Convention

Convention has come and gone, a wonderful gathering of six hundred women of the finest possible type, as always when the Pi Phis gather! It was a Convention of fair thinking, definite action, true democracy of spirit, and contributed many interesting and constructive measures for the government of the Fraternity, several of which were put in the hands of capable committees which will report at the next Convention. All legislation enacted appears in the Minutes of Convention, which are given in full in this issue, together with the reports of the several meetings of Grand Council of the past year—but only those in attendance at Convention can fill in those Minutes from their own memory of the always interesting discussion which accompanied the final action taken, discussion which was frank and intelligent. The social side of Convention is always saved for a full pictorial presentation in the December ARROW—here we need say only that the various affairs were unusually attractive in the setting of the New Ocean House, with blue skies, cool weather, and that wonderful beach to offer competition with more serious matters! Long to be remembered were the banquet, the reception on the opening day, the informal evening (late evening!) in the ballroom, when the Pioneer Promenaders from Colorado Beta danced their old time numbers in charming costumes, or fancy dress night, colorful and gay. Watch for the story of it all in December.

Province Officers' Meeting

In accordance with legislation proposed by the meetings of the province officers before Convention and adopted by Convention, a meeting of Grand Council with Province Presidents and Province Vice Presidents will be held next June at the Settlement School—affording to new officers a chance to know the work of the School, and to discuss chapter problems.

The meetings of chapter presidents with their province officers which have been so valuable during the war years, will be held next year, the time and place to be decided on by province officers after consultation with chapters.

New Grand Council

Convention action increased the membership of Grand Council from five to seven members. Here are the officers elected:

Grand President, Amy Burnham Onken, Illinois E
Grand Vice President, Marianne Reid Wild, Kansas A
Grand Secretary, Lucile Douglas Carson, Illinois A
Grand Treasurer, Lolita Snell Prouty, Colorado A
Director of Rushing and Pledge Supervision, Isabel Clark, Manitoba A
Director of Alumnae Extension, Marie Bacon Hagee, Missouri B
ARROW Editor, Adèle Taylor Alford, District of Columbia A

Of Appreciation

To the two retiring members of Grand Council go the most heart-felt thanks of the Fraternity: to Ruth Barrett Smith, for her splendid record of fourteen years of steadily-increasing

alumnae strength, which places Pi Beta Phi at the top of fraternity organizations in the maintenance of the interest of alumnae, and which has meant for her a self-less devotion to Pi Beta Phi work, with constant contact with Pi Phis everywhere; and to Lois Franklin Stoolman, for twenty-one years of efficient management of the financial affairs of Pi Beta Phi, management which is regarded as a model for others to follow, and which culminated in the announcement at Convention that the various funds of Pi Beta Phi have now passed the million dollar mark, with all funds definitely allotted to specific purposes, and with all investments carefully safeguarded.

Both members will be greatly missed, not only for their efficiency, but for their charm and loyalty which will be treasured by all Pi Phis who have been privileged to know them. The Fraternity is not losing their services entirely, as Mrs. Smith has undertaken the management of the remaining Physiotherapy funds, which Convention voted to give to a project for European children (the one chosen being Save the Children, Inc.), and Mrs. Stoolman is to become the new Chairman of Extension, to which she brings richness of knowledge of the college world, besides being voted Honorary Grand Treasurer by Convention.

→ → →

New Officer

Convention created a new national officer, Counsellor for Chapter House Corporations, and Grand Council was fortunate in having Lilian Beck Holton accept that appointment, which is really a continuation and enlargement of the work she was doing as Assistant to the Grand Treasurer, an office which no longer exists.

→ → →

To the Convention Committee

The Convention Committee, and their many assistants in the New England Region more than earned the gratitude of the Fraternity. Everything had been planned for comfort and pleasure of those attending Convention—only they know the months of hard work that the management of such a Convention meant! And best of all, they said they had a good time!

→ → →

If you missed this Convention, begin now to plan to come to the next one—if you came to this one, plan to come again!

We Had a Fire

The Editor's office was burned out August 15, as result of a fire set by a nine year old in a neighbor's garage behind the house. Among material destroyed was correspondence received up to August 15, including material intended for the December ARROW—and this includes some personality material, and some pictures of scholarship girls, which had been sent to the Editor, instead of to the National Scholarship chairman where they belonged. Will Pi Phis who had sent in such material please send copies to the Editor of the ARROW by October 15, if possible?

Also, material concerning the Amy B. Onken awards was destroyed—so will all National and Province A.B.O. Award winners send pictures and list of six top honors to the Editor, also by October 15—earlier if possible?

And remember, the Editor always wants to know what Pi Phis are doing, so continue to send her pictures and write-ups of Pi Phis who are accomplishing interesting things in the world.

Pi Beta Phi Fellowship

For the year 1947-48 the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1947.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Minutes of the Thirty-Fifth Biennial Convention

The New Ocean House, Swampscott, Massachusetts, June 23-29, 1946

THE Thirty-fifth Biennial Convention of Pi Beta Phi was formally opened by the Grand President, Amy Burnham Onken, in the Convention Hall of the New Ocean House, Swampscott, Massachusetts, on the evening of June 23, 1946. Frances Bethune Melby, D.C. A, gave a musical invocation, using a Norwegian version of "The Lord's Prayer." The Opening Ritual followed.

The Memorial Service, honoring the Founders of Pi Beta Phi and those members of the fraternity who have gone from us since the last Convention, was opened with the beautiful "Memorial Hymn" sung by a chorus of girls under the direction of Marilyn Weigner, Missouri A, who was the Convention Song Leader. As the chorus continued with "Speed Thee My Arrow" a young Pi Phi, dressed in silver blue and holding an armful of wine carnations, appeared in tableau.

The Grand President then introduced the official guest of Convention who was also the Convention Parliamentarian, Anna Robinson Nickerson, a former Grand Vice-President. All fraternity leaders present at Convention were introduced, including Grand Council, the Assistants to Grand Council members, Province Presidents and Vice-Presidents, the National Historian, the Chairman of the Holt House Committee, the Chairman of the Settlement School Committee and members of the committee present at Convention, the

Director of the Settlement School and members of her staff present at Convention, the Editor of the Convention Daily, chairmen and members of Standing Committees in attendance, the Convention Guide, her committee, and the local chairmen for Convention activities, the two Pi Phi Deans of Women who were to lead Convention discussions, and the pledge of Florida F who was to be a Convention initiate.

The traditional demonstration of the accomplishments of Pi Beta Phi active members and chapters included recognition of membership in Φ B K, Φ K Φ , Mortar Board, *Who's Who in American Colleges*, honor graduations, popularity and extracurricular honors, and leadership in Student Government. Chapters holding first place in scholarship for successive terms were honored, with highest tribute paid to North Carolina A's first place for nine consecutive terms. Other recognitions included mothers and daughters in attendance, members of the fraternity in active service in World War II, and those with the highest record of attendance at Conventions.

Grand Council honored as the pages for the opening session of Convention the two Balfour Cup chapters of the 1940 Convention—Ann Jordan, Arkansas A and Ann-janette Dodge, California A.

Following announcements by the Convention Guide, "The Anthem" was sung and the first session of Convention recessed.

SECOND SESSION, MONDAY, JUNE 24, 1946, 9:30 A.M.

THE SESSION was called to order by the Grand President. Following the singing of "Speed Thee My Arrow" the Opening Ritual was read. The invocation was given by the Grand Secretary.

The report of the Committee on Credentials was given. The Grand Secretary moved that Mary Top be seated as Theta Province President; that all national officers who compose the official personnel of Convention be seated; that all active chapters delegates whose credentials have been received be seated; and that these members of the fraternity be the official voting personnel of Convention. The Grand President introduced Marian J. Smith, the stenotypist for Convention, and Anna Robinson Nickerson, parliamentarian. Pages for this session were introduced—Eleanor Mosher, Massachusetts A, honored by the Grand President and, Carolyn Brady, Oregon F, honored by the Grand Vice-President.

Notes of greeting were read from Carrie Chapman Catt and from Grace Goodhue Coolidge, distinguished alumnae. Greetings were read from May L. Keller, President Emeritus; Harriet Johnstone, National Scholarship Chairman; Ruth Latimer Day, 1940 Convention Initiate; Martha Nutter Kimball; and from Z T A, X O, A Z A, and A F fraternities.

Following announcements, the Grand President read the official order of business for Convention. Convention committees were appointed as follows:

Committee on Chapter Exhibits: Gladys Scivally, Norman, Chairman; Virginia McMahan, Birmingham; Villars Cogann, Chicago South; Alice Mansfield, St. Louis; and Edith Bacon, Santa Monica.

Committee on Attendance: Lillian McNaught, Denver, Chairman; Ada Waugh, Los Angeles; Florence Bates, Lincoln; Mary Ann Tyler, Georgia A; and Mildred Rankin, Ohio B.

Committee on Resolutions: Charlotte Fox, Alpha West Province President, Chairman; Margaret Foster, Epsilon Province Vice-President; Kathleen MacLean, Nova Scotia A; Patricia Babbitt, Arizona A; and Kathleen Thompson, Wisconsin A.

The personnel of the Nominating Committee appointed at the last Convention was read and the committee instructed. Chairman of the committee was Mu Province Vice-President, Virginia Miller Tatem. Other members were Louise Dobler, Lambda Province Vice-President; and delegates from the chapters winning the Balfour Cup, the Stoolman Vase and the Philadelphia Cup at the 1940 Convention—Edith Gordon, Vermont A; Mary Catherine Overholt, Iowa F; and Ruth Hodgson, Kansas B.

The next order of business was reports of officers. The report of the Grand President was read, followed by extended applause. California A moved that the report be accepted and the motion was carried.

Kappa Province President moved that the report of the Grand Vice-President be deferred to the Alumnae Session. The motion was carried.

Lambda Province President moved that the report of the Grand Secretary be filed for printing in The ARROW. The motion was carried.

The report of the Grand Treasurer was given. Idaho A moved that the unofficial, interim report of the Grand Treasurer be accepted. The motion was carried.

Arizona A moved that the report of the Editor of The ARROW be filed for printing in The ARROW. The motion was carried.

South Dakota A moved that the report of the Assistant to the Grand President be filed for printing in The ARROW. The motion was carried.

Wisconsin A moved that the report of the Assistant to the Grand Treasurer be filed for printing in The ARROW. The motion was carried.

Delta Province Vice-President moved that the report of the Assistant to the Grand Vice-President be deferred to the Alumnae Session. The motion was carried.

Massachusetts B moved that the report of the National Historian be filed for printing in The ARROW. The motion was carried.

The report of the Director of Central Office was given. Colorado B moved that the report be accepted.

Alpha West Province Vice-President moved that the report of the Supervisor of Chapter Accounting be filed for publication. The motion was carried.

The report of the National Panhellenic Delegate was read. Texas B moved that the report be accepted. The motion was carried.

At the conclusion of this report the second session of Convention recessed.

THIRD SESSION, TUESDAY AFTERNOON, JUNE 25, 1946, 2:30 P.M.

THE THIRD session was called to order by the Grand President, who read greetings from Grace Post, 1940 Convention Guide; Dorothy McW. Young, Ohio A; Ethel Copp, former Settlement School Committee member; Eleanor Marsh Moody, former Alpha Province President; and from A X Ω, Θ T, Δ Z, and Σ A I fraternities.

Following announcements, Mary M. Frazier, the Director of Publicity and Chairman of Arts and Crafts of the Waltham U.S.O., presented the post-war work of the United Services Organization and urged continued support.

Announcement was made that the delegate from the Halifax Club had been appointed to take the place of the Hartford Club delegate who was unable to serve on the Nominating Committee of the Alumnae

Sessions.

Kappa Province President moved that Jean Marie Kerns, Oklahoma B visitor, be seated in place of the Oklahoma B delegate. The motion was carried.

Jeanne Soule, California A, was granted the privilege of the floor in order that she might read the statement of the Stanford Pi Beta Phi regarding the situation at the time of the withdrawal of fraternities from Stanford University.

It was announced that 589 fraternity members had paid the Convention registration fee to date.

The business session recessed at three o'clock for the discussion on "The Fraternity as a Character-Forming Agency," directed by Dean Conaway of Ohio State University. Separate workshops for alumnae and actives followed this discussion.

FOURTH SESSION, THURSDAY MORNING, JUNE 27, 1946, 9:30 A.M.

The session was called to order by the Grand President. Following announcements, greetings were read from Lois Snyder Finger, former Grand Secretary; Agnes Wright Spring, former Editor and Historian; Mary Moore, President of the Honolulu Alumnae Club; Dorothy Vale Durand, National Chairman of Music; from K K Γ, K A Θ, K Δ, B Σ O, Δ Δ Δ, and A Φ fraternities.

Pages for the session were Margaret Gesell, Minnesota A, honored by the Assistant to the Grand President, and Jane Kimmel, Indiana E, honored by the Assistant to the Grand Vice-President.

The Grand President announced that the beautiful orchid which she wore was the gift of Louise Leonard, A Γ Δ delegate to National Panhellenic Conference.

The Grand President read the statement by Mr. Lee, attorney for the fraternity, regarding the authority for action during the prolonged interim of Conventions.

"WHEREAS, Pi Beta Phi has not held any conventions since the year 1940; and

"WHEREAS, conventions since that date have been postponed at recurring intervals by votes of more than two-thirds of the active chapters each time, and

"WHEREAS, such postponements have been due to the recognition by this corporation of the requirements of the United States government with respect to the holding of conventions during wartime; and

"WHEREAS, since the date of the last convention in the year 1940 the affairs of the corporation have been administered by its officers and Grand Council; and

"WHEREAS, the votes of Grand Council taken at Council meetings during the period of time under consideration are reported in the Information Arrows;

"NOW, THEREFORE, BE IT RESOLVED BY the 1946 Convention of Pi Beta Phi that the postponement of conventions since the year 1940, and the actions of Grand Council as reported in the Information Arrows since the last Convention, and all incidental actions of the officers and Grand Council pertaining to such reported actions, are hereby approved."

Missouri B moved the adoption of the resolution. The motion was carried.

Consideration of the recommendations of Grand Council to Convention followed, in order—

That Article I, ORGANIZATION, be amended by inserting a new Section 6, CHARTERED ALUMNAE CLUBS to read: "Alumnae clubs may organize as

chartered alumnae clubs." North Dakota A moved that this amendment be adopted. The motion was carried.

That Article I, Section 6, be amended by inserting "and chartered alumnae clubs" between "chapters" and "of," so that the section will read: "The chapters and chartered alumnae clubs of this Fraternity shall be grouped into provinces which shall be designated by the Greek letters in alphabetical order." Kansas B moved that this amendment be adopted. The motion was carried.

That Article I, Section 8, be amended by striking out "July 1 and shall end on June 30" and inserting "August 1 and shall end on July 31," so that the section will read: "The fiscal year of this Fraternity shall begin on August 1 and shall end on July 31." Iowa Γ moved that this amendment be adopted. The motion was carried.

That Article I, be amended by striking out the present sections 9 to 15, inclusive. Maryland A moved that this amendment be adopted. The motion was carried.

That the Constitution be amended by inserting a new Article II, INSIGNIA, to read:

ARTICLE II, INSIGNIA

Section 1. BADGE. The badge of this Fraternity shall be a yellow gold arrow one inch in length, bearing the Π Β Φ transversely on its feather, with a loop chain of twelve links pendant from the shaft.

Section 2. PLEDGE PIN. The pledge pin of Pi Beta Phi shall be an arrow head of Roman gold mounted with the Greek letter Β in burnished gold.

Section 3. RECOGNITION PIN. The recognition pin of this Fraternity shall be a miniature of the badge.

Section 4. COAT OF ARMS. The coat of arms of this Fraternity shall have the following heraldic blazoning: on a Lozenge Gules, an eagle displayed charged on the breast with a sun in splendor, both proper thereon the word 'lux' of the first. In the dexter claw, a monogram of the letters I.C. and in the sinister claw, the badge of the Pi Beta Phi Fraternity.

Section 5. GRAND COUNCIL GUARD. The distinguishing badge of the Grand Council of this Fraternity shall be a guard pin adapted from the coat of arms with a small diamond displacing the word 'lux' and with the Lozenge Gules omitted.

Section 6. PROVINCE PRESIDENT GUARD. The

distinguishing badge of the Province President of this Fraternity shall be a guard pin adapted from the coat of arms being the upper half of the eagle with the letters 'P.P.' at the base.

Section 7. PROVINCE VICE-PRESIDENT GUARD. The distinguishing badge of the Province Vice-President of this Fraternity shall be a guard pin adapted from the coat of arms, being the upper half of the eagle with the letters 'P.V.P.' at the base.

Section 8. MOTHER PIN. The distinguishing badge of a mother or patroness shall be a miniature Roman gold arrow head mounted with the Greek letter Π B Φ in burnished gold.

Section 9. BROTHER PIN. The distinguishing badge of a Pi Beta Phi brother, father, fiancé, or husband shall be a monogram of the Greek letters Π B Φ . D.C. A moved that the amendment be adopted. The motion was carried.

That Article V, Section 2, ELECTION TO MEMBERSHIP, be amended by inserting between "points" and "listed" the words "which are" so that the sentence would read: "Before any person may be elected to membership, the active chapter concerned must have in its files data covering the following points, which are listed on the official recommendation blank, signed by the person recommending." Wyoming A moved that this amendment be adopted. The motion was carried.

That Article V, Section 6, be amended by striking out "a" and inserting a new "a" to read:

a. "Active Membership."

The college students initiated or officially transferred into active chapters of Pi Beta Phi shall constitute the active membership of the Fraternity.

1. Every undergraduate student, attending the college at which she was initiated or one with whose active chapter she has been affiliated through official transfer, must be active.

2. A graduate student shall have the option in her own chapter of being active or of becoming inactive.

3. Any other member of Pi Beta Phi may be allowed privileges of active membership in an active chapter upon a two-thirds vote of the chapter concerned, provided that she pays all local dues and meets all other fraternity and chapter obligations of active membership." Ohio B moved that this amendment be adopted. The motion was carried.

That Article V, Section 8, be amended by inserting before "A" the words "Grand Council or" so that the section would read: "Grand Council or a chapter may place on probation, pending action on dismissal or the breaking of a pledge, a girl who has jeopardized her affiliation with the Fraternity by acts inimical to the best interests of Pi Beta Phi." Oklahoma A moved that this amendment be adopted. Maryland A moved that the recommendation be amended by inserting the words "in conjunction with the chapter concerned," between "Grand Council" and "may." The motion to amend the recommendation was lost. The original recommendation was adopted.

That Article V, Section 8, be amended by adding: "Grand Council may place on probation, pending action on the withdrawal of its charter, a chapter which has jeopardized its right to a place in the fraternity." Illinois B-Δ moved that the amendment be adopted. The motion was carried.

That Article VI, Section 8, be amended by striking

out CERTIFICATE OF ELECTION OF DIRECTORS, since this is no longer a requirement of the State of Illinois. Indiana A moved that this amendment be adopted. The motion was carried.

That Article II, be amended by inserting a new Section 3, LIMITATION UPON VOTING PERSONNEL, to read: "At least three-fifths of the voting personnel of any Convention shall consist of the delegates from the active chapters." Connecticut A moved that the amendment be adopted. The motion was carried.

That Statutes II, be amended by adding a new Section 5, DELEGATES-AT-LARGE to read: "Each province shall have one delegate-at-large to Convention.

a. This delegate shall be elected from the official alumnae delegates to the Alumnae Session from the province concerned, present at Convention.

b. The election shall be held by the official alumnae delegates to the Alumnae Session from the province concerned, present at Convention, at least one hour before the opening of the first regular business session of Convention.

c. The election shall be presided over by the province vice-president of the province concerned. Eta Province President moved that the amendment be adopted. Following discussion, the Chairman of the Settlement School Committee moved that a substitute recommendation be adopted, to read: "There shall be alumnae delegates-at-large, the number of these to be dependent upon the provision in the Constitution, Article II, Section 3, and shall not exceed one delegate-at-large from each province. These delegates shall be elected from the official alumnae delegates to the Alumnae Session, present at Convention, at least one hour before the opening of the first regular business session. The method of procedure for such elections shall be dependent upon the number to be so elected and shall be decided in advance of Convention by the Province Vice-Presidents." Much discussion followed, ended by the motion of Massachusetts B, calling for the previous question. This motion was carried and the substitute recommendation was before the house. The motion to consider the substitute recommendation instead of the original recommendation made by Grand Council was carried. Kappa Province President then moved that action on the proposed amendment be postponed until the Friday afternoon business session, to allow time for more careful consideration of it. Wisconsin A called for the previous question. The motion was carried. Consideration of Kappa Province President's motion to postpone action until Friday afternoon resulted in a vote against postponement. After further discussion, California I moved the previous question and the motion was carried. The Grand President called for the vote on the substitute recommendation, made by the Chairman of the Settlement School Committee. The amendment was defeated and the motion was lost.

Virginia A moved that the fraternity nationally establish the Order of the Golden Arrow, instituted by Iowa B for its own alumnae, to give recognition to all Pi Beta Phis of fifty or more years of membership. The chair recognized the delegate from the Indianola Alumnae Club, who spoke for the adoption of the recommendation. The motion was carried.

The fourth session of Convention was then recessed.

FIFTH SESSION, FRIDAY AFTERNOON, JUNE 28, 1946, 2:30 P.M.

THE fifth session of Convention was called to order by the Grand President. Following announcements, the pages for the session were introduced—Jean Hillberg, Wisconsin I, honored by the Editor of the ARROW, and Joan Galbreath, Ohio A, honored by the Grand Secretary.

Convention continued its consideration of the Recommendations of Grand Council.

That Article II, Section 3, c, be amended by striking out and review the work of so that it will read: "Receive reports from all national and province officers and standing committees." Missouri moved that this amendment be adopted. The motion was carried.

That Article II, Section 3, be amended by inserting a new "a" to read: "The accredited delegate of a chartered alumnae club shall be a voting representative of her club in the Alumnae Session of Convention and shall be allowed the privilege of the floor at the regular sessions of Convention." Indiana I moved that this amendment be adopted. The motion was carried.

The next recommendation on the printed agenda was contingent upon favorable action upon the recommendation regarding the election of delegates-at-large. The recommendation that delegates-at-large be elected was lost by previous Convention action, so the recommendation to change Article II, Section 5, was not in order.

That Article II, Section 7, POSTPONEMENT OF CONVENTION, be amended by striking out "beginning with the year 1938." North Dakota A moved that the amendment be adopted. The motion was carried.

That Article III, B, Section 3, RESTRICTIONS UPON CHAPTER OFFICERS, be amended by striking out "during the entire immediately preceding year" and inserting "for the entire calendar year immediately preceding the date on which the election is held" so that the first sentence of the section will read: "To be eligible for election to any chapter office, a member must have a college scholarship record free from condition or failure for the entire calendar year immediately preceding the date on which the election is held." Manitoba A moved that this amendment be adopted. The motion was carried.

That Article IV be amended by striking out Section 1, and inserting a new Section 1, METHOD OF ESTABLISHING A CHAPTER, to read:

"METHOD OF ESTABLISHING A CHAPTER. A chapter of II B Φ may be established through the granting of a charter to an already established group meeting the Fraternity's requirements or to a group to be established through colonization.

a. Upon recommendation of the Committee on extension.

b. Present 'b'.

c. Present 'c'.

Iowa B moved that the amendment be adopted. The motion was carried.

That Article V, Section 1, a, 4, be amended by striking out "and" and inserting "or in the event that she cannot be reached, by" so that the clause would read: "refusal to grant such consent being subject to overruling by the Grand President, or in the event that she cannot be reached, by the Province President." Iowa A moved that the amendment be adopted. The motion was carried.

That the Constitution be amended by adding a new Article IV, NATIONAL STANDING COMMIT-

TEES, in which provision shall be made for the Board of Trustee Funds and for all Standing Committees and special committees whose duties shall be or have been defined by law, exact wordings to be formulated by the proposed Committee on Constitution. Pennsylvania B moved that the amendment be adopted. The motion was carried.

That Statutes IV be amended by inserting a new Section 34, REGULATIONS GOVERNING THE CHAPTER EXECUTIVE COUNCIL, to read:

"a. The chapter president shall be a member of the Executive Council by virtue of her office and shall serve on the Council for her entire term of office as president.

b. Election of other members shall be by vote of the chapter.

c. Each member elected as a representative of her class shall serve for the full regular term unless the chapter, wishing to give executive council experience to more members of the class, decides by a three-fourths vote to set up a shorter term of office for the class representatives. This shorter term must be for at least six weeks.

d. Other members must serve for the full term."

Maryland B moved that this amendment be adopted. The motion was carried.

That \$50,000 be transferred from the Contingent Fund to a Fund to be called the Emma Harper Turner Memorial Fund, the principal of which shall be available for chapter house building loans, the interest to be available for assistance to needy members of the Fraternity. The Fund shall be administered by a committee of three, details to be formulated and the plans to be submitted to Convention. Connecticut A moved that this recommendation be adopted. The motion was carried.

The recommendation on the printed agenda that a plan for new titles for the offices now named Assistant to the Grand President, Assistant to the Grand Vice-President, and Assistant to the Grand Treasurer was not considered at this point because of a later recommendation, prepared by Grand Council at the annual meeting, which became a substitute recommendation.

That Extension procedure be changed to allow for inspection of petitioning groups by a representative from each active chapter in the province concerned; rather than by a representative from each of the nearest two chapters. Vermont A moved that this recommendation be adopted. The motion was carried.

That in the years between Conventions, the Workshops for Province Presidents and chapter presidents be continued, with the expenses for railroad and Pullman fares and hotel bills for the period of the Workshop paid from the Convention Fund; attendance at Workshops to be limited to chapter presidents and/or pledge supervisors. North Dakota A moved that this recommendation be adopted. The motion was carried.

That Article IV, Section 4, b, be amended by striking out "ten" and inserting "fifteen." Indiana A moved that this amendment be adopted. The motion was carried.

That Article VI, Section 5, a, be amended by adding: "For probation or any form of dismissal." North Carolina A moved that this amendment be adopted. The motion was carried.

The Grand President continued with consideration of the Recommendations of Grand Council, prepared

at the annual meeting preceding Convention, printed on a second sheet, and distributed to the Convention personnel at the first session.

That Article III, A, Section 1, be amended by striking out "Each biennial Convention shall elect a Grand President, a Grand Vice-President, a Grand Secretary, a Grand Treasurer, and an Editor of the ARROW; the election of the Grand Vice-President to be made by the Alumnae Session of the Convention." and inserting, "Each biennial Convention shall elect a Grand President, a Grand Vice-President, a Grand Secretary, a Grand Treasurer, a Director of Rushing and Pledge Training, a Director of Alumnae Extension, and an Editor of the ARROW: the election of the Grand Vice-President and the Director of Alumnae Extension to be made by the Alumnae Session of the Convention." Lambda Province President moved that this amendment be adopted. The motion was carried.

That Article III, A, be amended by inserting a new Section 2.

DIRECTOR OF RUSHING AND PLEDGE TRAINING

Convention shall elect a Director of Rushing and Pledge Training whose duties shall be established by law.

North Carolina B moved that this amendment be adopted. The motion was carried.

That Article III, A, be amended by inserting a new Section 3.

DIRECTOR OF ALUMNAE EXTENSION

The Alumnae Session of the Convention shall elect the Director of Alumnae Extension whose duties shall be established by law.

Ohio B moved that this amendment be adopted. The motion was carried.

That Article III, A, be amended by striking out Sections 6, 7, and 8. Colorado B moved that this amendment be adopted. The motion was carried.

That Article II, Section 1, be amended by striking out b, c, and d. Idaho A moved that this amendment be adopted. The motion was carried.

That Article II, Section 2, be amended by striking out b, c, and d. This amendment concerned the alumnae department and was left for action by the Alumnae Session of the Convention.

That Statutes III, A, be amended by inserting Section 7.

DUTIES OF DIRECTOR OF RUSHING AND PLEDGE TRAINING

The duties of the Director of Rushing and Pledge Training shall be—

- To assist the Grand President as she may direct.
 - To have supervision of Pledge Supervisors and Rush Captains.
 - To make an accurate survey of pledges and initiates through May 15 of each year.
 - To make special surveys or compile special data at the request of the Grand President.
 - To be available for help at Province Presidents' meetings before and after Convention.
 - In the interim of Conventions to submit to the Grand Council for publication in the Information Number of the ARROW an annual report of work done.
 - To make to Convention a report of work done.
- Virginia A moved that this amendment be adopted. The motion was carried.

That Statutes III, A, be amended by inserting Section 8.

DUTIES OF THE DIRECTOR OF ALUMNAE EXTENSION

The duties of the Director of Alumnae Extension shall be—

- To assist the Grand Vice-President as she may direct.
- To act as secretary of the Alumnae Sessions of Convention and to act as Chairman of the Committee on Credentials for the alumnae delegates.
- To direct and follow up the work of Province Vice-Presidents in organizing new clubs.
- To have special supervision over new clubs and Mothers' Clubs.
- In the interim of Conventions to submit an annual report for publication in the Information Number of the ARROW.
- To make to Convention a detailed report of work done.

Ohio E moved that subsequent to and contingent upon action taken by the Alumnae Session of the Convention, to create the office of DIRECTOR OF ALUMNAE EXTENSION, this amendment be adopted. The motion was carried.

That Statutes III, A, be amended by striking out Section 10. Minnesota A moved that this amendment be adopted. The motion was carried.

That Statutes II, A, Section 6, i, be amended by inserting between "over" and "the" the words "the Supervisors of Chapter Accounting and," so that it would read: "To act as an ex-officio member of all Standing Committees whose duties include the handling of fraternity funds, with special supervision over the Supervisors of Chapter Accounting and the Standing Committee on Loan Fund. Georgia A moved that this amendment be adopted. The motion was carried.

That Article III, A, be amended by inserting Section 6.

COUNSELOR TO CHAPTER HOUSE CORPORATIONS

The Grand President shall appoint a Counselor to Chapter House Corporations whose duties shall be established by law.

Washington A moved that this amendment be adopted. The motion was carried.

That Statutes III, A, be amended by inserting Section 10.

DUTIES OF THE COUNSELOR TO CHAPTER HOUSE CORPORATIONS

The duties of the Counselor to Chapter House Corporations shall be—

- To have supervision over Chapter House Corporations.
- To receive annual financial reports of all Chapter House Corporations.
- To advise and approve financing and building plans for any remodeling and/or chapter house building.
- To enforce all fraternity building requirements.
- To make personal inspection of sites and building plans if and when deemed necessary by Grand Council.

Manitoba A moved that this amendment be adopted. The motion carried.

That this Convention determine what shall be done with the balance left in the Physiotherapy Fund. Massachusetts A moved that this recommendation

be adopted. The Grand President stated that Grand Council had secured some information regarding projects which seemed to be in keeping with the original purpose of the fund. A discussion followed, during which the Assistant to the Grand Treasurer reviewed briefly those projects which had been brought to the attention of Grand Council. Lambda Province President moved that the recommendation be amended by striking out "this Convention" and inserting "Grand Council." When full discussion ended the Grand President called for the vote on the amendment which was favorable. The Grand President then called for the vote on the recommendation as amended. The motion was carried.

Maryland A moved that Convention authorize the printing of the Constitution and Statutes of the Fraternity as soon as possible after a committee appointed by the incoming Grand Council has provided for the form and arrangement of the Constitution and Statutes in accordance with currently correct parliamentary practice. The motion was carried.

That Grand Council be further authorized to approve changes in arrangement which may involve transferring sections from the Constitution to the Statutes or to Standing Rules. Massachusetts B moved that this recommendation be adopted. The motion was carried.

That the Constitution Article II be amended by adding Section 9.

NATIONAL EMERGENCY CONVENTION

In the event that a state of war or a declared national emergency should make it impossible to hold a regular Convention within the constitutionally provided for three-year interim Grand Council shall have the authority to call a streamlined Convention whose total personnel will come within the requirements which might be set up by the government and whose actions shall be as binding as those of a regular Convention. Missouri F moved that this amendment be adopted. The motion was carried.

That Pi Beta Phi set aside as "Carrie Chapman Catt Day" January 9, Mrs. Catt's birthday, in special recognition of the example she has set the fraternity in her deep, life-long loyalty to her own chapter, Iowa F; on that day each fraternity alumnae to honor this member of Pi Beta Phi, recognized as one of the ten greatest women of the world, by remembering her own chapter to which she owes her privilege of membership; and each active member, by wearing narrow wine and blue ribbons under her badge. Kansas A moved that this recommendation be adopted. Question about the wording of the recommendation resulted in its withdrawal. Iowa G, Mrs. Catt's chapter, proposed the substitute motion, that Pi Beta Phi set aside as "Chapter Loyalty Day," January 9, the birthday of Carrie Chapman Catt, in special recognition of the example she has set the fraternity in her deep, life-long loyalty to her own chapter, Iowa F; on that day each fraternity alumnae to honor this member of Phi Beta Phi, recognized as one of the ten greatest women of the world, by remembering her own chapter to which she owes her privilege of membership; and each active member, by wearing narrow wine and blue ribbons under her badge. The substitute recommendation was carried.

The next order of business was consideration of the Recommendations made by the Province Presidents:

That a committee be appointed to study the duties of the fraternity officers before the revising of the format of the Constitution, to eliminate the over-lap-

ping of responsibilities and to enact the necessary changes. Missouri A moved that this recommendation be adopted. The motion was carried.

That for the next interim of Conventions the Province Presidents meet with Grand Council at the time of its annual meeting for a period of not less than four days. Alabama A moved that this recommendation be adopted. The motion was carried.

That the office of Province Supervisor of Scholarship be eliminated, the duties and responsibilities to be turned over to the Province President.

(1) The present scholarship forms to be reviewed and revised by the National Chairman, working with the Grand Council revision committee.

(2) Additional duties of the National Chairman to be to collect suggestions on scholarship improvement, to be sent annually to the Province Presidents and the chapter scholarship chairmen.

Florida F moved that this recommendation be adopted. The motion was carried.

That, if a girl has consistently failed for one year in scholarship and makes her grades and is to be re-pledged, the Advisory Committee shall pass on each girl by a four-fifths vote. Texas A moved that this recommendation be adopted. Pennsylvania B moved that the recommendation be amended by inserting between "that" and "if" the words, "effective with the pledge group for the college year of 1946-47." The motion to amend was carried. The motion that the recommendation be adopted was carried as amended.

That the Corresponding Secretary procure, at the beginning of each college semester, a list of all actives and pledges and their parents' or guardians' names and addresses, the record to be in the hands of the chaperon and a copy to be kept in the archives. Illinois E moved that the recommendation be adopted. The motion was carried.

That notations of all special dispensations be attached to the chapter By-Laws, with their dates and letters of permission filed, so that visiting officers may see them. Indiana E moved that the recommendation be adopted. The motion was carried.

That the active fraternity examination be discontinued, except for the essay question to be given once a year; the answers to which essay question to be analyzed by the Province Supervisor and sent to the Province Presidents in a condensed form. Kentucky A moved that this recommendation be adopted. The motion was carried.

That a person or committee organize suggestions for programs and Pi Phi Nights; these to include the already required programs and fraternity study; this material to reach the active chapters early in the college year. Ohio E moved that the recommendation be adopted. Lambda Province President moved that action on this motion be postponed, to allow the Province Presidents opportunity to re-word it. The motion was carried.

That Pi Beta Phi assume leadership in developing a new method for selection of membership and give wholehearted support to the National Panhellenic Conference Committee, appointed to study this problem.

(1) That Grand Council appoint a committee from Pi Beta Phi to make an independent study, cooperating with the National Panhellenic Conference committee.

(2) That the report of this committee be made to the next Convention.

Eta Province President moved that this recom-

mendation be adopted. The motion was carried.

That chapter house fire drills and inspection of fire equipment be required at the beginning of each term. Montana Alpha moved that this recommendation be adopted. The motion was carried.

That there be no smoking by any member or pledge while attending either active or pledge meeting, or any fraternity ritual or ceremony; house smoking restrictions to be set up by each chapter, in which rules of the college with regard to smoking must be observed. Alberta A moved that this recommendation be adopted. Mu Province President moved that the recommendation be amended by inserting between "ceremony" and "house" the words, "or in any sleeping quarters," so that the recommendation would read, "That there shall be no smoking by any member or pledge while attending either active or pledge meetings, or any fraternity ritual or ceremony, or in any sleeping quarters." California I moved the previous question. The motion to amend was lost. The original recommendation was carried.

That Article V, Section 3, e, be amended by striking out Section 1. Arizona A moved that this recommendation be adopted. The motion was carried.

That Statutes V, Section 15, c, be amended by striking out "c" and inserting a new "c" to read, "The pledge of any girl who leaves her own college to enter another is not transferred to the new campus, and her pledge to the original chapter expires. She is eligible to be rushed on the new campus but is eligible to be bid and pledged to Pi Beta Phi only, until the full calendar year of her original pledge has expired." Illinois B-Δ moved that this recommendation be adopted. The motion was carried.

The next order of business was Recommendations from Reports. The report of the Grand President

contained the recommendation that the fraternity grant a charter to Π Φ Α, the petitioning group at the University of New Mexico. The Editor of The ARROW introduced the discussion with pertinent comment regarding general policy of extension in all fraternities as one measure to offset growing criticism, arising because of the limited openings for girls who desire fraternity membership and are disappointed in being denied it. Mary Top, special advisor for the petitioning group, presented their cause in detail. Comments were heard from Colorado B, Arizona A, and M Province President, who had made the constitutionally required inspection. All were favorable. Theta Province President moved the adoption of the recommendation that Π Φ Α be granted a charter. Tellers appointed by the Grand President were Arizona A, Oklahoma B, and Colorado B. The Grand President announced the report of the tellers, stating that the vote was unanimous.

Montana A moved that an extra session of Convention be called immediately after the close of the Alumnae Session which was to follow the Banquet. California I offered a substitute motion, accepted by Montana A, that a gathering of chapter delegates for the purpose of informal discussion be called, following the Banquet. When the substitute motion was lost, Montana A returned to the original motion. After further discussion, the motion to call an extra session was lost. Illinois B-Δ then moved that the regular Saturday morning session convene at eight o'clock.

The President of the New York Alumnae Club asked for the privilege of the floor to make an announcement concerning Beekman Tower in New York City.

The fifth session of Convention was then recessed.

SIXTH SESSION, SATURDAY MORNING, JUNE 29, 1946, 8:00 A.M.

THE sixth business session of Convention was opened by the Grand President. The pages for this session were Patty Bond, Indiana I, honored by the Grand President, and Peggy Cornell, California Gamma, honored by the Grand Vice-President.

The next order of business was the discussion of items listed on the printed agenda. These items were requested from the province conferences—not specific recommendations—and were declared New Business.

Virginia I moved that Convention discuss, informally, the drinking standard of the fraternity. The motion was carried. The discussion was introduced by I Province President who concluded her remarks with the following recommendation: "That the present Standing Rule regarding drinking be reworded, to read—Pi Beta Phi Fraternity disapproves the use of intoxicating liquors by its members and pledges. This policy is based on the concern of the fraternity for the character, health, and safety of its members and for the necessity of protecting Pi Beta Phi from adverse criticism brought about by the conduct of any individual member. Misuse of alcoholic beverages will be considered as grounds for dismissal. The Fraternity expects the local chapters to assume the responsibility for maintaining this standard and reserves the right to insure maintenance if a chapter does not uphold it. This is accompanied by the following National House Rules—(1) There shall be no liquor at any Pi Beta Phi chapter house or rooms, or served at any chapter function. (2) No member or pledge shall frequent places of questionable reputa-

tion or be in the company of intoxicated men." Gamma Province President moved that this recommendation be adopted and that the vote be made by secret ballot.

The motion was seconded and discussion followed. The question was debated fully and at its conclusion the Grand President asked for the privilege of the floor. The Grand Vice-President took the chair. At the conclusion of her comment, the Grand President again took the chair and a short discussion followed. Maryland A moved the previous question. Before action was taken, Beta Province President moved that a chapter visitor be seated for Pennsylvania B, and one for Ohio A. The motion was carried. Eta Province President moved that the alternate be seated instead of the delegate for Wisconsin B. The motion was carried. Action by Convention on the previous question was favorable and informal discussion ended. The Grand President appointed the pages as tellers. The Grand President read the report of the tellers, indicating that the vote was seventy-five, affirmative; and fifty, negative. The recommendation was adopted.

Iowa I reported that the Nominating Committee for the 1946 Convention believed that a special committee should be appointed by Grand Council to revise the present system used for nominations, and asked that a list of specific suggestions of this committee be considered. Iowa I moved that this recommendation be adopted. The motion was carried.

The Director of Central Office spoke briefly concerning the Magazine Agency.

The Grand President called for discussion of topics

remaining on the printed agenda. Speaking on the question of limited tenure of office, Alpha West Province Vice-President stated that the proposed change in policy had been discussed in the Alumnae Session and that a motion for limited tenure of office had been lost. She stated that she did not feel that there was any point in bringing it up in the Regular Session. There were no other comments to this question and no action was taken.

Maryland B moved that the election of the Nominating Committee be discussed. The motion was lost.

Virginia I moved that all reports of Grand Council and National Committee Chairmen be incorporated in a printed sheet and handed out to each Convention delegate and person in attendance, and that the reading of individual reports, on the floor of Convention be decided by the vote of Convention. Illinois B-Δ moved that the motion be amended by adding "that it is the opinion of this Convention that no Convention can afford not to hear the report of the members of Grand Council." The motion to amend was carried. Further discussion, indicating the difficulties of fulfilling the requirements of the motion, resulted in the withdrawal of the original motion by Virginia I.

The Grand Vice-President spoke to the next item on the agenda, explaining that the Alumnae Session had taken action to the effect that a committee of five be appointed by Grand Council to consider the possibility of establishing a "Home" for Pi Beta Phis as a project of the fraternity and to report to the next Convention. No action was taken on this question in the Regular Session.

Illinois E moved that Article III, A, be amended by striking out Section 3 and inserting a new Section 3, to read: "At each Convention, each province shall elect its own Province President by a two-thirds' vote of the active delegates of the province concerned." Illinois Z moved that the motion be amended by adding, "and Grand Council and the Province Vice-President." The motion to amend was lost. The original motion was lost.

Indiana E moved that Article II, Section 15, be amended by striking out Section 15 and inserting a new Section 15, to read: "The distinguishing badge of the Pi Beta Phi mother or patroness shall be an arrow head of polished gold with the letters Pi Beta Phi mounted in burnished gold. This pin will be the same shape as the present pledge pin but slightly larger. A jewel will be placed in each point and in the stem of the arrow head." Ohio Z moved that the motion be amended by striking out the last sentence and inserting a new sentence to read: "A pearl shall be placed in the stem of the arrow head." Texas A moved that a substitute motion be adopted, to read: "That this Convention go on record as approving an arrow head of the type of the pledge pin, as the official mothers' badge, with details to be referred to a committee to consist of Grand Council, in consultation with Mr. Balfour, with its decision to be reported to the active chapters in the interim of Conventions." The substitute motion was carried.

Iowa Z requested Grand Council to consider a change in the date when the delegate must make her Convention report to her chapter, to allow time for the various opening dates of schools and for the ARROW to reach them preceding the report.

Iota Province President moved that a program committee be appointed each year for the purpose of compiling outlines for programs, to cover information formerly included in the fraternity examinations and other material constitutionally required. These

outlines to be used for fraternity meetings or "Pi Phi Nights" and to be sent to the active chapters early in the fall. The motion was carried.

Mu Province President moved that Convention discuss informally a provision for resignation from the fraternity. The motion was lost.

The Grand President called for the report of the committee appointed to consider the various proposals for the use of the balance left in the Physiotherapy Fund. Marie Tunstall Lingo, Chairman, gave this report:

"Upon the request of Miss Onken, we the committee met and considered the funds of some \$4,300 balance from the Physiotherapy Fund. The intent of the Physiotherapy drive among our members would be fulfilled in the recommendation to sponsor the plan of Foster Parents; the adoption of children from China, Belgium, France, Italy, Greece, Poland, and Germany. It was recognized by the committee that the primary objective of Pi Beta Phi is education but at this time and for one year, or years, the greatest need is to rehabilitate these children, in age from three to fifteen, and lay the foundation for better citizens and better education in the future. As was pointed out by our speaker, June 28, Leona Baumgartner, these children of Europe will be the citizens our children will have to deal with for war or peace. Therefore, the committee recommends to the Grand Council and the Convention that the sum in hand be expended under the direction of Grand Council for the relief of children."

(Signed)

Ada L. Waugh

Marie Tunstall Lingo

Missouri A moved that the recommendation of this committee be adopted. The motion was carried.

New York I moved that this Convention go on record as approving a change in the design of the scholarship ring and that the selection of the new design be referred to the Grand Council. The motion was carried.

Beta Province Vice-President moved that Grand Council consider the relief of foreign children as a national project of the fraternity, as long as the present emergency exists. The Grand President explained that the motion was not intended to apply to the balance in the Physiotherapy Fund, which had just been appropriated, but would seem to set up a substitute project for the Loan Fund. The motion was lost.

Mu Province President moved that Grand Council consider as a possible national project the advisability of establishing scholarships for deserving members of the fraternity. The motion was carried.

The Grand President called for the report of the Nominating Committee, which was as follows:

"In submitting this, the report of the Nominating Committee, the members wish to say that we have made as a group, and as individuals, a very sincere and earnest effort, sparing no effort or time in reaching the decision as to the nominations appearing in this report, in order that they might best represent the will of the majority of the fraternity. May we call to your attention the fact that, although only one name appears for each office, as suggested to you, this in no way prohibits you from presenting and voting upon any additional nominations which may come from the floor."

(Signed)

Ruth Hodgson, Kansas B

Louise W. Dobler,

Lambda Province Vice-President

Mary Catherine Overholt, Iowa F
Edith Gordon, Vermont A
Virginia M. Tatom, Mu Province
Vice-President, and Chairman

Wisconsin A moved that the report of the Nominating Committee be accepted. The motion was carried.

The Grand President appointed as tellers Alpha East Province Vice-President, Pennsylvania B, Indiana E, Kansas A, and Oregon F.

The Grand President called for nominations from the floor, and the following nominations were made: Nevada A nominated Helen Sorenson for Mu Province President.

Iowa B nominated Mrs. Bostwick, Des Moines Alumnae Club, for Theta Province President.

Illinois E nominated Edythe Manning for the office of Director of Rushing and Pledge Training. This nomination was declined.

Idaho A nominated Mrs. James Brandt for the office of Lambda Province President.

Colorado B nominated Mary Bruggeman for the office of Iota Province President.

Arkansas A nominated Lois Franklin Stoolman as member of the Board of Trustee Funds. The Grand President explained that Mrs. Stoolman is automatically a member of that Board.

Illinois E nominated Mrs. Whalen, North Shore Alumnae Club, for the office of Eta Province President.

The nominations were closed.

The Grand President recognized Marian Simmons, Chairman of Holt House Committee, who made the following statement: "It was with the sincerest regret that members of this Convention had to accept the decision of our beloved Grand Vice-President, Ruth Barrett Smith, to retire from membership on the Grand Council. Loyalty has been the outstanding trait which she has developed to the fullest extent. She has been loyal not only to the ideals of the Fraternity but to the other members of the Grand Council and to each and every one of the members of the Fraternity, whether active or alumnae. While her position has been director of the Alumnae Department, she has also been helpful in arranging affairs of the Active Department through her membership on Grand Council. To Ruth Barrett Smith we do not say 'Goodbye' because of her youth, her experience and her broad information on all subjects pertaining to the Fraternity. We feel certain and we hope that she will still be available in an advisory or any other capacity for which the fraternity wants or needs to call upon her. I hope that every one in this room will join me in a rising vote of thanks to Ruth Barrett Smith."

This comment was followed by a rising vote and enthusiastic applause.

The Grand President then recognized Beatrice Purdunn, the Director of Central Office, who said: "What I am going to say will have to be said quickly, to the point, and in a matter-of-fact tone, or I am afraid that I would not get through with it. For twenty-one years Lois Franklin Stoolman has served the Fraternity as its Grand Treasurer, faithfully and efficiently. She has given of her time and energy, under circumstances when not many could serve. During that time I have counted her as one of my best friends, and I am sure that many of you too, in the fraternity, feel the same way about her. To honor Lois Franklin Stoolman, I move that this Convention bestow on her the title of 'Honorary Treasurer of Pi Beta Phi.'" The Assistant to the Grand Treasurer, Lillian Beck Holton, requested

the privilege of seconding this motion. The motion was carried and Mrs. Stoolman was greeted with warm applause.

Epsilon Province Vice-President reported for the Committee on Resolutions in the absence of the Chairman, Alpha West Province President, and moved that the report be accepted. The report was as follows:

WHEREAS, The Thirty-fifth Biennial Convention of Pi Beta Phi is about to adjourn, and

WHEREAS, This body wishes to express its appreciation to all who have helped to make this Convention a success,

Be It Resolved, That we express to our beloved Grand President, Amy Burnham Onken, our grateful thanks upon her completion of twenty-five years of devoted service to our fraternity. We are deeply mindful of the debt we owe her for her outstanding leadership through these years, which has placed and has kept Pi Beta Phi at the forefront of fraternities. Our pride in her and in her distinguished place in the fraternity world is unbounded.

That we express to Ruth Barrett Smith, Grand Vice-President, our appreciation of her service in behalf of the alumnae of Pi Beta Phi, and of the gracious way in which she has represented the fraternity.

That to Lucile Douglass Carson we extend our thanks for assuming the office of Grand Secretary and for carrying on the work with such efficiency and grace.

That we assure Lois Franklin Stoolman of the gratitude we feel for her great service to the fraternity in the office of Grand Treasurer, which is reflected in the sound foundation upon which the fraternity rests financially.

That to Adele Taylor Alford we extend our sincere appreciation for the ARROW which she has developed and of which we are truly proud, and for the fine way in which she has served on Grand Council.

That Isabel A. Clark and Marianne Reid Wild be informed of our great satisfaction in the service which they are giving to Pi Beta Phi in the offices of Assistant to the Grand President and Assistant to the Grand Vice-President, respectively, and that Lillian B. Holton be sincerely thanked for the important work she has been doing as Assistant to the Grand Treasurer.

That Beatrice Stephenson Purdunn, Director of Central Office, receive our sincere thanks for her efficient administration of the many duties of that office.

That to Mildred Odell Sale, the competent chairman of the Settlement School Committee, and to that committee, we express our thanks for the great work which is being done, and for the splendid picture of this work which was portrayed at Convention. To Ethel Snow, Marjorie Chalmers, Ruth Dyer, and to Mr. and Mrs. Ben Fleming, for their fine share in that portrayal, as well as for their continuing efforts on behalf of the Settlement School, our deep thanks.

That to Helen Richardson Corkum, Convention Guide, and to her splendid committee, consisting of Elizabeth Chalmers Dow, Clara Dell Parks Haggeman, and Emma Drury Teller, we convey gratitude for their untiring efforts which insured the success of this Convention.

That we express our great pleasure in having as our guest at Convention Anna Robinson Nickerson, who has served the fraternity with devotion for many years.

That to Frances Rosser Brown, National Historian, to Dorothy White Flint, Chapter Accounting Supervisor, to Marion Keck Simmons, Holt House Chairman, we extend our thanks for the fine work they have done in their respective offices, and for their services to this Convention.

That to Mildred Hood, in charge of Hospitality, and to the Boston Alumnae Club, thanks be sent for their part in making the Convention successful, and that Louise Hoeh Saul, in charge of registration, Elizabeth Newberry Motycka, in charge of exhibits, Eileen Brown, official photographer, Elizabeth Gibb Phelps, in charge of publicity, Margaret Croft, supervising convention seating, Ann McMillan having charge of the informal reception, all be thanked for their very real service to this Convention.

That Gertrude Haslam Stewart, in charge of model pledging and initiation, Miriam H. Bern, who took charge of the Panhellenic dinner, Ethel Sanford Adams, Director of Recreation, Lois Wildes Smith, who made the plans for the costume dinner, Theodora Bunce, manager of Stunt Night, Ruth Slyh Dunn, who planned the beautiful formal banquet, all receive the grateful thanks of this Convention.

That Beth Brainard Leroy be informed of our appreciation of the program of which she had charge on Settlement School Night. That Marilyn Weigner know how greatly we appreciated her fine direction, and how much we enjoyed the delightful singing of the delegates under her training.

That we convey to our two Convention initiates, Emily Barker Willis and Laura King, an expression of our real pride and happiness in their affiliation with Pi Beta Phi.

That to Frances Bethune Melby, to Laura King, to Mildred Odell Sale, for the music through which they added much to our enjoyment of Convention, we express our thanks. That

to Ruth Wilson Cogshall we express sincere appreciation of her always splendid work as Editor of the *Convention Daily*, and as head of its capable staff.

That to Mr. Kennedy, manager of New Ocean House, to his staff, and to Mrs. Kennedy, we extend our hearty thanks for the fine hospitality we have enjoyed.

That to Miss Mary Duffy, our particular thanks be given for her many courteous and gracious services.

That to Mr. and Mrs. L. G. Balfour, friends through many years, go our special thanks for the delightful day in Attleboro which they arranged for the officers before the opening of Convention, and to Mr. Balfour for his pertinent and inspiring talks to Convention.

That to Mr. and Mrs. Verling Enteman we express our pleasure in having them as our guests, and our gratitude to Mr. Enteman for his timely and helpful talk.

That our sincere appreciation go to Dean Alice Lloyd for her important contribution to our Panhellenic dinner program, and to Dr. Leona Baumgartner for her generosity in bringing to us a vivid picture of post-war conditions in Europe.

That to Dean Christine Conaway and Dean Virginia Reinecke go our grateful thanks for their fine handling of pertinent subjects before the convention body and in discussion groups.

That we thank Mr. Vogel and Mr. Rebman of the Union Pacific Railroad for their careful attention to the rail transportation problems of Convention.

That to Sue Fletcher we express sincere appreciation of her efficient planning of the distribution to the various provinces of fraternity funds allotted for increasing alumnae representation at Convention.

That we express to the various province presidents and province vice-presidents our appreciation of the faithfulness with which they have performed their duties in their contacts with the chapters and alumnae clubs of the fraternity.

That our appreciation be expressed to Lois Donaldson Koehler of the Committee for War Work; to Josephine McCleverty of the Loan Fund Committee; to Elva A. Cowan of the Committee on Publicity; to Margaret B. Humphrey of the Committee on Extension; to Harriet R. Johnstone of the Committee on Scholarship; and to the province supervisors working with her; to Katherine Hosmer of the Committee on Transfers; to Gladys Reinecke Finch, of the Committee on Fraternity Study and Examination, and to the province supervisors serving with her; to Virginia McMahan and to the province supervisors aiding her on the Committee on Social Exchange; to Dorothy Vale Durand and her aides serving on the Committee on Fraternity Music; and to Jessie Lockett, and our faithful Committee on Chaperons, for their loyal attention to their assigned tasks.

That we thank Virginia Tatum and Clover Johnson and their committees for their assumption of the responsibilities of serving as chairmen of the Committees on Nominations for the active and alumnae departments.

That we express appreciation of the services of the pages appointed from day to day throughout Convention, and of the kindness and the cordiality of the many who added to our enjoyment through the sending of messages, gifts, and favors, and in innumerable ways contributed to the success of the Convention.

That we are happy that many former officers and national committee members were present with us during the week at Swampscott.

J. Dunn, Hartford; Mrs. C. Franklin Mann, Louisville; Mrs. C. M. Clifton, Fayetteville; and Mrs. Carl Melzer, Denver.

An explanation was made by the presiding officer

of the Constitutional rulings and the 1940 precedent in the selection of the personnel of the Holt House Committee. Alpha East Province Vice-President moved and it was seconded that the Chair appoint a committee of three to nominate the clubs from which the Holt House committee members would be appointed. The motion carried. The Chair thereupon appointed as members of the committee to nominate the clubs to be represented on the Holt House Committee for the next interim of convention, Mrs. Wallace Caldwell, Chapel Hill, North Carolina, Chairman, Mary McCulloch Nixon, Omaha, and Emily Babcock Draper, Seattle, Washington.

Reports of the alumnae officers were then in order. The report of the Grand Vice-President was read and accepted on motion of Kappa Province President, seconded. The report of the Assistant to the Grand Vice-President was read and accepted on motion of Epsilon Province Vice-President, seconded.

The report of the Settlement School Committee Chairman was read and accepted on motion of Boston, seconded.

The report of the National Chairman of the Committee on War Work was read by the Secretary and accepted on motion of Kansas City, Missouri, seconded. Ruth Dunlap Wheeler's report on Alumnae War Service was read by the Secretary and accepted on motion of Theta Province Vice-President, seconded.

It was announced that with the consent of the Parliamentarian and the session, the reports of the Holt House and the Magazine Agency Chairman would be deferred to a later session. Consent given.

Boston moved that the Alumnae Session recommend to the Regular Session that Article II be amended by inserting a new Section 3, LIMITATION UPON VOTING PERSONNEL, to read:

"At least three-fifths of the voting personnel of any convention shall consist of the delegates from the active chapters."

The motion was seconded and carried.

North Shore moved, it was seconded and carried that the Alumnae Session recommend to the Regular Session that Statute II be amended by adding a new Section 5, DELEGATES-AT-LARGE, to read:

"Each province shall have one delegate-at-large to convention.

- a. This delegate shall be elected from the official alumnae delegates to the Alumnae Session from the province concerned, present at Convention.
- b. The election shall be held by the official alumnae delegates to the Alumnae Session from the province concerned, present at Convention, at least one hour before the opening of the first regular business session of Convention.
- c. The election shall be presided over by the Province Vice-President of the province concerned."

Carthage moved, it was seconded and carried that Article II present section 3, be amended by inserting a new "a" to read:

"The accredited delegate of a chartered alumnae club shall be a voting representative of her club in the Alumnae Session of Convention and shall be allowed the privilege of the floor at the regular sessions of Convention."

Delta Province Vice-President moved, it was seconded and carried, that the Alumnae Session recommend to the Regular Session that present Article II, Section 5, ELECTION OF DELEGATES, be amended by adding a new sentence to read:

"Delegates-at-large to a Convention shall be

elected by a majority vote of the delegates to the Alumnae Session of their respective provinces, present at Convention."

Champaign-Urbana moved, it was seconded and carried that all necessary changes be incorporated in their proper place in the Constitution and Statutes, should they be adopted by the Regular Session.

A motion to recess was made by the Indianapolis Club, seconded and carried.

Tuesday, June 25, 9:30 A.M.

The second session of the Alumnae Department, which was a joint session with required attendance by active chapter delegates, was called to order by the Grand Vice-President. Pages were Beverly Jones, Illinois A honored by the Grand Secretary, and Jane Lingo, D.C. A, honored by THE ARROW Editor.

Mu Province President moved that the alternate for California B be seated. Carried. Zeta Province Vice-President moved that the Atlanta Alumnae Club alternate be seated. Carried. Gamma Province President moved that the alternate for Virginia A be seated. Carried.

Announcements were made by the Convention Guide. THE ARROW Editor made an announcement concerning Public Relations.

The report of the Chairman of the Holt House Committee was read and accepted on motion of the Salem delegate.

The chair was turned over to Gertrude Burley, Eta Province Vice-President, who led a discussion on Active-Alumnae Relations in Rushing and Alumnae Rushing Recommendations, assisted by Jeanne Stallings, Zeta Province Vice-President.

The next discussion was on Public Relations and was led by Clare Williams, Epsilon Province President. Mr. Lloyd G. Balfour, Past Grand President of Sigma Chi and former chairman of the National Interfraternity Council spoke on the importance of emphasis on the Values of the fraternity system and explained the intents and purposes of the Interfraternity Research and Advisory Council of which he is the present chairman. Miss Onken as Chairman the National Panhellenic Council spoke briefly on the position of N.P.C. and its future plans for Public Relations.

North Shore moved, it was seconded and carried that Grand Council appoint a committee to make a survey on Rushing methods.

North Shore moved, it was seconded and carried that Pi Beta Phi give complete cooperation to the Interfraternity Research and Advisory Council and that the resolution of that group, as read by Mr. Balfour, be presented to the Regular session.

Eta Province President moved, it was seconded and carried that the national Publicity Chairman be a Public Relations Chairman to cooperate with I.R.A.C.

The session was recessed at 12 noon to be reconvened at 4:00 P.M.

Tuesday, June 25, 4:00 P.M.

The special order of the day for the third alumnae session was round table discussions. These were held in three groups as follows: Clubs with Active Chapter Contacts, led by Virginia Miller Tatom, Mu Province Vice-President; The Large City Club, led by Margaret Armstrong Foster, Epsilon Province Vice-President, and The Small Club (35 or less) led by Louise Wheelock Dobler, Lambda Province Vice-President.

Mu Province Vice-President moved that the alternate for Santa Monica be seated. The Beta Province Vice-President moved that the alternate for Philadelphia be seated. Alpha East Province Vice-President moved that the alternate for Halifax be seated. Zeta Province Vice-President moved that the alternate for Orlando be seated. All motions were carried.

The chair stated that the next order of business was the considerations of recommendations from the Province Vice-Presidents. The Assistant to the Grand Vice-President read the following recommendation, that Statute VII be amended by adding a new Section 5 to read:

"Each alumnae club shall pay an annual tax of \$1.00 per member into a convention fund, said fund to be divided equally among all clubs and to be used only for the expenses of delegates to convention.

"a. If a club does not use its share any year, this amount shall be cumulative and shall be held in reserve for that club by the national fraternity.

"b. The per capita tax shall be based on the total paid membership of the last active club year.
"c. A newly chartered club shall base its per capita tax for its first year upon the paid membership as of April 15th of that year."

Mrs. Wild moved the acceptance of the recommendation. It was seconded and carried.

The Province Vice-Presidents recommended that during the next interim of convention the Province Vice-Presidents meet with Grand Council at the time of its annual meeting for a period of not less than four days. The Assistant to the Grand Vice-President moved the adoption of the recommendation. It was seconded and carried.

Topics recommended by Grand Council for full discussion were considered. Alpha West Province Vice-President moved that a Limited Tenure of office be established as follows: "That the Grand Vice-President, her Assistant and all Province Vice-Presidents shall serve no more than three (3) successive terms (6 years). It was seconded. Chicago West Suburban moved that the motion be amended by inserting after the word "terms," the phrase "in the same office." Motion to amend carried. Cleveland East moved to amend the motion by striking out the phrase "(6 years)." Motion to amend carried. The motion as amended was lost.

New York moved that the session be continued for one half hour. It was seconded and lost. Denver moved that an adjourned session be held immediately following the banquet. It was seconded and carried. Session was recessed to meet immediately after the banquet.

Friday, June 28, 10:45 P.M.

The adjourned session of the Alumnae Department was called to order by the Grand Vice-President. There were no recommendations following the discussion of the matter of the Election of the Nominating Committee or on the Policy of having reports of officers and committee chairman read at convention.

Alpha East Province Vice-President moves "that Article II, Section 2 be amended by striking out b, c, and d." The motion was seconded and carried.

Beta Province Vice-President moved that Grand Council appoint a committee of five to study the possibilities of the establishment of a Home for Pi Beta Phi. This committee to report to the next convention. It was seconded and carried.

New Business was called for. New York moved that the Alumnae Session recommend to the Regular Session that the fraternity of Pi Beta Phi undertake the foundation of a number of scholarships for women of other countries to come to the United States to study in colleges and to become acquainted with our way of life. This would promulgate international understanding, lend a helping hand to the status of women in other lands, encourage an exchange of ideas whereby all participating, we as well as they, would benefit." It was seconded. The motion was lost.

North Shore moved the adoption of the following resolution; Whereas, the current and re-current criticism of fraternities finds its chief focus in their method of membership selection, and arises out of the emotional conflicts that surround it, the alumnae session recommends to the Grand Council consideration of the following plan, jointly with the resolution of the regular session on this same subject, that a committee be appointed to make a thorough, objective and scientific study of the problem, aimed at evolving an

entirely new system of membership selection. This committee shall consist of five members as follows: one member of a college or university administration, one province president of Pi Beta Phi, three persons holding no fraternity office, but holding graduate degrees indicating their competence in the field of social and educational survey and research. At least one of these members shall be a non-Pi Phi. This committee shall report at the next convention. It shall cooperate with the N.P.C. Committee studying the same problem. To cover expenses of meeting, clerical work and research assistance, the committee shall be appropriated a sum not less than \$3000.00 nor more than \$5000.00." It was seconded. The motion was lost.

There being no further new business, the report of the committee to select the clubs to be represented on the Holt House Committee was in order.

Chapel Hill, Chairman of the Committee presented the report and moved its adoption. The following slate was presented: Monmouth, Illinois; Beloit, Wisconsin; Galesburg, Illinois; Springfield, Missouri; and Iowa City, Iowa. It was seconded and the clubs named were elected.

Beta Province President as Chairman presented the report of the Nominating Committee. The chair appointed as tellers, Washington, D.C., Carthage, Illinois, San Fernando Valley, California, and Edmonton, Alberta, Canada. Nominations from the floor were

called for. There being none, the chair declared the nominations closed but announced that names might be written in on the ballots. The secret ballot resulted in the election of the following officers:

The Grand Vice-President announced the chairman of the Committee on Nominations for the next convention as Alpha East Province President.

On motion of the Louisville delegate, the Grand Vice-President declared the Alumnae Session of the Thirty-Fifth Convention of Pi Beta Phi adjourned. The session closed with the reading of the Ritual.

MARIANNE REID WILD, *Secretary*

Report of Meetings of Grand Council

NOVEMBER MEETING

A CALLED meeting of Grand Council was held at French Lick Springs at the time of the meeting of the National Panhellenic Conference.

Permission was granted to the Pi Beta Phi alumnae at Albuquerque, through Mary Top, to supervise the organization of a local group which will be permitted to petition Convention for a charter, if the group has met fraternity requirements at the time of Convention.

Following the end of the war and the decision to discontinue the solicitation of funds for physio-therapy scholarships, it was decided to stress the Settlement School, Holt House, and the Loan Fund as the funds required for 100% contribution.

Two decisions about Convention were made—that there be a Convention Daily, and, that chapter exhibits be authorized, with a limit of \$25.00 for each exhibit.

The contract for the Song Book was let to Banta Publishing Company, and the details of the book were determined in conference with Mr. Bachmann, representing Banta's. Dorothy Vale Durand has been asked to take charge of this publication.

Recognizing the prolonged interim of Convention, due to the war, Grand Council voted to add \$2,000 to the amount allotted for alumnae delegates' expenses to Convention in 1946.

It was decided that the mid-winter meeting of Grand Council would be held in Chicago, early in February.

(Signed) LOIS SNYDER FINGER
Grand Secretary

FEBRUARY MEETING

A mid-year meeting of Grand Council was held in Chicago, Illinois, February 3-10, 1946, with all members present. The special purpose of this meeting was to plan for Convention. Grand Council decided on motion:

That the Convention personnel be housed in double rooms and that all others who attend be asked to choose their own accommodations from the regular, graduated price list provided by the hotel.

That the registration fee be \$5.00, covering tips and the Convention Daily.

That special dispensation be granted for late initiation for any girl who wishes to attend Convention.

That the line for the Model Initiation Ceremony be made up of actives, chosen by their province presidents. There shall be at least two representatives from each province, from chapters highest in scholarship. Every chapter in first place on its campus shall be represented.

That the National Chairman of Music have charge of all Convention music, including the assembling of a group to lead the singing.

That Grand Council recommend that the fraternity set aside January 9, Mrs. Catt's birthday, as a Chapter Loyalty Day, honoring her.

That an agenda of subjects to be discussed at Convention—as complete as possible at the time of printing—be sent to all officers, chapters, and alumnae clubs, in advance of Convention.

That a court reporter be employed for the business sessions of Convention.

That the fraternity "Special" train be omitted, in

planning for the 1946 Convention, because of continued travel difficulties.

That the customary system of prepaid railroad tickets for active delegates be used for this Convention.

That the fraternity investigate the possibility of group insurance for travel liability for the official Convention personnel.

The program for Convention was determined, special speakers and discussion leaders were chosen, and assignments for special Convention duties were made.

Grand Council decided upon the following recommendations to Convention, for changes in the Constitution:

That Article IV, Section 1, b, be amended by striking out "by the two active chapters geographically nearest" and inserting, "by all active chapters in the province concerned."

That Article IV, Section 4, b, be amended by striking out "ten" and inserting "fifteen."

That Article VI, Section 5, a, be amended by adding, "For probation or for any form of dismissal."

Grand Council made the following changes in the Statutes:

That Statutes III, A, Section 15, c, be amended by striking out "the National treasury" and inserting, "the Alumnae Department funds."

That Statutes III, A, Section 15, e, be amended by striking out "Grand Treasurer" and inserting "Central Office." The same change was made in each of the following Statutes: Statutes III, A, Section 16, e; Statutes III, B, Section 5, e; and Statutes IV, Section 5, a.

That Statutes III, B, Section 2, d, be amended by striking out the present "d" and inserting a new "d" to read, "to have charge of and to keep up-to-date a card file of active and alumnae members of the chapter."

That Statutes III, Section 4, g, be amended by inserting a new "g" to read, "Within three days after each initiation to send to the Province President a list of the initiates."

That Statutes III, B, Section 12, d, be amended by inserting a new "d" to read, "to arrange for the attendance of one member at an active meeting, once each month."

That Statutes V, Section 15, c, be amended by adding, "this automatic expiration of a pledge shall not prevent a girl from being eligible to Pi Beta Phi for pledging, on the second campus."

It was decided that the comments used by Eleanor Bushnell, concerning the Founders, be added to the "Candle Lighting Ceremony."

The final date for sending in the name of the Chairman of the Alumnae Club Committee on Rushing Recommendations was advanced to March 15, to facilitate the publishing of the list in the May ARROW.

THE ARROW Editor became the member of Grand Council assigned to work with the National Chairman of Music, in the publishing of the new Song Book.

It was decided that the interest on Chapter House Loans be reduced to four and one half per cent.

A discussion of Holt House problems resulted in the approval of Grand Council of a raise in salary

for Mrs. Carey, and of an increase in the charge made for the use of the house by outside groups, with a recommendation that the number of outside functions permitted be limited.

It was decided that an all-over picture of proposed plans for the Settlement School be outlined so that this could be a factor for consideration when community plans are being discussed. Grand Council recommended to the Settlement School Committee the erection of the Health Center without living quarters for the nurse, and, consideration of the erection of a second building designed to house the staff of the School—the latter as soon as feasible. Disappointment of alumnae clubs because of insufficient materials for their Arrowcraft sales brought the recommendation that preference be given to Pi Beta Phi alumnae over tourist trade when Arrowcraft products are limited.

Lois Koehler, Chairman of the War Committee, met with Grand Council and the committee was authorized to compile a statement of Pi Beta Phi's effort in World War II.

Mrs. Glenn Suthers, parliamentarian, met with Grand Council and advised regarding the re-organization of the material in the Constitution and Statutes of the fraternity.

It was decided that the maximum allowance for clerical help for province officers be raised from \$25.00 to \$35.00, with the same provision that a statement of actual expense be submitted.

Grand Council revised the chapter annual report blank and clarified the detail required for Grand Council reports of chapter visits.

Grand Council will recommend to Convention that the Workshops for chapter presidents, pledge supervisors and their Province Presidents be continued in non-Convention years.

MINUTES OF THE ANNUAL MEETING OF GRAND COUNCIL—JUNE 14-21, 1946

The annual meeting of Grand Council was held at the New Ocean House, Swampscott, Massachusetts, June 14-21, 1946, with all members present.

Grand Council reviewed the annual reports of all national officers and committee chairmen, the Director of Central Office, members of the staff of the Settlement School, and all province officers. These reports were carefully studied in order to obtain an accurate picture of conditions in the fraternity and with special attention to recommendations made by them to Grand Council. General conditions in chapters and clubs were gratifying and quiet, steady progress was evident in the long interim between Conventions. Decisions were made to meet every individual need, and recommendations proposed for the continued strengthening of the fraternity and its organization.

It was decided:

"That all chapters be asked to purchase through Central Office a uniform looseleaf notebook for the preservation of the chapter history.

"That the responsibility for supervision of the work of the chapter vice president and historian be assigned to the Chairman of the Advisory Committee.

"That the Publicity Committee be authorized to start its proposed publicity kit for chapters with the preparation of a small card, sheet, or one-page folder which can be posted on the Bulletin Board.

"That greater emphasis be placed upon the work of the chapter Bulletin Board Chairman.

"That the Grand President or the Chairman of the Loan Fund Committee contact each member of the fraternity delinquent in the payment of overdue loans.

"That the following requested changes in the names of alumnae clubs be approved: Albuquerque to New Mexico, Poudre Valley to Fort Collins, and Mid-Hudson to Poughkeepsie.

"That Pi Beta Phi's outstanding scholastic record be given special publicity in THE ARROW.

"That Statutes IX be amended by adding a new section 12, to read:

The Endowment Building Fund

The fraternity shall maintain a permanent endowment fund of \$50,000, or more, consisting of gifts contributed toward such a fund, the principal of which shall be available for chapter house loans and the interest from which shall be applied to the Contingent Fund.

"That Statutes III, A, Section 6 be amended by striking out "d" and inserting a new "d" to read—

"To invest with the approval of Grand Council fraternity monies other than Endowment Funds in savings accounts, bonds of not less than A-rating, or high grade first or chapter house mortgages only."

The decision regarding awards was made following a study of the Standardization and Survey Report and the recommendations of each Province President for chapters in her province deserving high recognition. Upon motion, the Balfour Cup was awarded to Arkansas Alpha; the Stoolman Vase to Kansas Beta and Ohio Alpha, jointly; and the Philadelphia Vase to North Carolina Alpha. The National Amy B. Onken award was won by Mildred Rankin, Ohio Beta.

In accordance with action taken at the February meeting of Grand Council, a printed agenda of all accumulated recommendations of Grand Council which had been considered during the interim of Conventions was prepared and distributed to clubs and chapters before Convention. In addition to these Grand Council, at this meeting, made sixteen additional recommendations which will be found in detail in the minutes of Convention.

Grand Council met with the Province Presidents and the Province Vice Presidents, jointly, in their opening session. After the customary greetings, introductions, and announcements concerning Convention, Grand Council presented to the province officers the recommendations to be made to Convention. Explanations were made and questions answered so that each group might have a clear and thorough discussion of the issues involved, before Convention. The meeting concluded with a serious discussion of the important inter-fraternity issues of the present day and an explanation by the National Panhellenic Delegate of the responsibility of each officer to aid her clubs and chapters in right thinking and in serious effort to live up to the high ideals of fraternity women.

Final decisions regarding Convention were made, and conferences with the Convention Guide and various program chairmen completed the preparation for Convention.

The meeting of Grand Council adjourned.

MINUTES OF THE POST-CONVENTION MEETING
OF GRAND COUNCIL

The post-Convention meeting of Grand Council was held immediately following the Thirty-fifth Convention of the fraternity, at the New Ocean House, Swampscott, Massachusetts. All retiring and new members of Grand Council were present. A session with a similar group of the incoming and outgoing province officers and national chairmen, present at Convention, resulted in clarifying and directing procedure in the many problems of fraternity organization which concern all. Grand Council discussed and recorded all suggestions and recommendations regarding Convention.

The members of Grand Council appointed the following committees authorized by Convention: a committee to investigate the possibility of a Pi Phi "Home" as a fraternity project; a committee to study the duties of all officers and to clear out conflicts and duplications; a committee to provide suggestions for active chapter programs to cover the material formerly in the active examination; a committee to investigate better methods for the selection to fraternity membership.

It was decided:

"That new charges for the Pi Beta Phi Cook Book

must be 60¢ for individual copies and 45¢, in lots of one dozen.

"That Utah Alpha be moved into Iota Province.

"That senior dues be sent directly to Central Office. And that Central Office report dues received to the Province President concerned and send the blanks to the club concerned.

"That the unexpended balance in the Physiotherapy Fund be appropriated to child sponsorship under the "Save the Children Federation, Incorporated."

"That Mary Stuart Kinder become the member on the Board of Trustee Funds to take the place of the 'immediately past' president, designated as a member of that Board.

"That Lois Franklin Stoolman be the National Chairman of Extension.

"That the Director of Alumnae Extension be assigned the duty of contacting chapter members delinquent financially, with responsibility for sending the necessary statements."

Plans were made for the preparation of several new manuals and for official chapter visits for the year 1946-47.

The post-Convention meeting of Grand Council adjourned.

Annual Reports of National Officers

REPORT OF THE GRAND PRESIDENT

To Pi Beta Phi:

PI BETA PHI is ending an interim between conventions which is the longest in its history and one which has been filled with soul-trying experiences which have affected every member of the fraternity just as they have torn the entire World. How has Pi Beta Phi come through these difficult years? Have they been good years for the fraternity, worthy of the past and a promise for the future? Has Pi Beta Phi been able to function effectively and purposefully? Has it held fast to its high standards and its ideals during days when the easiest ways have been the most followed and the influences for those ways so very strong? Has it reached the hearts of its members—for after all, Pi Beta Phi is a spirit and unless it reaches the heart it becomes something much less than a fraternity? Whatever your questions, their answers must be found in the girls who, during these years, have made up the active chapters and have known Pi Beta Phi only as it has been during this interim and is today. The Fraternity may well hear with great humility, pride, and thankfulness the answer to its questions as this is found in an active chapter member's answer to the fraternity examination question: "What does Pi Beta Phi Mean to You?"

"Pi Beta Phi membership, enhanced and deepened by each day's affiliation with the fraternity, can best be expressed by an attitude. The beauties of fraternity friendships, work, and aspirations cannot be caught by a pen but must be shown in overt acts or expressed in those solemn moments that fraternity sisters often have together.

"To me, this sponsorship is something that can serve as a working philosophy of life, regardless of whether I'm in the company of an 'arrow girl' or with a person who has no deep appreciation for the really fine things of life. By taking the tenets of the fraternity for my own, broadening the scope of a 'Greek' to include the whole of life. I hope to do what the fraternity expects of its members—live a life in accordance with the high ideals of the fraternity, using them as a foundation and complement to my own conceptions.

"The epitome of what Pi Beta Phi membership means is expressed most beautifully in the pledge taken at the beginning of a long-remembered relationship—'We are banded together for the cultivation of a noble womanhood through social service, mind culture, and true friendships.'"

These have been years of difficult problems, but they have been good years for Pi Beta Phi!

For the first time, Pi Beta Phi is meeting as a Convention without the sustaining inspiration of living Founders. Even while our hearts are saddened with a renewed realization of the depths of the loss which the fraternity sustained in the deaths of Inez Smith Soule and Fannie Whitenack Libbey, in the year following the last convention, there is a warmth of happiness in remembering the joy which they so clearly found in their life-long close association with the fraternity, in their deeply cherished friendships in Pi Beta Phi, and in their unflinching devotion and loyalty to the fraternity which they helped to found. They gave us our creed and our ideals; and they proved that these can be lived and that they make for beautiful living; surely then, their inspiration can never cease to mould the future of the fraternity which they loved. "The dead are not dead if we have loved them truly. In our own lives we give them immortality. Let us arise and take up the work they left unfinished and preserve the treasures they have won and round out the circuit of their being to the

fullness of an ampler orbit of our own." To those beloved Founders of Pi Beta Phi and to the other loyal and dear members who are "lost awhile" are pledged our continuing love and our continuing loyalty to the Fraternity of which they are still a truly living part.

It is perhaps not strange that at the close of a war which had meant so much emotional instability there should again have been brought into sharp focus a questioning of all the fundamental institutions of America, including the college fraternity. "Undemocratic," "un-Christian," "discriminatory," and "intolerant" are only a few of the terms used by the critics who find a ready market for their attacks upon fraternities but who fail to recognize the fact that the right to economic justice is no more a democratic right than is that of freedom in the choice of one's intimate, personal friends. Fraternities are only one of the countless organizations which exercise the fundamental right of assembly guaranteed by the American Constitution and the Charter of the United Nations—a right which is vital to true democracy. If it were un-Christian to have friends of special dearness, Christ himself would not, it seems, have added to his world-wide love for humanity, a deep personal friendship for twelve from among his many followers or have loved best of all the one among even the twelve. It is eminently unfair to characterize as an undemocratic practice a matter which is merely one of the right of each individual to choose his friends on the basis of congeniality and of a fraternity to secure its solidarity in the same way; selection of membership "is not discrimination against but is instead a matter of internal harmony and, human nature being what it is, the best way to secure it." Much of the propaganda abroad today, spoken in the name of Democracy, is instead truly spoken in the interests of forces which would destroy all the institutions which have made our American way of life the nearest approach to true democracy which the world has ever seen. Democracy does not mean a permanent equality for all based on the mere accident of birth into the world; it does mean equality of opportunity to secure an education and to earn a decent living under just economic conditions. Perhaps we need to think more often of the things which William Saroyan said in "The Human Comedy" when the little history teacher said to Hubert and Homer, boys who represented entirely different backgrounds, personalities, and futures, and who hated each other because of rivalry in school activities: "Every man in the world is better than some one else and not so good as someone else. In a democratic state, every man is the equal of every other man up to the point of exertion, and after that every man is free to exert himself to do good or not, to grow nobly or foolishly, as he wishes. I am eager for my boys and girls to exert themselves to do good and to grow nobly. . . . I want my children to be *people*—each one separate, each one special, each one a pleasing and exciting variations of all the others. Each of you will be truly human when, in spite of your natural dislike of each other, you will respect each other. That is what it means to be civilized." And that it what it means to be truly democratic. It is possible to be undemocratic,

snobbish and unjust, even when one is a part of an organization whose ideals are wholly democratic and just! Your love for your fraternity is based upon your knowledge that Pi Beta Phi is an influence which in your own life has helped you to "do good and to grow nobly"; make your appreciation for the value of fraternities evident in an expressed as well as an inwardly-felt loyalty!

From the beginning, Pi Beta Phi's ideals of service have embraced help for those outside its own group. One cannot be surprised, then, that these ideals brought contributions to the causes of a world at war far beyond anything that one could normally expect. Unfortunately it is practically impossible to get an at all complete record of the service which was given to war and relief causes by individual Pi Beta Phis and by active chapters and alumnae clubs working with their local communities but enough is known to establish the fact that this record is a most outstanding one. That is addition to these things which demanded so much in time, ability, effort, and money, Pi Beta Phi should have carried with enthusiasm the fraternity's own war project through to an almost unbelievable success makes one's pride in the Fraternity truly inexpressible. The choice of the special war project seems truly to have been an inspired one! Could it have been mere chance which led Pi Beta Phi to "help so many through so few" by giving special training to young women so that they, as physical therapists, might minister to the desperate needs of our wounded servicemen? No fraternity has greater reason for pride in its wartime record than has Pi Beta Phi! To the \$5000 voted by the 1940 Convention to the American and Canadian Red Cross and the \$4000 appropriated for Physiotherapy scholarships, the active and alumnae members of Pi Beta Phi added more than \$25,000 in outright gifts for the Physiotherapy scholarships! And how great is our reason for joy in the fact that through the eighty or more carefully chosen young women who received the scholarships, Pi Beta Phi's war project will live long on continued service to the physically handicapped of all ages, bringing blessed relief from pain, new courage, and new physical freedom!

The cessation of hostilities brought with it the end of the emergency training courses for physical therapists and so of the need for the fraternity's special help with scholarships. This convention must decide the use which shall be made of the almost five thousand dollars now in the special fund. That it should serve some high purpose akin to that for which it was given seems clear.

The ability of the fraternity to carry through to success special projects and at the same time to continue to meet already assumed responsibilities to established ones has always seemed a truly remarkable thing. The support of the Settlement School, Holt House, and the Loan Fund has been not just adequate but exceedingly heartwarming during the years of special war effort. Many Pi Beta Phis have come to feel that the fraternity should now add a new, altruistic project to those which still need and must receive its devoted support. Recommendations for such a project will be made to this Convention. Grand Council has urged all groups with constructive ideas to come to convention with detailed information about their suggested fields which vary from the establishment of a home for Pi Beta Phis who would cherish an opportunity to be with those bound to them by the ties of fraternity to the establishment of scholarships for foreign students. The adoption of a national

permanent altruistic project is not a thing to be decided upon hastily since it involves the continuing support of the fraternity for years to come and the meeting of problems which will not be simple ones. The first decision may wisely be that of the desirability of adding to already heavy obligations which have been met and are being met so fully; and next, of whether the new project should be for members of the fraternity who need the special things which come most happily from fraternity associations; or another for those outside our own chosen groups; and then, of what the special project shall be if one is to be adopted. Perhaps this Convention cannot make all of these decisions but it can at least lay some foundations upon which Pi Beta Phi can build another project of high service, if it wishes to do so.

The Grand President is sure that it was not just chance or the demands of rhythm which made James Russell Lowell in the "Vision of Sir Launfall" say: "Who gives of himself with his alms feed three—himself, his hungering neighbor, and me," putting first of all as the one benefiting from such a gift the one who makes it. How true this has been of Pi Beta Phi and its Settlement School! Established with no thought except that the fraternity in a living memorial to its Founders should honor them and bring opportunity, education, and well-being to a people desperately in need of these things which seem the minimum blessings which life should hold, the spirit of its giving has brought benefits to the fraternity as great as those which have gone to Gatlinburg and its wide-spread community. And it is not Pi Beta Phi alone for whom this first national fraternity altruistic project holds inestimable value. Other fraternities, seeing what it meant to our fraternity to have a philanthropy which bound active chapters, alumnae clubs, and individual members closely together in a common service and a common pride of achievement, established their own similar projects until today there is scarcely an N.P.C. fraternity without a philanthropy which any group might be glad to claim as its own. Learn more about them! Even so, however, the Pi Phi Settlement School continues to be the greatest, the best known, and the one arousing the most universal interest. One has only to talk with members of other fraternities, educators, civic leaders, and public relations men to hear of their deep admiration for our Settlement School and its service. The work at Gatlinburg is not entirely the same which had to be done in the early years of the Settlement School; we should have failed in our basic purpose if all conditions had remained unchanged through more than thirty years and the same—and only the same—problems had to be solved and identically the same service, be given. Our achievements mount high—but with changed conditions have come changed needs to which Pi Beta Phi continues to contribute most constructively. Not just our fraternity but the fraternity world would be the loser if this first proof of a fraternity's ideal of service to others should cease to show the vision, courage, and results which have been so marked up to now, and which have meant so remarkable a contribution to the American way of life.

The Chairman of the Settlement School Committee, Mildred Odell Sale, will report in full on the work of the Settlement School and its plans for the future but she will not speak of the great debt of gratitude which the fraternity owes to her, the other members of her Committee, and the staff at the School for the breadth of vision and the greatness

of service which mark their contribution to Pi Beta Phi and its School. Special mention should be made of the carefully made and executed plans for using the facilities of the Settlement School to further the crafts interests of the entire country through the summer Craft Courses which were put on, last year, and will be put on during the present summer, under the joint sponsorship of the Settlement School and the University of Tennessee. This project marks the first important step in following out the recommendations made by Dr. Taylor of the University of Kentucky after he had completed his survey of the Settlement School and its relations with its own community and with the fraternity. Truly the Settlement School is well on its way to being a nationally important craft training center at a collegiate level.

Since all national awards have been announced in Information ARROWS during the interim of conventions, it seems necessary here to speak only of the current ones. All national awards will, as usual, be announced at convention banquet. The Province winners of the Amy Burnham Onken awards for character, scholarship, and extracurricular and chapter service are as follows:

Alpha East—Frances McNamara, Vermont B
 Alpha West—Margaret Newell, New York A
 Beta—Mildred Rankin, Ohio B
 Gamma—Alice Jeanette Freer, Virginia F
 Delta—Virginia Dill, Indiana B
 Epsilon—Jane Batts, Tennessee B
 Zeta—Frankie B. Settle, Georgia A
 Eta—Nancy Kollman, Illinois Z
 Theta—Cornelia Lindstrom, Iowa F
 Iota—Virginia Wheeler, Colorado A
 Kappa—Consuello Faust, Louisiana B
 Lambda—Helen Harstad, Oregon B
 Mu—Frances McIntyre, Arizona A

The Pi Beta Phi Graduate Fellowship for 1946-47 has been awarded to Pat Turk Schloesser, Oklahoma B.

General fraternity extension has seldom, if ever, been as great as at present. This is due partly at least to the marked interest of colleges and their administrative officers in securing for their campuses chapters of National Panhellenic Conference fraternities, and to their voluntary approach to fraternity Grand Councils asking for consideration for their campuses or for definitely organized groups on them. This proof of the recognized value of the service of fraternities in the field of education counteracts most effectively the attacks made against fraternities on the basis of superficial contacts with them. Although Pi Beta Phi has been approached by many administrators, interested actives or alumnae of Pi Beta Phi, and already established groups interested in securing charters, Grand Council is presenting to Convention the petition of one group only, II B A of the University of New Mexico. This remarkably fine group was carefully selected by the Albuquerque alumnae club and members of the club have worked constructively and unflinchingly with the group while it has made for itself an amazingly fine place on its campus. If one needed any proof of the high place which Pi Beta Phi holds in the fraternity world it would be found in the success of groups like Pi Beta Alpha in pledging outstanding students who prefer a chance to work for a place in Pi Beta Phi to the certainty of membership in already established chapters of other strong national fraternities. Grand Council recommends that Pi Beta Alpha be granted a charter of Pi Beta Phi because its university holds such a high place educationally, because it represents a section of the country where Pi Beta Phi is not already established, and because the high quality of the girls in the group and of the support which they will continue to re-

ceive from the alumnae in New Mexico assure the fraternity a strong and fine chapter.

The financial condition of the fraternity continues to be reason for great pride and for confidence in the future. Money alone would never make a fraternity great but greatness comes more easily when there are funds with which to develop and progress. Changing world conditions unavoidably affect market prices and sometimes mean depreciation of security values but the inherent strength of Pi Beta Phi's investment list remains outstanding. Perhaps it would be well to review the investment policies to which Pi Beta Phi has adhered since the establishment in 1925 of its Board of Trustee Funds. All investments of the fraternity's endowment funds are made only in bonds of at least A grade or in the case of the special Contingent Endowment Fund in the specifically provided-for loans for chapter houses and each such investment must have the advance approval of three-fifths of the members of the Board of Trustee Funds and of either the Harris Trust and Savings Bank of Chicago or the First Trust Company of Lincoln, Nebraska. Pi Beta Phi's policy of asking from its active chapter members no payments other than an initiation fee of forty dollars, which includes life subscription to the ARROW among other things, and senior alumnae dues has proved an extremely wise one and is the envy of other N.P.C. fraternities.

Pi Beta Phi owes a debt of gratitude which it can never adequately express to the Grand Treasurers, Anne Stuart and Lois Franklin Stoolman, and to their supporting Grand Councils for the wisdom which has placed the fraternity upon a sound financial foundation and has made possible the many innovations in fraternity functioning and supervision which play so big a part in the place which it holds among fraternities. It seems worthwhile to remember that in 1912, the national fraternity had in its treasury only about \$900—less than many active chapters now have with which to begin their college year!—and owed to the ARROW Endowment Fund approximately \$20,000 which had been used for current expenses, and that today, its assets total a million dollars. No Pi Beta Phi can afford, ever, to forget her responsibility to help keep Pi Beta Phi a fraternity worthy of the devoted service given by the officers responsible for the present financial security which it enjoys, and to insure a continuation of it. The value of the endowment funds for contingent expenses is increasingly apparent as the interest helps make it possible for the fraternity to handle promptly and effectively any problem of internal weakness in chapters. No chapter is always at its best—any more than any person is always at her best—but the splendid supervision of the Province Presidents and the Alumnae Advisory Committees means that, except in most unusual cases, the fraternity is able to check laxnesses while they are still small and so to keep chapters on an exceedingly high level of accomplishments, personnel, and standards. Pi Beta Phi does not believe that any one method of special help can be the best way of meeting all problems, so it feels free to choose for each case the method which is best suited to its special conditions.

Pi Beta Phi as the only fraternity which is so fortunate as to own the house in which it was founded is indeed the envy of the rest of the fraternity world. And what a joy the Holt House with its gracious hostess and its atmosphere of charm is! To Lorette Terrill and Miriam Simmons, who have served as Chairmen of the Holt House Committee, should go the deep gratitude of every Pi Beta Phi for the devoted and loving care which they have shown for

every detail of the furnishing and the maintaining of this truly lovely Pi Phi House. The hope that Holt House would serve both as a fraternity shrine and as a center for the cultural interests of the Monmouth community is now an actuality and through Holt House, the fraternity is expressing its interest in a community which is 1867 provided the sort of intellectual stimulus which produced both the dream of a national fraternity for women and the initiative and the ability to make the dream a reality.

The report of the Grand President as Pi Beta Phi's National Panhellenic Delegate will tell of her service to N.P.C. as its treasurer from 1941 to 1943, and secretary from 1943 to 1945. In November, 1945, through automatic accession under the rotation system, she became Chairman for a two-year period, and she asks the special support of all Pi Beta Phis as she tries to serve both her own fraternity and all fraternities acceptably in an office which carries with it heavy responsibility and little authority—support both for her as chairman and for the cause of fraternities which is so important to us all.

Because the reports of other Grand Council members, national and province officers, and committee chairmen will tell you in detail of the splendid condition of all departments of the fraternity, the Grand President will comment only on the self-sacrificing devotion of the officers and committee members who by their constructive service have made such reports possible, and of her appreciation for this and for the heartwarming cooperation which they and active chapters and alumnae clubs—have given her. She believes that no officer of any other fraternity can have quite the joy in her work which Pi Beta Phi's Grand President finds, since no other has Pi Phis with whom to work! Everywhere she has found deep fraternity loyalty, willingness to give unstintedly in unselfish service, and desire to further the best interests of Pi Beta Phi. May she speak with special fondness and appreciation of the officers with whom she has been privileged to work most closely—the other members of Grand Council, Ruth Barrett Smith, Lois Snyder Finger, Lucile Douglas Carson, Adele Taylor Alford, and Lois Franklin Stoolman; her Assistant, Isabel A. Clark; the Directors of Central Office, Adele Murphy, Louise Brese Shappert, and Beatrice Stephenson Purdunn;

and the Province Presidents? War conditions and family responsibilities have necessitated the loss to the fraternity of many of its finest and most constructive officers, among them Lois Snyder Finger, who had served the fraternity with such marked ability as Province President, Chairman of the Endowment Drive at the time of its completion, and as Grand Secretary; officers whom Pi Beta Phi has released with the greatest reluctance. No report would be complete without special reference to the standing committees, the rushing committees, and the alumnae advisory committees whose contribution to the fraternity can never be measured and who make that contribution so quietly.

During the year which is just ending, the Grand President has had the privilege of visiting officially Nevada A; California B, I, and Δ; and Arizona A, and of having rather unofficial opportunities to know D. C. A, Maryland B, Missouri A, and Oregon F. She was the guest of Indiana Δ for its thrilling twenty-fifth birthday celebration, and shared with the St. Louis Alumnae Club and Missouri B the pleasure of their beautiful and successful fashion show, and with the Chicago South Alumnae Club its inspiring Founders' Day luncheon which brought a glimpse, too, of Illinois E and members of the Chicago Business Women's Alumnae Club. To her very great regret, it was not possible to allow time for more than the chapter visits in Mu Province so she missed the joy of contacting many alumnae clubs whose cordial invitations she would so love to have accepted. It was a pleasure, however, to have her schedules allow her to have a chance to enjoy the alumnae clubs in Reno, Berkeley, and Tucson, and to have evidences of the thoughtful graciousness of the Los Angeles alumnae club.

For the inexpressible privilege of having some part in the continued development and progress of Pi Beta Phi which has kept it a Fraternity without a superior, for the opportunity to give her support to the ideals and standards without which no fraternity can be truly or lastingly strong, and for the fraternity fellowship and friendships which are hers and which alone mean a debt which nothing could ever pay, the Grand President expresses her gratitude.

MESSAGE OF THE GRAND VICE-PRESIDENT

To the Alumnae of Pi Beta Phi:

TO BE able to deliver in person a message to the Thirty-Fifth Convention of Pi Beta Phi after six years of paper work is indeed a privilege. We are meeting on what was named several centuries ago, the "Path of Peace." Since then, these United States and Canada have seen several transitions from peace to war and back again but with it all, progress. Pi Beta Phi numbers its existence only in decades but even so she, too, has lived through war and peace and progress.

An old Frenchman who lived through the French Revolution delighted in expounding on the terrors of his experience and one day his little granddaughter asked, "Grand-father, what great thing did you do in the Revolution?" He answered, "I survived!" As a nation we are thankful for "survival" but our gratitude must go beyond. The war clouds have lifted, our country has been spared the ravages inflicted elsewhere but we have emerged a sadder people. How much wiser still remains to be seen. There is everywhere apparent an emphasis on the belief that education is essential for a final world peace and Pi Beta Phi cannot escape their responsibility as educated women nor will they wish to. Our influence must be strongly for the right in our homes, our communities, in our nation and yes, in our fraternity. To us there is a challenge for the future and for this 1946 Convention held while the whole world is attempting to rediscover its "Path of Peace" let us take as our key-notes, Peace and Progress.

Pi Beta Phi proved that a social organization can gird itself for service in brief time and become a vital force in helping to win a victory. The amazing war efforts of individual Pi Phis, chapters and clubs have been recorded and extolled before but this report would not be complete without special commendation here. The fraternity war project, the Physio-Therapy Scholarships, under the able direction of Lois Donaldson Koehler, was enthusiastically and most generously supported. The influence of that support lives on, for many of the women trained at our expense are continuing to help the disabled service men and women back to normal citizenry.

Not long ago an ARROW was received, dated November 1901—forty five years ago—a time when Pi Beta Phi was unknown to most of us, when thirty chapters were divided into four provinces; there were no Province Vice-Presidents and a Province President residing in Kansas supervised chapters from Louisiana to California. It was Convention year and time was set aside for one session of the alumnae; there it was "moved and carried that the alumnae petition the active convention to be allowed one delegate beside that of the Grand Vice-President. (Even then, you see, they were wanting greater alumnae representation!)

That the increase of alumnae clubs to a total of "seventeen" was mentioned as "phenomenal" leaves us no adequate adjective to describe the increase of the alumnae department through the years. Today our alumnae department includes two hundred eighteen clubs. Since the last Convention, in spite of the war, twenty-three clubs have been chartered: In 1940-41, Pullman, Washington; in 1941-42, Schenectady, N.Y., Jackson, Mississippi, Bloomington-Normal, Illinois, Minneapolis Evening, Minn., and Ponca City, Oklahoma; in 1942-43, Fairmont, West Virginia; in 1943-44, Cleveland West, Ohio, Charleston, West Virginia, Lansing-East Lansing, Michigan, and the Fox River

Valley, Illinois; in 1944-45, Oxford, Ohio, Carlisle, Pennsylvania, South Coast, California, Clarksburg, West Virginia, and San Fernando Valley, California; this year (1945-46), Macomb, Illinois, Norfolk, Virginia, Bryan-College Station, Texas, Wilmington, Delaware, Jackson, Michigan, Wichita Falls, Texas, and the Tri-Cities, Iowa and Illinois.

Realizing the stress and anxiety of war times as contributing factors to difficulty in normal club activity, Grand Council granted more than the usual two year period of inactivity to sixteen clubs during these past five years. Four have been revived but regretfully the others must be asked for their charters at the close of this current year.

For like reasons it seemed unfair that these inactive clubs should count against an otherwise one hundred percent rating of the provinces in their contributions and they were not included in the count. Last year when the three projects used for the hundred percent standing were the Settlement School, Holt House and Physio Therapy, three provinces, Gamma, Epsilon, and Lambda met the challenge.

With the close of the war, the War Project Committee and Grand Council felt further solicitation for Physio-Therapy scholarships which had struck such a great spark of approval in the fraternity, unnecessary and by means of the fall 1945 letter of the Grand Vice-President to alumnae clubs sought suggestions for some other outlet for our interests along rehabilitation lines. Since no one suggestion offered universal appeal further discussion was left to this Convention and for 1945-46 the Loan Fund was named as the third project to be emphasized. To the hundred percent provinces of last year, Gamma, Epsilon and Lambda—again with perfect records—is added Iota Province.

Linked to the satisfaction derived from the chartering of new clubs is the knowledge that still other clubs have become one hundred percent in their contributions. Each year of her terms of office the Grand Vice-President has hoped that every club would consider its responsibility and loyalty to the fraternity of such moment that it would find the means to support all projects though perhaps its opinion of the need for that project might not always agree with the majority. She must leave that honor for her successor but there is satisfaction that some clubs not previously contributing have given themselves and us that satisfaction his year. Alpha West, Eta, Kappa and Mu provinces show an increase in clubs one hundred percent. The following is the complete list:

If you have read Emerson Hough's "Our Jewel Box" you recall that he asks, "What are our American Jewels? Sometimes they will be cathedrals, museums, and art galleries; and sometimes they will be our splendid mountains . . . our great outdoors." Pi Beta Phi has its jewel in the "great out-doors" of the Smoky Mountains of Tennessee. The Settlement School is ever closest to our heart and our prized possession for thirty-four years. In its behalf go the major efforts of almost every club. This year finds one hundred eighty-seven contributing \$9,440—an increase in the number of donations as well as in the total amounts. No one can deny the great amount of good Pi Beta Phi has carried to the people of Gatlinburg and its surrounding hills, and our pride should reach new heights when Mrs. Sale reads her report to us. Honored with special mention here are those clubs contributing \$200 or more.

1. St. Louis, Mo.	\$1,000.00
2. Cleveland East, Ohio	800.00
3. Kansas City, Mo.	500.00
4. Denver, Colo.	400.00
5. Philadelphia, Pa.	300.00
6. Cleveland West, Ohio	260.00
7. Indianapolis, Ind.	203.00
8. Washington, D.C.	200.00
9. Dallas, Texas	200.00
10. Houston, Texas	200.00
11. Seattle, Washington	200.00
12. Los Angeles, Calif.	200.00

It was very hard to know just where to stop this list for every dollar of every donation is appreciated. In addition many special gifts of money, books, toys, and articles useful in the Health Center, have gone direct to Gatlinburg from both clubs and chapters.

This year every available Arrowcraft product was sold and larger amounts were in demand everywhere. Many clubs were disappointed in receiving smaller than usual supplies and they hope war's end will bring adjustments both in labor and basic materials which will permit normal supplies once again. The market is wide and the publicity for Pi Beta Phi and for the entire fraternity system is there for the taking and must not be overlooked. To commend certain clubs above others for their total sales is hardly fair but

shall we say that the following were the most fortunate in 1945-46: Champaign-Urbana (\$2022.02); Portland, Oregon (\$1351.14); Los Angeles (\$1133.80); San Francisco (\$1110.24); Berkeley (\$898.07); Madison (\$860.19); St. Louis (\$852.03); Salem (\$847.43); Honolulu (\$765.31); Cleveland East (\$654.53); Baltimore (\$607.94); Palo Alto (\$603.41); Tulsa (\$600). Seeing our beautiful display here makes all of us envious indeed of their special good fortune.

The Magazine Agency has brought amazingly increased contributions to the Settlement School year after year since its beginnings. The fact that Mrs. Purdunn's anticipated goal of \$10,000 was missed by so small a margin is due only to many magazines not yet permitting new subscriptions and sometimes not even renewals. Congratulations from the fraternity to Indianapolis as prize winner for the highest Total Commissions (\$364.60)—(Denver was second with \$333.70); to the Fox River Valley, Wisconsin club for the highest Per Capita commission (\$7.90)—(Mohawk Valley, N.Y., second with \$5.25); and to the South Coast club in California for the highest percentage increase (1,608%)—(Butte-Anaconda, Mont., second with 1,184%). The Province meriting first place in total commissions for alumnae is Iota; for the actives, Beta; and for the combined work of both actives and alumnae, Iota Province with \$1,237.50 commissions earned. (Delta Province second with \$987.45).

Holt House though a smaller gem than our School project is yet another glittering jewel whose facets give us pride and pleasure at every turn. Last Convention authorized the fraternity to restore Holt House and the alumnae session of Convention to elect the clubs from which the members of a committee should be selected to carry out the wishes of Convention. We are grateful to Kansas City for furnishing two fine chairmen in Mrs. Frank H. Terrell and Mrs. Oliver Simmons and to the committee (representatives from the Milwaukee, Monmouth, Burlington, and Decatur) which has guided the polishing of Holt House to the present moment. Mrs. Simmons has been asked to give an intimate talk to both alumnae and actives in order that everyone at Convention may catch the sparkle of our newest possession.

At the close of the last Convention there was question in the minds of some whether the purchasing and restoring of Holt House was the correct venture and whether Holt House had really seen the beginnings of Pi Beta Phi. This spring your Grand Vice-President chanced to be reading the Pi Beta Phi History (1936) and would like to quote therefrom a bit written in 1880 by Emma Brownlee Kilgore.

"On the evening of April 22, 1867 Libbie Brook and Ada Bruen both students in Monmouth College called upon Fannie Whitenack and the three girls spent the evening with Clara and Emma Brownlee who were boarding at Mr. Whitenack's. While in the room of the Brownlee girls we were talking of some school girls who wore a little black pin with a gold letter upon it. The members were very anxious to impress upon the girls the great importance of a secret society. . . . We had no desire to unite with this group but did desire a sisterhood of our own. We wanted something better. . . . We thought that if young men gained help in this way young women surely might also. The idea of a secret society among women was novel but we decided to make the effort."

Mrs. Spring, former ARROW Editor and Historian and writer of the History goes on, "Before the girls

left the Whitenack home that evening they had decided to ask seven other college girls to join them in organizing a secret society. . . . All of the seven girls interviewed promised to join. . . . On April 28, 1867, ten of the girls met at the home of Ada Bruen and Libbie Brook in the home of Major Holt. Fannie Thomson and Jennie Nicol were unable to attend the meeting but both had consented to join if the group organized." Your Grand Vice-President felt she could not retire from office without bringing to your attention this proof of the actual place of Founding on April 28, our Founders' Day, and recommends to your reading Pages 8 to 14 of the Pi Beta Phi History as a refresher course and an answer to many of your queries.

An increasing number of clubs and chapters have contributed to the maintenance and furnishing of Holt House this year—one hundred and seventy-eight clubs as against one hundred and fifty-three last year. The fraternity appreciates all contributions, both large and small and also the separate gifts and loans which add to the loveliness of the interior. Largest contributions came from Kansas City, Mo. (\$100) and Columbus, Monmouth and Manhattan with \$25 each. Those given In Memoriam for relatives or friends are particularly thoughtful gifts.

The Loan Fund came into its own once again this year. Eta Province was the largest contributor both by clubs (\$153.50) and by chapters (\$115.00). The clubs of Beta, Mu, and Kappa Provinces follow in order. Largest single contributions were from Madison, Salem (Nancy Black Wallace), and Austin, with \$25; DeLand, and Palo Alto with \$20. Among the chapters Wisconsin Alpha and Texas Alpha each gave \$50, Wisconsin Gamma, \$35, Florida Beta, \$33.50, Illinois Zeta, \$25 and North Carolina Alpha, \$20. Total support reached close to one thousand dollars as against a total of \$746.80 last year. The largest single amounts and the largest contributions came from the active department whose chapters perhaps better appreciate the importance of a small loan in striving to complete an education.

Though, as previously mentioned our requests for money for a national War Project ended with the close of the war, money has continued to come in and the disposition of the funds now in the treasury and pigeon-holed for War relief, has been left to the decision of this Convention.

Eighty-six alumnae delegates were present at the 1940 Convention. Part of these attended with the assistance of \$2,000 voted from the alumnae funds, that amount being distributed among the thirteen provinces on the basis of distance from Convention, the farthest removed receiving the largest share. At that Convention the alumnae session, aware of the value in having more clubs represented officially voted \$200 to be used toward that purpose at the next Convention. However, there has been an interim of six rather than the usual two years and Grand Council took the responsibility of adding \$2,000 to the amount voted in 1940. The appointed Committee with Mrs. H. G. Fletcher, former Lambda Province Vice-President, as chairman agreed that the mileage plan used in 1940 seemed fairest, particularly with the Convention site moved from the Pacific to the Atlantic seaboard, thus evening the amounts for provinces nearest and most distant; the selection of the clubs to benefit and the amount for each club was left to the Province Vice-President concerned. Our thanks go to this committee, Sue Fletcher, Candace Johnson and Hazel Mirkland, for the time and effort expended in

being fair to all provinces on the distribution of these amounts. The distribution of the \$4,000 and its uses are as follows:

Alpha East (\$64): Burlington, Halifax, Montreal, and Portland.

Alpha West (\$119): London, Ont., Mid Hudson Valley, N.Y., Mohawk Valley, N.Y., New York City, Rochester, and Toronto.

Beta (\$165): Akron, Cincinnati, and Toledo.

Gamma (\$192): Baltimore, Chapel Hill, Richmond, Washington, D.C., and Wilmington.

Delta (\$192): Franklin, West Lafayette, Southwestern Indiana and Fort Wayne.

Epsilon (\$287): Chattanooga, Louisville, and Memphis.

