALFORD

ASSISTANT TO THE GRAND PRESIDENT

RUSHING, pledge training, health certificates, and banking—take a little of each and run them together and you have the responsibilities of this office almost each day. Variety, but a very interesting variety. Of course, some months of the year are more important for one responsibility than another, as, for instance, rushing belongs on the whole to the Fall months, although it is carried on during the twelve months of the year whether it be actual rushing or preparing for rushing.

Dates of major rush periods are on the whole in September and October, and will be again this year, although a few chapters have to hold their major rushing as late as November and December, and then there are the two or three chapters which rush after Christmas. Rushing results were again satisfactory. Fifty-three of our chapters are on campuses where there is the quota or limitation system. However, we continue to pledge sufficient quantity as well as the fine quality.

Three questionnaires were sent to rush captains this year and from the replies received a fairly adequate picture of rushing and its results was gained. The chapters are realizing more and more that early preparation is necessary to successful rushing. We cannot stress too often the need for plans well laid months before the rushing period arrives; a list of rushees started early in the year; education of new members and pledges so that they can play their part in rushing; and co-operation between members and between chapters. Many of the rush captains have voluntarily sent very helpful material which has been shared or will be shared with other chapters.

One questionnaire was sent to the pledge supervisors during the year. From it we were able to ascertain the plans for the pledges. Although we use a similar guide for pledge supervision from year to year, we are always pleased to receive worthwhile suggestions for adding to our pledge training. It is such an important phase of our fraternity work; we cannot consider it too carefully.

Ten meetings for pledges before initiation are required, but most groups held well over ten. It is planned that we develop a pre-initiation program in addition to the regular meetings; this program to take place during the week or days before initiation. Many chapters already have such a program but it is hoped that one will be worked out for all chapters.

Such a plan has already been somewhat developed, but lack of time has prevented its being drawn up in detail.

Completed health questionnaires showing that all employees handling food in Pi Phi chapter houses had a clear bill of health before employment are required by October 15 each year. However, numerous delays occurred due to frequent changes of employees and a shortage of medical examiners. At the time of the writing of this report there are still thirteen chapters with houses who have been unable to comply with this fraternity regulation. The regulation is a precautionary measure and we cannot stress too much the need for complying with it, especially, these days.

My sincere gratitude goes to the Director and staff of Central Office for the printing and distributing of my letters and questionnaires, and for the many other services extended to me during the year.

It is difficult to put into words what a pleasure it is to hold office, and although most of the contacts are through correspondence, yet there is often quite a friendly relationship developed through interchange of letters. I was glad that I was able to have a more personal contact last Fall, when I represented Grand Council at the conference of chapter presidents of Theta Province. I enjoyed very much meeting Mrs. Bingeman, Theta Province President, and these officers, and hearing and taking part in their discussions. If these girls are representative of our fraternity, and I think they are, we can well be proud as always of our Pi Phi actives.

I mentioned previously that banking was part of my duties. This banking is for clubs and chapters in Canada. It is not a chore but does add to my responsibilities. However, it has added to my fraternity contacts, and has kept me in closer touch with former friends made at Pi Beta Phi conventions. It is unfortunate that we have to forego the inspiration gained from such gatherings, but we are fortunate to be guided through these trying days by such fine women as the members of our Grand Council. Once more, may I say how deeply grateful I am to each one of them, and particularly to Miss Onken, for the assistance extended and interest given so willingly.

Respectfully submitted,

ISABEL A. CLARK

ASSISTANT TO THE GRAND VICE PRESIDENT

DESPITE the ever present problem of "the older women are busy in war work, and the younger ones have young children and no help," alumnae clubs have continued to function at the same high level of success. Pride and enthusiasm have marked their support of the new Psychotherapy Scholarships. Much emphasis has been placed upon friendship, and with the moving about of families alumnae clubs have a

great many times been the means of getting acquainted. For the member of many years standing in the same community clubs have been the "escape" from the press of war duties and yet they have made their contribution through the general efforts of the clubs. It can be truthfully said that because of our special privileges as college women, and as members of Pi Beta Phi we have met our special responsibilities.

This officer realizes more deeply than ever the joy and inspiration of serving the fraternity and of working with Ruth Barrett Smith and the other members of Grand Council. The monthly letters from the Province Vice-Presidents have kept me informed of the fine work of the clubs in their respective provinces. These officers have notified me of the possibilities for new clubs in their provinces and follow up letters have been written in an effort to stimulate groups to organize new clubs. A general letter was written in the early spring to localities where there were twenty-five or more members resident. The quick turnover in resident members made Central Office lists rather inaccurate and final analysis found fewer members in residence so that this effort was not highly successful. Nevertheless three new clubs have been chartered due to the enthusiasm of the local members. They are the Fox River Valley of Illinois, and the Lansing-East Lansing, Michigan Club. These clubs are making a real contribution to Pi Beta Phi and are making the fraternity better known in their communities.

Individual correspondence has been maintained with the Mothers' Clubs. We attended a meeting of the Indiana F and Indiana E Mothers' Club meetings. Interest was expressed by mothers of the Illinois Z chapter and material for organizing a club was sent to them.

The work of the Army and Navy Auxiliary has been carried forward under the leadership of Betts Hawkins Custer. A great many service wives and daughters have become active members of the Alumnae Department and clubs have been urged to make spe-

cial efforts to seek out and enlist the interest of these members of the fraternity. To those who are members of service families we make an urgent plea to continue your affiliation actively. National alumnae dues should be sent to the province vice president of the province concerned when an alumnae club does not exist nearby.

A visit was made in the fall to Bowling Green University at Bowling Green, Ohio. Later in the year we had the pleasure of visiting the campus and the petitioning group at the University of Maryland, College Park, Maryland. It is with pleasure that we realize that this group has become our baby chapter—Maryland B. It was with real regret that we had to forego attending a meeting of the Washington Alumnae Club at this same time. Founders' Day was celebrated at the Michigan State Luncheon which was sponsored most ably by one of our new clubs—Lansing-East Lansing. We had the pleasure of meeting the group just pledged to Pi Phi Gamma at Michigan State College which is to petition Pi Beta Phi.

Suggestions for programs for the four required meetings for alumnae clubs are being prepared so that it may soon be in the hands of program chairmen for their use for the ensuing year.

To the Pi Phis we have met or written to we send greetings and thanks, with a special word of appreciation to the members of Grand Council for their always helpful counsel.

Respectfully submitted,
MARIANNE REID WILD

NATIONAL HISTORIAN

THE Nita Hill Stark Vase for the best history written for the school year of 1942-1943 was awarded to North Carolina A. This history was chosen because it gave a clear picture of chapter life, because it gave reports on accomplishments of individual chapter members, because it told of conditions at the University of North Carolina in war time, because it included pictures both formal and informal revealing chapter life, and because it included clippings with complete legends in the body of the writing. In addition to meeting these technical qualifications for the award, the Vase, the history was permeated with the spirit of North Carolina A as delicately and pleasantly as the perfume of the flower envelopes a magnolia blossom.

The winner of the Nita Hill Stark Vase for the school year of 1943-1944 is Iowa F. The chapter history written for Iowa F meets all requirements and too it is written in a manner which gives the reader an understanding of the chapter as a whole and of Iowa State College too.

The Historian regrets that she has not the space in which to mention the fifteen best histories received this year. They are all good and the Historian is pleased that Pi Phi historians are doing their work well.

The national archives has received gifts from members of the fraternity during the year. Cards were sent to alumnae clubs in the spring by the National Historian asking that alumnae send material they might have pertaining to the fraternity. The response to this appeal was not as large as was hoped it would be. The Historian is grateful for the material which was sent, however, and wishes to say that material will be most welcome at any time at which it may be sent.

All Pi Phis are asked to look through their papers and letters and to send whatever they may find which pertains to Pi Phi.

The following gifts have been received during the year. This list may bring to mind something which one might not have considered sending.

ACCESSIONS—1943-1944

Arrow file containing volumes 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, and 44 which cover the years 1904-1905 through 1928.

Banquet program from Eastern Conference of the Pi Beta Phi fraternity held in Washington, D.C. April 12, 1924. (song sheet included)

Pamphlet—Pi Beta Phi Settlement School in the Southern Appalachians—undated, with letters from Elizabeth A. Helmick and Emma Harper Turner, and a reading list on the southern mountaineers compiled by M. Alice Matthews.

Autograph Book of the 21st Biennial Convention held in Swarthmore, Pa., June 27 to July 1, 1910.

Sheet—The Meaning of Being a Pi Phi, by Agnes Mathilde Wergeland, Wyoming Alpha.

—all presented by
SOPHIE PARSONS WOODMAN, New York B

Historical Paper Number Two—Resume of Salient Points in History of Pi Beta Phi (1910)

Catalogue—Michigan Alpha—1867-1898.

Booklet—Michigan Beta of the Pi Beta Phi fraternity with questionnaire.

Banquet program Nov. 29, 1901 at Hotel Baltimore, Kansas City which Fannie Read Cook attended as president of the Alumnae association.

Paper—Michigan A songs.

Michigan B of Pi Beta Phi association annual report Apr. 1, 1927.

Founders' Day and 40th anniversary of Michigan B, Apr. 28, 1928.

Newspaper clippings—Three having to do with the 17th Biennial Convention, Syracuse, N.Y.

Collection of newspaper pictures and articles concerning Grace Goodhue Coolidge, Vermont B. (11 articles and 40 pictures)

Picture—Ohio B 1901.

Pi Phi Grand Council badge for the Convention held

in St. Louis, Missouri, June 28-July 1, 1904.
 Letter she wrote to Pi Phi on February 18, 1924 by Anna R. Nickerson concerning the plans for a portrait of Grace Goodhue Coolidge.

—all presented by
 FANNIE K. READ COOK, Michigan B

Copy—Michigan State News, April 29, 1944.
 Founders' Day Program—Pi Phi Gamma, East Lansing, Michigan, 1944.

Place Card of Founders' Day celebration at Pi Phi Gamma, April 1944.

Page from Michigan Alumnus, June 20, 1942, page 417-418).

Picture 75th anniversary celebration of Pi Beta Phi at the Michigan B chapter house, April 25, 1942.

Pages 257, 258, 259, 260 from the March 1943 ARROW.

Banquet program—50th anniversary of founding of Michigan B B. Held on April 30, 1938.

Three printed letters to the alumnae of Michigan B—1941, 1942, and 1943.

—all presented by
 REBECCA DOWNEY WHITE, Colorado B, Michigan B
 Newspaper clippings from the Baltimore *Evening Sun*, (1) concerning Emma D. Sippel, Maryland A (2) concerning Mrs. Richard TeLinde (3) concerning Jean Dockhorn, Maryland A.

—presented by
 MARY ELLEN MICHEL, Maryland A

Clipping concerning Kappa Province Conference held in Oklahoma City in 1941.

—presented by
 ELIZABETH BOYD REYNOLDS, Oklahoma A

The above accessions do not include the books, poems, articles, and music written by the members of the fraternity which have been received. These have been filed in the Pi Beta Phi Library by Majora Carey, Missouri A. Needless to say the Historian is

anxious to enlarge the Library and will welcome all gifts for the collection.

Since the last report the Historian has visited unofficially in the home of Texas A at Austin. She was the guest of the members of the chapter who were in school in July 1943 for tea one afternoon. It was a pleasure to meet Mrs. R. B. Thrasher (Dorothy Hill), former chairman of the committee on Chapter House Building and Plans, and Mrs. Edmund T. Miller (Emily Maverick) who wrote the history of Texas A from its beginning through 1936, and to see again Mrs. Raymond M. Hill (Frankie Cochran) who has served the fraternity in several capacities, and to get to know the fine girls of Texas A.

The Historian was especially pleased to have Mrs. T. N. Alford (Adele Taylor), ARROW Editor, in her home city in April. Mrs. Alford and the National Historian spent several hours checking the archives and discussing the proper care for the material now in the archives.

Several volunteer members of the fraternity are now working on the index of the ARROW file. This should be completed before the next report of the Historian.

The Historian wishes to express her appreciation to the Grand President, the ARROW Editor, the Director of Central Office, and other Pi Beta Phis who have aided her and encouraged her throughout the closing year.

Respectfully submitted,
 FRANCES ROSSER BROWN

Pi Beta Phi Magazine Agency

IT IS A PLEASURE to report the most successful year the Pi Beta Phi Magazine Agency has had, in spite of heavy restrictions imposed by publishers, due to paper shortages—and in spite of the handicaps suffered by magazine chairmen who were forced to turn down much business and make many complicated adjustments.

Commissions for the period beginning May 16, 1943, and ending May 15, 1944, amounted to a total of \$6,779.02 . . . an increase of \$958.52, or approximately 16% over the corresponding period last year.

Of this amount, alumnae clubs contributed \$5,546.65 . . . an increase of \$749.80 (or approximately 16%); and chapters contributed \$1,183.17 . . . an increase of \$295.64 (or approximately 33%).

In addition, individuals contributed \$49.20.

The full amount of commissions has been paid to the treasurer of the Settlement School Committee.

Bonuses, prizes, and refunds brought in a total of \$286.67, to help defray some of the operating expenses of the agency.

The contest winners for the year 1943-44 were:

ALUMNAE CLUBS

Denver, Colorado, Alumnae Club, Marjory Walker, Chairman, \$10.00 prize for making the highest total commissions (\$328.42)

Bloomfield Hills, Michigan, Alumnae Club, Mrs. H. Walmsley, Chairman, \$10.00 prize for making the highest per capita commissions (\$5.44)

DuPage County, Illinois, Alumnae Club, Mrs. J. B. Crabtree, Chairman, \$5.00 prize for making the highest percentage increase (2720%)

ACTIVE CHAPTERS

Indiana E, Jean Traut, Chairman, \$10.00 prize for making the highest total commissions (\$82.20)

Pennsylvania I, Joan Thatcher, Chairman, \$10.00 prize for making the highest per capita commissions (\$1.63)

Arizona A, Leota Redewill, Chairman, \$5.00 prize for making the highest percentage increase (2146%)

One of the most gratifying developments this year is the increase in number of both clubs and chapters contributing to the profits of the agency. Last year and the year before, 66 chapters and 177 clubs participated—the same number each year. This year

(1943-44) 77 chapters and 184 clubs contributed to the profits.

The director of the Magazine Agency wishes not only to thank those who have made the success of the agency this year, but to call to the attention of all individual Pi Beta Phi subscribers the fine work done by their magazine chairmen under trying wartime conditions.

A curious and stimulating fact is that 90% of our alumnae clubs and 90% of our active chapters sold subscriptions this year. If this can be raised to 100%, and the law of averages holds, with per capita increases continuing, we can dare hope to give our Settlement School a sum in five figures before long!

Following is the financial statement for the year 1943-44. The previous year's commissions are also noted for comparison so that all contributors can see their gains or losses.

Respectfully submitted,
ADELE MURPHY

CENTRAL OFFICE REPORT 1943-1944

THE COST of maintaining the Central Office and purchasing supplies for sale to members of the Fraternity was as follows, from August 1, 1943 through May 31, 1944:

Salaries	\$ 5,634.39
Rent	443.61
Express and postage	1,503.19
Telephones and telegrams	222.44
Robes	451.64
Printing	1,056.26
Office supplies	506.78
Equipment	262.91
Bank charges	20.58
Ribbon	
Miscellaneous	2,240.61
	<u>\$12,344.41</u>

Receipts from chapters, individuals, and alumnae clubs for supplies, but not including fees and dues, were distributed on the record as follows:

ARROWS	\$ 7.90
Cook Books	398.55
Miscellaneous	1,293.41
Ribbon	247.44
Robes	682.77
Song Books	15.97
Stationery	240.30
	<u>\$ 2,886.34</u>

Membership statistics as of June 22, 1944 show a total of 40,062 initiates without counting initiates from our two most recently installed chapters—

Maryland B and Oregon I, since reports to Central Office are incomplete.

Number of initiates, fully authenticated, for the year through June 22, 1944 are 1,643.

Total members now living and in good standing are 37,814.

For further membership statistics, please turn to page 4.

There have been two important changes in Central Office during the past year. The office was moved from Marshall, Illinois to Decatur, Illinois—and it was made the clearing house for receipt of initiation fees, mailed direct by chapter treasurers—alumnae dues forwarded by Province Vice Presidents—and senior dues forwarded by Province Presidents. Payments for Treasurer's Bond and Bound ARROWS were also made through Central Office.

An entirely new staff, including the director, has been trained in the intricacies of Central Office work—and one of the most interesting lessons learned has been the fact that all fraternity work interlocks in a remarkable way. The responsibility of each one contributing to this work is interdependent on all others. Looking on from the vantage point of Central Office, one is fully aware of these ramifications and the splendid team work done by most of those entrusted with responsibility.

Respectfully submitted,

ADELE MURPHY

REPORT ON JEWELRY SALES

THE following items of jewelry have been sold to members this year:

Plain badges	165
Jeweled badges	1,688
Recognition pins	676
Mother's pins	202
Pledge pins	1,154
Miscellaneous	260
Total	<u>4,145</u>

The price of diamonds has sharply increased during the past year, and opals and turquoise are not avail-

able at present. Gold-plated recognition pins have been withdrawn by the official jeweler.

On April 1, 1944 the Federal Tax on jewelry was increased to 20 per cent, which created some confusion at the peak of business transacted during spring initiations. The Director of Central Office is grateful, therefore, for the cheerful attitude shown by chapters and individuals who were obliged to suffer cancellations, additional costs, or delays.

Respectfully submitted,

ADELE MURPHY

Notice to Pi Beta Phi alumnae with relatives in any of the North Carolina bases, training camps or college units:

The president and secretary of the Chapel Hill Alumnae Club, Edith Baker Giduz (Missouri B), and Harriet Wilmot Caldwell, (New York B), cordially invite you to write either of them if you are planning to be in the vicinity of Durham or Chapel Hill, N.C. By writing to either of these club officers at the addresses below, arrangements may be made to extend courtesies to you alumnae or to your relatives in the armed services.

Mrs. Hugo Giduz, 325 Tenney Circle, Chapel Hill, N.C.

Mrs. Wallace E. Caldwell, 412 E. Rosemary St., Chapel Hill, N.C.

Settlement School Reports

REPORT OF THE DIRECTOR

Community

LIKE OTHER places in the nation, Gatlinburg feels the impact of the war. Many homes in town display a service flag. The defense plants in the area draw a number of the men. Especially during the summer, when the tourists still come, almost every person in the village is working at something. High school children wait on tables at the hotels or help maintain the cabins. The necessity of keeping things going leaves little time for anything but work. The Red Cross uses a room in our Voorhies building for surgical dressing work. The town did well in their Red Cross and Loan quotas. The P. T. A. held rummage sales in our Crafts building. A number of librarians from the seven valley states serviced by the T. V. A. used the high school for a conference in May. The village library board sponsored a Pet Show for the benefit of the library at the school. The smaller animals were shown in the gymnasium and the show ring for the dog show set up on the lawn. The village library has a new children's room with pastel painted chairs, a mural that was done by a visiting artist and a gay table.

Old-Timers' Day was celebrated the last Saturday in June with the usual program of speeches, old harp singing, and contests in the gymnasium. Each year a smaller number of the real old-timers appear but the children and grandchildren keep alive this interesting and colorful event. At noon we served dinner to a number of old friends, with members of Grand Council and the Committee who were still here, helping to augment the staff in their duties as hostesses.

School

Harmonious relations have prevailed during the year between the Fraternity and the County School Board. Our local member, Mr. Arthur Oakley, the County Superintendent, Mr. Theron Hodges, and the other members have tried to cooperate with us for the best interests of the school. For the first time a full time janitor was provided for the two buildings. He proved to be very good but left at the end of April to assume a better position with the University of Tennessee at their experimental farm in Knoxville. For the last month of the high school year Ben Fleming, the Superintendent, carried the janitor load with his other work. He had some help from high school boys. This summer the County has provided a man who has kept the lawns and shrubbery in fine condition.

The P. T. A. under the presidency of Mrs. Stupka, wife of the Park Naturalist, has done some good work for the school in their special reading project for the lower grades. They purchased a number of supplementary readers and supervised the reading of these extra books by hearing the children read aloud from them after school hours. Along the same line was a program presented at morning assembly by the third grade pupils. It was in the nature of a radio broadcast called "In Bookland." The youthful announcer was quite professional with a real microphone and loud speaker system. Some of the children were in costume representing favorite characters from story book land. As a result of these efforts the village library is experiencing a great increase in the circula-

tion of juvenile books.

The children of the Elementary School delighted every one with a very unusual program one evening in April. Drills, exercises and songs accompanied by Miss Evelyn Bishop on the piano, many of them given in charming paper costumes, made up the entertainment.

In the Home Economics classes some interesting projects were—making a dehydrator, planning and serving meals to invited guests, with the study of proper table manners and deportment incorporated into the course. Boys enjoyed the food and learned at the same time. In the clothing work one girl made a suit for herself from a pre-war suit of her mother's. The Junior class completed over ninety pairs of Red Cross slippers for the Gatlinburg Red Cross Chapter. The freshman girls made very good looking aprons considering the fact that four of the girls had never sewed before and ten of them had never before used a sewing machine. At the completion of this project the class presented a clever assembly program in which the aprons were modeled in an original skit.

During the year weekly assembly programs were held which were given by the students three-fourths of the time. The Junior and Senior classes each gave a play.

When the diplomas tied with wine and blue were presented to the ten seniors a very successful commencement program came to a close. The Juniors banqueted the Seniors and faculty at the Mountain View Hotel. Class night, Baccalaureate and Commencement proper were all given in a dignified manner that upheld the best school traditions.

For a recreational program for the students in high school and the younger adults in the community, evening parties were held on each Friday. These were planned by a committee of the teachers, the Director, and a very few of the parents. We tried to vary the entertainments. Basketball was always a favorite pastime and evenings were assigned for games for both boys and girls. We had refreshments and decorations for parties honoring Saint Valentine and Saint Patrick. Admissions were charged for special affairs but on the other evenings a collection was taken to pay for the small rental fee charged for the use of the building.

Open House was one of the highlights of the school year. The County Superintendent and members of the School Board with their wives were guests at a dinner preceding the program in the gymnasium. Each room was open for inspection with samples of the class work and art projects attractively displayed. Both pupils and teachers were pleased with the number of parents who came to the program and the interest displayed in the work of the school.

Farm

Live Stock

During the year quite a little stock was sold. This may seem strange but was done upon the best advice we could secure. Feed is very high and with no Agricultural teacher to use the stock for class and demonstration purposes it seemed best to keep only the best animals and ones from which we might receive some revenue. We sold three cows and one heifer that it was impossible to breed. We also sold

four male calves. At present we have three cows and three fine heifer calves. Four old pigs and a number of small ones were sold, leaving us one young boar and one other pig.

The mules have proved to be a good investment. They eat less than horses and have earned some money for us doing plowing for other people. Carl is good with chickens so we have bought nine hundred baby chicks. We have sold broilers to Mr. Andy Huff of the Mountain View Hotel and pullets to others who wished to start a good flock. In addition to some for use in the kitchen we have a very fine flock of pullets for early egg production late this summer and early fall. Mr. Huff pays retail price for all the eggs that we can send him. With the surplus milk Miss Hodgen has made cottage cheese which we have sold to Charlie Ogle's Store.

Garden

Upon the advice of the County Agent less garden was put in this year. The extra ground was used for hay crops for the livestock. Garden seeds were almost double the price paid last year. With practically no help it is not going to be possible to do much canning. We have a good market for any surplus vegetables through the local stores. A new asparagus bed, a strawberry bed, and a good variety of rhubarb roots were set out for future use.

Dormitory

Miss Hodgen has been in charge of the house-keeping and the students too. We had seven girls and one boy during the year. The girls were allowed to live in Stewart with Miss Hodgen sleeping there to chaperon them. The one boy lived in Pollard.

For over two months we were unable to find a cook. During this emergency Miss Hodgen took over the duties of the cook in addition to her other duties. She fed us well.

Three of the dormitory pupils have settled their accounts with the school in full. Two other girls brought us canned applesauce and blackberries to apply on their bill. Another girl is working at one of the hotels this summer and will settle up her account from her earnings.

Health Center

Mrs. Chalmers has been busy with the regular inspections and inoculations. Classes were held in First Aid and the clinic hours have been of great help to new mothers. The names of thirty-one mothers and fifty babies were added to the nurse's files. She also gave her assistance several times during de-

livery. Advice on diet and other physical needs has resulted in a number of children being sent to various outside agencies. Forty or fifty children were sent to an oculist and five others were patients of crippled children's clinics. Five were referred to specialists in tuberculosis.

There were: 1193 field visits during the past year; 2394 office calls; 4129 individual inspections; 873 typhoid inoculations given.

Sigma Phi Gamma again gave the school \$50.00. One of their chapters at Kenton, Ohio, sent us a box of hospital supplies and a box of worn clothing to be given away.

Arrowcraft

During the past year the shop has been in a rather unusual position. Instead of trying to find new outlets and make more contacts for our products it has been impossible to supply the demand. The superior quality of our weaving, the loss of foreign markets and their very reasonable price sell Arrowcraft products without effort. Alumnae clubs and active chapters have been faithful in marketing our wares.

An exhibit of Arrowcraft goods was sent to Brooks Memorial Art Gallery in Memphis, Tennessee, and several articles were included in a traveling exhibit assembled by Lou Tate of Louisville, Kentucky. Both of these received very favorable comment from the public and the press.

Some materials are getting hard to procure and some of the most loved designs have had to be discontinued in an effort to stretch the available threads and colors over greater production. All linen weavings will be very limited. Linen towels will have but one colored border. Due to the inability to secure proper yarns, baby items will be very limited. Even if we had the largest inventory of weaving supplies in the history of the program and are unable to replenish them we will have to reduce the program in 1945 if the present weaving program is continued.

Clubs and chapters have been generous in their gifts to the school during the year. Our Christmas treat lacked the usual oranges but red apples and a gift for each child in the elementary school was provided. Some clubs and individuals have contributed books for the school library. We thank each one of you for your thought of us and wish that you might see how very much such gifts are appreciated by the children. May we ask for your continued loyal support to the Pi Phi Settlement School in the Smokies?

Respectfully submitted,

RUTH DYER

CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

ON THE WALL of a church in Leicestershire, England, is a tablet which reads: "In the year 1653 when all things sacred were, throughout the nation, either demolished or profaned, Sir Robert Shirley, Baronet, founded this church, whose singular praise is to have done the best things in the worst times and to have hoped them in the most calamitous."

A similar tablet might well be engraved for Pi Beta Phi; for throughout the periods of war and depression, and particularly now when for a second time in the history of the Settlement School, the greater part of the world is an inferno of war, and the rest of the world is gearing its every effort to the winning of that war, the active and alumnae members of Pi Beta Phi are continuing their splendid

support of its project in the Smokies—a project which is in truth one of the "defenses" on our American home front.

Beginning with practically no help from the community, Pi Beta Phi, through the years, has built a lasting place in the hearts of the mountain people, besides the tangible "edifice" evidenced by a complete grade and high school, a Health Center serving a large area surrounding Gatlinburg, and vocational guidance which has taken a most practical turn in the development of Arrowcraft. The mountain people have relied upon Pi Beta Phi to bring them health, education, and the opportunity for economic improvement. And Pi Beta Phi has done these "best things" even in the worst times.

But the community has not expected the Fraternity to carry the entire load. As soon as conditions permitted they, through their County School Board, have assisted, first by paying salaries for a few teachers, increasing this until the culmination of one period of Settlement School history which came last spring as a successful conclusion to Ethel Copp's splendid chairmanship of the Settlement School Committee—the acceptance by the Sevier County Court of the financial responsibility for a basic program in both grade and high schools, to be on a par with that provided in other regular county schools.

In this first year under the Pi Beta Phi-County agreement, the necessary adjustments have been made with complete cooperation from the County Superintendent, Mr. Theron Hodges, and an assumption of obligations by the County Court which augurs well for a most satisfactory continuance of an amicable and workable arrangement implementing the agreement.

As you will remember, the proposal accepted by the Sevier County Court allowed the County use of our high school building and playground for a rental of one dollar a year, in exchange for which Pi Beta Phi retained its privilege of supervising the curricula and having equal voice with the County in the selection of teachers, fifty per cent of whom may be members of Pi Beta Phi. A secondary agreement with the County School Board gave them the use of our grade school building until eighteen months after conditions allow them to build a new elementary school on land to be purchased by them adjoining our Pi Beta Phi property. Two lists of equipment were made for each school—one to be considered covered by the terms of the agreement, by which the County would maintain and replace that equipment during the twenty-five year period of the lease. Equipment on the other list remains the property of Pi Beta Phi, to be used at our discretion by the County in their operation of the schools, to be replaced, in all probability, by Pi Beta Phi.

During the year, Sevier County has purchased a tract of land, one hundred by three hundred feet, situated so that the new grade school, when built, will be just back and between our present grade and high school buildings. It will face our property, although there will also be access to their building from a road behind it and paralleling the highway which runs in front of the Pi Beta Phi property.

The County has paid the salaries of all teachers except the Arts and Crafts, has assumed operating expenses of the buildings, including janitor service, has furnished the same supplies and equipment as is furnished the other county schools. Since these are less than is necessary to maintain the previous standards of the school, Pi Beta Phi has allowed the use of all equipment still held by the Fraternity and has supplemented the supply budget by a small amount.

Last summer considerable minor repairs were made in both school buildings, and the outside of the elementary school was painted, so that the buildings, when released to the County, were ready for school occupancy this past fall. Such repairs are the responsibility of the County this summer.

Schools

The Chairman has made two trips to the School this past year—the regular fall one being made the last of September and the first of October in order to coincide with the annual meeting of the Southern Highlands Handicraft Guild held in Asheville, and a second trip seeming advisable, she returned the last

of December to bring information to the new Director. On both occasions she visited the schools, and found activities and classes maintaining previous levels, thanks to the interest and careful planning of Superintendent Ben Fleming and his staff of teachers.

Ben Fleming's loyalty to Pi Beta Phi has been a source of much satisfaction during this year of transition from Pi Beta Phi to County direction of the schools. A man from the Bureau of Investigation who visited the school commented on his pleasure in meeting Mr. Fleming, saying, "He is interested in his work and the welfare of his students. Oh, how many teachers and principals I meet whose work is only a job!"

Some three hundred elementary school students were cared for by eight teachers, which might have been a sufficiency had it not been for the great predominance of students in the lower grades. As a result it was necessary to redistribute the pupil-load, making most teachers work with two class-levels. The twenty-six eighth graders graduating this spring have all indicated their intention to return for High School.

About one hundred were enrolled in the High School. Here again the number of teachers might seem adequate for the number of students, but it was necessary for each to teach several subjects in order that the students might have a well-rounded High School course, handicapped as they were by the lack of agriculture and Spanish teachers.

One of the few County schools to have a full staff of teachers, albeit another grade school teacher and an agriculture teacher were much sought after but not secured—the Pi Beta Phi school completed the year with the eight grade school and five High School teachers engaged at the opening of school, with the exception of one grade, the third, where a series of substitutes carried on until December when a teacher was secured. All have been reengaged for the coming year except this third grade teacher who resigned to teach elsewhere, but whose place has already been filled. Barring resignations during the summer, the schools will open next fall with the same size staff as this past year. Our regret in regard to the teaching staff for last year or the coming year is that it includes no members of Pi Beta Phi on its roll.

Athletic competitions between Gatlinburg and neighboring schools were discontinued, because of the drafting of the older high school boys and gasoline rationing and travel problems. Military drill and basketball came in for their fair share of interest locally. The addition of an outdoor basketball court, equipment for which was given by Pi Beta Phi, increased the facilities for practice greatly. Pi Beta Phi contributed other inexpensive athletic equipment, and it was found that discarded mattresses from the dormitories made excellent "bumpers" for use in the gymnasium.

The addition of a folk-dancing class by Lois Fenn, High School teacher, who has studied at the Campbell School of Folk Dancing, was greatly enjoyed by the high school girls. The boys even joined in the fun when this was added to the Friday evening entertainments for High School students sponsored jointly by the school and interested members of the community. Unfortunately local sentiment against "dancing" caused the cancellation of the class for the last two months of school, but it will be introduced next fall as a part of the physical education program.

A gift from the estate of Anna Mally De Castello of the Cedar Rapids Alumnae Club made possible the presentation of a new stage curtain for the High School auditorium. Funds were added from our

budget to supply a cyclorama for the back walls of the stage, and curtains for the doorways at each side of the stage curtain. The installation of these this summer will satisfy a long-wished-for desire on the part of the school students and staff.

Committee

The Settlement School Committee has consisted this year of the Chairman and four lovely Pi Phis busy with home or school responsibilities who have taken time to carry on a tremendous correspondence discussing in detail the many matters which must be decided in the interim of annual meetings. For their devotion to the work of Pi Beta Phi at Gatlinburg, and their splendid support and advice at all times, the Settlement School chairman is deeply indebted.

One matter of considerable importance to the future of the School and of concern for the Committee was that of securing a Director to serve after the resignation last spring of Elizabeth Peck. Throughout the spring and summer our capable and efficient Arrowcraft Manager, Ethel Snow, added to her already heavy schedule many of the duties of the Director. Because of her loyal assistance and willingness to serve during an emergency, the necessary preparations for fall were completed in fine fashion.

Beginning September first for two months, Agnes Wright Spring, former ARROW Editor and Historian, served as Acting Director. She brought to her office a thorough understanding of the history of the School and by virtue of having served recently on the Settlement School Committee a vision of their hopes for the future. But personal duties prevented her from remaining.

New Director

The Committee was indeed fortunate in being able to secure as Director Miss Ruth Dyer, an Iowa Pi Phi, with a charming personality and a broad background including educational, farm, and antique shop experience, who however could not assume her duties before December 20. Eunice Weaver, who served so capably as Director in the past, was prevailed upon to take charge during the interim. Thanks to her graciousness the School was not left without a Director during that busy season.

Since her installation as Director, Miss Dyer has handled the many problems arising at the School, augmented though they were by conditions due to the war and its effect on the community, with an understanding and efficiency that has borne out our original belief that she is ideally fitted for her present position at Gatlinburg.

Editor

Each member of the Settlement School Committee, besides conferring on general matters, has undertaken a certain specific duty as her individual responsibility. Beth Le Roy, in charge of publicity, has kept our ARROW readers in touch with the School by means of interesting news and human-interest stories and has published a monthly letter to province presidents and vice-presidents that gave them a wealth of information to pass on to active chapters and alumnae clubs during their visits or in regular correspondence. A reprint of "Who? What? How? Why?" has been circulated widely among Pi Phis, but fulfills its primary purpose when given to tourists visiting the Arrowcraft Shop.

Library and Films

Emma Woerner has been the Committee member

serving as adviser for the schools and the library, for which she is peculiarly well fitted by actual experience in rural schools and her present position as Principal of the Atherton High School in Louisville, Kentucky. Sevier County and the State of Tennessee contributed \$80.00 to the school library, which together with \$25.00 from the Chicago North Alumnae Club and 42.00 collected from library fees, added 122 volumes to our Grace Coolidge Library shelves. The total of 1401 volumes is splendid, and yet more books, especially in the fields of sociology, fine arts and nature study, are badly needed.

Miss Woerner has also had charge of the Settlement School films, sending them to eleven alumnae clubs, three active chapters, and at their request, to the Extension Division of the Department of Agriculture, Washington, and a Melrose, Massachusetts, High School group. Requests from two active chapters and three alumnae clubs had to be refused because the films were being used elsewhere at the time desired.

Treasurer

The Treasurer, Lolita Prouty, has been a very busy person, gratefully sending receipts for contributions to our loyal alumnae clubs and active chapters who remembered our "first in importance" Pi Phi project, even though the calls from other worthy projects were numerous. Introduced this year was our Memorial Fund, to which members or non-members may send contributions in memory of loved ones, an attractive engraved card announcing this gift being sent to the one whose loss is thus remembered.

Supervising the budget is not so pleasant a task, but this also falls to the lot of the Treasurer. This year, besides including the regular operating expenses, salaries of staff members, and minor repairs, two major improvements were added. A retaining wall was built back of Stuart Cottage to prevent hillside moisture from seeping into the back wall and floor, a condition which if continued might cause considerable damage to our fine new dormitory building.

A new water pump was installed when the original pump gave indications it could not last. The new one includes an automatic float so that no longer will residents of Teachers Cottage awaken to find no water available because a leaking faucet has drained the reservoir during the night.

Out of this year's budget also comes the expenses of a survey of the property, including a blue print and the placement of permanent markers along the boundary lines—a necessity now as the time approaches when neighboring tracts may pass from the original owners who are familiar with the uneven line of our property and who have always been friends of the Settlement School.

Arts and Crafts

Secretary Anne Munn not only produces exact minutes of our meetings for our reference, but acts as advisor for Arts and Crafts, where her own abilities and interests in this field make her ideas of great value to the Arts and Crafts department of the School and in Arrowcraft.

The Arts and Crafts department is Pi Beta Phi's contribution to the school system as we bear all expenses for supplies, maintenance and operation of the Arts and Crafts building, and salary of the teacher. For the first time this year, definite art classes were held in the grade school under the direction of a supervisor. Miss Elizabeth Petrie supplemented the

projects of the various grades by correlating the art work to them, introducing Indian coloring and motifs into a study of that race, and the making of portfolios to contain the clippings for an eighth grade class. Believing that art for the children should show them the possibilities within their meager budgets she had them make their own Christmas tree decorations, and inexpensive articles for the home. Finger painting was popular with grade students, while High School girls made braided rugs and the boys refinished furniture and made simple wooden puzzles. A class of Girl Scouts continued Arts and Crafts classes during June, making puppets and learning to weave. The weaving done by grade school members showed the value of such instruction as insurance for the future continuance of Arrowcraft.

During the past year Winogene Redding, of the Arrowcraft staff, has been President of the Southern Highlands Handicraft Guild, an organization composed of individual craftsmen and producing centers to which the Pi Beta Phi School belongs. By virtue of her office, she served on a Joint Committee from the Guild and the Southern Highlanders, a marketing organization owning two shops, one in Radio City, New York, and the other at Norris Dam, Tennessee, some of whose stock is held by Pi Beta Phi. This Committee presented a program for handicrafts to the General Education Board of the Rockefeller Foundation, who accepted the proposed plan and granted a fund to the two organizations for a one year exploratory survey to be made by Miss Marion Heard of the University of Tennessee and one of three Arts and Crafts Advisors for our Pi Beta Phi Arts and Crafts program. The Settlement School is being included in this survey, at the conclusion of which a second program will be presented to the General Education Board for their consideration, which if accepted would include a further grant for assistance with the Craft program of all Guild members.

Arrowcraft

"1943-44 the best in history" became the surprise slogan for this year at Arrowcraft as nearly one hundred weavers produced more and alumnae clubs sold more than ever before. Although tourists were fewer in numbers those who came stayed longer and patronized Arrowcraft more. Faced with a rapid turnover in weavers because of husbands leaving for service, war work, or the coming of babies, and the difficulty of redesigning articles because of inability to secure duplicate materials, Gene Redding has maintained production at its highest level, some three times as much as the previous year. In line with general trends, it became necessary to raise our buying prices for articles made by the weavers, which together with the increase in cost of materials when replaced, made prices correspondingly higher on Arrowcraft articles.