Zeta (\$319): Birmingham, Miami, and Orlando.

Eta (\$256): Chicago Business Women, Galesburg, and Springfield.

Theta (\$520): Cedar Rapids, Des Moines, Iowa City, and Mt. Pleasant.

Iota (\$454): Cheyenne, Hutchinson, Laramie, Lincoln, and Omaha.

Kappa (\$424): Dallas, Fayetteville, Houston, Little Rock, Oklahoma City, Shreveport, and Tulsa.

Lambda (\$575): Calgary, Salem, and Yakima.

Mu (\$637.90): El Paso, Los Angeles, New Mexico, Reno, Pasadena, Sacramento, San Diego, San Francisco, San Fernando Valley, Calif., Santa Monica-Westwood, and South Coast, Calif.

This brings up the question of what action this session shall take toward the financing of delegates for the 1948 Convention. It is possible that the fraternity will approve a plan for greater alumnae representation in the regular sessions of Convention. However, this will not in any way care for an increase in the number of alumnae delegates to Convention and with a department of more than two hundred clubs it would seem that the alumnae department should, by his time, assure itself a reasonable representation from its clubs each time. If you have studied the financial picture of the alumnae department you have noted that it is not an affluent one. The costs of travel for alumnae officers on club visits, to Convention, and their housing at Convention all eat into our alumnae treasury. Shall this treasury be augmented by many more alumnae paying dues? (If so, how shall we get them?) By an increase in national dues to \$1.50 or \$2.00? By a per-capita tax? By a flat Convention fee required from every club? By a fee from every new alumnae club chartered henceforth? By one or all of these methods? Certain it is that we cannot seek greater alumnae representation in the regular sessions if our own alumnae interest is so insufficient as to leave representation in our own sessions only to chance. What is your solution?

During the terms of this Vice-President there has been a constant increase in alumnae memberships and this year the provinces of Alpha West, Beta, Gamma, Delta, Epsilon, Zeta, Eta, Theta, Iota, Kappa, and Lambda all show that increase while the others fall only slightly below. Worthy of very special mention are the individual clubs successful in having all their resident alumnae paid members. These are Portland, Maine, the Mid-Hudson Valley, New York, Central Pennsylvania, Oxford, Ohio, Lakeland, Florida, Avon, Illinois, Carthage, Illinois, Fox River Valley, Wisconsin, Duluth, Minnesota, Calgary, Alberta, Corvallis, Oregon, Olympia, Wenatchee, and Yakima, Washington, a much larger number than ever before.

When one considers that close to a thousand

Seniors become alumnae each year and pay their alumnae (Senior) dues for the first year, our growth could and should be much greater. A very large field of untouched material also may be found in the communities where too few Pi Phis to form a club are located. Their loyalty is unquestioned but evidence of that loyalty may be so easily demonstrated by the payment of one dollar each year—much less than one often pays to some other organization which does far less for her and for others than does Pi Beta Phi.

Life Memberships launched in 1938 have not measured up to expectations. For some of us the life expectancy angle rears its ugly head and we prefer to invest on the installment plan. For many perhaps a real installment plan of payment would offer greater inducement. For others a sliding scale, depending upon the number of years out of school has its appeal. For all, the matter of pride should prick us into action. Following the last Convention a committee was appointed for this phase of alumnae expansion but the advent of the war turned every mind into new channels and the committee automatically dissolved. It is hoped that a new committee can soon formulate a plan which will bring results and your assistance is earnestly sought.

Questionnaires have been received from one hundred seventy nine clubs to date. The stream-lined report has proved adequate during the war and when the club president and her Board give thought to its content, the ideas and suggestions listed there prove valuable in any year.

Some clubs find it difficult to plan the four required meetings though the compilation of suggestions sent to all club presidents this year by the Assistant to the Grand Vice-President for insertion in the President's note-book have been of help. It is anticipated that out of this Convention will come new ideas, for surely every club has one or more ingenious persons to evolve stimulating as well as educating programs. If every alumna read her ARROWS and all material sent forth each year you all would be well informed without the capsule reviews of fraternity background required in the Constitution and History meeting. A national officer of a men's fraternity which we all admire and respect said he felt Pi Beta Phi made greater effort to keep its membership informed than any other fraternity, men's or women's, which he knew. Your Grand Vice-President did not betray the fact that sometimes that material goes unread!

Meetings for, with, or about the actives may take numberless forms of expression from meeting the pledges, the Seniors, the officers, or all the chapter when near-by, to learning about more distant chapters through letters from them or from an alumna with knowledge of those chapters. This meeting may be followed up by a tangible form of appreciation or by other offers of aid as needed. Greater understanding of the actives' viewpoint will clarify many of the present problems. This is a good meeting to attract the young girls just out of school. The differences in age need not be a barrier to understanding. Girls three years out of school are often greatly perturbed to return to their chapters and have the whole group rise in deference. To the active one is old though just past twenty if one is out of school.

Meetings on the Settlement School took the form of Arrowcraft displays or teas, informative talks on early and recent days in Gatlinburg, a lecture by someone recently in the Smokies or the use of the colored

Settlement School film. The walking tour of the Settlement School prepared by Beth LeRoy last year has received much favorable use.

Founders' Day, the high-light of the year for both club and chapter, lacks for no original ideas in commemorating the occasion, be it formal or informal. Fortunate is the club which can share the day with the actives but it is also THE day to draw upon the resident alumnae normally irregular attendants at club meetings.

It is a healthful sign that the greatest problem reported on the questionnaire is that of finding places large enough to accommodate the increasing numbers of interested Pi Phis. Interesting the uninterested is really a problem and new ways of "rushing" our unaffiliated deserves careful consideration at this Convention.

This department is grateful for the suggestions offered on the questionnaires though some are impractical for use at the present time. It is hard to strike a happy medium between "To keep closer touch with alumnae and have more interest in changes wanted and growth" and "Letters are interesting but a bit lengthy" or "Material from national, lengthy and repetitious." The club which appreciates there are but twenty-four hours in the day, all of which cannot be devoted to the alumnae is indeed understanding.

Two clubs requested a later dead-line for the questionnaire. May it be emphasized here that, when books must close and reports be written by the officers for a definite Council meeting or Convention date there is no alternative, if the fine accomplishments of certain clubs and the weaknesses of others receive proper attention. Your great cooperation is sought in having your benefits or drives before May 15 in order that your reports be sent by the dead-line date.

One club asking that THE ARROW mailing list be sent to the Corresponding Secretary in the fall reminds us to say that this list is always sent from Central Office at that time and subsequent lists for any community are always available.

Another club asks that National start a system by which all alumnae could pay national dues whether actively participating in alumnae affairs or not. Life memberships for all could take care of this and other suggestions are solicited.

In the period in which your present Grand Vice-President has served, five terms to be exact, three different committees to receive suggestions on Alumnae Reorganization have been appointed and given their reports. All centered on practically the same issues which were slated to be discussed fully at the 1940 Convention—which plans were strangely disrupted; it was agreed then that ample time would be allotted for consideration at the next Convention, which has been done. Because there was no request for further research by a committee, none was appointed for this interim. However, a temporary committee of three was appointed consisting of representation from the Northern New Jersey club for the Eastern division, from Detroit for the Central area and from Dallas for the South and West, to assemble for Grand Council the suggestions of the various Province Conferences held in 1941, anticipating the 1942 Convention. The majority of suggestions pertained to the same three recommendations presented in 1940, namely I, Further alumnae representation in regular sessions; II, Limited tenure of office; III, Election of a nominating committee. A complete list of the suggestions is on file with the Grand Vice-President.

Now again in a busy Convention week, time has

been allotted the alumnae for full discussion. If this is insufficient, more will be found. No person is averse to having full discussion of any and all topics of moment to actives or alumnae if it will mean progress for Pi Beta Phi. However, in our discussions, could we, agreeing with Dr. G. Herbert Smith, National Secretary of Beta Theta Pi, as quoted in a recent Delta Gamma magazine, that "no associations which I have enjoyed in life have been more constructive or meant more to me than the friendships made through my fraternity," keep that glow of friendship alive? Let us say that it is prophetic for this convention too that in 1901 the Michigan delegate reported, "The general spirit prevailing the whole body of Pi Phis in Syracuse was noticeably enthusiastic and genial. Warm discussions took place but even the most earnest debaters were free from all narrowness, were good-natured and considerate and ever more anxious for the welfare of all Pi Phi than for mere chapter or selfish interests. As a result, some convictions were uprooted, a few points were sacrificed to something better, but the best interests of Pi Phi were always points of agreement. Every delegate was loyal not only to her own chapter but also to the great national fraternity of which she is a part." If the discussions in these alumnae sessions are conducted "to the best of our knowledge and ability" they should indeed spell Progress.

Because of the long period between conventions, Grand Council authorized more than the one specified visit of the Province Vice-President to the clubs of her province if requested by her clubs. These visits were generally appreciated and beneficial, particularly to the newer Province Vice-Presidents and the newly organized groups. To know and to confer with the club officers brought easier functioning and greater results.

Your Grand Vice-President confesses that due to war conditions she quite thoroughly broke Art. III, Sec. 4 of our Statutes which refers to the visits of the Grand Vice-President or someone appointed in her place to visit the clubs of the fraternity but she felt sure no club would seriously regret that failure. The wonderful spirit with which almost every club continued its monthly meetings as a safety valve in the earnestness of war did not mean that a national officer should, necessarily, impose on that good nature. Even in peace time there is question of the practicality of this ruling which originated when the alumnae department totaled far under two hundred clubs. Now such a tour is a physical impossibility even though distributed over a two year period and handled by several people. Some change should be made.

In the interim just closed it has, however, been the privilege to know many of the alumnae clubs and thereby a closer concept of all that our grand alumnae are doing everywhere has been brought home. During this past year visits with the Fox River Valley, Wisconsin, the Beloit, the Oklahoma City, the Stillwater, the Baton Rouge and the New Orleans clubs were pleasurable additions to the chapter visits made to Wisconsin A, B and T, Illinois A, B-A, and E, Alberta A, Texas A and B, Oklahoma A and B, Louisiana A and B. Conferences were held with the North Shore and the Seattle Executive Boards and Founders' Day was celebrated with the Seattle and Tacoma Alumnae clubs, with Mrs. Alford as the other honor guest. Always one parts from club or chapter with an added sense of pride in Pi Beta Phi and faith in the continued loyalty of its members.

As Secretary to the Alumnae it is the duty of this

office to lend encouragement to the clubs under her jurisdiction and to the Province Vice-Presidents who supervise them. Each fall a letter has been written to all clubs, giving news of the fraternity as a whole, new plans or ideas for the club year and asking for continued support of fraternity projects and for suggestions in ways to better the department. Each spring a message has been sent to all alumnae groups for use at the celebration of Founders' Day. Letters to the Province Vice-Presidents are sent monthly and oftener. Nothing is said of the encouragement and cheer which also comes back to this officer but any and all assistance extended returns a hundred fold.

This department has been fortunate in having Marianne Wild and four of its Province Vice-Presidents, Erminie Pollard, Mary Scott, Helen Lewis, and Olivia Moore, able to continue through the war period. Nine officers selected in 1940 did not complete their terms but again we were fortunate in securing Edith Rankin, Isabel Heubeck, Margaret Foster, Jeanne Stallings, Gertrude Burley, Jean Johnston, Gladys Bunten, Louise Dobler, and Virginia Tatom to accept office with a minimum of interruption to the fraternity work. There have been no changes during the past year and exceeding praise goes to these Province Vice-Presidents not only for their cooperation but for the results manifest. We *have* progressed along our Pathway of Peace.

We owe much to Emma Harper Turner and the other far-thinking alumnae who first put into workable and concrete form more enduring opportunities for Pi Beta Phis beyond college years. From her and her successors has come to the alumnae of today an heritage of service which extends through the years. In the nurturing of this heritage let it serve Pi Beta Phi and fields beyond in such a way that the would-be skeptics can only say, "Fraternity women make better citizens." Let us set a pattern for the actives. Mutual understanding will bring the realization to every active that alumnae experiences have their rightful place. "THE ARROW will mount as high as the strength of the Archer sends it." May it be true that this Thirty-Fifth Convention will send out Archers strengthened and inspired to send their Arrows higher and farther than ever before.

To Amy Burnham Onken whose ideals and leadership have set the pattern for so many of us in Pi Beta Phi, the Grand Vice-President would pay very special tribute. To her and to the many Officers, Chairmen, and Alumnae who have aided in the progress of this department and who have contributed a large share of the happy experiences in this office she expresses her appreciation. To Pi Beta Phi for granting the privilege of serving she will ever feel deep gratitude.

REPORT OF THE GRAND SECRETARY

IN ALL of the deep regret which we feel because of the necessary withdrawal from office of the former Grand Secretary there is a sense of gratitude that the fraternity could have had her quality of service through difficult years when her experience, good judgment, and fine fraternity spirit were a vital need. With her increasing understanding of the work and of the needs of the fraternity she developed ideas for greater strength and better co-ordination of effort, in the departments of work assigned to her; and, these ideas, developed and carried out, brought tangible results which can be seen as the records are studied.

Mrs. Finger made the fall contact with the Alumnae Advisory Committees, published the *The Leaders' Digest* and worked with the chairman of the Standing Committees through the first half of the year. She set up the procedure of reports and contacts with all chapters under special supervision and maintained close contact with them until the time of her resignation. She joined other Council members at the biennial session of the National Panhellenic Conference at French Lick Springs in November and recorded the minutes of a called meeting of Grand Council at that time. She included visits to Indiana B and Indiana E in her itinerary for the trip. And, she concluded her work with patient and careful direction for her successor.

In this work, as in almost everything else, we take so much for granted and know so little of what is involved in the service of others whom we observe—even though we recognize its value to the limit of our personal knowledge. So, the new officer's eyes are opened to much of the work that she has never realized was being done by the secretary. Increased understanding of the work brings a consciousness of the purpose and value of its detail.

The Grand Secretary is, first, the corresponding and recording secretary of the fraternity and she performed her first duty in office by recording the transactions of the mid-winter meeting of Grand Council. Very soon after, she signed initiation certificates for the spring demand.

Three particular and important duties concerned her regular contacts with chapters under national supervision, contacts with the standing committees, and contacts with alumnae advisory committees. Massachusetts B completed two years of supervision as a new chapter, with the February reports. Still under supervision as new chapters are Oregon I, Maryland B, Michigan I, Ohio E, and Ohio Z. The pride and attention to measuring-up to their privilege in Pi Beta Phi is evident in every one of these reports and the fraternity has reason to be very proud of her new chapters.

The Grand Secretary contacted the chairmen of all Standing Committees under her supervision and was heartened by their generous response and assurance of cooperation, and by a new vision of the steady, widespread influence of the Pi Phi alumnae who have

undertaken special service to their fraternity. Read their accounts in the following pages and you will feel the pulse of your fraternity as you never have before.

Contact with the Alumnae Advisory Committees could not be quite as intimate or personal because of the fact that they are ninety times five! But, imagination could bring them close—as an extension of those personally known, whose loyalty, friendship, and quality of service has ever been one of the deepest assurances in Pi Phi work. So, the letter which went out to them as a "form" letter, went out in the mood of the personal.

Following the meeting of Grand Council in February, the secretary completed the assignment made to Mrs. Finger, for chapter visits in Delta Province, including visits to Michigan A, Michigan B and Michigan I, and, to Indiana A, Indiana I, and Indiana A. These associations with chapters not known before were interesting and happy, filled with cooperation and courtesies which were deeply appreciated. It was a pleasure, too, to widen Pi Phi friendships through contacts with their Advisory Committees and with many other alumnae along the way. Contacts with the chaperons of these chapters left not only the memory of their kindness but a deep appreciation of their fine, constructive influence.

Special duties attendant to the approaching Convention included contacting all chapters holding the awards which are presented to the winning chapters at Convention, to make plans for their safe arrival at Swampscott. The Grand Secretary calls for, receives, files, and prepares reports of all officers, chairmen, and delegates for the consideration of Grand Council, and for publication in the September ARROW. It is from the consideration of these reports by Grand Council that recognition awards are made. Also, from a study of the reports, trends in the fraternity are recognized and recommendations considered which will bring greater strength to the fraternity. And finally, she receives and presents the credentials of active delegates.

In all of the perplexities of new duties, one thing seems to stand out. Pi Beta Phi is a large organization, set in the midst of alert and active competition and the details of her progress are infinite, important and exacting, at times. Yet, the work is so carefully distributed and so clearly essential that one is conscious of the great body of actives and alumnae who work, each in her own place, at her own task, to produce the records of which we are, all, proud. The new officer is conscious, even more, of the deep personal pride, loyalty, and friendship which reaches out from them, constantly, to encourage the individual. It is this community of association and of devotion to Pi Phi of which one is most aware, reaching back to our beloved Founders and constantly reaching forward to the Pi Phis of tomorrow. It is a privilege and a challenge to serve Pi Beta Phi.

LUCILE DOUGLAS CARSON

ARROW EDITOR

AGAIN the ARROW editor comes to report to a Convention—this time after six long and difficult years. Each September during those years the ARROW has carried its usual full report of the activities of the Fraternity for the previous year, with the complete reports of all officers; each December, March, and

May the open issues have given to subscribers a picture of the life of chapters, alumnae clubs, and individual members in a colorful, ever-changing pageant of college days and after-college life.

With the coming of war that picture changed from gay scenes to grave ones—from formals to uniforms,

from parties to Red Cross work as Nurses Aides and the like. The war-time ARROW has tried to record them all, and if reader reaction is to be believed, that was exactly what the Fraternity wanted. Our members wanted to know what the national Fraternity was doing about the war, and what Pi Phis as individuals were doing. Material came flooding in, and it was too bad that the ARROW could not be enlarged to include it all. Most of the news, we did succeed in printing, although much of it was of necessity old news by the time the next quarterly issue rolled around.

In 1943 came restriction by the government on the amount of paper that could be used, and because of the large circulation of the ARROW, it came under the strictest form of regulation. The paper allowance was 65,000 pounds a year, supposed to be 75% of our total used for the previous year—it sounds like a lot of paper, but it did not take into consideration the constantly increasing circulation of any fraternity magazine—and when divided by four as a quarterly allowance, it became an amount too small for the magazine we had been publishing, and it became apparent that we must cut down in order to keep within that allowance. With each issue there came from the publishers a fateful pink slip telling how much paper we had to use for the next issue, this amount being calculated by the publishers. There were two alternatives: we could continue to use our familiar format, printed on the heavy cream paper which took engraving so well—this would have involved cutting the number of pages drastically, leaving out a great deal of important material; or we could change to a lighter 45 pound paper, cut margins on pages regardless of artistic effect, use approximately the same number of pages as before, and include much more material. We chose the latter course, and the years have proved its wisdom. For a time we kept the cream paper, lighter in weight, but with a good finish, and the striking yellow cover. Then restriction and shortage, this time on dyes, reached out again, and we could no longer get colored paper for either cover or body. So again we changed, this time to plain white paper, with a black and white cover. The result was unexpectedly good, and seems to have been well liked.

Then came the end of the war, and the Editor heaved a long sigh of relief and prepared to go back to a less crowded, more attractive make-up. Alas for that dream! Almost at once a paper shortage developed, and it was necessary to continue without change, to take care of the ever-expanding subscription list which gains about 1800 names a year, plus the added members of the newly installed chapters. Next came shortage of labor, brought about by re-conversion problems in the printing trades, and the process of printing the magazine was slowed up. Add to this the postal difficulties, and the result has been delay which must often have made Pi Phis wonder when they would get their ARROWS! For their patience, and for the many understanding and even approving letters which have come in, the Editor is grateful.

For the coming year, the publication schedule must be revised to allow for more time in transit and on the presses—normally it took from ten days to two weeks to do the actual work of running the ARROW through the presses—this has been lengthened this past year.

Grand Council at its winter meeting authorized return to the heavier and more expensive paper, and

this will be carried out as soon as conditions in the paper industry permit.

All this has meant careful planning, but with wonderful help from the ARROW staff and from the George Banta Publishing Company, the ARROW has suffered far less than we feared at first.

Through the war years the Editor felt very strongly that the ARROW must continue to bring the national fraternity to its members as a stabilizing and sustaining force. If we have in any small measure succeeded in the comforting mission, then we are satisfied.

In the past year, the Editor has enjoyed many fine contacts with Pi Phis; Kansas B, the Oregon chapters, Montana A, Idaho A, and the Washington chapters were visited; the petitioning group at the University of New Mexico was inspected; visits formal and informal were made to alumnae clubs at Manhattan, Albuquerque, Eugene, Bozeman; and Founders' Day was celebrated with an informal dinner at Tacoma, an evening meeting at Salem, Oregon, in the former home of our Founder, Nancy Black Wallace, and a formal banquet at the Meany Hotel in Seattle; all this besides meeting many alumnae at receptions at Corvallis, Pullman, and Moscow.

The Editor is contact member of Grand Council for the National Historian and for the National Committee on Publicity. It was her privilege to have a fine conference with Elva Cowan, National Chairman of Publicity, during the Bozeman visit. At the beginning of the year some fine publicity releases went out from that committee with the approval of the Editor, and as the year ends, the committee has a new idea to present for Council approval, a plan for visual education of chapters through pictures, perhaps to be framed for hanging in chapter rooms, and attractively presented national fraternity material.

The report of the National Historian will present her report in detail, and her exhibit at Convention speaks for itself. The collection of books by Pi Phi authors is growing into a library—and for this collection, the Editor bespeaks the active interest of Pi Phis everywhere to see that all material published by Pi Phis reached first the editor of From Pi Phi Pens, who will send it on to the Historian.

The past two years have brought two changes in the ARROW staff: Mary Elizabeth Lasher became editor of From Pi Phi Pens, in place of Marjorie Bright Sharpe; and Marjorie Rowan Pickard has taken the place of Candace Secor Armstrong, who served so long and well as Chapter Letter Editor.

With the end of the war, it seemed possible to go on with a long cherished project, the publication of a new and up-to-date song book. Work was begun last year on the collection and arrangement of the most popular songs, a contract was let for its publication, and work has begun on it. Printing difficulties have held up the project, but it is hoped that orders will be taken for the completed book for early fall delivery, it is hoped.

Most grateful appreciation goes to the officers of the Fraternity who have extended every possible aid and encouragement; and to the George Banta Publishing Company, especially to Mr. H. J. Bachmann, who has worked with the Editor so faithfully and so well.

The Editor is grateful for the privilege of serving the Fraternity, in this, the 62nd year of unbroken publication of the ARROW.

REPORT OF THE GRAND TREASURER

410 Robeson Building
Champaign, Illinois
September 5, 1946

To the Grand Council of Pi Beta Phi Fraternity
Office of the Grand Treasurer, Champaign, Illinois

DEAR MESDAMES:

AS REQUESTED, I have examined the records of Lois F. Stoolman, Grand Treasurer of the Pi Beta Phi Fraternity for the fiscal year ended July 31, 1946. The following statements, which are taken from the books and accounts, set forth the financial condition

of the Fraternity as at July 31, 1946 and the results of operations for the year that ended that date.

A summary of the cash balances at July 31, 1946, exclusive of Endowment Trust Funds, is as follows:

United States Banks:		
Trevett-Mattis Banking Company, Champaign, Illinois Checking Account ¹		\$ 8,683.26
Busey First National Bank, Urbana, Illinois, savings account	\$ 2,050.00	
Trevett-Mattis Bank, Champaign, Illinois, savings account	1,742.80	
First Trust Company, Lincoln, Nebraska, savings account	4.87	3,797.67
Canadian Banks:		
Royal Bank of Canada, Winnipeg, checking account		80.52
Total		<u>\$12,561.45</u>

¹ Including some receipts and transfers of funds from other bank accounts made after July 31, 1946, but recorded as of July 31, 1946.

The above cash balances were verified by examination of savings pass books and statements from the various depositories of the checking account balances. All records were found to be in agreement.

All Trust Fund cash was verified from Statements from the depositories, and were found to be in agreement with the records.

Accounts receivable, advances to officers, mortgage balances receivable and student loans were not verified by direct communication. All mortgages and notes were examined, however, and balances owing to the Fraternity were properly supported by necessary documents. All securities were verified. Those in the hands of the Grand Treasurer were examined. Those in the hands of the depositories were verified from statements submitted by the responsible parties.

CERTIFICATE

To the Grand Council of the PI BETA PHI FRATERNITY:

I have examined the records and accounts of Lois F. Stoolman, Grand Treasurer of Pi Beta Phi Fra-

ternity for the fiscal year ended July 31, 1946. I have also examined the attached statements setting forth the financial condition of the Fraternity as of July 31, 1946, and the results of operations for the year ended July 31, 1946.

Cash receipts from all sources were traced into the various accounts in the Treasurer's records and were found to have been properly deposited in their respective bank accounts. Cash disbursements, as evidenced by cancelled checks, have been compared with the Treasurer's records and found to be in agreement with same. Securities belonging to the various funds are carried on the books at cost.

All securities and cash balances have been verified from statements submitted by the various depositories.

It is my opinion that the attached statements properly reflect the results of operations for the fiscal year ended July 31, 1946 and the financial condition of the Fraternity at July 31, 1946.

Yours sincerely,
ARTHUR H. WINAKOR
Certified Public Accountant

With the submitting of this report your Grand Treasurer has completed her twenty-first year in this capacity. It has been a great pleasure to have been so closely associated with Pi Beta Phi in these years of real progress and continued great growth.

She is indeed grateful to have had through this entire time the inspiration which working with your Grand President always affords. Words cannot express

all the happiness that has come through the close contacts with members of Grand Council, the Founders, the officers, the Alumnae and members of the active chapters.

Respectfully submitted,
 LOIS FRANKLIN STOOLMAN
 Grand Treasurer and Chairman of the

NPC REPORT

To the Pi Beta Phi Fraternity:

WITH the fall of 1945, the cycle of almost fifty years represented in the rotation in office system came to an end and Pi Beta Phi again assumed the chairmanship of National Panhellenic Conference. It is inevitable that national and international conditions of transition, unrest, and confusion should affect fraternities just as they do all other institutions and that the responsibilities of this chairmanship of an interfraternity group should consequently seem even more heavy than usual. Your Delegate has been strengthened and encouraged by the unflinching support of the fraternity's Grand Council and she is confident that from the fraternity at large she may expect and will receive the same needed and heartening cooperation and help. She asks that each active chapter make a real interest in a well-functioning, strong College Panhellenic on its campus, its stand for the finest things in interfraternity relations, its true friendliness, and its insistence that all chapters, including its own, represent the basic principles of its national fraternity even more evident than in the past. Fraternity alumnae as a whole have failed to give enough thought to the part which they could play in the field of education and National Panhellenic Conference itself has failed to enlist the invincible reserves which lie in the almost half million NPC fraternity alumnae. Because Pi Beta Phi's large number of strong alumnae clubs means that its own alumnae have available in these clubs an opportunity for the most treasured fraternity contacts possible for any alumna, it is perhaps understandable that Pi Beta Phi support for City Panhellenics has been both less great and less enthusiastic than it should have been. The time is long past when talking about ideals of interfraternity cooperation is enough; the proof of these has always lain in the doing. Not just because actives and alumnae are willing to accept responsibility for giving their NPC Delegate support at a time when she must carry very heavy responsibilities in the fraternity world but because they know that the cause of fraternities deserves and should have their full support, your Delegate hopes that the coming two years will find Pi Beta Phi chapters and alumnae clubs making outstanding contributions to the success of both college and city Panhellenics.

Too much could not be said about the need for the alumnae of Pi Beta Phi to take their full part in assuring the future of the fraternity system in America. Dr. Lucile Allen, Councillor of Students at Cornell University, in an address given recently before the College Panhellenic of Syracuse University, said: "There are perhaps new questions in your mind because so recently you have, as has most every other institution in the frame-work of our civilization, been attacked. The effects of such attack may have been first to bring about new fellowship, but second, I believe, it has been a challenge to the thinkers among your leaders to re-examine the objectives of the individual groups, as well as Panhellenic, to see whether the chapters and the individuals within the chapters are making their ideals those of the Panhellenic Creed.

"We, the fraternity women of America, stand for the preparation for service through character building inspired in the close contact and deep friendship of fraternity life. To us, fraternity life is not enjoyment of special privileges but an opportunity to prepare for wide and wise human service."

It is significant that this creed rejects special privilege, accepts responsibility to develop people of character, and further accepts responsibility for *service—wise and human service*. Leadership guided in its development by this creed can inspire the individual to help enrich the whole of campus life. . . . As a part of a great tradition, whose effectiveness and efficiency, whose reputation and character, lives in its members, you have a real challenge. . . . As I said in the beginning, you have been challenged; I hope you study the point of view of the challenger, that you rationalize nothing, that you evaluate the criticism: (1) perhaps discounting attack on such universally accepted processes as selectivity; (2) but correcting practices of special privilege or thoughtlessness that may have grown from careless administration; (3) accepting with grace, unjustified, adverse comments; and (4) working without malice or prejudice actively in your local and national program to realize the ideals you stand for."

The Law Committee of the NIC recently sent to the presidents and deans of all colleges and universities on whose campuses there are fraternity chapters a letter telling of the hope of NIC that Congress would amend the Internal Revenue Code in such a way that it would provide specifically for exemption and deductibility for income, estate, and gift tax purposes for gifts to all legitimate college fraternities (men's and women's) general, professional and honorary. Among other things the letter said: "We believe that fraternities constitute an integral part of the life of the colleges. We believe that, in providing rooming, dining, and social facilities, they are acting as an adjunct to the college, performing a college function. We believe that, while they may and do have many social aspects, nevertheless the social, no less than the literary, the scientific, the philosophical, or the technical, is a part of educational development and a part of the college function. In short, we believe that, in all their activities, including social activities, fraternities participate in and supplement the work of the college in promoting scholarship, leadership, and character. We want to know whether, in your opinion and in the light of your experience with fraternities, these beliefs are justified. We are convinced that any chance of success in our proposed undertaking will depend primarily upon our ability to convince the various committees by which such legislation must be considered that our beliefs are founded on fact. Certainly, the college administrators are the ones best qualified to testify to the part that fraternities play in the work of the college. Certainly their testimony on this point should be given and will be given the greatest weight by any Congressional committee. The Law Committee of the Conference is willing to undertake the work of bringing this matter before Congress if, and only if, the undertaking has the approval and support of a substantial number of college presidents, deans, and other officials. Will you cooperate by writing us a letter stating whether in your opinion the college fraternity is predominantly educational in its purpose and accomplishments and does perform the function outlined above?" Mr. David Embury, Chairman of this Law Committee, recently reported that he had anticipated perhaps a hundred letters in reply, with 25% definitely favorable in their comments, 25% unfavorable, and 50% noncommittal but that already he has received more than 200 letters

with less than 3% unfavorable and with 65% not only favorable but for the most part enthusiastic and promising any possible additional assistance.

As never before, all fraternities—men's, women's, professional, and honorary—are uniting in a program not only to make fraternities live as they really are for non-members who know them only from the outside but to make them live for members as their expressed ideals make it possible for them to do. Your Delegate has been privileged to attend the recent meetings of the National Committee on College Fraternities and Societies and the Interfraternity Research and Advisory Council (made up of representatives of many interfraternity organizations), groups of outstanding, serious-minded men and women who believe in fraternities and who love them deeply. Their work of insuring that fraternities live up to their best possibilities and that they are recognized as an important factor not only in the field of education but also in the civic and national life of America and Canada must have back of it the support of all the individual fraternity women and men who, in their own lives, have found their fraternities important factors in character development, an incentive to live up to one's greatest possibilities, and a source of immeasurable riches in deserved friendships. The truest loyalty to one's own fraternity has back of it a knowledge of and a deep appreciation for the other fraternities which make up our American college fraternity system. Pi Beta Phi—active and alumnae, but perhaps especially alumnae—in the present crisis, when, as Dean Allen said, "Fraternities as most every other institution in the framework of our civilization," have been attacked, have an opportunity which they must not pass by of making their belief in fraternities and their support for them a strong foundation stone upon which the fraternity system may build a future finer even than its past. To their service to Pi Beta Phi must be added definite, evident, and effective support for the interfraternity cooperation which makes a new day for us all.

Reports to the 1945 National Panhellenic Conference showed that the two-year interim between meetings had been one of progress and growth. Chapters newly inactive during those years, including the nine chapters lost because of action by the Board of Trustees of Stanford University, numbered only twenty-one while new chapters installed since 1943 numbered thirty-six. Since the compilation of this data as of September 1, 1945, many new chapters have been installed by NPC fraternities and have seemed to set a record for such installations in a brief period. The interest in nationalization has never been greater on the part of both local groups and college administrators, and NPC fraternities seem to be entering upon a period of great expansion. Of special importance is the great gain in the number of organized alumnae groups, with 172 new groups added to fraternity lists since 1943 and with a total, on September 1, of 2285, of which Pi Beta Phi claimed 212. The total number of chapters of NPC

fraternities on that date was 1146 and the total number of members living and in good standing was 442,913. What a potential force for good these fraternity women represent!

Every fraternity member should feel a deep pride in the contributions made by NPC fraternities to all forms of war service. Millions of dollars in sales of war bonds; gifts of ambulances, service automobiles, libraries, kits, and other needed supplies; scholarships for nurses (in addition to Pi Beta Phi's own scholarships for physiotherapists); layettes for babies; countless hours given to the Red Cross and its knitting, bandage rolling, and other activities, to the USO and other similar organizations; countless gallons of life-saving blood given to transfusions; hundreds of members enlisted in the uniformed forces—make only a most inadequate list of the loyalty and service which fraternity women in the United States and Canada made so evident. The Interfraternity Research and Advisory Council expects to release in the near future a bulletin which will give information about the regular altruistic projects of NPC fraternities and about their war service and it is hoped that all members of Pi Beta Phi will study the bulletin upon which they may build increased confidence in the value of fraternities.

Speaking for The National Panhellenic Conference, The National Interfraternity Conference, the Professional Interfraternity Conference, The Association of Education Sororities; and the Professional Panhellenic Association, the Interfraternity Research and Advisory Council has issued the following statement of principles which should be given full consideration by every Pi Beta Phi as a true expression of the right of the American college fraternity to its democratic privilege of choosing its members:

"The American College Fraternities and Sororities have developed over a period of one hundred and seventy years. Throughout all that time they have exercised their established rights to govern themselves and to select their own members. Their proud war records evidence once again the soundness of these democratic rights. Originally guaranteed by the Constitution of the United States in prohibiting any abridgement of the right of assembly, which embraced the right to form voluntary associations, they have been re-enunciated in the Charter of the United Nations as fundamental freedoms to which every human being is entitled. Therefore the Interfraternity Research and Advisory Council reaffirms the policy of the American College Fraternities and Sororities in exercising these rights irrespective of the views of any non-members, as essential rights."

The responsibility of fraternities is not to make explanations for their system of selection but to justify their selection by making their influence one which will self-evidently be of value not only to their members but to the college campuses and to the widespread communities of our two great nations which are served by them. Wise use of privileges means that their benefits cannot be and are not limited to the few who immediately have them; but instead affect first local communities, then sections, and eventually entire Nations where influences for the best and finest things are never really lost.

AMY BURNHAM ONKEN

ASSISTANT TO THE GRAND PRESIDENT

THIS year has been one of great happiness for the Assistant to the Grand President, because of being free to devote more time to Pi Phi. She has been able to visit the chapters of Beta and Epsilon Provinces since January, during which time she had the pleasure of seeing the presidents of both provinces; of meeting and knowing so many fine alumnæ; and of enjoying such splendid chapters. To visit with these actives and pledges was a real privilege which renewed one's faith in the future of mankind and made one feel that the future of Pi Beta Phi would be secure in their hands.

A very special joy was to visit with Miss Onken in January in her home and at the same time have the opportunity of attending a meeting of her club. Closer association with our Grand President has meant added happiness in meeting the responsibilities of this office as her assistant, and has brought a keener realization of the tremendous devotion and loyalty which Miss Onken gives daily to Pi Phi and to National Panhellenic whose chairman she became during the past year. Pi Beta Phi and NPC are indeed more than fortunate in having such a leader. Words of gratitude for the help and guidance rendered always to this officer by Miss Onken are all too inadequate.

Supervision of the work of rush captains and of pledge supervisors has been carried on throughout the year beginning with a summer letter to rush captains reminding them of their responsibilities, with particular emphasis upon the requirements of NPC and of Pi Phi. A questionnaire was attached which when completed gave this officer some idea of the thoroughness with which the rush captains were carrying out their duties. Correspondence is the only contact the Assistant to the Grand President has with most chapter officers during the year, so that the conferences she has with rush captains and pledge supervisors during chapter visits mean a great deal.

Additional correspondence with rush captains came in February when a follow-up of the major rush period took place as well as suggestions for preparation for spring rush, and for the balance of the year. Knowledge of one's office and preparation of the chapter for rushing are so very important that too much stress cannot be placed on them.

Numbers of girls pledged and initiated during the year will be given in the report of Central Office and from those figures you will see that once more Pi Beta Phi has enjoyed a very satisfactory year. However, figures do not tell the whole story, but if the pledges and actives of Beta and Epsilon Provinces are any indication of the quality of girl we are giving the privilege of a bid and of membership, then we need feel only pride in the general excellence of our fraternity.

Pledge supervisors received two letters from the Assistant to the Grand President. The Fall one covered requirements to be met by the pledge supervisor and suggestions for meeting her responsibilities. Here again one is dependent upon correspondence to give a picture of each campus and chapter, the pledge group and its meetings. It would appear that the pledges once more received careful supervision from their respective supervisors.

Health certificates are required each year from each

chapter maintaining a house where there are employees who handle food. These employees are required by the fraternity to pass each year a clear health examination before employment or re-employment. It is a responsibility of this officer to see that these certificates are obtained by the chapters concerned and to this end a questionnaire is included in the Fall supplies to be completed by the chapter president showing that this requirement has been met.

Since Canadian chapters and clubs are still allowed to have their fees, contributions, etc. deposited in Canada because of the rate of exchange, it has again been part of the duties of the Assistant to the Grand President to receive all such cheques and deposit them, reporting monthly to the director of Central Office and to the Grand Treasurer, as well as reporting twice a year to committee chairmen and province officers concerned. This has been a pleasant added contact.

One cannot speak too highly of the wonderful support and assistance of Mrs. Purdunn and her staff at Central Office. To know that all requests will be met promptly means much to the organization of the fraternity and has meant a great deal to this particular officer—her appreciation for such service goes very deep.

In addition to chapter visiting it was the pleasure and privilege of the Assistant to the Grand President to represent Grand Council at the Theta Province conference of chapter presidents and pledge supervisors held in Minneapolis over the Labor Day week-end. She has enjoyed this province's conferences since their inception a few years ago. She has found them a great inspiration, this last one particularly so, and in her estimation they have been of great worth to both the chapters represented and officers in attendance.

And now at this time of writing the thought of convention is uppermost in everyone's mind. It has been a real joy to assist the Grand President in helping the chapter delegates prepare themselves for convention, and in drawing up plans for conducting the pre-convention conferences of province presidents. Too, it was a real thrill to tell the chapters visited about the past conventions. One cannot but look forward with great joy to this meeting of Pi Phis.

During these past six years personal contact with members of Grand Council has been very limited. Therefore, it was a most pleasant surprise to find the Grand Vice-President on the train between St. Paul and Winnipeg, and be able to visit with her then and for a couple of hours in Winnipeg. The Assistant to the Grand President, for one, has missed greatly these personal contacts, but has enjoyed what association she has had through correspondence with members of Grand Council and wishes to express her sincere appreciation to them for their assistance, and to Lois Finger whose resignation has meant for the present a sad loss in fraternity personnel.

It is with this feeling of appreciation and of humble gratitude for the privilege of serving our fraternity that the Assistant to the Grand President closes her report.

Respectfully submitted,

ISABEL A. CLARK

ASSISTANT TO THE GRAND VICE-PRESIDENT

SINCE we last submitted reports Peace has come to our country. And in the words of Tennyson it does indeed "lie like a shaft of light across the land." It has brought with it longed-for changes. Province vice-presidents without exception are reporting progress and growing enthusiasm within their clubs. Club memberships are more stable; attendance has grown with the disappearance of transportation difficulties; volunteer efforts in war work are being diverted to fraternity projects; there are fewer changes in officer personnel; and finally inactive clubs are coming to life again, and new ones are being organized.

The organizing of these new clubs is the special concern of this office so we are naturally proud to be able to welcome into the circle of the alumnae department the recently chartered clubs of South Coast, California; Norfolk, Virginia; Wilmington, Delaware; and Bryan, Texas. Letters of greeting have been sent to these clubs. Other groups are in the process of organizing. Still other areas are fertile fields for the future. One of our new clubs will be represented at convention—an excellent beginning to be sure.

It is interesting to note that interest in rushing on the part of alumnae is often the means of getting together with the final result being a new club. Founders' Day is also an occasion for bringing Pi Phis together. For those who do not now enjoy the pleasures and privileges of an alumnae club, we urge you to lay your plans now for a club next year.

Each new club means added prestige for the fraternity, it offers an opportunity for local publicity that can at the same time send high school graduates to our campuses with an awareness of Pi Beta Phi, and it can help educate the public at large to the benefit of fraternity membership and the good such organizations do, and it brings the individual new and lasting friendships.

Suggestions for the four required meetings were taken from the club questionnaires of last June and sent to the clubs in the fall. When programs came in

later in the fall and questionnaires this spring it was gratifying to learn that these suggestions had been used in many instances.

Monthly letters from the province vice-presidents kept us informed on the successes and problems of each club. We were delighted to be able to work with these officers and to lend help whenever possible.

Mothers' Clubs continue to serve their respective chapters. Tennessee A Club again contributed to the Settlement School. It was our privilege to attend the annual meeting of the Indiana E Club. Special pleasure was derived from the bouquet of flowers sent by the Alabama A Club upon the occasion of our visit to that chapter. The fraternity owes these clubs a debt of gratitude for their always fine service.

We visited for Grand Council Alabama A, Georgia A, Florida A, B, and T, Massachusetts A and B, Maine A, Nova Scotia A, Vermont A, and Connecticut A. We regretted that school schedules prevented our knowing Vermont B, and that the return from overseas of Colonel Wild also prevented the carrying out of plans to visit Arkansas A, Illinois Z and H. The celebration of Founders' Day with the Kansas City Alumnae Club and the Kansas and Missouri chapters also had to be cancelled much to our sorrow. We especially enjoyed the meetings with all of the advisory committees and with the alumnae clubs of Atlanta, Georgia, Birmingham, Alabama, Portland, Maine and Halifax, Nova Scotia. We attended State Day in Indiana and helped Indiana A actives and alumnae celebrate their twenty-fifth anniversary.

As we come to the end of another year we pay our deep respects to the members of Grand Council for their wise leadership. It is always a pleasure to work with them. We feel honored to have served Pi Beta Phi, and to have had a small part in the progress of which all reports speak.

Respectfully submitted,

MARIANNE R. WILD

ASSISTANT TO THE GRAND TREASURER

CHAPTER HOUSE CORPORATIONS

I HAVE received a report from each treasurer of the 51 house corporations on my list. I have received the \$5 bond fee from 41 of these treasurers. The other ten either have local bond or use finance companies. This has meant several letters to some, and at least two to each of the prompt ones.

Fourteen houses are free from debt. Substantial reductions in indebtedness have been made on almost all houses, some reduction in the rest. Several corporations should be able to "burn mortgages" this coming year.

There is a good deal of variation in the amount of rent paid by the chapters to their corporations. I think that the business-like way is to make the yearly rental about 10% of the total investment. I have suggested this to several corporation treasurers where the chapter does not seem to be paying enough rent. As mortgages are cleared, I tell them not to lower the rent but to build up the depreciation fund. I suggest investing so much per month in a reliable local Savings and Loan Association. Many have invested in war bonds during the last two or three

years. Most of the houses are in good repair. All corporations spend a good deal each year on repair and upkeep.

Two new corporations have been formed, Michigan T and Massachusetts B. Both hope to build as soon as possible. Correspondence has been carried on with Indiana E, Connecticut A, and North Carolina A but no word of a definite organization has reached me from any of them.

The reports from Arkansas A and Oregon B come from the chapter treasurer which is not a very satisfactory arrangement. I wish they could be persuaded to have an alumnae treasurer for their corporation.

The finances of the Georgia A House Corporation do not seem to be in as good a condition as they were two years ago. I received no report last year although I tried very hard to get one. The reports are as follows:

	<i>Assets</i>	<i>Liabilities</i>
1944	\$21,542.48	\$18,893.99
1946	22,346.53	20,129.47

As the report came only a few days ago, I have not had time to find if there is a mistake in it.

There was a payment made to Mrs. Morton of \$1,000 plus \$270 interest. \$747.92 was spent for repairs and redecoration.

DELINQUENT ACTIVES

Mrs. Flint sent me lists of delinquent actives in July of last year. There were 12 chapters that had delinquents. I wrote to each chapter treasurer and heard from most of them once and some twice. Most of the debts were cleared up. As I understood the plan, Mrs. Flint was to send me lists at the end of each semester. I have received nothing from her since last July. I haven't been sorry!

I heard from 35 chapter treasurers, at the time specified in the ARROW, ten having delinquents, 25

having none. I wrote to all who reported delinquents and in a few cases wrote to the delinquent. Most of these debts were cleared. I did not have time to write to those who wrote so proudly "I am happy to report that we have no delinquents." "We have never had any." I thought of a mimeographed card of congratulation which I might have had time to address. One year I sent a postal card to treasurers who did not report and heard from a few more. Of course no report is necessary when they have no delinquents but if they do not write how do I know they have none? It is not a very satisfactory procedure at present.

LILLIAN B. HOLTON

NATIONAL HISTORIAN

THE HISTORIES of the active chapters of Pi Beta Phi for the past year, which is the 79th year since the founding of the Fraternity, have been duly recorded by the chapter historians. The chapter history written for the 1945-1946 school year which best meets the requirements for a chapter history as set forth in the "Manual for Chapter Historians" is the history of Iowa T, written by Mary Myers. The Iowa T chapter will be in possession of the Nita Hill Stark History Vase for the school year of 1946-1947 as the award for the best chapter history written for the immediately past year.

During the past year additional books for the Pi Beta Phi Library, which is composed of books written by members of Pi Beta Phi and books about members of Pi Beta Phi, have been received by the National Historian from Mary Elizabeth Lasher, editor of the "From Pi Phi Pens" department of the ARROW, and from individual members of Pi Beta Phi. These books have been catalogued by Majora Carey, Missouri A, who has catalogued the Library from its beginning.

Other acquisitions for the National Archives for the 1945-1946 year include:

A program of the 30th Biennial Convention held at Asbury Park, N.J.—June 22-27, 1931.

Seven pictures made at Asbury Park Convention, 1931. Donated by Katherine Jones, Missouri T.

Program of Oklahoma A-Oklahoma B Founders' Day Banquet. Donated by Eloise Glazner Hensley, Oklahoma B.

Letter written by Anna Lytle Tannahill in 1927 giving the history of the scholarship committee.

Picture of Iota Province including pictures of Mrs. Soule, Mrs. Libbey, and Mrs. Gaddis, Founders, at the 1925 Convention. Donated by Harriet R. Johnstone, Washington A.

Pi Beta Phi Recognition Pin. Donated by Catherine Patterson Stuart, Oklahoma A.

Pi Beta Phi Pledge Pin. Donated by Marie Borries, Michigan B.

Signatures of seven Founders. Donated by Ann Robinson Nickerson, Massachusetts A.

Pi Beta Phi Banner. Donated by Josephine Rogers Carper, Iowa A.

Letter from Fannie Whitenack Libbey. Donated by Mary K. Lutz, D.C. A.

Pi Beta Phi Mothers' Pin. Donated by Louise Rosser Kemp, Oklahoma A.

The National Historian visited the Oklahoma A chapter twice during the past year and spoke in-

formally to the chapter members during one of the visits.

The National Historian had two interviews during the past year with members of Pi Beta Phi who have done international war work. One interview was with Mildred Bailey, Missouri A, who, at the time of her promotion, was one of the fourteen women holding the rank of lieutenant colonel in the Women's Army Corps, and who had charge of five thousand women in the Pacific area during a part of her service. The other interview was with Allice Locke, Oklahoma A, United States Army Special Service, who installed and for two years directed Service Club No. 1 at Camp Gruber, Okla., and who installed a service club for the 82nd Airborne Division in Berlin, and who installed a similar club in Munich where she now serves.

For the betterment of the National files five volumes of Convention Dailies were bound, three pictures of Founders enlarged, a file for Fraternity pictures arranged and the index of the ARROW file continued. The National Historian prepared an exhibit of historical material for the 1946 Pi Beta Phi Convention held at Swampscott, Mass. The exhibit included pictures, books, Pi Beta Phi jewelry, and other items which are parts of the Fraternity.

This national officer wishes to thank the Pi Beta Phi Fraternity for the privilege of serving as national historian, the office which carries with it the opportunity of studying the complete structure of the Fraternity and therefore, with thorough knowledge, of appreciating the basic principles of the Fraternity, of recognizing the diligence and integrity of the members of Grand Council and other national officers in preserving these principles, and of appreciating the loyalty of the members at large who have built and will continue to build the Fraternity.

The National Historian wishes to express her appreciation to the Grand President for her continual inspiration and constant help; to the ARROW Editor for her faithful cooperation; and to the Director of Central Office for her thoughtful aid at all times.

The National Historian wishes the Fraternity continued growth towards the goal which the Founders set and towards which successive members have striven, and wishes for the wearers of the arrow down the years to come all of the fineness, happiness, and peace which is to be found in Pi Beta Phi.

The Central Office has been busy with changes of addresses this year and the kind of letter it enjoys receiving is one that begins—"We now have a *permanent* address for the Central Office as fol-

lows—" It is hoped that many of the "lost" and discontinued ARROW subscribers will be reinstated on the mailing list in 1946-47.

Again supplies have been difficult to secure this year. However we have received 300 yards of white sateen which will be made up this summer for distribution to chapters requiring robes next fall; a shipment of cook books in June; the promise that song books will be ready soon for distribution, so it is hoped that 1946-47 will be a normal supply year and one in which efficient service from the Central Office may be expected.

After two years absence from the Central Office, the present director was happy to be appointed in November to succeed Louise Bresee Shappert who resigned after faithful and efficient directorship of the Central Office, for the past year.

It has been a privilege and an inspiration to work with the members of Grand Council, national officers, active chapters, alumnae clubs, individual members of Pi Beta Phi and the Central Office staff.

Reports of Province Presidents

ALPHA PROVINCE EAST PRESIDENT

A WORKSHOP for chapter presidents and pledge supervisors again started off the year in August, 1945. Present for this two-day conference in Boston were: Connecticut A, Agnes Anthony, Jean O'Brien, Maine A, Winona Edminster, Evelyn Foster, Massachusetts A, Mary Hoague, Rita Jagiello, Massachusetts B, Violet Zych, Claire Healy, Nova Scotia A, Eileen Phinney, Vermont A, Bette Bertschinger, Nancy Fitz, and Vermont B, Mary Lou Robinson and Nancy McNamara. Discussion were held on all the major phases of fraternity work and Beth LeRoy graciously came in to speak to us on the Settlement School and showed some Arrowcraft. Saturday evening Boston alumnae and actives took us to dinner and the evening was spent with skits and songs by each chapter and by the whole group. A great deal of appreciation is due Massachusetts A actives and alumnae for their help in making the conference a success.

Chapter visits were made throughout the fall and into January and as always these visits proved to be among the privileges of the office, each one being a thoroughly enjoyable experience. The chapters were found to be in good condition and suggestions were received with eagerness.

Scholarship showed general improvement in the province this year. Nova Scotia A held first place on its campus last June and, although it does not get mid-year averages was very probably still in first place in January, 1946, since the margin it held over A Γ Δ was several points. Connecticut A held second place in June, 1945, and first in February, 1946. These two chapters were named to have representatives in the lines for the model initiation at Convention in recognition of first place in scholarship. Maine A was in second place both last June and in February. Vermont A raised its average from sixth place to third and Vermont B from fourth to second. Maine A had one election to Φ K Φ, two to O N (honorary Home Economics), and one to Neai Mathetai (ten highest ranking freshmen women). Massachusetts B had two elections to Φ K Φ. Other chapters had not reported at the writing of this report.

Extra curricular honors were numerous but perhaps the most outstanding were these: Connecticut A had 4 of the 8 Laurels (similar to Mortar Board) chosen, Ed-in-Chief of *Campus*, 5 *Who's Who in American Colleges and Universities*, Σ A I (honorary journalism), Military Hop Queen and runner-up, 6 Junior Counselors. Maine A, 2 All Maine Women (similar to Mortar Board, presidents 2 dormitories, presidents of O N, French Club and WAA, 2 Sophomore Eagles, and Ed-in-Chief *Prism*. Massachusetts A, Ed-in-Chief *Beacon*, Presidents Chemia and Fox Hall. Massachusetts B, president SCA, Chief Justice WSGA, Carnival Queen, 3 *Who's Who*, Ed-in-Chief *Freshman Handbook*, presidents WAA and Bacteriology Club; second place in snow sculpture contest. Nova Scotia A, presidents Δ Γ, Midlothian, Δ Γ Athletic Club, Munro Day Queen, 4 Gold D awards. Vermont A, presidents

3 dormitories, Junior Marshal and Chairman Culture Conference. Vermont B, president French Club, 5 elections to Sophomore Aides, first prize in Junior Week Float.

The Amy Burnham Onken Award for the Province went to Nancy McNamara, Vermont B; the Portland Club Sophomore Award to Helen Hicks, Vermont A.

Massachusetts A joined with the alumnae in celebrating the 50th anniversary of the founding of the chapter in a tea at the Women's Building, followed by a buffet supper and program.

All chapters were again contributors to the fraternity's national projects, making the chapter 100%. Magazine commissions were earned for the Settlement School by each chapter and, according to the mid-year report, in all but one instance the commissions showed an increase over the same period the previous year.

Alumnae Advisory Committees continued their faithful, untiring work and many times helped smooth out problems and I know the chapters join with me in expressing very real gratitude for their loyal assistance.

Housing conditions vary but little. The major change is that Massachusetts B had to give up the Θ X house in June (1946) with the returning of the boys this fall. Many months were spent in seemingly fruitless search but at last a house was found which would do, after considerable remodeling and renovation. It is expected that it will be ready for occupancy by the time this report appears. At Middlebury the College had doubled the rent for the chapter rooms but the chapter hoped to be able to sublet them during the summer to help finance the extra expenditure.

Massachusetts B and Connecticut A were both losing their house mothers with much regret. Mrs. Cole at Storrs and Mrs. Van Orden at Amherst have both done much for the chapters and will be greatly missed. Vermont B was pleased to be able to obtain the services of Mrs. George Moore, mother-in-law of Rayelen Prouty Moore.

Anti-fraternity agitation was existent on both the Vermont campuses and the situation at the University of Maine frequently verges on "active opposition" to women's fraternities. A Panhellenic organization was started in Bangor and was well attended. An attempt is being made to create better understanding between the fraternities and the university.

As I close this report preparations are being made once more for Convention and I look forward to renewing many friendships made during my term of office and meeting still new friends in Pi Beta Phi. Once again I am keenly aware of the thanks I owe to all who have helped so much to make the years I have spent in office a happy and inspiring time and I wish to take this opportunity to say a sincere "thank you" to all officers, alumnae and actives.

HAZEL SAWYER EVERETT

ALPHA PROVINCE WEST PRESIDENT

ANOTHER eventful year in Pi Beta Phi has passed and as I take inventory I am glad to note many gains in the chapters in this Province. The third conference of chapter presidents, held again at the General Brock Hotel in Niagara Falls, Ontario, Canada, in August 1945, was a wonderful preparation both for the chapter presidents and myself for the duties that lay ahead. All of the chapter presidents were in attendance, with the exception of the president of Ontario A, who was represented by the pledge supervisor. The two days spent in conference, covering every phase of chapter work, gave us all a feeling of readiness and enthusiasm to start the year's work.

Chapters in this Province have had some outstanding honors this year. Ontario A has had the President of the Third Year of Physical and Health Education, three girls on the Executive of the University College Women's Association, five girls in the University College Follies, which is the big theatrical event of the year. A Pi Phi was chosen as an Exchange Student to study at Smith College during the current year. Pi Phis are active in all types of sports which are the chief activities on this campus, where activities do not hold the important place they have on most other campuses. A member of our chapter has been president of the second year in Occupational Therapy, another Pi Phi has been Athletic Director of University College. A talented Pi Phi, who has had the leads in a number of plays at the university, played an important part in *Our Town*, which I was privileged to see during my visit with this chapter. Several girls in the chapter are active in the Red Cross Transport Service.

This year Ontario B has had the Social Convener on the Women's Council, two girls on the Executive of the Canterbury Club, Convener of the Co-ed Prom. A Pi Phi represented the University of Western Ontario at the Annual At-Home of the University of Toronto in Toronto; another Pi Phi represented the university at the Canadian University Press Conference held at the University of Western Ontario. The university's paper, *The Gazette* took second place in the Canadian University Press contest, to determine the best college newspaper in Canada. The fact that the Editor in Chief and the Assistant Editor were both Pi Phis is one to make us proud. Four Pi Phis served on the reportorial staff of this same paper. Two of our girls have been active on the staff of the *Occidental* (yearbook). The president of the International Student's Service has been a Pi Phi and thirteen members of our chapter took part in the campaign put on by this organization. Two Pi Phis served on the Freshman Welcoming Committee, four girls appeared in *The Follies*, theatrical production, and a member of our chapter was chosen Queen of the Arts Ball by the student body of the university. A Pi Phi was crowned queen of Western's campus. The chapter had one member elected to the Honour Society, highest honor to be given to women students at the university. This year there were three Pi Phis on the university swimming team, two on the university basketball team, two on the badminton team and three active in the Ski Club. Of thirty awards given to women at the University Athletic Banquet, thirteen went to Pi Phis.

At New York A a Pi Phi was chosen by the student body as Miss Syracuse, most popular woman student in the university. Another Pi Phi was elected by the football team to reign as Queen at the Dartmouth

game in the fall. The chapter won the inter-sorority swimming cup for the third consecutive year, which entitles us to hold the cup permanently. One of our girls had the second highest score in the national bowling league with 20 universities competing. This year the chapter has had eight Junior Guides, three Senior Guides, five Sophomores in Triple S, which is a training ground for Junior Guides. It has had the Chairmanship of the important Traditions Commission, Secretary of the Women's Athletic Association, Secretary of Town Hall, a member of Women's Student Senate, a member on the Junior Executive and two members of Senior Executive. Five Pi Phis have been serving as Grey Ladies. Elections to honoraries have been as follows: One to $\Pi \Delta \Theta$, two to $B \Gamma \Sigma$, two to $T \Sigma \Delta$, two to $\Sigma A I$, one to ΨX , and one to $\Sigma I E$.

Two Pi Phis at New York Γ received News Bureau keys this year for three years' service in the News Bureau. These girls have been serving as Feature Editor and Circulation Editor. Three girls are on the staff of the *Hill News*, as well as several others writing and working for positions. Pi Phis hold the positions as Managing Editor, Contributing Editor, and Girls' Sports Editor. A Pi Phi has been serving as Associate Editor of the *Gridiron*; others as Senior Editor and Sports Editor of the same publication. The humor magazine, *The Scarlet Saint* has Pi Phis as Assistant Editor and Co-ed Editor, as well as two members of our chapter who serve as co-business managers. The *Laurentian* has two Pi Phis as business staff members. The chapter has had the president of Mummies, dramatic society, two cheer leaders, secretary of Women's Athletic Association, Treasurer of Women's Athletic Association, Secretary-Treasurer of the Junior Class, Vice-President of the Junior Class, two major roles in the play *Blübe Spirit*, and Secretary-Treasurer of the Thelomathesian Society. Three Pi Phis were recently elected to the Radio Workshop Staff for program planning. Pi Beta Phi was well represented in the sports on campus. During the Winter Carnival, a member of our chapter won the women's Skiing competition. Our chapter's ice statue, a model of Pinocchio, won the cup as the best sculpturing in the competition. The manager of basketball is a Pi Phi and the managers of Volleyball and Golf are both Pi Phis. A Pi Phi was recently elected to the presidency of $\Sigma \Pi \Sigma$; three Pi Phis were elected to $\Pi \Delta E$, of which the president is a Pi Phi; two to $B B B$, one to $\Gamma \Sigma E$. St. Lawrence University is extremely activity conscious and our chapter there holds an outstanding place in activities on campus.

New York Δ has one member of Mortar Board, three members of $\Phi K \Phi$, three members of Raven and Serpent, one of $O N$, one of Ye Hosts (hotel honorary), the only woman member of this honorary, and one member of $\Phi \Lambda \Theta$. Pi Phi has a member on the "Cornell Countryman" staff, the Business Manager of the "Cornellian" and a member of the Business Board of the same publication. Several Pi Phis are active in W.S.G.A., one active on the Student Council. Several Pi Phis are on Willard Straight Committees and the only woman member of the Board of Managers of Willard Straight is a Pi Phi; another serves as Co-Chairman of the Social Committee. Our chapter has the Council Manager of W.A.A., the Presidency of the Junior Class, Vice-Presidency of the Senior Class and the Secretary-Treasurership of the Junior Class. Two Pi Phis are members of Arete. One mem-

ber of our chapter is a member of the Sophomore Class Council. Margaret Newell, winner of the Amy Burnham Onken award for this Province, received the Borden Award of \$300, going to the Senior in the College of Home Economics with the highest scholastic average.

Although New York Δ feels especially honored in having Margaret Newell win the coveted Amy Burnham Onken award, other chapters are to be commended for nominating outstanding girls for this award. It is always a very difficult choice for the Province President to make because all chapters nominate girls who have won many honors and contributed much to chapter and university life. Other nominees in this Province this year were: Ontario A, Joan Christie; Ontario B, Phyllis Manning; New York A, Patricia Stone, and New York Γ , Beverly Georg.

Some of the universities in this Province do not give out comparative scholarship ratings, the others have not given out ratings for this year as yet, but all chapters have been working hard to raise scholarship and most of them feel that progress in this respect has been made this year.

Ontario A has been fostering a fine inter-chapter feeling. Ten members of this chapter accepted the invitation of New York Δ to attend the latter's initiation ceremony and motored to Ithaca, New York, to spend the week end at the New York Δ house. Another week end, six members of the Toronto chapter visited the Ontario B house at London, Ontario.

The following delegates have been chosen by the various chapters to represent them at the 1946 Pi Beta Phi Convention at the New Ocean House, Swampscott, Massachusetts: Ontario A, Joan Small; Ontario B, Marion Browne; New York A, Constance Cole; New York Γ , Roberta Hamilton; and New York Δ ,

Frances Corbally.

I cannot close my report without a word of praise for the chaperones in our chapters. Each year I realize more and more what a great contribution these fine women make to the strength of our fraternity. As I survey the work of the past year, I feel very grateful for their support and cooperation. I feel particularly grateful also for the highly important work of the Alumnae Advisory Boards, standing behind every strong chapter. Experience proves how much their conscientious supervision has to do with continued progress in their chapters.

My thanks go out to each chapter for its splendid cooperation with me during the year. I remember with pleasure the delightful chapter visits, during which Pi Phi, everywhere I went, greeted me warmly and entertained me graciously. The willingness and enthusiasm shown in accepting recommendations and directions have made the work of the past year a joy.

In closing, I feel a deep sense of appreciation for the loyal and helpful support of Grand Council, the Director of Central Office and, particularly, our Grand President. The years during which I have been in close touch with active chapters have made me increasingly thankful for the high standards which Amy B. Onken has exemplified and has worked to maintain in our fraternity. It is these ideals which have made our fraternity outstanding and won for it the place it occupies today and it is my earnest hope that, in these days when there is such a letting down of standards in every direction and the world is desperately in need of leaders with vision, Pi Beta Phi will continue to hold its standards high and make its influence for good felt throughout the world.

Respectfully submitted,

CHARLOTTE MARTIN FOX

BETA PROVINCE PRESIDENT

IT WAS of course necessary that Lucile Carson, for ten years Beta Province President, relinquished this work when she was appointed by Grand Council to take over the office of Grand Secretary in Lois Finger's place. Her loss is every keenly felt throughout the province, by the alumnae and the college administrations as well as by the active girls. Her faithful, excellent work with these groups, however, has left each of them a chapter of which the fraternity may be justly proud. Since early in March I have endeavored to carry on in her place, and I have realized with increasing satisfaction and pride the excellence of Beta Province chapters.

Ohio E and Ohio Z have each completed the first full year as a Pi Phi chapter. These girls have devoted themselves wholeheartedly to becoming good Pi Phi chapters, and they have not only succeeded, but their unbounded enthusiasm and loyalty, and the spirit which they have displayed both toward the fraternity and on their own campuses, may well serve as an inspiration to many older and firmly established chapters. We who know them are proud of them, and I am sure the entire fraternity will be. Mention must be made of the continued loyal support of the Toledo Alumnae Club and of the Richmond, Oxford, and Cincinnati Clubs, as well as of the Alumnae Advisory Boards for these two chapters. These women have worked closely with the girls, encouraging them generally, helping them to attain the national viewpoint they need, helping them with the details of reports, as well as aiding in the furnishing of the

apartments. I want also to especially commend the work that Nancy Woehling has done as special supervisor of Ohio E, and the work of Mrs. Lucy Williams as alumnae supervisor of Ohio Z. Beta Province is deeply indebted to them.

In addition to the outstanding honors listed for each chapter, in the province, each chapter has an enviable record of participation in campus activities, and we are proud of the quality. Pennsylvania B's Patricia Whittam is a member of Mortar Board, president of Panhellenic, a member of Honor House, and listed in *Who's Who in American Colleges and Universities*; Elizabeth Wells is Vice-President of WSGR, President of House of Representatives, Honor House, and listed in *Who's Who in American Colleges and Universities*. Pi Phi has three newly elected members of Mortar Board, Ruth Richardson, Mollie Wolfinger, and Gloria Child. Pennsylvania Γ has two members, Matilda Chubb and Barbara Mulford, of Wheel and Chain, senior honorary; and Joy Cameron is President of the Little Theater and $\Gamma \Delta \Pi$, dramatic honorary. Ohio A is especially proud of Patricia Dickey who is a member of $\Phi \beta \kappa$; Carol Greshner and Jeanne Reinhardt, members of Mortar Board and President and first Vice-President, respectively, of YWCA; Rachel Lenhart, one of the four selected members of the Campus Affairs Committee, and listed in *Who's Who in American Colleges and Universities*; and Patricia Connor and Peggy Sheard, members of Phoenix, junior women's honorary. Ohio B's Mildred Rankin, province Amy B. Onken Award winner, is a

member of Φ B K, Mortar Board, and President of Student Senate, the second woman to hold this office, the highest campus honor. There are two newly elected Mortar Board members, Elaine Judy, also Vice-President of the Student Senate and President of Women's Ohio, and Patsy Conaway, first Vice-President of WSGA and Director of Campus War Board. Eleanor Ott is second Vice-President of WSGA and co-chairman of May Week. Eleanor Marsh of Ohio Δ is a member of Mortar Board, Doris Hunter is Judicial President of WSGA, Sally Huston is a member of WSGA Board and chairman of Panhellenic Rushing; Margaret Pickett is Executive Secretary of WSGA, and Joy Gillis, Eleanor Marsh and Louise Bliss have been appointed among the ten Senior Advisors for next year. Ohio E has Mildred Gogel, retiring Senior Class President, Lee Chapman, junior representative to Student Council; and six Pi Phis are among the thirteen members of Peppers. This chapter also holds the Participation Award Cup for the second consecutive year. Ohio Z's Louise Fairbanks is a Φ B K, Marguerite Swing and Janet Hartman are members of Mortar Board and the latter is President of YWCA; Georgia Paden is President of Δ O, and the chapter is proud to have five members of Cwens, sophomore honorary. West Virginia A has two Φ B Ks, Dee Ann Bonsib and Helen Louise Ambler; two members of Mortar Board, Margaret Reeder and Susan Harris; Marcella Ward is junior representative on Student Council; Dorothy Walker is vice-president of Women's Recreation Association, one of three on the Council and seven of sixteen members of the Student-Faculty Forum are Pi Phis.

This province, like all others, is experiencing the changes of the post-war world, yet while enrollments are increasing, and campus problems are becoming more complex, the chapters are meeting the situation with clear thinking and common sense. Not unmindful of the crisis still facing the entire world, the chapters are taking a strong lead in the WSSF drive and in Red Cross activities, with a record of numerous Pi Phi chairmen and wholehearted chapter participation. In addition, Ohio Z has "adopted" a Chinese war orphan, and is contributing \$10.00 per month to his support. West Virginia A was the only women's fraternity on campus taking an active part in the March of Dimes. This year they collected \$225.00, and plan to continue the work. On the other hand, it is truly a joy to see the resumption on all campuses of many social events which were not held during the war years.

Scholastically, Beta Province points with special pride to Ohio A, which achieved first place on campus at the end of the first semester of last year, and has maintained that position through the first semester of this year, receiving the Panhellenic Scholarship Plaque. Since the chapter has held this plaque for five times out of the twelve times it has been awarded, it now becomes their permanent possession. Ohio Z lost the top position at the end of the semester, but hold a very strong second place, less than 1/10% below the top. West Virginia A also continues near the top. Two other chapters are running a close third and those not "showing" have made scholarship their number one project for the year.

Housing conditions remain the same. Both Ohio E and Ohio Z maintain rooms, and each is working hard to make improvements and additions. Pennsylvania I is making fine progress in raising money for the decoration of its rooms, and are beginning to make

definite plans. These chapters, which do not have the advantage of living together in a house, are nevertheless making the most of their rooms by holding regular informal get-togethers, buffet suppers and the like.

Beta Province proudly goes on record as being 100% in contributions to Pi Phi projects. We especially admire the spirit which made these contributions possible. For some chapters they were made at a sacrifice, for others they were the result of hard work putting on money-making projects, but in all cases the gifts were made with a sense of pride in the work of our fraternity.

The Magazine Agency has been strongly supported, and as of December 31, 1945 later figures not being available as this report is written, commissions earned by our active chapters totaled \$185.00. We may be justly proud of Ohio E, with Pat Dolan as chairman, which in its first year as a Pi Phi chapter ranked not only first in Beta Province, but fourth among all active chapters in commissions earned.

The eight candidates for the Amy B. Onken Award in the province are unusually fine girls, a distinct source of pride to the fraternity. Pennsylvania B nominated Patricia Whittam; Pennsylvania I, Matilda Chubb; Ohio A, Patricia Dickey; Ohio B, Mildred Rankin; Ohio Δ , Willella Radebaugh; Ohio E, Jeanne Nash; Ohio Z, Marguerite Swing; and West Virginia A, Patricia Carew. Mildred Rankin received the award, and the province is proud to be represented by such an exceptional girl.

Isabel Clark's visits in the province were happily timed. The girls are her devoted admirers, and she is constantly quoted. I can see the benefits of her visits in many ways, both tangible and intangible, and I feel sure her suggestions will be of lasting value.

The province was saddened by the death of Jeanne Dickinson, a senior member of West Virginia A. Jeanne was an outstanding girl, and the loss has been very keenly felt by the chapter and the province. The chapter has chosen to establish a memorial fund in her honor, using it to help finance a worthy girl unable to pay for initiation.

During the few months that I have held the office of Beta Province President, I have felt the distinct disadvantage of having no personal contact with the chapters. The trepidation which I felt when I realized that I was really the Province President was greatly lessened at once, however, by the most gracious letters I received from the girls. Their attitude has been the more gratifying in view of the deep attachment they have for Mrs. Carson, and their admiration for her leadership. Moreover, each chapter officer has given me really splendid cooperation, keeping in close touch with me, answering my many questions touching on the general background of the chapter and problems they faced, and generously bearing with my own shortcomings as an officer. I want to express my appreciation to them, and also to the Alumnae Advisory Committees, which through their chairmen have been cooperative and most helpful. My sincere thanks to Miss Onken, Mrs. Carson, Miss Clark, and Mrs. Purdunn, for their continuing assistance and understanding. And finally, may I express my deep appreciation for the opportunity given to me by Grand Council of working with the active chapters of Beta Province. It has been a truly inspiring experience, and a privilege to have served the fraternity in this capacity.

CLOVER JOHNSON

GAMMA PROVINCE PRESIDENT

AS FIRST YEAR province officer it is difficult to know how to best appraise your province, in the annual report or the ARROW report, for you have no "norm" on which to set your standard; no criteria from which to make your analysis, no peaks to reach as an achievement in one year. You can "point with pride" at individual honors and chapters honors taking no credit for the same, and self blame only when you were negligent in response to their problems or in giving advice only as wise as limited experience can permit. But it has been an invaluable experience in my fraternity life.

My goals were three: Chapter relations on the campus, strong relations within the chapter and convention; these to be developed by establishing a mutual faith in each other and a respect for each other's thinking as we tackled the problems. The latter two processes have been placed on a rather firm foundation I believe. The first three are begun.

As I read previous ARROW reports I am impressed that all is sweetness and light in the other provinces and I wonder if I should tell you that out of eight chapters in Gamma Province four had some kind of anti-fraternity agitation this last year. It has taken four different forms and has four results—Virginia A came through with barely a scratch, North Carolina B may still have trouble, South Carolina A lives with administration sponsoring of an Independent Club as competition, Maryland A lives with administration opposition constantly and as I write this the Delta Gamma chapter there has petitioned the National to withdraw its chapter at Goucher. At the moment our chapter there has been evicted from its sorority rooms.

The year started with the President's conference when Susan Saunders and North Carolina A acted as hosts. I could only spend a couple of days with them for I was on my way to South America, but the conference was in good and experienced hands, with the president and pledge supervisor from every chapter except Maryland A participating. I made the chapter visits in October and November and got acquainted early with my chapters. I am likewise pleased to report that Gamma Province was the first province to contribute 100% to all of the fraternity projects.

It has been my good fortune during the year to attend several social functions of chapters, two Interfraternity sings and two Founders' Day celebrations, in Washington and Baltimore.

The baby chapter at Maryland B is beginning to find its footing and in the last six months has made remarkable progress. They have had their ups and downs and sometimes we thought more downs than ups, but now they are beginning to crystallize into a real chapter.

We have housing problems for two chapters—Maryland A is room hunting and Maryland B is house hunting. There are good chances that Maryland B will be taken care of by temporary housing brought on to the campus. Two other chapters can house about one-third of their chapters; two have rooms for meetings and social events; and Virginia A has cunning little cottages they use largely on week ends and meetings.

Scholastically the province is not very impressive as far as chapters are concerned. Individually there are 12 Φ B Ks or its equivalent and many many on Dean's lists. But can anyone meet North Carolina's record of first on the campus for nine consecutive times? There are only five sororities competing I will admit, but at

that, nine times is a long stretch. Virginia Γ made remarkable improvement, after wavering between seventh and fifth places innumerable times they finally decided to do something about it. As a result they jumped from seventh to fifth to first place. Maryland A rose from fifth to second.

The province is active in campus affairs, while two chapters have added community activities to their schedules also. Jeanette Freer won the Amy B. Onken nomination from Gamma Province. This is the second time in succession for this chapter to win this honor. North Carolina A and Virginia Γ have their eyes on Balfour Cup awards so they should be good chapters to watch. There are four representatives in *Who's Who in American Colleges and Universities* in the province. There are 13 Pi Phis in Mortar Board or its equivalent, among them is a Vice-President, a Treasurer, and one Regional Vice-President of Mortar Board. Virginia A stands out with four class presidents. Girl Scout leaders and Nurse's Aides claimed most of the community activities, the COGS are prominent too.

The chapter honors are innumerable so I have selected what seemed the most important and representative, but it is by no means the complete list:

Maryland A—President, Recording Secretary and Sophomore representative on Judicial Board; President and Recording Secretary of Student Organization Council; Treasurer of Junior Class. Editor of next year's Yearbook. One Φ B K.

Maryland B—Recording Secretary of O N and contributor to *Journal of Home Economics*; Assistant News Editor and Circulation Managers of the *Diamond Back* (newspaper); President of Women's chorus—lead in both major theatrical performances.

D.C. A—Two members in Mortar Board, one is treasurer; 1 Φ B K; Treasurer of Senior Class, 1 member in *Who's Who in American Colleges and Universities*.

Virginia A—Four class presidents; President of YWCA; Secretary of Student Government; Secretary of Sophomore Class; Treasurer of Junior Class; Assistant Editor and Business Manager of Yearbook; two members of Φ B K; five members of May Court; one in *Who's Who in American Colleges and Universities*.

Virginia Γ —Two Φ B Ks; two members of Mortar Board; two presidents of Judicial Council; Vice-President of Executive Council of Women's Student Government; President of Senior Class; three in May Court; Amy B. Onken nominee; one in *Who's Who in American Colleges and Universities*.

North Carolina B—Two members in Φ K Δ (similar to Mortar Board); two Beauty Queens; President of Student Government and two members of Student Coordinate Board; a Pi Phi won the Pegasus Cup in the Horse Show; President of Glee Club; Associate Editor and Business Manager of the Yearbook; Business Manager of the *Coed* (a publication).

North Carolina A—Four members in Woman's Honorary Society (similar to Mortar Board); four members in Φ B K; five members in May Court; ninth successive time winner of Scholarship Cup; one-third of Coed Senate are Pi Phis; Speaker of Senate twice; three on Honor Council; one in *Who's Who in American Colleges and Universities*.

South Carolina A—President and Secretary of Coed Association; three members of A K Γ (similar to Mortar Board) include one as Vice-President and one

as Regional Vice-President; four girls in May Court; two members of Honor Board; Historian and Secretary of Junior Class; Secretary of Senior Class; Editor of Yearbook; Editor of *Carolina Review* (literary magazine) and Poetry Editor; President of W.A.A. These do not include athletic team honors, or any social honors of which there are many. I have likewise omitted officers in some of the smaller clubs and activities for I thought if I chose similar organizations on all campuses it would be a better comparison.

I do wish to thank the Gamma Province officers who have been most cooperative and understanding to a

neophyte. Miss Onken and the Central Office have been a great help with quick responses to my endless questions. The chapters in the province and the functioning advisory committees have been very cooperative and a delight to work with.

There are many potentialities in this province in spite of its difficulties, so at the end of this year, you find me wishing the Gamma chapters a high standard of goals and the will to achieve their capacities.

Respectfully submitted,

LAUREDA THOMPSON WAKEFIELD

DELTA PROVINCE PRESIDENT

FOR the fourth year, this Province President is privileged to extend affectionate greetings from Delta Province to Pi Phi chapters everywhere, and in addition she is looking forward with much pleasurable anticipation to meeting personally representatives from all chapters at our approaching and long-awaited convention. Most certainly the inspiration that will be gained at Swamscott will spur us all on to new heights and achievements for Pi Beta Phi. The fact that no present active member has ever had any convention experience will make this first post-war gathering a particularly exciting and profitable assembly, and its results should be immediately apparent in an improved national point of view and a deeper realization of Pi Phi responsibilities.

Delta Province as a whole is functioning smoothly, though it has suffered in some instances from diminished upperclass leadership—a factor which must be blamed largely upon the war-conditions, even though the war has ended. Some colleges are still maintaining accelerated schedules, which remove girls from school too rapidly for the good of the chapters, especially in those institutions where the rule of sophomore initiation prevails. The return of the veterans, too, resulting in many undergraduate marriages on the one hand, and marked emotional reaction on the other, has been disrupting to college work, scholastic standards, and proper housing. The most serious consequence, however, from the fraternity angle, is the restriction being placed upon future registrations of women students, which will bring about a critical situation for all Greek-letter groups within the next two or three years. What the ultimate outcome will be, time alone can tell; but it is an emergency which should be recognized before it is too late. General conditions are prosperous and chapter cooperation with this office has noticeably improved during the current semester.

Chapter housing has changed somewhat, inasmuch as Michigan Γ and Indiana Ξ must this coming fall surrender to the fraternity owners the houses they have been leasing. Both chapters are extremely fortunate in having obtained adequate houses in locations ideal for eventual building, and their respective alumnae committees will spend the summer in preparing the new residences for fall occupancy. Chapter homes previously owned in the Province will undergo partial or complete redecoration and improvement during the vacation period. Indiana Γ is inaugurating a sort of "five-year plan" for thorough rehabilitation, floor by floor, starting with concrete basement floors, a new heating plant, and possible enlargement of the "Bum Room." On nearly all campuses the Deans consider the Pi Phi houses the best-managed of all

student residences which speaks well for the efficiency of our housemothers. Incidentally these fine, beloved women are still working miracles in the food line and deserve medals of honor. On two or three campuses the housemothers have organizations of their own for mutual benefit or social purposes. It has afforded all Delta Province Pi Phis, and the housemothers likewise, very real happiness to welcome Mrs. Finger and Mrs. Carson to our jurisdiction this year. Their friendly charm has endeared them wherever they went and their constructive suggestions were gratefully received.

The high point of the year was, as usual, the presidents' conference at Detroit. Five chapter executives were in attendance, while Michigan Λ was represented by its pledgemistress, and Indiana Λ and Indiana Γ by their vice-presidents. The discussions were of a high order, covering chapter problems, national projects, and other topics pertinent to Pi Phi work. Especially interesting were the exhibits depicting chapter life at the various institutions. No social functions were included in the conference agenda, though a formal dinner for ourselves alone was held on Saturday evening, at which a group photograph of a fair degree of excellence—for a flashlight—was taken. (We refer you to the *May ARROW*.) The conference personnel was in unanimous agreement as to the great value of these intimate, informal meetings, and Delta Province is delighted to learn that they will be continued, alternating with the national conventions. The stimulation and broadened views emanating from such an exchange of ideas more than repay any expense and effort involved. Delta Province, incidentally, is convinced of the desirability of holding these meetings early in the school year, rather than in the summer vacation, when the girls are geographically scattered and outside interests are absorbing their attention. It might be mentioned that this particular conference brought to some of the delegates a new thrill, in that they had their first experience in flying—an experience never to be forgotten.

Delta Province President had the very great pleasure of attending the Founders' Day celebration at Indianapolis, when the pre-war State Day luncheon was revived. With approximately four hundred Pi Phis from thirteen different chapters present, it was like a miniature convention and was outstanding in every detail. Other honor guests included the Assistant to the Grand Vice-President, the National Chairman of Music, and two Province Supervisors of Accounting. Your Province President at this time enjoyed the privilege of presenting the Amy Burnham Onken Award in person to Virginia Dill of Indiana Ξ , as well as the State awards given annually to all Indiana

A.B.O. nominees, and the State Cup, a sort of "little" Balfour Cup, Indiana B and Indiana Δ tied for the last-named, each to hold it for one semester. Indiana E received a close second place. The group-singing by Indiana B and Indiana Δ was an enjoyable feature of the program. The Indianapolis Alumnae Club had a quantity of Arrowcraft goods on display, which sold well. The Michigan observance of Founders' Day was held at Lansing on the same date and the Province officers were represented by Mrs. Lewis, Province Vice-President. The Province President regretted her inability to be in two places at the same time, but appreciated the invitation to Lansing. Michigan A and Michigan B held local commemorations also.

Another significant event of the Province year was Indiana Δ's celebration of its 25th anniversary on May 18 and 19. The Province President had made all arrangements to attend, but a severe illness, confining her to her bed for nearly three weeks, prevented at the last moment. This was her major disappointment for 1945-1946. The chapter was honored by Miss Onken's presence and, from all reports, the occasion was perfectly planned and brilliantly carried out. Our congratulations go to Indiana Δ, with all good wishes for another successful quarter-century, culminating in an equally brilliant Golden Jubilee.

Other invitations accepted by the Province President were for the Michigan Γ and Michigan A initiations, both of which were beautifully done and most impressive. Among the Michigan A initiates was the sixth sister from the same family to be a member of this chapter. Three of them are active at the present time, one of them being the president. Another group of three sisters is also on the active chapter roll—an unusual circumstance. Your Province President regretted her inability to join in the Michigan B initiation and extends her thanks for this invitation as well.

The chapter visitations are always the most enjoyable duties of a Province executive and this year was no exception. One's pride in Pi Beta Phi swells to the bursting point, as she makes personal acquaintance with the succeeding college generations of fine, lovable, gracious girls who wear the arrow, and receives enthusiastic administrative reports on Pi Phi cooperation and dependability. Cordial hospitality and courtesy are proverbial and occupy a prominent corner in memory's hall. All chapters have had a busy year, with social affairs gradually resuming their former status and preliminary preparations for convention consuming considerable time. Increased enrollments of women have raised membership levels—too much in some cases, it seems—forcing the use of annexes on many campuses. Few scholarship ratings for the year are available as yet, but those received are not too satisfactory. It is ironical that the thing most stressed under this regime should be the thing causing most presidential concern. Analysis shows a number of underlying causes, many of which are beyond chapter control, but every chapter is striving conscientiously for improvement. The brighter side of the picture is that nearly every chapter was the recipient of scholastic recognition—Φ B K, Φ K Φ, A Δ Δ, or local equivalents. Michigan A had twelve girls on the honor roll; one of only four all-A students; and three were tapped for E Δ A (Hillsdale's Φ B K)—the only fraternity girls to be thus honored this semester—giving them a total of six active members in that select organization. Indiana Δ has held first position on campus for two years and feels fairly confident of retaining its status. Michigan B, Indiana B

and Indiana E had Φ B Ks, Michigan B and Michigan Γ, Φ K Φs. Other honors will doubtless be received too late for this report.

In rushing, Delta Province has had a highly satisfactory season, with large and active pledge classes and few casualties along the way. Kappa and Theta are the chief rivals, except at Franklin, where Tri-Delt and Delta Zeta play that role, with Delta Zeta apparently gaining. Panhellenic relations are friendly throughout. Quota systems of different sorts are in vogue on all campuses except Hillsdale and preferential bidding is practically universal. At Hillsdale a new method of receiving bids through the dormitory housemothers instead of at the Dean's office has lessened the emotional strain and made it less conspicuous to outsiders; at Ann Arbor continued experiments are little by little eliminating objectionable practices, although much still remains to be accomplished. Rushing seasons vary in length from two or three days to three weeks. One or two chapters this spring took advantage of the dispensation for an extra initiation for pledges who wished to attend convention. Nearly all pledge groups are properly organized and operate both independently and in conjunction with the actives. Joint pledge-active meetings are popular and helpful. In the opinion of the Province President, especial commendation should go to Indiana Γ for its well-trained and efficient pledge class. She also wishes to add a heartfelt tribute to our advisory boards and alumnae clubs. Words are inadequate to express what those devoted older sisters have meant to the girls. They have contributed freely of their time and strength—to say nothing of their cold cash!—towards the welfare of the chapters and all have thereby surely earned extra stars in their crowns of glory, in addition to the sincere gratitude of the actives.

As has already been stated, the Province Amy Burnham Onken Award went to Virginia Dill of Indiana B, with Barbara James of Michigan Γ as the runner-up. Other Province nominees were: Irma June Schmidt from Michigan A; Harriet Pierce from Michigan B; Doris Loomis from Indiana A; Joan Freihage from Indiana Γ; June Hansen from Indiana Δ; and Shirley Klein from Indiana E.

Extracurricular activities hold a prominent place in this Province. In fact, one has sometimes feared over emphasis in that respect. At Indiana E a university point-system limits the number possible; at Indiana Γ at least five activities are required for eligibility to the several honoraries. These are the two extremes, though all chapters participate in a commendable and varied program. It would be impracticable to list them all individually, but some of the more outstanding are as follows:

Michigan A: One girl in *Who's Who*; vice-president of E Δ A; two members of Σ A I, one of them the president; secretary of the Student Federation; assistant editor, art editor, and three staff members of this year's *Winona* and editor-in-chief of next year's; winners of the Merrill-Palmer Scholarships for both semesters of next year; winner of a Settlement School Scholarship for this summer; prize for interpretative reading; Mardi Gras Queen; general chairman for the Sophomore Frolic; several class officers; members of the choir, the orchestra, the string trio, the Art Club, the Biology Club (which is based on merit), and the *Collegian* staff.

Michigan B: President of Judiciary Council; chairman of the Sophomore Project; nine orientation advisers; two Mortar Boards; three tapped for Wyvern,

making five altogether; three members of Scroll; associate women's editor of the *Michigan Daily*; floor show director of the sophomore cabaret; treasurer of W.A.A.; Homecoming trophy; president of Crop and Saddle.

Michigan I: Every girl required to be in at least one activity. One Mortar Board; three girls in Tower Guard; district president of YW; president of the French Club; one student instructor; one O N; three on the Home Economics Board; one A Δ Θ.

Indiana A: Three members of Gold Quill (equivalent of Mortar Board); four members of Laurels; one in *Who's Who*; an office and two members in Θ A Φ; one in Θ Σ Φ, who is also secretary; art editor of the yearbook; secretary and four members of Student Council; president of the Science Club; circulation manager and exchange editor of the *Franklin*; second place in State Oratorical Contest; sixteen members of Wigs and Cues; members of the octet, orchestra, and Δ A Θ; court of the May Queen and the court of the Junior Prom Queen; Homecoming Queen.

Indiana B: One Mortar Board recognition; four members of A Δ Δ; offices and members of Pleiades, Oceanides, Bowling Club, A.W.S., and YW; members of *Arbutus* and *Folio* staffs; members of Anthropology Club, Spanish Club, Geology Club, Management Club, Omicron Delta, History Club, Tophets, Δ T M, Newman Club, Daubers, University Theatre staff, *Chimes* staff, *Daily Student* staff, *Mademoiselle* College Board; campaign manager of Junior Prom.

Indiana I: Two in *Who's Who*; vice-president of A.W.S.; associate editor of *Collegian*; four in Spurs, one in *Chimes*, one in Scarlet Quill (class honoraries); chairman of "Coke Forum"; editor of *Drift*; associate editor of *Blue Book*; freshman editor of *Manuscripts*; president and secretary-treasurer of Psychology Club; president of Newman Club; treasurer of Mathematics Club; secretary of Drama Club; one in Philokurian (literary honorary); two in American Chemical Society; one in A T Ω (speech honorary); one in T K A (radio honorary); four in K B (religious honorary); members of Φ X N, Philharmonic, band, Sociology Club, E.E. Club, Commerce Club, Blue Gills, I.R.C., Loyalty Legion, Student Council; secretary of YW; won trophies for Victory Bond Queen, Sophomore Cotillion Queen, and Fairview Frolic. For the first time in fifteen years they did *not* have the Freshman Rose Queen!

Indiana Δ: Secretary A.W.S.; associate editor of

Exponent; one in *Who's Who*; four in A Δ Δ; members of Student Union Boards; two in Gold Peppers; three in Triton; three in Θ A Φ; three in Purdue Players; members of Purduettes.

Indiana E: Two Mortar Boards; one Θ Σ Φ; two A Δ Δ; president and state area chairman of YW; two A.W.S. offices; president of Toynbee; president of Orchesis; president and secretary of M.S.M.; president of Camera Club; president of Botany Club; secretary of W.R.A.; offices in Radio Guild, Little Theatre, K Π, Δ Φ H; business manager of the *Mirage*; business manager and advertising manager of the *Depauw*; five members of M Φ E; third place in "Show-Down."

As in the case of scholastic honors, doubtless additional extracurricular honors will come to this desk too late for inclusion in this report.

Delta Province has contributed to all national projects, including the physio-therapy fund, which was not being solicited this year. Not all chapters have done so, however. The Province led in magazine subscriptions again this year, with Indiana E again heading the list in amount of commissions. Indiana I placed third.

At least two of the chapters in Delta Province this year had the opportunity to make recordings of their group-singing—Michigan A and Indiana Δ—with fine results. These recordings were not for commercial use, but were for sale to individual Pi Phis or chapters desiring them.

And now the hardest part of this report has arrived for your Province President. That is the necessity for saying "Goodbye." The very thought gives her a heartache; but increasing college duties of her own, coupled with her uncertain health, forced her resignation. She is grateful for the delightful privilege that has been hers in serving the fraternity in this capacity, and wishes to express to Miss Onken sincerest thanks for giving it to her, and to the other members of Grand Council appreciation for their courtesies throughout the past four years. Her interest in the Province will never cease, though her active participation in its affairs outside her own chapter and alumnae club must cease. To her girls goes an affection second only to that bestowed upon her own family, and she will never forget them. To her successor she pledges every aid within her power.

Respectfully submitted,

VIVIAN LYON MOORE

EPSILON PROVINCE PRESIDENT

EPSILON Province began their year with a fine spirit of comradeship and cooperation resulting from the Conference of Chapter Presidents held at Nashville. This coming together to discuss our common problems, to become acquainted with Pi Phis outside our own little chapter group is a splendid and worthwhile thing. If so much inspiration and really practical help can come from these province meetings, think what a wonderful start our National Convention will give us all for this next year!!

Being new at this job of Province President, I have been deeply grateful to the girls and to the alumnae advisory boards for their continued help, close cooperation and warm friendship. Chapter visits were the highlights of the year. Our province was honored by having Isabel Clark visit our chapters this year. She brought us much that was concretely helpful, as well as horizon-broadening, leaving us with an en-

larged sense of national unity, and a big morale boost.

All our chapters contributed 100% to our national projects. Last year our province inaugurated the "bonus" gift to Settlement School, which we are continuing this year with a total of \$66.00 sent in, the money being raised in various ways by the chapters instead of taking it from their treasuries. Each chapter is sending or helping to send their alternate to convention of which I am very proud for it is indicative of a highly commendable national viewpoint and real Pi Phi spirit. Kentucky A is even raising the money to send two girls! They have cookie sales, a penny bank on the mantel, rummage sales, silver tea, and a barn dance at which the box lunches brought by the girls are auctioned off, all proceeds to go to their cherished goal of sending these extra two girls to convention. Each chapter in the province will be richly rewarded for their efforts by the information

and inspiration which will be brought back to them.

Epsilon Province is well represented in extra-curricular activities of all kinds. Missouri A placed first in both swimming and bowling and had first place in Sorority Sing. For the second consecutive year they won both the best skit award and the best individual acting award in the Savitar Frolics competition. They had the Barnwarmin' Queen and the II K A Sweetheart, in addition to the Sigma Nu Girl, the Eagles and Anchors Queen, two attendants to the Homecoming Queen, the Queen of the yearbook and two girls in the court of honor. Two girls were cheerleaders and members of the pep squad, called Tiger Claws. One was the sophomore representative to the student government council, and several were on various committees. One was secretary of Mortar Board, and one was a member of the judiciary board of the women's self-governing body, one was president of PEO and another was society editor of the paper and a member of the Careers Conference Board. Members of the campus clubs numbered 3 in Art Club; 4, swimming club; 4, Workshop; 1, Inter-American club; 3, Red Cross; 3, Home-Ec Club; 1, Femme Forum. Members of the various honoraries are Educational, 3; Psychology, 1; Journalism, 4, one being president; Art, 4 one being vice president; Social Science, 1; Music, 2, one being vice-president; Science, 1. One girl was editor of the school magazine and another president of $\Theta \Sigma \Phi$.

Missouri B carried off a large share of campus honors. They won the badminton tournament for the fourth consecutive year, have 4 members on the varsity basketball team, while 3 are in the Water Carnival. One was chosen vice-president of the W.A.A., 3 are on Mortar Board, one being president of Mortar Board, as well as secretary of Student Senate, associate editor of the magazine, and delegate to the W.A.A. convention. One is fashion editor of the magazine, one is editor, and 4 are reporters while the chapter won the cup for selling the most subscriptions to the magazine. One is Orientation Cochairman, two are on freshman Commission, one as treasurer and one as vice-president. 4 are $\Phi \Sigma I$, 2 are $\Phi B K$, 1 is $K \Delta II$, 3 are $H \Sigma \Phi$. One is vice-president of the Quad Club governing board while many took part in the annual Quad show, 5 taking part on stage, 7 working with the stage crew, and one was chairman of ticket sales. 6 worked for Red Cross drive, one being senior vice-president of the board, and one was canteen chairman. A Pi Phi succeeds a Pi Phi as president of A.W.S., the highest honor on campus. One represented the Student Senate at the Student Union convention and will be co-chairman of Student Senate. There are 8 members on Student Senate. 2 represent Liberal Arts college in A.W.S. One is vice-president of McMillan Hall and another is social chairman of the retailers assn. The chapter has members of the Art Student's Assn., Duncker Guild, Campus "Y," Thyrsus, and in all the sports.

Missouri I is prominent in campus activities. One is secretary of the Red Cross and will go to the national convention. The bridge team won both brackets in the tournament. Pi Phi had both editor and asst. editor of the annual yearbook. They have both vice-president of secretary of the Red Peppers, the pep club, the vice-president succeeding a Pi Phi in

that office. 4 other girls are members. They had president of the junior class, secretary of W.A.A., president of Spanish club, secretary of International relations club, vice-president and the treasurer of the Art club, secretary of French Club, and president of the Drury Lane Troupers which became the National Collegiate Players, one of them becoming treasurer. 2 are $\Sigma A I$. Two are *Who's Who*. One was Homecoming Queen, another secretary of Panhellenic. Skiff, which is like Mortar Board, had four Pi Phi members this year and another elected for next year. One is secretary-treasurer of the Home Economics club. Another is vice-president of the student body.

Kentucky A has had the courage to drop out of the campus combine, but has still won many fine honors. One of the members is executive director of the Little Theatre, managing editor of the paper and reporter for the alumni magazine. The major part of the campus musical show was done by Pi Phi's, 6 being in the cast and one was assistant director. One was on All Campus Council and two others were on council committees, one was feature editor of the paper, one on the Cabinet of the Psychology club, and one on the W.A.A. cabinet. They had the president of the Presbyterian club and a member of the Liberal Arts Student Council. One was president of the Home Economics club and was sent to the convention.

Tennessee A has stood alone in the fight against political coalition and has now seen for the first time a definitely fair election as a reward for their fight. They have had many honors this year, however, including treasurer of the freshman class, 3 in *Who's Who*, the vice-president of the music honorary, 5 in the honorary service fraternity, 5 in the honorary social organization, 3 in honorary chemical society one being secretary, a member of Quarangle, 1 member of honorary English fraternity, and 1 in honorary Spanish and 2 in honorary biology society one being vice-president, 1 member of International Relations club. The vice-president of W.A.A. is Pi Phi as is the highest award, Miss U. C., and Betty Coed, and Senior most likely to succeed. One is vice-president of the sophomore class, and two are members of the honorary social science fraternity.

Tennessee B reports a most active year in campus affairs, having 2 members on Honor Council, one being president of the combined Men's and Women's Council. One is Mortar Board and 1 is $\Phi B K$. 4 are members of W.S.G.A. and one is the yearbook Beauty Queen while another is business manager of the paper. They won 2 trophies, one for homecoming decorations and the other for stunt night. Two are members of the Student Christian Assn. Cabinet, one is a member of $X \Delta X$ and one in the Spanish club.

The candidates for the ABO Award were Jane Hamblin Batts, Tennessee B, the winner, Marilyn Weigner, Missouri A; Betty Knoke, Missouri B; Barbara Johnson, Missouri I; Martha Green, Tennessee A; and Shirley Rehm, Kentucky A.

Epsilon Province goes onward and upward. We have had a good year, and are striving for an even better one next year. The inspiration of convention will give us all the lift we need to spur us on, proud of our heritage in Pi Beta Phi.

Respectfully submitted,

CLARE B. WILLIAMS

ZETA PROVINCE PRESIDENT

AT THE close of my second year as province president I pause and view my experiences in retrospect and feel that it is I who has received benefit rather than the chapters of Zeta Province. I have felt joy in the progress of the chapters and their accomplishments have been my pleasure. The privilege of serving the chapters and the fraternity as province president has given me a greater knowledge of the fine organization of which we are a part and a deepening love for the Fraternity. It has been more than gratifying to see the development of the five chapters in the province.

The Chapter President's Conference was held in Daytona Beach, Florida, in July, 1945 and was attended by all the chapter presidents and two pledge-supervisors. The discussions developed new ideas and a great deal of enthusiasm and interest. Each delegate took an active part in the program. The slogan "On to the Balfour Cup" was adopted and although Zeta Province may not realize its aim, we can try again.

Rushing results this year were unprecedented for Zeta Province chapters. Every chapter filled its quota and many outstanding girls in every field were pledged. There were so many fine girls it was difficult for the chapters to make a choice but with the small number of bids lost in the province it is evident that the new girls knew Pi Beta Phi and what the fraternity stands for.

The scholarship of the chapters has gone both up and down. Florida B attained first place for fall term and then took a setback winter quarter; Alabama A who has been first on its campus for eight years fell to third place fall quarter and came back to first winter quarter; Georgia A had third place on its campus fall quarter but fell down winter quarter; Florida A missed first place by seven one hundreds of a point in the fall quarter, by a very small margin came in third during winter quarter; Florida T does not have a comparative list until after the close of the year but we are hoping they will be in the upper third. The chapters realize the importance of good scholarship and are using excellent study requirements.

Florida B and Georgia A have chapter houses and their respective chaperones have given much to make these happy, gracious homes. Whether the chapters had houses or chapter rooms I found them gracious, charming hostesses and the chapter quarters exemplifying the fine hospitality of a Pi Beta Phi chapter.

In the case of all chapters it is gratifying to report that the Deans of Women have given only favorable reports. The active members and pledges are cooperative groups and leaders in every phase of campus and college life. The Pi Beta Phi chapters in the province have taken the places on their campuses the fraternity would expect them to take.

The Amy Burnham Onken Award was given Frankie B. Settle, Georgia A, who made an outstanding record during her years of college. It was difficult to make a decision for this award for every girl nominated by the chapters in the province was worthy of this honor, but Frankie's scholarship and extra-

curricular activities outranked the other candidates. Florida A nominated Jean Douglas; Florida B, Margaret Baugh; Florida T; Elizabeth Sloan; and Alabama A, Susie Harris.

Every chapter in Zeta Province has contributed one hundred per cent to the fraternity's national projects, in this way showing their appreciation of the fraternity's objectives.

All Zeta Province chapters have maintained their fine reputation for extra-curricular activities as is shown by the many offices held on the various campuses and the many honors gained by individuals. There are so many honors space will not permit me listing them all so I will have to choose only some. There are those in the chapters who have given of effort and time in service to the chapters that are deserving of recognition but that would make this report too long to be printed. Their service to the chapters has been recognized by the chapters and province president.

Who's Who selected three girls in the province, Ann White, Florida T, Anita Caldwell, Florida A, and Frankie Settle, Georgia A. Mortar Board tapped Robin Hill, Florida B; Libra (equivalent to Mortar Board) tapped Bunny Sloan and Nonita Cuesta, Florida T; The Honor (equivalent to Mortar Board) tapped Jean Douglas, Gerry Knight and Janet White all of Florida A and elected Jean president. Martha Reynolds and Agnes Rogers, Alabama A, were elected to Φ B K; Frankie Settle, Georgia A, elected to Φ K Φ .

In Student Government we find the chapter members taking their place and holding offices. Robin Hill, Florida B, third vice-president; four girls of Florida B serving on the Sophomore Council; Mary Katherine Moody, Florida B, treasurer of Sophomore Class; Jane Goode, Georgia Alpha, president of Junior Class; Joan Nuddegar, Florida A, vice-president of Junior Class. The chapters are well represented in Student Government on every campus.

Along journalistic lines the chapters in the province rank high with Bunny Sloan, Florida T, Editor-in-Chief of *Tomokan*, yearbook; Frankie Settle, Georgia A, Editor-in-Chief of *Red and Black* newspaper; Judy Pepper, Florida B, Editor-in-Chief *Flambeau*, newspaper; Margaret Baugh, Florida B Editor-in-Chief *Flastacowo*, yearbook; Agnes Rogers, Alabama A, Business Manager of *Hilltop News*, newspaper. Participation in activities do not rest with a few outstanding girls in the chapters but all members have taken an interest in this important phase of college life.

It is not possible to express adequately my love for the chapters in Zeta Province, my appreciation for their kindness, courtesies, and splendid cooperation. I am proud of all the chapters for their achievements. Words fail to express to Miss Onken my thanks for her help at all times, her unlimited patience and constant encouragement have been unflinching. To Grand Council, Chairmen of Standing Committees, and Beatrice Purdunn I wish to express my gratitude and deepest appreciation.

Respectfully submitted,
EDYTHE BELTON TYLER

ETA PROVINCE PRESIDENT

THE chapters of Eta Province have had the unique experience of having served under four province presidents during this college year of 1945-1946 which has been a year of post-war adjustments with the personnel of this office as well as upon campuses. Because there were strong organizations within the chapters there was very little loss of efficiency as a result of change in supervision. The chapters possess a marvelous ability to take all things "in stride."

Assuming the duties of Eta Province president May 1, I set out immediately to make such chapter visits as time allowed. Early closing dates at the University of Wisconsin and Lawrence College precluded chapter visits with either Wisconsin A or Wisconsin T, but the other six chapters in the province were visited. Early in the year all of the chapters in the province, Illinois Z and Illinois H excepted, were visited by the Grand Vice-President, Ruth Barrett Smith. The chapters were most cooperative and exceedingly gracious about receiving an official visitor so late in the school year despite the fact they all had heavy social calendars at that time and were under the pressure of term papers and forthcoming exams. My gratitude to them is very deep.

This has been a year of transition of war-time to peace-time college life calling for the cooperation of administrators, faculty, and students in this difficult period of readjustment. Housing has been one of the first considerations since girls have been occupying fraternity houses on some campuses. The withdrawal of the navy units from Monmouth has made the dormitories again available for the girls so that they are back to unified living after having been widely scattered in fraternity houses and private homes throughout the town. At both Knox and Beloit girls are still living in fraternity houses which will be returned to the men at the end of the present school term. New dormitories are under construction at Monmouth and Beloit and a new Panhellenic House is being built on the Knox campus. Every where is the cry for more space which college authorities are essaying to meet with the erection of pre-fabricated houses, quonset huts, barracks and trailer camps. Sorority houses are cooperating by girls doubling up and crowding in extra cots or double deckers wherever possible. The social world which slept thru the war years has suddenly awakened with the return of the men to the campuses second semester and life has become very gay with formal and informal parties and many engagement announcements. All of the colleges and universities in the province are showing a tendency to tighten up scholastically so that increasingly greater scholastic efforts are in demand. In the field of extra curricular activities there has been the change over from war-time activities and interests to new peace-time honoraries and clubs. Men are back to claim campus positions and class offices held by girls these past few years. How we welcome them!

All of the chapters in Eta Province are scholarship conscious, enforcing strict study rules and required library hours in order to raise their scholastic averages. Averages have generally improved even in the cases where comparative Panhellenic ratings have remained unchanged. Illinois H for the fourth consecutive year holds first place on the James Millikin Campus with 13 girls on the scholastic honor roll and one girl graduating Magna Cum Laude. Wisconsin A is in second place on the University of Wisconsin Campus and only a fraction of a point behind first place.

Wisconsin T expects to be either first or second on the Lawrence campus, but the final report is not yet in. Illinois Z holds third place on the University of Illinois Campus where there are 24 sororities competing. All of the chapters are giving more attention to the selection of pledges on scholarship records.

In the field of scholastic honors the chapters in the province have all had their share of fame. Wisconsin A had one election to $\Phi B K$, one to Mortar Board, two to $O N$, three to Crucible, one to $\Theta \Sigma \Phi$ and two to $\Phi K \Phi$. Wisconsin T has five members in $\Sigma A I$, one of whom is president, and they also have the president of Mortar Board. Illinois A has three members including the president of T II similar to Mortar Board, two members of $\Sigma O N$, eight members in $\Sigma T \Delta$ (scholastic). Illinois B-A has one $\Phi B K$, two members and the president of Mortar Board, four members and the president of $\Sigma A I$, and eight members of Phi Beta including the winner of a national award for achievement. Illinois E has one $\Phi B K$, three members and the secretary of Mortar Board, three A A Δ , three members of $\Sigma A I$, one $\Theta \Sigma \Phi$, and two members of Phi Beta. Illinois Z has two members in $\Phi B K$, three in Mortar Board and four in Shortar Board (girls eligible to Mortar Board), one K Δ Π , one K T A, two $\Phi K \Phi$, one $\Theta \Sigma \Phi$, and two $\Sigma A I$. Five of the Illinois Z freshmen made A A Δ . Illinois H has one member of Kappa (scholastic), one member of $\Pi K \Delta$ and four in $\Sigma A I$.

It is not possible to mention all of the activities and campus honors in the space allowed but the Pi Phi in Eta Province have set a splendid example of fine campus leadership and are making major contributions in all fields of activity participation. Illinois E and Illinois H won first prize on their Homecoming Floats. Illinois Z won both first prize in Homecoming Decorations and first prize in the Homecoming Stunt Show. Wisconsin Gamma won the sorority plaque for having collected the highest number of activity points of any group on the campus. Illinois H had seven girls on the activities honor roll and seventeen girls received awards for participation in intra-murals. The following chapters had the presidency of W.A.A. this year: Wisconsin B, Wisconsin T, Illinois A, Illinois B-A, Illinois E, and Wisconsin A had the chairmanship of W.A.A. Wisconsin T had the presidency of Lawrence Women's Association. Illinois Z had the presidency of Y.W.C.A. and Illinois E had the secretary of W.S.G.A. Illinois B-A had the President of Student Council, Illinois E the president and two vice-presidents of Wild Cat Council, Wisconsin A had two members on the Student Board and one member on the Badger Board. Illinois Z had Star Course Manager, Union Director, and a member on Bronze Tablet. All chapter activity charts show almost 100% member participation in some of the various fields of extra curricular activities open to women students on the different campuses with particular interest shown in journalism, dramatics, music, and sports.

The fraternity has been fortunate in having as chaperons women of ability, charm, and poise and it is with great regret that we are losing three of these fine women. Mrs. McCaskill at Wisconsin A is retiring and both Mrs. Cantrell at Illinois Z and Miss Anderson at Illinois H have resigned. These women have given unflinching and devoted service and they will be greatly missed by the chapters and the national fraternity.

Meeting the Deans of Women is always interesting, but it is especially rewarding when one receives such fine reports on Pi Phis as I did on my recent chapter visits. In almost every case the Deans spoke of the splendid cooperation, fine campus leadership, prominence in honors, interest in scholarship, and high standards of the Pi Phi on their respective campuses.

The financial condition of every chapter in the province is sound but some chapters are finding that the budgets made out last spring are not adequate in meeting the rise in costs of living nor have they provided sufficiently for this spring's social activity. There will be some slight increase in chapter dues and house bills for next year. Most of the chapters have made substantial contributions to the fraternity projects.

Some very nice social honors have come to the Pi Phi in Eta Province and deserve mentioning. Three girls in the Wisconsin I chapter have been chosen as Beauty Queens during the year, one as Prom Queen and two as "Best Loved" seniors. Illinois A had the Beauty Queen of the Freshman Class and the Beauty Queen of the Sophomore Class. Illinois E had May Queen this year which on the Northwestern Campus is queen of honor's day. Illinois Z had a member

chosen as Miss Michigan for the Big Ten Court of Honor for the Big Ten Track Meet.

The following girls were chosen by their respective chapters as candidates for the Amy Burnham Onken Award: Wisconsin A, Margaret Hukill; Wisconsin I, Mary Ann Hammersley; Illinois A, Ilene Schleich Lawson; Illinois B Δ, Helen York; Illinois E, Barbara Whitney; Illinois Z, Nancy Kollman. All of these girls had outstanding records on their campuses in students activities and scholarship as well as in fraternity service. The province award went to Nancy Kollman of Illinois Z for her remarkable achievements on the University of Illinois Campus.

My term of office as Eta Province president has been very short and my contacts with the active chapters limited, but it has been a wonderful experience which I have thoroughly enjoyed. I wish to express my appreciation for the fine way in which the active chapters received me and for the cooperation and help which I have had from the Alumnae Advisory Committees. There is a very special "thank you" for Beatrice Purdunn at Central Office, for Mrs. Stoolman and for Miss Onken who have been of such great assistance.

HELEN MADDEN RUSSELL

THETA PROVINCE PRESIDENT

A YEAR made memorable by the declaration of peace and the subsequent return of many boys to campuses throughout the country, has come to an end. I feel grateful for the opportunity to serve as province president of so many fine Pi Beta Phi groups. My experience as their leader has broadened my knowledge of the fraternity and has strengthened my affection for it. The guidance and cooperation of national officers has been increasingly inspiring throughout the year and I would like to acknowledge gratitude to the various chapter officers for their fine service.

The Amy Burnham Onken award for the province went this year to Cornelia Lindstrom of Iowa I. Cornelia's exceptional scholarship, her wholehearted participation in campus and sorority activities, and her fine personality have made her a credit to her chapter and to Pi Beta Phi as a whole. Other girls nominated for this honor were Joan Overholser, Iowa Z; Margaret Ann Peterson, Minnesota A; Mina Tennison, North Dakota A; Shirley McDiarmid, Manitoba A; and Elaine Johnston, Iowa A.

Five of the chapters in the province have enjoyed again the facilities of beautiful chapter homes, and Iowa A and Manitoba A, while missing chapter houses, have developed sorority spirit in their apartment and room. Wall paper was added to the third floor of Iowa Z and this group and Iowa I redecorated their chapter room and recreation room, respectively. Changes in chaperones were Mrs. Houlst, Iowa I; Mrs. Leavitt, Minnesota A; and Mrs. Stoner, Iowa B.

Rushing in the province was highly successful and resulted in the pledging of 124 girls. Panhellenic has been active on most campuses and, as in the case of Iowa State College, University of Iowa, and University of Minnesota, this group has been working on new rushing procedures for next fall.

In scholarship, over one-half of the chapters are in the upper one-third of sorority groups on their campuses. Minnesota A won the scholarship cup on campus and one of the members of this group received a bond for the highest average of all sorority

women. Five senior women of Iowa Z were initiated into Φ B K, and two members of Iowa I were initiated into Φ K Φ.

Theta Province chapters have again supported the sorority projects with generous gifts.

Activities continued to play an important part in the lives of the various groups. Both actives and pledges in all chapters have shown an eagerness and enthusiasm for the extra-curricular work on their campuses. Some of the outstanding activities and achievements are:

North Dakota A: President of Σ E N; one Π A Θ; secretary of Penates; North Dakota Area "Y" president; president, vice-president of "Y"; outstanding senior girl in school of commerce; Mortar Board treasurer; one sophomore honorary; homecoming queen attendant and first place in homecoming decorations.

Iowa B: Two members of debate team; four pledges of A Ψ Ω; all college sweetheart; a representative woman; editor of school paper; two members of W.R.A. board; one *Who's Who*; Indian Princess.

Iowa A: Three Σ T Δ; president of A Ψ Ω; sixteen members of choir; fifteen members of band; vice-president of sophomore class; two Qui Est; editor of yearbook; vice-president of Student Council; one *Who's Who*; two B B B.

Manitoba A: President of Women's Association; one member of drama society; Lady Stick of Interior Decoration; president of Home Ec club; University bridge champions; Ice Carnival queen; members of Glee club; and canteen activity at hospital.

Minnesota A: Member of All University council; one H Σ T; one Φ A Θ; one B Γ Σ; president of Campus Chest; one Φ T; one Σ T Σ; one senior class cabinet; one member of "Y" cabinet; treasurer of Mortar Board; president of Minnesota Foundation; president and treasurer of A.W.S.

Iowa I: Business manager of *Homemaker*; vice-president of Home Ec club; president of Freshman "Y"; four Ψ X; three Science Division Council; one cheerleader; second in Sor-Dor sing; Fraternity pledge

queen; two Bomb Beauties; Junior Prom Queen; Mardis Gras queen; six Φ T O; ad manager of *Green Gander*; ad manager of *Student*; member of W.A.A. council; member of "Y" cabinet; secretary of Veisha Central Committee; two Φ K Φ ; one Δ Φ Δ ; one Θ Σ Φ ; six O N; one Block and Bridle; three "I" fraternity; three "Y" group leaders.

Iowa Z: One member of Orientation Council; University Women's Association Secretary; three members of "Y" cabinet; two Union Board sub-committee members; five Φ B K; one Mortar Board; four A A Δ ; Hawkeye Beauty Queen; Freshman Beauty Queen; one O N; one II A Θ ; four Highlanders; assistant editor and co-business manager of *Frivol*;

three members of *Daily Iowan* staff; chairman of Vocational Conference; three Freshman "Y" cabinet members; three Θ Σ Φ ; two University chorus; one Student Board of Publications; Freshman editor of "Code for Coeds"; five Orientation assistants; one University orchestra; one member of band; President of Iowa State Home Ec clubs.

Alumnæ advisory board members have been an unending source of guidance for all province groups. May I thank these groups and all other alumnæ who have aided in making this year another strong Pi Phi year for our province?

Respectfully Submitted,

JENNIE EVANS UPDEGRAFF

IOTA PROVINCE PRESIDENT

WHAT a year of thrills and accomplishment this has been for the chapters in Iota Province! I wonder if there must not be an end sometime to what university girls can achieve in scholarship activities and chapter life, but so far the pace has not slackened and each year our girls add to their responsibilities.

There were three obvious trends common to all seven chapters this year—first, the desire to work toward making Panhellenic organizations work better on every campus and thus to entrench all fraternities' position on campuses; second, the expansion of the social program with accent on "men"; and third, the driving energy used to keep up scholarship. Four of the schools, Nebraska, Kansas, Denver, and South Dakota Universities announced to the students that the standards of scholarship were to be raised appreciably. But each chapter under the sympathetic guidance of Jessie Nason has evolved ways and means of taking care of "down hours" so that we cannot help but be proud of the record. Both Colorado B and Kansas B have received the scholarship cup, and we hope to have more good news when the rest of the reports come in.

It has been interesting to see the social expansion in the chapters. I was beginning to think the girls were growing too serious-minded during the war years when they had to be, but this year proved I need not have worried. When I visited Nebraska U. where no formals had been allowed "for the duration," one of the old girls made it a point to show me how beautiful and full the "formal closet" was this year. Yes, the planning of dances was a major activity and from all accounts, the girls exercised their creative and executive talents to good purpose. South Dakota A, for example, had such a successful Candyland Dance that the girls decided to use their decorations, which included a little house made of simulated peppermint sticks for the theme of a Rush Week party. To prove our social prestige one the campus we had our share of Queens too—Colorado A had a Beauty Queen, Wyoming the queen of the Engineers' Ball, Kansas A a Homecoming Queen while South Dakota and Nebraska had queen's attendants.

Besides these purely social Queens, Colorado A's Virginia Weaver was elected Miss Colorado University and her twin sister, Miss Thoughtfulness, two of the highest honors to be given. And Nebraska B's Les Glotfelty was elected May Queen, which is the highest honor bestowed in that school, while Patsy

Mulligan of Colorado B was crowned Queen of the Sun Bowl.

The interest in Panhellenic which I spoke of before has had unusual results, not least of which is the increase in national feeling it has engendered in the province. Not only do the girls wish to compare notes with other chapters in the province but also they wish to know what is being done to strengthen the position of fraternities on other campuses by Pi Phi chapters. Each chapter has a definite panhellenic program it is following as have our chapters all over the country, I suppose.

All during the year, we have had our full quota of honors but as usual with the coming of Spring, fine new ones have come of which I shall list the most unusual ones.

South Dakota A won the annual "Swingout" with two songs, *The Years at the Spring* and *Greek Archipelago*. Colorado B and Colorado A sent their arrangements of the latter song, so it made the honor belong to the province more than ever. One of their Senior girls also won the John H. Dow award which is awarded to the Senior who knows the most about English diction.

Colorado B was left practically speechless when five of their number were tapped for Mortar Board.

I have already mentioned Colorado A's famous twins and Nebraska B's May Queen.

Kansas A has three Φ B K, an honor student in Music and had two girls tapped for Mortar Board, an especially fine bit of recognition because for the size of the university Mortar Board keeps its membership very small.

Kansas B won the last leg on the Panhellenic Scholarship cup so it belongs to her for good. The other fraternities on the campus are very much disgruntled.

Ten of Wyoming A's members were given Mortar Board recognition, which is a signal honor at Wyoming University and reserved for most outstanding girls.

What a satisfying year this has been and what a wonderful one next year will be with the inspiration of Convention to lead us to even finer goals!

In closing I should like to thank Miss Onken for her help and continuous inspiration, Mrs. Purdunn for her patience with me, and all the chapters of Iota Province for their cooperation in all their work with me. I am sure there were never finer girls.

Respectfully submitted

MARY BELLE BRUEGGEMAN

KAPPA PROVINCE PRESIDENT

THIS year just ending has been a most gratifying and outstanding one for Kappa Province. Many singular honors have come to the seven chapters comprising the membership of our province, and it has been a distinct pleasure and privilege to work with such fine, representative Pi Phi groups. The honor and distinction of again having a Balfour Cup chapter in the province—Arkansas A—has spurred us all on to greater effort.

The year officially began for us a little before the opening of schools, with the province workshop held in Tulsa, August 27 and 28. Mrs. C. E. Top, immediate past province president, ably directed and led this conference; and I offer to her my unbounded gratitude for her expert and kind guidance in this, and in instruction of my new duties. The path was made much smoother, and I'm confident I avoided many mistakes through her efficient instruction. The workshop panel discussions came under the broad headings of the chapter in its various relations, to pledges, members, the school, and national; and the last session was an inspiring one on how to further Greek prestige. Chapter representatives present were: Arkansas A, Jean Pitcock and Jane Lee Bankson; Louisiana A, Connie Faust and Dottee Hecht; Louisiana B, Carolyn Trimble and Patty Hicks; Oklahoma A, Barbara Berry and Pat Burgess; Oklahoma B, Jean Marie Kerns and Wilmo Hollaman; Texas A, Marian Miller and Marian Lee; and Texas B, Colleen Keilty and Lucy Harrison. Everyone had a good time; and at the same time learned a great deal. The time and effort were amply justified.

In all ways this province has made a fine record, but particularly proud are we all of the fine scholastic rating. The fall reports reflect four first places on campuses, these leaders being Arkansas A, Oklahoma B, Texas A, and Texas B. Two other chapters improved their rating, and only one chapter fell, and that only by one place, and by a infinitesimal fraction. I take special notice of Louisiana B in offering them congratulations on their phenomenal rise from 11th to second place on the LSU campus. This is indeed a record! Louisiana A came from sixth to fourth place, and only Oklahoma A went down a notch, from second to third.

It was with great affection and pride that Connie Faust of Louisiana A was selected as the province winner of the Amy B. Onken award. She is decidedly a remarkable girl, and a real Pi Phi, but I must confess that she had great competition in the fine girls nominated by the other six chapters. These nominees were: Arkansas A, Betty Gary; Louisiana B, Carolyn Trimble; Oklahoma A, Kay Cooley; Oklahoma B, Rita Huff; Texas A, Emily McKellar; Texas B, Ann Harrison. I can appreciate to some extent the anguish that racked Solomon's mind in his tedious decision, now that I have had to make my difficult one.

Chapter visits began in October, and were finished in January. I had delightful trips to all seven chapters; to Norman and Stillwater in October; to Fayetteville and Austin in November; to New Orleans and Baton Rouge in December; and—at the request of the SMU chapter, and at their expense—I deferred my trip to them scheduled for November, until the middle of January. In each instance the chapters were hospitality itself, and visiting with them shall long remain in my treasure chest of delightful memories. Arkansas A, Oklahoma A and B, and Texas A own their own beautiful homes, completely paid for, and all had

done no small amount of painting and renovating and refurbishing during the past summer. Louisiana A owns its own small house for meetings and parties, and the girls themselves had painted the exterior and interior, and slipcovered the furniture, with most effectively pleasing results. Louisiana B meets and entertains in a charmingly furnished wine and blue room in the Panhellenic house, and Texas B maintains a lovely apartment for the same purpose. In all instances I was charmed with the hostesses, three of them Pi Phi—Mrs. Clifton at Fayetteville, Mrs. Winton at Austin, and Gladys Scivally, former Kappa Province president, at Norman. All of these lovely women made me feel as completely at home as did the girls, and I pay tribute to the women who add so much to the building of Pi Phi spirit in our members.

It was a source of pleasure to meet with the various Deans and Counsellors of Women on the campuses, and hear—in all instances—their favorable comments on our chapters. Without exception, all of the chapters are regarded by the school authorities as groups standing for worthwhile ideals, who can be depended upon to perform any assigned task, and composed of fine, attractive, and worth-while girls.

Cooperation with national projects has been 100% as a province, with each chapter contributing to Holt House, the Settlement School, and the Loan Fund. A total of \$100.00 was given to Holt House, \$395.00 to the Settlement School, and \$95.00 to the Loan Fund. In addition to these national projects, many of the chapters have had their own individual service projects. At Christmas time each chapter performed some charitable act towards less fortunate people. Louisiana A conceived the idea of a Blood Bank at the New Orleans charity hospital, and was making progress in that direction when the idea was taken over by Tulane University. These girls proudly relate, however, that more Pi Phi donated blood than did any other group. Oklahoma A participated actively in the March of Dimes and Red Cross drive on the OU campus; and Oklahoma B helped in the Panhellenic movement to raise funds to secure medicine for the indigent sick of Stillwater. Arkansas A is partially supporting a blind girl who is a student in the school of social studies, and participated in the Cancer Drive in the spring.

Speaking of participation in national affairs: again I would like to cite Louisiana B for its outstanding work, through a very energetic chairman, in securing subscriptions for the Magazine Agency, having reported a total of more than \$25.00 in commissions early in the spring, the last figures I have received.

From a viewpoint of extra-curricular activities, these chapters do so much and do it so well, that I sometimes wonder how they find the time to lead such full well-rounded lives. But, from their scholarship record, apparently they can do many things well at the same time. There follows a recapitulation of their activities, in a greatly reduced form. Stars after the name of the organization indicate number of offices other than president; I will take note of all presidencies; the arabic numbers denote total number of members.

Arkansas A: YWCA, president and delegate to national convention, 98; Σ A I, president, 3; X A, president, 1; A A Δ , president, 5; *Razorback* (year-book) editor, 1945-46, 1946-47, 3 on staff; *Who's Who in American Colleges and Universities*, 2; *Who's Who in Business School*, 1; Mortar Board, 4; Student

This year of work with Kappa Province has been challenging, enjoyable, broadening, and completely pleasant and happy. To watch these fine chapters grow and develop, to see them at all times maintain the fine standards of Pi Beta Phi, and assume deserved places of leadership, has been something of which to be proud. At all times I have received complete and unqualified cooperation with the chapters, their officers, and their members. I extend a special word of appreciation to the fine, enthusiastic, and inspiring Alumnae Advisory Committee members, without whose excellent guidance and help the chapters would be at a distinct loss, and with whom I have had only the most pleasant and harmonious contacts. The province and national officers with whom I have been associated have been unfailing in their help, and complete kindness.

I regret that it will be impossible for me to continue with the work, and I have accordingly notified the proper persons of my ineligibility for renomination. This past year of Pi Phi work has meant a great

deal to me, and has given me the opportunity for experiences I shall never forget; I shall always be grateful for the chance to become a bit more intimately associated with Pi Phi that I had ever been heretofore.

And I extend my best wishes—with a tinge of envy—to the person who will next be Kappa Province president.

Respectfully submitted,
MARGARET E. JACOWAY

LAMBDA PROVINCE PRESIDENT

THIS year as Lambda Province President has been one of the most interesting I have ever had, and I am very grateful for the experience it has given me. Working with the active members of the fraternity has been a pleasure, and I shall always remember my visits with them during my tour of the province. It was a wonderful experience to spend two days on each of the eight campuses in the province and to learn more and more about our fraternity. I am sure that no other work for the fraternity could be more gratifying than this.

My year began with a province conference held at the Davenport Hotel in Spokane with the eight chapter presidents, six pledge supervisors, and Mrs. Floyd Ellis, outgoing province president, attending. By coincidence the two days for which the conference was planned were the double holiday declared to celebrate V-J Day. The excitement made it a little difficult to think of anything else, but we all gained a great deal from the exchange of ideas. Talking with girls from other chapters broadened each delegate's outlook on the fraternity as a whole, and everyone left agreeing on the worth of province workshops.

Chapter visits were made to Montana A in November, to Alberta A and Washington A in December, to Oregon A, Oregon B, and Oregon I in February, and to Idaho A and Washington B in March. Mrs. Smith visited Alberta A in February, and Mrs. Alford visited the other chapters in the province in April. In addition to Mrs. Alford's visit, Oregon I has had unofficial visits by two other members of Grand Council this year both Mrs. Smith and Miss Onken were there at the time Willamette University conferred the honorary L.L.D. on Miss Onken. I only wish that all the other chapters in the province might have had as many contacts with national officers.

The scholastic achievement of the chapters this year has brought the best news of all in the province. Oregon I, our newest chapter, was first in scholarship on their campus for the fall semester with the phenomenal average of 2.986. They are a splendid example of what a chapter can accomplish if the girls are determined to do their best. Oregon B has also won top honors in scholarship having just been awarded the Panhellenic Cup for the highest accumulative average over three terms including spring '45. Because of these records the chapter delegates from Oregon B and Oregon I have the privilege of taking part in the initiation ceremony at convention. Oregon A and Idaho A also deserve commendation for their scholarship this year. Both were in second place on their respective campuses. No mid-year averages are available for Alberta A, but that chapter was second on the University of Alberta campus for last year. Montana A was first on its campus last year, but has not been quite so successful this year. We are hoping that the grades for the final term of the year will see all the chapters in the province in the upper third on their respective campuses. Individual scholastic honors for the year include Montana A—9 new members of departmental honoraries; Idaho A—12 departmental honoraries; Washington A—10 departmental honoraries; Washington B—1 Φ B K, 2

Φ K Φ, 13 departmental honoraries; Oregon A—1 Φ B K, 12 departmental honoraries; Oregon B—4 Φ K Φ, 26 departmental honoraries; Oregon I—5 departmental honoraries.

With the war at an end, all the girls have written of the different life on the campuses with the return of the men. No more Friday and Saturday nights at the library or at a movie with a group of the girls. It has been such a thrill for the chapters to revive their traditional dances and to have again exchange dinners or desserts with the men's groups. Although this new social life has kept them busy, it has not kept them too busy to participate in campus activities. The following are some of the most important of these in each chapter:

Alberta A has the editor of the annual and six members of the staff including the women's sports editor, the women's sports editor of the campus paper, the president of the House Ec Club, the new president of the Mathematics Club, the Junior Representative for the Wuaneita (women's organization), and a member of Blue Stocking, comparable to Mortar Board.

Montana A has two members chosen for *Who's Who in American Colleges and Universities*, three Mortar Boards this year and one for next year, AWS treasurer, vice-president of the Student Senate, vice-president of Panhellenic, president of the Quadrangle Board (governing board of the college quadrangle buildings), news editor of the paper, cheer leader, and the winner of Danforth Fellowship for next year.

Idaho A has the AWS president, the Junior Class president, vice-president of Spurs (sophomore women's honorary), the president and seven other members of Hell Divers (swimming), chairman of the Senior Ball, a cheer leader, a leading lady in a university play, and one member chosen for *Who's Who*. They have just had four members tapped for Cardinal Key, junior women's honorary, the largest number tapped from any one group.

Washington A has the president of Panhellenic, and one member of Mortar Board. Elected for next year are one Mortar Board, three members of Totem Club (senior women's honorary), the president of the Y.W.C.A., and three members of the AWS Council.

Washington B has the president of the freshman class, the vice-president of the Senior Class, the president of the Y.W.C.A., the AWS treasurer, the WRA secretary, one Mortar Board, three members in *Who's Who* out of ten women chosen from the campus, the editor of the annual, the editor of the college paper, the circulation manager of the paper, two members on the varsity debate team, and the Debate Cup for 1945-46 won by their team in the intramural debates. For next year they have the senior woman on the YW Cabinet, the Sophomore Representative on the Board of Control, and the chairman of the state conference of WRA to be held at WSC.

Oregon A has the alternate head of the Greek Bloc, four members on the Rally Squad of nine, the advertising manager of the alumni magazine, the managing editor of the alumni magazine, the chairman of the World Student Service Fund, the pub-

licity chairman for Homecoming, and the co-chairman of Junior Weekend. For next year they have two Mortar Boards, the vice-president and the treasurer of the Y.W.C.A., the vice-president of AWS, the managing editor of the annual, two members of $\Phi\Theta$ (junior women's honorary), and three members of Kwama (sophomore women's honorary).

Oregon B has the AWS president, associate editor of the paper and four other members of the editorial staff, news editor of the alumni magazine, the secretary and two other members of the Editorial Board, the general chairman and the co-finance chairman of Homecoming, the publicity chairman, co-talent chairman, and general chairman of the Sophomore Show, Red Cross Council secretary, secretary of the Rookees Counselors, secretary of the Cooperative Managers Association, vice-chairman of Roundtable, chairman of International Week, chairman of the Book Drive, the leading actress in each of two productions, the president of the Oregon Christian Youth Association, one member of Talons (sophomore women's honorary), and two members of Mortar Board. Next year they will have the vice-president of Mortar Board and one Talon. At a recent Honors Convocation one member received the Danforth Fellowship, another was chosen Senior Honor Girl, one was given a Mortar Board service award, and six were given prizes and awards for excellence in scholarship and outstanding leadership.

Oregon I has the feature editor of the paper, two members with leading parts in plays, and the secretary of WAA. In recent elections they won vice-president and treasurer of Y.W.C.A., the vice-president and secretary of the sophomore class, and the vice-president and secretary of the junior class.

Social honors have come to many of the chapters, too. A member of Montana A was chosen Pi Kappa Alpha Dream Girl, An Idaho A was May Queen. A Washington A was Homecoming Queen, and another was the Sweetheart of Sigma Chi. An Oregon A was chosen the Campus Dream Girl. An Oregon I was May Queen and had another Pi Phi as a member of her court.

In the fall Washington A, Washington B, Oregon B, and Oregon I returned to find that there had been some redecorating done in their houses during the summer. All of the houses are very attractive and very pleasant but several have been far too crowded this year. The most crowded is that of Washington A which has a chapter of 100 actives and pledges. All chapters had very successful rushing seasons, and Alberta A put out the broom on their front porch to show that they had "swept the campus." Next fall both the University of Alberta and Montana State College are having deferred rushing. In neither institution may girls pledge during the first term, and freshmen must live in the dormitories all during their first year. All the groups on both campuses feel that this will be a great hardship, and we are hoping that after one year of this system they will be allowed to return to fall rushing of freshmen.

There has been only one new housemother in the

province this year, at Oregon B. We are very fortunate to have eight such fine women as we have in this position.

Alberta A purchased its house at the end of the year last spring, and during the summer the girls worked long and hard on it, painting, waxing, polishing, and doing general repairs. Now that it actually belongs to them it means much more to them and they take great pride in all they have done to it. Now with the exception of Montana A, which occupies one of the college quadrangles, all of the chapters in the province own their own houses.

Two of the college presidents in the province are Pi Phi husbands, Dr. G. Herbert Smith of Willamette University and Dr. Wilson M. Compton of the State College of Washington. The inauguration of Dr. Compton in December of this year was a highlight for the many who attended. Addresses were given by his brothers, Dr. Karl Compton of M.I.T. and Dr. Arthur Compton of Washington University in St. Louis, both of whom did work connected with the atomic bomb.

The Army Burnham Onken Award for Lambda Province went to Helen Harstad, Oregon B, for her outstanding leadership on the campus, her scholastic record, and her service to Pi Beta Phi. Helen was AWS president in her senior year, a Mortar Board, a member of $\Phi K \Phi$, winner of the Lipman Wolfe Prize for proficiency in scholarship, qualities of womanhood, with special emphasis on unselfishness and kindness, qualities of leadership, and contribution to campus welfare. As a sophomore she was a Talon, president of $\Lambda \Delta \Delta$, and winner of the $\Phi K \Phi$ scholastic award. As a junior she was, among other things, vice-president of AWS.

The outstanding seniors from other chapters who were candidates for the award were: Alberta A, Dorothy Ward; Montana A, Betty Germeraad; Idaho A, Jean Thompson; Washington A, Robin Harris; Washington B, Jane McMicken; and Oregon A, Anita Young.

All the chapters contributed to the three fraternity projects. The total was \$208.25 which included \$108.25 to the Settlement School, \$53.50 to the Loan Fund, and \$46.50 to the Holt House. The largest single donation was made by the pledge class of Oregon I who gave \$48.25 to the Settlement School, the receipts from a Benefit Bridge which they organized and gave by themselves.

There are 63 graduating seniors who will become alumnae members of the fraternity.

In closing I want to thank all the Pi Phis who have helped make this year such a pleasant one for me. In particular I want to express my appreciation to the members of the Advisory Boards who have cooperated so willingly and who have given so much of their time that their chapters may be the very best. Miss Onken's help has been invaluable, and I am more than grateful for it.

Respectfully submitted,

BARBARA T. BUTTS

MU PROVINCE PRESIDENT

THIS first post war year in the Fraternity has been a truly fine one for the Pi Beta Phi chapters in Mu Province. There has been a minimum of problems, and much in accomplishment of which we may feel justifiable pride. The girls in the chapters have had peace time experiences which were unknown during

the war such as homecomings, social events, and it is a joy to know that they have had at least some semblance of normalcy.

The year started for Mu Province in July, for California B, still on the accelerated program, remained active during the summer term, having their July

rushing and pledging. The chapter was small during this semester and all girls were able to live in the chapter house.

From August 10 to 12 representatives of the six chapters met the Grand Secretary and the province president for a two-day Presidents' Conference at the California Beta Chapter house in Berkeley. This conference proved to be a most beneficial workshop of chapter procedures. Presidents of all chapters except Arizona A attended, Arizona being represented by their treasurer. Mrs. Finger contributed much of her valued fraternity experience and was a fine inspirational addition to the conference.

Chapters visits were made by the province president to Utah A and to Nevada A in October, to California A, California I, and Arizona A in December, and to California B in January. In March all chapters except Utah A, which was visited last year, had the honor and pleasure of their long anticipated visit from the Grand President.

In April II B A, petitioning group at the University of New Mexico, was visited by Mu Province President, and by Eleanor Mewhirter, president of Arizona A, and Jean Blanch, past president of Colorado B. This was an extremely pleasant experience and the three visitors were enthusiastic about the II B A girls.

Mu Province President was entertained by and spoke to members of the following Alumnae Clubs: Tucson, Albuquerque, San Mateo, and her own Palo Alto Club. She was speaker at the Bay Area Founders' Day celebration in San Francisco with representatives from the San Francisco, Berkeley, Marin County, San Mateo, San Jose, and Palo Alto clubs in attendance.

The year 1944-45 saw the chapters with the following scholastic comparative ratings on their campuses: California B 4th; California I 5th; California A 4th; Nevada A 3rd; Arizona A 2nd; and Utah A 4th. It was a bit disappointing that there were no first place ratings, but all chapters are striving for that coveted spot. Chapters have various study schedule plans and the girls are sincere in their endeavors. Scholarship chairmen keep a full college record for each member and confer with girls who fall below the expected average. They endeavor to determine the cause of poor grades, and then by personal conference guide the individual in choices of subject and in study habits.

Individual scholastic honors were:

California B: 3 A M I.

California I: 1 Φ B, 2 Z Φ H, 1 A H P, 1 Γ A X.

California A: 1 Φ B K, 4 Honor Graduates, 1 Φ Δ E, 1 French Honorary, 1 History Honorary.

Nevada A: 2 Φ K Φ, 2 X Δ Φ, 2 A E Δ, 4 Φ A Θ.

Arizona A: 1 Φ B K, 1 Φ K Φ, 1 A P T, 1 Σ A I, 1 Π Δ Φ, 3 Z Φ H, 1 Σ Δ II, 1 University Players.

Utah A: 1 Φ K Φ, 2 Honor Graduates, 1 A A Δ, 1 Θ A Φ, 6 B A M.

During the year war activities such as Red Cross have continued to be of considerable importance on the West Coast where there have been continued demands for services such as nurses' aides, entertaining in hospitals, and canteen. Each chapter has proved faithful to the demands made upon the members. California B's nurses' aides have continued their services and the chapter has entertained servicemen, California I entertained at a hospital and had members serve as Red Cross Treasurer, 3 on Red Cross Staff, 2 on Board of Directors, chairman of sorority competition, chairman of fund drive, and they won

the certificate for devoting the most hours of any group for Red Cross Production. California A had a member of Red Cross Board, Nevada A had the Secretary of Red Cross Board, Arizona had the president of the University Red Cross, and Utah A won first place on its campus in the final bond drive, had 100% membership in Red Cross, had the chairman and treasurer of the University Red Cross and have the chairmanship as well as drive chairman for next year. This chapter has accumulated 3596 Red Cross hours (by hospital entertaining, canteen work and staff work). They also have served 200 hours at the OPA and USO.

With the completion of the war, regular campus activities have taken on greater importance again. All of our Pi Phi chapters have served their campuses well and there are many fine resulting honors. We entered the year holding the presidency of four of the five mortar Board chapters in the province—Henrietta McLean of California I, Mary Morgenstern of California A, Frances McIntyre of Arizona A, and Katherine Rommey of Utah A. The latter two held this office during the current year.

Activity honors have been as follows:

California B: 1 Prytanean, 1 Panile, 1 Hammer Dimmer, Manager of Year Book, chairman Student-Faculty Committee, 2 Rally Committee, 1 junior class council, 2 sophomore class council, and 1 freshman class council.

California I: 1 Mortar Board, vice-president of A.W.S., 2 W.A.A. managers, member of Greater University Committee.

California A: 3 Mortar Board, 2 Key and Scroll (junior honorary), 2 Spurs, 2 members of "Cal Club," Chairman of International House, president of Panhellenic, business manager and 2 copy editors of year book, secretary of sophomore class, president of Sophomore Club ("Y"), president of Freshman Club ("Y"), 1 senior council, 3 junior council, and 1 sophomore council.

Nevada A: 2 Cap and Scroll (similar to Mortar Board), president and secretary of Spanish Club, 7 Sagens, 2 Press Club, 1 Senator, secretary of Y.W.C.A., secretary of Home Economics Club.

Arizona A: 2 Mortar Board, 2 F.S.T. (junior honorary), 6 Spurs (V. President and treasurer), editor of Manuscript, president of French Club, secretary of Physical Education Majors' Club, president and secretary of Orchesis, president of Putters, W.A. business manager, 3 "A" Club members (1000 WAA points), Senior class treasurer, sophomore class secretary. This chapter had the "outstanding sophomore woman" on the campus and won the Panhellenic "Supremacy Cup."

Utah A's officers and honors were: 1 Mortar Board (with 2 elected for next year), editor, assistant manager, and advertising manager of the *Chronicle* (weekly paper), 3 Cwean (junior honorary), 4 Spurs (treasurer), A.W.S. senior representative, 3 members of Ski Team.

Social honors were: California B's president of "Ace of Club," an award for outstanding Homecoming decorations, California I's Homecoming Queen, Blue Key queen, and Blue Key princess, California A's Homecoming Queen, first place in Spring Sing, Utah A's third place in Spring Sing, attendant to "U Day" Queen, "Dream Girl" of II K A, and Company Sponsor of R.O.T.C. unit.

During the year there have been 185 pledged and 122 initiated into Pi Beta Phi in the Mu Province chapters.

The chapters have all had exceptionally fine Advisory Committees which have worked closely with the members of the active chapters. On several occasions Deans of Women have spoken of the splendid advisory system which Pi Beta Phi affords, expressing their gratitude to the fraternity for this splendid service to the college girls.

While there have been no major remodelings in the chapter houses, all houses have been kept up well with redecorating and painting.

Frances McIntyre was the Mu Province, Amy Burnham Onken Award winner.

All six chapters of the province were 100% in the support of the fraternity's philanthropic projects, and California A donated to both the War Project and

to the Settlement School as a parting gesture to the fraternity. Donations totaled \$893.00 to the Physiotherapy Fund, \$1,170.75 to the Settlement School, \$55.00 to the Loan Fund, and \$62.50 to Holt House. 76 girls paid Senior Dues.

Again the Mu Province President would like to express her gratitude to the chapters which have given her such splendid cooperation, to the advisors who have been so fine in keeping her informed of progress in the chapters, and to the members of Grand Council who have been tireless in giving counsel. It is a privilege to have served Pi Beta Phi and I hope that my counsel has been of some value to both Pi Beta Phi and to the fraternity movement as a whole.

We Had a Fire

The editor's office was burned out August 15, as result of a fire set by a nine year old in a neighbor's garage behind the house. Among material destroyed was correspondence received up to August 15, including material intended for the December ARROW—and this includes some personality material, and some pictures of scholarship girls, which had been sent to the Editor, instead of to the National Scholarship chairman where they belonged. Will Pi Phis who had sent in such material please send copies to the Editor of the ARROW by October 15, if possible?

Also, material concerning the Amy B. Onken awards was destroyed—so will all National and Province A.B.O. Award winners send pictures and list of six top honors to the Editor, also by October 15—earlier if possible?

And remember, the Editor always wants to know what Pi Phis are doing, so continue to send her pictures and write-ups of Pi Phis who are accomplishing interesting things in the world.

Reports of Province Vice-Presidents

ALPHA EAST PROVINCE VICE-PRESIDENT

CONVENTION has been the great interest in our province and everyone has helped to make Swampscott Convention one that will be long remembered with pleasure. Boston helped Massachusetts A celebrate its fiftieth anniversary.

Burlington and New Haven have not made contributions to all projects at this time so the hostess province is not 100%, although the chapters are. The State of Maine group which is not chartered has made contributions to all projects. One more club than last year held an Arrowcraft sale but all were disappointed in the amount available for the sale. Although there are not so many paid members, there has been an increase in attendance at meetings.

Portland has again made an award to the out-

standing Sophomore in the province. Hartford has given Connecticut A a ring to be passed each year to the member making the greatest improvement in scholarship.

Two clubs had a visit from Mrs. Wild, as she was visiting chapters in this province.

No new clubs have been chartered but there are two groups that may be soon. Plans are being made for a Vermont picnic in August.

The cooperation and support of officers and members has been appreciated. I am especially grateful for the suggestions and help of members of Grand Council and of Central Office.

Respectfully submitted,

ERMINIE L. POLLARD

ALPHA PROVINCE WEST VICE-PRESIDENT

IN LOOKING over my receipts for dues I find that eight out of the twelve clubs in Alpha Province West have gained in membership since last year's report for the ARROW was sent in. In regard to contributions, all have sent in donations to Settlement School, seven to the Loan Fund and eight to Holt House. One club, brought the All-Canada Physio-Therapy Fund to the required amount of \$200.00 by a donation. Five clubs sent gifts to active chapters. Three are responsible for financing the purchase of houses for resident chapters. Due to unusually heavy snow falls some of the upper New York State clubs had to cancel scheduled mid-winter meetings, but they held the required four annual meetings and all clubs seem to be in a sound financial condition and have begun to plan for the season of 1946-47. Their interest in Pi Beta Phi International has increased during the war years and nine clubs are sending dele-

gates to Convention with well thought out ideas on future policies, designed to help meet the wave of hostility to all fraternities which has swept the country in the post war months, by clarifying and unifying the thought and endeavour of our own chapters and clubs. As I reach the end of twelve years of service in this office I wish to express my appreciation of the cooperation received from fellow officers and members of Pi Beta Phi, and to thank, especially, the executives, past and present, of the clubs in the province for their never-failing support, and most of all for the personal messages which have helped me to attain the objective toward which all of us are striving, that of making and keeping our organization one of the leading women's fraternities on this continent.

Respectfully submitted,

MARY HERDMAN SCOTT

BETA PROVINCE VICE-PRESIDENT

BETA PROVINCE has twenty-one out of its twenty-two clubs active this year with sixteen of them 100% in contributions. There is an increase in membership over last year and a decided overall increase in Pi Phi interest and enthusiasm. Eight clubs are sending official delegates to Convention at this writing, and a number of other alumnae are hoping to complete plans to go by automobile.

Several clubs have increased their contributions to Settlement School and others maintained their usual amount. Cleveland East again heads the list with the largest contribution. Mention should go to Philadelphia and Cleveland West for decided increases. Several clubs have increased their magazine sales. All but two clubs have contributed to the Settlement School and Holt House. Nine clubs gave money contributions to Red Cross. Six clubs also gave generously to other local groups. Cleveland East's contributions both in time and money to the Crile Clinic, Cancer Clinic, U.S.O. and an active chapter are worthy of special mention.

We are sorry that Carlisle Club found it necessary to become inactive due to reduction in the number of Pi Phis in their city. Clarksburg is to be congratulated

on their first active year with nineteen members and 100% contributions. Many clubs are assisting some active chapter either financially or by having vacation rushing parties.

Last fall, it was my pleasure to visit five clubs whose visits could not be scheduled before, Dayton, Cincinnati, Fairmont, Cleveland East, and Cleveland West.

Founders' Day celebrations every where sounded so fine. I enjoyed being with the Central Pennsylvania Club and Pennsylvania Beta Chapter at their banquet, together with Isabel Clark. My own club and chapter's luncheon came a bit later, so I was able to enjoy that also.

It has been a privilege to serve and work with the clubs of Beta Province this year and I would like to express to all of them again my appreciation of their fine cooperation and loyalty. To Miss Onken, Mrs. Smith, other members of Grand Council, committee chairman and Central Office. May I express my sincere thanks and gratefulness for your cooperation and help?

Respectfully submitted,

EDITH HOYER RANKIN

GAMMA PROVINCE VICE-PRESIDENT

EVERY club in Gamma Province has contributed to each of the three National Projects, and in one case although the contribution itself was small, it represented an increase of 100% over the amount given last year to Holt House and the Loan Fund. Membership has dropped in some of the clubs but that has been caused probably by an unusual shifting of population, due to the war's end, with families returning to their former homes, this being particularly noticeable in Washington. However, Washington had an outstanding Founders' Day celebration with 252 present and with special honor being paid to three of their members who had been initiated fifty years ago. All of the clubs held joint Founders' Day celebrations with active chapters except Charlotte, N.C. which is 160 miles away from the nearest one, but all of them used the candle-lighting service.

The clubs continue their interest in the magazine agency, the sale of Settlement School articles, and both Washington and Baltimore sent books to S.S. in memory of members who had died during the year. Richmond, Virginia has an outstanding local project in the Elizabeth Cates Foundation, which does remedial work at the State Industrial Farm for Women at Goochland, Virginia and all of the clubs are still doing work in Red Cross and U.S.O. services where they are continuing to function. Every club has helped the active chapters in rushing and has members on the Advisory Boards and in several cases has had teas for local girls who plan to attend college

where there is a Pi Phi chapter. The clubs in Gamma Province range in membership from the smallest with 11 members to the largest with 108, but without exception they are interested in the various projects and work toward making the province 100%.

Some of the loss in membership has been offset by the chartering of two new clubs, one in Norfolk, Virginia, with 12 charter members and the other in Wilmington, Delaware, with 22. To these two new clubs, the P.V.P. "points with pride," as well as to the others which have been functioning for a much longer time. If anyone reading this report lives in any of the towns in Gamma Province where there is a club and has not notified the club, please consider this a personal invitation to join and thereby encourage the various membership chairmen. If you live where there are enough Pi Phis (10 are enough) to start a new club, tell me, and I will get to work at once.

My year has been a busy one and, I hope, a profitable one for the fraternity, but nothing could have been accomplished without the help and cooperation of the club officers and members, the directors of Central Office, the national committee chairmen and each member of Grand Council and my own Province President and in this Convention year the members of the Convention Committee and the Convention Guide. My thanks and appreciation go to all of them for their generous support.

ISABEL DRURY HEUBECK

DELTA PROVINCE VICE-PRESIDENT

THE GOAL for this year was a 100% province, although this goal was not reached, the record made by the majority of clubs, indicates progress. However, the province needs the cooperation of each and every club, and will never be 100% unless it does get that cooperation.

All sixteen clubs contributed to the Settlement School for a total amount of \$485. Fourteen clubs contributed \$65.60 to the Holt House, while thirteen clubs contributed \$61.50 to the Loan Fund. Twelve of our sixteen clubs are 100% in their contributions to the three projects.

Membership in the province has increased from 480 in 1944-45, to 539 in 1945-46. Seven clubs have an increase this year, while two remain the same as last year. Indianapolis had an increase of 18, and Detroit had an increase of 16.

The province is happy to welcome the newly-chartered club at Jackson, Michigan. This group of 19 became an alumnae club just before Convention.

Arrowcraft sales dropped from seven to five this year, but this was due to the inability of clubs to secure articles to sell. We are approximately \$600 short of our sales last year, but that is through no fault of the clubs. Lafayette had the largest sales,

amounting to \$1430.94.

The province was in second place in the total amount of magazine commissions, but Indianapolis took first place among all clubs with a total commission of \$364.60.

It was a pleasure to attend two Founders' Day celebrations this year, one at East Lansing and the other in Detroit. Your province vice-president regrets that she was unable to accept the other invitations extended to her.

It was a privilege also to be among those present at Indiana Deltas 25th anniversary celebration. Other functions attended as a representative of Pi Beta Phi, included a tea and a luncheon given by the Detroit Panhellenic Association.

Four official visits and one unofficial visit were made during the year and your province vice-president takes this opportunity to thank all those who made her visits so enjoyable and beneficial to her.

Sincere thanks and grateful appreciation are expressed to the members of Grand Council, Mrs. Wild, and the Pi Phis in Delta Province for their help and cooperation during the year.

HELEN ANDERSON LEWIS

EPSILON PROVINCE VICE-PRESIDENT

IN THIS year of reconversion the nine active alumnae clubs in Epsilon Province have experienced an unusual turnover in membership. The resident membership has increased as has the paid membership, the latter showing, however, that there are many alumnae taking no active part in the work of their Fraternity. Four clubs show a slight increase in membership, two

remained the same and three have fewer paid members than last year. Interest in the aims and projects of Pi Phi have been demonstrated by both the effort and funds reported.

Through the work of the 498 alumnae in the Province who paid national dues the clubs have been able to turn in a record of 100% donations to our

three major projects. With pride we report that Epsilon Province sent the largest contribution to Holt House of any such alumnae group,—\$153.00. Kansas City, with its check for \$100.00, is largely responsible for this fine showing. Contributions ranging from \$2.00 to \$1,000.00 made a total for Settlement School of \$1632.00 for the year. St. Louis raised the \$1,000.00 which they sent by holding a most successful Style Show and Garden Party. With every club contributing, we were able to help the Loan Fund to the extent of \$43.00.

Arrowcraft sales, we regret to report, fell off this year, but under that heading the province reports \$3589.86. Four clubs have local altruistic projects which they support and interest in and cooperation with the active chapters is fine. All but one club met all constitutional requirements for the 100% rating.

With assistance from the fund for alumnae club delegates to Convention, Epsilon Province will have

six delegates at Convention. St. Louis and Kansas City are paying the entire expense of their delegates while Chattanooga, Louisville, Memphis, and Springfield are receiving money from the national fund. We are all most grateful for this help and feel that the instruction and inspiration which these delegates will take to their clubs will be of great value to the Province and so to the whole Fraternity. We are hopeful that all province clubs will maintain a fund for a convention delegate hereafter.

The friendship and cooperation of the alumnae club officers and members continue to be a source of pride and joy to this officer and she is grateful to them. To all members of Grand Council and the other officers who have continued their help and guidance goes the sincere appreciation of the Epsilon Province Vice-President.

Respectfully submitted,

MARGARET A. FOSTER

ZETA PROVINCE VICE-PRESIDENT

IT HAS been an eventful year as all of the world is aware! The war's end and the resulting happiness has shown its reflection in the activities and increased memberships of the Zeta Province Alumnae Clubs. With hearts more peaceful and a more generalized feeling of stability, the club finds it more easy to hold meetings and enthusiasm and cooperation are soaring.

Atlanta, Tampa, and DeLand show a marked increase in paid membership. Once more the Lakeland, Florida, club takes the lead with a 100% paid membership. The Atlanta club shows an increase in contributions to all of our fraternity national projects. DeLand, Florida shows a good increase in contributions to the Holt House fund, as does the Miami, Florida club.

I am elated to report that the St. Petersburg Club is in the process of reorganizing and Zeta Province happily re-welcomes the club back into the fold. We are hoping that there will soon be a new alumnae club in Augusta, Georgia.

Several of the Zeta Province alumnae clubs were honored by a visit from our Assistant to the Grand Vice-President, Marianne Wild, this year. Her presence at club meetings was a true inspiration to the alumnae and her message left the clubs with a far greater appreciation of the national work and organization of our fraternity.

The clubs of Zeta Province have found that the best means to build up membership and to attract new Pi Phi to meetings is by having planned programs. These programs take the form of book reviews, "imported" lecturers, quiz programs, and interesting talks by members on Pi Phi activities. Best means of earning money discovered by the clubs have been rummage sales, White Elephant sales and benefit bridges. Several of the Zeta Province clubs find that it is an excellent idea to re-elect the club president for a second term. A first year is a year in which the president is familiarizing herself with her duties,

but a second year finds her assuming these duties as routine and thus is more able to devote her leadership to the club.

All of the clubs write glowingly of their Founders' Day celebrations, and they must all have been lovely. However, I believe that the Miami Club held the most unique and novel celebration. The program was held in the garden of one of the members, and a wooden trough 8 feet long was built and lined with sheet aluminum. Beautiful wine colored bougainvillea banked this trough, thereby hiding the wood. Blue candles were placed at both ends, and placards made in a cone-shape with printing on each side were placed at frequent intervals. The placard at the starting end read, "I.C. Sorosis 1867" . . . and at the other end, the placard read "222 clubs, 90 chapters." Interspersed were placards reading of the various highlights of Pi Beta Phi. . . . Settlement School, etc. White floating candles were made in the form of arrows. 12 Pi Phis walked up singly, lighting a candle and calling the name of a Founder. Then the candle was sent downstream. During this ceremony, "Speed Thee My Arrow" was sung. A short opening talk was made by one of the members in which she said that Pi Phis were like the floating arrows. . . . Some went all the way as did some of the arrows; others stopped part way, and some fell by the wayside. The ideal way being . . . to go all the way for Pi Phi.

Once more I wish to thank the clubs of this Province for the cooperation they have given me during these past two years. It has been a sincere pleasure and a sheer delight to have had the pleasure and the stimulation of working with you. To our Grand Officers I wish to say . . . thank you for the help you have given me, your great patience, and the wonderful experience it has been to have had this association with you.

Respectfully submitted,

JEANNE PICKARD STALLINGS

ETA PROVINCE VICE-PRESIDENT

THE first post-war year in Eta Province was very satisfactory. Gas rationing was the only former hardship to be alleviated but a fine increase in membership resulted from this freedom of transportation. The gross sale of Arrowcraft will be well over \$5000 when total figures are available. In view of the limited amount of goods clubs could have in proportion to their demand this is a splendid figure. The highest gross sales were made by Champaign-Urbana, Madison, and Milwaukee. Several clubs joined active chapters for a guest sale and tea; as always, these functions were lovely affairs and the resultant publicity a credit to the Fraternity.

Holt House contributions increased greatly and interest in this project has grown. The Monmouth Club has enjoyed extensive use of Holt House, and the proximity of Avon made it possible for the members of the Libbie Brook Gaddis Club to visit the House for its Founders' Day celebration. Members of the Galesburg Club also anticipate a group visit to the Memorial to the Founders sometime in the near future. The Loan Fund received consideration from all clubs but one. Throughout the province there is interest in extending the benefits of the Loan Fund to all worthy women students as well as Pi Phi undergraduates.

Settlement School remains in first place in the affections of Eta clubs. Numerous groups built their required meeting on the School around the showing of the Settlement School film. This provided an opportunity to entertain guests and acquaint friends with the handicraft of the School. Interest in the summer session now offered in Gatlinburg is growing, steadily and several alumnae have expressed a desire to take advantage of this year's classes.

A most harmonious feeling exists between actives and alumnae in the province. Rushing recommendations committees of all clubs have ably done their work, and unlimited rush week assistance has been given by alumnae in towns where there is an active chapter. Without exception Advisory Board members have enjoyed their chapter contacts and have added strength to the clubs with their knowledge of college activities. The happy relationship between recent initiates and Pi Phis of long standing is some-

thing lovely in which the whole fraternity may take pride.

Magazine commissions have steadily increased and Eta clubs will have played a substantial part in helping the Magazine Agency reach its goal of \$10,000. It is hoped the prize which came to the Chicago Business Women last year for having the highest per capita increase in commissions of any alumnae club will remain in the province.

Several clubs have had unusually successful money raising ventures—always an admirable undertaking. Some ideas which might be helpful to other clubs are the twelve benefit bridge parties held simultaneously in homes of members of the North Shore Club, the old furniture auction which Springfield held, and the raffle on a beautiful doll with a hand made wardrobe which Peoria members sponsored.

One of the year's bright spots was the visit of the Grand Vice-President to the province. Ruth Barrett Smith brought charm and inspiration as well as practical help to the clubs located near the eight active chapters which were being officially called upon. One regrets that all clubs cannot have frequent visits from her!

The first year of reconversion from War to Peace has been met with flying colors by twenty two 100% clubs. The very most that can be wished for these clubs is that the strong ties of fraternity membership which binds alumnae together will awaken the responsibility to problems of Public Relations which confront the whole world at this time. The stimulation that educated women can give their communities in the direction of right thinking on these problems is so tremendous that Pi Beta Phis cannot overlook it. It has been a wonderful privilege to assist in the guidance of the Eta Province clubs and to know the splendid alumnae who comprise them.

To the club officers and members, to the Director of Central Office, to the national committee members, and to Grand Council for ever present help, goes a heart full of thanks for a never to be forgotten experience.

Respectfully submitted,
GERTRUDE S. BURLEY

THETA PROVINCE VICE-PRESIDENT

THE alumnae club of Theta Province which has had the greatest increase in membership in the Des Moines Club. Four other clubs were able to increase their membership also but the ten clubs that failed to do so brought down our membership from last year from 378 to 377.

We have made up for this decrease by increasing our contributions in all three of the Pi Phi projects. Three hundred and sixty one dollars and eighty cents has been given to the Settlement School, an increase of \$105.80 over last year. Our Loan Fund contributions jumped from \$13.00 to \$51.00 this year and Holt House increased from \$51.06 to \$54.50.

Many of the clubs that have had very successful Arrowcraft sales in former years have had to give up sales this year which accounts for the decrease in Arrowcraft.

As all clubs have remained active during the war they will readily come back to pre-war schedule and forge ahead within the next year I am sure.

For example Fort Madison Pi Phis are again able to meet with the Burlington Alumnae Club. The Mt. Pleasant Alumnae Group as a whole body drove over to the Holt House to have one of their meetings this spring. Several clubs plan on having luncheon meetings next fall and in various ways plan more interesting programs.

Rushing recommendations committees of all the clubs functioned very well. This phase of the clubs activities is becoming more important each year. Through this channel better feelings toward fraternities may be fostered or ill will developed. My sincere thanks for all their fine cooperation and work.

Many young war brides are coming back to college with their veteran husbands. Many because of small children are unable to go to school but can find time to come to alumnae club meetings. They are working hard in many of the clubs in this province. We hope the association will be inspiring enough to encourage them to keep on working for Pi Phi.

Winnipeg Club should again be commended this year for their fine work. They managed through a Bazaar to give \$150.00 to the "Christmas Cheer Fund." During the war they worked very hard on "Bundles for Britain" giving many hours of hard work.

It is impossible to enumerate the many gifts the various clubs have given this year besides the Pi Phi projects. Clubs without an active chapter near have given to Red Cross and other philanthropies. The gifts to chapters have ranged from \$50.00 down in money and others just listed "Gifts."

Each year working in Pi Phi brings many new friends. These friendships can never be valued but bring a warmth to the heart that makes each year more delightful than the last.

To members of Grand Council, Central Office and standing committee I wish to express my deep appreciation for your help and cooperation this year. I have enjoyed the many interesting letters from the club presidents and my earnest desire is to know you all personally.

Respectfully submitted,

JEAN PADDEN JOHNSTON

IOTA PROVINCE VICE-PRESIDENT

IOTA PROVINCE has closed a most satisfactory year. The one inactive club, in Colorado Springs, began to function again with 18 members. There was a gain in membership of 30, bringing the total to 597. Many of the larger clubs are having difficulty in finding meeting places to accommodate their groups.

The limited amount of Arrowcraft goods sent to the clubs were quickly sold. The quality and beauty of the articles made many repeat orders. The five high clubs sales were: Denver, \$1,000.00; Manhattan, \$476.85; Topeka, \$460.00; Lawrence, \$395.00; Cheyenne, \$358.47; and nice amounts from six other clubs. The total was \$3,369.10.

The Loan Fund and Holt House received \$93.00 and \$85.00 respectively. In past years Iota has made some outstanding records with its support of the Magazine Agency. There was a substantial increase of \$259.50 over last year which gave a total of \$1,237.50 for this year.

The Settlement School has a beautiful colored film which should be seen by all Pi Phis. Certainly it convinces us as nothing less than a trip to the school would, how much we have to be proud of

in our school. Iota gave almost exactly the same amount this year as last—\$837.00 and in addition some special gifts.

Six clubs will have delegates at Convention. The impetus gained from coming together in Convention should be reflected in new enthusiasm and inspiration next year. The Convention Fund set aside by Grand Council will help materially for those living a distance.

All seventeen clubs in Iota have met the requirements for 100% rating which we feel is a fine achievement, and I wish to acknowledge my appreciation for this report.

While serving you as province vice-president I feel greatly enriched by my contacts with Grand Council members, the alumnae I have known personally, and the inspiration from regular correspondence with club officers, and last but by no means least our Director of Central Office. It is with a sense of gratitude for this opportunity to serve my fraternity that I submit this report.

GLADYS K. BUNTIN

KAPPA PROVINCE VICE-PRESIDENT

ALTHOUGH the entire province missed the 100% goal this year it came much closer to this coveted achievement than ever before. A corresponding "forward surge" next year will surely bring this about. The province vice-president feels that convention will surely provide the heretofore missing inspiration.

Fifteen of the twenty-one clubs contributed to the Settlement School, the Loan Fund and Holt House, while for the first time during the present officer's ten year term of office all twenty-one sent donations to the Settlement School. The total paid membership of the province increased over that of last year. Oklahoma City led with 110 paid members, closely followed by Dallas with 104, and Tulsa with 103. It is the first time that Kappa Province has boasted of more than one "over one-hundred" club.

Arrowcraft sales declined, but this was due to inability to obtain goods, rather than lessening of interest. Tulsa led with a sale of \$1,000.00 worth of goods while Stillwater sold \$480.47; Dallas, \$307.72; and Ponca City \$202.51. It is to be hoped that next year will see a material increase in the supply of lovely hand woven articles from our school.

Commissions from magazine subscriptions increased in the province, not withstanding continued paper shortage and continued restrictions of various kinds. Dallas was fourth on the list of the eight highest total commissions per club for 1945-1946, earning

\$254.90; while Muskogee was eighth in the eight highest percentage increase for alumnae clubs for 1945-1946, showing an increase of 297%. Rushing recommendations committees of all clubs functioned well and where geographically situated to do so, the clubs have been of great assistance to the active chapters. Splendid cooperation between clubs and chapters has existed throughout the entire province. Kappa Province chapters are 100% in their donations to all national projects, and also in earning magazine commissions. Two chapters are in the eight highest percentage increase for active chapters for 1945-1946; Arkansas Alpha being fourth with 1,808% increase and Oklahoma B seventh with 727% increase. Kappa Province Vice-President regrets very much that she could not make club visits as planned. She appreciates most sincerely the cordiality of her clubs and their understanding when she was unable to come. Add to this cordiality and understanding their fine cooperation and you have a good example of Pi Phi loyalty. Two events of major importance took place in the province—one at the beginning of the year and one at the end. The inactive club of Tyler, Texas, became active again and contributed to all three of the Fraternity's projects; while last month a new club with twenty members was organized in Bryan, Texas. Just on the eve of leaving for Convention the Province Vice-President received dues

and application for an alumnae club in Wichita Falls, Texas, and charter was granted at Convention, which makes the total number of clubs in this province, twenty-three.

It has been a pleasure to work with the clubs of Kappa Province for the past ten years, to visit them in former years and to share in their accomplishments.

Their loyalty and affection will remain a never-to-be-forgotten happy memory. My deepest appreciation and thanks go to Grand Council for their help and inspiration, as well as to the splendid clubs of Kappa Province.

Respectfully submitted,

OLIVIA S. MOORE

LAMBDA PROVINCE VICE-PRESIDENT

AGAIN the clubs of Lambda Province have written a 100% record for Pi Phi. Besides giving to all three of the fraternity projects, practically every club has given valuable assistance to one or more active chapters, and five clubs—Calgary, Corvallis, Olympia, Wenatchee, and Yakima—are 100% in membership as well.

The 570 Pi Phis who are active in Lambda Province alumnae clubs gave \$43.32 to Settlement School, \$95 to Holt House, and \$113 to Loan Fund, a substantial increase in each gift. Besides that many groups have continued to give a local philanthropic cause, including the \$50 which Portland gave to their Community Chest and the \$5 which Seattle gave to the World Service Student Fund.

Arrowcraft gross sales were less than last year only because the merchandise was not available. Commissions earned through the magazine agency were far in excess of the year just preceding.

The highlight of the year so far as the P.V.P. is concerned was the opportunity of visiting every club in the province to find that the "letter friends" of the past few years are even nicer than she had imagined! Such genial hospitality and fine spirit evident in each of the clubs has contributed to the better understanding and cooperation, resulting in the fine achievements of this year. To each and everyone who has helped to write our record this year, we are deeply grateful.

We look forward to Convention where at least five of the clubs will be represented by delegates who will bring back to their clubs renewed faith and confidence that the Pi Phi way of service to others will do much to adjust the maladies of this post-war world.

Respectfully submitted,

LOUISE W. DOBLER

MU PROVINCE VICE-PRESIDENT

ANOTHER year has ended with a job well done by the clubs of Mu Province. Although true to expectations some of the clubs have lost quite a few valuable members due to the departure of service-wives, most of the clubs gained anywhere from 1 to 38 members over last year's figures, notable exceptions being the loss of 30 members by one club and 89 by another, the latter being due to the temporary inactive status of the one club. I hope that by next year both will be able to recoup their losses. However, due to this I am very sorry to report a decrease of 46 in the overall figure for Mu Province, a drop from 918 to 872. Those showing gains are Albuquerque, El Paso, Honolulu, Long Beach, Los Angeles, Pasadena, Phoenix, Salt Lake City, San Diego, San Fernando Valley, San Jose, San Mateo, Santa Barbara, and South Coast.

Support of all national projects was good, although perhaps another year will show an increase in some. All but two clubs rated 100% in this with support of all three major projects. Settlement School benefited in the amount of \$714.02, the Loan Fund by \$409.79 and Holt House \$137, while the active chapters received a great deal of assistance in organized rushing as well as the donation of 5 recognition pins, 2 gifts of fraternity jewelry as scholarship awards, several house gifts, a book shower, and \$115 in cash.

Arrowcraft sales show a loss of \$629.62 which is a disappointment to all of us but is not unexpected due to the grave difficulty experienced by the Arrowcraft Shop in obtaining a sufficient amount of raw material and the clubs in obtaining all of the items which they ordered from the Shop. Nearly every club sold everything received from the Shop and almost without

exception could have disposed, easily, of much more had it been obtainable. The four clubs leading in this were, San Francisco with \$1380, Honolulu with \$939.07, Los Angeles with \$932.30, and Marin with \$701.92. Again this year it will be noted that Marin County, although the next to smallest club in our province (15 members) placed well up in the list among clubs having a far greater membership than hers! Not very far behind her was San Diego who accounted for \$609.23. Next year we hope that the Arrowcraft Shop will be able to supply a much larger quantity to all.

Even though the war is officially over and a thing of history, its results and related evils are still much in evidence in the shortages and makeshift arrangements which necessitate our spending so much apparently unnecessary time on the routine business of keeping things going in our individual households, but it is hoped that the time is not far distant when we shall have more peace of mind and a little leisure to devote to some of the other things on which we "skimped" during the war years.

It has been a real pleasure to work with you and I do want to thank each one for the splendid cooperation, the loyalty and the interest which you have shown. For the moral support, the generous and outspoken appreciation and the assistance given by Grand Council, by the officers and members of my clubs, the Director of Central Office, and members of all committees I should like to express my sincere gratitude.

Respectfully submitted,

Settlement School Reports

REPORT OF THE CHAIRMAN OF THE SETTLEMENT SCHOOL COMMITTEE

To all Pi Beta Phis:

"Speed thee my arrow
Swift as the flying dove,
Haste thee to her afar,
Tell her my love—"

SWEETLY the voices rise, strong and clear. A meeting of Pi Beta Phi members, singing a favorite song? No, the students of the Pi Beta Phi Settlement School at Gatlinburg, Tennessee, enthusiastically voicing their loyalty by singing the official school song.

"Be thou my messenger
Straight to her heart."

These students, known throughout an increasingly large area of eastern Tennessee as "the Pi Phis" do send a message to the heart of all Pi Beta Phi fraternity members; and serve to pro- and anti-fraternity citizens of the outside world as living examples of the finest in fraternity philanthropy. The Settlement School is known also among educators because of its unique division of authority between Pi Beta Phi Fraternity and Sevier County, and because of its emphasis on the training in crafts.

The past six years since last convention have seen considerable change in the school system. In 1940, the County was paying the entire salaries of the grade school teachers, \$1000 a year rent for the grade school building, and approximately three-fourths toward the salaries of the High School teachers, a total of nearly \$12,000.00. The Fraternity advised the County they would expect them to assume complete support of the grade school beginning with the fall of 1943. Following advice secured through two former surveys made by Dean Edwin Holton and Dr. William Taylor, and with excellent legal advice, Ethel Copp, then chairman, worked through several sessions of the Sevier County Court until, with the aid of loyal Gatlinburg citizens, the lease-agreement presented by the Fraternity was accepted. This has been in operation three years and from all present indications is working remarkably well.

Briefly the provisions of the agreement are these: the High School building, equipment, and playground area are leased for a term of 25 years for the sum of \$1.00 a year. During that period the County maintains the building in satisfactory repair, replaces and maintains the equipment included in the lease, issues the same supplies as they provide for other schools in the county, and pays the salaries of teachers of a basic educational program including English, mathematics, history and science.

By a separate agreement extending until 18 months after it is possible to begin construction, the County also leases our elementary school, paying all costs of maintenance, equipment, and salaries. By the time this lease expires the County is required to build a new grade school on land already purchased by them and adjoining our property.

This, as you can see, did not release any great amount of funds formerly contributed by Pi Beta Phi. In reality, Pi Beta Phi exchanged the \$1000 received as rental for payment of all maintenance costs of both buildings and the salaries of approximately two high school teachers. This past year the County re-

ports expenditures of approximately \$20,000 for the two Gatlinburg schools. Only \$6,000 came from county school taxes, and the remainder from federal funds.

With 104 High School and 328 grade school students, the county funds, even with this federal aid, cannot adequately care for the actual needs of the schools. Pi Beta Phi has furnished a small budget for supplies each year, has contributed occasional gifts of equipment, notably the lovely curtains and cyclorama for the auditorium stage partially financed by a gift from Anna De Costello; and has paid all costs of three departments, Arts and Crafts, Music and Physical Education. The Pi Beta Phi budget for these definite school needs amounted to \$5765.00 this past year.

School Activities

The Superintendent of our Pi Beta Phi School, Ben Fleming, has held this position since the fall of 1940. A former graduate of the school, he has an understanding of Pi Beta Phi's contributions through the years and an appreciation of our continued support which have meant much to the smoothness with which the lease-agreement has been put into effect. We shall miss him next year while, on leave of absence, he completes work on his Masters at Columbia University.

He reports that the past year has shown an increased interest in all school activities, and attendance of large crowds, often more than could be accommodated, at various school functions. The Junior class play even required a repeat performance. A newly-organized Student Council has been most effective.

The senior students again raised funds by selling ads in the programs for their Class Play, which were used to charter a bus for a several days trip to Atlanta for themselves and the two High School teachers who chaperoned. Of eighteen graduates this spring, fifty per cent expect to continue their education at institutions of higher learning.

The Home Economics Department, still under Smith-Hughes, continued activities much as in former years. Interior decoration students refinished and decorated the former Girl Scout Room as a student lounge; sewing students presented a Fashion Show complete with narrator; and many hours of work were given on friendship boxes for children of liberated countries, and sewing for Russian Relief, Red Cross and Christmas community assistance.

This year we were fortunate enough to secure, a short time after school opened in the fall, a returned veteran, well qualified to take over the physical education program in the School. He successfully carried through a very heavy schedule of regular classes in upper grades and High School, with extra-curriculum attention to such sports as basketball, for which there were two elementary and two high school teams, soft-ball, archery, and regular track events. Such a physical education program is now a requirement for all grade A schools, and Pi Beta Phi's contribution in this field was greatly appreciated by the townspeople who enthusiastically backed the basketball teams to the extent of buying uniforms.

Next year, our physical education director will also serve to fill a position vacant throughout the war-period, that of "house-father" for the dormitory boys.

The Music Supervisor, also new this year, and a very evident and splendid addition to our staff, gave regular periods each week to all grade school children, who showed great love and remarkable aptitude for all taught them. The third grade gave a demonstration at a Sevier County Teachers meeting, two grades gave programs for the Weavers meetings, there were numerous appearances at regular school chapel programs, students from the upper three grades formed an elementary school chorus, and the lower five grades combined to present an operetta, "A Rose Dream," praised by all who saw it as one of the loveliest of its kind. This regular music education experience in the grades, begun first during the second semester of the 1944-45 school year, should, in a few years, eliminate the condition now found in the High School where work with the chorus and glee clubs is severely handicapped because the students lack knowledge in sight-reading.

Supervision of art work was given in all grades above the third by the Arts and Crafts teacher. Classes once a week included such fundamental instructions as use of the ruler and compass, with which most of the children had had no previous experience, and concluded with the making of beaver board tiles and coasters. Special grade school projects included the making of a New England village at Thanksgiving time with its log houses, church, and trees; and a creche at Christmas time, their first experience with clay and to many their first knowledge of a creche. As Miss Petrie writes, Baby Jesus slightly resembles the baby sister of its maker, fourth grade Philip Huff, but "to me, who watched these children work, it is beautiful and sweet."

Seventh and eighth grade and high school girls were enrolled in regular craft classes meeting in the Emma Harper Turner Craft Center—the old Arrowcraft Shop moved and shingled outside and since last convention rather considerably improved by new flooring, celotex walls and ceiling, a partition between the weaving and woodworking rooms, and an interior paint job. Here color and design instructions, card weaving, puppetry and all types of four-harness weaving were thoroughly enjoyed. This class combined with the English department to present puppet shows, such as "Haensel and Gretel," and one with the assistance of the Health Center, stressing health habits using the story of the "Three Bears" as a vehicle.

High School boys have met with a part-time instructor for regular daily classes in wood-working the last two years, and the 7th and 8th grade boys three times a week the last year. Besides making the puppet stage and several small table looms for the craft classes, the boys made splendid progress in smaller wooden articles. Next year it is hoped another lathe and spraying machine may be added to the equipment and the attic room remodeled to make a finishing-room.

Paramount in all work of the Craft Department is the basic consideration that everything taught be of practical value to the children in their own home. This Pi Phi addition to the curriculum seems a wise provision to safeguard the future of handicrafts in this area as well as provide future workers for Arrowcraft.

School Future

As to the future of our part of the joint county-

Pi Phi educational program at Gatlinburg, there is every indication that the County will need our assistance for sometime to come, even though they will continue to cooperate to the limit of their ability. Their taxes are already high, but they expect to have to raise them to secure funds for the new grade school building. Even so, the County Superintendent is hopeful they can also secure federal funds, else he fears the amount available will not be adequate to build the type of school desired not only by them but also by Pi Beta Phi, whose approval of the plans is a provision of the lease-agreement. It may well be that in order to insure the building of a school that will be a satisfactory complement to our property, Pi Beta Phi may need to follow Dr. Taylor's advice and either contribute to it ourselves or arouse the Gatlinburg citizens to assist financially with this project.

The grade school building returns to Pi Beta Phi when a new building is ready for occupancy, and can then be converted to other needs. A definite decision has not yet been made but the suggestion of Miss Dyer that this be remodeled into a lounge and dining-room for summer Workshop students is worth consideration, as well as its use in the regular Summer Workshop program for additional class-rooms.

The County has been able to raise salaries considerably during the war period by assistance from Lanham Act funds, made available to them because of their nearness to Oak Ridge and the Alcoa plant. That these will continue even next year is not an established fact, which raises a question as to the County's ability to maintain satisfactory teaching personnel for even the number they are now providing. Any increase in number of teachers provided by them is entirely dependent on comparative needs with other county schools, and the outlook for any immediate increase is extremely doubtful. That they can assume any share of the three departments Pi Beta Phi is now contributing at any time in the near future is most unlikely, and it is even uncertain they could do so at any time, without assistance from some outside source. Gatlinburg itself may grow because of tourist trade, but the character of the country outside the village limits is such that it is largely dependent upon poor farms for sustenance and handicrafts for income. The Southern Conference of Mountain Workers estimated that the yearly cash income of farmers in the nearby community is as low as \$80.00 a year.

Gatlinburg support of the school program was the highest it has been this past year. An active PTA furnished, with federal assistance, a fine hot lunch program, even clearing enough to purchase much needed equipment for continued operation. They aroused the Lions Club to the need for better lighting in the grade school and are raising funds for fluorescent lights to be installed in the present Pi Phi building and removed later to the new county building. This indication of interest in the betterment of the School by local Gatlinburg organizations may bring further contributions of a substantial nature; but the exact extent of regular support is at present very much a question.

Gatlinburg has incorporated and is concluding its first full year under a City Manager and Council of three members. Their first project, just completed, was a topographical survey of the town, funds for which were raised by a tax on hotels and tourist courts based on the number of guests they accommodate. Besides the financing of the City Manager's office the present Gatlinburg funds are expended almost entirely for police protection, a vital need in

a tourist community and one which is even yet poorly met.

Their immediate future projects include a city water system and sewage disposal plant. These are to be started this coming summer, it is hoped, financed by bonds soon to be floated. There has been some discussion of a Community Building as the project for consideration after these are completed, but definite plans are dependent upon a variety of conditions including location of a site and the securing of federal funds.

Gatlinburg has grown in the period since last Convention. An anticipated drop in tourist visitors due to the war did not materialize, due probably to the nearness of Oak Ridge with its government employees to whom gasoline was furnished for necessary buying in nearby cities, and to others from Knoxville and even farther distances who came and stayed for several weeks because of curtailment of travel.

If Gatlinburg is able to build wisely and if contemplated additions to the Smoky Mountain Park and the routing of new highways through other Park entrances does not dissipate their tourist trade, it is altogether probable that Gatlinburg will continue to grow toward a substantial community. For the immediate future there are so many crying needs demanding attention that support of an educational program does not seem possible of inclusion. Without Pi Beta Phi's continued assistance the schools would suffer a most severe relapse.

Housing

A part of our contribution which rightfully belongs with the educational system but which is not an integral part of the school itself is the housing unit. Teachers Cottage houses the office of the Director, a position filled since last convention by Eunice Weaver, who resigned because of ill-health in March, 1941 after seven years with the School; Mrs. Elizabeth Peck, who served two years until family obligations called her to New York; and since then our present capable and delightful Ruth Dyer. This spring a North Carolina recent graduate, Helen Borgstrom, joined the staff as Assistant to the Director.

Teachers Cottage also serves as home for most of our resident staff and for those teachers, county paid, whose homes are away from Gatlinburg. Prior to the war members of Pi Beta Phi averaged 50% of the teaching staff. That this has dropped to zero is the fault largely of war wage-levels with which Sevier County could not compete. It is our hope that as conditions adjust (if they do!) we can again interest our own members in this opportunity to serve and gain rich experience, since we are privileged by conditions of the lease-agreement to keep half of the staff Pi Beta Phi's. It is our belief that Pi Beta Phi's can contribute greatly to the school system, though the caliber of teachers maintained through the war period has been extremely fine when we take into consideration their scarcity in rural communities throughout the country.

The two dormitories house High School students who could not secure their education without the assistance provided by our arrangement which requires payment of \$5.00 cash monthly for room and board plus 96 hours of work done by each student.

Stuart Dormitory has been built since last convention. Made possible through a bequest from Anne Stuart, former Grand Treasurer, it was completed in 1941 and constitutes a lovely home with its twin living-rooms used for all dormitory student social

affairs, its first floor suite, and five double and one single room on the second and third floors. Built as a boy's dormitory to replace the former most inadequate building, it has been used for girls the past two years, with the permission of Mary Stuart Kinder.

Pollard Cottage now serves as boy's dormitory. One of the oldest buildings on the place, it is in constant need of repair to keep it even presentable. The lower floor houses the kitchen and dining rooms for staff and dormitory students. As second on our list of "musts" for our future program is some replacement of this building. Now being considered by our architect is a new Staff Residence to house those now living at Teachers Cottage, and including a new modern kitchen and pleasant dining-rooms. Teachers Cottage could then be used as a student dormitory, and Pollard Cottage would serve as housing for some of the staff members.

Demonstration Farm

Complementary to the housing unit is the Pi Beta Phi demonstration farm. Formerly under the direction of an agricultural teacher, since 1943 it has been in charge of an ex-student of Berea College's agriculture course. During the nine-month school year the dormitory boys work before and after school hours.

A small herd of registered Jersey cattle, a few pure-bred hogs and a sizeable flock of chickens constitute the live stock on our Pi Phi farm. Begun years ago when Pi Phi gifts brought "Ring Ching Ching" and "Texas" to Gatlinburg, our pure-bred strains have raised the standard of stock in the Gatlinburg community. Vegetables from the garden, milk, cream, butter, eggs and chicken provide the raw materials for the excellent meals served under the guidance of the House Manager; and the surplus is always eagerly purchased by one of the Gatlinburg hotels or stores. 269 $\frac{2}{3}$ dozen eggs were sold during the peak producing month this past year. Additional income is made by the renting of Pi Beta Phi's team of mules, the "horsepower" for plowing, hauling wood and other such farm chores.

Health Center

The Health Center remains much as it was in 1940—a busy, interesting place with Marjorie Chalmers completing ten years as the competent, kindly nurse in charge. Her reports show an average of 1500 home calls, 2000 office calls and as many surgical dressings a year. The number of inoculations runs over 800 a year, and an average of 2000 school children are given routine physical inspections annually.

This year a projector and screen given by Chicago North, and usable with electric current or storage battery, has provided the means for increasing interest in health education talks not only in Gatlinburg but in rural communities as well. Pre-school Round-ups with a Dental Hygienist and Nutritionist from the State Health Department are annual affairs, and this year saw two dental clinics and a promise of longer time for Gatlinburg next year.

Special and specific assistance has been given in many types of corrective work, glasses, braces and special shoes being donated by other agencies through our Health Center.

Mrs. Chalmers was selected as the recipient of a scholarship given by the National Foundation for Infantile Paralysis for a special course given last summer at Warm Springs, Ga., and has just completed

a five day refresher course on polio treatment at Monteagle, Tenn.

The building now known as the Jennie Nicol Health Center is really unsafe for use, due to the ravages of time and termites. Preliminary sketches for a new Health Center have already been approved and it is hoped that work can soon be started on this much-needed building. It will contain a nurse's office; clinic or first-aid room; a work-room with cupboards, sink, electric oven for sterilization needs; and a large class-room and adjoining bath for use in the teaching of Home Nursing classes as part of the adult education program which remains one of the important functions of the Health Center.

A doctor has recently established an office in Gatlinburg, and will considerably reduce the number of a certain type of demands on our nurse. Her work as assistant in the birth of new babies has also lessened as more and more of the mothers secure doctor's care for this common occurrence in the area. However, the burden of the physical examinations of students in our own schools and in the nearby rural schools not visited by any county nurse or doctor, the regular emergency and first-aid treatments among the students in Gatlinburg and the weavers and others who still trust only the Pi Phi Nurse, the inoculations, Well-Baby Clinics, and the approximately 1500 home calls a year, still means a full schedule for this member of our staff.

Arrowcraft

Arrowcraft's year may be summed up in the opening sentence of the report of our excellent Manager, Ethel Snow: "The year just past should have brought the alumnae clubs and Arrowcraft more closely together than ever before. I am sure we have had the same thwarted feeling, that opportunity to sell so much more than it was possible to produce."

Production levels have been maintained and even increased each year since last convention. Last year a total of 127 weavers were on the Arrowcraft rolls, with 80 of them working six months or more of that time, and an average of 80 weavers working at any one time. Checks totalling \$27,647.11 were given to weavers for work done from May first of last year to May of this.

A comparative study showed that last year the alumnae clubs received the same percentage of Arrowcraft's output that they had received in 1941, the actual amount increasing from \$35,428.18 to \$43,701.27, not including an increase in discount from 15 to 20% during that time. Of the remaining supply the 1941 sales showed some \$6,000 going to wholesalers. This type of business has been drastically curtailed the last few years, with the continuance only of a limited amount sent to the Southern Highland Handicraft Guild and Southern Highlanders shops in Rockefeller Center, Asheville, Norris Dam and Big Meadows. This has been necessary because of an understanding with these organizations in which Arrowcraft holds membership.

The remaining sales are entered on the books as "Cash Sales" but should not be considered entirely as non-Pi Phi tourist sales, since this includes a considerable but indeterminable number of sales made to Pi Phi's in the Arrowcraft Shop, and all mail order sales not sent to an alumnae club on consignment. One other factor is important in this analysis and that is that the local Arrowcraft Shop often displays those items not popular with alumnae clubs and

is also used to unload those slightly irregular articles which are good but cannot be sent in alumnae club orders because of variation in size, color, etc.

The many problems of distribution for a stock that is unpredictable in amount available at any one time and in total amount, and for which the bulk of the orders arrive at approximately the same time were of real concern to our Arrowcraft staff. Part of this may be removed this coming year by the necessity of a raise in prices on all Arrowcraft articles. This has been needed for some time but OPA regulations to which Arrowcraft strictly adhered prohibited any change except on new items. Now prices may be raised for the same article if cost of production has increased. And you would know, of course, that they have.

Not only has the price of threads and yarns been raised by the mills, but effective now is a drop from a former 25% cash discount to a 10% cash discount. Also the weavers are being paid more for their work, as is certainly not out of line with present conditions, especially since one of the primary reasons for Arrowcraft is the financial assistance to women who could not earn in other ways either because of personal attributes or family restrictions.

Technically speaking, our weavers are not employees since we require no speed of performance, nor do we dictate any working conditions such as number of hours or date of delivery; they weave at home articles for which we advance the necessary materials and sell the finished product to Arrowcraft. Governmental interpretation of the term "employees" however, indicates a probable inclusion of them under some sort of minimum wage regulations. After an original flurry in 1940, during which some government investigation was made, we were told to continue as previously until further notice. This past fall we were asked to make a survey of a number of our weavers, ascertaining speed of work, and reducing their pay, which is figured by us according to a piece rate, to an average rate per hour. The results showed an average pay of 42 cents an hour for the thirty weavers selected from among those working on various types of weaving and with varying abilities. It is uncertain yet what their application of the Fair Standards Act will be, which as you know is under consideration for a change from the present 40 cent minimum to at least a 55 cent minimum. The results of any necessitated raise in pay to the weavers would automatically include some further raise in selling prices.

The outlook for fall, then, would indicate a possible wider variety of articles than last year, many of these lovely new designs of our "Miss Meta," a considerable raise in prices, but no definite promise of a greater over-all quantity than was available last year, since the increasing of production is beyond our control. By staggering club orders over a longer period of time, it might be possible for our Arrowcraft Manager to send a little more on those particular orders which arrived so close together last year that all must be proportionately filled from the same month's deliveries to the Shop. That she can completely fill any orders—if they maintain the same high as last year—will be an impossibility that she and Committee regret fully as much, if not more, than the disappointed clubs.

Miss Meta Schattschneider, whom we were fortunate enough to secure as Weaving Supervisor upon the resignation last fall of Winogene Redding, who had served so capably for twenty years, has already

made a very definite contribution through her lovely designs of interesting color combinations, and her ability to work with and for others. She has written three articles to appear in as many issues of *Design* magazine, the first of which features Arrowcraft and our Summer Workshop.

Summer Workshop

The Summer Workshop as such is perhaps a new idea, although the basis for it came out of suggestions made by both Dean Holton and Dr. Taylor when they advised us to develop the Arts and Crafts field of our Settlement School as we gave added responsibility in other educational fields to the County or community. Future possibilities in such a program were outlined by them and enlarged by the former Settlement School Chairman, Ethel Copp, and the Arts and Crafts Advisory Committee inaugurated in her term of office and consisting of Miss Jessie Harris, Head of the Home Economics Department, Miss Ida Anders and Miss Marian Heard, instructors in textiles and crafts at the University of Tennessee.

The only immediate practical application of this idea seemed to be the founding of the Summer Workshop in the summer of 1945 with the University of Tennessee offering graduate and post-graduate credit for courses in weaving, textile decoration, recreational crafts, woodworking, and community recreation taught by a staff selected jointly by the University and Pi Beta Phi. Headed by the well-known originator of the Milwaukee Handicraft Project, Miss Elsa Ulbricht, this group of four excellent craftsmen was enthusiastically followed in a program of classes and laboratory periods which lasted from eight to six and even spilled over into evening hours because of sheer enjoyment in the creation of crafts articles of assorted types and materials.

At one of the two open houses marking the end of each three-week period, Miss Onken dedicated the Arts and Crafts Building to Emma Harper Turner in recognition of her efforts toward founding the Settlement School and her continued interest in it throughout her lifetime.

The Grand Council and Settlement School Committee and the University of Tennessee Committee in charge were agreed that the first Summer Workshop exceeded all expectations. Students from nineteen states were of unusual caliber, including State Directors of Industrial Arts, Home Demonstration Agents, and Craft Teachers.

The program for this summer follows very much the same pattern as last—with Miss Ulbricht and Miss Marian Heard of the University acting as co-directors and with metalcraft added to the curriculum. Four board and room scholarships were offered—two to Pi Beta Phis and two to the University of Tennessee students, the recipients to live at the School with another Pi Phi, Carolyn Buck, who will attend classes part-time and take charge of a light luncheon to be prepared and served to the students in the Home Economics room of the High School.

Twenty-seven advance registrations to date insure a capacity enrollment this year. There is every indication that if Pi Beta Phi is interested in development of this plan it can be built into a Craft School of considerable prominence. Gatlinburg is an ideal setting, and it is located in the midst of one of the best centers of American handcrafts. Held in the summer it allows use of the High School and Craft Center

buildings during months when they would otherwise be idle, and makes possible the securing of outstanding craft teachers who hold other positions during winter months. We have land on which summer dormitories and any additional buildings needed could be placed; and the possibilities for broadening the curriculum are numerous, including play production with actual experience before tourist audiences, study and experience in the merchandising of craft articles, and development of the community recreation course to include experience in a well-rounded program of activities using Settlement School facilities.

This is an enlargement of our former program of cultivation of the crafts of the Smoky Mountains and specifically the Gatlinburg community, to the furtherance and development of craft education throughout the country by offering excellent instruction in this field to a college-level student body. Through the stimulus and inspiration of these Workshops there should result a raising of the quality of craft work in Gatlinburg itself and finally, we hope, the interesting of craft leaders in affiliating themselves with our project in a permanent way that would insure their cooperation with Arrowcraft to open new avenues of income for the handcraft workers of Pi Beta Phi.

There is no question but that the immediate needs in Gatlinburg are for continued assistance in the regular school curriculum, for a Health Center program similar to the present one, for the maintenance of high standards in Arrowcraft production and the marketing of these to insure financial assistance for those who need this means of income; but as we are able to develop the Summer Workshop project we will be laying the foundation for a future expansion of our enterprise on a basis which should eventually be self-supporting and in a way equally important to Gatlinburg and the future of crafts.

If this report has helped to bring to you a picture of the whole project known as the Pi Beta Phi Settlement School as it exists at present, with some indication of possible future developments, it has accomplished its purpose. It has been a real privilege and pleasure to serve the past four years on the Settlement School Committee, to work closely with the other members who during that time have included Ethel Copp, Beth Le Roy, Lolita Prouty, Ann Munn, Emma Woerner and Eugenia Smith, and the new member just beginning her five year term of office, Carlene Holly; to know the understanding and inspirational assistance of Grand Council and its contact member to our Committee, the Grand President; and to assist to the best of our ability in the many details and constantly changing matters for consideration that make the work at the Settlement School a real task and sometimes a real worry, but always, in spite of this, a real joy also in the knowledge that there Pi Beta Phi is doing such a constructive piece of philanthropy that Edwin Foscoe writing of Gatlinburg in the "Economic Geography" devotes considerable space to the part played by the Pi Beta Phi Settlement School, saying in one instance: "This mountain community, nearly a century and a half old, completely isolated from the rest of the country for more than a century, became known first through the lumbering industry and later through the establishment of a Settlement School" and again: "the Gatlinburg community is certainly indebted to the Fraternity for the work of the school in the community."

MILDRED SALE, *Chairman*

REPORT OF DIRECTOR

TIME moves swifter than a weaver's shuttle, even one in the experienced hands of a Pi Phi weaver. The terrible war is over with people everywhere beginning to talk of memorials to be erected honoring war heroes. Many agree that the day of statues is past and that living memorials will best express the gratitude flowing from our hearts. Pi Beta Phi had such an idea in mind when the Settlement School was founded, not to honor war heroes but our beloved founders. Through the years the natural beauty all around us, orderly living, willing service to bodies, minds, and hearts has gone steadily forward enriching the lives of many. Changes come but by constant adjustments we can continue to serve the Gatlinburg Community.

Community

This year has marked the passing of two good friends of the School. Charlie Ogle died in December of 1945 and Aunt Lizzie Reagan in March of 1946. They are missed, for both filled a place in the life of the village that was a unique one.

This summer of 1946 finds Gatlinburg's main street much changed by the addition of a number of new buildings. The Ogle store has been changed into a Super-Market. The drug stock was moved across the street to the old Annex, now the bus depot. The Log Cabin has been razed. On that site construction on a large new structure which is to house a movie theater, several shops with office rooms above is well started. The Methodist congregation has the foundation laid for a stone chapel. This is to be located on the hill above the Cliff Dwellers Shop on a lot donated to them by Mr. and Mrs. Jones. Mr. Barber is the architect. His design is most attractive in the pictures. Ray Whaley, back from the service, has built a new hotel named Edge Park Inn on land between the Riverside and the New Gatlinburg Inn. It has twenty-five guest rooms and the dining room is to accommodate two hundred. Earl Ogle has erected an office building for the new doctor adjacent to the Ogle Store. Along the river, Mrs. Allen, of Laurel Springs resort, built two attractive shops on the highway side. They do cut off a lovely view of the river, a circumstance that seems a pity. A number of other business places have been enlarged, smaller shops and eating stands have been erected all along the highway! The main street is fast becoming that of a typical resort town.

The effects of incorporation of the village which was voted last year are not yet very apparent. A large, detailed map of the area and preliminary surveys for water and sewer lines have been made by the city manager and his staff. The council spent much time formulating various ordinances governing the operation and taxation of different businesses. In this town they are almost exclusively devoted to the tourist trade. Some added police protection has been secured. This is used mostly to control traffic and disturbances due to liquor.

School

Many problems have come up during the year with changes in personnel in the teaching staff in some grades a major one. Fortunately we had several strong teachers, and were able to manage somehow with substitutes and end the year with the required work completed. It was again necessary to have one room in which we had two grades. The Elementary

building was so crowded that the beginners were placed over in the back room at the high school building.

In the high school there was a change in the English teacher at the end of the first semester. Miss Fenn wished to go to Columbia for further work in Library Science. We were fortunate in securing Mrs. Ann Lighter for the position. She has recently moved to town, she and her husband own a home here. She has taught English and best of all had charge of all High School libraries in the state of Michigan for two years prior to her marriage. She is a real addition to the staff. She coached the successful senior play, "He Couldn't Marry Five."

The work of the three teachers supplied by the fraternity to supplement the County program added much to the enjoyment of the students as well as giving them something of value in Music, Physical Education and Crafts. Mrs. Stanley Armstrong used the old Agriculture room for her class room for the music work. The children responded well to her excellent teaching. The Grade School Operetta, *Rose Dream*, was one of the best that I have seen here. She trained a chorus from the sixth, seventh and eighth grades that delighted everyone with their singing at the Elementary School graduation program. The Glee Club did very well at the various Commencement events.

Mr. Don Spargo, as Physical Education instructor, worked hard with the students in regular classes as well as coaching both a boys and girls team in basket ball. Our victories were not too many for we were pitted against teams of much more experience and from larger schools but the spirit was fine. Through donations from various business houses and individual friends a fund of \$351.00, was secured for new warm-up jackets for the boys team. These were ordered last December but to date have not been delivered due to shortages of materials. When our teams played away from home they reflected credit upon their coach and the school.

In the craft department Miss Elizabeth Petrie worked with the grade school children and the girls in the high school craft class while Mr. Carl Huskey devoted two hours in the morning to the boys teaching wood working. The boys made a number of small looms that were used by the girls in the simpler types of weaving. The boys also made the wooden stage for a puppet theater; the girls wove the little curtains and made the puppets. Several shows were given to very appreciative audiences. One play was the "Three Bears" with health problems woven into the story by one of the girls. "Hansel and Gretel" with music from the opera was given at Open House. The weaving done by the girls was of exceptionally good quality both in design and in workmanship.

Home Economics instruction included work in nutrition, sewing, and designing of clothes for the girls themselves and work for various relief agencies. One class cleaned and decorated one room at the school to be used as a future rest room for the girls. A course in home nursing resulted in the girls being given the Red Cross awards for completing the regular course. In this work Miss Landrum has a very good opportunity to teach the girls many things in personal grooming, clothing care, suitability of dress, good manners and ways of entertaining. When our Gatlinburg girls go to any other town they are

always complimented upon their excellent appearance.

We graduated a class of sixteen seniors. A number of them expect to go on for more training. The class made their annual trip to Atlanta, had the usual banquet tendered them by the Juniors and gave their class night program before Commencement. The speakers were good at both the Baccalaureate and Commencement programs.

We have had good cooperation from the Sevier County authorities but have been hampered all year by the war time shortages of repair materials needed for buildings, furnaces, etc. The county constructed a new brick smoke stack to the large boiler room and paid for half of a new incinerator to take care of waste paper from the school.

Mr. Kelley Huskey coached a team of girls in Sevierville for schools of their size. His Eighth Grade basketball class which won the Elementary tournament, was smaller than usual, eleven girls and eleven boys finished the course. All intend to come to high school this fall.

Community interest in school affairs has increased. Sometimes the crowds at events such as our Open House and the Operetta were almost more than we could take care of. The P.T.A. has functioned all year and has ambitious plans for the future. They sponsored the hot lunch program, purchased a large electric refrigerator for the lunch room and have started raising money to install better lighting in the elementary building. The T.V.A. are supervising the planning of this improvement. In addition to new lights it calls for new paint in the class rooms of the elementary school building. The county will pay for the paint but the P.T.A. must put it on. Different things have been done to raise the money. The Lions Club helped materially when they gave two performances of the "Womanless Wedding" for the benefit of the fund. A bow supper, a bingo party, and rummage sales have all been held but there is still much to be raised.

Farm

We are gradually building up our herd of cattle from the Jersey calves born on the place. We have milk for our own use and in these days of butter shortages feel rich in that we can churn our own butter. Carl, the farm man, is good with poultry. We produce all of our own eggs, sell many dozens to the Mountain View Hotel, have chicken for the table and supply the hotel with some fryers in the summer time. During the highest producing month we sold 269 $\frac{2}{3}$ dozen eggs to the hotel. This number dropped to 68 dozen in the lowest producing month.

This spring much time has been spent on repairing the fences around the different lots. We used a lot of old wire and for posts the men went to the woods on the hills back of the place. They dragged down fallen chestnut logs and in some cases felled young trees.

Our garden supplies us with all sorts of fresh vegetables, potatoes enough to last through the winter, tomatoes and beans for canning and berries in season. We sell some surplus that would otherwise spoil.

Dormitory

We have had four boys and six girls for most of the year in residence at the school. Three of the girls graduated this spring. One is already married to a returned soldier, one will go on to school and the third one will possibly go to business college. Again this year most of the money owed to the school has

been paid. Last year every account was settled before school started in the fall, sometimes with money the student had earned during the summer. I expect that to be the case this year.

Stuart Dormitory has been the scene of a number of parties planned and given by the girls and boys. The town children seem to like to come there for school affairs. Our own young people gain confidence in themselves as they play the part of hostesses.

Arrowcraft

Changes have also taken place in this department, the chief one of these being that Miss Meta Schatt-schneider has replaced Miss Gene Redding as designer and weaving supervisor. Gene had been such a part of the weaving program for so many years that her successor had to be chosen with care. We feel that Miss Meta has been a very wise choice. She has gained the friendship and confidence of the weavers to a marked degree. Her new designs are distinctive. They are gradually getting into production and are meeting with public approval. Since all threads have gone up in price and living costs are so much higher it has been necessary to raise our prices to meet these costs when that is possible under OPA rulings. The value of our products is unquestioned, the demand almost unlimited while the quantity that can be produced is definitely limited by the very factor that produces their value—"Made By Hand."

In February 1946 the weavers' checks amounted to \$3,376.09, the highest amount ever written for one month. During that same month the monthly average of weavers working was 83.96 which was only about 3 points under the highest number of weavers working in any one month of the year.

Mrs. Snow has tried hard to satisfy the clubs and to keep both of our local shops supplied with attractive merchandise. At times this has been almost impossible. By last autumn the shelves in the stock room were almost bare while bouquets of beautiful colored leaves in large containers could not cover up the fact that our stock was very low.

Health Center

Another year of service to the community has been added to the fine record that Mrs. Chalmers has made as the Pi Phi nurse. Her duties are so varied that it is always difficult to enumerate all of them. Routine inspections of the school children, inoculations, hours devoted to a weekly clinic day, class room talks on home nursing and home visits are just a few of the things that she takes as a matter of course. They all help to make the people of the community healthier and happier. It has helped make the work of the nurse easier to have a young doctor in town. He is just out of the army and is becoming well established.

The new projector, gift of Chicago North Alumnae Club, has added interest to class room instruction. The children in the rural schools have especially enjoyed the little movies and health pictures. Sigma Phi Gamma has again contributed to our work.

Mrs. Chalmers was asked to attend a Polio refresher course at Monteagle, Tennessee this month. Here the latest equipment for fighting this disease was demonstrated and plans for organizing the community, in case of an epidemic, were worked out. This invitation came as the natural result of the school she had attended at Warm Springs, Georgia last year.

We at the school have appreciated the many gifts

sent by actives, alumnae clubs, and individual Pi Phis. We know that a rummage sale in far off Oregon, magazine subscriptions solicited by some club chairman in the middle west, clever benefits arranged by college girls or alumnae clubs, and the sale of Arrowcraft products all represent thought, time and effort on the part of our members. The school benefits and

I know that the individuals experience a satisfaction in working for our project.

Personally the unselfish devotion of Committee and Grand Council Members to the work of the School is a constant inspiration to me. I thank you for it.

Respectfully submitted,

RUTH DYER

PI BETA PHI SETTLEMENT SCHOOL, GATLINBURG, TENNESSEE REPORT ON AUDIT, YEAR ENDED JUNE 30, 1946

To the Settlement School Committee
Pi Beta Phi Fraternity
Office of Settlement School Treasurer
Denver, Colorado

DEAR MESDAMES:

We have examined and tested the books of account and records of the Treasurer of your Committee for the Pi Beta Phi Settlement School for the fiscal year ended June 30, 1946, to the extent deemed necessary by us for an adequate audit for balance sheet and profit and loss statement purposes. The subsidiary records of the School and its Arrowcraft Shop at Gatlinburg, Tennessee, were not included in our audit. The report concerning those records rendered by Homer K. Jones and Company, public accountants of Knoxville, Tennessee, was accepted by us without further verification. Combining the data furnished

by Homer K. Jones and Company and the information taken from the Treasurer's books, we have prepared the attached financial and operating statements.

The exact cash balance in the Royal Bank of Canada could not be determined for reasons set forth by us in the report for a previous year.

ACCOUNTANTS' CERTIFICATE

In our opinion, based upon our examination, and subject to the above comments the accompanying balance sheet and operating statements together with related schedules fairly reflect the financial condition of the Pi Beta Phi Settlement School at June 30, 1946 and the result of the fiscal year's operations.

Respectfully submitted,

BALLIN, MILLSTEIN AND FEINSTEIN

PI BETA PHI SETTLEMENT SCHOOL, GATLINBURG, TENNESSEE

COMMITTEE FOR WAR WORK

IN PRESENTING this report it will be recalled that the report of last year covered all contributions and disbursements of Physical Therapy Scholarships up to August 1, 1945. With V-J Day which followed so soon and the subsequent end to the war emergency, no further solicitation of funds for these scholarships was made. Contributions have come in through the year and additional scholarships have been awarded. Since this report will close with the chairman's recommendation that the committee be dissolved, having served its purpose, it seems altogether fitting that a brief resume of Pi Beta Phi's war work, year by year, should follow:

1. In August, 1940, Pi Beta Phi contributed \$5,000.00 to the Red Cross—\$4,000.00 was given to the American Red Cross and \$1,000.00 to the Canadian Red Cross.
2. During the year 1942-1943, the Physiotherapy Scholarship Fund was chosen as the NUMBER ONE War Project of the fraternity; Grand Council transferred \$4,000.00 from the Contingent Fund to the Physiotherapy Scholarship Fund, and 11 scholarships were immediately awarded.
3. During the year 1943-1944, active chapters and alumnae clubs contributed nearly ten thousand dollars to the Physiotherapy Scholarship Fund, and 20 scholarships were awarded during that year.
4. During the year 1944-1945, active chapters and alumnae clubs contributed more than fifteen thou-

sand dollars and up to August 1, 1945, 38 scholarships were awarded.

5. With V-J Day, Grand Council agreed with the committee that there should be no further solicitation for funds for this war project, but even so, contributions of nearly \$1,400.00 were received this year from clubs and chapters; ten additional girls received scholarships; and three young women who were completing their courses too late to receive commissions in the Army or Navy received supplemental scholarships to help them through their professional period of readjustment.
6. In addition, Grand Council requested the Committee for War Work to secure a record of Pi Beta Phi's contribution to the war effort—this to be reduced as nearly as possible to the number of working hours spent in war work activities by Pi Phis everywhere—in active chapters, alumnae clubs, and those Pi Phis not identified with any group. These reports have been based on questionnaires tabulated by Ann McDonald D'Aule for active chapters; Ruth Jane Dunlap Wheeler for alumnae clubs; and Mary Foley for Canadian clubs and chapters. Their reports represent a most significant compilation of facts, and an infinite amount of work.

Listed below are the contributions and disbursements of the past year which concern the wind up of Pi Phi's own war project.

DISBURSEMENTS—PHYSIOTHERAPY SCHOLARSHIPS

Awarded August 1, 1945-June 15, 1946

August 7, 1945

- Miss Katherine E. Raths, 951 5th Avenue S.E., Rochester, Minn. \$400.00
Miss Raths holds her B.S. in Home Economics from the College of St. Benedict, St. Joseph, Minn., and is now in residence at the Mayo Clinic where she is taking the last Emergency Course they will offer in Physical Therapy.
- Miss Agnes Richtarsic, 1009 1st Street S.W., Rochester, Minn. \$400.00
With her R.N. from the Buffalo General Hospital School for Nursing, she, too, is at the Mayo Clinic taking the last Emergency Course they offer in Physical Therapy.

August 22, 1945

- Miss Elizabeth Thompson, 617 First Street N.W., Rochester, Minn. \$400.00
Miss Thompson completed her Physical Education Course at Western Michigan; she took her B.S. from Central Normal College, and her A.B. from Fresno State College. She is now at the

Mayo Clinic in the last Emergency Course to be offered.

- Miss Marguerite Mollott, 930 1st St. S.W., Rochester, Minn. \$400.00
Miss Mollott received her B.S. from the University of Rochester in May, 1945 and immediately entered the Mayo Clinic for its last Emergency Course in Physical Therapy.

September 7, 1945

- Miss Rachael E. Bovee, 10900 Otis Ave., Lynwood, Calif. \$400.00
Miss Bovee received her B.S. from the University of Montana and was in residence at Children's Hospital, Los Angeles, taking its Emergency Course in Physical Therapy when this award was made.

January 18, 1946

- *Miss Barbara Correll, 360½ W. California, Glendale 3, Calif. \$150.00
Miss Correll received a supplemental scholarship

on the basis of \$75.00 per month to enable her to complete her course at Children's Hospital, Los Angeles, Calif.

March 20, 1946

*Miss Marilyn Stohl, 750 North Martel Ave., Hollywood 46, Calif. \$300.00
A supplemental scholarship in this amount was awarded Miss Stohl over and above the original \$400.00 scholarship given her July 7, 1945 when she entered the Children's Hospital, Los Angeles.

* Supplemental scholarships grew out of the need in which a few of our scholarship girls found themselves when they had completed their Emergency Courses. By this time neither the Army nor the Navy were offering commissions, so these girls found it necessary to serve their apprenticeship period as aides without reimbursement, and the fraternity advanced aid on the basis of \$75.00 per month to help them through this period of readjustment.

Through Mary Foley will appear a record of four scholarships of \$200.00 each awarded in Canada.

Pi Beta Phi has helped more than 80 girls secure their training. Letters from many of them—from the European theater of war, from the Pacific, from the many Army and Navy hospitals in this country—tell of their satisfaction in their work and the results they are achieving with the injured service men. Certainly Pi Beta Phi in helping in the war emergency has done much to equip these young women for a rich professional life long after the war emergency is over.

In view of the following interesting sidelights on the work of this committee during the past year, the chairman recommends the dissolution of the committee:

- a. Early in the summer of 1945 the various educational institutions offering *Emergency Courses* in Physical Therapy notified me that they were dis-

continuing them, returning to courses of full length duration—and you will recall these scholarships were to apply only to Emergency Courses.

- b. With V-J Day, both the Army and the Navy discontinued offering commissions to young women who were completing these Emergency Courses and were ready to serve as aides.
- c. With V-J Day came several cancellations of awards at the request of the applicants themselves, several of whom wished to be free to join their husbands at the earliest possible moment.
- d. Your chairman, during the past months, has received almost no requests for information concerning these scholarships.
- e. Most important of all, this project was created to help young women train themselves to be of help to the returned injured service men. It is now only in the Veteran's Hospital that a young woman can fulfill such an obligation from now on.

In closing this report, it is interesting to note that the books of the Grand Treasurer indicate a balance of slightly more than four thousand dollars in this fund, an amount almost identical to that advanced from the contingent fund in 1942, when this project was to become the NUMBER ONE PROJECT of the fraternity during the World War II emergency.

To Grand Council, to Province Officers, the members of the Committee for War Work, to each chapter and club who supported this project, I thank you. As the passing years give perspective to the work you have done for it, I hope you will be as well satisfied with your expenditure of time, money, and energy as I expect to be.

Cordially submitted,

(Mrs. Henry) LOIS DONALDSON KOEHLER, *Chairman*

"Pi Beta Phi membership, enhanced and deepened by each day's affiliation with the fraternity, can best be expressed through an attitude. The beauties of fraternity friendships, work and aspirations cannot be caught by a pen, but must be shown in overt acts or expressed in those solemn moments that fraternity sisters often have together.

To me, this membership is something that can serve as a working philosophy of life, regardless of whether I'm in the company of an arrow girl or with a person who has no deep appreciation of the really fine things of life. By taking the tenets of the fraternity for my own, broadening the scope of a "Greek" to include the whole of life, I hope to do what the fraternity expects of its members—live a life in accordance with the high ideals of the fraternity, using them as a foundation and complement to my own conceptions.

The epitome of what Pi Beta Phi membership means is expressed most beautifully in the pledge taken at the beginning of a long-remembered relationship—"We are banded together for the cultivation of a noble womanhood through personal development, social service, mind culture and true friendships."

Signed: CAROLYN TRIMBLE, *Louisiana B*

6,000,000 HOURS OF SERVICE

A report by RUTH DUNLOP WHEELER, sub-chairman in charge of Alumnae Club Work of the National Committee on War Work

DURING the troublesome days of 1942 Grand Council undertook to choose a war project for Pi Beta Phi. After due consideration and in accordance with the ideals of the fraternity to build and to restore, Geraldine Mars Ristine was appointed chairman of a Committee for War Work. Lois Donaldson Koehler succeeded her in October, 1943. Ann McDonald D'Aule was made subchairman for the active chapters and Ruth Dunlop Wheeler subchairman for alumnae clubs. May Foley became subchairman for Canadian clubs and chapters. It was decided to establish a Physiotherapy Scholarship Fund and letters to that effect were sent to all alumnae clubs.

Mrs. Koehler's report has shown the success of the plan. Pi Phi Alumnae Clubs worked for this project and gave generously of their time and money. Letters appeared in *THE ARROW* and communications were read at Alumnae meetings during 1943, 1944 and 1945. Not only did alumnae members give unstintingly to this project, which, indeed, occupied only a small fraction of their energy and thought, but they threw themselves wholeheartedly both as clubs and as individuals into numerous lines of work necessary for the prosecution and winning of the war. This report is compiled at the suggestion of Mrs. Koehler, in order to establish a permanent war record of the work done in World War II by Pi Phi Alumnae members and clubs.

In accordance with this request a questionnaire was prepared and sent by Ruth D. Wheeler, through the Central Office, to the War Chairmen of 199 active alumnae clubs. 121 clubs responded either by filling out the questionnaire or by returning tables of data pertaining to their war work. It was realized by the committee that a completely accurate report of all the war work done by the clubs and their individual members could not be obtained. Neither the clubs nor the members engaged in this work with any thought of receiving credit or of making their contributions known. They gave of their time and energy to their fullest capacity and kept no records.