Ethel Snow, Arrowcraft Manager, who continues to operate the Shop with efficiency, supervising local sales as well as filling mail orders, has had a problem also of apportioning the available articles to alumnae clubs who this year could have sold so much more than she could possibly supply. Indicative of this, besides the splendid financial report of Arrowcraft included in this Information ARROW is the fact that only \$100 worth of Arrowcraft goods was returned unsold in March 1944 as against \$800 worth in March 1943.

Mrs. Georgie Duffield has managed the shop at the Mountain View Hotel, keeping it open mornings and evenings, and spending her afternoons weaving her lovely afghans, orders for which keep her always

behind, although this year she topped her record with twenty-two completed afghans. The regular Arrowcraft staff of Bess, Lura, and Dorothy has been augmented this summer by Lois Nichols, Iowa I Pi Phi, and Mae McCarter, a this spring's graduate of our High School. The work of the bookkeeper has been augmented by the increased sales and also by the twenty percent federal tax on all jewelry and purses, effective April first. Arrowcraft is assisting the clubs and chapters greatly by collecting this and making the remittances to the Commissioner of Internal Revenue for them.

Health Center

Health education remains one of the emphases of the Health Center. A "new room," formerly used as a bedroom for teachers, was converted into a very pleasant class room, with a bed for demonstrations. A small black board was purchased, and an extra half dozen chairs brought over from the High School. Here ten women of the community completed a Red Cross course under the direction of our nurse, Marjorie Chalmers. Classes for the Girl Scouts were held in the Scout room at the High School, and informal talks were given once a month or oftener in the grades.

There still being no County Health doctor, Mrs. Chalmers has undertaken regular examinations of all elementary school children in seven outlying rural schools besides her examinations, first aid, and inoculations at Gatlinburg. Well baby clinics remain popular, and a source of much gratification as the health of the future generation is insured through the education of mothers, many of whom have attended our Pi Beta Phi Settlement School.

The nurse, in looking back over her eight years at Gatlinburg, feels that there has been a definite advancement, "that education, advice, and precept is having lasting and increasing effect on the lives of the people . . . it is not the spectacular for which we are striving . . . but the sane and steady betterment in human affairs; a safer community, more healthful homes, and normal, happy children." Her complete report as submitted to the County Health department shows that Pi Beta Phi is making an enviable record for the betterment of health conditions in the Gatlinburg area.

House, Farm and Maintenance

On the school demonstration farm, Carl Ogle, a Pi Beta Phi School graduate and student of agriculture at Berea College, has had full responsibility, with the Director, in the absence of any agriculture teacher in the schools. It was estimated that \$85.21 worth of vegetables were sold at wholesale prices to the school kitchen, and \$190.21 worth to the hotels and stores. Besides supplying the kitchen with eggs, milk and cream, 900 baby chicks were raised, most of which were sold as fryers to the hotel as well as the fourteen dozen eggs a week which layers supplied during part of the year. Cottage cheese, sold to Mr. Ogle's store, is applied on the purchase of necessary groceries.

Arlie Watson continued as maintenance man, rounding out sixteen years with the Settlement School. He is in constant demand as "fixer" for everything and is authority for the "where," "how" and "what" of the school equipment. Because of lack of boys in the dormitory, it was necessary to engage an additional man to assist Carl and Arlie; he also helps with some of the heavier cleaning in the absence of a maid.

Under Miss Hodgen's supervision the two dormitories have housed High School students who would

have been unable to attend High School without this accommodation. These work ninety-six hours a month, and pay only \$5.00 a month for room and board. Healthful and inviting meals were served to these students and the staff members and teachers residing at the School.

Future Greatness

Although shortage of labor had handicapped the Director and her staff considerably, the Settlement School has carried on a splendid program of activities, education, and handicraft. To all who have so ably assisted at Gatlinburg, giving, to the best of their ability, in spite of difficulties and problems which the best effort of the Settlement School Committee seemed unable to remove, go our heartfelt thanks. To the members of Grand Council, and especially to the contact member, our Grand President, goes the deepest appreciation of the Settlement School Committee for the inestimable assistance and encouragement given us. And to our host of friends in and out of Pi Beta Phi who have supported the Settlement School by purchase of Arrowcraft goods, by subscrip-

tions ordered through our Magazine Agency, or by financial contributions, we extend our thanks for your interest and assistance.

"Past greatness will be future greatness only if we pick up the torch and carry on." Pi Beta Phi has achieved very definitely a high place not only among fraternities but among other organizations as well, even including some whose sole and specific purpose is altruism, for the splendid history of its Settlement School in the heart of the Smokies. Realizing that Pi Beta Phi has an obligation to its own brilliant record of the past in Gatlinburg, we of the Settlement School Committee, despite the difficulties of present war conditions, with the continued assistance of loyal Pi Beta Phis, will pick up the torch lighted by our thirty-two years of service and carry on, pledging for the future our continued endeavor to promote the best interest of Pi Beta Phi and the Mountain people of Gatlinburg in our administration of the affairs of the Settlement School.

Respectfully submitted,

MILDRED ODELL SALE

PI BETA PHI SETTLEMENT SCHOOL, GATLINBURG, TENNESSEE - REPORT ON AUDIT, YEAR ENDED JUNE 30, 1944

August 4, 1944

To the Settlement School Committee
Pi Beta Phi Fraternity
Office of Settlement School Treasurer
Denver, Colorado

DEAR MESDAMES:

We have examined and tested the books of account and records of the Treasurer of your Committee for the Pi Beta Phi Settlement School for the fiscal year ended June 30, 1944, to the extent deemed necessary by us for an adequate audit for balance sheet and profit and loss statement purposes. The subsidiary records of the School and its Arrowcraft Shop at Gatlinburg, Tennessee, were not included in our audit. The report concerning those records rendered by Homer K. Jones and Company, public accountants of Knoxville, Tennessee, was accepted by us without further verification. Combining the data furnished by Homer K. Jones and Company and the information taken from the Treasurer's books, we have prepared the attached financial and operating statements.

In our opinion, subject to the following comments, the accompanying balance sheet and operating statements together with related schedules fairly reflect the financial condition of the Pi Beta Phi Settlement School at June 30, 1944, and the result of the fiscal year's operations.

The exact cash balance in the Royal Bank of Canada could not be determined for reasons set forth by us in the report for the previous year.

On July 1, 1943, the high school building was leased to the Sevier County Board of Education for a period of twenty-five years at a nominal fee of \$1.00 per year. The grade school building which in former years was rented to the Sevier County Board of Education for \$1,000.00 per year, was loaned to them from July 1, 1943, until such time as the new County grade school will be finished. Maintenance and repair expenses, water rent, and insurance for both school buildings are paid for by the Sevier County Board of Education.

Respectfully submitted,

BALLIN, MILSTEIN AND FEINSTEIN

PI BETA PHI SETTLEMENT SCHOOL, GATLINBURG, TENNESSEE

Fears of Minnesota Greek Ban Unfounded:

Fears that University of Minnesota authorities, regarded as not too enthusiastic about fraternities for a decade, might also attempt to ban fraternities, were put to rest by recent statement to contrary by Dean of Men Williamson.

Committee Reports

COMMITTEE FOR WAR WORK

PREVIOUS annual reports of the Committee for War Work have made reference to the contribution (in August of 1940) of Pi Beta Phi to the Red Cross—a total of \$5,000.00, with \$4,000.00 given to the American Red Cross, and \$1,000.00 given to the Canadian Red Cross. Last year's annual report told of the final decision to make Physiotherapy Scholarship Awards the NUMBER ONE War Project of the fraternity. By raising a fund, and distributing it to girls who wish to take a six months' Emergency Course in Physiotherapy in institutions of recognized standing, Pi Beta Phi is helping girls to train themselves as quickly as possible to serve in government hospitals as physiotherapy aides for the duration—and six months thereafter—and so give definite help in the war emergency.

During the year 1942-1943, \$4,000.00 from the Contingent Fund was made available by Grand Council for this Scholarship Fund, and 11 scholarships were awarded that year. When the writer assumed the duties of Chairman of this committee following the resignation of Geraldine Mars Ristine in October, 1943, there was \$70.00 in the fund, and several applications for scholarships in the file. The work seemed to divide itself into three distinct parts:

1. *The necessity for securing money for the fund.* This was accomplished through requests to clubs and chapters for contributions. Two form letters were sent to the Chairmen of Committees for War Work of each club and chapter. Two facing pages in each issue of the ARROW have told of the growth of the fund, and the scholarships awarded—from issue to issue.

2. *The acknowledgement of each chapter and club contribution.* Each receipt for a contribution to the Physiotherapy Scholarship Fund comes from the Grand Treasurer. A record is made of each gift, and a "thank you" note typed on the reverse side of every receipt blank. We do appreciate each gift, and your interest, you know!

3. *The distribution of these contributions through Scholarships* varying in amount from \$200.00 to \$400.00.

As of June 7, 1944, gifts from chapters and clubs totaling \$9,048.63 have been recorded and acknowledged since the latter part of October, 1943. (See attached list of contributions.) As of June 1, 1944, 20 girls have received scholarships since last October,

and \$5,900.00 has been distributed. This averages \$295.00 per scholarship—slightly less than \$300.00. In each case, the amount of the scholarship has been determined by the amount requested by each applicant in order to complete her course "comfortably." (See attached list of girls who have received awards, together with where they are studying.)

Pages could be written covering the delightful correspondence with the applicants, their letters of reference, and their colorful letters of appreciation. More pages could be written concerning the vital need for trained physiotherapists in government hospitals—for with each day of war the need becomes more tragically pressing. It is our earnest hope that your contribution this year—generous as it has been—will be doubled in your budget for 1944-1945.

Our report would be most incomplete, however, were we to not express our sincere appreciation for the unflinching help and courtesy of Dr. Frank H. Krusen, Director of Physical Medicine, Mayo Clinic, who has cooperated with Mr. Bernard Baruch in Washington, D.C., during the past year, and from this vantage point has given us much sound advice. To the Grand Officers, the province presidents, the province vice-presidents, and each member of this committee is due very genuine recognition for the generous response to each request for money. Surely the organization of Pi Beta Phi is one which can produce results!

Early in February, it was decided by Grand Council that the Canadian member of this Committee, Mary Foley, should handle all correspondence, secure and record and acknowledge all contributions, and make all scholarship awards in Canada. A report from her will supplement this report.

Each and every contribution to this fund has been acknowledged privately. In closing this report, may we acknowledge each and every contribution publicly? It is your generosity which makes this work possible.

In acknowledging a recent Scholarship award, the applicant, a B.S. from the University of Ohio wrote: "I can think of no more worthy cause for a fraternity to sponsor than this—HELPING SO VERY MANY, THROUGH SO FEW."

On this note of SERVICE, this report is

Appreciatively submitted,

LOIS DONALDSON KOEHLER, *Chairman*

RECORD OF PHYSIOTHERAPY SCHOLARSHIPS

Awarded November 1, 1943-June 1, 1944

December 17, 1943

- Miss Betty Lee Wilson, 4818 Arlington, Ft. Wayne, Ind.\$200.00
 She is a Pi Phi now taking the Emergency Course at the University Hospital, University of Iowa.
- Miss Jane C. Bernreuther, 223 South Johnson St., Iowa City, Iowa\$200.00
 In residence at the University Hospital, University of Iowa
- Miss Mary Alice Boyce, 240 Lakelawn Pl., Madison, Wis.\$200.00
 She is a Pi Phi taking the War Emergency Course in Physiotherapy at the University of Wisconsin
- Miss Rosemary Johnson, 300 Bryant Ave. N., Minneapolis, Minn.\$150.00
 In residence at the University Hospital, University of Iowa

December 23, 1943

- Miss Marjory Gere, 67 Oswego St., Baldwinsville, N.Y.\$400.00
 Entered the Mayo Clinic at Rochester for the Emergency Course on December 28, 1943

January 18, 1944

- Miss Janet Crist, 2027 Wyandotte Ave., Lakewood 7, Ohio\$200.00
 An Alpha Phi, B.S. from Ohio State now in residence at Cleveland Clinic

February 15, 1944

- Miss Aileen Hewstone, 15910 S. Sawyer Ave., Harvey, Ill.\$200.00
 She has partially completed the Emergency Course at Northwestern Medical School where she is in residence
- Miss Eleanor L. Dickie, 177 North 18th St., East Orange, N.J.\$400.00
 Recommended by Dr. K. G. Hannson of the Hospital of Special Surgery, N.Y.C. where she is studying
- Miss Bibian Le May, 40 Wigglesworth St., Boston, Mass.\$400.00
 Recommended by Dr. Arthur L. Watkins, Director of Physical Therapy, Harvard Medical School where she is studying

February 23, 1944

- Miss Ruby Perkins, 1118 E. Acacia, Glendale 5, Calif.\$400.00
 Entered Children's Hospital, Los Angeles, February 14
- Miss Blanche Middleton, Department of Physical Education, The College of the Ozarks, Clarksville, Ark.\$400.00
 Enters Harvard Medical School for the Emergency Course starting March 10. Holds B.S. and M.A. degrees

April 7, 1944

- Miss Isabel Paine, 1127 N. Kenmore, Los Angeles 27, Calif.\$200.00
 Needs this help to complete her course at Children's Hospital, Los Angeles which began in February
- Miss Viola E. Nelson, 1036 Magnolia Ave., Los Angeles 6, Calif.\$200.00
 This will enable her to complete her course at Children's Hospital, Los Angeles, begun in February

May 18, 1944

- Miss Lucy Suhovich, 13 Broad Place, Brockton 7, Mass.\$200.00
 This will enable her to complete the Emergency Course at Harvard Medical School where she is in residence
- Miss Frances A. Brennan, 444 W. 7th Ave., Columbus 1, Ohio\$400.00
 B.S. from Ohio State. Her course begins July 3 at the Mayo Clinic, Rochester
- Miss Nan Dickson, 131½ S. Painter Ave., Whittier, Calif.\$300.00
 She will take the Emergency Course at Northwestern Medical School which starts July 1
- Miss Josephine Fleming, 5 Larkin Rd., Medford, Mass.\$250.00
 Has been admitted to Bouve Boston School of Physiotherapy with the course beginning June 26. B.S. from U. of Ill.
- Miss Beatrice Boericke, "Deepdene," Wynnewood, Pa.\$400.00
 Having worked her way through Sweetbriar College where she graduates May 29, she goes to Bouve Boston on June 26
- Miss Virginia Eager, 106 Spruce St., San Diego 3, Calif.\$400.00
 Graduate in Physical Education from San Diego State College. Enters Mayo Clinic for class beginning July 1

May 25, 1944

- Miss Maurine Morris, 1615 S. Fourth St., Terre Haute, Ind.\$400.00
 B.S. from Purdue University June, 1941. Has been admitted to Mayo Clinic for class beginning July 1

Additional applications awaiting replies from "references" are on file.

As of June 1, 1944, "disbursements" or Scholarship Awards totaling \$5,900.00 have been given to 20 girls.

REPORT OF CANADIAN CHAIRMAN

The Canadian Physiotherapy fund really started to function when Miss Onken announced that Grand Council so very graciously voted to award one four hundred dollar scholarship to Canada. The chapters and clubs were so very glad when I informed them of the fact. To date the following have made contributions; making a total of \$129.50.

Chapters:

Ontario B\$10.00	Clubs:	
Alberta A 5.00	Calgary\$10.00
Manitoba A 21.00	Montreal 21.50
Ontario A 30.00	Winnipeg 25.00
Nova Scotia A 7.00		

At present I have two applications on my desk. Both girls will be entering their second and last year this coming fall: and were recommended very highly by the Dean of Physio-Therapy at Toronto University. The fathers of both the applicants are deceased.

I would like to quote from a letter received from the Director of Toronto University: "I have brought your offer of Scholarship to the attention of Dr. Cody, President of the University, who is most grateful for your generosity and interest."

With kindest personal regards,
 MARY C. FOLEY

ADDENDA ANNUAL REPORT—PI BETA PHI WAR PROJECT—PHYSIOTHERAPY SCHOLARSHIP FUND

July 1, 1944

In response to the request from Grand Council that this report include contributions and disbursements up to July 1, 1944, it is my pleasure to add the following list of contributions of which I have made record since June 7, 1944:

Nova Scotia A and Halifax Alumnae Club . . .	\$ 60.00
Colorado A	10.00
South Hills Alumnae Club, Pittsburgh, Pa . . .	75.00
Columbia, South Carolina Alumnae Club	2.50
Memphis, Tennessee Alumnae Club	10.00
Okmulgee, Oklahoma Alumnae Club	10.00
Sacramento, California Alumnae Club	25.00
Peoria, Illinois Alumnae Club	32.75
Milwaukee Alumnae Club, Milwaukee, Wis. . .	13.50
Total	\$238.75

During a similar period, the following Physiotherapy Scholarships have been awarded:

Mrs. Phyllis King O'Brien, 431 Roland Road, Grosse Pointe Farms, Mich.	\$250.00
She holds a BA from Hillsdale College and has been admitted to the Bouve Boston School of Physiotherapy on June 26, 1944	
Miss Nona M. Fife, 8 Chipman Park, Middlebury, Vt.	\$400.00
She received her B.A. from Middlebury College	

June 18, 1944 having majored in Biology. She has been admitted to the Mayo Clinic with her classes beginning July 3, 1944

Total Disbursements \$650.00

Summary: Total contributions from clubs and chapters \$9,287.38
Total disbursements as Scholarships Awarded 6,350.00
One Scholarship Award held for Canadian Selection 400.00

Note: Seven applications for scholarships permitting the applicants to attend courses beginning early in September at The Cleveland Clinic, the University Hospitals of the State University of Iowa, etc., are awaiting awards. Money will be steadily given away through the summer months when it is reasonable to assume the flow of contributions will be largely discontinued. Fall will find the fund entirely depleted.

PLEASE PLAN EACH BUDGET TO PROVIDE FOR A GENEROUS CONTRIBUTION TO THE PHYSIOTHERAPY SCHOLARSHIP FUND NEXT FALL.

Again—THANK YOU for each and every gift.
Respectfully submitted,

LOIS KOEHLER, *Chairman*

COMMITTEE ON EXTENSION

THIS YEAR indeed is a big one for extension. The A A M group on the campus at Massachusetts State College, Amherst, became the 86th chapter of Pi Beta Phi, installation taking place on March 4. The first local organized on the campus, it held its place splendidly in comparison with already established national rivals, last year and this fall. The strength of this group and the campus on which it is located offered an unusually fine field for extension.

Most interesting and unusual is the installation of two new chapters in the month of June. The cancellation of convention influenced the decision of Grand Council to submit to Gamma and Lambda Provinces the question of chartering the petitioning groups at the University of Maryland, College Park, Maryland, and at Willamette University, Salem, Oregon. By the unanimous vote of the Provinces concerned, charters have been granted to B X of Willamette University and Pi Phi Beta of the University of Maryland. The installation of Oregon I took place June 2, 3, and 4, and that of Maryland B on June 17 and 18. B X is a local of many years' standing and prestige which gives it unquestioned first place on the campus. Pi Phi Beta at Maryland, while a young group, is made up of girls chosen carefully by resident Pi Phis and approved by the Dean of Women and it too holds a fine place on its campus and a promising future. Grand Council feels both of these groups will also give Pi Beta Phi splendid representation on campuses important in their fine educational rating and especially high type of student.

Interest continues to be focused in Ohio. At the University of Miami, the local Cenacle Club in its

desire to petition for a charter from Pi Beta Phi, has petitioned the Miami University Administrative Council and has been approved as a local sorority, Pi Phi on Miami's campus. The Administration seems to feel that there is definitely room for another strong national on their campus. At the University of Toledo, the Toledo Alumnae Club has been contacted by and is deeply interested in the Pi Phi group.

This committee was contacted by various groups both at Margaret Morrison Carnegie College and Liberal Arts College at Carnegie Institute of Technology but the situation there became so confused generally, that Council reached a decision that it was not interested at that campus to the extent that it would rush through any petitioning group. Also after considering very carefully the matter of a possible chartering of a group at Bowling Green University, Bowling Green, Ohio, Pi Beta Phi felt that the University is not a field for immediate entry.

A great deal of interest is being shown by the Lansing-East Lansing Alumnae Club in a local group at Michigan State College in East Lansing, and information has been requested concerning a local group on the Kent State Campus, Kent, Ohio.

Inquiries from the Phi Phi Phi group at Gettysburg College, Gettysburg, Pennsylvania, have met with cordial response and this committee is ever mindful of anything important which might develop in any of the above situations.

I wish to gratefully acknowledge the assistance received from both Miss Onken and Mrs. Finger.

Respectfully submitted,
MILDRED BOWERS BALIMAN

SCHOLARSHIP COMMITTEE

THIS HAS BEEN an exceedingly difficult year for the scholarship committee. Many colleges have changed their programs, some adapting to Navy or Army needs and almost all accelerating in some way. With these changes it has been hard to adhere to any set plans. Often when reports were due from the chapters the college office had not released information on which a report could be based. In many cases no comparative ratings were calculated for the year 1942-1943, in many others such data was not released until May or June of 1944. However, by enlisting the aid of college or city Panhellenics or by estimating from a comparison of grades over several years, the committee was able to give a rating to all but four chapters. The confusion in college offices seems to be a little less this spring and it is hoped that next year comparative data will again be released by college authorities.

The committee is happy to report seventeen chapters first on their campuses and forty-two chapters in the upper third. Eleven chapters were in the lower third and two of these were at the bottom. One of the two on the bottom came up the first semester of this year and it looks as if the other one will also be out of last place by the end of the year. This good scholarship is due to the careful supervision of the scholarship supervisors and to a real interest in scholarship on the part of the chapters. It would be helpful if the Alumnae Advisors on Scholarship would write regularly to the Province Scholarship Supervisors. Working together each would find his work more effective.

The committee is most appreciative of Grand Council's action in awarding the scholarship ring to each chapter. It is a real incentive for improved scholarship. The following chapters did not apply for a ring: New York Γ , New York Δ , Ontario A, Virginia Γ , Indiana

B, Missouri Γ , Florida A, Louisiana A, Alberta A, Oregon A, and California Δ .

"Honors" were reported this year, many being sent in. Such a report is due again and the national chairman would be most thankful for the name of any member winning scholastic honors. This applies to undergraduates as well as to graduates. Sometimes our actives are too modest and fail to let the scholarship committee know when they have won such an honor. The Fraternity is proud of these actives and wants to let all know about them.

The committee wishes to express to Grand Council their gratitude for the inspiration of working with them and to thank all members of the Fraternity who have by their assistance contributed to the good scholarship.

Respectfully submitted,
MARIE BORRIES, *Chairman*

COMMITTEE ON TRANSFERS

ALTHOUGH getting under way slowly this year for personal reasons, I feel that the Transfer Committee accomplished quite a good deal. In the Fall I wrote all the chapters asking for information regarding transfers from their own campuses, explaining the rules regarding affiliation, and also asking information regarding other undergraduates who did not return.

I had replies of varying completeness from all but eight chapters. From this I learned that 95 girls had transferred from forty chapters to thirty-five campuses. I wrote these girls, explaining the conditions of affiliation and also got in touch with the chapters on their new campus and the advisory committee members in

charge of transfers.

I also learned that 307 girls had not returned to college at all this year or had gone to colleges where we have no chapters. I tried to get all of these in touch with alumnae clubs. I had personal letters from over sixty of these girls thanking me for these efforts.

An attempted survey as to why these 402 girls did not go back to their original chapters for the year 1943-44 revealed marriage as chief reason. Others were: desire to be near family, military service, nurse's training, war work, health, special curriculum desires, and finances.

Respectfully submitted,
KATHERINE HOSMER, *Chairman*

COMMITTEE ON SOCIAL EXCHANGE

THE YEAR 1943 and 1944 has seen a great change, as we all know, in campuses all over the country and this change has been reflected in our Social Exchange Bulletins. Gone are the days of House Decorations and elaborate Homecoming plans. Gone are a great many of the expensive rushing parties—but many good old fashioned ones are taking their places. Entertaining for "our Boys" is the order of the day and many boys will go overseas with the remembrance of happy times at the Pi Phi houses all over the country. The chairman and her committee have tried to adjust the Bulletins to fill new needs and to add new columns concerning the war effort to take the place of some that have to be discontinued at the present.

In our Homecoming Bulletin in September the chairman urged chapters to make this Homecoming one long to be remembered that it might be the last one for a long time for boys who by next year would perhaps be far away from any college. The chairman looks wistfully at this Homecoming Bulletin, our last for perhaps the duration, and contrasts sadly the few contributions this fall showing on how few campuses is Homecoming celebrated today. In this Bulletin our new column "Parties for Our Boys in the Armed Forces" made its debut. We are adding two new columns next year "Our Contribution to the War Effort" and "Our Sale of Stamps and Bonds." These will appear in the Founders' Day Bulletin. We heard from a great many chapters this fall and hope next fall to hear from every chapter.

Our Founders' Day Bulletin was not published this year owing to a number of factors which were unavoidable. The difficulties we all, actives, alumnae, and National Committee members, work under in a war-torn topsy-turvy world are such that the chairman feels great pride and thankfulness that we can continue the Bulletins at all.

Next year's Founders' Day Bulletin will contain two years' material and we hope more chapters will send in skits of which there has been a sad lack this year.

Our new Rushing Bulletin now on press is very fine and compares in every way, with the exception of stunts, to last year's. This considering the increased difficulties and restrictions under which our actives are rushing on every campus, seems quite remarkable.

Their spirit of ingenuity and resourcefulness is everywhere shown in the reports of this year's parties and though the usual clever skits are lacking, the spirit of devotion to our ideals, the sacrifice of small pleasures and luxuries for one's country, the desire to help with the war effort give one a renewed faith in the future.

The trophy for Cooperation goes this year to Illinois E, a chapter whose work has always been good. She gave us four outstanding rushing parties, all used in the Bulletin, besides handing in good material on Founders' Day, Homecoming, and our new column. There has been no really outstanding stunt this year but a number of chapters have handed in groups of outstanding parties. California A heads the list of these, prepared in booklet form, each with a definite theme with table decoration and costumes described—all used in the Bulletin.

Honorable mention in both Cooperation and Outstanding material goes to Colorado B, the winner of the Trophy for Cooperation last year. Her rushing material carried a definite theme, was prepared in attractive booklet form. Her Homecoming Float, one of the few we received this year, was called "Steps to Victory," and was very outstanding. Illinois Z also receives Honorable mention for Cooperation, and we may add, has sent in fine material over a period of years.

We nominate for the Social Exchange Hall of Fame: Oregon B—for clever table decoration; Illinois Z and Alabama A for original songs.

Twenty-one Perfect Chapters: Maryland A, Virginia A, Missouri A, Alabama A, Florida A, Florida T, Wisconsin B, Illinois Z, Illinois E, Minnesota A, South Dakota A, Kansas A, Kansas B, Colorado B, Wyoming A, Texas A, Idaho A, Louisiana A, Washington A, Oregon B, California B.

High Provinces: Zeta and Iota.

The chairman wishes to thank her faithful committee members and loyal actives who have managed to carry on our work in the midst of such difficult times, the members of Grand Council for their understanding and cooperation, and Central Office for the hard work involved in getting out our Bulletins.

Respectfully submitted,

FRANCES K. JEFFRIES

COMMITTEE ON FRATERNITY MUSIC

THE POSSIBILITIES of having a new songbook have increased and our committee is making plans for the finest publication we can have. Dorothy Vale Durand will have charge of the arrangements of the manuscripts and they will be beautiful and usable. A project of this kind progresses slowly, but as soon as war conditions permit, we hope to see it organized into a reality.

During the year our committee has been in touch with every active chapter several times, most recently with the song leaders. We take this opportunity to urge and invite any suggestions which any one may have for our new book.

Heartiest greetings from the Music Committee to all Pi Phis!

MARGARET L. KELLENBACH, *Chairman*

COMMITTEE ON PUBLICITY

ANOTHER year under war conditions has come to a close. Taking all of the various difficulties into consideration, the work of the year has not been too greatly impeded.

With the curtailment of so many social activities, the newspapers have been most happy to give com-

plete cooperation in printing news of visiting officers and social functions.

Our Physiotherapy work has been exceptionally good material for publicity to those clubs and chapters who wished to use it. This has proven particularly true in places where a deserving girl has received a

scholarship. It still holds true that we are interested in reading about the activities of our home town girls.

Local girls who have joined the armed forces are also a good source of publicity.

I want to express to the officers who have cooper-

ated with me my sincere appreciation for their assistance, also to thank the active chapters for their cooperation.

Respectfully submitted,

ELVA AYLER COWAN

COMMITTEE ON CHAPERONS

PI BETA PHI has a Manual about chaperonage which gives detailed statements of what the fraternity expects of its chaperons in their maintaining the high standards of our houses. It is a pleasure to report that our chaperons realize their responsibility in making our houses "homes for gentlewomen" and are happy in this high service. This year, they have done vital "war-work" in meeting complicated budgets and in keeping the home fires burning steadily and brightly; only intelligent and unselfish effort has made such results possible; helping a girl be a fine citizen of her college moulds her into a woman who will be a fine citizen throughout her life. Our chaperons are interested in the position, not just as a job,

but as a challenge to their highest and best.

To them, the fraternity is grateful.

Say what one will—there ARE new things under the sun! As I write, two new chapters are coming to us—our baby twins!

A recent event—not new in our history, but which made us Illinois Etas exceedingly happy—was the initiation of our chaperon, Miss Janet Anderson. A similar event has made her predecessor happy for many years.

To The Leaders' Digest, that tie that binds us into an unified group, and to Grand Council for unflinching support and encouragement, I am sincerely grateful.

JESSIE LOCKETT

HOLT HOUSE COMMITTEE

THIS YEAR the principal efforts of the Holt House Committee have been devoted to informing the fraternity of the nature, uses and needs of the House.

While the most important furnishings have already been selected, the House is still far from complete. New items are constantly being added. Portraits of Major and Mrs. Holt, painted in 1839 and attractively framed, have recently been presented to the House. The Kansas City Alumnae Club has donated a small antique wood-burning stove to be used in the Founder's Room. Mrs. William F. Gilman of Burlington, Iowa has given a Victorian marble-topped table in honor of the Pi Phi members of her family. This table lends charm and dignity to the small parlor. Mary I. Bush of Seattle, Wash. is presenting a turquoise blue plush album, the cover of which is adorned with a thin bronze calla lily! The album will certainly rest on the marble-topped table. The Tucson Alumnae Club is sending an arrow cake tin, first used for the baking of a cake which was presented by that club to Mrs. Libbey at the last convention. Various other interesting and attractive gifts have been promised.

Maryalys Evans of Columbus, Ohio, past president of Illinois Alpha, has had the distinction of being the first Pi Phi to be married at Holt House. The banquet room was used for her marriage to Lieutenant John H. Urey. Mrs. Carey writes that the room was attractively decorated and the ceremony was very lovely.

At present the Committee is considering plans for furnishing the guest room, in order that it may be made available for use in the near future.

Mrs. C. C. Carey, ever competent and popular, continues in the position of hostess. Mrs. William F. Gilman of Burlington, Iowa is the only original member, still serving on the committee. Mrs. Dallas E. Perfect is serving in her second year as treasurer. Mrs. William H. Bohan, also serving her second year, maintains close contact with Mrs. Carey in Monmouth. Mrs. William F. Hubble of Decatur has recently been appointed to succeed Mrs. Philip H. Sproat. To each of them the chairman wishes to ex-

press her appreciation for their interest and cooperation throughout the past year.

The duties of the chairman have been greatly simplified by the opportunities for frequent conference with Mrs. Frank Terrell of Kansas City, the previous chairman. Miss Onken's wise and patient letters have been most helpful. To both of them, to the Director of Central Office, to the members of Grand Council, and to the Province Officers the chairman wishes to express her sincere appreciation of all that they have done to further the development of Holt House.

Respectfully submitted,

MARIAN KECK SIMMONS

Reports of Province Presidents

ALPHA PROVINCE EAST PRESIDENT

AS TIME for annual reports again approaches I wonder how to tell of the fine year we have had in words that are not trite and that will convey the really fine year this has been for us. As nearly everyone at one time or other says with its full meaning "words cannot express" the truly splendid year this has been for Alpha East chapters.

Last summer we were proud to have Grand Council consider the results of our experimental two day conference of chapter presidents in the summer of 1942 so worth while that it authorized a similar conference this year for each province. Our conference was again held in Boston on August 21 and 22 at the Pioneer Hotel and this time we were fortunate enough to have every chapter president present in person, whereas in 1942 we had two alternates. Again the girls were enthusiastic about the advantages and opportunities of the conference. The small attendance of the conference gives an informality that has a special significance of its own and while it could never take the place of a national convention it does have undeniable advantages. I feel that the two conferences that we have had have been directly responsible for a real growth and development in the chapters in this province. The presidents attending in 1943 were: Hope DeMore, Connecticut A; Constance Carter, Maine A; Ruth MacInnis, Nova Scotia A; Louise Cosenza, Vermont A; Priscilla Perkins, Vermont B and Jane Wilson, Massachusetts A. Discussions were held all day Saturday and Sunday on every phase of chapter work. At our request Beth LeRoy of the Settlement School Committee, came in Saturday afternoon and talked to us of the School, its needs and future, and showed some Arrowcraft. Saturday night Boston alumnae and actives took us to dinner at the Hotel Lennox and afterwards we enjoyed a sightseeing trip of Boston in a horse-and-buggy complete with colored coachman with a tall, if somewhat battered, silk hat. The closing discussion of the conference on Sunday was an exchange of traditions of the various chapters and this was one of the most enjoyable.

Official visits were made as early in the year as possible because of the erratic schedules of the colleges. In September I visited Maine A, in October Connecticut A, Vermont A and Vermont B, and Massachusetts A and in November Nova Scotia A. As usual these visits were a most enjoyable experience and I returned each time convinced that Province Presidents are the most privileged of all officers in the opportunity to visit active chapters every year. Surely officers of other women's fraternities cannot believe their girls are as fine as ours!

War work continues in its many phases under the supervision of chapter chairmen. Connecticut A hired a bus to take members to Hartford as blood donors. Maine A also planned to do this in Bangor but the Dean of Women felt it unwise and forbid students to do so. Vermont A makes surgical dressings and all the other chapters do a variety of war work, usually setting up a certain number of hours each week for each member as a requirement.

In October a visit was made together with representatives of Connecticut A, Vermont A and B, and Massachusetts A to Alpha Lambda Mu at Massachusetts State College. After a very happy visit reports were made on the petitioning group and the chapters

voted unanimously in favor of granting a charter to this group. As has been reported in a previous issue of the ARROW Massachusetts B was installed in March of this year and official delegates from Vermont A and Massachusetts A attended the installation. Nova Scotia A was also represented and we were all happy to see fourteen or fifteen members of Connecticut A who witnessed their second initiation. Again the inspiration of the installation of a new chapter was something to make the year long remain in our minds as an outstanding one and once again the province is bursting with pride over a fine new chapter.

Rushing was a happy and successful experience on every campus and 114 girls were pledged (not including Massachusetts B) and 91 were initiated which is a higher percentage than last year.

Nova Scotia A was the only chapter to report first place in scholarship on its campus in June 1943 although Connecticut A came pretty close with a margin of only .1 below first place. I regret to say that the other chapters all dropped but it is gratifying to see the very constructive methods for improvement put into effect by every chapter, and we hope this year will see them well on their way to the top again. In spite of the chapter averages we have some fine honors in every chapter in scholarship. Four chapters have elections to Phi Beta Kappa or its equivalent. Connecticut A has 2 Gamma Phi Epsilons, Maine A, 4 Sigma Mu Sigmas, 2 Phi Kappa Phis, 2 Phi Beta Kappas and 1 each Kappa Delta Pi and Omicron Nu, 2 Neai Mathetai (10 highest freshmen women) and 3 scholarships, one of them being to the Merrill Palmer School in Detroit. Nova Scotia A has no such organizations. Vermont A has a Junior elected to Phi Beta Kappa, Vermont B has a Sophomore who won the Omicron Nu cup for the highest marks in Home Economics her freshman year and has a new election to Omicron Nu. Massachusetts A has a Phi Beta Kappa who is graduating with distinction. Massachusetts B had three scholarships and at least one member with an average of 89.

This seems to have been a "bumper" year for activities for every chapter, but especially for the coveted top honors. Every chapter has had at least one election to Mortar Board or a similar organization. Connecticut A has 2 Laurels, Maine A 2 All Maine Women, Vermont A 1 and Vermont B 2 Mortar Boards, Massachusetts A 3 Scarlet Keys and Massachusetts B 2 Isogons. Nova Scotia A has no similar organization but had a member awarded the Malcolm Honour Award—to the outstanding student on the campus (not always a girl). Massachusetts B also won an honor of this type—Tiffany Cup.

Other important honors were: Connecticut A—president of WSGA (for the fifth consecutive year), University Christian Association, Block & Bridle Club and Laurels, Campus representative to the 4H Club Congress in Ohio, WSGA representative to the New England Conference, Lecturer of Grange, Head House Chairman, 7 Junior Counselors and the chapter won the Intramural Badminton Tournament. Maine A—presidents of North Estabrooke Hall and Sigma Mu Sigma, an election to Sophomore Eagles, Maine Seal, 2 Chevrons and member of M Club. Nova Scotia A—presidents of Delta Gamma, Delta Gamma Athletic Club, Arts & Science Society, Shirreff Hall, Glee Club and Life President of the Class

of '44, Editor of the Women's issue of *Gazette*, Editor of Yearbook, 8 members awarded Gold D's for outstanding work in various activities and Manager of Dramatics; the chapter also won the Connolly Shield for the best play presented in the annual competition. Vermont A—presidents of 4 dormitories, Panhellenic, Women's Forum, Middlebury Players, 3 Class Presidents, Queen of Sophomore Hop, 3 members of the All Midd Volleyball team, 2 of the All Midd Basketball Team, 1 member of the Women's Ski Team, Chief Justice Student Union, Junior Marshal, Chairman Senior Week, Chairman Frosh Hop, 2 WAA jackets for 1000 points in athletics, WSGA representative to the New England conference, and 3 of the 4 Color Girls of the Navy V-12 units. Vermont B—presidents Student Government, Sophomore Aides, WAA, Panhellenic, Outing Club, International Relations Club and IRC New England Conference, Newman Club, Chief Justice Student Union, Manager Swimming Club, Editor Yearbook, Yearbook Beauty Contest winner, 7 new elections to Staff and Sandal, 6 to Sophomore Aides, and Head of Freshman Camp. Massachusetts A—presidents YWCA, Panhellenic, Writers Club, Fox Hall, and International Club, Editor-in-Chief Yearbook and Manager Fistball. Massachusetts B—presidents Student Christian Assn., 4-H Club, Home Ec Club, Panhellenic, Editor-in-Chief *Collegian*, Editor-in-Chief Yearbook, House Chairman for Freshman Dormitory, representative to WSGA Conference, National Secretary of American Country Life Assn., Youth Section, and representative for the young officers of that organization to the National Conference, 3 *Who's Who*, 2 members of the Queen's Court at Carnival Ball, all of the women's offices for the Junior and Senior classes, 10 members awarded the Academics Activities Award, 3 Seniors selected to do honors work in Home Economics and the chapter won second place in the Intersorority Sing.