The questionnaire asked for reports in terms of hours. This made the task of reporting all the more difficult. Of necessity the figures are at best only approximations, probably underestimates. The War Chairmen or Presidents of the different clubs are to be commended and thanked for the tedious work allotted to them of securing the information and tabulating it.

The entries in the 121 returned questionnaires were tallied and wherever possible reduced to averages to make the report as meaningful as possible. Sixty percent represents a large enough sampling of the total membership to make reasonably accurate calculations of the amount of work done by the entire membership.

When all types of Red Cross work were added together, each member contributed on the average 110 hours to one or more types of activity, or 8,800 hours per club, making a total of 1,760,000 hours in all. That is a lot of hours and it is for only one kind of war work.

The average number of hours devoted during the war to the making of surgical dressings was 2,000 per club. Naturally the larger figures come from the larger clubs. Oklahoma City reported 12,800 hours; Honolulu 10,377; El Paso 5,616; Glendale 4,500;

Duluth 4,800; St. Louis 4,332; Shreveport and Palo Alto 4,000; San Diego 3,854. Some clubs averaged over 600 hours per member. The overall average number of hours per member turns out to be 25, obviously too small a figure. Assuming the total membership of the alumnae clubs to be in the neighborhood of 16,000, the number of hours spent, during the war, in making surgical dressings, alone, could not be less than 400,000.

Denver turned in a total of 55,000 hours for all types of Red Cross work; Pasadena 25,000 hours; Oklahoma 39,340 hours; Los Angeles 39,000; Dallas 19,221 hours; Galesburg 18,000 and Omaha 7,041.

In nurses aid work the 121 reports yield an average figure of about 1,300 hours per club or roughly 16 1/4 hours per member, for a total of 260,000 hours.

Honolulu worked 3,371 hours; Detroit 3,000; Oklahoma City 2,194; Chicago West Suburban 2,000; Decatur 1,950; St. Louis 1,780; and Lincoln 1,500. There were individual members who devoted over a thousand hours of their time to nurses' aid. One member of the Elgin club worked fifteen hours per week for two years!

The average time for knitting and miscellaneous sewing amounted to 2600 hours per club, 32.5 hours per member, with a grand total of 520,000 hours. Roughly, 30 sweaters were made, per club, or 6,000 sweaters in all if the available figures were typical. Other articles knitted were afghans, caps, mittens, gloves, helmets, and scarfs. Sewing insignia on uniforms was another club activity. Many clubs reported that nearly all of their members knitted or sewed for the armed services during their spare time.

2,400 hours per club were spent in executive and clerical positions in the Red Cross. Here the record was most impressive, testifying to the energy and ability of the membership. St. Louis returned a figure of 21,204 hours, which is merely a sample. Ohio Valley listed three members as staff assistants, one member as chairman of the Junior Red Cross, and one member as chairman of Kit Bags. Rochester enumerated five staff assistants; Baltimore a staff assistant and two camp and hospital committee chairmen; Springfield, North Shore and Chicago North provided staff assistants. Michigan Alpha furnished a Junior Red Cross chairman; Honolulu had the chairman of the knitting department of the Hawaiian Red Cross Headquarters, a vice chairman of surgical dressings at headquarters and two district vice chairmen. Toledo reported a Red Cross instructor; Mount Pleasant had the chairman for surgical dressings and for cutting; This club also provided three final supervisors for surgical dressings. Galesburg reported staff assistants; Ardmore had a Gray Ladies chairman and a Nurses Aid chairman. One club which did not identify itself gave seven chairmen to various divisions of the Red Cross and the U.S.O. Long Beach gave staff assistants to this work. Birmingham had a production chairman, a Nurses Aid chairman and a staff assistant. Oklahoma reported a Nurses Aid chairman, a chairman of volunteer special services for five years on call twenty-four hours a day, a production chairman, four staff assistants, a chairman of home service, a Gray Lady chairman and an arts and skills chairman. It is estimated that among the Pi Phi alumnae clubs of the country there were at least 10

Red Cross Chairmen and Staff Assistants for every 200 members, making about 800 of these executives in all. This is probably an underestimate. In addition there were several hundred instructors in the various branches of the Red Cross.

The figures for blood bank cannot be as accurate because fewer clubs reported on this item. It is apparent, however, that at least 800 hours per club were devoted to blood giving or to work connected with that activity, or about 10 hours per person. Several individuals gave as many as 80 hours of blood giving. One club, with 24 donors, averaged 18 hours per donor. It is not clear what percentage of these figures pertains to the actual process of blood giving by members, and what percentage to aiding the donors in some way. In all, at least 160,000 hours were given to this task.

The questionnaires grouped Gray Lady and Canteen together in so many instances that it is not possible to separate these two items but the average number of hours given to each would not be far from 2,000 per club, 25 hours per member, and 400,000 hours in all. San Antonio gave 15,000 hours to these two services; Palo Alto 6000; Honolulu 5500; Cheyenne 4585; Oklahoma City 3434; Northern New Jersey 3266; San Diego 3167; South Coast 2560; Memphis 2900; Long Beach 2435; Philadelphia 2412; Marin County 2000; Chicago North 1500; Franklin 1888; St. Louis 2349; and Pueblo, 1,000. One member of the Chicago North Club gave 1,000 hours as a Gray Lady.

U.S.O. totals averaged 9260 hours per club or about 116 hours per member, for a total of 1,924,000 hours.

Alumnæ clubs devoted 1700 hours each to hostessing, or twenty-one and a quarter hours per member. Several of the smaller clubs gave as many hours to this work as the larger ones, specially clubs that were located in the vicinity of Flying Fields or University and College training centers. The total number of hours given to hostessing approximated 340,000. The following are sample figures from different clubs.

Pasadena, 7,000 hours
Denver, 8,000
Chicago West Suburban, 6,000
Glandale, 5,000
Everett, 6,500
Honolulu, 6,101

In the Boston club 6 members hostessed at the U.S.O. twice a week for three years. Bloomfield Hills furnished a music hostess three hours weekly for a total of 144 hours. Chapel Hill, a club of 16 mem-

bers, provided sixteen hostesses, a record of one hundred percent. One San Diego member was outstanding in her untiring work of entertaining at camps and hospitals, leading group singing, arranging programs and directing groups throughout the war.

Since only a few clubs reported on entertainers the figures cannot be accurate, but if the reports are typical, the average amount of time spent was about 460 hours per club or 92,000 hours in all. Honolulu reported the largest number of hours for this work, 1100.

Nine hundred hours per club were devoted to cookies and other projects of a similar nature, for a total of 180,000 hours. All clubs gave donations of books, magazines, cards and the like, averaging about 30 separate donations per club, or 6,000 donations in all. This does not count innumerable gifts from individual members direct to members of the armed services.

The members of the alumnæ clubs made a remarkable record in the Motor Corps, the probable average number of hours per club running to nearly 3,000. This gives a total of 600,000 hours. Individual members drove cars for more than a thousand hours. Oklahoma reported a total of 5500 hours for 15 members who averaged 344 hours per member. Pueblo reported 13,000 hours; Kansas City 1700; San Diego 1400; Shreveport 1000; Southwest Indiana 1000; Sacramento 1560; San Antonio, 2000. One member of the Ohio Valley Club spent 400 hours doing this work. A Shreveport member drove for the Red Cross over 1000 hours. The North Shore Club provided one full time person who was in charge of 20 cars for 3 years.

Homes of alumnæ members were opened generously to service men. Honolulu members entertained in their homes a total of 9850 hours, served 13,600 meals and had 1895 overnight guests. Members of the San Antonio club entertained service men every Sunday for four years. In the Pasadena Club 12 members entertained regularly; in the Yakima Club 15 members; three members of the Marin County Club opened their homes regularly for four years. Seven members of the Fort Wayne Club opened their homes. South Hills, Pittsburgh, had 10 week-end guests. Three members of the Boston Club gave frequent dinners. In Kansas City nine homes were regularly opened to war workers, orphans or service men. The Laramie Club opened seven of its homes; Casper opened 10; one home from the Jefferson City Club gave regular Sunday dinners. Nine Corvallis members opened their homes. An unidentified club had 12 members who entertained, one of whom invited 300 different service men to her home. Almost all of the Shreveport members entertained soldiers for meals and five had overnight guests. Members of the Denver Club gave many afternoon musicales for the entertainment of service men. Fifteen members of the Wichita Club gave special dinners. San Mateo reported several homes opened; Tampa reported 5; the Salem, Oregon, Club opened 8 of its homes; the Phoenix Club, 9; Southwestern Indiana, 6; the Iowa City Club, 20. A member of the Los Angeles Club had regular week-end guests. In San Diego all of the members opened their homes to officers and men of the Navy. North Dakota opened 4 homes; 16 members of the Memphis Club entertained service men regularly. The South Coast Club reported homes opened for a total of 1580 hours. Eight homes of the Chapel Hill Club were opened, a record of 50 percent. Ten homes were opened from Chicago West

Suburban. Tulsa opened 20 homes and Oklahoma City, 10.

Exclusive of the entertaining of relatives and personal friends it is probable that the alumnae clubs averaged 20 open homes in which hospitality was extended more or less regularly from single meals to week-end guests, making a total of 4,000 homes. It is better than a guess that Pi Phi alumnae entertained in the homes, outside of relatives and personal friends, at least a total of 200,000 service men.

Under Special Services, the Omaha Club reported entertaining service men in the Hospital at Fort Crook from April to December 1945. This club arranged a Bingo game one night a month, bought the prizes, and conducted a drawing for a long distance telephone call to any point in the United States. Cleveland Club West reported the wrapping of gifts to send overseas and six members donated baked goods once a month for eight months. This club also served an entire supper to 120 service men. The Chicago Business Women's Club had twenty members out of approximately 27 who gave Christmas parties and twenty who made Christmas gifts. A member of the Cheyenne Club was chairman of a committee that made plans and secured money for all parties at Fort Warren. The club devoted 49 hours to Christmas parties. The Honolulu Club gave 145 hours of its time to Christmas parties and 102 hours to birthday parties. Four parties were given for 200 guests each. The Missouri Gamma Club reported 400 hours devoted to Christmas parties, and presented 85 separate gifts to soldiers in the O'Reilly General Hospital. The Toledo Club made 15 hospital scrap books. Sacramento spent 2007 hours making scrap books. Fort Wayne spent 64 hours on Christmas parties. Marin County spent 50 hours on gifts; South Hills 150 hours. Galesburg made Christmas wreaths for the Mayo General Hospital.

There were many other special services. The Philadelphia Club devoted 6,000 hours to the Interceptor Command and 250 hours to a special army course in Officers Training, and 100 hours on Braille teams. The Monmouth Club had six members who gave Christmas parties and 5 who gave Christmas gifts. In the Kansas City Club 10 people gave Christmas parties and 25 gave Christmas gifts. The Fort Smith Club made up 20 gift boxes for hospital patients. The Yakima Club held special meetings four times for the preparing of Christmas gifts. The St. Louis Club had for its main project the Infirmary on the Campus of Washington University which it furnished and manned and for which it provided cookies, magazines, books and recreation.

Pasadena listed 500 hours as devoted to special services. San Antonio gave 500 hours to Christmas work. The Shreveport Club furnished Christmas gifts through "Yanks Who Gave"; worked on two Christmas parties at the American Legion Hospital; gave special parties at the Service Men's Center, and attended 15 special parties for convalescent soldiers at Barksdale Hospital. The San Mateo Club donated and wrapped gifts for Letterman Hospital and presented donations to Dibble Hospital, aside from contributing money for overseas gifts. The San Fernando Club gave a Christmas party with refreshments and gifts for 45 members of the women's ward of the Sawtelle Veterans Hospital, Beverly Hills. The Baltimore Club filled 66 stockings, 55 Christmas overseas boxes, 42 birthday gift boxes and one Easter gift box. In the Tampa Club five persons gave Christmas parties and presented gifts. The Wenatchee Club

sent gifts to a nearby air base at Ephrata, Washington. The Everett Club had a member who supervised the preparation of 5,000 separate Christmas gifts. The Bozeman Club had nine members who gave both parties and gifts. The Wichita Club filled 50 stockings for wounded veterans. Southwestern Indiana spent 86 hours on Christmas parties, 40 hours and \$35.00 on gifts, 390 hours and \$85.00 on Ditty Bags. North Shore donated over \$300.00 in gifts and filled 100 Christmas stockings. Chicago North sent 6 large boxes to overseas nurses before this work was curtailed by the war department. The San Diego Club gave 5509 hours to Naval Aid Auxiliary and all members packed Christmas boxes for the Red Cross (Navy Hospital). This club also assisted in furnishing rooms in the Coronado WAVE barracks and contributed to a project for the woman's "locked in" ward in the U. S. Naval Hospital. Chicago South filled 60 gift boxes for nurses and 50 gift packages for the Municipal Pier.

Various activities in Civilian Defense consisted of Local Hospital Service, Civil Air Patrol, Block Wardens, aircraft warning posts, Block Mothers during blackouts, civilian defense office work, air raid wardens, and many other special activities. One member of the North New Jersey Club spent 2460 hours on the defense council. Dallas reported 2418 hours in civil defense. The Honolulu Club mentioned 100 hours for homes opened to orphans and war workers, 56 hours for finger printing, 100 hours to first aid stations, 12 hours to pistol practice, 156 hours to first aid instruction, 50 hours to map plotting and 280 hours assistance in remodeling a hospital.

Fort Wayne provided a member who devoted 500 hours to a nursery over which she was in charge for 7 weeks. A member of the Marin Club worked in a nursery for two years. Philadelphia gave 1150 hours to civilian defense and reported "unlimited" hours in hospital service; Boston had a member in the Civil Air Patrol. Akron devoted 300 hours to hospital service; Kansas City 115 hours plus 134 hours given to home philanthropies, 1000 hours to nurseries, and 9 homes opened to orphans and war workers. Cincinnati reported 1200 hours devoted to civilian defense; Ohio Valley 200 hours; Duluth 450 hours; Bloomfield Hills, 500 hours; Corpus Christi, 565 hours; Albany 440 hours. St. Louis gave 669 hours to local hospital service.

Pasadena gave the large amount of 25,000 hours in all to the various categories listed in this part of the questionnaire. One member of the Shreveport Club spent 144 hours doing voluntary work in making out applications for allotments for wives of soldiers at Walter Reed General Hospital, and about 30 hours at Barksdale Hospital doing recreational entertaining. Another member served 20 hours in a nursery; three members were Block Mothers; one member served 50 hours doing motor corps work during air raid alerts. Five members worked a total of 2630 hours at the civilian defense office and at the Filter Center. In the San Mateo Club two members served regularly during the war at aircraft warning posts; one member belonged to the Civil Air Patrol and two members were Block Wardens. San Fernando reported 2000 hours given to home philanthropies, work in the Civil Air Patrol, and as raid wardens. This club also provided a Beach Patrol, a Control Tower operator and a block leader. In the Rochester Club one member gave 2500 hours to Consumers Research and another worked 125 hours in a nursery. Baltimore gave 540 hours to local hospital service, 930 hours

to nursery work and had several air raid wardens, a casualty station leader and a block warden. Lafayette gave 240 hours to hospital service, 1040 hours to nurseries and 300 hours to home philanthropies. Cleveland West contributed 1758 hours to hospital service, 100 hours to the work of block wardens and 450 hours to the Civilian Service Corps.

Dallas reported 2418 hours devoted to civilian defense. Mohawk Valley gave 200 hours to nursery work and Denver 4,000 hours to various home philanthropies. The Wichita Club provided a chairman for day care of children of working mothers; the club assisted in the opening of 10 different day nurseries and provided 2 laboratory technicians. In the Chicago North Club six members were air raid wardens, and one member was on call for two years as typist for the civilian defense office, spending over 500 hours in that work.

A member of the Miami Club worked at the Filter Center 712 hours and had three block leaders who gave a total of 600 hours to their work. Another member devoted 200 hours to a Juvenile Delinquency Survey. In the Birmingham Club there were two instructors in First Aid and Civilian Defense, who held five classes. A member of the San Diego Club gave instruction for 20 hours in physical fitness; other members spent 150 hours in block system work, 50 hours in evacuation drill, and 1920 hours in the Filtration Center.

Memphis reported 203 hours given over to nursery work and one member worked 260 hours at map making and aircraft spotting. The South Coast Club worked 576 hours in nurseries, 30 hours at First Aid Station drill, 875 hours in aircraft warning service. The Chapel Hill Club helped furnish a colored day nursery. Chicago South listed 2600 hours in civilian defense and gave 50 hours of time to a Veterans Hospital. Sioux City spent 150 hours in nurseries. Chicago West dedicated 1000 hours to the same work. Tulsa spent 500 hours in hospital executive work.

It would seem that the total number of hours given over to civilian defense was something like 3500 per club, around 44 hours per member, with a total of 700,000 hours. This again can hardly be high enough for the country as a whole.

Work on ration boards in the capacity of administrative service, clerical assistance, judgments, and voluntary services in the OPA amount to around 2100 hours per club for another total of about 420,000 hours. A member of the Jacksonville club was a judge for 3 years. Fort Wayne spent 9359 hours on ration and other boards. Four members of the Boston Club spent a great deal of time in this work; Kansas City devoted 650 hours to it; 17 members of the Laramie Club worked on ration boards or with the OPA. From the Shreveport Club there were five members who worked on the sugar and gas rationing boards. Rochester reported 1,000 hours; Dallas 6271 hours; Iowa City had six ration board members; San Diego reported 1087 hours charged against this work; North Dakota gave 200 hours; Detroit 1,000 hours; Oklahoma City 4500. St. Louis spent 7200 hours in this area and Pasadena 12,000 hours.

The average amount specified as given, per club, to the Physiotherapy fund was \$65.00. However since data about this project have been reported before, and since there is a likelihood that an accurate report on this project will be forthcoming eventually, it does not seem necessary to discuss this phase of the alumnae work further in the present report.

The number of women who went into active service

as WAVES, WACS, SPARS or Red Cross workers, was small. This was to be expected. Only a very small percentage of college women the country over engaged in this type of war work. The reasons are obvious, almost too obvious to mention. The great majority of college women had homes and families to care for and could serve their country better by remaining at home rather than by leaving the home. However there were several who could serve their country best by putting on the uniform, either of the armed services of the U.S. or of the Red Cross. This was a considerable number, by calculation around 600, averaging about 3 to a club. Only one death was reported—Mary Helen Hitch of the Red Cross, who was killed in Italy.

Mid-Hudson Valley reported one member who worked for one and one-half years as a Psychiatric Social worker for the Red Cross. Galesburg reported 27 members in Red Cross work. One member of the Akron Club was a 1st Lieutenant in the WACS and served two years and seven months, seven and one half months in Italy. Ohio Valley had one WAVE and 9 Red Cross workers; Hutchinson had one physiotherapy worker who served in a Utah hospital. Northern New Jersey provided a member of the Red Cross who served a year overseas. The St. Louis Club had 3 WAVES and 12 Red Cross workers. San Fernando reported a WAC lieutenant who served as a dietician in the Medical Corps. A Dallas member joined the Red Cross and served for one year in Burma. Five members of the Springfield Club entered the service, totalling two years over seas and eight years in the U.S. The Syracuse Club had three members in the service, two of whom went overseas. The Salem, Oregon, Club had four members; the Phoenix Club 6; the Boseman Club 11, including 7 WAVES. One member of Southwestern Iidiana joined the Marines. From the Los Angeles Club there were 2 WACS, 12 WAVES, 4 members of the Red Cross, 12 Red Cross nurses aides and 6 marines. From the Long Beach Club went one Red Cross worker, one WAC, two WAVES, one SPAR and one member of the physiotherapy corps who served four years. In the Decatur Club there were 5 members of the service, three of whom went overseas, and one as a WAC. One member of the Oklahoma Club served three years overseas. This club had three Red Cross Staff Assistants.

Bond Drive activities, as reported, averaged about 500 hours per club, totalling 100,000 hours. The various alumnae clubs did their share of work also in the various relief drives. A northern Indiana member opened her home every Monday for sewing for British and Belgian Relief, for more than three years. Philadelphia reported 720 hours spent on bond and relief drives. Akron spent 600 hours; Palo Alto 2500. The Kansas City Club sponsored a Bond Booth for all the war years at a down town department store. Ten thousand hours were spent in this booth by Pi Phi members and over \$1,000,000 in war bonds were sold. The Cincinnati Club sponsored a bond window for two weeks. Albany reported 325 hours given to this work. Buffalo reported 850 hours. One Alumnae member here in Lawrence was alone responsible for the sale of one half million dollars worth of bonds. Pasadena totalled 1000 hours and Shreveport had eight members who worked on 23 drives. In addition ten members worked on Red Cross drives for a average of two years and 20 drives. Rochester listed 1625 hours in this category. Twelve members of the Tampa Club devoted a lot of time to drives of one sort and another. The Lafayette

ette Club sold \$100,000 in the July 1942 bond drive, working 2,000 hours. This club spent 3744 hours in miscellaneous activities. The Cleveland East Club devoted 512 hours to United War Relief. The Syracuse Club supplied 25 gift prizes per month for 10 months to a Rhode Island Hospital. The Everett Club adopted two French orphans. Twenty members of the Boise Club worked on bond and relief drives, and 23 members of the Pittsburgh Club. A member of the Wichita Club adopted an English orphan. Southwestern Indiana spent 2539 hours in drives. All of the North Shore Club worked on drives. The Ardmore Club adopted a British orphan. The Long Beach Club gave 1300 hours to A.W.V.S. The Miami Club gave a dance for Bundles for Britain which netted \$276.05. Members of the San Diego Club gave 2700 hours to Travellers Aid. Chicago South spent 20 hours on French Relief. The Detroit Club gave 420 hours to bonds and relief.

Fort Wayne made up 40 boxes for the British and 25 miscellaneous boxes. One member of the Akron club furnished paintings for a U.S.O. center. Toledo furnished a powder room for the Rossford Ordnance Depot. Cheyenne provide a chairman for all salvage during the war. The Oklahoma City Club furnished 15 members to each bond drive; 49 members to the various relief drives including one chairman; 20 workers in the Neighborhood Service Corps and 15 hostesses for officers dances.

A member of the Indianapolis Club secured the names of 150 families in a small town in Holland. The club brought enough soap, clothes, thread, needles and other articles to fill eleven large boxes to send to these families. Through the work of a teacher in the local secondary schools, children from that community wrote many letters to the club, describing the conditions under which they were forced to live.

Honolulu, situated in the combat area, was extremely active in all kinds of war work, many of which have already been mentioned. In addition, this club reported the following services:

Selective service, 11,136 hours
 Censor Bureau, Civilian, 20,178 hours
 Censor Bureau, Army, 2,812
 Cryptography Code Work, 7,248
 Public Relations, 8,320
 Army Clerk, 18,720
 Navy Clerk, 20,676

Unfortunately it is impossible to present accurate data on the number of relatives who joined the armed forces. Many reports grouped husbands and fathers together, of fathers and sons, or sons and brothers, as the questionnaire suggested; others listed the groups separately. Moreover it was impossible in a great many instances for the War Chairmen to canvass the entire membership of the club. But approximately there were about one husband, father, son or brother in the service to every three members, or about 5,300 in all, if the data turned in are typical of the entire membership. Perhaps this number is much too low. The ratios varied from club to club, from one to every 20 members to one for almost every member. A few clubs reported more relatives in the service than there were members. The ratio for nephews and nieces, mostly nephews, was about the same as for husbands and sons. Nephews and nieces totalled about 5,500, presumably. Exclusive of the Red Cross there were about 80 daughters and sisters in the armed services, if the figures are typical, or approximately one half of one percent.

The following are some typical figures:

Decatur: 101 fathers, sons, husbands and brothers;
 71 daughters and sisters;
 28 nephews and nieces; this club reported a relative in the service for almost every member of the club.
 Birmingham: 41 members of the family, about 30% of the membership.
 Long Beach: 48 husbands, fathers, sons and brothers; 102 members of the family; almost 100%
 Iowa City: 45 family members; 60%
 Wichita: 75 family members; 50%
 Phoenix: 29 members of the family; 30%
 Salem, Oregon: 52 members; 50%
 St. Louis: 300 family members; 60%
 Franklin: 45 members; 50%
 Lincoln: 70 members; 60%
 Hutchinson: 22 members; 50%
 Fort Smith: 36 members; almost 100%
 Ohio Valley: 35 members; almost 100%
 Casper: 30 members; 66%
 Laramie: 84 members; over 100%
 Monmouth, 64 members; over 100%

It would seem from these figures that the average number of persons in the service was around two thirds of the alumnae membership or 10,660, a figure that checks with the previous estimate of 10,800.

In presenting this report it has not been the intention to discriminate against any club or to favor any club. The items mentioned in this report have been dictated by several considerations, including clearness of the report sent in, completeness of the report, a desire to mention as great a variety of activities as possible; and a desire to emphasize the volume of work achieved by the membership as a whole. The smaller clubs may be sure that, if they were not mentioned there work is included in the body of the report, for their contributions as well as those of the larger clubs helped to determine the averages. It was not possible in a report of this length to mention all of the interesting items. It was thought best not to mention the names of individual persons, although there were many included in the returned questionnaires.

Six million hours can easily be accounted for as the contribution of Pi Phi alumnae toward the winning of the war, exclusive of time spent in entertaining soldiers, sailors, marines and coast guard in the homes, and in performing innumerable acts of service of a miscellaneous nature. Since this report presents averages, calculated from the large samplings received, the figures statistically cover the probable activities of clubs that did not send in reports, also of the clubs that did not give estimates of time spent in hours.

Six million hours! And that, unquestionably, is a gross underestimation. Certainly Pi Phis can be proud of their work. Some clubs circularized each member and tallied the results. Others went to the records of the Red Cross, the U.S.O. and Ration boards in order to obtain accurate figures. Hence it is felt that the estimates made in this report are reasonably fair ones.

The magnificent spirit evidenced in the contributions of the clubs and their membership may well be recorded here as a testimonial to the memory of those fathers, sons, husbands, brothers, daughters and other relatives who made the supreme sacrifice that their country might remain free. Especially is this report dedicated to the memory of the one known Pi Phi who was killed in active service, Mary Helen Hitch, Illinois B, number 402, A.B. degree 1932, initiated March 16, 1929. She paid with her life in Italy while serving with the Red Cross.

In closing may I thank everyone who helped make this report possible, especially Lois Koehler for her excellent leadership and limitless correspondence.

SUMMARY OF WORLD WAR II SERVICE OF PI BETA PHI ACTIVE CHAPTERS

By ANN McDONALD D'AULÉ, *Subchairman for active chapters*

The chapters listed either individuals or hours, so that this report does not mean that so many Pi Phis gave so many hours of work. It means that 3,466 Pi Phis gave an unrecorded number of hours of work; and, that 103,490 hours of service represents the work of an unrecorded number of Pi Phi actives. In other words, the number of actives and the number of hours mentioned here are not adequate or conclusive figures of the service given by Pi Phi actives.

Service	Number of Girls	Hours
Surgical Dressings	350	25,166

Civilian Defense—Child Care	101	1,829
Ration Board—Clerical	156	7,203
Total	3,466	103,490

Chapters reported 192 members in some form of uniformed service.

OUTSTANDING Surgical Dressings

	Hours
Tennessee A	7,200
Washington B	3,600
Georgia A	3,000
North Carolina B	2,110
Nebraska B	2,000
Ohio A	1,440

Oregon B gave 50 hours per week; Colo. B gave 50 hours per girl.

Nurses' Aides

Iowa Z had 15 Nurses' Aides who gave service for 2½ years. Tenn. A Nurses' Aides gave 9,000 hours. Oregon F, 2050; Cal. Δ, 1,750; Wis. A, 1,580; Pa. T, 1,500; La. A, 1,474.

Blood Bank

The whole chapter, Conn. A, donated blood; N.Y. Γ—80% of the chapter; Wis. A—80 girls; Cal. F and Ohio Beta—75 girls; Ohio A—60 girls; and Wis. F—2,000 hours of service.

Knitting

Okla. A reported 2,281 hours.

Red Cross

Wash. A—each girl gave 20 hours to the R.C.; Utah A gave 3,000 hours in executive work and 3,760 hours in other R.C. service; Colo. A worked in the Campus Canteen; and Colo. B contributed \$100 annually.

U.S.O.

Ohio B, Okla. A, and Cal. Δ gave approximately 2,000 hours each; Ore. B had 5 girls serving each week and Ore. F 3 leaders and 8 regular hostesses; La. A gave 1,371 hours and La. B's whole chapter worked in this activity. Okla. B pledged the services of 5 girls each U.S.O. night.

Civilian Defense

N.Y. F girls were continually "on call" for local hospital service and Mo. A reported 2,000 hours of service to their local hospital. Florida F girls worked in the Day Nursery regularly.

Ration Board

Wis. F reported 4,000 hours of clerical service and Wyo. A, 1,353 hours.

Girls in the Services

New York F reported the highest number—20; Oregon A, 11; and, New York A, Missouri F, Ark. A, and Cal. F—ten, each.

(Note: This report has 14 missing chapters, and does not include the Canadian report.)

(Note: A few items, such as gifts, donations, parties, etc., are ambiguous; and, in the case of the Blood Bank, I was not always sure from the report whether it meant donations of blood or hours of service otherwise—in the case of chapters which I knew, it meant a chapter-donation-project. I also know that a number of chapters gave "open houses" for various campus and near-by groups, none of which were clearly reported.)

COMMITTEE ON LOAN FUND

July 23, 1946

To the Grand Council
Pi Beta Phi Fraternity:

I wish to submit the following report of operations of the Loan Fund for the year 1945-1946:

COMMITTEE ON PUBLICITY

IT IS INDEED a pleasure to submit my report this year. The Committee was completely revamped last summer by Grand Council and has proven very successful.

Many fine articles have been written by the committee this year. When all of these are finished, we will be able to present to the chapters a complete kit of publicity material. Our aim is to cover all ar-

ticles of interest for publicity use. It is also our wish to have glossy prints available for newspaper use. I should like to express to Grand Council and my excellent committee my gratefulness for their fine cooperation and helpfulness. Without it, I could not feel that our past year would have been so successful.

Respectfully submitted,
ELVA AYLER COWAN

COMMITTEE ON EXTENSION

COMPARED to the establishment of three new chapters of Pi Beta Phi in 1945, this year has been less strenuous, but the interest shown by local groups in various colleges in the prospect of petitioning Pi Phi is as keen as ever. Despite the unfavorable publicity given social sororities, many administrators welcome the possibility of strong nationals on their campus, and local groups are eager for information concerning the procedure of petitioning.

Seven such groups have contacted the Committee this past year and of these, six have either dropped the correspondence or, through necessity, have been

discouraged. The names of the schools which have sought information are as follows:

- 1 Southwestern University, Georgetown, Georgetown, Texas.
- 2 William Jewell College, Liberty, Missouri.
- 3 Linfield College, McMinnville, Oregon.
- 4 Oklahoma City University, Oklahoma City, Oklahoma.
- 5 Drake University, Des Moines, Iowa.
- 6 Kent State University, Kent, Ohio.
- 7 University of New Mexico, Albuquerque, New Mexico.

The latter school has been encouraged and the local group has worked hard under the capable direction of Mary Top to complete the requirements. They have had an official inspection and will petition at Convention.

I appreciate very much the assistance given this committee by Miss Onken.

Respectfully submitted,
MARGARET B. HUMPHREY

COMMITTEE ON SCHOLARSHIP 1945-1946

THIS has been another difficult year for the scholarship committee. Many of the colleges that had changed their schedules to conform to the Army and Navy program have returned to their former plan, while others are continuing with this program. Not only have there been many changes in the college programs, but there have been many in the committee itself. With the return of husbands from the war, some of the supervisors have had to change residence; others have been married, necessitating a change in address, and, of course, the greatest change to the chairman was that from province supervisor to national chairman. It is to be hoped that next year all colleges will have returned to normalcy and that the committee will remain the same, at least for a few months.

The committee is happy to report twelve chapters first on their campuses for the year 1944-1945; thirty-four others were in the upper third. This is about the same as last year when one realizes that nine chapters were unable to send in any information. Twelve were in the lower third, and four were at the bottom. Although we are not proud of these low chapters, it is gratifying to note that more than half were in the upper third, and that those three that were lowest last year are not in this list this year. It is to be hoped that next year it will be possible to have all reports complete and many more than half in the upper third. The prize province is Iota with four chapters first on their campuses, but, sorry to say, one is in the lower third on her campus. Epsilon and Lambda are exceptional in that they had no chapter lowest, none in the lower third, none that could be rated "no grade," though, also, not any at the top.

The committee appreciates the action of Grand Council in continuing to honor the fine students, for it feels that such an award is an incentive to many chapters for higher scholarship. All but eight chapters have sent in the names of the winning girls—New York Δ, Ohio Δ, Alabama A, and California Γ. The Canadian chapters—Ontario A, Manitoba A, and Alberta A are unable to obtain their grades until in August.

The chairman wishes to express her deep appreciation to Grand Council, to Beatrice Purdunn of Central Office, and to Marie Boreies, her predecessor, for their great assistance, and to the members of her committee for their fine cooperation and helpfulness in trying to inspire their chapters to higher scholarship.

Respectfully submitted,
HARRIET R. JOHNSTONE

As another busy year draws to a close, I again wish to thank the busy women on this committee who have carried on splendidly all year in spite of many changes in their personal lives. One member of the committee has lived in five parts of the country during the year. A deep love for Pi Beta Phi and a will-

ingness to serve must characterize all who give so freely of their time to tasks which must often seem tedious.

COMMITTEE ON SOCIAL EXCHANGE

THIS committee chairman has been out of college for several years but is experiencing again the feelings of the proverbial green Freshman as she assumes the mantle of responsibility for the Social Exchange Committee from its very capable retiring officer, Frances K. Jeffries. As the chairman of Zeta Province in the same work, the contacts made with Mrs. Jeffries and the chapters have been most pleasant and it is with anticipation that the larger task for the fraternity is begun.

Mrs. Jeffries had already graded and sent to Central Office the Founders' Day material for publication and had received a good portion of the Rushing parties and stunts. This report, then, is a combination of the information received by the former chairman and the new one.

The chapters contributing during the school year of 1945-46 numbered fifty-nine. Thirty chapters sent in no reports.

With a score of ten(10) representing a perfect

report sixteen chapters rated a top grade. They are: Indiana Δ, Indiana E, Wisconsin A, Wisconsin B, Illinois E, Illinois Z, Illinois H, Colorado A, Colorado B, Arkansas A, Louisiana A, Alberta A, Montana A, Idaho A, California Δ and Utah A.

In two provinces, all chapters sent in reports: they are Iota and Mu. Iota wins a high place, too, for receiving the highest grade, along with Eta Province.

Arkansas A is the proud winner of the award for Cooperation. Their report was complete in every detail, beautifully presented and very original. Most unusual was their "Perfume" stunt, with the girl choosing at last "Golden Arrow" to wear on her special date. Their Varga Girl program was unique and will appear in the *Bulletin*.

The gay Mexican party presented by Virginia A places that chapter in the Hall of Fame for Outstanding Work. The "Three Caballeros" is one of the most entertaining and original ideas ever to appear in the *Bulletin*. Other statues in the Hall of Fame

bear the name of Tennessee B for her rush party called the "Pi Phi Phlyer," and the "Land of Nod" rush party. Also present are Colorado B for the Christmas skit made up of phrases from familiar songs, and their effective float decoration. Wyoming A deserves mention for her attractive paper called "The Shaft" which was sent to alumnae and friends last year. California A may occupy a niche in the Hall for her "Bag the Nag" float. Idaho A can lay claim to a place for her "Top Hat" party and her unusual Homecoming decorations, while Arizona A may be justly proud of her use of the Pi Phi mats as a motif for ingeniously devised table decorations.

Alberta A comes through with flying colors in the competition for the top award for Outstanding Work with their clever "Backwards" party, the "Pi Phi Aged Ladies' Home" party given in honor of the "Dekes" on their campus and a Sadie Hawkins

Hillbilly shindig which sounds hilarious.

If only the active Social Exchange chairmen would include a complete write-up of the stunts and the songs they mention! The ones we do receive are usually very attractive and original and can be used with only a few changes by chapters in every part of the country. The *Bulletin* is being used by many Rush Captains and entertainment committee members and we want it to be representative of all the fine chapters in our Pi Beta Phi.

The chairman of the Social Exchange Committee is looking forward to convention and hopes to meet and thank the province officers and the actives for their cooperation. Her heartfelt appreciation is also extended to Miss Onken, Mrs. Jeffries and Central Office.

Yours in Pi Beta Phi,
VIRGINIA D. McMAHAN

COMMITTEE ON FRATERNITY MUSIC

THE Music Committee wishes to thank publicly its recently resigned chairman, Margaret L. Kellenbach, for her years of faithful and capable service to the Fraternity. We all appreciate that the work she has done with and for our music will be a long-standing tribute to her.

Projects for the year have been three-fold: 1. the publication of a new Song Book, scheduled for fall of 1946, which will include several new songs and parodies, three and four part arrangements for some dozen of the most popular songs, and many of our old favorites: 2. the Convention Song Contest, which this year will honor two original songs composed by members of the Fraternity, one to receive the Song Vase, and the other an Honorable Mention. Chapters responded well to the contest in submitting

thirty-four original songs, many of which were lovely. 3. The development of Fraternity singing in all the active chapters through a regular correspondence with Song Leaders. It is hoped that this exchange of musical ideas, problems and possibilities will lead to the furtherance of good singing and its enjoyment among all Pi Phis.

The Music Committee wishes to extend its thanks to Grand Council for the fine cooperation and help it has given in the planning of the new Song Book, and to all members of the Fraternity who have responded so enthusiastically with help in the committee's plans. Our good wishes to all Pi Phis.

Respectfully submitted,
DOROTHY V. DURAND

COMMITTEE ON CHAPERONS

AS IN the two past War-accelerated years, "Business as Usual" for this committee began both on October 1—the official date in the Arrow and on any date when colleges could suit their programs to their emergencies—in some cases even late in November.

At college opening, corresponding secretaries of chapters maintaining houses send cards announcing the house address and the chaperon's name and home-address; together with data concerning her. To the many secretaries I say a heart-felt 'Thank you' for the cards, promptly sent and of pleasing appearance. Only four out of the sixty were a bit tardy and they needed only one reminder.

Fifteen chaperons were new this year. The Fraternity has for our standard of chaperons a fine type of woman—women of staunch character plus educational and social advantages; women capable of presiding over—not a boarding house—but a real home of "gentlewomen"; women capable of leading girls in the habits of clear and honest thinking, and of gracious conduct. It is gratifying to report that chapters prevailingly secure just such women.

Such a profession, like that of teaching, is not chosen for money. As a teacher teaches *herself* rather than just book-learning, so the value of a chaperon to the chapter is the value of what she *herself* is. But money does have influence. To get a comparative picture of salaries paid our chaperons with those paid by other fraternities, a questionnaire was sent to our chapters maintaining houses. Salaries for similar duties are prevailingly equal—some higher

than ours; some lower. When to the dollars paid, maintenance is added, the salary is not too low even when compared with business-salaries. Very few of our chaperons leave us after only one or two years; usually they stay four to eight years; even ten to fourteen years. A good chaperon staying on, is a stabilizing influence both on the chapter and on the campus. Grand Council is so appreciative of the value of the chaperon to the Fraternity, that they give to the position their unfailing support and encouragement.

As I write, I recall that soon I shall have—officially—a birthday. It was after the 1929 Convention that Grand Council appointed me Chairman of the Committee on Chaperons. My appreciation of that honor grows stronger with each year. I value my relations with Grand Council, with chapters, and with chaperons; relations do not end there—others are with the Grand Secretary and her Leader's Digest, with letters from the Grand President to the Province Presidents and from the Grand Vice-President to the Province Vice-Presidents. Such connections are the source not only of pleasure but also of inspiration and of encouragement. All those interlacing ties show me the strength and the growth of the Fraternity's internal organization. Of that I am proud.

This seems a bit like a Swan Song; I am not a swan and I cannot sing—but Kipling says, "When the thing that *Couldn't* has occurred—"

JESSIE LOCKETT

HOLT HOUSE COMMITTEE REPORT

THE committee has been inspired and impressed by the growing interest in Holt House, displayed by members of the fraternity, as well as by many others who are not members. This, in itself, is justification of the fraternity's faith in the original project.

More and more alumnae clubs are becoming annual contributors, with the result that total contributions have shown a steady increase for each year. The highest alumnae club contribution was \$100.00—from Kansas City, Missouri. The second highest was \$25.00—from Columbus, Ohio; Monmouth, Illinois; and Manhattan, Kansas. The third highest was \$20.00—from Decatur, Illinois; Muskogee, Oklahoma; Tacoma, Washington; Los Angeles, California; and San Francisco, California.

Active chapters have been enthusiastic contributors from the beginning. Their total contributions have also shown a steady increase. The highest active chapter contribution was \$35.00—from Oklahoma A. The second highest was \$33.30—from Florida B. The third highest was \$30.00—from Alabama A.

The highest contributing provinces (alumnae) were Beta, Epsilon and Mu. Every club in Epsilon province contributed.

The highest contributing provinces (active) were Eta, Kappa, and Zeta. Every chapter in each of these provinces contributed.

Some fine and beautiful gifts have had to be refused because of the size of the rooms and the purpose for which they are being used. To the following donors, for gifts received during the past year, the committee wishes to express its appreciation: Eloise Bilyea Dibble (Mrs. Earl L.), Oregon B, for a framed Paris Fashion Print, dated 1867; Claudia Pendleton Johnson (Mrs. William Savage), Kansas A, for a Staffordshire cup and saucer; Marcia Stanhope Baty, (Colorado B and Kansas A), for a carved Victorian side chair and a needlepoint upholstered rocker.

Several students of nineteenth century American history have found valuable source material in the Holt House files. This material is soon to be published in a newspaper article, a pamphlet and a book.

In the Monmouth community, so great has become the demand for the use of Holt House, the committee has established new rules providing for increased fees and certain restrictions.

The committee was fortunate in being able to replace the grand piano which was withdrawn by the college soon after the end of the war. During the summer months a gas conversion unit was installed in the former coal-burning furnace. Both these addi-

tions were financed out of last year's income. The present balance in the treasury should be adequate to finance several other long-desired improvements.

Mrs. C. C. Carey's alertness to the social as well as the domestic requirements of her position, has been of inestimable value to the smooth functioning of the House.

The chairman wishes to acknowledge her indebtedness to Miss Fannie Bradford of Monmouth for a series of gracious letters concerning the early history of the House—and for a copy of an interesting historical manuscript.

After serving for four years as committee treasurer, Mrs. Perfect of Milwaukee, finds that other demands upon her time make it imperative that she resign. Her record for careful attention to details of management, as well as finance, will be long remembered. The Milwaukee Alumnae Club is fortunate to have her as a member.

Mrs. William F. Gilman of Burlington, Iowa, with six years of service on the committee, has given much sound and helpful advice. Mrs. Hubble of Decatur, after serving for two years on the board, resigned during the winter. Mrs. Woodward of Monmouth, the newest member of the committee, has cooperated with Mrs. Carey and the chairman in regard to all local matters pertaining to the House.

The chairman joins each of the above members in their expressions of gratitude for the privilege of having served the fraternity. It will be impossible to retire from committee work, without retaining an enduring love for the House and all that concerns it.

To Miss Onken, whose patience, executive ability, and unswerving loyalty have made her one of the great figures in fraternity history; to Mrs. Smith, who, throughout a war, has accomplished the difficult feat of keeping over 200 alumnae clubs active in maintaining and bettering the fraternity's projects; to Mrs. Stoolman, whose kindly words of encouragement have been an incentive to greater effort; to Mrs. Alford, who, with more war problems than most of us, has never failed to find a place for Holt House items in THE ARROW; to the Director to Central Office, whose unfailing courtesy, accuracy, and dispatch have won for her the esteem of all those who have occasion to call upon the services of her office; and to all the province officers, the proof of whose success is evident from the results they have obtained;—the chairman of the Holt House Committee expresses her sincere appreciation.

Respectfully submitted,
 MARIAN K. SIMMONS

Pi Beta Phi Magazine Agency 1945-46

IN SPITE of the ending of the war, the Pi Beta Phi Magazine Agency had magazine restrictions again this year, but even in spite of that handicap, it enjoyed its most successful year, although the goal of \$10,000.00 was not reached.

Commissions on sales amounted to \$8,837.31. Of this amount alumnae clubs contributed \$6,977.20, active chapters contributed \$1,730.11, and individuals contributed \$130.00. During this same period \$817.23 has been collected from bonuses, prizes, and so forth.

Below the the profits for the past sixteen years:

1929-30	Approximate	\$ 810.00
1930-31	Approximate	950.00
1931-32	Approximate	1,500.00
1932-33	Approximate	1,400.00
1933-34	Approximate	2,050.00
1934-35	Approximate	2,000.00
1935-36	Approximate	1,450.00
1936-37	Approximate	2,366.48
1937-38	Approximate	2,445.09
1938-39		2,716.58
1939-40		3,153.20
1940-41		4,018.51
1941-42		5,123.00
1942-43		5,820.50
1943-44		6,779.02
1944-45		7,538.52
This year, 1945-46		\$8,837.31

The contest winners for the year 1945-46 were:

ALUMNAE CLUB:

Indianapolis Indiana Alumnae Club, Mrs. H. D. Trimble, Sr., Chairman, \$10.00 prize for making the highest total commissions, \$364.60.

Fox River Valley Alumnae Club of Wisconsin, Mrs. W. E. Buchanan, Chairman, \$10.00 prize for making the highest per capita commissions, \$7.90.

South Coast Alumnae Club of California, Mrs. E. B. Milnor, Chairman, \$5.00 prize for making the highest percentage increase, 1608%.

ACTIVE CHAPTERS:

Indiana Epsilon, Dorcas Owens, Chairman, \$10.00 prize for making the highest total commissions, \$86.80.

Ohio Epsilon, Patricia Dolan, Chairman, \$10.00 prize for making the highest per capita commissions, \$3.26.

Iowa Alpha, Bonnie Berdahl Dewar, Chairman, \$5.00 prize for making the highest percentage increase, 15366%.

The following number of chapters and clubs have been active contributors to the profits of the agency the past four years:

	Chapters	Clubs
1942-43	66	177
1943-44	77	184
1944-45	79	195
1945-46	84	189

Following is the financial statement for the year. Last year's commissions are also given so that the contributors can see their gains or losses.

The Director of the Magazine Agency wishes to thank all who have contributed to the success of the agency this year, and asks for your continued interest and support.

Respectfully submitted,
BEATRICE S. PURDUNN

Reports of Chapter Delegates to Convention

INDIANA ALPHA

I. MEMBERSHIP. 1945-1946: Initiates, 10; Active members, 22; Resident active members, 7; Resident alumnae, 46; total membership up to May 1, 1946, 567.

II. HONORS. (1) Scholarship: Magna Cum Laude, 2; Cum Laude, 2; Alpha, 2. (2) Class Officers: 1 vice-president of junior class, 1 secretary of senior class. (3) Campus Honors: The *Almanack* (annual) staff, 9, 1 editor; the *Franklin* (campus paper), 12, 1 business editor; Gold Quill (corresponds to Mortar Board), 6, 1 officer; $\Theta \Sigma \Phi$, 4, 1 treasurer; $\Theta \Lambda \Phi$, 5, 1 secretary; Science Club, 2, 1 president; Wigs and Cues, 14, 2 presidents; Student Council, 4, 1 secretary; Panhellenic, 2, 1 president; won basketball cup; choir, 4; orchestra, 1; Debaters, 1; International Relations Club, 5; *Who's Who in American Colleges*, 1; (4) Social Honors: Prom Queen, 1, 1 attendant; May Queen, 1, 5 attendants; Basketball Queen 1; Homecoming Queen 1; Winter Queen, 1.

III. SCHOLARSHIP. Study table for our pledges corresponds to class periods during the day, and we have a study table, kept by an active, every night from 7:00-9:00. The pledges are campused during the finals, with one hour off during the afternoon. A scholarship ring is presented to the girl having the highest average in the chapter, and a diamond set recognition to the pledge with the highest grade at the time of initiation. There is a special award of a scholarship plaque, given by Blue Key organization, to the organization having the highest scholarship record on the campus. For pledging, a C average is required, and at least a C average is demanded for both actives and pledges; however, a higher average is continually stressed. We ranked second for 1944-45 and third on campus for 1945-46.

IV. CHAPTER WORK. We have a traditional custom that we think is very good. Court-of-Law is held each week after active meeting. Pledges come in while actives sing as they enter. This gathering enables actives to make announcements to the group as a whole; special recognition is given for any outstanding honors received or work done during the week; and pledges give special news items on Pi Beta Phi and its members. In this manner actives and pledges become more unified in thought and better acquainted with each other and the fraternity as a whole. Pledge meetings are held every week under the supervision of the pledge supervisor. The pledges elect officers and conduct their meetings in a formal manner. Special programs and talks are given in pledge meetings by actives, committee heads and officers, alumnae, other sorority representatives, and the dean of women. Special training is given the pledges in social etiquette. The Executive Council is made up of the president, treasurer, pledge supervisor, and one representative of each class. Each year we give ten dollars to the Loan Fund, and we gave five dollars to the Settlement School. At Christmas time we gave gifts for children in an orphanage. For local charity we gave to the American Red Cross and to a special Red Cross drive.

V. ENTERTAINMENT. Following initiation in the fall we have an initiation dinner. Rush week includes an informal afternoon party and a formal coffee. After pledging we have a pledge luncheon, and a cookie-shine that evening followed by an open house. In the fall the pledges entertain all the freshmen women. The active chapter gives teas and dinners for visiting officers, patronesses, mothers, the alumnae club, the faculty, and representatives from other organizations. In December, the chapter has a formal dinner-dance and a large Christmas party at which time the pledges furnish entertainment and original songs of Pi Beta Phi. In the spring the pledges honor the actives at a pledge dance. Spreads are held throughout the year for the entire chapter and also whenever a girl or the group receives special recognition. This year we gave two serenades for the boys organizations.

VI. CHAPTER HOUSE. Sororities are not allowed to have chapter houses on this campus, but the college furnishes each sorority with a suite of four rooms on the first floor in the dormitory to be used as chapter rooms. Recently we have had furniture recovered and have purchased a large mirror for the big room.

VII. MAINTENANCE OF ALUMNAE INTEREST. The alumnae advisory board meets with the executive board monthly to plan and check the month's work. At one meeting each month a member of the alumnae committee attends the active meeting to inspect the chapter and exchange ideas with the alumnae and active chapters. The alumnae group gives the chapter a dinner or spread twice yearly. A very close relationship is maintained at all times.

ILLINOIS ETA

I. MEMBERSHIP. 1944-45: initiates, 13, active members, 38, 1945-46: initiates, 12, active members, 33; resident active members, 28; resident alumnae members, 128; total membership up to May 1, 1946, 523.

II. HONORS: 3 members of $\Pi M \Theta$ (senior women's honorary fraternity, equivalent to Mortar Board); 2 members of Student Council; 1 secretary of junior class, 1 freshman treasurer; weekly paper, 1 managing editor, 2 business managers, 1 make-up assistant, 1 society editor, 1 feature writer, 5 reporters; W.A.A. 1 vice-president, 1 secretary, 1 intra-mural manager; Panhellenic, 1 treasurer, 1 secretary; Conant society, 11 members; LeCercle Francis, 1 vice-president, 1 secretary; Der Deutsche Verein, 1 president; Spanish club, 1 president, 1 secretary, 1 treasurer; Home Economics club, 1 secretary; University Choir, 4 members; Town and Gown productions, 3 costume chairmen, 2 patronage; 2 *Who's Who in American Colleges*; 3 attendants to Queen, Homecoming Dance, 1 runner-up.

III. SCHOLARSHIP. In an effort to make it easier for freshmen to acclimate themselves to college life, each pledge is required to study twelve hours in the library each week, and report her progress at pledge meetings. Pledges who are having difficulties with certain subjects are tutored by actives who are proficient in these subjects. Actives and pledges who fail to make the required initiation average (2.0 or C) or who make D's are required to spend three hours of supervised study at the chapter house. An active who falls below the chapter average loses her vote in chapter meeting and forfeits her pin for six weeks. To the pledge with the highest scholastic average during her freshman year is given a bracelet with the fraternity crest upon it. A personal graph is kept of each person's scholastic progress through the four years of college. Our chapter has been first in scholarship for the past four consecutive years, winning one City Panhellenic Scholarship Cup permanently, and now holding the new cup for the present year.

IV. CHAPTER WORK: Pledges are organized and have weekly meetings independent of the regular active meetings at which time talks and reports are given on Convention, Settlement School, etiquette, Greek Organization on campus, and other nationally prominent fraternities. The executive council consists of chapter president, vice-president, treasurer, and pledge supervisor. The class or classes not represented by these officers have a representative elected. However, in practice, it has usually been found that the officers concerned usually represent the different classes. The advisory board and house chaperon meet with the executive council once each month before active meeting. Active meetings are held each Monday night at which time a complete report of campus activities for the coming week are given and the fraternity calendar is read. For the past several years, our chapter has published a pamphlet for the rushees which includes such information as a description of the national organization, of Settlement School and its work, of the chapter house and an estimate of both pledge and active expenses.

V. ENTERTAINMENT: Rushing: one open house formal tea, one cozy, one picnic (preferential) one preferential dessert bridge, formal pledging banquet; initiation cookie-shine; pledge pot-luck supper at chapter house; Homecoming dinner; exchange parties with other sororities and fraternities; initiation dance; dinner for province president; coffees for advisory board; Founders' Day Banquet; winter and spring formals; June breakfast. Summer rushing program: bridge party, dude ranch party. Spring Tea for high school freshmen, week-end house parties for actives and pledges.

VI. CHAPTER HOUSE: The chapter house is owned by a corporation of active and alumnae stockholders and is valued at \$18,000.00. The furniture is owned by the corporation of which Miss Janet Anderson, house chaperon, is president. In the summer of 1945, the house was painted and the dining room walls papered.

VII. During the year we try to keep in contact with the alumnae club not only through the Advisory Council, but through personal contact. Alums are always invited to pledging, initiations, teas or parties for visiting officers, and formals. Alumnae and actives combine their observance of Homecoming, Founders' Day, and June breakfast; with the alumnae in charge. At the June breakfast the alumnae club presents each senior with a gift. The alumnae also take charge of fall rushing with the aid of the rushing chairman. At all times an open invitation is extended to meeting, and various alums are asked to speak in meeting on such topic as scholarship, Convention, Settlement School, etc.

We have had no affiliated transfers.

MARY ELLEN DUNGAN

NOVA SCOTIA ALPHA

I. MEMBERSHIP: 1944-1945: Number of initiates, 5; number of active members, 18. 1945-1946: number of initiates, 17; number of active members, 30; number of resident active members, 30; number of resident alumnae, 27.

II. HONORS: 1. Scholarship: We have no scholarship honors such as $\Phi B K$, etc. at Dalhousie University. However, we had one scholarship awarded in 1944-1945, and one scholarship and two prizes for scholarship awarded in 1945-1946, 1944-1945, number of graduates, 3. 1945-1946, number of graduates, 15. 2. Class Offices Held: 1944-1945, one; 1945-1946, two. 3. Campus Honors: 1944-1945, 12; 1945-1946, 24. 4. Social Honors: This was the first year a Campus Queen was elected at Dalhousie, and out of the 13 candidates chosen to represent the various faculties and organizations, 6 were Pi Phi, and we had the honor of seeing one of our members win the crown.

III. SCHOLARSHIP: We have found study charts to be a great assistance in improving scholarship. One hour of study is required for each lecture. When a girl has failed to fulfill the scholarship requirements, she may be forced to pay a fine of 10¢. These study charts are filled in by the girls and handed in at roll call at each meeting. We have no special awards, but any honors coming to a chapter member are always mentioned in chapter meetings and the members are congratulated. The pledge and chapter average demanded by our chapter is that 60% of the college year be passed. We were instrumental in getting the local Panhellenic to change the constitution regarding scholarship—raising the Panhellenic requirements to that of Pi Beta Phi. There are only two fraternities on Dalhousie Campus, and for the past two years Pi Beta Phi has held first position in scholarship.

IV. CHAPTER WORK: Our pledges only remain so for about five weeks, and any project which they undertake has to be quite limited in scope. Personnel of Executive Council: president, treasurer, corresponding secretary, and social chairman. We have found it a good policy to add an additional member from the chapter, varying the girls in turn, and we have found that it gives "new blood" as it were and we gain new ideas. We made contributions to the Settlement School, Holt House and Magazines Agency, in 1944-1945. In 1945-1946 we made contributions to Settlement School, Holt House, the Loan Fund, and we would like to point out that our contribution to the Magazine Agency Work was multiplied twenty times this year. This year we started a fund to provide an entrance scholarship of \$50.00 to Dalhousie University, open to all girls from Nova Scotia, and to be awarded to the girl who, according to recommendations from her school principal and provincial scholarship records, is most representative of the Pi Phi ideal. In this way we thought that we would be making a worth-while contribution as well as making our fraternity better known throughout the province and bringing the fraternity to the attention of the University officials. As you probably know, Dalhousie University does not recognize any fraternity.

V. ENTERTAINMENT: During 1944-1945 we held a Fraternity Bridge with $A \Gamma \Delta$, also had a tea and supper party in honor of Mrs. Everett, a Christmas Party for new initiates, a Panhellenic Tea for Freshettes and a Freshette Tea. During 1945-1946 we held a Prison Party for rushees, where a court skit was carried out. We also held a Plantation Party for rushees with original skits, seances and minstrel show. We had a Fraternity Dance, a tea and supper party in honor of Mrs. Everett, a combined Senior Farewell and Initiation Banquet, a Panhellenic Tea for Freshettes, and a Freshette Tea. As fraternities are not recognized at Dalhousie our possibilities are limited in respect to holding social affairs for faculty. However, we have invited the wife of the President of the University to several of our parties and by means of the Scholarship, previously mentioned, we hope to become better known on the campus, among University officials as members of Pi Beta Phi Fraternity.

VI. CHAPTER HOUSE: We have no fraternity house or room.

VII. MAINTENANCE OF ALUMNAE INTEREST: We feel that we are very fortunate in having members of our alumnae who are always willing to cooperate and advise us. We cannot praise them too highly in this regard. As many as possible attend all our social functions, and have a very active interest in supporting the work of the active chapter. We have had no affiliated transfers. One of our alumnae entered another university to do post-graduate work, and she was pleased that the chapter there was very kind and invited her to their parties, etc. One of our undergraduates went to a University where there were fraternities but no chapter of Pi Beta Phi. She also was pleased to see with what high regard Pi Phi were held there, and was "adopted" by one of the other fraternities and invited to their parties.

I. MEMBERSHIP: 1945-1946: Initiates, 12; active members, 43; 1944-1945: Initiates, 15; active members, 46; resident active members, 39; resident alumnae, 7; total membership to May 1, 1946, 510.

II. HONORS: 1. Scholarship: $\Phi B K$, 1; $O N$, 2; Honor students and graduates, 8.

2. Class offices held: sophomore class treasurer, 1; junior class treasurer, 1.

3. Campus Honors: *Prism* editor, 1; *Prism* staff, 2; *Campus* staff, 5; membership in M.C.A., 72; cabinet, 1; vice-president, 1; All Maine Women, 4; Sophomore Eagles, 4; Neat Mathetai, 4; Contributor's Club, 1; El Circulo Espagnol, 4; Der Deutche Verein, 1; $E M \Sigma$, 2; Home Economics Club, 9; vice-president, 1; International Relations Club, 1; French Club, 4; president, 1; Education Club, 1; president, 1; Women's Athletic Council, 1; W.A.A. president, 1; M.O.C., 1; Pack and Pine, 1; Student Senate, 3; Women's Student Senate, 4; basketball, 4; volleyball, 4; "M" Club, 3; Maine Athletic Seal, 1; chorus, 3; orchestra, 4; Panhellenic Council, 4; president, 1; secretary, 1; Maine Masque, 3.

III. SCHOLARSHIP: The scholarship average required of both pledges and actives is 2.0. We were in second place among the sororities scholastically this year with an average of 2.67; $A O \Pi$ led with 2.68. We award a scholarship ring annually to the girl with the highest average. We have no fines or organized study system. Several of our girls have been awarded scholarships, one to the highest ranking junior in the College of Agriculture.

IV. CHAPTER WORK: Pledge meetings are held every Monday night. The pledges have their own chairmen and committees. They have a project of making a song book for themselves before they are initiated. They gave the actives a picnic this spring. They are invited to many of the sorority functions, as the Panhellenic Ball, the senior farewell breakfast, and cooky-shines. Speakers come to their weekly meetings and address them on such topics as fraternity history and the Settlement School. The executive council consists of the president, and one member from each of the three upper classes. The chapter treasury contributes to the Settlement School, the Loan Fund, and the Holt House. Our magazine chairman does a very good job of getting subscriptions and renewals for the Magazine Agency. We contributed to the Emergency Service Fund on the Campus.

V. ENTERTAINMENT: For the past two years, our big rushing party has been an Arrow Ranch party. This year we changed the theme to a Pi Phi County Fair. Actives came as farmers in dungarees and old clothes, and the rushees came as country girls in cotton dresses. Decorations were bright and gay against a back-drop of a typical mid-way. The entertainment consisted of skits, a dance act, a xylophone solo, songs, a reading and an "animal show" with some of the actives dressed up to represent animals. There was a more formal cake ceremony following the party itself with an Arrow Cake for the rushees. As each rushee went up to receive her piece of cake, a golden paper chain was placed about her neck. The alumnae gave us a cooky-shine in our sorority room following one of our meetings. We held an oyster stew party one week-end during the winter. Our initiation banquet was held at one of the hotels in Bangor. We gave a tea for our alumnae, patrons and patronesses, the presidents of the other sororities on the campus, and the Dean of Women. Our patronesses gave us a tea the following week. We had our spring initiation at the home of one of our alumnae in Orono, preceded by a supper party. Panhellenic put on a Panhellenic Ball and sponsored an assembly for all sorority women on the campus. The pledges gave the actives a picnic in the spring, and the actives held their annual Strawberry Breakfast for the seniors.

VI. CHAPTER HOUSE: Maine A has neither a chapter house nor a sorority room of its own, but uses one of the recreation rooms in North Estabrook Hall, a women's dormitory, for its meetings. We are hoping that sororities will be granted permanent rooms in the new Student Union Building to be built here soon as a war memorial to the men and women of the University who died in the Second World War.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae group around Orono is an extremely helpful one. One member of the alumnae group attends each of our meetings, and they help us with everything that we do. We held our spring initiation in the home of one of our alumnae this year, and gave a tea for them this spring. The alumnae are invited to many other chapter functions, as well. They help us with our rushing in the fall, too. There is a close bond between actives and alumnae. We have had one unaffiliated transfer during this period, and she has been asked to many of our functions.

I. MEMBERSHIP: 1944-1945: Initiates, 14; active members, 41. 1945-1946: Initiates, 12; active members, 38; resident active members, 1; resident alumnae, 18; total membership up to May 1, 1946, 444.

II. HONORS: 1 Φ B K; 12 Dean's list members; 1 salutatory honor and cum laude; 1 honor graduate; 5 class presidents; 1 class vice-president; 2 class treasurers; 1 class secretary; 2 class social chairmen; 5 house presidents; 4 members, 1 secretary of Mortar Board; 1 Mortar Board cup winner; 1 chief justice, 1 vice-president of Student Government; 1 Judicial Council member; 26 Assembly members; 2 *Kaleid* staff members; 5 *Campus* staff members; 2 business managers of *Campus*; 1 chairman, 5 policy committee members, 2 general committee members of Cultural Conference; 1 president, 5 council members, 51 members of W.A.A.; 2 W.A.A. Jacket winners; 12 All-Midd team members; 15 volleyball, 10 basketball, 10 tennis, 2 ski team members; 4 managers of sports; 9 choir members; 11 chorus members; 2 cast members of major dramatic productions; 6 members of the Players; 4 committee chairmen, 19 committee members of Winter Carnival; 1 president, 1 vice-president, 1 secretary, 3 social work chairmen, 50 members of Women's Forum; 3 members Governing Board, 1 member Skyline, 50 members of Mountain Club; 1 chairman of Radio Committee, 6 members of S.A.A.; 1 member of Art Festival Committee; 2 cheerleaders; 1 member of Literary Club; 2 members on Lodge committee; 1 co-chairman, 6 members of Stargazers' Club; 8 members of French Club; 5 members of Tone; 3 members of Yacht Club; 1 member of Physics Club; 1 president, 4 members of Modern Dance Club; 1 member of Circulo Espanol; 1 member of Alchemists Club; 1 member of Russian Club; 1 president, 4 members of Panhellenic Council; 1 delegate to *Herald Tribune* Forum; 1 delegate to New England Institute of International Relations Conference; 3 June-week queens; 3 color girls; 3 Carnival court members; 2 junior marshals; 1 winner of posture contest.

III. SCHOLARSHIP: Reports of cuts and hour test marks are given regularly at weekly chapter meetings. Files of hour tests and finals are available to pledges and actives. A scholarship supper is given each semester by the class having the lowest average to the other classes. A scholarship bracelet is given to the pledge with the highest average upon initiation, and to the person with the greatest improvement in the 70's and also to the person with the greatest improvement in the 80's. A scholarship committee composed of the scholarship chairman and a representative from each class provides help for anyone having trouble. The pledges are given talks and help by the scholarship chairman and by their sponsors. Pledges must have an average of 76 to be initiated, and actives having an average below 76 are prohibited from voting. Freshmen and sophomores are allowed only three and four nights out a week respectively. The rank of the chapter for the year 1944-45 was seventh; for 1945-46, third. There are seven women's sororities on campus.

IV. CHAPTER WORK: Pledges are each assigned to an active having the same major for help in scholarship. Sponsors keep an eye on the activities and scholarship and general attitude of the pledges and give help when needed. The activities chairman gives a general picture of the fields open to freshmen and the requirements for different extracurricular activities. This year we had hoped to have a member of each campus organization talk to the pledges in pledge meeting, but because of second semester rushing we were unable to do so. One highly successful pledge meeting was held in which members of other sororities came to tell about their national philanthropies. This gave the pledges a picture not only of the various philanthropies but also of the Panhellenic spirit. The pledges have their own officers and get acquainted with actives in social meeting every Monday night. The Executive Council is composed of the president, vice-president, treasurer, scholarship chairman, pledge supervisor, and a sophomore and freshman delegate who are elected. The chapter gave \$15.50 to the Physiotherapy Fund. It gives \$5 a year to the Loan Fund, \$5 to the Settlement School, \$5 to Holt House, \$5 to the Foster parents plan, and makes contributions to the Community chest and Red Cross, \$93.30 worth of Settlement School products has been sold by the chapter.

V. ENTERTAINMENT: 1944-45: A Panhellenic tea opened the rushing season. The rushees were entertained at a Jail party and at our usual Angel party. Panhellenic arranged for the sororities to meet twice a month to roll bandages. Mrs. Everett spent a few days with us. After pledging we held a breakfast at the Inn and gave the pledges a supper dance in the rooms. We entertained the Middlebury K Δ s at supper and the alumnae at a Founders' Day tea. The pledges gave the actives a party with skits and songs. After a Founders' Day visit to the Vermont Bs at U.V.M., the pledges were initiated and feted at a formal banquet in the Middlebury Inn. 1945-46: A Panhellenic tea was given. We celebrated Christmas by giving the Christmas basket as usual

and by a trip to the Waybury Inn for skiing and dinner. We entertained Mrs. Wilde and began our rushing parties. The first party due to simplified rushing had no theme, and it was more of an informal mixer with games and songs. The second party was the Angel party as usual. The Founders' Day picnic planned with the Vermont Betas fell through because of snow. Picnics with the Tri Deltas and the Kappas were formal affairs and lots of fun. Initiation was followed by a formal banquet at the Middlebury Inn.

VI. CHAPTER HOUSE: We rent three rooms in a building in the town of Middlebury not far from the campus. Because of the war no new furniture has been bought. However, we are indebted to the alumnae club of Cleveland, Ohio, who helped the Middlebury actives from there put on a benefit bridge, and the amount of \$200 is ready for improvements as soon as we feel the materials are good enough.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to one meeting a month besides entertainment meetings. They are invited to initiation, the initiation banquet, Founders' Day celebrations, Senior Farewell ceremony, and other special meetings. There have been 39 unaffiliated transfers on the campus in the last three years. They are invited along with freshmen to rushing parties. Sometimes they are given house privileges. The chapter invites them to the open houses at the beginning of the rushing period. There are no affiliated transfers in this period.

I. MEMBERSHIP: 1944-45: Initiates, 13; active members, 35. 1945-46: Initiates, 18; active members, 36; resident active members, 18; resident alumnae, 61; total membership up to May 1, 1946, 463.

II. HONORS: 13 on deans list; class officers: 1 class vice-president, 1 treasurer, 1 senior week chairman, 1 senior prom chairman; 2 members of *Cynic* board; 3 members of *Ariel* board, 1 editor-in-chief; 1 member of Bluestockings; 3 members of dramatic club; 2 members of Mortar Board, 1 president; 2 members of Staff and Sandal (junior women's honorary society); 5 members of Sophomore Aides (sophomore women's honorary society); 5 members of Student Union, 1 vice-president, 1 secretary, 1 scholarship chairman, 2 judiciary members; 2 members of Student Government Council; 15 members of Y.W.C.A., 1 president, 1 treasurer; 8 members of W.A.A., 1 secretary; 5 members of modern dance workshop; 2 members of women's ski team; 8 choir members; 1 member of Goodrich Classical Society; 13 members of International Relations Club, 1 secretary, 2 council members; 5 members of Junior Week committees; 2 commencement day speakers; 4 members of Senior Week committees; 1 Mortar Board convention delegate; 3 beauty queens (out of 4); 3 members of Lilac Day Court.

III. SCHOLARSHIP: Hour exam marks taken at meetings. A ring is given to the initiate having the highest average. Previous hour exams and finals are kept in the files for reference. Two scholarship teams were set up within the chapter. The losing team gave a dessert hour for the winning team. The chapter requires an average of 75 for initiation. Social evenings, except for weekends, are removed if a girl has an average of less than 72 in half of her credit hours. Rank of the chapter has been, 1944-45 first semester six with 82.0%, second semester ninth with 80, 1945-46 first term second with 81.4%.

IV. The pledge supervisor directs the work of the pledges, and meetings are held regularly every week before active chapter meetings. The meetings are conducted by an elected president assisted by other elected pledge officers. Each pledge group carries out an annual project. Each pledge has a sponsor who serves as her special advisor. Executive council consists of the president of the chapter, the vice-president, the pledge supervisor for 1/2 year and the rush chairman for the other half, and representatives from each class, all elected from the floor by chapter nomination. Chapter gives \$25 for Settlement School, \$2 for the Loan Fund, \$5 for Holt House, and \$5 for the Arrow Bond. \$8 was given to W.S.S.F. on campus. Donations are given to poor families at Christmas time.

V. ENTERTAINMENT 1944-45: Open houses in the fall for freshman women. The annual Pi Phi breakfast was held in the fall. Final formal rushing banquet held in the fall. A Christmas party was given by the pledges for the actives. A coffee hour was given in honor of Mrs. Everett, Province President, at the time of her visit in February. A supper was given in February for pledges and actives. Ermine Pollard, Province Vice-President, visited the chapter. A fashion show was presented in the spring. 1945-46: Open houses with refreshments for anyone on campus were held all year. A reception was held for Mrs. Moore, the new house director, in October. Mrs. Everett, Province President, visited the chapter in November. A Christmas breakfast was held and gifts were given to poor children in town. Open houses were held during rushing for freshman women. Final formal

rushing party was held in February. The alumnae gave a dessert hour for the actives in February. A tea dance was given for the pledges in March. Several of the actives took the remaining pledges out for dinner after initiation in May. A street dance was given on the evening of May 18. June Spread was given at Allenwood Inn.

VI. CHAPTER HOUSE: The chapter house is owned by the incorporated alumnae to whom the actives pay rent. The house is valued at \$30,000. The floors are re-done each summer, and all bedrooms were repainted this year. A new rug for the living room was purchased this year, and a new refrigerator is on order. A new table was purchased for the chapter room with proceeds from a sandwich sale given by the pledges.

VII. MAINTENANCE OF ALUMNAE INTEREST: Actives assist the alumnae with rummage sales and the annual Settlement School Sale. Alumnae are welcome to attend active meetings and are invited to initiation banquets, Founders' Day, and June Spread. The alumnae and the Mothers' Club hold meetings at the chapter house if they wish. No unaffiliated transfers on campus in the last three years. 2 affiliated transfers, 1945-46.

II. HONORS: 3 graduates; 3 on Dean's List; 1 class vice-secretary; 2 members of class nominating committees; member of Senior Banquet Committee; chairman of the decorating committee of Gamma Delta; member of Gamma Delta Banquet committee; president-elect of Fox Hall (dormitory); secretary of Fox Hall; president of Chemia; 4 members of Chemia; chemistry assistantship; secretary to Chemistry Department; 4 members of Newman Club; delegate to Catholic Council; 4 members of German Club; 2 members of Bios Club; biology assistantship; 8 members of the *Beacon* (college magazine); Editor-in-chief, Circulation Manager, Business Manager, Recording Secretary, Publicity Manager, Art Editor; 3 members of the Dramatic Club; 2 Rainbow officers; 2 members of Psychology Club; 2 members of Red Cross Drive committee; member of the War Fund Drive committee; 1 member of the Green Feather Drive committee; member of Red Feather Drive committee; member of Boston University Girl's Glee Club; class manager of basketball; class manager of football; class manager of volleyball; class captain of volleyball; 5 members of volleyball team; class captain of basketball; member of College of Liberal Arts Outing committee; member of WAA committee; 2 attendants of May Queen's Courts.

III. SCHOLARSHIP: The pledge and active average demanded by our chapter is C. All grades and cuts are reported at each meeting. In 1944-45 our chapter ranked eighth. Our position for 1945-46 will not be received until the fall of 1946. There is no way of restricting social events during exams or assigning hours for study to each girl as most of them commute. A scholarship ring is given to the active with the highest average, a recognition pin to the active with the greatest improvement, and a Boston University pin to the pledge with the highest average.

IV. CHAPTER WORK: There is a pledge supervisor who has charge of pledge study. The organization of the meetings is similar to that of the active chapter. They elect officers, report cuts and marks, and use pledge rituals. Each week they are quizzed on a different chapter. Each girl has a sponsor to help in her preparation for fraternity life. The actives and the pledges try to lunch together each day in order to keep in close touch. The Executive Council consists of the president, one senior, one junior, one sophomore, the treasurer, the scholarship chairman, and the pledge supervisor. The chapter treasury contributes to the Loan Fund, Endowment Fund, the Settlement School, and Holt House.

V. ENTERTAINMENT: 1944-45: Rush party, pledge tea, chapter visited by Mrs. Everett (province president), formal pledge dance, Christmas party with actives and pledges, initiation dance, Panhellenic tea, spring house-party. 1945-46: Rush party, Panhellenic tea, chapter visited by Mrs. Everett, informal fall dance, formal pledge dance, Christmas party with actives and pledges, Valentine's initiation dance, chapter visited by Mrs. Wild (Assistant to the Grand Vice-President), Massachusetts A Founders' Day tea followed by a banquet, Founders' Day celebration with the alumnae and induction of seniors into the alumnae chapter, senior farewell and Strawberry Breakfast, spring house-party.

VI. CHAPTER HOUSE: A Panhellenic house, just a short distance from school, is used by 8 national women's fraternities. Each sorority has a chapter room. On the fourth floor are dormitories where it is provided that three girls of each sorority may live. The house is owned by Panhellenic from whom each sorority rents the rooms.

VII. MAINTENANCE OF ALUMNAE INTEREST: There is a very close cooperation between actives and alumnae and we arrange many of our meetings so that the two groups can get together. Once a month the alumnae advisory board meets with the executive council and at least one person attends the active meeting. This year we celebrated our chapter's Fiftieth Anniversary with the alumnae and our speakers included one of our founders, a girl for each four or five year period thereafter our founding up to one of our newest initiates.

I. MEMBERSHIP: 1945-46: Initiates, 16; active members, 30. Resident active members, 27; resident alumnae, 5. Total membership up to May 1, 1946, 82.

II. HONORS: 2 Φ K Φ ; 1 honor student; 8 Dean's list; literary editor of annual, 3 members of staff; 1 member of newspaper staff; 4 officers in S.C.A., 17 members; 2 Isagon (similar to Mortar Board); 5 Scrolls (sophomore honorary); president, chief justice, sorority representative, 1 sophomore representative on W.S.G.A.; 6 W.A.A. council; 5 glee club members; 1 delegate to Rural Youth Convention; 7 officers in major clubs; 3 members of *Who's Who in American Colleges*; 1 Winter Carnival Queen, 2 runners-up.

III. SCHOLARSHIP: The marks booster system is used in which a system of rotating monitors is used to enforce quiet hours. The chapter is divided into two teams who compete for the highest average—the losers giving a party for the winners. The pledge average demanded by our chapter is 70%. Last year we placed second in the list of competing sororities with an average of 79.8%.

IV. CHAPTER WORK: The pledge training is under the guidance of the pledge supervisor and her assistant. Each pledge is assigned a sponsor who is her closest tie with the sorority during the pledge period. Active members and alumnae speak at the weekly pledge meetings. Weekly quizzes are given on the roll call. The Executive Council consists of the president, vice-president, pledge supervisor, junior representative, and a sophomore representative. \$15 was contributed to the Settlement School and \$10 to Holt House. The only chapter publication is a news letter for the alumnae which is edited by the vice-president.

V. ENTERTAINMENT: Our rushing parties were centered around themes of a Chinese tea, a comic strip party, "Ye Olde Pi Phi Barne," circus tea, and Duffy's Tavern. A valentines dance was held in honor of our new pledges. We held several successful picnics for actives and pledges. The social year was completed with a parents' day celebration and a farewell tea for our housemother.

VI. CHAPTER HOUSE: Since we have been living in the Theta Chi house for the past two years we found ourselves faced with the housing problem. Early this spring the Massachusetts Beta House Corporation was formed for the purpose of purchasing a house. We are now the proud possessors of a real old house for which we paid \$9,000 and on which we expect to spend \$4,000 for repairs. There will have to be all new wiring and we expect to move the kitchen and dining room down into the basement. We plan to do most of the painting and papering ourselves and to decorate our own rooms. As plans are now there will be room for 22 girls in the house.

VII. MAINTENANCE OF ALUMNAE INTEREST: As our chapter is only two years old we have no trouble in maintaining alumnae interest. It is understood that alumnae are invited to all our functions.

sity president, treasurer, members 8, WAA 2, Carolers 2, Glee Club president, members 7, Orchestra president, members 2, Catholic choir director, members 3, University Choir secretary, librarians 2, members 12, Junior Choir director, Danforth Summer Fellowship 1, 4-H Convention 1, Home Economics Convention 1, WSGA Convention 1, *Who's Who* 9, 4. Social Honors—Queen of the Military Ball, Kappa Sigma Sweetheart. *Pennant* poetry first prize, Top honor in *Atlantic Monthly* contest, chapter won inter-fraternity Christmas Sing.

III. SCHOLARSHIP: Class charts are kept, there is tutoring by senior or qualified students, time schedules are kept, and there are conferences with the scholarship chairman and alumnae. Freshmen must be in the dormitory by ten o'clock, upper classmen must be in at ten thirty. Quiet hours are maintained constantly but for four hours during the day. Scholarship awards include the National scholarship ring award, the Hartford Alumnae Club ring award, and awards to the highest in the chapter, in each class, and for the most improvement. A quality point ratio of 18 is needed for pledging, 20 for initiation. There is loss of vote in the meetings if the member has below a 20 q.p.r. For the year 1944-45, Pi Beta Phi ranked second on campus, and for 1945-46, Pi Phi ranked first.

IV. CHAPTER WORK: The pledges meet weekly under the direction of the pledge supervisor. The meetings are conducted in a manner as similar to the regular meetings as possible. The pledges elect officers similar to those in the chapter, they are given responsibility, and are allowed to participate in the functions. Their work for the examination is portioned throughout the semester, with weekly quizzes on assignments. Each sponsor keeps in contact with her pledge, noting her scholarship and extracurricular activity. The executive council consists of the president, vice-president, treasurer, a representative from each class, rush captain, and pledge supervisor. An annual Settlement School sale is held, and there are annual contributions to the Settlement School, Holt House and the Loan Fund, as well as subscriptions for the magazine agency. Annual contributions are also made to the World Student Service Fund, the Campus Service Fund and the Red Cross.

V. ENTERTAINMENT: The chapter held a party for the football team, a Mother's Day tea, a party for Veterans, a Father's Day Supper, annual Spring formal dance, Senior picnic, Founders' Day Banquet, Christmas Snow Ball party, a tea for Miss Whitney, weekly Sunday night buffet suppers, a party for K Σ, waffle party for Mrs. Wild, tea for the housemother, Senior farewell picnic, pledge dance, pledge-sponsor party and Friday afternoon teas.

VI. CHAPTER HOUSE: Our house is rented from the University and was completely redecorated in February. New furniture was purchased, and the Hartford Alumnae Club presented us with two table lamps.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae are invited to all social functions and meetings. We keep in contact with them through the chairman of the alumnae, the advisory committee, and the resident alumnae. Seniors occasionally attend alumnae meetings. There were five transfers and one affiliated transfer. Transfers are all classed as freshmen for rushing, and are invited to the regular rushing teas and functions.

I. MEMBERSHIP: 1945-46: Initiates, 9; active members, including initiates, 48. 1944-45: Initiates, 10; active members, including initiates, 49. Resident active members, 6; resident alumnae, 142; total membership up to May 1, 1946, 750.

II. HONORS: Dean's List, 20; honor graduates, 3 (one receiving The Post-Graduate Scholarship in Instrumental Music and The Post-Graduate Scholarship for Highest General Average); on class executive councils, 3; on editorial staff of *Daily Orange*, 7; on staff of *Onondagan* yearbook, 3; A E P, 2; B I Σ, 2; II A Θ, 1; Ψ X, 1; Σ A I, 3; E I E, 1; T E Δ, 4; Lower House Assembly, 4; Junior Officer in Women's Student Senate, 1; Junior Guides, 6; Senior Guides, 3; Town Hall Executive Council, 1; Traditions Commission, 1 Chairman, 3 members; dance committee chairman, 9; Freshman Commission, 5; managers of athletic teams, 4; officers of WAA, 2; University Chorus, 6; University Band, 2; Dartmouth Week-end Queen, 1; Winter Carnival Queen's Court, 2; "Miss Syracuse of 1946"; Senior Ball Queen's Court, 1; Honorable Mention in Snow Sculpturing Contest, 1945; Bowling Cup (3 years); Swimming Cup (3 years); 3rd place in 1945 for contributions to War Chest.

III. SCHOLARSHIP: "Quiet hours" are observed in the house until noon, from 2 to 5 in the afternoon, and from 8 in the evening on. Pledges are required to study at the house a minimum of five hours each week. These study hours for pledges are dropped at mid-term for those with high grades,

and at the end of the semester for those making the initiation average. Pledges who are having difficulties with certain subjects are tutored by actives who are proficient in these subjects. Charts of the averages of the actives and pledges are made each semester and hung in the third floor smoker. Once a month, at the meeting with the Alumnae Advisory Board, the scholarship committee discusses methods of improving scholarship. The scholarship committee, in cooperation with the pledge scholarship chairman, enforces the regulations regarding the study hours of actives and pledges. Awards include a bracelet for the Sophomore with the highest average, a cup for the Junior with the highest average, a ring for the Senior with the highest average, and a locket for the Pledge with the highest average and extra-curricular activities. A 1.2 (on a 3.0 basis) average is required for both actives and pledges. Pledges are not initiated without that average and actives who do not attain the same automatically lose all chapter privileges but fulfill all chapter obligations. Rating among 21 women's fraternities for the year 1944-45, fourth the first semester, eighth the second semester, and for the first semester 1945-46, eleventh.

IV. CHAPTER WORK: Pledge training consists of the regular weekly meetings of one hour or over every Monday night before the chapter meeting. The pledges are tested at that time in preparation for their examination. These meetings are conducted by the pledge officers helped by the Pledge Supervisor. Charts showing the progress of their activities, for which points toward the recognition pin award are given, have proved to be an incentive toward participation in campus activities. Pledges are rated on a point system consisting of five points each for Scholarship, Cooperation, Interest, and General Attitude. Members of the Executive Council are Chapter President, House President, Rush Captain, Pledge Supervisor, Treasurer, and a representative from both the Sophomore and Junior classes, elected by chapter vote. The chapter treasury contributes regularly to the Settlement School, the Loan Fund, Holt House, and many subscriptions from actives and pledges were obtained through the Pi Beta Phi Magazine Agency during the past two years. One of the alumnae returned from a visit to the Settlement School with numerous articles from the Arrowcraft shop which were purchased by the chapter. Money was donated to the local Christmas Bureau. The chapter contributes to the Student Emergency Loan Fund of Hendricks Chapel, to the Community Chest, and for the past three years it has been compulsory that each member contribute \$1 to the Red Cross. An especially successful method of obtaining and maintaining closer unity in our chapter has been the regular Monday night buffet supper attended by the pledges, the city girls, the actives, transfers, any alumna who wishes to come, and very often a speaker. Singing always follows the supper. The chapter took part in sponsoring a move for bettering relations between independent and sorority girls on campus by having one of the first teas to which representatives of both groups were invited.

V. ENTERTAINMENT: For the past two years New York A has held a Fathers' Week-end and last year as many as 14 came. It was held simultaneously with one of the Football Week-ends, with an Open House after the game, singing, and a buffet supper. This affair, strictly for the Pi Phi's fathers, has been so successful that it was decided to make it an annual event. Also included in the yearly chapter social events is Mothers' Day when the dinner is served by the local Mothers' Club followed by skits, singing, and the Mothers' Club business meetings. Because of the fact that the men's fraternity houses have been without cooks in the past few years, we have had several fraternities for Thanksgiving dinner at the chapter house. Teas given include those for visiting officers, for our new house mother, for the Faculty, and for the men's fraternities. There were several exchange gatherings with other sororities, usually consisting of buffet suppers on Sunday night or dessert bridges. Other social affairs include dinners and after-dinner coffees for the Deans, one formal and one informal dance each semester, the annual Founders' Day celebration, Christmas parties for the pledges, pledges' parties for the actives, and buffet suppers after the University dances.

VI. CHAPTER HOUSE: The house, which is owned, is valued at \$40,000. Since May, 1944, we have invested in a new hot water boiler, new sections, for the heating boiler, several new lamps, chairs, a new davenport, rugs, and over-drapes. Also, the house has been painted on the outside and the interior of the downstairs has been re-painted.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to attend all chapter meetings, social affairs, pledging, initiation, teas. The active chapter celebrates Founders' Day jointly with the alumnae. The Alumnae Advisory Board meets with the Executive Council every first Monday in each school month. The alumnae have been of special help during rushing parties, working in the kitchen, standing in the receiving line, and pouring. During the past three years we have affiliated two transfers, and there have been no unaffiliated transfers.

I. MEMBERSHIP: 1945-46: Initiates, 14; active members, 34. 1944-45: Initiates, 14; active members, 34; resident active members, 0; resident alumnae, 9; total membership, up to May 1, 1946, 380.

II. HONORS: 1 member of $\Phi B K$; 6 members of the Dean's List; 14 graduates; 1 vice-president of class; 1 secretary-treasurer of class; 1 editor-in-chief, 2 associate editors, 2 managing editors, 5 staff members of the *Hill News* (college paper); 1 circulating editor, 1 feature editor, 3 members of News Bureau; 3 associate editors, 4 members of the *Gridiron* (college yearbook); 1 associate editor of the *Laurentian* (college magazine); 1 editor, 2 co-ed editors, 2 associate editors, 1 business manager, 1 advertising manager, 2 members of the *Scarlet Saint* (humor magazine); 1 co-editor of the *Freshman Handbook*; 2 members of Kalon (senior honorary society); 1 vice-president, 3 members of W.S.G.A. Council; 2 presidents, 4 members of I.R.C.; 1 president, 1 treasurer, 8 members of Mummies (dramatic society); 1 president, 9 members of $\Pi \Delta E$; 1 treasurer, 4 members of $B B B$; 2 members of $\Gamma \Sigma E$; 1 president of $\Sigma \Pi \Sigma$; 5 members of Spanish Club; 1 vice-president, 1 secretary-treasurer of Thelomathesian (student government); 6 members of Campus Council; 1 director, 2 secretaries, 1 special events chairman, 6 members of War Council; 1 president of Panhellenic; 3 members of Varsity Council; 2 members of *Who's Who*; 11 members of college plays; 2 presidents, 8 members of SLU Club (honorary athletic society); 2 secretaries of W.A.A.; 3 managers of athletic teams; 2 head, 3 cheerleaders; golf cup, 2 years; riding cup, 1 year; snow statutory cup, 1 year.

III. SCHOLARSHIP: A record of the scholastic activities of the pledges and actives is kept by a scholarship committee, consisting of three members, the chairman coming from the junior class. Study hall is held 2 evenings a week for all actives with an average below 80, and on 5 afternoons a week for all pledges. Methods of improving scholarship are discussed once a month both at the chapter meetings and the meetings with the alumnae advisory board. Social regulation includes the curtailment of sophomore dating privileges. There are definite, specified "quiet hours" each day. A fine is imposed on those not keeping these hours. The freshman initiate with the highest average for the first semester is awarded a Pi Beta Phi charm; the active member with the highest is awarded the national scholarship ring. Pledge average and initiation average are both 75 percent for 15 semester hours. For the past several years the registrar's office has not given out the scholastic standing of the five sororities with relation to each other. This practice will be resumed next year.

IV. CHAPTER WORK: Pledge meetings are held weekly under the supervision of the pledge supervisor. Each pledge is invited to a meal and an overnight every two weeks. Informal programs, song gatherings, and general get-togethers are held frequently. Executive council consists of the president of the chapter, a representative from each class, and a member at large. The usual contribution to funds is \$10. The girls take an active part on the Student Service Council, a welfare organization on campus. All local and campus drives are supported by the girls and the house.

V. ENTERTAINMENT: Rushing consisted of three parties, one informal, one formal, and one a costume party. The entire chapter, pledges, alumnae, and patronesses attended the annual Christmas party and the traditional Moving-Up Day breakfast. A special program was presented by several of the girls in the chapter for Founders' Day. Two informal open houses were held, in addition to two dances. Members of the faculty and administration were entertained frequently at dinner.

VI. CHAPTER HOUSE: The chapter house is owned by the alumnae and is rented by the active chapter. The house is valued at about \$8,000. A new boiler was installed and new carpet for the hall purchased, in addition to smaller gifts presented to the chapter.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumni are invited to all chapter entertainments. Once a month the alumnae advisory board meets with the executive council. A member of this board attends chapter meeting monthly. The alumnae are invited to all formal functions held by the chapter.

I. MEMBERSHIP: 1944-45: Initiates, 15; actives, including initiates, 50. 1945-46: Initiates, 18; actives, including initiates, 53; resident active members, 7; resident alumnae, 32; total membership up to May 1, 1946, 352.

II. HONORS: 3 Raven and Serpent (junior honorary); 2 O N; 1 K A E; 2 H A G; 2 Arete; 6 members of the W.A.A. Council; 1 class president; 3 other class officers; 4 members on the *Cornellian* (yearbook); 1 circulation

manager of the *Cornellian*; 2 on the *Bulletin* (campus newspaper); 15 in religious organizations; 3 dormitory presidents; 6 dormitory vice-presidents; 4 members of W.S.G.A. (Women's Self Government Association); 4 members of Dramatic Club; 10 in the Choir; 20 members of Willard Straight committees; 2 members of Willard Straight Board of Managers; 4 members of Mortar Board; 1 in honorary Hotel society; 3 in Medical School society; 2 delegates to Home Economics conference; 3 $\Phi K \Phi$; 1 $\Phi B K$; 4 members on CRG (Cornell Radio Guild); 1 member of Junior Blazer committee; 1 member on Sophomore class council.

III. SCHOLARSHIP: To maintain and improve scholarship we post our marks on the main bulletin board for all to see; we also have a separate list which notes the improvement made by each member. We tried a plan whereby those members whose marks were not satisfactory kept a record of how they spent every hour of the day. These records were handed into the scholarship chairman each week. We have no scholarship fines, but at the initiation banquet each year an award is given to the member whose average has improved the most within the last year. The pledge and chapter average demanded is 75. 1944-45 rank among other sororities: 10th of 13 with average of 75; 1945-46 rank has not been announced but the average is approximately 78.

IV. CHAPTER WORK: The pledges spend one evening a week with the pledge supervisor learning the ideals, etc., of Pi Beta Phi, and preparing for the pledge exam. There are open meetings held for both the actives and the pledges together at regular intervals. The alumnae give a pledge breakfast every spring to which the actives and their spouses are invited. At this breakfast the pledge class sings a song about Pi Phi that they have written themselves. During the year there is a series of programs given for pledges and actives before the chapter meeting. The actives and pledges take turns giving the entertainment. The Executive Committee consists of the president, pledge supervisor, one member from each class except that represented by the member from the house at large. The chapter sends a regular contribution to the Settlement School of \$15 each year; \$5 to Holt House and this year gave \$117 to Red Cross and \$55 last year to Red Cross; last year and this year \$15 was given to the Loan Fund; this year \$66 to World Student Service Fund.

V. ENTERTAINMENT: 1944-45: Outside of the usual rushing parties there were a pledge banquet, initiation banquet, pledge formal in the spring, Christmas party, Founders' Day tea, tea for the province president, tea for the Grand Secretary, and three exchange dinners with fraternities. 1945-46: rushing parties, pledge formal, Christmas party, coffee hour for the province president, Founders' Day tea, party for town orphans, a sleigh ride, four exchange dinners with fraternities and a reception for the new house mother.

VI. CHAPTER HOUSE: The house is owned by a corporation consisting of all actives and bondholders and is valued at \$30,000. Improvements in the house were painting and re-decorating and cost approximately \$475. Plans are made toward a new chapter house which is to be built as soon as possible. We are in the process of hiring an architect and blueprints are to be drawn up before the end of this term (spring, 1946). The lot has already been purchased and as soon as conditions allow, the house will be started.

VII. MAINTENANCE OF ALUMNAE INTEREST: There is no nationally organized alumnae club but there is a locally organized group. It is estimated that there are about ten unaffiliated alumnae transfers and one of the active alumnae had a meeting to which they were invited. As a result, five of them assumed work on the Advisory Board and the Corporation. At present we have one unaffiliated student transfer who comes regularly to the house.

III. SCHOLARSHIP: The number of hours of work required by each member is designated to her after a careful study has been made of her previous records. Thirty hours per week is the minimum, and these hours are read out by the scholarship year representatives at the weekly meetings. These, together with monthly and semester marks are posted on a scholarship chart. Failure to meet the required number a week is penalized by a fine of ten cents an hour for each hour lacking. A pledge must have an average of 60 percent for her Christmas examinations before initiation. An active must maintain the same average, otherwise she is deprived of holding office in the fraternity. A recognition pin is awarded to the freshman attaining the highest scholarship standing; a shield is awarded to the member of any year attaining the highest marks; a book is given to the member showing the most improvement during the year. Among the women's fraternities we stood second for the year 1944-45.

IV. CHAPTER WORK: The pledges meet weekly under the direction of the pledge supervisor, a senior in the chapter. They elect their own officers who make reports to the Executive Council. Their meetings are formal, and they learn a certain portion of Chapter Roll and history of Pi Beta Phi, which is written out at each meeting. It is a custom to have at least one outstanding alumna address the pledge group during this period. The pledges attend weekly cooky-shines and all social functions of the chapter. Each sponsor assists her pledge in many ways, and is with her as much as possible. The Executive Council consists of the president, vice-president, corresponding secretary, treasurer, rushing chairman, and one sophomore. \$10.00 is given to Settlement School per annum; \$8.00 is given to Loan Fund; \$2.00 is given to Holt House; \$25.00 provides Christmas dinner and gifts to a needy family; this year \$15.00 was given to the International Students' Service, and \$10.00 was given to the Canadian Red Cross. Each year a memorial award is given to the senior who best fulfills certain qualifications.

V. ENTERTAINMENT: 1944-45; the Mothers' and Fathers' tea, the fraternity birthday party, the rushing teas, suppers, and evening parties, ski week-end, informal party with the B & H fraternity, an initiation banquet and dance, senior farewell garden party with the presentation to graduates, annual house-party following examinations, 1945-46; Renewal of the annual Christmas party with Zeta Psi, rushing teas, supper and evening parties using themes again for the first time in five years, Mothers' and Fathers' tea, ski week-end, annual formal dance, initiation banquet, senior farewell garden party, and houseparty at the close of college.

VI. CHAPTER HOUSE: The house is owned by the alumnae and rented to the chapter housekeeper who in turn rents rooms to the active chapter. The house is very close to the university buildings. Last year the living room and dining room were redecorated and painted; this year the hall was painted and decorated, a record player was donated by one member and records by all members. New dishes and glassware were purchased by the housekeeper and a new linoleum was laid in the kitchen.

VII. MAINTENANCE OF ALUMNAE INTEREST: There is very close contact between the alumnae and actives largely because of the strong alumnae club in Toronto. There are always alumnae at the weekly cooky-shine, and at least one at the meeting. There is a meeting of the Executive Council and the alumnae advisory committee every month, and a member of the alumnae advisory committee attends a chapter meeting at least once a month. During rushing the alumnae pour tea and play the piano, and are responsible for the entertainment of the last evening party. They give the annual birthday party, and at this time present the fraternity chapter with a gift. The success of our first formal in many years was due to support of the alumnae. House party would not be complete without our faithful alumnae.

III. SCHOLARSHIP: During this past year we have had no new study methods. A bulletin of marks of both pledges and actives is posted in the house. Each week every member hands in a report on the number of hours study devoted to each subject. A "C" average and freedom from condition or failure is our chapter's demand. As present a new set of study rules are being drawn up by our Scholarship Chairman, with the assistance of the Alumnae Advisory Board. Our rank in campus Scholarship competition is not known for this year.

IV. CHAPTER WORK: Pledge training is carried on under the direction of the pledge Supervisor at weekly pledge meetings. Every second meeting this year, took place before dinner the evening of the actives' meeting and pledges and actives had dinner together. Pledges are tested at each meeting on assigned work from the previous meeting. Executive Council consists of two seniors (Chapter President and House President), two juniors and one sophomore. The Council meets before regular meetings and once a month with the Advisory Board. Five dollars is sent annually to the Settlement School Fund, the Loan Fund, the Pi Beta Phi Endowment Fund and the Holt House.

V. ENTERTAINMENT: In the fall, we have one Sunday tea to which as many freshettes as we wish are invited to see the house and meet the members. After Christmas we have one week for rushing those girls who are eligible (coverage on their Christmas examinations). During that week we have six parties, and no girl can be invited to more than two parties. In the fall the Panhellenic Council sponsors a tea for the freshettes at which members of each Sorority assist. We have had our Dean of Women to dinner twice this year, and to speak after one meeting. In the spring we have an inter-fraternity evening, to which all members are invited. Also open houses after several dances, a Christmas party, pajama party for the pledges, formal initiation banquet and our annual formal dance. The week after final examinations we went to Port Stanley for a week for our annual Pi Phi house party. After Convocation on May 22 we have a tea at the chapter house for the mothers and relatives of the graduates.

VI. CHAPTER HOUSE: Ontario Beta bought their fifteen room chapter house in 1944. It is worth \$9500.00. The furnishings used in our former house were used until this year. Although no changes have been made as yet, the house is to be papered and painted during the summer, and any required additions to furnishings will also be made then.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Alumnae Advisory Council meets with the Chapter Executive Council once a month. The alumnae held a "White Elephant" auction at the house to make money for the House Committee, which was well attended by both actives, and alumnae. On Founders' Day the alumnae come to the house for the ceremony and sit around and talk with the actives after. There are several alumnae asked to each rushing party. One evening each year, each active goes to dinner with an alumna, after which they all come back to the chapter house. The alumnae are very helpful to us at all rushing parties, they always turn up at our annual dance and at our initiation banquet. We have only had one affiliated transfer in the past two years.

Sincerely yours in Pi Beta Phi,
MARIAN BROWNE

III. SCHOLARSHIP: Scholarship bracelet is handed down each year to the pledge with the highest average, locket for second highest. Recognition pins are given to actives who make the Dean's List (average over 85), or who show a gain of five points in their grades over the last semester's average. If any member's grade drop below a 75 average, that person loses her voice in meeting for the immediately following six weeks. All grades of tests and papers as well as mid-semester and semester grades are handed to the scholarship chairman, who posts them. Pledge and active average necessary is 75. First semester of 1944-45 our chapter ranked second, and the first semester of 1945-46 our chapter ranked third.

IV. CHAPTER WORK: Pledge meeting is held once a week with the pledge supervisor and occasionally one other visiting officer or member. A combined meeting of actives and pledges is held immediately preceding active meeting, once a week. Our chapter is the only one on campus that conducts such a meeting. Executive Council consists of the president, the pledge supervisor, two other seniors, 2 juniors, and one sophomore. A benefit bridge was given for the Settlement School at which we earned \$45. This made our entire contributions to the Settlement School \$38, to the Loan Fund \$15, to Holt House \$10, to the Campus Chest Drive \$10 was given by our chapter. We sold magazine subscriptions amounting to \$107.45. The *Arrowette* is the annual Symposium publication. Included in it are a personality review of each outgoing member, news of the pledges, and any outstanding chapter news of the year. We have cozies in the suite after all the big dances, have Friday afternoon coke parties, and great interest in our inter-sorority sports.

V. ENTERTAINMENT: 1944-45: Rushing parties, pledge banquet and dance, Christmas party for pledges and actives, spring formal, Founders' Day buffet supper, pledge party for pledges of other sororities, Symposium, banquet for Mrs. Carson, cookie-shine at home of an alumna. 1945-46: Rushing parties, pledge banquet and dance, Christmas party for actives and pledges, spring formal, tea dance for other sororities and fraternities on campus, banquet in honor of Miss Clark and Mrs. Rankin, Founders' Day Tea, Mothers' Day Breakfast, picnic for active chapter given by pledges, Settlement School Benefit Bridge given by the pledges, Symposium.

VI. CHAPTER HOUSE: No chapter house for women permitted; Pennsylvania Beta occupies a suite on third floor of Hunt Hall. Because of the scarcity of materials and suitable furniture we have made no notable additions to our suite. Our last pledge class, however, presented the chapter with a white leather hassock and a solid mahogany bric-a-brac shelf.

VII. MAINTENANCE OF ALUMNAE INTEREST: A representative of our Alumnae is present at all pledgings, initiations, and dances. They are always invited to teas for visiting fraternity officers, and Symposium. Alumnae Advisory Committee meets with Executive Council once a month. Founders' Day

is always celebrated with the alumnae. All Pennsylvania Alumnae are asked back for alumnae homecoming and Symposium. Eighteen students transferred here from Bucknell Junior College in the last three years. There have been 12 women transfer students from other colleges. They are invited to our rushing parties and any social events given for the women students. We have no affiliated transfers in our chapter.

II. HONORS: 1. Scholarship: 4 attending "A" banquet. 2. Class offices, none. 3. Campus honors: 12 members of *Microcosm* staff; 13 members of *Dickinsonian* staff; 2 members of Wheel and Chain; 1 president and 7 members of T A II; 1 member of Student Senate; 2 members of German Club; 14 members of Social Service Committee, 1 president and 1 treasurer in addition to 23 members of Little Theater; 3 members in leading roles of productions; 7 members in Mohler Scientific Club; 1 member of Women's Government Association; 7 members of Choral Club; 4 members in Women's Athletic Association; 10 members participating in class sports; 1 member of International Relations Club; 1 president and 1 member in Panhellenic Council; 2 members of Debating Club; 1 president of Young Peoples' Fellowship. 4. Social honors: 3 campus beauties.

III. SCHOLARSHIP: Freshman scholarship is under the supervision of the big sisters. If special tutoring is needed classes are held in the various subjects every week. Awards made at the Commencement Banquet are: a II B P bar pin to the freshman with the highest average, a recognition pin to the freshman who has improved her average most from the first to the second semester, a ring to the active with the highest average. The Alumnae Club gives an award to the active who has raised her average most from the first to the second semester. Pledges must have an average of 70 in the semester immediately preceding initiation to be initiated. In 1944-45 the chapter ranked fourth among the women's fraternities; and in 1945-46 (first semester) third.

IV. CHAPTER WORK: Pledges meet in the fraternity rooms under the direction of the pledge supervisor every week. Every other week joint meetings are held with the active members before the active meetings. This plan fosters a closer relationship between actives and pledges. Pledge meetings are organized by and under the supervision of the pledges. The pledge supervisor assigns work weekly and tests are given weekly on this material. A Pi Beta Phi plaque is awarded to the initiate with the highest average on the weekly tests. The Executive Council is composed of the president, the pledge supervisor, the scholarship chairman, the treasurer, 1 member at large. \$45.00 was contributed to the Settlement School; \$5.00 to the Loan Fund; \$5.00 to the Salvation Army; 100% of the chapter contributed to the American Red Cross and to the Carlisle Community Chest; \$5.00 to Holt House, and \$5.00 to the Endowment Fund. At commencement time each year the chapter publishes a magazine, the *Arrowette*, the contents of which are devoted to chapter news of the year, its social activities, honors won by it and its members. Special recognition is given the seniors.

V. ENTERTAINMENT: 1944-45 Rushing program including a fashion show, pledge party following pledging, formal pledge tea, formal pledge dance at which time the pledges were introduced and given gifts, an informal tea in the rooms for all freshmen girls, Christmas party, banquet following initiation, Founders' Day banquet, Senior Farewell, picnic for seniors, cookie-shine before initiation and feeds throughout the year. 1945-46 rushing activities, pledge party, pledge dance, visit from Miss Clark, formal pledge tea, Christmas party, Settlement School Dance, Panhellenic Day and dance, Founders' Day Banquet, Spring Tea for alumnae, patronesses, and faculty wives, Spring Formal Dance in honor of the seniors, Senior Farewell and a Commencement Banquet.

VI. CHAPTER HOUSE: An apartment consisting of three rooms, a kitchen, a bathroom, and a porch is rented in the Colonial Apartments. This fall the rooms will be redecorated with the money which was received from campaigning the alumnae.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to attend all active meetings, social affairs and ceremonies. Every third week the Executive Council meets with the Alumnae Advisory Committee. The active chapter celebrates Founders' Day with the Alumnae. They are also invited to the Commencement Banquet. The *Arrowette* which is distributed to the alumnae at this time is always published in honor of one of the alumnae. There have been no unaffiliated transfers on the campus in the last three years and no affiliated transfers by the chapter.

III. SCHOLARSHIP: As soon as we pledge a girl we require that she come to a study table which is held at the house every week-day night from 7 to 9 P.M. This is compulsory for all pledges unless they are upper classmen who have made a 2.1. After six-weeks grades any girl who has made a 3.0 is excused from study table. The study table is supervised by the scholarship chairman. It is held in the chapter room which is equipped with individual desks and lights. There are no supervised study hours for active members although quiet hours are enforced every week-day night from 7 until 10 P.M. If an active fails to maintain the initiation average of 2.1, she loses voice in meeting and social privileges. Awards: (1) Diamond active pin is given to the girl making the greatest improvement in her grades for one semester to the following semester. (2) A scholarship ring is given to the active who has the highest average for the semester. A ten-dollar check is given to the active senior who has the highest grades for the seven preceding semesters. (3) To the senior having the highest grades in her senior year goes the recognition of having her name engraved upon the scholarship cup which is kept at the sorority house. (4) To the initiate having the highest grades for the semester preceding her initiation is given the sapphire pin. She is initiated with it and keeps it for one year. Pledges are required to make a 2.1 average out of a possible 4.0 to be initiated. Ohio Alpha has ranked first in scholarship among the socially competing fraternities for women for two semesters, Spring Semester 44-45 and Fall Semester 45-46. For this we have been awarded the Campus Plaque. This plaque is now a permanent possession of Ohio Alpha since we have won it five times out of twelve. This year several new plans were started to encourage scholarship among pledges and actives. Pep talks were given in pledge and active meetings. The actives were divided into two teams, blue and wine teams; a treat being promised to the team with the highest average at the end of the year. A small silver cup was awarded to the pledges by the active chapter for obtaining over a 2.5 average. This cup will be inscribed with the year of the pledge class and its average. This award is to become a tradition. If the pledges had not obtained a 2.5, they would have had to buy the cup for the actives. At the beginning of every six-weeks period, 10 cents was collected from each pledge to be put in a "kitty" and was awarded to the pledge with the highest average at the end of the six-weeks period. A notebook was kept by the scholarship chairman containing all grades and averages of the pledges and was open to any active and pledge at any time. On the bulletin board was kept a list of actives and their major subjects. This was to show the pledges to whom they could go for help in any special field. If a girl was having special difficulty, study plans were made for her, and her professors were consulted.

IV. CHAPTER WORK: This year the pledges were able to send a gift to the settlement school. Every week a pledge had assigned to her either one or two hours at which time she was able to be at the house for telephone or desk duty. Merit and Demerit System: There were two charts kept in the study hall on which every pledge had a record of her merits and demerits. She received merits for such things as membership in departmental clubs; attendances of meetings of W.A.A. and Y.W.C.A.; participation in intramural sports; perfect pledge lessons; publicity staff on the University yearbook, magazine or newspaper; rolls in University plays; and different merits for "A" and "B" averages. She received demerits for absence from study table, telephone duty, desk duty, and pledge meeting, failure to wear pledge pin, discourtesy to the actives, lateness and absence from functions. No pledge received demerit for absence when she was excused. After a girl received a certain number of demerits, she was given some duty by the active chapter—this duty was a task for the fraternity, such as, addressing Christmas

cards, mailing letters, and other odd jobs. Pledge lessons: Every week in pledge meeting a pledge examination was given over the pledge lesson and a sorority song that had been assigned during the previous meeting. These were written examinations and were graded by the pledge supervisor each week. A chart on which was kept a record of each pledge's work on these lessons was maintained. For each perfect lesson the pledge was given a red star. Executive Council: President, Junior Representative, Sophomore Representative, Senior Representative, two members at large. The pledges had a program for obtaining money to be sent to the Settlement School by sponsoring a raffle for \$10 worth of merchandise at the local clothing shop and the local men's clothing store. This raises a considerable amount of interest because everybody is interested, and most of the students buy their clothing that they need here at the school in either of the two stores. To each buyer of a raffle ticket is explained the purpose of the Settlement School. Local Charities: At Christmas time the chapter gives \$5 to the Christmas Seal Tuberculosis Organization; \$5 is given to the Y.W.C.A. here on campus which is active in social welfare work; \$5 is given to a Memorial Fund. Chapter Publications: *Flashing Arrow*—This is an annual paper that is published by the chapter; it is ready to be given at the Founders' Day Banquet. This paper is sent to Alumnae of Ohio A and to the chapters of the Province and the Grand Council. This paper includes all honors that have come to the alumnae. There are social columns, sport columns, and various pictures. Internal Development: We have found that we have been able to bring our girls into much closer contact with each other by fostering the idea of Monday-night "get-togethers." Every Monday night there is a supper served at the house buffet style, which includes the active and pledge chapter and any alumnae who wish to come. The girls eat together and have a wonderful time. Monday nights are reserved for the sorority alone. Every year just before the pledges are initiated the girls living in the house turn the house over to the pledges, and they are given full reign over the house for the night. This night is reserved for the pledges and they can do as they wish while they are here. They usually have a spread about midnight and then sit around and talk and have a good time. The magazine chairman sponsored a special drive at the holiday season, urging girls to buy magazine subscriptions for gifts. This event greatly increased our total sales.

V. ENTERTAINMENT: Rushing parties: 1. Arrow Tea, to which as many rushees as we wish are invited to come to the house and meet the girls of the chapter. 2. Rodeo party: to this party are invited the girls that we would like to have join with us. This party is held in our back yard. 3. Hotel party: to which we invite the girls that we know we would like to bid. This party is an annual affair and is very effective. 4. The Acceptance Tea: the girls that we have bid attend. At this time the girls sign cards acknowledging their intention to pledge. The chapter sponsors a Halloween party and a Christmas party for the pledges. The pledges give a novelty party in return. For the past two years Ohio Alpha has taken part in an all campus "Apple Polish Weekend." The chapter gives a tea for all faculty members. A tea was held in honor of our new house mother, Mrs. Norma Moran. A carnival party was given for all men on campus. The chapter exchanges dinner with other fraternities on campus. Every spring we have a cooky-shine for the town rushees. This is held Friday night at the sorority house and adequate entertainment is provided. An initiation banquet is held for the new initiates after initiation. A winter and spring formal are held by the chapter. The Founders' Day Banquet is held at the Berry Hotel.

VI. CHAPTER HOUSE: The chapter house was purchased June 8, 1946 from the Henry Estate. The value of the house is approximately \$25,000. The house has been recently repapered, chairs have been recovered, the smoker has been redecorated and new curtains have been purchased.

VII. MAINTENANCE OF ALUMNAE INTEREST. Every third Monday of the month the advisory board is invited to the chapter house for buffet dinner. This is held just prior to their meeting with the chapter executive council. The alumnae are invited to social functions given by the chapter. The town Pi Phi are invited to initiation if they have a daughter or some other relative being initiated, and they are all welcome to come if they so desire. They are all invited to the Founders' Day banquet and many of them attend. There are no unaffiliated transfers on the campus. At the present time we have one affiliated transfer.

III. SCHOLARSHIP: Quiet hours are observed in the house. Girls who are proficient in specific subjects are assigned to tutor pledges who are having difficulties with that subject. The honor system is used for pledges to study in the library. When the roll is called in pledge meeting, they reply with the number of hours they have spent in the library for that week. This system has proved very successful. Actives are grouped in pairs according to similar point hours. They compete throughout the quarter, then at the end of the quarter, the losing group gives a party in honor of the winners. The point hour of each girl is read in active meeting each quarter, stimulating competition. Anyone below a C-average (2 point) forfeits her vote and voice for a six weeks period. This applies to both pledge and active groups. Special awards are given for achievement in scholarship. A bracelet is given each quarter to the pledge with the highest grades, a ring is given to the active with the highest grades, and a cup passes between the active and pledge chapters for the highest average. At the Founders' Day banquet, the active with the highest grades and one with the greatest improvement in the last year are presented with pins. The pledge with the highest grades and one with the most improvement are presented corsages. The initiation requirement is a B-minus average (2.75). If the pledge has not made a C average (2 point) at the end of three quarters, she loses all social privileges and the right to wear the pin. She can only be re-pledged with the consent of the active chapter upon making a C average. The chapter ranked second for the year 1944-45. The rank for this year has not been obtained, but we hope to climb up to first place, which we held for two consecutive years.

IV. ENTERTAINMENT: 1944-45: Open houses after each football game for students, faculty, friends, and relatives; a Christmas formal; Dads' Day dinner and entertainment; a Mothers' Day Tea; Family Night, at which time the girls entertain their entire families at the chapter house with a dinner and a program; a Spring Formal; radio party for all sororities and fraternities; exchange dinners with sororities and fraternities; Mothers' and Daughters' Luncheon honoring graduating seniors; pledge parties; Founders' Day Banquet. 1945-46: All these social events were carried out this year. The only change is in the spring formal which this year is a dinner dance.

V. CHAPTER WORK: Weekly pledge meetings are held and supervised by an upperclassman, with the pledge president presiding. In each meeting the pledges are given study material and quizzes to prepare them for initiation. Inspirational meetings are occasionally held for the pledges. Each week a pledge reports on some phase of Pi Phi, such as the Loan Fund, etc. Each week we have a joint active and pledge meeting to bring the two groups closer together. The Executive Council consists of: the president, pledge supervisor, the rushing chairman, the treasurer, senior representative, junior representative, and sophomore representative. Each year

we contribute to the Settlement School and the Loan Funds. The active and alumnae chapters make themselves responsible for selling articles produced by the Settlement School each year. We contribute to local charities such as the Community Chest, the Red Cross, World Student Service Fund, and the Christmas Fund. The chapter publishes the *Ohio Beta Arrow* once a year. This paper presents the activities, social events, and other interests of both the alumnae and active chapter. It contains pictures and write-ups of our outstanding girls. This publication is sent to Grand Council, our province president, all actives, pledges, and alumnae; and this year we are sending a copy to the town rushees in whom we are interested.

VI. CHAPTER HOUSE: We completed our ninth year in this house which is valued at \$50,000. We now have an annex which we rent and which holds twelve girls. Since May 1, 1944, these additions and improvements have been made: 12 bookcases and 2 bedroom suites, benches and chairs in the side yard, painted all bedroom walls, new linoleum in the kitchen, installed tile in all the showers and in the head resident's bathroom. We redecorated the powder room—papered the wall, painted the cupboards, bought slip-covers and drapes to match. We redecorated the town girls' room. We bought 2 dining room tables and 12 chairs for the dining room. We also have new curtains for the dining room. We installed asphalt in the recreation room and painted the walls.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae are very interested in our chapter. They have their meetings at the chapter house, to which we are invited. We are having a joint dinner-formal dance this spring with them. They are invited to all of our functions and help us with rushing parties. The Alumnae House Board works directly with the active House Board. Joint meeting of the Alumnae Advisory Board and our Executive Council are held monthly.

PATRICIA BAZLER

OHIO DELTA

During the last two years Pi Phi of Ohio Delta have strengthened their own friendships and the chapter unity by their more frequent use of the chapter rooms for study, social events, and "fellowship." Fewer men on campus meant fewer dates at the house, so girls felt more free to utilize the rooms for their own convenience. At any time during any day one could find Pi Phi and often their friends playing cards, cooking meals, studying, listening to records, singing Pi Phi songs, practicing for skits, and most recently, making strategic plans to help sway the campus elections.

The period of rushing which lasted three weeks seemed to promote the greatest feeling of unity among the girls. Working together for a common interest produced amazing results, and Failure took a back seat.

Auntie Nell, our house mother, has endeared herself to every Pi Phi since she came to Ohio Wesleyan, ten years ago. There is always a pot of coffee on the stove in the mornings—she baked dozens of cookies, just because the girls liked them—her specialty is tasty and pretty sandwiches, for parties and showers that the girls plan for their friends—and she is always the first to suggest that a girl bring her visiting boy friend down to the house for a special breakfast on Sunday morning. We are planning a tea, to be the middle of June, to honor Auntie Nell.

The last two years, the Pi Phi have had a few minor defeats and many major successes. I suppose the best report would be to describe the scholastic and activity honors for the four semesters.

Between November, 1944 and March, 1945, Willella Radebaugh, Patricia Burns, and Doris Hunter received leading roles in the play, "Cry Havoc."

Soon after the beginning of the semester, Janet Razor took office as president of K Δ II, national education honorary. Sally Huston was chosen chairman for the dormitory dance.

Several of our pledges also received offices. Phyllis Steward was elected treasurer of the Y.W.C.A. Cabinet. Mary Mehlohope and Margaret Pickett are newly elected to W.S.G.A. Board.

Three other Pi Phi were members of the Y.W.C.A. Cabinet. Janet Razor was chairman of the Race Relations Committee, and Betty Mercer and Pat Smith were co-chairmen of the Membership Committee.

We started the second semester of this school year and initiated sixteen girls. At the initiation banquet, Mrs. Conway, Pi Phi and Dean of Women at Ohio State University, was our guest speaker.

Eleanor Marsh was appointed chairman of the Music Committee of the Y.W.C.A., and Phyllis Steward was re-elected treasurer for the coming year. Of twenty-one girls chosen to be on Sophomore Commission of the Y.W.C.A., Marjorie Burke, Jeanne Lemal, Margaret Pickett, and Phyllis Steward were included.

Two of our members, Priscilla Patterson and Jeanne Lemal, received a 4.0 average in academic work for the

fall semester. One of our March graduation seniors, Margery Good, was elected to Φ B K.

Two Pi Phis have been particularly prominent in the speech field. Janet Rasor received third place in the state interpretative reading contest at Wittenburg College. Jeanne Lemal went on to represent the state of Ohio in the interstate oratory contest at Northwestern University, where she placed fifth.

Dorothy Buck, one of our outstanding seniors, was prominent in several fields. Dorothy became another member of Mortar Board, as is Margery Mayer. Dorothy was notified that she had been granted a scholarship for graduate study in voice at the Curtiss Institute of Music, Philadelphia. The honor followed her audition and competition with eighty-five other voice students from many states.

For personal honors, Virginia Blair, Janet Rasor, and Arlene Stuckey have reigned, on different occasions, as queens at our track meets.

Peggy Philson has been chosen as a senior advisor for freshmen for next year.

Margaret Pickett, freshman, received the honor of being chosen student pastor of Asbury Methodist Church.

For the first time in several years, Panhellenic sponsored an all-sorority, non-competitive, song fest. Everyone had a wonderful time and we banded together more firmly by our singing together.

This year, too, we had the experience of sending some of our members to inspect two petitioning chapters for Pi Beta Phi, and their following installations. On April 27, a delegation of seven girls went to Toledo to see that chapter installed. On May 11, two girls and an alumnae visited the Miami chapter.

Last summer was a pleasant rest for most of us, interspersed with plans for the fall rushing season.

We started off the year with the idea that everyone should be a member of Y.W.C.A. I am happy to say that we belong almost unanimously.

Pi Phi has come to the fore this year in the religious field. Phyllis Steward was elected president of Wesley Fellowship, Marion Garrison is co-chairman of the recreational committee, and Harriet Billman is one of the other committee heads. Margaret Pickett is again student pastor of Asbury Methodist Church.

We have not been absent in other groups. Doris Hunter is one of the staff members of the *Owl* literary magazine. She was also chosen to be one of the Tower players—the radio organization. This spring Doris was elected to the position of Judicial president of W.S.G.A. for the coming year.

Barbara Hall was chosen sports editor for *Le Bijou*—our college annual. Mary Jean Fauver was elected corridor representative at Stuyvesant Hall. Three of our members were newly elected to M Φ —the national music honorary: Eleanor Gilchrist, Peggy Jo Gordon, and Eleanor Marsh.

In the new Red Cross Unit which has been established on campus, Louise Bliss was chosen to be chairman of the Water Safety Committee, and Joy Gillis was chosen to be one of the co-chairmen of the Camp and Hospital Committee. This committee has worked hard to bring entertainment and relaxation to the boys in the Chillicothe Veterans' Hospital. Each Sunday a different sorority and fraternity journeyed to Chillicothe. The district chairman said that the Pi Phi presented the most entertaining and valuable program of the year.

Five Pi Phis were named for the Dean's List this year, which means that they had a point average of 3.3 or over. They were: Marion Garrison, Doris Hunter, Sally Huston, Peggy Keller, and Jeanne Lemal.

In dramatics, Willella Radebaugh was chosen for the part of Elvira in Noel Coward's "Blithe Spirit."

We have adopted several new ideas this year concerning our pledges. First of all, the chapter decided to adopt the custom of purchasing a silver baby cup for the pledge class each year with its scholarship average engraved on it. If the class maintains an average of 2.8, the active chapter will buy the cup, and if the average is lower, the pledges will have to pay for it themselves. This year the pledges missed having the actives buy the cup by two-hundredths of a point! We also started having joint active-pledge meetings each week so the group as a whole could become better acquainted. In addition, we have created a big and little sister system that changes every week.

This spring, Ohio Wesleyan, as other universities throughout the nation, was a big contributor to the World Student Service Fund. Pi Phi led the ten sororities on campus with 100% contribution.

Three Pi Phis were chosen as senior advisors for the coming year: Eleanor Marsh, Joy Gillis, and Louise Bliss. Eleanor Marsh was also tapped for Mortar Board, the senior woman's honorary.

We have been leading this season in inter-sorority sports. We won the volleyball cup, and play the final game for the basketball cup next week.

Most of the spring activities culminated Monnett week-end. This was the biggest school week-end of the year for

both mothers and daughters. Saturday night, Kathleen Kennedy and her committee served dinner to eighty-four people in the chapter rooms. Sunday morning the same number were present for breakfast. After breakfast, the mothers' club elected officers for the coming year, and collected enough money to buy the chapter a new set of dishes as soon as china is available.

Our semester will end July 1. When Mrs. Carson visited us in the early fall, she predicted that we would have a good year, and we have. Next year should be even better, and Pi Phis will be able to meet every situation.

Social Honors: 1 Queen of Freshman Prom, 4 attendants of May Queen.

III. SCHOLARSHIP: We have organized two teams within the sorority each competing for the highest average. The losing team gives a party for the winners. There is an award of a silver baby cup to the pledge with the highest average. We have a system for tutoring when needed. The initiation average has been set at 1.2, and no active member fell below this average with the result that the combined average of the chapter reached a 1.8 average. We ranked first in the comparative rating of all national women's fraternities on campus for 1944-45.

IV. CHAPTER WORK: Pledge meetings are held every Friday at 4:00 under guidance of pledge supervisor, with the elected pledge officers presiding. Sponsors and pledges frequently meet informally to talk over school, grades and so on. Pledges give monthly talks at combined meetings. Combined regular meetings are on Friday at 6:15. Executive council meets at 5:45 before regular meeting. There is an Alumnae Advisory Board meeting the fourth Monday of each month. The Executive Council consists of president, vice-president, pledge supervisor, treasurer, and a sophomore, junior, and senior representative. We ranked third in the country in magazine subscriptions. A prize of an identification bracelet was given to the member obtaining the most subscriptions. We had a movie and talk on the settlement school. Our contributions to the Loan Fund, for Holt House, and the Settlement School amounted to \$50. Our money-making projects have been a bridge party, rummage sale and numerous bake sales. We contributed \$5 to W.S.S.F., \$20 and a party and a pair of hand knit sock to the Red Cross for the annual auction, and \$5 to U.S.S.A. We had a Spring Intersorority Song Fest at which the "Pi Phi Symphony" was one of three songs. Members acted as Red Cross representatives in the door to door campaign this year.

V. ENTERTAINMENT: Spring, 1945: Installation-tea-banquet; mothers' day tea; Founders' Day banquet; senior farewell and breakfast; cooky-shine; pledges gave roast for A K Π fraternity; sorority cottage for one week; 1945-46: Mothers' day tea; mother and father party; backwards dance at Thanksgiving; homecoming float; Christmas formal dinner; actives' dance and roast for pledges; all-fraternity party; individual sorority parties; all sorority back-to-school tea; Red Cross auction (Chi Bet party and dance); pledge party for all other pledges; Founders' Day banquet; initiation banquet; pledge party for actives (buffet supper); rush

parties; mothers' club gave Christmas tea for actives and pledges; senior tea; senior farewell, breakfast and outing; cooky-shine after initiation; campus night on Valentines Day; scholarship party (buffet supper in apartment); sorority cottage (1 week).

VI. CHAPTER HOUSE: There are no chapter houses for women on campus. Ohio Epsilon occupies a suite of 5 rooms in an apartment building used by all fraternities for women. In the spring of 1944, we moved into this new, larger apartment, converting the two bedrooms into a study and a chapter room. Two new desks and chairs were purchased for the study. The chapter room was decorated in wine and blue, with built-in leather benches, new white rug and a desk. Curtains were made for the entire apartment and all the walls were painted. Lampshades were purchased and a new lock was put on the archives. A plaque with the Pi Phi crest was bought for the door of the apartment. A set of dishes and several dozen guest towels were the gifts of the Mothers' Club at Christmas.

VII. MAINTENANCE OF ALUMNÆ INTEREST: We invite alumnae to all meetings, rush parties, teas and other social events. Usually alumnae chaperone our dances. Alumnae and actives have a joint Founders' Day celebration, Christmas party and pre-school rushing tea for girls going away to school. There was only one unaffiliated transfer this year. She was invited to all meetings and apartment and social privileges. There were no affiliated transfers.

OHIO ZETA

I. MEMBERSHIP: 1945-46: Initiates, 21; active members, 39; resident active members, 0; resident alumnae, 9; total membership up to May 1, 1946, 52.

II. HONORS: Φ B K, 1; Y.W.C.A. president, 1; Y.W.C.A. Cabinet Members, 2; Δ O (music honorary) president, 1; Madrigal (women's singing group) president, 1; President Student Religious Council, 1; Cosmopolitan Club president, 1; A Σ A Award (outstanding freshman), 1; Mortar Board, 2; *Who's Who in American Colleges and Universities*, 2; Cwen (sophomore honorary), 6; Junior Business Manager on *The Student* (newspaper), 1; *Student* desk editors, 4; house-chairmen on upperclass dormitories, 2; sophomore counselors, 8; *Tomahawk* staff members (humor magazine), 2; Aletheanai Award, 1; Aletheanai (English honorary) members, 2; Com-bus (business), 4; Φ Σ (science), 4; Δ Φ Δ (art), 2; Δ Φ Δ representative to national convention, 1; K Δ II (education), 3; Σ Δ II (Spanish), 3; B II Θ (French), 1; Ψ X (psychology), 1; President of Westminster Cabinet (Presbyterian), 1; treasurer of Westminster Cabinet, 1; W.A.A. Board Member, 1; "Spring Day" chairman, 1; *Recessio* (yearbook) Beauty Queen, 1.

III. SCHOLARSHIP: The Scholarship Chairman is in charge of the library study table at which every active is assigned certain hours; all pledges put in ten hours per week until nine-weeks grades, after which they are under the same rules as those which apply to actives—five hours at the library table each week for a point average from 2.5-2.7 and ten hours per week for an average below 2.5. The point average needed for initiation is 2.3. Each year a jeweled recognition pin is given to the new initiate who had the highest point average during her pledgship. In addition, we began this last semester a competition between pledges and actives; the losing group, with the lowest average, planned a picnic in honor of the victors. At the end of the first semester of 1945, Ohio Z ranked first among the thirteen women's fraternities on campus and was awarded both pledge and the combined pledge-active scholarship cups. At the end of the second semester of 1945, Ohio Z ranked second.

IV. CHAPTER WORK: The main task of pledge instruction is taken over by the Pledge Supervisor, under the direction of the alumna in charge of the Development of Pledges and aided by the pledge president. At their weekly meetings, pledges learn the Fraternity background, the Greek alphabet, the pins and brief histories of the other sororities on campus, the work of Panhellenic, Pi Phi songs, and their responsibilities as sorority girls and future Pi Beta Phis. In addition, actives speak to them concerning activity opportunities, and each pledge is required to belong to at least two activities. Then, every other week, pledges and actives have a joint meeting to get better acquainted and to promote group unity. The Executive Council is composed of a member from each class, the president, the treasurer; this group meets once each month with the Alumnae Advisory Committee plus the chapter's Pledge Supervisor and the Scholarship Chairman. As yet we have done no special work for the Settlement School, the Loan Fund or the Holt House except to contribute to each; however we have determined to start the "tradition" of buying such gifts as those for alumnae babies and married actives from the Settlement School. Our Magazine Chairman worked to make possible a good record in the Magazine Agency. We have contributed to the Miami Chest Drive, the Student Refugee Fund, and the Memorial Stu-

dent Union Building Fund; in addition, the Chapter has undertaken the adoption of a Chinese Orphan at a cost of \$10 per month. The Chapter has concentrated on maintaining and furthering a group unity; to this end we have held monthly get-together-parties for both pledges and actives where we all have a fine time learning to know each other better.

V. ENTERTAINMENT: After the usual fall rushing parties, the first big affair was our formal initiation banquet. Then followed a formal banquet for the province president, Mrs. Floyd Carson, a pledge show and Christmas party, our first "Pi Phi Cooky-Shine," the Panhellenic Dance, the Pi Phi-Kappa Dance (our first inter-sorority dance and a big success), a reception-tea and formal banquet for Miss Isabel Clark, Assistant to the Grand President, Founders' Day Banquet with Oxford and Richmond, Indiana, Alumnae, and the Mother's Day Breakfast. In addition we held combined meetings during the year with K K Γ and A X O, and the pledge had both a picnic and a party with the K K Γ pledges. Also we participated in the annual Panhellenic Workshop at which time inter-sorority problems and relations are discussed.

VI. CHAPTER HOUSE: There are no sorority houses on campus, but each sorority has a suite, either in North or South Hall, the newest and most spacious upperclass dormitories on campus. The Ohio Z suite is located in South Hall and is newly decorated and furnished in the Pi Phi colors of wine and blue—flowered draperies and love-seats, blue walls, two blue and two wine occasional chairs, a mahogany desk and drop-leaf table, chests, and matching straight chairs. For installation and during the year, we have received many lovely gifts of dishes, card tables, records, candlestick holders, and other items for our suite from the other sororities and various alumnae clubs.

VII. MAINTENANCE OF ALUMNÆ INTEREST: We have maintained a close relationship with the alumnae by feeling free to go to them with any problems. At the beginning of the year, before our suite was finished, we even held our meetings at the home of our Alumnae Advisor. Usually one or more of the alumnae are present at our meetings, and once each month the Executive Council meets with the Alumnae Advisory Committee. Also several of the alumnae are always present at our social functions, and they have been of invaluable assistance to us, especially during rushing. There have been no unaffiliated transfers on campus.

BETTS PFLIEDERER

WEST VIRGINIA ALPHA

I. MEMBERSHIP: 1944-45: Initiates, 18; active members (including initiates), 44. 1945-46: Initiates, 13; active members (including initiates), 47; resident active members, 10; resident alumnae, 24; total membership up to May 1, 1946, 42 actives and 5 pledges.

II. HONORS: 1. Scholarship: 2 in Φ B K; 1 in K Δ II; 1 in K T A; 3 in Δ N T. 2. Class offices held: Vice-president of the senior class and junior women. 3. Campus Honors: Vice-president and treasurer of Y.W.C.A.; vice-president of Women's Recreational Association and 3 on the council; 3 on the *Athenaeum* staff, the daily college paper; president of Le Cercle Francais and 6 members; president of Dolphin Club and 10 members; president of Orchestis and 5 members; 2 in Mortar Board; 2 in Phodendron; 2 in Li-toon-awa; vice-president of Panhellenic; president of Matrix and 3 members; secretary and pledge mistress of A Ψ O and 4 members; 4 in La Tertulia; 3 on the Dean's list; 6 freshman guides; 1 in *Who's Who in American Colleges*; 7 in Mixed Chorus; seniq woman and sophomore representative of Associated Woman Students; 5 members of Student-Faculty Forum; 3 members cast in "Little Foxes"; 3 members in "Maechen in Uniform"; 4 in "Guests in the House"; 3 in Physical Education club; 1 in English club. 4. Social Honors: Homecoming queen in 1944; winner of intramural sports 1944-45; winner of campus swimming meet 1945 and 1946; second place in the Interfraternity and Intersorority Sing 1946.

III. SCHOLARSHIP: For improvement of the chapter's scholarship we have definite periods which we observe as quiet hours, planned time for study and for Fraternity business, and study sessions for the pledges and actives in a large room supervised by an active. Unnecessary noise is penalized by restrictions of social privileges and we have formed a more or less competitive attitude whereby one attempts to exceed the others. The pledge and chapter average is one point or a "C" average. The chapter has held second place among the college sororities for 1944-45 and 1945-46.

IV. CHAPTER WORK: The pledges hold regular weekly meetings, and elect officers similar to those in the active chapter. They have been trained in a body to study, have attended the important campus meetings with the actives, and have been worked into activities as soon as they thoroughly understood the functions and aims. The chapter has attempted to make the pledges feel completely at home and know all the actives by having all the pledges down to

dinner once a month, and having them spend either weekends or portions of them in the house. The chapter through thoughtfulness and kindness has attempted to prevent any let down feeling that is so characteristic after rushing. Executive Council consists of the president, the vice-president, one senior, one junior, and one sophomore. The chapter has donated three dollars to Holt House and Settlement School. The chapter donates food, clothes, and toys to the local charities at Christmas. They also collected for the March of Dimes campaign at the University's basketball game.

V. ENTERTAINMENT: West Virginia A of Pi Beta Phi has had many social functions in the past two years. The loveliest affairs given by the chapter include the formal and informal for the sorority members and any rushees that the chapter cared to invite, a formal tea in honor of the new housemother, other formal teas for visiting national officers, luncheons for the parents on Mothers' Day, Founders' Day banquets, open houses for the alumnae during Homecoming Weekends, dinners for the various faculty members, and many other such functions.

VI. CHAPTER HOUSE: The chapter house is owned by the sorority, that is, it is in the midst of paying for it. The house is valued at approximately \$25,000. During the past year the house has undergone several improvements, namely, painting, plumbing improvements, new slip covers and draperies, and waxing of floors.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae hold monthly meetings in the chapter house, attend all the teas, formals, initiations, banquets, and social gatherings of the chapter and seem to retain an interest by aiding us in any possible way and attending our functions. The alumnae spend parts of each month with the chapter to help plan the activities, rushing parties, and programs of the chapter and often participate in the programs held in active meeting. They are indispensable to the chapter, and by being so, they seem to maintain an interest that is not only an aid to the chapter, but seems to hold them together and their interest in the chapter.

DOROTHY WALKER

MARYLAND ALPHA

I. MEMBERSHIP: 1944-45: Initiates, 22; actives, 23. 1945-46: Initiates, 13; actives, 43; pledges, 3; resident actives, 6; resident alumnae, 160; total membership, May 1, 1946, 473.

II. HONORS: Scholarship: 2 Φ B K; 7 honor students. Class Officers: 2 presidents, 1 vice-president, 1 treasurer, 3 sergeants-at-arms, 1 recorder of points. Campus Honors: Donnybrook Fair (annual), 4 on staff; Weekly, 2 on staff; Goucher College Interfaith Association, 33 members; Hall Officers, 1 president, 2 treasurers, 2 secretaries, 2 social chairmen; Students' Organization, 1 president, 4 on board; Judicial Board, 2 presidents, 2 secretaries, 7 on board; Athletic Association, 7 on board, 8 varsities; Glee Club, 8 members, 2 Sing-Song leaders, 1 Sing-Song chairman; Choir, 5 members; Masks and Faces, 2 members; Riding Club, 1 president, 4 members; Science Clubs, 8 members; Language Clubs, 15 members; Religious Clubs, 8 members. Social Honors: 3 on May Ball committee; 1 on May Court.

III. SCHOLARSHIP: In the weekly meetings, the scholarship chairman records the grades of each member and reports the current standing of the chapter on campus. The actives help each other, and the sponsors have made themselves responsible for helping the pledges or seeing that they are helped when necessary. A pin is awarded to the active who has made the greatest improvement over her previous grades, and the scholarship ring is given to the active with the highest grades. Pledges must have an average of 2 C's and a D for initiation. In 1944-45 our chapter ranked first among six national fraternities. In 1945-46 the chapter ranked first for the first semester and second for the following semester.

IV. CHAPTER WORK: The pledge class elects officers similar to those in the active chapter and holds regular weekly meetings. The pledge supervisor arranged to have actives from our chapter and from other fraternities on campus speak to the pledges about their respective fraternities. Oral quizzes were held each week on the material to be learned for the pledge examination. For their project this year, the pledges compiled a scrap-book of their class which included individual snapshots and remarks characterizing each girl. The sponsors keep in close contact with the girls and give them help whenever necessary. Executive council consists of the president, vice-president, treasurer, pledge supervisor, one junior, one sophomore, one freshman (after initiation), and one rotating member. The chapter sent a subscription to the Settlement School, Loan Fund, and Holt House, and also contributed to a Physiotherapy scholarship. We have also made contributions to the college drive for money and food for European relief.

V. ENTERTAINMENT: 1944-45: Pledge banquet, Christmas party, tea for faculty, initiation banquet, coffee-hour before college dances, pledge tea for other pledges. 1945-46:

Pledge banquet, pledge dinner and entertainment given for actives, tea for faculty, coffee-hour before college dances, Christmas party, skating party, tea for non-fraternity students given by pledges, cookie-shine for seniors.

VI. CHAPTER HOUSE: The chapter rents an apartment centrally located on campus consisting of two large rooms, a study, a kitchen, and a bathroom. In the fall of 1944, a group of actives returned to college early in order to paint the woodwork and redecorate the newly papered rooms. We also bought slip covers for the living-room furniture at that time. This year we added a bookcase to the living-room, and one of the girls repainted the furniture in the study with Peter Hunt designs. The furniture in that room was also recovered, and a small throw-rug was purchased for the hallway.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Alumnae Advisory Board meets with Executive Council once a month or more often if necessary and in that way keeps in close contact with the work of the chapter. The alumnae and actives celebrate Founders' Day together, and the alumnae are always welcome at meetings, for dinner in the rooms, and at all social affairs. We have had one transfer within the past two years, and she has been affiliated.

ELEANOR LOUISE GILBERT

MARYLAND BETA

I. MEMBERSHIP: 1944-45: Initiates, 21; active members, 9. 1945-46: Initiates, 16; active members, 21; resident active members, 16; resident alumnae, 4—total membership up to May 1, 1946-51.

II. HONORS: 1. O N (Honorary Home Economics), 1; Σ A O (Bacteriology Honorary), 1; honor students, 6. 2. contributed to Journal of Home Economics, 1; 1 assistant news editor of *Diamondback*; 1 circulation manager of *Diamondback*. 3. A A Δ (Freshman Honorary), 1. 4. International Relations Club, 1 vice-president and 1 publicity chairman; O N, 1 recording secretary; Cosmopolitan Club, 1 secretary; Women's Chorus 2, 1 president; 1 president of Margaret Brent Dormitory; 1 secretary of Panhellenic Association; 1 treasurer of Daydodger's Club, 1 secretary of Newman Club; 1 secretary of Women's Recreation Association; 1 secretary of Women's League; Σ T E (Physical Education Honorary), 1; Spanish Club, 1; Red Cross, 4; Fine Arts, 1; Student Musical Activities Committee, 1; Canterbury Club, 4; Home Economics Club, 2; Footlight Club 3-Make-up committee, 1. 5. Leading role in "Blithe Spirit" and "Angel Street," 1. 6. The chapter won 2nd place for float decorations in the Homecoming celebration.

III. SCHOLARSHIP: Reports of cuts and marks received in hour examinations taken regularly at meeting. Five cent fine on cuts which is deposited in house fund. A Recognition Pin is given to the girl who raises her marks the most during the preceding semester. This is a traveling award. Actives making between 2.2 and 3.0 shall study 12 hours per week and turn into the scholarship chairman a record of hours. Any active making less than a 2.2 average must turn in a record of not less than 16 study hours per week. Each semester we have a contest between two teams—the group making the lowest marks must take the best group to dinner. Rank of the chapter on the campus—9th place.

IV. CHAPTER WORK: Pledges and actives hold meetings once a week. The Pledge Supervisor in addition to preparing the pledges for their examination plans projects that give the group a closer relationship with chapter life. The alumnae have given interesting talks to the pledge group on the Settlement School and on the standards and ideals of the fraternity. The chapter is sponsoring its colored maid and helping to put her through college. The Executive Council meets once a month with the advisory board. Maryland B sends donations to the Loan Fund and to the Settlement School. There is no chapter publication.

V. ENTERTAINMENT: The chapter has entertained the different fraternities on campus at weekly desserts. A Valentine dance was given for our pledges. They were introduced to the strains of "A Pretty Girl is like a Melody" as they walked through a large, red heart. Each pledge was presented with an old fashioned bouquet of wine carnations. Mrs. Wakefield, province president, visited the chapter in November. Miss Onken honored us by having lunch at the chapter house in February. Founders' Day was celebrated in Washington with D.C. Alpha at the Mayflower Hotel. A "Sadie Hawkins" open house dance was held in November. The chapter has entertained the faculty with several dinners. Fall rushing consisted of two open house teas, three afternoon parties, three evening parties, and a preference tea. A Mothers' tea was given in the Spring. An open house tea for the campus was given in the fall. An initiation banquet followed the initiation ceremony in March. The high light of Maryland Beta's career was, of course, the installation of the chapter and the installation banquet on June 17, 1944.

VI. CHAPTER HOUSE: Freshmen cannot live in the chapter house but it is strongly urged that every other member

live in the house. The chapter has been living in the A Γ P fraternity house but will move from this house on June 10. Until now it has been very uncertain as to what accommodations we would have next fall but the president of the university has just told us that we will be able to live in a new temporary house next fall. That was indeed wonderful news.

VII. The alumnae attend the active meetings frequently and take an active interest in anything connected with Maryland Beta and Pi Beta Phi. Executive Council meets monthly with Advisory Board. There are no unaffiliated transfers on the campus. Maryland Beta has affiliated two transfers.

I. MEMBERSHIP: 1945-1946: Initiates, 25; active members (including initiates, 1944-1945), 43. Resident active members, 39; resident alumnae, 735, total membership up to May 1, 1946, 589.

II. HONORS: 1. 3 Φ B K; 2 graduates "with distinction," 1 graduate with "special honors" in English; 1 winner of French award, 1 winner of Botany award, 1 winner of Zoology award; 3 members of A A Δ. 2. 1 publicity director of the freshman class. 3. 26 members on the annual, *The Cherry Tree* (including 3 circulation managers, 1 art editor, 1 senior editor, 1 copy editor, 1 organizations editor); 1 member of the paper staff, *The Hatchet*; 3 members of Mortar Board (including 1 treasurer, 1 historian); 1 publicity director of Student Council; 6 members of "Big Sisters" (similar in function to Y.W.C.A. in that it handles all freshman orientation); 1 member of Φ Π E; 3 members of Π Δ E (including 1 president, the former editor of the yearbook); 1 member of A Π E; 2 members of varsity hockey team, 1 riding manager, 2 members of varsity soccer team, 1 basketball manager, 1 member of varsity basketball, 1 president of the Inter-Sorority Athletic Board; 18 members of the glee club, 21 members of Orchestras and associated dance groups, 5 members "Cue and Curtain" (dramatic organization, including 1 stage manager, 1 lead in musical comedy); 4 members of Delphi; Language clubs—2 members (including 1 vice-president), Religious clubs and organizations—8 members (including 1 vice-president, 1 president, 1 secretary-treasurer, 1 member of the Religious Council); 5 members of COGS (including 1 joint director); 2 Student Nurses (including 1 president and the organizer); 3 members of the Cheerleaders; 1 assistant housechairman of dormitory governing board; 3 members of *Who's Who in American Universities*; 1 winner of the award to the "Outstanding Sophomore Woman." 4. 1 Φ Σ K beauty queen, 1 runner-up in the "Veterans' Girl to Come Home to" contest.

III. SCHOLARSHIP: Since most of our members live at home we have special study problems. To meet these, we have asked the university to allow us to use one of the empty class rooms for a study hall for our pledges. This year the university would not permit this because of the labor shortage. Therefore study hall was held in the library. In both cases active proctored. Approximately ten hours a week, depending on individual schedules, are required for pledges. Active below initiation level were required to study approximately the same amount of time. Pledges are not allowed to date on school nights, nor are they allowed to be "social" in the rooms from 10 until 4. The pledge and chapter average required are both 2.0 or a straight "C" average. An active whose average is below this level must follow the constitutional provisions concerning this. A fine of \$5 is levied for each "F", and the pin is taken for six weeks as well. The scholarship bracelet is awarded each year to the freshman initiate with the highest average, her name is also engraved on the freshman honor cup. The initiate, upperclassman, with the highest average receives an award. The active who has improved her grades the most is awarded Pi Phi earrings. Of course, the Pi Phi scholarship ring is awarded annually. For the first semester of 1944-45 our rank was 5th, for the second semester 3rd. The rank for the first semester of this year was 5th.

IV. CHAPTER WORK: The pledge class organizes itself much as is the active chapter. The officers follow the same general pattern. Meetings are held weekly at a time different from the active meeting so that the pledge supervisor may always attend both meetings. The usual pledge material is covered; also, from time to time the scholarship chairman, Settlement School Chairman, et al present programs to the pledge group. In the case that a pledge does not cooperate with the study arrangements, or does not meet her other responsibilities, The Executive Council confers with the pledge to see if the problem cannot be solved. The Executive Council consists of the president, one representative of each class, and one member-at-large. The representative is always included. Once a month the pledge supervisor, the treasurer, the scholarship chairman, the pan hel delegate, and the rush captain attend the meeting

at the same time that the alumnae advisory council does. We contribute \$10 each annually to the Settlement School, Holt House, and the Loan Funds. Some worth of magazine subscriptions were placed through the agency this year. The chapter donated \$100 to the Student Council Charity Drive, \$100 to the Red Cross, \$75 to the Combined Charity Drive, \$18.75 to the Women's Building Fund Organization, \$3 to the District of Columbia Crippled Children Fund, \$10 to the Merchant Marine Library Fund, and \$25 to the Foster Parents for War Orphans.

V. ENTERTAINMENT: Each year our social schedule gets under way as does that of most all chapters, with rush week. The parties start with an open house which is attended by all girls who have registered for rushing. During rush week there are usually three parties. Soon after the pledging of our new pledges we entertain for their mothers at a tea so that they may meet their daughter's pledge sisters and the actives, particularly her sponsor. Each fall the chapter is entertained at several exchange dances by the fraternities. Before Christmas vacation we have a Christmas tree in the rooms, and the "mothers" and "daughters" exchange gifts. Then Christmas night each year we hold a dance for the members and their guests. In the spring the Pi Phi Mothers Club serves a buffet luncheon in the rooms for the whole chapter. The alumnae serve supper in the rooms for both the actives and pledges once a month just before the actives' meeting. Joint Founders' Day celebration is held with the Maryland-District of Columbia B chapter and the D.C. alumnae. This year in addition to the same parties as those already mentioned, we held a Fathers' Tea so that the fathers might at last meet the girls and see the rooms that their daughters have talked about so much. This spring Miss Onken joined us for lunch in the rooms, while on a quick visit in Washington. Since so many fraternity men have just returned to campus, we gave a "Hamburger Heaven" for some 80 boys! Just before Founders' Day, Margaret Truman entertained the chapter at supper and a movie. The Marine Band played while we assembled, and after the supper we saw a White House premier of "Henry V." Each spring D.C. Alpha participates in the Pan Hel Prom at which the members of Delphi are tapped. This year May Day became quite an occasion. Aside from the crowning of the queen and the tapping for Mortar Board, there was a tea for next fall's entering freshman, a tour of the sorority rooms, and a supper, served in our student club. At this supper Pi Beta Phi was awarded the cup for having raised the largest amount for the Combined Charity Drive. After this there was a carnival in the gym, with each sorority sponsoring a booth. Once a week for this past semester, the Pan Hel Council has sponsored an open house with different departments of the university as honor guests. The arrangements were made by a different sorority group each week, and these girls also acted as hostesses. Each sorority sent at least five delegates.

VI. CHAPTER HOUSE: We have no sorority houses here at George Washington, although the fraternities do have houses. We have a three room apartment, located in a university owned building. Our apartment is located on the second floor front, and is just one block from the class buildings. Since 1944 we have repapered, repainted, had some dozen straight chairs refinished, refurnished a coffee table, respiced covered the couch and put new curtains in the study, and redecorated the bathroom. This has been largely maintenance work. This summer we are planning to redecorate the whole apartment.

VII. MAINTENANCE OF ALUMNAE INTEREST: In addition to the usual alumnae group we have in Washington a Junior Alumnae group into which a girl goes for the first few years after she leaves college. At all the big meetings of the year, this group meets with the Senior Alumnae. The alumnae give several parties during the summer rush period. In the last three years we have had 6 unaffiliated transfers. They have been invited to all meetings, parties, etc., and have had all the privileges of membership save the vote. There have been 7 affiliated transfers, three this past semester.

III. SCHOLARSHIP: Scholarship has been greatly stressed this year, and we have required that each girl sign on a sheet of paper any grades she has gotten during the week. The actives have helped each other, each sponsor has made herself responsible for helping her pledge, and Pi Phis are always available to tutor either actives or pledges. Scholarship recognition pins were awarded to the senior and to the new initiate whose scholarship records were most outstanding for the respective year. A girl cannot be initiated until she has a quality point ratio of 0.6. Rank of chapter among socially competing fraternities for women for the year 1944-1945, third; 1945-1946, tenth.

IV. CHAPTER WORK: The abounding enthusiasm of our pledge supervisor this year served to make the pledge training and meetings a tremendous success. The pledges met at the house and cooked their dinner every other meeting, inviting a few actives by rotation, each time, a plan which helped the pledges and actives get acquainted quickly. The Executive Council is made up of the president, vice-president, treasurer, one senior, one junior, and one sophomore. The chapter contributed \$5.00 to the American Marine Library, \$10.00 to Mrs. Mayfield (Christmas donation), \$25.00 to the treasurer of the Settlement School, \$10.00 to the treasurer of the Holt House Committee, and \$10.00 to the chairman of the loan fund. In addition, a committee for entertainment at Camp Pickett and the U.S.O. Center at Blackstone, Virginia, was formed under the auspices of Pan-Hellenic. One of our members was appointed chairman of this committee and many Pi Phis participated in the weekly shows. The Pi Phis took part in the inter-fraternity sports and held high places in the competition. The sorority helped foster a move to increase inter-fraternity spirit on campus. One of these was a Panhellenic carnival at which each sorority had a side show. The proceeds went to war relief. Members from the various sororities took charge of the Red Cross sewing room as a service during the war years.

V. ENTERTAINMENT: 1944-1945: The social season began with the rush parties on September 16, and seven parties were given. The girls who were bid came down to the house September 22 and the actives entertained them. After pledging on October 8, there was a cooky-shine at the house. Several Sunday morning breakfasts were given throughout the year. Just before Christmas vacation there were two Christmas parties, one for a group of boys from the local orphanage, and the other for the actives given by the pledges at which presents were given to the house. Our pledges gave a picnic with the Tri Delt pledges. On Friday before initiation in February, the pledges gave the actives a party and entertained them with a skit. There was a cooky-shine on Sunday after initiation, and the annual Founders' Day banquet was held at the local country club. 1945-1946: This year started with a successful series of rush teas along the Mexican theme. A cooky-shine followed pledging. We entertained for Gamma Province president, Mrs. R. C. Wakefield, in December, and gave two Christmas parties bringing gifts for the house. Other social events were as follows: an initiation night cooky-shine, an open house and dance for our brother fraternities of Washington and Lee, the University of Virginia, and Hampton Sydney, a May day open house, Founders' Day banquet, graduation open house, and a faculty coffee. We had suppers, Pi Phi nights, and dessert parties frequently during the year as well as Sunday breakfasts on the major weekends.

VI. CHAPTER HOUSE: The house is owned by the chapter and is valued at \$5,000. It is a bungalow on campus in the Fraternity "Pines." The house is made up of a living room, dining room, sun parlor, kitchen, and chapter room. The kitchen was completely redecorated in April, 1946. New rugs and seat covers were added to each room, as well as a varnish job on the floors. Plans have been formulated for

building a powder room and closet. A library is being gradually built up, and new kitchen equipment and linens are added each year.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae who live in Lynchburg and on campus are invited to the various functions given by the chapter. The Alumnae Advisory Committee meets with the Executive Council to help with any fraternity problems that arise. There has been one affiliated transfer on campus in the last three years, and no unaffiliated transfers.

Onken Award, 2.

III. SCHOLARSHIP: Rank among social competing fraternities: First semester 1944-45, seventh; second semester, third; first semester 1945-46, first. The local Panhellenic scholarship requirement for initiation is 1.0. Our requirement for initiation is the same. A pledge who has failed to meet her initiation average is required to pledge three hours of study daily. There is a chart posted in the house where a record of the amount of work completed is kept. Such a pledge must also report to her big sister each week and notify her of any grades she might have received during the week. Actives who have fallen below 1.0 are likewise required to hand in written study schedules to the Scholarship Committee, must sign up daily on the study chart, and also must make weekly reports of their progress to the Scholarship Chairman. The chapter gives to the initiate with the highest average, a recognition pin; to the active with the highest grades, the scholarship ring; and to the active making the most improvement, a suitable gift.

IV. CHAPTER WORK: In the regular pledge meetings, the history of the Fraternity is studied, actives give short talks on various phases of college life, such as: activities, scholarship, and Panhellenic relations. Also, brief quizzes are given at the beginning of the meeting on some phase of the fraternity with which they should be familiar. The actives seek to hold ever before the eyes of the freshmen the ideals and aims of the group. Pledges are urged to spend as much time as possible in the house; studying, or just getting better

acquainted with the actives. Each Saturday night, two pledges spend the night in the house. Near the end of each year, the chapter rents a cottage at Virginia Beach where we spend a very delightful week-end, with both actives and pledges present. Candy and cigarettes were sold in the house and the profits were added to the Settlement School contribution. A more extensive program to aid the Settlement School is planned for next year. During the last two years, the chapter has contributed \$6.00 for the Loan Fund, \$6.00 for Holt House, and \$158.91 in subscriptions for the Magazine Agency. It has been the custom for Virginia Γ to publish an Arrowette each year giving chapter highlights and personalities; however, the war necessitated abandoning this project temporarily because printers were unable to spare both plates and paper for its publication. Next year we anticipate resuming the Arrowette. The Executive Council includes the chapter president, the pledge supervisor, two juniors, two sophomores, and one freshman. An activities chart is kept which contains the name of each active followed by a list of her activities. It was the aim of the chapter in posting this chart to encourage stragglers to make a better showing. The chapter requires that every member participate actively in a minimum of two extra-curricular activities.

V. ENTERTAINMENT: The first main social events of the year are the two final parties for the rushees. Stressing novelty at these parties, we provide entertainment in the form of a Nursery Rhyme Party for the first; and for the second, a French sidewalk café. For the Nursery Rhyme Party, the rooms are furnished with tiny tables and chairs loaned to the chapter by one of the local churches from its Primary Department. The Mother Goose motif is carried out by means of wall decorations, toys, and actives dressed to represent various characters; such as: Jack and Jill, Jack-Be-Nimble, Little Boy Blue, etc. Skits are given as part of the entertainment. For the second party, the French sidewalk café theme is carried out in decorations which include tables with checkered cloths and awnings covering the ceiling. The actives provide a varied program of dancing, singing, and a short skit. Wine carnations are presented to each rushee in an impressive manner while the chapter sings "Carnations," an original song by one of our alumnae. Shortly after pledging each year, a tea is held to introduce the pledges to the faculty, and other students on campus. After initiation, a formal banquet is held at the Williamsburg Lodge. Several cooky-shines are held throughout the year. An average of three times a year, open houses are held with faculty, members from other fraternities, and alumnae attending. This is done to promote friendship and interest among all the social groups. At Christmas time a party is given in the house for the alumnae, patrons, actives and pledges. Two formal dances are held each year; one in the late fall, and the other in spring.

VI. CHAPTER HOUSE: The house is owned by the college and is rented to the chapter. Our house is located in sorority court, which is off the main road, where five houses are grouped together around a small circle. Each year the seniors and pledges give the house a present. We have received in the last two years slip covers, a day couch, a floor lamp, and two chairs. Other additions to the house have been venetian blinds, a hall mirror, two lamps, a desk, and a bookcase. Last summer the college repapered our chapter room.

VII. MAINTENANCE OF ALUMNAE INTEREST: There is no official alumnae club in Williamsburg, and for the past few years the chapter has been handicapped by the constant shift of the few resident alumnae we have; however, what resident alumnae there are have been very active and loyal to the chapter in their support. They attend chapter meetings, and meet frequently with the Executive Council. Through our annual Christmas party, teas, and receptions, we are able to keep in close touch with them. The need for the support of a strong alumnae club has been felt, and this spring the initial step was taken. A luncheon was held at the Williamsburg Lodge with members of the Richmond Alumnae Club which proved to be an enjoyable treat. We hope the ties between Virginia Γ and the Richmond club will continue to mount in the future. Next year with the revival of Homecoming, the chapter is planning an alumnae reunion. A committee has already been appointed to contact each alumna individually, and we anticipate a fine week-end. There have been no transfers on the campus within the last two years; however, it has been the custom in the past for Virginia Γ to affiliate almost all transfers.

III. SCHOLARSHIP: An elected scholarship chairman averages the grades of the actives and pledges. Any active who does not maintain an average of C loses her vote in chapter meetings for one term. If she fails to meet this average for two consecutive terms she has a required study hall of ten hours a week. The same system applies to pledges and they in addition must have a C average with no grade of less than D for initiation. A scholarship ring is given to the active with the highest scholastic record and the pledge with the highest record is recognized at the annual banquet. North Carolina A ranked first on campus in scholarship for the year 1944-1945.

IV. CHAPTER WORK: Each pledge is assigned an active as "big sister" to help her in the fraternity and on the campus. The pledges have their own officers and regular weekly meetings. They are required to have two outside activities every week and are encouraged to do as much as they can in the activities which especially interest them. Each pledge has a private conference with the Executive Council soon after pledging. The pledges are required to spend two hours a week at the house and are encouraged to come over as often as possible. The Executive Council is composed of the President, vice-president (who is also the house manager), treasurer, pledge supervisor, a representative from the Town Girls, and two girls representing the girls in the dormitories. The Council discusses all matters of fraternity importance, meeting weekly. Each active is asked to contribute to the Settlement School and the chapter as a whole contributes to it, to Holt House, to the Endowment Fund and to worthwhile causes on campus.

V. ENTERTAINMENT: Rush parties included a Perfume Party, a Can-Can Party, a picnic, teas and suppers; Pledge Dance was a Hocus-Focus Ball; a Christmas party; a tea for the pledges of all the sororities; a tea for alumnae and patronesses; a faculty tea; Senior Farewell supper party; cooky-shine; Pi Phi weekend included a formal dance, a picnic and a barn dance; Sunday night buffet supper for the whole chapter and guests; Friday night open house.

VI. CHAPTER HOUSE: The chapter house is rented furnished. It accommodates sixteen girls and the house mother. A new sink and hot water heater have just been bought and new linoleum has been put in the kitchen and bathroom. Last year we bought an Oriental rug for the living room and new drapes. We are now working on plans for building a chapter house in the proposed sorority court.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae advisory board meets with the Executive Council once a month. All alumnae are asked to attend meetings whenever they can. They are also invited to all functions given by the chapter. A tea for the alumnae and patronesses is given each year and they usually have a coffee or tea for the actives. The alumnae have shown great interest in all the chapter activities and have helped the chapter tremendously. We have had 15 affiliated transfers in the last 3 years and no un-affiliated transfers.

III. SCHOLARSHIP: A scholarship chairman was appointed to average the grades of both actives and pledges which are reported at each meeting. A Study Hall plan was installed whereby all actives not making at least a "C" average must spend 12 hours in the library per week; all those not making 2 "B's" and 3 "C's" must spend 10 hours in the library per week. Fines were imposed on those girls failing to register the required number of hours. A plan was passed for next year whereby all actives and pledges not maintaining a "C" average are placed on "social probation" which allows one date a week and one day down town. A diamond recognition pin was awarded the pledge making the highest average. A file of examination papers and term papers is kept for the chapter's use. Rank of chapter for 1945-1946 was sixth; for 1944-1945 (second semester) was ninth.

IV. CHAPTER WORK: Careful supervision of the pledges is directed by the pledge supervisor who meets with them once a week and relays the important details of the actives' meetings. They have their own offices and carry out their business with the supervisor acting in an advisory capacity. An activities chairman was elected to confer with them about their respective membership in campus organizations. On occasions they were invited to participate in social functions following the formal meetings. In order to cement better relations between other sororities they entertained the pledge officers representing the thirteen sororities on campus. Contributions from the treasury were given to the Settlement School Fund, and to the Loan Fund. Every Thursday afternoon following dinner hours, the chapter met in the Panhellenic house for bridge, get-togethers, and entertainment. Christmas donations of food and money were given as Christmas presents to the poor children of Durham. Internal organization of the chapter is supervised by the members of the executive committee and the various committee chairmen.

V. ENTERTAINMENT: Social life within the chapter reached an all-time high this year what with 15 pin-up serenades evoking as many post-serenade parties. This chapter initiated something new in entertainment. Following a double serenade, the chapter gave a formal open-house which directly preceded the Triad Dance. Many other sorority girls and fraternity men were invited. The pledge dance was patterned after a Valentine theme and was praised by the Dean of Residence and chaperones. In April, the chapter scheduled a cabin party which included original and novel skits written by two of the members. For prizes to the men there, an Arrow shirt and a turtle with the Greek letters Pi Beta Phi written on it back were given. This year, N.C. Beta entertained N.C. Alpha at the annual Founders' Day banquet held at the hotel. The final Senior Banquet was held at the country club complete with all the makings of an elaborate and lovely affair. Teas were given for faculty members.

VI. CHAPTER HOUSE: There are no chapter houses on campus. Each sorority is provided with a room including the use of a kitchen in the Panhellenic House. The house is open for dating six nights a week with chaperone. The room was partially redecorated this year, but further improvements will ensue as soon as our funds have increased.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae are invited to attend meetings and all social functions. Their unselfish assistance to rushing kept actives busy rushing while the alumnae served refreshments. There has been one affiliated transfer this year.

III. SCHOLARSHIP: Study Hall is held for pledges who are under the initiation average (C+) from 6:00 to 8:00 on Monday through Friday nights with alternating actives supervising. Actives who fall below the chapter scholarship average of C+ lose their voting privileges for six weeks. The pledge making the highest grades receives a recognition pin at initiation. Two attractive posters with each girl's semester average are placed in the chapter room to increase an interest in raising individual scholarship averages. Pledges who are having difficulties with certain subjects are tutored by actives who are proficient in these subjects. There is a scholarship chairman for the actives and one for the pledges. They work together keeping records of the weekly number of study hours for each active and pledge and also the grade averages. November, 1945, Pi Phi ranked fifth among the social fraternities on the campus. The rank for 1946 is not available at this time.

IV. CHAPTER WORK: Chapter meetings are held every Monday night at 6:30, executive council meetings at 6:00 preceding meeting, and executive council meets with a member of the alumnae advisory board every month on the first Monday at 6:00. Pledge meetings are held every Tuesday afternoon at 5:00. Actives are asked to speak to the pledges on various subjects which the pledges are studying. On Sunday nights in 1944, members volunteered to go to the U.S.O. and take part in the programs for the entertainment of servicemen. This has been discontinued at present. Members have now volunteered their spare time to be "baby sitters" for the wives of the veterans attending the University. In March '45, a Pi Phi-Tri Delta football game was held to raise money for the McKissick Memorial Fund. Two *Life* photographers came down from N.Y.C. to take pictures not only of the game but of activities preceding and following the game. The pictures were not used but Pi Phi won the game and received a great deal of publicity. The handicrafts from the Settlement School were sold in December '45 and annual contributions were made to the Loan Fund and Holt House. The pledges sold magazines for the Magazine Agency and ranked second in Gamma Province in sales. Contributions were also made to the campus radio station which began in the spring semester '46, and to the Blue Key Campus Information Booklet. The executive council consists of the President, vice-president, treasurer, pledge supervisor, scholarship chairman, and a member-at-large (the officers representing the senior, junior, and sophomore classes).

V. ENTERTAINMENT: After pledging our pledges join with pledges of other women's fraternities in giving pledge teas at their respective rooms. In February '45 a dance was held for the new initiates and pledges. In the spring of this year a picnic was given with the Sigma Chi. Drop-in's are held every Sunday night for friends of members and each new pledge class entertains the actives with various kinds of parties through-out the year. In 1945, the Founders' Day banquet was held at the Woman's Club with Mrs. Isabel Huebeck as an honor guest. In 1946, the banquet was held at the Columbia Hotel preceding the Pi Phi spring formal, the Star Dust Ball, which was very successful. In the fall of '45, after the home-coming football game and the First and Third Army Air Corps football game, there was a drop-in for alumnae, faculty, students and visitors.

VI. CHAPTER HOUSE: On July 1, 1945, the sororities moved back into the main women's dormitory after being housed in a campus building. In this campus building we rented three small rooms but are better satisfied with the one large room that we occupy at present. After moving, we had re-upholstery work done and bought new draperies.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to all formal and informal teas, to Founders' Day

celebrations, to initiation ceremonies, banquets, and dances. There have been no unaffiliated transfers on our campus in the last three years.

I. MEMBERSHIP: 1944-45; Initiates, 19; active members, 23; 1945-46: Initiates, 38; active members, 48. Resident active members, 2; resident alumnae, 25; total membership up to May 1, 1946, 605.

II. HONORS: 6 members of E Δ A (national scholastic fraternity); 7 college scholarships; 1 music scholarship; 1 Women Commissioners scholarship; 2 all A students; year-book, 3 editors, assistant editor, copy editor, art editor, 3 business staff members, 5 reporters; paper staff make-up editor, copy editor, 21 reporters; Y.W.C.A., 2 cabinet members, 58 members; Federation president, 2 secretaries, 8 members; treasurer, secretary of the senior class, president, vice-president, 2 treasurers of the junior class; vice-president of the sophomore class; president, treasurer of the freshman class; East Hall (freshman dormitory) president, treasurer, assistant housemother; Mauck Hall (upperclassman dormitory) secretary; president, secretary of Panhellenic Council; 2 board members, 38 members, 12 award winners, 2 tournament winners in the Women's Athletic Association; 3 members of the home economics club; 10 members in the art club; 1 member of the International Relations Club; 11 members of the dramatic club; president, secretary, 4 members of the Biology Club; 12 members of the girl's chorus; 1 member of the trio, quartet, and orchestra; 2 members of the Riding Club; 4 members of the Spanish Club; Σ A I (national music sorority) president, corresponding secretary, social chairman, 2 choir masters, 3 members; 3 oratorical contest winners; modern dancing instructor; 2 in *Who's Who Among Students in American Colleges and Universities* (1 for two years in a row); 1 May Queen, 2 May Queen attendants; Miss Hubba Hubba Girl; 3 cheerleaders.

III. SCHOLARSHIP: All actives are required to keep a weekly record of the total number of hours spent in actual study and to present this record to the scholarship chairman each Monday before meeting. All pledges and actives who have received any deficiencies (D's or F's) must attend study table for an hour each night. A fine of twenty-five cents for each absence must be paid. A rotating scholarship ring is awarded to the girl who maintains the highest average for the fall and spring semesters, and a jeweled recognition pin is awarded to the freshman who returns to college the following year with the highest average. The chapter was divided into two teams, the Wine and the Blue, to compete scholastically against each other. The team that had the highest average was entertained at a party given by the other team. Quiet hours are maintained throughout the day and evening under the supervision of the executive council. A C average is demanded for initiation and any active having a D or F cannot vote or have any voice in chapter meetings. Pledges are required to spend an hour each day in the library in addition to the regular study table. The alumna scholarship advisor gave prizes to the three girls who had the greatest improvement in their grades for the first twelve weeks, and one of the actives presented five dollars to the pledge who received the highest marks for initiation. For more than three semesters we have ranked third, or lowest, among the socially competing fraternities on campus.

IV. CHAPTER WORK: At their first meeting, the pledges organize and elect officers corresponding to those of the actives under the supervision of the pledge mistress. In addition to regular pledge lessons, the pledges are required to present reports to their fellow members on subjects of fraternity interest, such as the Settlement School. If possible, a Pi Phi Night is held each month for all pledges with the actives as hostesses. This meeting is a regular party with refreshments, singing of fraternity and college songs, and entertainment by various talented members of the group. Each sponsor must have at least one "coke date" each week with her "Beta", which serves better to acquaint them with each other. Each week the pledges are required to sing the songs learned at sing practice to their respective sponsors. Each Sunday afternoon there is a sing practice for the actives and once a week the pledges have a half hour sing practice. About a month before initiation, each sponsor writes a personal letter to her "Beta" containing helpful advice and appreciative thoughts. A week before initiation actives and pledges vote on a "model pledge" who receives a crested bracelet at the initiation banquet. The award is based upon scholarship, activities, personality, and general attitude toward fraternity life. Pledge-active meetings are held at frequent intervals to discuss fraternity affairs and to establish a closer relationship between the pledges and actives. Executive council is composed of a member from each class, the pledge supervisor, the scholarship chairman, and the president. There are two officers, the president and the secretary

who is the freshman representative. The chapter contributed ten dollars to each of the following funds: Settlement School, Loan Fund, and Holt House. Twenty-five dollars was contributed to the American Merchant Marine to buy books for the library of the "Hillsdale Victory," a victory ship. For several years many members have entertained wounded soldiers at Percy Jones General Hospital, and at Christmas time wrapped and sent gifts to them. "The Chain" is the chapter's bi-annual publication dedicated to the seniors and edited by the sophomores. It contains various chapter news, gossip, and a poem about each member.

V. ENTERTAINMENT: 1944-45. Rushing parties included an informal coke date, a French cafe, and a formal dinner. The new pledges gave an informal party in the form of a hayride for all freshman women and new students. Every other week a member of the faculty was entertained at dinner. A tea, honoring our new housemother, Mrs. Webb, was given for the entire student body. For Mother's Day and Father's Day banquets were served on those Saturday evenings, followed by a program. Each group took possession of the house those nights and were served breakfast by their daughters the next morning. The traditional Christmas and Spring Formals were revived this year, 1945-46. Rushing was very much the same as last year, except a circus party was added. Mrs. Moore, our province president, was guest of honor at a tea for the chapter and alumnae at the time of her official visit. Founders' Day was celebrated with an afternoon program which included a candle-lighting ceremony, reading of chapter honors, a history of the founding of our Fraternity, and a serenade. This year the Spring Formal was held at the Hillsdale Country Club.

VI. CHAPTER HOUSE: The house, valued at \$27,500, is owned by the college and operated as a dormitory. Last summer the smoker was repainted, and new blond furniture and slipcovers were added, along with various smaller items. A huge mirror presented to the chapter by the Mother's Club hangs over the fireplace in the living room. The garden and lawn have been greatly improved by a number of ambitious gardener members. New wallpaper and paint are added to at least one part of the house each summer to keep it in a pleasant living condition.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae advisory committee meets with the executive council once a month, and once every month an alumna attends our regular active meeting and often offers helpful advice. Our alumnae are invited to all of our social affairs, teas, luncheons, and dinners. On Commencement Day luncheon is served at the house for the chapter and returning alumnae. Perhaps once each year, the alumnae club gives a party for the chapter. There are no unaffiliated members on our campus at the present time.

I. MEMBERSHIP: 1944-45: Initiates, 18; active members, 60. 1945-46: Initiates, 20; active members, 58. Resident active members (at present), 5; resident alumnae, 65; total membership up to May 1, 1946, 695.

II. HONORS: 1 Φ B K; 1 Φ K Φ; 6 A A Δ; 13 honor students (B-plus or better average); 1 editor and 2 staff members *Gargoyle* (magazine); 2 editors of *Michigan Daily*; 2 members of Mortar Board; 5 members of Scroll (senior honorary); 2 members of Wyvern (junior honorary); 1 education honorary; 1 Hopwood Essay Award; 1 president of Judiciary Council; 1 vice-president of Panhellenic; 3 members of Michigan League Council; 2 treasurers and 1 intramural manager of W.A.A.; 2 presidents of Riding Club; 6 members of Choral Union; 1 chairman and 3 captains of Sophomore Project; 3 junior aides to League Council; 4 members of Junior Girls' Play; 4 members of Sophomore Cabaret; 1 member of Junior Project.

III. SCHOLARSHIP: We have tried to improve active scholarship through individual effort and the work of the scholarship chairman and her committee. Any active who has below a C average for the preceding semester is required to attend study hall on week days. A member on scholastic probation is required to be in the house at 8:00 P.M. and to attend study hall. Satisfactory grades must be turned in to the scholarship chairman before being released from probation. In any definite problem the girl is asked to plan her program with the chairman and the alumnae advisor. A party is given each year for the class with the best grades. An award is given to the pledge having the best grades. A study hall is maintained each afternoon and evening. The requirement for initiation is 15 hours and 30 honor points. Actives are required to keep a C average. The chapter's rank among socially competing fraternities for women for 1944-45 was second; for 1945-46 it is unavailable.

IV. CHAPTER WORK: Pledges are instructed by the activities chairman in petitioning for the positions in which they are interested. The scholarship chairman explains the honor point system and plans study schedules. Pledges

practice parliamentary procedure in handling their own meetings. The Executive Council is composed of the president, two seniors, two juniors, and two sophomores. Contributions to the Settlement School are made through the Magazine Agency; \$20 will be given this year to Holt House; \$25 was given to the physiotherapy project. We sell tags for each of the campus drives. House contributions to Galens, the Fresh Air Camp, and the Red Cross through the treasurer and individually through the Panhellenic representative. At Christmas time each year we each send a small gift to children at the University Hospital; a Christmas tree is also sent. Gift boxes are sent to convalescent soldiers at Percy Jones Hospital.

V. ENTERTAINMENT: Rushing parties during the month of March include both informal and formal entertainment such as a gay nineties party, an informal sing, or a southern ballad party. During 1944 open house for service units on campus was held each semester. A faculty dinner was given in the spring. In 1945-46 we gave an open house after each football game. The Christmas formal dance was held in the chapter house, while the spring pledge dance was given at Barton Hills Country Club. At the suggestion of faculty members informal dinners to which one or two members of the faculty were invited were substituted for the single formal dinner. We gave a buffet supper for the Alumnae Association followed by a skit program. Tea and an afternoon program were given for a group of foreign students through the sponsorship of the Michigan League. We plan an annual spring picnic with several women's fraternities at which food is furnished by the house losing the game in the campus baseball tournament. Each May there is an Interfraternity Sing at which each group contests for a cup.

VI. CHAPTER HOUSE: Our chapter house is owned by the Michigan Beta Association and is valued at \$50,000. In the summer of 1944 the dining room, living room, music room, and sunroom were redecorated. In the summer of 1945 thirteen bedrooms were redecorated.

VII. MAINTENANCE OF ALUMNAE INTEREST: One member of the Alumnae Advisory Board attends active chapter meetings once a month, and the Alumnae Advisory Board meets with the active Executive Council each month. The chapter house is open to alumnae at all times. During the winter of 1944-45 the Michigan Beta Association gave a tea for the active chapter at the chapter house on Wednesday afternoons. The buffet dinner given by the active chapter for the alumnae was to celebrate Founders' Day. There have been approximately 28 unaffiliated transfers on our campus during the last three years. None has been affiliated in that time. There is a "Welcome" dinner given for transfers at the beginning of the fall semester. All transfer Pi Beta Phi are cordially invited to attend social functions given by the active chapter and to take their meals at the chapter house.

MICHIGAN GAMMA

I. MEMBERSHIP: Initiates and actives of 1945-1946—62 (one marriage and one graduation). Final total resident active members—60. Resident alumnae, none. We have a Lansing and East Lansing Alumnae Club with a membership of 25.

II. HONORS: $\Phi B K$ (no chapter on campus); $\Sigma \Xi$ (no chapter on campus); $\Phi K \Phi$, 4; Honor students and graduates, 3; Junior class treasurer; Members on annual, 2; Magazine, 3; Paper staff, 4; Membership in Y.W.C.A., 4; Mortar Board members, 2; $T E$, 2; $K \Delta I I$, 1; $O N$, 4; $I \Gamma M$, 1; Student Council member 1; Union Board member, 1; Panhellenic representative to the Association of Women Students; Secretary-Treasurer of the College Orchestra; Treasurer of the Town Girls Organization; President of the Foods and Nutrition Club; President of French Club; President and Vice-President of Dormitory; Sports Manager of Women's Athletic Association; Sophomore Home Economics Board, 4; Kellogg Scholarship awarded to one Vocational Home Economics student per term; Dansforth Scholarship to the outstanding junior in Home Economics; Louise Campbell Scholarship to the rural student who has done outstanding work in Home Economics; Zonta Award to the girl who is the most outstanding of self-supporting girls in Home Economics for three years; Positions on Athletic teams—Volley ball team, 4; softball class team, 2; Soccer class team, 1; Members in glee clubs, none; Studio Theater play casts, 2; Delegates to national conventions, none; Officers in national organizations—Area chairman for Y.W.C.A.; President of Mortar Board; Vice-president and Treasurer of $O N$; Debaters, none; *Who's Who*, none; Chairman of college dance committee, 4. Veterinarian Queen; Honorary Lt. Col. of the Advanced R.O.T.C. Field Artillery.

III. SCHOLARSHIP: The chapter's methods for improving scholarship have been to put the girls who are below the initiation requirement average of a 1.2 on pledge rules, which is to study in the library all free hours from 8 A.M. to 4 P.M., and no dates after 8 P.M. on Monday

through Thursday except for college functions. We also give a scholarship bracelet to the girl in the pledge class who is initiated with the highest scholarship average. The alumnae club this year presented awards to the girls who made the greatest improvement in their grades over the year, and also to the two girls having the highest scholarship average in the active chapter. The pledge average to be initiated is a 1.2 for the preceding term. In order that an active may keep her voice and vote in chapter meeting she must maintain that 1.2 average.

For the year 1944-1945 Pi Beta Phi on this campus had the highest scholarship average among the sororities, and was awarded the scholarship cup. The chapter placed third Fall term of 1945 in scholarship.

IV. CHAPTER WORK: Each pledge has always had an active mother who takes her on a coke date once a week. We have very successful joint active-pledge meetings. Personnel of Executive Council consists of the president, treasurer, pledge trainer, and a representative from the sophomore, junior, and senior class. Work done for the Settlement School has been two sales of the goods made at the school and also a food sale among the girls in the house to raise money for our contribution to the Settlement School. As we are such a new chapter, no special projects were carried on to raise money for the Loan Fund or for Holt House, but the money was given from the treasury. We have had one big drive for the Magazine Agency. The local charities carried on on campus have been contributed to by the individual girls. The internal development of this chapter deserves special mention. Every girl has felt her responsibilities, and therefore has contributed greatly to the development through her sincere cooperation.

V. ENTERTAINMENT: At the time of our installation in February 1945 we had a faculty tea in the chapter house. Since then we have entertained different faculty members for dinner. We have had exchange dinners with sororities and fraternities. Since our establishment, Mother's Day Weekend at the house had become a tradition. In the Fall of 1945 the chapter entertained the Fathers for a Saturday football game and a dinner at the house. The annual Christmas party is given with the alumnae of Lansing and East Lansing, at which time after dinner coffee is served before the program in the evening. The one big formal party consisting of dinner and dancing was given jointly with $K A \Theta$ and $A \Phi$ fraternities.

VI. CHAPTER HOUSE: The chapter house for the past two years has been rented from the ΔX fraternity, but next fall we are to move into a house which has been purchased through a financed plan by the Building Corporation of the East Lansing and Lansing Alumnae Club. The purchased house with the repairs will be valued at approximately \$22,000. The furnishings in the present location were rented with the house, so all that has been added has been in the line of gifts. The new house is to be remodeled and to be completely furnished except for the bedroom furnishings which were purchased with the house.

VII. MAINTENANCE OF ALUMNAE INTEREST: Michigan Γ was colonized by the Lansing-East Lansing Alumnae Club and the interest in the new chapter becomes keener each year. There is nothing to be desired in the relationship of the active chapter and its alumnae sponsors. The appointment of alumnae mothers for the active members has given to the girls something of the true Pi Beta Phi spirit that is obtainable only through this kind of association.

The chapter has had four unaffiliated transfers on the campus in the past two years. They were invited to all the chapter parties and included in the group when ever possible. Three transfers have affiliated with the active chapter.

I. MEMBERSHIP: 1944-45; Initiates, 19; active members, 52; 1945-46 Initiates, 16; active members, 53; resident active members, 5; resident alumnae, 30; total membership up to May 1, 1946, 873.

II. HONORS: $2 \Phi B K$; 2 honor graduates; 7 $A \Delta \Delta$; 2 Mortar Board; 1 $I I A \Phi$; 3 class officers; 1 Association of Women Students' President; 4 A.W.S. Council members; 12 A.W.S. committees; 1 Student Council President; 1 Student Council Secretary; 2 Board of Standards; 3 University Theater staff; 1 lead in play; 3 *Arbutus* (yearbook) staff; 4 Women's Athletic Association Board; 1 W.A.A. vice-president; 10 W.A.A. members; 3 *Indiana Daily Student* staff; 4 $\Delta T M$ (art honorary); 2 *Who's Who*; 7 Pleiades (social honorary); 6 Tophets (social honorary); 5 Y.W.C.A. council; 45 Y.W. members; 2 $O \Delta$ (business honorary); 4 *Folio* staff; 2 Collegiate Chamber of Commerce; 10 coed-counseling; 1 delegate to an A.W.S. national convention; 8 beauty contests.

III. SCHOLARSHIP: The scholarship of the chapter is under the supervision of the scholarship chairman and a committee. Our study table room has been repainted and we have im-

proved our lighting fixtures. Active members supervise study table five nights a week and study hours for freshmen are supervised during the day. Our awards for scholarship are initiation by grades; a freshman cup; an arrow for the girl having the highest grades; a scholarship ring, and a guard for improvement in scholarship. A chart is kept of all members and pledges—the girls post their expected average and their actual average. We placed sixth in scholarship in 1945-46.

IV. CHAPTER WORK: Weekly pledge meetings are conducted every Tuesday after dinner. The pledge president leads the ritual and after the business is concluded a pledge reads some inspirational message. The governing body of the house is Executive Council, composed of the president, vice-president, treasurer, pledge sponsor, and one representative from each class. Council meets on Sunday nights to discuss and plan for fraternity on Monday. Council also meets with the Alumnae Advisory Board the first Monday of each month, and the president meets with the house mother weekly. Our activity and scholarship chairmen keep close check on member's records. The pledge sponsor, her assistant and each pledge's individual sponsor watch pledges grades and well being.

V. ENTERTAINMENT: Our social life has heretofore begun with rush week in the fall, but this next year will be different since the University is beginning the deferred rush plan. First semester brings homecoming with an open house for alumnae; a fall dance, exchange dinners, freshman party for other sorority pledges; Thanksgiving dinner with the former Dean of Women; Christmas party for the chapter and for poor children. The second semester brings the initiation banquet, cooky-shine for new pledges; our winter and spring formals; the Founders' Day celebration and the Senior Farewell banquet.

VI. CHAPTER HOUSE: Our beautiful colonial house is owned by the Pi Beta Phi House Association and is valued at \$85,000. This June we are having the house repainted on the inside and out; the hall is being redecorated; the halls recarpeted and new dining room furniture is being purchased.

VII. MAINTENANCE OF ALUMNAE INTEREST: Our alumnae are invited to all chapter functions including pledging, initiation, and Founders' Day. They assist us in rushing and their Advisory Board meets in the chapter house. There have been six unaffiliated transfers on campus in the last two years. We have not affiliated any, but three of the girls live in the house. Transfers may board in the house and are welcome there at all times.

III. SCHOLARSHIP: Study table is held from 1 to 3 Monday through Friday. Each pledge is required to have 10 study hours signed by an active each week. If a B average is obtained the first semester, those making such, are excused from study table as long as they keep this average. The chapter is divided into two teams each consisting of girls who have about the same grade averages. The team with the highest grades is feted by the losers at a dinner at the end of the semester. The scholarship ring is awarded the girl

with the highest grade average. A diamond recognition pin is awarded to the pledge with the highest grades and best personality. The chapter requires at least a C average for both active and pledges. In 1944-45 Indiana Γ ranked 5th among socially competing fraternities for women. In 1945-46 the chapter ranked 6th.

IV. CHAPTER WORK: Weekly pledge meetings are held under the supervision of the pledge sponsor. The pledges elect their own officers and follow the usual parliamentary procedure in their meetings. Preceding pledge meeting and before active meeting pledges and actives meet together in pledge active meeting. The work of the pledges is apportioned throughout the semester, in preparation for the pre-initiation examination. Each pledge must plan one spread during the year of her pledgship. A diamond recognition pin is awarded the pledge who best fits the qualifications of an all around good pledge. Executive council consists of president, pledge supervisor, treasurer, representatives from the senior, junior, sophomore classes and a member at large. The chapter contributed five dollars each to the Settlement School, Loan Fund and Holt House. In the World Student Service Drive we solicited over \$100.00. We also contributed to the Easter Seals Drive and the relief drive for Clothing for Greece.

V. ENTERTAINMENT: Following the fall formal rush week the first of the yearly social events is an open house in honor of the new pledges. In addition we have a traditional barn dance, open house and tea for alumnae during homecoming week-end, Mother's Club Christmas party, Senior Christmas party and a Christmas formal dance. Other outstanding events are the Senior farewell dinner, pledge dance, May breakfast for rushees and June dinner dance. Each year the fathers are honored at a Dad's day dinner. The chapter entertains underprivileged children at an easter egg roll and "spread." Besides exchange dinners with all the fraternities Pi Phi started the idea of trade dinners with the sororities on the campus. The Mothers club entertains with a tea in honor of the housemothers on campus.

VI. CHAPTER HOUSE: The house is owned by the Indiana Γ Alumnae Association. It is valued at \$40,000.00. Improvements have been in recovering part of the furniture and the cementing of a new side walk.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae are invited to rush parties, pledging, initiation, dances and other activities. The alumnae advisory Board meets with the Executive Council once a month. There is a tea for alumnae in the fall and they entertain later with a buffet dinner for the chapter. The alumnae also aid us in rush by sponsoring a formal rush tea and individual rush parties. Transfers are invited to all Pi Phi functions. There has been one unaffiliated transfer on the campus in the last three years.

Cotillion; 1 Σ Δ X queen; 1 May queen attendant; 2 *Debris* "Campus Beauties"; chapter placed third in inter-sorority sing; 1 member of Junior Prom committee.

III. SCHOLARSHIP: The initiation average has been placed at 3.8, allowing three hours of P with the rest of the grade average at B or better. Members have no chapter vote for six weeks if their average falls below their initiation requirement, and are required to attend study table two nights a week—two hours a night for eight weeks. At homecoming the girl making the greatest improvement the past semester is honored. During the war indices of the eight national sororities were not published, therefore our chapter rank is not known. Indiana Δ tied with Indiana B for the scholarship cup for Delta Province.

IV. CHAPTER WORK: Pledges meet each Monday night while active meeting is being held. They are well organized and have their own officers while a pledge sponsor maintains the connection between the actives and the pledges. The order of the meetings is followed as outlined in the pledge manual. Activities are encouraged and at the end of the freshman year a jeweled recognition arrow is given to the girl who has proved herself most deserving. Executive Council meets once a week in the interim of the regular meetings. It is elected by popular vote and is composed of the chapter president, vice-president, one senior, one junior, one sophomore representative, and one member-at-large. Subscriptions totaling \$80.25 were sold through the Magazine Agency during the year 1945-46. Red Cross contributions totaled \$60.00 for the years 1944-46, March of Dimes contribution exceeded \$35.00 for the year 1945-46. The chapter made contributions from the treasury of \$15 to Settlement School, \$10 to Holt House, \$10 to the Physical Therapy Fund, and \$10 to the Loan Fund for the years 1944-46.

V. ENTERTAINMENT: Our social calendar always begins with two days of informal teas, three informal parties, and a formal dessert party which compose Rush Week. In the fall and spring we have a formal dance in the house, at which time we announce our pledges. These dances also serve as rush dances for girls that we invite who are planning on attending Purdue. During the year we invite favorite faculty members to dinner, and each spring a tea is given for all of the faculty members and some of the townspeople. Pi Phi mothers and fathers are honored on their respective days. We hold dinner in the house for mothers from out-of-town, and coffee in the living room after dinner for all the mothers, including those of town girls and pledges; we also have a dinner for the fathers on the day set aside for them in the fall by the university. Each spring we have trade dinners with the seven other sororities and have fraternity trade dances and dinners all through the year. This year we celebrated our twenty-fifth anniversary. All alumnae of the chapter were invited and approximately 120 out-of-town alumnae attended. The program consisted of a luncheon in the house and a style show in which all of the active members and pledges modeled clothes dating from 1921 to 1946. A formal banquet which was attended by 230 Indiana Deltas and Miss Onken, and a tea which was attended by approximately 600 climaxed the celebration. The end of the semester is always marked by our Senior Farewell Banquet.

VI. CHAPTER HOUSE: House is owned by Indiana Δ of Pi Beta Phi Association of Purdue University, Inc. The house was new in 1939 and is valued at approximately \$90,000. In the summer of 1944 the halls were painted and during the summer of 1945 the entire downstairs, the pillars, and white trim on the outside of the house was painted. At the Twenty-Fifth Anniversary Celebration the chapter was presented with a pair of sterling silver candelabra from the Indiana Δ alumnae and flat silver from the Lafayette Alumnae Club and Pi Phi Mother's Club.

VII. MAINTENANCE OF ALUMNAE INTEREST: In other years we have held Founders' Day dessert parties which help us keep in touch with alumnae. This year, however, our Twenty-Fifth Anniversary Celebration took the place of this function and probably was more successful in stimulating alumnae interest than anything ever held by the chapter. The required meeting of the alumnae advisory board with the Executive Council is also very effective in keeping the active chapter in touch with the alumnae. During the last two years there have been two affiliated transfers and six unaffiliated transfers. The chapter has attempted to form contacts with the unaffiliated transfers by asking them to chapter meetings, to dinner, and to our rush parties.

III. SCHOLARSHIP: During the fall semester, all pledges are required to be on study table Monday through Friday from 1:30-4:30 with a supervisor. Those not making their grades, and those making D's or below are required to be on spring semester. Pledges are required to study Sunday evening if they have not been on study table the required number of hours. A crested ring is given to the pledge at initiation who has attained the highest grades. Active members who do not make a 1.7 average (B-) the fall semester are required to be on study table the spring semester—4 evenings a week for 2 hours. A pledge must make a C average before being initiated.

In 1944-45, our chapter ranked second and 1945-46 (fall semester), it ranked third among nine national fraternities. In the spring of each year, we have a scholarship banquet. Different awards are presented. A ring is given to the senior girl with the highest grades during 4 years at college, a gift is given to the girl who has the highest grades in the house, every girl who makes a B average signs her name in a book. The name of the girl who has shown the most improvement in her grades is placed on a bronze scholarship plaque.

IV. CHAPTER WORK: Pledge meetings are held once a week. They elect their own officers and set up their own rules to a certain extent. The pledges have a point system, which is reported on each week. Points are given for scholarship, activities, pledge duties, etc. The pledges entertain all freshman women on campus with a tea. Executive Council consists of President, corresponding secretary, treasurer, pledge supervisor, scholarship chairman, rush chairman and a freshman representative. They meet once a week to plan meetings and discuss internal workings of the chapter. At our annual Christmas party in which names are exchanged, besides a nice gift, a razz gift is given which is usually a toy. The gifts are sent to the Settlement School for use there. Contributions are sent in to the Loan Fund and to Holt House. Before initiation, each pledge must sell at least 2 subscriptions for the Magazine Agency, and each active member sends in as many subscriptions as possible. The chapter has contributed to the Red Cross and to the Indiana Infantile Paralysis Foundation, Tuberculosis Fund. The activity chairman keeps a chart on which activities of each member are recorded. We have a Mothers' Club which meets at least once a year and they have done a great deal for our chapter.

V. ENTERTAINMENT: (1944-45). Open House for Dad's Day and Homecoming, rush parties, cooky-shine, formal tea in honor of housemother, annual Christmas party, annual Christmas caroling at every house on campus, Formal Pledge Dance with Sigma Nus, Advisory Board as dinner guests, Faculty members entertained at dinner at various times during the year, anniversary and shower parties, Initiative banquet, Scholarship Recognition dinner, Spring rush weekends (2). Exchange dinners with other sorority and fraternity houses, Chapter Birthday dinner where all the alumnae send back to our House Fund as many pennies as they are old, Waiters' Dinner, Senior breakfast, 1945-46—rush parties, open houses for various fraternities, open house on Homecoming, Advisory Board as dinner guests, informal party for pledges, swimming party in Gym for actives and pledges, Formal tea honoring housemother, annual Christmas party, annual caroling, Winter Formal Dance with Sigma Nus, Waiters' dinner, Faculty dinners, exchange dinners with other sororities and fraternities, annual chapter Birthday dinner; Scholarship Recognition Dinner, Initiation Banquet, Senior Breakfast, Mother's Day dessert.

VI. MAINTENANCE OF ALUMNAE INTEREST. Alumnae are

invited to our chapter birthday dinner—and each year during Commencement we have an Alumnae Day on which all alumnae are entertained in the chapter house. Resident alumnae are invited to dinners, dances, and special social functions.

There have been 6 unaffiliated transfers on campus in the last 3 years. They were invited to dances, parties, and other big social functions. We have affiliated 2 transfers and we plan to affiliate another next semester. The reason the others were not affiliated was because they left campus before the time required by the University for scholarship was met.

President's Birthday Ball Queen, Savitar Queen and 2 members of court; ag queen; ag attendant; attendant to homecoming greeter; veteran's queen; 3 fraternity sweethearts.

III. We have a system of study hall for all pledges and any actives below initiation average, as well as hours to be spent in the library. No active with an average below M is allowed dating privileges except over weekends. The pin of any active whose grades are below initiation average is automatically lifted not to be returned until grades are up. We demand an average of M for initiation into the fraternity. Our chapter ranked 2nd for the year 1944-45, and 5th for the first semester of 1945-46.

IV. We have regularly scheduled and planned pledge meetings once a week at which time pledges are advised, corrected, and instilled with the love of the national fraternity. Members of the faculty and upperclassmen in the house talk to them on various topics that will be helpful to them. Quizzes over the week's assignment in the manual are given.

The executive council has 7 members, being composed of the president, house president, scholarship chairman, pledge supervisor, and representatives of the sophomore, junior, and senior classes.

We sent \$60 to Settlement School; \$10 to Holt House; and \$15 to the Loan Fund.

Our only publication has been a rush booklet which we wrote telling about the University, the fraternity, and the activities of the chapter.

V. Each year we have two formal dances. We had a tea last year to introduce the pledge class and our new house mother. This year we had an open house to introduce the pledges, and open houses after the football games. Each year we had a parent's weekend. We have had numerous dinners for rushees, and regular rushee's weekends. We have exchange dinners with both sororities and fraternities.

VI. The chapter house is owned by the Pi Beta Phi Club, which is composed of the active members, the pledges, and the alumnae. The chapter rents the house from the club. The house is valued at \$56,000; the lot, at \$17,670. We had the house completely painted outside and downstairs inside. Some of the girls "kem-toned" their rooms. We had our furniture downstairs redone, and with the new drapes, the house really looked lovely.

VII. Each year we have a Founders' Day ceremony which is attended by the alumnae in town and in Jefferson City to some extent. Many of the alums come over for such chapter functions as pledging and initiation. In the last year we have had 3 unaffiliated transfers on campus, but we cannot affiliate them because of lack of room and the quota system. They

eat all of their meals in the house however. The year before, the only transfer on campus affiliated.

II. HONORS: $\Phi B K$, 3; ΣX , 2; $A \Lambda \Delta$, 2, 1 secretary; graduates, 1; class offices, 2 secretaries; *Hatchet* (annual), 12; *Elliot* (magazine), 21, 2 assistant editors, 1 editor, 1 fashion editor, 1 gossip editor; *Student Life* (paper), 4; Campus "Y," 35, 1 cabinet member; Mortar Board, 8, 1 vice-president, 1 president; Ternion, 6, 1 secretary; Freshman Commission, 12, 2 presidents, 1 vice-president, 1 secretary, 1 treasurer; W.A.A., 50, 1 president, 1 vice-president, 1 secretary, 1 treasurer, 3 managers, 1 social chairman, 1 Senate representative; A.W.S., 10, 2 presidents, 1 treasurer; $\Phi \Sigma I$, 2; Art Students' Association, 9; Architectural Society, 3; McMillan Hall, 1 president, 1 vice-president, 1 secretary-treasurer, 2 social chairmen; Quad Club, 30, 1 secretary; Thyrus, 16, 1 secretary; Chorus, 11; Orientation, 8, 2 co-chairmen; delegates to national conventions, 4; maids to *Hatchet* queen, 2; Engineers' queen, 1; maids to Engineers' queen, 3; Homecoming queen, 1; Maids to Beaux Arts' queen, 3; Student Senate, 7, 2 secretaries, 1 parliamentarian, 1 co-chairman; $H \Sigma \Phi$, 3.

III. SCHOLARSHIP: Missouri B is using the study hour method for improving chapter scholarship now, but, during the first semester of 1945-46, study halls were required for all pledges and for actives whose scholastic average was below that of the chapter's average. This method did not prove to be too satisfactory, however, and now every active whose average is below 2.00 (B) is required to study twenty-five hours or more a week, reporting these hours in chapter meeting. All pledges are required to study twenty-five hours or more and report these hours in pledge meeting. For those who have failed to study the required number of hours, there is a make-up study hall once a week. Neither actives nor pledges are permitted to go out on week nights if their averages are below the chapter average, and all actives and pledges with averages below the chapter average are under the supervision of the scholarship committee which consists of the scholarship chairman, her assistant, three active members, and the Alumnae-Advisory Board member on scholarship. Actives whose scholastic average falls below the initiation average, 1.00 (C), must forfeit their pins to the chapter president and lose voice and vote in chapter meetings for six weeks, at the end of which time, if their grades have improved, privileges and their pins are restored. Actives and pledges with averages below 1.00 are not allowed to participate in extra-curricular activities until their grades are improved. A diamond recognition pin is awarded to the pledge with the highest grades, a scholarship ring to the active with the highest grades, and the name of the active who has shown the greatest improvement in scholarship within the preceding year is engraved on a special wall plaque. The initiation requirement for Missouri B is 1.00, for Panhellenic, .8. Pledges who do not fulfill the initiation requirement in scholarship for the first semester of their pledging must make a cumulative 1.00 for initiation, as of January, 1946. Rank with ten socially competing fraternities—1944-45, first semester, seventh; 1944-45, second semester, eighth; 1945-46, first semester, fourth.

IV. CHAPTER WORK: Every month, pledge mothers are required to make a report to the pledge supervisor on the progress and needs of her pledge daughter. At the end of the semester, a formal report is handed in which includes all of the girl's attributes and any poor traits that have not been improved. These reports go to the Advisory Board for consideration before the chapter votes on the pledges. The pledges elect their own officers and an active serves as supervisor. In addition to regular weekly meetings and pledge tests, pledges are given assignments on the following topics and required to report at pledge meetings: Settlement School, Holt House, Physical Therapy Loan, History of Pi Beta Phi, and the History of Missouri B. At a preinitiation ceremony, an active spoke on each of the Seven Gifts to Pi Beta Phi, and, immediately preceding initiation, an alumna spoke to the pledge group. The Executive Council consists of the president, the vice-president, the treasurer, the pledge supervisor, the rush captain, the scholarship chairman, and a sophomore representative who acts as secretary. This year, Missouri B contributed \$100.00 to the Settlement School plus a bonus gift of \$15.00 earned at the Thurtene Carnival booth. The chapter also helped the Alumnae in giving a Fashion Show for the benefit of the Settlement School by selling tickets, singing, and modeling. The chapter contributed \$15.00 to the Loan Fund, \$10.00 to Holt House, \$45.00 to the Physical Therapy Fund, \$15.00 to the Foster Parents Fund, \$25.00 to the American Red Cross, and subscribed as a chapter to two

magazines from the agency. The chapter also gave contributions to the T. B. Society, the Cancer drive, the Crippled Children drive, and thirty-three members signed a pledge to send a box a month for six months to needy children in Europe. Besides monthly cooky-shines after chapter meetings, the officers have planned to have a party once a month at the home of an officer and entertain as guests alternate classes. In this way, we hope to further closer relationships between all actives and pledges. Officers' business meetings are held once a month. The Mothers' Club has been very helpful to us. For Christmas, they had a party for the chapter and presented us with a radio-phonograph to be obtained as soon as available.

V. ENTERTAINMENT: 1944-45: pledge dance, spring dance, Founders' Day banquet, father-daughter banquet, fall house party, spring house party, spring rush tea, Mothers' Club Christmas party, special supper meeting after initiation, senior ceremony, pledge party for actives, five formal rush parties, Alumnae Club Christmas party, informal rush parties in sorority room. 1945-46: pledge dance, Christmas formal dance, spring formal dance, pledge party for actives, Founders' Day banquet, father-daughter banquet, fall house party, spring house party, spring rush tea, Mothers' Club Christmas party, special supper meeting after initiation, senior ceremony, officers' parties, five formal rush parties, Alumnae Club Christmas party, informal rush parties, Alumnae Club Fashion Show.

VI. CHAPTER HOUSE: Our room is located in the Women's Building as are all the sorority rooms and is rented. In the last two years, we have acquired a new rug, new slipcovers or upholstery on almost all the furniture, two figurines (Christmas gift from Mothers' Club), combination radio and phonograph (a Christmas gift from Mothers' Club which will be delivered as soon as possible), and albums of records. Several tables have been repaired, draperies and lamp shades cleaned and freshened, and the cupboard doors painted.

VII. MAINTENANCE OF ALUMNAE INTEREST: The St. Louis Alumnae Club is very active in its work with the chapter. The alumnae Advisory Board (two members of which are elected by the active chapter) meets with the Executive Council once a month and a member of the Board comes to a chapter meeting once a month. The alumnae club has charge of all arrangements for the Founders' Day banquet with the exception of the entertainment which is furnished by the active chapter. The alumnae are a great help in rushing—always ready to furnish a home for formal rush parties or to help in any way. After initiation and senior ceremony, the Alumnae Club entertains the actives with a supper. Each year, the alumnae give a benefit tea for the Settlement School and, this year, they sponsored a Fashion Show at which the actives modeled and sang. There have been three unaffiliated transfers on the campus in the last three years, all of whom were invited to attend chapter meetings, dances, suppers, etc. There have been two affiliated transfers during this period.

I. MEMBERSHIP: 1945-46: Initiates, 13; actives, 34. 1944-45: Initiates, 11; actives, 32. Resident active members 26; resident alumnae, 150. Total membership, 453.

II. HONORS: 2 magna cum laude; 5 cum laude; 7 members Skiff, comparable to Mortar Board; 6 student assistants; 1 treasurer freshman class; 1 senator, 1 class president junior class; 1 vice-president senior class; 1 vice-president student body; 1 editor, 1 associate editor, 1 feature editor. 5 staff members of *Sou'wester* (yearbook); 2 members B B B, honorary biology; 4 members I T M, honorary social science fraternity; 2 members National Collegiate Players, honorary dramatic fraternity; 1 president, 2 members Σ A I, honorary music sorority; 2 presidents, 3 board members of Women's Athletic Association; 1 president, 1 secretary, 7 members French Club; 1 president, 6 members Spanish Club; 1 secretary, 2 members Home Economics Club; 2 vice-presidents, 1 secretary, 17 members, Red Peppers, pep club; 1 secretary, 1 president for 2 years of Drury Lane Troupers; 1 president, 3 members of Art Club; 10 leads, 6 minor roles in plays; 1 captain girls' Varsity Basketball Team, 1 basketball championship; 1 baseball championship; 2 times winner of the Interfraternity Sing; 3 members Student Senate; 1 delegate to National Red Cross Convention; 9 members A Cappella choir; 1 secretary, 7 members International Relations Club; 1 president McCullough Cottage House Council; 1 secretary, 2 presidents Wallace Hall House Council; 3 *Who's Who* in American Colleges; 1 homecoming queen; 1 runner up *Sou'wester* queen.

III. SCHOLARSHIP: Scholarship was given special emphasis this year, because we wanted to win back the scholarship cup that Panhellenic offers to the sorority with the highest average. Each week in active meeting each member gave her grades of the previous week when she answered roll call. These were recorded by the scholarship chairman. Except by special

permission of her pledge mother, no pledge may date on week nights during the first nine weeks of the first semester. They must also attend study hall for two hours each day. If, when the nine weeks' grades are released, their average is above 2.6 they are exempted from these restrictions. Upon initiation, the active chapter gives a recognition pin to the initiate with the highest point average. The alumnae present two recognitions pins. One is given to the active with the highest point average and to the active showing the most improvement in her grades. A 2.4 average must be attained before a girl is initiated. Any active whose grades fall below this average loses her voice and vote in chapter meetings for a six week period. For the last semester 1943-44 and first semester 1944-45 Pi Beta Phi ranked third. For the last semester 1944-45 and the first semester 1945-46 Pi Beta Phi ranked second.

IV. CHAPTER WORK: Special efforts were made this year to foster a close relationship between actives and pledges. Each Monday night two actives and a pledge prepared dinner for the chapter. This was served after active meeting and was followed by a short informal program, group singing, or casual conversation. Executive Council is composed of the president, vice-president, pledge mistress, secretary, senior representative, junior representative, and sophomore representative. Each year the chapter contributes \$40.00 to the Settlement School, \$10.00 to the Loan Fund, \$10.00 to Holt House, and has every member purchase her magazine subscriptions through the Magazine Agency. To the Community Chest and the Red Cross we contribute \$32.00 each year.

V. ENTERTAINMENT: All social activities of the college have been drastically curtailed because of the war. Rushing—two informal parties, formal banquet, tea, cooky-shine, annual breakfast or tea for college faculty, alumnae, and patronesses, tea for all freshmen and new students given by the pledges, informal "Holiday Inn" party given by the actives for pledges, Christmas party and exchange of gifts, during Inspiration Week preceding initiation a series of social events are planned for the initiates to be, Panhellenic formal and dessert bridge, Founders' Day banquet and tea, annual open house and tea Mothers' Day, spring dinner dance, entertainment of visiting national and province officer, and the annual spring house party that climaxes spring house-cleaning. Such have been our social efforts during 1944-46.

VI. CHAPTER HOUSE: Because the administration of Drury College does not permit girls to live in sorority houses, we rent an apartment adjacent to the campus. In the fall of 1945 the house which had been our home since the founding of the chapter at Drury was sold. This resulted in a frantic search for new quarters. The present apartment consists of five moderate in size rooms. It was completely redecorated when we moved in. Since then we have purchased venetian blinds and draperies. During this vacation we plan to add some new paint in the interior.

VII. MAINTENANCE OF ALUMNAE INTEREST: We are very fortunate in having a large and very helpful Alumnae Club and Advisory Board. They entertain members of the active chapter in numerous ways throughout the year. After pledging and initiation they entertain the new members of the chapter. This year they purchased silver and china for the kitchen. In addition they had a "Brush Party" to raise money. They always join us in celebrating Founders' Day. Close contact is also maintained through our vice-president. Once each month the Advisory Board is the guest of the active chapter at our weekly "Pi Phi Night" for the active meeting, advisory board and executive council meeting, and the informal fun following. Mu Beta was the local club that was granted a Pi Phi charter in 1914. The late Mrs. Robert Glynn gave the chapter her Mu Beta pin to be used as a permanent president's guard. This year Mrs. Warren Turner gave the chapter her sister's pin to be attached to the Mu Beta guard and to be known as the Catherine Pate Horne Memorial Pin. During rushing season the support and help of the alumnae are always deeply appreciated. We have had no transfers to our campus during the past two years.

1 President of Panhellenic Council; 2 on Panhellenic Council; 1 Manager of the Swimming Tournament; 1 Manager of the Archery Tournament; 1 Representative to a State Home Economics Convention; 1 Representative to a Province VI meeting of A.H.E.A.; 2 actives and 2 alumnae to an Epsilon Province Convention last September 1945; 1 president of the Presbyterian Club; 1 Vice-President of the Presbyterian Club; 1 President of the Home Economics Club; 1 Vice-President of the Home Economics Club; 4 on Home Economics Cabinet; 1 President of State Home Economics Club; 1 President of Biology Club; 1 in charge of Jenks Memorial Drive on campus; 2 Women's League Cabinet members; 1 President of Psychology Club; 8 members of Psychology Club; 2 members of Christian Club; 6 members of Canterbury Club; 3 members of Baptist Student League; 2 members of Methodist Club; 6 members of Home Economics Club; 4 members of Newman Club; 7 members of Presbyterian Club; 7 members of Spanish Club; 1 Treasurer of Chemistry Club; 4 members of Chemistry Club; 12 helped cook for three dinners we had at the house for interfraternity councils.

3. Class officers held: 1 Secretary of Freshman Class.
4. Social honors: The University of Louisville has banished May Queens, but we have had 1 cotillion leader and 2 winners of contests on campus.

111. SCHOLARSHIP: Kentucky A requires ten hours of study in the library for any girl, active or pledge, who does not make a grade of 1.0 or better. If she is a pledge, she is not allowed in the Student Center or Cardinal Inn before 12:30. The pledges are given booklets on scholarship with helpful study hints. This semester we have divided the chapter into two teams, the lowest team in scholarship giving the highest team a party at the end of the semester. Our chairman reminds us about our grades each Wednesday at meetings and has prepared a chart listing the two teams and leaving a space for point standing and any grades we receive between now and the end of the semester so that everyone else can see the grades each girl makes whether they are grades to be proud of or not. She is offering a recognition to the girl with the best average at the end of this semester. A pin is given to the pledge who receives the highest point standing.

Last semester we were officially third, but unofficially we were second in scholarship among the girls' organizations on campus. One of our girls had several incompletes that were not added in the official average, but when added in, made us second. We had no hours of F and had 1 active and 3 pledges on the Dean's Honor Roll, meaning B average or better.

IV. CHAPTER WORK: This semester we have just three pledges who meet regularly at 4:30 on Wednesdays. Our past class of fifteen girls had so much spirit and has passed a lot onto this class. The pledges have their own officers and carry on their meetings under the Pledge Mistress' supervision. About a month before each semester ends the pledge class is asked to put on any type program they would like. The last class prepared for the actives a delicious dinner with shrimp cocktail, fried chicken, salad, etc., which was followed by a program ending in a beautiful song about Pi Phi that the girls had written. The executive board is composed of the President of the chapter (senior), treasurer (senior), pledge supervisor (senior), house manager (junior), scholarship chairman (senior), and one additional member (sophomore) to complete a member from each class. A Settlement School movie was shown in Louisville for our chapter and alums early in April. Each year we give five dollars which comes from our treasury to the Settlement School Fund. We also give five dollars to the Loan Fund and Holt House. The Magazine Agency makes a drive around Christmas of every year to get subscriptions. The girls are asked at all times to bring in subscriptions and renewals from home. This year we are planning to send two girls other than the delegate to Convention; we have had three cookie sales, a silver tea, a raffling of lunches at our barn dance, and we plan to have lemonade sales, all the money going into our savings for Convention.

Local charities: 4 Motor Corps drivers; 1 Dieticians' Aid; 5 Nurses' Aid; 3 Gray Ladies; 4 worked in Cancer Drive; 8 worked in Red Cross Contribution Drive; 10 rolled bandages; 15 went to Officer's Club; 10 went to Officer's Dances; 14 went to Service Clubs; 5 helped to decorate Service Recreation Hall at Bowman Field; 7 contributed to the Blood Bank; 20 formed a Christmas Glee Club to sing in Hospitals for service men; the chapter collected food for families and fixed a box at Thanksgiving. We have just one fund on our campus, the Jenks Memorial Fund for the purpose of a Home Management House in the Home Economics Department. The Chapter contributes ten dollars.

Internal Development: Kentucky A decided against combines this summer and was the first to take the final step to drop out. It was our idea to make the Fryberget Sing non-competitive. The Fryberget Sing is an annual affair in memorial to a deceased faculty member in our School of Music. It was competitive, fraternities against fraternities and

sororities against sororities, until last year the sororities made it more a fight to win than an annual sing for all to enjoy; therefore, we Pi Phis on campus set out to have it non-competitive. We were the first to give an open house for the Navy on campus. These open houses are given often by all of the organizations and have all been very successful with huge turnouts of navy men, students and faculty.

V. ENTERTAINMENT: We have had several open houses for the campus and two interfraternity dinners at the house. We have had two informal parties with the Wandering Greeks, mostly Navy men who belong to fraternities other than those on our campus and who have banded together; we had an informal party with the Δ Ξ fraternity, a party with the K Α fraternity in honor of our pledges; we had a picnic with the Triangle fraternity, the girls furnishing the food and the boys the cokes, making it an all day affair one Sunday; we had a barn dance for which each Pi Phi invited her own date and decorated a box lunch that was auctioned off, the money going for Convention; we gave a lovely winter formal before the Christmas holidays; we gave a silver tea for our parents, again for the purpose of raising money for Convention. The Mothers' Club has been inactive, but it is reorganizing. They have had their election of new officers and plan to have monthly meetings at the house.

VI. CHAPTER HOUSE: Our house is being bought with the value at \$4,500. This summer we plan to paint the house and rebuild the chimney, install new linoleum floor in the kitchen. We have bought a couch, new drapes, new slip-covers, new couch cover and dressing table skirt to match, new coffee table, new lamp shades, new place mats for the table, new kitchen curtains; we have had the rug cleaned, roof repaired, fixed venetian blinds, had the walls painted and washed, and the floors done over.

VII. MAINTENANCE OF ALUMNAE INTEREST: There is a close bond between our alumnae and our chapter. Every year at Christmas the alumnae give a Christmas party for the chapter. They furnish the food and give a present to the house. We always invite them to the initiation banquets, to chaperone slumber parties, and to monthly meetings with the executive council at the house and to stay for dinner. They cook dinners and lunches for rush and cooky-shines. The Vice-president attends alum meetings and keeps them up on the latest happenings of our chapter. The Founders' Day Tea calls for a get-together. Now that we are having a Convention we are calling on those alumnae who have been to Convention to give us many hints and helpful suggestions. The alumnae meet in their homes and our Vice-President and one or two actives usually attend. We have had no unaffiliated transfers on our campus. We have had one affiliated transfer.

I. MEMBERSHIP: 1945-1946: Initiates, 11; active members, 38, 1944-1945: Initiates, 17; active members, 39. Resident active members, 33; resident alumnae, 150; total membership to May 1, 1946, 227.