The Amy Burnham Onken Award for this province went to Hope DeMore, Connecticut A. Other chapters honored these girls with the nomination for that award: Susan Morse, Nova Scotia A; Louise Cosenza,

Vermont A; Priscilla Perkins, Vermont B and Joan Peiser, Massachusetts A. The Portland Club Sophomore Award went to Barbara Rupp, Vermont A. Other nominees selected were Harriet May, Connecticut A; Norma Hoyle, Maine A; Nancy McNamara, Vermont B, and Ann Tilton, Massachusetts B.

Chapter finances are more than satisfactory with delinquents being kept at a minimum all the year. Vermont B had no delinquents all year. When the books are closed for the year it is expected that only three girls in the whole province will be delinquent.

Six of the seven chapters were 100% in contributing to all three national projects and the new chapter gave \$25 to the Settlement School. Vermont A, Vermont B, and Massachusetts A gave amounts to the Physio-therapy Scholarship Fund equalling \$1 for each active and pledge, the goal hoped for by the national committee.

Five chapters used the Magazine Agency and all but one showed an increase in commissions earned. Maine A and Vermont B raised the amount of their commissions by 110% and 280% respectively for the period July 1 to December 31, 1943 and Vermont B placed 11th for this same period in total commissions earned by all chapters. Miss Onken visited each chapter in the province in February and March and each wrote glowingly of their visit with her.

The faithfulness of the Alumnae Advisory Committees and the help they have given me has once more been responsible in a large degree for the fine condition of the chapters.

Housing remains unchanged except that Massachusetts B will move to a larger house in July.

My gratitude again goes out to all those Pi Phi alumnae and officers who give so graciously of their time and help with my work and to the members of the active chapters for their unflinching cooperation. These things make all the difference between "a job that is a lot of work" and a happy enjoyable experience well worth the time put into it.

HAZEL EVERETT

ALPHA PROVINCE WEST PRESIDENT

MY SECOND year as province president of Alpha Province West has given me a much broader and deeper understanding of our great fraternity. The acquaintances I made last year have ripened into friendships, and I have felt a close and satisfactory tie between myself and five chapters in this province.

The year began auspiciously with our presidents' conference held at the General Brock Hotel, Niagara Falls, Ontario. The five presidents and I spent a most profitable and inspiring two days, and all felt enthused and anxious to make this a good year for Pi Beta Phi. All through the year the fruits of this conference have been evident.

Even more than last year the effects of the war have been apparent. The accelerated program has proved somewhat confusing since no two chapters begin or end their terms at the same time. Then too it means that students are graduating all through the year. It has been necessary to give important offices to sophomores and juniors since many of the seniors are not at school for an entire fourth year. However all the chapters have risen to the emergency and have managed to handle their heavier program of studies as well as their increased fraternity responsibilities. The opportunities for social and extra-curricular activities have been greatly curtailed, which

has made the benefits derived from fraternity life even more important than formerly.

I visited the two Ontario chapters in November and the New York chapters in the early part of January. My visits were enjoyable and satisfactory in every way. The Deans of Women praised the Pi Phi chapters highly for their cooperative spirit and for their leadership.

Four chapters maintained houses this year. The three New York chapters own their lovely homes, and Ontario B rented the same large house they have had for some years. Ontario A rents an apartment where the girls have their lunches and Monday night cooky-shines.

Scholarship has, on the whole, improved this year. New York I and Ontario A hold second place, with Ontario B holding the coveted first place on its campus.

The Amy B. Onken award for this province was won by Nancy Fraser, president of Ontario A. Nancy has contributed much both to her university and to her fraternity by her unstinting service. She is an exceptional student, a fine leader, and a credit to Pi Beta Phi.

All five chapters have taken part in the various war work projects on their respective campuses. New

York A, New York I, and New York Δ held numerous parties for the service men stationed at their universities. These were received most enthusiastically. New York A and New York I assisted in the service men's canteens. One night a week was set aside by New York Delta for the purpose of making surgical dressings. Several members of New York A are training as nurses aides.

Ontario A raised money to purchase cigarettes to send to the boys overseas, and to send milk to Britain. Many of the girls were blood donors. The entire chapter supported the service club sponsored by Panhellenic for the service men at the university. Some of the home economics students acted as assistant dieticians in the overcrowded Toronto hospitals. Others are training as nurses aides.

Ontario B holds the record for the most war work in the province. One of their projects was making war saving stamp corsages which they sold at all university functions throughout the year. They also handled one shift a week at the city Active Service Club, and two girls acted as hostesses every Sunday at the Service Club. Every week some member went to help out at the Day Nursery. Practically everyone in the chapter gave regular donations of blood to the Red Cross.

The extra-curricular achievements in the province have been outstanding. New York A had three senior guides and one junior guide; secretary of the Women's Athletic Association; six sophomores in Women's Senate; vice-president of the sophomore class; president of the Art honorary; president of the Music honorary; and art editor of the year book. Six girls received recognition pins for earning twenty points in activities. Next year there will be three Pi Phis on the Women's Athletic Board; three on the editorial staff of the *Daily Orange*; one on the business staff of the *Daily Orange*; and two on the staff of the *Onandagan*.

New York I was honoured in having three of its members tapped for Kalon; the president of the Women's Student Government Association; the president, vice-president, secretary, and treasurer of the Women's Athletic Association; editor and assistant editor of *Hill News*; two assistant editors of the *Laurentian*; and the co-director and secretary of the War Council. For next year New York I has the treasurer of the Women's Student Government Association; vice-president and secretary of the Women's Athletic Association; editor, co-editor, and two

business managers of the *Scarlet Saint*. This spring one New York I was tapped for Kalon, and two of the graduating seniors were admitted to Phi Beta Kappa.

New York Δ had the secretary of the Willard Straight Board of Managers; the business managers of the *Cornellian* and the *Cornell Countryman*; the first vice-president, treasurer, and chairman of activities of the Women's Student Government Association. This spring they were honoured with three appointments to Mortar Board; two to Omicron N, three to Phi Kappa Phi, one to Alpha Alpha Gamma, and one to Pi Lambda Theta.

Ontario A had the president, secretary, and third year representative of the Women's Undergraduate Association; second vice-president of the Students' Administrative Council; treasurer of the Medical Women's Undergraduate Association; women's editor of the *Medical Journal*; and manager of the basketball team. This spring Pi Phis were elected to the positions of treasurer, social director, and second year representative to the Women's Undergraduate Association.

Ontario B had eight of the fourteen administrative positions open to women at the University of Western Ontario. They had the secretary of the University Students' Commission; the secretary of the Women's Council and three members of the Council; three members of the Student's Administrative Assembly; secretary of the Women's Athletic Association; the vice-presidents of two years; the vice-president of the Athletic Directorate; and a cheer leader.

This spring Ontario B had two elections to the Students' Administrative Assembly; elections to the Women's Council; and to the Athletic Directory. One Pi Phi was appointed to the Honour Society, and another to the position of secretary of the University Students' Commission.

In closing, may I express my appreciation and thanks to the members of the five chapters in this province, the officers, alumnae advisory committees, and chaperones for the splendid cooperation I have received from them. May I also thank the Alumnae Clubs who have given such excellent assistance to the active chapters? I am more than grateful to the members of Grand Council for their support and guidance.

Respectfully submitted,

ELIZABETH MURRAY

BETA PROVINCE PRESIDENT

THE chapters of Beta Province have had a good year—a really outstanding one, in many ways, considering the stress and strain of these war time days. The highlights of the fraternity contacts of this year were in the visit of Lois Snyder Finger back home to the province which she once led and the joy which the girls felt in her company and the lasting effects of the guidance and inspiration which she gave; and, in the hours which were spent in the Schenley Hotel in late October with the chapter presidents, sharing ideas, discussing problems, and making plans for the year. The effects of that opportunity to meet together were felt, for good, in the life of every chapter. My visits to the chapters followed that conference, and, after that, in the long weeks of separation, the girls kept me "in touch" by a very faithful correspondence.

Scholastically, Beta Province has had several happy experiences. Ohio B was awarded a very beautiful silver coffee urn at the annual Panhellenic Scholarship Banquet in November, for attaining first place. Ohio A's pledges stood in first place and the actives, along with the actives of Pennsylvania B missed first place by only eight hundredths of a point.

It is very hard to be fair in reporting accomplishments, in the brief space allotted here, when we realize that in addition to distinguished honors there are many hours of quiet, faithful service which, though unsung, do make up the total amount of dependable service which a chapter gives to its campus. Pennsylvania B has just had four girls initiated into Mortar Board, along with Martha Henderson, the Alumnae Advisory Committee chairman. Louise Terrett, retiring Mortar Board president is

succeeded by Helen Grim—and, Louise is also a member of Phi Beta Kappa. Nancy Woehling is president of W.S.G.A. Senate and three other Pi Phis represent their respective classes in that group. Mary Follmer was the very popular all-college Queen of the New Year's Eve Ball. Karin Nelson headed the Far Eastern Conference. Penny Nauman was one of three commencement speakers at the mid-year exercises. Pennsylvania Γ has had seven Nurses' Aides within their small chapter, piling up many hours in the hospital at the Carlisle barracks. This chapter is very proud of Barbara Mulford and Nancy Person who are the editors-in-chief of the *Microcosm* and the *Dickinsonian* for next year. John Charles Thomas picked three Pi Phis when he chose five beauties to appear in the annual. Joan Thatcher has won the coveted Junior Blazer. Ohio Δ has much reason to be proud of Ruth Hammerle, who has led Mortar Board this year and has been initiated into Phi Beta Kappa. Jackie McCalla and Betty Feezel have been members of Mortar Board this year. Pi Phi has four girls chosen for Phoenix out of nine bids offered. Ruth Ann Grover heads Y.W.C.A. for the coming year and is to be assisted by a Pi Phi vice-president and a Pi Phi treasurer. Jane Maccombs is president of Dolphin Club and Gene Kissner, of Alpha Lambda Delta. Ruth Ann Grover and Corinne Van Dame are in Tau Kappa Alpha and members of the varsity debating team. Rachel Lenhart is president of the campus Red Cross. Virginia Stanisbury won the Zeta Tau Alpha art award and Hattie Lou Groves, a music award. At Ohio State, Martha Adams Wood has been an outstanding president of Panhellenic and a member of Mortar Board. Carol Bretschneider moved from the office of treasurer to that of vice-president in W.S.G.A. for next year, with Patsy Conaway, the sophomore secretary, and Ann Fallon and Elaine Judy, class representatives. Mildred Rankin is secretary of Student Senate and on the co-ordinating board of Y.W.C.A. Carol Bretschneider is a member of Chimes, and Pi Phi has had five members in Mirrors this year and four more have been elected, recently. Ohio Δ is happy over the recognition of Pat Komlos and Rose Heyman by Phi Beta Kappa. Margery Mayer and Charlotte Jones have been initiated into Mortar Board, recently, which means that Charlotte has four honoraries to her credit! There are twenty-one girls in this chapter whose names are on the rolls of the campus honoraries. Virginia Lewis has just relinquished the office of Judicial President of W.S.G.A. and Margery Mayer is the new Executive President. Janet Taber has made an excellent record in campus dramatics—concluding with one of the leading roles in "Twelfth Night". Mid-year graduates of West Virginia A were Betty Aronson, Mortar Board, and Ruth Brown, Phi Beta Kappa. Patty Shallenberger has been the president of Dolphin Club and is the incoming president of W.R.A. She took part in the National Telegraphic Swimming Meet and placed in two events, and, she was a soloist in the spring recital of Orchestis. Pi Phi has held both the vice-presidency and the office of treasurer in A.W.S., this year. Marcelle Ward has recently been honored by Li-toon-awa, sophomore honorary, joining Betty Shanklin and Louise Reeder, who have been members this year.

Every chapter has been engaged in some form of war work and most of them in several. The record of surgical dressings made, of the parties given for trainees, and of the generous contributions given would be a story in itself. The girls have met the

challenge of their student day in a way that would delight the Founders of Pi Beta Phi, who set before us that ideal of service which lies "beyond the call of duty".

Rushing was successful this year in every case and we are very proud of Ohio A, whose eighteen pledges made their averages and were all initiated at the first opportunity. Pennsylvania Γ had the same happy privilege of bringing their pledge group through, intact. West Virginia A was able to initiate every pledge except one, before the close of the year. Ohio Δ filled their quota of twenty with girls on their first list. Ohio B's fall rush season brought them 26 pledges and Pennsylvania B filled a quota of fifteen, in the latest rush season of them all.

Chapters in the province have not forgotten the larger enterprises of the fraternity and can feel that they are having a personal share in the work that Pi Phi is doing for others. Every chapter has contributed to the physiotherapy project, with Ohio B's \$100 topping them all. Five chapters have sent donations to the Settlement School, two have reported sales of Arrowcraft products, and all have given some support to the Magazine Agency, with Pennsylvania Γ sturdily hanging on to its high standing of last year. Beta Province will have its share, 100%, in the continuing work of making Holt House a lovely memorial of Pi Phi's beginning. Even the Loan Fund is larger because the girls have not forgotten "their own". Where our treasure is, there our hearts are, also.

There has been no change in the chapter housing in the province this year, nor in the chaperons, for which we are thankful. It seems as if words of appreciation, written year after year, must begin to sound trite and routine, and this just must not be so! So much of the security and the development and the ultimate happiness of a chapter depends upon the women whose duties bring them into close contact with the girls. So, sincerely and with a strong conviction regarding the value of their services, I would pay tribute to the alumnae advisory committees, the chaperons and the deans of women who serve in Beta Province. Beta Province is particularly blessed. I know that you will all be pleased to know that Pi Phi has another in the ranks of the Deans of Women—Christine Yerges Conaway (Mrs.), whose daughter Patsy has just become a new member of Ohio B, and who is the new dean at Ohio State University.

May I pay tribute to the girls themselves, too? So few of them "let you down" and so many send you forth, renewed by the friendly, loyal, and purposeful vigor of their thought and word and deed. My testimony is that Pi Phi alumnae can be very proud of Pi Phi actives and the meaning which they have given to the name "Pi Beta Phi" upon their campuses.

Another school year closes and the letters, the reports, and the files are all put away for a while. As we said in the beginning, it has been a good year—another of enriching experience. We miss the inspiration of the clasped hand and the great assembly of Convention but in Pi Phi, we are always sure that, though separated, we have the help, the un-failing interest, and, the constant encouragement of Miss Onken, Grand Council, Miss Murphy at Central Office, and the fine corps of fraternity chairmen who work with us. A "thank you" is wholly inadequate to express what that means.

LUCILE DOUGLASS CARSON

GAMMA PROVINCE PRESIDENT

THE FILES which were lost in February 1943 finally turned up in August, having collected dust for months in Atlanta. I have spent many interesting hours going through these files.

Again my visits all were made during the spring. And as last year, each visit was a great pleasure. I am proud of Gamma Province for the splendid year's work. Especially was it nice to hear the favorable comments about Pi Beta Phi by the Deans of Women on the campuses I visited. This year I attended the lovely Founders' Day Celebration with South Carolina A. The theme of the banquet was "Holt House" with topics of "The Entrance," "The Stairway" and "The Upstairs Room" very cleverly used. This occasion was also a welcome to five new Pi Phis who were initiated in the afternoon before the banquet.

The chapters, except for South Carolina A, all occupy the same quarters as in previous years. Two chapters have houses and house mothers. All sororities at the University of South Carolina had to give up their rooms in Sims Hall to the Navy program. It is rumored these rooms will be returned in the fall. South Carolina A rented a large sun parlor in a home near the campus, and the girls have been happy in this temporary arrangement.

Although at this writing, there have been only two Phi Beta Kappa elections reported, the province has done well in scholarship. We have two first places, with one chapter (Maryland A) raising itself from third to first and with the other (North Carolina A) completing its eighth year as first on the campus. The chapters ranked fourth, one was fifth and one sixth. The seventh chapter has not been rated, since such listings have been discontinued at that institution. Several chapters had members elected to junior scholarship societies. At Virginia I Dottie Hammer, a sophomore, was awarded a scholarship for having the highest scholastic average of all the women in college. For the winter quarter, North Carolina A had thirty-seven on the Honor Roll. Scholarship rings were given and were won by girls whose scholarship was extraordinarily high.

The Amy B. Onken award was won again by a member of Virginia A. Last year Kitty Black, Gamma Province winner, won the national award. The chapter and the province are all very proud of this splendid recognition for Kitty. This year, we are equally as proud of Jacqueline Bernard, for she, too, has contributed much to her chapter and to her college. The five other girls selected by their chapters are also fine examples of the standards set by the requirements for this award. They are: Betty Plack, Maryland A; Deborah Davis, Virginia I; Kay Roper, North Carolina A; Mary Coggin, North Carolina B; and Beverly Nininger, South Carolina A.

Activities as usual are a source of pride. It is difficult to mention any and not give full credit to all who have helped make a fine record for their chapter and province. Again we had many elections to Mortar Board or its equivalent. Some of the prominent offices held by each chapter are as follows: Maryland A—president of Goucher College Christian Association, chairman of college activities, chairman

of Judiciary Board, and vice-president of Student Organization. D.C. A—president of Mortar Board, editor of yearbook, May Queen, director of War Drives, and president of Intersorority Board. Virginia A—president of senior class, 3 presidents of dormitories, president of dramatic club, president of the Junior class, chairman of May Day, with 4 in May Court, and news editor of college newspaper. Virginia I—vice-president, Women's Student Government, chairman of war council, treasurer of Panhellenic, president of sophomore class, vice-president of Y.W.C.A., business manager of college newspaper, and secretary-treasurer of Junior class, and manager of Debate Council. North Carolina A—editor of college magazine, 2 presidents of dormitories, vice-president of Woman's Government, director of Sound and Fury (dramatic), vice-president of Panhellenic, managing editor of newspaper. North Carolina B—chairman of social standards committee, treasurer of Woman's Government, president of Sandals (activity society), president and treasurer of senior class. South Carolina A—President of coed Association, president of University players, president of W.A.A., coed editor of newspaper, vice-president of Junior class and most outstanding war worker.

Each chapter has continued its splendid service in giving full cooperation to all war work on the various campuses. Most chapters have purchased War Bonds and stamps. Special recognition should be given to the outstanding work done by South Carolina A. On each Thursday evening members of the chapter have helped entertain service men at the recreation center in the Presbyterian Church.

The province conference for chapter presidents was held last September in Chapel Hill at the Carolina Inn. Only one president could not arrange to attend; however, her representative contributed a great deal to the conference. Topics were carefully planned so that discussions could be held on rushing, pledge supervision, extracurricular activities, and other chapter problems. Elsie Lawrence Gribbin, North Carolina A alumna, was a great help, for she led the discussion on rushing. The delegates seemed to be enthusiastic about the benefits derived from those two days together. We are all happy over the prospects of a second conference.

One of the high lights of the year was the week-end visit in March with the petitioning group at the University of Maryland. This was a most enjoyable occasion, particularly so, since Maryland B was installed in June. The lovely banquet given for us at that time will long be remembered by all of us who represented Gamma Province.

The Alumnae Advisory Boards have been a continued help to me and to their respective chapters. They deserve appreciation and gratitude for their loyal support and service to Pi Beta Phi.

The year has been a happy one for me, and my contacts with the chapters have given me great pleasure. To Miss Onken goes my sincerest thanks for an association that I shall never forget.

Respectfully submitted,

SUSAN ROSE SAUNDERS

DELTA PROVINCE PRESIDENT

FROM Delta Province come greetings to Pi Phi everywhere in the United States and Canada. While the school year has not yet closed in all colleges, in some of them the summer semester is well under way. The accelerated schedules have disrupted all calendars; each one is different as far as dates are concerned; and we have all had to make many adjustments, social, financial, educational, and others. Nevertheless, your Province President is happy to report that the Province is in splendid condition, with a slight lowering of scholastic rating which seems to be universal, but which the chapters are working hard to rectify. Social functions have been simplified to an unnecessary degree in some instances, but the girls are learning how to have good times among themselves without men in a way that is gratifying. On the Hillsdale campus, the situation was met for one longed-for dance by importing three bus-loads of men from Tri-State, and on another date sixty girls went to nearby Fort Custer for a party honoring some of the convalescent veterans. At other colleges the girls have participated in U.S.O. activities to augment their social calendars. Spare time is well filled throughout the Province with war-work—Red Cross, surgical dressings, nurses aide, bandage rolling, hospital work, blood donating, etc. An effort, partially successful, was made to have a flag flying daily at every Pi Phi house, since it was felt that now, if ever, Pi Phis should show their colors. Delta Province has a good representation in the WACS, the WAVES, the Marine Corps, the SPARS, and other branches of the service. As elsewhere, we have acquired a goodly number of war-brides, but many have either remained in college, or returned to complete their courses.

One of the high spots of the year was the conference of chapter presidents held in Detroit in December. All seven executives were in attendance and all agreed that, as far as actual accomplishments were concerned, a small informal conference of this sort was preferable to a full-sized Province convention. Discussions were held on mutual and individual chapter problems, and suggestions made from the experience of the several presidents. Each returned to her chapter with many new ideas gleaned from her contacts with the others and with a widened, inspiring point of view regarding the fraternity as a whole. No social functions were attempted, though one formal dinner was held among ourselves, at which a very bad group photograph was taken.

The interest of the Province as a whole is at present concentrated upon the prospective chapter at Michigan State College, East Lansing. The carefully selected local group, christened Pi Phi Gamma, was formed under the supervision of the energetic alumnae group, which includes the dean of the Home Economics School. Delegations from the two Michigan chapters attended the original rushing festivities, when eighteen girls accepted the invitation to become charter members. At least six have been added since. A house has been rented for fall and Michigan II Phis are prepared to aid in the fall rushing season. The state Founders' Day celebration at Lansing was a great success and the Pi Phi Gammas were present in a body. The Province President, the Province Vice-President, and the Assistant to the Grand Vice-President were guests. We are all eagerly anticipating the day when we can welcome Michigan I chapter of Pi Beta Phi to the Michigan State campus.

Your Province President has made official visits to

all chapters under her jurisdiction, with a great deal of pleasure to herself as well as valuable experience. It is her hope that she likewise succeeded in bringing pleasure and profit to the girls. National officers to visit the Province this year were Ruth Barrett Smith in Michigan and Adèle Taylor Alford in Indiana, both of whom endeared themselves to the girls. Everywhere your Province President heard none but the most complimentary reports of Pi Phi. Everywhere college administrations expressed themselves as highly pleased with the chapters' standards, cooperation, stability, and social adequacy. The chief Province problem seems to be the quota system of rushing and, in the case of Michigan B, the peculiar regulations which prevail on the campus, changing from year to year from worse to worse, it seems to an on-looker. Panhellenic has hopes of improving conditions this coming fall, but the new regulations have not as yet been adopted. In spite of difficulties, however, each chapter lays claim to "the cream of the crop," and the fine freshmen whom your Province President met seem to justify the claim. Since no social functions were given during her visits, she had no way of comparing other groups with Pi Phi at first hand, except on her own campus. Relationship with alumnae advisory boards is ideal in every instance. Pi Phi chapters have not escaped the emotional unrest which characterizes the entire youthful world of the present day, but they are all striving to overcome it and at least one chapter has voluntarily established a Standards Committee within itself to combat the tendency.

All Delta Province chapters except Indiana A maintain houses. Some are chapter property, some are rented, and the Hillsdale house is owned by the college. At Franklin chapters are not permitted to live in houses, but the college gives each organization a suite of rooms in the Women's Residence Hall. All the houses are comfortable, some are luxurious, and all are well-run. At Michigan the Dean stated that the Pi Phi house was the best-managed on the campus. The shortage of help has been met in many cases by the girls undertaking the work themselves.

The Amy B. Onken Award for this Province this year went to Josephine Bowers of Michigan A, with Helen White of Indiana A so close a second that your Province President did not feel equal to the responsibility of making the choice and passed it on to a neutral committee. It was her pleasure to present a jeweled recognition pin to the runner-up in recognition of her exceptionally fine record. Other candidates were Nancy Hattersly, Michigan B; Marianna Ashby, Indiana B; Mary Elizabeth Gessert, Indiana I; and Dorothy Brown, Indiana E. At the Indiana State Meeting on Founders' Day, suitable awards were presented to all the Indiana candidates—a new custom which, it is hoped, will become a tradition. The Indiana State Cup, known as the "Little Balfour Cup," was awarded to Indiana Delta.

On many campuses extracurricular activities have been curtailed or superseded by war-work; but Pi Phi is well-represented in those which remain. Michigan B won the campus cup for 100% participation—a lovely old silver loving cup with three handles, which originally was presented to an early Dean of Women (perhaps the first one) by the women students of the university. Michigan A won the Kimball medal given to the best all-around girl athlete. Indiana B and Indiana A were each represented in Mortar Board and Indiana A in Gold Quill, which corresponds to Mortar Board, Extracurricular honors

are too numerous to list in these days of restricted space, but they include recognition in all fields of activity, attesting the versatility of Pi Phis everywhere. Editors, beauty queens, class and society officers, class honoraries, honorary military officers, prom queens, dramatic stars, musical stars, professional honoraries, and members of *Who's Who* are among those singled out for distinction. Scholarship blank No. 4 has been received from but one chapter to date, and therefore only Indiana A can be credited with her honor graduates, but she had five. Many

places on student government boards are also reported.

Your Province President wishes to express her appreciation for the patient cooperation of Grand Council during this, for her, very difficult year. She has every reason to believe that next year will be a more normal one in all respects and she will endeavor to be a correspondingly better officer.

Respectfully submitted,

VIVIAN LYON MOORE

EPSILON PROVINCE PRESIDENT

EPSILON PROVINCE officially opened its year with the Province Conference for chapter presidents, held in St. Louis in September, 1943. Under the splendid supervision of Miss Onken, Ruth W. Cogshall, former Epsilon Province President, and Dorothy L. Aultman, Epsilon Province Vice-President, the girls obtained a complete knowledge of the work that was before them, and the results have been apparent throughout the year. Each president returned to her chapter full of enthusiasm and a new spirit which has proved invaluable.

As usual, we can be proud of the accomplishments of Pi Beta Phi on each respective campus. We are leaders on every campus as the following honors earned by the individual chapters show:

Missouri Alpha: Homecoming Queen; Secretary, and President Women's Self Governing Association; Four members sophomore women's honorary; One member Mortar Board; One member Phi Theta Kappa; Vice-President dramatic organization; Feature Editor of yearbook; Won bowling tournament; had number one bowler; One member L.S.V., secret women's honorary.

Missouri Beta: Three members of Mortar Board, Vice-President and Secretary; One member Phi Beta Kappa; One member Sigma Xi; One member Kappa Delta Pi; Secretary Student Council; Member of Alpha Lambda Delta; freshman scholastic honorary; president, secretary, and treasurer of Women's Athletic Association; Co-Chairman of new Student Council; Two editors of yearbook; Seven out of the thirteen members of Freshman Commission, having president and secretary; Three members of Ternion, junior women's honorary, including treasurer; Won sorority Sing; Won badminton tournament.

Missouri Gamma: One *Who's Who* in American Colleges and Universities; Panhellenic president; Editor and associate editor of yearbook; President and secretary of drama organization; President French Club; Three members Skiff, honorary organization recognized by Mortar Board; President Sigma Alpha Iota; Two members of International Relations Club, including secretary; One member honorary science organization; Won May Day Sing.

Kentucky Alpha: First woman president of Student Council, also secretary; Secretary Panhellenic; Vice-President Pallas Club, similar to Mortar Board; President and treasurer of Women's Athletic Association; Winner of the Trustees' Scholarship; Member of Y.W.C.A. cabinet; President German Club; President Presbyterian Club; Member of Women's League cabinet; Two members of All-Star basketball team.

Tennessee Alpha: Two members are *Who's Who* in American Colleges and Universities; Member of Alpha, similar to Phi Beta Kappa; Member Social

Science honorary; Three Les Independants, honorary French Club; One Collegium Musicum, honorary music club; One honorary biology fraternity; Second in basketball and kickball tournaments.

Tennessee Beta: Editor of yearbook; Secretary honorary Latin society; Two members sophomore honorary society; Two members junior honorary society; Four members of Honor Council; One member Women's Student Government; Four members art club; Seven members A Cappella choir.

The effects of the war have been strikingly apparent on the six campuses of the province. The Pi Phis have taken advantage of the opportunities offered them to do their share to help. At Missouri B, Missouri I, and Tennessee A there are Red Cross units on the campuses. In cooperation with the units we have done an unsurpassable amount of work, the girls being Nurses Aides, doing canteen work, blood donors, surgical dressing work, and home nursing duties. In addition, the members of Missouri I entertain patients and do occupational-therapy work at the O'Reilly General Army Hospital, which cares for many of the wounded returned from overseas. The members of Tennessee A work at the canteen at Erlanger Hospital, and have more Red Cross hours than any other sorority at the University of Chattanooga. At Vanderbilt the war work is supervised by the War Activities Council, each month a sorority being assigned a different project. The Pi Phis have been far out in front with the number of hours spent on the projects, doing much more than was asked of them. Missouri A works with the city Red Cross unit.

In addition to the work the girls have done, war has influenced the college life in other ways. There are rushed schedules which have an influence on scholarship, there is a definite lack of men, a member of Kentucky A became a WAVE, and marriages of active Pi Phis have been prevalent throughout the year. A feeling of confusion in the minds of girls in college has come to my attention at different times throughout the year. Because they have friends and family members on different fronts, because they are attending college under abnormal conditions, and because there are temptations outside college life offered them, many of the girls in the province have expressed a low morale throughout the chapter at different times during the year. This, of course, is a condition that exists all over the country, and is a challenge to Pi Beta Phi members.

Scholarship throughout the province is fair. Five of the six chapters are in the upper third of the ratings of sororities on each respective campus. Kentucky A is the only chapter in Epsilon Province to hold first place on its campus.

The Amy Burnham Onken award was presented to Mary Elizabeth Banks, Missouri B, at their annual

Founders' Day banquet. The candidates for the award are always such outstanding girls that the choice of the winner is quite a task. The congratulations of the province go to the following girls for being selected by their chapters as candidates, which is quite an honor in itself: Missouri A, Betty Boucher; Missouri F, Jean Slaymaker; Kentucky A, Elsa Ropke; Tennessee Alpha, Martha Steakley; and Tennessee B, Emily Winslow.

Early in the year checks began coming in from all the chapters as their contributions for their Pi Beta Phi projects. This early cooperation indicated their desire to see our philanthropies flourish and to be 100% contributors. The exact amounts are as follows, plus \$33 in senior dues:

	Settlement School	Holt House	Loan Fund	Physical Therapy
Missouri A	\$25	\$10		\$5
Missouri B	\$100	\$10		\$22
Missouri F	\$50	\$5	\$5	\$25
Kentucky A	\$10	\$5	\$5	\$17.50
Tennessee A	\$50	\$5	\$10	\$5
Tennessee B	\$10	\$10	\$5	\$5

There were two changes in chaperones during the year. Tennessee B began the year with their charming new Mrs. Baldwin. At Missouri A Mrs. Curtis Hull resigned after eighteen years with the chapter. All who have been in the Missouri A house know and appreciate what Mrs. Hill has meant to the Pi Phis and will regret to know of her leaving. The only change in housing conditions was at Missouri F. The chapter moved to a new apartment near the Drury campus which the girls fixed up quite attractively.

Tennessee A deserves recognition for its activities in the organization of a new Panhellenic council on its campus. There was a great need for a new Panhellenic, and Pi Beta Phi was the leader in suggesting and organizing the new council. It is this attitude

which makes us leaders in the Panhellenic world.

Due to illness it was impossible for me to visit the chapters, and Dorothy L. Aultman made the trip in my place. She reports the girls all extremely hospitable, gracious, and thoughtful, and definitely a joy to have known. My sole contact with the province, therefore, has been through correspondence, which I have enjoyed immensely. All the chapter officers, the presidents in particular, have been an unending source of joy and aid to me. My only regret is that the year has gone by without my having met each of the girls of each chapter personally.

To the officers of each chapter I want to give credit for having written me such thorough and comprehensive reports throughout the year. Without their cooperation my work could not have been done, and it is a pleasure to have information come in on time and well written. My appreciation to the Advisory Committees of the six chapters is extended, for in spite of many outside interests the members of these committees have given their time to the interests of the local chapter. Where there is a strong tie between the chapter and its Advisory Committee an outstanding chapter will always result. My work was made easier by the splendid cooperation the Advisory Committee gave me and its chapter.

Working directly with Miss Onken is an unceasing pleasure. We are all grateful to her for her patience and understanding attitude at all times. To her and to the other members of Grand Council I express my thanks.

1943-44 has been a good year for Epsilon Province. There have been emergencies now and then, and those concerned have risen to meet them in fine Pi Phi style. But we prosper from these experiences and next year will be a better year as a result of this one.

Respectfully submitted,

MARY JANE TROWBRIDGE

ZETA PROVINCE PRESIDENT

SINCE APRIL, it has been my pleasure, privilege, and duty to try and learn to know the five chapters in Zeta Province. Their achievements, their honors, their problems, their failures, have all been my joy and my worry. Being entirely unfamiliar with Pi Phi work, as well as the South and Southern schools, it was an education in itself to make the chapter visits immediately upon taking office. It is my sincere hope that I may have brought some little help to the five chapters and that this will justify my appointment by Grand Council.

Two of the chapters, Georgia A and Florida B, have their own houses, presided over by gracious capable chaperones, who add much to the atmosphere of these groups. Florida F is housed in a University building and must share with some independent girls living there. Florida A and Alabama A each have attractive chapter rooms in a campus building. All have their problems and their ups and downs but in learning to live and work together, they are becoming the kind of women that Pi Beta Phi wants in its Fraternity.

In the case of each chapter I find that the Deans of Women, give only a most favorable report in regard to the chapters as a whole. They have found the members and pledges a harmonious and cooperative group who are leaders in most every phase of campus life.

In donations, each chapter has made some con-

tribution although not every chapter has given to each project. All of the senior dues have been given and I do think that this is important, for it is from the seniors, that the great alumnae group gets its new blood and impetus to keep alive. After all, it is the seniors today, who make the alumnae tomorrow.

In scholarship, Alabama A still heads the list of her college and in the province. Florida A comes next, with Florida B a close running mate. Georgia A and Florida F are a little behind but are making plans to reach the others this next year. As one Dean said to me: "These times are not conducive to good study and scholarship. There are too many outside worries and problems, too many overcrowded classrooms, too many accelerated programs, too many unsettled students shifting from one college to another; we must be more understanding of these young people who are trying to carve a normal life in an unnatural world."

Rushing results were highly satisfactory to each chapter, if I am to judge by the reports given me. The quota system as used in these colleges offers many drawbacks and difficulties but undoubtedly has proven its worth in keeping the various sororities in line. At Florida B next year is to be the trying ground for a new system and we are all hoping that it will be a big improvement over their former "promising." All chapters have made many rushing plans for the fall and all are looking ahead to a good season except

Florida Γ , which will have only two or three places to fill.

The alumnae relations seem to be generally very good and I do hope that the alumnae and actives realize how very important they both are to each other. If only more alumnae could have some part in active chapter work they would know the real joy of Pi Beta Phi, today and always.

I would like to present a few of the honors that have come to these five chapters in Zeta Province. Alabama A is outstanding in this field, and one of their members, Cornelia Banks, received the Amy B. Onken Award, which was my pleasure to present when I was there on Founders' Day. Charlotte Meachem received the Rosenwald Aid-grant, and will continue her studies at Radcliffe this fall. Mary Richardson, voted the most outstanding girl, was chosen to christen a ship at Decatur, Alabama, and will take fifteen girls with her. Three of their girls make Mortar Board; two Φ B K; two X N T, an honorary biology fraternity; one the president of M A. Besides these there are many others as well as extracurricular activities. Florida Γ has a new member of Mortar Board and one in the Key Society, which is equivalent to Φ B K. They also are represented in campus activities and one of their girls is vice-president of Student Council. Georgia A has three new Phi Beta Kappas, one in Φ K Φ , and the vice-president of Z Φ H, who is also the secretary of Panhellenic.

One freshman was chosen for A Δ Δ , and "Z" Club is also represented by a Pi Phi. They have surely had their place in all activities. Florida B has one Φ B K, one new member of Z Φ H, a national honorary speech fraternity. One of her girls received the loving cup for highest average in the sophomore class. Florida A has one new member to Scroll and Key, and she was elected its president. This has the same requirement as Φ B K. Another girl was elected to B X Ω , biology fraternity; one to Σ Φ Σ , physics fraternity; and one to Δ Γ Φ . They are also well represented in all campus affairs and are most outstanding on the campus.

Surely I am proud of the accomplishments of Zeta Province chapters, and feel that they are earning their place in this great Fraternity. It would have been impossible for me to step in at this late date had it not been for the great understanding of Miss Onken, and the help and encouragement that she has given me. The chapters have cooperated also, and together we have tried to bring this year to a memorable close. Next year we hope will bring more honors, more accomplishments, better scholarship and one hundred per cent cooperation in every field.

In closing I wish to send my very kindest greetings to the members of Grand Council, and hope that they have a very successful conference.

Respectfully submitted,

AIMEE RENKES BRAINARD

ETA PROVINCE PRESIDENT

AFTER FIVE years as Eta Province President, the contact with the eight chapters has brought satisfaction in the achievements and progress, and hopes for the future of Pi Beta Phi. Although there have been problems, it has been a privilege to see the way in which the girls have met the challenge and obligation of leadership in the present world and have shown strength of purpose and character by standing for the fine, worthwhile things in life.

The chapters were visited in the months of November and December and I never enjoyed visits more, due partly to the closer contact with the actives and the Advisory Boards. Mrs. Finger gave the chapters much inspiration and many suggestions in her visit to the chapters in March and April. Wisconsin Γ had the honor of entertaining Mrs. Alford for an evening the first of June.

The size of the chapters has been approximately the same as in former years. In some schools, the enrollment of girls was larger. 157 girls have been initiated and 78 girls have graduated, the figures in both cases larger than last year.

The scholarship of the province as a whole has improved. The grades of the rushees were considered carefully and stricter hours and rules put in effect for both pledges and actives with low grades. Wisconsin A raised from ninth place in the second semester of 1942-1943 to fourth place in the first semester of 1943-1944. Their pledges set a high mark on the campus with their grades. There was one election to Φ B K. Wisconsin Γ raised from the fifth place or next to the bottom for the year 1942-1943 to first place in the first semester of 1943-1944. They were second in the second semester. There was one Φ B K. Illinois A raised one place in scholarship ranking. There was one election to Σ O M (honorary scholastic). Illinois B- Δ was first for the year 1942-1943 and while the averages have not been announced for

this year, the grades indicate a first place again. There was a winner of the Faculty Scholarship, with straight A all through college, while another graduated cum laude. Grade averages are not compiled at Illinois E for the duration but the average for the first quarter of 1943-1944 was between a B and B-. There were two Φ B K's, one being an Advisory Board member. Illinois Z raised from twelfth to third place in the year 1942-1943. The average for the first semester of 1943-1944 is a B- but no comparison as to ranking is available. There were three Φ B K's and two A Δ Δ 's. Illinois H held first place for the year 1942-1943 and in the first semester of 1943-1944, the average was a B-. No comparative average is available. Five were in Π M Θ (honorary scholastic). There were two Φ B K's at Wisconsin B (having two out of three seniors selected). Illinois B- Δ , Illinois Z, and Illinois H initiated all but one pledge each.

The officers and chairmen were the best trained, and the most efficient, cooperative, and conscientious since I have held my office. I have stressed internal development and organization and the notebooks of the officers and chairmen, with ideas and suggestions, suited to the local chapter, to be passed on to their successors, have been a factor in this. The Social Chairman's notebook at the University of Illinois has been used as a model as was the letter given to the pledges by the pledge supervisor at Beloit. The map, for learning the provinces, was a work of art by the pledge supervisor at Wisconsin. The programs for chapter meetings were well planned and several chapters have their programs with the pledges in attendance. Another factor in chapter organization and enthusiasm were the suggestions and inspiration passed on to the chapter after the conference of chapter presidents at the Medinah Club in Chicago, August 27 to 29, 1943. The fraternity has made it possible to hold such a conference again in 1944.

The rushing seasons were unusually successful this year. Wisconsin A and Illinois A are the only chapters not under quota system. Wisconsin B had a quota of 20 freshmen plus 4 upper class girls, and 2 to 5 could be pledged later in the year. Wisconsin Γ had a freshman quota of 7 freshmen in July rushing and 18 plus transfers in October. Illinois B-Δ had a quota of 19 freshmen plus 2 upper class girls, Illinois E had a quota of 30, Illinois Z's was the number of girls returning to live in the house subtracted from the number that the house accommodates, while Illinois H's quota was 14.

There has been greater prominence in activities than previously, partly due to the fact that the girls are holding positions that men usually hold. It is impossible to list all the activities for the eight schools but I will mention only a few. The girls are in every field of activity in each school. At Wisconsin A there were four Φ K Φs; one each in O N, Σ E Σ, Φ X Θ, Dolphine, and Mortar Board; three in Crucible; president of the Student Board; president of WAA; president of Badger Board with twenty-five on the Badger (the greatest number being Pi Phis); intramural chairman of the Badger; Personnel Director; one on the cooperative Board of Control; general chairman of the University War Chest (an important position); a Badger Beauty; Queen of Intrafraternity Ball. Wisconsin B had three honored at the college honor's convocation; out of twelve in *Who's Who*, six are Pi Phis, one girl was in all four scholastic honoraries; two were in Senior Bench with a secretary (similar to Mortar Board); four in Ka Ne (literary), two in Φ Σ I, with secretary-treasurer; seven in Forum with a president and corresponding secretary; president of IAWS; Secretary of WAA; IAWS social chairman and Big Sister chairman; president of Associated Students (first time a girl held this office); a coordinator of the school appointed by the College General Board; the business manager and circulation manager, each with assistants of Round Table (weekly); circulation manager of Gold; a coordinator of the War Participation Board; president of Beloit College Players; secretary of Design for Living Council; vice-president and secretary of Chapin Hall; two keys awarded for work in Beloit Players; president of Δ Σ P (speech); a girl in charge of the Campus Chest Drive. Wisconsin Γ had 9 honor students; winner of the German Club Prize Scholarship, winner of the White Prize Scholarship, winner of the Fairfield Prize, to the junior showing promise of distinguished service in the promotion of human progress; winner of Hicks Prize; a vice-president of LWA in the first semester and a president in the second and third semesters; of eight on LWA Council, four are Pi Phis; two in Mortar Board with a treasurer; one *Who's Who*; a senior on all College Judicial Board; vice-president and secretary of H Σ Φ (classical); of seven on Woman's Judicial Board, three are Pi Phis; a representative to the writer's conference at Northwestern in the first semester; two issue editors and two assistant editors of the *Laurentian* with two co-editors in the third semester (for the first time); three on the editorial staff of the *Ariel* and the editor in the third semester; one in Φ Σ I; chairman of Union Committee (major chairmanship); WAA treasurer; chairman of War Board Committee; president and treasurer of Art Guild; co-director of Lawrence Radio Players; one of four seniors selected for the "Best-loveds"; two in Sunset (dramatics); two Counselors to freshmen; one of eight *Ariel* Beauty Queens; Queens of Homecoming and Battalion (voted on by the V-12), Winter and Prom Queens; first place in

bowling, swimming, ping pong and tennis. Illinois A had two in *Who's Who*; five out of thirteen in Σ T Δ (English honorary), with not more than two from any other group; three in Γ II (similar to Mortar Board); one in Σ K E (history); two in Freshman Scholastic, Π Γ II; president of the Student Body (first time a girl has held this) and a vice-president; WAA president and secretary; two on the Student Council; six in Pep Club with a treasurer; YWCA president and vice-president, with four on the Cabinet; two in Crimson Masque (dramatics); two on the Student-Faculty Committee (the most important single unit on the campus); YWCA representative on the Defense Council; two out of five are Pi Phis on the Upperclass Court; two on the *Oracle* (paper); editor of the college handbook; three of the seven dormitories had Pi Phi presidents; a member of the Debate Team in the State contest and another in the State Speech contest in Oratory; president of Panhellenic; vice-president of International Relations Club; a girl in the Court of the May Queen, and a winner of the T II Cup, given to the outstanding freshman girl. At Illinois B-Δ, three were in *Who's Who*; a president of Mortar Board (a Pi Phi has been at the head for six years); the editor of the yearbook, with three others on the staff; president and treasurer of KAWS; a vice-president and another on Student Council; president and vice-president of Sophomore Commission; vice-president, corresponding and recording secretary of WAA; two on WAA Council; president of Panhellenic; four in Φ B; three on Freshman Commission with a secretary-treasurer; editor-in-chief of the Freshman Edition of the *Student*; secretary of Δ Σ P; some in YWCA Cabinet and on Board; a member of the World Service Relief (for the education of prisoners of war and for refugees). At Illinois E, one is in *Who's Who*; a president and vice-president of Φ B; a secretary and treasurer of Mortar Board; one each in Φ E Σ, Z Φ H (both Speech); one in Φ Σ I as president (Romance); one in Thalian; two in Shi-Ai; an associate editor and secretary to business manager of the *Syllabus* (yearbook), and two co-business managers (first women to hold the position); a president of the Wildcat Council; co-editor of the *Freshman Daily*; a member of the winning debate team at Iowa City; a baseball head for the WAA; several in the WAA-Mu show; a vice-president of the A Cappella Choir; co-chairman of May Day; one in Court of Syllabus Queen chosen at the Junior Prom; two chosen by the V-12 for Beauty Queens; an attendant to the N. U. Charm Queen (sponsored by Field's.) At Illinois Z there was the salutatorian of the class of February 1944 and she received the highest honor offered by the University when she was named to the Bronze Tablet; three in Mortar Board, with a president and vice-president; one in *Who's Who*; three in Shi-Ai with a president; two in Φ X Θ, with a corresponding secretary; two each in Orchestis, Θ Σ Φ (with a vice-president), and in Φ T O; the editor of O T O; secretary of WAA; editor of the Journalism School Alumni News; secretary-treasurer of the senior class; one in Terrapin; president of Shorter Board (girls who just missed Mortar Board); vice-president of Torch (junior activity), with seven out of forty-one in the entire University elected (not more than five chosen in one house before); president of YWCA; one in SAI; one of the few members of the University Concert and Entertainment Board (major chairmanship) of the Illini Union; one in II Δ Φ (French); one Φ K Φ; Student Hostess of Pep Girl and a Junior Job in Star Course (both important); a regional representative to Woos-

ter international inter-collegiate conference chosen from 125 YWCA's of the Middle West; one $\Gamma\Theta\Phi$; one on the business staff of the *Illio*; head of the Illini Union Board; one on the Student Senate; president and vice-president of Occupational Therapy (started at the request of some Pi Phi's); one of two Queens of the Big Ten Track meet; one of four in Court of Plow-Boy Prom (College of Agriculture); one, an honorary Indian princess at Homecoming as the "Chief of Illiniwek," the first time there was a real princess. At Illinois H, one was in *Who's Who*; a money prize for excellence in dramatics was won, two money awards for excellence in junior-senior French, and two for excellence in sophomore French; one senior on the honor roll; 9 others were on the honor roll and one received straight A and was put on the high honor roll; honorable mention in history; a co-editor of the yearbook, the feature and news editor and business editor of the paper; a secretary, vice-president and treasurer of Student Council; three in SAI; treasurer of Conant (English honorary); first place in intramurals; the president and vice-president of the new journalism fraternity, $\Delta E X$; the business manager of Town and Gown; one was in the Homecoming Court.

In war work, at Wisconsin, all the actives and pledges did USO work, being hostesses at both the Madison and University USO's. Several open houses have been held for the air cadets. Two were Nurses Aides and all have helped in the paper drive, the old clothes drive, helped with the Wisconsin Jeep Day (when enough was raised to buy two jeeps). The chapter was on the honor roll each week in buying weekly defense stamps; the girls have worked at the Red Cross; the chapter topped the University Fourth War Bond Drive with the purchase of a \$750 Bond (previously had \$1200 in War Bonds). \$100 was given to the Wisconsin War Memorial Fund (more than any other group); a contribution was made to the Foster Parent's Plan. The custom of having a party for underprivileged children was continued as was the Christmas party for the waiters. Beloit has the vice-president of the College Red Cross and there was a chairman of the Red Cross Drive; chairman of the weekly stamp sales; and a girl in charge of Tag Day for the purchase of War Stamps. The girls knitted for the refugee children; have been blood donors; have helped in the Senior Bench canteen parties for the Air Force and in the Panhellenic Sunday air corps parties, have had open house on Sundays for the service men. There has been a member of the Ferry Command (WAAF), the first Beloit girl to be a member. \$10 was given each to the Red Cross and Salvation Army and \$5 to the War Participation Board. Lawrence has worked at the Red Cross; made scrap books, bought stamps and a \$500 War Bond; knitted, rolled bandages; helped Panhellenic sponsor a bridge party for the Red Cross; and have been blood donors. At Christmas they helped a worthy family in Appleton. They recently have adopted the crew of fifty men of a PT boat, the LSM8 and it has been christened "The Arrow." The captain of the boat is Lieutenant Burley, husband of an Advisory Board member. The girls have sent cigarettes, razor blades, candy and records to the men. Monmouth has a member in the WAVES and in the SPARS; has purchased war stamps weekly and a \$50 War Bond; had an open house at Holt House for the cadets and one is a member of the Campus Defense Council. They have, also, purchased lamps, goblets, dinner and salad plates, cups and saucers to complete what had been started for Holt House. Knox has a member of the

college social committee for the entertainment of the cadets; some are Nurses Aides; others roll bandages; some work at the USO; others knit and work for the Red Cross; some sell stamps and all purchase them; others work at the Day Nursery. \$75 was set aside for War Relief. Northwestern has the chairman of the unit that brought the Red Cross to the University; three were chosen out of several hundred for Nurses Aides; four are in Home Nursing; some work at the Scott Hall workshop; others make scrap books and afghans; several put on a show for the USO at Highland Park; three open houses were held for the service men on the campus. Contributions were made to the Foster Parent's Plan; and the Illinois Industries of the Blind and each gave \$1.00 to the Charities Drive to which the chapter added an equal amount. Illinois has entertained 40 V-12; helped with the Shi-Ai Milk Fund; been blood donors; taken home nursing; bought war stamps; have helped with the salvage, waste paper; clean your closet drive; tin cans; have worked at the USO in Urbana and at the Union; knitted for the Red Cross and worked there; made scrap books; helped with the Russian War Relief; helped with the Mortar Board Mardi Gras for the Red Cross and the service men; and some are Nurses Aides. Millikin was the first to sign up with the Red Cross for organizational work; had the co-chairman of the committee to correlate all the Red Cross activities on the campus; gave one evening a week to folding bandages; and had several Sunday afternoon open houses for the air forces. They had a booth downtown during the March of Dimes Drive and contributed to the Boys Welfare Home.

There are three Pi Phi Deans; at Wisconsin, Lawrence, and Illinois. It was gratifying to hear of the cooperation, successful rushing season, prominence in honors and activities, interest in scholarship, good organization and high standards of the girls from almost every Dean.

The fraternity is fortunate in having women of high ideals, charm, poise, and ability as chaperons. There are five chaperons in the province. There was a change at Wisconsin B during the year and the chaperon at Illinois E is new for next year. The chaperon at Illinois H was initiated into Pi Phi this spring.

The alumnae advisory boards were better organized this year and they worked closely with the active chapters. They are a big factor in promoting chapter strength and development.

There is a fine system of awards in all the chapters for prominence in scholarship and activities.

There are active Mothers' Clubs at Illinois A, Illinois E, and Illinois H. The clubs at Wisconsin B and Wisconsin I are inactive until after the war, due to transportation problems.

The chapters have supported the three projects 100% as formerly. Wisconsin A headed all chapters and clubs with contributing \$800 to the Physiotherapy Fund, while Wisconsin B gave \$75 and Illinois E \$350. Although support of the Loan Fund was not in the three projects to be 100%, Wisconsin A, Wisconsin B, Wisconsin I, Illinois B- Δ , and Illinois Z sent contributions. The response of the chapters was splendid in Magazine sales, as the Province heads the list for commissions for active chapters. Three of the chapters are on the list of the first eight chapters for highest total commissions, the highest per capita and greatest percentage increase, and every chapter was represented by sales this year.

The treasurers have been efficient and the financial condition of every chapter is sound. There have been more perfect reports and less delinquency this year.

Wisconsin A publishes "Tips from the Arrow" and Illinois E, the "Whir of the Arrow" at intervals during the year. Wisconsin B and Wisconsin I sent typed letters to their alumnae three or four times during the year and Illinois H has discontinued their letters for this year. These publications and letters keep the alumnae informed of chapter news and events.

Illinois Z was proud to have Barbara Kelley sent by the fraternity to work with the group at Massachusetts State at Amherst.

The Eta Province Amy Burnham Onken Award went to Margie Bitzer Taggart of Illinois Z.

Northwestern and Knox were on the term system again this year, while Lawrence has three full semesters a year. The first semester started on July fifth, and ended October twenty-third, the second semester ended February twenty-third and the third ended June twenty-third. There will be no rushing in July this year, because of the few new students entering Lawrence and the first rushing will be in November after the second semester starts.

There are three large chapter houses at Wisconsin, Northwestern and Illinois and a small house at Milli-

kin, while the house at Beloit is used for meetings, and parties, as the girls live in dormitories. All the houses are kept in perfect order and repair and much redecorating was done on most of them this last year. All the other chapters have attractive rooms except Knox. Since the first of the year, the $\Phi \Delta \Theta$ house has been available as a Panhellenic House at Knox. The groups can reserve the house for rushing, cooky-shines and parties and all can entertain visitors on the week end. The chairman of the Advisory Board has been the chaperon.

The atmosphere and spirit have been very fine on the whole. There has been unity in the active chapters and among the pledges and friendliness and hospitality were exhibited. The four Discussions sent to the chapters by Dean Maria Leonard have helped the girls face the present day problems.

I wish to express my sincere appreciation to all alumnae, officers, Grand Council and especially to Mrs. Stoolman and Miss Onken for their assistance and inspiration.

Respectfully submitted,
MIRIAM E. WILLIAMS

THETA PROVINCE PRESIDENT

MY FIRST YEAR as Theta Province President draws to a close with a strong feeling of gratitude to Anne Tauber, who left such a fine group of chapters to me, and with gratitude to the chapters themselves, whose splendid cooperation has helped throughout the year, and whose many courtesies and acts of thoughtfulness made my visits wholly enjoyable.

The Amy B. Onken Award for the Province was won by Gretchen Young, Iowa I. Her record of activities on the campus, her invaluable help to her chapter and her many splendid personal attributes added up to an ideal Pi Beta Phi. Six other girls nominated by their chapters for this honor exemplified the finest in all requirements of the standards by which this honor is bestowed. They were: Dorrie Allen Hignell, Manitoba A; Ann Howell, North Dakota A; Marjorie Benson, Minnesota A; Meda Hauenstein, Iowa A; Jean Wickless, Iowa B; Jennie Evans, Iowa Z.

Most of the chapters were fortunate in having Ruth Barrett Smith, as a National visitor and profited greatly by her suggestions.

Chapter houses (5) in the province are well maintained and beautifully kept. Credit for this should be given not only to the chapters, but to the competent chaperons and to the house cooperations. Iowa A has a suite of rooms in a private home very close to their campus. They decorated the rooms themselves early in the year. Manitoba A shares its chapter room with K K I and A Φ . This has not proved entirely satisfactory and the chapter is hoping to have a room to themselves next year. Iowa Z is planning to redecorate their house this summer. Improvements in the way of new furnishings and interior refinishing are made each year as needed. There have been a few changes in chaperons this year. Mrs. Bennet came to Minnesota A this fall, as did Mrs. Gregory at Iowa B. Mrs. Redgwick came to Iowa I in March. Mrs. Cruickshank is leaving Iowa Z this summer and is being replaced by Mrs. Evans.

Rushing this year resulted in the pledging of 118 girls, of which number approximately two-thirds were initiated.

Panhellenic relations have been pleasant throughout

the Province. The quota system exists on practically all campuses.

Red Cross activities and entertainment of servicemen play a prominent part in all the chapters. Most chapters have a Red Cross or War Work Chairman.

In scholarship, Iowa Zeta was awarded the Campus Travelling Scholarship Cup for the third consecutive year, the first sorority ever to achieve this honor on their campus. They now have permanent possession of the Cup. Most of the other chapters are in the top third on their respective campuses. The pledges at Iowa I led the entire campus, including dormitories with an average of 2.718, the all college averaged being 2.386 for Fall Quarter.

The many campus activities held by Theta Province chapters have been a source of pride to the Province and the Fraternity as a whole. Some of the most outstanding are as follows:

Manitoba A: president of Women's Association, the ninth Pi Phi to be elected in this position in 13 years, Senior Lady Stick of Arts, President of Athletics at United College, Secretary of Home Ec. Council, President of Third Year Arts.

North Dakota A: presidents of $\Phi \chi \Theta$, Newman Club, Mortar Board, four members elected to Senior Cabinet of Y.W.C.A., secretary, $\Phi \tau \Theta$, 1 $\Phi \beta \kappa$ and 1 Mortar Board, secretary of the Y.W.C.A., 2 *Who's Who in American Colleges*, etc.

Minnesota A: president of Bib N'Tucker, secretary of the Class Cabinet. Many members have been initiated into honorary fraternities, two members are on the All University Senior Council, president of the Y.W.C.A., 3 members on Tam O'Shanter Junior Council, 1 $\Phi \beta \kappa$, 1 Mortar Board.

Iowa A: 3 $\Sigma \tau \Delta$'s, many major offices are held by members of this chapter. They are also well represented in athletics, dramatics, music (choral and band), radio, Red Cross, etc.

Iowa B: vice-president of Student Body, president of $\Pi \Gamma \eta$, president of Pep Club, Managing Editor of the *Simpsonian*, president of Y.W.C.A., president of Blackfriars, 2 *Who's Who*, 12 Representative Women, Secretary of Y.W.C.A., etc.

Iowa I: members in $\Phi \tau$, $\Delta \Phi \Delta$, $\Theta \Sigma$, $\Theta \chi$,

II M E, Φ M A, 2 Mortar Boards, Editor of the *Homemaker*, advertising and business manager of the Green Gander, president of Y.W.C.A., several members on Y Cabinet, head of the War Council, Senior Editor of the Year Book, etc.

Iowa Z: 2 Mortar Boards, one Φ B K, a good representation in honorary fraternities, in Union Board, Dramatics, business manager of the *Hawkeye*, head of the Student Board of Publications, editor, advertising and business manager of the *Frisol*, Freshman Beauty, treasurer of the Home Ec. Council, etc. One of the members took part in a film that the Office of War Information is making for distribution to 26 countries typifying a true American College.

IOTA PROVINCE PRESIDENT

AS THE FIRST year of my duties as Iota Province President ends, and my mind goes over in summary the accomplishments of the seven chapters, I cannot help being grateful that our girls have the stabilizing influence in their war-upset college lives of the set standards and high ideals established by Pi Beta Phi. With the knowledge that their strong national organization is behind them, all the chapters have progressed.

Every chapter in the province is high in scholarship—Colorado B received not only the Panhellenic award for having the highest scholarship among the Greek letter organizations, but also the plaque given by the University of Denver for having the highest average of all the women on the campus. Colorado A, Kansas B, and Wyoming A were also first. Comparative lists in the other schools were not available, but the chapters felt they had improved, and Kansas A had raised her own average over last year's so felt that the chapter must be very near the top. All the girls know that the war has given them an added responsibility to keep their high scholarship standing. Every group is represented by girls in honorary societies, with an especially large number in both the Kansas chapters and Wyoming A. Space forbids my listing them here.

All the chapters have maintained their fine reputations for extra-curricular activities as is shown by the long list of high campus offices held by the girls. There are thirteen Mortar Boards, eleven Spurs and seven Guidons as far as I know now. At Kansas A and South Dakota A, besides all the other things they do, every girl in the chapter goes out for the "Intramurals"; they seem to last all through the year and the girls not on the teams of a given sport attend the games to give moral support to their sisters. Kansas A does much of its war work as a chapter too. Both these activities seem to create remarkable chapter unity.

Iota Province Pi Phis are politically minded, too. South Dakota A had the presidency of the Student Council, and both Kansas A and Nebraska B had

KAPPA PROVINCE PRESIDENT

MY ASSOCIATIONS with the 7 chapters of Kappa Province have given me an insight into the real Pi Beta Phi which casual membership and minor services have prohibited. All chapters not only have accepted the responsibilities produced by this war period, but they have assumed leadership in promoting coordinated all school projects to cope with current problems and unsettled school days. Kappa Province

All chapters have supported the Settlement School, Holt House, and Loan Fund with generous gifts. Each active of Theta Province contributed \$1.00 towards the Physiotherapy Scholarship Fund. The total amount which has been received up to the end of May is \$303.00.

May I again express my appreciation to all who have helped make this year a successful one for Theta Province? For her untiring assistance, I wish also to express my sincere gratitude to Miss Onken. It has been most inspiring to work with her and Theta Province chapters this year.

Respectfully submitted,
NORMA KENDALL BINGEMAN

presidencies of A.W.S., and for next year both Wyoming A and Kansas B have Student Council Presidents, and at Kansas State it is the first time a woman student has ever held this office. There have been many class officers as well as three Y.W.C.A. presidents and two W.A.A. presidents. And for the glamorous department, we have a May Queen from Nebraska, four beauty and personality queens, two May Day princesses from Colorado and many leading ladies of both legitimate and radio plays. We also have two Yearbook editors, an assistant editor, and a business manager. In looking over the activity lists, I wonder how the girls can do so much and still keep up their scholarship and serve their chapters with such skill and devotion.

With all of these business activities, the girls manage to have a well-rounded social life—in fact, I am glad to say that three of the chapters bulge a little with social doings—not the kind that would bring any criticism for extravagance or over-frivolity, but the kind that make life run on ball-bearings.

I was delighted with the Pi Phi Houses; they are handsome and well-kept. Kansas B burned its mortgage at Founders' Day this year, and it is the first fraternity on that campus to have a debt-free home.

All seven chapters had good rushing seasons with but few disappointments. I was fortunate enough to go through the entire Rush Week with Nebraska B, and could understand Pi Phi success if all the chapters had planned as carefully as they had. They struggle under the quota system, and besides they do not have adequate time in which to know and talk with their rushees. I have already received plans for rushing next Fall and they look as though they cannot fail to bring success again.

The letters I have received from the girls have been a constant joy and an adventure in friendship. And those I have received from the members of Grand Council and the Chairmen of committees have been an inspiration in my work. I thank you all.

MARY BELLE BRUEGGEMAN

chapters have presented no specific problems. My nine months of official service have been happy, profitable ones; my pride in the chapters is unlimited.

The high light of activities was Mrs. Alford's visit in April. Her presence was inspirational to all of us. Her suggestions and comments were typical of her wisdom and Fraternal spirit and have been acted upon with enthusiasm. We were delighted to entertain such

a charming representative of our grand Fraternity. I was especially thrilled because Mrs. Alford is the only member of Grand Council I have known.

The scholarship ratings are splendid. Arkansas A, Texas A, and Oklahoma A have held the first positions on their respective campuses the entire year. Arkansas A made the highest grades that have ever been made by a Greek organization at the University of Arkansas. Oklahoma A has permanent possession of the Panhellenic Cup offered the chapter rating in first place for 3 consecutive semesters. Texas A won for the 4th consecutive time the award given the chapter initiating the largest per cent of pledges. In a year Louisiana A has raised its rank from 11th to 5th position, and the other chapters remain in the upper third. Each chapter has an organized program of supervised study, with the exception of Louisiana B, which depends on an individual program with mid-semester checking by the Fraternity.

The scholastic honors are certainly impressive. There are honor students in each chapter, but those deserving special comment are the Φ B K's. Arkansas A has 3; Oklahoma A has 1; Texas A has 3, and Texas B has 1 member of Λ Θ Π which is now petitioning Φ B K. The total Province representation in Λ Δ Δ is 24, 11 of whom are from Texas A. Arkansas A was granted 2 Kellogg Scholarships for Pre-medics, and Caroline Roberts won the Λ Δ Δ Award for the girl having the highest grades for the full four years. Mary Winton, Texas A, was awarded the scholarship given by the University Musicians.

The chapters are in splendid financial condition. All contributed 100% to the Fraternity projects. The pledges of Louisiana A held a bridge supper so they could send in an additional \$50 to the Settlement School. Louisiana B held a raffle to make money for the Settlement School. Total contributions were: \$455 to the Settlement School; \$45 to the Loan Fund; \$110 to Holt House; \$221.50 to Physiotherapy. Oklahoma A and Texas A have reduced their house notes considerably, and all chapters have contributed generously to the Red Cross and have invested more than tidy sums in War Bonds.

The size of the chapters is much the same as usual. There were 152 initiates and 63 graduates. The housing situations have not altered. Oklahoma A, Oklahoma B, Texas A, and Arkansas A have lovely, well-cared for houses. The girls in Louisiana B live in dormitories but have meetings in the Panhellenic House. Louisiana A and Texas B have apartments in which to meet. The hostesses are lovely, efficient women who have contributed much to chapter life. The only new hostess is Mrs. J. B. McKinley who is a Pi Phi mother and a definite asset to the Oklahoma Beta Chapter.

We are very pleased that advisory Boards are now acting in unison with every chapter. The organization of the Board at Baton Rouge has made that splendid and almost necessary dual relationship unanimous. The alumnae groups were most hospitable during my visits, and it is reassuring to find them bearing their Pi Phi responsibilities along with overwhelming war time activities.

The chapters have run themselves this year. Leadership within active chapters and in Advisory groups has been unusually strong. Officers, for the most part, have been very well informed, prompt, and efficient. Our pledge instruction has been wise. Close attention is being paid to choice of pledges, especially in regard to scholastic records. All files, notebooks, and archives were checked 100% for completeness and condition.

Rushing has been a problem in some of the schools

this year. We have had a generous variety of two semester, trimester, and four term systems, but most Panhellenics have worked out their difficulties. The chapters have been quite active in Panhellenic, most especially in the Workshops, and have been credited in several instances with valuable assistance in working out new rushing rules. All chapters have sent in completed plans for Summer and Fall rush.

Pi Beta Phi has earned a splendid reputation and is held in high esteem throughout this Middle West. The Deans of Women and college authorities had only words of praise for our social adequacy, scholarship, participation in campus life, and our democratic spirit. Miss Virginia Reinecke, Dean of Women, and Elizabeth Reichstadt, her assistant, at the University of Oklahoma are both members of Pi Beta Phi. Virginia is thoroughly admired and is known for her fine work in Panhellenic.

Activities have been numerous. Tapped for Mortar Board were 5 from Arkansas A, 1 (Λ Σ Σ) from Louisiana A, 2 from Oklahoma A, 2 from Oklahoma B, 4 from Texas A, and 2 from Texas B. In *Who's Who* we have 5 from Arkansas A, 1 from Louisiana A, 2 from Oklahoma A, 1 from Texas A, and 2 from Texas B.

In the field of publications Arkansas A has had the Editor and Associate Editor of the *Traveler*, Editor of the *Razorback*, Associate Editor of the *Guild Ticker*, and Associate Editor and Business Manager of the *Agriculturist*. Louisiana A has 7 on the *Jambalaya* staff and 8 on the *Hullabaloo* staff. Louisiana B has 1 on the *Reveille* staff. Oklahoma A has the Assistant Editor and Advertising Manager of *The Covered Wagon*, and 2 on the *Oklahoma Daily* staff. Oklahoma B has the Editor of the *Redskin*, 1 on the *Oklahoma State Engineer* staff, 1 on Board of Publications, and 2 on the staff of the *O'Collegian*. Texas A has the Vice-President of the Board of Publications, and Associate Editor and Fine Arts Editor of the *Cactus*, and at Texas B are found the Editor and 8 staff members of *Rotunda*.

I shall not attempt to mention all the other activities and honors, but some of the most distinctive ones include the following:

Arkansas A: president of Φ M O, president of Π K, president and treasurer of AWS, vice-president of YWCA, president of Boots and Spurs, Head University Cheer Leader, Captain of Guidon, president of the University Sunday School Class, president of Panhellenic, Miss Arkansas, the first 2 beauties in the *Razorback*, AAUW Award and Hazel Hinds Briggs Award given to the outstanding Junior, outstanding Senior in Agriculture, and the chapter won the campus "Sing" with the Pi Phi Symphony.

Louisiana A: secretary of YWCA, president of the Art School, president of the Sophomore Class, 2 favorites in the Tulane year book, ROTC Sponsor, head of Newcomb Athletic Council, Sweetheart of Tulane, Sweetheart of Σ X, secretary of Student Body, 4 on the Honor Board, and chairman of Campus Night.

Louisiana B: 2 officers in Σ A I, president of Λ X Σ , most outstanding student of Music School, 1st degree in Opera to Geraldine Sloan, 1 Θ Σ Π , and 1 Senior Advisor.

Oklahoma A: 2 officers in Λ Δ Δ , 2 Σ X, 3 in Junior Honor Society, Letseizer Award to 1 of 3 outstanding Senior women, X Δ Φ has 3, president of Hestia, president of Dusty Travelers, Council member of YWCA, chairman of Inter-Fraternity Relations, 6 officers and chairmen in WAA, 6 beauties, Miss Oklahoma, Cover Girl for *The Covered Wagon*, president and treasurer of Panhellenic, ROTC Sponsor,

most outstanding girl on campus, the 1st ranking Senior in Geology, Intramural Sports Cup, champion University golfer, only girl on the University Student Conduct Committee, 7 of the 100 outstanding students, Honorable mention in the *Mademoiselle* Victory Contest.

Oklahoma B: president and 4 members of $\Sigma A I$, War Council Chairman of AWS, president of AWS, president of YWCA, president of A II M, 3 out of 5 campus Senators, 4 out of 7 Greek held campus offices, 4 beauties, Beauty Queen of the Air Corps, Cadet Colonel, vice-president of Junior Class, Cover Girl for *Oklahoma State Engineer*.

Texas A: 1 B $\Gamma \Sigma$ ($\Phi B K$ of Business Administration), treasurer of A $\Delta \Delta$, vice-president and treasurer of O N, president and secretary of M ΦE , 2 in Orange Jackets, 4 on Cap and Gown Council, president of Campus League of Women Voters, treasurer of YWCA, Chairman of War Committee of YWCA, president of University Singers, 1 beauty, 2 on Junior Class Council, secretary of Orchestris, 5 on Co-ed Assembly, 2 on Student Union Board of Directors, secretary and treasurer of Junior Class (2 positions), secretary of $\Pi \Sigma A$, vice-president of University of Texas Sports Association, Secretary of Senior Class Cap and Gown, X Ω Social Science Achievement Award.

Texas B: M Award to most outstanding student, Homecoming Queen, 1 on Student Council, 4 in A K Δ , 2 in $\Theta \Sigma \Phi$, 2 on Women Student Governing Board, social chairman of Mortar Board, president of Student Publishing Board, secretary of A K Δ , historian of Kirkos, secretary and chaplain of $\Delta \Psi K$.

Participation in war activity has been stressed in each chapter. Of the 7 chapters 5 have been the leaders in organizing and promoting successfully coordinated all school war projects. Louisiana A has contributed generously in time to all branches of Red Cross, nurses aide, War Loan Drives and has done its share for the Blood Bank. Mary Dorothy Womack, president of Louisiana B, has organized COGS (College Organization for General Service) for the LSU campus, and she continues as the Director. Oklahoma A has had the chairman of the all school War Council since the project was founded last year. The chapter also has the chairmen of Surgical Dressings, Drives Committee, March of Dimes Committee, and spon-

sored the Bond Drive which won the Minute Man Flag for the University. The chapter was 1st in contributions to the Red Cross, March of Dimes, and War Service Loan Fund. Texas A has been extremely active in nurses aide, AWWV, first aid, motor corps, and all branches of the Red Cross. Florence Hudson is the organizer and now the Director of the coordinated all University war project. Elizabeth Ann Pierce, president of Texas B, was the first in the Province to develop a school project. She organized COGS at SMU; her work has been acclaimed the finest accomplished at the University for many years, and the idea is being promoted in many other schools. Every girl in Texas B contributes at least 2 hours a week to COGS, which sponsors all types of Red Cross work, entertainment at hospital bases, and sending the school paper to the University men in service.

The Amy Burnham Onken Award winner for the Province this year is Jane Cheatham, Texas A. Jane is president of the Campus League of Women Voters, Mortar Board, a major and student instructor in Political Science, and president of the chapter.

There have been few big social functions in any of the chapters. The money which would normally have gone for such entertainment has been invested in bonds, contributed to the Red Cross, invested in the houses, or used in some community philanthropy.

The chapters have cooperated and progressed beautifully. Apparently they were so well equipped in leadership, knowledge of Fraternity business, and real Pi Phi spirit that changing Province Presidents during the year was no great transition. I want to thank them for having made my year such a pleasant one. Too, I shall cherish the memories of this year because I have met and known Mrs. Alford and the Kappa Province Vice-President, Mrs. Moore, two charming women and wonderful Pi Phis. I have truly appreciated the kind notes sent by members of Grand Council and the patience exhibited and the service rendered by Central Office. The most special place in my heart is saved for Miss Onken, whose letters have been the grandest kind of inspiration, whose personal attention amazes me, and who has been of invaluable assistance to a novice such as I.

Respectfully submitted,

MARY McCOLLUM TOP

LAMBDA PROVINCE PRESIDENT

THIS FIRST year of serving as Lambda Province President has been filled with new interests, new friends, and much newly gained knowledge and recognition of the splendid organization of which we are a part. After a year of working with the girls in the active chapters in this province, and having the guidance of our National officers, I am more than ever proud to be a Pi Phi. Throughout the Northwest, as in the rest of the country, our colleges have been disrupted to a greater or less degree by the war programs, but I have found a splendid calm and sincere application to education among most of the women students. I was always very pleased to find that so many girls in every chapter were determined to finish their college courses in spite of marriages and pressure to change to well paying positions. They have taken a rather wise over-all view of this crisis and seem to be convinced that they will be of more real value to the country as educated trained women, and so are determinedly going ahead with their prescribed courses. The lack of men has curtailed their social life, but they are intensely busy

with Red Cross and Service Clubs, with war fund drives and community activities, and so are not conscious of too great an abundance of leisure time. The college girls are really doing their job in an excellent way, and I am very proud of the manner in which the active Pi Phis in Lambda Province are carrying on.

Of greatest importance and interest was our new chapter of Oregon P. Willamette University, the oldest institution of learning west of Missouri, is located in the city of Salem, Ore., the capital of the state, and a beautiful town with its tree shaded streets and its many traditions of the old west. Pi Beta Phi is the first fraternity to go into Willamette "U" and it was a real thrill to see the manner in which a large part of the population welcomed the addition of such a National organization. Our Grand Vice-President, Ruth Barrett Smith, was in charge of the installation, and her sincerity and personal consideration for each of the fifty-five initiates, made the occasion a rite of beauty and solemnity. We had representatives from all of the eight chapters, Beatrice

Grant traveling all the way from Edmonton, Canada, to represent Alberta A. The gathering of so many alumnae and actives from various parts of the province developed enthusiasm and pride in their fraternity that will leave a lasting impression on them all.

The honors earned in Lambda Province were many, but I will only mention a few. Patty Flynn of Montana A and Nancy Ames of Oregon A had the unusual honor of serving as student body presidents. At the University of Washington, Ruth Weinker was A. W. S. president, and at the University of Montana, Virginia Howell will serve as A. W. S. president next year. Rhoda Neil of Alberta A is president of Blue Stockings, which corresponds to Phi Beta Kappa in the states. Charlotte Kane of Washington State College was chosen "Chief" of the five most outstanding women on the campus. Sonia Rogers is president of Sigma Kappa Phi and Betty Wilson, president of Y.W.C.A. Fern McGregor of the "U" of Idaho is president of Minute Maids, and at Oregon State College, Jeanne Butler is president of Talons, Jean Ward president of Omicron Nu, and Betty Brainard president of Theta Sigma Phi. The presidency of Spurs has been held for three consecutive years by Pi Phi's at the "U" of Montana. The girls are active in radio, music and drama, have many working as editors and managers of school publications, and many beauty queens and fraternity or A.S.T.U. "Sweethearts". Washington B and Oregon A celebrated in May the burning of the mortgages on their houses. Oregon B was first in scholarship on its campus, as was Montana A. Idaho A won the "I" plaque for the most active participation in W.A.A., and Washington A had six invited to Matrix Table. Washington B has four seniors pledged to Mortar Board, and two Phi Beta Kappas.

The chapters have all been loyal and untiring in their war work. At Edmonton, Canada, the canteen

at the Drill Hall serves hot coffee at "Break" time, and Hazel Moore, assisted by four Pi Phi's, is in charge. Idaho A was top house in the World Student Service drive as was Oregon A. Oregon B won the "pin-up-boy" contest sponsored by the A.S.T.U. students. Votes were cast by the purchase of war bonds and stamps to the amount of \$9,500.00.

Nancy Ames of Oregon A was the winner of the Amy B. Onken Province Award. The chapters nominated outstanding girls for the award and the decision was a very difficult one. Oregon B nominated Jean Ward; Washington B—Charlotte Kane; Washington A—Ruth Weinker; Montana A—Patricia Flynn; and Alberta A—Mary Whaley.