II. HONORS: 1 Alpha (honorary scholastic based on Φ Β Κ); 2 honor graduates; 8 honor students; 2 A Α (scholastic for underclassmen); 1 president of senior class; 1 vice-president of junior class; 1 treasurer of junior class; 1 secretary of sophomore class; 1 secretary of freshman class; 1 secretary-treasurer of student body; 1 Miss University of Chattanooga; 1 Betty Co-Ed, 1 Senior Most Likely to Succeed; 1 winner of Alumni Achievement Award (highest honor in school); 1 vice-president, 1 treasurer, and 6 members in Quadrangle (similar to Mortar Board); 4 members of *Who's Who in American Colleges*; president of Honor Council; president of K X E, secretary, and 16 members (honorary service); president, secretary, and 70 members of Y.W.C.A.; president and 2 members of Les Independents (French scholastic); head song leader of school; president and 5 members of the International Relations Club; 4 members of *Echo* staff (school weekly paper); vice-president and 8 members of Co-Ed Cotillion; 4 members of Tri Beta (biology scholastic); vice-president of Deutsche Kreis and 4 members (German scholastic); 2 members of Σ T (English scholastic); 2 presidents of Women's Athletic Association and 40 members; president, vice-president, and 6 members of Mockettes (advanced athletic association); 1944: second in kickball tournament, third in basketball; 1945: second in kickball, first in basketball with five sororities competing; 1 football queen; 1 Tennessee Valley Outdoor Girl; 1 Queen of Acriola at Pensacola, Florida; 12 members of the Glee Club; 5 football sponsors; 1 secretary of Student Council; president of Methodist Student Union; secretary of Baptist group; 3 members of Collegium Musicum (music scholastic).

III. SCHOLARSHIP: The initiation requirement has been raised from 1. to 1.25 in at least 12 academic hours. Failure to meet these standards for either actives or pledges necessitates spending at least 14 hours in the library or at the study periods held Friday afternoons and Saturdays and

having no dates on school nights. Two scholarship teams have been organized and the losing team must treat the winners to an enormous party. The active showing most improvement in scholarship wears the fraternity ring, and a pledge who has the highest average receives a recognition pin. Losing both vote and voice in meetings also is a regulation. Rank among social women's fraternities in 1944-1945 was third place; in the first semester the rank was second in 1945-1946.

IV. CHAPTER WORK: The pledges have their own officers and organization and meet once a week under the supervision of the pledge mother. They eat at the house each Monday night except Cooky-shine Night. The active member who is the big sister of the pledge takes her to lunch often and sees that she meets all of her friends. There is the pledge luncheon and special parties which the pledges give which make the pledges feel a part of the organization. The President, Treasurer, Scholarship Chairman, Rush Captain, Pledge Supervisor, and a representative from each class except the freshmen make up the Executive Council. We gave a benefit bridge party to raise the \$30.00 given to the Settlement School in 1944-1945, and we gave \$15.00 in 1945-1946. \$10.00 for the Loan Fund; \$10.00 for Holt House; \$10.00 for Magazine Agency; \$30.00 for World Student War Fund; Contributions made to the University of Chattanooga Sustaining Fund by the Alumnae; large quantity of clothing given to the Clothing Drive; contributions made to the Red Cross and the Y.W.C.A. Each term we sponsor a second-hand book store making a 10% profit on each book sold.

V. ENTERTAINMENT: 1944-1945: Cooky-Shine once a month; Pi Phi night once a month; pledge luncheon; tea for all new students; benefit bridge party; initiation luncheon and banquet; Valentine party; Founders' Day Banquet; Tea for seniors; luncheon for senior farewell; entertained for Miss Carroll Bonney, Province President; visit to the Tennessee Bs before football game, 1945-1946; Pledge luncheons; initiation luncheon and banquet; open house for all new students; informal party for football boys; Open house after Homecoming for all the student body and faculty; informal Valentine dance; Spring formal; banquet for Mrs. Clare Williams, Province President; banquet for Miss Isabel Clark, Assistant to the Grand President; Founders' Day Banquet; tea for faculty and parents honoring seniors; luncheon for seniors; swimming and badminton rush party; Christmas party for a group of Negro children; Christmas party for actives and pledges; inter-fraternity pep meeting after Monday night supper; bonfire party; cooky-shines were held once a month.

VI. CHAPTER HOUSE: Chapter house is owned by the alumnae from whom it is rented. The value of the house is fixed at \$5,000. In the past two years the outside and inside have been painted, a rug, a sofa, and new chair covers have been bought. The main addition has been the making of the back porch into a darling room with windows all around, window seats, and a wall of book shelves. This room was given us by the Mothers' Club and will be used for the archives and any other special purposes.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to pledging, initiation, cooky-shines, rush parties, many of the teas, Monday night suppers, Founders' Day celebration. One night a month the Advisory Board meets with the Executive Council. All alums are invited to rush parties and the alumnae sponsor one of the parties. The alumnae are interested in all our projects and often without them our efforts would not be so successful. Often an alum is asked to speak to us on some inspirational subject. There have been two affiliated transfers; none unaffiliated.

II. HONORS: 3 Φ B K; 2 Cum Laude; 1 Mortar Board, vice-president; 1 chairman of senior class; 1 chairman of junior class; 1 chairman of sophomore class; 5 members, W.S.G.A.; 1 Secretary-Treasurer, 1 vice-president, W.S.G.A.; 1 president, Women's athletic association; 4 members, Women's Athletic Board; 1 chairman, Social Standards Committee; 1 Student Union representative; 4 members, 1 vice-president, Panhellenic Council; 4 members, 1 clerk, 1 president, Honor Council; 2 Σ Δ II (honorary Spanish); 1 H Σ Φ (honorary French); 1 X Δ Φ (honorary literary); 2 International Relations Club; 3 Tri Arts; 12 members, 1 business manager, Gargoye Club (dramatic); 4 Athenians (honorary junior); 4 Lotus Eaters (honorary sophomore); 1 Student Council; 10 members, 1 president, 1 vice-president, A Cappella Choir; 7 A Cappella Choir keys; 5 General Cabinet, S.C.A.; 1 vice-president, S.C.A.; 1 vice-president, 1 secretary, JAA-VU; 1 editor of *Tower*; 1 business manager of *Hustler*; 8 members McTyeire Hall house council; 1 president,

McTyeire Hall; 2 varsity basketball; 2 varsity softball; 2 basketball plaques; 1 softball cup; 1st place in diving meet; 2 members, Vanderbilt Band; 1st place, homecoming decorations; 1st place, Stunt Night; 2nd place, University Sing; 1 attendant to Homecoming Queen; 4 beauty queens; 1 representative to National Wesley Foundation; 1 province winner of Amy B. Onken Award.

III. SCHOLARSHIP: The pledges are required to attend eight hours of study hall each week. In pledge meeting they report any grades received during the week. Actives coach pledges who are having trouble with a subject. Each girl's sponsor is responsible for helping her make her grades. Each active is required to make a 1.7 average. At the Founders' Day Banquet the scholarship awards are made. The freshman having the highest average has her name engraved on the Freshman Scholarship Cup. The active with the highest average receives the scholarship ring. The senior in the chapter with the highest average receives a recognition pin. The girl with the greatest improvement in her grades, the original grade being at least a 2.00, is given a jeweled recognition pin. For the school year 1944-45, the chapter ranked second on the campus in scholarship.

IV. CHAPTER WORK: Every Saturday the actives and the pledges have lunch together at the chapter house. The pledges plan and prepare the meals. Afterwards we usually sing or just talk. Once a month we have supper at the chapter house for both actives and pledges which is followed by a talk or discussion pertaining to Pi Phi. Each pledge is required to compose an original Pi Phi song to be sung at the initiation banquet. The Executive Council is composed of the president, house president, treasurer, pledge trainer, scholarship chairman, and rush captain. This always includes a representative from each of the classes. Each year we have contributed \$30.00 to the Settlement School, \$5.00 to the Loan Fund, and \$5.00 to Holt House. Each year we have an Arrowcraft sale at the chapter house and products from the Settlement School are sold.

V. ENTERTAINMENT: 1944-45: Rush—land of nod party, charm school party; cooky-shine after pledging. Open house honoring pledges given for faculty, alumnae, parents, and men on campus. Informal tea for all women students. Formal initiation banquet. Open house for province president. Founders' Day banquet 1945-46: Rush-train party, land of nod party; cooky-shine after pledging. Open house for parents, faculty, alumnae, and men on campus. Formal initiation banquet; Founder's Day banquet. Informal tea for campus women. Open houses for province president and Assistant to the Grand President. Christmas party for actives and alumnae. Spring rush party for high school seniors. Formal spring dance with breakfast afterwards given by the Mothers' Club.

VI. CHAPTER HOUSE: The chapter house is owned by the Nashville Alumnae Club of Pi Beta Phi. It is valued at \$20,000.00. In the fall of 1944 the outside of the house was completely repainted. The hall and stairway were repapered and the actives repainted both the walls and the woodwork of the living room, dining room, and sunporch. The pledges repainted the back hall and kitchen. The music room was repapered this past fall and the woodwork painted white. We applied white paint to our old upright piano and it looks like new. A new chandelier has been bought for the dining room. The pledge class of '44-'45 gave several beautiful vases and a lamp to the house. This year the pledge class had the arrow over the door wired so it would light up at night. We have acquired a new wall to wall rug for our living room. The Mothers' Club has given us beautiful slipcovers for all the furniture.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Nashville Alumnae Club holds its monthly meeting at the chapter house. The vice-president of the active chapter attends these meetings. The alums give the active chapter a Christmas party each year, and also a buffet supper. They are extremely helpful in rushing, and are included in our initiation and Founders' Day banquets. There have been two unaffiliated transfers on our campus and we have invited them to the house for all functions as well as chapter meetings. There has been one affiliated girl on the campus and she fitted into chapter life splendidly.

III. SCHOLARSHIP: Alabama A held first place among women's fraternities during the year 1944-45, therefore winning the Panhellenic cup presented to the organization keeping such a scholastic record for three consecutive years. At least a "C" average in 12 hours' work is expected of each pledge before initiation. Study halls are provided for those who make low grades. A pledge scholarship cup is awarded at the initiation banquet to the pledge with the highest grades.

IV. CHAPTER WORK: Under the guidance of the pledge supervisor, the pledges meet weekly in the chapter room in order that each one may gain a greater knowledge of the aims, standards, and requirements of the fraternity, nationally and locally. Each pledge group gives a party honoring pledge groups of other fraternities in order that these groups may become better acquainted. In active meetings programs are planned so that pledges, as well as actives, may be included. The Executive Council is composed of the chapter president, treasurer, pledge supervisor, and 3 members from the chapter at large. Alabama A sent \$20 to Loan Fund, \$20 to the Settlement School, and \$30 to Holt House for the years 1944-45 and 1945-46. During Red Cross and Community Chest drives our chapter contributed 100%.

V. ENTERTAINMENT: 1944-45: Rush parties, tea in honor of pledges and mothers, annual Easter tea, Circus party, given by pledges for pledges of other organizations, Founders' Day Banquet, 1945-46: steak fry, given by actives for pledges, Coconut Grove party, given by pledges for actives, buffet supper, given by alumnae for actives in honor of Mrs. Wild, Assistant Grand Vice-President, initiation banquet, Founders' Day Banquet, annual Easter tea, spring formal.

VI. CHAPTER HOUSE: Alabama A rents a room with a kitchenette which is located in Stockham Woman's Building. Our room was recently renovated with a fresh coat of pale green paint, colorful slip covers for the furniture and utensils for the kitchen. One of the pledge groups presented the chapter with three dozen glasses monogrammed with the Greek letters.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Alumnae Advisory Board has monthly supper meetings with the Executive Council in order that the alumnae group may keep in close contact with the activities of the chapter. During the rush seasons our alumnae help very much in planning parties and entertainment. They are invited to attend chapter meetings, cooky-shines, ceremonies, and all social functions.

III. SCHOLARSHIP: 1. Methods for improving scholarship: All pledges who have not made their C averages attend study hall three nights a week for one hour and forty-five minutes. 2. Social regulations: Social regulations are restricted by the compulsory attendance of study halls. 3. Special awards: The pledge having the highest average in her pledge group is awarded a recognition pin with a pearl in it. The active

having the highest average for three consecutive years is awarded the scholarship ring. 4. Pledge and Chapter averages: A pledge must make a C average before she can be initiated. The chapter average is also a C. The rank of our chapter among socially competing fraternities for women for the year 1944-1945 was first place, for the year 1945-1946, third place.

IV. CHAPTER WORK: 1. Left-over pledges are given a project to work on. During pledgship, pledges are given weekly tests on the work they are studying. This is a good preparation for the initiation examination. 2. Executive Council: president, pledge supervisor, recording secretary, corresponding secretary, freshman representative, and sophomore representative. 3. Contribution made to Settlement School (also Christmas gifts), Loan Fund, and Holt House. Subscriptions were gotten for Magazine Agency. 4. Contribution to Red Cross as local work. Collected books for Merchant Marine Library.

V. ENTERTAINMENT: September 24, 1945, Panhellenic Tea; January 18, 1946, Inter-fraternity Dance; March 15, 1946, Pi Beta Phi Dance; April 3, 1946, Tea for Mrs. Tyler and Alumnae; October 29, 1945, Both at the school carnival.

VI. CHAPTER HOUSE: House is not owned. We use a room, rent free. The room is in the second floor of the library, which is situated in the center of the campus. The only improvements since May, 1944, were a fresh coat of paint on the walls and woodwork of the room. Most of the furniture was reupholstered last summer.

VII. ALUMNAE: No special program is used to maintain contact with alumnae. Plans are being made for social calls on alumnae and patronesses by actives and pledges. We have no transfers on campus.

III. SCHOLARSHIP: Quiet rules are kept in the house to encourage study. There is a study room with desks and book shelves. Each member is required to sign up her hours of study and grades received. For those below fraternity requirements, there is compulsory study in the library, Monday through Thursday. Those below fraternity average must study in a place of their choice on those evenings. A bracelet is presented each year to the active who improves her scholarship average most over a year. A cup is presented to the pledge who attains the highest average. The scholarship ring is awarded the active member who has the highest scholastic rank. On the campus a Panhellenic cup is presented to the chapter who ranks first in scholarship. A pledge is required to record her study hours and reach a standard. A compulsory study hall is maintained. Tutor aid is given when requested. Advice and counsel are given in pledge training. The average required of a pledge to be eligible for initiation is 1.0 or C. A chapter member who falls below initiation is put on probation. If the average is not regained, her pin is withheld until she again achieves it. The chapter ranked third among the fourteen sororities on campus first semester 1944-45. The chapter ranked first among them first quarter 1945-46.

IV. CHAPTER WORK: Pledge training is carried out in weekly meetings. In addition to the weekly business, a topic for discussion or information is prepared by the Pledge Supervisor. Campus participation, scholarship and fraternity acquaintance is emphasized. The pledges adjust well to the college and chapter and are recognized as an outstanding group. The holdover and spring pledges have worked on a special project: a mural map which shows all Pi Phi

Chapters in their respective colleges. The Executive Council is composed of the president, treasurer, Pledge Supervisor and a representative from each class. A sum of \$33.30 was sent to each of the following: the Settlement School, Holt House and the Loan Fund. Magazine sales were raised last year when each member assumed responsibility for at least one subscription. The chapter plans to resume the publication of *Arrow Pointers*, a chapter bulletin describing the interests and honors of the chapter and fraternity to present to rushees. This fall a group of interested upperclassmen initiated a fireside chat on the subject, "Theories of Higher Education." Five faculty members whose viewpoints vary were invited to join the group. The chapter members prepared for discussion by selective readings from *Harpers* and *Atlantic Monthly*. The intellectual stimulation was a worthwhile experience for all who participated.

V. ENTERTAINMENT: 1944-45: Rush reception and planned parties; formal pledge banquet; Sunday afternoon coffees; formal dance; open house for parents and friends Thanksgiving Day; Christmas party; initiation and pledge cooky-shines; Pi Phi nights; Founders' Day Ceremony; faculty reception; Senior farewell party. 1945-46: Rush reception and parties; formal pledge banquet; Sunday afternoon coffees; Sunday morning coffee and donuts; formal dance weekend including a tea dance, intermission party and picnic; Thanksgiving open house; Christmas party; Saturday night cocoa parties; a box supper; tea dance for Panhellenic weekend; Pi Phi nights; Founders' Day Ceremony; faculty reception; a dinner party at the home of patrons; Senior farewell party.

VI. CHAPTER HOUSE: Florida B owns its house which is valued at \$25,000. The two mortgages will be paid off in two years. The house is located within a block of the campus entry gates on College Avenue. In the summers of 1945 and 1946, redecorative work was done to freshen the interior. The alumnae chairman of the building fund association directs the summer improvements, financed by summer dues assessed the chapter.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to all initiations, ceremonies and social functions. The Alumnae Advisory Board meets with Executive Council providing a connective link. Pledges are assigned to pay social calls upon resident alumnae to strengthen acquaintance. There have been three unaffiliated transfers in the last three years. The chapter has extended them an invitation to participate in all chapter activities. Two lived in the house and the other was invited to do so. One transfer has been affiliated in this period.

III. SCHOLARSHIP: Study hall was held six hours a week for those receiving incompletes, minimums, failures, or three "C's" for the preceding term and on mid-term reports. A "B" average will be required for initiation, effective fall 1946. A scholarship cup is awarded to the pledge with the highest grades and the scholarship ring to the active with the highest grades for the year. For the year 1944-45 Florida I ranked 7th in scholarship on the campus. No ratings have been released for 1945-46.

IV. CHAPTER WORK: The pledge class is organized by the pledge supervisor. Weekly meetings are held for the pledges. The class elects their own officers who carry out their duties under the supervision of the pledge supervisor. A recognition pin is awarded to the pledge most outstanding in activities. The Executive Council is composed of the president, treasurer, pledge supervisor and an elected representative from each class not represented by these officers. \$25.00 was given to the Settlement School, \$15.00 to Holt House, and \$15.00 to the Loan Fund.

V. ENTERTAINMENT: An all-college Christmas formal dance; tea for Mrs. Tyler; tea for Mrs. Wild; tea for patronesses, buffet supper for actives given by pledges;

costume party for all pledges by pledges; 1945-46. An all-college Valentine formal dance; tea for Mrs. Tyler; tea for patronesses; hay-ride for actives given by pledges; tea for pledges by pledges; Founders' Day Luncheon; 1944-45.

VI. CHAPTER HOUSE: The house is owned and maintained by the college. New curtains for the living room were purchased this year.

VII. MAINTENANCE OF ALUMNAE INTEREST: Our alumnae are invited to all ceremonies, cooky-shines, and other social functions. The Advisory Committee keeps in close contact with the Chapter. There have been nine unaffiliated transfers on our campus in the last three years. Transfers are invited to meetings, social functions, etc. We have had two affiliated transfers in this period.

III. SCHOLARSHIP: Methods for improving scholarship: Supervision of pledges by actives; honor system by which each active with an average below 80 is required to sign a pledge stating she has studied a sufficient time to prepare for succeeding day's work, quiet hour from 8:30-10:30. Average required for initiation, 75; chapter average, 75; rank for 1944-45, fourth; rank for 1st semester, third; special awards: Recognition pin given to pledge with highest average and initiate showing most improvement. House Rules: Must make 70 average quarter preceding moving in house. Must maintain that average. Failure to do so necessitates moving out at the end of second quarter.

IV. CHAPTER WORK: Pledge training and meetings: Follow manual with only a few changes; conferences between pledge, sponsor, and pledge supervisor; help them choose activities they are best suited to; from the beginning a feeling of being a part of something great and trying to get them to be at the house at much as possible is emphasized. As a whole we try to give the pledge what we have already learned and to help her with any problem that may arise. Personnel of Executive Council: president, vice-president, one representative of each of the upper classes and two selected at large. Contributions to Settlement School, Loan Fund, and Holt House. Subscriptions for Magazine Agency. Local Charities: Red Cross, The Channel (undertaking of the Sociology Department), Tuberculosis and Infantile Paralysis Campaigns. Chapter Publications: A small mimeographed pamphlet in the shape of an arrow was published last summer to send to prospective rushees. Details of the chapter both locally and nationally were included. Internal Improvement: We feel our best thing for the year has been spontaneous meetings to discuss chapter problems.

V. ENTERTAINMENT: Tea for province president, Annual Stardust Ball for next year's rushees, Butterfly Ball for after Christmas pledges, Christmas Dance, Hayride given actives by pledges, Christmas party given actives by pledges.

VI. CHAPTER HOUSE: House is owned. Value—\$19,000. Last summer the entire downstairs was redecorated with money given by the Mothers and alumnae of this Chapter. Upstairs each room has been repainted with the efforts and money of the girls living in those rooms. During this coming summer the house will probably be painted on the outside.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to take part in our pledgings, initiations, rush functions, and Founders' Day is celebrated with the Atlanta Alumnae Club. No unaffiliated transfers who were here long enough to be affiliated. Affiliated transfers, 3.

Chapter won third place in University Sing; second place with Homecoming decorations; and an honorable mention in Wiskits.

III. SCHOLARSHIP: Each semester at six weeks and mid-semester time, the scholarship chairman sends out postcards to the instructors to get the grades of all of the pledges. She then has an individual conference with each pledge to discuss her grades and methods of improving them. Study hall is held on week nights for all the pledges whose grades do not average 1.8, and they are given individual help in those subjects in which they require it. It is recommended that they do not go out during the week. The girl in the active chapter having the highest grade point average, the girl in the active chapter showing the greatest scholastic improvement, and the girl in the pledge class having the highest grade point average are given awards each year, the awards being determined by the special awards committee. Pledges and actives are required to make a 1.3 average, but the average for both is always well above that. For 1944-1945, Wisconsin A ranked third the first semester and eighth the second semester among social sororities. For the first semester 1945-1946, it ranked second.

IV. CHAPTER WORK: The new pledges are separated from the old pledges, the former organized as closely along the lines of the active chapter as possible with their own officers and committees; the latter concentrating on study habits and scholarship improvement. The new pledge group has committee members to correspond to and to work with the active chapter committee members. The material to be learned in preparation for the pre-initiation examination is presented at the meeting, and each week the pledges write a quiz on the previous week's material. Each sponsor keeps in close contact with her pledge and advises her on curricular and extra-curricular activities. The Executive Council consists of the president, 1 other senior, 2 juniors, and 1 sophomore, always trying to have the treasurer and the pledge supervisor elected as the representatives of whichever class they are in. Each year in the budget provision is made for a contribution of fifty dollars to the Settlement School, twenty-five dollars to the Loan Fund, and ten dollars to Holt House. In 1945 eight hundred dollars were donated to the Physiotherapy Fund. The chapter donates fifty dollars each to the Red Cross Fund and Campus Community War Chest each year. This year fifty dollars was given to the Foster Parents' Plan for War Children. The chapter also supported the Convention for World Students Fund by giving ten dollars. The chapter publication, *Tips from the Arrow*, is put out two times during the college year, once each semester, and is mailed to all Wisconsin A alumnae. We have found it to be particularly helpful in locating lost members. A system of awards, other than the ones given for scholarship, is carried out. An activities plaque is given each year to the outstanding sophomore in activities, a pearl recognition pin to a junior for the same accomplishments, and a large Founders' pin to the junior who has given the most service to the chapter. The awards are presented each year at the Founders' Day banquet.

V. ENTERTAINMENT: 1944-1945: Open house held for pledges; Homecoming tea for alumnae, parents, and friends; Fathers' weekend; Christmas formal dinner dance; Christmas party for actives and pledges; Christmas party for waiters; Christmas party for poor children; slumber party for pledges; pledge tea for pledges of other sororities; dinner for deans

of women; Settlement School sale; Founders' Day Banquet; dinner for Alumnae Advisory Board and officers of alumnae club; dinner for transfers; active party for pledges; formal dinner for province president; spring formal dinner dance; junior-senior banquet; Mothers' Day weekend; initiation banquet, 1945-1946: Open house held for pledges; Homecoming tea for alumnae, parents, and friends; Fathers' weekend; Christmas formal dinner dance; Christmas party for actives and pledges; Christmas party for waiters; Christmas party for poor children; exchange dinners with fraternities; slumber party for pledges; pledge tea for pledges of other sororities; dinner for deans of women; senior dinner and executive council dinner given by alumnae; Founders' Day Banquet; dinner for alumnae advisory board; dinner for transfers; dinner for housemother; exchange parties with other sororities; active party for pledges; formal dinner for province president; spring formal dinner dance; Mothers' Day weekend; junior-senior banquet; initiation banquet; picnics given by various fraternities.

VI. CHAPTER HOUSE: The chapter house is owned by the Wisconsin Alpha Association and is valued at approximately \$40,000. The chapter house was completely remodeled and redecorated in 1939, and little has needed to be done to it since then. However, the combination pledge room-smoker was redecorated in the summer of 1944. Redeclaration of the upstairs rooms is once again in progress, and new wall paper and furniture have been purchased for various rooms throughout the house.

VII. MAINTENANCE OF ALUMNAE INTEREST: Each fall alumnae are asked to help in formal rushing functions. Some time during the year the Advisory Board is entertained at dinner by the active chapter. The Advisory Board has monthly meetings with the Executive Council. The alumnae and their families are especially invited to attend the Homecoming tea, and of course, they are the honored guests at the Founders' Day Banquet. At this time a short sketch of the chapter history for the year is given, as well as the presentation of the chapter awards. With frequent and close social contacts, the personal interest of the alumnae in the active chapter and pledge group is maintained. There have been approximately twenty-five unaffiliated transfers on the campus in the last three years and four affiliated ones. Each year when the introduction transfer blanks are received, the transfers on the campus are invited to dinner to meet the active chapter. This is done early in the fall so that they will feel at home in the chapter house. They are always welcome at rushing dances, and other chapter functions.

I. MEMBERSHIP: 1944-45: Initiates, 18; active members, 37. 1945-46: Initiates, 18; active members, 42. Resident active members, 4; resident alumnae, 23; total membership up to May 1, 1946, 465.

II. HONORS: 1 honors student; 1 senior class vice-president, 1 sophomore class vice-president, 1 junior class treasurer, 1 sophomore class treasurer, 1 sophomore class secretary; 9 on staff of yearbook; 15 on staff of Round Table; 1 on editorial staff of *Goldfish* (college humor magazine); 1 secretary and 6 members of Ka Ne (honorary journalistic society), 1 president and 2 members of Φ Σ I (honorary language society); 1 president, 1 secretary and 3 members of Senior Bench (honorary senior society); 10 members of International Relations club; 1 president and 21 members of Shakespeare Dramatic club; 1 treasurer and 9 members of Forum club; 10 members of Design for Living council (society for current problems); 1 treasurer, 1 president, and 25 members of Players; 8 members of Red Cross; 1 treasurer, 9 members of sociology club; 5 members of Terrapin (swimming club); 3 members of Orchestras (modern dancing club); 1 secretary, 6 members of Inter-collegiate Association of Women students; 13 members of Choir, 2 members of Music club; 4 members of *Who's Who in American Colleges*; 1 beauty queen, 1 Homecoming queen, 1 in court of Beloit Relays queen.

III. SCHOLARSHIP: The active chapter has a scholarship chairman as does the pledge class, who with the scholarship committee, work with the scholarship alumnae advisor. Twelve library study hours are required weekly for every pledge, and for each active not maintaining a "B" average, library study hours are required ranging from five to twelve in accordance with grades received. Recording of dorm study hours is also required for all "C" average students. Those actives receiving a "D" in any subject at mid-semester time, must record study hours equal to double the amount of class hour credit. The freshman maintaining the highest average has her name engraved on a pledge scholarship cup, while the active with that honor receives a scholarship ring. This year to encourage improved scholarship a small piece of Pi Phi jewelry was awarded to every active maintaining a "B", 2.0, or above. Active members not receiving a "C" average lose their vote in chapter meetings. Pi Beta Phi ranked fourth, year of 1944-45; third, first semester, 1945-46.

IV. CHAPTER WORK: After pledging, each freshman is given a sponsor who will be able to pass to that person the greatest benefit of her own experiences. They assist in advising, working their pledges into the group, and often end in one of the closest college friendships. Pledges meet once a week, to study the fraternity, and for general preparation for active chapter membership. Executive council is composed of the president, vice-president, pledge supervisor, scholarship chairman, treasurer, and a representative of each class not already embodied in the various council members. At one time yearly, with the alumnae, we give a sale at the chapter house, thus raising funds for the Arrow Craft shop, as well as a chapter contribution to the Settlement School. We also contribute to the other Loan and Endowment funds. Money is given by Wisconsin B for school year-books and various other publications. This year, the four sororities contributed jointly as a Panhellenic project to support a European foster child.

V. ENTERTAINMENT: Outside of the regular rushing parties, Wisconsin B has many annual affairs. Each year, the Mothers and Fathers are entertained at a breakfast at the house. Another annual event is the Pi Phi formal Open House, given at Christmas time for faculty and students of the college. This year we resumed our formal sorority parties, at the individual houses. Every other week, informal teas are given for the chapter at the house, with everyone acting, as hostess sometime within the year. Pledges of all sororities entertain at each house, one time in the course of the year. This last year, we were very pleased to entertain Mrs. Smith, Grand Vice-President, Mrs. Russell, new Eta Province president, as well as Mrs. Adams, Chicago convention initiate who visited Beloit as the Mount Holyoke centennial representative.

VI. CHAPTER HOUSE: The Pi Beta Phi house is owned by the Beloit House Corporation, to which each active pays fifty dollars in their four years in school. In this manner each girl becomes a member of the corporation. The value of the house is placed at eighteen thousand dollars. No particular changes have been made in the house since May, 1944, however, plans are in progress for redecorating this summer, under the direction of an alumnae, chapter, joint committee.

VII. MAINTENANCE OF ALUMNAE INTEREST: Once a month, Executive council meets to discuss problems and progress with the Alumnae Advisory Board. The alumnae are invited to all functions such as Founders' Day and the initiation banquet, and aid us by preparing food for our dessert sing. The chapter house is open to them at all times, so that we feel in close contact with alumnae. Until this year we had no transfers on campus. 1945-46 brought two wonderful girls who were affiliated in second semester.

III. Pledges are required to spend fifteen hours a week studying in the library where it is necessary for them to be signed in and out by actives of any sorority. They receive tutelage from actives who are able to help them. The library hours are checked by the chapter scholarship chairman each week, and the pledges are fined for each of the required fifteen hours lacking. Any pledge who receives more than a 2.0 "B" average at the nine week grading period is not required to spend the fifteen hours in the library. The

actives are required to maintain a 1.2 average or they lose chapter voting privileges, and are put on library hours similar to those of the freshmen. A scholarship ring is given to the girl who has the highest average in the chapter. An award is given to the active and to the pledge making the most improvement in grades. Rank among socially competing fraternities for the year 1944-45, fourth; 1945-46, second.

IV. There is a pledge supervisor and assistant in charge of all pledges. These two direct and instruct the pledges in their duties at weekly meetings. Each pledge has an active sponsor who is responsible for the welfare of the pledge for the first semester. Personality charts are also used. The actives and pledges have joint song practices once a week, and monthly parties are held. The Executive Council is composed of the chapter president, treasurer, and a representative from each class. Donations to the Settlement School, Loan Fund, Holt House, and Physiotherapy Fund are budgeted by the finance committee. We have contributed to the Red Cross, the World Student Service Fund, and the Memorial Union Fund.

V. 1944-45: We had three rushing parties, three final snack parties, and one informal rushing party. The faculty members were entertained at a tea during the winter. A cooky-shine was held as well as an informal get together to increase contact between actives and pledges. We had our Winter Formal right after Christmas. Because of the accelerated program, there were two classes of seniors and we had two senior Farewells. We ended the semester with a big outdoor picnic. 1945-46: We had three rushing parties and three final snack parties. A Christmas party was held for faculty members. The pledges entertained the actives at a roller skating party, and the actives entertained the pledges at a swimming party. We had a Spring Formal at the country club. A Mothers' Day Breakfast was held in the rooms. Again it was necessary to have two Senior Farewells. The new actives entertained the old actives at a take off on rushing parties.

VI. Chapter houses for women's fraternities are not allowed on Lawrence's campus. We have one room in a Panhellenic House where four other sororities also have their rooms. No improvements or additions have been made since May, 1944.

VII. MAINTENANCE OF ALUMNAE INTEREST: Executive council meetings with the Alumnae Advisory Board are held monthly. Alumnae attend pledging, initiation, Founders' Day Ceremonies, and Banquets, and also sorority dances. Alumnae attend rushing parties. There have been no unaffiliated transfers on the campus.

III. SCHOLARSHIP: There is an active scholarship chairman and a pledge scholarship chairman. Regular library study hours are maintained by those receiving an average below 3.00 (B) in the pledge class. The hours required are half the number of hours carried. Any grade of 1.00 or below (D or below) adds an hour for each hour of 1.0 or below received. Penalty to hand in signed list of hours to supervisor by the Saturday of the week is the next Friday night spent in supervised library study. Any active with an average below the one required for initiation, 2.2 (C+), must spend eight hours a week in the library. An active and pledge scholarship chart hangs in the chapter room. Undergraduates must be in the dormitory by seven P.M. Upperclass women out for school activities or library must be in the dormitory

by ten P.M. A scholarship ring is awarded annually to the active with the highest average. There is also an award given to the active with the greatest improvement in her grades and to the pledge with the highest average is given the scholarship bracelet. Any active whose average falls below the one required for initiation loses all voting privileges in chapter meetings. Rank among socially competing fraternities for women for the year 1944-45, fourth; 1945-46, fourth.

IV. CHAPTER WORK: There is a pledge supervisor and an assistant in charge of all pledges. These two direct and instruct the pledges in their duties and responsibilities every week during the regular pledge meeting. The sponsor of each pledge makes the development of her "little sister" her personal responsibility. The Executive Council is composed of the president, pledge supervisor, a representative from each class and a representative-at-large. Money is budgeted for the Loan Fund, Holt House, local charities, and contributions made for college funds. We support the Magazine Agency by solicited subscriptions.

V. ENTERTAINMENT: During the fall rushing season all the fraternities for women sponsor a Panhellenic Tea. After this tea rushing is formally opened. Two rush parties are given by the chapter a formal and an informal. At Christmas time the Twelfth Night Dinner Dance with the burning plum pudding is a tradition with Illinois A. In the spring a formal dance is given. One girl always a senior, is asked from the other sororities and from the Independent group. The pledges give a party for the pledge groups of the other fraternities. Founders' Day is celebrated in various ways each year but it is always held in the famous Holt House. We have monthly cooky-shines, and often these are held jointly with the alumnae. Each year the actives give a party for the members of the other fraternities on campus. During the war many open houses were held for the Naval Unit and the civilian students on campus.

VI. CHAPTER HOUSE: Chapter houses for women's fraternities are not allowed on the Monmouth campus. Illinois A has a chapter room and pledge room in the Terrace, a building on the corner of the campus where all fraternity chapter rooms are located. This year the pledge room was redecorated and new drapes were hung.

VII. MAINTENANCE OF ALUMNAE INTEREST: Executive Council meets jointly with the Alumnae Advisory Board each month. Joint cooky-shines are held with the alumnae and about twice a year a tea is given for alumnae and sponsors or patronesses. The alumnae attend pledging, initiation, and Founders' Day ceremonies. Alumnae are invited to all dances. There are no unaffiliated transfers on this campus.

I. MEMBERSHIP: 1944-45: Initiates, 16; active members, 36; 1945-46: Initiates, 24; active members, 61. Resident active members, 12; resident alumnae, 60; total membership up to May 1, 1946, of Illinois B-Delta, 278; of Illinois B, 420; of Illinois A, 436.

II. HONORS: 2 Phi B Ks; 1 Summa Cum Laude; 1 Magna Cum Laude; 1 faculty scholarship; 2 prize scholarships; 1 class president; 1 class secretary; 1 college marshal; 2 Gale editors; 13 members of Gale staff; 1 art editor; 25 members of Student staff; 3 members of Swisher staff; 1 vice-president; 1 treasurer; 4 members of K.A.W.S.; 1 secretary; 1 treasurer; 6 cabinet members of Y.W.C.A.; 1 president; 3 members of Mortar Board; 1 president; 1 secretary-treasurer of Panhellenic Association; 1 president; 1 secretary; 4 members of Sigma A I; 2 vice-presidents; 1 secretary; 15 members of Phi B; 1 president; 2 members of Student Council; 2 presidents; 1 secretary; 9 council members of W.A.A.; 6 student athletic instructors; 32 on class teams; 3 "K" wearers; 2 presidents; 11 members of Thunder-on-the-Left; 24 members of A Cappella Choir; 3 choristers; 8 members of Curtain Call; 35 members of theatre group; 8 leads in plays; 2 student directors; 2 members of Delta Sigma Pi; 1 president; 1 secretary; 12 members of International Relations Club; 1 president; 5 members of Freshman Commission; 5 members of Sophomore Commission; 4 members of House Council of Whiting Hall; 2 members of Board of Publications; 1 delegate to International Religious Seminar; 4 Who's Who in American Colleges; 1 member of Christmas Prom committee.

III. SCHOLARSHIP: In order to maintain high scholarship in the chapter, the chapter has a scholarship chairman. The pledges are required to study in their rooms from 8:30 to 10:30 at night and to study two hours a day in the library. Pledges who report a D or an F to the chapter are tutored by a chapter member in the subject in which they failed. Grades are reported by both actives and pledges every six weeks. Actives who report a D or an F are required to study in the library two hours a day. A pearl recognition pin is awarded each Founders' Day to the junior and to the sophomore with the highest scholastic record. A recognition pin set with dia-

monds is given to the girl in the chapter who has improved her grades the most during the past year. The initiation average required is 3.00. Actives with lower than 3.00 average do not have a voice in chapter meetings for six weeks. Of five women's fraternities, the chapter ranked 4th in 1944-45.

IV. CHAPTER WORK: For several of the pledge meetings an active gives a short talk on some phase of sorority life and what Pi Beta Phi means to her. To encourage activities among pledges, each pledge is required to make at least five points a week, each activity in which she participates giving her one point. Executive Council is composed of the president, vice-president, treasurer, pledge supervisor, and a representative from each of the upper classes. Drives are held at Christmas to boost magazine subscriptions. Christmas presents are given to children at the Free Kindergarten. \$25 is given to the Community Chest.

V. ENTERTAINMENT: There are three large rushing parties during the summer besides other smaller ones. During rush week a formal dinner is given. The pledges give a tea each fall for the pledges of all other sororities on campus. In 1944-45 each sorority gave an all school party to take the place of sorority formals. In 1945-46 spring formals were given once again. A cooky-shine is held before Christmas at which the pledges sing original songs. Before initiation, the pledges give a party for the actives at which the actives are completely at the mercy of the pledges. The night before initiation a cooky-shine is held at which a letter from pledge sponsor to sponsee is read by the president. This letter welcomes the girls into the chapter as active members and helps each new initiate feel a part of the organization and appreciate her responsibility to it as well as the pride that is hers when she becomes a Pi Beta Phi. A banquet is held after initiation. In the spring we celebrate Founders' Day with a formal dinner and on Mother's Day a luncheon is held.

VI. CHAPTER HOUSE: Sorority houses are not permitted on the Knox campus. We hold our meetings in the Recreation Room of Whiting Hall, one of the women's dormitories.

VII. MAINTENANCE OF ALUMNAE INTEREST: The chapter is always glad to entertain alumnae. They are invited to attend initiation and pledging ceremonies. Our alumnae help us a great deal with rushing by furnishing their homes as well as by giving us helpful advice. After pledging ceremonies, a supper is served by the alumnae; and on the day of initiation a luncheon is served at noon by the alumnae. On Founders' Day actives and alumnae combine to celebrate at a formal banquet. During the year a card party is given by the alumnae for the chapter. Once a month the Advisory Board meets with the Executive Council. An alumna visits one chapter meeting each month. We have had no unaffiliated or affiliated transfers during this period.

II. HONORS: 2 Phi B Ks; 5 honor graduates; 1 class vice-president; 1 class secretary; 8 members on class councils; 5 members on Syllabus; 1 engraving editor, and 1 section editor, and 1 women's sports editor; 1 member on editorial board of Purple Parrot, and 1 on circulation staff, and 1 on fashion board, and 1 on advertising staff; 1 feature editor of the Daily Northwestern, and 1 sports editor, and 1 campus editor, and 2 members on feature staff, and 2 members on editorial board, 1 member on business staff, 1 member on art staff, and 6 on working staff; 7 members on staff of Student Director; 18 members in Y.W.C.A., 1 Cabinet member, 1 membership chairman, and 2 on financial committee; 4 members on Mortar Board, 1 secretary, 1 manager of May Day activities, 1 music chairman; 3 members in Alpha Delta; 5 members in Phi B, 1 president; 1 member of Zeta Phi Eta; 1 member of Theta Sigma Phi; 4 members in Sigma A I, 1 assistant treasurer, 1 social chairman, 1 sergeant-at-arms; 2 members of Phi Sigma I, 1 president; 1 president of Panhellenic Association; 2 members on Music School Council, 1 member for 4 years; 1 member on Speech School Senate; 4 members of Shi-Ai, 1 vice-president, 1 social chairman, 1 co-chairman of Shi-Ai Bat; 5 members of WSGA, 2 scholarship chairmen, 1 secretary, 1 treasurer, 1 manager of arrangements for Speaker's Bureau, 1 treasurer of Speaker's Bureau; 1 ex-officio officer on Student Governing Board; 3 members on War Council, 1 president, 1 secretary; 1 secretary of 7th War Loan Drive; 5 members of Hospital Unit; 19 members on Wildcat Council, 2 presidents, 3 vice-presidents, 1 publicity chairman, 5 district representatives, 14 group leaders; 1 president of Orchestris; 1 secretary of Pep Club; 6 members of Spanish Club; 4 members of German Club; 2 members of International Relations Club; 5 members of Scott Hall Workshop, 1 chairman; 1 president of Women's Athletic Association, 3 sports heads; 6 on varsity hockey team; 4 on varsity basketball team; 12

on class teams for hockey; 1 winner on golf team; 2 major "N" winners; 1 Final Athletic Emblem winner (only 2 given each year); 1 lead in Sophomore-Junior Musical; 1 executive secretary and 1 assistant executive secretary for Sophomore-Junior Musical; 1 lead in University Theatre production of *Twelfth Night*; 6 members of Radio Playshop, broadcasting over Chicago stations, and frequency modulation stations; 3 in a cappella choir; 3 glee club members; 1 *Syllabus* Queen; 1 May Queen, and 2 attendants in Court; 1 first place in 1st post-war Homecoming Activities for Homecoming Float; 10 members who are campus models; 1 B O II Honorary Sweetheart; 1 member voted as one of Chicago's 10 Best Dressed Women.

III. SCHOLARSHIP: The Scholarship Chairman and her assistants speak to the pledges at their first pledge meeting, explaining the reasons for, and the enforcement of, the scholarship rules. Ten study hall hours are required per week of each pledge under active supervision. At mid-quarter, post cards are sent to all professors, requesting grades of the pledges. Any pledge with an average below 3.2 is assigned to a scholastic sponsor, who accepts the responsibility of bringing the pledge's grade average up to initiation standards. A 3.2 is required of all pledges for initiation, which is higher than any other sorority's standard. The chapter awards \$25.00 to the pledge with the highest average. Initiates are placed in the house according to date of initiation and scholarship; since we can house only 33 of approximately 60, this acts as an incentive to keep pledge averages high. The University has tutors who help those in need. The chapter has its own tutorial supplement to the University tutorial system. A file is kept of each active's specialized field; pledges are urged to use this file to locate girls who can help them with specific courses. The chapter requires a 3.2 average of all actives. If this average is not attained, the active loses her vote in the chapter. A \$25.00 prize is awarded to the active who shows the greatest scholastic improvement each year. A regimented system of quiet hours is enforced by hall proctors who make signs and write humorous verses to keep actives alert about scholarship. Northwestern University is not in favor of publishing any list of scholastic rank among sororities or fraternities, so this information is not available.

IV. CHAPTER WORK: After third pledge meeting, pledges elect pledge officers entirely on their own, and henceforth conduct their meetings in parliamentary procedure. The pledge supervisor and her assistant are present only to give assistance and direction. Previous to the third meeting, the pledges have at least four informal get-togethers during which they become acquainted with one another, and consequently, are more capable of making decisions about pledge officers. In teaching the pledges to conduct their meetings, they are more adept in chapter meeting participation. During first two weeks of school, organized appointments are made by pledge trainer and executive council for the pledges and actives. During these "appointments," the actives take the pledges out on informal dates. In this manner, the pledges and actives become better acquainted. After second week, pledges turn into pledge trainer three preferences for "mothers"; actives turn into pledge trainer their three preferences for "daughters." These preferences are matched and decided upon by the pledge supervisor and executive council. "Mothers" are chosen with discretion as they act as guides for pledges for the remainder of their college careers. At an informal party, the pledges are told of their mothers. Every other Monday night, we have chapter dinners for pledges and actives. Pledges entertain at these dinners with skits, songs, etc. The executive council consists of the president, pledge supervisor, vice-president, house manager, rushing chairman, and representatives of each class, and a town girl representative. The chapter plans each year to set aside a specified amount for the Settlement School Fund and for Holt House. At least once a year, the chapter cooperates with the North Shore Alumnae Club for a Settlement School Sale. A drive was established by the Magazine Chairman to sell subscriptions for Mother's Day. The chapter has contributed to the War Loan Drive through the purchase of thousand dollar bonds. The chapter contributed to the Christmas Charities Drive, Fund for War Orphans, and recently made a successful drive for the Famine Fund. The chapter publication, the *Whir of the Arrow*, is sent to all alumnae of the chapter, complete with latest news and pictures. Cooperation has been stressed this year, and a fine new spirit is evidenced by the full chapter turn-out at every campus function. Quiet hours are more effective, each active has been given some responsibility in the house, and a new system of voting for rush week has been found most successful.

V. ENTERTAINMENT: 1944-45: 7 rushing parties; 1 pledge party; 1 hard-times party; 3 open houses—football season; 1 winter formal dinner-dance; 1 cooky-shine; 1 Christmas party; 3 inter-sorority exchange dinners (Pi Beta Phi first at Northwestern to rejuvenate exchange dinners); 1 senior farewell; 1 initiation banquet; 1 trip to see legitimate stage

play; 1 annual picnic; 4 slumber parties. 1945-46: 7 rush parties; 1 pledge party; 6 open houses—football season; 1 cooky-shine; 1 Christmas party; 5 inter-sorority exchange dinners; 1 winter dinner-dance; 1 "Pi Phi Ranch-house"—informal party; 1 spring formal; 1 senior farewell; 1 initiation banquet; 1 alumnae-parents tea; 1 Homecoming alumnae-parents tea; 1 "Gay Nineties" party; 1 inter-sorority open house (Pi Beta Phi first to inaugurate this at Northwestern).

VI. CHAPTER HOUSE: The house is owned by the Illinois E House Association. It is worth \$78,699.23. Each year the house is given a new improvement. In the summer of 1944-45, the drapes and chairs in each room were cleaned, reupholstered, or replaced, if necessary. In the summer of 1945-46, the house was given a complete redecoration, most of the living room and smoker pieces were upholstered, and a new rug purchased for the front hallway.

VII. MAINTENANCE OF ALUMNAE INTEREST: We feel very fortunate in having a very active and interested North Shore Alumnae Club. During rush week the alumnae are invited to rush parties, and they offer many helpful suggestions; they donate flowers and their time to help make our rush week a success. They come to initiation and chapter meeting. Often the alumnae hold their meetings at the house. The active chapter and alumnae hold their Founders' Day together. Now that Homecoming has returned, the chapter holds Homecoming teas and get-togethers for the alumnae. At least once a month, the Executive Council meets with the Advisory Board, and the Board has dinner at the house. The House Board meets at the house, and after luncheon, holds its meetings. There have been approximately 35 unaffiliated transfers on the campus in the last three years. The transfers are urged to draw up meal contracts whereby they may eat all their meals at the house; they are invited to all our social functions, and asked to attend chapter meetings. They are participants in all our campus activities such as May Sing, baseball games, hockey, basketball, and are urged to spend as much time with the actives as possible. Eight transfers have been affiliated in the last three years.

II. HONORS: 2 Φ B K; 2 Φ K Φ ; 5 A A Δ ; 1 Bronze Tablet; 2 College Honors; 9 Class Honors; 1 member of Freshman Council; 2 members of Student Senate; 3 Mortar Board; 4 Shorter Board; 3 Torch, 1 vice-president; 2 Shi Ai; 1 K Δ II; 1 K T A; 1 Θ Σ Φ ; 3 Σ A I; 1 Z Φ H, 1 president; 1 most outstanding student in Journalism; YWCA: 61 members; 20 committee members; 1 president; 1 national convention delegate; *Illini*: 8 Freshman business staff; 1 Sophomore business staff; *Illio*: 2 Freshman business staff; 1 Freshman editorial staff; 1 Sophomore editorial staff; 2 Junior business staff; 1 Junior business manager; *Illini* Union: 17 committee members; 1 Union director; 2 department chairmen; Woman's League: 1 secretary; WAA: 4 members; Terrapin: 4 members; 1 secretary; 18 baseball; 4 ping pong, champions 1946; Star Course: 4 Freshman committee members; 3 Sophomore managers; 1 Senior co-manager; 1 A Σ N; 1 Home Economics Club, 1 president; 1 Φ T O, 1 recording secretary; Theatre Guild: 16 members; 13 committee members; 1 Junior manager; 2 Mask and Bauble; 1 secretary of Mask and Bauble; 4 Arepo members; 1 president of Arepo; 3 members of local Panhellenic staff; 1 YWCA Doll Show Chairman; 1 Senior Ball Committee; 1 Sophomore Cotillion Committee; 1 Freshman Frolic Committee; 1 Big 10 Track Court of Honor; 1 Inter-Fraternity Queen attendant 1946; 1 *Illio* Beauty Queen 1945; 3 Campus Leaders Section; 1st prize in Homecoming Decorations; 1st prize in Homecoming Stunt Show; 2nd prize in YWCA Doll Show; 4th prize in Shi Ai Sing Contest; 3 cast members of Operetta; 3 cast leads in Theatre Guild Shows.

III. SCHOLARSHIP: Pledges and actives must maintain a C average. The pledges are required to spend approximately 22 hours per week in supervised study at the house or library. Pledges study in the seminar room under upper class supervision any hour of the day from 8:00 until 3:00, Monday through Friday noon, and every evening except Friday, Saturday, and Sunday from 7:30 until 10:00. They are required to be in bed at eleven o'clock every night from Sunday through Thursday, with one late permission for study allowed each week when necessary. Each pledge is allowed two free hours each week when she does not have to attend seminar. A scholarship chairman is elected by the chapter to develop and lead scholarship activities. The Freshman with the highest grade average receives a diamond recognition pin. The member showing the greatest improvement receives a crested ring, while the Senior who has maintained the highest average throughout her entire four years is awarded a crested ring with a sapphire setting. Actives lose their voice and vote

in chapter meetings when they fall below a C average in scholastic standing. Pi Beta Phi ranked second first semester and third the second semester of 1944-45. Illinois Z was third in the competition among the social fraternities for women on the University of Illinois campus the first semester of 1945-46.

IV. CHAPTER WORK: Each pledge has an active member for her sponsor. These sponsors take an individual interest in their pledges and help them with their work. Meetings are held once a week for pledge training in fraternity study and requirements. Also sponsors meetings are held once a month to discuss the various problems concerning the pledge's scholarship, activities and social training. The offices of social and activity chairmen in the pledge class are automatically assistant to those offices in the active chapter. This is done to develop the officer potentialities in the pledge class. The president, vice-president, pledge supervisor, scholarship chairman, rushing chairman, and one member elected by the chapter (usually a Senior) comprise the members of Executive Council. Settlement School Sales are held in the chapter house throughout the year for the chapter members, alumnae, and townspeople. *The Arrow*, a quarterly newspaper, is published by the Stuart Howe Alumnae Service and is sent to all Illinois Z alumnae and the active chapter. It is financed by donations from the alumnae and contains news of alumnae, active chapter, and campus. This is an excellent method for linking the active chapter with the alumnae. We have established a new pledge system. It is based on a positive approach rather than negative, whereby pledges receive merits rather than demerits. \$1.00 annually is given by each girl in the house to the Settlement School, \$25.00 is given to the Loan Fund by the chapter, and \$5.00 to Holt House.

V. ENTERTAINMENT: Aside from the formal rushing parties, we have informal rushing dinners at the chapter house. We entertained the Deans of the University at dinner. Mothers' and Fathers' Day are celebrated at the chapter house with a banquet. We took special delight in celebrating Illinois Z's 50th anniversary this year. All of the living founders of Illinois Z, with the exception of one, were present at this function. Of course our National Founders' Day banquet is always a great deal of pleasure. Christmas and Spring formals are given by the chapter, as well as a pledge dance in the fall. A reception was given for one of our music students after her Senior recital. We have had numerous exchange dinners with both fraternities and sororities throughout the year.

VI. CHAPTER HOUSE: The Chapter House is owned by the Illinois Z Corporation of Pi Beta Phi. It is valued at \$85,000. We had the first floor redecorated, as well as the second floor lounge in the summer of 1944.

VII. MAINTENANCE OF ALUMNAE INTEREST: Every effort possible is made by Illinois Z to keep in close contact with chapter alumnae, particularly those living in Champaign and Urbana. They are invited to all rushing parties in the fall, and are invaluable to us in helping to select the new pledges. They are also invited to any teas and receptions given during the year and to pledge and initiate banquets. The alumnae give an affair each fall for the new pledges. This has proved very successful. Seniors are invited to the last alumnae club dinner in the spring, and in this way interest is created in them to do alumnae work when they leave school. The alumnae have their Settlement School sales at the chapter house every year. These past years the sales have been unusually successful. They also plan the Founders' Day banquet which is given for both active and alumnae members every spring at the chapter house. During the past three years there have been approximately thirty unaffiliated transfers on the campus. They are invited to all teas and receptions and to Founders' Day. Many of them come to the house for dinner on Monday night before chapter meeting. There have been three affiliations during the past three years.

I. MEMBERSHIP: 1944-45: Initiates, 11; actives, 28. 1945-46: Initiates, 10; actives, 27. Resident actives, 24; resident alumnae, 65; total membership up to May 1, 1946, 225.

II. HONORS: No honorary fraternities exist on this campus. Graduates 17; 1 lady stick of Interior Decoration; 1 lady stick of Arts; 2 presidents of the Women's Association; 1 secretary of the U.M.S.U. Council; 2 secretary-treasurers of the Women's Athletic Directorate; 1 secretary-treasurer of the Women's Association; 1 social convener of the Women's Association; 1 treasurer of the Home Economics Council; 2 junior treasurers of the Home Economics Council; 1 president of the Home Economics Club; 1 junior U.M.S.U. representative from Home Economics; 1 secretary of the Science Council; 1 secretary of the Education Council; 1 president of the Glee Club; 3 Glee Club choruses; 8 properties for Glee Club; 1 Athletic Board of Control representative from Arts; 3 War Services representatives; 2 social convenors of

the Arts Council; 2 U.M.S.U. social committee; 2 Senior U.M.S.U. representative from Arts; 1 publicity chairman of the Women's Athletic Directorate; 1 Sports Editor of the *Mantoban*; 1 United College Council; 4 Arts Council; 1 University drama; 2 interfaculty drama; 1 golf convener for the Women's Athletic Directorate; 3 Senior Varsity basketball; 1 basketball convener for the W.A.D.; 3 interfaculty basketball; 1 cheerleader; 2 track team; 2 tennis; 1 volleyball; 1 University Ice Carnival; 2 *Who's Who in American Colleges*; 1 Engineer's Queen; 1 Arts representative for Ice Carnival Queen; 1 I I B Φ representative for Valentine's Queen; 1 Alumni Association Jubilee Award; 6 U.M.S.U. awards.

III. SCHOLARSHIP: The scholarship chairman is elected by the active chapter and keeps a record of each girl's study hours each week. At the end of each term she compiles a comparative scholarship chart. The study hours required for actives and pledges in all faculties is 18 hours per week. One week is given to make up back hours. If they are not made up by that time there is a fine of 5 cents for each hour. If at the end of the second week the girl is still behind she is brought before the Alumnae Advisory Board. There is a scholarship luncheon in second term and the girls are paired off alphabetically. The girl with the lower average pays for her partner's lunch. Pledges who fail to make their average are required to do 20 hours study a week and they may receive help from any member of the active chapter who is proficient in the desired subjects. A recognition pin is given to the active with the highest average for the year and also to the active showing the greatest improvement from one term to the other. The alumnae present an award to the pledge with the highest average during the first term. The pledge average is 59.5 per cent and the pledge must be taking a full course, a full course being defined as the number of units as prescribed by the University Calendar for the year in which she is registered. She is allowed one 4-unit supplemental. An active member with an average below 59.5 per cent loses her vote in chapter meetings for six weeks. The rank of the chapter for 1944-45 was 5 out of 12. No ratings are available for 1945-46 as yet.

IV. CHAPTER WORK: Pledge meetings are held once a week with the active pledge supervisor in charge. Once each term there is a meeting devoted to scholarship and conducted by the chairman with a member of the Alumnae Advisory Board present. They have speakers from the alumnae club who speak on subjects pertaining to the fraternity such as Convention and Settlement School. Each pledge has an active and an alumnae sponsor who keep in touch with her and give her all the assistance they can. The pledge class has its officers to correspond with the active chapter. Supper meetings are held about once a month for both actives and pledges. Active meetings are preceded by a meeting of the executive council which consists of the president, vice-president, treasurer, pledge supervisor, scholarship chairman, one junior, one sophomore. The chapter contributed \$10 to the Settlement School and \$10 to Holt House for the combined years 1944-45 and 1945-46. For 1944-45 each active contributed \$1 to the Physiotherapy Scholarship Fund.

V. ENTERTAINMENT: 1944-45: Rushing: 2 teas and the final reception, alumnae party in honor of the pledges, pledge party, initiation banquet followed by a formal supper dance, tea in honor of Miss Onken to which representatives from all the women's fraternities were invited and also the Deans of Junior and Senior Women on the campus, tea in honor of Miss Onken given by the mother's club, scholarship luncheon, Founders' Day luncheon, luncheon in honor of the graduates given by the mother's club, alumnae tea for actives and pledges, weekend at Matlock beach. 1945-46: Rushing: 2 teas and the final reception, alumnae party in honor of the pledges, pledge party, initiation banquet followed by a formal supper dance, Open House to which all members of all fraternities on the campus were invited, tea given by the pledges for the actives and the alumnae, scholarship luncheon, Founders' Day luncheon, luncheon given by the mothers' club in honor of the graduates, tea given for the actives and pledges by our patroness, Mrs. Henderson, tea given by Miss Isabel Clark, weekend at Matlock beach.

VI. CHAPTER HOUSE: Our chapter shares a room in the best residential district in the city with the K K Γ and the A Φ fraternities. We pay \$34 a month in rent.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae are invited to all social functions, pledgings, initiations. There is an alumnae sponsor for each pledge. The alumnae give a party for the pledges each year at which the pledges and the alumnae get to know each other better. The alumnae help us during rushing by looking after the refreshments and attending our rushing functions. They have charge of the initiation banquet and Founders' Day luncheon. The actives entertain the alumnae each year in some way. This year we entertained them at bridge. The alumnae advisory board meets with the active executive council once every month. Members of the alumnae club are asked to speak to the pledges on subjects pertaining to the fraternity such as Con-

vention, Settlement School, and Scholarship at their meetings. We have not had any unaffiliated transfers on our campus in the last three years. There have been no affiliated transfers during this period.

III. SCHOLARSHIP: An endeavor has been made for several years to maintain a high scholastic record. During the past two years, each house pledge was required to study for three hours under the supervision of an active in that active's room. This plan proved much more satisfactory than the study table used in previous years, because there were no distractions from the presence of other members in the room. The progress of each pledge's scholastic record is continually checked, and individual help is given where needed. A scholarship campus is imposed on any girl, active or pledge, who receives one "F" deficiency, two "D" deficiencies, or a "D" deficiency in the same subject for two consecutive periods. This means that that girl may not leave the house, except for library work, after 7:30 P.M. on Monday through Thursday. Quiet hours are enforced till 12:00 noon, from 1:00 P.M. until 4:00 P.M., and from 7:30 P.M. on, Monday through Thursday; Friday until noon and from 1:00 P.M. until 4:00 P.M.; and all day Sunday. At our annual Founders' Day banquet a recognition pin is awarded by the alumnae club to the girl who shows the greatest improvement in her work for the two preceding semesters. A jeweled badge is presented to the initiate having the highest scholastic average. A fine of ten dollars is imposed on any girl who accepts a date or goes out the night before a final examination. North Dakota A requires for eligibility to initiation an average of 1.25 in twelve semester hours of work, or a 1.00 average in fourteen hours of work taken the preceding semester. An active is expected to maintain at least the average required for initiation. For several years $\kappa \Delta \Theta$ and Pi Beta Phi have been rivals for first and second ratings among all women's fraternities on campus. The first semester of 1944-45 we held second place; the second semester of that year we held first place; the first semester of the year 1945-46 we again were second.

IV. CHAPTER WORK: Both active and pledge meetings are held each Monday night throughout the school year. Previous to these meetings the executive council, consisting of the chapter president, the pledge supervisor, treasurer, rush captain, and representatives from the classes not represented as officers, meets to determine the important business of the meeting and to offer suggestions. Once a month combined active-pledge meetings are held, after which each group is dismissed to its respective meeting. The first part of

the pledge meeting is devoted to a recitation or written test on the pledge lesson and the learning of Pi Phi songs. The last half of the meeting is used as a business meeting, during which the pledge president and other pledge officers are in charge, with the guidance of the pledge supervisor. Each pledge is put on a committee to work with the active member in charge of that committee. This stimulates a sense of responsibility to chapter activities in the pledges and prepares them for future leadership in the chapter. At the beginning of the year several combined meetings are devoted to etiquette, Pi Phi history, Settlement School, and campus activities. Constructive criticism and guidance are given to each pledge by her sponsor throughout the year. Five dollars was given to the Loan Fund, ten dollars to Holt House, fifteen dollars to the Settlement School, and thirteen dollars and sixty-five cents to the Magazine Agency. Members contributed twenty dollars to the Red Cross, twenty dollars for the Christmas Seal drive, thirty-eight dollars to the World Student Service Fund, and over \$4,000 to the campus individual War Bond drives. In addition the chapter bought two War Bonds. Last year the chapter was active in war work. Pi Phi helped roll bandages, worked in the ration board office during the distribution of war ration books, sent books and playing cards to service men overseas, and contributed to the scrap drives. A recognition pin is presented by the alumnae club to the most representative girl in the chapter. This award is given at our annual Founders' Day banquet.

V. ENTERTAINMENT: Traditional social functions at North Dakota A include a tea given by the pledges for all other pledges on the campus; the "Pi Phi Shindig," a hard time party; a Christmas party to which all actives, pledges, alumnae, patronesses, mothers and sisters are invited; a farewell buffet supper given for the graduating seniors by the Mothers' Club; a senior farewell breakfast; Founders' Day banquet; dinner celebrating the birthday of our chapter, at which all actives, pledges, and alumnae are present; and open houses and exchange dinners with fraternities. Last year the alumnae club gave the Founders' Day banquet at the University Commons to celebrate the burning of the mortgage on our house. Over 150 actives and alumnae were present. Our Grand President, Miss Onken, had planned to attend, but was unable to come because of illness. This year, with the return of football at the University of North Dakota, we resumed our Homecoming dinner given by the chapter for all alumnae. In addition to the traditional social functions, we had a tea in the fall presenting our new pledges to fraternities and sororities, a spring picnic, radio parties, slumber parties and dinners for Pi Phi sisters, and dinners for the Dean of Women, the President of the University and his wife, the society editor of the *Grand Forks Herald*, visiting alumnae, and other faculty members. During rush week teas, luncheons, and formal dinners are given for rushees.

VI. CHAPTER HOUSE: The chapter house was built in 1928 and is owned by the Pi Beta Phi House Association. It cost approximately \$27,000, and the furniture is valued at \$7000, the lot at \$1500. The house accommodates twenty girls, a chaperon, a cook, and a maid. Last year we received as a combined birthday and Christmas gift forty place settings of China from the Mothers' Club and alumnae club. During the summer of 1945, the entire house was redecorated, and new drapes, slip covers, and venetian blinds for the town girls' room, a rug and venetian blinds for the chapter room, new slip covers and lamps for the den were purchased. Other additions include bedspreads, curtains, and linen. Plans are being made to buy new drapes for our living room this summer, if material is available, and new dining room furniture.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae are in charge of the Preference Tea during rush week and the annual Founders' Day banquet. The Advisory Board meets with the Executive Council the second Monday of each month, or more often if necessary. Alumnae are invited to initiations, parties, all rush functions, and dinners. Last year one of our alumnae was outstanding in the work done in revising the Panhellenic rushing rules. The suggestions of alumnae members during rush week, homecoming, and Flickertail Follies are invaluable to us. We have had no unaffiliated transfers on our campus during the past three years and no affiliated transfers by our chapter for that period.

III. SCHOLARSHIP: We require all pledges to keep a study chart of 25 hours each week. Each of the hours must be signed either by an active in any sorority or the pledge's sponsor in this chapter. Of the 25 hours, 10 must be spent in the University library or study hall, and 15 must be spent at home. An hour is added to next week's chart as penalty for late study charts. Pledges are not allowed to go into any campus cafes before 4:30 P.M. Violations of this rule are fined. A 1.00 (C) average is required for initiation into the chapter, as well as completion of 12 credit hours in the University. The Dean of Students Office must pass on all girls to be initiated. Actives who don't make their average one quarter are not allowed to go into any campus cafes during school hours. They have no voice in meeting for the coming quarter, and are not allowed to vote for the first six weeks of the next quarter. They must keep study charts of 25 hours each week with 10 hours in the library. These charts must be turned in at each meeting or the person is fined. Any active who doesn't make her average for two consecutive quarters must keep a study chart with 25 hours each week but must have it signed by any active or her parents. The other rules also apply. An active who fails to make her average for three quarters in a row must abide by the above rules as well as have her pin placed in the archives until the required average is made. At a scholarship dinner each quarter, the girls with averages 1.90 (C) or better are honored. A bracelet is given to the active with the highest average and also to the active with the greatest improvement in her grades. At Founders' Day, a silver cup is presented to the pledge with the highest average for the year, and a ring is given to the active with the highest average for the year. To improve our scholarship, any girl who doesn't make her average has a conference with the alum scholarship advisor to determine why she did not make a 1.00 average, and what she can do to improve. In the case of pledges, advice is given about choosing their courses and arranging their schedules. Panel discussions with the entire chapter to analyze scholarship problems help to awaken an interest in keeping our average up to the best of our ability. Also, each quarter a graph is made showing all the grades and the position of each girl with respect to others in the chapter. Our chapter ranked first among all the academic sororities on the University of Minnesota campus, and won the Panhellenic scholarship cup for 1945. No statistics are available for 1946.

IV. CHAPTER WORK: The pledges elect their own officers who direct the meetings which are held every Monday evening. These meetings are under the supervision of the Pledge Trainer, and once a month the pledge trainer's assistant supervises the pledge meeting. The meetings consist of singing Pi Phi songs, studying the *Manual*, and dis-

cussing pledge problems. Each officer of the chapter attends one meeting to give the pledges a short resumé of her particular duties, and the alumnae advisor takes over one meeting. A short oral exam on the pledge manual is given every Monday night. Once a month a pledge corresponds with the Province President, writing her news of the pledge class. Besides other regular duties, each pledge is encouraged to participate in some extracurricular activity. Pledges are also asked to serve on regular chapter committees. Each pledge class is expected to carry out a project of their own choice. The pledge president attends one Panhellenic meeting, and one pledge presidents tea. One sponsor is appointed to each pledge to help the pledge with any problems she may have, and to be her special friend and advisor in the chapter. We also have instituted a sponsors' training program to help the future sponsors of the chapter to better understand their duties toward the pledges. Pledges were represented on a very successful panel discussion of active-pledge relationships. Our executive Council consists of the president, treasurer, house president, pledge supervisor, scholarship chairman, and sophomore, junior and senior representatives. Minnesota A has contributed to the Loan Fund, Holt House, Physical Therapy Fund, Foster Parents of America and the Settlement School. We have also helped the alumnae to give their displays of the Settlement School products. We gave a family dinner with the proceeds going to the campus Chest. The profit from our rummage sale went to the Red Cross. We had a starvation dinner at the house and the profit went to the Food For Freedom Drive. We have also started a drive among our alumnae and actives, with a goal of \$1,000 for this same drive. We had a Valentine party for some girls from one of the city settlement houses. Other contributions were given to the Christmas Seal Fund, Infantile Paralysis Drive, and the Cancer Fund. Mrs. Horace Chope has led two discussions for the actives and pledges on the "Purpose of Sororities." These discussions have stimulated the activities of the chapter. Minnesota A has been working closely with Panhellenic in strengthening cooperation and goodwill among the sororities on the campus by having exchange dinners, coke parties, and discussions.

V. ENTERTAINMENT: Social affairs for 1944-45 included one week of formal rushing, including four teas, three desserts, and one dinner; then a bridge party for the delegates of the Theta province convention; a tea for Miss Onken, a party for transfers; a coke-bridge party at the A Φ house; a barn dance for actives and their dates; skiing party for the Alpha Phi; an informal dance; the house girls had the $\Delta \Gamma$ house girls for dinner; a tea honoring the alumnae of Pi Phi; a Panhellenic picnic; a Mothers' Day luncheon; a picnic with $\Phi \Psi \Sigma$; a Spring formal; and we also had the traditional cooky-shines, slumber parties, open houses, and exchange dinners with other sororities and fraternities. The social activities of 1945-46 included one week of formal rushing; open house for pledges; a tea for pledges and their mothers; a Panhellenic picnic for pledges; a dinner in honor of Mrs. James Morrill, wife of the President of the University of Minnesota; a Dad's Day luncheon; a Fall formal followed by an open house at the chapter house; a Panhellenic party for underprivileged children; two informal rushing teas; open house tea for our new housemother; a skiing party; pledge-sponsored party for the members of $\Phi \Delta \Theta$; dinner for Mrs. Updegraff, Theta Province President; slumber party; a family dinner; a Spring formal; scholarship dinner; and dinner for transfers.

VI. CHAPTER HOUSE: Our house is owned by Minnesota A of Pi Beta Phi Association, and is rented to the local chapter at \$3,150 per year. The house is valued at \$45,000.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae help us a great deal with formal rushing by serving at our teas and attending some of our meetings. Every year they give us a Christmas luncheon and they also give a picnic for the graduating seniors. The Minneapolis and St. Paul groups take turns giving the Founders' Day dinner, this year being held in St. Paul. The alumnae are invited to all our parties and to dinner on the first Monday night of every month. The Advisory Board meets once a month at the house with the executive council and then stays for dinner and the meeting following. We have had ten unaffiliated transfers on the campus in the last three years and have affiliated two in the same length of time. The transfers eat lunches and dinners at the house and are invited to all our social activities and many join our athletic teams. In addition to this we have some sort of a party for them once a quarter.

II. HONORS: Scholarship—no chapter of $\Phi B K$, ΣE , or $\Phi K \Phi$; 3 $\Gamma \Phi s$ (local scholastic fraternity), honor students, 10, 1 graduate magna cum laude; 1 class president; 2 class vice-presidents, 2 class secretary-treasurers; annual, *The Croaker*, 2 editors-in-chief, 1 advertising manager, 1 assistant business manager, 2 literary editors, 2 art editors; 12 on *Tiger* staff; 3 in Que Est (equivalent Mortar Board); 4 in Ellen Richards Club; 3 in $K \Pi$; 5 in International Relations Club; 3 in $\Pi P Z$; 3 in Biology Club; 3 in $\Sigma T \Delta$; 5 in $A \Psi \Omega$; 8 in Iowa Wesleyan Players; 8 in Pep Club; 1 on basketball team; 2 Red Cross Life Saving; 3 in concert choir; 17 in one-hundred-voice choir; 1 in swing band; 13 band members; 2 *Who's Who in American Colleges*; 4 outstanding freshmen; 1 Homecoming Queen; 2 Homecoming Queen's attendants; Second Place in Fraternity Stunts at Homecoming Place in $\Sigma T \Delta$ Contest.

III. SCHOLARSHIP: The pledges must have an authentic report of 10 hours study. Pledges with grades lower than "C" restricted to a study table. "C" average required for initiation and active membership. Grades are sent out by the administration every four weeks. The girl who makes the highest grades for each year is awarded the National Scholarship Ring. The second highest in grades receives a rotating diamond recognition pin. Iowa A ranked first on the campus in 1943-44 and second for 1944-45. The first semester of 1945-46 will not be available until fall.

IV. CHAPTER WORK: Personality check-up was accomplished by written constructive criticism of each other. Reports were given by the girls concerning campus activities, Pi Phi History, etiquette, etc. The pledge group sponsored a Christmas Dance for the chapter. During the year, talks were given by the Province President and each member of the Advisory Board. The Executive Council consists of the president and two representatives from each class. Five dollars was contributed to the Settlement School, the Loan Fund, and Holt House. Each pledge sold at least two subscriptions for the Magazine Agency. Local charities included the Red Cross, forty dollars; World Student Service Fund, seventeen dollars and fifty cents; and clothes for Europe. Chapter publications included a *Rushing Bulletin*, and the *Kid Kicker*, annual pamphlet edited and published by each pledge group for Homecoming. The *Kid Kicker* contained pledge pictures, active and alumnae news. It was distributed to the active chapter and alumnae.

V. ENTERTAINMENT: Open House for alumnae at Homecoming, Halloween Serenade, monthly cooky-shines, Homecoming cooky-shines, Panhellenic Party, Christmas Dance, Christmas party, Panhellenic spring formal dance, annual Sweetheart Ball, spring serenade, commencement Panhellenic tea, commencement breakfast.

VI. CHAPTER HOUSE: Iowa A maintains an apartment of four rooms and bath at 300 North Main. In the fall of 1945, new upholstery, draperies, tea and end tables, two occasional chairs, and two table-lamps were added to the rooms. Also four white shag rugs. A great deal of the redecorating was done by the girls with much help from the ever-willing alumnae club.

VII. MAINTENANCE OF ALUMNAE INTEREST: Iowa A enjoys a very interested and capable alumnae club. They always help a great deal during formal rush week. Alumnae are in attendance at at least one meeting per month and attend pledgings and initiations, and may attend the spring and winter formals. During the year the alumnae club entertains the active chapter and are entertained in return. Alumnae and actives commemorate Founders' Day with dinner together, and at commencement, a breakfast. Development of the chapter has been furthered much by the alumnae club.

III. SCHOLARSHIP: The alumnae club awards a diamond recognition arrow to the active girl who has made the greatest improvement in her grades from one semester to another. The pin is worn the following semester. The chapter gives a box of Pi Beta Phi stationery to the pledge having the highest grades her first semester. A list of good grades is read every Monday night in general meeting. Quiet hours are observed in the house by both those living in the house and those coming in during the day. Library hours are voluntarily enforced until four o'clock each afternoon and each week night when college functions do not interfere. Our scholastic requirement for initiation is a "C" average. Our chapter ranked second and third for the two semesters of 1944-45 among socially competing fraternities for women, and fourth for the first semester of 1945-46.

IV. CHAPTER WORK: Our chapter meetings are held every Monday evening; first general, with both pledges and actives, and afterwards, active meeting. The pledges meet separately one afternoon during the week. The executive council, composed of the president, treasurer, corresponding secretary, rush captain, scholarship chairman, pledge supervisor, and sophomore, junior, and senior representatives, meets first to discuss plans for the chapter meetings. The pledge supervisor conducts pledge instruction over the fraternity work. Each pledge is supervised by an active sponsor who aids her in fraternity life and in making her adjustments on the campus. Each year the most representative pledge has her name engraved on a special cup. Iowa B contributes from their budget to the Settlement School, Loan Fund, and Holt House. Each girl is urged to sell at least one magazine subscription per year through the Magazine Agency. An activity chart stimulates both actives and pledges to strive for better records.

V. ENTERTAINMENT: Summer rush parties, including breakfasts, theatre dinners, traveling dinners; open house in the fall; seven fall rush parties; Panhellenic tea; formal preference dinner; serenade. We had an Open House for the fellows after a night football game; a Halloween party; our annual Christmas formal; St. Patrick's Day Dance; and the spring picnic at the lake. We entertained the faculty at an Easter breakfast. We welcomed the men's fraternities back on the campus with hour dances this spring. We had a banquet, chili supper, and a "come as you are" breakfast for the other sororities. The Mothers' Club gave us a Christmas party and at their monthly meetings they served tea and cookies to the chapter. The alumnae club entertained the pledges and actives in separate groups at one of their homes during the year. An initiation dinner is given by the Alums, and the Founders' Day program and dessert was shared with them. The traditional cooky-shine is held each December in addition to the chapter Christmas party. The pledges give a surprise breakfast for the actives presenting their mothers with paddles. Heart Sister Week is observed in the house the week before Valentine's Day, when good deeds are done and midnight snacks mysteriously appear. Frequent slumber parties are held at the house for the entire chapter with "spreads" and the singing of Pi Phi songs being the main attractions. Special visitors to the campus and also faculty members are invited to eat at the house.

VI. CHAPTER HOUSE: Our house is owned by a corporation made up of Iowa B alumnae. The value is \$15,000. Each girl gives \$2.00 in the fall to be used for additions to her room. Recently the downstairs and hall walls were painted. A built-in dressing table unit was placed in one room, and new slip covers and curtains were made for several rooms. Old dressers were made over into spacious desks. The old upstairs furniture was repainted. Throw rugs were purchased for each girl's room. New dressers, chairs, and four double-deck bunks were purchased when the pledges moved into the house this year. The basement ping pong room was painted attractively and the benches were padded with material to match the curtains. Two new three-way indirect floor lamps, a davenport, and living room chair were gotten for the downstairs. The upstairs bath was painted and decorated cleverly.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae advisory board meet at the house with the executive council and housemother once a month. The alumnae are invited to pledging, initiation, and our formal dances. An alumnae dinner is held at Homecoming. All out-of-town alumnae are always urged to come back throughout the year to visit.

III. SCHOLARSHIP: Quiet hours are observed after 7:30 P.M. on week days and throughout the day during the week of final examinations. Chapter members with averages below the all-college average must study in their rooms from 7:30 until 10:00 P.M. unless special permission is granted by the Scholarship Chairman. At midterm the Scholarship Chairman checks with each individual concerning her grade averages to decide further study plans. There is no visiting between 8:00 and 10:00 P.M. and radios are not to be on in rooms of girls with averages below a 2.0. Chapter members with averages below that required for initiation shall not be in the Union during the week except between 4:00-6:00 P.M. No pledges are allowed in the Union except after 5:00 on week days or on weekends; the former only if grade point is above 2.6. Study table is required at the library until 4:00 P.M. on week days. The official Scholarship Ring is given to the active with the highest grade point each year. The chapter presents a scholarship bracelet to the active each quarter who has made the most improvement in her grades, and the alumnae also give a gift to the girl who has shown the most improvement. A scholarship bracelet is awarded to the pledge with the highest grade point for the two preceding quarters prior to initiation. A 2.0 average is required for initiation and 1.5 average (junior college) or 2.0 average (senior college) is required to enable an active to live in the house. These are all-college averages. Rank among competing social fraternities for women for the year 1944-45: fall quarter second, winter quarter second, spring quarter fifth; 1945-46: college unable to get the averages done for us.

IV. CHAPTER WORK: Since pledges are required to live in the dormitory their first year, they are encouraged to come over to the house as often as possible. Saturday night spreads are planned and bunking parties. They have their pledge meetings at the chapter house every week, eating dinner at the house every other week. On Saturday at one o'clock pledges report for pledge duties. Usually some constructive work is given them to do, such as making curtains for the "wreck" room, painting the porch furniture, or making pledge booklets for the following year. They give a pledge fireside during winter quarter and are allowed

to have the house to themselves one night during the year. Two nights before initiation we hold "Heaven Night," and the afternoon preceding initiation we have a pledge-active picnic. During the pledge period various members of the alumnae advisory board come to tell the pledges of important matters pertaining to sorority life. The president, also, has a talk with them. Such talks make clear to the pledges the real purpose of a fraternity and help them to have a better understanding of such things as Settlement School and Convention. Informal Saturday luncheons are held between the pledges of the sororities on campus, and each pledge class has a tea to which all pledges are invited. This is an excellent way to start the pledges out, as it emphasizes good Panhellenic spirit, and they become better acquainted with the pledges of other groups. Senior standards meetings were held with each senior talking to two or three underclassmen in a private and tactful way about things they could do for improvement. Standards meetings for the house usually included skits to illustrate correct manners and thoughtfulness. Various speakers were asked to speak to us at house meetings. Guests were encouraged to come to the house to help us widen our interests and broaden our views. Our executive council consists of the president, vice-president, treasurer, pledge supervisor, house manager (comes every other time), town-girl representative (alternates with house manager), the scholarship chairman (once a month), and the sophomore representative. When rushing plans are being made the rushing chairman comes, also. A Settlemen School tea is held each fall at which the school handiwork is sold. This year a large bulletin board was actively made for the display of printed material about the school. We sent \$25.00 to Settlement School, \$1.00 to Loan Fund, \$5.00 to Holt House, \$21.85 to the Magazine Agency, and \$73.00 for the National War Project. The chapter also contributed to the local charities that seemed worthy and to the European Child Relief Association. The *Dart* is edited by the new initiates and is sent to rushees in the summer, and rushing letters are sent to all alumnae. A scrap book chairman clips all notices about Pi Beta Phi and members from all available city papers as well as the college paper and pastes these and snapshots donated by the actives in the chapter scrap book.

V. ENTERTAINMENT: 1944-45: Rushing parties; fall open house; Friday evening dance exchanges; Homecoming open house; Halloween party for pledges and actives—non-date; "Sweater Swirl"; Sunday dinners for faculty guests once a month; Thursday night dinner exchanges; Christmas party for several poor children of Ames; "Holly Lodge" exchange with V-12 unit; winter formal called "Snow Swirl"; pledge "Snow Tea"; pledge luncheon at alumnae's home; "Cooky-shine" with alumnae—a pot luck luncheon; "Underseas" party; spread and skit for pledges; dinner for Pres. and Mrs. Friley; "Heaven Night"; pledge-active picnic; spring formal; dinner for Dr. O. W. Warringham, representative of the American Youth Foundation; Veishea open house; Veishea dinner for parents; a formal dinner for Mrs. Alford; Founder's Day luncheon at Union; initiation formal dinner; tea dance for fraternity men; picnic supper exchange with sorority; Sunday dinner for mothers on Mother's Day, 1945-46; Rushing parties; open house after football games; Saturday night spread for new pledges; Saturday afternoon dance exchanges; Friday night dance exchanges; dinner exchanges; Mardi Gras fall fireside; Homecoming open house; Dad's dinner; Halowe'en party given by pledges; Western dude ranch fireside; Christmas party for poor children of Ames; Christmas tea dance; buffet supper and dance exchange; faculty dinners once a month; winter formal; Valentine dance given by our house-mother; "Cooky-shine" with alumnae-pot luck luncheon; pledge luncheon given at home of an alumna; dinner for Dr. and Mrs. Hewitt; pledge "Snow Tea"; dinner for Associated Press Representative for Iowa; entertaining National representatives of K K I sorority; entertaining Delta Gamma National officers; "Heaven Night"; pledge-active picnic; formal initiation dinner; wedding reception at the house; Veishea open house; Veishea dinner for parents; Mother's Day Tea given by Mother's Club; Founder's Day tea honoring our province president; Country Club Spring Formal; rushing open house for Ames High School seniors.

VI. CHAPTER HOUSE: The chapter house is owned by the Pi Beta Phi Building Corporation, valued at \$38,960.50. The pledges and actives painted the "wreck room" walls and covered a chair. They, also, painted the card tables and ash-trays with an aluminum paint. Curtains were made by the pledges for the room. A bed table was purchased for the president's room, two lamps for the living room, new hall carpet, a love seat re-upholstered, a chair recovered and a picture frame redone. A new coffee maker has been ordered for the house. Each year further landscaping is done.

VII. MAINTENANCE: Alumnae are very helpful in assisting at rushing, and as chaperones at social functions. We enjoy having them as guests at Sunday dinners, and this year we have tried to invite all of the young married alumnae who are back on our campus over to the house. Cooky-shines,

Founders' Day dinners, and alumnae meetings and luncheons held at the chapter house are good methods of maintaining interest between the alumnae and the actives. Members of the advisory board eat dinner at the house once a month and have luncheons with their committees, also, once during the month. Settlement School has been an interesting factor in promoting cooperation between chapter and alumnae. There have been 9 unaffiliated transfers on campus in the last three years. They are invited to all open chapter functions, and a fireside is held for them at the beginning of each school year. Two affiliated transfers by the chapter during this period.

III. SCHOLARSHIP: The promotion of scholarship in the chapter is largely the duty of the scholarship chairman and her committee, with every active an integral part of the program to encourage pledge and active scholarship. Pledges are required to keep study hours each week day from 8:00 A.M. to 3:00 P.M., and evening study hours from 7:00 to 9:30. Study tables are set up for the pledges in the evening, and all actives who are receiving below average grades in any course are required to attend evening study hall. Each pledge has a weekly conference with her pledge sponsor regarding her scholarship and activities. Failure to attend study hall entails a fifty cent fine. Recognition arrows are given to all members who receive a "B" average or above, and to all members who improve their grade point by .6 of a point. A graduate who has maintained a "B" average for two years receives a recognition arrow with a sapphire; for three years, a recognition arrow with an emerald; and for four years, a recognition arrow with a diamond. Quiet hours are maintained according to University Regulations, and during examination week no men are allowed in the house and quiet hours are enforced at all times with no exception. There is a ten cent fine entailed for any offender of the quiet hours ruling. During the school year 1944-45, Pi Beta Phi ranked fourth among socially competing fraternities for women, and for the first semester of 1945-46 the chapter ranked second. Pi Beta Phi, during the three year period from 1941-44, ranked first among all women's fraternities on the campus, and is consequently the only sorority on the campus which has been qualified to permanently retain the S.U.I. scholarship cup.

IV. CHAPTER WORK: Pledge meetings are held regularly each week, following the regular active meeting. At each meeting, the pledge sponsor relates to the pledges some of the things discussed at the preceding active meeting which may affect them. At each pledge meeting some member of the active chapter, other than the pledge supervisor, is present to talk to the pledges and make them realize their importance to the chapter. These talks also acquaint them with the real meaning of Pi Beta Phi, and with the relationship of this chapter to the University. The pledges elect their

own officers: president, vice-president, and secretary-treasurer. These officers confer regularly with the officers of the active chapter. Every fall the pledges give an open house for other pledges on the campus, and the actives give an open house for the pledge class. This helps to make the pledges feel that they really "belong" to and are important to the chapter as a whole. The active chapter executive council is composed of seven members: the president, house president, pledge sponsor, judiciary chairman, and one member each from the sophomore, junior and senior classes. It is customary for the Alumnae Club each fall to sponsor a Settlement School tea, at which Arrowcraft products are displayed and purchased. The chapter annually pledges \$25 to the Settlement School, and \$15 to the Loan Fund. Donations are regularly made to local charities such as the Red Cross, Community Chest drive, Infantile Paralysis drive, Christmas Seal Fund, etc. During and following the war, donations were given to the Clothing for Russia drive, Books for Servicemen drive, and the food drives on the campus. Contributions are regularly given to the Endowment Fund, also. Every summer the chapter publishes *The Dart*, a publication which is sent to prospective rushes and all Iowa Z alumnae. *The Dart* gives a complete picture of the chapter, honoring outstanding members of the active chapter as well as the alumnae, and summarizing all events of the year in which the chapter has played a part.

V. ENTERTAINMENT: Every year the active chapter follows a schedule of social events which will take place during the ensuing year. This schedule is made out in the fall of the year, and the first event is usually an open house or dance for the pledges. The alumnae club entertains the pledges at a cooky-shine each fall. A yearly Halloween party is held at the chapter house, with a buffet supper followed by dancing. This is the informal "fun" party of the year. Preceding Christmas vacation, an exchange of gifts and informal party is held in the house for all the chapter. During the year open house are held following athletic events on the campus. We usually have a Sunday evening supper once a semester to which dates are invited. After Christmas we have our Winter Formal, one of the big events of the year. In February another open house is held, and a tea is given for faculty members. Exchange parties and dinners are regularly held with other sororities and fraternities. Special dinners are held following initiations, to which all new initiates and actives are invited. A Founders' Day dinner is regularly held, to which the alumnae club is invited. A Spring dinner-dance is held shortly before summer vacation, and is really the biggest party of the year. A dinner is given for graduating seniors, and for Mothers on Mothers' Day. Cooky-shines are held frequently during the year, and are the highlights of Pi Phi interest.

VI. CHAPTER HOUSE: The house is owned and when built was valued at \$60,000. During the past two summers the house has been completely redecorated. New wall paper has been put in all the sleeping rooms, and the living room has been completely re-furnished the walls painted. New wall-paper has been put in the dining room, also. The kitchen has been equipped with an electric refrigerator and stove, and the furniture in the recreation room has all been repaired and renewed. This year the chapter room was also redecorated and painted.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae each receive a yearly subscription to *The Dart*, which maintains great alumnae interest. The house always welcomes alumnae to all chapter functions. Members of the alumnae club regularly attend the Scholarship Dinner and the Christmas dinner, as well as initiations, advisory board and Building Corporation meetings and dinners. Resident alumnae are invited to attend our parties as guests and chaperones. During the last three years there have been five unaffiliated transfers on this campus. None have been affiliated. Contacts are readily formed with the transfers, as many of them live with our active members in the Pi Phi annex, and take their meals at the chapter house. Transfers are always invited to the house parties, and other functions, and attend the active meetings.

I. MEMBERSHIP: 1944-45: Initiates, 11; active members, 34. 1945-46: Initiates, 14; active members, 40. Resident active members, 5; resident alumnae, 10; total membership up to May 1, 1946, 278.

II. HONORS: 1. Scholarship: 5 Λ Δ (freshmen scholarship honorary). 2. Class offices: 1 vice-president senior class. 3. Campus honors: 10 members on *Coyote* (annual) staff; 1 assistant editor; 3 members on *Volante* (paper) staff, 1 business manager; 1 Mortar Board; 1 president, 1 treasurer of Λ Δ ; 3 Playcrafters (dramatic organizations), 1 vice-president; 4 members of Guidon, 1 sergeant; 2 members of Panhellenic; 11 members of Spanish club, 1 secretary, 7 members of Sociology club, 1 vice-president; 3 members of

Home Economics Club; 10 Apprentice Players (acting and technical stage work); 1 vice-president; 3 members of Radio Workshop; 4 members of Student Christian Association, 1 vice-president; 4 members of Student Senate, 1 president; 4 members of Association of Women Students, 1 president, 1 treasurer; 5 members of Women's Athletic Association, 1 president; 9 choir members; 6 members of band; 1 orchestra member; 3 in dramatic casts; 1 delegate to national Association of Women Students convention 2 *Who's Who in American Colleges*. 4. Social Honors; 1 Homecoming Queen Attendant; 1 winner of Miss Pop (popularity contest, selecting most popular girl on campus); 1 Vanity Fair (campus beauties).

III. SCHOLARSHIP: To improve scholarship, assistance is given by honor students to members with scholastic difficulties; there is a recognition pin given to the pledge who maintains the highest average; the girl with the highest average in the chapter has her name engraved on a scholarship cup; explanations are demanded in active meetings for class cuts; vote is lost in active meetings if the chapter average is not maintained. Pledges and actives alike who do not have an average of 80.5 must attend study tables in the library on Tuesday, Wednesday, and Thursday evenings and 10 hours during the day each week. South Dakota A ranked 3rd among socially competing fraternities for the year 1944-45; 2nd for 1st semester of 1945-46.

IV. CHAPTER WORK: Methods for pledge training and meetings include weekly Monday night meetings with the pledge supervisor, who assists them with their problems. Pledge mothers are especially helpful in handling personal problems. The Executive Council includes the chapter president, vice-president, pledge supervisor, one representative from each class, and the scholarship chairman. The chapter has made contributions to Holt House and the Settlement School; the chapter contributed to the World Student Fund and the Foster Parent's plan for orphaned war children.

V. ENTERTAINMENT: This year South Dakota A initiated an open house on the day of our homecoming for alumnae, faculty, townspeople, and students. We have a traditional faculty tea each year and also entertainment of individual faculty members at dinner. This year we were entertained by the Chi Omegas at a supper picnic in payment of a bridge party that our chapter had given them last year. We entertain all of Mother's Day weekend and have a large dinner for families of the girls. We had a cooky-shine for the alumnae residents; an initiation banquet; Founders' Day luncheon with Sioux City alumnae; a tea for the introduction of our Province President to members of other social fraternities on campus. The pledges entertained other social fraternity pledges on campus with a "kid" party. A fall dance was held in the chapter house—buffet lunch was served after it. The spring formal was held in the Union Building, but lunch was later served at the House.

VI. CHAPTER HOUSE: The chapter house is owned and its value is estimated at approximately \$20,000. Since May, 1944, the following additions to furnishings have been made: complete finishing and redecoration of 3rd floor of the house (formerly the attic) into a large dorm with an adjoining bath and shower and a large dressing room; four new Hollywood beds; complete new set of dining room chairs; hall table and mirror; 2 chairs recovered for living room; 2 new end tables and lamps; chapter room walls and floors painted; kitchen walls and cupboards painted; new rug for upstairs lounge.

VII. MAINTENANCE OF ALUMNAE INTEREST: South Dakota A is fortunate in having active and close contacts with the alumnae members in Vermillion and Sioux City. They are invited to social functions and to active meetings once a month. The chapter this year entertained the alumnae's children at a Halloween party. There have been no unaffiliated transfers on our campus in the last three years.

I. MEMBERSHIP: 1944-45: Initiates, 21; active members, 58. 1945-46: Initiates, 23; active members, 69. Resident active members, 35; resident alumnae, 69; total membership up to May 1, 1946, 790.

II. HONORS: 4 Φ B Es; 1 Σ X; 1 winner of William Gold Award for high scholarship; 1 Panhellenic Scholarship; 1 Donald Walters Miller Scholarship; 1 Π M E; 2 Θ Σ Φ ; 1 Γ Σ Π ; 1 Π A Θ ; 2 A P T; 2 Δ Φ Δ ; 6 Φ X Θ ; 1 Σ A I President; 1 Δ O; 1 Editor of *The Daily Nebraskan*, campus newspaper; 5 members of the *Avagan* staff, campus magazine; 1 member of the *Cornhusker* staff, campus annual; 100% membership of chapter in Y.W.C.A.; 3 Mortar Boards; 2 A.W.S. Cabinet members; 3 Tassels; 1 B Γ Σ ; 1 Coed Counselor President; 15 Coed Counselors; 3 Attendants to the May Queen; 2 May Queens; 3 members of University Singers; President of Panhellenic Council, 5 Orchestras members; 1 Beauty Queen; 1 University Orchestra.

III. SCHOLARSHIP: Study Hall is held every week-day night from 8:00 to 10:30 o'clock. This study hall is under the supervision of the Scholarship Chairman who appoints various members of last year's initiate group to be in charge. There is a room used specifically for this study hall, and it is equipped with the necessary desks, chairs, lamps, and reference materials. This study hall is for the pledges as the actives study in their rooms. If pledges or actives are reported delinquent they relinquish Friday or Sunday night dates and the active's week night dates are removed. These restrictions are enforced for the following six weeks period except in cases of an incompletes which may be removed. The pledge having the highest average during the first semester is rewarded with a jeweled recognition arrow; this award is presented at the annual initiation banquet. The average required pledges for initiation is 78 for 12 hours, 76 for more than twelve hours. An active must have a 78 average to vote. The rank of the chapter among socially competing fraternities for women for the year 1944-45 was 1; for the year 1945-46 will not be known until next fall.

IV. CHAPTER WORK: The pledge supervisor has charge of the pledges meetings which are held before active meetings. The pledges elect their own officers. The executive council consists of the chapter president and pledge supervisor and one representative from each class. This council handles the important business of the chapter, solves any problems that may arise, and discuss all the important business to be brought up in chapter meetings. An advisory board composed of five alumnae meets monthly with the executive board. The chapter each year contributes \$15.00 to the Settlement school fund and the Loan fund. A chart of chapter activities is kept by the activity chairman. During the war, the entire chapter worked once a week rolling bandages at the Red Cross office. Other girls worked in the hospitals, recreation centers and at the ration boards.

V. ENTERTAINMENT: Each year the chapter's main event along the line of social activities is the formal dance at one of the hotel ballrooms. In the early fall the actives give an open house party in honor of the new pledges, and at Christmas the pledges give a party for the active members and crown the "Christmas Ghost." Open house is held after every football game in the fall for visiting Pi Phi and friends. Each year the chapter has a Christmas party for the children of the alumnae. The pledges are in charge of the program, and they have a Santa Claus and take care of the guests. During the course of the year the chapter has faculty dinners, teas for visiting officers, pledge exchange parties, and sorority exchange luncheons. The last chapter meeting for the year is traditionally set aside to honor the senior students. Each senior breaks her glass in the annual "Ring-Ching" ceremony.

VI. CHAPTER HOUSE: The house is owned and is valued at about \$80,000. Since 1944-45 the Lincoln mothers club redecored the phone room on first floor in a red plaid and bamboo furniture, and the alumnae chapter redecored the chapter room in wine and blue.

VII. MAINTENANCE OF ALUMNAE INTEREST: The alumnae advisory committee which works with the house executive council is a link between the active chapter and the alumnae. Each year the new pledges are invited to an alumnae club dinner and the seniors are given a farewell tea by the alumnae. Local alumnae are advised of pledging and initiation ceremonies and are also invited to all teas and social functions. An alumnae committee has been formed by the advisory board to aid the chapter during rush week and summer rushing is done in cooperation with alumnae throughout the state. There were no transfers on the campus during the years 1944-45 and 1945-46.

I. MEMBERSHIP: 1944-45: Initiates 26; actives 34. 1945-46: Initiates 11; actives 43; resident active members 7; resident alumnae 56; total membership to May 1946, 935.

II. HONORS: Φ B K 2; Motar Board president and 2; Π K A 1; Π A Θ 1; Θ Σ Φ 1; Ψ X 2; Dean's Honor Roll 13; Φ X Θ 1; University Daily Kansas managing editor, news editor, sports editor; Jayhawker magazine business manager, secretary, editorial associate; Δ Φ Δ 2; M Φ Σ 2; All-Student Council president; W.I.G.S. (political) president, 2 inner circle members; N.O.W. (political) vice-president, 2 inner circle 1 executive board member; University cheerleaders 2; Y.W.C.A. president, secretary; Kansas Engineer magazine business manager, circulation manager; Dramatics Workshop 2; "Hay Fever" cast 1; W.A.A. vice-president, treasurer, secretary, 9 members; Union activities president, vice-president; A Cappella Choir 3; Glee Club 3; Homecoming Queen; Kansas Relays Queen; Jayhawker beauty queens 5; "Most Alluring" K.U. coed; Π Σ A 3; Quack club (swimming) 8; women's swimming trophy; T Σ (dancing) 6; Home Economics club 5; Jayhawker staff 8; Art

club 2; Physical Therapy club 1; Homecoming committee chairman, publicity chairman.

III. SCHOLARSHIP: Kansas A is trying to improve her scholarship in two ways. (1) For the actives, those not having a 1.3 (C+) average at the end of the semester may not have vote or voice in active meeting and must also relinquish their pins to the chapter president. Pins are also relinquished at midsemesters by actives not having a C average or better. Pins are returned as soon as the required average is met. (2) For the pledges, initiates with a 1.5 or above average do not have to attend organized study hall at night. If such persons' grades are below a C average at midsemester, they are returned to regular freshman study rules.

Pledges attend study hall from 8:30 A.M. to 3:30 P.M. daily when they are not in class, and from 7:30 to 10 P.M. Monday, Tuesday, Wednesday, Thursday, and Sunday nights. Pledges having no D's or F's at midsemester do not have to attend study hall on Wednesday nights. A four-member scholarship board, headed by the scholarship chairman, advises pledges and keeps track of all their grades throughout the semester. Quiet hours are observed in the house until 4 P.M. daily, and from 7:30 to 10 P.M. every night except Friday and Saturday. A two-dollar fine is imposed for actives not keeping quiet hours; freshmen are campused for the same offense.

Kansas A pledges must have a 1.1 average (15 hours of C, 1 hour of B) for initiation. Only one other house on the campus requires a 1.1 for initiation; the others require only a 1.0 or C average.

The pledges who make the highest grades in the honor initiate and receives a Pi Beta Phi bracelet. The active with the highest grades receives a Pi Phi ring. The active showing the most improvement in scholarship over the period of a year receives a scholarship bracelet at the annual Founders' Day celebration. Kansas A ranked third among 11 social sororities for 1944-45. 1945-46 rankings have not been announced.

IV. CHAPTER WORK: Pledges elect their own officers and conduct their own meetings, which are attended by the pledge supervisor. The chapter executive council is composed of the president, vice-president, pledge supervisor, scholarship chairman (added this spring), and an elected member from each class. The council meets each Monday before active chapter meeting to check work of officers and to discuss business of the coming meeting. All actives and freshmen are encouraged to participate in activities and report regularly to the chapter activity chairman, who keeps a card file and a chart of their participation. Kansas A contributed \$20 to the Settlement School, and the chapter Settlement School chairman, in cooperation with Lawrence alumni, sold more than \$80 in Settlement School goods. Ten dollars was contributed to the Loan Fund, and the magazine chairman sold subscriptions totalling more than \$200. Kansas A gave \$65 to help furnish a women's lounge and study room in the K.U. Administration building, and the chapter contributed to the campus World War II memorial driveway and carillon, the W.S.S.F., the Y.W.C.A., Danforth chapel, and other local drives. The chapter publishes a summer newsletter for chapter members and an eight-page rush bulletin, "Dars and Dashes."

V. ENTERTAINMENT: 1945-46; Open house for the pledges; hour dances with fraternities for the pledges; the pledges gave individual coke parties for the 10 other sorority pledge classes; pledges' party for the activities; luncheon and open house at Homecoming; formal Thanksgiving and Christmas dinners; formal dinner in honor of Mrs. A. H. Bruggeman, province president; active's part for the pledges; the Christmas formal; a Founders' Day Tea for alumnae and visiting chapter officer; exchange dinners with women's halls and sororities; monthly faculty dinners; senior dinner and farewell; the spring dinner-dance.

VI. CHAPTER HOUSE: The house is owned by the Kansas A of Pi Beta Phi house association, and is valued at \$50,000. Eight rooms were repapered to kem-toned last summer, and plans are being made to paint the house soon. Alumnae and the mothers clubs give the chapter many gifts such as linens and silver service. The housemother makes additions to house furnishings as they are needed; for example, the recent purchase of six new card tables.

VII. MAINTENANCE OF ALUMNAE INTEREST: The house is always open to alumnae. Alumnae are invited to special dinners, the Founders' Day celebration, Homecoming, initiation, cooky-shine, and other appropriate events. The alumnae advisory board are guests of the chapter on meeting night once a month. During the last three years, there have been four transfers from other chapters on the campus, three from Kansas B, and one from Wisconsin B. Two of the Kansas B transfers were affiliated; one of them is a resident member. The Wisconsin B member was affiliated. The other Kansas B transfer was on the campus for only one semester, during which time she ate all her meals at the chapter house.

II. HONORS: 3 Phi Kappa Phi; 1 Phi Beta Kappa award; 2 honor graduates; 2 sophomore class vice-presidents; 1 president, 1 vice-president, and 2 members of Mortar Board; 1 vice-president and 1 member of Prix; 1 most outstanding senior in school of Arts and Science; 5 *Who's Who in American Colleges*; 1 member Board Student Publications; 1 *Royal Purple* (year book) assistant editor; 1 summer *Collegian* (newspaper) editor; 17 Publications' key awards for work on *Royal Purple* and *Collegian*; 2 Theta Sigma Phi; 1 treasurer and 3 members of Quill Club; chapter representation in YWCA; 2 YWCA presidents, 1 secretary, 1 treasurer, co-editors of *Tiny Y*, regional co-chairman SCM, 2 college sister captains, 1 summer camp representative, and 3 cabinet members of YWCA; 1 president and 1 secretary of Leadership Council and 1 president Freshman Fellowship of YWCA; 1 president, 1 recording secretary, 1 corresponding secretary, and 2 members of Student Council; 6 members of Purple Peppers; 7 representatives in ISA; 1 vice-president of Women's Panhellenic; 4 K-State Players (dramatics); 2 leads and 3 minor parts in plays; 1 oratory contestant winner; 4 II A M; 2 editors and 1 member of O N; 1 member A Cappella Choir; 6 members Glee Club; 1 president Music Club; 1 president State Home Economics Club; 1 president and 1 secretary of Newman Club; 1 secretary Religious Federation; 1 president and 1 vice-president of Canterbury Club; 7 officers including 2 presidents of $\Theta \Psi$; 2 program chairmen, 1 secretary, and 1 president of Medical Technicians Club; 7 cabinet members including president of II X Δ ; 2 Freshmen home economics counselors; 3 firsts in intramurals; 2 homecoming queen attendants; 1 dandelion queen; 1 drum majorette.

III. SCHOLARSHIP: For pledges and initiates study hall is conducted under active supervision from 8:00 until 10:00 every week night except Friday. Quiet hours are observed throughout the house from 8:00 in the evening until 3:00 in the afternoon of the next day. Each pledge must spend 8 hours per week in the College library. Those who obtain B averages are excused from 2 hours of library study and an evening of study hall. Pledges, initiates, and actives are campused on the week-end for low grades. Pledges and initiates are campused the week-end before and the week during final examinations. At the Founders' Day banquet the pledges with the highest grade average is awarded an engraved cup; the active with the highest grades, a scholarship ring. A prize is given to the active making the greatest improvement in grades. A C average must be maintained by all active members in order to keep their voice and vote in chapter meetings. The initiation average required by the College is a C average. Kansas B ranked first among socially competing fraternities for both semesters of 1944-45 and second the first semester of 1945-46. For winning first place in scholarship (on yearly basis) for three consecutive years, Kansas B was given the city Panhellenic scholarship cup for keeps.

IV. CHAPTER WORK: The pledge supervisor chaperones the weekly pledge meetings which are conducted by officers elected by the pledge class. Knowledge of a certain section of the pledge exam is tested weekly. Two new beneficial schemes which Kansas B has introduced into the pledge training system are the use of mother-daughter report banks for periodic private checking on each pledge's development and the adoption of alumnae sponsors. Both techniques have proved advantageous. The Executive Council of the chapter consists of the chapter president, pledge supervisor, and one representative from each of the three upper classes. In the past two years Kansas B has contributed to the War Fund, War Bond Drive, Christmas boxes to soldiers, Red Cross, WSSF, cancer drive, community chest, physiotherapy fund, Holt House, and Settlement School. Our two methods of raising money for settlement school by white elephant sales and profits from night-time snack bars have been most successful. The chapter entered into the benefit bridge, the proceeds from which were given to the campus residence hall fund. Our magazine purchase has been especially large. An annual Christmas booklet is sent to each alumna of our chapter to provide information of Pi Phi affairs of the previous year. Rush papers explaining Pi Phi activities and personalities are sent to rushees during the summer months. Internal development in Kansas B is indicated by such practices as Pi Phi nights at which time the group joins together for special consideration of ideas and ideals. This last year the International Security Assembly, at which the chapter represented India, has done much to encourage closer interrelationships. Work and glory were shared by all. Mid-night spreads and birthday parties added to the fun and fellowship. Actives joined in catering to the pledges at a

special pre-initiation party. Our guest room was redecorated as a chapter project. Biannual meetings of the town Mothers' Club has aided in developing the interests of Pi Phi among Manhattan mothers.

V. ENTERTAINMENT: 1944-45: Rush week parties, panhellenic open house, open houses, exchange dinners with other sororities, football boys' banquet, Dean of Women dinner, formal Thanksgiving dinner, pledge panhellenic tea, Halloween spread for pledges, caroling, Christmas dance, cooky-shine, parents' day, Founders' Day Banquet, spring formal dance, senior dinner. 1945-46: Rush week parties, panhellenic open house, open houses, exchange dinners, Dean of Women dinner, pledge panhellenic tea, formal Thanksgiving dinner, football boys' banquet, Halloween spread for pledges, jam session and buffet supper after homecoming game, caroling, Christmas dance, cooky-shine, parents' day, rush week-end, interfraternity sing, patron and patroness dinner, "date" picnic, spring party and dinner, scholarship tea, Founders' Day Banquet, senior dinner.

VI. CHAPTER HOUSE: Kansas B owns its chapter house which is valued at \$45,000. Improvements since May, 1944, include new lights in chapter and rec rooms, new iron, hair dryer, book case, desk, beds, determining, and recovering of porch gliders and smoker room furniture.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Pi Beta Phi Alumnae Club in Manhattan is large in membership and has been actively interested in promoting Kansas B. Town alumnae recommend all town rushees. The alumnae attend rush functions, parties, pledging and initiation ceremonies, and cooky-shines. Each month one member of the Advisory Board attends dinner and chapter meeting. The House Corporation holds its meeting at the house following a buffet supper. Each pledge, during 1945-46 was sponsored by an alum. Sponsorship rotated at the mid-mark so that contacts could be broadened. Sponsors were asked in groups of threes to dinner on Thursday nights. We have affiliated the one transfer on our campus in the past three years.