Finances have been efficiently handled, and I am happy to say that all of the chapters in the province were one hundred percent with their contributions to Physiotherapy, Holt House and the Settlement School. The advisory boards of all the chapters have been wonderful in their cooperation and advice. It would surely be a difficult task for a National officer if she could not have the year-round assistance of these boards. The chapter chaperons are, of course, a strong link with the active chapter and Oregon B is deeply regretful at losing Mrs. Mary Ward Drake after many, many years of chaperoning that chapter so splendidly. Oregon A has been fortunate in securing Miss S. Harrison Devereau, formerly a housemother at the University of Washington, and feels she is now an integral part of the chapter.

I would like to thank all the chairman of the National Committees, the members of Grand Council, and especially Miss Onken and Mrs. Warren Smith, for their letters so filled with information and assistance. May the coming year bring happiness and peace to all.

HAZEL REED ELLIS

MU PROVINCE PRESIDENT

THIS YEAR has been one of both encouraging accomplishment and discouraging defeat in Mu Province. The defeat came on the night of April 26 when Dr. Donald B. Tresidder, President of Stanford University, announced to the women students at Stanford that the Trustees of that University had decided that there was no longer any need for women's fraternities on their campus. Dr. Tresidder assured the Fraternities that the decision was in no way intended as a criticism of the fraternity system as a whole, but rather an adjustment made necessary by Stanford's plan to have all of its women students directly under the social program of the University.

Several factors have contributed to a dissatisfaction with women's fraternities at Stanford . . . the increased enrollment from a limit of 500 women students prior to 1934 to over 1400 this year, a University-controlled quota system which has resulted in making the ratio between fraternity and non-fraternity women greater each year, and the denying by the administration the right to form new groups which would have given the privilege of membership to a greater number of women. The Fraternities would have been more than willing to adjust themselves to Stanford's program, but the Trustees were not willing to try such adjustments as could have been made. The Dean of Women has never been in sympathy with our type of organization and has made our road most difficult. We regret most sincerely the loss of

California A, but hope that some time in the future Stanford will again welcome women's fraternities on its campus, and California A will be returned to our Chapter Roll. A complete report of this Stanford situation will be found in a later issue of the ARROW.

The college year started for this officer in July 1943 for two of her chapters, California B and California Δ, functioned as regular chapters during the July-November session of these two California Universities. However, no chapter visits were made during the summer months. In September it was her pleasure to be in Reno during Nevada A's rush season, and many happy hours were spent with this splendid group of girls. October saw the presidents of all of our chapters except Arizona A in conference at the California B chapter house in Berkeley. We regret that Arizona could not be represented at this conference, but transportation accommodations proved too uncertain for this president to take a chance on having to spend a week in California. Lois Snyder Finger, Grand Secretary, attended this conference, sharing with all present her spirit of devotion to Pi Beta Phi. The meetings were beneficial in their reviewing of procedures in chapter organization, in the exchange of ideas among the chapters, and in the inspiration of feeling that we were an important link in our Fraternity.

Chapter visits were made in November to Arizona A, California Γ, and California Δ. Nevada A and

Utah A were visited in February, California B in March, and California A in April. No national officers visited in this province during the year, but California I and California A have both had informal visits from the Grand Secretary who is their neighbor.

For the year 1942-43 Nevada A was the only chapter to place first in the comparative scholastic rating, that chapter having held its first place for eight consecutive semesters. Other chapter ratings were California A 7th, California B 12th, California I 13th, California A 9th, Arizona A 4th, and Utah A 5th. Last fall semester Nevada A dropped to 2nd place, and California I and Arizona A both came up to that ever coveted 1st place. The comparative ratings for the other chapters are not figured at mid-year, but they all hoped for improvement. The general trend is that all-university averages are much higher than in the pre-war era, and all chapters are emphasizing the importance of scholastic pursuits. All chapters have well planned study schedules and are making every effort to maintain strict quiet hours.

Individual scholastic honors are as follows: California A—1 Phi Beta Kappa; California B—1 Phi Beta Kappa, 5 Tower and Flame or Honor Students' Association; California I—3 departmental honors; California A—1 California Club Honorary, 2 departmental honors; Nevada A—5 departmental honors; Arizona A—9 departmental honors, 1 sophomore class honor, 2 graduates "With Distinction," 1 graduate "With High Distinction;" Utah A—1 Phi Beta Kappa, 1 Phi Kappa Phi, 6 freshman honors, 6 departmental honors.

War activities continue to hold a very important place in the lives of University women today. All chapters in this province are sponsoring the sales of War Stamps and Bonds, and are contributing time and money to Red Cross activities. Members of our chapters in metropolitan areas have been blood donors. Each chapter is well organized under its war activities chairman to participate in all university programs. All chapters have entertained service men, and California A entertained the WACS attending Stanford. Outstanding war services and contributions are: California A—2 on War Board (one chairman of Red Cross bandage rolling), 1 Nurses Aide; California B—23 active Nurses Aides. (39 Nurses Aides have been trained in this chapter since Pearl Harbor), 1 War Council, 3 on Post-War Reconstruction Council; California I—3 on War Board, 12 Red Cross Canteen, Chairman of Red Cross knitting; California A—5 Nurses Aides, 1 on War Council; Nevada A—Vice-president of Collegiate Red Cross, 2 on War Board, whole chapter assisting with Red Cross Canteen; Arizona A—15 Canteen, 1 Nurses Aide, 1 Motor Corps, 2 on War Council; Utah A—14 Canteen, President of University Chapter of Red Cross, three fourths of chapter serving Office of Civilian Defense, and the chapter placed 1st on its campus for "Outstanding Work in War Activities."

Although war activities have taken a great amount of time, the girls in Pi Beta Phi chapters have not neglected other campus activities. We have advised that each girl concentrate her efforts in one specific activity field, but have stressed the importance of having chapter representatives in all important activity fields. Outstanding offices and honors for service have been: California A—3 Sponsors in Freshman dormitory, President of Women's Council, 1 Cap and Gown (similar to Mortar Board, President of Panhellenic, Chairman of Election Committee, President of Senior Class, President of Cardinals, Secretary of Women's Council, and the recent election of Presi-

dent of Student Body for next year; California B—2 Mortar Board, Vice-president of Student Body, 5 Prytanian (Junior Honorary), 3 Torch and Shield including President (Social Honorary), 1 Intramural Board, Junior Editor of Year Book, Chairman of University Activities Recruiting Bureau, 2 Drama Honorary; California I—President of Student Body, President of Panhellenic, 3 Amazons, 2 Mortar Board, 2 on Sophomore Council, 1 Spooks and Spokes (Junior Honorary), 1 Y.W.C.A. Council, 2 Associated Women's Council, Captain of Freshman Advisers; California A—1 Mortar Board, President and Secretary of Y.W.C.A., President and Secretary of University Recreation Association, Secretary of Associated Women Students, 4 Spurs, 3 Key and Scroll (Junior Honorary), President of Freshman Y.W.C.A., members on every class council; Nevada A—1 Cap and Scroll (similar to Mortar Board), President of Panhellenic for next year, 1 Election Board, 2 *Who's Who in American Colleges*, 2 on Senate, Student Body Secretary, President of Saddle and Spurs; Arizona A—2 Mortar Board, 1 F.S.T. (Junior Honorary), 4 Spurs, 3 on W.A.A. Board, 3 "A" Club, 2 wearers of "A" sweaters, 1 National Collegiate Players, and chapter placed second for A.W.S. Activity Cup and second for W.A.A. Activity Cup; Utah A—1 Associated Women's Council, 4 Spurs, Chairman of "Hello Week," President of Trotters, Juliet in "Romeo and Juliet," Secretary of A.W.S., and chapter placed 2nd in University Sing.

California I's "Victory Queen" presided at the Pasadena Rose Bowl game on New Year's Day, and Utah Alpha had an attendant for the "Spur of the Moment," and a Pi Phi was elected "Dream Girl of Pi Kappa Alpha" at the University of Utah.

During the year 166 girls have been pledged to and 137 initiated into Pi Beta Phi in this province. All of the chapters have had most successful rush seasons. There are a number of married girls in our various chapters who have found a great deal of joy and comfort in their Pi Phi friendships and associations which have helped to fill their days until their husbands return from over-seas. Chapters have been unified in working together for Pi Beta Phi and have shown a fine spirit of cooperation with University administrations and with the Fraternity.

Although there have been four new chaperones in the province this year, all of the women who are serving in this capacity are fine women whom we feel fortunate in having to guide the social life of our groups.

Again I cannot say enough in expressing my gratitude to the alumnae who are serving the chapters as Advisers. Most of these alumnae have worked closely with their chapters and the fruits of their counseling are most evident. One of the Deans told me that a group of girls could not help being strong when the adult guidance furnished by the Fraternity was of the quality which Pi Beta Phi had.

Although war priorities have prevented any structural changes in any of the seven chapter houses, most of the chapters have had their houses freshened by painting, redecorating, or repapering. Arizona A has converted its old chapter room into a most attractive room. Utah A's bedrooms are most attractive, including a "nursery" for the four sophomores who live in the house!

Mu Province president's hardest task of the year is choosing the one person who is best qualified for the Province Amy Burnham Onken Award. This year was no exception, but Mavis Mahan, California B, was finally selected to be most qualified for the award.

Mavis served as treasurer and president of her chapter, and is a member of Mortar Board and Phi Beta Kappa.

With one exception the chapters in this province supported all philanthropic projects of the Fraternity. A total of \$454.80 was given—\$269.80 to the Physiotherapy Scholarship Fund, \$70 to the Settlement School, \$95 to Holt House, and \$20 to Loan Fund.

\$49 in Senior Dues were collected.

Mu Province's president is grateful for the guidance that the Grand Council has given her, and again wishes to express her appreciation for her opportunity to be of service to Pi Beta Phi.

Respectfully submitted,

EDYTH ALLEN MANNING

The Next President—Will He Be A Fraternity Man?

"Will a social fraternity emblem adorn the waistcoat of the next President of the United States?" queries Editor Cecil J. (Scoop) Wilkinson in the latest issue of *The Phi Gamma Delta*. Well, in the manner of speaking, it depends.

"Franklin Delano Roosevelt joined Alpha Delta Phi at Harvard, where his chapter later went local and became the Fly Club.

"The fraternity story of Thomas E. Dewey at the University of Michigan is an interesting one. On that campus in Dewey's undergraduate days—1919-23—Phi Mu Alpha (Sinfonia), although regarded throughout the Greek world as a professional music society, rushed in competition with the social fraternities. For musically-inclined Dewey this group had an appeal. He joined. Whether he was bid by any social fraternity is not known to our old friend and informant at Ann Arbor, T. Hawley Tapping, Acacia, General Secretary of the Michigan Alumni Association. Mr. Tapping elaborates: 'Phi Mu Alpha was a member of the interfraternity council and, interestingly enough, the page devoted to Phi Mu Alpha in the yearbook was opposite the page devoted to Phi Gamma Delta. In other words, it was published in the section devoted to general fraternities and not to professional or honorary groups.'"

Reports of Province Vice-Presidents

ALPHA PROVINCE EAST VICE-PRESIDENT

MEMBERSHIP has increased slightly in this province despite the many demands on people from the volunteer organizations. Alumnae interest has been stimulated by the installation of Massachusetts B at Massachusetts State College. Several members from Hartford attended as well as representatives from Boston and New Haven; alumnae from near by towns helped with the plans for installation.

There are three clubs, Burlington, Halifax, and New Haven which are not 100% at this time. The State of Maine group which is not chartered has contributed to all projects and has five national members. Six of the active chapters are again 100% and the newly installed Massachusetts B has contributed to the Settlement School.

Especial credit goes to Boston which increased its Settlement School contribution by personal letters and contacts and a definite aim—increase of recreational facilities at Settlement School.

Every club except Halifax has a magazine chairman, but each club can do more in this activity.

A Pi Phi bracelet was given to Barbara Rupp, Vermont A, by the Portland Club as its annual award to the outstanding Sophomore in the province.

Members of each club are helping individually in

the volunteer services and cooperating with Pan-hellenic efforts. Portland entertained groups of WACs from nearby forts.

In clubs near active chapters alumnae work with actives, helping in rushing, participating in joint money raising schemes and house parties. New Haven presented a loving cup to Connecticut A on its first birthday, Hartford and Portland sent gifts to Massachusetts B. Several alumnae attended the first initiation at Connecticut A at which several alumnae were initiated, including a SPAR.

Alpha East has been fortunate to have the privilege of an installation and a visit from Miss Onken. Her schedule permitted visits with five clubs.

The correspondence with officers of the clubs has been most appreciated and their cooperation heartening. No visits have been made this year but I have met alumnae at the installation of Massachusetts B at which I had the honor of assisting the Grand President. The newsy letters from different members have made me feel acquainted with each club.

For the patience and helpfulness of the fraternity officers, assistants, and chairmen I am most grateful.

Respectfully submitted,

ERMINIE L. POLLARD

ALPHA PROVINCE WEST VICE-PRESIDENT

*"Ad Astra Per Ardua"
(To the Stars through Difficulties)*

THE ABOVE motto of the Royal Canadian Air Force might well serve in a similar capacity for the clubs in Alpha Province West. Each fall when the first letters from club presidents reach me and I read of the changes which have taken place during the summer, of officers moving away to other cities and being replaced, of added civic and household duties for those left behind to keep the home fires burning, and of additions in restrictions of gas and bus and train travel, my admiration for their loyalty to their fraternity and their courage in maintaining their organizations increases. How very fortunate for us that we had a well attended province conference in the spring of 1941! I am sure that all will agree that it was a great help in bridging the long gap between conventions. My gratitude to the faithful

officers and members of my clubs has been expressed frequently in my letters to them—their cooperation gives me the courage to carry on in my office for the "duration". At this time I wish also to express my thanks to Grand Council and to their assistant officers for their advice, assistance, and personal interest during the past months. To all members of Pi Beta Phi who are refusing to allow personal anxiety over the safety of families and friends in the danger zones to keep them from helping to maintain our position in the fraternity world, I also wish to add a word of appreciation. Undergraduates seem lacking in appreciation at times but I have worked with them long enough to know that they realize the benefit of sincere help and advice from their alumnae and would miss it greatly if it were withdrawn.

Respectfully submitted,

MARY HERDMAN SCOTT

BETA PROVINCE VICE-PRESIDENT

IN SPITE of the very strict gas rationing which affects about one-half of the clubs, Beta Province has had an exceptionally good year and has given everyone just cause to be very proud of it. It has been difficult to plan meetings and hard for members to attend, yet definite progress has been made in nearly every instance and there is no doubt that all of the members feel the pleasure and inspiration gained by attending meetings. Every group has been able to have at least the four required meetings but, of course, most of them have had a number more. Many have continued their regular dinner or luncheon meetings, either by obtaining special ration stamps

or having each person attending bring one or two red points.

It is a very great pleasure to announce two new clubs for the Province. Two years ago, because of the gasoline and tire situation, the Cleveland Alumnae Club divided geographically into East and West groups, the latter functioning as an auxiliary. This group has been so successful and the interest so great, not to mention bringing out numerous inactive Pi Phis, that it decided to become a separate club. This was done in April with forty-seven charter members. It is felt that the two clubs will serve Cleveland better and interest many more members.

Also chartered early this summer is a group in Charleston, W. Va., which will be fully organized by Fall. Speaking for the Province as a whole, we are so happy and proud to welcome both of these groups and stand ready to assist and encourage them in every possible way.

Of the eighteen clubs, thirteen are 100% in contributions to our projects. In paid memberships, we have exactly equalled our total of last year which is second high in the number ever paid in the province. Magazine subscriptions have increased in most clubs—outstanding in the Province and one of the high ranking clubs in the Fraternity is the Pittsburgh group which makes us all so proud of the subscriptions it secures to help the Settlement School. In contributions to the School, special mention should be made of the two Cleveland clubs, East and West, whose contributions are separated this year for the first time; and the Akron Club, which doubled the

amount given last year. Nearly all of the clubs have given most generously to our War effort—the Physical Therapy Fund. Through the years, we will be increasingly proud of our part in helping the service men with the scholarships we are able to grant through the generosity of the Fraternity as a whole.

A number of the groups sent Christmas presents to the Settlement School and almost all gave to the Red Cross and also remembered local charities. A province that does so much good and has such varied interests cannot help but be successful.

The year has been a very enjoyable and easy one with all credit due to the clubs for their splendid cooperation and interest; the helpfulness of the national officers, their assistants and chairmen. All of this assistance is greatly appreciated.

Respectfully submitted,

LOIS S. VASEK

GAMMA PROVINCE VICE-PRESIDENT

DESPITE THE fact that gas is still rationed and everyone's time more than filled, the clubs in this province have done wonderfully well this year. We have only one less paid member than last year, although two of the clubs; Tri-City, N.C. and Charlotte, N.C. have had to be inactive.

Chapel Hill, N.C. and the Senior group of the Washington, D.C. club are the only 100% clubs in the province this year.

Our contributions to the Settlement School were over ninety dollars more this year than last and our magazine subscriptions were over a hundred dollars larger.

All clubs celebrated Founders' Day with luncheons or dinners. While the celebrations were not as elaborate as in former years, they were well attended.

Everyone enjoyed joining old friends in honoring our founders.

It is with deep regret that I find it necessary to resign my office as Province Vice-President. It has been an honor and a privilege to have been able to serve the fraternity even in a small way. I feel that I have made many close friends and my love for the fraternity has deepened during my term of office. My hope is, that at some future date I may again be able to do something for Pi Beta Phi, for it has done so much for me. Our national officers, province officers, and club presidents have been most helpful. To them I extend my heartfelt thanks. To my successor I wish the same joy I have felt in serving Pi Beta Phi.

Respectfully submitted,

MARY S. GREAR

DELTA PROVINCE VICE-PRESIDENT

WITH ONE or two exceptions the clubs of Delta Province have made progress during the past year. In another year of war, with many problems that clubs and individuals have to face, these accomplishments mean much more, and should serve as an example and an incentive to all, to strive for even higher goals in the years to come.

The province is proud to report the organization of the Lansing-East Lansing alumnae club. This club is working toward the establishment of a chapter of Pi Beta Phi at Michigan State College.

Eleven clubs are 100% in their donations to the Fraternity's projects, namely the Settlement School, Holt House, and War Service Fund. In addition, six clubs continued their support of the Loan Fund.

The total membership is 479 as compared with 430 last year. Eight clubs have an increase in membership for the year.

Nine clubs had sales of Arrowcraft products, with Lafayette leading the province with \$639.48. Total sales for the province amounted to \$1957.81 as compared with \$1354.66 last year.

Donations to the Physiotherapy Scholarship Fund amounted to \$437.93, slightly more than enough for one full scholarship. Only one club failed to support this project, and it is hoped that next year all clubs will donate to this most worthy cause.

It was a pleasure to be able to attend two Founders' Day celebrations this year. The Michigan Pi Phis met in Lansing April 29 and had the privilege of entertaining Mrs. Robert Wild, as guest speaker. The members of Pi Phi Gamma, newly organized group at Michigan State, were introduced to the visiting Pi Phis. The Detroit luncheon was held the following Saturday. The Indiana State Luncheon was held in Indianapolis, also on the 29th, and in spite of transportation difficulties, 297 Pi Phis were present, and heard a talk by Mrs. Koehler, the chairman of our War Service Fund.

All clubs located where there are active chapters, continue to help both financially, and by giving generously of their time. Other clubs are helping the chapters through the functioning of the committees on rushing recommendations. Many of the clubs entertain active girls home on vacations, and give summer rush parties when permitted to do so by Panhellenic.

It is a pleasure to announce that the Delta Province gavel will remain in the possession of the Indianapolis club during the coming year. The statistics which show on the chart tell only a small part of the achievements of this club, and their record is such that they deserve to win the award again this year.

Delta Province Vice-President again takes this op-

portunity to thank all the clubs for their cooperation and loyal support during the year. It has been a privilege to serve again in this capacity. Thanks and grateful appreciation are due the members of Grand Council

and other officers for their inspiration and help in carrying on the work of this office.

Respectfully submitted,

HELEN ANDERSON LEWIS

EPSILON PROVINCE VICE-PRESIDENT

THE alumnae clubs of Epsilon Province have had a busy year. Though they are small in number, they have accomplished a great deal for the fraternity. They have been handicapped in officer personnel by war conditions but the splendid Pi Phi spirit prevails. There are many goals to be reached if Epsilon Province is to regain its past prominence. The Jefferson City and St. Joseph Alumnae Clubs are content to be inactive, and I regret this officer could not persuade them to participate in the fraternity program.

Eight out of the eleven clubs, qualified for the 100% rating and have fulfilled all of the requirements. Four clubs gave additional gifts to the Loan Fund. Seven of the clubs work closely with a chapter and entertain the girls, as well as make substantial gifts. This is an asset to the girls and a contributing factor to the fine enthusiasm and devotion of all these Pi Phis.

St. Louis gave \$500 and Kansas City \$350 to the

Settlement School and are working diligently on their magazine subscriptions.

Founders' Day was celebrated with deeper feeling and meaning because of the postponed Convention. A splendid attendance was reported by all clubs at teas, luncheons, and dinners to honor the founders.

Every club is making a definite contribution to the war effort. Through U.S.O. as hostesses, selling war stamps and bonds, supplying blood donors, all phases of Red Cross work, and aiding with an army hospital on the Washington University campus.

It has been an honor and privilege to have served as Epsilon Province Vice-President. I wish to thank the members of Grand Council and their Assistants for their unfailing help and guidance and all the officers who have given me their cooperation in my work for Pi Beta Phi.

Respectfully submitted,

DOROTHY L. AULTMAN

ZETA PROVINCE VICE-PRESIDENT

THE TOTAL membership of Zeta Province alumnae clubs is 224. This is an increase of thirty-five members. Of the eleven clubs in the province, two were unable to organize and have disbanded for the duration. The Lakeland, Fla., club was again 100% in paid membership and they had an increase of three members. Eight clubs were 100% in contributions to the Settlement School, Holt House, and the Pi Beta Phi War Fund. Three clubs, Tampa, Orlando, and Lakeland, contributed to the Loan Fund. A comparison of amounts for last year and this year would not be fair, as the clubs concentrated their efforts upon giving to the new War Fund. However, it seems a very fine upward trend when we see that last year the clubs gave a total of \$226.19 to the three fraternity projects, while this year they gave a total of \$332.00 to the same projects plus the War Fund. Only four clubs held Arrowcraft sales but they sold a total amount of \$635.06. The Jacksonville, Fla., club sold \$418.06 of that amount. All nine clubs made magazine sales, with the Deland club selling the highest amount.

The Atlanta club made their usual gift to the Atlanta Child's Home. Their war work has been devoted to the soldiers at the Lawson General Hospital. The Birmingham club makes cookies for the U.S.O. The Jacksonville club takes a night at the U.S.O. A group of Pi Phis recently donated blood to the Blood Bank. The Lakeland club makes surgical dressings for the Red Cross. The Miami club gave \$10.00 to the War Chest. The Tampa club works with the Inter-Sorority Council entertaining soldiers and officers at dances.

All the clubs have contributed generously of time and money to help in rushing. The Atlanta gave a recognition pin to the Georgia Alpha initiate with highest scholarship record. They, also, present the chapter with a yearly gift. The Birmingham club gave

\$10.00 to Alabama A. The Deland club gave \$25.00 to Florida A. Miami and Lakeland clubs plan to contribute money to Florida B for repairs to chapter house. The clubs in Miami, Birmingham, and Atlanta take active interest in local Panhellenic. The Tampa club is very active in the Tampa Inter-Sorority Council.

As usual, the highlight of the year for each club was the celebration of Founders' Day. The Tampa Founders' Day celebration was especially newsworthy because of a poem written by their president, Eleanor Bushnell, Georgia A.

"Founders' Day Candle Lighting"

"Twelve girls convened one day to pledge themselves with one accord

To foster ties of loftier affection—

To bind themselves in bonds of closer harmony and faith,

To bring a new-fledged project to perfection.

Their meeting was the budding of a flower now full-blown,

A flower that has bloomed throughout the world—
For on that day the Fates decreed the banner they designed

Should soon in every quarter be unfurled.

The twelve that day took into hand their friendship's purest gold

And from it wrought an Arrow gleaming bright,
The which they shot along the path of ages yet to come,

To pierce the darkness with its cheering light.

And still that Arrow floats aloft for all the world to see,

Projecting friendship, firm and infinite—

While those who wear its image as a sign of sisterhood

Pay homage to the twelve who fashioned it.

So let us in our gratitude keep faith with their ideals,
And to their challenge voice our sure reply.

And let us light these candles as a symbol that we still

Esteem the Founders Of Pi Beta Phi."

My year has been full of joy and friendship due

to the fine cooperation and help I have received from all the officers and members of the Zeta Province alumnae clubs. My gratitude to Grand Council, for the willing and inspirational assistance which was with me during my two years in this office, is heartfelt. For the opportunity to work with and for Pi Beta Phi, I am most grateful.

Respectfully submitted,

HELEN CAVENAUGH LLOYD

ETA PROVINCE VICE-PRESIDENT

MY WORK with the clubs when I was Director of the Central Office was mainly "paper work," so this year the actual contacts with the clubs of Eta Province have been most interesting and enlightening.

All clubs in Eta Province should be congratulated on the way the clubs have functioned, for it has not been an easy year with members moving out of town on a moment's notice, increasing ration problems, and many war projects that all clubs have responded to so willingly.

Eta Province has sent \$1040.75 to Physiotherapy Scholarships, and this is indeed something that makes us proud. When our wounded start coming back to their home towns with stories of help from Physiotherapy treatments, the Pi Phis who have contributed to Physiotherapy Scholarships will feel that they have done something tangible in the war effort.

All clubs with the exception of one contributed to the Magazine Agency. The total for this year from Eta Province Clubs was \$543.74, an increase over last year of \$164.12.

Last year Eta Province had 632 dues paid, and this year 681 were paid.

This year seventeen clubs were in the 100% Donation Bracket, against ten of last year. Our goal for 1944-1945 is every club in the 100% class.

Eta Province welcomed a new club of 18 members this year, the Illinois Fox River Valley Club, which embodies the members living in Aurora, Batavia, Geneva, Oswego, and St. Charles.

No official visits were made this year, but unofficially I was in attendance at all Illinois Fox River Valley Alumnae Club meetings, and at a reception given by the Decatur Alumnae Club for Mrs. Finger, Grand Secretary. Monthly letters served to take the place of official visits, and I have enjoyed these contacts immensely.

Founders' Day celebrations were held as usual in almost every club, but they were more simple than in previous years.

To the club officers, to Ruth Smith, Beth LeRoy, Amy Onken, Marianne Wild, Miriam Williams, and Lois Stoolman I am very grateful and thankful that Pi Beta Phi has such splendid inspirations.

Respectfully submitted,

BEATRICE S. PURDUNN

THETA PROVINCE VICE-PRESIDENT

ALL THE clubs in Theta Province are carrying on, adjusting themselves to the special problems of their communities. One or two have cut down on the number of meetings. All are cutting down on food and the elaborateness of social plans, but the clubs have given as gifts a larger amount of money which has meant sacrifices as the membership is lower this year than last year by 19. Our membership this year is 355.

It is interesting that of the 15 clubs 7 have increased their membership but two of the larger cities have cut their membership in half.

I am proud to say that all the clubs have contributed to the Physiotherapy fund. A total of \$300.00 has been given this year and many of the presidents have mentioned that their clubs intend to do more next year.

We have 10 clubs which are 100% in their gifts to the Holt House, Settlement School and Physiotherapy fund.

Although we have sent \$329.00 to the Settlement School we are \$11.00 less than last year. Holt house contributions total \$38.00, \$12.00 more than last year, but the Loan fund has decreased to \$16.00 which is \$17.00 less than last year.

\$220.00, the magazine fund is \$43.12 less than last year, but the Arrowcraft sales increased to \$911.01 from \$758.84.

The total gifts from the clubs which includes the National War Project fund is \$683.00. This is an

increase of \$298.00 over last year. Interest in the Settlement School is still as high as ever. The pictures of the school and the community have helped several clubs enjoy Gatlinburg without any loss of precious gas. The fine workmanship of all Pi Phi products was doubly appreciated this year and accounts for the good Arrowcraft sales. The cry is for more products. Our tables were practically bare an hour after our sale started in Ames.

In answer to questions about war work undertaken by the clubs, one or two clubs work as groups certain nights at the Red Cross Surgical dressing rooms, while most of the clubs report all members work in some individual forms of war work such as U.S.O., knitting, grey ladies etc.

I've found most of the officers who are working to keep these Pi Phi clubs together are in extremely important forms of war work. One of our presidents in this province has had her husband return with an injury which necessitates quite an adjustment in their lives and yet she has carried on and kept the group up to standards of former years.

Many clubs commented on the fact that their Founders' Day meetings were particularly inspiring. The St. Paul club planned the Founders' Day party this year for the three clubs around Minneapolis and St. Paul. The Theme was "Service." The candle lighting ceremony at the conclusion was thrilling.

As my first year as Province Vice-President draws to a close I am conscious of the interest and enjoy-

ment I have received from the many letters this year. My one regret is that I am unable to personally know these fine friends I've made. They have written of their sorrows and joys and the things happening in their clubs. One can not help but want to know each sister individually.

To become a member of this group of Province vice-presidents has brought added interests. To know you by letter was fun but a letter once a year is not enough. Amy Onken, Ruth B. Smith and Marianne Wild are grand officers to correspond with. I appreciate

their thoughtful suggestions and patience with my first attempts.

To Laura Storms Knapp, my predecessor, I owe thanks for help extended many times this year.

As the new lists of officers are sent to me I am anxious to begin to know them all. We hope that we will not have to carry on many more war years. Peace will be so grand and great things are in store for our Fraternity.

Respectfully submitted,

JEAN PADDEN JOHNSTON

IOTA PROVINCE VICE-PRESIDENT

TWELVE OF the seventeen clubs of Iota Province are 100% in contributions to the fraternity projects. It was hoped that a report could be made that every club had contributed to all projects, but this desire was not realized. Vermilion was the only 100% membership club this year. This was due to the constantly changing population in the communities, no doubt. There were 552 paid memberships, a substantial increase over last year.

The clubs gave generously to the Settlement School, \$864 being the amount set. A Christmas box was also sent to the school by one club; and \$303 was given to the Physiotherapy Fund, \$19 to the Loan Fund and \$49 to Holt House. Gifts, money, house furnishings and rushing assistance were given the chapters. The outstanding sales of Arrowcraft were noteworthy, indeed. The nine clubs selling Arrow-

craft reached a total sale of \$6,300.72. Many clubs have done notable work in USO, Red Cross, Canteens, and have given to Community Chests, also. Our clubs can be depended upon to aid where aid is needed.

The past six years have been enriching in fraternity experience for this Province Vice-President, and she regrets that this must terminate. In resigning this office, she expresses her deep appreciation to the fraternity officers with whom she has had much contact, and to each club, grateful appreciation for its fine cooperation. It has been a delightful experience to know so many wonderful members of Pi Beta Phi, and to serve this fine fraternity.

Respectfully submitted,

MARJORIE H. COLVIN

KAPPA PROVINCE VICE-PRESIDENT

IN SPITE OF an active and time-consuming interest in war work, in spite of heavily increased domestic duties, and in spite of a feeling among many that peacetime activities should either be dropped or reduced to the vanishing point, Kappa Province has shown a marked improvement over last year in every respect. The number of paid memberships is 697 as against 618 for last year—this in spite of the fact that two clubs failed to send in national dues. Tulsa led the province with a paid membership of 81, followed closely by Dallas with 79. Little Rock more than doubled its membership of last year.

The amount of Arrowcraft goods sold in the province shows a substantial increase over last year. It could have been even greater had materials been available. Many clubs, namely: Ardmore, Little Rock, Muskogee, Stillwater, and Texarkana held sales which they have not had for several years past. Dallas led with a sale of \$1,091.79 worth of goods; while the Nita Hill Stark Club of Beaumont sold \$585.91; Oklahoma City, \$320.00; Stillwater, \$300.00; Ardmore, \$259.75; Little Rock, \$203.60; and Texarkana, \$190.00. Total sales in the province amounted to \$3,074.85. Contributions of \$925.70 were made by clubs and \$455.00 by chapters. Of the latter, Texas A gave \$150.00 and Louisiana A, \$100.00.

The war work reports are most interesting and satisfactory. In addition to varied individual services, the clubs were most interested in our own wonderful War Project, the Physiotherapy Fund, and most active in its support. Austin led with a contribution of \$75.00, followed by Houston, Oklahoma City, Nita Hill Stark Club, and Tulsa each contributing \$50.00, Dallas, \$40.00, Shreveport \$33.00 and Texarkana

\$25.00. A total of \$438.00 was given by the province as a whole. We can be very proud of our chapters in Kappa Province. Texas A and Texas B each contributed \$75.00 to the Physiotherapy Fund, and the total chapter contributions were \$196.50.

The province donations to Holt House from clubs amounted to \$70.00, and from chapters \$110.00.

The Province Vice-President still "has hitched her wagon to a star," and hopes to have her clubs 100% in donations to all the National Fraternity projects. It never hurts to work and hope! This year, Ardmore, Austin, Dallas, Fayetteville, Fort Smith, Houston, Little Rock, Muskogee, Nita Hill Stark Club, Norman, Shreveport, Stillwater, Texarkana, and Tulsa were 100%—many more than last year.

As always, Founders' Day was celebrated with love and affection, and a deep sense of gratitude and obligation to those women who had the vision to give us our Pi Beta Phi. Wherever possible, clubs and chapters united to pay homage to our Founders.

This year, despite the somber background of world conditions, has been filled with contentment for me, due to the friendship and fine cooperation I have received from the officers and members of Kappa Province Alumnae Clubs. Although visiting has been impossible, I have received help and inspiration from letters written by club presidents and members. Many of these letters have been so delightful that they have almost taken the place of visits.

My sincere appreciation and thanks go to my clubs and to all members of Grand Council for their never failing help and support.

Respectfully submitted,

OLIVIA S. MOORE

LAMBDA PROVINCE VICE-PRESIDENT

WHEN RATIONING and shortages were first felt in this country, many clubs and organizations considered disbanding until someone in authority in Washington urged them to continue; so that through the already developed leadership, programs could be advanced and great things accomplished. The year just completed has proved to us that Pi Beta Phi has stood loyal and ready to do her share in patriotic as well as fraternity endeavors, and Lambda Province alumnae are no exception.

We are now a family of only seventeen clubs; Billings and Moscow having become inactive for the duration, and our membership has dropped from 454 to 432 with three clubs, Calgary, Corvallis, and Olympia being 100% in membership.

However, groups' achievements aren't always measured in numbers, but in what they do and the spirit in which they do it. Red Cross, Canteen, and U.S.O. workers, Gray Ladies, Nurses Aides, in fact every type of patriotic and social welfare is represented in our groups.

Ten of our clubs are 100% in giving to the three national projects: Holt House, Settlement School, and Physiotherapy; and four clubs missed being 100% because they gave only to two of these causes. Holt House gifts went from \$29.50 to \$40.50, Settlement School contributions from \$248.96 to \$311.73, and our Physiotherapy Fund of \$352 fell short of our

goal of a full scholarship from our province, despite the work of the Seattle Club which gave \$143.

Arrowcraft sales were held by a majority of the clubs, and total receipts were in excess of \$3,100; magazine commissions were earned by all but one club.

In addition to supporting our fraternity projects, many clubs gave liberally to local causes. Included are Edmonton's gift of \$35 to Red Cross and \$25 to Children of Bombed Areas, Portland's \$100 to their War Chest, Tacoma's \$10 to Community Chest and \$5 to Red Cross, and Salem's Y.W.C.A. summer camp to some deserving girl and free milk all year to two grade school children.

The monthly letters I've written and received have given me much joy in my first year as P.V.P., but the highlight came when it was my privilege and pleasure to assist our Grand Vice-President, Ruth Barrett Smith, when she installed Oregon I on the campus of Willamette University in Salem, Ore. The devoted and hard-working alumnae, headed by the efficient Salem group, plus the help of the actives from Oregon A and Oregon B made that first weekend in June one long-to-be-remembered, and its inspiration and renewed ideals have given us greater desire to do our best for Pi Phi.

Respectfully submitted,

LOUISE WHEELOCK DOBLER

MU PROVINCE VICE-PRESIDENT

OF THE TWENTY-FOUR alumnae clubs in Mu Province one became inactive at the close of the year 1942-43, and as the year 1943-44 ends we find, with regret, that two more are assuming that status for "the duration." It is not through lack of interest, nor is it the desire to cease functioning, but merely a matter of economic necessity. In each case widely scattered membership divided between two adjoining towns, combined with the rigid curtailment of gasoline created a most difficult situation for two small clubs. Both, however, will remain inactive only for "the duration," and after that the members are expecting to resume their former status.

All are, of course, experiencing more or less difficulty in getting together, due to war-time restrictions and rationing to say nothing of additional responsibilities and defense jobs held by so many of our members. Gasoline rationing is necessarily hard on our West Coast clubs situated in cities like Los Angeles, Pasadena, and others which draw their membership from exceptionally large areas in which public transportation is far from adequate. Therefore I feel that all such clubs are particularly to be congratulated for the very fine showing made in spite of obstacles.

Although complete records are not possible due to lateness of several questionnaires, according to figures available at present our membership for this province shows an increase of nearly one hundred as compared with last year.

Gifts to Settlement School amount to \$781.37, which is \$158.71 less than in 1942-43, while Arrowcraft sales have increased \$3236.04—that is, from \$3284.08 to \$6520.12. In this field Berkeley led with a total of \$1975 in Arrowcraft sales, Los Angeles was second with \$1411.05, while San Francisco accounted for \$966.22.

Loan Fund, being optional this year, still received

several contributions amounting to a total of \$34.50.

Holt House fell below last year's figure in our donations, namely from \$99.50 to \$98.00 which was a decrease of \$1.50.

We have no standard for comparison in our new national project, Physiotherapy, adopted this year, which has so far received \$1021.15 from the alumnae of Mu Province.

Magazine commissions present an increase of \$86.03, from \$414.24 in 1943 to \$500.27 in 1944.

In all, the province shows a substantial increase in donations to our various projects. Since all of the purposes to which these funds are directed are so very important and worthy it is with a certain amount of pardonable pride that I call attention to each of them and the response of the individual clubs.

In addition to all of these enterprises in which all actives and alumnae have a part, alumnae clubs have also contributed time and financial assistance to Red Cross, USO, YMCA, and other service organizations working with the armed forces. They have purchased material and equipment for mobile and canteen units, given blood to the Red Cross blood banks, bought war-bonds and stamps, equipped, maintained and staffed recreation rooms for both veterans of the last war and for the personnel of the active army, rolled bandages, prepared surgical dressings, sold bonds, made scrapbooks, contributed aid to Red Cross Thrift Shops, and many other things. All these have been both as clubs and as individuals.

If space permitted I should like so much to list all of the individual projects which have been fostered by the clubs, but since this is impossible in the condensed report I shall list just a few, both defense and local. Glendale bought yarn to the amount of \$10.00 with which it made squares for afghans for Red Cross, contributed \$25.00 to Red Cross War Fund Drive, and gave \$10.00 to the Glendale Auxil-

ary of the Children's Hospital. Long Beach purchased war-bonds and stamps and decorated a Christmas Tree for a service club. Los Angeles, in addition to donating food for certain dates at the USO, still maintains its work with Hospital and Recreation Corps of Red Cross. In this recreation project, sponsored for three years, to date a total of some 35,000 hours have been given by members (Pi Phis) of this unit. Los Angeles Juniors have made layettes for Red Cross. Marin County has also made layettes for Red Cross and in addition they have again provided financial assistance to a local project, \$30.00 to the Sunny Hills Orphanage. Reno has a Pi Beta Phi canteen unit, and also members roll bandages twice a week. Pasadena gave \$16 to Red Cross, \$5 to the Community Chest and bought a \$25 Bond to be used in purchasing the silver for the U.S.S. *Pasadena*. Phoenix sews once a month at the Community Service Center and also sells bonds during drives. Sacramento furnishes USO canteen hostesses five times during the year, paying for food utilized, also worked one day a month at the Panhellenic Scrapbook Workshop. San Diego worked in the Red Cross Thrift Shop. San Francisco raised \$174.85 and with California B furnished a recreation room at Pt. Mason. San Jose

assisted with USO, Red Cross, and YMCA dances for service men. San Mateo served as hostesses at the service centers, and worked in the Production Unit of Red Cross. Santa Monica worked in Blood Bank, Production Unit of Red Cross, and with the Los Angeles club in Hospital and Recreation Corps recreation work. Tucson made surgical dressings.

Although there are phases of our work in which we hope for improvement next year, this has really been a very good year, and I for one, have enjoyed every minute of it—every contact with the groups and their members. Being new in my job perhaps I have not always been able to give all the assistance of which I hope to be capable another year, but let me reiterate my pride and pleasure in working with all of my clubs and having, therefore, vicariously, a part in their numerous and wonderful accomplishments.

My sincere thanks to all of you as officers and members for the splendid cooperation, the interest and enthusiasm, for the constant and unflinching tribute to the strength and fineness which is Pi Beta Phi!

Respectfully submitted,

VIRGINIA M. TATOM

Some Comments:

Commendations to University of Iowa Administrators for developing one of finest programs of college-fraternity cooperation ever seen. Realizing social value of College Greek-letter societies, Iowa proposes to aid them.

The Hon. John Cudahy, former American ambassador to Belgium, Sigma Chi: "The treasure-house of education has stood intact and unshaken in the storm. The man of cultivated life has founded his house upon a rock. You can never take away the magnificent mansion of his mind."

The Rev. Harry Emerson Fosdick, pastor of the Riverside Church, New York City, Delta Upsilon: "We are not going to pass from this debauch of a world-wide violence and hate to a peace conference that will issue in a nicely ordered world patterned after our dreams. Any decency we get will be hard won and long worked for, the obstacles immense and the discouragements dismaying. It will take men and women of undiscourageable faith to see the next generation through."

Alumnae Club Reports

ALPHA PROVINCE EAST

BOSTON

The Boston Alumnae Club met on October 18 for its fall meeting at the home of Mrs. Philip Adams in Newtonville, Mass. Mrs. Harris LeRoy of the National Settlement School Committee spoke most enthusiastically and interestingly on "What is the Quality of Your Contact With the Settlement School?" She made everyone feel the far-reaching contribution which this school makes to the lives of the mountain people of Tennessee.

On January 13 the Club was very fortunate in having as its guest Mildred Bates Smith, an officer in the Salvation Army since 1918. Well-known as an excellent lecturer, Mrs. Smith told many interesting facts about the work of the Salvation Army in the U.S.O.

Miss Onken visited Boston on March 1 and was the guest of honor at a banquet given by the Boston Club. After dinner Miss Onken spoke briefly about the Pi Phi physiotherapy program, the general trends on college campuses today, the wartime work of other alumnae groups and answered the many questions of the members.

The actives of Boston University celebrated Founders' Day with the Boston Alumnae Club at a social get-together on April 29 in the form of a Victory Picnic. The annual business meeting and the initiation of the seniors into the club followed the luncheon. Various suggestions for increasing active participation of members in the club's programs and meetings were discussed, and a committee was appointed to formulate plans for next year.

MAYWOOD A. METCALF

BURLINGTON, VERMONT

The Burlington Alumnae Club held four regular meetings during the past year. At the October meeting the club enjoyed a box supper. The history and constitution meeting held in January was based on current history problems. An interesting Founders' Day program was presented in April. The last meeting of the year was preceded by a buffet supper served at the chapter house May 27. The graduating class and many of their parents and guests were present at the social hour.

The Settlement School sale was held in December. In spite of transportation difficulties, the sale was well attended. Many more articles could have been sold had they been available. In February a coffee hour was held at the chapter house to enable the alumnae to become better acquainted with the active members.

ESTHER SINCLAIR COLBURN

NEW HAVEN

Our club held four meetings during the past year. At the first meeting a speaker told us about Russian Relief and at another meeting a member explained to us the details of the Physiotherapy fund. The club voted to contribute to this fund and also to the Settlement School. The initiation of the new chapter at Storrs was described to us at our third meeting and movies of the events shown. On the first anniversary of the chapter's founding, the club sent them a silver loving cup. At the final meeting of the year officers were chosen and plans made for the coming year. We have 18 paid members.

CORNELIA NEWTON

PORTLAND, MAINE

The Portland, Maine Alumnae Club has had a very interesting year. In September the program for the year was made up; the dues decided on; and the dates for the meetings settled.

The Annual Settlement School Sale was held in October at the home of Margaret Cremin Martin, Kansas A. As is the custom of the Portland Club the mothers were asked to pour. The sale was a success.

To finish paying for its bond the Portland Pi Phi had a white Elephant sale in December, the proceeds of which were used to buy stamps. At the March meeting a penalty of one cent was charged for each mistake made in a quiz of the History and Constitution; this money, too, going towards the bond.

The club finished its afghan and was forced to look for more war work. At Fort Williams was a detachment of WACs. So the members decided to give a party each month for ten of the girls. To help the hostess each Pi Phi brings some covered dish. The Pi Phi have met some fine and interesting girls.

In February the Portland Club was honored by having the Grand President, Amy B. Onken, visit with the members. Miss Onken acquainted the club with the college girl of today and also with Physiotherapy. The members felt much better informed on the latter after the discussion. The following morning some of the members had breakfast with Miss Onken.

Founders' Day was celebrated with a cooky-shine followed by the little play about the Founders.

A picnic will wind up the year. Eighteen dollars was contributed to the Physiotherapy Fund; five each to Holt House and Settlement School.

DOROTHY FRYE

ALPHA PROVINCE WEST

ALBANY

Following a delicious buffet dinner at the home of Mrs. Fred Archibald in Loudonville, the Albany Alumnae Club celebrated Founders' Day with the traditional candle lighting ceremony, planned and adapted by Miss Edith Tallmadge, held a short business meeting and had a quiz program. The questions were taken from that part of the constitution pertaining specifically to alumnae clubs. The evening was delightful, impressive, and informative.

The club sale of Arrowcraft articles for the year amounted to \$510.05. This year the club gave twenty dollars to the Settlement School, twenty dollars to St. Lawrence Chapter, and twenty-five dollars towards a Physiotherapy scholarship. The clubs' magazine commissions were seven dollars and ninety cents for the year.

Activities for the year will close with an outdoor luncheon and swimming party at the home of Mrs. Oliver Wolfe in Delmar.

Through the efforts and efficiency of our club president, Mrs. Horace Evans, and the whole hearted cooperation of all of the members, the club has had a very happy, profitable, and successful year. Driving a full car and rotating the cars as much as possible has solved the clubs' problem of transportation and apparently increased the attendance at the meetings.

MARY STINARD HACKER

BUFFALO

The Buffalo Alumnae Club held nine meetings during the year. The active membership numbered thirty-four, twenty-one chapters being represented.

Instead of a large money-raising project it was again decided to cover expenses through voluntary contributions of the members. In addition, a white elephant auction took place at the November meeting.

A Christmas dinner party, including husbands, was held at the Westbrook.

Founders' Day was celebrated with a supper meeting. Helen Leonard, chairman, called on Mrs. Johnson, former province president, who gave an account of the social, economic, and educational background against which Pi Phi was founded. Florence Manley spoke on the federal Maternity and Child Care Service.

Special features at the various meetings included a talk on "Work of Women's Fraternities in the Last War and This" by Mary Halbin; "History of the Settlement School" by Edith Brown, a former teacher at the school; review of "A Tree Grows in Brooklyn" by Frances Whiting; "Impact of the War on Various Fraternities" by Frankie Baldwin; reading "Home Service in the Smokies" by Eleanor Milonzi, president of the club.

Gross receipts for sale of Arrowcraft products amounted to \$60.96. Commissions from the sale of magazines were approximately \$19.20.

Contributions included:

National War Project\$75.00
Settlement School 50.00
Holt House 5.00
Red Cross 20.00

Nearly all the members are active in various war activities, such as OCM, Bond Booth, or Red Cross.

BESSIE BLANCHARD MEINWEISER

MID-HUDSON VALLEY

The report of the Mid-Hudson Valley Club is, as was last year, a very brief one due to our limited membership. For the past year our membership has totaled four, but next year will be a little better as we have added a new member and an old member has returned.

Consequently, our activities have been at a minimum. Aside from our four business meetings we have had an occasional bridge party, and last week we had an out-door picnic supper with the husbands invited. Next year we hope to be able to do more because with a club of our small size two added members makes a big difference.

PATRICIA WOOD DUNN

NEW YORK

Our club has had a successful year in spite of a shifting membership due to the war. Most of our members are actively engaged in war work so our social activities have been limited. Two pleasant events have been a cooky-shine and a Valentine party. A full-day bandage rolling made a creditable showing for the Red Cross. We have given \$87 to the Physiotherapy fund and \$595.89 to the Settlement School. At the Founders' Day tea a large gathering listened to Miss Thomasine Allen, Indiana A. tell of her experience in a Japanese prison camp. We are glad to have with us two members of our newest chapter in Pi Phi. We make every effort to contact alumnae who are in New York permanently or temporarily. There is a plan under way to hold a regional conference in the fall and an interesting, worth while program is planned for the coming year.

PAULINE H. NEEDHAM

NORTHERN NEW JERSEY

Looking back over this year, we may be very proud of the progress made. Expecting it to be a marking time period, with the lack of gasoline for driving to meetings, our hope was to maintain interest and continue with our fine spirit of camaraderie. Not only have we done this, but our active membership has increased, including many recent graduates, and some members who have been inactive for several years.

Although this year has been an anxious and a sad one for many members, every one has cooperated in the war effort, some working full time in war plants, others doing daily work, or Red Cross sewing at group meetings.

Our main source of income was from small group meetings in various towns for which fifty cents was charged each person attending. The annual dance and Settlement School tea were omitted, but enough money was raised with individual donations supplementing other sources, for us to contribute to Settlement School, Red Cross Blood Bank, Holt House, active chapter at Nova Scotia A, Loan Fund, and Physiotherapy Fund.

Peggy Deck was in charge of a very enjoyable Founders' Day buffet supper at which forty eight reservations were made.

With stimulated interest in the small group meetings, it is hoped our active membership will increase, as it appears to be doing. As times become normal, and we all have more gasoline, it is our ambition to reach an all time high in membership.

ELOISE CLARK

ROCHESTER

The Rochester Alumnae Club held its final meeting of the year on May 25. Under the leadership of Agnes McCoy Miller, the club has enjoyed not only interesting programs but also increased accomplishments. For example, after a lapse of several years, the club resumed the sale of Arrowcraft articles. This year's sale totaled \$178.05. The

AKRON

Akron Alumnae Club held eight meetings this past year with an average attendance of twenty.

The annual family picnic was held at Silver Lake. Mrs. William McIlwain was our hostess, and all enjoyed the swimming, boating, and eating.

Our opening luncheon was held at the Canteen. Our ways and means chairman, Mrs. S. D. Gehman, displayed the Christmas wrappings which we sold this year as our money making project. A profit of \$283.50 represents a lot of work and a good chairman.

Mrs. Warren Jones was chairman of our Benefit Bridge. We had a very successful party and Settlement School sale combined.

Bridge Club has continued to thrive and in a very substantial way to support the Settlement School. Magazine subscriptions were sold amounting to \$500. We gave \$41 to the Physiotherapy Scholarship Fund; \$50 to Settlement School; \$3 to Holt House; \$10 to New York I; \$5.30 to U.S.O.; and \$5 to Ravenscroft, Tenn.

GEORGIA OSBORN DUNKEL

SYRACUSE

Because of our wartime decision to hold no money-making events this year, our contributions have necessarily suffered to some degree. We did, however, send \$15 to the national Physiotherapy project; \$10 to the Loan Fund; and \$10 to the United War Fund of Onondaga County.

We have held the usual number of meetings, with the exception of the annual meeting, which was postponed because of the fact that the club's president had a new daughter and the hostess a broken collar-bone! The postponed meeting is to be held later in the season, and new officers will be reported at that time.

CHARLOTTE N. CHAFFER

TORONTO

The Toronto Alumnae Club has had a very successful season with a paid-up membership of fifty and an average attendance at meetings of thirty-five or forty.

In the fall a general business meeting was held at which it was decided that the four groups which comprise the club would continue to meet semi-monthly to carry on their war work.

In January the alumnae were responsible for the entertainment at one of the rushing parties and later in the month we held a joint meeting with the active chapter and all had the pleasure of meeting the new pledges. At this meeting Mrs. O. D. Vaughan showed most interesting movies taken on a trip to Mexico.

We contributed \$25 to Settlement School, \$25 to the Loan Fund and \$2 to Holt House. A birthday cheque was also given to the active chapter.

The alumnae club sponsored a very successful theatre night at the Royal Alexandra Theatre in May. The proceeds from this project will be used for two Physiotherapy Scholarships.

Founders' Day and initiation were celebrated with the actives at a banquet at the Granite Club. The season closed with a picnic supper in honor of the graduating class followed by a general business meeting.

JEAN SCOTT

WESTCHESTER

The Westchester Alumnae Club, with forty-one paid members, held two general meetings and eight group meetings during the year. Founders' Day was celebrated with a luncheon at the Roger Smith Hotel in White Plains with forty present.

During the year the following contributions have been made:

Settlement School	\$ 50
Physiotherapy Scholarship Fund	125
Holt House	5
Furnishing hospital room at Camp Shanks	37.50
Magazine subscriptions for Fort Slocum reading room	11.50

Transportation continues to be a major club problem, as members are widely scattered in different sections of the county. War work, therefore, has largely been undertaken by community groups, though knitting for the Army and Navy is still a general club project.

Jeanne Bouslog Stahr, who has served the club so ably these past two years, is now retiring as president, and will be succeeded by Clara Kibler Davis.

EDITH STOREY BERLIN

BETA PROVINCE

During October, five of our girls helped pack clothing for Russian Relief.

Some of the girls dressed dolls for Family Service for Christmas.

Our contributions included \$150.00—Settlement School; Holt House—\$5.00; Physical Therapy—\$30.18; \$35.00—Red Cross; and \$5.00—Foster Homes. Our local project was the Children's Home. We gave clothing, jams, and various small gifts to the children at Christmas. Also we gave them \$50.00 for ice-cream in the clinic, and \$25.00 for the entertainment fund.

Our annual cooky-shine was held at the home of Mrs. Don Kepple.

It has been a full and happy year for the Akron Alumnae Club.

MARGARET FEISE

ATHENS, OHIO

An enjoyable and profitable year ended for the Athens, Ohio, Alumnae Club with the celebration of Founders' Day with Ohio A active chapter. The new president, Jean Gist Trepp, presented the Alumnae Cup to the senior having the highest scholastic average for seven semesters. A dessert course was enjoyed by the seventy present. The active girls had arranged an impressive service in honor of the Founders which proceeded the granting of honors and awards.

All other meetings for the year were dessert meetings at the home of members with all twenty-eight members participating. Mary Poston McKinstry served ably as president for the year and was instrumental in seeing that the group donated \$1.00 per member to the Physical Therapy Fund as well as contributing \$5.00 each to Holt House, Settlement School, and Red Cross. Our special project this year was Christmas donations for the Settlement School.

Mesdames Finsterwald, Nichols, White, Gray and Stalder served on the Ohio A Advisory Board and took an active part in all chapter functions, as well as assisting the active chapter in entertaining the alumnae with a benefit card party sponsored for the Physiotherapy Fund.

HELEN M. GRAY

CENTRAL PENNSYLVANIA

Our club has contributed this year \$10 to the Physical Therapy Fund, \$3 to the Settlement School, \$3 to Holt House, and \$5 to the Loan Fund. We look forward to a more active year this coming fall.

RUTH PARKER STREETER

CLEVELAND

This year has been an eventful one for our club. Two years ago we decided to divide into the East Side and the West Side on account of gas and tire shortage, with the West Side as the auxiliary club. This year the West Side decided to have its own charter, which was granted, so now we have the two clubs, the Cleveland Club East and the Cleveland Club West, with an auxiliary Junior Club a part of the Cleveland Club East. In May the club was entertained in the home of Florence Kewley with a luncheon bridge and the money thus received was given to the Settlement School Fund. We have 68 paid members in the senior group and 12 in the junior group. We have given \$650 to the Settlement School, \$10 to Holt House, Physiotherapy \$200, the Red Cross \$75, Ohio A \$30. Our profits on magazine subscriptions were \$35 and our Arrowcraft sales amounted to \$750.

RUTH JONES REED

JUNIOR AUXILIARY, CLEVELAND

As we have stated before, keeping our young group together and going in these days of gas rationing and the moving around that our age group does, is our biggest problem. The group is less than half the size of normal times. However we have stuck together and managed to hold regular meetings once a month.

We thought that it would be a good idea to find some war work that we would do during meetings, so we finally started making refuse bags out of newspapers for one of our hospitals.

We also gave \$25 to the Red Cross and we have decided to buy a \$25 War Bond.

We contributed \$10 to Settlement School and \$14 to the Physical Therapy Fund.

KATHARINE M. KELLEY

COLUMBUS CLUB

The Columbus Club, in spite of limited transportation and added demands on its time for war work, has held all scheduled meetings, with an average attendance of forty-five. We have ninety-five paid members. Fifty dollars was sent to the Settlement School and Arrowcraft sales amounted to \$52.05. We sent \$112.00 to the Physiotherapy Fund, and received \$27.80 for commissions on magazine subscriptions.

Our contribution to the active chapter has consisted largely in cooperation with their activities. We have assisted them at rushing parties, particularly in taking over "kitchen-duties," thus releasing them to entertain. We have extended them the use of our homes, and sent flowers to the Chapter House for tea decorations. Flowers were also sent the chapter when they won the Scholarship Cup this winter. A large evening reception was given jointly by the active and alumnae honoring Ohio State University's new Dean of Women, Christine Yerkes Conway, Ohio B. The alumnae paid all expenses for the party.

Our Founders' Day Banquet was the climax of our year's activities. We celebrated jointly with the active chapter

the Fiftieth Anniversary of the founding of Ohio B on the university campus.

EDITH HOYER RANKIN

FAIRMONT

The Fairmont Alumnae Club has held six meetings this year. All but the Founders' Day dinner were held in the homes of the members. The December meeting was devoted to the Settlement School. Each member invited a guest. The Settlement School films were shown and Arrowcraft articles sold.

Two rummage sales were held during the year. Receipts from the Arrowcraft articles totaled \$62 and magazine subscriptions \$60.

Although only the second year as a national club, the following donations were made: \$10 to Settlement School; \$25 to West Virginia A; \$5 to Holt House and \$10 to War Service.

MARGARET KERFOOT SNYDER

HARRISBURG-CARLISLE

This year our alumnae club limited the meetings to five because of the difficulties of war-time transportation.

Our first meeting, October 14, was concerned with our Settlement School. Arrowcraft goods were on display and Mrs. John Garrett told us many new and interesting things concerning the school.

The next meeting was in December, and we combined our Christmas party with a white elephant auction which netted us almost fifteen dollars toward our Settlement School contribution.

At the January meeting, the Constitution was the topic for discussion. We also had a speaker representing the Junior Red Cross, who spoke to us about its history—past and present.

In March we held a combined meeting with the active chapter at Dickinson College in Carlisle.

Our final gathering was a celebration of Founders' Day with a Spring luncheon at a local hotel.

This year we contributed \$100 to Settlement School, \$2 to the Loan Fund, \$3 to Holt House and \$5 to the active chapter.

MARGARET A. BROWN

MORGANTOWN

We have had seven meetings this year, starting with a business meeting in September when we made plans for rushing. In November we met at the home of LaVerne Blatchford Davis where we rolled bandages for the Heiskell Memorial Hospital. Mrs. Finger visited our active chapter in January and our club met with her in the home of Lucy Jones. In February we had a business meeting following a dinner in the chapter house with the actives and pledges of West Virginia A. We gave \$50 to the active chapter. The Mothers Club entertained with a party in March, an interesting program being presented which included a talk about famous Pi Phi's. Founders' Day was celebrated with a dinner and cooky-shine for the club and the chapter. Our final activity was a luncheon honoring the graduating seniors of West Virginia A.

MARY FIEDLER HARDMAN

PITTSBURGH

We have had five regular meetings during the club year, all luncheon meetings at the College Club, and the one to celebrate Founders' Day was held with the South Hills Club. Two special meetings were called to honor the respective visits of the Grand Secretary and the Province President.

Our paid membership totals 34 this year. We have sold magazine subscriptions totaling \$642.55; we gave \$50 to Settlement School, \$5 to Holt House, and \$20 to the physiotherapy fund.

We regret to announce the resignation from the presidency of our club of Mrs. Harold Haller (Dorothy Miller), who, with their children, is living in Florida while Lieutenant Haller is stationed there. Mrs. Donald Rohrer is to serve in her place.

Resident alumnae—70. Paid membership—34. Amount dues—\$2.00. Number of meetings—5. Average attendance—30. Settlement School—\$50. Holt House—\$5.00. Magazine Fund—\$642.55.

LAURA HAYS

TOLEDO

The Toledo Alumnae Club has maintained its membership and program throughout the year despite wartime condi-

tions. Of a total resident membership of 57, 41 were active. Ten regular meetings were held under the able leadership of Mrs. Earl V. Fisher, with an average attendance of 35.

In the Spring of 1943 the alumnae club made its initial contribution to the physiotherapy program. The club treasury matched voluntary contributions of the members and \$35.00 was forwarded. This year the group sent an additional \$5.00. The Red Cross received \$25.00 and all possible support each time the mobile blood unit visited Toledo. Mrs. Joseph Hampe, Mrs. Kenneth Dixon and Mrs. Earl Huffer were responsible for the decorating of a powder room for girls in the recreation hall for enlisted men at the Rossford Ordnance Depot.

Earnings from the sale of Arrowcraft were \$57.28 and from magazines about \$20.00. Pledged to the Settlement School, \$35.00 and to the Loan Fund and Holt House, \$5.00 each.

The February meeting was devoted to news from the Settlement School and a quiz on the constitution of Pi Beta Phi. The ways and means committee turned the Christmas Party and Founders' Day into money making projects. They charged 50¢ for the Christmas dessert bridge and auctioned white elephants during the evening's bridge. The Founders' Day celebration was a real wartime departure. Instead of the customary luncheon or dinner at the Toledo Woman's Club the committee prepared and served a dinner in the home of Mrs. Leland Lord and turned their profit, \$52.00 into the treasury. The group was honored with the presence of Mrs. J. Kent Hamilton whose reminiscence of her 63 years in Pi Beta Phi preceded the installation of officers for the coming year. The occasion was well attended and all agreed it was one of the most enjoyable Founders' Days in recent years.

ALICE McCULLY CHAMPE

GAMMA PROVINCE

BALTIMORE

Margaret Torsh Plummer was hostess to the Baltimore Alumnae Club in October. The Rev. Joseph Wood spoke on "Chiang Kai-shek."

Bonnie Elledge Baxter was chairman of the Settlement School sale and tea held annually in November.

In December the club began War Service work under the chairmanship of Mrs. Baxter. The meeting was held at Eleanor Diggs Corner's home. The club learned the activities of the American Red Cross concerning Camp and Hospital Service. The work was continued in the March meeting held at the home of Carolyn Potts and in May Catherine Wright Donnelly was hostess to the club. The activities have resulted in Christmas stockings, gifts boxes, recreational material, an afghan, subscription to *Readers' Digest* for Edgewood Arsenal Hospital, and a sea chest.

Founders' Day banquet was celebrated at the Blackstone with Maryland Alpha Chapter. As has recently been the custom, the Senior Induction Ceremony was performed.

In June Helen Doll Tottle held her annual Swimming Party and Tea for Pi Beta Phi youngsters and oldsters.

Contributions of the club for the year 1943-1944 are Settlement School, \$45, Convention Fund, \$61.50, Physiotherapy Scholarship, \$10.

JANE E. CROWELL

CHAPEL HILL

Previous to opening of this past college year, Susan Rose Saunders as Gamma Province President, held a gathering of active chapter presidents at Chapel Hill. Elsie Lawrence Gribbin, chairman of our advisory board, addressed one of the meetings.

Our club gathered six times this past year. Business meetings have been held at the homes of Millicent Perkins Lawrence and her daughter Elsie Gribbin, Marjorie Adams Campbell, Frances Wagstaff Cox, Mary Shore Cameron, and Edith Baker Giduz. At the last named, active chapter and club held separate meetings and afterwards united for the Senior Farewell Ceremony.

Both chapter and club worked together for one week of an Arrowcraft sale under Settlement School Chairman, Millicent Lawrence. Sales for the year amounted to \$212.63. Club contributions to our other national projects were: \$15.00 to Settlement School, \$5.00 to Loan Fund, \$2.00 to Holt House; \$4.20 in magazine commissions, and \$5.00 to the Physiotherapy Scholarship.

Our special tie with the chapter has been two club daughters, Marianne Browne and Carlisle Cashion, whose mothers were North Carolina A charter members.

Membership for the coming year will be reduced through several moves from town, leaving us only 12 in number.

We sincerely regret the resignation from office of Mary Schaff Greear, Gamma Province Vice-President.

EDITH BAKER GIDUZ

COLUMBIA, SOUTH CAROLINA

The Columbia Alumnae Club held regular monthly meetings during 1943-44 despite the small number of members,

only eleven. In addition, the club gave several parties for Army wives stationed at Fort Jackson and the Columbia Army Air Base and a party for convalescent soldiers at the Air Base. The alumnae also assisted South Carolina A with rushing during both fall and spring semesters and joined with the actives in the Founders' Day celebration, one of the alumnae having charge of the banquet. Contributions: Settlement School, \$2.50; Holt House, \$1.00; Physiotherapy Fund, \$2.50.

MRS. FRANK H. WARDLAW

RICHMOND

Directed by President, Mrs. Atwood M. Wash, the Richmond Alumnae Club of Pi Beta Phi has held seven meetings during the 1943-44 term. As a rule, these meetings were held on the second Saturday of each month in the form of a business luncheon meeting held at various members' homes. A special Founders' Day meeting was held on Friday, April 28.

The project of the club for the year has been the development of the Elizabeth Kates Foundation described in the May ARROW. Serving as members of the executive committee of the foundation, which aims to improve conditions for released women prisoners of the State, are: Dr. May L. Keller, Miss Pauline Turnbull, and Mrs. G. Waddy Wilde, from the Richmond Club.

Contributions of the club; Settlement School, \$25.00; Physiotherapy Fund, \$10.00; Kates Foundation, \$25.00; Active Chapter, \$10.00.

All members have been active in various OCD functions. Mrs. Harry O. Stone was elected to head the Richmond Canteen Corps of the American Red Cross.

ETHEL V. TRAL

WASHINGTON, D.C.

The club has a record 638 resident alumnae this year with 136 paid members, 109 senior and 27 junior. Attendance at senior meetings averaged 70 at night and 40 in the afternoon.

In September the club gave a tea for girls entering universities having Pi Phi chapters. A Settlement School tea was given in October as well as a supper devoted to discussion of the physiotherapy scholarships. In November the senior and junior groups and District of Columbia A held a joint Settlement School meeting. Founders' Day was celebrated at a luncheon with 116 present.

We have cooperated with Panhellenic in providing chaperons for weekly U.S.O. dances and as a special project have served as hostesses for the service women's center, also furnishing equipment and food for their snack bar and lounge.

Arrowcraft articles in the amount of \$1,000.00 were sold. Magazine commissions were \$157.00. The club has contributed \$322.75 to Settlement School, \$5.00 to Holt House, \$10.00 to the Loan Fund, and \$5.00 to the active chapter.

Our most important project was the raising of \$400.00 to pay for a full physiotherapy scholarship.

The club feels it has had a most successful year with its efforts directed toward helping the fraternity and the nation at war.

JANE EDWARDS MCPHERSON

DELTA PROVINCE

BLOOMFIELD HILLS

The Bloomfield Hills Alumnae Club of Pi Beta Phi fraternity has concluded an enjoyable and profitable year under

the guidance of Mrs. Roger Angstman as president of the group. Meetings were held the last Tuesday of each month. After the luncheon and business meeting, work was done to benefit the Cancer Drive of this territory of which one of

our members, Mrs. Wm. Knowles has been chairman. Dressing pads were cut and sewn out of materials furnished by the club members. It was decided to substitute this work in place of the sewing done last year for the Red Cross when a new ruling was established by that organization that no materials could be sent out of the workrooms other than knitting. A \$25.00 contribution was sent to Red Cross.

The Christmas meeting took the form of a Yule-tide party at the home of Mrs. Harold King. A delicious luncheon was followed by the exchange of small gifts, accompanied by much hilarity with the reading of enclosed poems, witty and apropos.

In April the club held a very successful Settlement School tea, again at the home of Mrs. King, to which we invited our many friends. Orders totaled more than \$200.00, a very sizable amount considering the fact that we had far less merchandise to present than in pre-war years. However, the quality and beauty of the handcraft material was well up to standard and sales just made themselves.

The Bloomfield Club also raised \$40.00 as a contribution to the meritorious work of the Physiotherapy Scholarship Fund, an endeavor we are proud to support. Under the direction of Mrs. H. P. Walmley, the sales of magazine subscriptions also flourished—\$259.00 worth being sold, a real achievement for a small alumnae group. Contributions of \$5.00 and \$2.00 were sent to the Pi Beta Phi Loan Fund and Holt House respectively.

MARION McLEAN WILCOX

DETROIT

The Detroit Alumnae Club had a successful and interesting year under the leadership of Gertrude Bandy Ratliff. Because of transportation difficulties, the club decided to have only two city-wide meetings during the year, in addition to the monthly group meetings. A membership tea was held in October at the home of Margaret Lawson Giles, with a display of Settlement School products. Founders' Day was celebrated in May with a cooky-shine at the home of Dorothy Gray Jocelyn.

The North and West groups held dessert meetings and spent the evening rolling bandages for the Northwest Branch of Grace Hospital. They also exchanged books, sold stationery and name tapes to earn money for the physiotherapy scholarship fund. All of the Junior group meetings were devoted to rolling bandages, except two, which were bridge parties for the benefit of the physiotherapy fund. The East group has been inactive as a group this past year, but most of the members have been able to attend the two general meetings.

Our club contributed \$75.00 to the Settlement School, \$10.00 to Holt House, \$10.00 to the Loan Fund, \$100.00 to the physiotherapy fund.

DOROTHY GRAY JOCELYN

FORT WAYNE

Our club programs have been varied and interesting. One of our projects has been aiding in the Teen Age Canteen which has been established in Fort Wayne. We have furnished the magazines for a reading table at the Canteen and this table has proved very popular. At one of our meetings we made stuffed animals for the Thrift Shop which is sponsored by the Red Cross. Our programs have included book reviews, talks on Australia, Civilian Air Patrol, and other timely subjects. We have given \$10 to the Settlement School, \$5 to the Loan Fund, \$5 to Holt House, \$50 to the Physiotherapy Fund, \$25 to the Red Cross, \$5 to the Teen Age Canteen and \$5 to the Day Nursery.

MRS. J. J. ROBERTS

FRANKLIN

Our club of 32 paid members opened the year 1943-44 in September with the traditional cooky-shine honoring the new pledges.

Nine meetings were held during the year. Seven were held in the homes of members, one in the Pi Beta Phi chapter rooms at the college, and the final dinner at the Atterbury Attic.

Our most enjoyable meetings were our four annual affairs; the first a dinner in November honoring the actives and pledges; the Christmas party where each member brought a gift for the soldiers in the hospital at Camp Atterbury; the Birthday party in January celebrating the founding of Indiana A. special guests were charter members and seniors graduating in mid year. The birthday money was added to the scholarship fund; at the commencement dinner at the Atterbury Attic, guests were visiting members, patronesses, and seniors.

A beautiful memorial service was held in February for our beloved Emma Harper Turner, charter member of Indiana A.

Programs for the other meetings were devoted to the study of the constitution, to book reviews, discussions of how we can better serve our active chapter, and reading official letters.

With Camp Atterbury located so near us many of our members are actively engaged in volunteer service in various Red Cross activities, U.S.O., and many other phases of war work.

NELLE GRAVES

GRAND RAPIDS

Our club has enjoyed a successful year under the leadership of Mrs. George Kingston. Nine meetings were held with an average attendance of fourteen members. The January meeting, a Panhellenic Chinese program, with Mrs. Robert McCandoliss as speaker, was very interesting and so was the Christmas program of readings and games. Founders' Day was celebrated at a lovely evening meeting. Our club was also invited to the Founders' Day luncheon given by the new Lansing-East Lansing club. Dorothy Hagerman extended our greetings on this occasion. Mrs. John Nichols has had charge of the sewing of hospital garments for Bundles for Bluejackets. Our magazine sales were \$101.50, our contribution to the Settlement School \$5. to Holt House \$1, to Physical Therapy \$25, and to United China Relief \$6.

RUTH B. ROWLAND

INDIANAPOLIS

The club has had seven enjoyable Saturday dessert lunches at the Butler University chapter house, two evening dinner meetings at the Central Y.W.C.A. which enjoys a more central location, and the State Founders' Day luncheon at a downtown club which attracted 297 members, plus the annual rush tea held in April.

Besides being a 100% club and contributing \$280.46 to the Settlement School, \$10 to Holt House, and \$117.63 to the Physiotherapy Fund, the group gave \$10 to the Loan Fund \$10 to the Red Cross, a service cart for transporting supplies to the local Service Men's Canteen at the Union Station, a season symphony ticket, playing cards, and "junk" jewelry to the service men, an afghan knitted by the members to "Bundles for America," and Christmas gifts to the five active chapters in the State.

A second "Cookie Day" at the U.S.O. will be sponsored in July. The money for all the philanthropic work was earned by one project of sponsoring an Indianapolis Civic Theater play in November. The sales for magazines amounted to \$701.20 and for Arrowcraft products \$407.70.

The current graduates will be honored guests at the June meeting and will be presented with corsages and courtesy memberships to the alumnae club.

MARY BELL SHUTTLEWORTH

LAFAYETTE

We started our club year with a get-together barbecue. Regular meetings have been held each month and a Settlement School tea also, with Mrs. Alford as our honored guest. A buffet-dinner was given in honor of last fall seniors and our seniors of this spring were likewise honored. We have given \$5 to the Red Cross, \$25 to the Physiotherapy Fund, \$2 to Holt House, \$5 to the Loan Fund, \$100 to the chapter house and \$640 to the Settlement School. The magazine subscription agency brought in \$40 and we were awarded a \$25 war bond for selling the most bonds. Next year's plans are to include a better acquaintance with our active chapter.

MAXINE HAFNER

LANSING-EAST LANSING

The first official meeting of the club was held November 1 at the Porter Hotel. We received our National Charter and were honored by having Ruth Barrett Smith present at our first meeting. While in Lansing Mrs. Smith visited the Michigan State College campus and conferred with members of the faculty.

On November 15 we held our first Settlement School sale under the supervision of Emily Boston Hoover. \$300.00 worth of merchandise was sold and \$60.00 has been cleared to date.

At the Christmas meeting held at the home of our president, Frances Lynch Reigel, Dorothy Eyclesmyer Cotes was appointed Chairman of our Extension Committee and was authorized to start work immediately. After favorable information was received from Miss Onken, a special meeting was called and the members of the club voted to undertake the colonizing of a local group that would petition Pi Beta Phi.

The January meeting was held at the home of Luella Jackson Beresford and plans for raising money were presented by Marcia Sturgis Barnett, Chairman of the Ways

and Means Committee. We have raised \$500.00 to date.

During the months that passed Mrs. Bachman and her committee who were connected with the college directly or indirectly, had been working hard to select the most outstanding women students. From 2074 women you can imagine it was not easy. After endless checking for grades, activities, and references from home town Pi Phi we held a rushing party at the home of Mrs. Cotes and invited girls from Michigan A and Michigan B active chapters to assist with the rushing. They very graciously gave up their Sunday and traveled to Lansing, and we are deeply indebted to them for their support and help.

Sixteen girls were pledged Pi Phi Gamma as a result of this party. Formal pledging was held immediately so that we could present them to the National officers coming to Lansing to attend the State Luncheon. Our first Founders' Day State Luncheon was held at the Olds Hotel, April 29, with 80 Pi Phi present.

Our guests of honor who spoke inspiringly were Marianne Reid Wild, Vivian Lyon Moore, and Helen Anderson Lewis. Mrs. Cotes gave a brief outline of the extension work accomplished, and musical selections were furnished by Michigan A and Michigan B active girls. After the luncheon Mrs. Wild spoke informally to the new pledges and told of the work ahead, in order to prepare for the petitioning of a national charter.

Rushing continued and we initiated 25 girls June 14 into our local Pi Phi Gamma Chapter, at the home of Mary Jackson Tranter. We have rented a fraternity house and the girls will start living and working together as a group next September.

We have made contributions to the Settlement School,

Holt House, Loan Fund, and our active chapter in the making.

LUELLA JACKSON BERSFORD

NORTHERN INDIANA

Our members are from all of this district, several living in Sturgis, Michigan. We have only 13 paid members, and would welcome any Pi Phi who lives near us. We had five meetings, with an average attendance of 10.

Dues are \$1, the national dues; at each meeting attended we put in 10¢ each. This year we did not contribute to any projects of the fraternity but sent a subscription to *Life Magazine* to Michigan A.

We made two comforters for British War Relief, two crocheted afghans to a hospital for our own wounded.

The only money making scheme has been a plant raffle at each meeting; 10¢ a chance and the winner buys the plant for the next meeting.

Because of distances and gas shortage, our meetings have been Sunday night carry-in suppers, for members and their families, a pleasant evening, and the Pi Phis have a meeting while the husbands discuss war and sports.

At one meeting, each member told something of the history of her own chapter. For the Settlement School meeting, the members who had visited the school told of their visits.

For Founders' Day, members who had met any Founder told of that personal contact.

At a summer meeting we had several active with us and they told us of their different schools, especially war activities and problems.