I. MEMBERSHIP: 1945-46: Initiates, 22; Actives, 56; 1944-45: Initiates, 28; Resident active members, 11; resident alumnae members, 45; Total membership of Colorado A up to May 1, 1946, 794.

II. HONORS: 4 honors students; 17 *Coloradan* (annual); 19 *Dodo* (magazine); 6 *Window* (magazine); 18 *Silver and Gold* (paper); 1 president, 6 officers, 39 members of YWCA; 1 president and 4 members of Mortar Board; 8 Hesperia, junior honorary; 1 president and 18 members of Spur, sophomore honorary; 16 professional and scientific honoraries; 2 presidents of Associated Women Students and 6 members of Senate; 41 members on class athletic teams; 3 Orchestras, dance honorary; 10 Porpoise, swimming honorary; 4 cabinet members and 29 members of Women's Athletic Association; 4 glee club; 6 dramatic casts; 1 delegate to national convention; 3 officers in national organization; 2 debaters; 2 *Who's Who in American Colleges*; 1 Engine Ball queen; 1 Homecoming queen; 1 *Coloradan* queen.

III. SCHOLARSHIP: Methods for improving scholarship; (a) Pledges must spend two hours a day in the library and three hours at a supervised study table on Saturday morning; (b) Freshmen who do not have a 1.8 or high C average must be in the dormitory by 8:30 P.M. on week nights; (c) We hold a scholarship dinner every Spring at which the Scholarship Ring is awarded for the highest average in the chapter. Awards are also given for the senior with the highest four year average and the senior whose scholarship has improved the most in four years. Our pledge and chapter average is 1.0 or C. Our initiation average is C, and a record free from condition or failure, unless the condition examination is taken and passed before the following initiation. Our scholastic ranking among the ten national fraternities for women on our campus for the year 1944-45 was first, and for the year 1945-46, first.

IV. CHAPTER WORK: To prepare our pledges for the pledge test, we give small weekly examinations over the part that they have prepared for the current week. We have our chapter officers, Historian, Settlement School Chairman, and so forth, prepare and give interesting reports to further acquaint the pledges with our organization. To give the pledges a feeling of unity, we give them a project to prepare as a group. For instance, they gave an informal dance to raise money for the Settlement School. Our Executive Council is composed of eight members: president, vice-president, pledge sponsor, rush captain, scholarship chairman, and senior, junior, and sophomore representatives. Every year, when we are able to get shipments from the Settlement School, we give a Settlement School tea for alumnae, faculty, and residents of Boulder. During final week, we have a canteen every night where each girl pays for her refreshments. This money goes to our Settlement School Fund. The members contribute to local charities individually and in the name of the chapter

to national drives, such as Red Cross, Russian relief, etc. We enter an act every year in the vaudeville of the Associated Women Students, the proceeds of which go into a loan fund from which scholarships are given. The Panhellenic Association gives annually a scholarship to an independent woman to which we contribute through the rush fees of our pledges. Last year, we sponsored a Bond Wagon, which included carnival concessions, dancing, and an auction. At this affair over fifty thousand dollars worth of bonds were sold.

V. ENTERTAINMENT: 1944-45: Open house for all students; faculty tea; Winter Formal; Bond Wagon; Christmas party for under-privileged children; Senior Farewell Party; Rush Week parties; Spring Formal for legacies; Mother's Day Luncheon; Open House for all pledges on the campus. 1945-46: Rush Week parties; Open House for pledges; Winter Formal; Christmas Party for under-privileged children; Settlement School Benefit Dance; Spring Formal for legacies; Colorado A Reunion Tea; Mother's Day Luncheon; C.U. Days Open House; Senior Farewell Party.

VI. CHAPTER HOUSE: The Colorado A chapter house is owned and is valued at \$65,000. Because of the war, our program has not been one of improving or building, but of maintenance. We have had our study redecorated and much of the furniture refinished and re-upholstered. Because of the over-crowded conditions all over the campus, we have turned our sleeping porch into a dormitory housing twelve girls.

VII. MAINTENANCE OF ALUMNAE INTEREST: We always invite our alumnae to our regular social function, in addition to special teas and open houses we hold especially in their honor. This year, we instituted a Colorado A Reunion Day at which we have tea and conduct the alumnae through the house. We keep in close contact with them through our Advisory Board and House Board. We have had 24 unaffiliated transfers on our campus in the last three years. We invite our transfers to our meeting and social events. We welcome their participation in chapter projects and many of them take their meals at the house. When living conditions permit, we invite them to live in the house. We do not affiliate any of our transfers.

III. SCHOLARSHIP: All pledges during the fall quarter are required to study two hours during the day at the library

and must have upper classmen's signatures for this time on their study sheets. Any pledge who fails to spend her full time in the library has the penalty of additional pledge duties imposed upon her. Any active whose average falls below the initiation average forfeits her voice and vote in chapter meeting for the following quarter. High scholarship is one of the points considered in the selection of the outstanding pledge to whom a cup is awarded at the initiation banquet in January. At a scholarship dinner given every spring the National Pi Beta Phi Scholarship Ring is awarded to the girl who has the highest average in the chapter; the Sophomore Scholarship Cup, upon which is engraved the name of the girl having the highest scholastic record for her first two years in college, is given; certificates are presented to those girls who have made the greatest improvement in their grades during the past school term; and corsages are given to those girls maintaining a straight "A" average. The scholarship requirement for initiation is one B and two C's. For the year 1944-45 our pledge class ranked first among the pledge classes of all the fraternities for women and in 1945-46 the pledge class ranked second. For the entire chapter our scholastic rating for the year 1944-45 was second and for 1945-46 was first.

IV. CHAPTER WORK: Successful methods of pledge training and meetings: In preparation for their place in the active chapter, the pledges elect their own officers and conduct the pledge meetings; these officers constitute a pledge executive council which discusses pledge activities; the pledges manage their pledge duties which are under the supervision of the master hasher; a speaker from the active chapter or alumnae advisory board gives a short talk at the pledge meetings each week on various subjects pertaining to the fraternity and the university; each meeting is concluded with a written test on the material learned the previous week in preparation for the National Initiate's Examination. The personnel of the Executive Council consists of the following members: President, vice-president, treasurer, rush captain, social chairman, and one representative from the freshman, sophomore, and senior class. Each year Colorado B contributes \$50.00 to the Settlement School and \$5.00 to Holt House. In addition, contributions are made to the Dean Shuler Loan Fund, Civic Symphony Society, Red Cross, and Community Chest. Campaigns for magazine subscriptions have been intensified around the various holidays and clever advertising stunts have been used by the magazine chairman to promote subscription sales. An effort is made to give all members an opportunity to participate actively in chapter activities and to assume responsibility by rotating chapter committees and chairmanships.

V. ENTERTAINMENT: Two large dances are given by the chapter each year; the pledge formal is given by the pledges in honor of the actives in December, and the Spring Formal is presented by the seniors. Once or twice during the school year the faculty is entertained at a luncheon. Once a month open houses are held by all the sororities on the campus. In addition to these open houses, there are throughout the year radio date dances and in the fall a tea dance at which time the new pledges are introduced to the fraternity men on the campus. Colorado B is inaugurating on the campus fraternity luncheons and is continuing its practice of sorority exchange luncheons. The pledge class early in the fall also gives a tea honoring the pledges of the other sororities on the campus. This winter Colorado B entertained all university women at a coffee in honor of the pledges of the newly organized $\Delta \Gamma$ chapter at the university. The Tuesday night dinners at the chapter house are often the occasion for formal entertaining. One night was given to the entertainment of the girls' fathers and following Mothers' Day the mothers were entertained in a similar manner. Large rush teas are given in the spring and fall along with informal rushing and rush week. On Founders' Day Colorado B alternates with Colorado A in entertaining the active chapters and alumnae at a luncheon. This year Colorado B was hostess. The year's social activities are closed with the Senior Breakfast at the chapter house preceding the close of the school year.

VI. CHAPTER HOUSE: The Colorado B chapter house is rented from the Colorado B House Association. The house was completed February 15, 1940. The value of the house is \$12,000. Last fall new curtains were put up throughout the house, and the chapter room was redecorated. The exterior of the house, the kitchen, and the recreation room have all been repainted recently.

VII. MAINTENANCE OF ALUMNAE INTEREST: In an effort to maintain alumnae interest, alumnae are always invited to social functions given by the chapter. During rushing, the very active Denver alumnae group cooperates with the active chapter in giving combined rush parties. The active chapter holds open house and supper for the alumnae on Homecoming. The Alumnae Advisory Board does much to maintain contact between the two groups. Each pledge is given an alumnae sponsor by whom she is entertained to enable her to know alumnae as well as members of the active chapter. There have been three unaffiliated transfers on our campus in the last three years. Every effort has been made to form contacts with these transfers, and they enjoy the free use of

the house including eating lunches during the week. There have been two affiliated transfers during this period.

III. SCHOLARSHIP: During the fall quarter all pledges are required to spend 20 hours a week in the library. Throughout the rest of the school year all actives and pledges having an average of 3.00 and below are required to spend 20 hours per week in the library. Those whose grades are 2.5 or below spend 15 hours per week, and 10 hours are required for students with 2.00 or below. During winter and spring quarters all girls having failures or incompletes at midterm must spend weekends in supervised study at the chapter house until the grades are raised. Girls with low grades hold conferences with the scholarship chairman to arrange methods of raising their record. When it is desired by the chapter members, arrangements are made to hold a study table at the chapter house during the evenings. Awards are given by the alumnae club each year to the highest girl in each class and the highest girl in the chapter. An average of 3.00 is required by the chapter for both initiation and pledging. For the past five years, including 1945-46, the chapter's rank on the campus for scholarship has been first.

IV. CHAPTER WORK: At the beginning of each year the pledge supervisor goes over all chapter standards, aims, achievements, and pledge duties and responsibilities. Her discussion is always very inspiring to the new pledges. The pledge group is required to put on a stunt at the Christmas party each year, and they also present to the chapter each year an original song. They are constantly encouraged to enter into campus activities such as athletics, music, debate, and departmental clubs, but above all their scholarship and study habits are watched. Our executive council consists of the president, vice-president, corresponding secretary, pledge supervisor, treasurer, social chairman, and scholarship chairman. Our Settlement School project is an annual tea. Funds to be given to the Physiotherapy Drive have been obtained the past two years through a white elephant auction and carnival, which is attended by chapter members only. We also make certain definite contributions to the Loan Fund and certain other national and local charities. Our chapter has contributed 100 per cent to the Student Loan Fund and Red Cross drives. Each year the rush captain is responsible for publication of *The Staff*, chapter newspaper to acquaint new students of the University with activities of the school and members of our Pi Beta Phi chapter.

V. ENTERTAINMENT: Social events for the past year have included rush parties, open houses for fraternities, pledge

dance, carnival for Physiotherapy Drive, Panhellenic ball each quarter, Christmas party, Mothers' Day tea, pledge teas for other sorority pledges, Settlement School tea, Winter Ball, faculty dinners, faculty tea, Homecoming tea for alumnae, patroness coffee hour, supper for seniors of the chapter and handkerchief shower, spring quarter Honeymoon Hotel dinner dance, cooky-shines with alumnae, three initiation banquets (one held on Founders' Day with alumnae guests), tea for chaperon, patronesses' tea for chapter members, patronesses' tea for seniors only, spring picnic for chaperon, serenades at fraternity houses. One of our outstanding events was a handkerchief shower and party in honor of Aunt Carrie, our cook who is leaving us after 24 years.

VI. CHAPTER HOUSE: The Pi Beta Phi house is owned by the Pi Beta Phi House Corporation to which a \$400 a month rental is paid by Wyoming A chapter. The house is valued at \$50,000. Recent improvements include carpeting on the stairs and front hall, transformation of the chapter room into a comfortable bedroom, new card tables, lamps, and table linens. Plans are being made for complete redecoration of the two upper floors and the smoking room as well as the addition of a new bedroom on the third floor during the summer of 1946.

VII. MAINTENANCE OF ALUMNAE INTEREST: We have several social functions during the year with our alumnae group such as our Founders' Day program, Homecoming tea, and Settlement School benefit. The vice-president keeps the chapter in contact with Wyoming A alumnae. There have been no unaffiliated transfers on our campus in the last three years.

III. SCHOLARSHIP: There is a resident tutor in charge of chapter scholarship. She supervises study hall for the pledges four hours a day from Monday through Friday. She provides tutors for girls whom she feels are in need of assistance and she interviews the professors of girls making low grades. The social privileges of pledges are taken away on weekend nights if the girls have missed the required number of study hall hours. Any member not making the required initiation grade average must attend study anywhere from six to ten hours a week depending upon her grade average. For those who have not attended the required study hall, Saturday morning study hall is held. The pledge making the highest grade average has her name engraved on a silver plaque which hangs in the chapter room. She also receives an award at the Founders' Day Banquet. There is a scholarship ring given to the member with the highest grade average for the year. The scholarship rank on the campus for the second semester, 1943-44, was first among the sororities. In the year 1944-45, the chapter placed first and second for the first and second semesters, respectively. For the first semester 1945-46 Oklahoma A placed third. The entire pledge class (26 in number) of 1944-45, was initiated and that semester the pledge class was first in scholarship on the campus as well as the chapter.

IV. CHAPTER WORK: The pledge class largely governs itself as the girls enforce their own rules and elect their own officers (the same as those found in the Pledge Supervisor's Notebook). The pledge president is in charge of assigning

pledge duties to the girls. Oklahoma A uses a point system for the pledges in which each pledge is required to have a certain number of points for initiation. The Executive Council is composed of the President, vice-president, pledge supervisor, scholarship chairman, one senior, one junior and one sophomore. During the past two years, Oklahoma A has given \$100.00 to the Settlement School, \$50.00 to the Loan Fund, \$115.00 to the Red Cross Fund. The chapter newspaper, *The Sooner Target*, is published each year for Founders' Day and describes all the activities of the chapter during the past year. This is sent to the rushees during the summer months.

V. ENTERTAINMENT: 1944-45; six rush parties during formal rush period; dinner for pledges; two cooky-shines after formal pledging; buffet supper for initiates and alumnae; luncheon honoring fathers; Halloween party for members by pledges; annual Pi Phi formal; dinner honoring Mrs. C. E. Top, Kappa Province President; Annual Christmas party; Founders' Day Banquet; annual Senior dinner; exchange dinners with all sororities, three coteries for service men near the campus, 1945-46; six rush parties during formal rush period; dinner for pledges; two cooky-shines after formal pledging; luncheon honoring Pi Phi fathers; exchange luncheons with all sororities; annual senior dinner; luncheon for initiates and alumnae; tea after every football game; annual Pi Phi formal; Halloween party for members by pledges; Founders' Day Banquet; dinner for football team; a dessert party for all fraternity pledges; reception for faculty members honoring Mrs. Warren T. Smith, Grand Vice-President; reception for now Alpha Gamma Delta chapter; dinner for Miss Margaret Jacaway, Kappa Province President.

VI. CHAPTER HOUSE: Oklahoma A owns its house, which is valued at \$60,000.00. During the past two years we have done only necessary painting and repairing except for a study hall we are now building.

VII. MAINTENANCE OF ALUMNAE INTEREST: Executive Council meets with Advisory once each month to help decide any chapter problems as well as get acquainted with the girls. On Founders' Day, Oklahoma A unites with Norman and Oklahoma City alumnae clubs in celebration of the occasion. This year the Founders' Day banquet was held in Norman. Active members solicit the aid of alumnae in entertaining and rushing girls in their home towns. In the past two years there have been 7 unaffiliated transfers on the campus. The chapter has kept in close contact with these girls by recommending places for them to live and by asking them to the chapter house for meals. They are also asked to attend meetings and are contacted about any social functions which are given. There have been no affiliated transfers, because of the quota system.

III. SCHOLARSHIP: 1. Methods for Improving Scholarship. Library hours are set up from 9 to 12 and from 2 to 4 o'clock each week day for those having below a 3.0 average. There is a special study hall on Saturday morning for pledges having an average lower than 3.0 besides regular study hall from 8 to 10 on week nights and from 2 to 4 on Friday afternoons. Quiet hours are enforced from 8 to 12, 1 to 5, 8 to 10, and after 11 P.M. 2. Study hall is held in the dining room where adequate study lamps are provided. 3. Social Regulations. Freshmen and Sophomores are required to be in the house after 8:00 P.M. on week nights. 4. Special Awards. A diamond recognition pin is given to the pledge making the highest grade average in her class. A scholarship ring is given to the active making the highest grade average for the year. 5. Fines. There is a fine of two dollars for those not complying with library hours and missing study hall unexcused. There is a fine of fifty cents for breaking quiet hours rules. 6. Pledge and Chapter Averages. Pledge average for initiation is 2.5. Actives making below 2.5 lose voice in meeting. 7. Rank of Chapter among competing social fraternities.

Fall semester '44—second. Spring semester '45—first. Fall semester '45—first.

IV. CHAPTER WORK: 1. The executive council consists of the president, the treasurer, the scholarship chairman, and representatives of the upper three classes. 2. Settlement School. A sale of Settlement School articles was held in the chapter house. The Settlement School chairman showed three reels of pictures taken of the school. 3. Magazine Agency. The Magazine Chairman appointed one member and one pledge to be responsible for taking orders. It was suggested that every girl purchase at least one subscription. A magazine subscription is given to every active who gets married. 4. Local Charities. The chapter donated to the Panhellenic project of furnishing money for medicine and medical supplies for the Stillwater mission. Each girl was assessed for the local Red Cross drive. Contributions were made to the book drive for Army and Navy hospitals. 5. College Funds. Pi Beta Phi was one of the four organizations that were 100% in all campus drives this year! We participated in the World Student Service Fund. We donated to the Memorial Chapel to be built on our campus. We were in charge of a booth at the Blue Key Carnival, the proceeds of which went to the Memorial Chapel fund. 6. As a method of internal improvement, we appoint one girl to check with all officers prior to the date a national report is due.

V. Every year Oklahoma B, as part of its social activity, entertains mothers, fathers, Pi Phi townspeople, and relatives of Pi Phis with a spring picnic at the chapter house. A faculty dinner is usually held where each active invites one faculty member. This dinner was discontinued during the food shortage and changed to a coffee. There is a formal dance held in the spring and in the fall. During the spring semester we entertained all national fraternities with a formal dessert at the chapter house. We assist in all Panhellenic entertainment during the year.

VI. CHAPTER HOUSE: The chapter house is owned by the Alumnae Corporation. It is valued at \$25,566.12, not including the lot. Improvements since May, 1944: New carpeting on the first floor; three Oriental rugs for the sun room; refinished floors throughout the house; fluorescent lights for study hall; several new pieces of furniture; painting and papering.

VII. MAINTENANCE OF ALUMNAE INTEREST: Through the Advisory Committee, which consists of three alumnae and the Executive Council, the local alumnae are kept informed about the activities and problems of the chapter. There have been no unaffiliated transfers or affiliated transfers on our campus during the last three years.

III. SCHOLARSHIP: The methods of Arkansas A for improving scholarship have proved quite effective, for we have ranked first in campus grade average during three consecutive years. A regular study hall is held for pledges every night, Monday through Thursday, during the pledge term. In addition, pledges are required to be in the library from nine o'clock in the morning until twelve o'clock noon, and from two o'clock in the afternoon until four o'clock, when not in classes. Supervised study hall is also held for initiates who have below a 3 point grade record for the previous semester. This study hall is kept by a paid supervisor on

Monday and Wednesday afternoons, and Tuesday and Thursday nights. Members making below a 2 point attend the entire eight hours, while those making below a 3 point attend only six hours. A fine is imposed on all who do not complete the required hours. The pledge and chapter average required are both 2.25. A diamond recognition arrow is awarded to the pledge making the highest grade average for the first semester. Initiate scholarship is emphasized by the award of a Pi Phi ring to the initiate making the highest grade average throughout the year. The social regulations for our chapter are the same as for the entire University of Arkansas campus, a 2 point. The chapter ranked first during both semesters in 1944-45; and first for the fall semester of 1945-46.

IV. CHAPTER WORK: Each week at pledge meeting short talks are given by various members. At regular intervals the pledge supervisor reports her work and training activities to the fraternity. They criticize and offer suggestions to aid her. Executive Council is made up of the following: president, vice-president, representative from the senior class, representative from the junior class, representative from the sophomore class, treasurer, pledge supervisor, and house manager. This year besides the usual contributions to Holt House and Settlement School, we gave to the Red Cross, the Cancer Fund Drive, and the World Student Service Fund. The chapter is donating magazine subscriptions to the Veterans Hospital near Fayetteville. As a special project, we are giving a specified amount each month to enable a blind girl to attend the university. At Christmas, Arkansas A made provisions to give school lunches for the entire year to the children of a needy and deserving family in town. We packed fifty Christmas boxes to send to soldiers who are in hospitals. A summer rush bulletin containing pictures and articles pertaining to Pi Beta Phi is sent out each year to rushees. In addition, we send to members a letter with rushing plans and information on rushees.

V. ENTERTAINMENT: Both years we had a series of five initial rush parties with final preferential parties. Sunday following pledging, an open house was held for all fraternity men. For the past two years the active members have honored new pledges at a sweater hop the first week-end in the fall term. Early in the year we also have a faculty reception. Both years we had our annual Christmas formal, followed by a breakfast in the chapter house, Christmas serenade, spring formal, and open houses after each football game. In the year 1944-45, Pi Phi participated with others in a series of Panhellenic exchange dinners. A reception was held for Mrs. Top, Kappa Province President. For our Christmas party the alumnae club was invited over. A hayride was given in the spring and also an all day swimming party for the new initiates. Each Thursday night townspeople were invited for dinner. 1945-46 brought the return of men to the campus and increased entertainment. Arkansas A held a series of Saturday afternoon parties for the fraternities on campus, entertaining a different fraternity each week. The second semester we had open house on Sunday afternoons for the new pledges of various fraternities. A faculty reception was given in honor of Miss Jacoway, Province President. Over a period of several weeks, we invited to dinner the presidents and housemothers of every organized house on campus. We have had an all day picnic, a hayride, and two formals. On Mother's Day, all the parents of town members and the visiting parents were our guests. We gave a tea in honor of Dean and Mrs. Hosford, who are leaving the University of Arkansas. Faculty and town friends were invited. The social events of the year closed with the senior farewell picnic.

VI. CHAPTER HOUSE: The Pi Phi house of Arkansas A is owned and valued at \$50,000. Since May, 1944, we have redecorated the entire house. The front lawn has recently been landscaped with new lawn furniture added. New furnishings have been purchased for the chapter room.

VII. MAINTENANCE OF ALUMNAE INTEREST: During rush week the resident alumnae and interested alumnae from nearby cities attended all parties. They were present at all social functions Pi Phi held. We are in direct contact with them all the time, for advisory meets with executive council once a month. At Homecoming we invited all visiting alumnae to an open house. We have contacted and entertained all Pi Phis who are wives of students in Veterans Village. We have affiliated one transfer in the past two years. At present there are two unaffiliated transfers on the University of Arkansas campus. These girls live nearby and have their meals in the house. They attend all Pi Phi functions and engage in all activities. Neither have been here long enough to receive grades for affiliation.

Aqua Carnival Queen, 3 of 10 Aqua Carnival Beauties; T.S.O. Ten Most Beautiful Girls, 1; Bluebonnet Belle Nominees for Round-Up, 14; Sweetheart Candidate for Round-Up; Duchesses and Maids at the Battle of Flowers in San Antonio, 15.

III. SCHOLARSHIP: Pledges are required to attend a supervised study hall seven hours each week, or if their grades fall below initiation average, ten hours each week. Members with less than a C average attend six hours each week. By University regulations freshmen women are allowed only three dates each week until they have fifteen hours of C. Outstanding pledges are awarded a pearl recognition pin each year and recognition pins are awarded to all pledges making A A Δ grades. The chapter awards a prize of five dollars to the girl showing the most improvement in scholarship during the year; girls making Φ B K are also awarded with the gift of the Φ B K key. Members are fined one dollar for each failing grade and one dollar for each deficient study hall hour at the end of the month. Pledges must make a C average in five courses or a B- in four courses to be initiated. The scholastic average required for voting is the same. Pi Beta Phi ranked first scholastically on the University of Texas campus for 1944 and 1945.

IV. CHAPTER WORK: Each pledge must earn 150 pledge points, out of a possible 245, before she is initiated. These points are obtained through good scholarship, fraternity work and campus activities; they are distributed so that the pledge must excel in all three of these objectives. Since Texas A is large, "getting acquainted" is speeded up through phone duty for pledges and by three pledges naming the active chapter at each regular meeting. Each officer gives a short talk at one pledge meeting, thus the pledges learn about the duties of the officers and their responsibilities to the officers. Executive Council consists of seven members including the class representatives, the president, the vice-president, the treasurer, and the pledge supervisor in the fall and the past president in the spring. Annual contributions are made to the Settlement School, Loan Fund and Holt House. \$150 was contributed to the National Red Cross in 1946, and in 1945 over \$1,400 was raised for the Red Cross by the "Curb Cabaret" benefit party. \$60 was given to the Nita Hill Starks Memorial Fund. \$50 to Inter-Fraternity Council for intramural field lights. Once a year an Open House to display and sell the Settlement School articles is given at the chapter house. The rush captain compiles a confidential summer rush bulletin with information about the rushees so that the chapter can become familiar with the prospective rushees. There is a steering committee, separate from the activity's committee, which grooms girls for campus elections. This committee encourages interest in campus politics

and it has proven to be very successful. Once a month a guest speaker is entertained at dinner, either an outstanding alumna who speaks on Pi Beta Phi, or a faculty member, who speaks about his respective field.

V. ENTERTAINMENT: Following the fall rush activities, the chapter each Friday night had a closed house for a new pledges. They were also honored with an alumnae tea. Open houses for the fraternities and various campus groups, including N.R.O.T.C., Latin-American Association, and the Ex-servicemen organization were given each Sunday. Our fall dance was a Masquerade Ball at which Fletcher Henderson's Orchestra played. In December, Texas A had its annual party for the underprivileged children. Among the more outstanding events for the year was the annual picnic given by Mrs. Thrasher at her home for the alumnae, actives, and pledges. The chapter had many entertaining affairs for the girls alone such as Christmas and spring pajama parties to which all the girls not living in the house were invited; the picnic given by the new initiates for the old members. Other Spring functions included many serenades, climaxed by an Inter-Greek sing-song; several Friday night supper parties for members and their dates; the faculty-parent tea; and a buffet supper for Panhellenic Council.

VI. CHAPTER HOUSE: The house is owned by the Austin Pi Beta Phi Alumnae Association. It is valued at \$100,000. Each girl pays \$15 monthly as rent. \$25 for initiation, and \$25 for pledge fee goes to the House Corporation, as does any savings from the commissary department. Improvements: In the fall of the year a new kitchen stove was purchased. The summer of 1945 the house was painted inside and out, and every bedroom chair was upholstered. Also in the fall of 1946 a picture was purchased for the Music Room. With the money from the coke machine, the chapter bought fourteen pieces of wrought iron furniture. This is our latest improvement.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Austin alumnae are very active in rush parties, teas and initiations. They have monthly business and social meetings, rummage sales, the annual Settlement School tea, and a tea for the new pledges in the fall. The actives and alumnae participate in the Founders' Day Banquet each spring. The Alumnae Advisory Board meets once a month with the Executive Council. We have had 15 unaffiliated transfers and 13 affiliated Pi Phis in the last three years. The chapter invites transfers to all meetings and social functions, this being accomplished through the Transfer Chairman.

Social Honors: 4 Annual favorites; 5 Annual beauties and beauty nominees; 4 Mustang Thoroughbreds; 1 S.M.U. representative to T.C.U. Ball; 1 Sweetheart of II K A, 1 Sweetheart A T Ω, 1 Queen of Σ Δ X.

III. SCHOLARSHIP: Members: Every member whose average is under "B" must attend study hall six hours a week. A five dollar fine for an "F," a one dollar fine for a "D," and a five dollar fine for an "Incomplete." Every member with below "C" average will attend study hall on all off periods in the morning five days a week. Pledges: Every pledge must attend study hall 10 hours a week. Average for initiation shall be 1.0 for the first semester and 1.5 for the second semester. The average may not include an "F" unless the girl has a 1.5 average for at least twelve hours of college work. The pledge shall have only two semesters to make the required grades. Members and pledges who miss study hall

make up the following week. If not done, girl's pin will be taken for a two weeks period. Texas B has a study hall every afternoon from two to five in one of the college buildings. A paid tutor is in charge. The scholarship chairman takes a record of the weeks grades and cuts each meeting and sees that deficiency reports are made up and discusses weaknesses with teachers. The Dallas Alumnae Club has presented Texas B with two plaques. The freshman and sophomore with the highest averages are entitled to have their names engraved on this plaque. Our chapter has an annual picnic for the winners of a scholarship competition between members and pledges at which the loser plays host. For the first semester 1944-1945 Texas B was second to a local Jewish sorority among competing fraternities for women. The last semester Texas B was first. The fall semester of 1945-46 Texas B was first. The Dallas Pi Phi Mother's Club presents twenty-five dollars to Texas B for being first in scholarship on the campus.

IV. CHAPTER WORK: Pledges meet weekly with pledge trainer and assistant. They have quizzes on chapter and national work, discuss activities and grades. Besides each pledge having a "big sister" to help her in scholarship and activities a Pledge Advisory Board of four members discusses privately with each pledge her difficulties. The point system has been used successfully. Conferences are held before initiation in order to point out to each pledge her successes and failures in chapter requirements. Executive Council includes the president, the treasurer, the scholarship chairman, the pledge supervisor, sophomore, junior and senior representatives. Three alumnae, including the president, meet with the council once a month. In addition to fifty dollars contributed to the Settlement School, the active chapter assists the alumnae club in a tea for the sale of Arrowcraft. Texas B contributes five dollars to the Holt House and five dollars to the Loan Fund yearly. We give a twenty-five dollar Pi Beta Phi Music Award to the junior student making the best grades. In 1945 we contributed two hundred forty dollars to the Dallas Pi Phi Building Corporation. Yearly, we give twenty-five dollars to the Campus Chest which includes donations to the Community Chest, Red Cross, etc. Our magazine chairman has been more successful in the past two years than ever before. Pledge scholarship has shown improvement and a closer relationship between pledges and members has been developed. The personnel of the Executive Council has been changed so as to make it a more efficient organization. The only chapter publications have been in the form of rush papers which discussed Texas B's activities on and off campus and the merits of Pi Beta Phi nationally.

V. ENTERTAINMENT: 1944-45: One large pre-rush party, regular fall and spring rush parties, one open house for pledges, one luncheon for pledges, two cooky-shines, one formal dance including members of other sororities, one picnic honoring Navy V-12 Unit, one dance honoring naval officers, one formal dinner, one Pi Phi-Kappa football game, one inter-sorority picnic, various parties for province president, one Mother's Tea, one Founders' Day banquet, one senior luncheon, one Settlement School Tea. 1945-46: One large pre-rush party, regular fall and spring rush parties, one open house for pledges, one pledge banquet, one formal dance including members of other sororities, one informal dance, one Christmas party, one Valentine party, one breakfast dance, mid-week luncheons and sing-song, Father's Banquet, Pi Phi-Kappa football game, Founders' Day Banquet, senior luncheon, Settlement School Tea.

VI. CHAPTER HOUSE: Texas B does not have a house as they are not allowed on the S.M.U. campus. However, we are able to maintain an apartment approximately five blocks from the school. We rent the entire apartment and sub-let to a chaperone. We pay the utilities and are, in turn, allowed to use the kitchen, dining room and living room. We have our own chapter room and closets. In the past year the chapter room walls have been painted blue. We have new wide drapes and rug. The alumnae club gave us a lovely desk and we have money for a new trophy case. We have acquired a piano. With the help of a very capable Mother's Club, two thousand eight hundred and ninety-five dollars has been raised toward furnishing a new sorority house.

VII. MAINTENANCE OF ALUMNAE INTEREST: Through the Alumnae Advisory Board we are in close contact with our alumnae and they with us. One girl attends every meeting of the club and reports on the chapter. The Dallas alumnae attend rush parties and aid greatly in preparing for them. At the Founders' Day Banquet the chapter has an excellent opportunity to meet and get to know the alumnae. Texas B has a Housing Corporation organized in 1941 in order to raise money for possible houses on the campus. Through the meetings of this corporation we have been closely associated with the alumnae. In the last three years Texas B has had three unaffiliated transfers. All transfers are invited to open meetings, dinners, social functions, and gatherings. At the present time we have one unaffiliated transfer.

Respectfully submitted,

(members selected on basis of school spirit and leadership); 3 members in *Jambalaya* beauty court; 6 members in *Jambalaya* personality section; 5 members in the *Urchin* (university magazine) beauty court; 4 members in the homecoming court; 3 members in the May Day court (recognition honor given to girls who have held no major offices); 2 members of S. X. ball court; 1 badminton champion; 2 winners of Newcomb athletic blanket; 1 winner of Newcomb 'N' (athletic award); 1 president of the archery club; 4 members of T.U.R.K. (members selected on basis of school spirit and leadership); 6 members of Laignappes (social organization); 3 members of Greenbackers (members selected on basis of school spirit); 1 member of Oreades Greek and Latin Club; 2 queens of Mardi Gras ball Harlequins; 3 queens of Twelfth Night ball; 1 queen of Atlanteans ball; 1 queen of Mystery ball; 1 queen of Comus ball; 36 maids in the various Mardi Gras balls courts.

III. SCHOLARSHIP: Our scholarship chairman keeps a card file on each active's and pledge's grades and special attention is paid to the warning slips that are issued at the end of a quarter. Grades are given out only at the end of a semester but at the end of each quarter warning slips indicative of D grades or below are sent out. At the end a quarter every active receiving a warning slip is required to do 3 hours a week in the library on that subject which is not up to par. A pledge receiving a warning slip is required to do 3 of the 5 supervised hours in the library on her weak subject. Also a pledge has to report a warning slip to her big sister who in turn reports it to executive council which discusses the situation and determines what is the best procedure for improving each individual pledge's grades. Since the scholarship chairman is a member of executive council, which brings her in close contact with the alumnae scholarship chairman, there is greater harmony and efficiency in all scholastic undertakings. The chapter allows but two class cuts a week, after which a twenty-five cents fine must be paid by all members for each extra cut. Any active who gets below a C average automatically loses her voting privileges and in addition to her 15 hours required study she must do 5 extra hours in the library. The chapter requires a C average to be eligible for initiation after one half of a year's work has been successfully passed. We stood 8 first semester 1944-45 and 4 second semester 1944-45. There is a bracelet given to the active and the pledge with the highest averages. These awards are given with other awards at the Founders' Day banquet.

IV. CHAPTER WORK: The pledges have their own officers and hold weekly meetings under the direction of the pledge supervisor. As no one lives in our house, and we have no hired help, the pledges have to keep the rooms in order. Then at the Founders' Day banquet the pledge who has done the most unselfish work is awarded a bracelet. At their pledge meetings one officer of the active chapter usually gives an inspirational talk on fraternity life in relation to College, or on the Settlement School. Thus the pledges are shown the reasons for our fraternity all through their pledgship. Each pledge has an executive advisor who takes a personal interest in helping her with her scholarship problems and her collegiate activities. These executive members work together with the big sisters to adjust each pledge to fraternity life. The pledges gave a very successful bride party this year for the settlement school and made well over their

fifty dollars. Both pledges and actives donated blood to the Charity bank, and Pi Beta Phi gave more than any other sorority on the campus. Also the chapter bought more bonds during the last bond drive than any other sorority. The executive council consists of the chapter president, vice-president, treasurer, pledge mother, scholarship chairman, rush captain, and senior and sophomore representatives.

V. ENTERTAINMENT: This year was the first time in many years Louisiana Alpha Chapter gave a dance. The dance was on June 1, with a breakfast afterwards. Many guests from other colleges and other sorority and independent girls were asked. During the year there were many informal suppers at the house when the chapter had to remain for extra meetings. There were several teas given for visiting officers, and a luncheon before the Tulane-L.S.U. football game for the Louisiana B. Pi Phi. The chapter also enjoyed an Easter houseparty on the Gulf coast. Both years we have had a Christmas party on the last day of school before the holidays when each girl brings a cute present with a poem attached, to some girl whose name she has drawn from a chapter list. Then we go carolling to all the dormitories on the campus. We also take care of a Christmas family each year and we provide them with baskets of food and money.

VI. CHAPTER HOUSE: The chapter house is owned by the Zimble Realty Company, made up mostly of Pi Phi alumnae, and is rented to the chapter for a nominal fee. Since Newcomb allows no sorority to use a whole house, we rent the two back rooms to an elderly lady. The house is just off the campus in a very convenient location. Last summer the chapter personally painted the entire house inside and out. The exterior was painted white and green, while the interior was kept in a very pale blue. The alumnae club made new slip covers for the furniture and curtains for the windows. The floor in the front room was re-done, and the back room was fixed up for meetings in an attractive red-white and blue theme. The chapter bought an ice-box and a stove and the alumnae bought a rug for the back room.

VII. MAINTENANCE OF ALUMNAE INTEREST: Our chapter has a very successful mothers club, and a most active alumnae chapter. They helped us a great deal in fixing over the house. For two years now they have sponsored the Towle Silver Company in showing the silver at the Pi Phi house, getting a hundred people to look at the silver, and thus raising \$75 for the Settlement School. The alumnae gave a very lovely tea in the fall honoring the pledges and their mothers. The alumnae showed great interest in the Founders' Day banquet, making all of the preparations for it. It was considered the best Louisiana A ever had. One of our charter members, Mrs. Blacklock, was present and gave a wonderful talk on how Louisiana A was founded. There have been no unaffiliated transfers on our campus in the last three years. There have been two affiliated transfers to Louisiana A during this period—Jane Rhymes and Mary Lane Philips.

III. SCHOLARSHIP: There is a supervised study hall each night Monday through Thursday from 7:30 P.M. to 10:00 P.M. for both pledges and actives. An active with a 1.5 average or over is exempt from study hall. A pledge is required to make a 2.0 average. School regulations require those not maintaining a C average to come in one hour early each week night and at 8:00 on Friday or Sunday nights. Each year the active having the highest scholastic record receives a Scholarship Ring. Special awards are given to the pledge with the highest average, the girl showing the greatest scholastic improvement, and the girl from each class with the highest average. There is a fine of \$25 a semester for actives and pledges not completing the required number of hours. Rank of chapter among competing fraternities for women: 1944-45, eleventh; 1945-46, first semester, second.

IV. CHAPTER WORK: Each pledge must have 25 service points, exclusive of 2 extra-curricular activities, to be eligible for initiation. Awards are presented to the Model Pledge, to the pledge with the highest scholastic average, and to the pledge who has rendered the most unselfish service to the Fraternity. The Executive Council is composed of president, vice-president, pledge supervisor, treasurer, social chairman, scholarship chairman and a member from the sophomore class (provided, of course, that the junior and senior classes are represented also by these officers). The chapter made contributions to the Settlement School, the Loan Fund, and Holt House. In addition, the chapter worked for and contributed to various charities such as the China Relief, W.S.S.P., Cancer Control, Red Cross and others. Before rush week, a short publication including names of rushees, a short biography of each, grades, etc. is sent to each active for her to study during the summer. An event which we have found very successful is the houseparty in Baton Rouge the weekend before rushing starts. The town mothers are more than generous in accommodating the out-of-town girls in their homes. Two or three meetings are called and last minute details for rush week are completed. This minimizes confusion and typical rush week mix-ups. There are pledge-get-togethers after meeting twice a month. We have had several college professors and officials speak to us on these occasions. An interesting tradition is the annual presentation of a cup on Honors' Day to the outstanding non-sorority senior girl.

V. ENTERTAINMENT: 1944-45: 3 fall rush parties, a fall houseparty at a private camp, a pledge tea honoring other sorority pledges, a luncheon honoring Mrs. C. F. Top, initiation banquet, a tea dance, Christmas party, a tea honoring the faculty, a spring houseparty, 2 cooky-shines, and Founders' Day banquet. 1945-46: 3 fall rush parties, pledge tea, a fall houseparty, 2 cooky-shines, initiation banquet, Christmas party, 4 pre-nuptial parties, a tea with the alumnae for Miss Margaret E. Jacoway, a hayride, a picnic, a tea honoring Mrs. Warren T. Smith, a tea for town mothers, and senior farewell party.

VI. CHAPTER HOUSE: There are no sorority houses on the Louisiana State University campus. Louisiana B maintains a chapter room in the Panhellenion. It is rented for \$30 a month for 10 months. A large mirror was presented to the chapter by the 1944-45 pledge group. The 1945-46 pledge group presented a ceiling fan which is now being installed. A fund has been started to buy a typewriter for the room.

VII. MAINTENANCE OF ALUMNAE INTEREST: Louisiana B is especially grateful to the Alumnae Advisory Committee for their help during rush week and their cooperation in all matters. The alumnae have been invited to the teas and to the Founders' Day banquets. There has been one unaffiliated transfer on the campus in this period. She has been invited

to all Pi Phi functions and was invited to a conference period with Mrs. Smith during her visit. There have been two affiliated transfers in this period.

I. MEMBERSHIP: 1945-46: 19 initiates, 43 active members, 26 resident active members, 46 resident alumnae. Total membership 241.

II. HONORS: 10 graduates, 1 graduate with first class general standing (over 85 percent in all subjects), 1 undergraduate with first class general standing, 1 undergraduate scholarship winner, 1 philosophical Society winner, 1 president of the Honors Mathematics and Physics Club, 1 president of the Household Economics Club 1 class historian of graduating class of 1946, 1 secretary of the Literary Society, 1 social convener of the Education Undergraduate Society, 1 nursing representative on the Wauveita Society, 1 women's sports editor of the *Gateway*, 1 editor of the *Gateway*, 2 news reporters for the *Gateway*, 1 editor of the *Orphan*, 2 members of the Yearbook staff, 2 athletic awards, 1 leading role in the Interyear Plays, 1 costume mistress, 1 member of the basketball team, 1 delegate to Panhellenic Convention, 1 secretary of Panhellenic.

III. SCHOLARSHIP: A record of every girl's courses, offices held, sports and activities is kept by the scholarship chairman. All examination marks are recorded. Girls with low marks come under the jurisdiction of the Scholarship chairman. A gold scholarship ring is presented to the graduate with the highest grades and a gold scholarship bracelet is given to the undergraduate with the highest marks. An average of 60 per cent is necessary for pledging and a four fifths pass is required for initiation. In 1944-45, in the comparative scholarship ratings of fraternities we ranked third and in 1945-46 we ranked second.

IV. CHAPTER WORK: The pledge and active meetings are held every Monday night at the fraternity house. Several times during the year talks are given to the pledges on the subject of the fraternity by active or alumnae members. The executive council consists of president, vice-president, recording secretary, corresponding secretary, treasurer, scholarship chairman, pledge supervisor and rush captain. During the year the chapter makes contributions to Settlement School, Loan Fund, and Holt House. The alumnae work with the magazine agency. The active chapter also has sent parcels and money to children in Europe.

V. ENTERTAINMENT: During the rushing season the chapter entertains in the form of teas, luncheons, dinners and dessert parties. A tea was given for the faculty. In the spring our annual formal dinner and dance is held at the Macdonald Hotel. Our Founders' Day Banquet and Senior Farewell was combined and held at the Macdonald Hotel. The Alumnae club gave a breakfast party for the graduates and the Mother's club held a tea for them. In the summer months rushing functions are held at Edmonton and Calgary.

VI. CHAPTER HOUSE: The chapter house is owned. The value of the house is \$8000. It is situated directly across from the campus. The Mother's club has donated quilts and rugs and the alumnae club is planning some landscaping to be done this summer.

VII. MAINTENANCE OF ALUMNAE INTEREST: The Calgary and Edmonton clubs have aided tremendously in rushing and entertainment, yet the maintenance of alumnae interest in the active chapter is one of our problems. We have had no affiliated or unaffiliated transfers in the last three years.

III. SCHOLARSHIP: Local Panhellenic requires a scholarship average of 76 for initiation. Study hours are observed from 1-4 in the afternoon and from 7:30-9:30 on each week night. If a girl does not make her grades she is given no special permissions for week nights until these grades are brought back to average. A scholarship ring is given to the active who has the highest grades for the year; a recognition pin is given to the pledge who has received the highest grades during her quarter as a pledge. A small gift is given to the member, active or pledge, who has made the biggest improvement in grades during the year. Conferences are held with the scholarship chairman and her committee for those who have not made their grades. The scholastic rating for Pi Beta Phi in 1944-45 was first, and we received the Scholarship Plaque for Lambda Province that year; thus far in 1945-46 it has been fourth.

IV. CHAPTER WORK: Pledge meetings consist of chapter instruction, fraternity reports, general meeting with the actives, song practices and Panhellenic discussions. Pledges have their own officers, and each one has a big sister who helps with scholarship, social conduct and general guidance. The pledges write an original song for the annual Panhellenic dinner. Executive council consists of the president, vice-president, treasurer, pledge mother, the scholarship chairman, a freshman representative, and a senior representative. This council meets once a month with the Advisory Board. Money is allowed in the budget for the Loan Fund, Settlement School, and Holt House. Through the sale of magazine subscriptions money is sent to the Magazine Agency, and the money is raised for Settlement School by the Pi Phi Derby at which the King of the Hill is selected. Through personal donations money is sent to the Red Cross, war reliefs, and the World Student Service Fund. A newsletter is sent out during the summer months to all members to acquaint them with rushing rules and news of the chapter. A social column is also maintained in the college paper.

V. ENTERTAINMENT: Once a month there is a self-service dinner held in the house for the pledges, actives, and any alumnae who wish to attend. A Mothers' Day Chocolate and a Fathers' Dinner are annual affairs, and there is also a dinner held for Pi Phi brothers. There are regular Panhellenic exchange dinners held with the men's fraternities. Dinners are given during the year for Mothers' Club officers, members of the faculty, and the president of the college with the various deans. The Christmas party is held every year for actives, alumnae and pledges. A banquet is also given on Founders' Day. A formal banquet is held after fall initiation, and once during the year the alumnae give a cooky-shine for the pledges. Other sorority officers are entertained at dinner or luncheon when here on a national visit. Two serenades are given during the school year for the fraternities. Firesides are held throughout fall and winter quarters. A semi-formal dancing party is held in the fall, and a dinner-dance is given at the hotel in winter quarter. During spring quarter a spring party is held at some dude ranch. In spring quarter a semi-formal dance is held in the chapter house and the house is decorated with 1,000 gardenias.

VI. CHAPTER HOUSE: The chapter house is one of six units in the college quadrangle. The unit houses 22 girls and the housemother. Each chapter holds a 60 year lease on their unit. They are free from taxation and the suite arrangements provide modern and convenient study rooms, dressing rooms and bedrooms. During the summer of 1944 the Quadrangle was repainted and completely redecorated. The chapter is saving money to build a new chapter house in the next two or three years. The Quadrangle is just one block off the campus.

VII. MAINTENANCE OF ALUMNAE INTEREST: All alumnae are invited to all chapter parties, self-services, Founders' Day banquets, initiations, pledgings, and initiation banquets and cooky-shines. Their interest is kept up through the contacts established by the Advisory Board with the active chapter. In the last three years there has been only one unaffiliated transfer on the campus. All "Stray Greeks" are invited to dinners and social functions at the house. In three years we have affiliated no transfers.

I. MEMBERSHIP: 1944-45: Initiates, 12; active members, 30. 1945-46: Initiates, 9; active members, 29. Resident active members (at present), 3; resident alumnae, 14; total membership up to May 1, 1946, 350.

II. HONORS: 3 members of A A Δ (underclassman's scholastic honorary) treasurer 1, president 1; honor students, 6; honor graduates, 8; junior class president 1; sophomore class president 1; class committees 7; *Argonaut* (weekly paper) staff 6; editors 2; *Gem* (yearbook) staff 12; assistant editor 1; Mortar Board 1; Cardinal Key 8, vice-president 1; Spurs 4, vice-president 1; Φ T O (home economics) 5, president 1, vice-president 1; Φ X Θ (business) 4; K Δ II (education) 4; A E Δ (premedical) 2; A.W.S. president 1, treasurer 1; Hell Divers (swimming) 6, president 1, vice-president 1; W.A.A. 38; Westminster Guild 15, president 2, treasurer 1; "I" club 4, president 1, vice-president 1; Home Economics club 6, president 1, vice-president 1, treasurer 1; K Φ 10, vice-president 1; All Girl Singing Orchestra 3; Pem Club (athletics) 2; Curtain Club (dramatics) 1; Attic Club (art) 2, vice-president 1; Student Activities Board 1; Δ A Σ 5; cheerleader 2; Σ A I (music) 1, treasurer 1; Panhellenic Council 2, secretary 1; plays 3; delegates to national conventions 3; *Who's Who in American Colleges* 1; May Queen 1; May Page 1; Football Queen 1.

III. SCHOLARSHIP: Study hours kept by the pledges and initiates are from 8:00-12:00, 1:00-4:00, 7:30-9:30. All members not making a 2.5 average are required to go to library their free hours from 8:00-4:00. Pledges must spend 4 hours in the library during each week-end. The pledge average in our Fraternity is 2.84; the house average is 2.86. The highest possible average is 4. The scholarship chairman and her assistant make and enforce all these rules, and are in charge of a chart showing each girl's standing in scholarship. The required pledge average is 2.5. At the senior banquet each year a scholarship cup is awarded to the pledge with the highest accumulative average and also a scholarship ring is awarded to the girl who has the highest average for the year. The pledge making the greatest improvement in grades during the year receives a gift from the chapter. Ranking of Pi Beta Phi with other women's fraternities on the campus: 1944-45, fifth; 1945-46 (first semester), second. There are eight socially competing fraternities.

IV. CHAPTER WORK: A pledge meeting is held each Tuesday night with the pledge president and an upperclassman, who acts as pledge advisor, presiding. Besides the regular pledge lessons, the pledges with the help of the advisor, carry out a systematized program of Fraternity study on local and national subjects. Each pledge is provided with a "big sister" in the Fraternity who helps her with any difficulties she may have, and who advises her at all times. The pledges frequently are helped by constructive criticism. The executive council consists of president, vice-president, corresponding secretary, treasurer, pledge supervisor, house manager, and scholarship chairman and the four classes are represented by the above members. In 1944-45 we sent \$5 each to the Settlement School, Loan Fund and Holt House. In 1945-46 the same amount was sent. Last year a Standards Committee has been organized which is composed of three seniors. The committee meets with the housemother and manners, attitude, and behavior of the members and the betterment of the house as a whole are discussed and reported upon at general house meetings. Each semester a meeting of active members is held and constructive criticism is given to each girl by the other members. This is a wonderful method of keeping the members alert and constantly striving for improvement.

V. ENTERTAINMENT: 1944-45: annual rushing parties, pledge's dance, initiation dance, Christmas dance, spring formal, dinner dance, 8 firesides, initiation banquet, Christmas party for alumnae and their children, tea for province president, Banquet for Mothers' week-end, Founders' Day tea with Washington B, faculty dinners, dinner for patroness, dinner for alumnae, senior banquet, spring rushing parties. 1945-46: Same as above only a picnic was given on Founders' Day with Washington B, firesides for pledges from 8 other sororities, exchanges, hayrides, dinners for faculty members and guests.

VI. CHAPTER HOUSE: Our house is financed by a corporation known as Ω Φ A. Its present value is \$40,000. At the present time the matter of building a new house on the lots directly across the street from our present location is being discussed by the corporation. In 1944-45, new drapes and

wall paper in the sun porch and smoker were added. Our housemother's apartment and cook's apartment were redecorated. In 1945-46 we redecorated our archives. The seats in the smoker were covered with leather and all of the walls were calcimined. The exterior painted parts were painted and a new furnace installed.

VII. MAINTENANCE OF ALUMNAE INTEREST: Idaho A is very fortunate in having so many active resident alumnae who are invited to all social and Fraternity functions. Each spring the alumnae invite the juniors and seniors to a dessert bridge luncheon at one of their homes. We keep in close touch with our advisory board, meeting with them once a month, or oftener if necessary. Each spring we send letters to our alumnae telling them about the chapter, the school and enclosing recommendation blanks for rushees. We have affiliated no one.

III. SCHOLARSHIP: Those below a 2.3 grade average are required to attend study table every Friday night; they must be out of the house by 8:30 in the morning, and may not be back until 4 in the afternoon (exceptions are made for those who wish to study in their rooms). Actives with lower than the required 2.3 have their voice and vote taken away for the first six weeks of the semester. Letters are to be sent to all parents explaining their daughters rating within the chapter; this is in order that we may gain their understanding and cooperation. Social cuts depend on the girl's grade point and upon her year in school. Demerits are issued for noise during quiet hours. We require a 2.3 for initiation with at least 14 credit hours. Pledges and new initiates are allowed 1 library cut a week; this is to be taken with an active. Scholarship conferences are held regularly for those girls in need of help. The two week-ends prior to final examinations are closed; this is in accordance with University regulations. Pledges and new initiates, and also sophomores must stay in two nights; if a sophomore has a 3.0 grade average or better she need only stay in one night. Juniors below a 3.0 must stay in one night, otherwise none. Seniors need not stay in any night. An award is given annually to the active showing the greatest improvement for the year, and also to the pledge with the highest average for the first semester. A cup is presented to the class with the highest average for the year. The use of fines has been discontinued in the past two years. For 1944-1945 we ranked ninth among the twenty-one competing women's fraternities on the campus. The average for 1945-1946 of the different houses is not yet available.

IV. CHAPTER WORK: Every pledge is given a sponsor to help her in every way possible. Pledge meetings are held weekly under the direction of the pledge trainer. The pledges study and learn of the organization and history of the fraternity. They are kept informed on the latest reports of the social and standards chairman, and on other similar matters which were discussed in chapter meetings and which concern them. The personnel of Executive Council consists of the chapter president, the pledge trainer, the standards chairman, the scholarship chairman, and one member from the senior, junior, and sophomore classes. Each year contributions are made to the Settlement School and to Holt House, and a certain amount of money is set aside for the Loan Fund. These amounts are determined by chapter vote. The alumnae each year has a sale of hand-work from the Settlement School; every girl attends and it is always a great success. The magazine chairman works through the chapter in obtaining subscriptions for the magazine Agency; this has been quite successful. The chapter each year gives to the Community Chest, to the Orthopedic Hospital, and to the War Students' Service Fund. An effort is always made to have the new initiates placed on committees or other tasks where they may learn responsibility and become more closely integrated into the chapter.

V. ENTERTAINMENT: 1944-1945: Open house pledge night,

cooky-shine, pledge dance, costume dance, spring formal, Founders' Day Banquet, chapter's birthday party, father-daughter banquet, mother-daughter dessert, legacy tea, senior picnic, guest tea, senior breakfast, eight exchanges with fraternities, one exchange with a woman's fraternity. 1945-1946: Open house pledge night, cooky-shine, breakfast for alumnae, actives and pledges, pledge dance, reciprocity dance, tea for Panhellenic president, Christmas Party, Open house for Community Chest Drive, open house for W.S.S.F. Drive, guest day, father-daughter banquet, mother-daughter dessert, Founders' Day Banquet, chapter's birthday party, spring formal, tea in honor of Mrs. Wallace, senior picnic, legacy party, senior breakfast, six exchanges with fraternities.

VI. CHAPTER WORK: Washington A owns its own house which has a value of approximately \$85,000. It was built in 1940, and is the newest house belonging to any women's fraternity on the campus. Last summer the Town Girls' Room was repapered. The Mothers' Club redecorated the play room in the basement for us. Here the walls were painted, and new curtains and a coke bar were added.

VII. MAINTENANCE OF ALUMNAE INTEREST: We keep in close touch with our alumnae through rushing and through our other social functions. These include Founders' Day Banquet, the chapter birthday dinner, and the Settlement School Sale. Executive Council meets two times each month with Advisory Board; this is very helpful in maintaining a close association with the alumnae. We have made an effort to keep the transfers on the campus informed as to all chapter functions. In the past three years we have affiliated seven transfers; there have been twelve who did not affiliate. The reason for this latter group not affiliating has been largely that they were on the campus only a short while.

III. SCHOLARSHIP: Pledges and freshman members spend their free periods in the library every week day and from 10 A.M. till 12 on Saturday, unless they are working on extra-curricular activities. In addition, they are on study table from 7:30 till 9:30 each week night (with the exception of four week-night dates allowed the second semester if the pledge or freshman has an 83 average). Freshmen who make a 90 average at the end of the semester are allowed upperclassman privileges (College rule set this average at 83). Members who don't have an average of 83 at mid-semester must study in their rooms or on study table with only one week night date per week allowed. The reward for greatest improvement in grades was changed to a gift certificate from Balfour. The chapter buys keys for Φ B K and Φ K Φ. The initiation average required is that of college Panhellenic, 85. Washington B ranked third in scholarship of women's national fraternities and all organizations; spring semester, 1945, and fourth in the fall semester of 1945.

IV. CHAPTER WORK: The pledges meet every Tuesday night presided over by their own officers with the upper classman as an advisor. The pledge supervisor supervises a program of fraternity study in historical, national, and local aspects. In addition to this, the advisor is meeting this year with the scholarship, the quiet hours chairmen and the house manager to outline a coordinated program of house rules for next year. After a trial period this over-all program will be written into the House By-Laws. A joint meeting of the pledge class and the fraternity is held once a month to clear up any confusion and to keep the house functioning as a whole unit.

The chapter budget plans for \$5 donations to Settlement School, Holt House, and 1944-45, the Physiotherapy Fund. Besides this, the girls contribute individually (and 100%) to the Community Chest, American Legion, and relief projects. This year the traditional formal dinner before Christmas honored our presiding president, Fay Kendall, and we intend to make that a traditional affair.

V. ENTERTAINMENT: 1944-45: Rushing parties, faculty dinner, pledge dances, Halloween party, dinner for Mrs. Ellis, province president, formal tea for Mrs. Compton, Pi Beta Phi wife of our new president, formal dinner, annual Christmas party for resident alumnae and children, firesides, mid-year rushing parties, spring semi-formal, picnic, high school week-end, fireside for Mothers, Senior Breakfast, senior fireside. 1945-46: Rushing parties, Open House, Pledge Dance, after-dinner dances, dessert honoring the new chapter of A Φ, Father's Day Dinner, Homecoming Open House, annual Christmas party, firesides, formal dinner, Winter formal, formal tea, dinner for Mrs. Alford, editor of the ARROW, dinner for patrons and patronesses, guest dinners, dinner for Mrs. Butts, province president, high school week-end, Spring tea dance, Easter Breakfast, picnic for Idaho A, dinner, fireside for Mothers' Week-end, and Senior Breakfast.

VI. CHAPTER HOUSE: Washington B owns its own chapter house valued at \$35,000. Repairs for the summers of 1944-45 include: new drapes in the sunroom, refinishing of two love seats, redecoration of Mrs. Seymour's rooms, walls upstairs refinished, smoking room enlarged, redecorated, new pictures for the hall, painting of the kitchen and new kitchen curtains. The next big plans are for extension of the back of the house. It is hoped that materials and labor supplies make this possible in the summer of 1947.

VII. MAINTENANCE OF ALUMNAE INTEREST: Due to an unusually large group of alumnae for the town's size and to their own active interest, Washington B has little trouble in keeping up alumnae interest locally. Advisory board meets with Executive Council once a month and works with the girls on many functions, such as teas, invitations to formal banquets, rushing, and other functions. Each spring a letter is sent to Washington B alumnae telling of the activities of the chapter during the year. Transfers are invited to all dances and formal functions. We affiliated one transfer this year from California I.

Convention; 1 Oregon Dream Girl.

III. SCHOLARSHIP: Supervision of scholarship is under the house scholarship chairman who gives a report at each chapter meeting and meets with the executive council once a month. Study table is held from 7:30 to 9:30 each night, Sunday through Thursday, under the supervision of an upperclassman. All actives whose grades fall below the initiation average the preceding term lose voice and vote in chapter meetings. All actives and pledges whose grades are below the initiation average meet with the alumnae scholarship advisor who helps them with any difficulties. Freshmen receiving a 3 point average mid-term spring term are allowed exemption from study-table, an extra date, and library privileges. There is a five cent fine for every class cut. A 2.2 average is required of each active and initiate. Our rank in scholarship among socially competing fraternities for women for the year 1944-45 was third in the first semester, and for 1945-46 was fourth for the first semester.

IV. CHAPTER WORK: The pledges hold regular weekly meetings on Monday following chapter meetings with a pledge supervisor from the upperclass in charge. The supervisor instructs in Fraternity lessons and helps the pledges with their problems. Executive Council is composed of the president, vice-president, corresponding secretary, treasurer, pledge supervisor, and recording secretary. The scholarship chairman meets with the executive council once a month.

The advisory board meets with the council to discuss special problems once a month. Each year contributions are made to the Settlement School, the Loan Fund, and Holt House. The work for the Magazine Agency is usually given to the assistant treasurer and the girls may come to her at any time for subscriptions. We have always had a 100% contribution to the Red Cross and World Student Service Fund. Last year, dime dinners were held once a week to buy war stamps for the winner in a drawing. The house also contributed to a war memorial for the university.

V. ENTERTAINMENT: 1944-45: Rushing parties, faculty dinners, Fathers' Day banquet, Mothers' week-end, Christmas party, birthday party, Easter breakfast, Founders' Day banquet, weekly exchange desserts, cooky-shines, dinner for the new Dean of Women, Eugene mothers' club tea, Love and Marriage series, three house dances, Junior-Senior breakfast, entertainment for Miss Onken. 1945-46: Rushing parties, faculty and alumnae dinners, Fathers' Day banquet, banquet honoring Bernice Callison, Mothers' week-end, Christmas party, birthday, Founders' Day banquet, entertainment for Mrs. Alford, Mrs. Butts, luncheon for Dr. Esther Lloyd Jones, Love and Marriage series, dinner for the Dean and Assistant Dean of Women, dinner for the new president of the University, weekly desserts and preference desserts, house dances.

VI. CHAPTER HOUSE: Oregon A owns its home which is valued at \$35,000. Since May, 1944 the first floor of the chapter house has been completely redecorated under the supervision of a decorator who will take care of any future improvements and advise on gifts which pertain to house furnishing and which are sent by alumnae clubs. The rooms included under the redecorating program were the living room, sun room, dining room, trophy room, and entrance hall. The rooms on the upper floors were painted in colors for the first time. A uniform cream color had always been used before.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae are invited to attend all initiations, chapter birthday parties, Homecoming functions, Founders' Day banquets, and urged to visit the chapter house whenever they are in Eugene. We send one of the girls to the Portland Founders' Day banquet to tell them about the girls and their activities. There have been three unaffiliated transfers on the campus in the last three years. They have been invited to meals at the house and have been made to feel welcome at anytime. We have had one affiliated transfer from Oregon B.

III. SCHOLARSHIP: A scholarship chairman and her assistant comprise the scholarship committee with the chairman giving a report at each chapter meeting. Absolute quiet is maintained in the house from 7:30 to 9:45 on week nights and from 10:00 A.M. to 12:00 noon and 2:30 to 10:00 P.M. on Sunday. Freshmen are allowed one night library permission a week, sophomores two a week and juniors and seniors any night. Girls going to the library at night must be there at 7:30 and remain until 9:15. Pledges are required to be in the library during their free hours and for two hours on Saturday. Members below a 2.5 average must spend two hours on study table on Saturday or Sunday. Mid-week date privileges are granted to members maintaining a grade average of 3.0 or above. Members below a 2.5 spend all their free hours in the library from 8:00 to 12:00 noon, and from 1:00 to 4:00. Social privileges are restricted during the week-

end previous to final examinations. Campus leave is restricted to one week-end per term for girls having averages below a 2.5, and those above a 2.5 may leave the campus three weekends. Violations of this rule incurs a \$5.00 fine. To be eligible for initiation a pledge must have completed at least 14 credits with an average of 2.4 or above. The pledge making the highest average for the first term receives her pin gratis at initiation, and the member making the greatest improvement in her grades receives a gift from the local alumnae each year. Our chapter ranked in the upper third in scholarship for 1944-45 and we won the Panhellenic cup for the highest grade average of 1945-46 among the women's sororities on campus.

IV. CHAPTER WORK: The pledges hold regular weekly meetings on Monday afternoon from 5:00 to 6:00 with a pledge supervisor from the upperclass in charge. Along with the regular pledge lesson, the pledges with the help of their supervisor, carry out a systematized program of fraternity study, touching on both local and national aspects. Meetings follow the general outline of the pledge manual and members of the local alumnae club are invited to give constructive talks concerning scholarship and activities at various times. Pledges are required to earn a certain number of activity points for initiation, and in addition to their pledge work are graded on appearance, conduct, cooperation, and scholarship. Special reports are given on other fraternities and various projects to give a broad background for the understanding of fraternity values. The pledges are an organized group of their own with offices of president, vice-president, secretary-treasurer and censor. Each pledge has an upperclassman as her sponsor to help and advise her. The executive council consists of the president, vice-president, pledge supervisor, recording secretary, treasurer, and representatives from each of the three upper classes. A contribution is made to the Loan Fund, Holt House, and the Endowment Fund each year and a rummage or white elephant sale is held in the spring to raise funds to send to the Settlement School. A scrap-book is kept up to date of all the activities of the girls in the house. A card file and record book are also kept of individual achievements.

V. ENTERTAINMENT: 1944-45: Rushing parties, formal preference night banquet, tea for the new pledges given by the house mother, cooky-shines, formal dances fall and winter, spring "Shipyard Stomp," faculty and alumnae dinners, exchange dinners, Dad's Day dinner, Mothers' Week-end, Easter breakfast, Founders' Day Banquet, entertainment for rushees on junior week-end, Mortar Board Ball dinner. 1945-46: Rushing parties, formal preference-night banquet, tea for the new pledges, reception for new housemother, Mrs. McCormick, cooky-shines, "Candy Cane" formal honoring the pledges, dessert for alumnae and their husbands, tea for Mrs. Butts (Province President), exchange dinners, dinner with men guests before Mortar Board ball, winter term "Comic Capers" dance, Dad's week-end, coffee honoring Mrs. Alford and Miss Mary Bash, new assistant dean of women, Mother's week-end, Founders' Day banquet, 20 girls from Oregon B sing at Founders' Day alumnae breakfast, junior week-end, upperclassmen's breakfast, senior banquet.

VI. CHAPTER HOUSE: Oregon B owns its home which is valued at \$35,000. Improvements include a mantel length mirror donated by the Portland Mothers' club, repainting the playroom, built-in bathroom cupboards, three double deck bunks, re-covering love seats and chairs, installing of counterbalance fire escape, new kitchenware, gift of punch bowl and cups, new toasters and iron, repairing of desks and dining room chairs, new smoking room furniture, and a sectioned mailbox.

VII. MAINTENANCE OF ALUMNAE INTEREST: Letters are written to the Portland Alumnae Club and the Portland Mothers' Club telling them of our various activities and the projects on which we are working. The alumnae are invited to attend initiation ceremony and the Homecoming week-end which is in their honor. Alumnae are invited to the large social functions given by the house and those residing in Corvallis act as chaperones at our formal dances. A dinner or a coffee is given for them each term. The local advisory board meets with the Executive Committee to discuss chapter business each month. Alumnae and their husbands are always welcome to come to the house Thursday night when we have our after dinner social hour. There has been only one unaffiliated transfer on the campus in the last three years, and no affiliated transfers. Transfers are made to feel welcome to the house at any time, eat meals at the house and attend social functions.

III. SCHOLARSHIP: On the basis of 4, as a, Oregon I requires a grade point average of 2.5 for initiation. Eight hours of study table are required each week of all pledges and six hours are required each week of all actives whose grade point falls below 2.5 for fifteen hours semester credit or 3.0 for twelve hours semester credit. Study table is supervised by an active and a fine of \$1.00 is imposed for each hour of study table missed and not made up the following week. Methods of improving scholarship are talks by alumnae advisors, individual conferences with professors, and presentation of the National scholarship ring to the active with the highest grade point, presentation of a crested identification bracelet to the active showing the most improvement in fall semester grades over the preceding spring semester grades, and presentation of a recognition pin to the pledge with the highest grades. Among socially competing fraternities for women, Oregon I ranked second in scholarship for the Spring semester of 1944-45 and first for the Fall semester of 1945-46 with a chapter grade point average of 2.98.

IV. CHAPTER WORK: Following pledging ceremonies the pledge class meets weekly with the pledge supervisor. While emphasis is placed at first on scholarship rather than activities, the group organizes its own functions such as a tea for the pledges of other women's fraternities on the campus, reverse rush party for actives, and Settlement School bridge benefit. Each year the pledge with the highest grades and the pledge who has been outstanding in service to the entire chapter are presented with recognition pins. A small loving cup is passed on yearly to the pledge whom the chapter regards as the most outstanding in her group. Executive Council is composed of the president, vice-president (who also serves as house manager) pledge supervisor, treasurer, scholarship chairman, and representatives of the senior, junior, and sophomore classes. Contributions amounting to over \$40 have been made to the Settlement School and \$5 each year are sent to the Loan Fund and to Holt House. In the past two years Magazine subscriptions have amounted to over \$50. Individual donations are made to the Red Cross, March of Dimes, and War Orphan Fund. The *Jester*, annual booklet publishes for the benefit of the alumnae, contains addresses and current information about the alumnae and active chapter. Recognition pins are earned through accumulation of activity points which are recorded on a large activity chart. Information about rushees and plans for rushing parties are compiled each year into a rushing bulletin to be studied by all actives and resident alumnae.

V. ENTERTAINMENT: 1944-45: Fall and spring formal rushing, Formal Pledge banquet, open house, penny hops, 2 formal dances, cooky-shine, Christmas firesides, Christmas and spring serenades, sport dances, Dads' banquet, 2 Panhellenic formals, Campus Chapel program, Intersorority song contest, Bridge Benefit, Pledge tea for pledges of other houses, formal tea, May Week-end guests, May Morning breakfast, faculty and alumnae dinners, desserts, senior breakfast, Founders' Day banquet; 1945-46: Formal rushing, pledge breakfast, 3 Christmas firesides, house Christmas party, Christmas and spring serenades, Valentine formal, exchange dinners and dinners with fraternities, cooky-shines, 2 Panhellenic formals, sport dances, Dads' banquet, party for Mothers' Club, Founders' Day program, Intersorority song contest, pledge tea for pledges of other houses, faculty and alumnae dinners, dessert in honor of Miss Onken, formal teas in honor of Mrs. Alford (ARROW Editor) and Mrs. Dobler (Province vice-president), dinner in honor of Mrs. Butts (Province President), formal May Queen's Tea, May Week-end guests, May Morning breakfast, senior breakfast, chapter picnic.

VI. CHAPTER HOUSE: Oregon I owns its chapter house

which is valued at \$15,000. Improvements and additions made within the last two years are the complete redecoration of the living room, dining room, hall, and house mother's room (including painting of walls and ceilings new draperies, slip covers for 3 sofas and 4 chairs), mirror panel for dining room, phonograph-radio combination, painting of girl's rooms, landscaping of entire grounds, Loving Cup presented in memory of Nancy Black Wallace, silver blue tea cloth, kitchen curtains, and copper front door plate.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae interest is maintained through contacts in Advisory Board-Executive Council meetings, Founders' Day celebrations, Teas, informal dinners, the *Jester*, (Alumnae publication), and through a series of very successful parties given by the Alumnae for each of the classes of the chapter. Alumnae are invited to attend all rush functions, pledging and initiation ceremonies, cooky-shines, and chapter meetings. Of the four unaffiliated transfers on the campus within the last three years, one has become a member of the chapter. All transfers are invited to attend meetings and to participate in social functions.

III. SCHOLARSHIP: For the year 1944-45, California B has ranked fourth, fifth, and fourth in comparison with other sororities on the University of California campus. For 1945-46, California B was seventh for the first semester. Studyhall is held every night, Monday through Thursday, for all lower classmen from 7:15 until 9:45. Freshmen are permitted three "special" dates each semester, and Sophomores are permitted three specials and one "mid-week" (excuse from studyhall) each week. Any girl having a 1.8 grade point average (B-minus) is allowed the social privileges of the class above her. Any girl who falls below a 1.0 average (C average) automatically goes on the standing of the class below her, and forfeits the privileges of her own class. Our methods of improving scholarship are based on the grade point averages of the girls. Every girl is required to maintain a 1.6 (little less than a B-minus) average, and those girls, upper and lower classmen alike, are given extra studyhall hours during the day, according to how far below that average they fall. For those girls who have two D's or an F, studyhall is held on Friday evening, from 7:00 until 9:30. The girls who have missed any of their required studyhall hours during the week must also attend this studyhall. During the past semester California B has instituted a system whereby the pledges can have more individual help with their school work. Each pledge is asked to report to her sponsor the dates of her midterms, and the sponsor is then supposed to make certain that the girl has completed all her reading at least four days before the midterm is to be given. The sponsor also gives her sponsee special help, or finds others who may be able to help the pledge get the most out of each of her courses. Special scholarship awards, in the form of a Pi Beta Phi recognition pin, are given at the initiation banquet, to the girl having the highest grades in the house, highest grades in the pledge class, and to the girl making the most improvement in scholarship.

IV. CHAPTER WORK: Weekly meetings in charge of the pledge supervisor and conducted by officers elected among themselves by the pledges, are held for the purpose of instructing the pledges. In these meetings they are quizzed on

the chapter roll call and on information obtainable in the pledge manual; in their meetings the pledges also receive through inspiring, informal "get-togethers" with house and alumnae officers, a growing awareness of the true meaning and scope of Pi Beta Phi. A point system is used in the pledge's work toward initiation, 260 points being required in all. The point total is divided thusly: 60 points for scholarship, 60 points for activities, 5 points a week for attitude, and the same for personal appearance. Checked under the attitude division by the pledge supervisor and upper classmen through the use of "blackmarks" (each blackmark takes up three points and 5 blackmarks incur weekend penalties) are duties, cooperation with rules, deference to upper classmen in matters under their jurisdiction, and courtesy to upper classmen and to the house mother. Pledges are allowed to earn extra points for work for officers of the house, as additional work and cooperation is encouraged and rewarded to equalize the points received in different categories. A pledge not too scholastically inclined may make up, therefore, a point deficiency, though she may not, of course, fall below a C average, or the required 25 points in each division. The pledge group has studyhall every night, or, if grades indicate, weekend studyhall also. After each studyhall the pledges are "put to bed" at 10:30 P.M. by the pledge supervisor, a practice that we have found invaluable where scholarship is concerned. The pledge supervisor also keeps scholarship etc. charts and checks weekly the point rating of each pledge. The Executive Council is composed of president, vice-president, pledge supervisor, and a representative from each class. The treasurer and rush and activity chairmen are invited to attend. The active chapter receives the help of the Mothers Club in all contributions to local charities etc., but once a year a total of \$40 is contributed to Settlement School, Loan Fund, and Holt House by the active chapter alone. And this year, besides contributing to the Student Loan Fund, Y.W.C.A. Drives for the Community Chest, and Red Cross, we are sending boxes of food and money to the French and Yugoslavian War Relief Drives.

V. ENTERTAINMENT: Open Houses are held each semester in the chapter house for the purpose of introducing our new pledges to the campus. The pledges also hold their own formal dance in collaboration with the five of the "Big Six" sororities. One large formal dance is given by the chapter each year and often times, an informal dance is given in the spring. Each semester the Fathers are entertained at a dinner. This has always been a particularly enjoyable affair as it has been conducted in such a manner that every father attending has met and talked with every girl, forming a warm and affectionate tie between the fathers of the chapter as well as the mothers and the chapter. Every month the Mothers' Club meets at the house and after their meeting, tea is served and an informal discussion with the girls held. A faculty dinner is held each semester, and through the summer, exchange dinners and desserts with other campus sororities and fraternities are held. Open house is held for luncheon before major football games for alumnae and their friends. At the close of each semester a farewell party is given for the seniors. In the fall it is the Christmas party and in the spring, a senior breakfast to which alumnae are invited. During the last 2 or 3 years, of course, there have been dinners and different kinds of entertainment continuously for the servicemen on campus and for the wounded veterans from all the bay area hospitals.

VI. CHAPTER HOUSE: Our house is owned by House Corporation and we rent it from them. The basic value of the house is \$35,000.

III. SCHOLARSHIP: To increase the scholarship average of the house the chapter has re-established a system of individual competitive scholarship. The girls with the nearest corresponding grade averages for the previous semester are matched in a contest; the girl having the lower grades at the end of the succeeding semester must treat the winner to dinner. We have a compulsory study table, supervised by the scholarship chairman or a member of her committee, every Tuesday, Wednesday, and Thursday night from 7:00 o'clock until 9:00 o'clock. This study table is mandatory for all pledges living in the house and also for all actives who have not met the grade requirement of a 1.25. Failure to attend study table results in the girl being punished for the weekend. Also any girl who has received a "cinch" notice stating that she is doing "D" or "F" work must attend the study table until there is a notice of improvement. During the time of the evening study table no visiting is allowed between the different rooms. Pledges who are living at home or in the dormitories must study eight hours each week in the library. Slips signed by the active members are evidence that the required amount of studying has been done. All our social regulations are governed by the University which sets a 10:15 lockout on week nights, 2:00 A.M. lockout on weekends, and a 12:00 P.M. lockout on Sunday. During the week a certain number of 12:00 o'clock "specials" are allowed the girls depending on their class standing, four specials each semester for a freshman, et cetera. During the week we have "quiet hours" from 10:00 A.M. to 12:00 A.M., 2:00 P.M. to 4:00 P.M., and 7:00 P.M. until 9:00 P.M. at which time no men are allowed in the house and no radios are allowed to be played. Quiet hours are also enforced all day during final week. To be pledged to California I a girl must have achieved at least a 1.00 accumulative grade point under the deferred rushing system. For initiation a pledge must achieve a 1.25. An active for voting eligibility must maintain at least a 1.25 in the University where the grade average is a 1.00. The chapter's rank among socially competing fraternities for women for the year 1944-45 was fourth; and for 1945-46, fourth.

IV. CHAPTER WORK: We attempt to treat our pledges as one of us at all times as far as possible. Each pledge has a sponsor or "Mother" as we call her with whom each girl is particularly well acquainted. The mothers invite the pledges to eat with them at lunch and once a semester take their "daughters" out to dinner, and at all times are their general supervisors. The pledge supervisor interviews each girl separately straightening out any difficulties that may arise. The pledges have their own meetings held regularly every Monday night after dinner. They elect their own officers and have their own fines. A test is given each week to prepare the pledge for her pledge examination. At least once a month a guest speaker talks to the pledges about the different phases of school activities, grades, and Panhellenic rules and regulations. Through the pledge supervisor or talks prepared by themselves, the pledges learn about the history of Pi Beta Phi, Holt House, Settlement School, the Pi Phi founders, and various Pi Phi projects. Each year before initiation the pledges put on an "Inspirational Play" depicting what Pi Phi has meant to them. After initiation the actives give the new initiates a big initiation party. Each year the pledge class puts out an address book and a song book. The song book contains not only Pi Phi songs but other fraternity songs. These two projects make the pledges feel that they are contributing something materially worth while

to the chapter. The executive council is a very active part of our organization. It is composed of the president, pledge supervisor, treasurer, house manager, and a representative of the sophomore, junior, and senior classes, also the rush chairman and scholarship chairman when the meeting particularly pertains to them. These members act as the voice of the chapter to the advisory board and discuss any issue which may arise concerning the house. They outline plans for the chapter meetings so there is a well organized meeting. For the Settlement School in 1944-45 we gave \$10.00, this year, 1945-46, we gave \$10.00. For the Loan Fund in 1944-45 we gave \$6.50, and for 1945-46 \$10.00. For Holt House in the year 1944-45 we contributed \$15.00 and in 1945-46 \$10.00. For the Magazine Agency we commissioned \$19.05 for the year 1944-45 and were sixth in the country and first in our province for the year 1945-46. There are many local and school charities towards which the chapter as a whole and individually has contributed. The chapter pledged 100 percent to donate at least \$1.00 a piece to the Red Cross Loan Fund Drive and to the World Student Service Fund (W.S.S.F.). The girls contributed freely to the Infantile Paralysis Fund. On campus plans are being made to build an athletic building in memory of Howard Jones, our past football coach. The girls are contributing not only money, but time, in order to make this project a success. The house has pledged 100 percent to the Y.W.C.A. and helped to put over the recent "Y" carnival in order to help the Y.W.C.A. obtain its numerical goal for the new "Y" house which will be a center of many activities on campus. Last year, we started a new type of publication. Instead of our usual annual letter to the alumnae, we published a little paper entitled *The Gamma Arrow* in which were found articles concerning each phase of campus life—scholarship, activities, social, chapter, human interest—in which the girls are a part. The alumnae of the original local chapter on this campus, *Entre Nous*, published a pamphlet giving the history of our chapter and current news of *Entre Nous*. Many new improvements have been made in the house in the last two years. The playroom, the treasurer's room, and the house manager's room have been repaired and new furniture and chair coverings added to the play room. A new set of mahogany furniture now has a place in the president's room. The chapter room has been entirely done over with paint, drapes, chairs, and a carpet. More plans are in store for this summer. The entire dark green front of the house will be painted white, broken only by green shutters. The back bedroom suite and the downstairs will be repainted and new linoleum will cover the floor of the playroom when we return in the fall.

V. ENTERTAINMENT: Our fathers are annually entertained by a Father and Daughter dinner held at the chapter house. This event is much looked forward to by the fathers as it is the only time they have an opportunity to see the house. We usually plan some sort of entertainment for the fathers. The idea this last year was the game of Truth or Consequences with the fathers being victims. Another much looked forward to annual event is the faculty luncheon. At this affair each girl is allowed to invite one faculty member for luncheon. The professors have always expressed their appreciation of our luncheon and it does much to create a good feeling for Pi Phi on campus. As often as distinguished visitors come to the U.S.C. campus the Pi Phis are always the proud ones to be called upon to entertain the University's guests. Through the graciousness of our chaperon we have held this honor for a number of years. Recently we have entertained such distinguished visitors as Bishop Bell of Chichester County, England and Dr. Lloyd-Jones. We have Mothers' Club luncheons on the fourth Tuesday of every month. After lunching with their daughters the mothers have their business meetings. For the year 1944-45 the Mothers gave the house a fine old English silver tea urn and large tray, sugar and creamer, Circa 1830, initialed with Pi Beta Phi. They also donated a Point d'Venice five yard lace tea cloth for our dining room table. The lace cloth and the silver service are in the same grape pattern. The money for these two lovely gifts was raised by a "Country Store" in which the Mothers' club used the chapter house to carry on their auctions and games of chance. For the year 1945-46 the mothers gave the girls a much needed and beautiful new hair drier; and surprised all the girls by also giving us complete new silver service enabling us to entertain with formal dinners. The money for these two gifts was raised by a benefit bridge dessert held in the chapter house. This year the University welcomed three new houses to the campus. We were the first sorority to welcome them officially and were the first to have an exchange dinner with them. To encourage the girls to arrive more promptly for dinner we have inaugurated a plan by which a girl is charged twenty-five cents when she is late for dinner. This money is put into a "kitty" and is used to give all the girls a party. One of the main events of our social calendar is the traditional pledge party, the party the pledge class gives for the actives. One of the most gala of these events was a lovely formal dinner dance held in the Pasadena home of one of our pledges. The theme was Mexican with an authentic Peseta and a rumba band. Another excit-

ing pledge party was an all day-evening affair with swimming, tennis, ping-pong, dinner, and dancing. Our chapter joined together with the Delta chapter in starting a tradition which we hope will be carried on for the years to come—that of holding an annual Golden Arrow Ball. The affair was a formal dinner dance with a well known movie orchestra providing the music. Each Pi Phi date received a gold key as a favor with Pi Beta Phi—U.S.C.—1946 on one side and Pi Beta Phi—U.C.L.A.—1946 on the other side. Each weekend we have either a picnic or a dessert with the various fraternities on campus. This year we were honored by a visit from our Grand President. We held a formal dinner in honor of Miss Onken after which she was the guest speaker at the Panhellenic meeting. We were especially privileged this year to hold our initiation ceremony with the California Δ chapter with Miss Onken initiating the pledges. After this inspirational ceremony we gave our traditional formal dinner and initiation dance for the new initiates. In order to promote a better spirit of friendliness and understanding among sorority women we have recently been having exchange dinners, dinners and inter-sorority bridge tournaments. To help welcome back the veteran the University has been sponsoring very popular informal dances for the whole university. A street dance was organized this year to help out the Cancer Drive. The dance took place on the "row" and was very successful with movie backdrops for scenery. This year the Varsity show has been started again and one of the principal singers in the production was a Pi Phi. Every semester we celebrate an event called "Presents" at which time the sororities all present their pledges to the university. Our "line" as usual was among the top. For the last two years U.S.C. has enjoyed the unique privilege of playing in the Rose Bowl football classic, and the Pi Phis always trek to the game. Because our University was founded originally as a religious institution, each year we celebrate a Religious Emphasis Week during which time all University residences are honored by guest speakers. This year the Pi Phis were privileged to entertain the principal speaker for the week. A very famous organization within the University is the Hancock Ensemble. Each semester this group gives a concert which most all the University students attend. Climaxing a very special two years and celebrating the post-war phase of campus life and activity our chapter has had many dances and special parties with fraternities including house dances, barn dances, a Christmas party and ending with a wonderful Catalina trip in which our chapter and one of the campus fraternities spent the weekend in Catalina.

IV. CHAPTER HOUSE: Our house is owned by our own House Corporation and rented by us from them. The house is valued at \$50,000.00 (as per 1940 values). The entire second floor has been redone with new furniture, draperies, bedspreads, and paint. The playroom has new draperies, wall paper and the furniture all recovered. The chapter room was redecorated with new carpeting, draperies and fluorescent lighting in the color theme of wine and blue. The entire third floor was redecorated with new draperies, rugs, bedspreads, curtains and paint. The entire back wing of the house was recarpeted. The sun deck has all been refurbished and the two living rooms have been entirely recarpeted and newly painted. The basement has been turned into a gay smoking and sitting room with a red Spanish theme predominating. With all these improvements plus our summer improvements we feel the house will be perfect.

VII. MAINTENANCE OF ALUMNAE INTEREST: We have an open house every fall and invite all California Γ alumnae. Also we have had an alumnae tea each year. Every semester alumnae are invited to Presents and to our open house during Homecoming Week. Once each year we open our chapter house to the alumnae club for an afternoon or evening party, also the Junior alumnae group take advantage of this invitation. During the last two years we have had about fifteen Pi Beta Phi transfers on campus and the chapter has affiliated three of these girls.

III. SCHOLARSHIP: Scholarship is steadily being improved in California Δ through the continued supervision for Advisory and Executive Councils. Pledges are required to report grades and cuts at each pledge meeting, and any pledge with grades lower than "C" must see the pledge captain during the week. If any pledges are down grade points at mid-terms, they are deprived of various privileges, and tutored by actives in their low subjects. Pledges are required four hours of study a day, or 20 hours a week. Supervised study is from 7-9:00 every evening for house pledges. Failure to fulfill the required hours results in being campused. Actives are continually being given a stimulus from Advisory, the University, and competition on the "Row." They too report grades and cuts at each meeting. Freshman actives and actives down grade points proctor study hall in the afternoons. All pledges and actives down grade points are limited to two dates a week. All pledges are campused two weeks before finals. A scholarship ring was awarded this year for the active having the highest grade point average. A 1.00 average is required of both actives and pledges. California Δ had the scholarship cup for the highest scholarship among women organizations twice in succession. Our average for this year of 1946 is 1.445.

IV. CHAPTER WORK: Pledgeship at California Δ is centered around the idea of preparing for, and becoming an active, and a good Pi Phi. This is done by giving the pledges as well rounded training as is possible. They are required to have 50 activity points; maintain 1.00 scholarship average; fulfill all the weekly assigned duties; pass weekly pledge exams in preparation for the final fraternity examination; provide a brief entertainment for Monday chapter dinner, and confer with their sponsor as often as possible. Developing a good Pi Phi attitude is our object for each pledge. We try to make as close a feeling as possible between the actives and pledges to accomplish these ends. Executive Council consists of president, vice-president, pledge captain, treasurer, house manager, a sophomore, junior, and senior elected by the chapter. Thirty dollars a year is sent to the Settlement School, and \$10.00 a year is sent to both the Loan Fund and Holt House. Subscriptions to the Magazine Agency are stimulated by the Magazine Agency Chairman, and secured through the girls for their families and friends. Special contributions are given to the Red Cross, Religious Conference, Y.W.C.A., and World Student Fund, \$50.00 was sent to the Physiotherapy Fund during its existence, and \$5.00 is sent to the TB. Fund, and also for Easter Seals. A Delta Alumnae Publication is being put out that contains information about active and alum doings. Activities are being stressed, with pledges acquiring 50 activity points, and actives entering into at least two activities. Striving for a refined mode of living, is our every day objective.

V. ENTERTAINMENT: The outstanding social events of the year are the annual California Γ - Δ formal dance, biennial initiation dance, open house, and annual Delta Alumnae party. Exchanges with fraternities are held each week, such as dinners, picnics, coffees, etc. Open houses are held by the "Row" each Monday night after chapter meetings. Each Christmas California Δ and K K Γ serenade both fraternity and sorority rows, which ends in a dessert exchange. A Christmas party is also given each year for needy children. Pledge night is followed by presentation of pledges to the campus, with an open house. Each year we have a Father-Daughter dinner. We sponsor a Co-Hop dance once a semester for the entire campus. Our Delta Alumnae party is held each year to renew old friendships, and we also have an alumnae party annually for the whole Los Angeles group. A Senior Breakfast is held the Saturday before final week. A party for the new pledges and their sponsors occurs each semester, while a Sponsor-Daughter luncheon is held the week before initiation.

VI. CHAPTER HOUSE: The house is owned by the chapter, and is valued at \$58,000. The balance of the amortized mortgage is to be paid this year. Last summer the house was completely redecorated.

VII. MAINTENANCE OF ALUMNAE INTEREST: We have an annual Delta Alumnae party, and an annual Los Angeles Alumnae party to strengthen the ties between the active and alumna groups. Alumnae are welcome at the house at all times. Close contact is maintained between our Advisory board and the chapter. An annual publication is sent to the Delta alumnae to keep them informed of the active chapter's doings. We have had 11 transfers on campus in the past 3 years—one of which was affiliated. The transfers are invited to the chapter dinners by the campus contact chairman each week, and they are also asked to attend meetings and any social functions which we have.

Social Honors: 1 Mackay Day Queen 1 trophy for the best inside decorations and hospitality at the Ski Carnival. 1 trophy for the prize winning song team at Mackay Day and 1 trophy for the best representation at the Homecoming Dance.

III. SCHOLARSHIP: The active chapter requires a grade average of 2.2 for initiation. The pledges are required to study at least twenty hours per week and these hours must be signed for by an active member and turned in each week to the pledge scholarship chairman. Delinquent notices come out once every six weeks, and any girl receiving a delinquent notice must turn in five more supervised study hours. Active members who have successfully completed courses in which pledges have received delinquents hold regular tutoring periods for those pledges needing help. Any active falling below house average at the end of the semester, is put under the same regulations as pledges, and a supervised study table is held at the chapter house every day except Sundays. A chart showing each girls grade average for the immediately preceding semester is kept on the bulletin board. All members who have received high scholarship ratings have the privilege of signing the scholarship book at the Founders' Day banquet. The scholarship ring is given each year to the girl receiving the highest grade average. The San Jose Alumnae Chapter sends a recognition pin each year to the outstanding pledge of the year, which is based primarily on scholarship. Because of the crowded living quarters in the chapter house, we find it necessary to give preference in living there to girls with the highest scholarship. This is an added incentive for the girls living outside the chapter house to work harder at their studies. An improvement plaque is also kept for the girl improving most each semester.

IV. CHAPTER WORK: The pledges and actives meet once each week for chapter dinner at the chapter house. Before dinner, the pledges meet with the Pledge Supervisor, the Assistant Pledge Supervisor, and the President to discuss mutual problems and to study Pi Phi history, social usage, study methods, and activity participation. The pledges have duties to perform each week around the chapter house. Big and little sister "coke dates" are required each week, and the sponsors keep in close contact with their "little sisters" at all times. Short inspirational talks are given to the pledges at various times by active members and alumnae members. During each semester, the active chapter honors the pledges at a get-together of some kind, usually a slumber party held at the chapter house. The pledge group also reciprocates by giving the actives a party. The personal of Executive Council is composed of the President, Vice-President, Treasurer, Pledge Supervisor, Scholarship Chairman, and one representative from each class group. Five dollars per year is donated by the active chapter to each of the fraternity's philanthropic projects, Settlement School, Loan Fund, and Holt House. The alumns give an annual Settlement School tea at the chapter house when Settlement School articles are sold. The magazine chairman sponsors a special magazine subscription drive every year at Christmas, and the chapter responds heartily. Other charities donated to by Nevada A include Red Cross, W.S.S.F., Cancer Drive, and the Community Chest.

V. ENTERTAINMENT: The outstanding social events each year include the following: Christmas Formal, Spring Formal Dinner Dance, two Pledge-Initiate Dances held at the chapter house, Patroness Tea, Chaperone Tea, Cooky-shines held in conjunction with the alumnae, socials given for each fraternity on the campus, and various active-pledge parties. Other social events given were a down-town card party given for the benefit of the war bond drive, faculty guests for dinner at the chapter house every Wednesday evening, Panhellenic dinner given at the chapter house, open house held at Homecoming, Mackay Day, and the Ski Carnival, and formal banquets given in honor of each initiate and pledge group. A luncheon is given each year at Homecoming for alumnae and actives. Two preferential dinners are given each year, as we entertain two groups of rushes each year.

Senior breakfast is held in honor of the seniors at the close of each year, and senior gifts are presented at this time. The Founders' Day Banquet sponsored by the Alumnae Club is always a highlight of the year. The traditional Spring Fashion Show given for townpeople has been postponed during the war years, but we expect to reinstate this gala affair in the fall.

VI. CHAPTER HOUSE: The house is owned by the alumnae club, and is rented by the active chapter. The approximate value of the house is \$30,000. Improvements during the last two years have included a dining room rug given by the Mothers' Club, the tiling of the showers, and various gifts of dishes, punch bowl sets, and ornamental pieces by the Alumnae Club. The Alumnae Club and the Active Chapter have each started building funds for the completion of the third floor into adequate rooms for living, and we expect to have this work done as soon as building restrictions permit.

VII. MAINTENANCE OF ALUMNAE INTEREST: Interest is maintained through cooky-shines, Founders' Day Banquets, initiation and pledge banquets, Homecoming luncheons, and all teas given at the chapter house. Alumnae members are invited to attend all of our meetings. Alumnae representatives on the Advisory Board and the active executive council meet together once a month to discuss common problems and policies. We have alumnae guests at various times at our chapter dinners, and the alumns are very cooperative in helping us arrange for social events and also by chaperoning our dances. We have had no affiliated or unaffiliated transfers on our campus during the past three years.

III. SCHOLARSHIP: A scholarship committee appointed by the executive council consisting of a member of each class and a scholarship chairman elected by the chapter supervise the chapter's scholarship activities. Proctored quiet hours are held each night, Monday through Thursday, at the chapter house beginning at 7:30. There is a different proctor each night who enforces the quiet hours and who takes all telephone messages. For the members who have scholastic averages below the university average, six hours of study in the library are required weekly. These girls are also campused in their rooms Monday through Thursday nights from 7:30 to 10:00. Carry-over pledges are required to spend every off hour in the library till 4:30 with the exception of the period between 3:00 and 3:30 on Monday through Friday. They are campused in their rooms Monday through Thursday nights. New pledges are required to spend every off hour in the library as the carry-over pledges are. Executive council holds the responsibility for punishing those who break study rules. Definite penalties are enforced for those on the pre-delinquent and the delinquent lists. Each spring at the initiation banquet a diamond recognition pin is presented to the new initiate having made the highest grade average for the preceding semester. At the same time a scholarship ring is awarded to the member having the highest grade average for the preceding year, and a gold identification bracelet is awarded to the member having made the most improvement scholastically during the preceding semester. The average demanded for the pledges for initiation and for the actives is a 3.00 or a C. The rank of the chapter among the competing fraternities for women for 1944-45, second; for the first

semester of 1945-46, third.

IV. CHAPTER WORK: The pledge meetings are held each Wednesday evening following dinner and are supervised by the pledge captain. The pledge officers conduct the meetings. Weekly pledge tests are given by the assistant pledge captain covering the chapter roll and the material from the pledge manual. At various times throughout the year inspirational talks are given by the scholarship and activities chairmen, and by members of the Alumnae Advisory Committee. Each pledge has a sponsor who meets with her once a week to discuss any problems which may arise. These sponsors aid the pledges in becoming adjusted to campus and fraternity life. The executive council consists of the president, the treasurer, the pledge captain, the scholarship chairman, and a representative from the sophomore, the junior, and the senior classes. This group meets each week before chapter meeting and once a month with the Alumnae Advisory Committee. Regular contributions are made by the chapter for the Settlement School, the Loan Fund, Holt House, and the girls buy all their magazine subscriptions through the Magazine Agency. Each year the chapter contributes to the Red Cross. Individual contributions have been made to the fund for the Memorial Student Union Building and for the World Student Service Fund. The chapter annually publishes a newspaper containing active and alumnae news which is sent to all members of Arizona A.

V. ENTERTAINMENT: Highlighting the social life of the chapter during the past two years was a tea held in honor of our Grand President, Miss Amy B. Onken, during her visit here. It was attended by over four hundred. Tucson town-people and members of the university faculty. Outstanding social events are our annual spring formal, the pledge party held each year to honor pledges of other campus sororities, the buffet luncheon for parents attending Mother and Dad's Day, the dinners held for town girls' mothers, and dinners held for faculty members. The chapter joins with other sororities and with fraternities to hold exchange dinners. Open house tea dances are given each year to introduce the pledges to the men on campus. Each year we hold a Christmas party for Yaqui Indian children. The children are entertained during an afternoon just before Christmas. The parties are highlighted by the arrival of Santa Claus who distributes gifts to them. With the Tucson Alumnae Club the chapter holds a white elephant sale annually, the proceeds from which are sent to the Physio-Therapy fund. The senior farewell ceremony and the senior breakfast are held on the Sunday preceding the last week of school.

VI. CHAPTER HOUSE: The chapter house, lot, and furnishings are owned by the Arizona A. of Pi Beta Phi Building Association. The estimated value of these is \$42,000. During the summer of 1944 the upstairs rooms were redecorated each being painted a different pastel color. In the summer of 1945 the living room was redecorated with new drapes and new slipcovers for the furniture. Also new patio furniture was bought that year.

VII. MAINTENANCE OF ALUMNAE INTEREST: Alumnae in Tucson attend initiation banquets and Founders' Day banquets, and the chapter house is available for any alumnae meeting or social function. Also, a newspaper is published each year containing news of active and alumnae members which is sent to all members of Arizona A. Annually the chapter and the alumnae club hold a white elephant sale for the Physio-Therapy fund at the chapter house. There have been five transfers at the university during the last two years. One of has been affiliated. All transfers are invited to eat on meal each day at the chapter house and they are invited to all social and chapter functions.

Social Honors: Queens, 7; cotillion leaders, 1; winners in contests, 9.

III. SCHOLARSHIP: The methods that Utah A has used for improving scholarship are many: Study Halls have been made compulsory for all actives and pledges with a low average. These Study Halls are supervised by students with high averages every afternoon from one to four o'clock. Actives making below an average grade have their pins placed in the archives. We felt that this meant a great deal more to the girls than imposing a fine. Our chapter requires a 1. average for pledging and a 1.5 average to go active and to vote. Our school is on 3. basis.

Utah A ranked fourth place from the top in scholarship in the year 1944-45, and second place in the first semester of 1945-46.

IV. CHAPTER WORK: Utah A has felt that a very successful method of training the pledges in acquiring fraternity knowledge is accomplished by having weekly tests after meeting and by posting the outcome on the bulletin board. The personnel for Executive Council include the President, Vice-President, Treasurer, Recording Secretary, and a representative from each class.

Contributions have been made to the Settlement School, the Loan Fund, and the Holt House. Our chapter has made it compulsory for every member to buy at least one subscription for the Magazine Agency. This year we had one hundred per cent membership in the College Unit of the Red Cross. The entire school contributes toward funds for the building at registration.

Our Vice-President is making plans for a chapter publication next year which promises to be very fine. We are striving for a closer association with the alumnae, and feel that this publication will bring us closer together.

V. ENTERTAINMENT: The year 1944-45 was highlighted by many social affairs. Among these were the Pi Phi Winter Formal, gala rush parties following the traditional Hawaiian and Chinese themes, a Mothers' Day Tea, numerous fraternity exchanges including a canyon party with the Sigma Chi's, hayride with the Pi Kaps, and a dinner exchange with the Betas. Parties at Bushnell Army General Hospital and various army installations were held by Utah A.

With the war over, entertainment reached new heights in 1946. We still made trips to Bushnell Hospital, but we upheld our responsibility to the veterans returning to our own campus by holding a dance for them in conjunction with the A.W.S. Parties were given for the Navy Unit on the campus. Other social affairs were the Panhellenic formal, the Spinster's Spree, and the Pi Phi Spring Formal. Interfraternity exchanges flourished with dinner-exchanges, serenades, and additional parties. Money was earned by a Pi Phi Fashion Show sponsored by the actives and alumnae. Our year was complete with a Fathers' and Daughters' Banquet held at the sorority house.

VI. CHAPTER HOUSE: Our house is owned although it is not completely paid for. There have been many improvements this year. Our town girls' room has been entirely redecorated. The living room, hall, and dining room have all been painted. One of our alumnae, who is active in the Mothers' Club, contributed generously to these improvements.

VII. MAINTENANCE OF ALUMNAE INTERESTS: Successful methods that Utah A has employed include parties with Alumnae and actives, and monthly meetings of the Executive Council and the Alumnae Board.

We have had only one transfer in the last two years who did not affiliate. Numerous contacts had been made with her, such as invitations to the House for chapter dinner and meetings.

Alumnae Club Reports

ALPHA PROVINCE EAST

BOSTON

The Boston Alumnae Club enjoyed a variety of programs and activities this year, beginning in October with a dinner meeting at a restaurant in Boston. Guest speaker was Miss Barbara Oak, former Lieutenant in the Army Medical Corps, who related some of her experiences as a physiotherapist in France and Italy.

Early in December the Boston University actives and pledges were our guests at a Cooky-shine at the home of one of our "alumnae," Mrs. Philip Adams.

The Settlement School meeting was held in January, at which time, Mrs. John Coots, the guest speaker, gave an interesting talk on the social work she had done in the Kentucky Mountains.

A dessert-bridge in February to raise money for Settlement School was extremely successful.

The Annual Meeting was held late in March and officers were elected for the coming year. We were fortunate to have as guest artist that evening Miss Lena Turner, concert pianist and teacher, who had just returned from a European tour with the U.S.O.

The final meeting of the year followed a luncheon at the Hotel Kenmore, in Boston, in celebration of Founders' Day. The actives of Boston University joined us in honoring our Founders and the seniors were initiated into the club.

The contributions for the year were: Holt House \$2.00, Loan Fund \$2.00, Settlement School \$75.00.

RUTH H. DAWSON

HALIFAX

During the year, March 31, 1945, to March 31, 1946, our contributions have consisted of: \$60.00 to Physiotherapy Fund, \$1.00 to Loan Fund, \$1.00 to Settlement School, and \$10.00 to Active Chapter.

Our activities during the same period (year ending March 31, 1946) began with the Mothers' Tea held in May, 1945. We enjoyed entertaining a group of mothers of both actives and alumnae at this tea. In August, we held our annual picnic with the actives, and during the fall rushing season, the alumnae assisted the active chapter in giving a "jail" party for the rushees.

The annual Christmas party, at which we again entertained the actives, was a great success. At this party, the Pi Phis exchanged gifts of toys, which were afterwards given to poor children of the Jost Mission at Halifax.

Besides the activities already mentioned, the Halifax alumnae have enjoyed meeting together on the second Tuesday of every month. Four of these meetings were for business, while the remainder were social.

SUSAN MORSE

HARTFORD

The Hartford Alumnae Club has had a total of nine regular meetings this year. A talk and a demonstration on floral arrangement; a Christmas party; skits on the Constitution; and movies of the Settlement School made up part of the season's program. To raise money for the Settlement School we held a bingo party, the annual Settlement School Sale and Tea, and a bridge party. To observe Founders' Day the New Haven and Hartford Alumnae Clubs met with Connecticut A for a Founders' Day banquet at the Nathan Hale Hotel in Willimantic. Our last meeting, held in May, was a convention rally and workshop.

Our contributions for the year were as follows: Settlement School, \$35; Loan Fund, \$5; and Holt House, \$5. We gave Connecticut A a pair of lamps for their newly decorated living room.

HELEN WHIPPLE

ALPHA PROVINCE WEST

ALBANY

We have 23 paid members and have had five meetings. We have given \$20 to New York I at St. Lawrence University, \$10 to the Loan Fund, and \$20 to the Settlement School. The sale of Arrowcraft amounted to \$575.96. Our convention delegate and her alternate and eight other club members have reservations at the New Ocean House.

DOROTHY NEWTON EISENHART

MONTREAL

Our first meeting of the year got off to an interesting start with a visit to the Montreal Physiotherapy Center where we heard and saw the great amount of work done by this organization. In February we held our annual Valentine's party for husbands and friends which was a whopping success. Founders' Day was celebrated with a luncheon. The sum of \$50 was donated to the Children's Memorial Hospital which is our pet charity. We hope to endow a bed in this hospital within the next year. Edith Archibald is our newly chosen president.

SHEILA YOUNG

NEW HAVEN

Plans made for the year at the October meeting at the home of Helen Lloyd were successfully carried out by our president, Mildred Ingraham. In November, Eleanor Brown Roberts was hostess for a Settlement School Tea and Sale. In February, a few of us braved a stormy night to gather at Esther Humphrey's fireside.

The high light of our year was the cooky-shine in April for the actives and pledges of Connecticut A, our first opportunity to meet our new Pi Phi neighbors. Our hostess, Edith Valet Cook, gave us a royal party, surprising us with a roast turkey, baked ham and ice cream to supplement our covered dishes. The actives entertained with the newest songs and we all sang the old favorites.

In May at Annette Adams Burkelman's home we elected our officers, voted to send \$5 to the Settlement School and \$30 to the Convention Hospitality Fund.

Our club year has been saddened by the sudden death of Katharine Allen Nelson who served the club in every capacity and this year was our treasurer and recommendation chairman. We miss her jovial personality as well as her capabilities.

ANNETTE BURKELMAN

PORTLAND (MAINE)

During the year 1945-46, the Portland (Maine) Alumnae Club of Pi Beta Phi has carried through a program meeting, in which business and pleasure have been successfully mingled. First of the special events was a Pi Beta Phi breakfast in October; this was followed in November by the annual Settlement School Tea, at which a sale of Arrowcraft was conducted. Other events were a luncheon in February, a Panhellenic Tea in March, with Mrs. Wallace Anderson as reader, Founders' Day in April, and the annual meeting and picnic in May, which concluded the activities.

In March the club was honored by the visit of Mrs. Robert Wild, assistant to the Grand Vice-President. Mrs. Wild was also the principal speaker at the initial meeting of the Portland Panhellenic Club.

Club contributions have been \$2 to the Loan Fund, and \$10 each to Holt House, the Settlement School, and the Hostess Committee for Convention.

The annual Sophomore Award, a bracelet, was given to Helen Hicks of Vermont A.

Delegate for the first half of Convention was Dorothy Frye; for the second half, Miriam Doane. A group of Portland alumnae acted as hostesses for the reception held Sunday, June 23, and presented those attending with souvenirs of Maine.

ELIZABETH SAWYER

BUFFALO

The Buffalo Alumnae Club met once a month from September through June, with an average attendance of twenty-five members at each meeting. The club contributed \$50.00 to Settlement School, \$5.00 to the Loan Fund, \$5.00 to Holt House, \$5.00 to the Settlement School Medical Center, and \$5.00 to the Red Cross. The gross sale of Settlement School items was \$245.00. Money raising activities included the sale

of Settlement School goods and commissions from the sale of the "Gay Benson" toys for children.

Special programs for the year were: a discussion and review, conducted by Florence Manley, of the conference of the active chapters in the province which was held at the Hotel General Brock in Niagara Falls, Ontario, in August of 1945; a reading of the Constitution of I.C. Sorosis, by Frankie Zingerle Bladwin, and a comparison of it with the present Constitution of Pi Beta Phi; a Christmas party at the Hotel Westbrook; and a family picnic in June at the home of Eleanor Verduin Millonzi.

Founders' Day was celebrated by a luncheon at the Hotel Westbrook, with Clara Hall Sipherd and our Province Vice-President, Mary Herdman Scott, as guests of honor. The program consisted of speeches by our guests, the reading of a Founders' Day letter by Florence Manley, an inspirational talk by Kate Snow Johnson, and group singing led by Ema-jean Wright Harvie with Mildred Washburn Warman at the piano. Irma Brascher Woods was chairman of the program.