ELDA L'HOTE DISOSWAY

EPSILON PROVINCE

CHATTANOOGA

The Chattanooga Alumnae Club held one meeting each month for the year 1943-44. In the course of the year the club contributed \$15.00 to the Settlement School, \$10.00 to the National War Fund, \$5.00 to the Holt House, \$5.00 to the Red Cross, and \$10.00 to the University of Chattanooga Sustaining Fund. A sale of Arrowcraft products was held in December from which the club realized \$149.71. Our magazine commissions amounted to \$86.00.

In September the alumnae entertained the actives and their rushees with a party originated by Mrs. Alison Kemp. It was in the form of an airplane trip over the country to the homes of famous Pi Phis. The party was one of the most successful activities of the year; its cleverness and originality brought it to the attention of the National Social Exchange Committee which requested a description of the party to publish for the use of other chapters.

The next function of the year was a supper honoring the pledges. After initiation the club entertained the active chapter and the initiates at a banquet; the cup was presented to the best pledge and a recognition pin to the pledge with highest grades. The alumnae also joined the actives in the celebration of Founders' Day with a luncheon at the Country Club. Toasts and the Candlelight Ceremony comprised the program.

As a patriotic gesture the club sponsored two teas at the Service Men's Club, furnishing refreshments and acting as hostesses for the afternoon.

The year's activities came to a close with a Sunday night supper honoring the 1944 graduates. A gift was given each senior, and the Margaret Smith Colby Award was presented to Martha Steakley for her outstanding service to Tennessee A.

FRANCES LOUISE OSBORN

COLUMBIA, MISSOURI

We have had six regular meetings, three in the afternoon and three in the evening. We have been honored to have as members this year Mrs. Leigh Trowbridge, Province President, and Mrs. Dwight Aultman, Province Vice-President. At the May meeting Mrs. Aultman gave a most interesting report of her visits to the various clubs in the province. Our Settlement School sale in December was very successful. On Founders' Day the club entertained the active chapter at the chapter house, the program including the songs to be sung at the annual Sorority Sing. We have given \$5 to Holt House, \$80 to the Settlement School, \$10 to the active chapter, and \$10 to the Physiotherapy Fund.

SUSAN SMITH REYNOLDS

KANSAS CITY, MISSOURI

The activities of the alumnae club opened with a meeting on October 5 at the home of Mrs. Thornton Cooke. Every

one was delighted to know that the Kansas City alumnae won the prize over the entire country for magazine subscriptions. The club sponsored a bridge tournament for getting members better acquainted with one another. Prizes were donated and \$45 was made.

At the November meeting it was announced that the sales at the club's bond booth at John Taylor's department store were just \$2 short of \$700,000.

The club especially enjoyed the informal gatherings around the piano after meetings for a "sing," refreshing memories with Pi Beta Phi songs.

Two rummage sales were held in the fall and in the spring. \$104 and \$162.25 were made respectively.

The club set a policy of having its programs all given by members of the club. In conjunction with this policy, in January, Margaret Hennessey and Margaretta Putnam spoke of some of their experiences in their respective jobs in connection with the war effort, as chairman of the senior hostesses at the U.S.O. and chairman of all the child care centers.

The following contributions were made: Settlement School, \$350; Physiotherapy, \$100; University of Kansas City Scholarship, \$100; Holt House, \$15; Active Chapter, \$30, and various others.

JANE STICKROD

LITTLE PIGEON

Little Pigeon Club begs to go into hibernation for the duration—like the bears of the Smokies. We came out long enough this year to pay our just dues and make us a 100% Club. We tried very hard to have a representative for each Founder at that meeting. No one from Knoxville could spare the gas so only six of us had dinner at one of the hotels on April 29. Mrs. Jack Huff, our Corresponding Secretary, left the next week with her month-old baby to help her husband run Le Conte Lodge on the top of that mountain. What we need are some young Pi Phi school teachers to bring our number back to normal. Do you know of any?

ETHEL M. SNOW

LOUISVILLE

The Louisville Alumnae Club held eight meetings this year. There were 39 paid members with an average attendance of 25-30. This is a decided improvement over last year, and gives us much encouragement in laying plans for next year.

The outstanding events of the year were the visits, in the early spring, of Mrs. Warren T. Smith, Grand Vice-President, and Mrs. Dwight Aultman, Epsilon Province Vice-President. A tea was given for Mrs. Smith at the local active chapter house, and an informal dinner for Mrs. Aultman at one of the private clubs.

The club, as a whole, has participated on occasion in U.S.O. activities, while individual members have been active in other branches of war work. At the April meeting, we were fortunate in having a most interesting talk by a

graduate physical therapist, who received her training on one of the Pi Beta Phi scholarships. This gave us a real insight into the national war project of our fraternity.

One of the highlights of the year was the tea given in commemoration of Founders' Day, which honored the charter members of Kentucky Alpha Chapter.

Due to existing conditions, we had no Settlement School tea this year, but our chairman, Mary Frances Pirkey, has done a splendid job, and reports a total of \$375 worth of Arrowcraft goods sold.

Much credit is due Suzanne Nevin, chairman of the Magazine Committee. Her report for the year shows a total of \$195 worth of subscriptions sold, which is a new high for the club.

Contributions for the year were as follows: Settlement School, \$25.00; Holt House, \$5.00; Physical Therapy Fund, \$25.00; Active Chapter House Corporation, \$120.00.

The club closed its social activities for the year, early in

June, with a picnic supper and swimming party for the active chapter, at the home of Nancy Adams.

BETTY JANE KREMER

ST. JOSEPH

We have had four meetings, the first one being a supper meeting at the home of our president, Mrs. Alan Schreiber, when plans for the year were made. The next two meetings were dinners down town. Founders' Day was celebrated with a supper at the home of Mrs. Landon Wood with Mrs. George Spalsbury as assisting hostess. Officers were elected at this meeting. In response to many requests, our Settlement School tea was resumed after a lapse of two years. It was given at the home of Mrs. Edwin Wright on May 12.

MILDRED T. WOOD

ZETA PROVINCE

BIRMINGHAM

The Birmingham Alumnae Club held nine meetings during the year with an average of twenty members present. We had twenty-eight paid members. We made contributions to the three funds: \$10 to Holt House, \$15 to Settlement School and \$25 to the Physiotherapy Fund.

We had a benefit bridge and Settlement School goods sale. We netted \$58.95 from bridge and sold \$133.60 worth of articles from the school.

We were inspired during the year by the presence of Miss Onchen and Mrs. Brainard, Zeta Province President.

We gave a party for the active chapter in February and enjoyed their fellowship also at Founders' Day banquet.

Our last meeting of the year was a cooky-shine.

KATHLEEN BATTLE

JACKSONVILLE, FLORIDA

The Jacksonville Alumnae Club started out its 1943-44 season with a buffet supper at the Woman's Club. At this party, we honored the girls who were leaving for their first year at college. Our other large fall affair, also held at the Woman's Club, was the Settlement School tea. The success of this tea is seen in the fact that our Arrowcraft contributions totaled \$418.00. In addition, the club sent \$5.00 to the Settlement School.

We are fortunate to have, as our new Settlement School Chairman, Pauline George Lamb (Mrs. William E.). Mrs. Lamb is associated with the Hob Nob Shop in Jacksonville, and keeps the Arrowcraft products on display there. As this is a very popular shop, many more people will become familiar with the Arrowcraft products, and our sales should be even greater next year. We have discussed the possibility of having two sales next season instead of the usual one.

Our Founders' Day dinner was held at the home of Mae Wangler Schultz (Mrs. Clifford). As this was an evening affair, many of the professional members were able to attend. In addition to the traditional ceremonies, Elizabeth Lemon McMurry (Mrs. C. T.) lead the club in a quiz on the history of Pi Beta Phi.

Aimee Renkes Brainard (Mrs. Clifford), the new Province President, is a member of the Jacksonville Club. At the June meeting, we will have an opportunity to hear of her visits to the active chapters. This meeting will be held at the home of Marjorie Lloyd Coffee (Mrs. Frank V.), and

will be primarily for the purpose of discussing rushing plans. Other club contributions were: National War Fund, \$35.00; Magazine Commissions, \$14.75.

MRS. W. B. NICHOLS

LAKELAND

Our meetings have been held every other month and included a Christmas party for the members as well as a cooky-shine in celebration of Founders' Day.

During the year we have subscribed \$5.00 each to the Physiotherapy Fund, the Settlement School, the Loan Fund, and Holt House. At our May meeting we voted to send \$5.00 to Florida B to be used in a redecorating project.

We have an active committee on magazine subscriptions and hope to have a 100% subscription contribution next year.

DOROTHY GILMORE VENELL

MIAMI

The Miami Alumnae Club has met the requirements of a Chartered Alumnae Club as set forth in the Constitution.

We have had our four required meetings. First, the Constitution and History of Pi Beta Phi was featured in a comprehensive quiz. Second, a Settlement School skit was given which told the story of the school and latest reports on its progress. Arrowcraft products were sold. Third, our annual Christmas luncheon was given in The Towers Hotel. Here our new pledges were the guests of honor. Fourth, our Founders' Day meeting was a spaghetti supper held by candlelight.

In addition we hold monthly meetings on the first Wednesday in each month. We alternate between luncheon and night meetings to enable the girls who work to attend at least every other one.

To raise money we gave our annual Labor Day dance and a Chinese auction for the National War Fund.

We contributed \$50 to the Settlement School. Besides that we sent \$41.20, proceeds from Arrowcraft sales, National War Fund, \$50, Holt House, \$5, Local War Chest, \$10, and Magazine Commissions, \$11.85.

We have thirty-eight paid members plus two seniors who, when they graduate, will also be affiliated.

BETTY BLACKBURN

ETA PROVINCE

BELOIT

The Beloit Alumnae Club has held nine meetings during the year, either in members' homes or the chapter house, with dinner or dessert followed by a business meeting and a social evening or program. Attendance has averaged twelve to fifteen.

Contributions for the year were made to the Settlement School, \$10.00; Physiotherapy Scholarship, \$10.00, and Holt House, \$1.00. A gift of luncheon cloths, hemmed by members at meetings, was presented to Wisconsin Beta Chapter at Christmas time. Founders' Day was observed by joining the chapter at a cooky-shine at the chapter house. An open house for all returning alumnae replaced the customary reunion banquet during commencement weekend. Recognition pins were presented to the graduating seniors of Wisconsin B by the alumnae club. Members of the alumnae club were also represented at initiation ceremonies and have endeavored in every way possible to maintain as close contact as pos-

sible with the active chapter in order to be able to assist them if possible.

CAROLYN E. SHEPARD

CARTHAGE

Six meetings were scheduled for the year but due to illness, only four of them were held. However, the required programs were given.

The club meets in the evenings in the homes of the members and light refreshments are served by the hostess. Our two out-of-town members, Lenore Bustard and Constance Rice, entertained the club on Founders' Day at a tea room at dinner.

We contributed \$5.00 to the Settlement School, \$1.00 to Holt House, and \$5.00 to the Physiotherapy Fund and gave \$3.00 to the local Red Cross. Some of the members of the

club make surgical dressings. For a small club, we think we have a good showing in magazine commissions.

BEULAH SMITH

CHAMPAIGN-URBANA

We have 46 paid members out of 62 resident Pi Phis. We have had eight meetings. The freshmen were entertained at the first meeting and the seniors at the last meeting. Dessert meetings have replaced the dinner meetings. Programs have consisted of talks on alumnae affairs, reports on the active chapter, talks on national affairs, a card party and travel pictures. Founders' Day was celebrated with the active chapter at the chapter house. We gave \$92 to the Settlement School, \$5 to Holt House, \$10 to the Loan Fund and \$50 to the Physiotherapy Fund.

HELEN HERBST HUNSUCKER

CHICAGO BUSINESS WOMEN

Renewed interest in the Chicago Business Women's Alumnae Club brought attendance at monthly meetings from five to thirty-one members present. The club held six regular meetings during the year at the Chicago College Club, and joined Chicago North, North Shore, and the Northwestern University active chapter for Founders' Day celebration in Evanston.

The accelerated war-time schedule of most members limited activity of the club. Gifts were sent to the children at the Settlement School at Christmas time, and a contribution of \$17.00 was made to the Physiotherapy Fund, to which two meetings had been devoted during the year.

ELIZABETH FRENCH

CHICAGO NORTH

The Chicago North Alumnae Club held a Settlement School sale last summer, a cooky-shine in the fall, the annual luncheon in the spring, and Founders' Day luncheon with the North Shore Alumnae Club and the Illinois Epsilon chapter.

Chicago North's three groups have met for dessert bridge twice a month. All members have been making knitted garments for the ground crew members of the Navy Air Force stationed at Glenview Air Base. This is our own pet war project. We enjoyed a day at the base in March and are looking forward to an officers' tea in August.

Chicago North has contributed \$50.00 to the Physiotherapy Fund, \$10.00 to Monmouth College Chapter, \$25.00 to the Settlement School Library.

ELEANOR WHITE PANNIER

CHICAGO SOUTH

The five groups of the Chicago Alumnae Club South met for the last meeting of the year at the Nantucket Tea Room, May 4. The program in charge of Kathryn Cramer honored Founders' Day. The other general meetings of the year varied in order to accommodate as many members as possible. The first meeting of the year was a Membership Dinner. Invitations were sent to eighty-five unaffiliated members.

Late in the summer rushees were entertained at a party for Illinois Z. Another general meeting was the Settlement School tea, held down town for the first time. The profits of the sale were \$69.00. In February at a cooky-shine at Kathryn Cramer's home, the evening was given to three speakers on physiotherapy, from Gardner's Hospital.

Early in September a list of war services to which individuals or groups might contribute was given to each member. Besides the individual contributions the various groups contributed to Bundles for America, U.S.O., Over Seas Nurses, and Gardner Hospital. In April the club financed and sponsored a Service Men's party at the Midway U.S.O.

The contribution for the Service Men's party was \$17.50. The contribution to the Physiotherapy Scholarship was \$100.00, to the Settlement School, \$100.00. There are fifty-nine members paying national dues.

GAY CASE HUGHES

DECATUR

The Decatur Alumnae Club wound up its year of activities with a dinner for the actives and alumnae at the chapter house in June. The one graduating senior was given a silver dish by the club.

The Founders' Day dinner for both actives and alumnae was held at the Decatur Club in April. Instead of the usual program after the dinner, all members went immediately to the Red Cross rooms to make surgical dressings in honor

of our founders. A special committee of the alumnae was in charge of the Red Cross booth and exhibit at the Decatur-at-War Show held in May.

There were seventy-three paid members of the club this year. The spring rummage sale brought a net profit of \$360.00. Besides contributing to the redecoration of the chapter house the club has given \$130.00 to the Physiotherapy Scholarship Fund, \$50.00 to Settlement School, and \$10.00 to Holt House.

ROSEMARY MOOREHEAD BARNWELL (Mrs. J. B.)

FOX RIVER VALLEY

The Fox River Valley Alumnae Club assisted the active chapter at all functions this year, and we have cooperated in all their activities. Our membership has been small because many of our members who live in other towns have not been able to come to our meetings due to gas rationing. We have met at the homes of our various members in Appleton and Neenah, and have made our contributions to the Settlement School, Holt House and endowment fund. We were most happy to have Miss Williams here in December, Mrs. Finger in March and Mrs. Alford in June.

ALAINE MEYER HARTWELL

JACKSONVILLE, ILLINOIS

At the May, 1943 meeting of the Amy B. Onken Club, the same officers were re-elected for the coming year. The first fall meeting was held at the home of the president, Mrs. Erma Elliott Johnston, when Miss Onken showed articles she had brought from the Settlement School. In October a luncheon meeting was held with Mrs. Charles Drury in Alexander. In November a very successful sale of Settlement School articles was held. In March we went to Virginia, Ill., where we had a pot-luck luncheon at the home of Miss Annette Morse. Founders' Day was observed with a luncheon at the Dunlap Hotel. We have given \$5 to Holt House, \$15 to the Settlement School, and \$5 to the Red Cross. We have nine paid-up members.

MARIANNE F. LONDON

LIBBIE BROOK GADDIS CLUB (AVON, ILLINOIS)

The Libbie Brook Gaddis Club held six meetings during the past year, with an average attendance of nine.

The first meeting was the annual picnic at Avondale Club grounds, at which time rushees are entertained.

At two meetings scrap books were made to be sent to hospitals for disabled service men.

The funds were distributed as follows: To physiotherapy, \$3.00, to the Settlement School, \$3.00, to Holt House fund, \$2.00 and to the nearest active chapter, \$2.00.

This year's commission for magazine subscriptions totaled \$9.00.

Two books by Pi Beta Phi authors are to be purchased and presented to the Saunders Library in honor of the Founders of the Fraternity.

MILWAUKEE

The average attendance at the Milwaukee Alumnae Club's nine meetings the past year was forty-two. \$200 was contributed to the Settlement School, \$100 to Holt House, and \$83.50 to the physiotherapy fund.

As its major financial project for the year the club had decided to exert extra and concerted effort on Settlement School sales. As a result gross sales amounted to \$1,400. These extensive sales were accomplished through the excellent chairmanship of Mrs. Dallas Perfect, Iowa B.

MARJORIE OVIATT CRABB

MONMOUTH

Monmouth Alumnae Club held monthly meetings this year. At one regular meeting we entertained the Illinois Alpha chapter at a cooky-shine.

We have been doing Red Cross work at the meetings, making bedside kits and hot water bottle covers.

Local organizations took turns acting as hostesses at the M.S.O. Our club were hostesses the weekend of April 22. The club was invited to the wedding of Maryalice Evans, President of Illinois A last year, to Lt. John Urey, which took place at the Holt House on May 29.

The following monetary contributions were made by Monmouth Alumnae Club: Settlement School, \$10.00, plus \$5.00 presented to Settlement School at Christmas; Loan Fund, \$5.00; Active Chapter, \$32.00; Holt House, \$5.00, and Physiotherapy, \$15.00.

Illinois A entertained the Monmouth Alumnae Club with a tea at Holt House for Founders' Day.

A rummage sale was held the first of May with very satisfactory results.

MARY L. MCCONACHIE

NORTH SHORE

In order to acquaint our club with Pi Phi's new war project, an early fall program was devoted to the need of physiotherapy for our wounded service men by Captain H. H. Davison of the U. S. Army. The following month a benefit dance brought excellent results. The Settlement School sale and program was highly successful in spite of the limited supply of articles. At our 18th birthday party a collection of pennies amounted to \$22, and the Quiz Kid program on the Constitution furnished an entertaining and informative program. All other programs have been given by Pi Phi in the community; problems in the secondary schools were discussed by a high school teacher; a dramatic reading was well given, two authors of children's books told of their own book, helpful suggestions on mental hygiene were given by an authority on psychiatry. We have given \$265.50 to the Physical Therapy Fund, \$35 to the Settlement School, \$5 to Holt House, \$25 to the chapter at Northwestern and \$25 to the Red Cross. Other minor contributions have been given to local war efforts.

HELEN M. MACDONALD

OAK PARK-RIVER FOREST

The Oak Park-River Forest Alumnae Club began a very busy year with a rushing tea at the home of Mrs. M. B. Knox, where local girls from many surrounding colleges met prospective rushees.

Our paid membership of thirty is divided into two groups, one of which meets in the afternoon and the other in the evening. Four times this year we had joint meetings, and both groups cooperated whole-heartedly in all of our enterprises.

One of the nicest affairs of the year was our annual Settlement School tea. Although the material available was less than usual, we had a successful sale, and the alumnae

and their friends had an enjoyable afternoon. Dorothy Ahrens-feld (Wisconsin I) had charge of the sale which was held at the home of Mrs. E. B. Derr (Margaret Handshaw), Pennsylvania I.

The Founders' Day luncheon was attended by thirty-eight.

Our club sent \$35.00 to the Settlement School, \$5.00 to Holt House, \$25.00 to the Physiotherapy Scholarship Fund.

In June the two groups will have a picnic which will end our meetings until the fall.

EDITH LICHT LARSON

ROCKFORD

The Rockford Club met the second Tuesday of each month throughout the winter. There were ten meetings. Dessert was served and the evenings were spent playing bridge. We held a short business meeting each time. Founders' Day was celebrated with a cooky-shine. Our annual picnic was held in June. Several members of the active chapters were present at this as well as the alumnae.

The club gave \$10 to Physiotherapy, \$5 to Settlement School, \$2 to Holt House, and \$15 to the local Panhellenic. We had a total of thirteen paid members this year.

BARBARA-JANE EBERHART

SPRINGFIELD, ILLINOIS

The Springfield, Illinois Alumnae Club has held six meetings during the year 1943-44. One party was during the Christmas season and one celebrated Valentine's Day. Eleven alumnae had luncheon together on Saturday, April 29 in memory of the founders. Two of these present were newcomers to Springfield. During the year, two members have joined the WAVES; one member is the only woman to receive a nomination for office in the recent Primaries in the city; and one has resigned her position as executive secretary of the Family Welfare Association to retire from the business world.

We contributed to the following activities: Settlement School, \$30.00; Physiotherapy Fund, \$5.

We have twelve paid-up members.

ELBERTA T. SMITH

THETA PROVINCE

AMES

The Ames Alumnae Club opened this year with a luncheon at the home of the president, Mrs. H. L. Eichling, in October. In November, members joined with the Mothers' Club in entertaining husbands with a pot-luck dinner at the chapter house. The Settlement School tea was also held in November.

In December freshmen were entertained at luncheon in the C. A. Iverson home, seniors in January at the J. S. Dodds home. A cooky-shine at the house with the chapter marked February. The March luncheon was at the home of Mrs. Leonard Steger. Founders' Day was celebrated by a luncheon with the active chapter at the house.

There are sixty-six resident alumnae in Ames, Boone, and Nevada, and thirty-six paid members. The dues are \$3.00, meetings eight in number. Average attendance is thirty-five. Contributions have been: Settlement School, \$60.00; magazine fund (in report of national magazine committee); Holt House, \$5.00; to pledges for high grades, \$5.00; physiotherapy fund, \$50.00; profits from Arrowcraft, \$50.07.

JOSEPHINE HUNGERFORD DODDS

BURLINGTON, IOWA

With Emily Ranke as hostess, the Burlington, Iowa, Alumnae Club held its initial meeting of the 1943-44 year at the Burlington Golf Club House on November 12. This meeting was given over to activities of the Settlement School and the plans for the year which were presented by the president, Mrs. Wm. F. Gilman (Edna Uhler). At Christmas time a box was packed for the Settlement School under the supervision of Mrs. W. F. Weibley (Ethel Cowan).

The meeting held on March 24 at the home of Mrs. Louis Blaul (Bertha Poehler) and Betty Blaul was devoted to the study of the constitution, which was presented by Harriet Proudfoot in the form of a diary.

Each alumnae member of Iowa Alpha Chapter related an interesting experience of her college days at the April 11 meeting held at the home of Mrs. Wm. F. Gilman (Edna Uhler).

Founders' Day was observed with a dinner at the home of Mrs. Clay Waite (Ida Southwell) on May 4. Mrs. Harold J. Wilson (Lucia Blake) paid fitting tribute to the Founders. During the year the following contributions were made:

The Settlement School, \$25.00; Holt House, \$5.00; Loan Fund, \$5.00, and Physiotherapy Fund, \$5.00.

HARRIET PROUDFOOT

DULUTH

Our regular meetings have been held on the first Saturday of each month with an average attendance of about ten members. We gave \$50 to the Settlement School, \$5 to the Loan Fund, \$5 to the Physiotherapy Fund, and \$10 to Minnesota A, our nearest active chapter. Our Arrowcraft sales amounted to \$200.

RUBY BURTNESSE KEFGEN

IOWA CITY

1943-44 activities of the Iowa City Alumnae Club were concluded with a Founders' Day observance at the chapter house in April. An informal dinner marked the occasion, and both active and alumnae members were in attendance.

The alumnae club program for the year included several meetings with the active chapter—assistance with rushing in the fall; the annual October dinner when active and pledge scholarship awards were presented by the House corporation, and the annual January House corporation meeting which this year celebrated the final payment on the chapter house.

Other meetings featured a cooky-shine in honor of the pledge class; a discussion of the Settlement School, and a constitution and history program. Hostesses for these gatherings included Mrs. Edward Rate, Mrs. Roscoe Volland, and Mrs. Vernon Nall.

A Settlement school sale was held in December, and \$25 was contributed to the school. Contributions of \$5 and \$15 were made to Holt house and the physiotherapy fund, respectively.

Officers for next year will be Mrs. Leo Dreckman, president; Miss Lillian Locher, vice-president; Miss Amanda McCloy, recording secretary-treasurer, and Mrs. Scott Swisher, corresponding secretary.

EULALIA KLINGBEIL SEILER (Mrs. W. H.)

MINNEAPOLIS

The following material is a résumé of the year's activities of the Minneapolis Alumnae Club, a list of the new

officers, and a tabulation of the contributions as voted on during the last meeting on May 17.

The Minneapolis Alumnae Club, totaling approximately forty-five members, has held ten meetings during the 1943-44 season, with a series of interesting lectures by a group of very worthwhile speakers.

The president for the coming year is Mrs. Horace M. Chope—(Charlotte Winget Chope).

Contributions: Settlement School, \$5.00; Holt House, \$1.00; Physical Therapy Fund, \$50.00; National Loan Fund, \$10.00; Local Fannie Whitenack Libbey Scholarship Fund, \$100.00 (War Bond).

IRMA K. THURESSON

MT. PLEASANT

The Mt. Pleasant Alumnae Club has had an active year under the leadership of Mrs. Harold Hawkins (Helen Hobbs). In order to accommodate all of our thirty-seven club members, we held our monthly meetings in the evenings.

The alumnae club joined with the active chapter for the pledging ceremony, homecoming party, Christmas party, and Founders' Day. About sixty were present to observe Founders' Day, which was held at the home of Mrs. Warren Rogers (Helen Firebaugh). One feature of the evening program was the presentation of the certificate of 50-year membership to Mrs. Nina Hampton Crawford and Miss Olive Gass.

The alumnae club was hostess at the Panhellenic Tea, which was held at the home of Mrs. C. S. Rogers (Lillian Kendig), May 28.

Mrs. Ralph Eland (Edna Van Syoc) was in charge of the commencement breakfast served to the active chapter, alumnae club members and Pi Beta Phi Alumnae of Iowa Wesleyan College, May 29.

The club made \$21.20 commission on magazine subscriptions and has found the selling of the Pi Beta Phi Cook Book to be a successful project.

As contributions to national projects, we have sent \$15 to Settlement School and \$25 to the National War Fund.
PAULINE CARROLL SHEPP

SIoux CITY

Monthly evening meetings have been held throughout the year with a good attendance, under the leadership of Mrs. Wilfred Wilcox, our president.

The alumnae club gave a tea at the home of Mrs. W. E. Cody in the summer, to which Sioux City girls going to colleges with Pi Phi chapters were invited.

Contributions have been sent to the Loan Fund, Settlement School, Physiotherapy Fund and Holt House. The South Dakota Alpha Chapter and the Sioux City Alumnae Club observed Founders' Day with a luncheon in Sioux City.

During the year, as a club project, members have furnished cakes once a week for the U.S.O. All of the members have been personally active in war work.

The year's activities terminated with the installation of officers at the May meeting, Mrs. Helen Barr being our new president.

MYRNA DOBSON

ST. PAUL

We have held seven meetings this year in the homes of members. Dinner was served with a business session afterwards. We have 40 members. Instead of giving benefit bridges or sales to raise money, each member has paid 25 cents at each meeting. The Arrowcraft tea held at the home of Mrs. Paetzold was well attended with sales amounting to \$302.05. \$50 has been contributed to the Settlement School and \$10 to the Physiotherapy fund. Founders' Day banquet at the University Club had 149 attending from St. Paul and Minneapolis. Mrs. Donald Peterson (Betty Mullen) was toast-mistress. Officers were elected in May.

WILHELMINA MICHELET ADAM

IOTA PROVINCE

BOULDER

We feel that our meetings this year have been well-attended in the face of war time demands, and are glad to report that of a total of thirty-one active members we have had a regular attendance of more than twenty at each of our monthly dessert meetings. We have indulged in no money-making ventures during the year, relying entirely on dessert party assessments for our funds, but have been able to send our usual contributions to the Loan Fund and Settlement School, and have in addition provided a sum of \$10.00 toward the war project of physiotherapy training.

We have been happy to welcome many newcomers and visitors to our meetings this year, among them Miss Elizabeth Gamble, one time Grand President of Pi Beta Phi, and have had happy associations, particularly during rushing and initiation activities, with the members of the Colorado Alpha Chapter in Boulder. Although our program usually contains but nine meetings, we are planning to fill our what has been a particularly pleasant year with box-lunch supper meetings during the summer months.

JULIA C. SANDOR

CHEYENNE

The Cheyenne Alumnae Club of Pi Beta Phi held nine meetings this year, including an old-fashioned Cooky-shine, which took place at the home of one of the members who lives at Fort F. E. Warren, and the usual white elephant Christmas party.

There were forty-nine paid members of the club, and a number of army wives attended meetings during their residence in Cheyenne or Fort Warren.

During the past year, the Cheyenne Alumnae Club was in charge of the local USO canteen one Sunday afternoon each month. Contributions were made as follows: Settlement School, \$25.00; Holt House, \$5.00; Pi Beta Phi Loan Fund, \$5.00; War Endowment Fund, \$5.00; American Red Cross, \$15.00; Active Chapter, \$15.00. The alumnae club also assisted the active chapter at the University of Wyoming during rushing. In the spring, a rummage sale was held which netted the club \$95.00.

The year was successful in every way, and a great deal of interest in the club was shown by the members, in spite of the fact that all were busy with war work of various kinds.

LOUISE A. LEE

COLORADO SPRINGS

The Colorado Springs Alumnae Club suffered from the absence of several "war wives" which temporarily paralyzed

our small group. While we collected dues of \$2.50 each from 11 members, there were not more than 5 or 6 of those members in Colorado Springs at any one time. Consequently, we asked permission to keep our charter but remain on a semi-active status during this emergency period.

Contributions were made as follows: Settlement School, \$5.00; Holt House, \$2.00, War Project, \$10.00.

Officers are Allene McCully Brugger, president; Em Moore Dobbins, vice-president; Lucile Adams, secretary; Louise Brugger, treasurer.

Of interest was the election of Mrs. P. M. Dobbins (Em Moore, Kansas B) to the presidency of the local Panhellenic, which is a large and active social organization for alumnae and not the usual college or university Panhellenic. As this office rotates alphabetically it has been 15 or 16 years since it was filled by a Pi Phi.

LUCILE ADAMS

DENVER

The Denver Alumnae Club held nine meetings this year, which included a tea for the seniors in September, a Settlement School tea and highly successful sale of Settlement School goods in November, and a well attended Founders' Day luncheon. The programs of the other meetings consisted of movies of the Settlement School, a Christmas party with vocal music and readings, a constitution program, and a talk by a native of Germany, Bob Reuter, on the Re-education of Germany. At one meeting the active chapters, Colorado A and Colorado B, were honored and the ceremony for the installation of officers closed the year in May.

In order to raise funds, a lecture by Fulton Lewis, Jr., was sponsored in March. This extensive undertaking was very successful. The \$970 which was cleared will furnish funds for the coming year as well as for 1943-44. During the past year, \$5 was given by the Club to the Loan Fund, \$10 to Holt House, \$17.83 to the Needlework Guild, \$75 to Colorado Beta for rushing, \$200 to the Pi Beta Phi Defense Project and \$400 to the Settlement School.

On the whole, the meetings have been well attended although many members are devoting a great deal of time to Red Cross and other war work.

ALBERTA ILIFF

HUTCHINSON

We have held monthly meetings, with a Christmas luncheon for actives home for the holidays. Founders' Day was celebrated with a cooky-shine at the home of Barbara Carr Hettinger. A large number of Settlement School articles were sold through orders taken. We gave \$10 to the Settlement

School, \$1 to Holt House, \$21 to the Physio therapy fund. We have a paid membership of 24, we have had 12 meetings with an average attendance of 16.

BARBARA FARLEY AWBREY

KANSAS CITY, KANSAS

Aside from the monthly meetings the activities of the Kansas City, Kansas Club include giving a rush dinner in the fall, baking cookies for the ferry command stationed here, and holding a Wednesday evening bridge tournament for two months to raise money for the Settlement School. At the Founders' Day dinner in April, Marian Simmons spoke to the group about Holt House.

Our contributions for this year were \$15 to the Settlement School, \$2 to Holt House, \$3 to the Loan Fund, and \$5 toward a physiotherapy scholarship.

FLAVIA THAYS

LINCOLN

The Lincoln Alumnae Club has enjoyed a very successful and worthwhile year under the capable presidency of Miss Ruth Louise Dierks.

Due to war-time conditions, our usual dinner meetings were limited to dessert suppers. Seven meetings were held during the year. The first one, a buffet supper, was given at Mrs. John Ames' home where the twenty-five new pledges were honored.

Settlement School sales were held at the Chapter House along with the Alumnae Club Christmas party.

The Founders' Day celebration was combined with the initiation banquet.

Our Mothers' Club gave a tea at the chapter house, early in the fall, honoring the university faculty members. They also honored all active members and the recent graduates at a lovely buffet supper held at the home of Mrs. H. C. Mardis. Another of their many contributions this year was the annual rummage sale, where receipts amounting to \$100.00 bought housefurnishings and were presented to the chapter house.

Miss Amy B. Onken, our Grand President, highlighted Ivy Day for the Pi Phis this year. We were proud that we made such honors for our distinguished guest as: Janet Hemphill (Omaha) being presented as one of two May Queens. Because of equal scholastic and Campus activities, two girls were selected to reign over Ivy Day, which was the first time in Nebraska University history. We also had two girls in the Daisy Chain; won third in the Intersorority sing; and had one girl masked Mortar Board.

The final meeting of the year was a tea at the home of Mrs. Carl Junge. Guests included our four seniors, three graduates at the end of the summer term, chapter house mother, the active president, and our new Mortar Board. A corsage was presented to each of the guests.

We are also proud that many of our girls are participating in War Work such as Nurses' Aides, rolling bandages, and baking cookies for the local U.S.O.

HELEN RUTH AYERS WAGNER

MANHATTAN

The club opened the 1943-44 season in October with the usual cooky-shine at the Kansas Beta Chapter house following pledging. A November meeting was held at the home of Mrs. Cave, and was given to a review of the chapter members war work. The January meeting was held at Mrs. Seaton's home with a report from the House Committee. The February meeting was a luncheon for the initiates, and patronesses, followed by the cooky-shine. The March meeting was held at Mrs. Leonard's, and the following officers elected: president, Mrs. Cave; vice-president, Mrs. Otto; secretary-treasurer, Mrs. Rich; corresponding secretary, Mrs. Shuss. April brought Founders' Day, when this club had Miss Onken as their very special guest. June closes the alumnae club year with a picnic at the campus home of President and Mrs. Eisenhower. This meeting is used to discuss summer rushing, and complete any unfinished business.

Contributions for the year have been: Settlement School, \$100.00; Loan Fund, \$5.00; Holt House Fund, \$5.00; Physiotherapy Scholarship Fund, \$1.00 per member (\$27.00); and additional house gifts for rushing, initiation, etc.

EDITH PEAK

OMAHA

Two buffet suppers and four dessert meetings have been held this year by the Omaha Alumnae Club. The annual Christmas tea was given for active Pi Beta Phis, mothers, daughters, and other relatives. The club roster included 58 names.

The sale of Settlement School goods, under the chairman-

ship of Pearl Sears, was unusually large. Starting in September with a three-day display at a downtown department store, the sales continued during the year with a final grand total of more than \$800.

Homemade cakes and cookies were sent each month to the Service Men's Center at the Union Station, or the Red Cross canteen at the Omaha airport. Cash donations were also made to the milk fund of the Service Men's Center. During the war loan drives, booths in the stores were staffed on stated days by Pi Beta Phi alumnae, co-operating with members of other women's fraternities. The club purchased a \$50 war bond, subscribed \$40 to the Red Cross and \$15 to the Community Chest.

The Pi Beta Phi physiotherapy scholarship fund was given \$50, the Settlement School \$100, and Holt House \$5. A shower of canned goods was sent to Nebraska B chapter early in the year. Commissions from magazine subscriptions were about \$55.

The new president is Priscilla Monnich Swenson (Mrs. Harold).

HELEN CHRISTY MAY

PUEBLO

Our club has had four meetings this year instead of the usual six, as our members have been busy with war activities. We have 19 paid members. We have contributed \$15 to the Physio therapy Fund and \$10 to the Settlement School. Officers for the coming year were chosen at the Founders' Day meeting.

ETHEL L. MELIN

TOPEKA

We have alternated our meetings this year, some of them being at night in order to accommodate those members who work during the day. At our evening meetings we have worked on braiding a rug for the Settlement School. We have suggested to our local Panhellenic that some method be devised of notifying service wives in Topeka that they are welcome at the meetings of their respective alumnae clubs. Perhaps the local USO might have a sorority register, giving the name of a representative for each club, or notices might be posted on bulletin boards at camps. Any plan at all to provide the initial contact paves the way to a beneficial relationship for all concerned. Our group is small but we had a large turnout for Founders' Day. We have given \$15 to the Settlement School and \$1 to Holt House.

FRANCIS STROME

VERMILLION

The Vermillion Alumnae Club has had a very good year. We met every month, with an average attendance of ten. Our total membership is only twelve.

At the October meeting, the club voted to give \$5 to the Fund for Physical Therapy Scholarships.

At the December meeting, the club voted to give \$1.00 to Holt House. At this time also, a committee reported that they had bought a flower bowl and a pair of candlesticks as a Christmas gift from the club to the chapter house.

At the March meeting, the magazine chairman, Althea Konegni, reported that our commission from the sale of magazines was \$11.95. This amount goes to the Settlement School.

Our president this year was Alice Schull. She will continue as our president next year.

EVELYN E. RICHARDSON

WICHITA

During the year 1943-44, the Wichita Alumnae Club placed primary emphasis upon activities related to war work. Regular representation by the Club at bond booths and at the Canteen was supplemented by the work of individuals, and one of the members was honored by being selected as head of the new Dieticians' Aide Unit of the local Red Cross. The Club also contributed \$25 to the Physio-therapy fund sponsored by the fraternity, and \$10 to the Wichita Community Chest, and contributed gifts for the recreation rooms of the Veterans' Hospital.

The projects of the fraternity as a whole were also supported. Settlement School was remembered with a box of Christmas gifts and a \$5 contribution in addition to magazine subscription proceeds of approximately \$60. A contribution of \$5 was also sent to Holt House.

At the January meeting, the mothers of actives were guests and it was felt this was a particularly valuable contact. The annual celebration of Founders' Day was combined with the ceremony of installing club officers for the coming year. Seven monthly meetings were held during the year, with an average attendance of thirty.

GLADYS MADIGAN

KAPPA PROVINCE

AUSTIN

Founders' Day was celebrated with a banquet at the Austin Country Club, 127 active members and alumnae attending. The presence of our charming ARROW editor, Adèle Taylor Alford, added unusual interest to the occasion.

In order that we might have Mrs. Alford as guest, our last meeting of the alumnae club was held during her stay in Austin, with Mrs. Raymond Hill (Frankie Cochran) as hostess. On both occasions, Mrs. Alford made delightful talks that were both interesting and inspiring.