FRANCES R. WHITING

LONDON

London Club began its activities in September 1945 with two pot-luck suppers with the active chapter, the first after initiation, the second in conjunction with a white elephant sale. The second initiation in December was followed by the initiation banquet at which the alumnae were well represented.

At the meetings early in 1946 talks were given on Settlement School, Holt House, and the History and Constitution of Pi Beta Phi. Accounts of life in wartime England were given by two members who spent considerable time there during the "Blitz." Also at this time Jessie McFarlane was appointed delegate to Convention.

During rushing week in February the alumnae assisted the active chapter by providing refreshments for their parties. In March the active members were entertained for dinner at the homes of certain alumnae and all met at the Chapter House later in the evening to hear a talk by Shirley Hare on the development of the London Little Theatre.

Founders' Day and Senior Farewell were celebrated with the chapter members with candlelight service. The Graduation Banquet in May was a pleasant ending to a successful year. Contributions of \$5.00 were made to Holt House and Settlement School.

Yours in Pi Beta Phi,

JRAN STEVENSON

MOHAWK VALLEY

Mohawk Valley Club has completed a pleasant year with Vance Reid as president. Five meetings have been held—four in Rome, and one in Utica at Gertrude Wilson's.

Charlotte Nicholas was again hostess for a Founders' Day dinner, at which Mary Scott was an interesting honor guest. Each member gave the treasury a penny for each year since the fraternity's founding.

At a May meeting at the home of Gwen Mason Lake, the club had election of officers and made plans to send Gwen as delegate to Convention.

The club is glad indeed to welcome two new members, Mrs. Frederic Ludden (Helen Sears, North Carolina A) and Mrs. Raymond D. Burch (Virginia Seubert, New York A). Carol Cutter, magazine chairman, reports a net profit of \$60.00. Henrietta Scripture, Arrowcraft chairman, reports gross sales of \$140.00.

The club has contributed \$5.00 to Settlement School, \$5.00 to Loan Fund, \$2.00 to Holt House and a two-year subscription of "Mademoiselle" to the nearest active chapter.

Vance Reid has invited the club to her home for a picnic in July, to hear all about the convention.

E. HENRIETTA SCRIPTURE

NEW YORK

At the end of the season the New York Alumnae Club looks back on a pleasant and successful year of activities. Meeting and welcoming new graduates at the first meeting made it as always a special occasion. Mrs. G. Bromley Oxnam was guest of honor at the Settlement School tea. Mrs. Allan A. Griffin announced total sales of \$235 and personal contributions of \$100.

Highlight of the year was a visit by Miss Onken in November and a tea in her honor. A Christmas party featuring a Scotch auction was followed by three successive monthly meetings with the accent on Convention.

The Founders' Day tea at the Plaza with both Mrs. Mary Scott and Dr. Leona Baumgartner as guest speakers was a day to remember. We had been looking forward to Mrs. Scott's visit and her discussion of the current issues facing the fraternity.

With Convention before us, we are anticipating the first meeting next fall when our delegates will make their reports.

MARILEE WARD

NORTHERN NEW JERSEY

The end of the war gave us the opportunity for a larger attendance at meetings. Our club membership is drawn from such a large area that gas rationing was a real handicap.

We wish to extend a welcome to all Pi Phis who have come to this area during the war years, and to those who have returned to Northern New Jersey after being away because of war conditions; also, to Pi Phis who are "new" alumnae. Please communicate with Mrs. John K. Evans, 510 Grove Terrace, South Orange, New Jersey, in order that notices of our meetings can be sent to you.

Seventy-six Pi Phis attended the Founders' Day dinner which was held at the home of Mrs. J. K. Evans, in Orange. Mrs. Scott, Province Vice-President, and Mrs. Snow, President of the New York City Alumnae Club, were our guests. One of the highlights of the evening was the following toast written and given by Mrs. George Slifer:

Toast to Pi Beta Phi

I want to propose a toast to-night
To Pi Beta Phi so true
Whose ideals we uphold with all our might
With colors of wine—silver blue.

Our symbol—an arrow—straight to the heart
It is fitting and right, that we
Should follow the course that this little dart
Points out, that we all may see.

A course that is paved with loyalty fine
True friendships and charities too
And deeds that are noble. May we hue to the line
To accomplish all that we hope to do.

Again to our toast, let every one stand
And drink to us all, far and near—
To Pi Beta Phi, the best in the land
And our own fraternity dear.

On May 27th the annual meeting was held in Westfield at the home of Mrs. Wallace Law with 50 members attending. The annual reports showed 50 paid members. Contributions of \$100 to Settlement School, \$2.50 to Holt House, \$2.50 to Loan Fund, \$10 to active chapter, and \$100 for delegate's convention expense were made. Arrowcraft sales totaled \$80 and magazine subscriptions \$110.25.

EDITH BRISCOE SMITH

ROCHESTER

The Rochester Alumnae Club held eight business meetings this winter, including a tea on Easter Sunday honoring Mary Scott, Province Vice-President. It was necessary to cancel the November meeting because of a snowstorm. In addition to the business meetings, we also met once a month to play bridge as a means of raising money for Settlement School.

At our final meeting in May, the treasurer reported our total income had been \$238.19 which included membership dues, sale of calendars and purses, and receipts from the Bridges. The balance on hand, after all expenses, was then \$87.34, and of this we still owed \$10 as our gift to an active chapter and \$25 allocated in the Budget to the Delegate Fund. We gave \$50 to Settlement School and \$3 to Holt House.

Our most successful money making project was from the sale of calendars, profiting us \$34. Commissions earned on magazine sales were second highest in this Province.

Lydia Darling made an excellent president and we are delighted that she was able to accept the nomination of delegate to Convention.

ANN PATTERSON

SCHENECTADY

Our monthly meetings began in September with a cook-shine at the home of Margaret Fraser Miles. Membership has increased to 39, with an average attendance of 21.

Following the October Halloween party with Dorothy Whiton Persons as hostess, the club held its Settlement School sale in November at Anna Payne Sly's home. Twenty-five dollars was sent to the school.

Lucille Magee McLachlan entertained at a Christmas dessert party, and our President, Vera Luse Maynard was hostess at another dessert meeting in January. A bridge party in February at Mr. and Mrs. J. L. Bauer's home was the first of two events for husbands. The year ended with a family picnic in June at Mr. and Mrs. K. E. Buhmaster's camp.

In March we met at Dorothea Churchill Bottemiller's home for a sandwich luncheon and election of officers; and a tea was held in April for Mrs. Carter Davidson (Capitola Brown) whose husband had just become President of Union College. Mrs. Scott, Province Vice-President, made her official visit in May, with Ellen Stradling Beattie hostess at a buffet supper.

JOYCE HARTMAN SMITH

SYRACUSE

At the close of another successful year of Pi Phi activity, the Syracuse Club reports these statistics: 58 paid members, 13 meetings, contributions to the Settlement School, the Loan Fund, Holt House, New York Alpha Chapter, the Red Cross and the United War Fund, as well as 25 gifts each month to Rhoads Hospital for Veterans, in Utica.

Climax of the year's work was the annual association reunion and dinner, April 26, at the chapter house, when we welcomed 15 seniors as our guests. Among out-of-town alumnae who returned for the occasion were Florence Caldwell Fleck, Ethel Vanderhof, Catherine Wille Grant, Dorothy Stack Russell, Alice Bennett and Gloria Newton Julian.

Other meetings not previously reported include a special luncheon meeting at the home of our president, Marie Willis, in Jamesville, when Mary Herdman Scott visited us; and the annual meeting luncheon, with Charlotte Chaffee as hostess.

At the annual meeting, Alice Ross was elected president. The club paid tribute to Marie for her two years of faithful and inspiring leadership; and to Alice for her willingness

to accept the office. Martha Coursen's untiring efforts as rummage sales chairman were applauded, as making possible our annual budget.

As the new year faces us, our aim will be to accomplish much for Pi Beta Phi, remembering always how much Pi Phi has done for us.

CHARLOTTE N. CHAFFEE

WESTCHESTER

The Westchester Alumnae Club held four general meetings during the year. There were fifty-four paid members and an average attendance of twenty-eight.

The first meeting of the year was held at the home of Mrs. Charles S. Neale (Geraldine Truscott). A Bundle Bridge party was given at the home of Mrs. Melvin E. Dawley (Dorothy Tisch), in November. In February Mrs. Edwin S. Bonnet (Grace Bradford), had the members for tea.

The club was honored to have Mary Herdman Scott, Province Vice-President, for the Founders' Day luncheon at the Larchmont Shore Club. Election of officers concluded the club year. There were many informal bridge parties given throughout the year and a warm welcome was extended to all newcomers.

Our contributions for the year included gifts of \$5 to Holt House and \$10 to Settlement School. Magazine orders totaled \$179.

BESS WEAVER WAY

BETA PROVINCE

AKRON

The Akron Alumnae Club has had a very successful year and nine new members have been welcomed into the group. Jiggs Brundage has gone from Akron to live in South Africa.

A luncheon meeting was held in September and the following members entertained the club at their homes during the year: Helen Gehman, Doris Rooney, Florence Whitney, Velma McDonald, Ruth Kepple, Margie Feise, Inez Crisp and Eileen Holmquist.

At the October meeting a household products sale was held and at the November meeting the Settlement School articles were displayed and sold. The December meeting was an afternoon party and the January and February meetings were the usual business and bridge meetings. In March we held an auction of used articles and the April cooky-shine combined the Founders' Day and Settlement School programs. The new officers were installed at the May meeting and a very interesting talk on Shrubbery was given by one of our members, Kate Clapp, who is Garden Editor of our local newspaper.

Our contributions for the year are as follows:

Settlement School	\$150.00
Loan Fund	5.00
Holt House	5.00
Red Cross	10.00
Local Charity	50.00
Emergency Food Collection	17.00

LOUISE EDGE WARDEN

ATHENS

The Athens Alumnae Club completed its year with a business meeting in June at the chapter house. The club is happy to report that they have had a most satisfactory year, adding new members and having had great success in their project for the active chapter.

The club held five business meetings, which were preceded by a dessert course, at the homes of their members. As has been our custom, Founders' Day was celebrated with the active. This year a formal banquet was held at the Hotel Berry.

Our project was the Towle Silver Display which was held at the home of Mrs. H. G. Stalder. A lovely tea was served to all those attending the Silver Display. We presented our proceeds of \$75.00 to the active chapter; this amount was applied to their house fund.

Our club gave \$5.00 to Holt House, \$5.00 to Loan Fund, and \$10.00 to Settlement School. Unfortunately, we were unable to receive any supplies from Settlement School for our annual Settlement School Sale.

The Athens Alumnae Club has no regular meeting scheduled for the summer, but we plan to assist the actives in their summer rushing.

HELEN BAKER STAUFFER

CENTRAL PENNSYLVANIA

The final meeting of the year of the Central Pennsylvania Alumnae Club was a luncheon meeting held in the Women's Club at Williamsport on May 18th. Dr. Mary B. Harris was re-elected to her third term as president of the club.

The 1945-46 season was opened on September 22, with a meeting in the form of a picnic supper at the home of Mrs. Paul Confer, in Milton. The October meeting and November Settlement School Sale were not held because of conflicting activities at Bucknell University. However, the Settlement School Sale was held at the time of the Christmas Party in December at the home of Dr. Mary B. Harris. Patronesses and members of the active chapter at Bucknell were invited. The annual meeting on the constitution was held on January 12 at the home of Martha and Marion Henderson. The Advisory Committee gave a resumé of the duties each member has to perform. Mrs. Oscar Miles of Milton held a Valentine Party for the club on February 9 at her home. The March meeting was in the form of a dinner at the Lewisburg Inn. Miss Isabel A. Clark, Assistant to Grand President, and Mrs. Allen R. Rankin, Beta Province President, were guests of honor of the alumnae members, the active chapter, and their patronesses. A sale of Settlement School articles combined with a Cookie and White Elephant sale was held in Hunt Hall, Bucknell on April 27 in the afternoon at the time of the Founders' Day celebration with the active chapter.

The club has 32 paid members and its contributions for the year are as follows:

Settlement School	\$20.00
Loan Fund	15.00
Holt House	15.00

CATHERINE E. COOKE

CHARLESTON, W.VA.

The Charleston Alumnae Club, although still quite young, showed marked progress under the able leadership of its president, Mrs. John A. Wade. The average attendance has been 20 out of a paid membership of 33.

Twelve meetings have been held during the year including the August Rushing Party, the October breakfast preceding the Virginia-West Virginia game, and the Christmas tea for alumnae and actives. The four required business meetings were held and four dessert bridges.

The following contributions were made: Settlement School, \$10.00; Loan Fund, \$5.00; Holt House, \$5.00; active chapter, \$5.00; Local Red Cross, \$5.00; West Virginia Inc., \$12.00.

MARY VIRGINIA ZIMMERMAN

CINCINNATI

The Cincinnati Club has between fifty and sixty resident alumnae, twenty-seven of whom are paid members. Dues are \$2.50 per member. The average attendance is seventeen. Meetings were held monthly, September through June.

The following contributions were made during the past year: \$100 to Settlement School; \$10 to Loan Fund; \$5 to Holt House and \$10 for a Christmas gift for a needy family in Cincinnati.

The meetings were very interesting and informative this year. One member showed her kodachrome slides; another gave a talk on occupational therapy work which is her work. Another meeting was on the constitution.

The club raised money through the sale of Settlement School goods, rummage sales, sale of calendars and wrappings.

Founders' Day was celebrated by a luncheon at the Hotel Alms. Colored films of Settlement School were shown during the afternoon.

Mildred Graham is going to Convention as our delegate and the club is paying part of her expenses.

The June meeting was the annual picnic at Mrs. Geo. Bonds in Loveland, Ohio.

KATHRYN ANDREWS RIVERS (Mrs. L. B.)

CLARKSBURG

The Clarksburg Alumnae Club, which was organized in 1945, has a paid membership of 19 representing five surrounding towns.

A rushing party was held last summer and a benefit bridge in October at which enough money was made for contributions to Settlement School, Holt House and Loan Fund.

Regular monthly meetings have been held during the winter, usually luncheons at a local hotel, at which the constitution, rushing, etc. have been discussed.

Four club members attended the cooky-chie at the chapter house at West Virginia University in April.

JEAN CRIB HICKMAN

CLEVELAND

Cleveland-East wound up its busy season with a whirl of activity.

The final board meeting for the 1945-46 season was held, after a one o'clock dessert, at the home of Jennette Coen Johnston, president of Cleveland-East, May 27.

In charge of programs for the five dinners and four luncheon events held was Ruth Kewley Donahower.

Membership in Cleveland-East soared to an all-time high of ninety-seven paid members, twenty-six of whom made up the Junior Group.

In early May, Florence Hutchinson Kewley gave her twenty-fifth annual Settlement School benefit bridge luncheon. At this silver jubilee function, finals of the regular bridge tournament were held.

Dorothy Loomis Kingsley emerged grand prize winner of the year. Winner of the day was Mary Prater Kelsey of Cleveland-West.

Attractive prizes were donated by Mary Wallahan Gibson and Hazel Knapp Cole.

Considerable additional income for Cleveland-East and its Juniors accrued from: bridge functions; dues; civilian service; sales tax stamps; donations; and, sale of wax paper, greeting cards, wrapping paper, calendars, Arrowcraft products, magazine subscriptions, Pi Phi cook books, "Pop" concert and playhouse tickets, canned and baked foods.

Contributions were made in the following amounts:

Settlement School	\$650.00
Loan Fund	15.00
Ohio Z	25.00
Holt House	12.50
Red Cross	50.00
Cancer Kit Purchase	15.00
Magazine to Crile Hospital	10.50
U.S.O.	100.00

HELEN HOLLAND MAEDJE

COLUMBUS, OHIO

The 1945-46 season of the Columbus Alumnae Club closed with the club in good financial condition. There was a paid membership of 114 and a 100% participation in national contributions.

Our national contributions were: \$100.00 to the Settlement School; \$25.00 to Holt House; \$25.00 to Loan Fund; and \$83.00 to Magazine Subscriptions.

There were nine meetings this year, each with a varied and interesting program, climaxed with a buffet supper in

the new home of Edith Rankin (Mrs. Allen), Beta Province Vice-President. New officers were installed by Jane Silbernelgel (Mrs. Wynne), and instructions for our Convention delegate, Helen Clarke, were discussed.

In May, the active chapter (Ohio B) and the alumnae club joined in giving a formal dinner dance. The alumnae club paid for the orchestra. This evening was very successful, and we hope to repeat it. A card party was also given in May to make money to send our delegate to Convention.

Founders' Day was enjoyed by everyone, the highlight of the evening being the announcement that Mildred Rankin, Ohio B active, received the Amy B. Onken award.

MARGARET L. HEAD

HARRISBURG

The Harrisburg Alumnae Club held seven meetings this year, namely: card party; White Elephant Auction combined with the annual Christmas party; Constitutional Study; guest speaker; combined meeting with the Active Gamma Chapter at Dickinson College; Founders' Day Luncheon; and, a picnic.

Our guest speaker was the eminent psychiatrist, Dr. Paul Petree, of the Harrisburg State Hospital. Dr. Petree has just recently returned from active service and had some interesting things to tell concerning some of his work with men in the armed services during the war.

Contributions for the year included one hundred dollars (\$100) to the Settlement School, five dollars (\$5) to Holt House, and five dollars (\$5) to the Active Chapter, which goes as an award to the girl raising her scholastic average the most during the year, or the one showing the greatest improvement.

MARGARET ANDERSON BROWN

MORGANTOWN

We have had a busy and successful year in spite of having lost several members through their removal from town. We helped with rushing when college opened and entertained the new pledges with a Christmas party. When Miss Clark visited the active chapter we joined with them in a reception in her honor. Founders' Day was celebrated with the active chapter and with visiting alumnae. Our annual Senior Breakfast was in May which brought our year's activities to a close. We have given \$2.50 to the Settlement School and the same amount to Holt House.

KATHLEEN W. SWINK

PITTSBURGH

The Pittsburgh Alumnae Club held its eighth and final dinner meeting of this year at the home of our president, Dorothy Haller (Mrs. H. S.). The new officers were installed after the business meeting and the club enjoyed the colored movies of the Settlement School.

The club has had a most successful year beginning with a membership tea and alternating dinner meetings with luncheons throughout the year. In February, a theater party was a new and successful innovation. There was an average attendance of twenty-five from our paid membership of thirty-eight.

The South Hills Alumnae Club joined with us in our celebration of Founders' Day with a luncheon at the University Club. The beautiful and impressive Candle Lighting Ceremony closed our program.

Our bridge groups were such a success that they will be continued next year. Each member has been most co-operative in taking a table. From these groups our contributions were easily and pleasantly raised. They are as follows:

Settlement School	\$50.00
Holt House	5.00
Loan Fund	10.00
Red Cross	10.00

Under the expert guidance of Dorothy Wiggins (Mrs. Albert) our total magazine sales were about \$700.00.

LUCILLE F. CLOKEY

TOLEDO

On April 25, 1946, the Toledo Alumnae Club passed the first anniversary of the installation of the Ohio E chapter of Pi Beta Phi with the active members, at the annual Founders' Day Banquet. We were honored to have Isabel Clark, Assistant to Grand President, join our celebration. The program included the installation of the new club officers and the singing of the Pi Phi Symphony by the active chapter.

With the addition of our new alumnae club members, the Toledo Club had an average attendance of 50 out of 72 active members. Our resident membership is 90. The 9

monthly meetings included a Christmas party with the active chapter and our final meeting which welcomed the new alumnae club members and 1946 graduates of the Ohio Epsilon chapter of Pi Beta Phi.

Earnings from the sale of Arrowcraft this year totaled

\$84.12. The Red Cross contribution was \$10.00. Gifts included: Holt House \$5.00, Settlement School \$30.00 and Loan Fund \$15.00.

Marian Cannan

GAMMA PROVINCE

BALTIMORE

A cooky-shine started meetings in October at the home of Catherine Wright Donnelly. The Chapter raised \$55.00 at the auction sale. This bought fifty Red Cross "Christmas on the High Seas" boxes.

The Settlement School Sale and Tea in November sold \$435.90 worth of Arrowcraft articles and the \$66.03 profit was contributed to the Settlement School.

In December Mrs. William Bauernschmidt, Executive Secretary of the Baltimore Public School Association, spoke on the "Springfield Plan."

A birthday party and shower was given in January for the Maryland Alpha Chapter. Actives and pledges were guests.

The most interesting program was in March when Jean Dockhorn spoke on her experiences as a medical social worker for the American Red Cross in Europe. Mildred Zimmerman Harrington was voted delegate to convention.

Founders' Day Banquet was held in May at the Garden Tea Room with many members, actives, and alumnae attending. Three members who helped found Maryland A, Alabama A, and New York I gave interesting memoirs of their beginnings.

Miss Katherine Kosmack of the Enoch Pratt Free Library gave a book review in May. An appropriation of \$46.00 was decided upon to help defray expenses of the delegate to Convention. Katherine Black Massenburg was voted on as an alternate to Convention. New officers with Mildred Harrington as president, were installed.

The year closed pleasantly with Helen Doll Tottje's annual luncheon for members and their children.

The chapter has fifty paid members with an average attendance of twenty-five at meetings. Beside the Settlement Fund, contributions were \$5.00 to Holt House, \$5.00 to Loan Fund. Members filled twenty-six stockings, distributed them to local service hospitals.

MARTHA CLARK LAVELLE

CHAPEL HILL

The year's activities for the Chapel Hill Club began in September when various members assisted the actives of North Carolina A chapter with their rush parties. Early in November the club gave a coffee in honor of the new pledges with Millicent Perkins Lawrence and Elsie Lawrence Gribbin as hostesses. Afterwards the first regular meeting was held in the interest of the active chapter.

In addition to four regular meetings, club members joined with N.C. A and N.C. B chapters in celebration of Founders' Day. The N.C. Betas were hosts to 120 actives and alumnae at a delightful formal banquet.

The final meeting of the year was held in June at the home of our president, Harriet Wilmot Caldwell. This was preceded by a supper and Senior Farewell Ceremony at the chapter house when club members were guests of the seniors.

Contributions for the year are as follows: \$50.00 to the Settlement School, \$5.00 to Holt House and \$5.00 to the Loan Fund.

MARY SHORE CAMERON

CHARLOTTE

Our club, under the able leadership of Miss Rosanna Blair, the president, has held four enthusiastic meetings during the year with programs devoted to the topics advised by the national fraternity. We have eleven paid members out of a possible fourteen with an average of eight attending each meeting. We look forward to an increased membership when those who were called away by war activities return. Through our magazine agency we have netted something like \$25 for the Settlement School. Our contributions to the three fraternity projects this year are as follows: \$8—Settlement School, \$4—Holt House, \$4—Loan Fund.

JEAN CONKLIN YOUNG

NORFOLK

Betty Henrietta Lühring entertained at her home, "Broad-roof," on North Shore Point in Norfolk, Virginia, at a tea for all the Pi Phis in Norfolk and vicinity on Founders' Day and thus the Norfolk Alumnae Club was started. Officers

were elected and the club has received its charter. The first meeting is scheduled for June 7. It is a luncheon meeting to be held at the Fairwater Restaurant. The Norfolk Club is still quite young and so there are no activities to report at this time. However, it promises to be a very active group and the interest among the members is truly inspiring. The Norfolk Alumnae Club regrets that it is not in a position to support a delegate to the Convention this year but is looking forward to the next Convention.

BETTY H. LUHRING

RICHMOND

Members of the Richmond Alumnae Club got together on seven different occasions during the 1945-46 season. Two Saturday luncheons, two mid-week luncheons and one supper meeting were called during the months, October through March.

On April 27th the Club drove down to Williamsburg for a Founders' Day meeting with Virginia I at the Williamsburg Lodge. The Chapter arranged a beautiful luncheon and an impressive Founders' Day program. It was an outstanding event for the members of the Club who enjoyed especially meeting the very attractive members of Virginia I and found many reasons to be proud of the nearest active chapter.

In May the Richmond Pi Phis joined the other members of the Elizabeth Kates Foundation for the annual meeting of that organization at the State Industrial Farm for Women in Goochland County. The formal meeting was followed by supper served by inmates at the Farm. The Foundation was organized several years ago by the Richmond Pi Phis to aid Miss Kates, a Pi Phi in charge of the Farm for Women, in her fine, progressive work to help the unfortunates who come under her jurisdiction.

The following contributions were made by the Club during the year: Settlement School \$25.00, Loan Fund \$5.00, Holt House \$2.00, Elizabeth Kates Foundation \$15.00.

ELIZABETH U. WILSON

WASHINGTON, D.C., SENIOR GROUP

The Senior Group of the Washington Alumnae Club closed its 1945-1946 season with 108 paid members out of 585 resident alumnae. The average attendance was sixty at evening meetings and thirty-two at afternoon gatherings.

In September the club gave a tea for girls entering colleges having chapters of Pi Beta Phi. A most successful Settlement School meeting and sale of Arrowcraft products was held jointly with the junior alumnae group, the active chapters of District of Columbia A and Maryland B, and the Mothers' Club. Founders' Day was celebrated by a luncheon at the Mayflower Hotel with 252 present to enjoy the musical program and pay tribute to the Founders.

At Christmas time seventy-five gifts were presented to the soldiers at Walter Reed Hospital. During the year \$5.00 was contributed through Panhellenic for U.S.O. Birthday cakes and chaperones were provided for their regular dances.

Magazine subscriptions amounted to \$620.10 for the year. Arrowcraft sales totaled \$486.75. Contribution to Settlement School was \$200.00, \$5.00 to Holt House, and \$10.00 to the Loan Fund, \$25.00 to each of the active chapters.

Once more the club ends a very successful year with a variety of programs and the anticipation of inspiration for better things from convention.

MARY B. KOOPMANN

WILMINGTON

In April Eleanor Heron Gray (Mrs. Hugh W.), Montana A, and Margaret McDonald Cairns (Mrs. T. L.), Alberta A, entertained Wilmington Pi Beta Phis at a tea. Mrs. George F. Heubeck, Gamma Province Vice-President, was a guest. An enthusiastic Wilmington Alumnae Club was the result. At the two meetings since the tea, officers have been elected, next year's program planned, and a delegate elected to Convention. There are now 22 members, and prospects of several more when the fall program begins. A cordial invitation to renew their Pi Beta Phi association is extended to all alumnae in or near Wilmington.

LAURA MCGEE PIERSON

DELTA PROVINCE

ANN ARBOR

The Ann Arbor Alumnae Club experienced a successful year in 1945-1946 under the leadership of Mrs. Warren Cook. At our first meeting in November at the chapter house we had the opportunity to see the girls' rooms which had been decorated under the capable supervision of Mrs. Homer Heath and her committee. This meeting was followed in January with a dessert meeting at the home of Mrs. Charles Jamison and a meeting at the chapter house in March.

One of our most enjoyable meetings occurred on April 30th when the active chapter entertained the club with a delicious buffet supper followed by a skit and social hour.

Mrs. Henry Ohrt and her committee arranged an enjoyable Founders' Day Luncheon for members of Michigan B Association and the alumnae group at Barton Hills Country Club on May 18th. All enjoyed being together as well as with the initiates who were special guests.

We anticipate a pleasant year in 1946-1947 under the guidance of our new president, Mrs. Carl Guldberg.

MARJORY RECORDS LANDECKER

BLOOMINGTON, INDIANA

The Bloomington Alumnae Club met for nine meetings this year with an average attendance of 25 members. At a fall meeting we entertained the new pledges, in December we had a Christmas Carnival party with the entire active chapter, and at our June picnic we entertained the seniors and also had the installation of the seniors.

Our contributions for the year were—\$25.00 to Settlement School, \$5.00 to Holt House, \$5.00 to the Community Chest, \$10.00 to Red Cross, and the \$40.00 made at the Penny Carnival we used to redecorate the study room at the chapter house.

The club lost a good friend and an enthusiastic president when Mrs. George W. Purcell, Jr. moved to California and we have gained another in Mrs. Vernon Huffman who has returned after living in Seattle, Washington during the war.

DOROTHA LEE KARSILL

FRANKLIN

The Franklin Alumnae Club of Pi Beta Phi has finished a most successful year. Nine meetings have been held from September to June 1st. The organization meeting in September was well attended and plans for the year's activities were discussed.

"Cookie-shine" was in the home of Mrs. Kenneth Andrews. We were happy to receive our new pledges at this time. At this meeting \$87.00 was presented to our chapter to be used for active chapter. This most appreciated gift was from some of our loyal alumnae of Indianapolis.

We had a Settlement School meeting in October. At this meeting articles were displayed and sold. We voted our gift to Franklin Girls' Club and planned for gift boxes to be sent to soldiers.

Our actives and pledges were guests at our November meeting. The girls entertained with stunts and singing.

An auction sale of food and gifts was a most enjoyable and profitable project at our December meeting. We were happy to add \$50.00 to our general fund as a result of our sale.

Seventy-five dollars was collected at our anniversary party. One-half of this was presented the active chapter.

We feel we have had a very successful year.

The following contributions were made by the club.

Settlement School, \$81.23 (total amount of sale); Holt House, \$2.50; Loan Fund, \$2.50; Settlement School, \$20.00.

MILDRED SWIFT RAPP

GRAND RAPIDS

We have had four meetings with an average attendance of fifteen members. We gave \$10 to the Settlement School, \$1 to the Loan Fund, and \$1 to Holt House. We have fifteen paid members.

DOROTHY G. SCHOENECK

INDIANAPOLIS

The Indianapolis Alumnae Club was again this year rated a 100% club, having donated \$200 to the Settlement School, \$10 to the Loan Fund, and \$10 to Holt House. The Club also gave Christmas gifts to the five active chapters in the state. Local donations were the purchase of a Symphony ticket to be used by service personnel, a gift to the Red Cross, and donations of cookies to Panhellenic to be used for the U.S.O.

Club projects for the year were sponsoring a production of the Civic Theatre, which netted the club \$286 to be used for Settlement School and other charitable donations, and collecting old clothes and various other goods to be sent to Holland for relief purposes. Fourteen boxes have been sent so far to Holland.

The Indianapolis Club was first in Magazine Sales throughout the country this year, and the \$10 prize is to be used to cover the costs of postage on the boxes being sent to Holland.

A new project for the Club this year was the publication of our own news sheet, *Beaux and Arrows*. This was very popular with the members.

AGNES BROWN

LAFAYETTE

The Lafayette Alumnae Club participated in the sale of War Bonds throughout the year.

Graduating seniors of Indiana Δ were entertained at the April meeting and were presented with individual gifts.

Mrs. V. C. Freeman of our club was elected president of the State Panhellenic Association for the coming year.

We joined with the active chapter, May 18, 19 in the gala celebration of the Indiana Δ Silver Anniversary. Over 200 Indiana Δ s were present and they were honored to have as their guests, Miss Onken, Marianne Reid Wild, Assistant to Vice-President, and Helen Anderson Lewis, Delta Province Vice-President. The event consisted of a luncheon at the chapter house on Saturday, a formal banquet that night in the Faculty Lounges of the Memorial Union Building; a brunch Sunday morning at the Fowler Hotel and a tea that afternoon at the chapter house. In honor of this occasion, the alumnae club presented the active chapter with \$50.00 for silver, when available. The sale of Settlement School articles has been most successful this year, due to the efforts of Alice Cordell and Josephine Branigan.

The following contributions were made: Settlement School—\$15.00; Loan Fund—\$5.00; Holt House—\$2.00; Red Cross—\$5.00; Tuberculosis Drive—\$5.00 and the above mentioned \$50.00 to the active chapter.

DOROTHY DUSTIN PHILLIPS

LANSING-EAST LANSING

The Lansing-East Lansing Alumnae Club has held monthly business meetings this year. We have been glad to hear from Edith Leroy, the chairman of the Building Corporation, of the purchase of three lots, on which a future chapter house will be built, and of "Evergreen Manor," which will be redecorated and ready for the girls next fall.

Our moneymaking activities included two successful rummage sales, a Settlement School sale and tea, and a dinner and games party at the home of Grace Bachman.

We met with the active chapter at the house on several occasions, in October, to hear Marie Winsor Stebbins' talk on "Famous Pi Phis," in December for a Christmas party, and on April 27, for our Founders' Day luncheon. We were delighted to entertain alumnae from several neighboring cities and scholarship awards were presented to the girls.

In January, Mary Tranter opened her house for a party in honor of the pledges. A breakfast for the senior girls was held at the home of Dorothy Cotes in June and silver spoons were given to each graduate.

The club sent \$5 to the Settlement School, \$2 to the Loan Fund, \$3 to Holt House, and gave a lovely lace tablecloth to the active chapter at Christmas.

JESSIE TYLER SHARER

NORTHERN INDIANA

The Northern Indiana Alumnae Club has had only four meetings during the past year; the club has done some war work but because each member has been active in various projects in her own community, we have not undertaken much as a club.

We contributed to the Settlement School, Holt House, gave some books and \$3 to Indiana B, to help build their library.

ELDA L'HOTE DISOWAY

SOUTHWESTERN INDIANA

The alumnae club enjoyed a very active and interesting year under the capable leadership of Mrs. W. J. Hoggatt. We had thirty-one paid memberships and averaged sixteen at our monthly meetings. These were dessert meetings held the second Monday night of each month at the homes of members. Each hostess had one assistant. We had eight regular

meetings which included the cookie-shine which we always have at our Founders' Day meeting. In addition, we had an unusually successful Christmas luncheon. It was held at the Hotel McCurdy with twenty-six present. Our eight actives, as guests, provided a real treat by singing songs from their respective chapters.

We feel fortunate that our new members are taking a very active part this year in the club.

Due to shortages and uncertain conditions we dispensed with the sale of Settlement School articles for this year.

We are delighted to report that Marie West Wever is to be our convention delegate this year.

Our club contributed \$20.00 to the Settlement School, \$5.00 to the Loan Fund, and \$1.00 to Holt House this year.

HELEN SHERIDAN JONES

EPSILON PROVINCE

CHATTANOOGA

The Chattanooga Alumnae Club under the able leadership of Virginia Thompson began the year in the fall with rushing and were the hostesses at the third and last rush party. The house, which was named "The Cocoon Grove," was transformed into a night club, and the program which consisted of the dramatization of Pi Phi songs and sweetheart songs of several fraternities concluded with the ever impressive "Remember."

In order to meet several financial obligations two projects were next undertaken. Under the chairmanship of Penny Overend \$105.25 was cleared from a dress raffle, and Louise Rothe and her committee netted \$45.19 from a benefit bridge party.

Our December meeting was in the form of a Christmas party with pledges as guests, and the decorations and lovely refreshments made the occasion memorable.

In February the club was hostess at the initiation banquet held at Fairyland Club, and in March the new officers, headed by Jane Wright, were elected. Grace Biggers was selected to represent the club at Convention. On April 27 Founders' Day was celebrated with a luncheon at the Read House. A short history of each of the Founders which was read by Nellie Ruth Day was both informative and interesting.

The final meeting of the school year was a buffet supper at the house honoring the thirteen graduates at which time Betty Collette was awarded the Margaret Smith Colby Award.

Our contributions included \$5.00 to Holt House, \$5.00 to Loan Fund, \$5.00 to Settlement School, \$5.00 to University of Chattanooga Sustaining Fund, and \$80.00 to the Mothers' Club for the enclosing of the back porch.

MARY LOUISE BROWN

COLUMBIA (Mo.)

The Columbia, Missouri, Alumnae Club has had five meetings this year, the average attendance at which was eighteen. The opening meeting in September was held at the chapter house, where rushing plans were discussed with the actives. In December we had the Settlement School sale and tea at the chapter house, and it was very successful: over \$250 worth of goods were sold and a net profit of \$40.00 was realized, which was contributed by the Club to the Settlement School. Founders' Day was celebrated by the alumnae club and the active chapter with a dessert at the chapter house followed by a ceremony. At our May meeting a white elephant sale was held at which \$22.00 was raised.

Our club has contributed \$60.00 to the Settlement School, \$10.00 to Holt House, \$5.00 to the Loan Fund, and \$2.00 to the active chapter for summer rushing. Magazine subscriptions turned in by the club were unusually good this year. On the whole it has been a very successful year and we are looking forward to the resumed monthly meetings next fall.

MARGARET SEARLE EVENS

JEFFERSON CITY

The Jefferson City Alumnae Club has had a hundred per cent membership and a good average attendance at its monthly meetings during the past year. The sale of Settlement School articles has been carried on throughout the year, with the demand greatly exceeding the supply. More than \$200 worth of goods has been sold. Magazine subscriptions have also been sent in as a year-long project.

A large rush picnic was given last August. Mrs. John Foster, Epsilon Province Vice-President, was the guest of the club in February. A true-false quiz on the Constitution was held at the March meeting.

Contributions were sent to the Settlement School, the Loan Fund and Holt House.

HELEN CHRISTY MAY

KANSAS CITY

Members of the Kansas City Alumnae Club closed a very successful year with a Founders' Day Banquet at the Hotel

Muehlebach, April 26. Mae Reed Porter, Iowa F, as toast-mistress, took the alumnae "Through the Looking Glass," while representatives of the four active chapters in this vicinity spoke on "Who Stole the Tarts," "The Tiny Golden Key," "In the Garden of Live Flowers," and "The Tale of Wonderland." Margaret Armstrong Foster, Maryland A, Epsilon Province Vice-President, and Marian Keck Simmons, Kansas A, national chairman of Holt House committee, also spoke, leading to the very inspirational talk by Margaretta Fenn Putman, Illinois E, the main speaker of the evening. Mrs. Putman is one of the most civic-minded Kansas Gitiens, and a very active alumna.

Dorothy Williams Lombard, Texas B, in her welcoming address, called attention to the following accomplishments: 115 paid members, \$100 scholarship to University of Kansas City, \$500 to settlement school, \$5 to loan fund, \$100 to Holt House, and \$135 to active chapters.

Actives and alumnae will have a summer reunion at the Lake Lotowana home of Gertrude Speck Newcomer, Kansas A.

BETSY PHELAN

LOUISVILLE

The Louisville Alumnae Club has enjoyed a very successful sorority year and is eagerly anticipating the coming year which will be enriched by the invaluable inspiration and guidance we will receive from Convention.

The majority of the regular monthly meetings were held at the homes of various alumnae club members. One meeting, however, was held in a lecture room at the University of Louisville in order to accommodate the combined gathering of actives and alumnae. Emma J. Woerner, a member of the Pi Beta Phi Settlement School Committee entertained the group with an interesting and vivid description of the Settlement School, its history, the work being done there at present, and the future plans for its growth and development. Miss Woerner then exhibited samples of the articles made at the Settlement School. The meeting was adjourned to the Pi Beta Phi house for a social meeting and refreshments. The Founders' Day tea was held in April at the suburban home of Nancy Adams.

The following contributions have been: \$25.00 to the Settlement School, \$120.00 to the Active House Corporation, \$5.00 to Holt House, and \$5.00 to the Loan Fund.

JOYCE ARCHER OLDHAM

MEMPHIS

At each of the monthly meetings this past year the Memphis Alumnae Club has had unusually entertaining as well as educational programs. Betty Biles gave a series of interesting talks on art appreciation and Lily Bess Baker gave an account of her recent trip to Guatemala, where her father is now United States ambassador.

In spite of food shortages, delicious and varied "pot-luck" luncheons were served preceding each meeting. The June supper party, with husbands invited, was held at the home of Mae Weiss.

The most important philanthropic work of the year was the assistance the club gave the Crippled Children's Service under the Health Department, because of the local "polio" epidemic. When it was found that help was needed to entertain these youngsters recreationally, the club contributed a well-planned Christmas party. A present was given to all of the youngsters and a full length movie of *Swiss Family Robinson* was shown. A beautiful cake, ice cream, favors and the like were served. All the work done was paid for in full by the grateful smiles of the children participating.

Again Ladelle Mitchell is responsible for the sale of \$217.98 worth of Arrowcraft goods.

The average attendance was sixteen at the eight scheduled meetings, with thirty paid members.

FLORELL DEWITT POORE

SPRINGFIELD, MISSOURI

Our club has enjoyed a successful year under the leadership of Mrs. Louise Turner. Nine regular meetings were

held. Included in these were the four required meetings on the Constitution and History, Settlement School, Founders' Day, and a party for the active chapter. We have 55 paid members. Our last meeting of the year was held in the form of a luncheon for the graduates. Each of the ten girls was given a white Settlement School purse. In the afternoon a Brush Party was held. The proceeds were given to the active chapter. All actives and their mothers were invited.

We have pledged \$100.00 to the Drury College Expansion Fund to be raised in a period of two years.

The total of our Arrowcraft sales for the year was \$586.00.

The Recommendation committee on rushees for the coming year is already functioning, and we look forward to an interesting rush party next fall with the actives.

The following contributions were made: Settlement School—\$15.00, Holt House—\$10.00, Red Cross—\$10.00, Loan Fund—\$5.00.

MARTHA DODSON KELLY

ST. LOUIS

The 1945-46 season opened with our annual Settlement School Tea held last fall at the home of Mrs. Aimee Clipner and with Miss Jessie Benson as chairman. Over \$1000 worth of Settlement School goods was sold. At Christmas a party for the actives was held at the home of Mrs. L. K. Ayers. To round off our major activities the Spring Fashion Show, the first to be presented since the war, was held on May 21 in the spacious gardens of Dr. and Mrs. Frank Krebs, parents of Dorothy Krebs Turner. We were honored to have with us for the occasion Miss Amy B. Onken, Grand President, Mrs. F. E. Williams, Epsilon Province President, and Mrs. Arthur H. Compton, wife of the Chancellor of Washington University. Afterwards tea was served in the Rose Garden, and Miss Onken received the guests in the Italian Garden. Of the proceeds from the event, so ably directed by Mrs. D. M. Neubauer, \$1000 will be sent to Settlement School. Thus the 3rd Annual Fashion Show has successfully brought to a close another busy season.

PEGGY SCHWANKHAUS

ZETA PROVINCE

ATLANTA

The Atlanta Alumnae Club completed a very successful year. The meetings are held the last Tuesday of each month. There will be one July meeting for reports, plans, and talks from the delegates returning from Convention. The regular meetings have been attended by an average of 26 members. Our regular obligations on Settlement School, Scholarship, and National interests were all supported this year. We also gave a gift to the Chapter at Athens, Georgia. Many of our members are closely associated with the Georgia Alpha Chapter and have visited the girls there this year.

Our new project this year was local support of the Atlanta Child's Home; we held a Tea in the Fall to get contributions from the Club, and the Mothers of our Club toward supplying the linen room of the 50 youngsters living in this Home. Since the Fall the members who are able to attend the Wednesday Bridge meetings have given monthly contributions to our fund. We were able to give seven dozen towels as a gift to the Home this month. We expect to keep up this work; Kathleen Perrin served well as Chairman of the work this year. Her successors promise us a continuation of interest in our local work.

At the final May meeting—we heard that Winifred Paige, Jean Stallings and Edith Anderson will attend Convention this year. We are very anxious that our club keeps abreast of the active work of the Fraternity. I have on my list of Pi Beta Phis in this Community the names of 76 initiates. The inactive members we list are 16.

The Founders' Day meeting at the home of Ruth Lyons was very impressive; at this meeting many members came to pay their respect to the annual affair—showing great appreciation for the ideals of our organization.

MYRTLE RAUTH COWART

BIRMINGHAM

Our club has held nine meetings during the year with an average attendance of 25 out of a paid membership of 26. Instead of the usual Settlement School teas, individual orders were placed and filled. We have contributed locally to the USO, and the Crippled Children's Clinic. Our fraternity gifts have been \$15 to the Settlement School, \$10 to Holt House and \$10 to the Loan Fund. Mrs. Tyler, Province President, was an honored guest at our May meeting and gave an inspiring talk on closer connection of the alumnae club with the active chapter. Virginia McMahan was chosen as the club delegate to Convention and she was also named as NPC chairman of the Educational Committee to combat anti-fraternity sentiment at Birmingham-Southern College. The annual banquet was attended by 60 Pi Phis. In February the club honored the active chapter with a supper party. Our treasury shows a balance of \$68.32.

MARY REED SANDS

MIAMI

The club program is divided into eight luncheon meetings and four night meetings. The four required program meetings are held at night so our working members are able to attend and keep in touch with the national program. Among the activities of the year were: assisting the actives during the summer with informal rush parties climaxed with a banquet

at the Miami Woman's Club; benefit bridge; Arrowcraft sales; Christmas party for the actives; tea for Panhellenic; the Founders' Day celebration.

Contributions were: Settlement School \$25.00, Loan Fund \$10.00 and Holt House \$10.00. Magazine subscriptions were taken and stressed at every meeting. The club has printed year books and directory of members. We are represented by two delegates to the local Panhellenic Club delegate to Convention was Lillian Ellison Lindley (Mrs. J. E.), New York A; alternate was Mildred Wright Charles (Mrs. W. W.), Florida B.

Our club closed a most successful and enjoyable year under the leadership of Elizabeth Lazelere Thorpe (Florida B) past President of Zeta Province 1937-1940. We look forward to another good year under the guidance of our new president, Patricia Brandt Hamilton (Florida B). Patricia was given the Amy Burnham Onken award for Zeta Province in 1941.

Several new members have been added to the club this year and we welcome them. Many old members have moved away and we will miss them.

HELEN CAVENAUGH LLOYD

ORLANDO

The Orlando Alumnae club of Pi Beta Phi held its monthly cooky-shines regularly during the year 1945-46 at various members' homes, featuring covered dish suppers, a Christmas party, and a white elephant sale.

A rush party was given during the Christmas holidays, honoring graduating seniors who will enter various colleges in the fall. Summer rushing is being planned. An informal tea dance, including rushees, actives, alumnae, and friends, was also held during the Christmas season.

Florida F at Rollins college and a group of Central Florida alumnae observed Founders' Day with the local club at a luncheon held at the Orlando Country club.

Contributions are as follows:

Settlement School	\$15.00
Loan Fund	2.00
Holt House	3.00

Cooperation with the active chapter at Rollins has been most successful. The club assisted them in rushing, entertaining province and other officers, and functioning as an advisory committee and helping with problems. Two actives attended each alumnae club meeting, thus fostering friendship and understanding.

Florida B at Florida State College for Women and Florida A at Stetson University have been assisted by the club as to summer rushing.

JEAN YOTHERS

TAMPA

The Tampa Alumnae Club completed a successful year under the leadership of Martha Robbins Hall (Mrs. Lawrence), Florida B, as president.

We held meetings once a month at the various members' homes. At Christmas-time a dinner dance was held at one of the downtown hotels with the pledges, who were home for the holidays, as special guests.

Founders' Day was observed with a banquet at which time the Candle Lighting Ceremony to the Founders, written by one of our members, Eleanor Bushnell Lehner (Mrs. George),

Georgia A and Florida B, was read. We are very proud of the fact that National sent this ceremony to all alumnae clubs to be used at their Founders' Day ceremonies.

Eleanor is now living in Los Angeles where her husband is on the faculty of the University of California, at Los Angeles. The club sent donations to the Settlement School and to

Holt House. Many former members are being welcomed back, who have been away during the war years.

We are looking forward to our annual rush party which will take place in August in the form of an all-day beach party at the Tides Hotel.

IDA BELLE KINLEY

ETA PROVINCE

LIBBIE BROOK GADDIS (AVON)

The Libbie Brook Gaddis Alumnae Club held six meetings during the year of 1946-47. It had a membership of 19 paid members. The average attendance was 10.

The first meeting was held as a rushing picnic at the Avondale Club. Our second meeting was a cooky-shine. This was also a rushing party. We had planned to get the Settlement School movie for our third meeting, but we were unable to do so. Some of the members that had recently visited in Gatlinburg gave informal talks on the Settlement School. The fourth meeting was the Constitution meeting. One of the members prepared a quiz program in which all the members took part. At the fifth meeting new officers were elected, and the treasurer's report stated that we had made the following contributions:

Settlement School	\$5
Holt House	3
Monmouth A	3
Loan Fund	3

The sixth meeting was Founders' Day. Nine of the members went to Holt House and held the candlelighting ceremony there.

MRS. ROYCE DAVIS

BELOIT

We have completed our 26th year, keeping in close contact with the active chapter by substantial gifts and the usual gift to each graduate of a Pi Phi song book. There are 20 resident Pi Phis. We have met each third Tuesday evening of each month at the home of a member. Settlement School articles were sold at a good profit. We have contributed \$15 to the Settlement School, \$5 to Holt House, and \$3 to the Loan Fund. In October we were honored by a visit from our Grand Vice-President, Mrs. Warren Smith, who was making the biennial visit as a representative of Grand Council to the active chapter.

BEATRICE BRADLEY

CARTHAGE

The club held four meetings this year. One meeting scheduled was omitted because of the illness of the president. However, the required programs were given at the meetings. \$8 was contributed to the Settlement School, \$2 to the Loan Fund and \$1 to Holt House.

The secretary is looking forward to attending Convention as the delegate of the club.

MIRIAM E. WILLIAMS

CHAMPAIGN-URBANA

Eight meetings were held during the past year. We have contributed \$100 to the Settlement School, \$10 to the Loan Fund and \$5 to Holt House. On Saturday, June 1, we sponsored a luncheon for 250 rushees at the chapter house. Bess Stipes Hecker (Mrs. Morris) is our delegate to Convention.

HAZEL BECKWITH KINCH

CHICAGO BUSINESS WOMEN

Variety has been the keynote of this year's meetings of the Chicago Business Women's Alumnae Club. The Cooky-Shine in October was followed the next month by a dinner meeting at Tracy's-on-the-Avenue and an instructive trip through the Chicago Tribune plant. The Christmas meeting brought forth gifts for the Settlement School and Charlotte Herman's reminiscences upon her experiences while teaching there. We started the New Year with a visit to a new art school—the Institute of Design, preceded by dinner at the McCormick YWCA. February found us having a dinner meeting at Martin's in Chicago's Loop. A member of our group, Isabel Pifer, invited the club to hold its March meeting at Benton House, of which she is director. We not only had the meeting, but dinner and a trip through the House, too.

Founder's Day Luncheon was a very impressive affair held at the Georgian Hotel in Evanston, Illinois. Chicago North Alumnae, Northwestern actives, and our alumnae made quite a sizeable gathering. A business meeting of our group follow-

ing the luncheon resulted in Suzanne Black's being appointed as our delegate to the national convention in June.

May found us again in the Loop for a dinner meeting at the Picadilly Restaurant overlooking Lake Michigan. Officers for the coming year were installed.

We plan to have a get-together sometime this summer to hear all the news from the Convention. We would like to welcome any Pi Phi coming to Chicago to attend our meetings—whether it's one or all.

BETTIE WILLITS

CHICAGO NORTH

The alumnae club has had an active year under the enthusiastic leadership of Eleanor White Pannier.

Meetings have been held every other week by the three groups. Activities were started in September with a rummage sale. Our cooky-shine in October gave us an opportunity to welcome many new members. A successful Settlement School tea was held in November. The spring luncheon and election of officers was held at the home of Mildred Power. Founders' Day was celebrated with the North Shore Alumnae Club and the chapter of Illinois E.

The following contributions were made during the year:

Settlement School	\$25.00
Illinois E	10.00
Holt House	1.00
Loan Fund	5.00
Travelers' Aid Society	10.00
American Cancer Society	5.00

AUDREY A. CASE

CHICAGO SOUTH

The Chicago Alumnae Club South held four general meetings during the year; the first, a cooky-shine in September with Settlement School pictures; the next, a buffet supper, was held in November. The next joint meeting of the South Side Groups was a cooky-shine in February with several members and pledges of Illinois Z as guests. Founders' Day was celebrated May 11 by a luncheon in the grand ballroom of the Windermere East Hotel. Fifteen actives from Illinois E were present, Miss Onken was our guest of honor. She gave an informal talk on the future of alumnae clubs. Villars Cagann has completed two successful years as our president and is going to Convention as our delegate.

This group contributed \$50.00 to Settlement School, \$1.00 to Loan Fund, and \$1.00 to Holt House.

GRACE H. ABELL (Mrs. J. E.)

CHICAGO WEST

Eight meetings have been held during the past year. Founders' Day was celebrated by a dinner held at the Spinning Wheel in conjunction with the DuPage County group, the Nina Harris Allen Club. The candle lighting service in honor of the Founders was completed by an informal talk by Mrs. Allen who knew many of the Founders personally. The year closed with a children's party, a trip to the Brookfield Zoo. We have given \$5 to the Settlement School, \$5 to Holt House and \$5 to the Loan Fund.

ELSIE GILLER

DUPAGE COUNTY (NINA HARRIS ALLEN)

We have ended a successful year with 18 paid members and six regular meetings held. Our average attendance has been 15. At the March meeting officers were elected and plans made for celebrating Founders' Day jointly with the Chicago West Suburban Club. We have contributed \$10 to the Settlement School and an extra \$5 as a Christmas gift. We sent \$5 to Holt House and \$5 to the Loan Fund. Our magazine commissions netted us \$9.55. Nina Harris Allen is our Convention delegate. She has been a Pi Phi for 50 years, has attended nearly all of the Conventions, and has held important offices in our national organization. She has been our president the past two years and our group has flourished under her leadership.

POLLY STUDEBAKER KAY

FOX VALLEY, ILLINOIS

Four regular meetings of the Fox Valley Alumnae Club were held during the year; in October, December, February and April. One of our meetings was devoted to a Constitutional Quiz in which all present took part. Founders' Day was observed by a dinner meeting followed by a very impressive candle-lighting service in honor of our Founders. The other two meetings were social meetings.

Through the year the following contributions have been made by the Club: Settlement School \$5.00; Loan Fund \$5.00 and Holt House \$2.00.

HORTENSE ARMBUSTER WADKINS (Mrs. J. E.)

FOX RIVER VALLEY, WISCONSIN

The Fox River Valley Alumnae Club of Wisconsin held eight regularly scheduled meetings this past year and added a joint meeting with Wisconsin Gamma active chapter to view Settlement School movies. Contributions were made to the Loan Fund, to Holt House, and those given to the Settlement School through the sale of Arrowcraft articles and magazine subscriptions were more than doubled over those of the previous year. Several new members joined the group. Four meetings included members of Wisconsin Gamma allowing the group to meet the active members. Programs were divided equally between study and parties. Next year it is hoped the group can include more women from this area and that the programs will serve both to entertain and to increase knowledge of the fraternity.

ANDREA S. BLETZINGER

JOLIET

We have held four scheduled meetings during the past year, the first one in October to plan helping the nearest active chapter with rushing, one in November with a program on the fraternity history and the Constitution, a February meeting on the Settlement School, and the Founders' Day celebration in April. There were also two social parties. We have given \$5 to the Settlement School, \$5 to the Loan Fund and \$2 to Holt House.

ETHEL SCOTLAND CHANEY

MADISON

With a party held at the home of Mrs. John R. Yost, May 21, for the seniors of Wisconsin A, the Madison Alumnae Club completed one of its most successful years.

The club, in spite of food shortages, has continued to have dinner meetings, and there was an average attendance of twenty-eight members.

The programs were unusually entertaining. The group was particularly interested in the first hand account given by Miss Stella Kayser of her visit to the Settlement School.

The group is justly proud of Mrs. J. F. Kessenich, the Settlement School chairman, who reported gross sales of \$1200.

During the year, the club made the following contributions: to the Settlement School, \$50; to the Loan Fund, \$25; to Holt House, \$5. For Wisconsin A, flowers were provided for rushing, which is all the financial assistance the local rulings permit at that time.

In addition, the club contributed \$25 to Red Cross and \$30 to the War Chest.

Mrs. H. S. Williams (Pauline Haughton), the only resident charter member of Wisconsin A, was made honorary member of the Madison Alumnae Club.

At the May meeting, Mrs. J. F. Kessenich was chosen as delegate to Convention, with Mrs. A. W. Schorger as alternate.

With many of the same people continuing in office, we are looking forward to another equally successful year.

ELIZABETH M. YOST

MILWAUKEE

The Milwaukee Alumnae Club has completed another successful year during which we tried to emphasize the democratic spirit among fraternities. Two of the meetings were somewhat unusual. In January we entertained husbands and friends at an open meeting held at the Women's Federation Clubhouse. Mr. Muri Deusing of the Milwaukee Museum spoke on "Northwoods Adventure." The officers and members of the board of the A X U Alumnae Club were present at our March meeting and told of their wartime nurseries and also entertained us with a musical program and a reading. It is our plan to invite another alumnae group to be our guests in the coming year and some of our members will attend a meeting of the A X U Club this fall and present a program.

The local Panhellenic group climaxed the year with a luncheon in April with a large group of Pi Phs in attendance. Helen Van Schaack was president of the group this year.

The Founders' Day dinner was held at the Women's Federation Clubhouse and the program was an original skit depicting scenes in the life of the college girl through the years, with an appropriate musical background. The last meeting of the year was a picnic held at the home of Mrs. Carl Pick in West Bend.

We contributed \$5.00 to the Loan Fund; \$5.00 to Holt House; and \$150.00 to Settlement School. At two teas in the fall we sold about \$450.00 worth of Arrow Craft.

JANE AYERS DAVIS

MONMOUTH

On October 6, the Monmouth Alumnae Club entertained the actives of Illinois A and their new pledges at a cooky-shine held after pledging.

November 10, the actives and pledges of Illinois A entertained our group at a card party at the Holt House.

On December 1 we had our annual Christmas party. Gifts were exchanged, and the rest of the evening was spent in playing games.

On Monday, April 29, we celebrated Founders' Day with the active chapter. The actives presented an original program centered around the founding of Pi Beta Phi. The alumnae group served a cooky-shine for the active chapter and sponsors.

Following the April 1 meeting, the Alumnae group held a white elephant sale to raise funds for the club treasury.

On May 6, the regular meeting was preceded by a dinner at which we entertained the senior girls of the active chapter who were each presented with a gift.

Our contributions for the year were as follows:

Settlement School	\$ 5
Loan Fund	5
Holt House	25

MARY HUFF

NORTH SHORE

Founders' Day was observed with a large luncheon sponsored and attended by members of the active Northwestern chapter, Chicago Alumnae Club North, Business Women's Club, and North Shore Alumnae Club. A clever, entertaining address, given by Mercedes Janet Hurst (Indiana B), prominent advertising executive, ended on an inspirational note, voicing the need in modern living of clearer, better defined spiritual values.

The last meeting was held at Sunset Ridge Country Club, including annual reports, convention matters, installation of officers, and a discussion by a well-known florist shop representative on "Floral Beauty in the Home," illustrated with quantities of fresh flowers and plants.

The following contributions were made by the club during the year:

Settlement School	\$40.33
Active Chapter	35.00
Red Cross	25.00
Holt House	5.00

As a result of a series of successful bridge parties held in February, the club has raised the sum of \$650.00 to be used in the basis of a Northwestern University scholarship fund established by the club as a memorial to Lida B. Lardner, loyal club member and formerly grand Vice-President, deceased May, 1945. Much appreciation is due Mrs. E. L. Middleton, in particular, who collected \$250.00 of this amount through her own personal effort, and who was appointed chairman of the committee to administer the fund. It is expected that each year a substantial sum will be added to it by benefits, and through other sources.

The club is grateful for the fine leadership of our retiring president, Mrs. Leonard J. Paidar, and anticipates another pleasurable year under the new president, Mrs. Mildred Kinney Schroeder.

CLARA C. CORBREY

PEORIA

A May Day picnic at the country home of Betty Love Gamble (Mrs. William) completed a successful year for our club. Margaret McNamara (Mrs. E. J.) has capably presided at our seven meetings which were held the first Monday of each month. Special meetings included a rushing party in August, a Christmas party during the holidays and Founders' Day in April. We have contributed \$5.50 to the Loan Fund and \$140 to the Settlement School. Arrowcraft chairman, Naola Salzburger Bruniga (Mrs. Willis) netted \$143.09 with her sale of articles at all meetings. Mary Chain Hazen (Mrs. Frank) has been named rushing chairman. Many plans are being made for the activities of the coming year.

ALICE DICKEY NEVITT

SPRINGFIELD, ILLINOIS

Our alumnae club entertained local actives at a picnic in August. Later the actives assisted with a tea for forty rushers. Card parties were given by members who donated the proceeds to our Convention Delegate Fund.

The year's highlight was our Founders' Day luncheon. Our own Katherine White, formerly an American Red Cross

Hospital Recreation Director in the Pacific area, told of her experiences. Elberta Smith is our Convention delegate.

Our White Elephant Sale in October netted \$28.00. The following contributions were made—Settlement School, \$30.00; Loan Fund, \$5.00; Holt House, \$5.00; Convention Delegate, \$20.00.

ROBERTA BRADLEY

THETA PROVINCE

AMES

During the past year many of the recently-graduated alumnae have returned to the Iowa State campus and enjoyed joining the activities of the Ames alumnae club. In November the alumnae and Mothers' club met together for a Pot Luck dinner at the chapter house. The following month the alumnae club had the pleasure of meeting the new pledges of Iowa I at a luncheon and afterwards were entertained by them. In January, the seniors were guests of the alumnae club. Later in the year the active and alumnae chapters joined together for a cooky-shine.

At the last regular meeting officers were elected for the following year.

During the 1945-46 year the Ames alumnae club has given forty dollars to the Settlement School in the fall and ten dollars additional as a Christmas gift. Forty dollars was given to the active chapter of Iowa I, five dollars to Holt House and one dollar to the Loan Fund. From the Settlement School Sale held at the chapter house one-hundred and seventy-five dollars was sent to the Arrowcraft Fund.

JOAN N. SMITKEY

BURLINGTON, IOWA

The Burlington, Iowa, Alumnae Club enjoyed a successful year under the leadership of Elinor T. Lundgren (Mrs. J. B.).

On August 31 twenty-five girls from Fort Madison and Burlington were entertained at breakfast at the Burlington Golf Club. Active members assisted with the courtesies during the morning.

Edythe Beard Gerdes (Mrs. Emil) was the hostess at the initial meeting of the year. This meeting was held on October 25 and active chapter problems were discussed.

Edna Uhler Gilman (Mrs. W. F.) entertained at a very enjoyable Christmas party December 6. At this time a box was packed for the Settlement School under the supervision of Imo Wells Abraham (Mrs. Wm.).

The history and constitution meeting was held at the home of Laura Hersom Noelke (Mrs. L. P.) on March 4.

A delightful dinner in celebration of Founders' Day was held April 29 in Fort Madison at the home of Eleanor Hitch McGee (Mrs. Leevert) with Celia Lease and Wilma Rupe Everingham (Mrs. John) assisting.

During the year contributions were made to Holt House, the Loan Fund, and the Settlement School.

MARGARET STEIN

CEDAR RAPIDS

Our club has had an interesting and profitable year with 20 active members. We have given \$50 to the Settlement School, \$5 to Holt House.

RENA HUBBELL

DES MOINES, IOWA

Seven regular meetings were held—4 required meetings—History of the formation of Pi Beta Phi given by Mrs. Cad-dock—Ann Munn of Ames brought Settlement School articles for exhibit, and conducted discussion about SS.—Candle lighting service on Founders' Day—Christmas meeting with the active chapters invited.

A rushing party was held in late August 1945 for girls entering college from Des Moines, and the Club is planning another such rushing party this summer.

The two ways in which this Club raised money this year for Settlement School, Loan Fund, Convention Delegate expense, etc. were: (1) Benefit Bridge (2) Collecting "Birthday money"—that is, each member donated a penny for each year old she is. We found that some members are 100 years old!

Donations were sent to Settlement School, Loan Fund, and Holt House as well as Red Cross.

We feel that we had a fine year in the Des Moines Alumnae Club with enthusiastic support given to our president, Wilma Stewart.

MIRIAM R. BINGHAM

IOWA CITY

We have had two meetings with the active chapter, a Scholarship dinner in October and a Building and Corporation supper in January. We entertained the pledges in November and it was like the good old days to hear them sing the Pi Phi songs and relate their experiences. In February we entertained Mrs. Johnston, our Province Vice-President. In May we gave a large tea at the chapter house in honor of the faculty. Our last meeting of the year was a Senior Farewell held at the home of Grace Cochran. We have given \$50 to the Settlement School, \$5 to Holt House and \$5 to the Loan Fund.

MILDRED SCOTT

MT. PLEASANT, IOWA

The Mt. Pleasant Alumnae Club has had a very successful and active year under the capable leadership of Mrs. Marvin Patterson (Margaret Rogers). A number of the members are employed so the ten meetings were held in the evening with a good attendance.

On Founders' Day the active chapter and alumnae enjoyed a dinner at the home of Mrs. W. K. Rogers (Helen Firebaugh). Sixty-eight guests were seated at small beautifully decorated tables and a three course dinner was served by the members of the local T.T.T. chapter.

In May eighteen members of our alumnae club drove to Monmouth and enjoyed lunch at the Holt House. Following the regular business meeting Mrs. Carey, Holt House hostess, took us on a tour of the fine old house with its interesting furnishings. Every Pi Beta Phi should be enthusiastic for the continued success of this beautiful shrine to the Founders.

This year contributions have been made to the Settlement School, Holt House, Loan fund and the alumnae club has started a fund with which they plan to buy some article of furnishing for the Holt House. Magazine subscriptions were sold to the amount of \$112.85.

In April the alumnae club was entertained at a tea, which the active chapter gave in honor of Jennie Evans Updergraff (Mrs. Edgar R.), Theta Province President.

It was with deep regret that the alumnae club accepted the resignation of Mrs. C. S. Rogers (Lillian Kendig) as its treasurer after she had served in that office thirty years. Enough cannot be said of the helpful and devoted service she has given to Pi Beta Phi.

On June 2 Pi Beta Phi alumnae and actives served as hostess for the annual Panhellenic commencement tea at the home of Mrs. J. R. Weir (Marguerite Hall). One hundred and fifty guests were served during the afternoon.

The Pi Beta Phi annual commencement breakfast was held on Monday morning June 3 with sixty-eight actives and alumnae present.

BEULAH B. HAYES (Mrs. C. F.)

SAINT PAUL, MINN.

With a paid membership of 33, at the regular monthly supper meetings of the club this year there has been an average attendance of 25. Members are assessed 25 cents a meeting.

A total of \$22.95 was made at the Arrowcraft Sale held at the Christmas party with the actives; \$48 from the white elephant auction at the February meeting with Mrs. Paetzold; \$75 at a Towle Silver display and tea in the spring at the home of Mrs. E. C. Matthias. One hundred members and friends attended.

The Founders' Day banquet at the Commodore Hotel was a big success with Mrs. J. L. Beard chairman of the committee on arrangements and Mrs. Merle Potter toastmistress. The actives and Minneapolis alumnae celebrated with this club. The group was happy to welcome Mrs. Morrill, wife of the new president of the University as guest of honor. Contributions this year are \$2.50 to Holt House; \$50 to Settlement School; \$10 to Loan Fund; \$35 from sale of magazines; pledge dinner for the active chapter.

JANETTE PHELPS WALLING

WINNIPEG

The Winnipeg Alumnae club rounded up its year's activities at a final meeting held on May 14. During the year approximately twenty-five to thirty members attended each meeting which included various activities. New members of the alumnae club were entertained at bridge as were the ex-pledges on another occasion; a treasure hunt was held in honor of the pledges; the active chapter were our guests when we had the privilege of hearing Miss Katherine Middleton, a member of our club who was a reporter attending the Food

and Agriculture Organization's Conference in Quebec; and at the formal Initiation Banquet held at the Fort Garry Hotel, nine new initiates were honored. Another meeting included an Information Please, Quiz on the constitution and history.

Money raising projects undertaken were a Thrift Craft Sale and Tea; a raffle of Settlement School articles held at the Founders' Day luncheon in April; and a While Elephant sale. The club's contributions this year consisted of \$150.00 to the Christmas Cheer Fund; \$11.80 to Settlement School; \$5.00 to Holt House; and \$5.00 to the Loan Fund.

YVONNE SHARPE

IOTA PROVINCE

BOULDER

During the past year the Boulder Alumnae Club met in the private homes of its members for desert meetings. A fee of 35 cents was charged which was divided into contributions for the Settlement School, the Loan Fund, War Activities, and Holt House.

The alumnae club assisted the active chapter with a successful benefit bridge to raise money for the Settlement School. The total amount for the year sent to the Settlement School was \$50.00.

Founders' Day was celebrated jointly with the Denver Alumnae Club in Denver at the Cosmopolitan Hotel and the Colorado A active chapter was awarded the Panhellenic scholarship Cup for permanent possession having won first place for six successive years.

The alumnae club had charge of the initiation banquet and closed the year with the election of officers and convention delegate. The club is looking forward to the report of events at convention.

JANE S. HUTCHINSON

CHEYENNE

The Cheyenne Alumnae Club of Pi Beta Phi held nine meetings this year starting with a party given by the Mothers' Club at the Hospitality House. We enjoyed the annual "White Elephant" Christmas Party and the "Cooky-Shine" in May. At the January meeting we were entertained by Mrs. Marian Stout's High School Dramatic Class. In February we saw the pictures of Settlement School.

There were fifty-two paid members in the club. In May a Rummage Sale was held which netted the club \$132.00. Settlement School goods has been kept on stock by Mrs. Buntzen. There has been a sale of this goods of \$358.47. This account is kept separate from the club funds.

Contributions were made as follows: Settlement School, \$25.00 plus an added \$25.00 to aid in buying a typewriter for the school; Loan Fund, \$5.00; active chapter (Wyoming A) \$15.00; Holt House, \$5.00.

The club assisted the active chapter at the University of Wyoming during rushing. A Rush Party was given in September at the lovely home of Mrs. Edward Bon.

A delegate to Convention, Mrs. Katherine Halverson, has been elected. She will be given \$150.00 to help defray her expenses.

The club extends to the Nimmo Girls our sincerest sympathies for the loss of their father, Mr. David Nimmo; and to Helen McCarthy Baum our sympathies for the loss of her father, Mr. Ed McCarthy. Both men were prominent citizens of Wyoming.

ROWENE D. EMERY

COLORADO SPRINGS

Our club is small but we have had a successful year. We have given \$5 to the Settlement School and \$3 to Holt House, and we look forward to an increase in membership for next year when some of the army wives who had followed their husbands in service will have returned home. At our last meeting, a luncheon at the home of Mrs. Percy Dobbins, officers were elected for the ensuing year.

MRS. L. M. POE

DENVER

The Denver Alumnae Club has had nine meetings this year, the first of which was a tea honoring the Seniors from Colorado A and Colorado B. The annual Settlement School tea was a success in many ways. The goods for sale were very popular. The Founders' Day luncheon was well attended and very enjoyable.

The club has had a good year financially, but it was necessary to have a Benefit Theater Party at the University Civic Theater. Our contributions were as follows:

1. Settlement School—\$400.00.

2. Loan Fund—\$10.00.

3. Colorado B—\$50.00.

4. Holt House—\$10.00.

5. Y.W.C.A., U.S.O.—\$10.00.

6. Needlework Guild—\$29.38.

7. U.S.O. Come and Get It Hour—\$11.00.

We wish to thank Central Office for mailing the notices of the club's stationery items for sale. These articles are proving more popular nationally, and we are proud to handle them.

We feel the meetings have offered interesting programs as well as the business, and all members are looking forward to next year's program also.

MRS. RALPH JOHNSON

HUTCHINSON

The Hutchinson Alumnae Club ends the past year with a record of which we are very proud! We are a 100% club, having had eight regular meetings in addition to one called-meeting, and two luncheons. We have contributed \$15.00 to the Settlement School, \$40.00 to the Physiotherapy fund, \$5.00 to Holt House, \$1.00 to the Loan Fund, and our Arrowcraft sales totalled \$65.01.

We have kept in constant touch with both Kansas Alpha and Kansas Beta Chapters, and assisted our actives in giving a large rush dinner for prospective rushees.

We are happy to announce that Jane Phillips, Kansas B, daughter of Mrs. Dan Phillips (Sarah Jane Jones) won a scholarship in Arts and Crafts to the summer session of Settlement School.

Our Founders' Day luncheon was lovely and inspiring as was the Musical Tea given by the Kansas A chapter at Lawrence, Kansas, to which our club was invited.

The lovely Navy wives whose husbands have been stationed at H.N.A.S. added much to our meetings with their new ideas from all parts of the United States. Stetson College, Rollins College and the University of Southern California have all been represented. We were happy to welcome the charming WAVE from the University of Idaho to our meetings.

The Convention is especially interesting to our group this year as we will be represented by Mrs. Kenneth Shaffer (Virginia Wyman, Kansas B).

MARY NOYES GROVIER

LINCOLN

The Lincoln Alumnae Club held eight meetings this year under the capable presidency of Shirley Scott.

The first four meetings were dessert suppers and the remaining four were dessert luncheons.

In November the annual pledge dinner was held at the home of Mrs. E. C. Ames.

We held our banquet March 5, 1946 at the Cornhusker Hotel at which time we burned the mortgage on the fraternity house which was a happy affair. Mildred McFarland Bailey was Toastmistress and the toasts were descriptions of the different houses that Nebraska B has occupied since the chapter was organized. Some of the actives gave a very delightful musical program and our banquet closed with the traditional Loving Cup ceremony given by Jean Morris.

The final meeting of the year was a tea at the home of Mrs. Richard Westover for the seniors, who received gifts from the Alumnae Club.

Contributions from our club include: Settlement School \$50, Holt House \$10, War Fund \$25, United War Fund \$5, Loan Fund \$5.

GRACE PORTER WESTOVER

MANHATTAN

The Manhattan Alumnae Club closed the year with a picnic supper in the gardens at Mrs. Milton Eisenhower's campus home. Four regular business meetings were held during the year. In January the active chapter entertained the alumnae with a buffet supper after which a meeting of the House

Corporation was held. In addition we have met at the luncheon for initiates, followed by a cooky-shine and Founders' Day banquet. High light of the year was the visit of Mrs. T. N. Alford.

Total membership for the year was 28 with dues of \$3.00 each.

A rummage sale brought in \$233.67 and the gross sale of Arrowcraft goods was \$518.00, while the sale of cook books netted about \$11.00.

Contributions were as follows: Settlement School, \$100.00; Holt House, \$25.00; Loan Fund, \$5.00; Committee for War Work for Physiotherapy, \$50.00; City Panhellenic, \$7.25; Christmas present to the active chapter, \$50.00; summer rushing, \$5.00, and cooky-shine, \$15.00.

NETTIE SHUSS

OMAHA

The Omaha Alumnae Club had a successful year of monthly dinner meetings at homes of members. The paid membership was sixty-seven (67). We held the annual Christmas tea at Mrs. John Nixon's home, where the actives and younger relatives of members were honored. Other outstanding programs were the Settlement school panel discussion, a silent auction in March to raise money for convention delegates' expenses, the cooky-shine in April, at which members appeared in clothes they had worn when in school. Many Omaha alumnae attended the Founders' Day banquet at Lincoln April 13, assisting at the burning of the chapter house mortgage. Mildred McFarland Bailey of our group was toastmistress at the banquet. We closed the year with a picnic at Mrs. John Nixon's picnic grounds at Valley, where Lincoln alumnae and Fremont actives and alumnae were guests.

Contributions for the year were as follows:

Settlement School	\$50.00
Loan Fund	10.00
Holt House	5.00
Chapter House at Lincoln	25.00
United War Fund & Community Chest	15.00
Omaha Airport Canteen	50.00

Settlement school sales were \$106.99, magazine sales commissions were \$126.00, and fund for convention delegates \$78.56.

LOUISE ORTMAN GROSS

PUEBLO

Starting our club year in September Pueblo Alumnae Club voted to resume monthly meetings, discontinuing our war program of four yearly meetings.

Since the majority of our group were still active in Red Cross Work, activities of our club have been limited to routine business and social meetings.

Founders' Day was our outstanding party of the year as we not only observed that occasion but celebrated the thirtieth anniversary of the Pueblo Alumnae Club.

Contributions made this year were \$3.00 to the Loan fund; \$10.00 to Settlement School and \$2.00 to Holt House.

MARY NORDSTROM

WICHITA

The 1945-46 club year was one of change for the Wichita Alumnae Club. With the end of the war, many Pi Phis who had come to Wichita because of war assignments left, but their numbers were offset by the return of others whose homes were here. It was, nevertheless, a successful year and the club held its usual meetings and met all demands made of it.

Settlement School was remembered by the usual annual Christmas box of gifts for children and teachers. Magazine commissions of the club resulted in a credit to the Settlement School Fund of \$158.55, which was supplemented by a \$5 cash contribution and sales of Arrowcraft products. One member sold \$36 worth of Arrowcraft products and an Arrowcraft Tea was given in June, although too late for the results to be included in this report. In addition to the Work for Settlement School, the club gave \$5 to Loan Fund and \$5 to Holt House. Local charities were also remembered with a \$5 contribution to the Community Chest and a like amount to Red Cross.

Seven meetings were held during the year, the first six being regular monthly meetings and the last a service of commemoration to the founders and installation of officers for the coming year. The average attendance at meetings was 35.

LOUISE NAUMAN CRUMPACKER

KAPPA PROVINCE

ARDMORE

We have eighteen active members. Eight meetings were held during the year, May 1945 to May 1946. Some of our meetings were luncheons, some night meetings and two were afternoon teas. Programs were given on the Settlement School, the activities of the nearest chapter, and the Founders' Day program was in memory of our Founders.

We are a 100% club because we donated \$10.00 to the settlement club, \$10.00 to Loan Fund and \$5.00 to Holt House. We also contributed \$5.00 to the local Red Cross.

Two girls from Ardmore pledged Pi Phi at Oklahoma University this year. They are Eva Booth Colvert and Margaret Alice Brown.

Our club hopes to sponsor some worth-while local project next year.

MARY PEBBLES LANE

AUSTIN

The Austin Alumnae Club closed the year with a highly successful meeting at the home of the club president, Marietta McGregor Payne (Mrs. John). New interest in the alumnae club has stemmed from the return to Austin of members of the club who were inactive during the war years. Consequently, the attendance at the final meeting of the year increased decidedly over past answers to roll call. A summary of club work indicated that \$100 was sent to the Settlement School, as a result of the benefit bridge party held at the Texas Alpha chapter house earlier in the year. The club made a donation of \$25 to the Loan Fund and \$5 to Holt House.

At the election of officers for the coming year, Elizabeth Williams Revell (Mrs. Jack) was named president, and as such will also be the chairman of the recommendations committee.

BETTY HILL BLALOCK

DALLAS

Our club has contributed \$200 to the Settlement School, \$5 to the Loan Fund, \$35 to Texas B for rush activities, \$38 to Texas B for their chapter rooms, \$20 to Texas A,

\$5 to Holt House, and \$7 each three weeks to the USO. We made \$75 on a Towle tea, \$140 on advertising solicited for the year book, and \$79.08 on a sale of Settlement School articles. There were 125 Pi Phis present at the Founders' Day cooky-shine, at which time the club gave gifts to our outgoing president, Helen Hamm, and to each of the eleven graduates of Texas B at SMU. Twenty-nine Pi Phis who are either newcomers to Dallas or have returned here since the war, have registered with us during the 1945-46 year. Mrs. George Boone, our newly-elected president, is our delegate to Convention.

ALICE HURLEY MACKAY

HOUSTON

The Houston club has been very active this year under the able leadership of our president, Mrs. C. E. Reistle, Jr. (Mattie Muldrow). We have had monthly meetings, some luncheons, some teas and a cooky-shine and the Founders' Day celebration. We increased our budget by earning money in groups. Our benefit bridge parties proved highly successful. We gave \$200 to the Settlement School, \$50 to the physiotherapy fund, \$10 to Holt House and \$5 to our USO.

DRUSILLA STEWART ALCORN

NEW ORLEANS

There has been renewed interest in club activities this year and we feel gratified at our success. We joined with the Patronesses in giving a large tea at the chapter house which had been recently redecorated. We managed a display of Towle silver, helped the actives with rushing, and held regular monthly meetings. Luncheons were given in honor of our two official visitors, Miss Margaret Jacoway, Kappa province president, and Mrs. Warren Smith, national vice-president. One hundred and five members attended the Founders' Day banquet at which the smart and witty Mrs. C. C. Henson presided. We have contributed \$36 to the Settlement School, \$10 to Holt House, \$10 to the Loan Fund and \$103 to the active chapter.

KATIE LA COUR MILLER
(By Bettina Caffery McKay)

SHREVEPORT

Linda Williamson Barnett, Louisiana B, has passed the president's gavel to Eleanor Watrous Hughes, Arkansas A, symbolizing the close of another successful year for the Shreveport Alumnae Club. The chapter heard the final report given by the Treasurer for the fiscal year 1945-46, which included the following disbursements:

a. Contribution to War Fund	\$ 5.00
b. National dues for entire chapter	34.00
c. Pi Beta Phi Settlement School Fund	5.00
d. To the Chairman of the Loan Fund	5.00
e. To Treasurer of Holt House Committee ..	5.00

A successful sale of Settlement School products in March netted \$180.14, and previously \$32.29 had been realized at a White Elephant sale.

It was decided to send a delegate to Convention; Jacqueline Labry Nesbitt, Louisiana A, was chosen representative for the chapter.

The members contributed over 10,000 hours of volunteer work during the war, and now anticipate more time to give in work to Pi Beta Phi at large. Among the projects for the coming year will be an attempt to organize a City Alumnae Panhellenic Council, which should be of great value to all women's fraternities represented in this city.

JACQUELINE LABRY NESBITT

TULSA

The Tulsa Alumnae Club of 104 Members has completed a year of successful and satisfactory activities.

The monthly meetings were preceded by buffet suppers in the homes of members. The exception to this was the Christmas tea at which time we entertained Pi Phi Mothers and

Daughters. Founders' Day was observed by a dinner followed by the candle lighting ceremony and installation of officers. Contributions were made to all Pi Phi activities as well as the Famine Relief Drive.

Every Tulsa girl who was initiated into Pi Beta Phi this year was presented with a leather covered date book with "Pi Beta Phi" engraved in gold on the cover.

HELEN GIFFERT

TYLER, TEXAS

With many of our members away from Tyler, our alumnae club met quarterly this past year, and our activities have been carried on more by individuals rather than by the entire unit. We have been well represented in all Red Cross groups, including Gray Ladies, Nurses Aides, Surgical Dressing teams, and have also had volunteers among those in the U.S.O. and on all local war committees. Pi Beta Phi Founders' day, 1945 was celebrated with a beautiful tea at the home of our past president, Mrs. Harry A. Baker, and we entertained with a successful rush party in the summer. Our magazine chairman, Mrs. Walter F. Campbell, deserves credit for sales amounting to \$75. We have sent \$5.00 to the Settlement School, \$5.00 to the Loan Fund, and \$5.00 to Holt House.

As our club year begins with Founders' Day, we had a luncheon meeting on April 29, 1946 and elected officers. We have planned an active program for the coming year and are sponsoring the organization of a local Panhellenic group.

The club is glad to welcome back many of our former members who have returned to Tyler and we are looking forward to an enjoyable and profitable year.

FRANCES C. MORRIS

LAMBDA PROVINCE

BOISE

To conclude a very pleasant year, the old and new officers are planning a June picnic for all members and actives in the vicinity. We celebrated Founders' Day with a dinner party at Hill House, and a very lovely candlelight service at the home of Doris Duffin, Helen Moore, retiring president, read a brief summary of the lives and ideals of our Founders. We sang all the old familiar songs, and decided to sing at meetings all the time. At the May meeting, held at the home of Margaret Teed, rushing was discussed. The actives from surrounding towns have offered to help take rushes to lunch during the summer. Sixteen members were present. This year's contributions were: Settlement School, \$50; Loan Fund, \$5; Holt House, \$5.

BILLIE LOUISE MURPHY

BUTTE-ANACONDA

Early in September, 1945 the club gave a tea at the home of Edith Z. Roberts, in honor of girls going away to school.

Members motored over to Anaconda in October. Meeting was held with Mary Ann Montgomery in the home of her parents. Plans for the year were completed. Magazine subscriptions were taken. Ten members were present.

To compliment Mrs. Clare R. Dobler, province vice-president, who made her official visit, members entertained with a dinner November 17, 1945 in the Roundup room at the Hotel Finlen, after which a business meeting was held at the Roberts home. Fourteen were present.

Our December meeting was omitted as it came too near Christmas.

Our January meeting was held at the home of the vice-president, Florence Boyle, in Anaconda. Plans were discussed for the Arrowcraft Sale to be held in early fall. Ten members present.

We met in February with Mrs. Daisy Thompson and her daughter Mrs. Martha Oas. After business meeting social hour followed. Nine members present.

Butte members motored to Anaconda for March meeting, at the home of Mrs. Sally Casto.

Several members were present from active chapter at Bozeman. Medalon Winter told of college activities. Nineteen members were present.

The Butte and Anaconda members in celebration of Founders' Day, sponsored a no-host dinner in April at Lloyd's cafe and lounge. Margaret Fabian and Wilda Axelson were in charge of arrangements. Cards were played after dinner. Thirteen were present.

Our last meeting of the year was held with Virginia Bird, May 27. The president appointed a program and membership committee. We cordially welcomed a new Pi Phi. Mrs. H. L. Obertries. Also a guest Marjorie Sherwin of New York,

visiting her parents here. Ten members were present. Mr. Grant Bennion gave a showing of his films on Visional Education for the school, which was most instructive.

Our contributions for the year in gifts as follows: \$3 Settlement School besides the magazine subscriptions, \$1 Holt House, \$1 for Loan Fund, \$4 Active Chapter, and \$5 to local Red Cross.

We hope with our increase in membership to be able to give more this next year to our projects.

EDITH Z. ROBERTS

CALGARY

We concluded the year's activities with a Founders' Day banquet at Mary Morley's home. There the president summarized the year's activities, telling of programs which included outside speakers as well as club members. The visit of Mrs. Dobler and our Christmas Tea for the actives and alumnae were high points of the year. We are honored to have been chosen as one of the three groups worthy to receive assistance for a delegate to Convention. We have contributed to the Settlement School, Holt House, the Loan Fund, the Colonel Belcher Hospital and the active chapter at Edmonton.

AILEEN AYLSWORTH

CORVALLIS

The following is a summary of the activities of the Corvallis Alumnae Club for the year:

Despite the spectre of food shortages, the Corvallis Club continues to hold its dinner meetings, meetings rarely missed by any of its members. In addition to meetings on the Settlement School, the Constitution, the Founders and the Active Chapter, the group entertained the initiates, helped with a successful rushing season and had Mrs. Dobler, province vice-president as honor guest at a Christmas party.

Magazine sales are showing a considerable increase this year. The following additional contributions were made: Settlement School, \$5; Loan Fund, \$5; Holt House, \$3; Active Chapter, \$20.

ALICE WALLACE

EVERETT

Everett Alumnae Club concluded a busy year with a spring meeting in Monroe with Julia Allison. Plans were made for an August picnic at the Lake Stevens' home of Marjorie Williams. Contributions for the year are: Settlement School, \$25; Loan Fund, \$3; Holt House, \$10; Active Chapter, magazine subscription. We were happy to be able to sell our quota of Settlement School products again this year. One

of our members, Louise Dobler, Province vice-president, is attending Convention and we shall anticipate the first fall meeting to hear her account of proceedings.

MILDRED WOLFE

EUGENE

The Eugene Alumnae Club has had a busy year meeting for the usual buffet suppers and engaged in various activities.

Louise Dobler visited the club in December and brought first hand information of fraternity projects, activities and achievements. In April the group entertained Adele Taylor Alford with a dinner at the Eugene Hotel at which she gave an inspiring informal talk about Convention. A joint celebration was held with the Oregon A chapter on Founders' Day with a banquet at the house. At this time Bernice Callison was presented with a diamond-set recognition pin by the girls in appreciation for her many helpful years as alumnae adviser.

In addition to the regular monthly meeting the members have given a cooky-shine for the Oregon A pledges and participated in the chapter birthday party at which the mortgage on the chapter house was burned.

The following contributions were made during the year: Settlement School, \$5; Loan Fund, \$5; Active Chapter, \$11; Holt House, \$1.

The last meeting of the year was given in honor of the graduating seniors at which a record number of thirty members were in attendance.

Next year promises to be another active year with new projects embarked upon and several new members added to our group.

JEAN CURREY

PORTLAND (OREGON)

Founders' Day was celebrated with a breakfast at the Alexander Court Hotel in which the alumnae and active chapters joined. Oregon's three active chapters sent representatives who described their campus activities. Our guest speaker was Eugenia Brooks Smith (Mrs. O. H.) who told of her recent trip to the Settlement School. Our chief money-making project was our spring dance. The year closed with a picnic at the summer home of Florence Knapp Sammons with the largest attendance of the year. Next fall we are to return to our regular schedule of monthly meetings, half of them in the evening and half in afternoons.

HAZELINE F. TAYLOR

PULLMAN

Several business meetings were held during the year 1945-46, in addition to social functions. Our province vice-president, Mrs. Clare Dobler, visited our alumnae club on November 13. A pot luck supper was held on January 8 at the home of Mrs. W. P. Weisel; a party for the pledges was given on October 21 at Mrs. Wyman Cox's home. On March 12, Mrs. Seymour, housemother at the chapter house, entertained the Alumnae Club. Election of officers was held at that time. The Alumnae Club entertained the Active Chapter with a cooky-shine on Founders' Day, April 28. The girls were quite impressed with the ceremony, and it was beautiful. Mrs. Alford was honored with a tea on April 20 at the chapter house. The Washington B seniors were entertained on May 14 at Mrs. W. D. McLoughlin's home at a "Smorgasboard."

Contributions made this year included \$15 to Settlement School; Holt House, \$5; Loan Fund, \$10; Arrowcraft (gross) sales amounted to \$92.

Our club is growing little by little as Pi Phi wives of veterans coming to W.S.C. to school join our group. This is encouraging, and we hope to have around 25 members next year.

LOIS R. JENSEN

SALEM (NANCY BLACK WALLACE)

Our Alumnae Club has experienced delightful contacts with our National organization this year. These included visits from the Arrow editor, Mrs. T. N. Alford, and Lambda province vice-president, Mrs. Clare Dobler; Settlement School movies and sending a member to Convention.

In December, we enjoyed a visit from Mrs. Dobler. Oregon I gave a tea honoring Mrs. Dobler and Mrs. G. Herbert Smith, recently appointed to the National Settlement School committee. Later actives and alumnae were shown color movies of the Settlement School and Mrs. Smith told us many items of interest concerning the school.

We were entertained in April, when Mrs. Alford visited Salem, at the beautiful country home of the Wallace's, the original home of Nancy Black Wallace. Oregon I feted Mrs. Alford at a tea at the chapter house.

Mrs. James Brand was selected to represent our club at Convention at Swamscott and, with two delegated from Oregon I, we anticipate much Convention news.

It has been a busy and interesting year under our capable president, Mrs. Eldon Roberts. We have contributed \$25 to Settlement School, \$25 to Loan Fund, \$5 to Holt House, and \$500 to Oregon I in Salem.

LUELLA HAUSLER BUREN

SEATTLE

A busy and pleasant year has been concluded by the Seattle Alumnae Club under the able leadership of Emily Babcock Draper. The 1945-46 schedule included a September bridge tea, an October potluck dinner, an active-alumnae breakfast for the Washington A pledges, a December Settlement School sale and tea with motion pictures of the School, a meeting with Ruth Barrett Smith, Grand Vice-President, in January and a Washington A chapter birthday party on January 24. Louise Dobler, Lambda province vice-president was the speaker at the February meeting, the election of officers took place at the March business meeting, Founders' Day banquet was the April affair and a picnic for the graduating seniors wound up the year's activities in May.

Contributions of the club for the year were Settlement School, \$200; Holt House, \$5; Loan Fund, \$10; World Student Fund, \$5; gift of Encyclopaedia Britannica to Washington A, \$150.

RUTH WELCH

SPOKANE

Under the direction of Mrs. Lloyd Salt (Marion Folger, Washington B), the Spokane Club has a most prosperous and active year. Our meetings held each month were most interesting, ranging from a talk on beauty hints by Merne Wingard, the local representative of Helena Rubenstein, to the Founders' Day celebration which was climaxed by a most inspirational and stimulating talk by Mrs. Wilson Compton, the wife of Dr. Wilson Compton, president of Washington State College. Mrs. Compton in her own right is one of our noted Pi Phis and was president of the Washington, D.C. Alumnae Club when the Comptons resided there. We kept her busy with a vital discussion of present fraternity problems and went away feeling a renewed closeness to all of the ideals of Pi Phi.

Another interesting meeting was the visit of our province vice-president, Mrs. Clare R. Dobler, who gave a vivid description of Holt House, together with information regarding Settlement School and the Loan Fund.

Our annual Christmas party given for the active girls home for vacation was one of the best such parties we have had. Mrs. George Anderson's home was the place of the event. A revival of our annual dance was another highlight of this year's activities. Many friends of Pi Phi attended and all had a most enjoyable time besides it being a financial success for us. This spring we held an invitational bridge, tea, and style show. About 100 people were accommodated. The style show was the courtesy of the Palace Department store in Spokane and our own Pi Phis were the models. It was another successful event to add to our year.

The final May meeting brought the year's activities to an end with high spirits as Jane Lavagetto gave three original humorous skits.

Our contribution to Settlement School was \$25, \$5 to Loan Fund, \$5 to Holt House, and \$10 to Red Cross Drive.

We are all eagerly awaiting the new year under the direction of Mrs. George Anderson, the newly elected president, after such an interesting and active year.

CAROL GLEASON

WENATCHEE

Wenatchee Alumnae Club during the past year contributed \$5 each to Washington A and Washington B active chapters, \$2 to Holt House, \$3 Loan Fund, and \$48.30 to Settlement School. Founders' Day was celebrated with a dinner at the lovely Orchard home of Mrs. Ray Cain amid the blossoming fruit trees. We are enjoying having a daughter and sister as active girls of Washington A and Washington B which keeps us in closer contact with our Washington actives.

Climaxing our year was the delightful dinner given by the Lake Chelan members of our group at the home of Mrs. George Schultz, Chelan Falls.

FRANCES PICKENS

FANNIE WHITENACK LIBBEY—YAKIMA, WASHINGTON

Fannie Whitenack Libbey Alumnae Club spent both a pleasurable and profitable year. Our province president, Mrs.

Clare Dobler provided us with much inspiration during her visit with us last fall. We managed to make our membership reach 100 percent and had good attendance at all meetings. The actives were entertained at a luncheon during the Christmas holidays; and this spring we went double decks of monogrammed bridge cards to both Washington A and B.

In order to send an additional amount to Settlement School, the club held a paper drive and white elephant sale, both successful. On Founders' Day, 25 members attended a brunch held at the Y.W.C.A. We used the very impressive ceremony sent us by the National Office. Fannie Whitenack Libbey is justly proud that we are able to send a delegate to National Convention. We feel much can be gained by this personal contact, and that next year we can make a fresh start with many new ideas.

Contributions were made in the following amounts:

Settlement School	\$ 15.00
Holt House	5.00
Loan Fund	10.00
Sale of Arrowcraft	355.00
Magazine Commissions (estimate)	59.20

NATIONAL AND LOCAL CONTRIBUTIONS

War Chest	\$ 5.00
Infantile Paralysis	10.00
Children's Orthopedic	10.00
French Milk Relief Fund	5.00
Cancer	5.00
Red Cross	5.00

CORNELIA COCKBURN BEATY

MU PROVINCE

FRESNO

Our club has 19 members and we have had four meetings during the past year. We have contributed \$10 to the Settlement School and \$10 to Holt House. Our magazine chairman earned about \$30 in commissions. Our local project has been an annual scholarship to the Fresno State College amounting to \$50. This amount was earned by the sale of engagement calendars.

MRS. J. A. MANNING

GLENDALE

Glendale Alumnae Club believes with Edwin Markham that "In vain we build the work unless the builder also grows." We feel that we have grown during this past year by helping others. We have contributed to the Settlement School, Holt House, the Loan Fund, Red Cross, Children's Hospital Auxiliary, Camp Fire Girls, Girl Scouts, American Cancer Society, Y.W.C.A. Building Fund, Glendale Hospital Auxiliary, and we have knit 45 afghans for hospitalized veterans. Our well-attended meetings have had varied and interesting programs: a program on Mexico, a lecture on national affairs, a Christmas tea, book reviews, a preview of Convention plans, and a Founders' Day celebration with the Valley Club.

MARY KONAGIN

HONOLULU

This has been a year for the Honolulu Alumnae Club to wind up many war activities and begin to meet with our Pi Phi friends again.

We did manage to have four meetings. One of which was the Founders' Day luncheon at the Pacific Club. We elected new officers for the coming year. Mrs. Elizabeth Clarke Helmick gave us a most interesting talk on the Settlement School. The last meeting of the year was a lovely tea at the home of Mrs. Steiner, overlooking the blue Pacific. This was our first social meeting since the start of the war.

Our big project of the war years, The Womens Lounge, was closed December 31 due to the release of so many service women.

We gave \$50 to the Settlement School, \$10 to Holt House and \$10 to the Loan Fund. We had a tea at the A.A.U.W. club house, at which time we sold our Arrowcraft goods. Our sales amounted to \$937.07. We could have sold twice that if things had been available. In fact all was gone in thirty minutes. Our islands friend had been waiting four years for this sale.

DOROTHY WIGGINS BOTHMAN

LOS ANGELES

Los Angeles and Santa Monica celebrated Founders' Day together with a luncheon in the California room of the Roosevelt Hotel. Betty Wheat Hodges, California I, was toastmistress and Monette Steele Herbert, California I, chairman. Table decorations by Santa Monica were most effective.

At the May meeting at the home of Ethel Hogan Copp, California I, Martena Tenney gave a number of clever monologues, Helen Trimble Sorensen, California A, was elected Convention delegate. Juniors met at the home of Ruth Porter Grady, Illinois E, and the Professional Group played bridge at the California I chapter house.

June meeting will be a picnic at Haldeman, Pitger, Webb's Rolling Fields Farm.

Club contributions were: Settlement School, \$200; California I and A, \$25 each; Convention Fund, \$75; Loan Fund, \$15; Red Cross, \$15; Holt House, \$20.

Monette Steele Herbert made almost \$400 for Pi Phi activities as Calendar chairman and the calendars are so well liked by all who use them, they will be ordered again next year.

The club has gained in membership and has under consideration plans for a local philanthropy. We hope that more Pi Phis who have not been active will join us next year.

RUTH BAYLEY SARGENT

MARIN COUNTY

Election to the presidency of the Marin Alumnae was unfortunately followed by her resignation when Edith Smith Lewis, Oregon B, announced her husband's transfer to Portland, Oregon. It was a happy co-incidence that Edith's sister-in-law, Pauline Leuphold Smith, also Oregon B, was elected to fill the office. Pauline is one of our new members.

With only fourteen members Marin Club is proud of its year's record. Luncheon meetings have been held monthly with one evening meeting.

The Marin Alumnae joined with San Francisco and the Bay Area Clubs observing Founders' Day at the St. Francis Hotel with 156 members in attendance. Mrs. Paul Manning, province president, was the speaker. The Marin delegation numbered eight.

Meetings during the past year have been held in San Anselmo, San Rafael, Novato, Ross, Mill Valley, and Palo Alto.

In June, Mary Frances Clark, a former member of the Marin Club, invited the alumnae to Berkeley.

The club gave \$65 to Sunny Hills, Marin orphanage; \$25 to Settlement School; \$5 to Holt House; and \$5 to Scholarship Loan Fund.

Margaret Clapp Webster climaxed her two successful years as president with a trip to Denver, Colorado.

HAZEL WISHARD BROWN

NEW MEXICO

Our club has 18 members in Albuquerque and three from other points in the state. Activities this past year have been mainly with the local sorority, Pi Beta Alpha, which was organized last November at the University of New Mexico. Founders' Day was celebrated with a breakfast at the Alvarado Hotel with members of the local sorority as our guests. Guests of honor were Mrs. Manning, Province President, Eleanor McWhirter, the president of Arizona A, and Jean Blanche, the president of Colorado B. We have given \$5 to the Settlement School, the same amount to the Loan Fund and to Holt House. Our delegate to Convention is Mrs. C. E. Top.

LOIS SEAGO

PALO ALTO

A very successful year was brought to a close for this club with the last meeting of the year on May 23 at the home of Mrs. F. W. Russell.

Eight unusually interesting meetings were held during the year. Although the average attendance has not been very large, the interest and enthusiasm of those present have made the club a very worthwhile activity. We continue to hear favorable reports from new members of what the organization means to them as they orient themselves in new surroundings.

Inasmuch as there is no longer an active chapter at Stanford University, a contribution of \$15 was sent to the Nevada A Chapter to be used as they think best.

Settlement School handcraft items have enjoyed a brisk sale whenever they were obtainable. We have had many orders for special items that could not be filled however.

Members are anticipating a year of still greater activity for the Club, now that many of the hospital and Red Cross obligations have been brought to a close during this year.

LILLIAN P. CROSLAND

PASADENA

We have sent \$50 to the Settlement School, \$10 to Holt House, and \$15 to the Red Cross, funds being raised by a

highly successful rummage sale. Founders' Day was celebrated with a banquet at the Pasadena Athletic Club. In May, we had a tea and election of officers, followed by an interesting talk by Mrs. Rose Wallace on "Juvenile Hall, a Behavior Clinic." The final meeting of the year will be a Mother and Daughter picnic. Maude Pickett is our delegate to Convention. With the many new members who have been added to our club this year, we look forward to renewed activities.

SHIRLEY RIGDEN GIBSON

PHOENIX

Opening the year's activities with a business meeting at the home of Leota Redewill in October, the members agreed to hold five gatherings during the year. We voted to continue our work at the Community Service Men's Center, and food was served at this center until it closed in February.

A "Western cooky-shine" was held at the home of Helen Vinson in November, Western because a Mexican dinner was served.

Phyllis Peterson was hostess for the Christmas party. Clara Suckow who has visited often at Gatlinburg, entertained with a description of the fine work Pi Phi has done at its Settlement School and with amusing anecdotes of the people and the valley. At this party we had an exchange grab bag for the members and a book shower, each member bringing one book to contribute to the active chapter house library in Tucson. We decided that this seemed a more personal gift than our usual donation of money to the chapter.

In March, the alumnae met at the home of Virginia Scott. Following a delicious dinner, officers were elected and new members introduced. Jumnita Foster spoke, describing her part in the cross-country trip connected with the Lost Dutchman Mine in the Superstition Mountains near Phoenix. Mrs. Foster's party travelled to Washington, D.C., where they met President Truman and presented him with a cowboy hat before exploring the Library of Congress for maps or information leading to the finding of this mysterious mine.

Our Founders' Day celebration was held at the home of Imogene Jennings. We had a lawn buffet supper, complete with singing and Arrow cakes. At a meeting following, the honors won by Arizona A chapter were announced, and the Candle Lighting Ceremony was enacted by Alice Scoles Davis and Jan Moore.

Contributions: Holt House, \$1; Loan Fund, \$1; Settlement School, \$5.

We feel that closer fellowship has been established by the well-planned, entertaining meetings held this year, and we wish to extend a cordial invitation to any visiting Pi Phi to come to our meetings and get acquainted.

EMILY SMITH

RENO

On April 6, a tea was given at the chapter house when articles from the Settlement School were sold. Aprons and tiny pinafores which were made by members of the Alumnae Club, sold like wildfire!

The alumnae, actives, and pledges attended a banquet at the Riverside Hotel on Founders' Day. Several short talks were given and the Candlelighting Ceremony was performed. Early in May, the alumnae joined the actives in honoring the new Patronesses and Mothers of the Seniors of the high schools at a tea. During the monthly May meeting, new officers were installed with Clare O'Sullivan as president. An interesting report on Settlement School was given by Alice Organ.

Many alumnae plan to attend the Senior Breakfast at the Riverside Hotel, June 9. This event honors the graduating seniors who were initiated into the Alumnae Club recently.

With summer vacations in the offing, attendance may lag somewhat, but summer meetings will continue and promise to be filled with interest about rushing and plans for a full program next year.

VERNA ANDERSON

SAN FERNANDO VALLEY

Our first year has been a most successful one under the guidance of our president, Martha Farmer. We have met every month since the original tea last March at the home of Kate Bucher, and have an average attendance of 23.

We joined with the Glendale Club at dinner in celebration of Founders' Day, and enjoyed an interesting program followed by the candle-lighting ceremony. Dorothy Ransford entertained us in May with an afternoon bridge, at which time plans were completed for the donation tea, May 25.

Our donation tea was the highlight of the year and a great success in every way. It was held in the lovely gardens of Hope Evans' home, where some 200 guests assembled to hear Dorothy Prebel, Illinois Z, and head of the Dorothy Prebel School of Charm and School of Fashion Modeling, speak on "Charm and Personality." She presented two of her models, Marjorie Bong, widow of World War II ace, major Richard Bong, and Marie Icide, known on the screen as

Catherine Cassidy, who demonstrated right and wrong ways of walking, standing, etc. Settlement School articles were on sale during the afternoon and were also given as door prizes. Three little professional girl dancers entertained with ballet and tap numbers by the pool and, after the program, ice-cream, cakes and coffee were served. Betty Johnson was chairman of the committee putting on the tea and was ably assisted by Merridy Crookshanks, Elizabeth Taylor, Jeanne Bell, Adamae Norris and Mary Wood.

The tea was a great success, socially and financially, and enabled us to give \$100 to the National Cancer Fund, \$20 to the Settlement School, and \$5 each to Holt House and the Loan Fund, as well as bolstering our treasury. Much credit for sales from two shipments of Settlement School goods is due Lucille Monroe and to Peg Shave for Magazine subscriptions.

RUTH SOULE WALLEY

SAN FRANCISCO

Our final board meeting of the year was held in May at the home of Eunice Cagwin, at which time officers and committee chairman were approved. Mrs. Feeris Bagley, Settlement School chairman, reported sales of Arrowcraft amounting to \$1380 with a profit of \$270. We have given \$100 to the Settlement School, \$10 to the Loan Fund, and \$10 to Holt House. The amount of \$125 was designated for replenishing our stock of Arrowcraft.

FRANCES C. GREENE

SANTA BARBARA-VENTURA

Our club has held quarterly meetings this past year, a war-time measure adopted because of transportation difficulties. Next fall we shall resume monthly meetings. We have averaged fifteen in attendance. We have been interested in rushing recently since Santa Barbara State College has been made a branch of the University of California. We now look forward to national fraternity groups coming in. Founders' Day was celebrated with a lovely luncheon. The last meeting of the year is in June when we elect officers.

VIOLA CHRISTIANSEN

SAN MATEO COUNTY

This group meets once a month for a luncheon of sandwiches brought by the guests and coffee furnished by the hostess. We raise our money by selling calendars. Last year until November we staffed the U.S.O. Canteen one day a month as well as furnishing sandwiches, cake and milk. Besides that we contributed \$10 to the Settlement School, \$10 to the Loan Fund, \$5 to Holt House, and at Christmas a large turkey and ham to the USO. We celebrated Founders' Day with a luncheon at Allied Arts, and also sent a delegate to the Bay Area luncheon at the St. Francis Hotel in San Francisco. In May our Mu province president, Mrs. Paul Manning, was our guest. We have changed our day of meeting from the third Monday to the third Thursday of each month.

JESSIE B. WADE

SANTA MONICA—WESTWOOD

The Santa Monica-Westwood Alumnae Club held dessert meetings on the third Tuesday of each month during the 1945-46 season. Our programs included a review of a current New York play, a picnic, an account from a Pi Phi who was interned at Santa Tomas as well as our annual rummage sale.

We observed Founders' Day in conjunction with the Los Angeles Club with a luncheon at the Roosevelt Hotel, at which approximately 250 members were present, including the active chapters at U.S.C. and U.C.L.A.

During the year we contributed \$50 to Settlement School, \$10 to Holt House, \$10 to the Loan Fund and \$10 to the Red Cross.

The club gratefully acknowledges the tireless leadership of our president, Helen Kuhn, and is looking forward to another successful year with her continuance in office.

BETTIE DAVIS

SOUTH COAST

Our club is just finishing a very happy year under the leadership of Alice Ayars Frost. We celebrated Founders' Day with a luncheon at the Santa Ana Country Club, adjourning to the nearby home of Mary Growther Spence for the program. In June the club gave a tea honoring those high school graduates of the several communities who plan to go to college next fall. We have contributed to all the Pi Phi projects, helped greatly by our two pottery pigs, Pi and Phi, who attend each meeting with an appetite for stray dimes. We cordially invite all Pi Phis in this section to join us.

Make checks for magazine subscription payable to the Pi Beta Phi Magazine Agency, 208 National Bank Bldg., Decatur, Illinois.

NOTICE TO CANADIAN CHAPTERS

Canadian chapters make all checks for payments of initiation fees, contributions to all funds, and payments for Bound ARROWS and Treasurers' Bonds, payable to the Director of Rushing and Pledge Training, Miss Isabel A. Clark, 196 Elm St., Winnipeg, Manitoba, Canada.

GENERAL INSTRUCTIONS

Chapter treasurers should see that the Financial Statements to Parents of Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes six weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to the Directory of Rushing and Pledge Training.

The corresponding secretary should report to the Central Office changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

SEPTEMBER 10. Chapter president send letter to Province President. Chapter officers meet, read manuals, and prepare for college year.