Contributions made during the year by Austin Alumnae Club included \$75.00 to the Physio-Therapy Scholarships fund, \$100.00 to the Settlement School, \$5.00 to Holt House; \$10.00 to Texas A. for rushing, and \$10.00 to Austin City Panhellenic for its Chalmers Court Day Nursery project.

The year's activities was opened with a tea for new pledges. We had a paid membership of 47; and although all Pi Phis are busy in war work, we held regular meetings and enjoyed a successful year.

MARY MOORE SEARIGHT

DALLAS

With the beginning of the new year the Dallas Alumnae Club started its work with new vigor. Our membership increased when new Pi Phis moved to Dallas with their husbands who are in the armed forces. Every meeting had an interesting program.

The Spring Benefit as omitted this year, but instead a letter was written by Mrs. Clarence Sale, and sent to each member asking for a donation toward the Settlement School. A very good response was received from the letter.

The Towle Silver Tea netted the Dallas Alumnae Club \$75.00. \$200.00 was sent the Settlement School, \$5.00 to the Holt House, \$5.00 to the Loan Fund, \$40.00 to Physiotherapy, \$25.90 was given in awards in the form of plaques to Texas B.

We had a very enjoyable visit from Mrs. T. N. Alford, ARROW Editor. The Founders' Day banquet was postponed until May 1 so Mrs. Alford could attend. One hundred and twenty-five braved a pouring rain to attend, and a very good time was had by all. A tea was given for Mrs. Alford the following day, at the home of Mrs. Webster Bishop. The Panhellenic representatives, the Dean of Women from Southern Methodist University, the active chapter, and pledges with their mothers were our guests.

Our new officers were elected in March, and installed at a very impressive ceremony in May. Our capable president, Mrs. Kenneth Peckenpaugh, will again be our leader next year, with an efficient executive board to assist her.

HELEN BERRY HAMM

FAYETTEVILLE

The Fayetteville Alumnae Club closed a successful year in May with a luncheon in the beautiful garden of Mrs. James K. Gregory. We entertained the Arkansas A. Pi Beta Phi, the Mothers Club, and many out of town mothers.

Arkansas A, Fayetteville alumnae, and the Mothers Club were delighted to have Adèle Taylor Alford, ARROW Editor, visit them. A reception was given in her honor at the chapter house of Arkansas A. The Mothers' Club entertained Mrs. Alford with a luncheon at the country home of Mrs. Herbert Thomas.

A reception for alumnae, mothers and fathers, university faculty, rushees, and friends was given in the fall by Arkansas A.

The club entertained with a luncheon for Mary McCullom Top, province president. We joined with Arkansas A to celebrate Founders' Day with a banquet at the Washington Hotel.

We have had two successful rummage sales. We contributed \$5.00 to Holt House, \$10.00 to Settlement School, \$5.00 to Loan Fund, and \$10.00 to Physiotherapy Scholarships. We purchased a \$50.00 war bond, and gave \$10.00 to the Red Cross. As individuals, we gave kits to soldiers. We presented a pair of exquisite candelabra to the Arkansas A chapter house.

LORRAINE WILLIAMS

FORT SMITH

Our regular meetings are held the first Monday evening in each month at the home of one of the members who is assisted by another member as co-hostess. A business session is followed by bridge and refreshments. We have made a special effort during the past year to contact visiting Pi Phis and invite them to our meetings.

Although our club has followed no specific program in war work during the year, individual members have been and are now very active in volunteer work in Red Cross, U.S.O., bond drives, etc. At Christmas time we made up a quota of gift packages and sent them out to convalescents in the hospital at nearby Camp Chaffee. We have also sent games, puzzles, and books to these patients each month.

A rummage sale netted us a little more than \$60.00, and we sold 30 cook books during the year.

We gave \$10.00 to the Physiotherapy fund, \$5.00 to Holt House, \$10.00 to Settlement School, and \$5.00 to Loan Fund. In addition, magazine commissions amounting to \$21.90 were realized for Settlement School.

We celebrated Founders' Day with a cooky-shine at the home of Mrs. McLoud Sicard (Tachy Harper, Louisiana A), with Mrs. Ralph Woodruff (Betty Tolson, Arkansas A) as co-hostess and general chairman of arrangements. Jennie Morton McCann, charter member of Arkansas A, who was in charge of the entertainment program after the delicious spread, conducted a very clever mind-reading stunt in which she as "Madame Mystic" blindfolded read questions about Pi Phi written by each one present. To save our lives we don't yet know how she did it but she read each question verbatim as they were held above her head and then called upon the author to make herself known and verify the question. She then answered these questions but called for additional information which brought much fun and informal discussion on things "Pi Phi."

Since Founders' Day came so near the time for our regular monthly meeting we voted to postpone the May meeting until June at which meeting officers for the year 1944-45 were elected. No regular meetings are to be held during the summer; however, plans are being perfected through committees for a rush party to be given in August.

MAUD BRYAN JEWETT

HOUSTON

Houston Alumnae Club of Pi Beta Phi had fifty-seven paid members, during 1943-1944. Five evening meetings were held in homes of members and Founders' Day was celebrated with a luncheon at the Junior League.

Adèle Taylor Alford, ARROW Editor, was a guest of the club at a Sunday night stopover in Houston.

Our contributions for the year were: Settlement School, \$200.00; Holt House, \$10.00; Physiotherapy, \$50.00. Vanilla sales amounted to \$25.00.

MARY TANCRED THOMPSON

LITTLE ROCK

The Little Rock Alumnae Club, under the able leadership of its president, Elizabeth Dunaway Hendry (Mrs. H. A.), enjoyed a most successful year. The most significant evidence of increased interest in the club was the payment of dues by 37 members, as compared with 16 who paid last year. Attendance at the monthly dinner meetings was excellent. Hostesses at these meetings were unfurried, for a competent cateress was in charge of serving the dinners.

The club re-inaugurated the annual tea for the display of Settlement School products, and as a result, more than \$200 worth of these articles were ordered. Another contribution to the Settlement School was through the \$21.50 in commissions earned by the club through the Magazine Agency.

Contributions by the club included \$10 to the Settlement School, \$5 to the Loan Fund, \$5 to the Physiotherapy Fund, and \$10 to the Red Cross.

Little Rock Alumnae Club is very proud of its three members who went into active duty at army camps as Nurse's Aides: Mary Ann Burr, Jean Walt, and Cora Lee Reed Earl (Mrs. Robert Jr.).

Under the presidency of Kathleen Williams Campbell (Mrs. Wm. Peyton) the Little Rock Alumnae Club looks forward to an equally successful year in 1944-45.

ELIZABETH PAISLEY HUCKABY

MUSKOGEE

The Muskogee Alumnae Club has enjoyed a successful year under the leadership of Mrs. Chester Cordell. Nine meetings were held during the year with an average attendance of 24. Social events for the year included three brides' showers, a Christmas cooky-shine, and a buffet supper, held in honor of Adèle Taylor Alford (Mrs. T. N.), ARROW Editor.

Contributions made by the club were: \$5 to Settlement School, \$10 to the Physiotherapy fund, \$5 to Holt House, \$1 to the loan fund, and \$10 to the active chapter. \$74 was obtained from magazine commissions, and \$30.70 from the sale of Arrowcraft products.

Our members have all been active in various forms of war work, although no particular activity has been sponsored by the club. \$10 was given to the Red Cross and two magazine subscriptions were donated to the recreation room at the Muskogee Army Air Base.

CHERRY WILCOXEN HOWARD

NEW ORLEANS

The New Orleans Alumnae Club had a rather quiet year. Because of the war, no benefit parties were held. However, \$25 was donated to the Settlement School, \$5 to the Loan Fund, and \$5 to Holt House. Four meetings were held throughout the year. These meetings were devoted to the required subjects, Rushing, scholarship, and internal organization were discussed at the meeting devoted to the active chapter. The last meeting was the Founders' Day banquet, which was held in a colorful old French restaurant in the heart of the Vieux Carré. A large alumnae group joined with Louisiana A in the celebration, the high light of which was an exhilarating talk by the honor guest, Mrs. Alford, which included some charming personality sketches of the Founders, and the appealing story of the restoration of Holt House.

JANE DART

OKMULGEE

Our club has only fifteen members but we have had an active and interesting year with visits from several former members. Monthly meetings have been held with good programs. We are proud of our three pledges at Oklahoma A and the one at Oklahoma B, all of whom have been outstanding in scholarship and college activities. We have given \$15 to the Settlement School, \$5 to the Loan Fund, and comfort kits to the Red Cross. Our individual members have been busy with war work at the Red Cross and the USO.

MARY FLESHMAN

PONCA CITY

We have had five meetings this year, the first one being a registration tea in October. A successful benefit bridge was given in December when we raised \$10 to give as our contribution to the Physical Therapy Fund. The February meeting was devoted to the Settlement School and Founders' Day was celebrated with a luncheon. The June meeting will include the active members of Oklahoma A and B who live in Ponca City. Our members are active in war work, in Red Cross, nutrition classes, in Nurses' Aide, USO, and The Loft, a project sponsored by local clubs for teen age children.

IVA ALLSPAUGH

SHREVEPORT

The Shreveport Alumnae Club reviewed activities for the past year during our final meeting which was held at the home of Mrs. Clarence Day, incoming president. We are, indeed, proud of an increased membership and a record of excellent attendance at all meetings. However, evening meetings have been inaugurated for the coming year in order that our girls holding "day-time" positions may be present.

Checks were forwarded to the Settlement School for twenty-five dollars; to the Loan Fund for five dollars; and to the Physiotherapy Fund for thirty-five dollars. The club also made contributions to the local chapter of the Red Cross and to the United War Chest.

Shreveport Pi Phis are vitally interested in the National Physiotherapy project inasmuch as the post-war benefits are so important, our group is most anxious to cooperate toward the furtherance of its work. Local newspapers have carried articles of explanation concerning available scholarships and much unsolicited praise for Pi Beta Phi's contribution in this field.

LAMBDA PROVINCE

BOISE

The members of Boise Alumnae Club assist in rushing throughout the summer as Panhellenic rules usually prevent giving one big party.

We did not work on a money making project this year as we felt we had enough to get through the year and many of the girls wanted to spend all their time on war work. However we were able to give contributions as follows: Settlement School, \$40.00; Physiotherapy Fund, \$25.00; Holt House, \$2.50; and a Christmas gift to the active chapter, \$5.00.

Founders' day was celebrated with a candle lighting cere-

The club is anticipating an active and successful year with sincere plans to represent the fraternity in all worthy activities.

ELEANOR W. HUGHES

STILLWATER

The Stillwater Alumnae Club held six meetings at homes of members this year. During the summer the Club gave a rush party and assisted the active chapter with another. Our Settlement School Chairman, Mrs. D. C. McIntosh, had the September meeting. Settlement School was donated \$10.00. An Arrowcraft Tea was held in November at the Pi Phi house. Arrowcraft Articles sold so rapidly that many re-orders were taken. Sales amounted to \$300.00 for the year. The club gave Oklahoma B a sterling silver compote for a Christmas present. The Constitution meeting was held at the home of Mrs. Thomas E. Berry. We met with our president, Miss Leah Schedler in March. It was a business meeting and election of officers.

Donations made during the year: Physiotherapy, \$10.00; Blood plasma, \$5.00; Holt House, \$5.00; Loan Fund, \$5.00. A very successful rummage sale was our best method of raising money.

Founders' Day was celebrated with a cooky-shine with Oklahoma B. They gave an impressive pledge ceremony and the beautiful candle-lighting ceremony for our Founders.

The visit of Mrs. T. N. Alford of the Grand Council and ARROW Editor was the high light of the year. The actives entertained with a dinner and invited the alumnae club. Mrs. Alford talked informally of the many things Pi Beta Phi is doing and the effort to keep the standards high during the war.

All alumnae club members are busy with war work of some kind and it has been a pleasant and successful year.

MYRTLE HURT HARBAUGH

TEXARKANA

At the November meeting many articles were sold from an exhibit of Settlement School goods with a profit of \$216.63. Founders' Day was celebrated at the home of Mrs. Henry Moore, Jr., when Mrs. Alford gave an interesting talk about our fraternity. Our club members have been active in war work at the Red Cross Canteen and surgical dressing rooms. Laura Jane Redding, one of our members, is serving with the Women's Army Corps. Since we have many nearby defense plants and a consequent increase in population, our club has welcomed many visiting Pi Phis.

KATHERINE STEEL KIZER

TULSA

The Tulsa Alumnae Club has enjoyed a successful year under the leadership of Mrs. F. C. Morton (Merdesse Trower, Oklahoma A), the retiring president. The club has a paid membership of eighty-one. A printed yearbook and a directory of members enables the members to keep in close contact with each other. There are two representatives to the local Panhellenic.

The annual Settlement School tea was given October 20 in the home of Mrs. A. N. Jochem (Grace Lee, Oklahoma A). The Arrowcraft sales amounted to over \$200.00. One of the loveliest parties of the year was the Christmas rush tea given in the home of Mrs. Dwight Skaggs (Dona Du-Beau, Illinois E), on December 29. The club also furnished 150 dozen cookies for the local U.S.O. for their use during the Christmas weekend.

Founders' Day was celebrated again this year with an informal buffet supper in the home of Mrs. A. N. Jochem. There were ninety-seven reservations for this party.

During the year \$50.00 was contributed to the National War Fund, \$5.00 to Holt House, \$5.00 to the Loan Fund and a \$50.00 War Bond was presented to our nearest chapter, Oklahoma B.

CLETA E. BERWALD

many after a "pot-luck" dinner. Meetings with "pot-luck" dinners, a business meeting and bridge, have proven very successful this year to get more girls to meetings.

NELLIE IRWIN MACGREGOR

BUTTE-ANACONDA

Our club has held monthly meetings in spite of a small membership. One reason for our determination to carry on is the wonderful, enthusiastic letters we receive from our province vice-president, Mrs. Louise Dobler. Anaconda is 26 miles from Butte, and we motored over to Anaconda for the September meeting as they could not come to us. Early in

the fall we assisted the active girls of Montana A entertain prospective students at a dinner at the Butte Country Club. At the Christmas party we voted to give to the Physiotherapy fund and in addition we have given to all the Pi Phi projects. Founders' Day was celebrated with a dinner at the Montana Hotel in Anaconda. We have recently sent a check to Montana A at Montana State College at Bozeman where eight girls from Butte are members. We plan a picnic for early summer in order to become better acquainted. We are proud of our Patricia Flynn, an outstanding member of Pi Phi, who graduated in May, not only with high honors but also with the distinction of being chosen on Women's Day as the speaker. Her home is in Anaconda.

EDITH Z. ROBERTS

CALGARY

The club year closed with a Founders' Day brunch at the Palliser Hotel with twenty-seven Pi Phis attending, including the actives home from college. The year has been characterized by much coming and going, the membership varying from 20 to 13. We have had eight meetings, one devoted to the Constitution and one to the Settlement School. We have given \$20 to the Physiotherapy Fund, \$1 to Holt House and \$1 to the Settlement School the amount derived from our magazine agency commissions. We have sewed for the Red Cross and have filled a ditty bag for the Navy League.

MARIAN SELLERS JOHNSON

CORVALLIS

Although our group is not as large now as it was a year or so ago, because many of the girls have moved to be with their husbands who are in various branches of the service, we had some interesting additions to our club when girls from other clubs have moved here to be with their husbands at Camp Adair near Corvallis.

We have had a profitable rummage sale this winter. Despite our reduction in ranks and the irritations of the point system, we continue to hold our enjoyable dinner meetings and make the best contributions we can to Pi Phi activities. We recently enjoyed giving the active chapter a gift as a sign of our appreciation for their earning the best grades on the campus for three terms in succession.

In addition to a Christmas gift of magazine subscriptions to the active chapter and a farewell gift to the housemother, Mrs. Mary Ward Drake, our contributions for the year follow:

Physiotherapy, \$5.00; Settlement School, \$5.00; Loan Fund, \$5.00; Holt House, \$3.00. Total \$18.00.

ALICE INGALLS WALLACE

EDMONTON

At our meetings since the beginning of the year, several of our members have given very informative talks on subjects which they are particularly interested in. Helen Henderson and Mary Sandin spoke on their respective hobbies, Interior Decorating, Metal Cutting, and Weaving. Elizabeth Brennan, in describing her recent visit to Settlement School, made us realize more than ever just what a worthy organization it is. Mrs. Baldwin, who is very interested in the American Women's Service Club, told us about the great work they are carrying on.

During January, the alumnae held several teas and breakfast parties for the actives and pledges.

MARION DUNK

EVERETT

The Everett Alumnae Club has enjoyed nine regular monthly meetings with an average attendance of six. Small as we are, we feel happy in our accomplishments this past year.

Our Settlement School sale was eagerly anticipated by our former customers who came and brought their friends with them to buy all the things we were able to get from the school.

For Founders' Day we had members from towns close by join us at the Yacht Club for dinner, and as always we missed Ruth Smith. She was with our group from its beginning, and we feel she belongs to us. We are looking forward to a visit with her in her new home before the year ends.

Our contributions this year include \$25 for Settlement School, \$5 for Holt House, \$1 for Loan Fund, \$15 for Physiotherapy Scholarships, and \$5 for Washington B—our active-chapter gift for the year.

LOUISE W. DOBLER

NANCY BLACK WALLACE (SALEM, OREGON)

Monthly meetings have been held at the homes of members with an average attendance of 25. At Christmas time

our president, Mrs. James T. Brand, opened her home to us for a lovely tea honoring the active Pi Phis and their mothers. In February we held our annual rummage sale from which we cleared a goodly amount. In April we enjoyed a delightful breakfast at the Paul B. Wallace home where we were shown relics which had belonged to one of our Founders, Nancy Black Wallace. Later a wreath was placed on her grave with a brief but impressive ceremony. We are happy that the group at Willmette has had its petition granted and is a Pi Phi chapter. We have given \$5 to the Settlement School, \$1 to Holt House, \$25 to the Physiotherapy Fund and other sums to the local charities and the Red Cross. We have also given financial assistance to the Beta Chi group in meeting installation expenses.

BERNYCE S. HUMPHREY

OLYMPIA

Our club has had eight meetings during the year with an average attendance of eight. There are fourteen Pi Phis in this vicinity and twelve of them belong to our group. We have donated \$2 to the Settlement School, \$2 to Holt House, and \$1 to the Loan Fund. We took in fifteen magazine subscriptions. Our gross take from Arrowcraft was \$33.50. Our main war activity has been making cartoon scrapbooks and favors for the convalescent soldiers at Fort Lewis, Washington. Several of us joined with the Inez Smith Soule club at Tacoma in observing Founders' Day. The year will end with a club picnic and the new officers will take over at the September meeting.

MARSALINE SMITH DRESSEL

PORTLAND, OREGON

The February meeting of the club was a card party at the home of Hazeltime Taylor with Valentine decorations. In March we held a successful rummage sale. Ruth Barrett Smith visited our club this spring. Founders' Day was celebrated with a breakfast at the Benson Hotel.

MRS. J. W. COPELAND

PULLMAN

Our club contributed \$25 to the Settlement School, \$5 to Holt House, \$5 to the Loan Fund and \$5 to the Physiotherapy fund.

HELEN NASH ZUGER

SEATTLE

Washington A has had a full year in spite of and including war work. In September the annual Southern Colonial Tea was given by the Pi Beta Phi Mothers' Club and the Seattle Alumnae Club. The proceeds went to the Washington A \$100.00 scholarship fund.

The Settlement School sale and guest tea was given in November. The proceeds of the Settlement School sale this year was about \$950.00. A gift of \$100.00 was sent to Settlement School.

In January the Washington A Birthday dinner was given by the Seattle Alumnae Club, the active Pi Beta Phi being in charge of the program. A luncheon was given in February with speakers on the history and constitution of Pi Beta Phi, and on scholarship. The Founders' Day Dinner was at the chapter house. The annual senior picnic took place in May at the home of Mrs. John Schroeder.

The Seattle Alumnae Club felt the National Physiotherapy program so important that each alumna was sent a letter for contribution. Including the \$15.66 given by the Mothers' Club the total contribution was \$143.00. A start of \$11.00 has been contributed for next year's Physiotherapy Drive. Jane Smith was the capable chairman of this project.

At the present the Seattle Alumnae Club has taken over the Service Women's Lounge in the Y.W.C.A. for two weeks. City Panhellenic furnished these quarters with the help of all women's fraternities on the campus. Refreshments are served and flowers provided; all women's fraternities taking a two week period.

A donation of \$10.00 was given to Red Cross and \$5.00 to Holt House. Dorothy Luker, magazine chairman, has netted about \$60.00 in commissions.

The Seattle Alumnae Club is very happy to have Hazel Ellis, Washington A, the president of Lambda Province.

SHIRLEY BUTLER

SPOKANE

Under the capable leadership of Mrs. Edna Axtill, the Spokane Alumnae Club closed a successful year with the May meeting. We have had five regular meetings, and, in addition, entertained the members of the active chapters at a Christmas luncheon, and held our Founders' Day Banquet in April.

We have contributed \$25 to the Settlement School, \$5 to the Loan Fund, \$5 to Holt House, and \$25 to the Physiotherapy Fund. We have subscribed \$5 to the Community Chest, \$10 to the Red Cross, and have purchased a War Bond. Our annual rummage sale and our Arrowcraft sale were both quite successful. An almanac, which many of the members helped to make, has been given to Baxter General Hospital through the Red Cross.

We have had many new faces with us at each meeting, and we all are eagerly anticipating the re-opening of activities in the fall.

AUDRENE GREGORY

WENATCHEE

The Wenatchee Alumnae Club has a membership of fifteen enthusiastic Pi Beta Phis. Eight meetings were held during the past year, all of which were very well attended. The club met the second Thursday of each month at the homes of the various members. At Christmas time a no-host party was held at the home of Virginia Cain, and Founders' Day was celebrated with a dinner at Elsie McFarland's home.

The Arrowcraft sale in the fall is always an important occasion for the group, because this merchandise is very popular in Wenatchee. This year an unusually large number of subscriptions was forwarded to the Pi Beta Phi Magazine Agency through the Wenatchee Alumnae Club. Several of our group are extremely active in the local chapter of the American Red Cross. The club contributed to the Settlement

School and to the Physiotherapy Fund.

We are all anticipating with pleasure the resumption of our monthly gatherings after the summer holiday.

ANNE MACLEISH FOSS

FANNIE WHITENACK LIBBEY ALUMNAE GROUP YAKIMA, WASHINGTON

Under the leadership of our able president Julia Kuehn, the Fannie Whitenack Libbey alumnae group has completed a successful year by having our regular monthly meetings and many of us doing Red Cross and War work.

We have given \$5.00 to the Physiotherapy Scholarship fund and \$5.00 for the Settlement School fund. We also contributed \$5.00 to the local Red Cross drive and plan to do more in the future. Our Settlement School chairman, Mae Rankin, has had a display of the Arrowcraft products at each of the meetings.

Our Founders' Day banquet was held on the 28th of April at the Y.W.C.A. and was attended by alumnae from Ellensburg, Yakima, Toppenish, and Wapato, about twenty-five in all. A special tribute was paid to our own local Pi Phi, Mildred Ley Goldsworthy.

In spite of the increased demands on the time and effort of club members the meetings have been well attended by both old and new members. There are several new members whose husbands are overseas.

BETTY WHITING MATSEN

MU PROVINCE

BERKELEY

The club calendar was telescoped this year to include business and social functions in four general meetings, each of which featured a special function. All, however, included general business meetings. Outstanding events were the Settlement School tea in the fall and the Initiation-Founders' Day banquet in the spring. Each year the club has given the initiation banquet for the active chapter, California B. This year the combination affair was lovelier than ever, most enthusiastic and inspiring. We have given \$100 to the Physiotherapy Fund, \$50 to the active chapter, and \$10 to the UC Panhellenic Fellowship Fund. Settlement School sales amounted to \$1948.10, \$1575.38 of which has been sent to the Settlement School.

BETTY DANIEL KRAEMER

FRESNO

The Fresno Club held four meetings during the year 1943-44 with an average attendance of 18. In October Mrs. Ben Walker entertained the club at a dessert luncheon where plans were made for the remaining meetings of the year. In January the president, Mrs. Harold Rhodes, was hostess at a dessert luncheon. Mrs. Carl Stanley entertained the members of the club at a tea in March and the annual Founders' Day luncheon was held April 29 at the Hotel Californian. Wine and blue flowers were used in profusion on the long table at which all the members present were seated. In the center was an arrow fashioned of gold roses. Officers for the forthcoming year were installed, tributes to the Founders and messages from the Grand Vice-President and former members of the Fresno Alumnae Club were read. Several new members, wives of officers stationed in the Fresno vicinity, attended the luncheon.

The Fresno Club contributed \$5 to the Settlement School, \$5 to the Physiotherapy Scholarship Fund, and \$5 to Holt House for the year 1943-44.

GLADYS R. FINCH

GLENDALE

Wartime brings problems to everyone, including club presidents. However Peggy Seyster McGregor, Arizona A, has succeeded in making the year most interesting and profitable for the Glendale Alumnae Club. Eight enthusiastic meetings have been held, with an average attendance of thirty-five. A policy of sharing both rides and ration coupons has solved transportation and food difficulties.

Grace Elliott Hunter, Iowa A, managed two very successful rummage sales which, with a benefit bridge tea, made it possible for the club to contribute generously to both our major national projects, the Settlement School, and the Physiotherapy scholarships. In addition, substantial sums were given to the Red Cross, the Glendale Auxiliary of the Children's Hospital, and the Glendale Service Wives' and Babies' Home. Paid members totaled about fifty percent above last year.

Mae Siefkin Shore, Kansas B, is the new president, which

guarantees that next year will be not only interesting and delightful, but different!

BLANCHE CHARLTON CURTIS

LONG BEACH

Our club has had an enjoyable year under the capable leadership of our president, Evelyn Waterman. Most of the meetings were preceded by dinners for which we charged enough to make a few dollars each time.

Several of our members are active in war work. The club is buying war bonds from small change we collect at each meeting. We already have one bond.

This year we contributed \$30.00 to Physiotherapy, \$5.00 to the Loan Fund, \$10.00 to Red Cross, \$5.00 to Holt House, \$20.00 to the Settlement School, and sold \$74.14 worth of Arrowcraft articles.

Founders' Day was celebrated at the lovely home of Leah Shirey where we honored our two I.C. members, Mary Miller Barnes, first editor of the ARROW, and Margaret Titus Ohmstead.

Our president for the coming year will be: Aileen Lovitt.
CALISTA THURSTON GODY

MARIN COUNTY

Marin Alumnae Club, Mu Province, has had many changes in membership since the war. The club now has eighteen members.

Recently welcomed were: Mrs. Franklin Smith (Laura Higbee) Louisiana A, Mrs. C. W. Brewer, (Florence Hammond) Utah A, and Mrs. James Matthews (Helen Louise Harger) Washington B. Husbands of Mrs. Brewer and Mrs. Matthews are stationed at Hamilton Field and Tiburon with the Army and Navy.

Each member of the alumnae club is busy with some kind of war work or defense work so the club, as a whole devotes its war activity to the physiotherapy by selling goods from the Settlement School and putting profits in the physiotherapy fund. The club, during the past few months, has purchased \$405 worth of material from Gatlinburg. \$30 was given to Sunny Hills Orphanage as the club's participation in the annual Grape Festival, and the club subscribed \$3 to Holt House.

Pi Phi wives of service men are welcomed into the club during their residence in Marin County.

Particularly lovely was the Founders' Day luncheon held at Happy Hill, Grand View, the attractive new home of Mrs. Peter Obninsky (Anne Bartholdi Donston) Idaho A. Mrs. George E. Davis (Barbara Mullom) Wisconsin A, gave a brief resume of the early philanthropies of the Pi Phi founders.

Nearly all the Pi Phis have a husband, son or daughter in the service. The retiring president, Mrs. Eugene Robinson (Serena Maddux) California B, busies herself with War, club and civic work while husband, only son and only daughter are in the service. Serena is the new vice president of the Marin branch of the American Association of University Women.

Mrs. Franklin Smith (Laura Higbee) Louisiana A, 1896,

invited the members to be guests at the home of her daughter, Mrs. R. M. Hill in Ross for the May 10 meeting for the study of the Constitution and History.

A picnic and barbecue closed the meetings for a brief summer recess.

MRS. ROY A. BROWN

PASADENA

The Pasadena Alumnae Club has had a very successful year. We have had alternating afternoon and evening meetings, and the programs have been outstanding. There has been an average attendance of forty, and our Founders' Day Cooky-Shine brought out sixty members. Because of transportation difficulties, we were not able to celebrate with the Glendale club as we had done in former years.

Our work with the Red Cross, the Visiting Nurse Association, and the South Pasadena Hospitality House has continued this year. Our magazine sales under the chairmanship of Ruth Dorn have increased so that we were third in the province. We contributed \$50 to the Settlement School, \$25 to the Physiotherapy Scholarship, a \$25 War Bond to the Cruiser S.S. Pasadena, \$16 to the Red Cross, \$5 to the War Chest, and \$5 to the Holt House. Our final meeting of the year was a barbecue supper at the home of Maude Prickett.

GEORGIA L. HILSDORF

PHOENIX

Our February meeting was held at the home of Mrs. C. J. Shivers. Betty Burkhardt Andrus gave an interesting report on the activities of the Settlement School. Plans were made for providing hostesses once a month for the USO snack bar. Mrs. Ernest Pafford was hostess at the March meeting when officers were elected. After the business meeting talks were given by two WAVES who outlined their work and told of the need for new recruits. Founders' Day was observed at the home of Mrs. Harold F. Vinson.

JENNIE D. SAVAGE

RENO

We have 80 resident alumnae and 40 paid members. We have had 12 meetings with an average attendance of 35. We have given \$10 to the Settlement School, have sold \$110 worth of Arrowcraft articles, and have given \$2.50 to the Loan Fund, \$2.50 to Holt House, \$10 to Red Cross, \$10 to the Physiotherapy Fund, \$150 to the active chapter, \$75 to summer rushing and over \$600 to redecorating the chapter house. At Christmas we gave the chapter a dining room rug which cost \$162. Our club has grown in membership this year because several former members have returned to Reno for the duration. We have organized a Red Cross Canteen unit to meet trains carrying service men across the continent. We have bought war bonds and have rolled bandages for the Red Cross. The Settlement School tea and sale was highly successful and the meeting given over to the Constitution was also largely attended. At our Founders' Day banquet Mrs. Hunt gave an interesting account of the early days of IC sorority. In May we had as our speaker a member of the State Welfare Department who spoke on "Emotional Maturity in Women." Two seniors from Nevada A have recently joined our group.

EVELYN S. HONTS

SACRAMENTO

The Sacramento Alumnae Club completed a very successful and worthwhile year with a meeting on June 1, 1944, which was devoted to a Fraternity examination and the installation of the new officers for 1944-45.

During the past year the Sacramento Club donated: \$10.00 to the Settlement School, \$30.00 to Physiotherapy, \$5.00 to Holt House. They grossed \$64.00 from magazine sales and \$139.25 from the sale of Settlement School material. We had twenty four paid members and had an average attendance at meetings of sixteen.

Our meetings, very informal, were always constructive as to fraternity information and spirit. Founders' Day was observed by a Cooky-Shine at the lounge furnished by the Zonta Club for commissioned officers from fields around Sacramento. Its success was greatly due to our president, Mary Allen Davis, Florida B, and Eleanor Merrick, Washington A, Chairman.

Whenever a month has five Saturdays our group takes charge of the U.S.O. Canteen. Every third Friday we have charge of making scrapbooks at a local department store. Everyone of our members is contributing in every way to the war effort. We plan to continue our canteen work and scrapbook contributions throughout the summer in order to keep in touch with one another and maintain that glorious

bond of Pi Beta Phi friendship which is so strong in our group.

ELEANOR HOLMES HALL

SAN DIEGO

We have had a pleasant and successful year under the leadership of our president, Maud Hartley. On November 13 we held an informal tea and sale of Settlement School goods. Our Founders' Day meeting was at the home of Aileen Johnson, when our new officers were installed. Zelva Moerer is our new president and we all wish her well in the coming year. We have given \$75 to the Settlement School, \$10 to Holt House, and \$71 to Physiotherapy. We have 31 paid members and have had six meetings with an average attendance of 20.

NELLIE SHUTTER PICKEREL

SAN FRANCISCO

The San Francisco Alumnae Club for a second year followed a streamlined program. At the first fall meeting plans were made to join with the California B Active Chapter and the Eastbay Alumnae group to furnish a recreation room for service people. The Navy took over the first proposed project, so the funds were used to equip a "Day Room" at the Army's Embarkation Depot in San Francisco. Individual members were active in one or more of the many Volunteer Services here.

Arrowcraft sales were excellent, considering the shortage of articles available.

The following contributions were made: to Settlement School, \$25.00; to Holt House, Loan Fund and Physiotherapy Fund \$10.00 each.

LOIS HESSON

SAN JOSE

The San Jose club has been able to hold regular monthly meetings this year by meeting at 5:30 for supper. This hour has enabled members to come from their work to the meeting without the extra trip home and the early adjournment made bus travelling easier.

Most of our members are doing some form of war work in addition to their regular jobs. The club gave their usual recognition pin to a member of Nevada A, \$30 to the Settlement School, \$5 to Holt House and \$15 to the Physiotherapy fund.

We sold \$400 worth of Arrowcraft products without our yearly one day sale at the Y.W.C.A. Our S. S. Chairman, Marion Stevens kept the goods on display at her home and sold all of it from there.

MARGARET BOWMAN

SAN MATEO

With a paid membership of 17 we have held 10 luncheon meetings with an average attendance of 10. At our meetings we sew for the Red Cross. Two days each month we donate and serve the food at the USO. Through the sale of social calendars we have contributed \$5 to the Settlement School, \$2 to Holt House, and \$10 to the Physiotherapy fund.

RUTH E. COLKETT

SANTA MONICA

We have had a gratifying year under the able leadership of Ethel Mac Farland. Our nine evening meetings have been well attended. Our members work in the Grey Ladies, the Red Cross, USO, as Visiting Nurses Aides and contribute to the Blood Plasma Bank. Founders' Day was observed with the Los Angeles Club. We gave \$50 to the Settlement School, \$5 to Holt House and \$100 to the Physiotherapy Fund. Two pledge pins were presented to the two outstanding pledges in the active chapter.

HELEN KUHN

TUCSON

Under the able leadership of its president, Adelle Blattner Tillinghast, the Tucson, Arizona Alumnae Club of forty-nine paid members has completed a successful year marked by an especially pleasant relationship with the active chapter. In addition to the usual Holt House and Loan Fund contributions \$16.37 was donated to the Settlement School. War activities included the making of surgical dressings and canteen service, especially noteworthy being the decorative work of Virginia Pollard Pistor in Tucson's lovely new Troops-in-Transit Lounge. The result of splendid cooperation between actives and alumnae was the White Elephant Sale, which netted \$66.65 for the Physical Therapy Scholarship Fund. Social meetings began with a coffee at the

chapter house. On this occasion a delightful program was presented by Arizona A. An informal meeting honoring Mu Province President Mrs. Manning and the pledges was held in November at the home of Adelle Blattner Tillinghast. Highlighting this were the open forum conducted by Mrs. Manning and the sale of Settlement School articles. A surprise "special treat," planned by the alumnae and held at the home of Margaret Neal Herndon, gave a thrill to the actives who placed Pi Beta Phi first in scholarship on the Arizona campus at the close of the fall semester. "School day" pictures and memory books made a memorable event of the fun meeting at Mabel Hill's home in March. Founders' Day was celebrated with a dessert at the chapter house, during which the traditional Arizona A Arrow Cake Ceremony was observed. The year closed with a buffet supper for the seniors at the home of Helen Geyer Murphey.

MARION HAYNES UPSHAW

LOS ANGELES

The Los Angeles Alumnae Club has had a very successful and enjoyable year under the capable leadership of its president, Ethel Moore. The Club had a paid membership of 146 and there was an average of 50 in attendance at all meetings. In October there was an evening meeting, in November a tea, and in December a Christmas party. The Constitution Day program in January was a dessert bridge, and in February a Valentine dinner was given. In April, a beautiful luncheon was given at the University Club honoring Founders' Day. There were 179 present. The active chapters,

California Γ and California Δ, and representatives from several of the adjacent alumnae clubs joined with the Los Angeles Club on that occasion. The installation of officers was held in May at the home of Netta Young. Mary Greer Scarborough, distinguished member of the club, gave "Book Reviews" in her most charming style. The June meeting was a buffet luncheon at the home of Ethel Copp, at which time the annual reports were read, and fine book reviews were given by Ruth Baker and Eileen Leigh. The Professional Group had two evening meetings other than the combined meetings with the Senior Group. The Junior Group held eight meetings. Their meetings were devoted to sewing for the A.W.V.S., and 12 complete layettes were made. They also met with the Senior Group on a number of occasions.

In December our Club contributed \$200 toward the Christmas party given for the veterans and soldiers in the hospital at Sawtelle. We gave \$15 to Holt House, \$25 each to the active chapters, California Γ and California Δ. In March, a benefit was given for Settlement School, and a net profit of \$300 was realized. The Arrowcraft representative, Ruth Postell, made a splendid record, having sold \$1,411 worth of merchandise. In June, a successful rummage sale was held to raise money for the \$400 Physiotherapy scholarship pledged by the club. The members of the Los Angeles Club have given of their time unstintingly to war work, and are represented in every department of the A.W.V.S.

The club extends a cordial invitation to any Pi Beta Phi who cares to join our Club to contact our new corresponding secretary, Katherine Beets, 207 El Camino Drive, Beverly Hills.

VIRGIE LEE MATTOON

Emptiness:

"Have you been down fraternity row?" One co-ed asked another on the day after the college term began. "Ye-es," was the answer, full of amazement and disappointment—"nothing but *girls!*"—Kappa Sigma *Caduceus*.

Michigan Will Not Ban Fraternities:

Persistent rumors that Michigan would ban postwar men's fraternities were given the lie by direct statement to contrary by Dean of Men Bursley. Administration wants certain changes and additions, however, such as house mothers.

ALUMNAE PERSONALS

NOTICE TO CANADIAN CHAPTERS

Canadian chapters make all checks for payments of initiation fees and contributions to all funds payable to the Assistant to the Grand President, Miss Isabel A. Clark, 196 Elm St., Winnipeg, Manitoba, Canada.

GENERAL INSTRUCTIONS

Chapter treasurers should see that the Financial Statements to Parents of Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes three weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to the Assistant to the Grand President.

The corresponding secretary should report to the Central Office changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

SEPTEMBER 10. Chapter president send letter to Province President. Chapter officers meet, read manuals, and prepare for college year.

SEPTEMBER 25. Chapter scholarship chairman send Scholarship Blank #1 to the National Scholarship Chairman, one copy to Province Scholarship Supervisor, and one copy to the Province President. Send a letter to the Province Scholarship Supervisor explaining plans for study and improvement of scholarship. Include forms A and B.
